(2) The director and the (~~(wildlife commission)~~) department may acquire by gift, purchase, lease, easement, or condemnation the use of lands where the construction or improvement is to be carried on by the United States.

Sec. 24. RCW 75.08.400 and 1989 c 336 s 1 are each amended to read as follows:

The legislature finds that:

(1) The fishery resources of Washington are critical to the social and economic needs of the citizens of the state;

(2) Salmon production is dependent on both wild and artificial production;

(3) The department (~~(of fisheries)~~) is directed to enhance Washington's salmon runs; and

(4) Full utilization of the state's salmon rearing facilities is necessary to enhance commercial and recreational fisheries.

Sec. 25. RCW 75.10.010 and 1985 c 155 s 1 are each amended to read as follows:

(1) Fisheries patrol officers and ex officio fisheries patrol officers within their respective jurisdictions, shall enforce this title, rules of the director, and other statutes as prescribed by the legislature.

(2) When acting within the scope of subsection (1) of this section and when an offense occurs in the presence of the fisheries patrol officer who is not an ex officio fisheries patrol officer, the fisheries patrol officer may enforce all criminal laws of the state. The fisheries patrol officer must have successfully completed the basic law enforcement academy course sponsored by the criminal justice training commission, or a supplemental course in criminal law enforcement as approved by the department and the criminal justice training commission and provided by the department or the criminal justice training commission, prior to enforcing the criminal laws of the state.

(3) Any liability or claim of liability which arises out of the exercise or alleged exercise of authority by a fisheries patrol officer rests with the department (~~(of fisheries)~~) unless the fisheries patrol officer acts under the direction and control of another agency or unless the liability is otherwise assumed under a written agreement between the department (~~(of fisheries)~~) and another agency.

(4) Fisheries patrol officers may serve and execute warrants and processes issued by the courts.

Sec. 26. RCW 75.10.200 and 1990 c 144 s 3 are each amended to read as follows:

Persons who violate this title or the rules of the director shall be subject to the following penalties:

(1) The following violations are gross misdemeanors and are punishable under RCW 9.92.020:

(b) Violating department statutes that require fish screens, fish ladders, and other protective devices for fish.

(2) The following violations are a class C felony and are punishable under RCW 9A.20.021(1)(c):

(a) Discharging explosives in waters that contain adult salmon or sturgeon: PROVIDED, That lawful discharge of devices for the purpose of frightening or killing marine mammals or for the lawful removal of snags or for actions approved under RCW 75.20.100 or 75.12.070(2) are exempt from this subsection; and

(b) To knowingly purchase food fish or shellfish with a wholesale value greater than two hundred fifty dollars that were taken by methods or during times not authorized by department (~~(of fisheries)~~) rules, or were taken by someone who does not have a valid commercial fishing license, a valid fish buyer's license, or a valid wholesale dealer's license, or were taken with fishing gear authorized for personal use.

Sec. 27. RCW 75.12.040 and 1985 c 147 s 1 are each amended to read as follows:

(1) It is unlawful to use, operate, or maintain a gill net which exceeds 250 fathoms in length or a drag seine in the waters of the Columbia river for catching salmon.

(2) It is unlawful to construct, install, use, operate, or maintain within state waters a pound net, round haul net, lampara net, fish trap, fish wheel, scow fish wheel, set net, weir, or fixed appliance for catching salmon. The director may authorize the use of this gear for scientific investigations.

(3) The department (~~(of fisheries)~~), in coordination with the Oregon department of fish and wildlife, shall adopt rules to regulate the use of monofilament in gill net webbing on the Columbia river.

Sec. 28. RCW 75.20.005 and 1991 c 322 s 21 are each amended to read as follows:

The department of (~~(fisheries, the department of)~~) fish and wildlife, the department of ecology, and the department of natural resources shall jointly develop an informational brochure that describes when permits and any other authorizations are required for flood damage prevention and reduction projects, and recommends ways to best proceed through the various regulatory permitting processes.

Sec. 29. RCW 75.20.050 and 1988 c 36 s 32 are each amended to read as follows:

It is the policy of this state that a flow of water sufficient to support game fish and food fish populations be maintained at all times in the streams of this state.

The director of ecology shall give the director (~~(of fisheries and the director of wildlife)~~) notice of each application for a permit to divert or store water. The director (~~(of fisheries and director of wildlife have)~~) has thirty days after receiving the notice to state (~~(their)~~) his or her objections to the application. The permit shall not be issued until the thirty-day period has elapsed.

The director of ecology may refuse to issue a permit if, in the opinion of the director (~~(of fisheries or director of wildlife)~~), issuing the permit might result in lowering the flow of water in a stream below the flow necessary to adequately support food fish and game fish populations in the stream.

The provisions of this section shall in no way affect existing water rights.

Sec. 30. RCW 75.20.100 and 1991 c 322 s 30 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the written approval of the department (~~(of fisheries or the department of wildlife)~~) as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 and 75.20.1002, the department (~~(of fisheries or the department of wildlife)~~) shall grant or deny approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department (~~(of fisheries or the department of wildlife)~~) shall notify the applicant in writing of the reasons for the delay. Approval is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If (~~either~~) the department (~~(of fisheries or the department of wildlife)~~) denies approval, (~~that~~) the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent. If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department (~~(of fisheries or the department of wildlife)~~) as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

For the purposes of this section and RCW 75.20.103, "bed" shall mean the land below the ordinary high water lines of state waters. This definition shall not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

The phrase "to construct any form of hydraulic project or perform other work" shall not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

~~((For each application, the department of fisheries and the department of wildlife shall mutually agree on whether the department of fisheries or the department of wildlife shall administer the provisions of this section, in order to avoid duplication of effort. The department designated to act shall cooperate with the other department in order to protect all species of fish life found at the project site. If the department of fisheries or the department of wildlife receives an application concerning a site not in its jurisdiction, it shall transmit the application to the other department within three days and notify the applicant.))~~

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department (~~(of fisheries or department of wildlife)~~), through (~~(their)~~) its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately upon request, for a stream crossing during an emergency situation.

This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103.

Sec. 31. RCW 75.20.1001 and 1991 c 322 s 12 are each amended to read as follows:

The department (~~(of fisheries and the department of wildlife)~~) shall process hydraulic project applications submitted under RCW 75.20.100 or 75.20.103 within thirty days of receipt of the application. This requirement is only applicable for the repair and reconstruction of legally constructed dikes, seawalls, and other flood control structures damaged as a result of flooding or windstorms that occurred in November and December 1990.

Sec. 32. RCW 75.20.103 and 1991 c 322 s 31 are each amended to read as follows:

In the event that any person or government agency desires to construct any form of hydraulic project or other work that diverts water for agricultural irrigation or stock watering purposes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020, and when such diversion or streambank stabilization will use, divert, obstruct, or change the natural flow or bed of any river or stream or will utilize any waters of the state or materials from the stream beds, the person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure a written approval from the department (~~(of fisheries or the department of wildlife)~~) as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 and 75.20.1002, the department (~~(of fisheries or the department of wildlife)~~) shall grant or deny the approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for an approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within ordinary high water line, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (1) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (2) the site is physically inaccessible for inspection; or (3) the applicant requests delay.

Immediately upon determination that the forty-five day period is suspended, the department (~~(of fisheries or the department of wildlife)~~) shall notify the applicant in writing of the reasons for the delay.

An approval shall remain in effect without need for periodic renewal for projects that divert water for agricultural irrigation or stock watering purposes and that involve seasonal construction or other work. Approval for streambank stabilization projects shall remain in effect without need for periodic renewal if the problem causing the need for the streambank stabilization occurs on an annual or more frequent basis. The permittee must notify the appropriate agency before commencing the construction or other work within the area covered by the approval.

The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If (~~either~~) the department (~~(of fisheries or the department of wildlife)~~) denies approval, (~~that~~) the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Issuance, denial, conditioning, or modification shall be appealable to the hydraulic appeals board established in RCW 43.21B.005 within thirty days of the notice of decision. The burden shall be upon the department (~~(of fisheries or the department of wildlife)~~) to show that the denial or conditioning of an approval is solely aimed at the protection of fish life.

The department (~~(granting approval)~~) may, after consultation with the permittee, modify an approval due to changed conditions. The modifications shall become effective unless appealed to the hydraulic appeals board within thirty days from the notice of the proposed modification. The burden is on the department (~~(issuing the approval)~~) to show that changed conditions warrant the modification in order to protect fish life.

A permittee may request modification of an approval due to changed conditions. The request shall be processed within forty-five calendar days of receipt of the written request. A decision by the department (~~(that issued the approval)~~) may be appealed to the hydraulic appeals board within thirty days of the notice of the decision. The burden is on the permittee to show that changed conditions warrant the requested modification and that such modification will not impair fish life.

If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department (~~(of fisheries or the department of wildlife)~~) as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

~~((For each application, the department of fisheries and the department of wildlife shall mutually agree on whether the department of fisheries or the department of wildlife shall administer the provisions of this section, in order to avoid duplication of effort. The department designated to act shall cooperate with the other department in order to protect all species of fish life found at the project site. If the department of fisheries or the department of wildlife receives an application concerning a site not in its jurisdiction, it shall transmit the application to the other department within three days and notify the applicant.))~~

In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department (~~(of fisheries or department of wildlife)~~), through (~~(their)~~) its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section.

For purposes of this chapter, "streambank stabilization" shall include but not be limited to log and debris removal, bank protection (including riprap, jetties, and groins), gravel removal and erosion control.

Sec. 33. RCW 75.20.104 and 1991 c 322 s 18 are each amended to read as follows:

Whenever the placement of woody debris is required as a condition of a hydraulic permit approval issued pursuant to RCW 75.20.100 or 75.20.103, the department (~~(of fisheries and the department of wildlife)~~), upon request, shall invite comment regarding that placement from the local governmental authority, affected tribes, affected federal and state agencies, and the project applicant.

Sec. 34. RCW 75.20.1041 and 1991 c 322 s 19 are each amended to read as follows:

The department (~~(of fisheries, the department of wildlife,)~~) and the department of ecology will work cooperatively with the United States army corps of engineers to develop a memorandum of agreement outlining dike vegetation management guidelines so that dike owners are eligible for coverage under P.L. 84-99, and state requirements established pursuant to RCW 75.20.100 and 75.20.103 are met.

Sec. 35. RCW 75.20.106 and 1988 c 36 s 35 are each amended to read as follows:

The department (~~(of fisheries and the department of wildlife)~~) may (~~(each)~~) levy civil penalties of up to one hundred dollars per day for violation of any provisions of RCW 75.20.100 or 75.20.103. The penalty provided shall be imposed by notice in writing, either by certified mail or personal service to the person incurring the penalty, from the director (~~(of the appropriate department)~~) or (~~(that)~~) the director's designee describing the violation. Any person incurring any penalty under this chapter may appeal the same under chapter 34.05 RCW to the director (~~(of the department levying the penalty)~~). Appeals shall be filed within thirty days of receipt of notice imposing any penalty. The penalty imposed shall become due and payable thirty days after receipt of a notice imposing the penalty unless an appeal is filed. Whenever an appeal of any penalty incurred under this chapter is filed, the penalty shall become due and payable only upon completion of all review proceedings and the issuance of a final order confirming the penalty in whole or in part.

If the amount of any penalty is not paid within thirty days after it becomes due and payable the attorney general, upon the request of the director (~~(of the department of fisheries or the department of wildlife)~~) shall bring an action in the name of the state of Washington in the superior court of Thurston county or of any county in which such violator may do business, to recover such penalty. In all such actions the procedure and rules of evidence shall be the same as an ordinary civil action. All penalties recovered under this section shall be paid into the state's general fund.

Sec. 36. RCW 75.20.110 and 1988 c 36 s 36 are each amended to read as follows:

(1) Except for the north fork of the Lewis river and the White Salmon river, all streams and rivers tributary to the Columbia river downstream from McNary dam are established as an anadromous fish sanctuary. This sanctuary is created to preserve and develop the food fish and game fish resources in these streams and rivers and to protect them against undue industrial encroachment.

(2) Within the sanctuary area:

(a) It is unlawful to construct a dam greater than twenty-five feet high within the migration range of anadromous fish as ~~((jointly))~~ determined by the director ~~((of fisheries and the director of wildlife))~~.

(b) Except by ~~((concurrent))~~ order of the director ~~((of fisheries and director of wildlife))~~, it is unlawful to divert water from rivers and streams in quantities that will reduce the respective stream flow below the annual average low flow, based upon data published in United States geological survey reports.

(3) The director ~~((of fisheries and the director of wildlife))~~ may acquire and abate a dam or other obstruction, or acquire any water right vested on a sanctuary stream or river, which is in conflict with the provisions of subsection (2) of this section.

(4) Subsection (2)(a) of this section does not apply to the sediment retention structure to be built on the North Fork Toutle river by the United States army corps of engineers.

Sec. 37. RCW 75.20.130 and 1989 c 175 s 160 are each amended to read as follows:

(1) There is hereby created within the environmental hearings office under RCW 43.21B.005 the hydraulic appeals board of the state of Washington.

(2) The hydraulic appeals board shall consist of three members: The director of the department of ecology or the director's designee, the director of the department of agriculture or the director's designee, and the director or the director's designee of the department whose action is appealed under subsection (6) of this section. A decision must be agreed to by at least two members of the board to be final.

(3) The board may adopt rules necessary for the conduct of its powers and duties or for transacting other official business.

(4) The board shall make findings of fact and prepare a written decision in each case decided by it, and that finding and decision shall be effective upon being signed by two or more board members and upon being filed at the hydraulic appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The board has exclusive jurisdiction to hear appeals arising from the approval, denial, conditioning, or modification of a hydraulic approval issued by ~~((either))~~ the department ~~((of fisheries or the department of wildlife))~~ under the authority granted in RCW 75.20.103 for the diversion of water for agricultural irrigation or stock watering purposes or when associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020.

(6)(a) Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic approval pursuant to RCW 75.20.103 may seek review from the board by filing a request for the same within thirty days of notice of the approval, denial, conditioning, or modification of such approval.

(b) The review proceedings authorized in (a) of this subsection are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings.

Sec. 38. RCW 75.20.300 and 1989 c 213 s 3 are each amended to read as follows:

(1) The legislature intends to expedite flood-control, acquisition of sites for sediment retention, and dredging operations in those rivers affected by the May 1980 eruption of Mt. St. Helens, while continuing to protect the fish resources of these rivers.

(2) The director ~~((of fisheries and director of wildlife))~~ shall process hydraulic project applications submitted under RCW 75.20.100 within fifteen working days of receipt of the application. This requirement is only applicable to flood control and dredging projects located in the Cowlitz river from mile 22 to the confluence with the Columbia, and in the Toutle river from the mouth to the North Fork Toutle sediment dam site at North Fork mile 12, and to river mile 3 on the South Fork Toutle river, and volcano-affected areas of the Columbia river.

(3) For the purposes of this section, the emergency provisions of RCW 75.20.100 may be initiated by the county legislative authority if the project is necessary to protect human life or property from flood hazards, including:

(a) Flood fight measures necessary to provide protection during a flood event; or

(b) Measures necessary to reduce or eliminate a potential flood threat when other alternative measures are not available or cannot be completed prior to the expected flood threat season; or

(c) Measures which must be initiated and completed within an immediate period of time and for which processing of the request through normal methods would cause a delay to the project and such delay would significantly increase the potential for damages from a flood event.

(4) This section does not apply to the sediment retention structure to be built on the North Fork Toutle river by the United States army corps of engineers.

(5) This section expires on June 30, 1995.

Sec. 39. RCW 75.20.310 and 1988 c 36 s 39 are each amended to read as follows:

The legislature recognizes the need to mitigate the effects of sedimentary build-up and resultant damage to fish population in the Toutle river resulting from the Mt. St. Helens eruption. The state has entered into a contractual agreement with the United States army corps of engineers designed to minimize fish habitat disruption created by the sediment retention structure on the Toutle river, under which the corps has agreed to construct a fish collection facility at the sediment retention structure site conditional upon the state assuming the maintenance and operation costs of the facility. The department ~~((of wildlife and the department of fisheries))~~ shall ~~((cooperatively))~~ operate and maintain a fish collection facility on the Toutle river. ~~((Each agency shall share in the cost of operating and maintaining the facility.))~~

Sec. 40. RCW 75.24.065 and 1985 c 256 s 2 are each amended to read as follows:

The legislature finds that current environmental and economic conditions warrant a renewal of the state's historical practice of actively cultivating and managing its oyster reserves in Puget Sound to produce the state's native oyster, the Olympia oyster. The department ~~((of fisheries))~~ shall reestablish dike cultivated production of Olympia oysters on such reserves on a trial basis as a tool for planning more comprehensive cultivation by the state.

Sec. 41. RCW 75.25.005 and 1989 c 305 s 1 are each amended to read as follows:

The following recreational fishing licenses are administered and issued by the department ~~((of fisheries))~~ under authority of the director ~~((of fisheries))~~:

- (1) Hood Canal shrimp license;
- (2) Razor clam license;
- (3) Personal use fishing license;
- (4) Salmon license; and
- (5) Sturgeon license.

Sec. 42. RCW 75.25.080 and 1989 c 305 s 4 are each amended to read as follows:

(1) It is lawful to dig the personal-use daily bag limit of razor clams for another person if that person has in possession a physical disability permit issued by the director.

(2) An application for a physical disability permit must be submitted on a department ~~((of fisheries))~~ official form and must be accompanied by a licensed medical doctor's certification of disability.

Sec. 43. RCW 75.25.170 and 1989 c 305 s 16 are each amended to read as follows:

Fees received for recreational licenses required under this chapter shall be deposited in the general fund and shall be appropriated for management, enhancement, research, and enforcement purposes of the shellfish, salmon, and marine fish programs of the department ~~((of fisheries))~~.

Sec. 44. RCW 75.25.180 and 1989 c 305 s 14 are each amended to read as follows:

Recreational licenses issued by the department ~~((of fisheries))~~ under this chapter are valid for the following periods:

- (1) Recreational licenses issued without charge to persons designated by this chapter are valid:
 - (a) For life for blind persons;
 - (b) For the period of continued state residency for qualified disabled veterans;
 - (c) For the period of continued state residency for persons sixty-five years of age or more;
 - (d) For the period of the disability for persons with a developmental disability;
 - (e) For life for handicapped persons confined to a wheelchair who have been issued a permanent disability card; and
 - (f) Until a child reaches fifteen years of age.

(2) Two-consecutive-day personal use licenses expire at midnight on the day following the validation date written on the license by the license dealer, except two-consecutive-day personal use licenses validated for December 31 expire at midnight on that date.

(3) An annual salmon license is valid for a maximum catch of fifteen salmon, after which another salmon license may be purchased. A salmon license is valid only for the calendar year for which it is issued.

(4) An annual sturgeon license is valid for a maximum catch of fifteen sturgeon. A sturgeon license is valid only for the calendar year for which it is issued.

(5) All other recreational licenses are valid for the calendar year for which they are issued.

Sec. 45. RCW 75.50.010 and 1985 c 458 s 1 are each amended to read as follows:

Currently, many of the salmon stocks of Washington state are critically reduced from their sustainable level. The best interests of all fishing groups and the citizens as a whole are served by a stable and productive salmon resource. Immediate action is needed to reverse the severe decline of the resource and to insure its very survival. The legislature finds a state of emergency exists and that immediate action is required to restore its fishery.

Disagreement and strife have dominated the salmon fisheries for many years. Conflicts among the various fishing interests have only served to erode the resource. It is time for the state of Washington to make a major commitment to increasing productivity of the resource and to move forward with an effective rehabilitation and enhancement program. The department ((of fisheries)) is directed to dedicate its efforts to make increasing the productivity of the salmon resource a first priority and to seek resolution to the many conflicts that involve the resource.

Success of the enhancement program can only occur if projects efficiently produce salmon or restore habitat. The expectation of the program is to optimize the efficient use of funding on projects that will increase artificially and naturally produced salmon, restore and improve habitat, or identify ways to increase the survival of salmon. The full utilization of state resources and cooperative efforts with interested groups are essential to the success of the program.

Sec. 46. RCW 75.50.070 and 1989 c 426 s 1 are each amended to read as follows:

The legislature finds that it is in the best interest of the salmon resource of the state to encourage the development of regional fisheries enhancement groups. The accomplishments of one existing group, the Grays Harbor fisheries enhancement task force, have been widely recognized as being exemplary. The legislature recognizes the potential benefits to the state that would occur if each region of the state had a similar group of dedicated citizens working to enhance the salmon resource.

The legislature authorizes the formation of regional fisheries enhancement groups. These groups shall be eligible for state financial support and shall be actively supported by the department ((of fisheries)). The regional groups shall be operated on a strictly nonprofit basis, and shall seek to maximize the efforts of volunteer and private donations to improve the salmon resource for all citizens of the state.

Sec. 47. RCW 75.50.080 and 1989 c 426 s 4 are each amended to read as follows:

Regional fisheries enhancement groups, consistent with the long-term regional policy statements developed under RCW 75.50.020, shall seek to:

- (1) Enhance the salmon resource of the state;
- (2) Maximize volunteer efforts and private donations to improve the salmon resource for all citizens;
- (3) Assist the department in achieving the goal to double the state-wide salmon catch by the year 2000 under chapter 214, Laws of 1988; and
- (4) Develop projects designed to supplement the fishery enhancement capability of the department ((of fisheries)).

Sec. 48. RCW 75.50.130 and 1992 c 88 s 1 are each amended to read as follows:

The director ((of fisheries)) shall prepare a salmon recovery plan for the Skagit river. The plan shall include strategies for employing displaced timber workers to conduct salmon restoration and other tasks identified in the plan. The plan shall incorporate the best available technology in order to achieve maximum restoration of depressed salmon stocks. The plan must encourage the restoration of natural spawning areas and natural rearing of salmon but must not preclude the development of an active hatchery program.

Sec. 49. RCW 75.52.010 and 1988 c 36 s 41 are each amended to read as follows:

It is important to restore diminished recreational fisheries and to enhance the salmon and marine bottomfish resource to assure sustained productivity. Investments made in recreational fishing programs will repay the people of the state many times over in increased economic activity and in an improved quality of life.

NEW SECTION. **Sec. 84.** There is created a new position in the department subject to the civil service law, chapter 41.06 RCW, to be known as the sport fishing program administrator. NEW SECTION. **Sec. 85.** The duties of the sport fishing program administrator are to use resources within the department to: Develop a short-term program of hatchery-based salmon enhancement using freshwater pond sites for the final rearing phase; solicit support from cooperative projects, regional enhancement groups, and other supporting organizations; conduct comprehensive research on resident and migratory salmon production opportunities; and conduct research on marine bottomfish production limitations and on methods for artificial propagation of marine bottomfish.

Long-term duties of the sport fishing program administrator are to: Fully implement enhancement efforts for Puget Sound and Hood Canal resident salmon and marine bottomfish; identify opportunities to reestablish salmon runs into areas where they no longer exist; encourage naturally spawning salmon populations to develop to their fullest extent; and fully utilize hatchery programs to improve recreational fishing.

The department shall fully use the expertise of the University of Washington college of fisheries and the sea grant program to develop research and enhancement programs.

NEW SECTION. **Sec. 88.** The department shall conduct research, develop methods, and implement programs for the artificial rearing and release of marine bottomfish species. Lingcod, halibut, rockfish, and Pacific cod shall be the species of primary emphasis due to their importance in the recreational fishery.

Research shall be designed to give the best opportunity to provide information that can be applied to real-world recreational fishing needs.

NEW SECTION. **Sec. 90.** The department shall work with the department of ecology, the department of wildlife, and local government entities to streamline the siting process for new enhancement projects. Economic benefits of the program shall be emphasized.

NEW SECTION. **Sec. 92.** The department shall increase efforts to document the effects of bird predators, harbor seals, sea lions, and predatory fish upon the salmon and marine fish resource. Every opportunity shall be explored to convince the federal government to amend the marine mammal protection act to allow for lethal removal of predatory marine mammals, as well as to work with the United States fish and wildlife service to achieve workable control measures for predatory birds.

NEW SECTION. **Sec. 93.** Indian tribal fishing interests and non-Indian commercial fishing groups shall be invited to participate in development of plans for selective fisheries that target hatchery-produced fish and minimize catch of naturally spawned fish. In addition, talks shall be initiated on the feasibility of altering the rearing programs of department hatcheries to achieve higher survival and greater production of chinook and coho salmon.

NEW SECTION. **Sec. 94.** The department shall coordinate the sport fishing program with the wild stock initiative to assure that the two programs are compatible and potential conflicts are avoided.

NEW SECTION. **Sec. 95.** The department shall develop plans for increased recreational access to salmon and marine fish resources. Proposals for new boat launching ramps and pier fishing access shall be developed.

NEW SECTION. **Sec. 96.** The department shall contract with private consultants, aquatic farms, or construction firms, where appropriate, to achieve the highest benefit-to-cost ratio for recreational fishing projects.

Nothing in this chapter shall be construed to authorize the department to advocate or to improve recreational fishing at the expense of commercial fishing or to increase recreational enhancement to the detriment of commercial enhancement.

NEW SECTION. **Sec. 98.** Beginning January 1, 1994, persons who recreationally fish for salmon or marine bottomfish in marine area codes 5 through 13 shall be assessed an annual recreational surcharge of ten dollars, in addition to other licensing requirements. SENATE AMENDMENTS TO HOUSE BILL

April 12, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1077, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) This section applies to all nonprobate assets, wherever situated, held at the time of entry by a superior court of this state of a decree of dissolution of marriage or a declaration of invalidity.

(2)(a) If a marriage is dissolved or invalidated, a provision made prior to that event that relates to the payment or transfer at death of the decedent's interest in a nonprobate asset in favor of or granting an interest or power to the decedent's former spouse is revoked. A provision affected by this section must be interpreted, and the nonprobate asset affected passes, as if the former spouse failed to survive the decedent, having died at the time of entry of the decree of dissolution or declaration of invalidity.

(b) This subsection does not apply if and to the extent that:

(i) The instrument governing disposition of the nonprobate asset expressly provides otherwise;

(ii) The decree of dissolution or declaration of invalidity requires that the decedent maintain a nonprobate asset for the benefit of a former spouse or children of the marriage, payable on the decedent's death either outright or in trust, and other nonprobate assets of the decedent fulfilling such a requirement for the benefit of the former spouse or children of the marriage do not exist at the decedent's death; or

(iii) If not for this subsection, the decedent could not have effected the revocation by unilateral action because of the terms of the decree or declaration, or for any other reason, immediately after the entry of the decree of dissolution or declaration of invalidity.

(3)(a) A payor or other third party in possession or control of a nonprobate asset at the time of the decedent's death is not liable for making a payment or transferring an interest in a nonprobate asset to a decedent's former spouse whose interest in the nonprobate asset is revoked under this section, or for taking another action in reliance on the validity of the instrument governing disposition of the nonprobate asset, before the payor or other third party has actual knowledge of the dissolution or other invalidation of marriage. A payor or other third party is liable for a payment or transfer made or other action taken after the payor or other third party has actual knowledge of a revocation under this section.

(b) This section does not require a payor or other third party to pay or transfer a nonprobate asset to a beneficiary designated in a governing instrument affected by the dissolution or other invalidation of marriage, or to another person claiming an interest in the nonprobate asset, if the payor or third party has actual knowledge of the existence of a dispute between the former spouse and the beneficiaries or other persons concerning rights of ownership of the nonprobate asset as a result of the application of this section among the former spouse and the beneficiaries or among other persons, or if the payor or third party is otherwise uncertain as to who is entitled to the nonprobate asset under this section. In such a case, the payor or third party may, without liability, notify in writing all beneficiaries or other persons claiming an interest in the nonprobate asset of either the existence of the dispute or its uncertainty as to who is entitled to payment or transfer of the nonprobate asset. The payor or third party may also, without liability, refuse to pay or transfer a nonprobate asset in such a circumstance to a beneficiary or other person claiming an interest until the time that either:

(i) All beneficiaries and other interested persons claiming an interest have consented in writing to the payment or transfer; or

(ii) The payment or transfer is authorized or directed by a court of proper jurisdiction.

(c) Notwithstanding subsections (1) and (2) of this section and (a) and (b) of this subsection, a payor or other third party having actual knowledge of the existence of a dispute between beneficiaries or other persons concerning rights to a nonprobate asset as a result of the application of this section may condition the payment or transfer of the nonprobate asset on execution, in a form and with security acceptable to the payor or other third party, of a bond in an amount that is double the fair market value of the nonprobate asset at the time of the decedent's death or the amount of an adverse claim, whichever is the lesser, or of a similar instrument to provide security to the payor or other third party, indemnifying the payor or other third party for any liability, loss, damage, costs, and expenses for and on account of payment or transfer of the nonprobate asset.

(d) As used in this subsection, "actual knowledge" means, for a payor or other third party in possession or control of the nonprobate asset at or following the decedent's death, written notice to the payor or other third party, or to an officer of a payor or third party in the course of his or her employment, received after the decedent's death and

within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge. The notice must identify the nonprobate asset with reasonable specificity. The notice also must be sufficient to inform the payor or other third party of the revocation of the provisions in favor of the decedent's spouse by reason of the dissolution or invalidation of marriage, or to inform the payor or third party of a dispute concerning rights to a nonprobate asset as a result of the application of this section. Receipt of the notice for a period of more than thirty days is presumed to be received within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge, but receipt of the notice for a period of less than five business days is presumed not to be a sufficient time for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(4)(a) A person who purchases a nonprobate asset from a former spouse or other person, for value and without actual knowledge, or who receives from a former spouse or other person payment or transfer of a nonprobate asset without actual knowledge and in partial or full satisfaction of a legally enforceable obligation, is neither obligated under this section to return the payment, property, or benefit nor is liable under this section for the amount of the payment or the value of the nonprobate asset. However, a former spouse or other person who, with actual knowledge, not for value, or not in satisfaction of a legally enforceable obligation, receives payment or transfer of a nonprobate asset to which that person is not entitled under this section is obligated to return the payment or nonprobate asset, or is personally liable for the amount of the payment or value of the nonprobate asset, to the person who is entitled to it under this section.

(b) As used in this subsection, "actual knowledge" means, for a person described in (a) of this subsection who purchases or receives a nonprobate asset from a former spouse or other person, personal knowledge or possession of documents relating to the revocation upon dissolution or invalidation of marriage of provisions relating to the payment or transfer at the decedent's death of the nonprobate asset, received within a time after the decedent's death and before the purchase or receipt that is sufficient to afford the person purchasing or receiving the nonprobate asset reasonable opportunity to act upon the knowledge. Receipt of the personal knowledge or possession of the documents for a period of more than thirty days is presumed to be received within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge, but receipt of the notice for a period of less than five business days is presumed not to be a sufficient time for these purposes. These presumptions may be rebutted only by clear and convincing evidence to the contrary.

(5) As used in this section, "nonprobate asset" means those rights and interests of a person having beneficial ownership of an asset that pass on the person's death under only the following written instruments or arrangements other than the decedent's will:

(a) A payable-on-death provision of a life insurance policy, employee benefit plan, annuity or similar contract, or individual retirement account;

(b) A payable-on-death, trust, or joint with right of survivorship bank account;

(c) A trust of which the person is a grantor and that becomes effective or irrevocable only upon the person's death; or

(d) Transfer on death beneficiary designations of a transfer on death or pay on death security, if such designations are authorized under Washington law.

(1) At any time after forty days from the date of a decedent's death, any person who is indebted to or who has possession of any personal property belonging to the decedent or to the decedent and his or her surviving spouse as a community, which debt or personal property is an asset which is subject to probate, shall pay such indebtedness or deliver such personal property, or so much of either as is claimed, to a person claiming to be a successor of the decedent upon receipt of proof of death and of an affidavit made by said person which meets the requirements of subsection (2) of this section.

(2) An affidavit which is to be made pursuant to this section shall state:

(a) The claiming successor's name and address, and that the claiming successor is a "successor" as defined in RCW 11.62.005;

(b) That the decedent was a resident of the state of Washington on the date of his death;

(c) That the value of the decedent's entire estate subject to probate, not including the surviving spouse's community property interest in any assets which are subject to probate in the decedent's estate, wherever located, less liens and encumbrances, does not exceed ~~((the amount specified in RCW 6.13.030))~~ sixty thousand dollars;

(d) That forty days have elapsed since the death of the decedent;

(e) That no application or petition for the appointment of a personal representative is pending or has been granted in any jurisdiction;

(f) That all debts of the decedent including funeral and burial expenses have been paid or provided for;

(g) A description of the personal property and the portion thereof claimed, together with a statement that such personal property is subject to probate;

(h) That the claiming successor has given written notice, either by personal service or by mail, identifying his or her claim, and describing the property claimed, to all other successors of the decedent, and that at least ten days have elapsed since the service or mailing of such notice; and

(i) That the claiming successor is either personally entitled to full payment or delivery of the property claimed or is entitled to full payment or delivery thereof on the behalf and with the written authority of all other successors who have an interest therein.

(3) A transfer agent of any security shall change the registered ownership of the security claimed from the decedent to the person claiming to be the successor with respect to such security upon the presentation of proof of death and of an affidavit made by such person which meets the requirements of subsection (2) of this section. Any governmental agency required to issue certificates of ownership or of license registration to personal property shall issue a new certificate of ownership or of license registration to a person claiming to be a successor of the decedent upon receipt of proof of death and of an affidavit made by such person which meets the requirements of subsection (2) of this section.

(4) No release from any Washington state or local taxing authority may be required before any assets or debts are paid or delivered to a successor of a decedent as required under this section.

NEW SECTION. Sec. 2. (1) An otherwise effective written instrument of transfer may not be deemed testamentary solely because of a provision for a nonprobate transfer at death in the instrument.

(2) "Provision for a nonprobate transfer at death" as used in subsection (1) of this section includes, but is not limited to, a written provision that:

(a) Money or another benefit up to that time due to, controlled, or owned by a decedent before death must be paid after the decedent's death to a person whom the decedent designates either in the instrument or a separate writing, including a will, executed at any time;

(b) Money or another benefit due or to become due under the instrument ceases to be payable in the event of the death of the promisee or the promisor before payment or demand; or

(c) Property, controlled by or owned by the decedent before death, that is the subject of the instrument passes to a person the decedent designates either in the instrument or in a separate writing, including a will, executed at any time.

(3) "Otherwise effective written instrument of transfer" as used in subsection (1) of this section means: An insurance policy; a contract of employment; a bond; a mortgage; a promissory note; a certified or uncertified security; an account agreement; a compensation plan; a pension plan; an individual retirement plan; an employee benefit plan; a joint tenancy; a community property agreement; a trust; a conveyance; a deed of gift; a contract; or another written instrument of a similar nature that would be effective if it did not contain provision for a nonprobate transfer at death.

(4) This section only eliminates a requirement that instruments of transfer comply with formalities for executing wills under chapter 11.12 RCW. This section does not make a written instrument effective as a contract, gift, conveyance, deed, or trust that would not otherwise be effective as such for reasons other than failure to comply with chapter 11.12 RCW.

(5) This section does not limit the rights of a creditor under other laws of this state.

NEW SECTION. Sec. 3. A provision in a lease of a safety deposit repository to the effect that two or more persons have access to the repository, or that purports to create a joint tenancy in the repository or in the contents of the repository, or that purports to vest ownership of the contents of the repository in the surviving lessee, is ineffective to create joint ownership of the contents of the repository or to transfer ownership at death of one of the lessees to the survivor. Ownership of the contents of the repository and devolution of title to those contents is determined according to rules of law without regard to the lease provisions.

NEW SECTION. Sec. 4. RCW 11.02.090 and 1974 ex.s. c 117 s 54 are each repealed.

NEW SECTION. Sec. 5. Sections 2 and 3 of this act are each added to chapter 11.02 RCW." On page 1, line 2 of the title, after "death;" strike the remainder of the title and insert "amending RCW 11.62.010; adding new sections to chapter 11.02 RCW; and repealing RCW 11.02.090." and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1993

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1084 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 2.36 RCW to read as follows:

The supreme court is requested to adopt court rules to be effective by September 1, 1994, regarding methodology and standards for merging the list of registered voters in Washington state with the list of licensed drivers and identocard holders in Washington state for purposes of creating an expanded jury source list. The rules should specify the standard electronic format or formats in which the lists will be provided to requesting superior courts by the department of information services. In the interim, and until such court rules become effective, the methodology and standards provided in section 3 of this act shall apply. An expanded jury source list shall be available to the courts for use by September 1, 1994.

NEW SECTION. Sec. 2. A new section is added to chapter 2.36 RCW to read as follows:

Not later than January 1, 1994, the secretary of state, the department of licensing, and the department of information services shall adopt administrative rules as necessary to provide for the implementation of the methodology and standards established pursuant to sections 1 and 3 of this act or by supreme court rule.

NEW SECTION. Sec. 3. A new section is added to chapter 2.36 RCW to read as follows:

Unless otherwise specified by rule of the supreme court, the jury source list and master jury list for each county shall be created as provided by this section.

(1) The superior court of each county, after consultation with the county clerk and county auditor of that jurisdiction, shall annually notify the department of information services not later than March 1 of each year of its election to use either a jury source list that is merged by the county or a jury source list that is merged by the department of information services. The department of information services shall annually furnish at no charge to the superior court of each county a separate list of the registered voters residing in that county as supplied annually by the secretary of state and a separate list of driver's license and identocard holders residing in that county as supplied annually by the department of licensing, or a merged list of all such persons residing in that county, in accordance with the annual notification required by this subsection. The lists provided by the department of information services shall be in an electronic format mutually agreed upon by the superior court requesting it and the department of information services. The annual merger of the list of registered voters residing in each county with the list of licensed drivers and identocard holders residing in each county to form a jury source list for each county shall be in accordance with the standards and methodology established in this chapter or by superseding court rule whether the merger is accomplished by the department of information services or by a county.

(2) Persons on the lists of registered voters and driver's license and identicard holders shall be identified by a minimum of last name, first name, middle initial where available, date of birth, gender, and county of residence. Identifying information shall be used when merging the lists to ensure to the extent reasonably possible that persons are only listed once on the merged list. Conflicts in addresses are to be resolved by using the most recent record by date of last vote in a general election, date of driver's license or identicard address change or date of voter registration.

(3) The department of information services shall provide counties that elect to receive a jury source list merged by department of information services with a list of names which are possible duplicates that cannot be resolved based on the identifying information required under subsection (2) of this section. If a possible duplication cannot subsequently be resolved satisfactorily through reasonable efforts by the county receiving the merged list, the possible duplicate name shall be stricken from the jury source list until the next annual jury source list is prepared.

Sec. 4. RCW 2.36.010 and 1992 c 93 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise the definitions in this section apply throughout this chapter.

(1) A jury is a body of persons temporarily selected from the qualified inhabitants of a particular district, and invested with power—

(a) To present or indict a person for a public offense.

(b) To try a question of fact.

(2) "Court" when used without further qualification means any superior court or court of limited jurisdiction in the state of Washington.

(3) "Judge" means every judicial officer authorized to hold or preside over a court. For purposes of this chapter "judge" does not include court commissioners or referees.

(4) "Juror" means any person summoned for service on a petit jury, grand jury, or jury of inquest as defined in this chapter.

(5) "Grand jury" means those twelve persons impaneled by a superior court to hear, examine, and investigate evidence concerning criminal activity and corruption.

(6) "Petit jury" means a body of persons twelve or less in number in the superior court and six in number in courts of limited jurisdiction, drawn by lot from the jurors in attendance upon the court at a particular session, and sworn to try and determine a question of fact.

(7) "Jury of inquest" means a body of persons six or fewer in number, but not fewer than four persons, summoned before the coroner or other ministerial officer, to inquire of particular facts.

(8) "Jury source list" means the list of all registered voters for any county, ~~((as compiled by each county auditor pursuant to the provisions of chapter 29.07 RCW))~~ merged with a list of licensed drivers and identicard holders who reside in the county. The list shall specify each ~~((voter's))~~ person's name ~~((and residence address))~~ and residence address ~~((and precinct as shown on the original registration card of each qualified voter))~~ and conform to the methodology and standards set pursuant to the provisions of section 3 of this act or by supreme court rule. The list shall be filed with the superior court by the county auditor.

(9) "Master jury list" means the list of prospective jurors from which jurors summoned to serve will be randomly selected. The master jury list shall be either randomly selected from the jury source list or may be an exact duplicate of the jury source list.

(10) "Jury term" means a period of time of one or more days, not exceeding one month, during which summoned jurors must be available to report for juror service.

(11) "Juror service" means the period of time a juror is required to be present at the court facility. This period of time may not extend beyond the end of the jury term, and may not exceed two weeks, except to complete a trial to which the juror was assigned during the two-week period.

(12) "Jury panel" means those persons randomly selected for jury service for a particular jury term.

Sec. 5. RCW 2.36.055 and 1988 c 188 s 4 are each amended to read as follows:

The ~~((county auditor shall prepare and file with the))~~ superior court at least annually ~~((, at a time or times set forth in an order of the judges of the superior court from the original registration files of voters of the county a list of all registered voters. The list may be divided into the respective voting precincts))~~ shall cause a jury source list to be compiled from a list of all registered voters and a list of licensed drivers and identicard holders residing in the county.

The superior court upon receipt of the jury source list ~~((of registered voters filed by the county auditor shall use that list as the jury source list and))~~ shall compile a master jury list ~~((from the source list)).~~ The master jury list

shall be certified by the superior court and filed with the county clerk. All previous jury source lists and master jury lists shall be superseded. In the event that, for any reason, a county's jury source list is not timely created and available for use at least annually, the most recent previously compiled jury source list for that county shall be used by the courts of that county on an emergency basis only for the shortest period of time until a current jury source list is created and available for use.

Upon receipt of amendments to the list of registered voters (~~(from the county auditor)~~) and licensed drivers and identicard holders residing in the county the superior court may update the jury source list and master jury list as maintained by the county clerk accordingly.

Sec. 6. RCW 2.36.063 and 1988 c 188 s 5 are each amended to read as follows:

The judge or judges of the superior court of any county may employ a properly programmed electronic data processing system or device to compile the jury source list, and to compile the master jury list and to randomly select jurors from the master jury list.

Sec. 7. RCW 2.36.065 and 1988 c 188 s 6 are each amended to read as follows:

It shall be the duty of the judges of the superior court to ensure continued random selection of the master jury list and jury panels, which shall be done without regard to whether a person's name originally appeared on the list of registered voters, or on the list of licensed drivers and identicard holders, or both. The judges shall review the process from time to time and shall cause to be kept on file with the county clerk a description of the jury selection process. Any person who desires may inspect this description in said office.

Nothing in this chapter shall be construed as requiring uniform equipment or method throughout the state, so long as fair and random selection of the master jury list and jury panels is achieved.

Sec. 8. RCW 2.36.095 and 1992 c 93 s 4 are each amended to read as follows:

(1) Persons selected to serve on a petit jury, grand jury, or jury of inquest shall be summoned by mail or personal service. The county clerk shall issue summons and thereby notify persons selected for jury duty. The clerk may issue summons for any jury term, in any consecutive twelve-month period, at any time thirty days or more before the beginning of the jury term for which the summons are issued. However, when applicable, the provisions of RCW 2.36.130 apply.

(2) In courts of limited jurisdiction summons shall be issued by the court. Upon the agreement of the courts, the county clerk may summon jurors for any and all courts in the county or judicial district.

(3) The county clerk shall notify the county auditor of each summons for jury duty that is returned by the postal service as undeliverable.

NEW SECTION. Sec. 9. A new section is added to chapter 2.36 RCW to read as follows:

Each court shall establish a means to preliminarily determine by a written declaration signed under penalty of perjury by the person summoned, the qualifications set forth in RCW 2.36.070 of each person summoned for jury duty prior to their appearance at the court to which they are summoned to serve. Upon receipt by the summoning court of a written declaration stating that a declarant does not meet the qualifications set forth in RCW 2.36.070, that declarant shall be excused from appearing in response to the summons. If a person summoned to appear for jury duty fails to sign and return a declaration of his or her qualifications to serve as a juror prior to appearing in response to a summons and is later determined to be unqualified for one of the reasons set forth in RCW 2.36.070, that person shall not be entitled to any compensation as provided in RCW 2.36.150. Information provided to the court for preliminary determination of statutory qualification for jury duty may only be used for the term such person is summoned and may not be used for any other purpose, except that the court, or designee, may report a change of address or nondelivery of summons of persons summoned for jury duty to the county auditor.

Sec. 10. RCW 29.04.160 and 1977 ex.s. c 226 s 1 are each amended to read as follows:

Each county auditor shall maintain a computer file on magnetic tape or disk, punched cards, or other form of data storage containing the records of all registered voters within the county. Where it is necessary or advisable, the auditor may provide for the establishment and maintenance of such files by private contract or through interlocal agreement as provided by chapter 39.34 RCW, as it now exists or is hereafter amended. The computer file shall include, but not be limited to, each voter's last name, first name, middle initial, date of birth, residence address, sex, date of registration, applicable taxing district and precinct codes and the last date on which the individual voted. The county auditor shall subsequently record each consecutive date upon which the individual has voted and retain at least the last five such consecutive dates: PROVIDED, That if the voter has not voted at least five times since establishing his or her current registration record, only the available dates shall be included.

NEW SECTION. Sec. 12. A new section is added to chapter 46.20 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, the department shall annually provide to the department of information services at no charge a computer tape or electronic data file of all licensed drivers and identicard holders who are eighteen years of age or older and whose records have not expired for more than two years and which shall contain the following information on each such person: Full name, date of birth, residence address including county, sex, and most recent date of application, renewal, replacement, or change of driver's license or identicard.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 15. (1) Sections 1, 2, 3, 6, 8, and 13 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.

If the investigation reveals that probable cause exists to believe that the youth may have committed a sex offense and the child is at least eight years of age, the agency shall refer the case to the proper county prosecuting attorney for appropriate action to determine whether the child may be prosecuted or is a sexually aggressive youth. If the child is less than eight years old, the law enforcement agency shall refer the case to the department.

(2) If the prosecutor or a judge determines the child cannot be prosecuted for the alleged sex offense because the child is incapable of committing a crime as provided in RCW 9A.04.050 and the prosecutor believes that probable cause exists to believe that the child engaged in acts that would constitute a sex offense, the prosecutor shall refer the child as a sexually aggressive youth to the department. The prosecutor shall provide the department with an affidavit stating that the prosecutor has determined that probable cause exists to believe that the juvenile has committed acts that could be prosecuted as a sex offense but the case is not being prosecuted because the juvenile is incapable of committing a crime as provided in RCW 9A.04.050.

(3) The department shall investigate any referrals that allege that a child is a sexually aggressive youth. The purpose of the investigation shall be to determine whether the child is abused or neglected, as defined in this chapter, and whether the child or the child's parents are in need of services or treatment. The department may offer appropriate available services and treatment to a sexually aggressive youth and his or her parents or legal guardians as provided in RCW 74.13.075 and may refer the child and his or her parents to appropriate treatment and services available within the community. If the parents refuse to accept or fail to obtain appropriate treatment or services under circumstances that indicate that the refusal or failure is child abuse or neglect, as defined in this chapter, the department may pursue a dependency action as provided in chapter 13.34 RCW.

(4) Nothing in this section shall affect the responsibility of a law enforcement agency to report incidents of abuse or neglect as required in RCW 26.44.030(5).

(2) In expending these funds, the department of social and health services shall establish in each region a case review committee to review all cases for which the funds are used. In determining whether to use these funds in a particular case, the committee shall consider:

(a) The age of the juvenile;

SENATE AMENDMENTS TO HOUSE BILL

April 6, 1993

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1115 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 26.44.030 and 1991 c 111 s 1 are each amended to read as follows:

(1) When any practitioner, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, or juvenile probation officer has reasonable cause to believe that a child or adult dependent or developmentally disabled person, has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040. The report shall be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. The report shall include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children, dependent adults, or developmentally disabled persons are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section shall apply.

(3) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall

report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services or department case services for the developmentally disabled. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report ~~((of incidents, conditions, or circumstances))~~ of child abuse and neglect, the department or investigating law enforcement agency shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(12) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(13) The department ~~((of social and health services))~~ shall ~~((, within funds appropriated for this purpose,))~~ use a risk assessment ~~((tool))~~ process when investigating child abuse and neglect referrals. ~~((The tool shall be used,~~

~~on a pilot basis, in three local office service areas.))~~ The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall provide annual reports to the ~~((ways and means))~~ appropriate committees of the senate and house of representatives on the ~~((use))~~ effectiveness of the ~~((tool by December 1, 1989. The report shall include recommendations on the continued use and possible expanded use of the tool))~~ risk assessment process.

(14) Upon receipt of ~~((such))~~ a report of abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting."

On page 1, line 1 of the title, after "children;" strike the remainder of the title and insert "and amending RCW 26.44.030."

and the same are herewith transmitted.

(3) "Guardian ad litem" means a person, appointed by the court to represent the best interest of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. Sec. 2. RCW 13.34.100 and 1988 c 232 s 1 are each amended to read as follows:

(1) The court shall in all contested cases appoint ~~((an attorney and/or))~~ a guardian ad litem for a child who is ~~((a party to the proceedings in all contested proceedings))~~ the subject of an action under this chapter, unless a court~~((r))~~ for good cause~~((r))~~ finds the appointment unnecessary. ~~((An attorney and/or))~~ A guardian ad litem may be appointed at the discretion of the court in uncontested proceedings~~((: PROVIDED, That))~~. The requirement of a guardian ad litem shall be deemed satisfied if the child is represented by independent counsel in the proceedings.

If the appointed guardian ad litem is not a member of a guardian ad litem program the person shall provide the background information to the court.

(4) The appointment of the guardian ad litem shall remain in effect until the court discharges the appointment or no longer has jurisdiction, whichever comes first. The guardian ad litem may also be discharged upon entry of an order of guardianship.

(5) A guardian ad litem through counsel, or as otherwise authorized by the court, shall have the right to present evidence, examine and cross-examine witnesses, and to be present at all hearings. A guardian ad litem shall receive copies of all pleadings and other documents filed or submitted to the court, and notice of all hearings according to court rules. The guardian ad litem shall receive all notice contemplated for a parent or other party in all proceedings under this chapter. ((A report by the guardian ad litem to the court shall contain, where relevant, information on the legal status of a child's membership in any Indian tribe or band.))

(6) If the child requests legal counsel and is age twelve or older, or if the guardian ad litem or the court determines that the child needs to be independently represented by counsel, the court may appoint an attorney to represent the child's position.

(7) For the purposes of child abuse prevention and treatment act (42 U.S.C. Secs. 5101 et seq.) grants to this state under P.L. 93-247, or any related state or federal legislation, a person appointed pursuant to RCW 13.34.100 shall be deemed a guardian ad litem to represent the best interests of the minor in proceedings before the court.

NEW SECTION. Sec. 3. A new section is added to chapter 13.34 RCW to read as follows:

(d) To report to the court information on the legal status of a child's membership in any Indian tribe or band.

(2) The guardian ad litem shall be deemed an officer of the court for the purpose of immunity from civil liability.

(3) Except for information or records specified in RCW 13.50.100(4), the guardian ad litem shall have access to all information available to the state or agency on the case. Upon presentation of the order of appointment by the guardian ad litem, any agency, hospital, school organization, division or department of the state, doctor, nurse, or other health care provider, psychologist, psychiatrist, police department, or mental health clinic shall permit the guardian ad litem to inspect and copy any records relating to the child or children involved in the case, without the consent of the parent or guardian of the child, or of the child if the child is under the age of thirteen years, unless such access is otherwise specifically prohibited by law.

(4) The guardian ad litem shall release case information in accordance with the provisions of RCW 13.50.100.

(1) In any contested judicial proceeding in which it is alleged that a child has been subjected to child abuse or neglect, the court shall appoint a guardian ad litem for the child: PROVIDED, That the requirement of a guardian ad litem ~~((shall))~~ may be deemed satisfied if the child is represented by counsel in the proceedings.

(2) At any time prior to or during a hearing in such a case, the court may, on its own motion, or the motion of the guardian ad litem, or other parties, order the examination by a physician, psychologist, or psychiatrist, of any parent or child or other person having custody of the child at the time of the alleged child abuse or neglect, if the court finds such an examination is necessary to the proper determination of the case. The hearing may be continued pending the completion of such examination. The physician, psychologist, or psychiatrist conducting such an examination may be required to testify concerning the results of such examination and may be asked to give his or her opinion as to whether the protection of the child requires that he or she not be returned to the custody of his or her parents or other persons having custody of him or her at the time of the alleged child abuse or neglect. Persons so testifying shall be subject to cross-examination as are other witnesses. No information given at any such examination of the parent or any other person having custody of the child may be used against such person in any subsequent criminal proceedings against such person or custodian concerning the abuse or neglect of the child.

(3) A parent or other person having legal custody of a child alleged to be ~~((a child subjected to abuse or neglect))~~ abused or neglected shall be a party to any proceeding that may ~~((as a practical matter))~~ impair or impede such person's interest in and custody or control of ~~((his or her))~~ the child.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1326 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) The ability of utilities to acquire cost effective conservation measures is instrumental in assuring that Washington citizens have reasonable energy rates and that utilities have adequate energy resources to meet future energy demands;

(b) Customers may be more willing to accept investments in energy efficiency and conservation if real and perceived impediments to property transactions are avoided;

(c) Potential purchasers of real property should be notified of any utility conservation charges at the earliest point possible in the sale.

(2) It is the intent of the legislature to encourage utilities to develop innovative approaches designed to promote energy efficiency and conservation that have limited rate impacts on utility customers. It is not the intent of the legislature to restrict the authority of the utilities and transportation commission to approve tariff schedules.

(3) It is also the intent of the legislature that utilities which establish conservation tariffs should undertake measures to assure that potential purchasers of property are aware of the existence of any conservation tariffs. Measures that may be considered include, but are not limited to:

(a) Recording a notice of a conservation tariff payment obligation, containing a legal description, with the county property records;

(b) Annually notifying customers who have entered agreements of the conservation tariff obligation;

(c) Working with the real estate industry to provide for disclosure of conservation tariff obligations in standardized listing agreements and earnest money agreements; and

(d) Working with title insurers to provide recorded conservation tariff obligations as an informational note to the preliminary commitment for policy of title insurance.

NEW SECTION. Sec. 2. A new section is added to chapter 80.28 RCW to read as follows:

(1) Upon request by an electrical or gas company, the commission may approve a tariff schedule that contains rates or charges for energy conservation measures, services, or payments provided to individual property owners or customers. The tariff schedule shall require the electrical or gas company to enter into an agreement with the property owner or customer receiving services at the time the conservation measures, services, or payments are initially provided. The tariff schedule may allow for the payment of the rates or charges over a period of time and for the application of the payment obligation to successive property owners or customers at the premises where the conservation measures or services were installed or performed or with respect to which the conservation payments were made.

(2) The electrical or gas company shall record a notice of a payment obligation, containing a legal description, resulting from an agreement under this section with the county auditor or recording officer as provided in RCW 65.04.030.

(3) The commission may prescribe by rule other methods by which an electrical or gas company shall notify property owners or customers of any such payment obligation.

NEW SECTION. Sec. 3. A new section is added to chapter 64.04 RCW to read as follows:

Prior to closing, the seller of real property subject to a rate or charge for energy conservation measures, services, or payments provided under a tariff approved by the utilities and transportation commission pursuant to section 2 of this act shall disclose to the purchaser of the real property the existence of the obligation and the possibility that the purchaser may be responsible for the payment obligation.

NEW SECTION. Sec. 4. A new section is added to chapter 48.29 RCW to read as follows:

The existence of notices of payment obligations in section 2 of this act may be disclosed as an informational note to a preliminary commitment for policy of title insurance. Neither the inclusion nor the exclusion of any such informational note shall create any liability against such title insurer under any preliminary commitment for title insurance, policy or otherwise."

On page 1, line 2 of the title, after "owners;" strike the remainder of the title and insert "adding a new section to chapter 80.28 RCW; adding a new section to chapter 64.04 RCW; adding a new section to chapter 48.29 RCW; and creating a new section."

SENATE AMENDMENTS TO HOUSE BILL

April 9, 1993

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1333, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds and declares that:

(1) The number of youth who are members and associates of gangs and commit gang violence has significantly increased throughout the entire greater Puget Sound, Spokane, and other areas of the state;

(2) Youth gang violence has caused a tremendous strain on the progress of the communities impacted. The loss of life, property, and positive opportunity for growth caused by youth gang violence has reached intolerable levels. Increased youth gang activity has seriously strained the budgets of many local jurisdictions, as well as threatened the ability of the educational system to educate our youth;

(3) Among youth gang members the high school drop-out rate is significantly higher than among nongang members. Since the economic future of our state depends on a highly educated and skilled work force, this high school drop-out rate threatens the economic welfare of our future work force, as well as the future economic growth of our state;

(4) The unemployment rate among youth gang members is higher than that among the general youth population. The unusual unemployment rate, lack of education and skills, and the increased criminal activity could significantly impact our future prison population;

(5) Most youth gangs are subcultural. This implies that gangs provide the nurturing, discipline, and guidance to gang youth and potential gang youth that is generally provided by communities and other social systems. The subcultural designation means that youth gang participation and violence can be effectively reduced in Washington communities and schools through the involvement of community, educational, criminal justice, and employment systems working in a unified manner with parents and individuals who have a firsthand knowledge of youth gangs and at-risk youth; and

(6) A strong unified effort among parents and community, educational, criminal justice, and employment systems would facilitate: (a) The learning process; (b) the control and reduction of gang violence; (c) the prevention of youth joining negative gangs; and (d) the intervention into youth gangs.

NEW SECTION. Sec. 2. It is the intent of the legislature to cause the development of positive prevention and intervention pilot programs for elementary and secondary age youth through cooperation between individual schools, local organizations, and government. It is also the intent of the legislature that if the prevention and intervention pilot programs are determined to be effective in reducing problems associated with youth gang violence, that other counties in the state be eligible to receive special state funding to establish similar positive prevention and intervention programs.

NEW SECTION. Sec. 3. Unless the context otherwise requires, the following definitions shall apply throughout sections 1 through 11 of this act:

(1) "School" means any public school within a school district any portion of which is in a county with a population of over one hundred ninety thousand.

(2) "Community organization" means any organization recognized by a city or county as such, as well as private, nonprofit organizations registered with the secretary of state.

(3) "Gang risk prevention and intervention pilot program" means a community-based positive prevention and intervention program for gang members, potential gang members, at-risk youth, and elementary through high school-aged youth directed at all of the following:

- (a) Reducing the probability of youth involvement in gang activities and consequent violence.
- (b) Establishing ties, at an early age, between youth and community organizations.
- (c) Committing local business and community resources to positive programming for youth.
- (d) Committing state resources to assist in creating the gang risk prevention and intervention pilot programs.

(4) "Cultural awareness retreat" means a program that temporarily relocates at-risk youth or gang members and their parents from their usual social environment to a different social environment, with the specific purpose of having them performing activities which will enhance or increase their positive behavior and potential life successes.

NEW SECTION. Sec. 4. (1) The department of community development may recommend existing programs or contract with either school districts or community organizations, or both, through a request for proposal process for the development, administration, and implementation in the county of community-based gang risk prevention and intervention pilot programs.

(2) Proposals by the school district for gang risk prevention and intervention pilot program grant funding shall begin with school years no sooner than the 1994-95 session, and last for a duration of two years.

(3) The school district or community organization proposal shall include:

(a) A description of the program goals, activities, and curriculum. The description of the program goals shall include a list of measurable objectives for the purpose of evaluation by the department of community development. To the extent possible, proposals shall contain empirical data on current problems, such as drop-out rates and occurrences of violence on and off campus by school-age individuals.

(b) A description of the individual school or schools and the geographic area to be affected by the program.

(c) A demonstration of broad-based support for the program from business and community organizations.

(d) A clear description of the experience, expertise, and other qualifications of the community organizations to conduct an effective prevention and intervention program in cooperation with a school or a group of schools.

(e) A proposed budget for expenditure of the grant.

(4) Grants awarded under this section may not be used for the administrative costs of the school district or the individual school.

NEW SECTION. Sec. 5. (1) A school district in a county with a population of over one hundred ninety thousand may request proposals for establishing gang risk prevention and intervention pilot programs from either public entities that apply jointly with individual schools or community organizations. The proposals shall be reviewed and recommendations for awarding grants shall be made by a committee made up of: (a) A representative from the school district taking the proposal, appointed by the school district's board of directors; (b) a representative appointed by the director of the department of community development or designate; and (c) a representative from the local juvenile court administration.

(2) A school district or community organization, upon its election to enter into a contract pursuant to section 4 of this act, shall, no later than March 1, 1994, submit a standard request for proposals.

(3) Proposals made to the department of community development must comply with the conditions of the grant.

(4) The department of community development shall additionally monitor and evaluate the gang risk prevention and intervention pilot programs pursuant to the following criteria:

(a) Success in obtaining stated goals.

(b) Reduction in drop-out rates.

(c) Reduction in violence among students, on and off campus.

(d) Development of techniques for early identification of at-risk youth.

(5) The school district or community organization shall report to the department of community development the results of the program.

(6) Grants awarded under this section may not be used for administrative costs of the school district or the individual school.

NEW SECTION. Sec. 6. Gang risk prevention and intervention pilot programs shall include, but are not limited to:

- (1) Counseling for targeted at-risk students, parents, and families, individually and collectively.
- (2) Exposure to positive sports and cultural activities, promoting affiliations between youth and the local community.
- (3) Job training, which may include apprentice programs in coordination with local businesses, job skills development at the school, or information about vocational opportunities in the community.
- (4) Positive interaction with local law enforcement personnel.
- (5) The use of local organizations to provide job search training skills.
- (6) Cultural awareness retreats.
- (7) The use of specified state resources, as requested.
- (8) Full service schools under section 9 of this act.
- (9) Community service such as volunteerism and citizenship.

NEW SECTION. Sec. 7. (1) Upon request from the local community organization receiving an award under section 5 of this act or the granting local school district, or both, the employment security department shall provide a job counselor or counselors to assist at cultural awareness retreats. The counselor shall provide assistance with the following:

- (a) Testing for job occupation preferences.

- (c) Coordinating the personal appearance of small business owners or corporate managers to explain the type of skills and characteristics businesses currently need in prospective employees, as well as those of prospective future employees.
- (d) Establishing a business mentor program between the small business owners or corporate managers and the youth who are willing to participate.
- (e) Establishing a specific program that provides help with employment opportunities for youth who attend cultural awareness retreats.

The department may provide other services than those specified.

The department may provide other services.

Upon request from the local community organization receiving the award under section 5 of this act or the local school district, or both, the department shall provide the services in this section either at the grant-receiving school or at the cultural awareness retreat, or both.

NEW SECTION. Sec. 9. (1) The purpose of a full service school shall be to increase the interaction between youth and the community at large. A full service school shall provide a wide range of opportunities for all citizens, including goals under RCW 28A.620.010 (1), (2), (3), and (6), and subsection (2) of this section.

A plaintiff in an action brought under this chapter shall not recover more than his or her actual damages and additional sums authorized in section 7 of this act. Once a plaintiff recovers his or her actual damages and any additional sums authorized under this chapter, additional damages shall not be recovered. A person does not have to be criminally convicted of violating section 3 of this act to be held civilly liable under this section. It is not necessary to prove actual damages to recover the additional sums authorized under section 7 of this act, costs, and attorneys' fees. The prevailing party is entitled to recover costs and attorneys' fees.

(2) The superior courts of this state shall have authority to grant temporary, preliminary, and permanent injunctive relief to enjoin violations of this chapter.

NEW SECTION. Sec. 7. In a civil action brought under this chapter, an individual plaintiff aggrieved by the actions prohibited by section 3 of this act may be entitled to recover up to five hundred dollars for each day that the actions occurred, or up to five thousand dollars for each day that the actions occurred if the plaintiff aggrieved by the actions prohibited under section 3 of this act is a health care facility.

NEW SECTION. Sec. 8. Nothing in section 3 of this act shall prohibit either lawful picketing or other publicity for the purpose of providing the public with information.

NEW SECTION. Sec. 9. A court having jurisdiction over a criminal or civil proceeding under this chapter shall take all steps reasonably necessary to safeguard the individual privacy and prevent harassment of a health care patient or health care provider who is a party or witness in a proceeding, including granting protective orders and orders in limine.

Sec. 10. RCW 10.97.070 and 1977 ex.s. c 314 s 7 are each amended to read as follows:

(1) Criminal justice agencies may, in their discretion, disclose to persons who have suffered physical loss, property damage, or injury compensable through civil action, the identity of persons suspected as being responsible for such loss, damage, or injury together with such information as the agency reasonably believes may be of assistance to the victim in obtaining civil redress. Such disclosure may be made without regard to whether the suspected offender is an adult or a juvenile, whether charges have or have not been filed, or a prosecuting authority has declined to file a charge or a charge has been dismissed.

(2) Unless the agency determines release would interfere with an ongoing criminal investigation, in any action brought pursuant to this chapter, criminal justice agencies shall disclose identifying information, including photographs of suspects, if the acts are alleged by the plaintiff or victim to be a violation of section 3 of this act.

(3) The disclosure by a criminal justice agency of investigative information pursuant to subsection (1) of this section shall not establish a duty to disclose any additional information concerning the same incident or make any subsequent disclosure of investigative information, except to the extent an additional disclosure is compelled by legal process.

NEW SECTION. Sec. 11. Nothing in this chapter shall be construed to limit the right to seek other available criminal or civil remedies. The remedies provided in this chapter are cumulative, not exclusive.

NEW SECTION. **Sec. 12.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec. 13.** Sections 2 through 4, 6 through 9, and 11 of this act shall constitute a new chapter in Title 9A RCW.

NEW SECTION. **Sec. 14.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 2 of the title, after "delivery;" strike the remainder of the title and insert "amending RCW 10.31.100 and 10.97.070; adding a new chapter to Title 9A RCW; creating a new section; prescribing penalties; and declaring an emergency."

and the same are herewith transmitted.

The department shall not mitigate the fines below the minimum penalty prescribed in subsection (1) of this section. The department shall have authority to ascertain the facts regarding all such applications in such reasonable manner as it may deem proper. When an application for~~

At the conclusion of the proceeding the court shall, as appropriate, enter a judgment on behalf of the department and order that the judgment be satisfied to the extent possible from moneys paid into the registry of the court or shall enter a judgment in favor of the person appealing the penalty assessment and order return of the moneys paid into the registry of the court together with accrued interest to the person appealing. The judgment may award reasonable attorney's fees for the cost of the attorney general's office in representing the department.

(7) A judgment entered under subsection (5) or (6) of this section shall have the same force and effect as, and is subject to all of the provisions of law relating to, a judgment in a civil action, and may be enforced in the same manner as any other judgment of the court in which it is entered.

SUBSTITUTE SENATE BILL NO. 5134,
SUBSTITUTE SENATE BILL NO. 5159,
SENATE BILL NO. 5290,

SENATE BILL NO. 5649,
SENATE BILL NO. 5759,
SENATE BILL NO. 5835,
SENATE BILL NO. 5906,

POINT OF PARLIAMENTARY INQUIRY

Representative Padden: Mr. Speaker, earlier today on a Conference Committee dealing with the education reform bill you appointed, and that's Engrossed Substitute House Bill No. 1209, you appointed three individuals all who have voted yes on the bill to be House members of the Conference Committee. Under Joint Rule 23 we are required to appoint two in the majority and one in the minority position. On that bill there were twelve individuals who voted nay, two from the majority party and ten from the minority party, and one of those individuals should have been appointed to the Conference Committee.

Mr. Speaker: I believe Representative Padden, the rules states two from the majority party and one from the minority party and to the extent possible to reflect the position of the members of the bill, is that your interpretation?

Representative Padden: Mr. Speaker, if I might respectfully suggest it actually says that the majority and minority positions to the extent possible. I have the rule right here Mr. Speaker, I'll read it. The presiding officer of each House shall appoint on each Conference Committee three members selecting them so as to represent in each case the majority and minority positions to the extent possible as it relates to the subject matter and the majority and minority political parties. Since there were individuals from both political parties who voted no to the extent possible, it is possible to appoint members who voted no, on that Conference Committee according to our rules.

Mr. Speaker: Representative Padden, the Speaker followed the recommendation of the minority leader in making the Republican appointment. If you would take up your issue with the minority leader maybe we can work it out.

With the consent of the House, the House resumed consideration of Substitute House Bill No. 1275.

SPEAKER'S RULING

Representative Rust has raised a point of order to the scope and object of Senate amendment #561 to Substitute House Bill No. 1275.

In ruling on the Point of Order, the Speaker finds that Substitute House Bill No. 1275 is a measure which exempts site exploration and investigation activities that meet certain criteria from the requirements of substantial development permits.

Senate amendment #561 (on page 6, after line 21) merely adds an alternative to one of the criteria specified in the bill.

The Speaker therefore finds that Senate Amendment #561 does not change the scope and object of the bill and that the Point of Order is not well taken.

MOTION

Representative Rust moved that the House do not concur with the Senate amendment #561 and ask the Senate to recede therefrom. The motion was carried.

With the consent of the House, the House resumed consideration of Substitute House Bill No. 1350.

SPEAKER'S RULING

Representative Rust has raised a Point of Order to the scope and object of Senate amendment #754 to Substitute House Bill No. 1350.

The Speaker finds that Substitute House Bill No. 1350 is a measure which relates solely to the regulation of commercial fishing of ocean pink shrimp, a species identified in the bill as "Pandalus Jordani".

Senate amendment #754 (on page 5, after line 11) relates to burrowing shrimp on registered aquatic farms.

The Speaker therefore finds that Senate amendment #754 does change the scope and object of the bill and that the Point of Order is well taken.

With the consent of the House, the House resumed consideration of House Bill No. 1984.

SPEAKER'S RULING

Representative Rust has raised a Point of Order to the scope and object of the Senate amendment to page 2 of House Bill No. 1984.

In ruling on the Point of Order, the Speaker finds that House Bill No. 1984 is a measure revising pilotage law. Among other provisions, it addresses the membership of the board of pilotage commissioners.

The Senate amendments to page 2 merely take away the voting privileges of two of the existing board members.

The Speaker therefore finds that the Senate amendments do not change the scope and object of the bill and that the Point of Order is not well taken.

MOTION

Representative R. Fisher moved that the House do not concur in the Senate amendments to House Bill No. 1984 and ask the Senate to recede therefrom.

Representative Schmidt spoke against the motion.

A division was called. The Speaker called on the House to divide. The results of the division was: 61-YEAS; 34-NAYS. The motion was carried.

With the consent of the House, the House resumed consideration of Substitute House Bill No. 1350.

MOTION

Representative King moved that the House do not concur in the Senate amendments to Substitute House Bill No. 1350 on page 4, line 13 and ask the Senate to recede therefrom.

Representative King spoke in favor of the motion and Representative Fuhrman spoke against it. The motion was carried.

As used in this chapter, unless a different meaning is plainly required by the context:

(1) The terms "authorized", "approved" or "approval" shall be held to mean authorized, approved, or approval by the department of labor and industries.

(2) The term "blasting agent" shall be held to mean and include any material or mixture consisting of a fuel and oxidizer, intended for blasting, not otherwise classified as an explosive, and in which none of the ingredients are classified as an explosive, provided that the finished product, as mixed and packaged for use or shipment, cannot be detonated when unconfined by means of a No. 8 test blasting cap.

(3) The term "explosive" or "explosives" whenever used in this chapter, shall be held to mean and include any chemical compound or mechanical mixture that is commonly used or intended for the purpose of producing an explosion, that contains any oxidizing and combustible units, or other ingredients, in such proportions, quantities or packing, that an ignition by fire, by friction, by concussion, by percussion, or by detonation of any part of the compound or mixture may cause such a sudden generation of highly heated gases that the resultant gaseous pressures are capable of producing destructive effects on contiguous objects or of destroying life or limb. In addition, the term "explosives" shall include all material which is classified as class A, class B, and class C explosives by the federal department of transportation(~~(= PROVIDED, That)~~). For the purposes of this chapter small arms ammunition, small arms ammunition primers, smokeless powder not exceeding fifty pounds, and black powder not exceeding five pounds shall not be defined as explosives, unless possessed or used for a purpose inconsistent with small arms use or other lawful purpose.

(4) Classification of explosives shall include but not be limited to the following:

(a) CLASS A EXPLOSIVES: (Possessing detonating hazard) dynamite, nitroglycerin, picric acid, lead azide, fulminate of mercury, black powder exceeding five pounds, blasting caps in quantities of 1001 or more, and detonating primers.

(b) CLASS B EXPLOSIVES: (Possessing flammable hazard) propellant explosives, including smokeless propellants exceeding fifty pounds.

(c) CLASS C EXPLOSIVES: (Including certain types of manufactured articles which contain class A or class B explosives, or both, as components but in restricted quantities) blasting caps in quantities of 1000 or less.

(5) The term "explosive-actuated power devices" shall be held to mean any tool or special mechanized device which is actuated by explosives, but not to include propellant-actuated power devices.

(6) The term "magazine", shall be held to mean and include any building or other structure, other than a factory building, used for the storage of explosives.

(7) The term "improvised device" means a device which is fabricated with explosives or destructive, lethal, noxious, pyrotechnic, or incendiary chemicals and which is designed to disfigure, destroy, distract, or harass.

(8) The term "inhabited building", shall be held to mean and include only a building regularly occupied in whole or in part as a habitation for human beings, or any church, schoolhouse, railroad station, store, or other building where people are accustomed to assemble, other than any building or structure occupied in connection with the manufacture, transportation, storage, or use of explosives.

(9) The term "explosives manufacturing plant" shall be held to mean and include all lands, with the buildings situated thereon, used in connection with the manufacturing or processing of explosives or in which any process involving explosives is carried on, or the storage of explosives thereat, as well as any premises where explosives are used as a component part or ingredient in the manufacture of any article or device.

(10) The term "explosives manufacturing building", shall be held to mean and include any building or other structure (excepting magazines) containing explosives, in which the manufacture of explosives, or any processing involving explosives, is carried on, and any building where explosives are used as a component part or ingredient in the manufacture of any article or device.

(3) At any time that the director of labor and industries requests the surrender of explosives, improvised devices, or components of explosives or improvised devices, from any person pursuant to subsection (2) of this section, the director may in addition request the attorney general to make application to the superior court of the county in which the unlawful practice exists for a temporary restraining order or such other relief as appears to be appropriate under the circumstances.

Violation of this section is a gross misdemeanor punishable under chapter 9A.20 RCW.

NEW SECTION. Sec. Unless otherwise allowed to do so under this chapter, a person who exhibits a device designed, assembled, fabricated, or manufactured, to convey the appearance of an explosive or improvised device, and who intends to, and does, intimidate or harass a person, is guilty of a class C felony.

Sec. RCW 70.74.191 and 1985 c 191 s 2 are each amended to read as follows:

The laws contained in this chapter and the ensuing regulations prescribed by the department of labor and industries shall not apply to:

(1) Explosives or blasting agents in the course of transportation by way of railroad, water, highway or air under the jurisdiction of, and in conformity with, regulations adopted by the federal department of transportation, the Washington state utilities and transportation commission and the Washington state patrol;

(2) The laboratories of schools, colleges and similar institutions if confined to the purpose of instruction or research and if not exceeding the quantity of one pound;

(3) Explosives in the forms prescribed by the official United States Pharmacopoeia;

(4) The transportation, storage and use of explosives or blasting agents in the normal and emergency operations of federal agencies and departments including the regular United States military departments on military reservations, or the duly authorized militia of any state or territory, or to emergency operations of any state department or agency, any police, or any municipality or county;

(5) The importation, sale, possession, and use of fireworks, signaling devices, flares, fuses, and torpedoes;

(6) The transportation, storage, and use of explosives or blasting agents in the normal and emergency avalanche control procedures as conducted by trained and licensed ski area operator personnel. Every person who maliciously places any explosive (~~(substance or material)~~) or improvised device in, upon, under, against, or near any building, car, vessel, railroad track, airplane, public utility transmission system, or structure, in such manner or under such circumstances as to destroy or injure it if exploded, shall be punished as follows:

(1) If the circumstances and surroundings are such that the safety of any person might be endangered by the explosion, by imprisonment in a state correctional facility for not more than twenty years;

(2) In every other case by imprisonment in a state correctional facility for not more than five years.

Sec. RCW 70.74.295 and 1972 ex.s. c 88 s 3 are each amended to read as follows:

It shall be unlawful for any person to abandon explosives or (~~(explosive substances)~~) improvised devices. Violation of this section is a gross misdemeanor punishable under chapter 9A.20 RCW.

NEW SECTION. Sec. (1) Explosives, improvised devices, and components of explosives and improvised devices that are possessed, manufactured, stored, sold, purchased, transported, abandoned, detonated, or used in violation of a provision of this chapter are subject to seizure and forfeiture by a law enforcement agency and no property right exists in them.

(2) Seizure of explosives, improvised devices, and components of explosives and improvised devices under subsection (1) of this section may be made if:

(a) The seizure is incident to arrest or a search under a search warrant;

(b) The explosives, improvised devices, or components have been the subject of a prior judgment in favor of the state in an injunction or forfeiture proceeding based upon this chapter;

(c) A law enforcement officer has probable cause to believe that the explosives, improvised devices, or components are directly or indirectly dangerous to health or safety; or

(d) The law enforcement officer has probable cause to believe that the explosives, improvised devices, or components were used or were intended to be used in violation of this chapter.

(3) A law enforcement agency shall destroy explosives seized under this chapter when it is necessary to protect the public safety and welfare. When destruction is not necessary to protect the public safety and welfare, and the explosives are not being held for evidence, a seizure pursuant to this section commences proceedings for forfeiture.

(4) The law enforcement agency under whose authority the seizure was made shall issue a written notice of the seizure and commencement of the forfeiture proceedings to the person from whom the explosives were seized, to any known owner of the explosives, and to any person who has a known interest in the explosives. The notice shall be issued within fifteen days of the seizure. The notice of seizure and commencement of the forfeiture proceedings shall be served in the same manner as provided in RCW 4.28.080 for service of a summons. The law enforcement agency shall provide a form by which the person or persons may request a hearing before the law enforcement agency to contest the seizure.

(5) If no person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of the explosives, improvised devices, or components within thirty days of the date the notice was issued, the seized explosives, devices, or components shall be deemed forfeited.

(6) If, within thirty days of the issuance of the notice, any person notifies the seizing law enforcement agency in writing of the person's claim of ownership or right to possession of items seized, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the chief law enforcement or the officer's designee of the seizing agency, except that the person asserting the claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the items seized is more than five hundred dollars. The hearing and any appeal shall be conducted

according to chapter 34.05 RCW. The seizing law enforcement agency shall bear the burden of proving that the person (a) has no lawful right of ownership or possession and (b) that the items seized were possessed, manufactured, stored, sold, purchased, transported, abandoned, detonated, or used in violation of a provision of this chapter with the person's knowledge or consent.

(7) The seizing law enforcement agency shall promptly return the items seized to the claimant upon a determination that the claimant is entitled to possession of the items seized.

(8) If the items seized are forfeited under this statute, the agency shall destroy the explosives. When explosives are destroyed either to protect public safety or because the explosives were forfeited, the person from whom the explosives were seized loses all rights of action against the law enforcement agency or its employees acting within the scope of their employment, or other governmental entity or employee involved with the seizure and destruction of explosives.

(9) This section is not intended to change the seizure and forfeiture powers, enforcement, and penalties available to the department of labor and industries pursuant to chapter 49.17 RCW as provided in RCW 70.74.390.

NEW SECTION. **Sec.** A person who knows of a theft or loss of explosives for which that person is responsible under this chapter shall report the theft or loss to the local law enforcement agency within twenty-four hours of discovery of the theft or loss. The local law enforcement agency shall immediately report the theft or loss to the department of labor and industries.

NEW SECTION. **Sec.** Sections 4, 8, and 9 of this act are each added to chapter 70.74 RCW.

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1993

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1379, with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. RCW 46.12.050 and 1990 c 238 s 3 are each amended to read as follows:

The department, if satisfied from the statements upon the application that the applicant is the legal owner of the vehicle or otherwise entitled to have ~~((the))~~ a certificate of ownership thereof in the applicant's name, shall ~~((thereupon))~~ issue an appropriate electronic record of ownership or a written certificate of ownership, over the director's signature, authenticated by seal, and if required, a new written certificate of license registration if certificate of license registration is required.

~~((Both))~~ The certificates of ownership and the certificates of license registration shall contain upon the face thereof, the date of application, the registration number assigned to the registered owner and to the vehicle, the name and address of the registered owner and legal owner, the vehicle identification number, and such other description of the vehicle and facts as the department shall require, and in addition thereto, if the vehicle described in such certificates shall have ever been licensed and operated as an exempt vehicle or a taxicab, or if it is less than four years old and has been rebuilt after having been totaled out by an insurance carrier, such fact shall be clearly shown thereon.

All certificates of ownership of motor vehicles issued after April 30, 1990, shall reflect the odometer reading as provided by the odometer disclosure statement submitted with the title application involving a ~~((change of registration))~~ transfer of ownership.

A blank space shall be provided on the face of the certificate of license registration for the signature of the registered owner.

Upon issuance of the certificate of license registration and certificate of ownership and upon any reissue thereof, the department shall deliver the certificate of license registration to the registered owner and the certificate of ownership to the legal owner, or both to the person who is both the registered owner and legal owner.

Sec. RCW 46.68.010 and 1989 c 68 s 1 are each amended to read as follows:

Whenever any license fee, paid under the provisions of this title, has been erroneously paid, either wholly or in part, the ~~((person paying the fee, upon satisfactory proof to the director of licensing, shall be))~~ payor is entitled to have refunded the amount so erroneously paid. A renewal license fee paid prior to the actual expiration date of the license being renewed shall be deemed to be erroneously paid if the vehicle for which the renewal license ~~((is being))~~ was purchased is destroyed or permanently removed from the state prior to the beginning date of the registration period for which the renewal fee ~~((is being))~~ was paid. Upon such refund being certified to the state treasurer by the director as correct and being claimed in the time required by law the state treasurer shall mail or deliver the amount of each refund to the person entitled thereto ~~((: PROVIDED, That))~~. No claim for refund shall be allowed for such erroneous payments unless filed with the director within ~~((thirteen months))~~ three years after such claimed erroneous payment was made.

If due to error a person has been required to pay a vehicle license fee under this title and an excise tax ~~((which))~~ under Title 82 RCW that amounts to an overpayment of ten dollars or more, that person shall be entitled to a refund of the entire amount of the overpayment, regardless of whether a refund of the overpayment has been requested. If due to error the department or its agent has failed to collect the full amount of the license fee and excise tax due and the underpayment is in the amount of ten dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax and fees.

Any person who makes a false statement under which he or she obtains a refund to which he or she is not entitled under this section is guilty of a gross misdemeanor.

Sec. RCW 82.44.120 and 1990 c 42 s 307 are each amended to read as follows:

Whenever any person has paid a motor vehicle license fee, and together therewith has paid an excise tax imposed under the provisions of this chapter, and the director (~~(of licensing)~~) determines that the payor is entitled to a refund of the entire amount of the license fee as provided by law, then the payor shall also be entitled to a refund of the entire excise tax collected under the provisions of this chapter. In case the director determines that any person is entitled to a refund of only a part of the license fee so paid, the payor shall be entitled to a refund of the difference, if any, between the excise tax collected and that which should have been collected.

In case no claim is to be made for the refund of the license fee or any part thereof, but claim is made by any person that he or she has paid an erroneously excessive amount of excise tax, the department shall determine in the manner generally provided in this chapter the amount of such excess, if any, that has been paid and shall certify to the state treasurer that such person is entitled to a refund in such amount.

In any case where due to error, a person has been required to pay an excise tax pursuant to this chapter and a vehicle license fee pursuant to Title 46 RCW which amounts to an overpayment of ten dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether or not a refund of the overpayment has been requested. Conversely, if due to error, the department or its agents has failed to collect the full amount of the license fee and excise tax due, which underpayment is in the amount of ten dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax.

Any claim for refund of an erroneously excessive amount of excise tax or overpayment of excise tax with a motor vehicle license fee must be filed with the director within three years after the claimed erroneous payment was made.

If the department approves the claim it shall notify the state treasurer to that effect, and the treasurer shall make such approved refunds (~~(and the other refunds herein provided for)~~) from the general fund and shall mail or deliver the same to the person entitled thereto.

Any person making any false statement under which he or she obtains any amount of refund to which he or she is not entitled under the provisions of this section is guilty of a gross misdemeanor.

Sec. RCW 46.70.021 and 1988 c 287 s 2 are each amended to read as follows:

It is unlawful for any person, firm, or association to act as a vehicle dealer or vehicle manufacturer, to engage in business as such, serve in the capacity of such, advertise himself, herself, or themselves as such, solicit sales as such, or distribute or transfer vehicles for resale in this state, without first obtaining and holding a current license as provided in this chapter, unless the title of the vehicle is in the name of the seller. It is unlawful for any person other than a licensed vehicle dealer to display a vehicle for sale unless the registered owner or legal owner is the displayer or holds a notarized power of attorney. A person or firm engaged in buying and offering for sale, or buying and selling five or more vehicles in a twelve-month period, or in any other way engaged in dealer activity without holding a vehicle dealer license, is guilty of a gross misdemeanor, and upon conviction is subject to a fine of up to (~~(one)~~) five thousand dollars for each violation and up to one year in jail. A second offense is a class C felony punishable under chapter 9A.20 RCW. A violation of this section is also a per se violation of chapter 19.86 RCW and is considered a deceptive practice. The department of licensing, the Washington state patrol, the attorney general's office, and the department of revenue shall cooperate in the enforcement of this section. A distributor, factory branch, or factory representative shall not be required to have a vehicle manufacturer license so long as the vehicle manufacturer so represented is properly licensed pursuant to this chapter. Nothing in this chapter prohibits financial institutions from cooperating with vehicle dealers licensed under this chapter in dealer sales or leases. However, financial institutions shall not broker vehicles and cooperation is limited to organizing, promoting, and financing of such dealer sales or leases.

Sec. RCW 46.70.023 and 1991 c 339 s 28 are each amended to read as follows:

(1) An "established place of business" requires a permanent, enclosed commercial building located within the state of Washington easily accessible at all reasonable times. An established place of business shall have an improved display area of not less than three thousand square feet in or immediately adjoining the building, or a display area large enough to display six or more vehicles of the type the dealer is licensed to sell, whichever area is larger. The business of a vehicle dealer, including the display (~~(and repair)~~) of vehicles, may be lawfully carried on at an established place of business in accordance with the terms of all applicable building code, zoning, and other land-use regulatory ordinances. The dealer shall keep the building open to the public so that they may contact the vehicle dealer or the dealer's salespersons at all reasonable times. The books, records, and files necessary to conduct the business shall be kept and maintained at that place. The established place of business shall display an exterior sign with the business name and nature of the business, such as auto sales, permanently affixed to the land or building, with letters clearly visible to the major avenue of traffic. In no event may a room or rooms in a hotel, rooming house, or apartment house building or part of a single or multiple-unit dwelling house be considered an "established place of business" unless the ground floor of such a dwelling is devoted principally to and occupied for commercial purposes and the dealer offices are located on the ground floor. A mobile office or mobile home may be used as an office if it is connected to utilities and is set up in accordance with state law. This subsection does not apply to auction companies that do not own vehicle inventory or sell vehicles from an auction yard.

(2) An auction company shall have office facilities within the state. The books, records, and files necessary to conduct the business shall be maintained at the office facilities. All storage facilities for inventory shall be listed with the department, and shall meet local zoning and land use ordinances. An auction company shall maintain a telecommunications system.

(3) Auction companies shall post their vehicle dealer license at each auction where vehicles are offered, and shall provide the department with the address of the auction at least three days before the auction.

(4) If a dealer maintains a place of business at more than one location or under more than one name in this state, he or she shall designate one location as the principal place of business of the firm, one name as the principal name of the firm, and all other locations or names as subagencies. A subagency license is required for each and every subagency: PROVIDED, That the department may grant an exception to the subagency requirement in the specific instance where a licensed dealer is unable to locate their used vehicle sales facilities adjacent to or at the established place of business. This exception shall be granted and defined under the promulgation of rules consistent with the Administrative Procedure Act.

(5) All vehicle dealers shall maintain ownership or leasehold throughout the license year of the real property from which they do business. The dealer shall provide the department with evidence of ownership or leasehold whenever the ownership changes or the lease is terminated.

(6) A subagency shall comply with all requirements of an established place of business, except that auction companies shall comply with the requirements in subsection (2) of this section.

(7) A temporary subagency shall meet all local zoning and building codes for the type of merchandising being conducted. The dealer license certificate shall be posted at the location. No other requirements of an established place of business apply to a temporary subagency. Auction companies are not required to obtain a temporary subagency license.

(8) A wholesale vehicle dealer shall have office facilities in a commercial building within this state, and all storage facilities for inventory shall be listed with the department, and shall meet local zoning and land use ordinances. A wholesale vehicle dealer shall maintain a telecommunications system. An exterior sign visible from the nearest street shall identify the business name and the nature of business. A wholesale dealer need not maintain a display area as required in this section. When two or more vehicle dealer businesses share a location, all records, office facilities, and inventory, if any, must be physically segregated and clearly identified.

(9) A retail vehicle dealer shall be open during normal business hours, maintain office and display facilities in a commercially zoned location or in a location complying with all applicable building and land use ordinances, and maintain a business telephone listing in the local directory. When two or more vehicle dealer businesses share a location, all records, office facilities, and inventory shall be physically segregated and clearly identified.

(10) A listing dealer need not have a display area if the dealer does not physically maintain any vehicles for display.

(11) A subagency license is not required for a mobile home dealer to display an on-site display model, a consigned mobile home not relocated from its site, or a repossessed mobile home if sales are handled from a principal place of business or subagency. A mobile home dealer shall identify on-site display models, repossessed mobile homes, and those consigned at their sites with a sign that includes the dealer's name and telephone number.

(12) Every vehicle dealer shall advise the department of the location of each and every place of business of the firm and the name or names under which the firm is doing business at such location or locations. If any name or location is changed, the dealer shall notify the department of such change within ten days. The license issued by the department shall reflect the name and location of the firm and shall be posted in a conspicuous place at that location by the dealer.

(13) A vehicle dealer's license shall upon the death or incapacity of an individual vehicle dealer authorize the personal representative of such dealer, subject to payment of license fees, to continue the business for a period of six months from the date of the death or incapacity.

Sec. RCW 46.70.041 and 1990 c 250 s 64 are each amended to read as follows:

(1) Every application for a vehicle dealer license shall contain the following information to the extent it applies to the applicant:

(a) Proof as the department may require concerning the applicant's identity, including but not limited to his fingerprints, the honesty, truthfulness, and good reputation of the applicant for the license, or of the officers of a corporation making the application;

(b) The applicant's form and place of organization including if the applicant is a corporation, proof that the corporation is licensed to do business in this state;

(c) The qualification and business history of the applicant and any partner, officer, or director;

(d) The applicant's financial condition or history including a bank reference and whether the applicant or any partner, officer, or director has ever been adjudged bankrupt or has any unsatisfied judgment in any federal or state court;

(e) Whether the applicant has been adjudged guilty of a crime which directly relates to the business for which the license is sought and the time elapsed since the conviction is less than ten years, or has suffered any judgment within the preceding five years in any civil action involving fraud, misrepresentation, or conversion and in the case of a corporation or partnership, all directors, officers, or partners;

(f) A business telephone with a listing in the local directory;

(g) The name or names of new vehicles the vehicle dealer wishes to sell;

~~(j))~~ (j) A certificate by a representative of the department, that the applicant's principal place of business and each subagency business location in the state of Washington meets the location requirements as required by this chapter. The certificate shall include proof of the applicant's ownership or lease of the real property where the applicant's principal place of business is established;

~~((k))~~ (j) A copy of a current service agreement with a manufacturer, or distributor for a foreign manufacturer, requiring the applicant, upon demand of any customer receiving a new vehicle warranty to perform or arrange for, within a reasonable distance of his established place of business, the service repair and replacement work required of the manufacturer or distributor by such vehicle warranty. This requirement applies only to applicants seeking to sell, to exchange, to offer, to auction, to solicit, or to advertise new or current-model vehicles with factory or distributor warranties;

~~((H))~~ (k) The class of vehicles the vehicle dealer will be buying, selling, listing, exchanging, offering, brokering, leasing with an option to purchase, auctioning, soliciting, or advertising, and which classification or classifications the dealer wishes to be designated as;

~~((m))~~ (l) Any other information the department may reasonably require.

(2) If the applicant is a manufacturer the application shall contain the following information to the extent it is applicable to the applicant:

(c) Evidence that the applicant is authorized to do business in the state of Washington;

(d) The name or names of the vehicles that the licensee manufactures;

(e) The name or names and address or addresses of each and every distributor, factory branch, and factory representative;

(f) The name or names and address or addresses of resident employees or agents to provide service or repairs to vehicles located in the state of Washington only under the terms of any warranty attached to new or unused vehicles manufactured, unless such manufacturer requires warranty service to be performed by all of its dealers pursuant to a current service agreement on file with the department;

(g) Any other information the department may reasonably require.

Sec. RCW 46.70.051 and 1989 c 301 s 3 are each amended to read as follows:

(1) After the application has been filed, the fee paid, and bond posted, if required the department shall, if no denial order is in effect and no proceeding is pending under RCW ~~((46.70.180 or 46.70.200))~~ 46.70.101, issue the appropriate license, which license, in the case of a vehicle dealer, shall designate the classification of the dealer. Nothing prohibits a vehicle dealer from obtaining licenses for more than one classification, and nothing prevents any vehicle dealer from dealing in other classes of vehicles on an isolated basis.

(2) An auction company licensed under chapter 18.11 RCW may sell at auction all classifications of vehicles under a motor vehicle dealer's license issued under this chapter including motor vehicles, miscellaneous type vehicles, and mobile homes and travel trailers.

Sec. RCW 46.70.083 and 1991 c 140 s 2 are each amended to read as follows:

The license of a vehicle dealer or a vehicle manufacturer expires on the date that is twelve consecutive months from the date of issuance. The license may be renewed by filing with the department prior to the expiration of the license, a renewal application containing such information as the department may require to indicate the number of vehicle sales transacted during the past year, and any material change in the information contained in the original application. Failure by the dealer to comply is grounds for denial of the renewal application or dealer license plate renewal.

The dealer's established place of business shall be certified by a representative of the department at least once every ~~((thirty-two))~~ thirty-six months, or more frequently as determined necessary by the department. The certification will verify compliance with the requirements of this chapter for an established place of business. Failure by the dealer to comply at any time is grounds for license suspension or revocation, denial of the renewal application, or monetary assessment.

Sec. RCW 46.70.140 and 1973 1st ex.s. c 132 s 17 are each amended to read as follows:

Any vehicle dealer who ~~((shall))~~ knowingly or with reason to know, buys or receives, sells or disposes of, conceals or ~~((have in his))~~ has in the dealer's possession, any vehicle from which the motor or serial number has been removed, defaced, covered, altered, or destroyed, or any dealer, who ~~((shall))~~ removes from or installs in any motor vehicle registered with the department by motor block number, a new or used motor block without immediately notifying the department of such fact upon a form provided by the department, or any vehicle dealer who ~~((shall))~~ loans or permits the use of vehicle dealer license plates by any person not entitled to the use thereof, ~~((shall be))~~ is guilty of a gross misdemeanor.

Sec. RCW 46.70.290 and 1971 ex.s. c 231 s 23 are each amended to read as follows:

The provisions of chapter 46.70 RCW shall apply to the distribution and sale of mobile homes and to mobile home dealers, ~~((salesmen,))~~ distributors, manufacturers, factory representatives, or other persons engaged in such distribution and sale to the same extent as for motor vehicles.

Sec. RCW 46.70.300 and 1981 c 152 s 2 are each amended to read as follows:

(1) The provisions of this chapter relating to the licensing and regulation of vehicle dealers(~~(-salesmen-)~~) and manufacturers shall be exclusive, and no county, city, or other political subdivision of this state shall enact any laws, rules, or regulations licensing or regulating vehicle dealers(~~(-salesmen-)~~) or manufacturers.

(2) This section shall not be construed to prevent a political subdivision of this state from levying a business and occupation tax upon vehicle dealers or manufacturers maintaining an office within that political subdivision if a business and occupation tax is levied by such a political subdivision upon other types of businesses within its boundaries.

Sec. RCW 46.87.020 and 1991 c 163 s 4 are each amended to read as follows:

Terms used in this chapter have the meaning given to them in the International Registration Plan (IRP), the Uniform Vehicle Registration, Proration, and Reciprocity Agreement (Western Compact), chapter 46.04 RCW, or as otherwise defined in this section. Definitions given to terms by the IRP and the Western Compact, as applicable, shall prevail unless given a different meaning in this chapter or in rules adopted under authority of this chapter.

(1) "Apportionable vehicle" has the meaning given by the IRP, except that it does not include vehicles with a declared gross weight of twelve thousand pounds or less. Apportionable vehicles include trucks, tractors, truck tractors, road tractors, and buses, each as separate and licensable vehicles. For IRP jurisdictions that require the registration of nonmotor vehicles, this term may include trailers, semitrailers, and pole trailers as applicable, each as separate and licensable vehicles.

(2) "Cab card" is a certificate of registration issued for a vehicle by the registering jurisdiction under the Western Compact. Under the IRP, it is a certificate of registration issued by the base jurisdiction for a vehicle upon which is disclosed the jurisdictions and registered gross weights in such jurisdictions for which the vehicle is registered.

(3) "Commercial vehicle" is a term used by the Western Compact and means any vehicle, except recreational vehicles, vehicles displaying restricted plates, and government owned or leased vehicles, that is operated and registered in more than one jurisdiction and is used or maintained for the transportation of persons for hire, compensation, or profit, or is designed, used, or maintained primarily for the transportation of property and:

(a) Is a motor vehicle having a declared gross weight in excess of twenty-six thousand pounds; or

(b) Is a motor vehicle having three or more axles with a declared gross weight in excess of twelve thousand pounds; or

(c) Is a motor vehicle, trailer, pole trailer, or semitrailer used in combination when the gross weight or declared gross weight of the combination exceeds twenty-six thousand pounds combined gross weight. The nonmotor vehicles mentioned are only applicable to those jurisdictions requiring the registration of such vehicles.

Although a two-axle motor vehicle, trailer, pole trailer, semitrailer, or any combination of such vehicles with an actual or declared gross weight or declared combined gross weight exceeding twelve thousand pounds but not more than twenty-six thousand is not considered to be a commercial vehicle, at the option of the owner, such vehicles may be considered as "commercial vehicles" for the purpose of proportional registration. The nonmotor vehicles mentioned are only applicable to those jurisdictions requiring the registration of such vehicles.

Commercial vehicles include trucks, tractors, truck tractors, road tractors, and buses. Trailers, pole trailers, and semitrailers, will also be considered as commercial vehicles for those jurisdictions who require registration of such vehicles.

(4) "Credentials" means cab cards, apportioned plates (for Washington-based fleets), and validation tabs issued for proportionally registered vehicles.

(5) "Declared combined gross weight" means the total unladen weight of any combination of vehicles plus the weight of the maximum load to be carried on the combination of vehicles as set by the registrant in the application pursuant to chapter 46.44 RCW and for which registration fees have been or are to be paid.

(6) "Declared gross weight" means the total unladen weight of any vehicle plus the weight of the maximum load to be carried on the vehicle as set by the registrant in the application pursuant to chapter 46.44 RCW and for which registration fees have been or are to be paid. In the case of a bus, auto stage, or a passenger-carrying for hire vehicle with a seating capacity of more than six, the declared gross weight shall be determined by multiplying the average load factor of one hundred and fifty pounds by the number of seats in the vehicle, including the driver's seat, and add this amount to the unladen weight of the vehicle. If the resultant gross weight is not listed in RCW 46.16.070, it will be increased to the next higher gross weight so listed pursuant to chapter 46.44 RCW.

(7) "Department" means the department of licensing.

(8) "Fleet" means one or more commercial vehicles in the Western Compact and one or more apportionable vehicles in the IRP.

(9) "In-jurisdiction miles" means the total miles accumulated in a jurisdiction during the preceding year by vehicles of the fleet while they were a part of the fleet.

(10) "IRP" means the International Registration Plan.

(11) "Jurisdiction" means and includes a state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a foreign (~~county [country]~~) **country**, and a state or province of a foreign country.

(12) "Owner" means a person or business firm who holds the legal title to a vehicle, or if a vehicle is the subject of an agreement for its conditional sale with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee, or if a vehicle is subject to a lease, contract, or other legal arrangement vesting right of possession or control, for security or otherwise, or if a mortgagor of a vehicle is entitled to possession, then the owner is deemed to be the person or business firm in whom is vested right of possession or control.

(13) "Preceding year" means the period of twelve consecutive months (~~immediately prior to July 1st of the year immediately preceding the commencement of~~) ending three months before the registration or license year for which proportional registration is sought.

(14) "Properly registered," as applied to the place of registration under the provisions of the Western Compact, means:

(a) In the case of a commercial vehicle, the jurisdiction in which it is registered if the commercial enterprise in which the vehicle is used has a place of business therein, and, if the vehicle is most frequently dispatched, garaged, serviced, maintained, operated, or otherwise controlled in or from that place of business, and the vehicle has been assigned to that place of business; or

(b) In the case of a commercial vehicle, the jurisdiction where, because of an agreement or arrangement between two or more jurisdictions, or pursuant to a declaration, the vehicle has been registered as required by that jurisdiction.

In case of doubt or dispute as to the proper place of registration of a commercial vehicle, the department shall make the final determination, but in making such determination, may confer with departments of the other jurisdictions affected.

(15) "Prorate percentage" is the factor that is applied to the total proratable fees and taxes to determine the apportionable or prorate fees required for registration in a particular jurisdiction. It is determined by dividing the in-jurisdiction miles for a particular jurisdiction by the total miles. This term is synonymous with the term "mileage percentage."

(16) "Registrant" means a person, business firm, or corporation in whose name or names a vehicle or fleet of vehicles is registered.

(17) "Registration year" means the twelve-month period during which the registration plates issued by the base jurisdiction are valid according to the laws of the base jurisdiction. (~~The "registration year" for Washington is the period from January 1st through December 31st of each calendar year.~~)

(18) "Total miles" means the total number of miles accumulated in all jurisdictions during the preceding year by all vehicles of the fleet while they were a part of the fleet. Mileage accumulated by vehicles of the fleet that did not engage in interstate operations is not included in the fleet miles.

(19) "Western Compact" means the Uniform Vehicle Registration, Proration, and Reciprocity Agreement.

Sec. RCW 46.87.030 and 1987 c 244 s 18 are each amended to read as follows:

(1) When application to register an apportionable or commercial vehicle is made after (~~March 31st of a~~) the third month of the owner's registration year, the Washington prorated fees may be reduced by one-twelfth for each full registration month that has elapsed at the time a temporary authorization permit (TAP) was issued or if no TAP was issued, at such time as an application for registration is received in the department. (~~The filing of any application with the department incurs liability for the fees and taxes applicable to the vehicles contained in the application.~~) If a vehicle is being added to a currently registered fleet, the prorate percentage previously established for the fleet for such registration year shall be used in the computation of the proportional fees and taxes due.

(2) If any vehicle is withdrawn from a proportionally registered fleet during the period for which it is registered under this chapter, the registrant of the fleet shall notify the department on appropriate forms prescribed by the department. The department may require the registrant to surrender credentials that were issued to the vehicle. If a motor vehicle is permanently withdrawn from a proportionally registered fleet because it has been destroyed, sold, or otherwise completely removed from the service of the fleet registrant, the unused portion of the licensing fee paid under RCW 46.16.070 with respect to the vehicle reduced by one-twelfth for each calendar month and fraction thereof elapsing between the first day of the month of the current registration year in which the vehicle was registered and the date the notice of withdrawal, accompanied by such credentials as may be required, is received in the department, shall be credited to the fleet proportional registration account of the registrant. Credit shall be applied against the licensing fee liability for subsequent additions of motor vehicles to be proportionally registered in the fleet during such registration year or for additional licensing fees due under RCW 46.16.070 or to be due upon audit under RCW 46.87.310. If any credit is less than fifteen dollars, no credit will be entered. In lieu of credit, the registrant may choose to transfer the unused portion of the licensing fee for the motor vehicle to the new owner, in which case it shall remain with the motor vehicle for which it was originally paid. In no event may any amount be credited against fees other than those for the registration year from which the credit was obtained nor is any amount subject to refund.

Sec. RCW 46.87.080 and 1987 c 244 s 23 are each amended to read as follows:

(1) Upon making satisfactory application and payment of applicable fees and taxes for proportional registration under this chapter, the department shall issue a cab card and validation tab for each vehicle, and to vehicles of Washington-based fleets, two distinctive apportionable license plates for each motor vehicle and one such plate for each trailer, semitrailer, pole trailer, or converter gear listed on the application. License plates shall be displayed on vehicles as required by RCW 46.16.240. The number and plate shall be of a design, size, and color determined by the department. The plates shall be treated with reflectorized material and clearly marked with the words "WASHINGTON" and "APPORTIONED," both words to appear in full and without abbreviation.

(2) The cab card serves as the certificate of registration for a proportionally registered vehicle. The face of the cab card shall contain the name and address of the registrant as contained in the records of the department, the license plate number assigned to the vehicle by the base jurisdiction, the vehicle identification number, and such other description of the vehicle and data as the department may require. The cab card shall be signed by the registrant, or a designated person if the registrant is a business firm, and shall at all times be carried in or on the vehicle to which it was issued. In the case of nonpowered vehicles, the cab card may be carried in or on the vehicle supplying the motive power instead of in or on the nonpowered vehicle.

(3) The apportioned license plates are not transferrable from vehicle to vehicle unless otherwise determined by rule and shall be used only on the vehicle to which they are assigned by the department for as long as they are legible or until such time as the department requires them to be removed and returned to the department.

(4) ((A)) Distinctive validation tab(s) of a design, size, and color determined by the department shall be affixed to the apportioned license plate(s) as prescribed by the department to indicate the month, if necessary, and year for which the vehicle is registered. Foreign-based vehicles proportionally registered in this state under the provisions of the Western Compact shall display the validation tab on a backing plate or as otherwise prescribed by the department.

(5) Renewals shall be effected by the issuance and display of such tab(s) after making satisfactory application and payment of applicable fees and taxes.

(6) Fleet vehicles so registered and identified shall be deemed to be fully licensed and registered in this state for any type of movement or operation. However, in those instances in which a grant of authority is required for interstate or intrastate movement or operation, no such vehicle may be operated in interstate or intrastate commerce in this state unless the owner has been granted interstate operating authority by the interstate commerce commission in the case of interstate operations or intrastate operating authority by the Washington utility and transportation commission in the case of intrastate operations and unless the vehicle is being operated in conformity with that authority.

(7) The department may issue temporary authorization permits (TAPs) to qualifying operators for the operation of vehicles pending issuance of license identification. A fee of one dollar plus a one dollar filing fee shall be collected for each permit issued. The permit fee shall be deposited in the motor vehicle fund, and the filing fee shall be deposited in the highway safety fund. The department may adopt rules for use and issuance of the permits.

(8) The department may refuse to issue any license or permit authorized by subsection (1) or (7) of this section to any person: (a) Who formerly held any type of license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW that has been revoked for cause, which cause has not been removed; or (b) who is a subterfuge for the real party in interest whose license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW and has been revoked for cause, which cause has not been removed; or (c) who, as an individual licensee, or officer, director, owner, or managing employee of a nonindividual licensee, has had a license or permit issued by the department pursuant to chapter 46.16, 46.85, 46.87, 82.36, 82.37, or 82.38 RCW which has been revoked for cause, which cause has not been removed; or (d) who has an unsatisfied debt to the state assessed under either chapter 46.16, 46.85, 46.87, 82.36, 82.37, 82.38, or 82.44 RCW.

(9) The department may revoke the license or permit authorized by subsection (1) or (7) of this section issued to any person for any of the grounds constituting cause for denial of licenses or permits set forth in subsection (8) of this section.

(10) Before such refusal or revocation under subsection (8) or (9) of this section, the department shall grant the applicant a hearing and at least ten days written notice of the time and place of the hearing.

Sec. RCW 46.87.310 and 1987 c 244 s 44 are each amended to read as follows:

Any owner whose application for proportional registration has been accepted shall preserve the records on which the application is based for a period of four years following the preceding year or period upon which the application is based. These records shall be complete and shall include, but not be limited to, the following: Copies of proportional registration applications and supplements for all jurisdictions in which the fleet is prorated; proof of proportional or full registration with other jurisdictions; vehicle license or trip permits; temporary authorization permits; documents establishing the latest purchase year and cost of each fleet vehicle in ready-for-the-road condition; weight certificates indicating the unladen, ready-for-the-road, weight of each vehicle in the fleet; periodic summaries of mileage by fleet and by individual vehicles; individual trip reports, driver's daily logs, or other source documents maintained for each individual trip that provide trip dates, points of origin and destinations, total miles traveled, miles traveled in each jurisdiction, routes traveled, vehicle equipment number, driver's full name, and all other information pertinent to each trip. Upon request of the department, the owner shall make the records available to the department at its designated office for audit as to accuracy of records, computations, and payments. The department shall assess and collect any unpaid fees and taxes found to be due the state and provide credits or refunds for overpayments of Washington fees and taxes as determined in accordance with formulas and other requirements prescribed in this chapter. If the owner fails to maintain complete records as required by this section, the department shall attempt to reconstruct or reestablish such records. However, if the department is unable to do so and the missing or incomplete records involve mileages accrued by vehicles while they are part of the fleet, the department may assess an amount not to exceed the difference between the Washington proportional fees and taxes paid and one hundred percent of the fees and taxes. Further, if the owner fails to maintain complete records as required by this section, or if the department determines that the owner should have registered more vehicles in this state under this chapter, the department may deny the owner the right of any further benefits provided by this chapter until any final audit or assessment made under this chapter has been satisfied.

The department may audit the records of any owner and may make arrangements with agencies of other jurisdictions administering motor vehicle registration laws for joint audits of any such owner. No assessment for deficiency or claim for credit may be made for any period for which records are no longer required. Any fees, taxes, penalties, or interest found to be due and owing the state upon audit shall bear interest at ~~((twelve percent per annum from the date on which the deficiency is incurred))~~ the rate of one percent per month, or fraction thereof, from the first day of the calendar month after the amount should have been paid until the date of payment. If the audit discloses a deliberate and willful intent to evade the requirements of payment under RCW 46.87.140, a penalty of ten percent shall also be assessed.

If the audit discloses that an overpayment to the state in excess of five dollars has been made, the department shall certify the overpayment to the state treasurer who shall issue a warrant for the overpayment to the vehicle operator. Overpayments shall bear interest at the rate of eight percent per annum from the date on which the overpayment is incurred until the date of payment.

Sec. RCW 46.87.340 and 1987 c 244 s 47 are each amended to read as follows:

If an owner of proportionally registered vehicles liable for the remittance of fees and taxes imposed by this chapter (~~for which an assessment has become final~~) fails to pay the fees and taxes, the amount thereof, including any interest, penalty, or addition to the fees and taxes together with any additional costs that may accrue, constitutes a lien in favor of the state upon all franchises, property, and rights to property, whether the property is employed by the person for personal or business use or is in the hands of a trustee, receiver, or assignee for the benefit of creditors, from the date the fees and taxes were due and payable until the amount of the lien is paid or the property is sold to pay the lien. The lien has priority over any lien or encumbrance whatsoever, except the lien of other state taxes having priority by law, and except that the lien is not valid as against any bona fide mortgagee, pledgee, judgment creditor, or purchaser whose rights have attached before the time the department has filed and recorded notice of the lien as provided in this chapter.

In order to avail itself of the lien created by this section, the department shall file with any county auditor a statement of claim and lien specifying the amount of delinquent fees and taxes, penalties, and interest claimed by the department. From the time of filing for record, the amount required to be paid constitutes a lien upon all franchises, property, and rights to property, whether real or personal, then belonging to or thereafter acquired by the person in the county. Any lien as provided in this section may also be filed in the office of the secretary of state. Filing in the office of the secretary of state is of no effect, however, until the lien or a copy of it has been filed with the county auditor in the county where the property is located. When a lien is filed in compliance with this section and with the secretary of state, the filing has the same effect as if the lien had been duly filed for record in the office of each county auditor of this state.

NEW SECTION. Sec. A new section is added to chapter 46.87 RCW to read as follows:

The department may extend or diminish vehicle license registration periods for the purpose of staggering renewal periods. The extension or diminishment of a vehicle license registration period must be by rule of the department. The rule shall provide for the collection of proportionally increased or decreased vehicle license registration fees and of excise or other taxes required to be paid at the time of registration.

It is the intent of the legislature that there shall be neither a significant net gain nor loss of revenue to the state general fund or the motor vehicle fund as the result of implementing and maintaining a staggered vehicle registration system.

NEW SECTION. Sec. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Vessel" means every watercraft used or capable of being used as a means of transportation on the water, other than a seaplane.

(2) "Owner" means a person who has a lawful right to possession of a vessel by purchase, exchange, gift, lease, inheritance, or legal action whether or not the vessel is subject to a security interest.

(2) A violation of this section and the rules adopted by the department under this section is a misdemeanor punishable only by a fine not to exceed one hundred dollars per vessel for the first violation. Subsequent violations in the same year are subject to the following fines:

(a) For the second violation, a fine of two hundred dollars per vessel;

(b) For the third and successive violations, a fine of four hundred dollars per vessel.

(3) After subtraction of court costs and administrative collection fees, moneys collected under this section shall be credited to the current expense fund of the arresting jurisdiction.

(4) All law enforcement officers have the authority to enforce this section and the rules adopted by the department under this section.

NEW SECTION. Sec. (1) Vessel dealers shall maintain an established place of business as follows:

(a) A place of business in the state of Washington, in an area where vessel dealer business may be lawfully conducted in accordance with the terms of all applicable building code, zoning, and other land use regulatory ordinances;

(b) Display of a sign, permanently affixed to the land or building, clearly visible to the public, identifying the nature of the business as marine sales, service, repair, or manufacturing;

(d) The books, records, and files necessary to conduct the business shall be kept and maintained at the place of business listed on the vessel dealer's registration, and shall be available for inspection by representatives of the department at reasonable times.

(2) The department may waive any requirements pertaining to a vessel dealer's established place of business if the waiver both serves the purposes of this chapter and is necessary due to unique circumstances such as a highly specialized business or impediments to displaying a sign.

NEW SECTION. Sec. For the purposes of an investigation or proceeding under this chapter the director or an officer designated by the director may administer oaths and affirmations, subpoena witnesses and records, compel their attendance, take evidence, and require the production of documents or records that the director deems relevant or material to the inquiry.

A vessel dealer who receives cash or a negotiable instrument of deposit in excess of one thousand dollars, or a deposit of any amount that will be held for more than fourteen calendar days, shall place the funds in a separate trust account. Only cash or negotiable instruments from a retail purchaser are required to be placed in a trust account.

(1) Upon receipt, the cash or negotiable instrument must be immediately set aside and endorsed to the trust account.

(2) The dealer shall deposit the cash or negotiable instrument in the trust account by the close of banking hours on the day after receipt.

(3) After delivery of the purchaser's vessel the vessel dealer shall remove the deposited funds from the trust account.

(4) The dealer shall not commingle the trust account funds with any other funds.

(5) The funds must remain in the trust account until the delivery of the purchased vessel. However, upon written agreement from the purchaser, the vessel dealer may remove and release trust funds before delivery.

NEW SECTION. Sec. If it appears that a person has engaged or is about to engage in an act or practice constituting a violation of this chapter, or a rule adopted or an order issued under this chapter, the director may issue an order directing the person to cease and desist from continuing the act or practice. The director shall give reasonable notice of an opportunity for hearing. The director may issue a temporary order pending a hearing. The temporary order remains in effect until ten days after the hearing is held and becomes final if the person to whom notice is addressed does not request a hearing within twenty days after receipt of this notice.

NEW SECTION. Sec. The department may adopt rules under chapter 34.05 RCW to ensure the implementation, proper operation, and enforcement of this chapter.

NEW SECTION. Sec. RCW 46.12.120 and 46.12.140 are each recodified as sections in chapter 46.70 RCW.

NEW SECTION. Sec. Sections 18 through 24 of this act and the following sections, upon recodification, shall constitute a new chapter in Title 88 RCW: RCW 88.02.060, 88.02.112, 88.02.115, 88.02.118, 88.02.125, 88.02.184, 88.02.188, 88.02.210, and 88.02.230.

April 13, 1993

SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1408 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. FINDINGS AND STATE POLICY. (1) The legislature finds that:

(a) Each year in Washington approximately fifteen thousand teenage girls become pregnant;

(b) The public cost of adolescent pregnancy is substantial. Eighty percent of teen prenatal care and deliveries are publicly funded. Over fifty percent of the women on public assistance became mothers as teenagers; and

(c) The personal costs of adolescent pregnancy can be socially and economically overwhelming. These too young mothers are often unable to finish high school. Their economic potential is diminished, their probability of dependence on public assistance increases, and their children are more likely to grow up in poverty. The cycle of teen mothers raising children in poverty jeopardizes their future educational opportunity and economic viability of future generations.

(2) The legislature therefore declares that in the interest of health, welfare, and economics, it is the policy of the state to reduce the incidence of unplanned teen pregnancy. To reduce the rate of teen pregnancy in Washington, the legislature hereby:

- (a) Establishes four-year projects to prevent teen pregnancy;
- (b) Initiates a teen pregnancy prevention media campaign;
- (c) Increases funding for family planning education, outreach, and services; and
- (d) Expands medicaid eligibility for postpartum family planning services.

NEW SECTION. Sec. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Community" means an individual political subdivision of the state, a group of such political subdivisions, or a geographic area within a political subdivision.

(2) "Department" means the department of health.

NEW SECTION. Sec. TEEN PREGNANCY PREVENTION PROJECTS. There is established in the department a program to coordinate and fund community-based teen pregnancy prevention projects. Selection of projects shall be made competitively based upon compliance with the requirements of sections 4 and 5 of this act. To the extent practicable, the projects shall be geographically distributed throughout the state. Criteria shall be established by the department in consultation with other state agencies and groups involved in teen pregnancy prevention.

NEW SECTION. Sec. TEEN PREGNANCY PREVENTION PROJECTS--REQUIREMENTS. (1) Each project shall be designed to reduce the incidence of unplanned teen pregnancy in the defined community, and may include preteens.

(2) At least fifty percent of the funding for teen pregnancy prevention projects shall be community matching funds provided by private or public entities. In-kind contributions such as, but not limited to, staff, materials, supplies, or physical facilities may be considered as all or part of the funding provided by the communities.

(3) The department shall perform evaluations of the projects. Each project shall be evaluated solely on the rate by which the teen pregnancy rates in the community are reduced, measured from the rates prior to the implementation of the project. Projects that demonstrate by empirical evidence that they have been successful in reducing the teen pregnancy rate in their community shall be eligible for consideration if reauthorized funding becomes available.

NEW SECTION. Sec. TEEN PREGNANCY PREVENTION PROJECTS-- APPLICATIONS. Applications for teen pregnancy prevention project funding shall:

- (1) Define the community requesting funding;
- (2) Designate a lead agency or organization for the project;
- (3) Contain evidence of the active participation of entities in the community that will participate in the project;
- (4) Demonstrate the participation of teens in the development of the project;

- (5) Describe the specific activities that will be undertaken by the project;
- (6) Identify the community matching funds required under section 4 of this act;
- (7) Include statistics on teen pregnancy rates in the community over at least the past five years;
- (8) Include components that will demonstrate sensitivity to religious, cultural, and socioeconomic differences; and
- (9) Include components giving emphasis to the importance of sexual abstinence as a method of pregnancy prevention, as provided in RCW 28A.230.070 and 70.24.210.

The department shall not discriminate against applicants for teen pregnancy prevention project funding based on the type of pregnancy prevention strategies and services included in the applicant's proposal.

NEW SECTION. Sec. REPORT. The department shall submit an annual report on the state's teen pregnancy rates over the previous five years, both state-wide and in the specific communities in which teen pregnancy prevention projects are located, to the appropriate standing committees of the legislature in the years 1995 through 1999.

NEW SECTION. Sec. TEEN PREGNANCY PREVENTION MEDIA CAMPAIGN. The department shall develop a teen pregnancy prevention media campaign in collaboration with major media organizations and other organizations and corporations interested in playing a positive and constructive role in their communities. The media campaign shall be designed to reduce the incidence of teen pregnancies. The media campaign shall be directed to teens, their parents, and individuals and organizations working with teens. The department may subcontract all or part of the activities associated with the media campaign to qualified private, nonprofit organizations.

NEW SECTION. Sec. Sections 1 through 7 of this act shall expire June 30, 1999.

Sec. RCW 74.09.790 and 1990 c 151 s 4 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 74.09.760 through 74.09.820 and 74.09.510:

(1) "At-risk eligible person" means an eligible person determined by the department to need special assistance in applying for and obtaining maternity care, including pregnant women who are substance abusers, pregnant and parenting adolescents, pregnant minority women, and other eligible persons who need special assistance in gaining access to the maternity care system.

(2) "County authority" means the board of county commissioners, county council, or county executive having the authority to participate in the maternity care access program or its designee. Two or more county authorities may enter into joint agreements to fulfill the requirements of this chapter.

(3) "Department" means the department of social and health services.

(4) "Eligible person" means a woman in need of maternity care or a child, who is eligible for medical assistance pursuant to this chapter or the prenatal care program administered by the department.

(5) "Maternity care services" means inpatient and outpatient medical care, case management, and support services necessary during prenatal, delivery, and postpartum periods.

(6) "Support services" means, at least, public health nursing assessment and follow-up, health and childbirth education, psychological assessment and counseling, outreach services, nutritional assessment and counseling, needed vitamin and nonprescriptive drugs, transportation, family planning services, and child care. Support services may include alcohol and substance abuse treatment for pregnant women who are addicted or at risk of being addicted to alcohol or drugs to the extent funds are made available for that purpose.

(7) "Family planning services" means planning the number of one's children by use of contraceptive techniques.

Sec. RCW 74.09.800 and 1989 1st ex.s. c 10 s 5 are each amended to read as follows:

The department shall, consistent with the state budget act, develop a maternity care access program designed to ensure healthy birth outcomes as follows:

(1) Provide maternity care services to low-income pregnant women and health care services to children in poverty to the maximum extent allowable under the medical assistance program, Title XIX of the federal social security act;

(2) Provide maternity care services to low-income women who are not eligible to receive such services under the medical assistance program, Title XIX of the federal social security act;

As used in this chapter, unless the context requires otherwise:

- (2) "~~((council))~~ Board" means the ~~((council))~~ board on fitting and dispensing of hearing aids.
- (3) "Hearing aid" means any wearable prosthetic instrument or device designed for or represented as aiding, improving, compensating for, or correcting defective human hearing and any parts, attachments, or accessories of such an instrument or device, excluding batteries and cords and ear molds.
- (4) "Fitting and dispensing of hearing aids" means the sale, lease, or rental or attempted sale, lease, or rental of hearing aids together with the selection and adaptation of hearing aids and the use of those tests and procedures essential to the performance of these functions. It includes the taking of impressions for ear molds for these purposes.
- (5) "Secretary" means the secretary of health.
- (6) "Establishment" means any facility engaged in the fitting and dispensing of hearing aids.

Sec. RCW 18.35.050 and 1989 c 198 s 3 are each amended to read as follows:

Except as otherwise provided in this chapter an applicant for license shall appear at a time and place and before such persons as the department may designate to be examined by written and practical tests. The department shall give an examination in May and November of each year. The examination shall be reviewed annually by the ~~((council))~~ board and the department, and revised as necessary. No examination of any established association may be used as the exclusive replacement for the examination unless approved ~~((and developed))~~ by the ~~((council))~~ board.

Sec. RCW 18.35.060 and 1991 c 3 s 82 are each amended to read as follows:

- (1) The department shall issue a trainee license to any applicant who has shown to the satisfaction of the department that:
 - (a) The applicant is at least eighteen years of age;

Pursuant to the provisions of this section, a person issued a trainee license may engage in the fitting and dispensing of hearing aids without having first passed the examination provided under this chapter.

(2) The trainee license shall contain the name of the person licensed under this chapter who is employing and supervising the trainee and that person shall execute an acknowledgment of responsibility for all acts of the trainee in connection with the fitting and dispensing of hearing aids.

(3) A trainee may fit and dispense hearing aids, but only if the trainee is under the direct supervision of a person licensed under this chapter in a capacity other than as a trainee. Direct supervision by a licensed fitter-dispenser shall be required whenever the trainee is engaged in the fitting or dispensing of hearing aids during the trainee's first three months of full-time employment. The ((~~council~~)) board shall develop and adopt guidelines on any additional supervision or training it deems necessary.

(4) The trainee license shall expire one year from the date of its issuance except that on recommendation of the ((~~council~~)) board the license may be reissued for one additional year only.

(5) No person licensed under this chapter may assume the responsibility for more than two trainees at any one time, except that the department may approve one additional trainee if none of the trainees is within the initial ninety-day period of direct supervision and the licensee demonstrates to the department's satisfaction that adequate supervision will be provided for all trainees.

Sec. RCW 18.35.110 and 1987 c 150 s 22 are each amended to read as follows:

In addition to causes specified under RCW 18.130.170 and 18.130.180, any person licensed under this chapter may be subject to disciplinary action by the ((~~council~~)) board for any of the following causes:

(c) Advertising a particular model, type, or kind of hearing aid for sale which purchasers or prospective purchasers responding to the advertisement cannot purchase or are dissuaded from purchasing and where it is established that the purpose of the advertisement is to obtain prospects for the sale of a different model, type, or kind than that advertised;

(d) Falsifying hearing test or evaluation results;

(e)(i) Whenever any of the following conditions are found or should have been found to exist either from observations by the licensee or on the basis of information furnished by the prospective hearing aid user prior to fitting and dispensing a hearing aid to any such prospective hearing aid user, failing to advise that prospective hearing aid user in writing that the user should first consult a licensed physician specializing in diseases of the ear or if no such licensed physician is available in the community then to any duly licensed physician:

It is a violation of this subsection for any licensee or that licensee's employees and putative agents upon making such required referral for medical opinion to in any manner whatsoever disparage or discourage a prospective hearing aid user from seeking such medical opinion prior to the fitting and dispensing of a hearing aid. No such referral for medical opinion need be made by any licensee in the instance of replacement only of a hearing aid which has been lost or damaged beyond repair within six months of the date of purchase. The licensee or the licensee's employees or putative agents shall obtain a signed statement from the hearing aid user documenting the waiver of medical clearance and the waiver shall inform the prospective user that signing the waiver is not in the user's best health interest: PROVIDED, That the licensee shall maintain a copy of either the physician's statement showing that the prospective hearing aid user has had a medical evaluation or the statement waiving medical evaluation, for a period of three years after the purchaser's receipt of a hearing aid. Nothing in this section required to be performed by a licensee shall mean that the licensee is engaged in the diagnosis of illness or the practice of medicine or any other activity prohibited under the laws of this state;

(ii) Fitting and dispensing a hearing aid to any person under eighteen years of age who has not been examined and cleared for hearing aid use within the previous six months by a physician specializing in otolaryngology except in the case of replacement instruments or except in the case of the parents or guardian of such person refusing, for good cause, to seek medical opinion: PROVIDED, That should the parents or guardian of such person refuse, for good cause, to seek medical opinion, the licensee shall obtain from such parents or guardian a certificate to that effect in a form as prescribed by the department;

(iii) Fitting and dispensing a hearing aid to any person under eighteen years of age who has not been examined by an audiologist who holds at least a master's degree in audiology for recommendations during the previous six months, without first advising such person or his or her parents or guardian in writing that he or she should first consult an audiologist who holds at least a master's degree in audiology, except in cases of hearing aids replaced within six months of their purchase;

(f) Representing that the services or advice of a person licensed to practice medicine and surgery under chapter 18.71 RCW or osteopathy and surgery under chapter 18.57 RCW or of a clinical audiologist will be used or made available in the selection, fitting, adjustment, maintenance, or repair of hearing aids when that is not true, or using the word "doctor," "clinic," or other like words, abbreviations, or symbols which tend to connote a medical or osteopathic profession when such use is not accurate;

(g) Permitting another to use his or her license;

(h) Stating or implying that the use of any hearing aid will restore normal hearing, preserve hearing, prevent or retard progression of a hearing impairment, or any other false, misleading, or medically or audiotically unsupportable claim regarding the efficiency of a hearing aid;

(i) Representing or implying that a hearing aid is or will be "custom-made," "made to order," "prescription made," or in any other sense specially fabricated for an individual when that is not the case; or

(j) Directly or indirectly offering, giving, permitting, or causing to be given, money or anything of value to any person who advised another in a professional capacity as an inducement to influence that person, or to have that person influence others to purchase or contract to purchase any product sold or offered for sale by the licensee, or to influence any person to refrain from dealing in the products of competitors.

(2) Engaging in any unfair or deceptive practice or unfair method of competition in trade within the meaning of RCW 19.86.020 (~~as now or hereafter amended~~).

(3) Aiding or abetting any violation of the rebating laws as stated in chapter 19.68 RCW.

Sec. RCW 18.35.140 and 1983 c 39 s 11 are each amended to read as follows:

The powers and duties of the department, in addition to the powers and duties provided under other sections of this chapter, are as follows:

(2) To authorize all disbursements necessary to carry out the provisions of this chapter.

(3) To require the periodic examination of the audiometric testing equipment and to carry out the periodic inspection of facilities of persons who deal in hearing aids, as reasonably required within the discretion of the department.

Sec. RCW 18.35.150 and 1989 c 198 s 7 are each amended to read as follows:

(1) There is created hereby the ~~((council))~~ board on fitting and dispensing of hearing aids. The ~~((council))~~ board shall consist of ~~((nine))~~ seven members to be appointed by the governor.

(2) Members of the ~~((council))~~ board shall be residents of this state. ~~((Five))~~ Two members shall represent the public. Two members shall be persons experienced in the fitting of hearing aids who shall hold valid licenses under this chapter and who do not have a masters level college degree in audiology. One advisory nonvoting member shall be a medical ((doctor)) or osteopathic physician specializing in diseases of the ear. ~~((One member shall be a nondispensing audiologist. Two members shall represent the public.))~~ Two members must be experienced in the fitting of hearing aids, must be licensed under this chapter, and shall have received at a minimum a masters level college degree in audiology.

(3) The term of office of a member is three years. No member shall be appointed to serve more than two consecutive terms. A member shall continue to serve until a successor has been appointed. The governor shall either reappoint the member or appoint a successor to assume the member's duties at the expiration of his or her predecessor's term. A vacancy in the office of a member shall be filled by appointment for the unexpired term.

(4) The ~~((chairman))~~ chair of the ~~((council))~~ board shall be elected from the membership of the ~~((council))~~ board at the beginning of each year. In event of a tie, the issue shall be brought to a second vote and the chair shall refrain from voting.

(5) The ~~((council))~~ board shall meet at least once each year, at a place, day and hour determined by the ~~((council))~~ board, unless otherwise directed by a majority of ~~((council))~~ board members. The ~~((council))~~ board shall also meet at such other times and places as are requested by the department or by three members of the ~~((council))~~ board.

(6) Members of the ~~((council))~~ board shall be compensated in accordance with RCW 43.03.240 and shall be reimbursed for their travel expenses in accordance with RCW 43.03.050 and 43.03.060.

Sec. RCW 18.35.161 and 1987 c 150 s 23 are each amended to read as follows:

The ~~((council))~~ board shall have the following powers and duties:

(1) To establish by rule such minimum standards and procedures in the fitting and dispensing of hearing aids as deemed appropriate and in the public interest;

- (2) To develop guidelines on the training and supervision of trainees;
- (3) To adopt any other rules (~~(or regulations)~~) necessary to implement this chapter and which are not inconsistent with it;
- (4) To develop, approve, and administer all licensing examinations required by this chapter; and
- (5) To require a licensee to make restitution to any individual injured by a violation of this chapter or chapter 18.130 RCW, the uniform disciplinary act. The authority to require restitution does not limit the ~~((councils))~~ board's authority to take other action deemed appropriate and provided for in this chapter or chapter 18.130 RCW.

Sec. RCW 18.35.170 and 1973 1st ex.s. c 106 s 17 are each amended to read as follows:

A member of the ~~((council))~~ board on fitting and dispensing of hearing aids shall not be permitted to take the examination provided under this chapter unless he or she has first satisfied the department that adequate precautions have been taken to assure that he or she does not and will not have any knowledge, not available to the members of the public at large, as to the contents of the examination.

Sec. RCW 18.35.185 and 1989 c 198 s 12 are each amended to read as follows:

(1) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing aid shall have the right to rescind the transaction for other than the ~~((seller's))~~ licensee's breach if:

(a) The purchaser, for reasonable cause, returns the hearing aid or holds it at the ~~((seller's))~~ licensee's disposal, if the hearing aid is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the ~~((council))~~ board but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing aid; and

(b) The purchaser sends notice of the cancellation ~~((to the licensee at the licensee's place of business))~~ by certified mail, return receipt requested, to the establishment employing the licensee at the time the hearing aid was originally purchased, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the ~~((seller))~~ licensee may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing aid is in the possession of the ~~((seller))~~ licensee or the ~~((seller's))~~ licensee's representative during the thirty days following the date of delivery, the deadline for posting the notice of rescission shall be extended by an equal number of days that the aid is in the possession of the ~~((seller))~~ licensee or the ~~((seller's))~~ licensee's representative. Where the hearing aid is returned to the ~~((seller))~~ licensee for any inspection for modification or repair, and the ~~((seller))~~ licensee has notified the purchaser that the hearing aid is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing aid or instructing the ~~((seller))~~ licensee to forward it to the purchaser, then the deadline for giving notice of the rescission shall begin seven working days after this notice.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing aid is returned to the licensee, the licensee shall refund to the purchaser any payments or deposits for that hearing aid. However, the licensee may retain, for each hearing aid, fifteen percent of the total purchase price or one hundred dollars, whichever is less. The licensee shall also return any goods traded in contemplation of the sale, less any costs incurred by the licensee in making those goods ready for resale. The refund shall be made within ten days after the rescission. The buyer shall incur no additional liability for such rescission.

(3) For the purposes of this section, the purchaser shall have recourse against the bond held by the establishment entering into a purchase agreement with the buyer, as provided by RCW 18.35.240.

Sec. RCW 18.35.220 and 1987 c 150 s 25 are each amended to read as follows:

(1) If the ~~((council))~~ board determines following notice and hearing, or following notice if no hearing was timely requested, that a person has:

(a) Violated any provisions of this chapter or chapter 18.130 RCW; or

(b) Violated any lawful order, or rule of the ~~((council))~~ board

an order may be issued by the ~~((council))~~ board requiring the person to cease and desist from the unlawful practice. The ~~((council))~~ board shall then take affirmative action as is necessary to carry out the purposes of this chapter.

(2) If the ~~((council))~~ board makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, a temporary cease and desist order may be issued. Prior to issuing a temporary cease and desist order, the ~~((council))~~ board, whenever possible, shall give notice by telephone or otherwise of the proposal to issue a temporary cease and desist order to the person to whom the order would be directed. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held to determine whether the order becomes permanent.

(3) The department, with or without prior administrative proceedings, may bring an action in the superior court to enjoin the acts or practices and to enforce compliance with this chapter, or rule or order under this chapter. Upon proper showing, injunctive relief or temporary restraining orders shall be granted and a receiver or conservator may be appointed. The department shall not be required to post a bond in any court proceedings.

Sec. RCW 18.35.240 and 1991 c 3 s 85 are each amended to read as follows:

(1) Every establishment engaged in the fitting and dispensing of hearing aids shall file with the department a surety bond in the sum of ten thousand dollars, running to the state of Washington, for the benefit of any person injured or damaged as a

result of any violation by the establishment's employees or agents of any of the provisions of this chapter or rules adopted by the secretary.

(2) In lieu of the surety bond required by this section, the establishment may file with the department a cash deposit or other negotiable security acceptable to the department. All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

(3) If a cash deposit is filed, the department shall deposit the funds with the state treasurer. The cash or other negotiable security deposited with the department shall be returned to the depositor one year after the establishment has discontinued the fitting and dispensing of hearing aids if no legal action has been instituted against the establishment, its agents or employees, or the cash deposit or other security. The establishment owners shall notify the department if the establishment is sold or has discontinued the fitting and dispensing of hearing aids in order that the cash deposit or other security may be released at the end of one year from that date.

(4) A surety may file with the department notice of withdrawal of the bond of the establishment. Upon filing a new bond, or upon the expiration of sixty days after the filing of notice of withdrawal by the surety, the liability of the former surety for all future acts of the establishment terminates.

(5) Upon the filing with the department notice by a surety of withdrawal of the surety on the bond of an establishment or upon the cancellation by the department of the bond of a surety under this section, the department shall immediately give notice to the establishment by certified or registered mail with return receipt requested addressed to the establishment's last place of business as filed with the department.

(6) The department shall immediately cancel the bond given by a surety company upon being advised that the surety company's license to transact business in this state has been revoked.

(7) Each invoice for the purchase of a hearing aid provided to a customer must clearly display on the first page the bond number of the establishment or the licensee selling the hearing aid.

NEW SECTION. Sec. A new section is added to chapter 18.35 RCW to read as follows:

(1) A person licensed under this chapter and not actively fitting and dispensing hearing aids may be placed on inactive status by the department at the written request of the licensee. The board shall define by rule the conditions for inactive status licensure. In addition to the requirements of RCW 43.24.086, the licensing fee for a licensee on inactive status shall be directly related to the costs of administering an inactive license by the department. A person on inactive status may be voluntarily placed on active status by notifying the department in writing, paying the remainder of the licensing fee for the licensing year, and complying with subsection (2) of this section.

(2) Inactive licensees applying for active licensure shall comply with the following: A licensee who has not fitted or dispensed hearing aids for more than five years from the expiration of the licensee's full fee license shall retake the practical examinations required under this chapter and shall have completed continuing education requirements within the previous twelve-month period. Persons who have been on inactive status from two to five years must have within the previous twelve months completed continuing education requirements. Persons who have been on inactive status for one year or less shall upon application be reinstated as active licensees. Persons who have inactive status in this state but who are actively licensed and in good standing in any other state shall not be required to meet continuing education requirements or to take the practical examinations, but must submit an affidavit attesting to their knowledge of the current Washington Administrative Code rules and Revised Code of Washington statutes pertaining to the fitting and dispensing of hearing aids." On page 1, line 1 of the title, after "aids;" strike the remainder of the title and insert "amending RCW 18.35.010, 18.35.050, 18.35.060, 18.35.110, 18.35.140, 18.35.150, 18.35.161, 18.35.170, 18.35.185, 18.35.220, and 18.35.240; and adding a new section to chapter 18.35 RCW." and the same are herewith transmitted.

(1) By July 1, 1994, the department shall develop and implement a voluntary certificate of competency program for general and specialty contractors registered under this chapter.

(2) The department shall prepare appropriate examinations for general and specialty contractors' certificates of competency to be administered to eligible applicants. The examination must be constructed to determine:

(a) Whether the applicant possesses varied general knowledge of the technical information and practical procedures identified with the construction trade; and

(b) Whether the applicant is familiar with the applicable building codes, statutory requirements, and administrative rules pertaining to the construction trade.

(3)(a) An applicant for a contractor certificate of competency shall submit the required fee and, except as otherwise provided in subsection (4) of this section, an application to take the competency examination on the form and in the manner prescribed by the department. The applicant must be a registered contractor, and, except as otherwise provided in subsection (4) of this section, must provide written evidence that he or she has completed a course of study in the construction trade for general or specialty contractors, as appropriate, at a school or training program approved by the department. If the director determines that the applicant is eligible to take the examination, the director shall notify the applicant of the time and place of the examination. The director shall establish reasonable rules for the conduct of examinations.

(b) The department shall certify the results of the examination and shall notify the applicant in writing whether he or she has passed or failed. The number of times that an applicant may take the examination may not be limited.

(4) The department shall issue a certificate of competency to an applicant who has passed the examination and has paid all appropriate fees, or to a registered contractor engaged in a bona fide contracting business with at least two years of experience, who has paid all appropriate fees. (6) The holder of a certificate of competency may verbally represent that he or she holds a certificate of competency and may include the information that he or she holds the certificate in documents, including but not limited to advertising, contracts, business cards, and signs. A making of a claim by a contractor that he or she holds a certificate of competency when such a certificate has not been lawfully issued to the contractor or is not in force under this chapter is an infraction and the contractor is subject to having his or her registration suspended for up to two years.

NEW SECTION. Sec. A new section is added to chapter 18.27 RCW to read as follows:

(3) It shall be the purpose and function of the committee to advise the department on all matters pertaining to the development, implementation, and enforcement of the voluntary certificate of competency program for general and specialty contractors registered under this chapter.

(4) Each member of the committee shall be reimbursed for travel expenses and paid special per diem rates in accordance with RCW 43.03.050 and 43.03.060 for each day such member is engaged in bona fide business of the advisory committee.

NEW SECTION. Sec. Sections 12 and 13 of this act shall take effect January 1, 1994.

(2) In an odd-numbered year, the county auditor may conduct by mail ballot a primary or a special election concurrently with the primary:

(a) For any office or ballot measure of a special purpose district which is entirely within the county;

(b) For any office or ballot measure of a special purpose district which lies in the county and one or more other counties if the auditor first secures the concurrence of the county auditors of those other counties to conduct the primary in this manner district-wide; and

(c) For any ballot measure or nonpartisan office of a county, city, or town if the auditor first secures the concurrence of the legislative authority of the county, city, or town involved.

A primary in an odd-numbered year may not be conducted by mail ballot in any precinct with two hundred or more registered voters if a partisan office or state office or state ballot measure is to be voted upon at that primary in the precinct.

(3) For all special elections not being held in conjunction with a state primary or state general election where voting is conducted by mail ballot, the county auditor shall, not less than fifteen days before the date of such election, mail or deliver to each registered voter a mail ballot and an envelope, preaddressed to the issuing officer. The county auditor shall notify an election jurisdiction for which a primary is to be held that the primary will be conducted by mail ballot.

(4) To the extent they are not inconsistent with subsections (1) through (3) of this section, the laws governing the conduct of mail ballot special elections apply to nonpartisan primaries conducted by mail ballot.

Sec. RCW 29.36.122 and 1983 1st ex.s. c 71 s 2 are each amended to read as follows:

For any special election conducted by mail, the county auditor shall send a mail ballot with a return identification envelope to each registered voter of the district in which the special election is being conducted not sooner than the twenty-fifth day before the date of the election and not later than the fifteenth day before the date of the election. The envelope in which the ballot is mailed ~~((shall be clearly marked "Do Not Forward Return to Sender Return Postage Guaranteed."))~~ must clearly indicate that the ballot is not to be forwarded and is to be returned to the sender with return postage guaranteed.

Sec. RCW 29.36.126 and 1983 1st ex.s. c 71 s 4 are each amended to read as follows:

Upon receipt of the mail ballot, the voter shall mark it, sign the return identification envelope supplied with the ballot, and comply with the instructions provided with the ballot. The voter may return the marked ballot to the county auditor ~~((by United States mail or to any other place of deposit designated by the county auditor))~~. The ballot must be returned in the return identification envelope. If mailed, a ballot must be postmarked not later than the date of the election. Otherwise, the ballot must

be deposited at the office of the county auditor or the designated place of deposit not later than 8:00 p.m. on the date of the election.

All mail ballots authorized by RCW 29.36.120 or section 2 of this act shall contain the same offices, names of candidates, and propositions to be voted upon, including precinct offices, as if the ballot had been voted in person at the polling place. Except as otherwise provided in ~~((RCW 29.36.120 and 29.36.122 through 29.36.126 and 29.36.139, such))~~ this chapter, mail ballots shall be issued and canvassed in the same manner as absentee ballots issued pursuant to the request of the voter. The county canvassing board, at the request of the county auditor, may direct that mail ballots be counted on the day of the election. If such count is made, it must be done in secrecy in the presence of ~~((at least three election officials))~~ the canvassing board or their authorized representatives and the results not revealed to any unauthorized person until ~~((the polls have closed))~~ 8:00 p.m. or later if the auditor so directs. If electronic vote tallying devices are used, political party observers shall be afforded the opportunity to be present, and a test of the equipment must be performed as required by RCW 29.33.350 prior to the count of ballots. Political party observers ~~((shall be allowed to count by hand ballots from up to ten precincts selected by the observers))~~ may select at random ballots to be counted manually as provided by RCW 29.54.025. Any violation of the secrecy of such count shall be subject to the same penalties as provided for in RCW 29.85.225.

Sec. RCW 29.36.139 and 1983 1st ex.s. c 71 s 6 are each amended to read as follows:

(1) A mail ballot shall be counted only if it is returned in the return identification envelope, if the envelope is signed by the registered voter to whom the ballot is issued, and if the signature is verified as provided in this subsection. The county auditor shall verify the signature of each voter on the return identification envelope with the signature on the voter's registration record. ~~((If the county auditor determines that a registered voter to whom a replacement ballot has been issued has voted more than once, the county auditor shall not count any ballot cast by that voter. The county auditor must notify both the county prosecuting attorney and the state attorney general of every instance in which a voter has voted more than once.))~~ A person who votes or attempts to vote more than once in a mail ballot election is subject to the penalties provided in chapter 29.85 RCW.

(2) Any mail ballot may be challenged in the same manner as an absentee ballot.

Sec. RCW 29.36.150 and 1987 c 346 s 19 are each amended to read as follows:

The secretary of state shall adopt rules ~~((not inconsistent with the provisions of this chapter))~~ to:

Sec. RCW 29.10.180 and 1991 c 363 s 31 are each amended to read as follows:

(1) The county auditor may enter one or more contracts with the United States postal service, or its licensee, which permit the auditor to use postal service change-of-address information. If the auditor finds that information received under such a contract gives the appearance that a voter has changed his or her residence address, the auditor shall notify the voter concerning the requirements of state and federal laws governing voter registration and residence.

(2) Whenever any vote-by-mail ballot, notification to voters following reprecincting of the county, notification to voters of selection to serve on jury duty, notification under subsection (1) of this section, or initial voter identification card is returned by the postal service as undeliverable, the county auditor shall, in every instance, inquire into the validity of the registration of that voter.

(3) The county auditor shall initiate his or her inquiry by sending, by first-class mail, a written notice to the challenged voter at the address indicated on the voter's permanent registration record and to any other address at which the county auditor could reasonably expect mail to be received by the voter. The county auditor shall not request any restriction on the forwarding of such notice by the postal service. The notice shall contain the nature of the inquiry and provide a suitable form for reply. The notice shall also contain a warning that the county auditor must receive a response within ninety days from the date of mailing the notice of inquiry in a case resulting from a returned vote-by-mail ballot or forty-five days from the date of mailing in all other cases or the individual's voter registration will be canceled.

(4) The voter, in person or in writing, may state that the information on the permanent voter registration record is correct or may request a change in the address information on the permanent registration record no later than the ninetieth day or forty-fifth day, as appropriate, after the date of mailing the inquiry.

(5) Upon the timely receipt of a response signed by the voter, the county auditor shall consider the inquiry satisfied and will make any address corrections requested by the voter on the permanent registration record. The county auditor shall cancel the registration of a voter who fails to respond to the notice of inquiry within ninety days after the date of mailing the notice in a case resulting from a returned vote-by-mail ballot, or, in all other cases, within forty-five days after the date of mailing.

(6) The county auditor shall notify any voter whose registration has been canceled by sending, by first class mail, a written notice to the address indicated on the voter's permanent registration record and to any other address to which the original inquiry was sent. Upon receipt of a satisfactory voter response, the auditor shall reinstate the voter.

(7) A voter whose registration has been canceled under this section and who offers to vote at the next ensuing election shall be issued a questioned ballot. Upon receipt of such a questioned ballot the auditor shall investigate the circumstances surrounding the original cancellation. If he or she determines that the cancellation was in error, the voter's registration shall be immediately reinstated, and the voter's questioned ballot shall be counted. If the original cancellation was not in error, the voter shall be afforded the opportunity to reregister at his or her correct address, and the voter's questioned ballot shall not be counted.

NEW SECTION. Sec. A new section is added to chapter 10.64 RCW to read as follows:

Within fourteen days of the entry of a judgment of conviction of an individual for an infamous crime, the clerk of the court shall send a notice of the conviction including the full name of the defendant and his or her residential address to the county auditor or custodian of voting records in the county of the defendant's residence.

POINT OF ORDER

Representative Anderson: Mr. Speaker, I would like a ruling on scope and object of the amendment to House Bill No. 1644.

SPEAKER'S RULING

Representative Anderson has raised a point of order to the scope and object of the Senate amendment to House Bill No. 1644.

In ruling on the point of order, the Speaker finds that House Bill No. 1644 is a measure which relates solely to voting by mail.

The Senate amendment includes a provision relating to canceling the voter registration of certain convicted felons.

The Speaker therefore finds that the Senate amendment does change the scope and object of the bill and the point of order is well taken.

MOTION

Representative Anderson moved that the House do not concur in the Senate amendment to House Bill No. 1644 and ask the Senate to recede therefrom. The motion was carried.

SENATE AMENDMENTS TO HOUSE BILL

April 16, 1993

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1648 with the following amendment:

On page 2, after line 21, insert the following:

"Sec. RCW 29.13.047 and 1985 c 45 s 2 are each amended to read as follows:

(1) Whenever state officers or measures are voted upon at a state primary or general election held in an odd-numbered year under RCW 29.13.010, the state of Washington shall assume a prorated share of the costs of that state primary or general election.

(2) Whenever a primary or vacancy election is held to fill a vacancy in the position of United States senator or United States representative under chapter 29.68 RCW, the state of Washington shall assume a prorated share of the costs of that primary or vacancy election.

(3) Whenever a presidential preference primary election is held under chapter 29.19 RCW, the state of Washington shall assume all costs of holding the election if it is held alone. If any other election or elections are held at the same time, the state is liable only for its prorated share.

(4) The county auditor shall apportion the state's share of these expenses when prorating election costs under RCW 29.13.045 and shall file such expense claims with the secretary of state.

~~((4))~~ (5) The secretary of state shall include in his or her biennial budget requests sufficient funds to carry out this section. Reimbursements for election costs shall be from appropriations specifically provided by law for that purpose.

Sec. RCW 29.19.050 and 1989 c 4 s 5 are each amended to read as follows:

Insofar as is practicable, and where the provisions of this chapter do not specifically indicate otherwise, the presidential preference primary shall be conducted in the same manner as a state partisan primary, including the certification of the election returns by the secretary of state. The requirement of rotation of names on the ballot does not apply to the candidates listed on the presidential preference primary ballot. County auditors may combine and consolidate two or more precincts for the purpose of conducting the presidential preference primary only if precinct vote totals for the primary can still be made available and the consolidation does not require a voter to go to a location different from that of the last regular election.

Each person desiring to vote in the presidential preference primary shall ~~((receive a ballot request form on which the voter shall sign his or her name and address and declare))~~ orally request the ballot for the party primary in which he or she wishes to participate. No record may be made of which party's ballot a voter receives and no voter may receive more than one ballot.

~~((The secretary shall prescribe rules for providing each party central committee a list of the voters who participated in the presidential primary of that party.~~

~~The signed ballot request forms shall be maintained in the centralized containers by the county auditor for a period of time as specified by rule of the secretary of state, after which time they shall be destroyed, unless otherwise directed by federal law.)~~

At a presidential preference primary, a voter may cast no more than one vote on a ballot. Any presidential preference primary ballot with more than one vote is void, and notice to this effect, couched in clear, simple language, and printed in large type, shall appear on the face of each presidential preference primary ballot. Where voting machines or electronic voting devices are in use, the notice shall be displayed on or about each machine or device."

On page 1, line 1 of the title, after "29.07.160" insert ", 29.13.047, and 29.19.050" and the same are herewith transmitted.

Brad Hendrickson, Deputy Secretary

SPEAKER'S RULING

Representative Anderson has raised a point of order to the scope and object of the Senate amendment to House Bill No. 1648.

In ruling on the point of order, the Speaker finds that House Bill No. 1648 is a measure which relates to voter registration periods.

The Senate amendment relates to the costs and procedures of presidential preference primary elections.

The Speaker therefore finds that the Senate amendment does change the scope and object of the bill and the point of order is well taken.

SENATE AMENDMENTS TO HOUSE BILL

April 16, 1993

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1372, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. The legislature finds that many of the systems currently in place for assuring accountability in state government programs are not operated comprehensively, do not take advantage of modern management techniques, and do not contribute adequately to the optimum use of scarce resources. Critical variables that are not always taken into account include whether stated goals and objectives are being achieved, and whether desired results are being accomplished.

Agency executives need more accurate information for setting policy, determining whether new or existing programs are effective, and improving internal controls for agency management. These needs must be met at all levels of operation, and must be clearly communicated to the legislature and all interested parties.

Ensuring accountability in government involves a long-term commitment to policy planning, quality management, and results-oriented evaluation. It is the intent of this act to facilitate program evaluations and performance audits of selected state agencies and programs through the coordinated resources of the executive and legislative branches of state government.

The estimates for the legislature and the judiciary shall be transmitted to the governor and shall be included in the budget without revision. The estimates for state pension contributions shall be based on the rates provided in chapter 41.45 RCW. Copies of all such estimates shall be transmitted to the standing committees on ways and means of the house and senate at the same time as they are filed with the governor and the office of financial management.

Sec. RCW 43.88.160 and 1992 c 118 s 8 are each amended to read as follows:

This section sets forth the major fiscal duties and responsibilities of officers and agencies of the executive branch. The regulations issued by the governor pursuant to this chapter shall provide for a comprehensive, orderly basis for fiscal management and control, including efficient accounting and reporting therefor, for the executive branch of the state government and may include, in addition, such requirements as will generally promote more efficient public management in the state.

(1) Governor; director of financial management. The governor, through the director of financial management, shall devise and supervise a modern and complete accounting system for each agency to the end that all revenues, expenditures, receipts, disbursements, resources, and obligations of the state shall be properly and systematically accounted for. The

accounting system shall include the development of accurate, timely records and reports of all financial affairs of the state. The system shall also provide for central accounts in the office of financial management at the level of detail deemed necessary by the director to perform central financial management. The director of financial management shall adopt and periodically update an accounting procedures manual. Any agency maintaining its own accounting and reporting system shall comply with the updated accounting procedures manual and the rules of the director adopted under this chapter. An agency may receive a waiver from complying with this requirement if the waiver is approved by the director. Waivers expire at the end of the fiscal biennium for which they are granted. The director shall forward notice of waivers granted to the appropriate legislative fiscal committees. The director of financial management may require such financial, statistical, and other reports as the director deems necessary from all agencies covering any period.

(2) The director of financial management is responsible for quarterly reporting of primary operating budget drivers such as applicable workloads, caseload estimates, and appropriate unit cost data. These reports shall be transmitted to the legislative fiscal committees or by electronic means to the legislative evaluation and accountability program committee. Quarterly reports shall include actual monthly data and the variance between actual and estimated data to date. The reports shall also include estimates of these items for the remainder of the budget period.

(3) The director of financial management shall report at least annually to the appropriate legislative committees regarding the status of all appropriated capital projects, including transportation projects, showing significant cost overruns or underruns. If funds are shifted from one project to another, the office of financial management shall also reflect this in the annual variance report. Once a project is complete, the report shall provide a final summary showing estimated start and completion dates of each project phase compared to actual dates, estimated costs of each project phase compared to actual costs, and whether or not there are any outstanding liabilities or unsettled claims at the time of completion.

(4) In addition, the director of financial management, as agent of the governor, shall:

(a) Develop and maintain a system of internal controls and internal audits comprising methods and procedures to be adopted by each agency which will safeguard its assets, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies for accounting and financial controls. The system developed by the director shall include criteria for determining the scope and comprehensiveness of internal controls required by classes of agencies, depending on the level of resources at risk.

Each agency head or authorized designee shall be assigned the responsibility and authority for establishing and maintaining internal controls following the standards of internal auditing of the institute of internal auditors;

The director shall advise and confer with agencies including appropriate standing committees of the legislature as may be designated by the speaker of the house and the president of the senate regarding the fiscal impact of such plans and may amend or alter said plans, except that for the following agencies no amendment or alteration of said plans may be made without the approval of the agency concerned: Agencies headed by elective officials;

(c) Make a report to the legislature which shall include at least the following:

(i) Determinations as to the extent to which agencies in making expenditures have complied with the will of the legislature and in this connection, may take exception to specific expenditures or financial practices of any agencies; and

(ii) Such plans as it deems expedient for the support of the state's credit, for lessening expenditures, for promoting frugality and economy in agency affairs and generally for an improved level of fiscal management.

NEW SECTION. Sec. A new section is added to chapter 44.28 RCW to read as follows:

(1) In conducting program evaluations as defined in RCW 43.88.020, the legislative budget committee shall establish a biennial work plan that identifies state agency programs for which formal evaluation appears necessary. Among the factors to be considered in preparing the work plan are:

(a) Whether a program newly created or significantly altered by the legislature warrants continued oversight because (i) the fiscal impact of the program is significant, or (ii) the program represents a relatively high degree of risk in terms of reaching the stated goals and objectives for that program;

(b) Whether implementation of an existing program has failed to meet its goals and objectives by any significant degree.

(2) The project description for each program evaluation shall include start and completion dates, the proposed research approach, and cost estimates.

(3) The overall plan may include proposals to employ contract evaluators. As conditions warrant, the program evaluation work plan may be amended from time to time. All biennial work plans shall be transmitted to the appropriate fiscal and policy committees of the senate and the house of representatives.

Sec. RCW 44.28.085 and 1975 1st ex.s. c 293 s 15 are each amended to read as follows:

The legislative budget committee may also make management surveys and program reviews of local school districts, intermediate school districts, and other units of local government receiving state funds as grants-in-aid or as shared revenues. Management surveys for the purposes of this section shall be an independent examination for the purpose of providing the legislature with an evaluation and report of the manner in which any public agency, officer, administrator, or employee has discharged the responsibility to faithfully, efficiently, and effectively administer any legislative purpose of the state. Program reviews for the purpose of this section shall be an examination of state or local government programs to ascertain whether or not such programs continue to serve their intended purposes, are conducted in an efficient and effective manner, or require modification or elimination: PROVIDED, That nothing in this section shall limit the power or duty of the state auditor to report to the legislature as directed by ~~((subsection (3) of))~~ RCW 43.88.160 ~~((as now or hereafter amended. The authority in this section conferred excludes a like authority in the state auditor)).~~

The legislative budget committee shall receive a copy of each report of examination issued by the state auditor under RCW 43.09.310, shall review all such reports, and shall make such recommendations to the legislature and to the state auditor as it deems appropriate."

This requirement also applies to purchases and contracts for purchases and sales executed by agencies, including educational institutions, under delegated authority granted in accordance with provisions of RCW 43.19.190 (~~as now or hereafter amended~~) or under section 101 of this act. However, formal sealed bidding is not necessary for:

Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry. A record of competition for all such purchases from four hundred dollars to five thousand dollars, or subsequent limits as calculated by the office of financial management, shall be documented for audit purposes on a standard state form approved by the forms management center under the provisions of RCW 43.19.510. Purchases up to four hundred dollars may be made without competitive bids based on buyer experience and knowledge of the market in achieving maximum quality at minimum cost: PROVIDED, That this four hundred dollar direct buy limit without competitive bids may be increased incrementally as required to a maximum of eight hundred dollars with the approval of at least ten of the members of the state supply management advisory board, if warranted by increases in purchasing costs due to inflationary trends;

(3) Purchases which are clearly and legitimately limited to a single source of supply and purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by direct negotiation;

(4) Purchases of insurance and bonds by the risk management office under RCW 43.19.1935 (~~as now or hereafter amended~~);

(5) Purchases and contracts for vocational rehabilitation clients of the department of social and health services: PROVIDED, That this exemption is effective only when the state purchasing and material control director, after consultation with the director of the division of vocational rehabilitation and appropriate department of social and health services procurement personnel, declares that such purchases may be best executed through direct negotiation with one or more suppliers in order to expeditiously meet the special needs of the state's vocational rehabilitation clients;

(6) Purchases by universities for hospital operation or biomedical teaching or research purposes and by the state purchasing and material control director, as the agent for state hospitals as defined in RCW 72.23.010, and for health care programs provided in state correctional institutions as defined in RCW 72.65.010(3) and veterans' institutions as defined in RCW 72.36.010 and 72.36.070, made by participating in contracts for materials, supplies, and equipment entered into by nonprofit cooperative hospital (service) group purchasing organizations (~~as defined in section 501(e) of the Internal Revenue Code, or its successor~~);

(7) Purchases by institutions of higher education not exceeding fifteen thousand dollars (~~that are funded by research grant or contract funds, or other nonstate appropriated funds~~): PROVIDED, That for purchases between two thousand five hundred dollars and fifteen thousand dollars quotations shall be secured from enough vendors to assure establishment of a competitive price and may be obtained by telephone or written quotations, or both. A record of competition for all such purchases made from two thousand five hundred to fifteen thousand dollars shall be documented for audit purposes (~~on a standard state form approved by the forms management center under provisions of RCW 43.19.510~~); and

(8) Beginning on July 1, (~~1989~~) 1995, and on July 1 of each succeeding odd-numbered year, the (~~five thousand~~) dollar limits specified in (~~subsection (2) of~~) this section shall be adjusted as follows: The office of financial management shall calculate such limits by adjusting the previous biennium's limits by the appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. This section shall not apply to the printing of the supreme court and the court of appeals reports, ~~((or))~~ to the printing of bond certificates or bond offering disclosure documents, or to any printing done or contracted for by institutions of higher education: PROVIDED, That institutions of higher education, in consultation with the public printer, develop vendor selection procedures comparable to those used by the public printer for contracted printing jobs. Where any institution or institution of higher learning of the state is or may become equipped with facilities for doing such work, it may do any printing: (1) For itself, or (2) for any other state institution when such printing is done as part of a course of study relative to the profession of printer. Any printing and binding of whatever description as may be needed by any ~~((institution of higher learning,))~~ institution or agency of the state department of social and health services not at Olympia, or the supreme court or the court of appeals or any officer thereof, the estimated cost of which shall not exceed one thousand dollars, may be done by any private printing company in the general vicinity within the state of Washington so ordering, if in the judgment of the officer of the agency so ordering, the saving in time and processing justifies the award to such local private printing concern. ~~((Further, where any printing or binding needed by an institution of higher education is to be paid for from research grant or contract funds, short course revenues, or other nonstate appropriated funding source, such printing or binding may be done by any private printing company in the state of Washington, irrespective of the dollar limit specified in this section, when in the judgment of the officer of the institution so ordering, the saving in time or cost justifies the award to such local private printing concern.))~~

Beginning on July 1, 1989, and on July 1 of each succeeding odd-numbered year, the dollar limit specified in this section shall be adjusted as follows: The office of financial management shall calculate such limit by adjusting the previous biennium's limit by an appropriate federal inflationary index reflecting the rate of inflation for the previous biennium. Such amounts shall be rounded to the nearest fifty dollars.

The roster shall be composed of all responsible contractors who have requested to be on the list. Each board shall establish a procedure for securing telephone or written quotations from the contractors on the small works roster to assure establishment of a competitive price and for awarding contracts to the lowest responsible bidder. This procedure shall require either that a good faith effort be made to request quotations from all contractors on the small works roster who have indicated the capability of performing the kind of public works being contracted or that the board shall solicit quotations from at least five contractors in a manner that will equitably distribute the opportunity among contractors on the roster. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection and available by telephone inquiry. Each board may adopt a procedure to prequalify contractors for inclusion on the small works roster. No board may be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the prequalification procedure.

The small works roster shall be revised at least once each year by publishing notice of such opportunity in at least one newspaper of general circulation in the state. Responsible contractors shall be added to the list at any time they submit a written request.

Sec. RCW 39.04.020 and 1986 c 282 s 2 are each amended to read as follows:

Whenever the state(¿) or any municipality shall determine that any public work is necessary to be done, it shall cause plans, specifications, or both thereof and an estimate of the cost of such work to be made and filed in the office of the director, supervisor, commissioner, trustee, board, or agency having by law the authority to require such work to be done. The plans, specifications, and estimates of cost shall be approved by the director, supervisor, commissioner, trustee, board, or agency and the original draft or a certified copy filed in such office before further action is taken.

If the state(¿) or such municipality shall determine that it is necessary or advisable that such work shall be executed by any means or method other than by contract or by a small works roster process, and it shall appear by such estimate that the probable cost of executing such work will exceed the sum of fifteen thousand dollars or the amounts specified in RCW 28B.10.350 or 28B.10.355 for colleges and universities, or the amounts specified in RCW 28B.50.330 or 39.04.150 for community colleges and technical colleges, then the state or such municipality shall at least fifteen days before beginning work cause such estimate, together with a description of the work, to be published at least once in a legal newspaper of general

circulation published in or as near as possible to that part of the county in which such work is to be done: PROVIDED, That when any emergency shall require the immediate execution of such public work, upon a finding of the existence of such emergency by the authority having power to direct such public work to be done and duly entered of record, publication of description and estimate may be made within seven days after the commencement of the work.

Sec. RCW 39.04.150 and 1988 c 36 s 12 are each amended to read as follows:

(1) As used in this section, "agency" means the department of general administration, the department of fisheries, the department of wildlife, and the state parks and recreation commission.

(2) In addition to any other power or authority that an agency may have, each agency, alone or in concert, may establish a small works roster consisting of all qualified contractors who have requested to be included on the roster.

(3) The small works roster may make distinctions between contractors based on the geographic areas served and the nature of the work the contractor is qualified to perform. At least once every year, the agency shall advertise in a newspaper of general circulation the existence of the small works roster and shall add to the roster those contractors who request to be included on the roster.

(4) Construction, repair, or alteration projects estimated to cost less than fifty thousand dollars, or less than one hundred thousand dollars for projects managed by the department of general administration for community colleges and technical colleges, as defined under chapter 28B.50 RCW, are exempt from the requirement that the contracts be awarded after advertisement and competitive bid as defined by RCW 39.04.010. In lieu of advertisement and competitive bid, the agency shall solicit at least five quotations, confirmed in writing, from contractors chosen by random number generated by computer from the contractors on the small works roster for the category of job type involved and shall award the work to the party with the lowest quotation or reject all quotations. If the agency is unable to solicit quotations from five qualified contractors on the small works roster for a particular project, then the project shall be advertised and competitively bid. The agency shall solicit quotations randomly from contractors on the small works roster in a manner which will equitably distribute the opportunity for these contracts among contractors on the roster: PROVIDED, That whenever possible, the agency shall invite at least one proposal from a minority contractor who shall otherwise qualify to perform such work. Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone request.

(5) The breaking down of any public work or improvement into units or accomplishing any public work or improvement by phases for the purpose of avoiding the minimum dollar amount for bidding is contrary to public policy and is prohibited.

(6) The director of general administration shall adopt by rule a procedure to prequalify contractors for inclusion on the small works roster. Each agency shall follow the procedure adopted by the director of general administration. No agency shall be required to make available for public inspection or copying under chapter 42.17 RCW financial information required to be provided by the prequalification procedure.

(7) An agency may adopt by rule procedures to implement this section which shall not be inconsistent with the procedures adopted by the director of the department of general administration pursuant to subsection (6) of this section.

For the purposes of this section, the public employer of district court or superior court employees for wage-related matters is the respective county legislative authority, or person or body acting on behalf of the legislative authority, and the public employer for nonwage-related matters is the judge or judge's designee of the respective district court or superior court.

(2) "Public employee" means any employee of a public employer except any person (a) elected by popular vote, or (b) appointed to office pursuant to statute, ordinance or resolution for a specified term of office by the executive head or body of the public employer, or (c) whose duties as deputy, administrative assistant or secretary necessarily imply a confidential relationship to the executive head or body of the applicable bargaining unit, or any person elected by popular vote or appointed to office pursuant to statute, ordinance or resolution for a specified term of office by the executive head or body of the public employer, or (d) who is a personal assistant to a district court judge, superior court judge, or court commissioner. For the purpose of (d) of this subsection, no more than one assistant for each judge or commissioner may be excluded from a bargaining unit.

(3) "Bargaining representative" means any lawful organization which has as one of its primary purposes the representation of employees in their employment relations with employers.

(4) "Collective bargaining" means the performance of the mutual obligations of the public employer and the exclusive bargaining representative to meet at reasonable times, to confer and negotiate in good faith, and to execute a written agreement with respect to grievance procedures and collective negotiations on personnel matters, including wages, hours and working conditions, which may be peculiar to an appropriate bargaining unit of such public employer, except that by such obligation neither party shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter. In the case of the Washington state patrol, "collective bargaining" shall not include wages and wage-related matters.

(5) "Commission" means the public employment relations commission.

(6) "Executive director" means the executive director of the commission.

(3) If the director is not able to bring the parties to agreement by mediation within a reasonable time, (~~he~~) the director shall seek to induce the parties to voluntarily seek other means of settling the dispute without resort to strike or other coercion, including submission to the employees in the bargaining unit of the employer's last offer of settlement for approval or rejection in a secret ballot. The failure or refusal of either party to agree to any procedure suggested by the director shall not be deemed a violation of any duty or obligation imposed by this chapter.

(4) Final adjustment by a method agreed upon by the parties is declared to be the desirable method for settlement of grievance disputes arising over the application or interpretation of an existing collective bargaining agreement. The commission is directed to make its mediation and fact-finding services available in the settlement of such grievance disputes only as a last resort.

NEW SECTION. Sec. A new section is added to chapter 41.56 RCW to read as follows:

The parties shall provide the notice to the higher education personnel board or its successor and the commission;

(b) During the negotiation of an initial contract between the parties under this chapter, the parties' scope of bargaining shall be governed by this chapter and any disputes arising out of the collective bargaining rights and obligations under this subsection shall be determined by the commission. If the commission finds that the parties are at impasse, the notice filed under (a) of this subsection shall be void and have no effect; and

(c) On the first day of the month following the month during which the institution of higher education and the exclusive bargaining representative provide notice to the higher education personnel board or its successor and the commission that they have executed an initial collective bargaining agreement recognizing the notice of intent filed under (a) of this subsection, chapter 28B.16 or 41.06 RCW as appropriate shall cease to apply to all employees in the bargaining unit covered by the agreement.

(c) Salary increases negotiated for the employees in the bargaining unit shall be subject to the following:

(i) Salary increases shall continue to be appropriated by the legislature. The exclusive bargaining representative shall meet before a legislative session with the governor or governor's designee and the representative of the institution of higher education concerning the total dollar amount for salary increases and health care contributions that will be contained in the appropriations proposed by the governor under RCW 43.88.060;

(iii) Any provisions of the collective bargaining agreements pertaining to salary increases provided under (c)(i) of this subsection shall be subject to modification by the legislature. If any provision of a salary increase provided under (c)(i) of this subsection is changed by subsequent modification of the appropriations act by the legislature, both parties shall immediately enter into collective bargaining for the sole purpose of arriving at a mutually agreed upon replacement for the modified provision.

(3) Nothing in this section may be construed to permit an institution of higher education to bargain collectively with an exclusive bargaining representative concerning any matter covered by: (a) Chapter 41.05 RCW, except for the related cost or dollar contributions or additional or supplemental benefits as permitted by chapter (Engrossed Second Substitute Senate Bill No. 5304), Laws of 1993; or (b) chapter 41.32 or 41.40 RCW.

(5) The governing board of each institution, and related boards, may also exempt from this chapter, subject to the employees right of appeal to the higher education personnel board, classifications involving research activities, counseling of students, extension or continuing education activities, graphic arts or publications activities requiring prescribed academic preparation or special training, ~~((and principal assistants to executive heads of major administrative or academic divisions,))~~ as determined by the higher education personnel board: PROVIDED, That no nonacademic employee engaged in office, clerical, maintenance, or food and trade services may be exempted by the higher education personnel board under this provision.

Any classified employee having civil service status in a classified position who accepts an appointment in an exempt position shall have the right of reversion to the highest class of position previously held, or to a position of similar nature and salary.

A person occupying an exempt position who is terminated from the position for gross misconduct or malfeasance does not have the right of reversion to a classified position as provided for in this section.

Sec. RCW 28B.16.200 and 1979 c 151 s 18 are each amended to read as follows:

(1) There is hereby created a fund within the state treasury, designated as the "higher education personnel board service fund," to be used by the board as a revolving fund for the payment of salaries, wages, and operations required for the administration of the provisions of this chapter, the budget for which shall be subject to review and approval and appropriation by the legislature. Subject to the above limitations, such amount shall be charged against the allotments pro rata, at a rate to be fixed by the director of financial management from time to time, which will provide the board with funds to meet its anticipated expenditures during the allotment period.

(2) If employees cease to be classified under this chapter pursuant to an agreement authorized by section 304 of this act, each institution of higher education and the state board for community and technical colleges shall continue, for six months after the effective date of the agreement, to make contributions to the higher education personnel board service fund based on employee salaries and wages that includes the employees under the agreement. At the expiration of the six-month period, the director of financial management shall make across-the-board reductions in allotments of the higher education personnel board service fund for the remainder of the biennium so that the charge to the institutions of higher education and state board based on the salaries and wages of the remaining employees classified under this chapter does not increase during the biennium, unless an increase is authorized by the legislature. The director of financial management shall report the amount and impact of any across-the-board reductions made under this section to the appropriations committee of the house of representatives and the ways and means committee of the senate, or appropriate successor committees, within thirty days of making the reductions.

(3) Moneys from the higher education personnel board service fund shall be disbursed by the state treasurer by warrants on vouchers duly authorized by the board.

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1931 with the following amendment:

Strike everything after the enacting clause and insert the following:

"**Sec.** RCW 47.60.120 and 1984 c 7 s 307 are each amended to read as follows:

(1) If the department acquires or constructs, maintains, and operates any ferry crossings upon or toll bridges over Puget Sound or any of its tributary or connecting waters, there shall not be constructed, operated, or maintained any other ferry crossing upon or bridge over any such waters within ten miles of any such crossing or bridge operated or maintained by the department excepting such bridges or ferry crossings in existence, and being operated and maintained under a lawfully issued franchise at the time of the location of the ferry crossing or construction of the toll bridge by the department.

(2) The Washington utilities and transportation commission may, upon written petition of a commercial ferry operator certificated or applying for certification under chapter 81.84 RCW, and upon notice and hearing, grant a waiver from the ten-mile restriction. The waiver must not be detrimental to the public interest. In making a decision to waive the ten-mile restriction, the commission shall consider, but is not limited to, the impact of the waiver on transportation congestion mitigation, air quality improvement, and the overall impact on the Washington state ferry system. The commission shall act upon a request for a waiver within ninety days after the conclusion of the hearing. A waiver is effective for a period of five years from the date of issuance. At the end of five years the waiver becomes permanent unless appealed within thirty days by the commission on its own motion, the department, or an interested party.

(3) The department shall not maintain and operate any ferry crossing or toll bridge over Puget Sound or any of its tributary or connecting waters that would infringe upon any franchise lawfully issued by the state and in existence (~~and being exercised~~) at the time of the location of the ferry crossing or toll bridge by the department, without first acquiring the rights granted to such franchise holder under the franchise.

~~((While any revenue bonds issued by the department under the provisions of this chapter are outstanding no additional bonds may be issued for the purposes of acquiring, constructing, operating, or maintaining any ferries or toll bridges within the aforesaid ten mile distance by the department unless the revenues of any such additional ferries or toll bridges are pledged to the bonds then outstanding to the extent provided by the resolution authorizing the issue of the outstanding bonds. The provisions of this section are binding upon the state, and all of its departments, agencies, and instrumentalities, as well as any and all private, political, municipal, and public corporations and subdivisions, including cities, towns, counties, and other political subdivisions, and the prohibitions of this section shall restrict and limit the powers of the legislature of the state in respect to the matters herein mentioned so long as any of such bonds are outstanding and unpaid and shall be deemed to constitute a contract to that effect for the benefit of the holders of all such bonds.))~~

NEW SECTION. Sec. A new section is added to chapter 47.60 RCW to read as follows:

The ten-mile distance in RCW 47.60.120 means ten statute miles measured by airline distance. The ten-mile restriction shall be applied by comparing the two end points (termini) of a state ferry crossing to those of a private ferry crossing.

Sec. RCW 81.84.010 and 1961 c 14 s 81.84.010 are each amended to read as follows:

(1) No (~~steamboat company shall~~) commercial ferry may hereafter operate any vessel or ferry for the public use for hire between fixed termini or over a regular route upon the waters within this state, including the rivers and lakes and Puget Sound, without first applying for and obtaining from the commission a certificate declaring that public convenience and necessity require such operation. Service authorized by certificates issued before or after the effective date of this act to a commercial ferry operator shall be exercised by the operator in a manner consistent with the conditions established in the certificate or tariffs: PROVIDED, That no certificate shall be required for a vessel primarily engaged in transporting freight other than vehicles, whose gross earnings from the transportation of passengers and/or vehicles, are not more than ten percent of the total gross annual earnings of such vessel: PROVIDED, That nothing herein shall be construed to affect the right of any county public transportation benefit area or other public agency within this state to construct, condemn, purchase, operate, or maintain, itself or by contract, agreement, or lease, with any person, firm, or corporation, ferries or boats across or wharfs at or upon the waters within this state, including rivers and lakes and Puget Sound, provided such operation is not over the same route or between the same districts, (~~being served~~) held by a certificate carrier without first acquiring the rights granted to such certificate holder under the certificate, nor shall this chapter be construed to affect, amend, or invalidate any contract entered into prior to January 15, 1927, for the operation of ferries or boats upon the waters within this state, which was entered into in good faith by any county with any person, firm, or corporation, except that in case of the operation or maintenance by any county, city, town, port district, or other political subdivision by contract, agreement, or lease with any person, firm, or corporation, of ferries or boats across or wharfs at or upon the waters within this state, including rivers and lakes and Puget Sound, the commission shall have power and authority to regulate rates and services of such operation or maintenance of ferries, boats, or wharfs, to make, fix, alter, or amend said rates, and to regulate service and safety of operations thereof, in the manner and to the same extent as it is empowered to regulate a (~~steamboat company~~) commercial ferry, notwithstanding the provisions of any act or parts of acts inconsistent herewith.

(2) The holder of a certificate of public convenience and necessity granted under this chapter must initiate service within five years of obtaining the certificate. The certificate holder shall report to the commission every six months after the certificate is granted on the progress of the certificated route. The reports shall include, but not be limited to, the progress of environmental impact, parking, local government land use, docking, and financing considerations. However, if service has not been initiated within five years of obtaining the certificate, the commission may extend the certificate on a twelve-month basis for up to three years if the six-month progress reports indicate there is significant advancement toward initiating service.

(3) The commission shall review certificates in existence as of the effective date of this act, where service is not being provided on all or any portion of the route or routes certificated. Based on progress reports required under subsection (2) of this section, the commission may grant an extension beyond that provided in subsection (2) of this section. Such additional extension may not exceed a total of two years.

Sec. RCW 81.84.020 and 1961 c 14 s 81.84.020 are each amended to read as follows:

(1) Upon the filing of an application the commission shall give reasonable notice to the department, affected cities and counties, and any common carrier which might be adversely affected, of the time and place for hearing on such application. The commission shall have power after hearing, to issue the certificate as prayed for, or to refuse to issue it, or to issue it for the partial exercise only of the privilege sought, and may attach to the exercise of the rights granted by said certificate such terms and conditions as in its judgment the public convenience and necessity may require; but the commission shall not have power to grant a certificate to operate between districts and/or into any territory prohibited by RCW 47.60.120 or already served by an existing certificate holder, unless such existing certificate holder (~~shall fail and refuse~~) has failed or refused to furnish reasonable and adequate service or has failed to provide the service described in its certificate or tariffs after the time period allowed to initiate service has elapsed: PROVIDED, A certificate shall be granted when it shall appear to the satisfaction of the commission that (~~such steamboat company~~) the commercial ferry was actually operating in good faith over the route for which such certificate shall be sought, on January 15, 1927: PROVIDED, FURTHER, That in case two or more (~~steamboat companies~~) commercial ferries shall upon said date have been operating vessels upon the same route, or between the same districts the commission shall determine after public hearing whether one or more certificates shall issue, and in determining to whom a certificate or certificates shall be issued, the commission shall consider all material facts and circumstances including the prior operation, schedules, and services rendered by either of (~~said companies~~) the ferries, and in case more than one certificate shall issue, the commission shall fix and determine the schedules and services of the (~~companies to whom such~~) ferries to which the certificates are issued to the end that duplication of service be eliminated and public convenience be furthered.

(2) Before issuing a certificate, the commission shall determine that the applicant has the financial resources to operate the proposed service for at least twelve months, based upon the submission by the applicant of a pro forma financial statement of operations. Issuance of a certificate shall be determined upon, but not limited to, the following factors: Ridership and revenue forecasts; the cost of service for the proposed operation; an estimate of the cost of the assets to be used in providing the service; a statement of the total assets on hand of the applicant that will be expended on the proposed operation; and a statement of prior experience, if any, in such field by the applicant. The documentation required of the applicant under this section shall comply with the provisions of RCW 9A.72.085.

(3) Subsection (2) of this section does not apply to an application for a certificate that is pending as of the effective date of this act.

NEW SECTION. Sec. A new section is added to chapter 81.84 RCW to read as follows:

The commission, in granting a certificate to operate as a commercial ferry, shall require the operator to first obtain liability and property damage insurance from a company licensed to write liability insurance in the state or a surety bond of a company licensed to write surety bonds in the state, on each vessel or ferry to be used, in the amount of not less than one hundred thousand dollars for any recovery for personal injury by one person, and not less than one million dollars and in such additional amount as the commission shall determine, for all persons receiving personal injury and property damage by reason of one act of negligence, and not less than fifty thousand dollars for damage to property of any person other than the insured; or combined bodily injury and property damage liability insurance of not less than one million dollars, and to maintain such liability and property damage insurance or surety bond in force on each vessel or ferry while so used. Each policy for liability or property damage insurance or surety bond required by this section must be filed with the commission and kept in full force and effect, and failure to do so is cause for revocation of the operator's certificate.

Sec. RCW 81.84.030 and 1961 c 14 s 81.84.030 are each amended to read as follows:

No certificate or any right or privilege thereunder held, owned, or obtained under the provisions of this chapter shall be sold, assigned, leased, mortgaged, or in any manner transferred, either by the act of the parties or by operation of law, except upon authorization by the commission first obtained. ~~((The commission may at any time by its order duly entered after hearing had upon notice to the holder of any certificate hereunder and an opportunity to such holder to be heard, suspend, revoke, alter, or amend any certificate issued under the provisions of this chapter, if the holder thereof wilfully violates or fails to observe the provisions or conditions of the certificate, or the orders, rules or regulations of the commission, or the provisions of this title.))~~

Sec. RCW 81.84.050 and 1961 c 14 s 81.84.050 are each amended to read as follows:

Every ~~((steamboat company))~~ commercial ferry and every officer, agent, or employee of any ~~((steamboat company))~~ commercial ferry who violates or who procures, aids, or abets in the violation of any provision of this title, or any order, rule, regulation, or decision of the commission shall incur a penalty of one hundred dollars for every such violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation every day's continuance shall be and be deemed to be a separate and distinct violation. Every act of commission or omission which procures, aids, or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty herein provided for.

The penalty herein provided for shall become due and payable when the person incurring the same receives a notice in writing from the commission describing such violation with reasonable particularity and advising such person that the penalty is due.

The commission may, upon written application therefor, received within fifteen days, remit or mitigate any penalty provided for in this section or discontinue any prosecution to recover the same upon such terms as it in its discretion shall deem proper, and shall have authority to ascertain the facts upon all such applications in such manner and under such regulations as it may deem proper.

If the amount of such penalty is not paid to the commission within fifteen days after receipt of notice imposing the same or, if application for remission or mitigation has not been made, within fifteen days after the violator has received notice of the disposition of such application, the attorney general shall bring an action to recover the penalty in the name of the state of Washington in the superior court of Thurston county or of some other county in which such violator may do business. In all such actions the procedure and rules of evidence shall be the same as in ordinary civil actions except as otherwise herein provided. All penalties recovered by the state under this chapter shall be paid into the state treasury and credited to the public service revolving fund.

NEW SECTION. Sec. A new section is added to chapter 81.84 RCW to read as follows:

The commission, upon complaint by an interested party, or upon its own motion after notice and opportunity for hearing, may cancel, revoke, suspend, alter, or amend a certificate issued under this chapter on any of the following grounds:

(1) Failure of the certificate holder to initiate service by the conclusion of the fifth year after the certificate has been granted or by the conclusion of an extension granted under RCW 81.84.010 (2) or (3), if the commission has considered the progress report information required under RCW 81.84.010 (2) or (3);

(2) Failure of the certificate holder to file an annual report;

(3) The filing by a certificate holder of an annual report that shows no revenue in the previous twelve-month period after service has been initiated;

(4) The violation of any provision of this chapter;

(5) The violation of or failure to observe the provisions or conditions of the certificate or tariffs;

(6) The violation of an order, decision, rule, regulation, or requirement established by the commission under this chapter;

(7) Failure of a certificate holder to maintain the required insurance coverage in full force and effect; or

(8) Failure or refusal to furnish reasonable and adequate service after initiating service.

The commission shall take appropriate action within thirty days upon a complaint by an interested party or of its own finding that a provision of this section has been violated.

NEW SECTION. Sec. A new section is added to chapter 81.84 RCW to read as follows:

The commission may, with or without a hearing, issue temporary certificates to operate under this chapter, but only after it finds that the issuance of the temporary certificate is necessary due to an immediate and urgent need and is otherwise consistent with the public interest. The certificate may be issued for a period of up to one hundred eighty days. The commission may prescribe such special rules and impose special terms and conditions on the granting of the certificate as in its judgment are reasonable and necessary in carrying out this chapter. The commission shall collect a filing fee, not to exceed two hundred dollars, for each application for a temporary certificate. The program shall include the essential academic learning requirements under RCW 28A.630.885 and such other subjects and such activities as the school district shall determine to be appropriate for the education of the school district's students enrolled in such group;

(c) If the essential academic learning requirements include a foreign language requirement, the requirement may be met by students receiving instruction in one or more American Indian languages.

(2) Nothing contained in subsection (1) of this section shall be construed to require individual students to attend school for any particular number of hours per day or to take any particular courses.

(3) Each school district's kindergarten through twelfth grade basic educational program shall be accessible to all students who are five years of age, as provided by RCW 28A.225.160, and less than twenty-one years of age and shall consist of a minimum of one hundred eighty school days per school year in such grades as are conducted by a school district, and one hundred eighty half-days of instruction, or equivalent, in kindergarten: PROVIDED, That effective May 1, 1979, a school district may schedule the last five school days of the one hundred and eighty day school year for noninstructional purposes in the case of students who are graduating from high school, including, but not limited to, the observance of graduation and early

release from school upon the request of a student, and all such students may be claimed as a full time equivalent student to the extent they could otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260.

(4) The state board of education shall adopt rules to implement and ensure compliance with the program requirements imposed by this section, RCW 28A.150.250 and 28A.150.260, and such related supplemental program approval requirements as the state board may establish.

Sec. RCW 28A.230.090 and 1992 c 141 s 402 and 1992 c 60 s 1 are each reenacted and amended to read as follows:

(1) The state board of education shall establish high school graduation requirements or equivalencies for students. Any course in Washington state history and government used to fulfill high school graduation requirements is encouraged to include information on the culture, history, and government of the American Indian peoples who were the first inhabitants of the state.

(2) In recognition of the statutory authority of the state board of education to establish and enforce minimum high school graduation requirements, the state board shall periodically reevaluate the graduation requirements and shall report such findings to the legislature in a timely manner as determined by the state board.

(3) Pursuant to any foreign language requirement established by the state board of education or a local school district, or both, for purposes of high school graduation, students who receive instruction in American sign language or one or more American Indian languages shall be considered to have satisfied the state or local school district foreign language graduation requirement.

(4) If requested by the student and his or her family, a student who has completed high school courses before attending high school shall be given high school credit which shall be applied to fulfilling high school graduation requirements if:

(a) The course was taken with high school students, if the academic level of the course exceeds the requirements for seventh and eighth grade classes, and the student has successfully passed by completing the same course requirements and examinations as the high school students enrolled in the class; or

(b) The academic level of the course exceeds the requirements for seventh and eighth grade classes and the course would qualify for high school credit, because the course is similar or equivalent to a course offered at a high school in the district as determined by the school district board of directors.

(5) Students who have taken and successfully completed high school courses under the circumstances in subsection (4) of this section shall not be required to take an additional competency examination or perform any other additional assignment to receive credit. Subsection (4) of this section shall also apply to students enrolled in high school on April 11, 1990, who took the courses before attending high school.

Sec. RCW 28A.600.060 and 1991 c 116 s 22 are each amended to read as follows:

The recipients of the Washington state honors awards shall be selected based on student achievement in both verbal and quantitative areas, as measured by a test or tests of general achievement selected by the superintendent of public instruction, and shall include student performance in the academic core areas of English, mathematics, science, social studies, and foreign languages, which may be American Indian languages. The performance level in such academic core subjects shall be determined by grade point averages, numbers of credits earned, and courses enrolled in during the beginning of the senior year.

NEW SECTION. Sec. Section 2 of this act shall take effect September 1, 1998. However, section 2 of this act shall not take effect if, by September 1, 1998, a law is enacted stating that a school accountability and academic assessment system is not in place."

APPOINTMENT OF CONFEREES

The Speaker (Representative R. Meyers presiding) appointed Representatives Dorn, Jacobsen and Brough as conferees on Engrossed House Bill No. 1175.

SENATE AMENDMENTS TO HOUSE BILL

April 16, 1993

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1512 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. RCW 13.34.145 and 1989 1st ex.s. c 17 s 18 are each amended to read as follows:

(1) In all cases where a child has been placed in substitute care for at least fifteen months, the agency having custody of the child shall prepare a permanency ((planning)) plan and present it in a hearing ((shall be)) held before the court no later than eighteen months following commencement of the placement episode.

(2) At the permanency planning hearing, the court shall enter findings as required by RCW 13.34.130((4))(5). In addition the court shall: (a) Approve a ((permanent plan of care)) permanency plan which ((can)) shall include one of the following: Adoption, guardianship, ((or)) placement of the child in the home of the child's parent, relative placement with written permanency plan, or family foster care with written permanency agreement; (b) require filing of a petition for termination of parental rights; or (c) dismiss the dependency, unless the court finds, based on clear, cogent, and convincing evidence, that it is in the best interest of the child to continue the dependency beyond eighteen months, based on ((a permanent plan of care)) the permanency plan. Extensions may only be granted in increments of twelve months or less.

Sec. RCW 13.34.180 and 1990 c 246 s 7 are each amended to read as follows:

A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(7), and shall allege:

(1) That the child has been found to be a dependent child under RCW 13.34.030(2); and
(2) That the court has entered a dispositional order pursuant to RCW 13.34.130; and
(3) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under RCW 13.34.030(2); and
(4) That the services ordered under RCW 13.34.130 have been offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been offered or provided; and

(5) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(a) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts;

(b) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; or

(c) Severe abuse of a child under age thirteen inflicted by a parent, or by any person known by the parent, if the parent: (i) Knew or should have known that the person was abusing the child; (ii) did not intervene to protect the child; and (iii) was able to protect the child. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness; and

(6) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home; or

(7) In lieu of the allegations in subsections (1) through (6) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the state ensures that family reconciliation and other necessary services have been provided to the parent.

Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

A petition for termination of parental rights has been filed against you. You have important legal rights and you must take steps to protect your interests. This petition could result in permanent loss of your parental rights.

1. You have the right to a fact-finding hearing before a judge.

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of social and health services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will

appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure) .

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

You should be present at this hearing.

You may call (insert agency) for more information about your child. The agency's name and telephone number are (insert name and telephone number) ."

Sec. RCW 13.34.190 and 1992 c 145 s 15 are each amended to read as follows:

After hearings pursuant to RCW 13.34.110, the court may enter an order terminating all parental rights to a child if the court finds that:

(1) The allegations contained in the petition as provided in RCW 13.34.180 (1) through (6) are established by clear, cogent, and convincing evidence; or

(2) RCW 13.34.180 (3) and (4) may be waived because the allegations under RCW 13.34.180 (1), (2), (5), and (6) are established beyond a reasonable doubt; or

(3) The allegation under RCW 13.34.180(7) is established beyond a reasonable doubt. In determining whether RCW 13.34.180 (5) and (6) are established beyond a reasonable doubt, the court shall consider whether one or more of the ~~(following:~~

~~(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;~~

~~(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 or 9A.42.030;~~

~~(c) Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130;~~

~~(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;~~

~~(e) A finding by a court that a parent is a sexually violent predator as defined in RCW 71.09.020;~~

~~(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim)) aggravated circumstances listed in RCW 13.34.130(2) exist; and~~

(4) Such an order is in the best interests of the child.

Sec. RCW 13.34.232 and 1981 c 195 s 3 are each amended to read as follows:

If the court has made a finding under RCW 13.34.231, it shall enter an order establishing a guardianship for the child.

The order shall:

(1) Appoint a person or agency to serve as guardian;

(2) Specify the guardian's rights and responsibilities concerning the care, custody, and control of the child. A guardian shall not have the authority to consent to the child's adoption;

(3) Specify an appropriate frequency of visitation between the parent and the child; and

(4) Specify the need for any continued involvement of the supervising agency and the nature of that involvement, if any.

The order shall not affect the child's status as a dependent child, and the child shall remain dependent for the duration of the guardianship.

Sec. RCW 26.09.191 and 1989 c 375 s 11 and 1989 c 326 s 1 are each reenacted and amended to read as follows:

(1) The permanent parenting plan shall not require mutual decision-making or designation of a dispute resolution process other than court action if it is found that a parent has engaged in any of the following conduct: (a) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (b) physical, sexual, or a pattern of emotional abuse of a child; or (c) a history of acts of domestic violence as defined in RCW 26.50.010(1) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

(2)(a) If there is a conviction in a criminal action, or if a court in an action under this chapter finds by clear and convincing evidence, that a parent requesting residential time has sexually abused a child living in the parent's household at any time during the parent's life or any other child within the previous ten years, then there is a rebuttable presumption that the court shall not allow residential time to a parent and shall enter a permanent restraining order prohibiting the parent from contacting the child directly or indirectly.

(b) The presumption may be rebutted only after a finding that:

(i) The offending parent has successfully engaged in court-approved treatment for sexual offenders or is engaged in and making progress in such treatment and the treatment provider believes such contact is appropriate and poses minimal risk to the child;

(ii) If the child was sexually abused by the parent requesting residential time and if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest; and

(iii) An adequate plan for supervision of such residential time in accordance with the provisions of this chapter has been approved by the court.

(c) If the court finds that the presumption has been rebutted, the court may allow a parent who has been found to have sexually abused a child to have residential time with the child supervised by a neutral and independent adult. Unless the nonoffending parent approves the supervisor, the court shall make a finding that the proposed supervisor is neutral, independent, willing to supervise, and capable of intervening between the child and the parent if necessary. The court shall enter findings of fact regarding the qualifications of the appointed supervisor and shall notify the supervisor of the court's requirements regarding supervision. The court may immediately remove the supervisor from the supervisory role upon evidence being presented that the supervisor failed to supervise the residential time adequately.

(d) The parent's residential time with the child shall be limited if it is found that the parent has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; or (iii) a history of acts of domestic violence as defined in RCW 26.50.010(1) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

~~((b))~~ (e) The limitations imposed by the court shall be reasonably calculated to protect the child from physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting residential time. If the court expressly finds limitation on the residential time with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting residential time, the court shall restrain the parent requesting residential time from all contact with the child. If the parent requesting residential time is currently residing with another person who has a history of physical or sexual abuse of a child, whether that person is an adult or a juvenile, the court shall order that all residential time take place outside the presence of that person.

~~((a))~~ (f) Except as provided in (a), (b), and (c) of this subsection, if the court expressly finds that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of ~~((a) and (b))~~ (d) and (e) of this subsection, or if the court expressly finds the parent's conduct did not have an impact on the child, then the court need not apply the limitations of ~~((a) and (b))~~ (d) and (e) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court.

(3) A parent's involvement or conduct may have an adverse effect on the child's best interests, and the court may preclude or limit any provisions of the parenting plan, if any of the following factors exist:

(a) A parent's neglect or substantial nonperformance of parenting functions;

(b) A long-term emotional or physical impairment which interferes with the parent's performance of parenting functions as defined in RCW 26.09.004;

(c) A long-term impairment resulting from drug, alcohol, or other substance abuse that interferes with the performance of parenting functions;

(d) The absence or substantial impairment of emotional ties between the parent and the child;

(e) The abusive use of conflict by the parent which creates the danger of serious damage to the child's psychological development;

(f) A parent has withheld from the other parent access to the child for a protracted period without good cause; or

(g) Such other factors or conduct as the court expressly finds adverse to the best interests of the child.

(4) In entering a permanent parenting plan, the court shall not draw any presumptions from the provisions of the temporary parenting plan.

(5) In determining whether any of the conduct described in this section has occurred, the court shall apply the civil rules of evidence, proof, and procedure.

Sec. RCW 26.10.160 and 1989 c 326 s 2 are each amended to read as follows:

(1) A parent not granted custody of the child is entitled to reasonable visitation rights except as provided in subsection (2) of this section.

(2)(a) If there is a conviction in a criminal action, or if a court in an action under this chapter finds by clear and convincing evidence, that a parent requesting visitation has sexually abused a child living in the parent's household at any time during the parent's life or any other child within the previous ten years, then there is a rebuttable presumption that the court shall not allow visitation to a parent and shall enter a permanent restraining order prohibiting the parent from contacting the child directly or indirectly.

(b) The presumption may be rebutted only after a finding that:

(i) The offending parent has successfully engaged in court-approved treatment for sexual offenders or is engaged in and making progress in such treatment and the treatment provider believes such contact is appropriate and poses minimal risk to the child;

(ii) If the child was sexually abused by the parent requesting visitation and if the child is in or has been in therapy for victims of sexual abuse, the child's counselor believes such contact between the child and the offending parent is in the child's best interest; and

(iii) An adequate plan for supervision of such visitation in accordance with the provisions of this chapter has been approved by the court.

(c) If the court finds that the presumption has been rebutted, the court may allow a parent who has been found to have sexually abused a child to have visitation with the child supervised by a neutral and independent adult. Unless the nonoffending

parent approves the supervisor, the court must make a finding that the proposed supervisor is neutral, independent, willing to supervise, and capable of intervening between the child and the parent if necessary. The court shall enter findings of fact regarding the qualifications of the appointed supervisor and shall notify the supervisor of the court's requirements regarding supervision. The court may immediately remove the supervisor from the supervisory role upon evidence being presented that the supervisor failed to supervise the residential time adequately.

(d) Visitation with the child shall be limited if it is found that the parent seeking visitation has engaged in any of the following conduct: (i) Willful abandonment that continues for an extended period of time or substantial refusal to perform parenting functions; (ii) physical, sexual, or a pattern of emotional abuse of a child; or (iii) a history of acts of domestic violence as defined in RCW 26.50.010(1) or an assault or sexual assault which causes grievous bodily harm or the fear of such harm.

~~((b))~~ (e) The limitations imposed by the court shall be reasonably calculated to protect the child from the physical, sexual, or emotional abuse or harm that could result if the child has contact with the parent requesting visitation. If the court expressly finds limitations on visitation with the child will not adequately protect the child from the harm or abuse that could result if the child has contact with the parent requesting visitation, the court shall restrain the person seeking visitation from all contact with the child. If the parent requesting visitation is currently residing with another person who has a history of physical or sexual abuse of a child, whether that person is an adult or a juvenile, the court shall order that all visitation take place outside the presence of that person.

~~((c))~~ (f) Except as provided in (a), (b), and (c) of this subsection, if the court expressly finds that contact between the parent and the child will not cause physical, sexual, or emotional abuse or harm to the child and that the probability that the parent's harmful or abusive conduct will recur is so remote that it would not be in the child's best interests to apply the limitations of ~~((a) and (b))~~ (d) and (e) of this subsection, or if the court expressly finds the parent's conduct did not have an impact on the child, then the court need not apply the limitations of ~~((a) and (b))~~ (d) and (e) of this subsection. The weight given to the existence of a protection order issued under chapter 26.50 RCW as to domestic violence is within the discretion of the court.

(3) Any person may petition the court for visitation rights at any time including, but not limited to, custody proceedings. The court may order visitation rights for any person when visitation may serve the best interest of the child whether or not there has been any change of circumstances.

(4) The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child. Modification of a parent's visitation rights shall be subject to the requirements of subsection (2) of this section.

NEW SECTION. Sec. A new section is added to chapter 13.34 RCW to read as follows:

(1) The provisions of this section shall apply when a court orders a party to undergo an alcohol or substance abuse diagnostic investigation and evaluation.

(2) The facility conducting the investigation and evaluation shall make a written report to the court stating its findings and recommendations including family-based services or treatment when appropriate. If its findings and recommendations support treatment, it shall also recommend a treatment plan setting out:

- (a) Type of treatment;
- (b) Nature of treatment;
- (c) Length of treatment;
- (d) A treatment time schedule; and
- (e) Approximate cost of the treatment.

The affected person shall be included in developing the appropriate plan of treatment. The plan of treatment must be signed by treatment provider and the affected person. The initial written report based on the treatment plan and response to treatment shall be sent to appropriate persons six weeks after initiation of treatment, and after three months, after six months, after twelve months, and thereafter every six months if treatment exceeds twelve months. Reports are to be filed in a timely manner. Close-out of the treatment record must include summary of pretreatment and posttreatment, with final outcome and disposition. The report shall also include recommendations for ongoing stability and decrease in destructive behavior.

The report with the treatment plan shall be filed with the court and a copy given to the person evaluated and the person's counsel. A copy of the treatment plan shall also be given to the department's caseworker and to the guardian ad litem. Any program for alcoholism shall meet the program requirements contained in RCW 10.05.150.

(3) If the court has ordered treatment pursuant to a dependency proceeding it shall also require the treatment program to provide, in the reports required by subsection (2) of this section, status reports to the court, the department, the supervising child-placing agency if any, and the person or person's counsel regarding: (a) The person's cooperation with the treatment plan proposed; and (b) the person's progress in treatment.

(4) In addition, if the party fails or neglects to carry out and fulfill any term or condition of the treatment plan, the program or agency administering the treatment shall report such breach to the court, the department, the guardian ad litem, the supervising child-placing agency if any, and the person or person's counsel, within twenty-four hours, together with its recommendation. These reports shall be made as a declaration by the person who is personally responsible for providing the treatment.

(5) Nothing in this chapter may be construed as allowing the court to require the department to pay for the cost of any alcohol or substance abuse treatment program.

NEW SECTION. Sec. A new section is added to chapter 13.34 RCW to read as follows:

(1) The court or the department, upon receiving a report under section 7(4) of this act, may schedule a show cause hearing to determine whether the person is in violation of the treatment conditions. All parties shall be given notice of the hearing. The court shall hold the hearing within ten days of the request for a hearing. At the hearing, testimony, declarations, reports, or other relevant information may be presented on the person's alleged failure to comply with the treatment plan and the person shall have the right to present similar information on his or her own behalf.

(2) If the court finds that there has been a violation of the treatment conditions it shall modify the dependency order, as necessary, to ensure the safety of the child. The modified order shall remain in effect until the party is in full compliance with the treatment requirements.

Sec. RCW 13.34.110 and 1991 c 340 s 3 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days or longer for good cause shown. The parties need not appear at the fact-finding or dispositional hearing if ~~((all))~~ the parties, their attorneys, the guardian ad litem, and court-appointed special advocates are all in agreement~~((-but))~~. The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons may be admitted who are found by the judge to have a direct interest in the case or in the work of the court. If a child resides in foster care or in the home of a relative pursuant to a disposition order entered under RCW 13.34.130, the court may allow the child's foster parent or relative care provider to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. RCW 13.34.120 and 1987 c 524 s 5 are each amended to read as follows:

(1) To aid the court in its decision on disposition, a social study, consisting of a written evaluation of matters relevant to the disposition of the case, shall be made by the person or agency filing the petition. The study shall include all social records and may also include facts relating to the child's cultural heritage, and shall be made available to the court. The court shall consider the social file ~~((and))~~ social study, guardian ad litem report, the court-appointed special advocates report and any reports filed by a party at the disposition hearing in addition to evidence produced at the fact-finding hearing. At least ten working days before the disposition hearing, the department shall mail to the parent and his or her attorney a copy of the agency's social study and proposed service plan, which shall be in writing or in a form understandable to the parents or custodians. In addition, the department shall provide an opportunity for parents to review and comment on the plan at the community service office. If the parents disagree with the agency's plan or any part thereof, the parents shall submit to the court at least twenty-four hours before the hearing, in writing, or signed oral statement, an alternative plan to correct the problems which led to the finding of dependency. This section shall not interfere with the right of the parents or custodians to submit oral arguments regarding the disposition plan at the hearing.

(2) In addition to the requirements set forth in subsection (1) of this section, a predisposition study to the court in cases of dependency alleged pursuant to RCW 13.34.030(2) (b) or (c) shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific programs, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such programs are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs which have been considered and rejected; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal. This section should include an exploration of the nature of the parent-child attachment and the meaning of separation and loss to both the parents and the child;

(e) A description of the steps that will be taken to minimize harm to the child that may result if separation occurs; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

Sec. RCW 13.34.150 and 1990 c 246 s 6 are each amended to read as follows:

Any order made by the court in the case of a dependent child may be changed, modified, or set aside, only upon a showing of a change in circumstance or as provided in section 8 of this act.

Sec. RCW 13.34.162 and 1988 c 275 s 15 are each amended to read as follows:

A determination of child support shall be based upon the child support schedule and standards ~~((adopted))~~ provided under chapter 26.19 RCW ((26.19.040)).

(1) When any practitioner, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, or juvenile probation officer has reasonable cause to believe that a child or adult dependent or developmentally disabled person, has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040. The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child or adult dependent or developmentally disabled person, who resides with them, has suffered abuse or neglect. The report shall be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. The report shall include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children, dependent adults, or developmentally disabled persons are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section shall apply.

(3) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report of incidents, conditions, or circumstances of child abuse and neglect, the department shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(12) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(13) The department (~~(of social and health services)~~) shall (~~(within funds appropriated for this purpose)~~) use a risk assessment (~~(tool)~~) process when investigating child abuse and neglect referrals. (~~(The tool shall be used, on a pilot basis, in three local office service areas.)~~) The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall provide annual reports to the (~~(ways and means)~~) appropriate committees of the senate and house of representatives on the (~~(use)~~) effectiveness of the (~~(tool by December 1, 1989. The report shall include recommendations on the continued use and possible expanded use of the tool)~~) risk assessment process.

(14) Upon receipt of (~~(such)~~) a report of abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

Sec. RCW 26.44.040 and 1987 c 206 s 4 are each amended to read as follows:

An immediate oral report shall be made by telephone or otherwise to the proper law enforcement agency or the department of social and health services and, upon request, shall be followed by a report in writing. Such reports shall contain the following information, if known:

- (1) The name, address, and age of the child or adult dependent or developmentally disabled person;
- (2) The name and address of the child's parents, stepparents, guardians, or other persons having custody of the child or the residence of the adult dependent or developmentally disabled person;

- (4) The nature and extent of the neglect;
- (5) The nature and extent of the sexual abuse;
- (6) Any evidence of previous injuries, including their nature and extent; and
- (7) Any other information which may be helpful in establishing the cause of the child's or adult dependent or developmentally disabled person's death, injury, or injuries and the identity of the alleged perpetrator or perpetrators.

Sec. RCW 26.44.063 and 1988 c 190 s 3 are each amended to read as follows:

(1) It is the intent of the legislature to minimize trauma to a child involved in an allegation of sexual or physical abuse. The legislature declares that removing the child from the home often has the effect of further traumatizing the child. It is, therefore, the legislature's intent that the alleged offender, rather than the child, shall be removed from the home and that this should be done at the earliest possible point of intervention in accordance with RCW 10.31.100, 13.34.130, this section, and RCW 26.44.130.

(2) In any judicial proceeding in which it is alleged that a child has been subjected to sexual or physical abuse, if the court finds reasonable grounds to believe that an incident of sexual or physical abuse has occurred, the court may, on its own motion, or the motion of the guardian ad litem or other parties, issue a temporary restraining order or preliminary injunction restraining or enjoining the person accused of committing the abuse from:

- (a) Molesting or disturbing the peace of the alleged victim;
- (b) Entering the family home of the alleged victim except as specifically authorized by the court; or
- (c) Having any contact with the alleged victim, except as specifically authorized by the court.

(3) In issuing a temporary restraining order or preliminary injunction, the court may impose any additional restrictions that the court in its discretion determines are necessary to protect the child from further abuse or emotional trauma pending final resolution of the abuse allegations.

(4) The court shall issue a temporary restraining order prohibiting a person from entering the family home if the court finds that the order would eliminate the need for an out-of-home placement to protect the child's right to nurturance, health, and safety and is sufficient to protect the child from further sexual or physical abuse or coercion.

(5) The court may issue a temporary restraining order without requiring notice to the party to be restrained or other parties only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(6) A temporary restraining order or preliminary injunction:

(a) Does not prejudice the rights of a party or any child which are to be adjudicated at subsequent hearings in the proceeding; and

(b) May be revoked or modified.

(7) The person having physical custody of the child shall have an affirmative duty to assist in the enforcement of the restraining order including but not limited to a duty to notify the court as soon as practicable of any violation of the order, a duty to request the assistance of law enforcement officers to enforce the order, and a duty to notify the department of social and health services of any violation of the order as soon as practicable if the department is a party to the action. Failure by the custodial party to discharge these affirmative duties shall be subject to contempt proceedings.

(8) Willful violation of a court order entered under this section is a misdemeanor. A written order shall contain the court's directive and shall bear the legend: "Violation of this order with actual notice of its terms is a criminal offense under chapter 26.44 RCW, is also subject to contempt proceedings, and will subject a violator to arrest."

Sec. RCW 26.44.067 and 1989 c 373 s 23 are each amended to read as follows:

(1) Any person having had actual notice of the existence of a restraining order issued by a court of competent jurisdiction pursuant to RCW 26.44.063 who refuses to comply with the provisions of such order (~~when requested by any peace officer of the state~~) shall be guilty of a misdemeanor.

(2) The notice requirements of subsection (1) of this section may be satisfied by the peace officer giving oral or written evidence to the person subject to the order by reading from or handing to that person a copy certified by a notary public or the clerk of the court to be an accurate copy of the original court order which is on file. The copy may be supplied by the court or any party.

(3) The remedies provided in this section shall not apply unless restraining orders subject to this section shall bear this legend: VIOLATION OF THIS ORDER WITH ACTUAL NOTICE OF ITS TERMS IS A CRIMINAL OFFENSE UNDER CHAPTER 26.44 RCW AND IS ALSO SUBJECT TO CONTEMPT PROCEEDINGS.

(4) It is a defense to prosecution under subsection (1) of this section that the court order was issued contrary to law or court rule. No right of action shall accrue against any peace officer acting upon a properly certified copy of a court order lawful on its face if such officer employs otherwise lawful means to effect the arrest.

Sec. RCW 26.44.100 and 1985 c 183 s 1 are each amended to read as follows:

The legislature finds parents and children often are not aware of their due process rights when agencies are investigating allegations of child abuse and neglect. The legislature reaffirms that all citizens, including parents, shall be afforded due process, that protection of children remains the priority of the legislature, and that this protection includes protecting the family unit from unnecessary disruption. To facilitate this goal, the legislature wishes to ensure that parents and children be advised in writing and orally, if feasible, of their basic rights and other specific information as set forth in this (~~act~~) chapter, provided that nothing contained in this (~~act~~) chapter shall cause any delay in protective custody action.

NEW SECTION. Sec. A new section is added to chapter 26.44 RCW to read as follows:

(1) If a person who has unsupervised visitation rights with a minor child pursuant to a court order is accused of sexually or physically abusing a child and the alleged abuse has been reported to the proper authorities for investigation, the law enforcement officer conducting the investigation may file a motion with the court for a temporary restraining order to restrain the alleged abuser's visitation rights during the investigation. The investigating law enforcement officer shall submit an affidavit stating that the person is currently under investigation for sexual or physical abuse of a child, that there is a risk of harm to the child if a temporary restraining order is not entered, and that the prosecuting attorney has informed the officer that the attorney does not have enough information at the time to determine whether prosecution is warranted. The restraining order shall be issued for up to ninety days or until the investigation has been concluded in favor of the alleged abuser, whichever is shorter.

(2) Willful violation of a court order entered under this section is a misdemeanor. The court order shall state: "Violation of this order is a criminal offense under chapter 26.44 RCW and will subject the violator to arrest."

NEW SECTION. Sec. A new section is added to chapter 74.14A RCW to read as follows:

The secretary shall:

(1)(a) Consult with relevant qualified professionals to develop a set of minimum guidelines to be used for identifying all children who are in a state-assisted support system, whether at-home or out-of-home, who are likely to need long-term care or assistance, because they face physical, emotional, medical, mental, or other long-term challenges.

(b) The guidelines must, at a minimum, consider the following criteria for identifying children in need of long-term care or assistance:

(ii) Multiple foster care placements;

(iii) Repeated unsuccessful efforts to be placed with a permanent adoptive family;

(vii) Chronic physical, emotional, medical, mental, or other similar conditions necessitating long-term care or assistance;

(2) Develop programs that are necessary for the long-term care of children and youth that are identified for the purposes of this section. Programs must: (a) Effectively address the educational, physical, emotional, mental, and medical needs of children and youth; and (b) incorporate an array of family support options, to individual needs and choices of the child and family. The programs must be ready for implementation by January 1, 1995;

(3) Conduct an evaluation of all children currently within the foster care agency caseload to identify those children who meet the criteria set forth in this section. The evaluation shall be completed by January 1, 1994. All children entering the foster care system after January 1, 1994, must be evaluated for identification of long-term needs within thirty days of placement;

(4) Study and develop a comprehensive plan for the evaluation and identification of all children and youth in need of long-term care or assistance, including, but not limited to, the mentally ill, developmentally disabled, medically fragile, seriously emotionally or behaviorally disabled, and physically impaired;

(5) Study and develop a plan for the children and youth in need of long-term care or assistance to ensure the coordination of services between the department's divisions and between other state agencies who are involved with the child or youth.

(6) Study and develop guidelines for transitional services, between long-term care programs, based on the person's age or mental, physical, emotional, or medical condition; and

(7) Study and develop a statutory proposal for the emancipation of minors and report its findings and recommendations to the legislature by January 1, 1994.

NEW SECTION. Sec. Sections 5 and 6 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

Small school enrollments in kindergarten through grade six shall generate funding under (a) of this subsection, and shall not generate allocations under (d) and (e) of this subsection, if the staffing allocations generated under (a) of this subsection exceed those generated under (d) and (e) of this subsection. The certificated staffing allocations shall be as follows:

(e) For specified enrollments in districts enrolling more than twenty-five but not more than one hundred average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which enroll more than twenty-five average annual full time equivalent kindergarten through eighth grade students and have been judged to be remote and necessary by the state board of education:

Units calculated under (f)(ii) of this subsection shall be reduced by certificated staff units at the rate of forty-six certificated instructional staff units and four certificated administrative staff units per thousand vocational and handicapped full time equivalent students.

(g) For each nonhigh school district having an enrollment of more than seventy annual average full time equivalent students and less than one hundred eighty students, operating a grades K-8 program or a grades 1-8 program, an additional one-half of a certificated instructional staff unit;

(5) Insurance benefit allocations shall be calculated at the rates specified in section 505 of this act, based on:

(a) The number of certificated staff units determined in subsection (2) of this section; and

(b) The number of classified staff units determined in subsection (3) of this section multiplied by 1.152. This factor is intended to adjust allocations so that, for the purposes of distributing insurance benefits, full time equivalent classified employees may be calculated on the basis of 1440 hours of work per year, with no individual employee counted as more than one full time equivalent.

(6)(a) For nonemployee-related costs associated with each certificated staff unit allocated under subsection (2) (a), (b), and (d) through (h) of this section, there shall be provided a maximum of \$6,848 per certificated staff unit in the 1991-92 school year and a maximum of \$7,060 per certificated staff unit in the 1992-93 school year.

Solely for the purposes of this subsection, allocated classroom teachers shall be equal to the number of certificated instructional staff units allocated under subsection (2) of this section, multiplied by the ratio between the number of actual basic education certificated teachers and the number of actual basic education certificated instructional staff reported state-wide for the 1990-91 school year.

(8) The superintendent may distribute a maximum of \$4,690,000 outside the basic education formula during fiscal years 1992 and 1993 as follows:

For any school district documenting a lower certificated instructional staff ratio, the allocation shall be based on the district's actual K-3 certificated instructional staff ratio achieved in that school year, or the statutory minimum ratio established under RCW 28A.150.260(2)(c), if greater.

(b) Districts at or above 51.0 certificated instructional staff per one thousand full time equivalent students in grades K-3 may dedicate up to 1.3 of the 54.3 funding ratio to employ additional classified instructional assistants assigned to basic education classrooms in grades K-3. For purposes of documenting a district's staff ratio under subsection (11)(a) and (c) of this section, funds used by the district to employ additional classified instructional assistants shall be converted to a certificated staff equivalent and added to the district's actual certificated instructional staff ratio. No more than 1.3 of the certificated instructional funding ratio amount may be expended for provision of classified instructional assistants.

(12) The superintendent of public instruction shall study the rate of staff per student if current levels of certificated instructional staffing and paraprofessionals are counted together as "classroom resources." A report identifying "classroom resource" per pupil rates shall be provided to the appropriate fiscal and policy committees of the house of representatives and senate by January 10, 1992.

NEW SECTION. Sec. (1) This chapter shall apply only to persons who engage in the retail sale of merchandise in their regular course of business.

(d) No item may be offered for sale at a going out of business sale unless the item is included in the inventory list for the sale.

(3) If a person elects to make a purchase order compilation, the compilation must be permanently attached to an affidavit executed by the person recording the notice of the sale stating that the compilation is a true and correct compilation of the purchase orders issued by the business in the thirty days before recording the notice of the sale.

(4) The affidavit must be signed under oath and acknowledged before a notary public. SENATE AMENDMENTS TO HOUSE BILL

April 14, 1993

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1645 with the following amendments:

On page 6, after line 13, insert the following:

"NEW SECTION, Sec. A new section is added to chapter 29.79 RCW to read as follows:

(1) Except as provided to the contrary in RCW 82.14.036, 82.46.021, or 82.80.090, the ballot title of any referendum filed on an enactment or portion of an enactment of the state legislature or of the legislative authority of a unit of local government shall be composed of three elements: (a) An identification of the enacting legislative body; (b) a concise statement identifying the essential features of the enactment on which the referendum is filed; and (c) a question asking the voters whether the enactment should be approved or rejected by the people. The ballot issue shall be displayed on the ballot substantially as follows:

Referendum Measure No. XX. The (name of legislative body) has passed a law that (concise statement). Should this law be
APPROVED

OR

REJECTED

(2) For a referendum measure on a state enactment, the concise statement shall be prepared by the attorney general and shall not exceed twenty-five words.

(3) The concise statement for a referendum measure on an enactment of the legislative authority of a unit of local government shall not exceed seventy-five words. If the local governmental unit is a city or a town, the concise statement shall be prepared by the city or town attorney. If the local governmental unit is a county, the concise statement shall be prepared by the prosecuting attorney of the county. If the unit is a unit of local government other than a city, town, or county, the concise statement shall be prepared by the prosecuting attorney of the county within which the majority area of the unit is located.

(4) A referendum measure on the enactment of a unit of local government shall be advertised in the manner provided for nominees for elective office.

Sec. RCW 29.27.060 and 1985 c 252 s 1 are each amended to read as follows:

(1) When a proposed constitution or constitutional amendment or other question is to be submitted to the people of the state for state-wide popular vote, the attorney general shall prepare a concise statement posed as a question and not exceeding twenty words containing the essential features thereof expressed in such a manner as to clearly identify the proposition to be voted upon.

Questions to be submitted to the people of a county or municipality shall also be advertised as provided for nominees for office, and in such cases there shall also be printed on the ballot a concise statement posed as a question and not exceeding seventy-five words containing the essential features thereof expressed in such a manner as to clearly identify the proposition to be voted upon, which statement shall be prepared by the city or town attorney for the city or town, and by the prosecuting attorney for the county or any other ~~((political subdivision of the state))~~ unit of local government, other than ~~((cities))~~ a city or town, the majority area of which is situated in the county.

The concise statement constitutes the ballot title.

(2) The secretary of state shall certify to the county auditors the ballot title for a proposed constitution, constitutional amendment or other state-wide question at the same time and in the same manner as the ballot titles to initiatives and referendums.

(3) Subsection (1) of this section does not apply to referendum measures filed on an enactment of the state legislature or on an enactment of the legislative authority of a unit of local government, nor does it apply to the extent that other provisions of state law provide otherwise for a specific type of ballot question or proposition.

Sec. RCW 29.79.040 and 1982 c 116 s 4 are each amended to read as follows:

Within seven calendar days after the receipt of an initiative or referendum measure the attorney general shall formulate and transmit to the secretary of state ~~((a))~~ the concise statement ~~((posed as a question and not to exceed twenty words,))~~ required by RCW 29.27.060 or section 7 of this act bearing the serial number of the measure and a summary of the measure, not to exceed seventy-five words, to follow the statement. The statement may be distinct from the legislative title of the measure, and shall give a true and impartial statement of the purpose of the measure. Neither the statement nor the summary may intentionally be an argument, nor likely to create prejudice, either for or against the measure. Except as provided for in section 7 of this act, such a concise statement shall constitute the ballot title. The ballot title or, for a referendum on a state enactment, the concise statement formulated by the attorney general shall be the ballot title of or concise statement describing the measure unless changed on appeal. When practicable, the question posed by the ballot title shall be written in such a way that an affirmative answer to such question and an affirmative vote on the measure would result in a change in then current law, and a negative answer to the question and a negative vote on the measure would result in no change to then current law.

Sec. RCW 29.79.110 and 1982 c 116 s 11 are each amended to read as follows:

Petitions ordering that acts or parts of acts passed by the legislature be referred to the people at the next ensuing general election, or special election ordered by the legislature, shall be substantially in the following form:

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1667 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. The legislature finds that most additives do not have a positive effect on the operation of on-site systems and can contaminate ground water aquifers, render septic drainfields dysfunctional, and result in costly repairs to homeowners. It is therefore the intent of the legislature to ban the use, sale, and distribution of additives within the state unless an additive has been specifically approved by the department of health.

Sec. RCW 70.118.020 and 1991 c 3 s 367 are each amended to read as follows:

As used in this chapter, the terms defined in this section shall have the meanings indicated unless the context clearly indicates otherwise.

(1) "Nonwater-carried sewage disposal devices" means any device that stores and treats nonwater-carried human urine and feces.

(2) "Alternative methods of effluent disposal" means systems approved by the department of health, including at least, mound systems, alternating drain fields, anaerobic filters, evapotranspiration systems, and aerobic systems.

(3) "Failure" means: (a) Effluent has been discharged on the surface of the ground prior to approved treatment; or (b) effluent has percolated to the surface of the ground; or (c) effluent has contaminated or threatens to contaminate a ground water supply.

(4) "Additive" means any commercial product intended to affect the internal performance or aesthetics of an on-site sewage disposal system.

(5) "Department" means the department of health.

(6) "On-site sewage disposal system" means any system of piping, treatment devices, or other facilities that convey, store, treat, or dispose of sewage on the property where it originates or on nearby property under the control of the user where the system is not connected to a public sewer system. For purposes of this chapter, an on-site sewage disposal system does not include indoor plumbing and associated fixtures.

NEW SECTION. Sec. A new section is added to chapter 70.118 RCW to read as follows:

(1) After July 1, 1994, a person may not use, sell, or distribute an additive to on-site sewage disposal systems unless such additive has been specifically approved by the department. The department may approve an additive if it can be demonstrated to the satisfaction of the department that the additive has a positive benefit, and no adverse effect, on the operation or performance of an on-site sewage system. SENATE AMENDMENTS TO HOUSE BILL

April 12, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1721 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. RCW 48.62.121 and 1991 sp.s. c 30 s 12 are each amended to read as follows:

(1) No employee or official of a local government entity may directly or indirectly receive anything of value for services rendered in connection with the operation and management of a self-insurance program other than the salary and benefits provided by his or her employer or the reimbursement of expenses reasonably incurred in furtherance of the operation or management of the program. No employee or official of a local government entity may accept or solicit anything of value for personal benefit or for the benefit of others under circumstances in which it can be reasonably inferred that the employee's or official's independence of judgment is impaired with respect to the management and operation of the program.

(2)(a) No local government entity may participate in a joint self-insurance program in which local government entities do not retain complete governing control. This prohibition does not apply to:

(i) Local government contribution to a self-insured employee health and welfare benefits plan otherwise authorized and governed by state statute ((not to));

(ii) Local government participation in a multistate joint program where control is shared with local government entities from other states; or

(iii) Local government contribution to a self-insured employee health and welfare benefit trust in which the local government shares governing control with their employees.

(b) If a local government self-insured health and welfare benefit program, established by the local government as a trust, shares governing control of the trust with its employees:

(i) The local government must maintain at least a fifty percent voting control of the trust;

(ii) No more than one voting, nonemployee, union representative selected by employees may serve as a trustee; and

(iii) The trust agreement must contain provisions for resolution of any deadlock in the administration of the trust.

(3) Moneys made available and moneys expended by school districts and educational service districts for self-insurance under this chapter are subject to such rules of the superintendent of public instruction as the superintendent may adopt governing budgeting and accounting. However, the superintendent shall ensure that the rules are consistent with those adopted by the state risk manager for the management and operation of self-insurance programs.

(4) RCW 48.30.140, 48.30.150, 48.30.155, and 48.30.157 apply to the use of agents and brokers by local government self-insurance programs.

(5) Every individual and joint local government self-insured health and welfare benefits program that provides comprehensive coverage for health care services shall include mandated benefits that the state health care authority is required to provide under RCW 41.05.170 and 41.05.180. The state risk manager may adopt rules identifying the mandated benefits.

(6) An employee health and welfare benefit program established as a trust shall contain a provision that trust funds be expended only for purposes of the trust consistent with statutes and rules governing the local government or governments creating the trust.

NEW SECTION. Sec. A new section is added to chapter 48.62 RCW to read as follows:

No local government self-insured employee health and welfare benefit program established as a trust by a local government entity or entities prior to the effective date of this act may continue in operation unless such program complies with the provisions of this chapter within one hundred eighty days after the effective date of this act. The state risk manager may extend such period if the risk manager finds that such local government entity or entities are making a good faith effort and

taking all necessary steps to comply with this chapter; however, in no event may the risk manager extend the period required for compliance more than ninety days after the expiration of the initial one hundred eighty-day period.

NEW SECTION. Sec. If Engrossed Second Substitute Senate Bill No. 5304 is enacted into law, the provisions of chapter 48.62 RCW shall be reviewed to evaluate the extent to which health care trusts provide benefits to certain individuals in the state; and to review the federal laws that may constrain the organization or operation of these joint employee-employer entities. The health services commission shall make appropriate recommendations to the governor and the legislature as to how these trusts can be brought under the provisions of Engrossed Second Substitute Senate Bill No. 5304."

On page 1, line 2 of the title, after "trusts;" strike the remainder of the title and insert "amending RCW 48.62.121; adding a new section to chapter 48.62 RCW; and creating a new section." and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1993

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1911 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. A new section is added to chapter 52.04 RCW to read as follows:

If the area of a newly incorporated city or town is located in one or more fire protection districts, the city or town is deemed to have been annexed by the fire protection district or districts effective immediately on the city's or town's official date of incorporation, unless the city or town council adopts a resolution during the interim transition period precluding the annexation of the newly incorporated city or town by the fire protection district or districts. The newly incorporated city or town shall remain annexed to the fire protection district or districts for the remainder of the year of the city's or town's official date of incorporation, or through the following year if such extension is approved by resolution adopted by the city or town council and by the board or boards of fire commissioners, and shall be withdrawn from the fire protection district or districts at the end of this period, unless a ballot proposition is adopted by the voters pursuant to RCW 52.04.071 providing for annexation of the city or town to a fire protection district.

If the city or town is withdrawn from the fire protection district or districts, the maximum rate of the first property tax levy that is imposed by the city or town after the withdrawal is calculated as if the city or town never had been annexed by the fire protection district or districts.

Sec. RCW 52.08.025 and 1986 c 234 s 35 are each amended to read as follows:

Effective January 1, 1960, every city or town, or portion thereof, which is situated within the boundaries of a fire protection district shall become automatically removed from such fire protection district, and no fire protection district shall thereafter include any city or town, or portion thereof, within its boundaries except as provided for in RCW 52.02.020, 52.04.061, 52.04.071, 52.04.081, ~~((and))~~ 52.04.101, and section 1 of this act.

However, if the area which incorporates or is annexed includes all of a fire protection district, the fire protection district, for purposes of imposing regular property taxes, shall continue in existence: (1)(a) Until the first day of January in the year in which the initial property tax collections of the newly incorporated city or town will be made, if a resolution is adopted under section 1 of this act precluding annexation of the city or town to the district; (b) until the city or town is withdrawn from the fire protection district, if no such resolution is adopted and no ballot proposition under section 1 of this act is approved; or (c) indefinitely, if such a ballot proposition is approved; or (2) until the first day of January in the year the annexing city or town will collect its property taxes imposed on the newly annexed area. The members of the city or town council or commission shall act as the board of commissioners to impose, receive, and expend these property taxes.

Sec. RCW 35.02.190 and 1989 c 76 s 2 are each amended to read as follows:

If a portion of a fire protection district including at least sixty percent of the assessed valuation of the real property of the district is annexed to or incorporated into a city or town, ownership of all of the assets of the district shall be vested in the city or town, or, if the city or town has been annexed by another fire protection district, in the other fire protection district, upon payment in cash, properties or contracts for fire protection services to the district within one year of the date on which the city or town withdraws from the fire protection district pursuant to section 1 of this act, of a percentage of the value of said assets equal to the percentage of the value of the real property in entire district remaining outside the incorporated or annexed area. The fire protection district may elect, by a vote of a majority of the persons residing outside the annexed or incorporated area who vote on the proposition, to require the annexing or incorporating city or town or fire protection district to assume responsibility for the provision of fire protection, and for the operation and maintenance of the district's property, facilities, and equipment throughout the district and to pay the city or town or fire protection district a reasonable fee for such fire protection, operation, and maintenance. When at least sixty percent, but less than one hundred percent, valuation of the real estate of a district is annexed to or incorporated into a city or town, a proportionate share of the liabilities of the district at the time of such annexation or incorporation, equal to the percentage of the total assessed valuation of the real estate of the district that has been annexed or incorporated, shall be transferred to the annexing or incorporating city or town.

If all of a fire protection district is included in an area that incorporates as a city or town or is annexed to a city or town or fire protection district, all of the assets and liabilities of the fire protection district shall be transferred to the newly incorporated city or town (~~upon its official date of incorporation~~) on the date on which the fire protection district ceases to provide fire protection services pursuant to section 1 of this act or to the city or town or fire protection district upon the annexation.

Sec. RCW 35.02.205 and 1989 c 267 s 3 are each amended to read as follows:

(1) A distribution of assets from the fire protection district to the city or town shall occur as provided in this section upon the annexation or, in the case of an incorporation, on the date on which the city or town withdraws from the fire protection district pursuant to section 1 of this act, of an area by the city or town that constitutes less than five percent of the area of the fire protection district upon the adoption of a resolution by the city or town finding that the annexation or incorporation will impose a significant increase in the fire suppression responsibilities of the city or town with a corresponding reduction in fire suppression responsibilities by the fire protection district. Such a resolution must be adopted within sixty days of the effective date of the annexation, or within sixty days of the official date of incorporation of the city. If the fire protection district does not concur in the finding within sixty days of when a copy of the resolution is submitted to the board of commissioners, arbitration shall proceed under subsection (3) of this section over this issue.

(2) An agreement on the distribution of assets from the fire protection district to the city or town shall be entered into by the city or town and the fire protection district within ninety days of the concurrence by the fire protection district under subsection (1) of this section, or within ninety days of a decision by the arbitrators under subsection (3) of this section that a significant increase in the fire protection responsibilities will be imposed upon the city or town as a result of the incorporation or annexation. A distribution shall be based upon the extent of the increased fire suppression responsibilities with a corresponding reduction in fire suppression responsibilities by the fire protection district, and shall consider the impact of any debt obligation that may exist on the property that is so annexed or incorporated. If an agreement is not entered into after this ninety-day period, arbitration shall proceed under subsection (3) of this section concerning this issue unless both parties have agreed to an extension of this period.

(3) Arbitration shall proceed under this subsection over the issue of whether a significant increase in the fire protection responsibilities will be imposed upon the city or town as a result of the annexation or incorporation with a corresponding reduction in fire suppression responsibilities by the fire protection district, or over the distribution of assets from the fire protection district to the city or town if such a significant increase in fire protection responsibilities will be imposed. A board of arbitrators shall be established for an arbitration that is required under this section. The board of arbitrators shall consist of three persons, one of whom is appointed by the city or town within sixty days of the date when arbitration is required, one of whom is appointed by the fire protection district within sixty days of the date when arbitration is required, and one of whom is appointed by agreement of the other two arbitrators within thirty days of the appointment of the last of these other two arbitrators who is so appointed. If the two are unable to agree on the appointment of the third arbitrator within this thirty-day period, then the third arbitrator shall be appointed by a judge in the superior court of the county within which all or the greatest portion of the area that was so annexed or incorporated lies. The determination by the board of arbitrators shall be binding on both the city or town and the fire protection district."

On page 1, line 2 of the title, after "towns;" strike the remainder of the title and insert "amending RCW 52.08.025, 35.02.190, and 35.02.205; and adding a new section to chapter 52.04 RCW." and the same are herewith transmitted.

NEW SECTION. Sec. A new section is added to chapter 85.38 RCW to read as follows:

A special district may withdraw area from its boundaries that is located within the boundaries of a city or town, or area that includes area both within and adjacent to the boundaries of any city or town, under this section.

(1) The withdrawal of area is authorized upon the following conditions being met: (a) Adoption of a resolution by the special district requesting withdrawal of the area from the district; (b) adoption of a resolution by the city or town council approving the withdrawal of the special district from the area; (c) assumption by the city or town of full responsibility for the maintenance, improvements, and collection of payment for the operation of the system previously operated by the special district in the area; (d) transfer by the special district of all rights-of-way or easements in the area to the city or town by quit claim or deed; and (e) adoption of an interlocal agreement between the special district and the city or town that reimburses the special district for lost assessment revenue from the withdrawn area, that transfers any facilities or improvements owned by the special district to the city or town as agreed between the parties, and that requires the city or town to maintain existing water run-off and water quality levels in the area.

(2) Property in the territory withdrawn from the boundaries of a special district under this section shall remain liable for any special assessments of the special district from which it was withdrawn, if the special assessments are associated with bonds or notes used to finance facilities serving the property, to the same extent as if the withdrawal of property had not occurred.

Sec. RCW 85.38.140 and 1985 c 396 s 15 are each amended to read as follows:

The process by which budgets are adopted, special assessments are measured and imposed, rates and charges are fixed, and assessment zones are established, as provided in RCW 85.38.140 through 85.38.170, shall constitute an alternative optional method of financing special districts. A special district in existence prior to July 28, 1985, may conform with RCW 85.38.140 through 85.38.170 when its governing body adopts a resolution indicating its intention to conform with such laws. Whenever such a resolution is adopted, or a new special district is created on or after July 28, 1985, RCW 85.38.140 through 85.38.170 shall be the exclusive method by which the special district measures and imposes special assessments and adopts its budget. The governing body of a special district that was created before July 28, 1985, and which operates under RCW 85.38.140 through 85.38.170, may adopt a resolution removing the special district from operating under RCW 85.38.140 through 85.38.170, and operate under alternative procedures available to the special district. When fixing rates and charges, the district may consider the degree to which activities on a parcel of real property, including on-site septic systems, contribute to the problems that the special district is authorized to address under RCW 85.38.180(3).

NEW SECTION. Sec. RCW 85.07.080 and 1983 c 167 s 191 and 1935 c 103 s 3 are each repealed."

SENATE AMENDMENTS TO HOUSE BILL

April 8, 1993

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE JOINT MEMORIAL NO. 4003, with the following amendment:

Beginning on page 1, after line 9, strike all material through "Washington." on page 3, line 2, and insert the following:

"WHEREAS, As many as fifteen million wild salmon used to return annually to the Columbia-Snake River system; and WHEREAS, Currently only about two million five hundred thousand salmon return each year; and

WHEREAS, Wild salmon are important to the environmental and cultural heritage of the citizens of the State of Washington; and

WHEREAS, Certain species of salmon have been designated as threatened or endangered under the authority granted by the Federal Endangered Species Act; and

WHEREAS, Fisheries biologists from a variety of disciplines have identified a range of causes of mortality at each stage of the salmon's life cycle, and have agreed that recovery measures must address causes of mortality at each stage of the life cycle; and

WHEREAS, Your Memorialists recognize that successful implementation of the comprehensive regional salmon recovery plan will require sacrifices by all economic stakeholders and substantial investment by the citizens of the region; and

WHEREAS, The Columbia-Snake River system provides substantial economic benefits to the citizens of the State of Washington in the areas of agriculture, navigation, fisheries, energy, industry, recreation, and flood control; and

WHEREAS, Stream flow augmentation is generally believed to provide biological benefits to migrating salmon, but there is continued uncertainty regarding the biological benefits to salmon of flow augmentation achieved by drawing down reservoir levels below minimum operating pool; and

WHEREAS, Drawdowns below minimum operating pool on the Snake River, conducted in March 1992 for the limited purpose of evaluating impact to physical structures and facilities, caused the loss of resident fish, altered wildlife habitat, and increased risks of predation, disrupted navigation, and caused physical property damage to public and private facilities; and

WHEREAS, Salmon migrating upstream to spawn are unable to pass through fish ladder systems when reservoirs are maintained at levels substantially below minimum operating pool; and

WHEREAS, Drawing down Columbia-Snake River system reservoirs below minimum operating pool for extended periods causes substantial economic impacts, including increased costs for Washington's agricultural producers and shippers which jeopardize their ability to compete in global markets; and

WHEREAS, Maintaining reservoir levels at minimum operating pool, with modifications to existing irrigation pump stations on the John Day reservoir, enables the river system to support critical economic activity;

NOW, THEREFORE, Your Memorialists respectfully pray that the officials charged with developing the regional salmon recovery plan carefully consider the biological needs of endangered salmon species, and before drawing down reservoirs below minimum operating pool as part of the regional salmon recovery plan, give the strongest consideration to the economic impact of such drawdowns on the citizens of the State of Washington; and

(2) Every publicly funded community and technical college identified by the board in subsection (1) of this section shall include in their biennial budget, and institutional plan, a description of the training programs that will be created by the college or institute to alleviate the shortages.

(3) Health personnel shortages shall be determined in accordance with the health personnel resource plan required by this chapter.

The report shall identify alternatives to granting temporary licenses that meet the same goals and objectives, including increasing the number of dental hygienists trained in the state of Washington.

(2) A temporary licenses granted by the department under sections 2 through 4 of this act is valid for the period issued."

On page 1, line 2 of the title, after "state;" strike the remainder of the title and insert "adding new sections to chapter 18.29 RCW; adding a new section to chapter 28B.125 RCW; creating new sections; and providing an expiration date." and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 9, 1993

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1845, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. It is the intent of the legislature that one-half of those moneys that would otherwise have been paid into the Washington thoroughbred racing fund be retained for the purpose of enhancing purses, excluding stakes purses, until that time as a permanent thoroughbred racing facility is built and operating in western Washington. It is recognized by the Washington legislature that the enhancement in purses provided in this legislation will not directly benefit all race tracks in Washington. It is the legislature's intent that the horse racing commission work with the horse racing community to ensure that this opportunity for increased purses will not inadvertently injure horse racing at tracks not directly benefiting from this legislation.

Sec. RCW 67.16.105 and 1991 c 270 s 6 are each amended to read as follows:

(1) Licensees of race meets that are nonprofit in nature, are of ten days or less, and have an average daily handle of one hundred twenty thousand dollars or less shall withhold and pay to the commission daily for each authorized day of racing one-half percent of the daily gross receipts from all parimutuel machines at each race meet.

(2) Licensees of race meets that do not fall under subsection (1) of this section shall withhold and pay to the commission daily for each authorized day of racing the following applicable percentage of all daily gross receipts from all parimutuel machines at each race meet:

(a) If the daily gross receipts of all parimutuel machines are more than two hundred fifty thousand dollars, the licensee shall withhold and pay to the commission daily two and one-half percent of the daily gross receipts; and

(b) If the daily gross receipts of all parimutuel machines are two hundred fifty thousand dollars or less, the licensee shall withhold and pay to the commission daily one percent of the daily gross receipts.

(3) In addition to those amounts in subsections (1) and (2) of this section, all licensees shall forward one-tenth of one percent of the daily gross receipts of all parimutuel machines to the commission daily for payment to those nonprofit race meets as set forth in RCW 67.16.130 and subsection (1) of this section, but said percentage shall not be charged against the licensees. The total of such payments shall not exceed one hundred fifty thousand dollars in any one year and any amount in excess of one hundred fifty thousand dollars shall be remitted to the general fund. Payments to nonprofit race meets under this subsection shall be distributed on a pro rata per-race-day basis and used only for purses at race tracks that have been operating under RCW 67.16.130 and subsection (1) of this section for the five consecutive years immediately preceding the year of payment.

(4) In addition to those sums paid to the commission in subsection (2) of this section, licensees who are nonprofit corporations and have race meets of thirty days or more shall withhold and pay to the commission daily for each authorized day of racing an amount equal to ~~((two))~~ one and ~~((one-half))~~ one-quarter percent of the daily gross receipts of all parimutuel machines at each race meet. Said percentage shall come from that amount the licensee is authorized to retain under RCW 67.16.170(2). The commission shall deposit these moneys in the Washington thoroughbred racing fund created in RCW 67.16.250.

(5) The additional one and one-quarter percent of the moneys allowed to be retained by this section must be used for increased purses. The commission shall adopt such rules as may be necessary to enforce this subsection.

(6) Effective January 1, 1994, the amount of daily gross receipts withheld and paid to the commission, as set out in subsection (4) of this section, shall revert to two and one-half percent of the daily gross receipts of all parimutuel machines at each race meet.

NEW SECTION. Sec. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "purses;" strike the remainder of the title and insert "amending RCW 67.16.105; creating a new section; and declaring an emergency." and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 16, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1014, with the following amendment:

Strike everything after the enacting clause and insert the following:

"ARTICLE 1
GENERAL PROVISIONS

PART 2
GENERAL DEFINITIONS AND PRINCIPLES OF INTERPRETATION

Sec. RCW 62A.1-201 and 1992 c 134 s 14 are each amended to read as follows:

Subject to additional definitions contained in the subsequent Articles of this Title which are applicable to specific Articles or Parts thereof, and unless the context otherwise requires, in this Title:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this Title (RCW 62A.1-205 and RCW 62A.2-208). Whether an agreement has legal consequences is determined by the provisions of this Title, if applicable; otherwise by the law of contracts (RCW 62A.1-103). (Compare "Contract".)

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or certificated security payable to bearer or indorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.

(7) "Branch" includes a separately incorporated foreign branch of a bank.

(8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its non-existence.

(9) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be deemed to be persons in the business of selling goods of that kind. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(10) "Conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NON-NEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous". Whether a term or clause is "conspicuous" or not is for decision by the court.

(11) "Contract" means the total legal obligation which results from the parties' agreement as affected by this Title and any other applicable rules of law. (Compare "Agreement".)

(12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.

(13) "Defendant" includes a person in the position of defendant in a cross-action or counterclaim.

(14) "Delivery" with respect to instruments, documents of title, chattel paper, or certificated securities means voluntary transfer of possession.

(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this Title to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder" with respect to ~~((an instrument, certificated security, or document of title means the person in possession if (a) in the case of an instrument, it is payable to bearer or to the order of the person in possession, (b) in the case of a security, the person in possession is the registered owner, or the security has been indorsed to the person in possession by the registered owner, or the security is in bearer form, or (c) in the case of a document of title, the goods are deliverable to bearer or to the order of the person in possession))~~ a negotiable instrument, means the person in possession if the instrument is payable to bearer or, in the case of an instrument payable to an identified person, if the identified person is in possession. "Holder" with respect to a document of title means the person in possession if the goods are deliverable to bearer or to the order of the person in possession.

(21) To "honor" is to pay or to accept and pay, or where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government (~~or intergovernmental organization~~) and includes a monetary unit of account established by an intergovernmental organization or by agreement between two or more nations.

(25) A person has "notice" of a fact when

(a) he has actual knowledge of it; or

(b) he has received a notice or notification of it; or

(c) from all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this Title.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when

(a) it comes to his attention; or

(b) it is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party", as distinct from "third party", means a person who has engaged in a transaction or made an agreement within this Title.

(30) "Person" includes an individual or an organization (See RCW 62A.1-102).

(31) "Presumption" or "presumed" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, issue or re-issue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation, except for lease-purchase agreements under chapter 63.19 RCW. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (RCW 62A.2-401) is limited in effect to a reservation of a "security interest". The term also includes any interest of a buyer of accounts or chattel paper which is subject to Article 9. The special property interest of a buyer of goods on identification of such goods to a contract for sale under RCW 62A.2-401 is not a "security interest", but a buyer may also acquire a "security interest" by complying with Article 9. Unless a lease or consignment is intended as security, reservation of title thereunder is not a "security interest" but a consignment is in any event subject to the provisions on consignment sales (RCW 62A.2-326). Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature means one made without actual, implied or apparent authority and includes a forgery.

(44) "Value". Except as otherwise provided with respect to negotiable instruments and bank collections (RCW 62A.3-303, RCW 62A.4-208 and RCW 62A.4-209) a person gives "value" for rights if he acquires them

(a) in return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) as security for or in total or partial satisfaction of a preexisting claim; or

(c) by accepting delivery pursuant to a pre-existing contract for purchase; or

(d) generally, in return for any consideration sufficient to support a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to tangible form.

Sec. RCW 62A.1-207 and 1965 ex.s. c 157 s 1-207 are each amended to read as follows:

(1) A party who, with explicit reservation of rights performs or promises performance or assents to performance in a manner demanded or offered by the other party does not thereby prejudice the rights reserved. Such words as "without prejudice", "under protest" or the like are sufficient.

(2) Subsection (1) of this section shall not apply to an accord and satisfaction.

SUBJECT MATTER. (a) This Article applies to negotiable instruments. It does not apply to money, to payment orders governed by Article 4A, or to securities governed by Article 8.

(b) If there is conflict between this Article and Article 4 or 9, Articles 4 and 9 govern.

(c) Regulations of the Board of Governors of the Federal Reserve System and operating circulars of the Federal Reserve Banks supersede any inconsistent provision of this Article to the extent of the inconsistency.

Sec. RCW 62A.3-103 and 1965 ex.s. c 157 s 3-103 are each amended to read as follows:

~~((LIMITATIONS ON SCOPE OF ARTICLE. (1) This Article does not apply to money, documents of title or investment securities.~~

~~(2) The provisions of this Article are subject to the provisions of the Article on Bank Deposits and Collections (Article 4) and Secured Transactions (Article 9).))~~

DEFINITIONS. (a) In this Article:

(1) "Acceptor" means a drawee who has accepted a draft.

(2) "Drawee" means a person ordered in a draft to make payment.

(3) "Drawer" means a person who signs or is identified in a draft as a person ordering payment.

(4) "Good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(5) "Maker" means a person who signs or is identified in a note as a person undertaking to pay.

(6) "Order" means a written instruction to pay money signed by the person giving the instruction. The instruction may be addressed to any person, including the person giving the instruction, or to one or more persons jointly or in the alternative but not in succession. An authorization to pay is not an order unless the person authorized to pay is also instructed to pay.

(7) "Ordinary care" in the case of a person engaged in business means observance of reasonable commercial standards, prevailing in the area in which the person is located, with respect to the business in which the person is engaged. In the case of a bank that takes an instrument for processing for collection or payment by automated means, reasonable commercial standards do not require the bank to examine the instrument if the failure to examine does not violate the bank's prescribed procedures and the bank's procedures do not vary unreasonably from general banking usage not disapproved by this Article or Article 4.

(8) "Party" means a party to an instrument.

(9) "Promise" means a written undertaking to pay money signed by the person undertaking to pay. An acknowledgment of an obligation by the obligor is not a promise unless the obligor also undertakes to pay the obligation.

(10) "Prove" with respect to a fact means to meet the burden of establishing the fact (RCW 62A.1-201(8)).

(11) "Remitter" means a person who purchases an instrument from its issuer if the instrument is payable to an identified person other than the purchaser.

Sec. RCW 62A.3-104 and 1965 ex.s. c 157 s 3-104 are each amended to read as follows:

~~((FORM OF NEGOTIABLE INSTRUMENTS; "DRAFT"; "CHECK"; "CERTIFICATE OF DEPOSIT"; "NOTE". (1)~~

~~Any writing to be a negotiable instrument within this Article must~~

~~(a) be signed by the maker or drawer; and~~

~~(b) contain an unconditional promise or order to pay a sum certain in money and no other promise, order, obligation or power given by the maker or drawer except as authorized by this Article; and~~

~~(c) be payable on demand or at a definite time; and~~

~~(d) be payable to order or to bearer.~~

~~(2) A writing which complies with the requirements of this section is~~

~~(a) a "draft" ("bill of exchange") if it is an order;~~

~~(b) a "check" if it is a draft drawn on a bank and payable on demand;~~

~~(c) a "certificate of deposit" if it is an acknowledgment by a bank of receipt of money with an engagement to repay it;~~

~~(d) a "note" if it is a promise other than a certificate of deposit.~~

~~(3) As used in other Articles of this Title, and as the context may require, the terms "draft", "check", "certificate of deposit" and "note" may refer to instruments which are not negotiable within this Article as well as to instruments which are so negotiable.)~~

NEGOTIABLE INSTRUMENT. (a) Except as provided in subsections (c) and (d), "negotiable instrument" means an unconditional promise or order to pay a fixed amount of money, with or without interest or other charges described in the promise or order, if it:

(1) Is payable to bearer or to order at the time it is issued or first comes into possession of a holder;

(2) Is payable on demand or at a definite time; and

(3) Does not state any other undertaking or instruction by the person promising or ordering payment to do any act in addition to the payment of money, but the promise or order may contain (i) an undertaking or power to give, maintain, or protect collateral to secure payment, (ii) an authorization or power to the holder to confess judgment or realize on or dispose of collateral, or (iii) a waiver of the benefit of any law intended for the advantage or protection of an obligor.

(b) "Instrument" means a negotiable instrument.

(c) An order that meets all of the requirements of subsection (a), except subsection (a)(1), and otherwise falls within the definition of "check" in subsection (f) is a negotiable instrument and a check.

(d) A promise or order other than a check is not an instrument if, at the time it is issued or first comes into possession of a holder, it contains a conspicuous statement, however expressed, to the effect that the promise or order is not negotiable or is not an instrument governed by this Article.

(e) An instrument is a "note" if it is a promise and is a "draft" if it is an order. If an instrument falls within the definition of both "note" and "draft," a person entitled to enforce the instrument may treat it as either.

(f) "Check" means (i) a draft, other than a documentary draft, payable on demand and drawn on a bank, or (ii) a cashier's check or teller's check. An instrument may be a check even though it is described on its face by another term, such as "money order."

(g) "Cashier's check" means a draft with respect to which the drawer and drawee are the same bank or branches of the same bank.

(h) "Teller's check" means a draft drawn by a bank (i) on another bank, or (ii) payable at or through a bank.

(i) "Traveler's check" means an instrument that (i) is payable on demand, (ii) is drawn on or payable at or through a bank, (iii) is designated by the term "traveler's check" or by a substantially similar term, and (iv) requires, as a condition to payment, a countersignature by a person whose specimen signature appears on the instrument.

(j) "Certificate of deposit" means an instrument containing an acknowledgment by a bank that a sum of money has been received by the bank and a promise by the bank to repay the sum of money. A certificate of deposit is a note of the bank.

Sec. RCW 62A.3-105 and 1965 ex.s. c 157 s 3-105 are each amended to read as follows:

~~((WHEN PROMISE OR ORDER UNCONDITIONAL. (1) A promise or order otherwise unconditional is not made conditional by the fact that the instrument~~

~~(a) is subject to implied or constructive conditions; or~~

~~(b) states its consideration, whether performed or promised, or the transaction which gave rise to the instrument, or that the promise or order is made or the instrument matures in accordance with or "as per" such transaction; or~~

~~(c) refers to or states that it arises out of a separate agreement or refers to a separate agreement for rights as to prepayment or acceleration; or~~

~~(d) states that it is drawn under a letter of credit; or~~

~~(e) states that it is secured, whether by mortgage, reservation of title or otherwise; or~~

~~(f) indicates a particular account to be debited or any other fund or source from which reimbursement is expected; or~~

~~(g) is limited to payment out of a particular fund or the proceeds of a particular source, if the instrument is issued by a government or governmental agency or unit; or~~

~~(h) is limited to payment out of the entire assets of a partnership, unincorporated association, trust or estate by or on behalf of which the instrument is issued.~~

~~(2) A promise or order is not unconditional if the instrument~~

~~(a) states that it is subject to or governed by any other agreement; or~~

~~(b) states that it is to be paid only out of a particular fund or source except as provided in this section.))~~

ISSUE OF INSTRUMENT. (a) "Issue" means the first delivery of an instrument by the maker or drawer, whether to a holder or nonholder, for the purpose of giving rights on the instrument to any person.

(b) An unissued instrument, or an unissued incomplete instrument that is completed, is binding on the maker or drawer, but nonissuance is a defense. An instrument that is conditionally issued or is issued for a special purpose is binding on the maker or drawer, but failure of the condition or special purpose to be fulfilled is a defense.

(c) "Issuer" applies to issued and unissued instruments and means a maker or drawer of an instrument.

Sec. RCW 62A.3-106 and 1989 c 13 s 1 are each amended to read as follows:

~~((SUM CERTAIN DEFINITIONS. (1) The sum payable is a sum certain even though it is to be paid~~

~~(a) with stated interest or by stated installments; or~~

~~(b) with stated different rates of interest before and after default or a specified date; or~~

~~(c) with a stated discount or addition if paid before or after the date fixed for payment; or~~

~~(d) with exchange or less exchange, whether at a fixed rate or at the current rate; or~~

~~(e) with costs of collection or an attorney's fee or both upon default.~~

~~(2) A rate of interest that cannot be calculated by looking only to the instrument is a stated rate of interest in subsection (1) of this section if the rate during any period is readily ascertainable by a reference in the instrument to a published statute, regulation, rule of court, generally accepted commercial or financial index, compendium of interest rates, or announced or established rate of one or more named financial institutions.~~

~~(3) Graduated, variable, annuity or price level adjusted payments are stated installments in subsection (1) of this section if such payments are provided for in the instrument.~~

~~(4) Nothing in this section shall validate any term which is otherwise illegal.))~~

UNCONDITIONAL PROMISE OR ORDER. (a) Except as provided in this section, for the purposes of RCW 62A.3-104(a), a promise or order is unconditional unless it states (i) an express condition to payment, (ii) that the promise or order is subject to or governed by another writing, or (iii) that rights or obligations with respect to the promise or order are stated in another writing. A reference to another writing does not of itself make the promise or order conditional.

(b) A promise or order is not made conditional (i) by a reference to another writing for a statement of rights with respect to collateral, prepayment, or acceleration, or (ii) because payment is limited to resort to a particular fund or source.

(c) If a promise or order requires, as a condition to payment, a countersignature by a person whose specimen signature appears on the promise or order, the condition does not make the promise or order conditional for the purposes of RCW 62A.3-104(a). If the person whose specimen signature appears on an instrument fails to countersign the instrument, the failure to

countersign is a defense to the obligation of the issuer, but the failure does not prevent a transferee of the instrument from becoming a holder of the instrument.

(d) If a promise or order at the time it is issued or first comes into possession of a holder contains a statement, required by applicable statutory or administrative law, to the effect that the rights of a holder or transferee are subject to claims or defenses that the issuer could assert against the original payee, the promise or order is not thereby made conditional for the purposes of RCW 62A.3-104(a); but if the promise or order is an instrument, there cannot be a holder in due course of the instrument.

Sec. RCW 62A.3-107 and 1965 ex.s. c 157 s 3-107 are each amended to read as follows:

~~((MONEY. (1) An instrument is payable in money if the medium of exchange in which it is payable is money at the time the instrument is made. An instrument payable in "currency" or "current funds" is payable in money.~~

~~(2) A promise or order to pay a sum stated in a foreign currency is for a sum certain in money and, unless a different medium of payment is specified in the instrument, may be satisfied by payment of that number of dollars which the stated foreign currency will purchase at the buying sight rate for that currency on the day on which the instrument is payable or, if payable on demand, on the day of demand. If such an instrument specifies a foreign currency as the medium of payment the instrument is payable in that currency.))~~

INSTRUMENT PAYABLE IN FOREIGN MONEY. Unless the instrument otherwise provides, an instrument that states the amount payable in foreign money may be paid in the foreign money or in an equivalent amount in dollars calculated by using the current bank-offered spot rate at the place of payment for the purchase of dollars on the day on which the instrument is paid.

Sec. RCW 62A.3-108 and 1965 ex.s. c 157 s 3-108 are each amended to read as follows:

~~((PAYABLE ON DEMAND. Instruments payable on demand include those payable at sight or on presentation and those in which no time for payment is stated.))~~

PAYABLE ON DEMAND OR AT DEFINITE TIME. (a) A promise or order is "payable on demand" if it (i) states that it is payable on demand or at sight, or otherwise indicates that it is payable at the will of the holder, or (ii) does not state any time of payment.

(b) A promise or order is "payable at a definite time" if it is payable on elapse of a definite period of time after sight or acceptance or at a fixed date or dates or at a time or times readily ascertainable at the time the promise or order is issued, subject to rights of (i) prepayment, (ii) acceleration, (iii) extension at the option of the holder, or (iv) extension to a further definite time at the option of the maker or acceptor or automatically upon or after a specified act or event.

(c) If an instrument, payable at a fixed date, is also payable upon demand made before the fixed date, the instrument is payable on demand until the fixed date and, if demand for payment is not made before that date, becomes payable at a definite time on the fixed date.

Sec. RCW 62A.3-109 and 1989 c 13 s 2 are each amended to read as follows:

~~((DEFINITE TIME. (1) An instrument is payable at a definite time if by its terms it is payable~~

~~(a) on or before a stated date or at a fixed period after a stated date; or~~

~~(b) at a fixed period after sight; or~~

~~(c) at a definite time subject to any acceleration; or~~

~~(d) at a definite time subject to extension at the option of the holder, or to extension to a further definite time at the option of the maker or acceptor or automatically upon or after a specified act or event; or~~

~~(e) by variable, graduated, annuity or price level adjusted payments.~~

~~(2) An instrument which by its terms is otherwise payable only upon an act or event uncertain as to time of occurrence is not payable at a definite time even though the act or event has occurred.))~~

PAYABLE TO BEARER OR TO ORDER. (a) A promise or order is payable to bearer if it:

(1) States that it is payable to bearer or to the order of bearer or otherwise indicates that the person in possession of the promise or order is entitled to payment;

(2) Does not state a payee; or

(3) States that it is payable to or to the order of cash or otherwise indicates that it is not payable to an identified person.

(b) A promise or order that is not payable to bearer is payable to order if it is payable (i) to the order of an identified person or (ii) to an identified person or order. A promise or order that is payable to order is payable to the identified person.

(c) An instrument payable to bearer may become payable to an identified person if it is specially indorsed pursuant to RCW 62A.3-205(a). An instrument payable to an identified person may become payable to bearer if it is indorsed in blank pursuant to RCW 62A.3-205(b).

Sec. RCW 62A.3-110 and 1965 ex.s. c 157 s 3-110 are each amended to read as follows:

~~((PAYABLE TO ORDER. (1) An instrument is payable to order when by its terms it is payable to the order or assigns of any person therein specified with reasonable certainty, or to him or his order, or when it is conspicuously designated on its face as "exchange" or the like and names a payee. It may be payable to the order of~~

~~(a) the maker or drawer; or~~

~~(b) the drawee; or~~

(e) a payee who is not maker, drawer or drawee; or
(d) two or more payees together or in the alternative; or
(e) an estate, trust or fund, in which case it is payable to the order of the representative of such estate, trust or fund or his successors; or
(f) an office, or an officer by his title as such in which case it is payable to the principal but the incumbent of the office or his successors may act as if he or they were the holder; or
(g) a partnership or unincorporated association, in which case it is payable to the partnership or association and may be indorsed or transferred by any person thereto authorized.
(2) An instrument not payable to order is not made so payable by such words as "payable upon return of this instrument properly indorsed."
(3) An instrument made payable both to order and to bearer is payable to order unless the bearer words are handwritten or typewritten.))

IDENTIFICATION OF PERSON TO WHOM INSTRUMENT IS PAYABLE. (a) The person to whom an instrument is initially payable is determined by the intent of the person, whether or not authorized, signing as, or in the name or behalf of, the issuer of the instrument. The instrument is payable to the person intended by the signer even if that person is identified in the instrument by a name or other identification that is not that of the intended person. If more than one person signs in the name or behalf of the issuer of an instrument and all the signers do not intend the same person as payee, the instrument is payable to any person intended by one or more of the signers.

(b) If the signature of the issuer of an instrument is made by automated means, such as a check-writing machine, the payee of the instrument is determined by the intent of the person who supplied the name or identification of the payee, whether or not authorized to do so.

(c) A person to whom an instrument is payable may be identified in any way, including by name, identifying number, office, or account number. For the purpose of determining the holder of an instrument, the following rules apply:

(1) If an instrument is payable to an account and the account is identified only by number, the instrument is payable to the person to whom the account is payable. If an instrument is payable to an account identified by number and by the name of a person, the instrument is payable to the named person, whether or not that person is the owner of the account identified by number.

(2) If an instrument is payable to:

(i) A trust, an estate, or a person described as trustee or representative of a trust or estate, the instrument is payable to the trustee, the representative, or a successor of either, whether or not the beneficiary or estate is also named;

(ii) A person described as agent or similar representative of a named or identified person, the instrument is payable to the represented person, the representative, or a successor of the representative;

(iii) A fund or organization that is not a legal entity, the instrument is payable to a representative of the members of the fund or organization; or

(iv) An office or to a person described as holding an office, the instrument is payable to the named person, the incumbent of the office, or a successor to the incumbent.

(d) If an instrument is payable to two or more persons alternatively, it is payable to any of them and may be negotiated, discharged, or enforced by any or all of them in possession of the instrument. If an instrument is payable to two or more persons not alternatively, it is payable to all of them and may be negotiated, discharged, or enforced only by all of them. If an instrument payable to two or more persons is ambiguous as to whether it is payable to the persons alternatively, the instrument is payable to the persons alternatively.

Sec. RCW 62A.3-111 and 1965 ex.s. c 157 s 3-111 are each amended to read as follows:

~~((PAYABLE TO BEARER. An instrument is payable to bearer when by its terms it is payable to~~

~~(a) bearer or the order of bearer; or~~

~~(b) a specified person or bearer; or~~

~~(c) "cash" or the order of "cash", or any other indication which does not purport to designate a specific payee.))~~

PLACE OF PAYMENT. Except as otherwise provided for items in Article 4, an instrument is payable at the place of payment stated in the instrument. If no place of payment is stated, an instrument is payable at the address of the drawee or maker stated in the instrument. If no address is stated, the place of payment is the place of business of the drawee or maker. If a drawee or maker has more than one place of business, the place of payment is any place of business of the drawee or maker chosen by the person entitled to enforce the instrument. If the drawee or maker has no place of business, the place of payment is the residence of the drawee or maker.

Sec. RCW 62A.3-112 and 1965 ex.s. c 157 s 3-112 are each amended to read as follows:

~~((TERMS AND OMISSIONS NOT AFFECTING NEGOTIABILITY. (1) The negotiability of an instrument is not affected by~~

~~(a) the omission of a statement of any consideration or of the place where the instrument is drawn or payable; or~~

~~(b) a statement that collateral has been given to secure obligations either on the instrument or otherwise of an obligor on the instrument or that in case of default on those obligations the holder may realize on or dispose of the collateral; or~~

~~(c) a promise or power to maintain or protect collateral or to give additional collateral; or~~

~~(d) a term authorizing a confession of judgment on the instrument if it is not paid when due; or~~

~~(e) a term purporting to waive the benefit of any law intended for the advantage or protection of any obligor; or
(f) a term in a draft providing that the payee by indorsing or cashing it acknowledges full satisfaction of an obligation of the drawer; or
(g) a statement in a draft drawn in a set of parts (RCW 62A.3-801) to the effect that the order is effective only if no other part has been honored.~~

~~(2) Nothing in this section shall validate any term which is otherwise illegal.))~~

INTEREST. (a) Unless otherwise provided in the instrument, (i) an instrument is not payable with interest, and (ii) interest on an interest-bearing instrument is payable from the date of the instrument.

(b) Interest may be stated in an instrument as a fixed or variable amount of money or it may be expressed as a fixed or variable rate or rates. The amount or rate of interest may be stated or described in the instrument in any manner and may require reference to information not contained in the instrument. If an instrument provides for interest, but the amount of interest payable cannot be ascertained from the description, interest is payable at the judgment rate in effect at the place of payment of the instrument and at the time interest first accrues.

Sec. RCW 62A.3-113 and 1965 ex.s. c 157 s 3-113 are each amended to read as follows:

~~((SEAL. An instrument otherwise negotiable is within this Article even though it is under a seal.))~~

DATE OF INSTRUMENT. (a) An instrument may be antedated or postdated. The date stated determines the time of payment if the instrument is payable at a fixed period after date. Except as provided in RCW 62A.4-401(c), an instrument payable on demand is not payable before the date of the instrument.

(b) If an instrument is undated, its date is the date of its issue or, in the case of an unissued instrument, the date it first comes into possession of a holder.

Sec. RCW 62A.3-114 and 1965 ex.s. c 157 s 3-114 are each amended to read as follows:

~~((DATE, ANTEDATING, POSTDATING. (1) The negotiability of an instrument is not affected by the fact that it is undated, antedated or postdated.~~

~~(2) Where an instrument is antedated or postdated the time when it is payable is determined by the stated date if the instrument is payable on demand or at a fixed period after date.~~

~~(3) Where the instrument or any signature thereon is dated, the date is presumed to be correct.))~~

CONTRADICTORY TERMS OF INSTRUMENT. If an instrument contains contradictory terms, typewritten terms prevail over printed terms, handwritten terms prevail over both, and words prevail over numbers.

Sec. RCW 62A.3-115 and 1965 ex.s. c 157 s 3-115 are each amended to read as follows:

~~((INCOMPLETE INSTRUMENTS. (1) When a paper whose contents at the time of signing show that it is intended to become an instrument is signed while still incomplete in any necessary respect it cannot be enforced until completed, but when it is completed in accordance with authority given it is effective as completed.~~

~~(2) If the completion is unauthorized the rules as to material alteration apply (RCW 62A.3-407), even though the paper was not delivered by the maker or drawer; but the burden of establishing that any completion is unauthorized is on the party so asserting.))~~

INCOMPLETE INSTRUMENT. (a) "Incomplete instrument" means a signed writing, whether or not issued by the signer, the contents of which show at the time of signing that it is incomplete but that the signer intended it to be completed by the addition of words or numbers.

(b) Subject to subsection (c), if an incomplete instrument is an instrument under RCW 62A.3-104, it may be enforced according to its terms if it is not completed, or according to its terms as augmented by completion. If an incomplete instrument is not an instrument under RCW 62A.3-104, but, after completion, the requirements of RCW 62A.3-104 are met, the instrument may be enforced according to its terms as augmented by completion.

(c) If words or numbers are added to an incomplete instrument without authority of the signer, there is an alteration of the incomplete instrument under RCW 62A.3-407.

(d) The burden of establishing that words or numbers were added to an incomplete instrument without authority of the signer is on the person asserting the lack of authority.

Sec. RCW 62A.3-116 and 1965 ex.s. c 157 s 3-116 are each amended to read as follows:

~~((INSTRUMENTS PAYABLE TO TWO OR MORE PERSONS. An instrument payable to the order of two or more persons~~

~~(a) if in the alternative is payable to any one of them and may be negotiated, discharged or enforced by any of them who has possession of it;~~

~~(b) if not in the alternative is payable to all of them and may be negotiated, discharged or enforced only by all of them.))~~

JOINT AND SEVERAL LIABILITY; CONTRIBUTION. (a) Except as otherwise provided in the instrument, two or more persons who have the same liability on an instrument as makers, drawers, acceptors, indorsers who indorse as joint payees, or anomalous indorsers are jointly and severally liable in the capacity in which they sign.

(b) Except as provided in RCW 62A.3-419(e) or by agreement of the affected parties, a party having joint and several liability who pays the instrument is entitled to receive from any party having the same joint and several liability contribution in accordance with applicable law.

(c) Discharge of one party having joint and several liability by a person entitled to enforce the instrument does not affect the right under subsection (b) of a party having the same joint and several liability to receive contribution from the party discharged.

Sec. RCW 62A.3-117 and 1965 ex.s. c 157 s 3-117 are each amended to read as follows:

~~((INSTRUMENTS PAYABLE WITH WORDS OF DESCRIPTION. An instrument made payable to a named person with the addition of words describing him~~

~~(a) as agent or officer of a specified person is payable to his principal but the agent or officer may act as if he were the holder;~~

~~(b) as any other fiduciary for a specified person or purpose is payable to the payee and may be negotiated, discharged or enforced by him;~~

~~(c) in any other manner is payable to the payee unconditionally and the additional words are without effect on subsequent parties.))~~

OTHER AGREEMENTS AFFECTING INSTRUMENT. Subject to applicable law regarding exclusion of proof of contemporaneous or previous agreements, the obligation of a party to an instrument to pay the instrument may be modified, supplemented, or nullified by a separate agreement of the obligor and a person entitled to enforce the instrument, if the instrument is issued or the obligation is incurred in reliance on the agreement or as part of the same transaction giving rise to the agreement. To the extent an obligation is modified, supplemented, or nullified by an agreement under this section, the agreement is a defense to the obligation.

Sec. RCW 62A.3-118 and 1965 ex.s. c 157 s 3-118 are each amended to read as follows:

~~((AMBIGUOUS TERMS AND RULES OF CONSTRUCTION. The following rules apply to every instrument:~~

~~(a) Where there is doubt whether the instrument is a draft or a note the holder may treat it as either. A draft drawn on the drawer is effective as a note.~~

~~(b) Handwritten terms control typewritten and printed terms, and typewritten control printed.~~

~~(c) Words control figures except that if the words are ambiguous figures control.~~

~~(d) Unless otherwise specified a provision for interest means interest at the judgment rate at the place of payment from the date of the instrument, or if it is undated from the date of issue.~~

~~(e) Unless the instrument otherwise specifies two or more persons who sign as maker, acceptor or drawer or indorser and as a part of the same transaction are jointly and severally liable even though the instrument contains such words as "I promise to pay."~~

~~(f) Unless otherwise specified consent to extension authorizes a single extension for not longer than the original period. A consent to extension, expressed in the instrument, is binding on secondary parties and accommodation makers. A holder may not exercise his option to extend an instrument over the objection of a maker or acceptor or other party who in accordance with RCW 62A.3-604 tenders full payment when the instrument is due.))~~

STATUTE OF LIMITATIONS. (a) Except as provided in subsection (e), an action to enforce the obligation of a party to pay a note payable at a definite time must be commenced within six years after the due date or dates stated in the note or, if a due date is accelerated, within six years after the accelerated due date.

(b) Except as provided in subsection (d) or (e), if demand for payment is made to the maker of a note payable on demand, an action to enforce the obligation of a party to pay the note must be commenced within six years after the demand. If no demand for payment is made to the maker, an action to enforce the note is barred if neither principal nor interest on the note has been paid for a continuous period of ten years.

(c) Except as provided in subsection (d), an action to enforce the obligation of a party to an unaccepted draft to pay the draft must be commenced within three years after dishonor of the draft or ten years after the date of the draft, whichever period expires first.

(d) An action to enforce the obligation of the acceptor of a certified check or the issuer of a teller's check, cashier's check, or traveler's check must be commenced within three years after demand for payment is made to the acceptor or issuer, as the case may be.

(e) An action to enforce the obligation of a party to a certificate of deposit to pay the instrument must be commenced within six years after demand for payment is made to the maker, but if the instrument states a due date and the maker is not required to pay before that date, the six-year period begins when a demand for payment is in effect and the due date has passed.

(f) An action to enforce the obligation of a party to pay an accepted draft, other than a certified check, must be commenced (i) within six years after the due date or dates stated in the draft or acceptance if the obligation of the acceptor is payable at a definite time, or (ii) within six years after the date of the acceptance if the obligation of the acceptor is payable on demand.

(g) Unless governed by other law regarding claims for indemnity or contribution, an action (i) for conversion of an instrument, for money had and received, or like action based on conversion, (ii) for breach of warranty, or (iii) to enforce an obligation, duty, or right arising under this Article and not governed by this section must be commenced within three years after the cause of action accrues.

Sec. RCW 62A.3-119 and 1965 ex.s. c 157 s 3-119 are each amended to read as follows:

~~((OTHER WRITINGS AFFECTING INSTRUMENT. (1) As between the obligor and his immediate obligee or any transferee the terms of an instrument may be modified or affected by any other written agreement executed as a part of the same transaction, except that a holder in due course is not affected by any limitation of his rights arising out of the separate written agreement if he had no notice of the limitation when he took the instrument.~~

~~(2) A separate agreement does not affect the negotiability of an instrument.))~~

NOTICE OF RIGHT TO DEFEND ACTION. In an action for breach of an obligation for which a third person is answerable over pursuant to this Article or Article 4, the defendant may give the third person written notice of the litigation, and the person notified may then give similar notice to any other person who is answerable over. If the notice states (i) that the person notified may come in and defend and (ii) that failure to do so will bind the person notified in an action later brought by the person giving the notice as to any determination of fact common to the two litigations, the person notified is so bound unless after reasonable receipt of the notice the person notified does come in and defend.

PART 2

NEGOTIATION, TRANSFER, AND ((NEGOTIATION)) INDORSEMENT

Sec. RCW 62A.3-201 and 1965 ex.s. c 157 s 3-201 are each amended to read as follows:

~~((TRANSFER: RIGHT TO INDORSEMENT. (1) Transfer of an instrument vests in the transferee such rights as the transferor has therein, except that a transferee who has himself been a party to any fraud or illegality affecting the instrument or who as a prior holder had notice of a defense or claim against it cannot improve his position by taking from a later holder in due course.~~

~~(2) A transfer of a security interest in an instrument vests the foregoing rights in the transferee to the extent of the interest transferred.~~

~~(3) Unless otherwise agreed any transfer for value of an instrument not then payable to bearer gives the transferee the specifically enforceable right to have the unqualified indorsement of the transferor. Negotiation takes effect only when the indorsement is made and until that time there is no presumption that the transferee is the owner.))~~

NEGOTIATION. (a) "Negotiation" means a transfer of possession, whether voluntary or involuntary, of an instrument by a person other than the issuer to a person who thereby becomes its holder.

(b) Except for negotiation by a remitter, if an instrument is payable to an identified person, negotiation requires transfer of possession of the instrument and its indorsement by the holder. If an instrument is payable to bearer, it may be negotiated by transfer of possession alone.

Sec. RCW 62A.3-202 and 1965 ex.s. c 157 s 3-202 are each amended to read as follows:

~~((NEGOTIATION. (1) Negotiation is the transfer of an instrument in such form that the transferee becomes a holder. If the instrument is payable to order it is negotiated by delivery with any necessary indorsement; if payable to bearer it is negotiated by delivery.~~

~~(2) An indorsement must be written by or on behalf of the holder and on the instrument or on a paper so firmly affixed thereto as to become a part thereof.~~

~~(3) An indorsement is effective for negotiation only when it conveys the entire instrument or any unpaid residue. If it purports to be of less it operates only as a partial assignment.~~

~~(4) Words of assignment, condition, waiver, guaranty, limitation or disclaimer of liability and the like accompanying an indorsement do not affect its character as an indorsement.))~~

NEGOTIATION SUBJECT TO RESCISSION. (a) Negotiation is effective even if obtained (i) from an infant, a corporation exceeding its powers, or a person without capacity, (ii) by fraud, duress, or mistake, or (iii) in breach of duty or as part of an illegal transaction.

(b) To the extent permitted by other law, negotiation may be rescinded or may be subject to other remedies, but those remedies may not be asserted against a subsequent holder in due course or a person paying the instrument in good faith and without knowledge of facts that are a basis for rescission or other remedy.

Sec. RCW 62A.3-203 and 1965 ex.s. c 157 s 3-203 are each amended to read as follows:

~~((WRONG OR MISSPELLED NAME. Where an instrument is made payable to a person under a misspelled name or one other than his own he may indorse in that name or his own or both; but signature in both names may be required by a person paying or giving value for the instrument.))~~

TRANSFER OF INSTRUMENT; RIGHTS ACQUIRED BY TRANSFER. (a) An instrument is transferred when it is delivered by a person other than its issuer for the purpose of giving to the person receiving delivery the right to enforce the instrument.

(b) Transfer of an instrument, whether or not the transfer is a negotiation, vests in the transferee any right of the transferor to enforce the instrument, including any right as a holder in due course, but the transferee cannot acquire rights of a holder in due course by a transfer, directly or indirectly, from a holder in due course if the transferee engaged in fraud or illegality affecting the instrument.

(c) Unless otherwise agreed, if an instrument is transferred for value and the transferee does not become a holder because of lack of indorsement by the transferor, the transferee has a specifically enforceable right to the unqualified indorsement of the transferor, but negotiation of the instrument does not occur until the indorsement is made.

(d) If a transferor purports to transfer less than the entire instrument, negotiation of the instrument does not occur. The transferee obtains no rights under this Article and has only the rights of a partial assignee.

Sec. RCW 62A.3-204 and 1965 ex.s. c 157 s 3-204 are each amended to read as follows:

~~((SPECIAL INDORSEMENT; BLANK INDORSEMENT. (1) A special indorsement specifies the person to whom or to whose order it makes the instrument payable. Any instrument specially indorsed becomes payable to the order of the special indorsee and may be further negotiated only by his indorsement.~~

~~(2) An indorsement in blank specifies no particular indorsee and may consist of a mere signature. An instrument payable to order and indorsed in blank becomes payable to bearer and may be negotiated by delivery alone until specially indorsed.~~

~~(3) The holder may convert a blank indorsement into a special indorsement by writing over the signature of the indorser in blank any contract consistent with the character of the indorsement.))~~

INDORSEMENT. (a) "Indorsement" means a signature, other than that of a signer as maker, drawer, or acceptor, that alone or accompanied by other words is made on an instrument for the purpose of (i) negotiating the instrument, (ii) restricting payment of the instrument, or (iii) incurring indorser's liability on the instrument, but regardless of the intent of the signer, a signature and its accompanying words is an indorsement unless the accompanying words, terms of the instrument, place of the signature, or other circumstances unambiguously indicate that the signature was made for a purpose other than indorsement. For the purpose of determining whether a signature is made on an instrument, a paper affixed to the instrument is a part of the instrument.

(b) "Indorser" means a person who makes an indorsement.

(c) For the purpose of determining whether the transferee of an instrument is a holder, an indorsement that transfers a security interest in the instrument is effective as an unqualified indorsement of the instrument.

(d) If an instrument is payable to a holder under a name that is not the name of the holder, indorsement may be made by the holder in the name stated in the instrument or in the holder's name or both, but signature in both names may be required by a person paying or taking the instrument for value or collection.

Sec. RCW 62A.3-205 and 1965 ex.s. c 157 s 3-205 are each amended to read as follows:

~~((RESTRICTIVE ENDORSEMENTS. An indorsement is restrictive which either~~

~~(a) is conditional; or~~

~~(b) purports to prohibit further transfer of the instrument; or~~

~~(c) includes the words "for collection", "for deposit", "pay any bank", or like terms signifying a purpose of deposit or collection; or~~

~~(d) otherwise states that it is for the benefit or use of the indorser or of another person.))~~

SPECIAL INDORSEMENT; BLANK INDORSEMENT; ANOMALOUS INDORSEMENT. (a) If an indorsement is made by the holder of an instrument, whether payable to an identified person or payable to bearer, and the indorsement identifies a person to whom it makes the instrument payable, it is a "special indorsement." When specially indorsed, an instrument becomes payable to the identified person and may be negotiated only by the indorsement of that person. The principles stated in RCW 62A.3-110 apply to special endorsements.

(b) If an indorsement is made by the holder of an instrument and it is not a special indorsement, it is a "blank indorsement." When indorsed in blank, an instrument becomes payable to bearer and may be negotiated by transfer of possession alone until specially indorsed.

(c) The holder may convert a blank indorsement that consists only of a signature into a special indorsement by writing, above the signature of the indorser, words identifying the person to whom the instrument is made payable.

(d) "Anomalous indorsement" means an indorsement made by a person who is not the holder of the instrument. An anomalous indorsement does not affect the manner in which the instrument may be negotiated.

Sec. RCW 62A.3-206 and 1965 ex.s. c 157 s 3-206 are each amended to read as follows:

~~((EFFECT OF RESTRICTIVE INDORSEMENT. (1) No restrictive indorsement prevents further transfer or negotiation of the instrument.~~

~~(2) An intermediary bank, or a payor bank which is not the depositary bank, is neither given notice nor otherwise affected by a restrictive indorsement of any person except the bank's immediate transferor or the person presenting for payment.~~

~~(3) Except for an intermediary bank, any transferee under an indorsement which is conditional or includes the words "for collection", "for deposit", "pay any bank", or like terms (subparagraphs (a) and (c) of RCW 62A.3-205) must pay or apply any value given by him for or on the security of the instrument consistently with the indorsement and to the extent that he does so he becomes a holder for value. In addition such transferee is a holder in due course if he otherwise complies with the requirements of RCW 62A.3-302 on what constitutes a holder in due course.~~

~~(4) The first taker under an indorsement for the benefit of the indorser or another person (subparagraph (d) of RCW 62A.3-205) must pay or apply any value given by him for or on the security of the instrument consistently with the indorsement and to the extent that he does so he becomes a holder for value. In addition such taker is a holder in due course if he otherwise~~

complies with the requirements of RCW 62A.3-302 on what constitutes a holder in due course. A later holder for value is neither given notice nor otherwise affected by such restrictive indorsement unless he has knowledge that a fiduciary or other person has negotiated the instrument in any transaction for his own benefit or otherwise in breach of duty (subsection (2) of RCW 62A.3-304-:))

RESTRICTIVE INDORSEMENT. (a) An indorsement limiting payment to a particular person or otherwise prohibiting further transfer or negotiation of the instrument is not effective to prevent further transfer or negotiation of the instrument.

(b) An indorsement stating a condition to the right of the indorsee to receive payment does not affect the right of the indorsee to enforce the instrument. A person paying the instrument or taking it for value or collection may disregard the condition, and the rights and liabilities of that person are not affected by whether the condition has been fulfilled.

(c) If an instrument bears an indorsement (i) described in RCW 62A.4-201(b), or (ii) in blank or to a particular bank using the words "for deposit," "for collection," or other words indicating a purpose of having the instrument collected by a bank for the indorser or for a particular account, the following rules apply:

(1) A person, other than a bank, who purchases the instrument when so indorsed converts the instrument unless the amount paid for the instrument is received by the indorser or applied consistently with the indorsement.

(2) A depository bank that purchases the instrument or takes it for collection when so indorsed converts the instrument unless the amount paid by the bank with respect to the instrument is received by the indorser or applied consistently with the indorsement.

(3) A payor bank that is also the depository bank or that takes the instrument for immediate payment over the counter from a person other than a collecting bank converts the instrument unless the proceeds of the instrument are received by the indorser or applied consistently with the indorsement.

(4) Except as otherwise provided in subsection (c)(3), a payor bank or intermediary bank may disregard the indorsement and is not liable if the proceeds of the instrument are not received by the indorser or applied consistently with the indorsement.

(d) Except for an indorsement covered by subsection (c), if an instrument bears an indorsement using words to the effect that payment is to be made to the indorsee as agent, trustee, or other fiduciary for the benefit of the indorser or another person, the following rules apply:

(1) Unless there is notice of breach of fiduciary duty as provided in RCW 62A.3-307, a person who purchases the instrument from the indorsee or takes the instrument from the indorsee for collection or payment may pay the proceeds of payment or the value given for the instrument to the indorsee without regard to whether the indorsee violates a fiduciary duty to the indorser.

(2) A subsequent transferee of the instrument or person who pays the instrument is neither given notice nor otherwise affected by the restriction in the indorsement unless the transferee or payor knows that the fiduciary dealt with the instrument or its proceeds in breach of fiduciary duty.

(e) The presence on an instrument of an indorsement to which this section applies does not prevent a purchaser of the instrument from becoming a holder in due course of the instrument unless the purchaser is a converter under subsection (c) or has notice or knowledge of breach of fiduciary duty as stated in subsection (d).

(f) In an action to enforce the obligation of a party to pay the instrument, the obligor has a defense if payment would violate an indorsement to which this section applies and the payment is not permitted by this section.

Sec. RCW 62A.3-207 and 1965 ex.s. c 157 s 3-207 are each amended to read as follows:

~~((NEGOTIATION EFFECTIVE ALTHOUGH IT MAY BE RESCINDED. (1) Negotiation is effective to transfer the instrument although the negotiation is~~

~~(a) made by an infant, a corporation exceeding its powers, or any other person without capacity; or~~

~~(b) obtained by fraud, duress or mistake of any kind; or~~

~~(c) part of an illegal transaction; or~~

~~(d) made in breach of duty.~~

~~(2) Except as against a subsequent holder in due course such negotiation is in an appropriate case subject to rescission, the declaration of a constructive trust or any other remedy permitted by law-))~~

REACQUISITION. Reacquisition of an instrument occurs if it is transferred to a former holder, by negotiation or otherwise. A former holder who reacquires the instrument may cancel endorsements made after the reacquirer first became a holder of the instrument. If the cancellation causes the instrument to be payable to the reacquirer or to bearer, the reacquirer may negotiate the instrument. An indorser whose indorsement is canceled is discharged, and the discharge is effective against any subsequent holder.

PART 3

~~((RIGHTS OF A HOLDER))~~ ENFORCEMENT OF INSTRUMENTS

Sec. RCW 62A.3-301 and 1965 ex.s. c 157 s 3-301 are each amended to read as follows:

~~((RIGHTS OF A HOLDER. The holder of an instrument whether or not he is the owner may transfer or negotiate it and, except as otherwise provided in RCW 62A.3-603 on payment or satisfaction, discharge it or enforce payment in his own name-))~~

PERSON ENTITLED TO ENFORCE INSTRUMENT. "Person entitled to enforce" an instrument means (i) the holder of the instrument, (ii) a nonholder in possession of the instrument who has the rights of a holder, or (iii) a person not in possession of the instrument who is entitled to enforce the instrument pursuant to RCW 62A.3-309 (section 37 of this act) or 62A.3-418(d). A person may be a person entitled to enforce the instrument even though the person is not the owner of the instrument or is in wrongful possession of the instrument.

Sec. RCW 62A.3-302 and 1965 ex.s. c 157 s 3-302 are each amended to read as follows:

~~HOLDER IN DUE COURSE. ((1) A holder in due course is a holder who takes the instrument~~

~~(a) for value; and~~

~~(b) in good faith; and~~

~~(c) without notice that it is overdue or has been dishonored or of any defense against or claim to it on the part of any person.~~

~~(2) A payee may be a holder in due course.~~

~~(3) A holder does not become a holder in due course of an instrument:~~

~~(a) by purchase of it at judicial sale or by taking it under legal process; or~~

~~(b) by acquiring it in taking over an estate; or~~

~~(c) by purchasing it as part of a bulk transaction not in regular course of business of the transferor.~~

~~(4) A purchaser of a limited interest can be a holder in due course only to the extent of the interest purchased.))~~

~~(a) Subject to subsection (c) and RCW 62A.3-106(d), "holder in due course" means the holder of an instrument if:~~

~~(1) The instrument when issued or negotiated to the holder does not bear such apparent evidence of forgery or alteration or is not otherwise so irregular or incomplete as to call into question its authenticity; and~~

~~(2) The holder took the instrument (i) for value, (ii) in good faith, (iii) without notice that the instrument is overdue or has been dishonored or that there is an uncured default with respect to payment of another instrument issued as part of the same series, (iv) without notice that the instrument contains an unauthorized signature or has been altered, (v) without notice of any claim to the instrument described in RCW 62A.3-306, and (vi) without notice that any party has a defense or claim in recoupment described in RCW 62A.3-305(a).~~

~~(b) Notice of discharge of a party, other than discharge in an insolvency proceeding, is not notice of a defense under subsection (a), but discharge is effective against a person who became a holder in due course with notice of the discharge. Public filing or recording of a document does not of itself constitute notice of a defense, claim in recoupment, or claim to the instrument.~~

~~(c) Except to the extent a transferor or predecessor in interest has rights as a holder in due course, a person does not acquire rights of a holder in due course of an instrument taken (i) by legal process or by purchase in an execution, bankruptcy, or creditor's sale or similar proceeding, (ii) by purchase as part of a bulk transaction not in ordinary course of business of the transferor, or (iii) as the successor in interest to an estate or other organization.~~

~~(d) If, under RCW 62A.3-303(a)(1), the promise of performance that is the consideration for an instrument has been partially performed, the holder may assert rights as a holder in due course of the instrument only to the fraction of the amount payable under the instrument equal to the value of the partial performance divided by the value of the promised performance.~~

~~(e) If (i) the person entitled to enforce an instrument has only a security interest in the instrument and (ii) the person obliged to pay the instrument has a defense, claim in recoupment, or claim to the instrument that may be asserted against the person who granted the security interest, the person entitled to enforce the instrument may assert rights as a holder in due course only to an amount payable under the instrument which, at the time of enforcement of the instrument, does not exceed the amount of the unpaid obligation secured.~~

~~(f) To be effective, notice must be received at a time and in a manner that gives a reasonable opportunity to act on it.~~

~~(g) This section is subject to any law limiting status as a holder in due course in particular classes of transactions.~~

Sec. RCW 62A.3-303 and 1965 ex.s. c 157 s 3-303 are each amended to read as follows:

~~((TAKING FOR VALUE. A holder takes the instrument for value~~

~~(a) to the extent that the agreed consideration has been performed or that he acquires a security interest in or a lien on the instrument otherwise than by legal process; or~~

~~(b) when he takes the instrument in payment of or as security for an antecedent claim against any person whether or not the claim is due; or~~

~~(c) when he gives a negotiable instrument for it or makes an irrevocable commitment to a third person.))~~

VALUE AND CONSIDERATION. (a) An instrument is issued or transferred for value if:

(1) The instrument is issued or transferred for a promise of performance, to the extent the promise has been performed;

(2) The transferee acquires a security interest or other lien in the instrument other than a lien obtained by judicial proceeding;

(3) The instrument is issued or transferred as payment of, or as security for, an antecedent claim against any person, whether or not the claim is due;

(4) The instrument is issued or transferred in exchange for a negotiable instrument; or

(5) The instrument is issued or transferred in exchange for the incurring of an irrevocable obligation to a third party by the person taking the instrument.

(b) "Consideration" means any consideration sufficient to support a simple contract. The drawer or maker of an instrument has a defense if the instrument is issued without consideration. If an instrument is issued for a promise of

performance, the issuer has a defense to the extent performance of the promise is due and the promise has not been performed. If an instrument is issued for value as stated in subsection (a), the instrument is also issued for consideration.

Sec. RCW 62A.3-304 and 1965 ex.s. c 157 s 3-304 are each amended to read as follows:

~~((NOTICE TO PURCHASER. (1) The purchaser has notice of a claim or defense if~~

~~(a) the instrument is so incomplete, bears such visible evidence of forgery or alteration, or is otherwise so irregular as to call into question its validity, terms or ownership or to create an ambiguity as to the party to pay; or~~

~~(b) the purchaser has notice that the obligation of any party is voidable in whole or in part, or that all parties have been discharged.~~

~~(2) The purchaser has notice of a claim against the instrument when he has knowledge that a fiduciary has negotiated the instrument in payment of or as security for his own debt or in any transaction for his own benefit or otherwise in breach of duty.~~

~~(3) The purchaser has notice that an instrument is overdue if he has reason to know~~

~~(a) that any part of the principal amount is overdue or that there is an uncured default in payment of another instrument of the same series; or~~

~~(b) that acceleration of the instrument has been made; or~~

~~(c) that he is taking a demand instrument after demand has been made or more than a reasonable length of time after its issue. A reasonable time for a check drawn and payable within the states and territories of the United States and the District of Columbia is presumed to be thirty days.~~

~~(4) Knowledge of the following facts does not of itself give the purchaser notice of a defense or claim~~

~~(a) that the instrument is antedated or postdated;~~

~~(b) that it was issued or negotiated in return for an executory promise or accompanied by a separate agreement, unless the purchaser has notice that a defense or claim has arisen from the terms thereof;~~

~~(c) that any party has signed for accommodation;~~

~~(d) that an incomplete instrument has been completed, unless the purchaser has notice of any improper completion;~~

~~(e) that any person negotiating the instrument is or was a fiduciary;~~

~~(f) that there has been default in payment of interest on the instrument or in payment of any other instrument, except one of the same series.~~

~~(5) The filing or recording of a document does not of itself constitute notice within the provisions of this Article to a person who would otherwise be a holder in due course.~~

~~(6) To be effective notice must be received at such time and in such manner as to give a reasonable opportunity to act on it.))~~

OVERDUE INSTRUMENT. (a) An instrument payable on demand becomes overdue at the earliest of the following times:

(1) On the day after the day demand for payment is duly made;

(2) If the instrument is a check, 90 days after its date; or

(3) If the instrument is not a check, when the instrument has been outstanding for a period of time after its date which is unreasonably long under the circumstances of the particular case in light of the nature of the instrument and usage of the trade.

(b) With respect to an instrument payable at a definite time the following rules apply:

(1) If the principal is payable in installments and a due date has not been accelerated, the instrument becomes overdue upon default under the instrument for nonpayment of an installment, and the instrument remains overdue until the default is cured.

(2) If the principal is not payable in installments and the due date has not been accelerated, the instrument becomes overdue on the day after the due date.

(3) If a due date with respect to principal has been accelerated, the instrument becomes overdue on the day after the accelerated due date.

(c) Unless the due date of principal has been accelerated, an instrument does not become overdue if there is default in payment of interest but no default in payment of principal.

Sec. RCW 62A.3-305 and 1965 ex.s. c 157 s 3-305 are each amended to read as follows:

~~((RIGHTS OF A HOLDER IN DUE COURSE. To the extent that a holder is a holder in due course he takes the instrument free from~~

~~(1) all claims to it on the part of any person; and~~

~~(2) all defenses of any party to the instrument with whom the holder has not dealt except~~

~~(a) infancy, to the extent that it is a defense to a simple contract; and~~

~~(b) such other incapacity, or duress, or illegality of the transaction, as renders the obligation of the party a nullity; and~~

~~(c) such misrepresentation as has induced the party to sign the instrument with neither knowledge nor reasonable opportunity to obtain knowledge of its character or its essential terms; and~~

~~(d) discharge in insolvency proceedings; and~~

~~(e) any other discharge of which the holder has notice when he takes the instrument.))~~

DEFENSES AND CLAIMS IN RECOUPMENT. (a) Except as stated in subsection (b), the right to enforce the obligation of a party to pay an instrument is subject to the following:

(1) A defense of the obligor based on (i) infancy of the obligor to the extent it is a defense to a simple contract, (ii) duress, lack of legal capacity, or illegality of the transaction which, under other law, nullifies the obligation of the obligor, (iii) fraud that induced the obligor to sign the instrument with neither knowledge nor reasonable opportunity to learn of its character or its essential terms, or (iv) discharge of the obligor in insolvency proceedings;

(2) A defense of the obligor stated in another section of this Article or a defense of the obligor that would be available if the person entitled to enforce the instrument were enforcing a right to payment under a simple contract; and

(3) A claim in recoupment of the obligor against the original payee of the instrument if the claim arose from the transaction that gave rise to the instrument; but the claim of the obligor may be asserted against a transferee of the instrument only to reduce the amount owing on the instrument at the time the action is brought.

(b) The right of a holder in due course to enforce the obligation of a party to pay the instrument is subject to defenses of the obligor stated in subsection (a)(1), but is not subject to defenses of the obligor stated in subsection (a)(2) or claims in recoupment stated in subsection (a)(3) against a person other than the holder.

(c) Except as stated in subsection (d), in an action to enforce the obligation of a party to pay the instrument, the obligor may not assert against the person entitled to enforce the instrument a defense, claim in recoupment, or claim to the instrument (RCW 62A.3-306) of another person, but the other person's claim to the instrument may be asserted by the obligor if the other person is joined in the action and personally asserts the claim against the person entitled to enforce the instrument. An obligor is not obliged to pay the instrument if the person seeking enforcement of the instrument does not have rights of a holder in due course and the obligor proves that the instrument is a lost or stolen instrument.

(d) In an action to enforce the obligation of an accommodation party to pay an instrument, the accommodation party may assert against the person entitled to enforce the instrument any defense or claim in recoupment under subsection (a) that the accommodated party could assert against the person entitled to enforce the instrument, except the defenses of discharge in insolvency proceedings, infancy, and lack of legal capacity.

Sec. RCW 62A.3-306 and 1965 ex.s. c 157 s 3-306 are each amended to read as follows:

~~((RIGHTS OF ONE NOT HOLDER IN DUE COURSE. Unless he has the rights of a holder in due course any person takes the instrument subject to~~

~~(a) all valid claims to it on the part of any person; and~~

~~(b) all defenses of any party which would be available in an action on a simple contract; and~~

~~(c) the defenses of want or failure of consideration, non performance of any condition precedent, non delivery, or delivery for a special purpose (RCW 62A.3-408); and~~

~~(d) the defense that he or a person through whom he holds the instrument acquired it by theft, or that payment or satisfaction to such holder would be inconsistent with the terms of a restrictive indorsement. The claim of any third person to the instrument is not otherwise available as a defense to any party liable thereon unless the third person himself defends the action for such party.))~~

CLAIMS TO AN INSTRUMENT. A person taking an instrument, other than a person having rights of a holder in due course, is subject to a claim of a property or possessory right in the instrument or its proceeds, including a claim to rescind a negotiation and to recover the instrument or its proceeds. A person having rights of a holder in due course takes free of the claim to the instrument.

Sec. RCW 62A.3-307 and 1965 ex.s. c 157 s 3-307 are each amended to read as follows:

~~((BURDEN OF ESTABLISHING SIGNATURES, DEFENSES AND DUE COURSE. (1) Unless specifically denied in the pleadings each signature on an instrument is admitted. When the effectiveness of a signature is put in issue~~

~~(a) the burden of establishing it is on the party claiming under the signature; but~~

~~(b) the signature is presumed to be genuine or authorized except where the action is to enforce the obligation of a purported signer who has died or become incompetent before proof is required.~~

~~(2) When signatures are admitted or established, production of the instrument entitles a holder to recover on it unless the defendant establishes a defense.~~

~~(3) After it is shown that a defense exists a person claiming the rights of a holder in due course has the burden of establishing that he or some person under whom he claims is in all respects a holder in due course.))~~

NOTICE OF BREACH OF FIDUCIARY DUTY. (a) In this section:

(1) "Fiduciary" means an agent, trustee, partner, corporate officer or director, or other representative owing a fiduciary duty with respect to an instrument.

(2) "Represented person" means the principal, beneficiary, partnership, corporation, or other person to whom the duty stated in subsection (a)(1) is owed.

(b) If (i) an instrument is taken from a fiduciary for payment or collection or for value, (ii) the taker has knowledge of the fiduciary status of the fiduciary, and (iii) the represented person makes a claim to the instrument or its proceeds on the basis that the transaction of the fiduciary is a breach of fiduciary duty, the following rules apply:

(1) Notice of breach of fiduciary duty by the fiduciary is notice of the claim of the represented person.

(2) In the case of an instrument payable to the represented person or the fiduciary as such, the taker has notice of the breach of fiduciary duty if the instrument is (i) taken in payment of or as security for a debt known by the taker to be the personal debt of the fiduciary, (ii) taken in a transaction known by the taker to be for the personal benefit of the fiduciary, or (iii) deposited to an account other than an account of the fiduciary, as such, or an account of the represented person.

(3) If an instrument is issued by the represented person or the fiduciary as such, and made payable to the fiduciary personally, the taker does not have notice of the breach of fiduciary duty unless the taker knows of the breach of fiduciary duty.

(4) If an instrument is issued by the represented person or the fiduciary as such, to the taker as payee, the taker has notice of the breach of fiduciary duty if the instrument is (i) taken in payment of or as security for a debt known by the taker to be the personal debt of the fiduciary, (ii) taken in a transaction known by the taker to be for the personal benefit of the fiduciary, or (iii) deposited to an account other than an account of the fiduciary, as such, or an account of the represented person.

NEW SECTION. Sec. A new section is added to Title 62A RCW, to be codified as RCW 62A.3-308, to read as follows:

PROOF OF SIGNATURES AND STATUS AS HOLDER IN DUE COURSE. (a) In an action with respect to an instrument, the authenticity of, and authority to make, each signature on the instrument is admitted unless specifically denied in the pleadings. If the validity of a signature is denied in the pleadings, the burden of establishing validity is on the person claiming validity, but the signature is presumed to be authentic and authorized unless the action is to enforce the liability of the purported signer and the signer is dead or incompetent at the time of trial of the issue of validity of the signature. If an action to enforce the instrument is brought against a person as the undisclosed principal of a person who signed the instrument as a party to the instrument, the plaintiff has the burden of establishing that the defendant is liable on the instrument as a represented person under RCW 62A.3-402(a).

(b) If the validity of signatures is admitted or proved and there is compliance with subsection (a), a plaintiff producing the instrument is entitled to payment if the plaintiff proves entitlement to enforce the instrument under RCW 62A.3-301, unless the defendant proves a defense or claim in recoupment. If a defense or claim in recoupment is proved, the right to payment of the plaintiff is subject to the defense or claim, except to the extent the plaintiff proves that the plaintiff has rights of a holder in due course which are not subject to the defense or claim.

NEW SECTION. Sec. A new section is added to Title 62A RCW, to be codified as RCW 62A.3-309, to read as follows:

ENFORCEMENT OF LOST, DESTROYED, OR STOLEN INSTRUMENT. (a) A person not in possession of an instrument is entitled to enforce the instrument if (i) the person was in possession of the instrument and entitled to enforce it when loss of possession occurred, (ii) the loss of possession was not the result of a transfer by the person or a lawful seizure, and (iii) the person cannot reasonably obtain possession of the instrument because the instrument was destroyed, its whereabouts cannot be determined, or it is in the wrongful possession of an unknown person or a person that cannot be found or is not amenable to service of process.

(b) A person seeking enforcement of an instrument under subsection (a) must prove the terms of the instrument and the person's right to enforce the instrument. If that proof is made, RCW 62A.3-308 (section 36 of this act) applies to the case as if the person seeking enforcement had produced the instrument. The court may not enter judgment in favor of the person seeking enforcement unless it finds that the person required to pay the instrument is adequately protected against loss that might occur by reason of a claim by another person to enforce the instrument. Adequate protection may be provided by any reasonable means.

NEW SECTION. Sec. A new section is added to Title 62A RCW, to be codified as RCW 62A.3-310, to read as follows:

EFFECT OF INSTRUMENT ON OBLIGATION FOR WHICH TAKEN. (a) Unless otherwise agreed, if a certified check, cashier's check, or teller's check is taken for an obligation, the obligation is discharged to the same extent discharge would result if an amount of money equal to the amount of the instrument were taken in payment of the obligation. Discharge of the obligation does not affect any liability that the obligor may have as an indorser of the instrument.

(b) Unless otherwise agreed and except as provided in subsection (a), if a note or an uncertified check is taken for an obligation, the obligation is suspended to the same extent the obligation would be discharged if an amount of money equal to the amount of the instrument were taken, and the following rules apply:

(1) In the case of an uncertified check, suspension of the obligation continues until dishonor of the check or until it is paid or certified. Payment or certification of the check results in discharge of the obligation to the extent of the amount of the check.

(2) In the case of a note, suspension of the obligation continues until dishonor of the note or until it is paid. Payment of the note results in discharge of the obligation to the extent of the payment.

(3) Except as provided in subsection (b)(4), if the check or note is dishonored and the obligee of the obligation for which the instrument was taken is the person entitled to enforce the instrument, the obligee may enforce either the instrument or the obligation. In the case of an instrument of a third person which is negotiated to the obligee by the obligor, discharge of the obligor on the instrument also discharges the obligation.

(4) If the person entitled to enforce the instrument taken for an obligation is a person other than the obligee, the obligee may not enforce the obligation to the extent the obligation is suspended. If the obligee is the person entitled to enforce the instrument but no longer has possession of it because it was lost, stolen, or destroyed, the obligation may not be enforced to the extent of the amount payable on the instrument, and to that extent the obligee's rights against the obligor are limited to enforcement of the instrument.

(c) If an instrument other than one described in subsection (a) or (b) is taken for an obligation, the effect is (i) that stated in subsection (a) if the instrument is one on which a bank is liable as maker or acceptor, or (ii) that stated in subsection (b) in any other case.

NEW SECTION. **Sec.** A new section is added to Title 62A RCW, to be codified as RCW 62A.3-311, to read as follows:

ACCORD AND SATISFACTION BY USE OF INSTRUMENT. (a) If a person against whom a claim is asserted proves that (i) that person in good faith tendered an instrument to the claimant as full satisfaction of the claim, (ii) the amount of the claim was unliquidated or subject to a bona fide dispute, and (iii) the claimant obtained payment of the instrument, the following subsections apply.

(b) Unless subsection (c) applies, the claim is discharged if the person against whom the claim is asserted proves that the instrument or an accompanying written communication contained a conspicuous statement to the effect that the instrument was tendered as full satisfaction of the claim.

(c) Subject to subsection (d), a claim is not discharged under subsection (b) if either of the following applies:

(1) The claimant, if an organization, proves that (i) within a reasonable time before the tender, the claimant sent a conspicuous statement to the person against whom the claim is asserted that communications concerning disputed debts, including an instrument tendered as full satisfaction of a debt, are to be sent to a designated person, office, or place, and (ii) the instrument or accompanying communication was not received by that designated person, office, or place.

(2) The claimant, whether or not an organization, proves that within 90 days after payment of the instrument, the claimant tendered repayment of the amount of the instrument to the person against whom the claim is asserted. This subsection (c)(2) does not apply if the claimant is an organization that sent a statement complying with subsection (c)(1)(i).

(d) A claim is discharged if the person against whom the claim is asserted proves that within a reasonable time before collection of the instrument was initiated, the claimant, or an agent of the claimant having direct responsibility with respect to the disputed obligation, knew that the instrument was tendered in full satisfaction of the claim.

NEW SECTION. **Sec.** A new section is added to Title 62A RCW, to be codified as RCW 62A.3-312, to read as follows:

LOST, DESTROYED, OR STOLEN CASHIER'S CHECK, TELLER'S CHECK, OR CERTIFIED CHECK. (a) In this section:

(1) "Check" means a cashier's check, teller's check, or certified check.

(2) "Claimant" means a person who claims the right to receive the amount of a cashier's check, teller's check, or certified check that was lost, destroyed, or stolen.

(3) "Declaration of loss" means a written statement, made under penalty of perjury, to the effect that (i) the declarer lost possession of a check, (ii) the declarer is the drawer or payee of the check, in the case of a certified check, or the remitter or payee of the check, in the case of a cashier's check or teller's check, (iii) the loss of possession was not the result of a transfer by the declarer or a lawful seizure, and (iv) the declarer cannot reasonably obtain possession of the check because the check was destroyed, its whereabouts cannot be determined, or it is in the wrongful possession of an unknown person or a person that cannot be found or is not amendable to service of process.

(4) "Obligated bank" means the insurer of a cashier's check or teller's check or the acceptor of a certified check.

(b) A claimant may assert a claim to the amount of a check by a communication to the obligated bank describing the check with reasonable certainty and requesting payment of the amount of the check, if (i) the claimant is the drawer or payee of a certified check or the remitter or payee of a cashier's check or teller's check, (ii) the communication contains or is accompanied by a declaration of loss of the claimant with respect to the check, (iii) the communication is received at a time and in a manner affording the bank a reasonable time to act on it before the check is paid, and (iv) the claimant provides reasonable identification if requested by the obligated bank. Delivery of a declaration of loss is a warranty of the truth of the statements made in the declaration. If a claim is asserted in compliance with this subsection, the following rules apply:

(1) The claim becomes enforceable at the later of (i) the time the claim is asserted, or (ii) the ninetieth day following the date of the check, in the case of a cashier's check or teller's check, or the ninetieth day following the date of the acceptance, in the case of a certified check.

(2) Until the claim becomes enforceable, it has no legal effect and the obligated bank may pay the check or, in the case of a teller's check, may permit the drawee to pay the check. Payment to a person entitled to enforce the check discharges all liability of the obligated bank with respect to the check.

(3) If the claim becomes enforceable before the check is presented for payment, the obligated bank is not obliged to pay the check.

(4) When the claim becomes enforceable, the obligated bank becomes obliged to pay the amount of the check to the claimant if payment of the check has not been made to a person entitled to enforce the check. Subject to RCW 62A.4-302(a), payment to the claimant discharges all liability of the obligated bank with respect to the check.

(c) If the obligated bank pays the amount of a check to a claimant under subsection (b)(4) and the check is presented for payment by a person having rights of a holder in due course, the claimant is obliged to (i) refund the payment to the obligated bank if the check is paid, or (ii) pay the amount of the check to the person having rights of a holder in due course if the check is dishonored.

(d) If a claimant has the right to assert a claim under subsection (b) and is also a person entitled to enforce a cashier's check, teller's check, or certified check that is lost, destroyed, or stolen, the claimant may assert rights with respect to the check under this section.

PART 4 LIABILITY OF PARTIES

Sec. RCW 62A.3-401 and 1965 ex.s. c 157 s 3-401 are each amended to read as follows:

~~SIGNATURE. ((1) No))~~ (a) A person is not liable on an instrument unless (his signature appears thereon) (i) the person signed the instrument, or (ii) the person is represented by an agent or representative who signed the instrument and the signature is binding on the represented person under RCW 62A.3-402.

~~((2))~~ (b) A signature ((is)) may be made ((by use of any name, including any trade or assumed name, upon an instrument, or by any word or mark used in lieu of a written signature)) (i) manually or by means of a device or machine, and (ii) by the use of any name, including a trade or assumed name, or by a word, mark, or symbol executed or adopted by a person with present intention to authenticate a writing.

Sec. RCW 62A.3-402 and 1965 ex.s. c 157 s 3-402 are each amended to read as follows:

~~((SIGNATURE IN AMBIGUOUS CAPACITY. Unless the instrument clearly indicates that a signature is made in some other capacity it is an indorsement.))~~

SIGNATURE BY REPRESENTATIVE. (a) If a person acting, or purporting to act, as a representative signs an instrument by signing either the name of the represented person or the name of the signer, the represented person is bound by the signature to the same extent the represented person would be bound if the signature were on a simple contract. If the represented person is bound, the signature of the representative is the "authorized signature of the represented person" and the represented person is liable on the instrument, whether or not identified in the instrument.

(b) If a representative signs the name of the representative to an instrument and the signature is an authorized signature of the represented person, the following rules apply:

(1) If the form of the signature shows unambiguously that the signature is made on behalf of the represented person who is identified in the instrument, the representative is not liable on the instrument.

(2) Subject to subsection (c), if (i) the form of the signature does not show unambiguously that the signature is made in a representative capacity or (ii) the represented person is not identified in the instrument, the representative is liable on the instrument to a holder in due course that took the instrument without notice that the representative was not intended to be liable on the instrument. With respect to any other person, the representative is liable on the instrument unless the representative proves that the original parties did not intend the representative to be liable on the instrument.

(c) If a representative signs the name of the representative as drawer of a check without indication of the representative status and the check is payable from an account of the represented person who is identified on the check, the signer is not liable on the check if the signature is an authorized signature of the represented person.

Sec. RCW 62A.3-403 and 1965 ex.s. c 157 s 3-403 are each amended to read as follows:

~~((SIGNATURE BY AUTHORIZED REPRESENTATIVE. (1) A signature may be made by an agent or other representative, and his authority to make it may be established as in other cases of representation. No particular form of appointment is necessary to establish such authority.~~

~~(2) An authorized representative who signs his own name to an instrument~~

~~(a) is personally obligated if the instrument neither names the person represented nor shows that the representative signed in a representative capacity;~~

~~(b) except as otherwise established between the immediate parties, is personally obligated if the instrument names the person represented but does not show that the representative signed in a representative capacity, or if the instrument does not name the person represented but does show that the representative signed in a representative capacity.~~

~~(3) Except as otherwise established the name of an organization preceded or followed by the name and office of an authorized individual is a signature made in a representative capacity.))~~

UNAUTHORIZED SIGNATURE. (a) Unless otherwise provided in this Article or Article 4, an unauthorized signature is ineffective except as the signature of the unauthorized signer in favor of a person who in good faith pays the instrument or takes it for value. An unauthorized signature may be ratified for all purposes of this Article.

(b) If the signature of more than one person is required to constitute the authorized signature of an organization, the signature of the organization is unauthorized if one of the required signatures is lacking.

(c) The civil or criminal liability of a person who makes an unauthorized signature is not affected by any provision of this Article which makes the unauthorized signature effective for the purposes of this Article.

Sec. RCW 62A.3-404 and 1965 ex.s. c 157 s 3-404 are each amended to read as follows:

~~((UNAUTHORIZED SIGNATURES. (1) Any unauthorized signature is wholly inoperative as that of the person whose name is signed unless he ratifies it or is precluded from denying it; but it operates as the signature of the unauthorized signer in favor of any person who in good faith pays the instrument or takes it for value.~~

~~(2) Any unauthorized signature may be ratified for all purposes of this Article. Such ratification does not of itself affect any rights of the person ratifying against the actual signer.)~~

IMPOSTORS; FICTITIOUS PAYEES. (a) If an impostor, by use of the mails or otherwise, induces the issuer of an instrument to issue the instrument to the impostor, or to a person acting in concert with the impostor, by impersonating the payee of the instrument or a person authorized to act for the payee, an indorsement of the instrument by any person in the name of the payee is effective as the indorsement of the payee in favor of a person who, in good faith, pays the instrument or takes it for value or for collection.

(b) If (i) a person whose intent determines to whom an instrument is payable (RCW 62A.3-110 (a) or (b)) does not intend the person identified as payee to have any interest in the instrument, or (ii) the person identified as payee of an instrument is a fictitious person, the following rules apply until the instrument is negotiated by special indorsement:

(1) Any person in possession of the instrument is its holder.

(2) An indorsement by any person in the name of the payee stated in the instrument is effective as the indorsement of the payee in favor of a person who, in good faith, pays the instrument or takes it for value or for collection.

(c) Under subsection (a) or (b), an indorsement is made in the name of a payee if (i) it is made in a name substantially similar to that of the payee or (ii) the instrument, whether or not indorsed, is deposited in a depository bank to an account in a name substantially similar to that of the payee.

(d) With respect to an instrument to which subsection (a) or (b) applies, if a person paying the instrument or taking it for value or for collection fails to exercise ordinary care in paying or taking the instrument and that failure contributes to loss resulting from payment of the instrument, the person bearing the loss may recover from the person failing to exercise ordinary care to the extent the failure to exercise ordinary care contributed to the loss.

Sec. RCW 62A.3-405 and 1965 ex.s. c 157 s 3-405 are each amended to read as follows:

~~((IMPOSTORS; SIGNATURE IN NAME OF PAYEE. (1) An indorsement by any person in the name of a named payee is effective if~~

~~(a) an impostor by use of the mails or otherwise has induced the maker or drawer to issue the instrument to him or his confederate in the name of the payee; or~~

~~(b) a person signing as or on behalf of a maker or drawer intends the payee to have no interest in the instrument; or~~

~~(c) an agent or employee of the maker or drawer has supplied him with the name of the payee intending the latter to have no such interest.~~

~~(2) Nothing in this section shall affect the criminal or civil liability of the person so indorsing.)~~

EMPLOYER'S RESPONSIBILITY FOR FRAUDULENT INDORSEMENT BY EMPLOYEE. (a) In this section:

(1) "Employee" includes an independent contractor and employee of an independent contractor retained by the employer.

(2) "Fraudulent indorsement" means (i) in the case of an instrument payable to the employer, a forged indorsement purporting to be that of the employer, or (ii) in the case of an instrument with respect to which the employer is the issuer, a forged indorsement purporting to be that of the person identified as payee.

(3) "Responsibility" with respect to instruments means authority (i) to sign or indorse instruments on behalf of the employer, (ii) to process instruments received by the employer for bookkeeping purposes, for deposit to an account, or for other disposition, (iii) to prepare or process instruments for issue in the name of the employer, (iv) to supply information determining the names or addresses of payees of instruments to be issued in the name of the employer, (v) to control the disposition of instruments to be issued in the name of the employer, or (vi) to act otherwise with respect to instruments in a responsible capacity. "Responsibility" does not include authority that merely allows an employee to have access to instruments or blank or incomplete instrument forms that are being stored or transported or are part of incoming or outgoing mail, or similar access.

(b) For the purpose of determining the rights and liabilities of a person who, in good faith, pays an instrument or takes it for value or for collection, if an employer entrusted an employee with responsibility with respect to the instrument and the employee or a person acting in concert with the employee makes a fraudulent indorsement of the instrument, the indorsement is effective as the indorsement of the person to whom the instrument is payable if it is made in the name of that person. If the person paying the instrument or taking it for value or for collection fails to exercise ordinary care in paying or taking the instrument and that failure contributes to loss resulting from the fraud, the person bearing the loss may recover from the person failing to exercise ordinary care to the extent the failure to exercise ordinary care contributed to the loss.

(c) Under subsection (b), an indorsement is made in the name of the person to whom an instrument is payable if (i) it is made in a name substantially similar to the name of that person or (ii) the instrument, whether or not indorsed, is deposited in a depository bank to an account in a name substantially similar to the name of that person.

Sec. RCW 62A.3-406 and 1965 ex.s. c 157 s 3-406 are each amended to read as follows:

NEGLIGENCE CONTRIBUTING TO FORGED SIGNATURE OR ALTERATION ((OR UNAUTHORIZED SIGNATURE)) OF INSTRUMENT. ~~((Any))~~ (a) A person ~~((who by his negligence substantially))~~ whose failure to exercise ordinary care contributes to ~~((a material))~~ an alteration of ~~((the))~~ an instrument or to the making of ~~((an unauthorized signature))~~ a forged signature on an instrument is precluded from asserting the alteration or ~~((lack of authority))~~ the forgery against a ~~((holder in due course or against a drawee or other payor))~~ person who, in good faith, pays the instrument ~~((in good faith and in accordance with the reasonable commercial standards of the drawee's or payor's business))~~ or takes it for value or for collection.

(b) Under subsection (a), if the person asserting the preclusion fails to exercise ordinary care in paying or taking the instrument and that failure contributes to loss, the loss is allocated between the person precluded and the person asserting the preclusion according to the extent to which the failure of each to exercise ordinary care contributed to the loss.

(c) Under subsection (a), the burden of proving failure to exercise ordinary care is on the person asserting the preclusion. Under subsection (b), the burden of proving failure to exercise ordinary care is on the person precluded.

Sec. RCW 62A.3-407 and 1965 ex.s. c 157 s 3-407 are each amended to read as follows:

~~ALTERATION. ((1) Any alteration of an instrument is material which changes the contract of any party thereto in any respect, including any such change in~~

~~(a) the number or relations of the parties; or~~

~~(b) an incomplete instrument, by completing it otherwise than as authorized; or~~

~~(c) the writing as signed, by adding to it or by removing any part of it.~~

~~(2) As against any person other than a subsequent holder in due course~~

~~(a) alteration by the holder which is both fraudulent and material discharges any party whose contract is thereby changed unless that party assents or is precluded from asserting the defense;~~

~~(b) no other alteration discharges any party and the instrument may be enforced according to its original tenor, or as to incomplete instruments according to the authority given.~~

~~(3) A subsequent holder in due course may in all cases enforce the instrument according to its original tenor, and when an incomplete instrument has been completed, he may enforce it as completed.) (a) "Alteration" means (i) an unauthorized change in an instrument that purports to modify in any respect the obligation of a party, or (ii) an unauthorized addition of words or numbers or other change to an incomplete instrument relating to the obligation of a party.~~

(b) Except as provided in subsection (c), an alteration fraudulently made discharges a party whose obligation is affected by the alteration unless that party assents or is precluded from asserting the alteration. No other alteration discharges a party, and the instrument may be enforced according to its original terms.

(c) A payor bank or drawee paying a fraudulently altered instrument or a person taking it for value, in good faith and without notice of the alteration, may enforce rights with respect to the instrument (i) according to its original terms, or (ii) in the case of an incomplete instrument altered by unauthorized completion, according to its terms as completed.

Sec. RCW 62A.3-408 and 1965 ex.s. c 157 s 3-408 are each amended to read as follows:

~~((CONSIDERATION. Want or failure of consideration is a defense as against any person not having the rights of a holder in due course (RCW 62A.3-305), except that no consideration is necessary for an instrument or obligation thereon given in payment of or as security for an antecedent obligation of any kind. Nothing in this section shall be taken to displace any statute outside this Title under which a promise is enforceable notwithstanding lack or failure of consideration. Partial failure of consideration is a defense pro tanto whether or not the failure is in an ascertained or liquidated amount.))~~

DRAWEE NOT LIABLE ON UNACCEPTED DRAFT. A check or other draft does not of itself operate as an assignment of funds in the hands of the drawee available for its payment, and the drawee is not liable on the instrument until the drawee accepts it.

Sec. RCW 62A.3-409 and 1965 ex.s. c 157 s 3-409 are each amended to read as follows:

~~((DRAFT NOT AN ASSIGNMENT. (1) A check or other draft does not of itself operate as an assignment of any funds in the hands of the drawee available for its payment, and the drawee is not liable on the instrument until he accepts it.~~

~~(2) Nothing in this section shall affect any liability in contract, tort or otherwise arising from any letter of credit or other obligation or representation which is not an acceptance.))~~

ACCEPTANCE OF DRAFT; CERTIFIED CHECK. (a) "Acceptance" means the drawee's signed agreement to pay a draft as presented. It must be written on the draft and may consist of the drawee's signature alone. Acceptance may be made at any time and becomes effective when notification pursuant to instructions is given or the accepted draft is delivered for the purpose of giving rights on the acceptance to any person.

(b) A draft may be accepted although it has not been signed by the drawer, is otherwise incomplete, is overdue, or has been dishonored.

(c) If a draft is payable at a fixed period after sight and the acceptor fails to date the acceptance, the holder may complete the acceptance by supplying a date in good faith.

(d) "Certified check" means a check accepted by the bank on which it is drawn. Acceptance may be made as stated in subsection (a) or by a writing on the check which indicates that the check is certified. The drawee of a check has no obligation to certify the check, and refusal to certify is not dishonor of the check.

Sec. RCW 62A.3-410 and 1965 ex.s. c 157 s 3-410 are each amended to read as follows:

~~((DEFINITION AND OPERATION OF ACCEPTANCE. (1) Acceptance is the drawee's signed engagement to honor the draft as presented. It must be written on the draft, and may consist of his signature alone. It becomes operative when completed by delivery or notification.~~

~~(2) A draft may be accepted although it has not been signed by the drawer or is otherwise incomplete or is overdue or has been dishonored.~~

~~(3) Where the draft is payable at a fixed period after sight and the acceptor fails to date his acceptance the holder may complete it by supplying a date in good faith.)~~

ACCEPTANCE VARYING DRAFT. (a) If the terms of a drawee's acceptance vary from the terms of the draft as presented, the holder may refuse the acceptance and treat the draft as dishonored. In that case, the drawee may cancel the acceptance.

(b) The terms of a draft are not varied by an acceptance to pay at a particular bank or place in the United States, unless the acceptance states that the draft is to be paid only at that bank or place.

(c) If the holder assents to an acceptance varying the terms of a draft, the obligation of each drawer and indorser that does not expressly assent to the acceptance is discharged.

Sec. RCW 62A.3-411 and 1965 ex.s. c 157 s 3-411 are each amended to read as follows:

~~((CERTIFICATION OF A CHECK. (1) Certification of a check is acceptance. Where a holder procures certification the drawer and all prior indorsers are discharged.~~

~~(2) Unless otherwise agreed a bank has no obligation to certify a check.~~

~~(3) A bank may certify a check before returning it for lack of proper indorsement. If it does so the drawer is discharged.))~~

REFUSAL TO PAY CASHIER'S CHECKS, TELLER'S CHECKS, AND CERTIFIED CHECKS. (a) In this section, "obligated bank" means the acceptor of a certified check or the issuer of a cashier's check or teller's check bought from the issuer.

(b) If the obligated bank wrongfully (i) refuses to pay a cashier's check or certified check, (ii) stops payment of a teller's check, or (iii) refuses to pay a dishonored teller's check, the person asserting the right to enforce the check is entitled to compensation for expenses and loss of interest resulting from the nonpayment and may recover consequential damages if the obligated bank refuses to pay after receiving notice of particular circumstances giving rise to the damages.

(c) Expenses or consequential damages under subsection (b) are not recoverable if the refusal of the obligated bank to pay occurs because (i) the bank suspends payments, (ii) the obligated bank asserts a claim or defense of the bank that it has reasonable grounds to believe is available against the person entitled to enforce the instrument, (iii) the obligated bank has a reasonable doubt whether the person demanding payment is the person entitled to enforce the instrument, or (iv) payment is prohibited by law.

Sec. RCW 62A.3-412 and 1965 ex.s. c 157 s 3-412 are each amended to read as follows:

~~((ACCEPTANCE VARYING DRAFT. (1) Where the drawee's proffered acceptance in any manner varies the draft as presented the holder may refuse the acceptance and treat the draft as dishonored in which case the drawee is entitled to have his acceptance cancelled.~~

~~(2) The terms of the draft are not varied by an acceptance to pay at any particular bank or place in the United States, unless the acceptance states that the draft is to be paid only at such bank or place.~~

~~(3) Where the holder assents to an acceptance varying the terms of the draft each drawer and indorser who does not affirmatively assent is discharged.))~~

OBLIGATION OF ISSUER OF NOTE OR CASHIER'S CHECK. The issuer of a note or cashier's check or other draft drawn on the drawer is obliged to pay the instrument (i) according to its terms at the time it was issued or, if not issued, at the time it first came into possession of a holder, or (ii) if the issuer signed an incomplete instrument, according to its terms when completed, to the extent stated in RCW 62A.3-115 and 62A.3-407. The obligation is owed to a person entitled to enforce the instrument or to an indorser who paid the instrument under RCW 62A.3-415.

Sec. RCW 62A.3-413 and 1965 ex.s. c 157 s 3-413 are each amended to read as follows:

~~((CONTRACT OF MAKER, DRAWER AND ACCEPTOR. (1) The maker or acceptor engages that he will pay the instrument according to its tenor at the time of his engagement or as completed pursuant to RCW 62A.3-115 on incomplete instruments.~~

~~(2) The drawer engages that upon dishonor of the draft and any necessary notice of dishonor or protest he will pay the amount of the draft to the holder or to any indorser who takes it up. The drawer may disclaim this liability by drawing without recourse.~~

~~(3) By making, drawing or accepting the party admits as against all subsequent parties including the drawee the existence of the payee and his then capacity to indorse.))~~

OBLIGATION OF ACCEPTOR. (a) The acceptor of a draft is obliged to pay the draft (i) according to its terms at the time it was accepted, even though the acceptance states that the draft is payable "as originally drawn" or equivalent terms, (ii) if the acceptance varies the terms of the draft, according to the terms of the draft as varied, or (iii) if the acceptance is of a draft that is an incomplete instrument, according to its terms when completed, to the extent stated in RCW 62A.3-115 and 62A.3-407. The obligation is owed to a person entitled to enforce the draft or to the drawer or an indorser who paid the draft under RCW 62A.3-414 or 62A.3-415.

(b) If the certification of a check or other acceptance of a draft states the amount certified or accepted, the obligation of the acceptor is that amount. If (i) the certification or acceptance does not state an amount, (ii) the amount of the instrument is subsequently raised, and (iii) the instrument is then negotiated to a holder in due course, the obligation of the acceptor is the amount of the instrument at the time it was taken by the holder in due course.

Sec. RCW 62A.3-414 and 1965 ex.s. c 157 s 3-414 are each amended to read as follows:

~~((CONTRACT OF INDORSER; ORDER OF LIABILITY. (1) Unless the indorsement otherwise specifies (as by such words as "without recourse") every indorser engages that upon dishonor and any necessary notice of dishonor and protest he will pay the instrument according to its tenor at the time of his indorsement to the holder or to any subsequent indorser who takes it up, even though the indorser who takes it up was not obligated to do so.~~

~~(2) Unless they otherwise agree indorsers are liable to one another in the order in which they indorse, which is presumed to be the order in which their signatures appear on the instrument.))~~

OBLIGATION OF DRAWER. (a) This section does not apply to cashier's checks or other drafts drawn on the drawer.

(b) If an unaccepted draft is dishonored, the drawer is obliged to pay the draft (i) according to its terms at the time it was issued or, if not issued, at the time it first came into possession of a holder, or (ii) if the drawer signed an incomplete instrument, according to its terms when completed, to the extent stated in RCW 62A.3-115 and 62A.3-407. The obligation is owed to a person entitled to enforce the draft or to an indorser who paid the draft under RCW 62A.3-415.

(c) If a draft is accepted by a bank, the drawer is discharged, regardless of when or by whom acceptance was obtained.

(d) If a draft is accepted and the acceptor is not a bank, the obligation of the drawer to pay the draft if the draft is dishonored by the acceptor is the same as the obligation of an indorser under RCW 62A.3-415 (a) and (c).

(e) If a draft states that it is drawn "without recourse" or otherwise disclaims liability of the drawer to pay the draft, the drawer is not liable under subsection (b) to pay the draft if the draft is not a check. A disclaimer of the liability stated in subsection (b) is not effective if the draft is a check.

(f) If (i) a check is not presented for payment or given to a depository bank for collection within 30 days after its date, (ii) the drawee suspends payments after expiration of the 30-day period without paying the check, and (iii) because of the suspension of payments, the drawer is deprived of funds maintained with the drawee to cover payment of the check, the drawer to the extent deprived of funds may discharge its obligation to pay the check by assigning to the person entitled to enforce the check the rights of the drawer against the drawee with respect to the funds.

Sec. RCW 62A.3-415 and 1965 ex.s. c 157 s 3-415 are each amended to read as follows:

~~((CONTRACT OF ACCOMMODATION PARTY. (1) An accommodation party is one who signs the instrument in any capacity for the purpose of lending his name to another party to it.~~

~~(2) When the instrument has been taken for value before it is due the accommodation party is liable in the capacity in which he has signed even though the taker knows of the accommodation.~~

~~(3) As against a holder in due course and without notice of the accommodation oral proof of the accommodation is not admissible to give the accommodation party the benefit of discharges dependent on his character as such. In other cases the accommodation character may be shown by oral proof.~~

~~(4) An indorsement which shows that it is not in the chain of title is notice of its accommodation character.~~

~~(5) An accommodation party is not liable to the party accommodated, and if he pays the instrument has a right of recourse on the instrument against such party.))~~

OBLIGATION OF INDORSER. (a) Subject to subsections (b), (c), (d), and (e) and to RCW 62A.3-419(d), if an instrument is dishonored, an indorser is obliged to pay the amount due on the instrument (i) according to the terms of the instrument at the time it was indorsed, or (ii) if the indorser indorsed an incomplete instrument, according to its terms when completed, to the extent stated in RCW 62A.3-115 and 62A.3-407. The obligation of the indorser is owed to a person entitled to enforce the instrument or to a subsequent indorser who paid the instrument under this section.

(b) If an indorsement states that it is made "without recourse" or otherwise disclaims liability of the indorser, the indorser is not liable under subsection (a) to pay the instrument.

(c) If notice of dishonor of an instrument is required by RCW 62A.3-503 and notice of dishonor complying with that section is not given to an indorser, the liability of the indorser under subsection (a) is discharged.

(d) If a draft is accepted by a bank after an indorsement is made, the liability of the indorser under subsection (a) is discharged.

(e) If an indorser of a check is liable under subsection (a) and the check is not presented for payment, or given to a depository bank for collection, within 30 days after the day the indorsement was made, the liability of the indorser under subsection (a) is discharged.

Sec. RCW 62A.3-416 and 1965 ex.s. c 157 s 3-416 are each amended to read as follows:

~~((CONTRACT OF GUARANTOR. (1) "Payment guaranteed" or equivalent words added to a signature mean that the signer engages that if the instrument is not paid when due he will pay it according to its tenor without resort by the holder to any other party.~~

~~(2) "Collection guaranteed" or equivalent words added to a signature mean that the signer engages that if the instrument is not paid when due he will pay it according to its tenor, but only after the holder has reduced his claim against the maker or acceptor to judgment and execution has been returned unsatisfied, or after the maker or acceptor has become insolvent or it is otherwise apparent that it is useless to proceed against him.~~

~~(3) Words of guaranty which do not otherwise specify guarantee payment.~~

~~(4) No words of guaranty added to the signature of a sole maker or acceptor affect his liability on the instrument. Such words added to the signature of one of two or more makers or acceptors create a presumption that the signature is for the accommodation of the others.~~

~~(5) When words of guaranty are used presentment, notice of dishonor and protest are not necessary to charge the user.~~

~~(6) Any guaranty written on the instrument is enforceable notwithstanding any statute of frauds.)~~

TRANSFER WARRANTIES. (a) A person who transfers an instrument for consideration warrants to the transferee and, if the transfer is by indorsement, to any subsequent transferee that:

(1) The warrantor is a person entitled to enforce the instrument;

(2) All signatures on the instrument are authentic and authorized;

(3) The instrument has not been altered;

(4) The instrument is not subject to a defense or claim in recoupment of any party which can be asserted against the warrantor; and

(5) The warrantor has no knowledge of any insolvency proceeding commenced with respect to the maker or acceptor or, in the case of an unaccepted draft, the drawer.

(b) A person to whom the warranties under subsection (a) are made and who took the instrument in good faith may recover from the warrantor as damages for breach of warranty an amount equal to the loss suffered as a result of the breach, but not more than the amount of the instrument plus expenses and loss of interest incurred as a result of the breach.

(c) The warranties stated in subsection (a) cannot be disclaimed with respect to checks. Unless notice of a claim for breach of warranty is given to the warrantor within 30 days after the claimant has reason to know of the breach and the identity of the warrantor, the liability of the warrantor under subsection (b) is discharged to the extent of any loss caused by the delay in giving notice of the claim.

(d) A cause of action for breach of warranty under this section accrues when the claimant has reason to know of the breach.

Sec. RCW 62A.3-417 and 1965 ex.s. c 157 s 3-417 are each amended to read as follows:

~~((WARRANTIES ON PRESENTMENT AND TRANSFER. (1) Any person who obtains payment or acceptance and any prior transferor warrants to a person who in good faith pays or accepts that~~

~~(a) he has a good title to the instrument or is authorized to obtain payment or acceptance on behalf of one who has a good title; and~~

~~(b) he has no knowledge that the signature of the maker or drawer is unauthorized, except that this warranty is not given by a holder in due course acting in good faith~~

~~(i) to a maker with respect to the maker's own signature; or~~

~~(ii) to a drawer with respect to the drawer's own signature, whether or not the drawer is also the drawee; or~~

~~(iii) to an acceptor of a draft if the holder in due course took the draft after the acceptance or obtained the acceptance without knowledge that the drawer's signature was unauthorized; and~~

~~(c) the instrument has not been materially altered, except that this warranty is not given by a holder in due course acting in good faith~~

~~(i) to the maker of a note; or~~

~~(ii) to the drawer of a draft whether or not the drawer is also the drawee; or~~

~~(iii) to the acceptor of a draft with respect to an alteration made prior to the acceptance if the holder in due course took the draft after the acceptance, even though the acceptance provided "payable as originally drawn" or equivalent terms; or~~

~~(iv) to the acceptor of a draft with respect to an alteration made after the acceptance.~~

~~(2) Any person who transfers an instrument and receives consideration warrants to his transferee and if the transfer is by indorsement to any subsequent holder who takes the instrument in good faith that~~

~~(a) he has a good title to the instrument or is authorized to obtain payment or acceptance on behalf of one who has a good title and the transfer is otherwise rightful; and~~

~~(b) all signatures are genuine or authorized; and~~

~~(c) the instrument has not been materially altered; and~~

~~(d) no defense of any party is good against him; and~~

~~(e) he has no knowledge of any insolvency proceeding instituted with respect to the maker or acceptor or the drawer of an unaccepted instrument.~~

~~(3) By transferring "without recourse" the transferor limits the obligation stated in subsection (2)(d) to a warranty that he has no knowledge of such a defense.~~

~~(4) A selling agent or broker who does not disclose the fact that he is acting only as such gives the warranties provided in this section, but if he makes such disclosure warrants only his good faith and authority.)~~

PRESENTMENT WARRANTIES. (a) If an unaccepted draft is presented to the drawee for payment or acceptance and the drawee pays or accepts the draft, (i) the person obtaining payment or acceptance, at the time of presentment, and (ii) a previous transferor of the draft, at the time of transfer, warrant to the drawee making payment or accepting the draft in good faith that:

(1) The warrantor is, or was, at the time the warrantor transferred the draft, a person entitled to enforce the draft or authorized to obtain payment or acceptance of the draft on behalf of a person entitled to enforce the draft;

(2) The draft has not been altered; and

(3) The warrantor has no knowledge that the signature of the drawer of the draft is unauthorized.

(b) A drawee making payment may recover from any warrantor damages for breach of warranty equal to the amount paid by the drawee less the amount the drawee received or is entitled to receive from the drawer because of the payment. In

addition, the drawee is entitled to compensation for expenses and loss of interest resulting from the breach. The right of the drawee to recover damages under this subsection is not affected by any failure of the drawee to exercise ordinary care in making payment. If the drawee accepts the draft, breach of warranty is a defense to the obligation of the acceptor. If the acceptor makes payment with respect to the draft, the acceptor is entitled to recover from any warrantor for breach of warranty the amounts stated in this subsection.

(c) If a drawee asserts a claim for breach of warranty under subsection (a) based on an unauthorized indorsement of the draft or an alteration of the draft, the warrantor may defend by proving that the indorsement is effective under RCW 62A.3-404 or 62A.3-405 or the drawer is precluded under RCW 62A.3-406 or 62A.4-406 from asserting against the drawee the unauthorized indorsement or alteration.

(d) If (i) a dishonored draft is presented for payment to the drawer or an indorser or (ii) any other instrument is presented for payment to a party obliged to pay the instrument, and (iii) payment is received, the following rules apply:

(1) The person obtaining payment and a prior transferor of the instrument warrant to the person making payment in good faith that the warrantor is, or was, at the time the warrantor transferred the instrument, a person entitled to enforce the instrument or authorized to obtain payment on behalf of a person entitled to enforce the instrument.

(2) The person making payment may recover from any warrantor for breach of warranty an amount equal to the amount paid plus expenses and loss of interest resulting from the breach.

(e) The warranties stated in subsections (a) and (d) cannot be disclaimed with respect to checks. Unless notice of a claim for breach of warranty is given to the warrantor within 30 days after the claimant has reason to know of the breach and the identity of the warrantor, the liability of the warrantor under subsection (b) or (d) is discharged to the extent of any loss caused by the delay in giving notice of the claim.

(f) A cause of action for breach of warranty under this section accrues when the claimant has reason to know of the breach.

Sec. RCW 62A.3-418 and 1965 ex.s. c 157 s 3-418 are each amended to read as follows:

~~((FINALITY OF PAYMENT OR ACCEPTANCE. Except for recovery of bank payments as provided in the Article on Bank Deposits and Collections (Article 4) and except for liability for breach of warranty on presentment under the preceding section, payment or acceptance of any instrument is final in favor of a holder in due course, or a person who has in good faith changed his position in reliance on the payment.))~~

PAYMENT OR ACCEPTANCE BY MISTAKE. (a) Except as provided in subsection (c), if the drawee of a draft pays or accepts the draft and the drawee acted on the mistaken belief that (i) payment of the draft had not been stopped pursuant to RCW 62A.4-403 or (ii) the signature of the drawer of the draft was authorized, the drawee may recover the amount of the draft from the person to whom or for whose benefit payment was made or, in the case of acceptance, may revoke the acceptance. Rights of the drawee under this subsection are not affected by failure of the drawee to exercise ordinary care in paying or accepting the draft.

(b) Except as provided in subsection (c), if an instrument has been paid or accepted by mistake and the case is not covered by subsection (a), the person paying or accepting may, to the extent permitted by the law governing mistake and restitution, (i) recover the payment from the person to whom or for whose benefit payment was made or (ii) in the case of acceptance, may revoke the acceptance.

(c) The remedies provided by subsection (a) or (b) may not be asserted against a person who took the instrument in good faith and for value or who in good faith changed position in reliance on the payment or acceptance. This subsection does not limit remedies provided by RCW 62A.3-417 or 62A.4-407.

(d) Notwithstanding RCW 62A.4-213, if an instrument is paid or accepted by mistake and the payor or acceptor recovers payment or revokes acceptance under subsection (a) or (b), the instrument is deemed not to have been paid or accepted and is treated as dishonored, and the person from whom payment is recovered has rights as a person entitled to enforce the dishonored instrument.

Sec. RCW 62A.3-419 and 1965 ex.s. c 157 s 3-419 are each amended to read as follows:

~~((CONVERSION OF INSTRUMENT; INNOCENT REPRESENTATIVE. (1) An instrument is converted when~~

~~(a) a drawee to whom it is delivered for acceptance refuses to return it on demand; or~~

~~(b) any person to whom it is delivered for payment refuses on demand either to pay or to return it; or~~

~~(c) it is paid on a forged indorsement.~~

~~(2) In an action against a drawee under subsection (1) the measure of the drawee's liability is the face amount of the instrument. In any other action under subsection (1) the measure of liability is presumed to be the face amount of the instrument.~~

~~(3) Subject to the provisions of this Title concerning restrictive endorsements a representative, including a depository or collecting bank, who has in good faith and in accordance with the reasonable commercial standards applicable to the business of such representative dealt with an instrument or its proceeds on behalf of one who was not the true owner is not liable in conversion or otherwise to the true owner beyond the amount of any proceeds remaining in his hands.~~

~~(4) An intermediary bank or payor bank which is not a depository bank is not liable in conversion solely by reason of the fact that proceeds of an item indorsed restrictively (RCW 62A.3-205 and RCW 62A.3-206) are not paid or applied consistently with the restrictive indorsement of an indorser other than its immediate transferor.))~~

INSTRUMENTS SIGNED FOR ACCOMMODATION. (a) If an instrument is issued for value given for the benefit of a party to the instrument ("accommodated party") and another party to the instrument ("accommodation party") signs the

instrument for the purpose of incurring liability on the instrument without being a direct beneficiary of the value given for the instrument, the instrument is signed by the accommodation party "for accommodation."

(b) An accommodation party may sign the instrument as maker, drawer, acceptor, or indorser and, subject to subsection (d), is obliged to pay the instrument in the capacity in which the accommodation party signs. The obligation of an accommodation party may be enforced notwithstanding any statute of frauds and whether or not the accommodation party receives consideration for the accommodation.

(c) A person signing an instrument is presumed to be an accommodation party and there is notice that the instrument is signed for accommodation if the signature is an anomalous indorsement or is accompanied by words indicating that the signer is acting as surety or guarantor with respect to the obligation of another party to the instrument. Except as provided in RCW 62A.3-605, the obligation of an accommodation party to pay the instrument is not affected by the fact that the person enforcing the obligation had notice when the instrument was taken by that person that the accommodation party signed the instrument for accommodation.

(d) If the signature of a party to an instrument is accompanied by words indicating unambiguously that the party is guaranteeing collection rather than payment of the obligation of another party to the instrument, the signer is obliged to pay the amount due on the instrument to a person entitled to enforce the instrument only if (i) execution of judgment against the other party has been returned unsatisfied, (ii) the other party is insolvent or in an insolvency proceeding, (iii) the other party cannot be served with process, or (iv) it is otherwise apparent that payment cannot be obtained from the other party.

(e) An accommodation party who pays the instrument is entitled to reimbursement from the accommodated party and is entitled to enforce the instrument against the accommodated party. An accommodated party who pays the instrument has no right of recourse against, and is not entitled to contribution from, an accommodation party.

NEW SECTION. Sec. A new section is added to Title 62A RCW, to be codified as RCW 62A.3-420, to read as follows:

CONVERSION OF INSTRUMENT. (a) The law applicable to conversion of personal property applies to instruments. An instrument is also converted if it is taken by transfer, other than a negotiation, from a person not entitled to enforce the instrument or a bank makes or obtains payment with respect to the instrument for a person not entitled to enforce the instrument or receive payment. An action for conversion of an instrument may not be brought by (i) the issuer or acceptor of the instrument or (ii) a payee or indorsee who did not receive delivery of the instrument either directly or through delivery to an agent or a co-payee.

(b) In an action under subsection (a), the measure of liability is presumed to be the amount payable on the instrument, but recovery may not exceed the amount of the plaintiff's interest in the instrument.

(c) A representative, other than a depository bank, who has in good faith dealt with an instrument or its proceeds on behalf of one who was not the person entitled to enforce the instrument is not liable in conversion to that person beyond the amount of any proceeds that it has not paid out.

PART 5

~~((PRESENTMENT, NOTICE OF))~~ DISHONOR ~~((AND PROTEST))~~

Sec. RCW 62A.3-501 and 1965 ex.s. c 157 s 3-501 are each amended to read as follows:

~~((WHEN PRESENTMENT, NOTICE OF DISHONOR, AND PROTEST NECESSARY OR PERMISSIBLE. (1) Unless excused (RCW 62A.3-511) presentment is necessary to charge secondary parties as follows:~~

~~(a) presentment for acceptance is necessary to charge the drawer and indorsers of a draft where the draft so provides, or is payable elsewhere than at the residence or place of business of the drawee, or its date of payment depends upon such presentment. The holder may at his option present for acceptance any other draft payable at a stated date;~~

~~(b) presentment for payment is necessary to charge any indorser;~~

~~(c) in the case of any drawer, the acceptor of a draft payable at a bank or the maker of a note payable at a bank, presentment for payment is necessary, but failure to make presentment discharges such drawer, acceptor or maker only as stated in RCW 62A.3-502(1)(b).~~

~~(2) Unless excused (RCW 62A.3-511)~~

~~(a) notice of any dishonor is necessary to charge any indorser;~~

~~(b) in the case of any drawer, the acceptor of a draft payable at a bank or the maker of a note payable at a bank, notice of any dishonor is necessary, but failure to give such notice discharges such drawer, acceptor or maker only as stated in RCW 62A.3-502(1)(b).~~

~~(3) Unless excused (RCW 62A.3-511) protest of any dishonor is necessary to charge the drawer and indorsers of any draft which on its face appears to be drawn or payable outside of the states and territories of the United States and the District of Columbia. The holder may at his option make protest of any dishonor of any other instrument and in the case of a foreign draft may on insolvency of the acceptor before maturity make protest for better security.~~

~~(4) Notwithstanding any provision of this section, neither presentment nor notice of dishonor nor protest is necessary to charge an indorser who has indorsed an instrument after maturity.)~~

PRESENTMENT. (a) "Presentment" means a demand made by or on behalf of a person entitled to enforce an instrument (i) to pay the instrument made to the drawee or a party obliged to pay the instrument or, in the case of a note or accepted draft payable at a bank, to the bank, or (ii) to accept a draft made to the drawee.

(b) The following rules are subject to Article 4, agreement of the parties, and clearinghouse rules and the like:

(1) Presentment may be made at the place of payment of the instrument and must be made at the place of payment if the instrument is payable at a bank in the United States; may be made by any commercially reasonable means, including an oral, written, or electronic communication; is effective when the demand for payment or acceptance is received by the person to whom presentment is made; and is effective if made to any one of two or more makers, acceptors, drawees, or other payors.

(2) Upon demand of the person to whom presentment is made, the person making presentment must (i) exhibit the instrument, (ii) give reasonable identification and, if presentment is made on behalf of another person, reasonable evidence of authority to do so, and (iii) sign a receipt on the instrument for any payment made or surrender the instrument if full payment is made.

(3) Without dishonoring the instrument, the party to whom presentment is made may (i) return the instrument for lack of a necessary indorsement, or (ii) refuse payment or acceptance for failure of the presentment to comply with the terms of the instrument, an agreement of the parties, or other applicable law or rule.

(4) The party to whom presentment is made may treat presentment as occurring on the next business day after the day of presentment if the party to whom presentment is made has established a cut-off hour not earlier than 2:00 p.m. for the receipt and processing of instruments presented for payment or acceptance and presentment is made after the cut-off hour.

Sec. RCW 62A.3-502 and 1965 ex.s. c 157 s 3-502 are each amended to read as follows:

~~((UNEXCUSED DELAY; DISCHARGE. (1) Where without excuse any necessary presentment or notice of dishonor is delayed beyond the time when it is due~~

~~(a) any indorser is discharged; and~~

~~(b) any drawer or the acceptor of a draft payable at a bank or the maker of a note payable at a bank who because the drawee or payor bank becomes insolvent during the delay is deprived of funds maintained with the drawee or payor bank to cover the instrument may discharge his liability by written assignment to the holder of his rights against the drawee or payor bank in respect of such funds, but such drawer, acceptor or maker is not otherwise discharged.~~

~~(2) Where without excuse a necessary protest is delayed beyond the time when it is due any drawer or indorser is discharged.))~~

DISHONOR. (a) Dishonor of a note is governed by the following rules:

(1) If the note is payable on demand, the note is dishonored if presentment is duly made to the maker and the note is not paid on the day of presentment.

(2) If the note is not payable on demand and is payable at or through a bank or the terms of the note require presentment, the note is dishonored if presentment is duly made and the note is not paid on the day it becomes payable or the day of presentment, whichever is later.

(3) If the note is not payable on demand and subsection (a)(2) does not apply, the note is dishonored if it is not paid on the day it becomes payable.

(b) Dishonor of an unaccepted draft other than a documentary draft is governed by the following rules:

(1) If a check is duly presented for payment to the payor bank otherwise than for immediate payment over the counter, the check is dishonored if the payor bank makes timely return of the check or sends timely notice of dishonor or nonpayment under RCW 62A.4-301 or 62A.4-302, or becomes accountable for the amount of the check under RCW 62A.4-302.

(2) If a draft is payable on demand and subsection (b)(1) does not apply, the draft is dishonored if presentment for payment is duly made to the drawee and the draft is not paid on the day of presentment.

(3) If a draft is payable on a date stated in the draft, the draft is dishonored if (i) presentment for payment is duly made to the drawee and payment is not made on the day the draft becomes payable or the day of presentment, whichever is later, or (ii) presentment for acceptance is duly made before the day the draft becomes payable and the draft is not accepted on the day of presentment.

(4) If a draft is payable on elapse of a period of time after sight or acceptance, the draft is dishonored if presentment for acceptance is duly made and the draft is not accepted on the day of presentment.

(c) Dishonor of an unaccepted documentary draft occurs according to the rules stated in subsection (b) (2), (3), and (4), except that payment or acceptance may be delayed without dishonor until no later than the close of the third business day of the drawee following the day on which payment or acceptance is required by subsection (b) (2), (3), and (4).

(d) Dishonor of an accepted draft is governed by the following rules:

(1) If the draft is payable on demand, the draft is dishonored if presentment for payment is duly made to the acceptor and the draft is not paid on the day of presentment; or

(2) If the draft is not payable on demand, the draft is dishonored if presentment for payment is duly made to the acceptor and payment is not made on the day it becomes payable or the day of presentment, whichever is later.

(e) In any case in which presentment is otherwise required for dishonor under this section and presentment is excused under RCW 62A.3-504, dishonor occurs without presentment if the instrument is not duly accepted or paid.

(f) If a draft is dishonored because timely acceptance of the draft was not made and the person entitled to demand acceptance consents to a late acceptance, from the time of acceptance the draft is treated as never having been dishonored.

Sec. RCW 62A.3-503 and 1965 ex.s. c 157 s 3-503 are each amended to read as follows:

~~((TIME OF PRESENTMENT. (1) Unless a different time is expressed in the instrument the time for any presentment is determined as follows:~~

(a) where an instrument is payable at or a fixed period after a stated date any presentment for acceptance must be made on or before the date it is payable;

(b) where an instrument is payable after sight it must either be presented for acceptance or negotiated within a reasonable time after date or issue whichever is later;

(c) where an instrument shows the date on which it is payable presentment for payment is due on that date;

(d) where an instrument is accelerated presentment for payment is due within a reasonable time after the acceleration;

(e) with respect to the liability of any secondary party presentment for acceptance or payment of any other instrument is due within a reasonable time after such party becomes liable thereon.

(2) A reasonable time for presentment is determined by the nature of the instrument, any usage of banking or trade and the facts of the particular case. In the case of an uncertified check which is drawn and payable within the United States and which is not a draft drawn by a bank the following are presumed to be reasonable periods within which to present for payment or to initiate bank collection:

(a) with respect to the liability of the drawer, thirty days after date or issue whichever is later; and

(b) with respect to the liability of an endorser, seven days after his indorsement.

(3) Where any presentment is due on a day which is not a full business day for either the person making presentment or the party to pay or accept, presentment is due on the next following day which is a full business day for both parties.

(4) Presentment to be sufficient must be made at a reasonable hour, and if at a bank during its banking day.)

NOTICE OF DISHONOR. (a) The obligation of an indorser stated in RCW 62A.3-415(a) and the obligation of a drawer stated in RCW 62A.3-414(d) may not be enforced unless (i) the indorser or drawer is given notice of dishonor of the instrument complying with this section or (ii) notice of dishonor is excused under RCW 62A.3-504(b).

(b) Notice of dishonor may be given by any person; may be given by any commercially reasonable means, including an oral, written, or electronic communication; and is sufficient if it reasonably identifies the instrument and indicates that the instrument has been dishonored or has not been paid or accepted. Return of an instrument given to a bank for collection is sufficient notice of dishonor.

(c) Subject to RCW 62A.3-504(c), with respect to an instrument taken for collection by a collecting bank, notice of dishonor must be given (i) by the bank before midnight of the next banking day following the banking day on which the bank receives notice of dishonor of the instrument, or (ii) by any other person within 30 days following the day on which the person receives notice of dishonor. With respect to any other instrument, notice of dishonor must be given within 30 days following the day on which dishonor occurs.

Sec. RCW 62A.3-504 and 1965 ex.s. c 157 s 3-504 are each amended to read as follows:

~~((HOW PRESENTMENT MADE. (1) Presentment is a demand for acceptance or payment made upon the maker, acceptor, drawee or other payor by or on behalf of the holder.~~

~~(2) Presentment may be made~~

~~(a) by mail, in which event the time of presentment is determined by the time of receipt of the mail; or~~

~~(b) through a clearing house; or~~

~~(c) at the place of acceptance or payment specified in the instrument or if there be none at the place of business or residence of the party to accept or pay. If neither the party to accept or pay nor anyone authorized to act for him is present or accessible at such place presentment is excused.~~

~~(3) It may be made~~

~~(a) to any one of two or more makers, acceptors, drawees or other payors; or~~

~~(b) to any person who has authority to make or refuse the acceptance or payment.~~

~~(4) A draft accepted or a note made payable at a bank in the United States must be presented at such bank.~~

~~(5) In the cases described in RCW 62A.4-210 presentment may be made in the manner and with the result stated in that section.)~~

EXCUSED PRESENTMENT AND NOTICE OF DISHONOR. (a) Presentment for payment or acceptance of an instrument is excused if (i) the person entitled to present the instrument cannot with reasonable diligence make presentment, (ii) the maker or acceptor has repudiated an obligation to pay the instrument or is dead or in insolvency proceedings, (iii) by the terms of the instrument presentment is not necessary to enforce the obligation of indorsers or the drawer, (iv) the drawer or indorser whose obligation is being enforced has waived presentment or otherwise has no reason to expect or right to require that the instrument be paid or accepted, or (v) the drawer instructed the drawee not to pay or accept the draft or the drawee was not obligated to the drawer to pay the draft.

(b) Notice of dishonor is excused if (i) by the terms of the instrument notice of dishonor is not necessary to enforce the obligation of a party to pay the instrument, or (ii) the party whose obligation is being enforced waived notice of dishonor. A waiver of presentment is also a waiver of notice of dishonor.

(c) Delay in giving notice of dishonor is excused if the delay was caused by circumstances beyond the control of the person giving the notice and the person giving the notice exercised reasonable diligence after the cause of the delay ceased to operate.

Sec. RCW 62A.3-505 and 1965 ex.s. c 157 s 3-505 are each amended to read as follows:

~~((RIGHTS OF PARTY TO WHOM PRESENTMENT IS MADE. (1) The party to whom presentment is made may without dishonor require~~

(a) exhibition of the instrument; and
(b) reasonable identification of the person making presentment and evidence of his authority to make it if made for another; and
(c) that the instrument be produced for acceptance or payment at a place specified in it, or if there be none at any place reasonable in the circumstances; and
(d) a signed receipt on the instrument for any partial or full payment and its surrender upon full payment.
(2) Failure to comply with any such requirement invalidates the presentment but the person presenting has a reasonable time in which to comply and the time for acceptance or payment runs from the time of compliance.)

EVIDENCE OF DISHONOR. (a) The following are admissible as evidence and create a presumption of dishonor and of any notice of dishonor stated:

(1) A document regular in form as provided in subsection (b) that purports to be a protest;
(2) A purported stamp or writing of the drawee, payor bank, or presenting bank on or accompanying the instrument stating that acceptance or payment has been refused unless reasons for the refusal are stated and the reasons are not consistent with dishonor;

(3) A book or record of the drawee, payor bank, or collecting bank, kept in the usual course of business which shows dishonor, even if there is no evidence of who made the entry.

(b) A protest is a certificate of dishonor made by a United States consul or vice-consul, or a notary public or other person authorized to administer oaths by the law of the place where dishonor occurs. It may be made upon information satisfactory to that person. The protest must identify the instrument and certify either that presentment has been made or, if not made, the reason why it was not made, and that the instrument has been dishonored by nonacceptance or nonpayment. The protest may also certify that notice of dishonor has been given to some or all parties.

Sec. RCW 62A.3-512 and 1990 c 203 s 2 are each amended to read as follows:

~~((No))~~ A person may not record the number of a credit card given as identification under RCW ((62A.3-505(1)(b))) 62A.3-501(a)(2) or given as proof of credit worthiness when payment for goods or services is made by check or draft. Nothing in this section prohibits the recording of the number of a credit card given in lieu of a deposit to secure payment in the event of a default, loss, damage, or other occurrence.

Sec. RCW 62A.3-515 and 1991 c 168 s 1 are each amended to read as follows:

~~((1) Whenever))~~ (a) If a check as defined in RCW 62A.3-104 ((has been)) is dishonored by nonacceptance or nonpayment, the payee or holder of the check is entitled to collect a reasonable handling fee for each ((such)) instrument. ((When such)) If the check ((has)) is not ((been)) paid within fifteen days and after the holder of ((such)) the check sends ((such)) a notice of dishonor as provided by RCW 62A.3-520 to the drawer at ((his or her)) the drawer's last known address, ((then)) and if the instrument does not provide for the payment of interest, or collection costs and attorneys fees, the drawer of ((such)) the instrument ((shall also be)) is liable for payment of interest at the rate of twelve percent per annum from the date of dishonor, and cost of collection not to exceed forty dollars or the face amount of the check, whichever is ((the lesser)) less. In addition, in the event of court action on the check, the court, after ((such)) notice and the expiration of ((said)) the fifteen days, shall award a reasonable attorneys fee, and three times the face amount of the check or three hundred dollars, whichever is less, as part of the damages payable to the holder of the check. This section ((shall)) does not apply to ((any)) an instrument ((which has been)) that is dishonored by reason of ((any)) a justifiable stop payment order.

~~((2)(a))~~ (b)(1) Subsequent to the commencement of ((the)) an action on the check (subsection (a)) but prior to the hearing, the defendant may tender to the plaintiff as satisfaction of the claim, an amount of money equal to the ((sum of the)) face amount of the check, a reasonable handling fee, accrued interest, collection costs equal to the face amount of the check not to exceed forty dollars, and the incurred court and service costs.

~~((b))~~ (2) Nothing in this section precludes the right to commence action in ((any)) a court under chapter 12.40 RCW for small claims.

Sec. RCW 62A.3-520 and 1991 c 168 s 2 are each amended to read as follows:

The notice of dishonor shall be sent by mail to the drawer at ((his or her)) the drawer's last known address, and ((said)) the notice shall be substantially in the following form:

Sec. RCW 62A.3-522 and 1981 c 254 s 3 are each amended to read as follows:

In addition to sending a notice of dishonor to the drawer of the check under RCW 62A.3-520, the holder of the check shall execute an affidavit certifying service of the notice by mail. The affidavit of service by mail (~~shall~~) must be attached to a copy of the notice of dishonor and (~~shall~~) must be substantially in the following form:

Sec. RCW 62A.3-525 and 1981 c 254 s 4 are each amended to read as follows:

No interest, collection costs, and attorneys' fees, except handling fees, (~~shall be recovered~~) are recoverable on any dishonored check under the provisions of RCW 62A.3-515 where the holder of (~~such~~) the check or any agent, employee, or assign of the holder has demanded:

- (1) Interest or collection costs in excess of that provided by RCW 62A.3-515; or

PART 6 DISCHARGE AND PAYMENT

Sec. RCW 62A.3-601 and 1965 ex.s. c 157 s 3-601 are each amended to read as follows:

~~(DISCHARGE OF PARTIES. (1) The extent of the discharge of any party from liability on an instrument is governed by the sections on~~

- ~~(a) payment or satisfaction (RCW 62A.3-603); or~~
- ~~(b) tender of payment (RCW 62A.3-604); or~~
- ~~(c) cancellation or renunciation (RCW 62A.3-605); or~~
- ~~(d) impairment of right of recourse or of collateral (RCW 62A.3-606); or~~
- ~~(e) reacquisition of the instrument by a prior party (RCW 62A.3-208); or~~
- ~~(f) fraudulent and material alteration (RCW 62A.3-407); or~~
- ~~(g) certification of a check (RCW 62A.3-411); or~~
- ~~(h) acceptance varying a draft (RCW 62A.3-412); or~~
- ~~(i) unexcused delay in presentment or notice of dishonor or protest (RCW 62A.3-502).~~

~~(2) Any party is also discharged from his liability on an instrument to another party by any other act or agreement with such party which would discharge his simple contract for the payment of money.~~

~~(3) The liability of all parties is discharged when any party who has himself no right of action or recourse on the instrument~~

- ~~(a) reacquires the instrument in his own right; or~~
- ~~(b) is discharged under any provision of this Article, except as otherwise provided with respect to discharge for impairment of recourse or of collateral (RCW 62A.3-606).))~~

DISCHARGE AND EFFECT OF DISCHARGE. (a) The obligation of a party to pay the instrument is discharged as stated in this Article or by an act or agreement with the party which would discharge an obligation to pay money under a simple contract.

(b) Discharge of the obligation of a party is not effective against a person acquiring rights of a holder in due course of the instrument without notice of the discharge.

Sec. RCW 62A.3-602 and 1965 ex.s. c 157 s 3-602 are each amended to read as follows:

~~(EFFECT OF DISCHARGE AGAINST HOLDER IN DUE COURSE. No discharge of any party provided by this Article is effective against a subsequent holder in due course unless he has notice thereof when he takes the instrument.)~~

PAYMENT. (a) Subject to subsection (b), an instrument is paid to the extent payment is made (i) by or on behalf of a party obliged to pay the instrument, and (ii) to a person entitled to enforce the instrument. To the extent of the payment, the obligation of the party obliged to pay the instrument is discharged even though payment is made with knowledge of a claim to the instrument under RCW 62A.3-306 by another person.

(b) The obligation of a party to pay the instrument is not discharged under subsection (a) if:

(1) A claim to the instrument under RCW 62A.3-306 is enforceable against the party receiving payment and (i) payment is made with knowledge by the payor that payment is prohibited by injunction or similar process of a court of competent jurisdiction, or (ii) in the case of an instrument other than a cashier's check, teller's check, or certified check, the party making payment accepted, from the person having a claim to the instrument, indemnity against loss resulting from refusal to pay the person entitled to enforce the instrument; or

(2) The person making payment knows that the instrument is a stolen instrument and pays a person it knows is in wrongful possession of the instrument.

Sec. RCW 62A.3-603 and 1965 ex.s. c 157 s 3-603 are each amended to read as follows:

~~((PAYMENT OR SATISFACTION. (1) The liability of any party is discharged to the extent of his payment or satisfaction to the holder even though it is made with knowledge of a claim of another person to the instrument unless prior to such payment or satisfaction the person making the claim either supplies indemnity deemed adequate by the party seeking the discharge or enjoins payment or satisfaction by order of a court of competent jurisdiction in an action in which the adverse claimant and the holder are parties. This subsection does not, however, result in the discharge of the liability~~

~~(a) of a party who in bad faith pays or satisfies a holder who acquired the instrument by theft or who (unless having the rights of a holder in due course) holds through one who so acquired it; or~~

~~(b) of a party (other than an intermediary bank or a payor bank which is not a depository bank) who pays or satisfies the holder of an instrument which has been restrictively indorsed in a manner not consistent with the terms of such restrictive indorsement.~~

~~(2) Payment or satisfaction may be made with the consent of the holder by any person including a stranger to the instrument. Surrender of the instrument to such a person gives him the rights of a transferee (RCW 62A.3-201).))~~

TENDER OF PAYMENT. (a) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument, the effect of tender is governed by principles of law applicable to tender of payment under a simple contract.

(b) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument and the tender is refused, there is discharge, to the extent of the amount of the tender, of the obligation of an indorser or accommodation party having a right of recourse with respect to the obligation to which the tender relates.

(c) If tender of payment of an amount due on an instrument is made to a person entitled to enforce the instrument, the obligation of the obligor to pay interest after the due date on the amount tendered is discharged. If presentment is required with respect to an instrument and the obligor is able and ready to pay on the due date at every place of payment stated in the instrument, the obligor is deemed to have made tender of payment on the due date to the person entitled to enforce the instrument.

Sec. RCW 62A.3-604 and 1965 ex.s. c 157 s 3-604 are each amended to read as follows:

~~((TENDER OF PAYMENT. (1) Any party making tender of full payment to a holder when or after it is due is discharged to the extent of all subsequent liability for interest, costs and attorney's fees.~~

~~(2) The holder's refusal of such tender wholly discharges any party who has a right of recourse against the party making the tender.~~

~~(3) Where the maker or acceptor of an instrument payable otherwise than on demand is able and ready to pay at every place of payment specified in the instrument when it is due, it is equivalent to tender.))~~

DISCHARGE BY CANCELLATION OR RENUNCIATION. (a) A person entitled to enforce an instrument, with or without consideration, may discharge the obligation of a party to pay the instrument (i) by an intentional voluntary act, such as surrender of the instrument to the party, destruction, mutilation, or cancellation of the instrument, cancellation or striking out of the party's signature, or the addition of words to the instrument indicating discharge, or (ii) by agreeing not to sue or otherwise renouncing rights against the party by a signed writing.

(b) Cancellation or striking out of an indorsement pursuant to subsection (a) does not affect the status and rights of a party derived from the indorsement.

Sec. RCW 62A.3-605 and 1965 ex.s. c 157 s 3-605 are each amended to read as follows:

~~((CANCELLATION AND RENUNCIATION. (1) The holder of an instrument may even without consideration discharge any party~~

~~(a) in any manner apparent on the face of the instrument or the indorsement, as by intentionally canceling the instrument or the party's signature by destruction or mutilation, or by striking out the party's signature; or~~

~~(b) by renouncing his rights by a writing signed and delivered or by surrender of the instrument to the party to be discharged.~~

~~(2) Neither cancellation nor renunciation without surrender of the instrument affects the title thereto.))~~

DISCHARGE OF INDORSERS AND ACCOMMODATION PARTIES. (a) In this section, the term "indorser" includes a drawer having the obligation described in RCW 62A.3-414(d).

(b) Discharge, under RCW 62A.3-604, of the obligation of a party to pay an instrument does not discharge the obligation of an indorser or accommodation party having a right of recourse against the discharged party.

(c) If a person entitled to enforce an instrument agrees, with or without consideration, to an extension of the due date of the obligation of a party to pay the instrument, the extension discharges an indorser or accommodation party having a right of recourse against the party whose obligation is extended to the extent the indorser or accommodation party proves that the extension caused loss to the indorser or accommodation party with respect to the right of recourse.

(d) If a person entitled to enforce an instrument agrees, with or without consideration, to a material modification of the obligation of a party other than an extension of the due date, the modification discharges the obligation of an indorser or accommodation party having a right of recourse against the person whose obligation is modified to the extent the modification causes loss to the indorser or accommodation party with respect to the right of recourse. The loss suffered by the indorser or accommodation party as a result of the modification is equal to the amount of the right of recourse unless the person enforcing the instrument proves that no loss was caused by the modification or that the loss caused by the modification was an amount less than the amount of the right of recourse.

(e) If the obligation of a party to pay an instrument is secured by an interest in collateral and a person entitled to enforce the instrument impairs the value of the interest in collateral, the obligation of an indorser or accommodation party having a right of recourse against the obligor is discharged to the extent of the impairment. The value of an interest in collateral is impaired to the extent (i) the value of the interest is reduced to an amount less than the amount of the right of recourse of the party asserting discharge, or (ii) the reduction in value of the interest causes an increase in the amount by which the amount of the right of recourse exceeds the value of the interest. The burden of proving impairment is on the party asserting discharge.

(f) If the obligation of a party is secured by an interest in collateral not provided by an accommodation party and a person entitled to enforce the instrument impairs the value of the interest in collateral, the obligation of any party who is jointly and severally liable with respect to the secured obligation is discharged to the extent the impairment causes the party asserting discharge to pay more than that party would have been obliged to pay, taking into account rights of contribution, if impairment had not occurred. If the party asserting discharge is an accommodation party not entitled to discharge under subsection (e), the party is deemed to have a right to contribution based on joint and several liability rather than a right to reimbursement. The burden of proving impairment is on the party asserting discharge.

(g) Under subsection (e) or (f), impairing value of an interest in collateral includes (i) failure to obtain or maintain perfection or recordation of the interest in collateral, (ii) release of collateral without substitution of collateral of equal value, (iii) failure to perform a duty to preserve the value of collateral owed, under Article 9 or other law, to a debtor or surety or other person secondarily liable, or (iv) failure to comply with applicable law in disposing of collateral.

(h) An accommodation party is not discharged under subsection (c), (d), or (e) unless the person entitled to enforce the instrument knows of the accommodation or has notice under RCW 62A.3-419(c) that the instrument was signed for accommodation.

(i) A party is not discharged under this section if (i) the party asserting discharge consents to the event or conduct that is the basis of the discharge, or (ii) the instrument or a separate agreement of the party provides for waiver of discharge under this section either specifically or by general language indicating that parties waive defenses based on suretyship or impairment of collateral.

This provision applies regardless of the form of indorsement or lack of indorsement and even though credit given for the item is subject to immediate withdrawal as of right or is in fact withdrawn; but the continuance of ownership of an item by its owner and any rights of the owner to proceeds of the item are subject to rights of a collecting bank such as those resulting from outstanding advances on the item and ~~((valid))~~ rights of recoupment or setoff. ~~((When))~~ If an item is handled by banks for purposes of presentment, payment ~~((and))~~, collection, or return, the relevant provisions of this Article apply even though action of the parties clearly establishes that a particular bank has purchased the item and is the owner of it.

Sec. RCW 62A.4-204 and 1965 ex.s. c 157 s 4-204 are each amended to read as follows:

~~((SUPPLYING MISSING INDORSEMENT; NO NOTICE FROM PRIOR INDORSEMENT.))~~ DEPOSITARY BANK HOLDER OF UNINDORSED ITEM.

If a customer delivers an item to a depositary bank for collection:

~~((1) A depositary bank which has taken an item for collection may supply any indorsement of the customer which is necessary to title unless the item contains the words "payee's indorsement required" or the like. In the absence of such a requirement a statement placed on the item by the depositary bank to the effect that the item was deposited by a customer or credited to his account is effective as the customer's indorsement.~~

~~(2) An intermediary bank, or payor bank which is not a depositary bank, is neither given notice nor otherwise affected by a restrictive indorsement of any person except the bank's immediate transferor.))~~ (a) The depositary bank becomes a holder of the item at the time it receives the item for collection if the customer at the time of delivery was a holder of the item, whether or not the customer endorses the item, and, if the bank satisfies the other requirements of RCW 62A.3-302, it is a holder in due course; and

(b) The depositary bank warrants to collecting banks, the payor bank or other payor, and the drawer that the amount of the item was paid to the customer or deposited to the customer's account.

Sec. RCW 62A.4-206 and 1965 ex.s. c 157 s 4-206 are each amended to read as follows:

TRANSFER BETWEEN BANKS. Any agreed method (~~which~~) that identifies the transferor bank is sufficient for the item's further transfer to another bank.

Sec. RCW 62A.4-207 and 1965 ex.s. c 157 s 4-207 are each amended to read as follows:

TRANSFER WARRANTIES (OF CUSTOMER AND COLLECTING BANK ON TRANSFER OR PRESENTMENT OF ITEMS; TIME FOR CLAIMS. (1) Each customer or collecting bank who obtains payment or acceptance of an item and each prior customer and collecting bank warrants to the payor bank or other payor who in good faith pays or accepts the item that

~~(a) he has a good title to the item or is authorized to obtain payment or acceptance on behalf of one who has a good title; and~~

~~(b) he has no knowledge that the signature of the maker or drawer is unauthorized, except that this warranty is not given by any customer or collecting bank that is a holder in due course and acts in good faith~~

~~(i) to a maker with respect to the maker's own signature; or~~

~~(ii) to a drawer with respect to the drawer's own signature, whether or not the drawer is also the drawee; or~~

~~(iii) to an acceptor of an item if the holder in due course took the item after the acceptance or obtained the acceptance without knowledge that the drawer's signature was unauthorized; and~~

~~(c) the item has not been materially altered, except that this warranty is not given by any customer or collecting bank that is a holder in due course and acts in good faith~~

~~(i) to the maker of a note; or~~

~~(ii) to the drawer of a draft whether or not the drawer is also the drawee; or~~

~~(iii) to the acceptor of an item with respect to an alteration made prior to the acceptance if the holder in due course took the item after the acceptance, even though the acceptance provided "payable as originally drawn" or equivalent terms; or~~

~~(iv) to the acceptor of an item with respect to an alteration made after the acceptance.~~

~~(2) Each customer and collecting bank who transfers an item and receives a settlement or other consideration for it warrants to his transferee and to any subsequent collecting bank who takes the item in good faith that~~

~~(a) he has a good title to the item or is authorized to obtain payment or acceptance on behalf of one who has a good title and the transfer is otherwise rightful; and~~

~~(b) all signatures are genuine or authorized; and~~

~~(c) the item has not been materially altered; and~~

~~(d) no defense of any party is good against him; and~~

~~(e) he has no knowledge of any insolvency proceeding instituted with respect to the maker or acceptor or the drawer of an unaccepted item.~~

In addition each customer and collecting bank so transferring an item and receiving a settlement or other consideration engages that upon dishonor and any necessary notice of dishonor and protest he will take up the item.

~~(3) The warranties and the engagement to honor set forth in the two preceding subsections arise notwithstanding the absence of indorsement or words of guaranty or warranty in the transfer or presentment and a collecting bank remains liable for their breach despite remittance to its transferor. Damages for breach of such warranties or engagement to honor shall not exceed the consideration received by the customer or collecting bank responsible plus finance charges and expenses related to the item, if any.~~

~~(4) Unless a claim for breach of warranty under this section is made within a reasonable time after the person claiming learns of the breach, the person liable is discharged to the extent of any loss caused by the delay in making claim)).~~ (a) A customer or collecting bank that transfers an item and receives a settlement or other consideration warrants to the transferee and to any subsequent collecting bank that:

(1) The warrantor is a person entitled to enforce the item;

(2) All signatures on the item are authentic and authorized;

(3) The item has not been altered;

(4) The item is not subject to a defense or claim in recoupment (RCW 62A.3-305(a)) of any party that can be asserted against the warrantor; and

(5) The warrantor has no knowledge of any insolvency proceeding commenced with respect to the maker or acceptor or, in the case of an unaccepted draft, the drawer.

(b) If an item is dishonored, a customer or collecting bank transferring the item and receiving settlement or other consideration is obliged to pay the amount due on the item (i) according to the terms of the item at the time it was transferred, or (ii) if the transfer was of an incomplete item, according to its terms when completed as stated in RCW 62A.3-115 and 62A.3-407. The obligation of a transferor is owed to the transferee and to any subsequent collecting bank that takes the item in good faith. A transferor cannot disclaim its obligation under this subsection by an indorsement stating that it is made "without recourse" or otherwise disclaiming liability.

(c) A person to whom the warranties under subsection (a) are made and who took the item in good faith may recover from the warrantor as damages for breach of warranty an amount equal to the loss suffered as a result of the breach, but not more than the amount of the item plus expenses and loss of interest incurred as a result of the breach.

(d) The warranties stated in subsection (a) cannot be disclaimed with respect to checks. Unless notice of a claim for breach of warranty is given to the warrantor within thirty days after the claimant has reason to know of the breach and the identity of the warrantor, the warrantor is discharged to the extent of any loss caused by the delay in giving notice of the claim.

(e) A cause of action for breach of warranty under this section accrues when the claimant has reason to know of the breach.

Sec. RCW 62A.4-208 and 1965 ex.s. c 157 s 4-208 are each amended to read as follows:

~~((SECURITY INTEREST OF COLLECTING BANK IN ITEMS, ACCOMPANYING DOCUMENTS AND PROCEEDS. (1) A bank has a security interest in an item and any accompanying documents or the proceeds of either~~

~~(a) in case of an item deposited in an account to the extent to which credit given for the item has been withdrawn or applied;~~

~~(b) in case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given whether or not the credit is drawn upon and whether or not there is a right of charge back; or~~

~~(c) if it makes an advance on or against the item.~~

~~(2) When credit which has been given for several items received at one time or pursuant to a single agreement is withdrawn or applied in part the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.~~

~~(3) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents and proceeds. To the extent and so long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues and is subject to the provisions of Article 9 except that~~

~~(a) no security agreement is necessary to make the security interest enforceable (subsection (1)(b) of RCW 62A.9-203); and~~

~~(b) no filing is required to perfect the security interest; and~~

~~(c) the security interest has priority over conflicting perfected security interests in the item, accompanying documents or proceeds.) PRESENTMENT WARRANTIES. (a) If an unaccepted draft is presented to the drawee for payment or acceptance and the drawee pays or accepts the draft, (i) the person obtaining payment or acceptance, at the time of presentment, and (ii) a previous transferor of the draft, at the time of transfer, warrant to the drawee that pays or accepts the draft in good faith that:~~

~~(1) The warrantor is, or was, at the time the warrantor transferred the draft, a person entitled to enforce the draft or authorized to obtain payment or acceptance of the draft on behalf of a person entitled to enforce the draft;~~

~~(2) The draft has not been altered; and~~

~~(3) The warrantor has no knowledge that the signature of the purported drawer of the draft is unauthorized.~~

~~(b) A drawee making payment may recover from a warrantor damages for breach of warranty equal to the amount paid by the drawee less the amount the drawee received or is entitled to receive from the drawer because of the payment. In addition, the drawee is entitled to compensation for expenses and loss of interest resulting from the breach. The right of the drawee to recover damages under this subsection is not affected by any failure of the drawee to exercise ordinary care in making payment. If the drawee accepts the draft (i) breach of warranty is a defense to the obligation of the acceptor, and (ii) if the acceptor makes payment with respect to the draft, the acceptor is entitled to recover from a warrantor for breach of warranty the amounts stated in this subsection.~~

~~(c) If a drawee asserts a claim for breach of warranty under subsection (a) based on an unauthorized indorsement of the draft or an alteration of the draft, the warrantor may defend by proving that the indorsement is effective under RCW 62A.3-404 or 62A.3-405 or the drawer is precluded under RCW 62A.3-406 or 62A.4-406 from asserting against the drawee the unauthorized indorsement or alteration.~~

~~(d) If (i) a dishonored draft is presented for payment to the drawer or an indorser or (ii) any other item is presented for payment to a party obliged to pay the item, and the item is paid, the person obtaining payment and a prior transferor of the item warrant to the person making payment in good faith that the warrantor is, or was, at the time the warrantor transferred the item, a person entitled to enforce the item or authorized to obtain payment on behalf of a person entitled to enforce the item. The person~~

making payment may recover from any warrantor for breach of warranty an amount equal to the amount paid plus expenses and loss of interest resulting from the breach.

(e) The warranties stated in subsections (a) and (d) cannot be disclaimed with respect to checks. Unless notice of a claim for breach of warranty is given to the warrantor within thirty days after the claimant has reason to know of the breach and the identity of the warrantor, the warrantor is discharged to the extent of any loss caused by the delay in giving notice of the claim.

(f) A cause of action for breach of warranty under this section accrues when the claimant has reason to know of the breach.

Sec. RCW 62A.4-209 and 1965 ex.s. c 157 s 4-209 are each amended to read as follows:

~~((WHEN BANK GIVES VALUE FOR PURPOSES OF HOLDER IN DUE COURSE. (a) A person who encodes information on or with respect to an item after issue warrants to any subsequent collecting bank and to the payor bank or other payor that the information is correctly encoded. If the customer of a depository bank encodes, that bank also makes the warranty.

(b) A person who undertakes to retain an item pursuant to an agreement for electronic presentment warrants to any subsequent collecting bank and to the payor bank or other payor that retention and presentment of the item comply with the agreement. If a customer of a depository bank undertakes to retain an item, that bank also makes this warranty.

(c) A person to whom warranties are made under this section and who took the item in good faith may recover from the warrantor as damages for breach of warranty an amount equal to the loss suffered as a result of the breach, plus expenses and loss of interest incurred as a result of the breach.

Sec. RCW 62A.4-210 and 1965 ex.s. c 157 s 4-210 are each amended to read as follows:

~~((PRESENTMENT BY NOTICE OF ITEM NOT PAYABLE BY, THROUGH OR AT A BANK; LIABILITY OF SECONDARY PARTIES. (1) Unless otherwise instructed, a collecting bank may present an item not payable by, through or at a bank by sending to the party to accept or pay a written notice that the bank holds the item for acceptance or payment. The notice must be sent in time to be received on or before the day when presentment is due and the bank must meet any requirement of the party to accept or pay under RCW 62A.3 505 by the close of the bank's next banking day after it knows of the requirement.~~

~~(2) Where presentment is made by notice and neither honor nor request for compliance with a requirement under RCW 62A.3 505 is received by the close of business on the day after maturity or in the case of demand items by the close of business on the third banking day after notice was sent, the presenting bank may treat the item as dishonored and charge any secondary party by sending him notice of the facts.))~~ SECURITY INTEREST OF COLLECTING BANK IN ITEMS, ACCOMPANYING DOCUMENTS AND PROCEEDS. (a) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:

(1) In case of an item deposited in an account, to the extent to which credit given for the item has been withdrawn or applied;

(2) In case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given whether or not the credit is drawn upon or there is a right of charge-back; or

(3) If it makes an advance on or against the item.

(b) If credit given for several items received at one time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.

(c) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents, and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Article 9, but:

(1) No security agreement is necessary to make the security interest enforceable (subsection (1) of RCW 62A.9-203);

(2) No filing is required to perfect the security interest; and

(3) The security interest has priority over conflicting perfected security interests in the item, accompanying documents, or proceeds.

Sec. RCW 62A.4-211 and 1965 ex.s. c 157 s 4-211 are each amended to read as follows:

~~((MEDIA OF REMITTANCE; PROVISIONAL AND FINAL SETTLEMENT IN REMITTANCE CASES. (1) A collecting bank may take in settlement of an item~~

~~(d) if the item is drawn upon or payable by a person other than a bank, a cashier's check, certified check or other bank check or obligation.~~

(2) If before its midnight deadline the collecting bank properly dishonors a remittance check or authorization to charge on itself or presents or forwards for collection a remittance instrument of or on another bank which is of a kind approved by subsection (1) or has not been authorized by it, the collecting bank is not liable to prior parties in the event of the dishonor of such check, instrument or authorization.

(3) A settlement for an item by means of a remittance instrument or authorization to charge is or becomes a final settlement as to both the person making and the person receiving the settlement

(a) if the remittance instrument or authorization to charge is of a kind approved by subsection (1) or has not been authorized by the person receiving the settlement and in either case the person receiving the settlement acts seasonably before its midnight deadline in presenting, forwarding for collection or paying the instrument or authorization, at the time the remittance instrument or authorization is finally paid by the payor by which it is payable;

(b) if the person receiving the settlement has authorized remittance by a non bank check or obligation or by a cashier's check or similar primary obligation of or a check upon the payor or other remitting bank which is not of a kind approved by subsection (1)(b), at the time of the receipt of such remittance check or obligation; or

(c) if in a case not covered by sub paragraphs (a) or (b) the person receiving the settlement fails to seasonably present, forward for collection, pay or return a remittance instrument or authorization to it to charge before its midnight deadline, at such midnight deadline.) For purposes of determining its status as a holder in due course, bank has given value to the extent it has a security interest in an item, if the bank otherwise complies with the requirements of RCW 62A.3-302 on what constitutes a holder in due course.

Sec. RCW 62A.4-212 and 1965 ex.s. c 157 s 4-212 are each amended to read as follows:

~~((RIGHT OF CHARGE BACK OR REFUND. (1) If a collecting bank has made provisional settlement with its customer for an item and itself fails by reason of dishonor, suspension of payments by a bank or otherwise to receive a settlement for the item which is or becomes final, the bank may revoke the settlement given by it, charge back the amount of any credit given for the item to its customer's account or obtain refund from its customer whether or not it is able to return the items if by its midnight deadline or within a longer reasonable time after it learns the facts it returns the item or sends notification of the facts. These rights to revoke, charge back and obtain refund terminate if and when a settlement for the item received by the bank is or becomes final (subsection (3) of RCW 62A.4-211 and subsections (2) and (3) of RCW 62A.4-213).~~

~~(2) Within the time and manner prescribed by this section and RCW 62A.4-301, an intermediary or payor bank, as the case may be, may return an unpaid item directly to the depository bank and may send for collection a draft on the depository bank and obtain reimbursement. In such case, if the depository bank has received provisional settlement for the item, it must reimburse the bank drawing the draft and any provisional credits for the item between banks shall become and remain final.~~

~~(a) prior use of the credit given for the item; or~~

~~(b) failure by any bank to exercise ordinary care with respect to the item but any bank so failing remains liable.~~

~~(5) A failure to charge back or claim refund does not affect other rights of the bank against the customer or any other party.~~

~~(6) If credit is given in dollars as the equivalent of the value of an item payable in a foreign currency the dollar amount of any charge back or refund shall be calculated on the basis of the buying sight rate for the foreign currency prevailing on the day when the person entitled to the charge back or refund learns that it will not receive payment in ordinary course.)~~

PRESENTMENT BY NOTICE OF ITEM NOT PAYABLE BY, THROUGH, OR AT A BANK; LIABILITY OF DRAWER OR INDORSER. (a) Unless otherwise instructed, a collecting bank may present an item not payable by, through or at a bank by sending to the party to accept or pay a written notice that the bank holds the item for acceptance or payment. The notice must be sent in time to be received on or before the day when presentment is due and the bank must meet any requirement of the party to accept or pay under RCW 62A.3-501 by the close of the bank's next banking day after it knows of the requirement.

(b) If presentment is made by notice and payment, acceptance, or request for compliance with a requirement under RCW 62A.3-501 is not received by the close of business on the day after maturity or, in the case of demand items, by the close of business on the third banking day after notice was sent, the presenting bank may treat the item as dishonored and charge any drawer or indorser by sending it notice of the facts.

Sec. RCW 62A.4-213 and 1965 ex.s. c 157 s 4-213 are each amended to read as follows:

~~((FINAL PAYMENT OF ITEM BY PAYOR BANK; WHEN PROVISIONAL DEBITS AND CREDITS BECOME FINAL; WHEN CERTAIN CREDITS BECOME AVAILABLE FOR WITHDRAWAL. (1) An item is finally paid by a payor bank when the bank has done any of the following, whichever happens first:~~

(2) If provisional settlement for an item between the presenting and payor banks is made through a clearing house or by debits or credits in an account between them, then to the extent that provisional debits or credits for the item are entered in accounts between the presenting and payor banks or between the presenting and successive prior collecting banks seriatim, they become final upon final payment of the item by the payor bank.

(3) If a collecting bank receives a settlement for an item which is or becomes final (subsection (3) of RCW 62A.4 211, subsection (2) of RCW 62A.4 213) the bank is accountable to its customer for the amount of the item and any provisional credit given for the item in an account with its customer becomes final.

(4) Subject to any right of the bank to apply the credit to an obligation of the customer, credit given by a bank for an item in an account with its customer becomes available for withdrawal as of right

(iii) With respect to tender of settlement by a credit or debit to an account in a bank, when the credit or debit is made or, in the case of tender of settlement by authority to charge an account, when the authority is sent or delivered; or

(iv) With respect to tender of settlement by a funds transfer, when payment is made pursuant to RCW 62A.4A-406(1) to the person receiving settlement.

(b) If the tender of settlement is not by a medium authorized by subsection (a) or the time of settlement is not fixed by subsection (a), no settlement occurs until the tender of settlement is accepted by the person receiving settlement.

(c) If settlement for an item is made by cashier's check or teller's check and the person receiving settlement, before its midnight deadline:

(1) Presents or forwards the check for collection, settlement is final when the check is finally paid; or

(2) Fails to present or forward the check for collection, settlement is final at the midnight deadline of the person receiving settlement.

(d) If settlement for an item is made by giving authority to charge the account of the bank giving settlement in the bank receiving settlement, settlement is final when the charge is made by the bank receiving settlement if there are funds available in the account for the amount of the item.

~~(2) If a payor bank finally pays an item and suspends payments without making a settlement for the item with its customer or the presenting bank which settlement is or becomes final, the owner of the item has a preferred claim against the payor bank.~~

~~(3) If a payor bank gives or a collecting bank gives or receives a provisional settlement for an item and thereafter suspends payments, the suspension does not prevent or interfere with the settlement becoming final if such finality occurs automatically upon the lapse of certain time or the happening of certain events (subsection (3) of RCW 62A.4 211, subsections (1)(d), (2) and (3) of RCW 62A.4 213).~~

~~(4) If a collecting bank receives from subsequent parties settlement for an item which settlement is or becomes final and suspends payments without making a settlement for the item with its customer which is or becomes final, the owner of the item has a preferred claim against such collecting bank.)~~ RIGHT OF CHARGE-BACK OR REFUND; LIABILITY OF COLLECTING BANK; RETURN OF ITEM. (a) If a collecting bank has made provisional settlement with its customer for an item and fails by reason of dishonor, suspension of payments by a bank, or otherwise to receive a settlement for the item which is or becomes final, the bank may revoke the settlement given by it, charge back the amount of any credit given for the item to its customer's account, or obtain refund from its customer, whether or not it is able to return the items, if by its midnight deadline or within a longer reasonable time after it learns the facts it returns the item or sends notification of the facts. If the return or notice is delayed beyond the bank's midnight deadline or a longer reasonable time after it learns the facts, the bank may revoke the

(b) A collecting bank returns an item when it is sent or delivered to the bank's customer or transferor or pursuant to its instructions.

(c) A depository bank that is also the payor may charge-back the amount of an item to its customer's account or obtain refund in accordance with the section governing return of an item received by a payor bank for credit on its books (RCW 62A.4-301).

(d) The right to charge-back is not affected by:

(1) Previous use of a credit given for the item; or

(2) Failure by any bank to exercise ordinary care with respect to the item, but a bank so failing remains liable.

(e) A failure to charge-back or claim refund does not affect other rights of the bank against the customer or any other party.

(f) If credit is given in dollars as the equivalent of the value of an item payable in a foreign money, the dollar amount of any charge-back or refund must be calculated on the basis of the bank-offered spot rate for the foreign money prevailing on the day when the person entitled to the charge-back or refund learns that it will not receive payment in ordinary course.

NEW SECTION. Sec. A new section is added to Title 62A RCW, to be codified as RCW 62A.4-215, to read as follows:

PART 4

RELATIONSHIP BETWEEN PAYOR BANK AND ITS CUSTOMER

Sec. RCW 62A.4-401 and 1965 ex.s. c 157 s 4-401 are each amended to read as follows:

WHEN BANK MAY CHARGE CUSTOMER'S ACCOUNT. ~~((1) As against its customer,)~~ (a) A bank may charge against ~~(his)~~ the account ~~((any))~~ of a customer an item ~~((which))~~ that is ~~((otherwise))~~ properly payable from that account even though the charge creates an overdraft. An item is properly payable if it is authorized by the customer and is in accordance with any agreement between the customer and bank.

~~((2))~~ (b) A customer is not liable for the amount of an overdraft if the customer neither signed the item nor benefitted from the proceeds of the item.

(c) A bank may charge against the account of a customer a check that is otherwise properly payable from the account, even though payment was made before the date of the check, unless the customer has given notice to the bank of the postdating describing the check with reasonable certainty. The notice is effective for the period stated in RCW 62A.4-403(b) for stop-payment orders, and must be received at such time and in such manner as to afford the bank a reasonable opportunity to act on it before the bank takes any action with respect to the check described in RCW 62A.4-303. A bank may not collect a fee from a customer based on the customer's giving notice to the bank of a postdating. If a bank charges against the account of a customer a check before the date stated in the notice of postdating, the bank is liable for damages for the loss resulting from its act. The loss may include damages for dishonor of subsequent items under RCW 62A.4-402.

(d) A bank ~~((which))~~ that in good faith makes payment to a holder may charge the indicated account of its customer according to:

~~((a))~~ (1) The original ~~((tenor))~~ terms of ~~((his))~~ the altered item; or

~~((b))~~ (2) The ~~((tenor))~~ terms of ~~((his))~~ the completed item, even though the bank knows the item has been completed unless the bank has notice that the completion was improper.

Sec. RCW 62A.4-402 and 1965 ex.s. c 157 s 4-402 are each amended to read as follows:

BANK'S LIABILITY TO CUSTOMER FOR WRONGFUL DISHONOR; TIME OF DETERMINING INSUFFICIENCY OF ACCOUNT. (a) Except as otherwise provided in this Article, a payor bank wrongfully dishonors an item if it dishonors an item that is properly payable, but a bank may dishonor an item that would create an overdraft unless it has agreed to pay the overdraft.

(b) A payor bank is liable to its customer for damages proximately caused by the wrongful dishonor of an item. ~~((When the dishonor occurs through mistake))~~ Liability is limited to actual damages proved~~((If so proximately caused))~~ and ~~((proved damages))~~ may include damages for an arrest or prosecution of the customer or other consequential damages. Whether any consequential damages are proximately caused by the wrongful dishonor is a question of fact to be determined in each case.

(c) A payor bank's determination of the customer's account balance on which a decision to dishonor for insufficiency of available funds is based may be made at any time between the time the item is received by the payor bank and the time that the payor bank returns the item or gives notice in lieu of return, and no more than one determination need be made. If, at the election of the payor bank, a subsequent balance determination is made for the purpose of reevaluating the bank's decision to dishonor the item, the account balance at that time is determinative of whether a dishonor for insufficiency of available funds is wrongful.

Sec. RCW 62A.4-403 and 1965 ex.s. c 157 s 4-403 are each amended to read as follows:

CUSTOMER'S RIGHT TO STOP PAYMENT; BURDEN OF PROOF OF LOSS. ~~((1))~~ (a) A customer or any other person authorized to draw on the account if there is more than one person may ~~((by order to his bank))~~ stop payment of any item ~~((payable for his))~~ drawn on the customer's account ~~((but))~~ or close the account by an order ~~((must be))~~ to the bank describing the item or account with reasonable certainty received at ~~((such))~~ a time and in ~~((such))~~ a manner ~~((as to))~~ that affords the bank a reasonable opportunity to act on it ~~((prior to))~~ before any action by the bank with respect to the item described in RCW 62A.4-303. If the signature of more than one person is required to draw on an account, any of these persons may stop payment or close the account.

~~((2))~~ An oral order is binding upon the bank only for fourteen calendar days unless confirmed in writing within that period. A written order is effective for only six months unless renewed in writing. (b) A stop-payment order is effective for six months, but it lapses after fourteen calendar days if the original order was oral and was not confirmed in writing within that period. A stop-payment order may be renewed for additional six-month periods by a writing given to the bank within a period during which the stop-payment order is effective.

~~((3))~~ (c) The burden of establishing the fact and amount of loss resulting from the payment of an item contrary to a binding stop-payment order or order to close the account is on the customer. The loss from payment of an item contrary to a stop-payment order may include damages for dishonor of subsequent items under RCW 62A.4-402.

Sec. RCW 62A.4-405 and 1965 ex.s. c 157 s 4-405 are each amended to read as follows:

DEATH OR INCOMPETENCE OF CUSTOMER. ~~((1))~~ (a) A payor or collecting bank's authority to accept, pay, or collect an item or to account for proceeds of its collection, if otherwise effective, is not rendered ineffective by incompetence of a customer of either bank existing at the time the item is issued or its collection is undertaken if the bank does not know of an adjudication of incompetence. Neither death nor incompetence of a customer revokes ~~((such))~~ the authority to accept, pay, collect, or account until the bank knows of the fact of death or of an adjudication of incompetence and has reasonable opportunity to act on it.

~~((2))~~ (b) Even with knowledge, a bank may for ten days after the date of death pay or certify checks drawn on or ~~((prior to))~~ before that date unless ordered to stop payment by a person claiming an interest in the account.

Sec. RCW 62A.4-406 and 1991 sp.s. c 19 s 1 are each amended to read as follows:

~~((1))~~ When a bank sends to its customer a statement of account accompanied by items paid in good faith in support of the debit entries or holds the statement and items pursuant to a request or instructions of its customer or otherwise in a reasonable manner makes the statement and items available to the customer, the customer must exercise reasonable care and promptness to examine the statement and items to discover his or her unauthorized signature or any alteration on an item and must notify the bank promptly after discovery thereof.

~~(2))~~ (a) A bank that sends or makes available to a customer a statement of account showing payment of items for the account shall either return or make available to the customer the items paid, copies of the items paid, or provide information in the statement of account sufficient to allow the customer reasonably to identify the items paid. Until January 1, 1998, the statement of account provides sufficient information if the item is described by item number, amount, and date of payment. If the bank does not return the items paid or copies of the items paid, it shall provide in the statement of account the telephone number that the customer may call to request an item or copy of an item pursuant to subsection (b) of this section.

(b) If the items are not returned to the customer, the person retaining the items shall either retain the items or, if the items are destroyed, maintain the capacity to furnish legible copies of the items until the expiration of seven years after receipt of the items. A customer may request an item from the bank that paid the item, and that bank must provide in a reasonable time either the item or, if the item has been destroyed or is not otherwise obtainable, a legible copy of the item. A bank shall provide, upon request and without charge to the customer, at least five items or copies of items with respect to each statement of account sent to the customer. A bank may charge fees for additional items or copies of items in accordance with section 118 of this act. Requests for ten items or less shall be processed and completed within ten business days.

(c) If a bank sends or makes available a statement of account or items pursuant to subsection (a), the customer must exercise reasonable promptness in examining the statement or the items to determine whether any payment was not authorized because of an alteration of an item or because a purported signature by or on behalf of the customer was not authorized. If, based on the statement or items provided, the customer should reasonably have discovered the unauthorized payment, the customer must promptly notify the bank of the relevant facts.

(d) If the bank ~~((establishes))~~ proves that the customer failed with respect to an item to comply with the duties imposed on the customer by subsection ~~((1) of this section))~~ (c) the customer is precluded from asserting against the bank:

~~((a) His or her))~~ (1) The customer's unauthorized signature or any alteration on the item, if the bank also ~~((establishes))~~ proves that it suffered a loss by reason of ~~((such))~~ the failure; and

~~((b) An))~~ (2) The customer's unauthorized signature or alteration by the same wrong-doer on any other item paid in good faith by the bank ~~((after the first item and statement was available to the customer for a reasonable period and before the bank receives notification from the customer of any such unauthorized signature or alteration))~~ if the payment was made before the bank received notice from the customer of the unauthorized signature or alteration and after the customer had been afforded a reasonable period of time, not exceeding thirty days, in which to examine the item or statement of account and notify the bank.

~~((3))~~ The preclusion under subsection (2) of this section does not apply if the customer establishes lack of ordinary care on the part of the bank in paying the item(s).

~~(4))~~ (e) If subsection (d) applies and the customer proves that the bank failed to exercise ordinary care in paying the item and that the failure substantially contributed to loss, the loss is allocated between the customer precluded and the bank asserting the preclusion according to the extent to which the failure of the customer to comply with subsection (c) and the failure of the bank to exercise ordinary care contributed to the loss. If the customer proves that the bank did not pay the item in good faith, the preclusion under subsection (d) does not apply.

(f) Without regard to care or lack of care of either the customer or the bank, a natural person whose account is primarily for personal, family, or household purposes who does not within one year, and any other customer who does not within sixty days, from the time the statement and items are made available to the customer (subsection ~~((1) of this section))~~ (a) discover and report ~~((his or her))~~ the customer's unauthorized signature or any alteration on the face or back of the item or does not within ~~((three years))~~ one year from that time discover and report any unauthorized indorsement is precluded from asserting against the bank such unauthorized signature or indorsement or such alteration.

(5) If under this section a payor bank has a valid defense against a claim of a customer upon or resulting from payment of an item and waives or fails upon request to assert the defense the bank may not assert against any collecting bank or other prior party presenting or transferring the item a claim based upon the unauthorized signature or alteration giving rise to the customer's claim). If there is a preclusion under this subsection, the payor bank may not recover for breach of warranty under RCW 62A.4-208 with respect to the unauthorized signature or alteration to which the preclusion applies.

Sec. RCW 62A.4-407 and 1965 ex.s. c 157 s 4-407 are each amended to read as follows:

PAYOR BANK'S RIGHT TO SUBROGATION ON IMPROPER PAYMENT. If a payor bank has paid an item over the ~~((stop payment))~~ order of the drawer or maker to stop payment, or after an account has been closed, or otherwise under circumstances giving a basis for objection by the drawer or maker, to prevent unjust enrichment and only to the extent necessary to prevent loss to the bank by reason of its payment of the item, the payor bank ~~((shall be))~~ is subrogated to the rights:

~~((a))~~ (1) Of any holder in due course on the item against the drawer or maker; ~~((and))~~

~~((b))~~ (2) Of the payee or any other holder of the item against the drawer or maker either on the item or under the transaction out of which the item arose; and

~~((c))~~ (3) Of the drawer or maker against the payee or any other holder of the item with respect to the transaction out of which the item arose.

PART 5
COLLECTION OF DOCUMENTARY DRAFTS

Sec. RCW 62A.4-501 and 1965 ex.s. c 157 s 4-501 are each amended to read as follows:

HANDLING OF DOCUMENTARY DRAFTS; DUTY TO SEND FOR PRESENTMENT AND TO NOTIFY CUSTOMER OF DISHONOR. A bank ~~((which))~~ that takes a documentary draft for collection ~~((must))~~ shall present or send the draft and accompanying documents for presentment and, upon learning that the draft has not been paid or accepted in due course ~~((must)), shall~~ seasonably notify its customer of ~~((such))~~ the fact even though it may have discounted or bought the draft or extended credit available for withdrawal as of right.

Sec. RCW 62A.4-502 and 1965 ex.s. c 157 s 4-502 are each amended to read as follows:

PRESENTMENT OF "ON ARRIVAL" DRAFTS. ~~((When))~~ If a draft or the relevant instructions require presentment "on arrival", "when goods arrive" or the like, the collecting bank need not present until in its judgment a reasonable time for arrival of the goods has expired. Refusal to pay or accept because the goods have not arrived is not dishonor; the bank must notify its transferor of ~~((such))~~ the refusal but need not present the draft again until it is instructed to do so or learns of the arrival of the goods.

Sec. RCW 62A.4-503 and 1965 ex.s. c 157 s 4-503 are each amended to read as follows:

RESPONSIBILITY OF PRESENTING BANK FOR DOCUMENTS AND GOODS; REPORT OF REASONS FOR DISHONOR; REFEREE IN CASE OF NEED. Unless otherwise instructed and except as provided in Article 5, a bank presenting a documentary draft:

~~((+))~~ (1) Must deliver the documents to the drawee on acceptance of the draft if it is payable more than three days after presentment; otherwise, only on payment; and

~~((+))~~ (2) Upon dishonor, either in the case of presentment for acceptance or presentment for payment, may seek and follow instructions from any referee in case of need designated in the draft or, if the presenting bank does not choose to utilize ~~((his))~~ the referee's services, it must use diligence and good faith to ascertain the reason for dishonor, must notify its transferor of the dishonor and of the results of its effort to ascertain the reasons therefor, and must request instructions. ~~((But))~~ However, the presenting bank is under no obligation with respect to goods represented by the documents except to follow any reasonable instructions seasonably received; it has a right to reimbursement for any expense incurred in following instructions and to repayment of or indemnity for ~~((such))~~ those expenses.

Sec. RCW 62A.4-504 and 1965 ex.s. c 157 s 4-504 are each amended to read as follows:

PRIVILEGE OF PRESENTING BANK TO DEAL WITH GOODS; SECURITY INTEREST FOR EXPENSES. ~~((+))~~ (a) A presenting bank ~~((which))~~ that, following the dishonor of a documentary draft, has seasonably requested instructions but does not receive them within a reasonable time may store, sell, or otherwise deal with the goods in any reasonable manner.

~~((+))~~ (b) For its reasonable expenses incurred by action under subsection ~~((+))~~ (a) the presenting bank has a lien upon the goods or their proceeds, which may be foreclosed in the same manner as an unpaid seller's lien.

NEW SECTION. Sec. For the purposes of maintaining the uniformity of the Uniform Commercial Code (Title 62A RCW), the code reviser may reuse the codification numbers of those sections repealed in section 76 of this act.

NEW SECTION. Sec. A new section is added to chapter 30.22 RCW to read as follows:

A financial institution may charge a customer for furnishing items or copies of items as defined in RCW 62A.4-104, in excess of the number of free items or copies of items provided for in 62A.4-406(b), fifty cents per copy furnished plus fees for retrieval at a rate not to exceed the rate assessed when complying with summons issued by the Internal Revenue Service.

SENATE AMENDMENTS TO HOUSE BILL

April 16, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1047, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. A new section is added to chapter 70.95 RCW to read as follows:

The legislature finds that:

(1) The state of Washington has responded to the increasing challenges of safe, affordable disposal of solid waste by an ambitious program of waste reduction, recycling and reuse, as well as strict standards to ensure the safe handling, transportation, and disposal of solid waste;

(2) All communities in Washington participate in these programs through locally available recycling services, increased source separation and material recovery requirements, programs for waste reduction and product reuse, and performance standards that apply to all solid waste disposal facilities in the state;

(3) New requirements for the siting and performance of disposal facilities have greatly decreased the number of such facilities in Washington, and the state has a significant interest in ensuring adequate disposal capacity within the state;

(4) The landfilling, incineration, and other disposal of solid waste may adversely impact public health and environmental quality, and the state has a significant interest in decreasing volumes of the waste stream destined for disposal;

(5) Because of the decreasing number of disposal facilities and other reasons, solid waste is being transported greater distances, often beyond the community where generated and is increasingly being transported between states;

(6) Washington's waste management priorities and programs are a balanced approach of increased reuse, recycling and waste reduction, the strengthening of markets for recycled content products, and the safe disposal of the remaining waste stream, with the costs of these programs shared equitably by all persons generating waste in the state;

(7) Those residing in other states who generate waste destined for disposal within Washington should also share the costs of waste diversion and management of Washington's disposal facilities, so that the risks of waste disposal and the costs of mitigating those risks are shared equitably by all waste generators, regardless of their location;

(8) Because Washington state may not directly regulate waste handling, reduction, and recycling activities beyond its state boundaries, the only reasonable alternative to ensure this equitable treatment of waste being disposed within Washington is to implement a program of reviewing such activities as to waste originating outside of Washington, and to assign the additional costs, when necessary, to ensure that the waste meets standards substantially equivalent to those applicable to waste generated within the state, and, in some cases, to prohibit disposal of waste where its generation and management is not subject to standards substantially equivalent to those applicable to waste generated within the state.

NEW SECTION. Sec. A new section is added to chapter 70.95 RCW to read as follows:

(1) At least sixty days prior to receiving solid waste generated from outside of the state, the operator of a solid waste disposal site facility shall report to the department the types and quantities of waste to be received from an out-of-state source. The department shall develop guidelines for reporting this information. The guidelines shall provide for less than sixty days notice for shipments of waste made on a short-term or emergency basis. The requirements of this subsection shall take effect upon completion of the guidelines.

(2) Upon notice under subsection (1) of this section, the department shall identify all activities and costs necessary to ensure that solid waste generated out-of-state meets standards relating to solid waste reduction, recycling, and management substantially equivalent to those required of solid waste generated within the state. The department may assess a fee on the out-of-state waste sufficient to recover the actual costs incurred in ensuring that the out-of-state waste meets equivalent state

standards. The department may delegate, to a local health department, authority to implement the activities identified by the department under this subsection. All money received from fees imposed under this subsection shall be deposited into the solid waste management account created by RCW 70.95.800, and shall be used solely for the activities required by this section.

(3) The department may prohibit in-state disposal of solid waste generated from outside of the state, unless the generators of the waste meet: (a) Waste reduction and recycling requirements substantially equivalent to those applicable in Washington state; and (b) solid waste handling standards substantially equivalent to those applicable in Washington state.

(4) The department may adopt rules to implement this section.

NEW SECTION. Sec. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 1 of the title, after "state;" strike the remainder of the title and insert "adding new sections to chapter 70.95 RCW; and declaring an emergency." and the same are herewith transmitted

(4) To employ such engineering, legal, financial, or other specialized personnel as may be necessary to accomplish the purposes of the metropolitan municipal corporation.

Sec. RCW 35.58.410 and 1965 c 7 s 35.58.410 are each amended to read as follows:

(1) On or before the third Monday in June of each year, each metropolitan municipal corporation shall adopt a budget for the following calendar year. Such budget shall include a separate section for each authorized metropolitan function. Expenditures shall be segregated as to operation and maintenance expenses and capital and betterment outlays. Administrative and other expense general to the corporation shall be allocated between the authorized metropolitan functions. The budget shall contain an estimate of all revenues to be collected during the following budget year, including any surplus funds remaining unexpended from the preceding year. ((The remaining funds required to meet budget expenditures, if any, shall be designated as "supplemental income" and shall be obtained from the component cities and counties in the manner provided in this chapter.)) The metropolitan council shall not be required to confine capital or betterment expenditures made from bond proceeds or emergency expenditures to items provided in the budget. The affirmative vote of three-fourths of all members of the metropolitan council shall be required to authorize emergency expenditures.

(2) Subsection (1) of this section shall not apply to a county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW. This subsection (2) shall apply only to each county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW.

Each county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW shall, on or before the third Monday in June of each year, prepare an estimate of all revenues to be

collected during the following calendar year, including any surplus funds remaining unexpended from the preceding year for each authorized metropolitan function.

By June 30 of each year, the county shall adopt the rate for sewage disposal that will be charged to component cities and sewer districts during the following budget year.

As long as any general obligation indebtedness remains outstanding that was issued by the metropolitan municipal corporation prior to the assumption by the county, the county shall continue to impose the taxes authorized by RCW 82.14.045 and 35.58.273(5) at the maximum rates and on all of the taxable events authorized by law. If, despite the continued imposition of those taxes, the estimate of revenues made on or before the third Monday in June shows that estimated revenues will be insufficient to make all debt service payments falling due in the following calendar year on all general obligation indebtedness issued by the metropolitan municipal corporation prior to the assumption by the county of the rights, powers, functions, and obligations of the metropolitan municipal corporation, the remaining amount required to make the debt service payments shall be designated as "supplemental income" and shall be obtained from component cities and component counties as provided under RCW 35.58.420.

The county shall prepare and adopt a budget each year in accordance with applicable general law or county charter. If supplemental income has been designated under this subsection, the supplemental income shall be reflected in the budget that is adopted. If during the budget year the actual tax revenues from the taxes imposed under the authority of RCW 82.14.045 and 35.58.273(5) exceed the estimates upon which the supplemental income was based, the difference shall be refunded to the component cities and component counties in proportion to their payments promptly after the end of the budget year. A county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW shall not be required to confine capital or betterment expenditures for authorized metropolitan functions from bond proceeds or emergency expenditures to items provided in the budget.

Sec. RCW 39.36.020 and 1971 ex.s. c 218 s 1 are each amended to read as follows:

(1) Except as otherwise expressly provided by law or in subsections (2), (3) and (4) of this section, no taxing district shall for any purpose become indebted in any manner to an amount exceeding three-eighths of one percent of the value of the taxable property in such taxing district without the assent of three-fifths of the voters therein voting at an election to be held for that purpose, nor in cases requiring such assent shall the total indebtedness incurred at any time exceed one and one-fourth percent on the value of the taxable property therein.

(2) Counties, cities, towns, and public hospital districts are limited to an indebtedness amount not exceeding three-fourths of one percent of the value of the taxable property in such counties, cities, towns, or public hospital districts without the assent of three-fifths of the voters therein voting at an election held for that purpose. In cases requiring such assent counties, cities, towns, and public hospital districts are limited to a total indebtedness of two and one-half percent of the value of the taxable property therein. However, any county that has assumed the rights, powers, functions, and obligations of a metropolitan municipal corporation under chapter 36.56 RCW may become indebted to a larger amount for its authorized metropolitan functions, as provided under chapter 35.58 RCW, but not exceeding an additional three-fourths of one percent of the value of the taxable property in the county without the assent of three-fifths of the voters therein voting at an election held for that purpose, and in cases requiring such assent not exceeding an additional two and one-half percent of the value of the taxable property in the county.

(3) School districts are limited to an indebtedness amount not exceeding three-eighths of one percent of the value of the taxable property in such district without the assent of three-fifths of the voters therein voting at an election held for that purpose. In cases requiring such assent school districts are limited to a total indebtedness of two and one-half percent of the value of the taxable property therein.

(4) No part of the indebtedness allowed in this chapter shall be incurred for any purpose other than strictly county, city, town, school district, township, port district, metropolitan park district, or other municipal purposes: PROVIDED, That a city or town, with such assent, may become indebted to a larger amount, but not exceeding two and one-half percent additional, determined as herein provided, for supplying such city or town with water, artificial light, and sewers, when the works for supplying such water, light, and sewers shall be owned and controlled by the city or town; and a city or town, with such assent, may become indebted to a larger amount, but not exceeding two and one-half percent additional for acquiring or developing open space and park facilities: PROVIDED FURTHER, That any school district may become indebted to a larger amount but not exceeding two and one-half percent additional for capital outlays.

(5) Such indebtedness may be authorized in any total amount in one or more propositions and the amount of such authorization may exceed the amount of indebtedness which could then lawfully be incurred. Such indebtedness may be incurred in one or more series of bonds from time to time out of such authorization but at no time shall the total general indebtedness of any taxing district exceed the above limitation.

The term "value of the taxable property" as used in this section shall have the meaning set forth in RCW 39.36.015.

Sec. RCW 35.58.450 and 1984 c 186 s 18 are each amended to read as follows:

Notwithstanding the limitations of chapter 39.36 RCW and any other statutory limitations otherwise applicable and limiting municipal debt, a metropolitan municipal corporation shall have the power to contract indebtedness and issue general obligation bonds and to pledge the full faith and credit of the corporation to the payment thereof, for any authorized capital purpose of the metropolitan municipal corporation, not to exceed an amount, together with any outstanding nonvoter approved general indebtedness, equal to three-fourths of one percent of the value of the taxable property within the metropolitan municipal

corporation, as the term "value of the taxable property" is defined in RCW 39.36.015. A metropolitan municipal corporation may additionally contract indebtedness and issue general obligation bonds, for any authorized capital purpose of a metropolitan municipal corporation, together with any other outstanding general indebtedness, not to exceed an amount equal to five percent of the value of the taxable property within the corporation, as the term "value of the taxable property" is defined in RCW 39.36.015, when a proposition authorizing the indebtedness has been approved by three-fifths of the persons voting on said proposition at said election at which such election the total number of persons voting on such bond proposition shall constitute not less than forty percent of the total number of ~~((votes cast))~~ voters voting within the area of said metropolitan municipal corporation at the last preceding state general election. Such general obligation bonds may be authorized in any total amount in one or more propositions and the amount of such authorization may exceed the amount of bonds which could then lawfully be issued. Such bonds may be issued in one or more series from time to time out of such authorization. The elections shall be held pursuant to RCW 39.36.050.

Whenever the voters of a metropolitan municipal corporation have, pursuant to RCW 84.52.056, approved excess property tax levies to retire such bond issues, both the principal of and interest on such general obligation bonds may be made payable from annual tax levies to be made upon all the taxable property within the metropolitan municipal corporation in excess of the constitutional and/or statutory tax limit. The principal of and interest on any general obligation bond may be made payable from any other taxes or any special assessments which the metropolitan municipal corporation may be authorized to levy or from any otherwise unpledged revenue which may be derived from the ownership or operation of properties or facilities incident to the performance of the authorized function for which such bonds are issued or may be made payable from any combination of the foregoing sources. The metropolitan council may include in the principal amount of such bond issue an amount for engineering, architectural, planning, financial, legal, urban design and other services incident to acquisition or construction solely for authorized capital purposes ~~((and may include an amount to establish a guaranty fund for revenue bonds issued solely for capital purposes))~~.

General obligation bonds shall be issued and sold by the metropolitan council as provided in chapter 39.46 RCW and shall mature in not to exceed forty years from the date of issue.

Sec. RCW 35.58.460 and 1983 c 167 s 48 are each amended to read as follows:

(1) A metropolitan municipal corporation may issue revenue bonds to provide funds to carry out its authorized metropolitan water pollution abatement, water supply, garbage disposal or transportation purposes, without submitting the matter to the voters of the metropolitan municipal corporation. The metropolitan council shall create a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the metropolitan council may obligate the metropolitan municipal corporation to pay such amounts of the gross revenue of the particular utility constructed, acquired, improved, added to, or repaired out of the proceeds of sale of such bonds, as the metropolitan council shall determine and may obligate the metropolitan municipal corporation to pay such amounts out of otherwise unpledged revenue which may be derived from the ownership, use or operation of properties or facilities owned, used or operated incident to the performance of the authorized function for which such bonds are issued or out of otherwise unpledged fees, tolls, charges, tariffs, fares, rentals, special taxes or other sources of payment lawfully authorized for such purpose, as the metropolitan council shall determine. The principal of, and interest on, such bonds shall be payable only out of such special fund or funds, and the owners of such bonds shall have a lien and charge against the gross revenue of such utility or any other revenue, fees, tolls, charges, tariffs, fares, special taxes or other authorized sources pledged to the payment of such bonds.

Such revenue bonds and the interest thereon issued against such fund or funds shall be a valid claim of the owners thereof only as against such fund or funds and the revenue pledged therefor, and shall not constitute a general indebtedness of the metropolitan municipal corporation.

Each such revenue bond shall state upon its face that it is payable from such special fund or funds, and all revenue bonds issued under this chapter shall be negotiable securities within the provisions of the law of this state. Such revenue bonds may be registered either as to principal only or as to principal and interest as provided in RCW 39.46.030, or may be bearer bonds; shall be in such denominations as the metropolitan council shall deem proper; shall be payable at such time or times and at such places as shall be determined by the metropolitan council; shall bear interest at such rate or rates as shall be determined by the metropolitan council; shall be signed by the chairman and attested by the secretary of the metropolitan council, ~~((one))~~ any of which signatures may be ~~((a))~~ facsimile signatures, and the seal of the metropolitan municipal corporation shall be impressed or imprinted thereon; any attached interest coupons shall be signed by the facsimile signatures of said officials.

Such revenue bonds shall be sold in such manner, at such price and at such rate or rates of interest as the metropolitan council shall deem to be for the best interests of the metropolitan municipal corporation, either at public or private sale.

The metropolitan council may at the time of the issuance of such revenue bonds make such covenants with the owners of said bonds as it may deem necessary to secure and guarantee the payment of the principal thereof and the interest thereon, including but not being limited to covenants to set aside adequate reserves to secure or guarantee the payment of such principal and interest, to maintain rates sufficient to pay such principal and interest and to maintain adequate coverage over debt service, to appoint a trustee or trustees for the bond owners to safeguard the expenditure of the proceeds of sale of such bonds and to fix the powers and duties of such trustee or trustees and to make such other covenants as the metropolitan council may deem necessary to accomplish the most advantageous sale of such bonds. The metropolitan council may also provide that revenue bonds payable out of the same source may later be issued on a parity with revenue bonds being issued and sold.

The metropolitan council may include in the principal amount of any such revenue bond issue an amount to establish necessary reserves, an amount for working capital and an amount necessary for interest during the period of construction of any

such metropolitan facilities plus six months. The metropolitan council may, if it deems it to the best interest of the metropolitan municipal corporation, provide in any contract for the construction or acquisition of any metropolitan facilities or additions or improvements thereto or replacements or extensions thereof that payment therefor shall be made only in such revenue bonds at the par value thereof.

If the metropolitan municipal corporation shall fail to carry out or perform any of its obligations or covenants made in the authorization, issuance and sale of such bonds, the owner of any such bond may bring action against the metropolitan municipal corporation and compel the performance of any or all of such covenants.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

Sec. RCW 35.58.490 and 1965 c 7 s 35.58.490 are each amended to read as follows:

The metropolitan municipal corporation shall have the power to levy special assessments payable over a period of not exceeding twenty years on all property within the metropolitan area specially benefitted by any improvement, on the basis of special benefits conferred, to pay in whole, or in part, the damages or costs of any such improvement, and for such purpose may establish local improvement districts and enlarged local improvement districts, issue local improvement warrants and bonds to be repaid by the collection of local improvement assessments and generally to exercise with respect to any improvements which it may be authorized to construct or acquire the same powers as may now or hereafter be conferred by law upon cities ~~((of the first class))~~. Such local improvement districts shall be created and such special assessments levied and collected and local improvement warrants and bonds issued and sold in the same manner as shall now or hereafter be provided by law for cities ~~((of the first class))~~. The duties imposed upon the city treasurer under such acts shall be imposed upon the treasurer of the county in which such local improvement district shall be located.

A metropolitan municipal corporation may provide that special benefit assessments levied in any local improvement district may be paid into such revenue bond redemption fund or funds as may be designated by the metropolitan council to secure the payment of revenue bonds issued to provide funds to pay the cost of improvements for which such assessments were levied. If local improvement district assessments shall be levied for payment into a revenue bond fund, the local improvement district created therefor shall be designated a utility local improvement district. A metropolitan municipal corporation that creates a utility local improvement district shall conform with the laws relating to utility local improvement districts created by a city.

Any territory located within a component county that is contiguous to a metropolitan municipal corporation and lying wholly within an incorporated city or town may be annexed to such metropolitan municipal corporation by ordinance of the legislative body of such city or town requesting such annexation concurred in by resolution of the metropolitan council.

April 15, 1993

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1248 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. RCW 51.32.050 and 1991 c 88 s 2 are each amended to read as follows:

- (1) Where death results from the injury the expenses of burial not to exceed two thousand dollars shall be paid.
- (2)(a) Where death results from the injury, a surviving spouse of a deceased worker eligible for benefits under this title shall receive monthly for life or until remarriage payments according to the following schedule:
 - (i) If there are no children of the deceased worker, sixty percent of the wages of the deceased worker but not less than one hundred eighty-five dollars;
 - (ii) If there is one child of the deceased worker and in the legal custody of such spouse, sixty-two percent of the wages of the deceased worker but not less than two hundred twenty-two dollars;
 - (iii) If there are two children of the deceased worker and in the legal custody of such spouse, sixty-four percent of the wages of the deceased worker but not less than two hundred fifty-three dollars;
 - (iv) If there are three children of the deceased worker and in the legal custody of such spouse, sixty-six percent of the wages of the deceased worker but not less than two hundred seventy-six dollars;
 - (v) If there are four children of the deceased worker and in the legal custody of such spouse, sixty-eight percent of the wages of the deceased worker but not less than two hundred ninety-nine dollars; or
 - (vi) If there are five or more children of the deceased worker and in the legal custody of such spouse, seventy percent of the wages of the deceased worker but not less than three hundred twenty-two dollars.
- (b) Where the surviving spouse does not have legal custody of any child or children of the deceased worker or where after the death of the worker legal custody of such child or children passes from such surviving spouse to another, any payment on account of such child or children not in the legal custody of the surviving spouse shall be made to the person or persons having legal custody of such child or children. The amount of such payments shall be five percent of the monthly benefits payable as a result of the worker's death for each such child but such payments shall not exceed twenty-five percent. Such payments on account of such child or children shall be subtracted from the amount to which such surviving spouse would have been entitled had such surviving spouse had legal custody of all of the children and the surviving spouse shall receive the remainder after such payments on account of such child or children have been subtracted. Such payments on account of a child or children not in the legal custody of such surviving spouse shall be apportioned equally among such children.

(c) Payments to the surviving spouse of the deceased worker shall cease at the end of the month in which remarriage occurs: PROVIDED, That a monthly payment shall be made to the child or children of the deceased worker from the month following such remarriage in a sum equal to five percent of the wages of the deceased worker for one child and a sum equal to five percent for each additional child up to a maximum of five such children. Payments to such child or children shall be apportioned equally among such children. Such sum shall be in place of any payments theretofore made for the benefit of or on account of any such child or children. If the surviving spouse does not have legal custody of any child or children of the deceased worker, or if after the death of the worker, legal custody of such child or children passes from such surviving spouse to another, any payment on account of such child or children not in the legal custody of the surviving spouse shall be made to the person or persons having legal custody of such child or children.

(d) In no event shall the monthly payments provided in subsection (2) of this section exceed ~~((one hundred percent))~~ the applicable percentage of the average monthly wage in the state as computed under RCW 51.08.018~~((--))~~ as follows:

AFTER PERCENTAGE

June 30, 1993 105%

June 30, 1994 110%

June 30, 1995 115%

June 30, 1996 120%

(e) In addition to the monthly payments provided for in (2)(a) through (2)(c) of this section, a surviving spouse or child or children of such worker if there is no surviving spouse, or dependent parent or parents, if there is no surviving spouse or child or children of any such deceased worker shall be forthwith paid the sum of one thousand six hundred dollars, any such children, or parents to share and share alike in said sum.

(f) Upon remarriage of a surviving spouse the monthly payments for the child or children shall continue as provided in this section, but the monthly payments to such surviving spouse shall cease at the end of the month during which remarriage occurs. However, after September 8, 1975, an otherwise eligible surviving spouse of a worker who died at any time prior to or after September 8, 1975, shall have an option of:

(i) Receiving, once and for all, a lump sum of twenty-four times the monthly compensation rate in effect on the date of remarriage allocable to the spouse for himself or herself pursuant to (2)(a)(i) of this section and subject to any modifications specified under (2)(d) of this section and RCW 51.32.075(3) or fifty percent of the then remaining annuity value of his or her pension, whichever is the lesser: PROVIDED, That if the injury occurred prior to July 28, 1991, the remarriage benefit lump sum available shall be as provided in the remarriage benefit schedules then in effect; or

(ii) If a surviving spouse does not choose the option specified in (2)(f)(i) of this section to accept the lump sum payment, the remarriage of the surviving spouse of a worker shall not bar him or her from claiming the lump sum payment authorized in (2)(f)(i) of this section during the life of the remarriage, or shall not prevent subsequent monthly payments to him or to her if the remarriage has been terminated by death or has been dissolved or annulled by valid court decree provided he or she has not previously accepted the lump sum payment.

(g) If the surviving spouse during the remarriage should die without having previously received the lump sum payment provided in (2)(f)(i) of this section, his or her estate shall be entitled to receive the sum specified under subsection (2)(f)(i) of this section or fifty percent of the then remaining annuity value of his or her pension whichever is the lesser.

(h) The effective date of resumption of payments under (2)(f)(ii) of this section to a surviving spouse based upon termination of a remarriage by death, annulment, or dissolution shall be the date of the death or the date the judicial decree of annulment or dissolution becomes final and when application for the payments has been received.

(i) If it should be necessary to increase the reserves in the reserve fund or to create a new pension reserve fund as a result of the amendments in chapter 45, Laws of 1975-'76 2nd ex. sess., the amount of such increase in pension reserve in any such case shall be transferred to the reserve fund from the supplemental pension fund.

(3) If there is a child or children and no surviving spouse of the deceased worker or the surviving spouse is not eligible for benefits under this title, a sum equal to thirty-five percent of the wages of the deceased worker shall be paid monthly for one child and a sum equivalent to fifteen percent of such wage shall be paid monthly for each additional child, the total of such sum to be divided among such children, share and share alike: PROVIDED, That benefits under this subsection or subsection (4) of this section shall not exceed the lesser of sixty-five percent of the wages of the deceased worker at the time of his or her death or ~~((one hundred percent))~~ the applicable percentage of the average monthly wage in the state as defined in RCW 51.08.018, ~~((whichever is the lesser of the two sums.))~~ as follows:

AFTER PERCENTAGE

June 30, 1993 105%

June 30, 1994 110%

June 30, 1995 115%

June 30, 1996 120%

(4) In the event a surviving spouse receiving monthly payments dies, the child or children of the deceased worker shall receive the same payment as provided in subsection (3) of this section.

(5) If the worker leaves no surviving spouse or child, but leaves a dependent or dependents, a monthly payment shall be made to each dependent equal to fifty percent of the average monthly support actually received by such dependent from the worker during the twelve months next preceding the occurrence of the injury, but the total payment to all dependents in any case shall not exceed ~~the lesser of sixty-five percent of the wages of the deceased worker at the time of ((the)) his or her death or ((one hundred percent))~~ the applicable percentage of the average monthly wage in the state as defined in RCW 51.08.018(~~which ever is the lesser of the two sums.))~~ as follows:

AFTER PERCENTAGE

June 30, 1993 105%

June 30, 1994 110%

June 30, 1995 115%

June 30, 1996 120%

If any dependent is under the age of eighteen years at the time of the occurrence of the injury, the payment to such dependent shall cease when such dependent reaches the age of eighteen years except such payments shall continue until the dependent reaches age twenty-three while permanently enrolled at a full time course in an accredited school. The payment to any dependent shall cease if and when, under the same circumstances, the necessity creating the dependency would have ceased if the injury had not happened.

(6) For claims filed prior to July 1, 1986, if the injured worker dies during the period of permanent total disability, whatever the cause of death, leaving a surviving spouse, or child, or children, the surviving spouse or child or children shall receive benefits as if death resulted from the injury as provided in subsections (2) through (4) of this section. Upon remarriage or death of such surviving spouse, the payments to such child or children shall be made as provided in subsection (2) of this section when the surviving spouse of a deceased worker remarries.

(7) For claims filed on or after July 1, 1986, every worker who becomes eligible for permanent total disability benefits shall elect an option as provided in RCW 51.32.067.

Sec. RCW 51.32.060 and 1988 c 161 s 1 are each amended to read as follows:

(1) When the supervisor of industrial insurance shall determine that permanent total disability results from the injury, the worker shall receive monthly during the period of such disability:

(a) If married at the time of injury, sixty-five percent of his or her wages but not less than two hundred fifteen dollars per month.

(b) If married with one child at the time of injury, sixty-seven percent of his or her wages but not less than two hundred fifty-two dollars per month.

(f) If married with five or more children at the time of injury, seventy-five percent of his or her wages but not less than three hundred fifty-two dollars per month.

(g) If unmarried at the time of the injury, sixty percent of his or her wages but not less than one hundred eighty-five dollars per month.

(h) If unmarried with one child at the time of injury, sixty-two percent of his or her wages but not less than two hundred twenty-two dollars per month.

(i) If unmarried with two children at the time of injury, sixty- four percent of his or her wages but not less than two hundred fifty-three dollars per month.

(j) If unmarried with three children at the time of injury, sixty-six percent of his or her wages but not less than two hundred seventy-six dollars per month.

(k) If unmarried with four children at the time of injury, sixty-eight percent of his or her wages but not less than two hundred ninety-nine dollars per month.

(l) If unmarried with five or more children at the time of injury, seventy percent of his or her wages but not less than three hundred twenty-two dollars per month.

(2) For any period of time where both husband and wife are entitled to compensation as temporarily or totally disabled workers, only that spouse having the higher wages of the two shall be entitled to claim their child or children for compensation purposes.

(3) In case of permanent total disability, if the character of the injury is such as to render the worker so physically helpless as to require the hiring of the services of an attendant, the department shall make monthly payments to such attendant for such services as long as such requirement continues, but such payments shall not obtain or be operative while the worker is receiving care under or pursuant to the provisions of chapter 51.36 RCW and RCW 51.04.105.

(4) Should any further accident result in the permanent total disability of an injured worker, he or she shall receive the pension to which he or she would be entitled, notwithstanding the payment of a lump sum for his or her prior injury.

(5) In no event shall the monthly payments provided in this section exceed ~~((one hundred percent))~~ the applicable percentage of the average monthly wage in the state as computed under the provisions of RCW 51.08.018~~((, except that this))~~ as follows:

<u>AFTER PERCENTAGE</u>	
<u>June 30, 1993</u>	<u>105%</u>
<u>June 30, 1994</u>	<u>110%</u>
<u>June 30, 1995</u>	<u>115%</u>
<u>June 30, 1996</u>	<u>120%</u>

The limitations under this subsection shall not apply to the payments provided for in subsection (3) of this section.

(6) In the case of new or reopened claims, if the supervisor of industrial insurance determines that, at the time of filing or reopening, the worker is voluntarily retired and is no longer attached to the work force, benefits shall not be paid under this section.

(7) The benefits provided by this section are subject to modification under RCW 51.32.067.

Sec. RCW 51.32.090 and 1988 c 161 s 4 are each amended to read as follows:

(1) When the total disability is only temporary, the schedule of payments contained in RCW 51.32.060 (1) and (2) shall apply, so long as the total disability continues.

(2) Any compensation payable under this section for children not in the custody of the injured worker as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) As soon as recovery is so complete that the present earning power of the worker, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall cease. If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable unless the loss of earning power shall exceed five percent.

(4) Whenever an employer requests that a worker who is entitled to temporary total disability under this chapter be certified by a physician as able to perform available work other than his or her usual work, the employer shall furnish to the physician, with a copy to the worker, a statement describing the available work in terms that will enable the physician to relate the physical activities of the job to the worker's disability. The physician shall then determine whether the worker is physically able to perform the work described. If the worker is released by his or her physician for said work, and the work thereafter comes to an end before the worker's recovery is sufficient in the judgment of his or her physician to permit him or her to return to his or her usual job, or to perform other available work, the worker's temporary total disability payments shall be resumed. Should the available work described, once undertaken by the worker, impede his or her recovery to the extent that in the judgment of his or her physician he or she should not continue to work, the worker's temporary total disability payments shall be resumed when the worker ceases such work.

Once the worker returns to work under the terms of this subsection, he or she shall not be assigned by the employer to work other than the available work described without the worker's written consent, or without prior review and approval by the worker's physician.

In the event of any dispute as to the worker's ability to perform the available work offered by the employer, the department shall make the final determination.

(5) No worker shall receive compensation for or during the day on which injury was received or the three days following the same, unless his or her disability shall continue for a period of fourteen consecutive calendar days from date of injury: PROVIDED, That attempts to return to work in the first fourteen days following the injury shall not serve to break the continuity of the period of disability if the disability continues fourteen days after the injury occurs.

(6) Should a worker suffer a temporary total disability and should his or her employer at the time of the injury continue to pay him or her the wages which he or she was earning at the time of such injury, such injured worker shall not receive any payment provided in subsection (1) of this section during the period his or her employer shall so pay such wages.

(7) In no event shall the monthly payments provided in this section exceed (~~one hundred percent~~) the applicable percentage of the average monthly wage in the state as computed under the provisions of RCW 51.08.018((-)) as follows:

AFTER PERCENTAGE

June 30, 1993 105%

June 30, 1994 110%

June 30, 1995 115%

June 30, 1996 120%

(8) If the supervisor of industrial insurance determines that the worker is voluntarily retired and is no longer attached to the work force, benefits shall not be paid under this section.

NEW SECTION. Sec. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993.

On page 1, line 2 of the title, after "benefits;" strike the remainder of the title and insert "amending RCW 51.32.050, 51.32.060, and 51.32.090; providing an effective date; and declaring an emergency." and the same are herewith transmitted.

Loss of central visual acuity in one eye	18,000.00
Complete loss of hearing in both ears	43,200.00
Complete loss of hearing in one ear	7,200.00

(b) Beginning on July 1, 1993, compensation under this subsection shall be computed as follows:

(i) Beginning on July 1, 1993, the compensation amounts for the specified disabilities listed in (a) of this subsection shall be increased by thirty-two percent; and

(ii) Beginning on July 1, 1994, and each July 1 thereafter, the compensation amounts for the specified disabilities listed in (a) of this subsection, as adjusted under (b)(i) of this subsection, shall be readjusted to reflect the percentage change in the consumer price index, calculated as follows: The index for the calendar year preceding the year in which the July calculation is made, to be known as "calendar year A," is divided by the index for the calendar year preceding calendar year A, and the resulting ratio is multiplied by the compensation amount in effect on June 30 immediately preceding the July 1st on which the respective calculation is made. For the purposes of this subsection, "index" means the same as the definition in RCW 2.12.037(1).

(2) Compensation for amputation of a member or part thereof at a site other than those (~~(above)~~) specified in subsection (1) of this section, and for loss of central visual acuity and loss of hearing other than complete, shall be in proportion to that which such other amputation or partial loss of visual acuity or hearing most closely resembles and approximates. Compensation shall be calculated based on the adjusted schedule of compensation in effect for the respective time period as prescribed in subsection (1) of this section.

(3)(a) Compensation for any other permanent partial disability not involving amputation shall be in the proportion which the extent of such other disability, called unspecified disability, shall bear to (~~(that above)~~) the disabilities specified in subsection (1) of this section, which most closely resembles and approximates in degree of disability such other disability, and compensation for any other unspecified permanent partial disability shall be in an amount as measured and compared to total bodily impairment(~~(- PROVIDED, That in order)~~). To reduce litigation and establish more certainty and uniformity in the rating of unspecified permanent partial disabilities, the department shall enact rules having the force of law classifying such disabilities in the proportion which the department shall determine such disabilities reasonably bear to total bodily impairment. In enacting such rules, the department shall give consideration to, but need not necessarily adopt, any nationally recognized medical standards or guides for determining various bodily impairments.

(b) Until July 1, 1993, for purposes of calculating monetary benefits under (a) of this subsection, the amount payable for total bodily impairment shall be deemed to be ninety thousand dollars(~~(- PROVIDED, That)~~). Beginning on July 1, 1993, for purposes of calculating monetary benefits under (a) of this subsection, the amount payable for total bodily impairment shall be adjusted as follows:

(i) Beginning on July 1, 1993, the amount payable for total bodily impairment under this section shall be increased to one hundred eighteen thousand eight hundred dollars; and

(ii) Beginning on July 1, 1994, and each July 1 thereafter, the amount payable for total bodily impairment prescribed in (b)(i) of this subsection shall be adjusted as provided in subsection (1)(b)(ii) of this section.

(c) Until July 1, 1993, the total compensation for all unspecified permanent partial disabilities resulting from the same injury shall not exceed the sum of ninety thousand dollars(~~(- PROVIDED FURTHER, That in case)~~). Beginning on July 1, 1993, total compensation for all unspecified permanent partial disabilities resulting from the same injury shall not exceed a sum calculated as follows:

(i) Beginning on July 1, 1993, the sum shall be increased to one hundred eighteen thousand eight hundred dollars; and

(ii) Beginning on July 1, 1994, and each July 1 thereafter, the sum prescribed in (b)(i) of this subsection shall be adjusted as provided in subsection (1)(b)(ii) of this section.

(4) If permanent partial disability compensation is followed by permanent total disability compensation, any portion of the permanent partial disability compensation which exceeds the amount that would have been paid the injured worker if permanent total disability compensation had been paid in the first instance, shall be deducted from the pension reserve of such injured worker and his or her monthly compensation payments shall be reduced accordingly.

~~((3))~~ (5) Should a worker receive an injury to a member or part of his or her body already, from whatever cause, permanently partially disabled, resulting in the amputation thereof or in an aggravation or increase in such permanent partial disability but not resulting in the permanent total disability of such worker, his or her compensation for such partial disability

shall be adjudged with regard to the previous disability of the injured member or part and the degree or extent of the aggravation or increase of disability thereof.

~~((4))~~ (6) When the compensation provided for in subsections (1) ~~(and (2))~~ through (3) of this section exceeds three times the average monthly wage in the state as computed under the provisions of RCW 51.08.018, payment shall be made in monthly payments in accordance with the schedule of temporary total disability payments set forth in RCW 51.32.090 until such compensation is paid to the injured worker in full, except that the first monthly payment shall be in an amount equal to three times the average monthly wage in the state as computed under the provisions of RCW 51.08.018, and interest shall be paid at the rate of eight percent on the unpaid balance of such compensation commencing with the second monthly payment ~~(: PROVIDED, That))~~. However, upon application of the injured worker or survivor the monthly payment may be converted, in whole or in part, into a lump sum payment, in which event the monthly payment shall cease in whole or in part. Such conversion may be made only upon written application of the injured worker or survivor to the department and shall rest in the discretion of the department depending upon the merits of each individual application ~~(: PROVIDED FURTHER, That))~~. Upon the death of a worker all unpaid installments accrued shall be paid according to the payment schedule established prior to the death of the worker to the widow or widower, or if there is no widow or widower surviving, to the dependent children of such claimant, and if there are no such dependent children, then to such other dependents as defined by this title.

(7) Awards payable under this section are governed by the schedule in effect on the date of injury.

NEW SECTION. Sec. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

April 15, 1993

MR. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1318 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. It is the intent of the legislature that the boating safety laws administered by the state parks and recreation commission provide Washington's citizens with clear and reasonable boating safety regulations and penalties. Therefore, the legislature intends to recodify, clarify, and partially decriminalize the state-wide boating safety laws in order to help the boating community understand and comply with these laws.

It is also the intent of the legislature to increase boat registration fees in order to provide additional funds to local governments for boating safety enforcement and education programs. The funds are to be used for enforcement, education, training, and equipment, including vessel noise measurement equipment. The legislature encourages programs that provide boating safety education in the primary and secondary school system for boat users and potential future boat users. The legislature also encourages boating safety programs that use volunteer and private sector efforts to enhance boating safety and education.

Sec. RCW 7.84.010 and 1987 c 380 s 1 are each amended to read as follows:

The legislature declares that decriminalizing certain offenses contained in Titles 75, 76, 77, and 79 RCW and chapters 43.30 ~~((and))~~, 43.51, and 88.12 RCW and any rules adopted pursuant to those titles and chapters would promote the more efficient administration of those titles and chapters. The purpose of this chapter is to provide a just, uniform, and efficient procedure for adjudicating those violations which, in any of these titles and chapters or rules adopted under these chapters or titles, are declared not to be criminal offenses. The legislature respectfully requests the supreme court to prescribe any rules of procedure necessary to implement this chapter.

Sec. RCW 7.84.020 and 1987 c 380 s 2 are each amended to read as follows:

(2) A person shall not operate or permit to be operated a vessel equipped with a motor or other propulsion machinery of a power beyond the vessel's ability to operate safely, taking into consideration the vessel's type, use, and construction, the weather conditions, and other existing operating conditions.

(3) A violation of subsection (1) or (2) of this section is an infraction punishable as provided under chapter 7.84 RCW except as provided under section 6 of this act or where the overloading or overpowering is reasonably advisable to effect a rescue or for some similar emergency purpose.

(4) If it appears reasonably certain to any law enforcement officer that a person is operating a vessel clearly loaded or powered beyond its safe operating ability and in the judgment of that officer the operation creates an especially hazardous condition, the officer may direct the operator to take immediate and reasonable steps necessary for the safety of the individuals on board the vessel, including directing the operator to return to shore or a mooring and to remain there until the situation creating the hazard is corrected or ended. Failure to follow the direction of an officer under this subsection is a misdemeanor punishable as provided under RCW 9.92.030.

NEW SECTION. Sec. A new section is added to chapter 88.12 RCW to read as follows:

(1) A person shall not operate a personal watercraft unless each person aboard the personal watercraft is wearing a personal flotation device approved by the commission. Except as provided for in section 6 of this act, a violation of this subsection is a civil infraction punishable under RCW 7.84.100.

(2) A person operating a personal watercraft equipped by the manufacturer with a lanyard-type engine cutoff switch shall attach the lanyard to his or her person, clothing, or personal flotation device as appropriate for the specific vessel. It is unlawful for any person to remove or disable a cutoff switch that was installed by the manufacturer.

Under no circumstances may the rendering of assistance or other compliance with this section be evidence of the liability of such operator for the collision, accident, or casualty. ~~((The operator shall also give his or her name, address, and the identification of the operator's vessel to the state parks and recreation commission and any person injured and to the owner of any property damaged))~~ The operator shall also give all pertinent accident information, as specified by rule by the commission, to the law enforcement agency having jurisdiction: PROVIDED, That this requirement shall not apply to operators of vessels when they are participating in an organized competitive event ~~((covered by a permit issued by the United States coast guard))~~ authorized or otherwise permitted by the appropriate agency having jurisdiction and authority to authorize such events. These duties are in addition to any duties otherwise imposed by law. (2) Any person who complies with subsection (1) of this section or who gratuitously and in good faith renders assistance at the scene of a vessel collision, accident, or other casualty, without objection of the person assisted, shall not be held liable for any civil damages as a result of the rendering of assistance or for any act or omission in providing or arranging salvage, towage, medical treatment, or other assistance, where the assisting person acts as any reasonably prudent person would have acted under the same or similar circumstances.

Sec. RCW 88.12.160 and Code 1881 s 3242 are each amended to read as follows:

Any person taking up any ~~((seow, boat, skiff, canoe, or other water craft,))~~ vessel found adrift, and out of the custody of the owner, in ~~((any stream or body of water, within, or bordering upon))~~ waters of this state, shall forthwith notify the owner thereof, if to him or her known, or if upon reasonable inquiry he or she can ascertain the name and residence of the owner, and request such owner to pay all reasonable charges, and take such ~~((water craft))~~ vessel away.

Sec. RCW 88.12.170 and Code 1881 s 3243 are each amended to read as follows:

Such notice shall be given personally, or in writing; if in writing, it shall be served upon the owner, or may be sent by mail to the post office where such owner usually receives his or her letters. Such notice shall inform the party where the ~~((seow, boat, skiff, canoe, or other water craft))~~ vessel was taken up, and where it may be found, and what amount the taker-up or finder demands for his or her charges.

Sec. RCW 88.12.180 and Code 1881 s 3244 are each amended to read as follows:

When the complaint is filed in the superior court, the clerk thereof shall approve the security of the bond. The bond shall be conditioned to pay such costs as shall be awarded to the finder or taker-up of such ~~((scow, boat, skiff, canoe, or other water craft))~~ vessel.

Sec. RCW 88.12.210 and Code 1881 s 3247 are each amended to read as follows:

In case the ~~((scow, boat, skiff, canoe, or other water craft))~~ vessel exceeds one hundred dollars, and is not claimed within six months, application shall be made to the superior court of the county, and the same proceeding shall be thereupon had. Sec. RCW 88.12.230 and 1986 c 217 s 1 are each amended to read as follows:

The purpose of ~~((this chapter))~~ RCW 88.12.250 through 88.12.320 is to further the public interest, welfare, and safety by providing for the protection and promotion of safety in the operation of ~~((watercraft))~~ vessels carrying passengers for hire on the whitewater rivers of this state.

NEW SECTION. Sec. A new section is added to chapter 88.12 RCW to read as follows:

Except as provided in RCW 88.12.320(3), the commission of a prohibited act under RCW 88.12.250 through 88.12.320 constitutes a misdemeanor, punishable as provided under RCW 9.92.030.

Sec. RCW 88.12.250 and 1986 c 217 s 3 are each amended to read as follows:

(3) No ~~((watercraft))~~ vessel carrying passengers for hire on whitewater rivers may be loaded with passengers or cargo beyond its safe carrying capacity taking into consideration the type and construction of the ~~((watercraft))~~ vessel and other existing operating conditions. In the case of inflatable ~~((crafts))~~ vessels, safe carrying capacity in whitewater shall be considered as less

than the United States Coast Guard capacity rating for each ~~((watercraft))~~ vessel. This subsection shall not apply in cases of an unexpected emergency on the river.

(4) Individuals licensed under chapter 77.32 RCW and acting as fishing guides are exempt from section 27 of this act and RCW 88.12.260 through 88.12.320.

Sec. RCW 88.12.260 and 1986 c 217 s 4 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, ~~((watercraft))~~ vessels on whitewater rivers proceeding downstream have the right of way over ~~((watercraft))~~ vessels proceeding upstream.

(2) In all cases, ~~((watercraft))~~ vessels not under power proceeding downstream on whitewater rivers have the right of way over motorized craft underway.

Sec. RCW 88.12.280 and 1986 c 217 s 6 are each amended to read as follows:

(1) While carrying passengers for hire on whitewater rivers ~~((sections))~~ in this state, the operator and owner of the vessel shall:

~~((2))~~ (b) Ensure that all passengers and operators are wearing a securely fastened ~~((United States Coast Guard approved type III or type V life jacket in good condition))~~ personal flotation device;

~~((3))~~ (c) Ensure that each ~~((watercraft))~~ vessel has accessible a spare United States coast guard-approved type III or type V ~~((life jacket))~~ personal flotation device in good repair;

~~((4))~~ (d) Ensure that each ~~((watercraft))~~ vessel has on it a bagged throwable line with a floating line and bag;

~~((5))~~ (e) Ensure that each ~~((watercraft))~~ vessel has accessible an adequate first-aid kit;

~~((6))~~ (f) Ensure that each ~~((watercraft))~~ vessel has a spare propelling device;

~~((7))~~ (g) Ensure that a repair kit and air pump are accessible to inflatable ~~((watercraft))~~ vessel; and

~~((8))~~ (h) Ensure that equipment to prevent and treat hypothermia is accessible to all ~~((watercraft))~~ vessels on a trip.

(2) No person may operate on the whitewater rivers of this state a vessel carrying passengers for hire unless the person has successfully completed a lifesaving training course meeting standards adopted by the commission.

Sec. RCW 88.12.290 and 1986 c 217 s 7 are each amended to read as follows:

(1) ~~((Watercraft))~~ Vessel operators and passengers on any trip carrying passengers for hire on whitewater rivers of the state shall not allow the use of alcohol during the course of a trip on a whitewater river section in this state.

(2) Any ~~((watercraft))~~ vessel carrying passengers for hire on any whitewater river section in this state must be accompanied by at least one other ~~((watercraft))~~ vessel under the supervision of the same operator or owner or being operated by a person registered under RCW 88.12.320 or an operator under the direction or control of a person registered under RCW 88.12.320.

Sec. RCW 88.12.390 and 1989 c 393 s 4 are each amended to read as follows:

(1) A marina which meets one or more of the following criteria shall be designated by the commission as appropriate for installation of a sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit:

(a) The marina is located in an environmentally sensitive or polluted area; or

(b) The marina has one hundred twenty-five slips or more and there is a lack of sewage pumpout~~((s))~~ or dump units within a reasonable distance.

(2) In addition to subsection (1) of this section, the commission may at its discretion designate a marina as appropriate for installation of a sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit if there is a demonstrated need for a sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit at the marina based on professionally conducted studies undertaken by federal, state, or local government, or the private sector; and it meets the following criteria:

(a) The marina provides commercial services, such as sales of food, fuel or supplies, or overnight or live-aboard moorage opportunities;

(b) The marina is located at a heavily used boating destination or on a heavily traveled route, as determined by the commission; or

(c) There is a lack of adequate sewage pumpout ~~((station))~~ or dump unit capacity within a reasonable distance.

(3) Exceptions to the designation made under this section may be made by the commission if no sewer, septic, water, or electrical services are available at the marina.

(4) In addition to marinas, the commission may designate boat launches or boater destinations as appropriate for installation of a sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit based on the criteria found in subsections (1) and (2) of this section.

Sec. RCW 88.12.400 and 1989 c 393 s 5 are each amended to read as follows:

(1) Marinas and boat launches designated as appropriate for installation of a sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit under RCW 88.12.390 shall be eligible for funding support for installation of such facilities from funds specified in RCW 88.12.450. The commission shall notify owners or operators of all designated marinas and boat launches of the designation, and of the availability of funding to support installation of appropriate sewage disposal facilities. The commission shall encourage the owners and operators to apply for available funding.

(2) The commission shall seek to provide the most cost-efficient and accessible facilities possible for reducing the amount of boat waste entering the state's waters. The commission shall consider providing funding support for portable pumpout facilities in this effort.

(3) The commission shall contract with, or enter into an interagency agreement with another state agency to contract with, applicants based on the criteria specified below:

(a)(i) Contracts may be awarded to publicly owned, tribal, or privately owned marinas or boat launches.

(ii) Contracts may provide for state reimbursement to cover eligible costs as deemed reasonable by commission rule. Eligible costs include purchase, installation, or major renovation of the sewage pumpout or ~~((sewage))~~ dump ~~((stations))~~ units, including sewer, water, electrical connections, and those costs attendant to the purchase, installation, and other necessary appurtenances, such as required pier space, as determined by the commission.

(iii) Ownership of the sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit will be retained by the state through the commission in privately owned marinas. Ownership of the sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit in publicly owned marinas will be held by the public entity.

(iv) Operation, normal and expected maintenance, and ongoing utility costs will be the responsibility of the ~~((marina or boat launch operator))~~ contract recipient. The sewage pumpout or ~~((sewage))~~ dump ~~((station must))~~ unit shall be kept in operating condition and available for public use at all times during operating hours of the facility, excluding necessary maintenance periods.

(v) The ~~((marina owner))~~ contract recipient agrees to allow the installation, existence and use of the sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit by granting an ~~((easement))~~ irrevocable license for a minimum of ten years at no cost ~~((for such purposes))~~ to the commission.

(b) Contracts awarded pursuant to (a) of this subsection shall be subject, for a period of at least ten years, to the following conditions:

(i) Any ~~((facility))~~ contract recipient entering into a contract under this section must allow the boating public access to the sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit during operating hours.

(ii) The ~~((applicant))~~ contract recipient must agree to monitor and encourage the use of the sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit, and to cooperate in any related boater environmental education program administered or approved by the commission.

(iii) The ~~((applicant))~~ contract recipient must agree not to charge a fee for the use of the sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit.

(iv) The ~~((applicant))~~ contract recipient must agree to arrange and pay a reasonable fee for a periodic inspection of the sewage pumpout ~~((facility))~~ or dump unit by the local health department or appropriate authority.

(v) Use of a free sewage pumpout or ~~((sewage))~~ dump ~~((station))~~ unit by the boating public shall be deemed to be included in the term "outdoor recreation" for the purposes of chapter 4.24 RCW.

Sec. RCW 88.12.410 and 1989 c 393 s 6 are each amended to read as follows:

The department of ecology, in consultation with the commission, shall, for initiation of the state-wide program only, develop criteria for the design, installation, and operation of sewage pumpout and ~~((sewage))~~ dump ~~((stations))~~ units, taking into consideration the ease of access to the ~~((station))~~ unit by the boating public. The department of ecology may adopt rules to administer the provisions of this section.

Sec. RCW 88.12.420 and 1989 c 393 s 7 are each amended to read as follows:

The commission shall undertake a state-wide boater environmental education program concerning the effects of boat wastes. The boater environmental education program shall provide informational materials on proper boat waste disposal

methods, environmentally safe boat maintenance practices, locations of sewage pumpout and ~~((sewage))~~ dump ~~((stations))~~ units, and boat oil recycling facilities.

Sec. RCW 88.12.440 and 1989 c 393 s 9 are each amended to read as follows:

The commission shall, in consultation with interested parties, review progress on installation of sewage pumpout and ~~((sewage))~~ dump ~~((stations))~~ units, the boater environmental education program, and the boating safety program. The commission shall report its findings to the legislature by December 1994.

Sec. RCW 88.12.450 and 1989 c 393 s 11 are each amended to read as follows:

The amounts allocated in accordance with RCW 82.49.030(3) shall be expended upon appropriation in accordance with the following limitations:

(1) Thirty percent of the funds shall be appropriated to the interagency committee for outdoor recreation and be expended for use by state and local government for public recreational waterway boater access and boater destination sites. Priority shall be given to critical site acquisition. The interagency committee for outdoor recreation shall administer such funds as a competitive grants program. The amounts provided for in this subsection shall be evenly divided between state and local governments.

(2) Thirty percent of the funds shall be expended by the commission exclusively for sewage pumpout or ~~((sewage))~~ dump ~~((stations))~~ units at publicly and privately owned marinas as provided for in RCW 88.12.390 and 88.12.400.

(3) Twenty-five percent of the funds shall be expended for grants to state agencies and other public entities to enforce boating safety and registration laws and to carry out boating safety programs. The commission shall administer such grant program.

(4) Fifteen percent shall be expended for instructional materials, programs or grants to the public school system, public entities, or other nonprofit community organizations to support boating safety and boater environmental education or boat waste management planning. The commission shall administer this program.

Sec. RCW 88.02.050 and 1989 c 17 s 1 are each amended to read as follows:

Application for a vessel registration shall be made to the department or its authorized agent in the manner and upon forms prescribed by the department. The application shall state the name and address of each owner of the vessel and such other information as may be required by the department, shall be signed by at least one owner, and shall be accompanied by a vessel registration fee of ~~((six))~~ ten dollars and fifty cents per year and the excise tax imposed under chapter 82.49 RCW. Any fees required for licensing agents under RCW 46.01.140 shall be in addition to the ~~((six-dollar))~~ ten dollar and fifty cent annual registration fee.

Upon receipt of the application and the registration fee, the department shall assign a registration number and issue a decal for each vessel. The registration number and decal shall be issued and affixed to the vessel in a manner prescribed by the department consistent with the standard numbering system for vessels set forth in volume 33, part 174, of the code of federal regulations. A valid decal affixed as prescribed shall indicate compliance with the annual registration requirements of this chapter.

The vessel registrations and decals are valid for a period of one year, except that the director of licensing may extend or diminish vessel registration periods, and the decals therefor, for the purpose of staggered renewal periods. For registration periods of more or less than one year, the department may collect prorated annual registration fees and excise taxes based upon the number of months in the registration period. Vessel registrations are renewable every year in a manner prescribed by the department upon payment of the vessel registration fee and excise tax. Upon renewing a vessel registration, the department shall issue a new decal to be affixed as prescribed by the department.

When the department issues either a notice to renew a vessel registration or a decal for a new or renewed vessel registration, it shall also provide information on the location of marine oil recycling tanks and sewage holding tank pumping stations. This information will be provided to the department by the state parks and recreation commission in a form ready for distribution. The form will be developed and prepared by the state parks and recreation commission with the cooperation of the department of ecology. The department, the state parks and recreation commission, and the department of ecology shall enter into a memorandum of agreement to implement this process.

A person acquiring a vessel from a dealer or a vessel already validly registered under this chapter shall, within fifteen days of the acquisition or purchase of the vessel, apply to the department or its authorized agent for transfer of the vessel registration, and the application shall be accompanied by a transfer fee of one dollar.

NEW SECTION. **Sec.** A new section is added to chapter 88.12 RCW to read as follows:

(1) All motor-propelled vessels shall be equipped and maintained with an effective muffler that is in good working order and in constant use. For the purpose of this section, an effective muffler or underwater exhaust system does not produce sound levels in excess of ninety decibels when subjected to a stationary sound level test that shall be prescribed by rules adopted by the commission, as of the effective date of this section, and for engines manufactured on or after January 1, 1994, a noise level of eighty-eight decibels when subjected to a stationary sound level test that shall be prescribed by rules adopted by the commission.

(2) A vessel that does not meet the requirements of subsection (1) of this section shall not be operated on the waters of this state.

(3) No person may operate a vessel on waters of the state in such a manner as to exceed a noise level of seventy-five decibels measured from any point on the shoreline of the body of water on which the vessel is being operated that shall be specified by rules adopted by the commission, as of the effective date of this section. Such measurement shall not preclude a stationary sound level test that shall be prescribed by rules adopted by the commission.

(4) This section does not apply to: (a) A vessel tuning up, testing for, or participating in official trials for speed records or a sanctioned race conducted pursuant to a permit issued by an appropriate governmental agency; or (b) a vessel being operated by a vessel or marine engine manufacturer for the purpose of testing or development. Nothing in this subsection prevents local governments from adopting ordinances to control the frequency, duration, and location of vessel testing, tune-up, and racing.

(5) Any officer authorized to enforce this section who has reason to believe that a vessel is not in compliance with the noise levels established in this section may direct the operator of the vessel to submit the vessel to an on-site test to measure noise level, with the officer on board if the officer chooses, and the operator shall comply with such request. If the vessel exceeds the decibel levels established in this section, the officer may direct the operator to take immediate and reasonable measures to correct the violation.

(6) Any officer who conducts vessel sound level tests as provided in this section shall be qualified in vessel noise testing. Qualifications shall include but may not be limited to the ability to select the appropriate measurement site and the calibration and use of noise testing equipment.

(7) A person shall not remove, alter, or otherwise modify in any way a muffler or muffler system in a manner that will prevent it from being operated in accordance with this chapter.

(8) A person shall not manufacture, sell, or offer for sale any vessel that is not equipped with a muffler or muffler system that does not comply with this chapter. This subsection shall not apply to power vessels designed, manufactured, and sold for the sole purpose of competing in racing events and for no other purpose. Any such exemption or exception shall be documented in any and every sale agreement and shall be formally acknowledged by signature on the part of both the buyer and the seller. Copies of the agreement shall be maintained by both parties. A copy shall be kept on board whenever the vessel is operated.

(9) Except as provided in section 6 of this act, a violation of this section is an infraction under chapter 7.84 RCW.

(10) Vessels that are equipped with an engine modified to increase performance beyond the engine manufacturer's stock configuration shall have an exhaust system that complies with the standards in this section after January 1, 1994. Until that date, operators or owners, or both, of such vessels with engines that are out of compliance shall be issued a warning and be given educational materials about types of muffling systems available to muffle noise from such high performance engines.

(11) Nothing in this section preempts a local government from exercising any power that it possesses under the laws or Constitution of the state of Washington to adopt more stringent regulations.

NEW SECTION. Sec. A new section is added to chapter 88.02 RCW to read as follows:

Jurisdictions receiving funds under RCW 88.02.040 shall deposit such funds into an account dedicated solely for supporting the jurisdiction's boating safety programs. These funds shall not supplant existing local funds used for boating safety programs.

NEW SECTION. Sec. RCW 82.49.070 and 1988 c 261 s 1, 1985 c 7 s 155, 1984 c 250 s 4, & 1983 2nd ex.s. c 3 s 49 are each repealed.

NEW SECTION. Sec. Section 41 of this act shall take effect June 30, 1994.

NEW SECTION. Sec. Section 38 of this act applies to registrations expiring June 30, 1995, and thereafter.

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1993

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1469 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. RCW 70.48.130 and 1986 c 118 s 9 are each amended to read as follows:

It is the intent of the legislature that all jail inmates receive appropriate and cost-effective emergency and necessary medical care. Governing units, the department of social and health services, and medical care providers shall cooperate to achieve the best rates consistent with adequate care.

Payment for emergency or necessary health care shall be by the governing unit, except that the department of social and health services shall directly reimburse the ((governing unit for the cost thereof if the confined person requires treatment for which such person is eligible under the department of social and health services' public assistance medical program)) provider pursuant to chapter 74.09 RCW, in accordance with the rates and benefits established by the department, if the confined person is eligible under the department's medical care programs as authorized under chapter 74.09 RCW. After payment by the department, the financial responsibility for any remaining balance, including unpaid client liabilities that are a condition of eligibility or participation under chapter 74.09 RCW, shall be borne by the medical care provider and the governing unit as may be mutually agreed upon between the medical care provider and the governing unit. In the absence of mutual agreement between

the medical care provider and the governing unit, the financial responsibility for any remaining balance shall be borne equally between the medical care provider and the governing unit. Total payments from all sources to providers for care rendered to confined persons eligible under chapter 74.09 RCW shall not exceed the amounts that would be paid by the department for similar services provided under Title XIX medicaid, unless additional resources are obtained from the confined person.

As part of the screening process upon booking or preparation of an inmate into jail, general information concerning the inmate's ability to pay for medical care shall be identified, including insurance or other medical benefits or resources to which an inmate is entitled. This information shall be made available to the department, the governing unit, and any provider of health care services.

The governing unit or provider may obtain reimbursement from the confined person for the cost of ~~((emergency and other))~~ health care ~~((to the extent that such person is reasonably able to pay for such care))~~ services not provided under chapter 74.09 RCW, including reimbursement from any insurance program or from other medical benefit programs available to ~~((such))~~ the confined person. Nothing in this chapter precludes civil or criminal remedies to recover the costs of medical care provided jail inmates or paid for on behalf of inmates by the governing unit. As part of a judgment and sentence, the courts are authorized to order defendants to repay all or part of the medical costs incurred by the governing unit or provider during confinement.

To the extent that a confined person is unable to be financially responsible for medical care and is ineligible for ~~((financial assistance from the department or from a private source))~~ the department's medical care programs under chapter 74.09 RCW, or for coverage from private sources, and in the absence of an interlocal agreement or other contracts to the contrary, the governing unit may obtain reimbursement for the cost of such medical services from the unit of government whose law enforcement officers initiated the charges on which the person is being held in the jail: PROVIDED, That reimbursement for the cost of such services shall be by the state for state prisoners being held in a jail who are accused of either escaping from a state facility or of committing an offense in a state facility.

There shall be no right of reimbursement to the governing unit from units of government whose law enforcement officers initiated the charges for which a person is being held in the jail for care provided after the charges are disposed of by sentencing or otherwise, unless by intergovernmental agreement pursuant to chapter 39.34 RCW.

~~((This section is not intended to limit or change any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided or paid for.))~~

Under no circumstance shall necessary medical services be denied or delayed ~~((pending))~~ because of disputes over the cost of medical care or a determination of financial responsibility for payment of the costs of medical care provided to confined persons.

Nothing in this section shall limit any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided.

NEW SECTION. Sec. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 2 of the title, after "persons;" strike the remainder of the title and insert "amending RCW 70.48.130; and declaring an emergency." and the same are herewith transmitted.

If the applicant is a partnership, the application shall also state the names and addresses of all partners therein, and shall be signed

and sworn to by all of them. The application shall also state whether or not the applicant is, at the time of making the application, or has at any previous time been engaged in or interested in or employed by anyone engaged in the business of an employment agency.

(2) The application shall require a certification that no officer or holder of more than twenty percent interest in the business has been convicted of a felony within ten years of the application which directly relates to the business for which the license is sought, or had any judgment entered against such person in any civil action involving fraud, misrepresentation, or conversion.

Said examination shall be given at least once each quarter and a fee for such examination shall be established by the director. Nothing in this chapter shall be construed to preclude any one natural person from being designated as the person who is to have the general management of up to three offices operated by any one licensee.

(2) Employment listing services may charge or accept a fee when they provide the applicant with the job listing or the referral.

(3) An employment directory may charge or accept a fee when it provides the applicant with the directory.

Sec. RCW 19.31.170 and 1977 ex.s. c 51 s 7 are each amended to read as follows:

(1) If an applicant accepts employment by agreement with an employer and thereafter never reports for work, the gross fee charged to the applicant shall not exceed: (a) Ten percent of what the first month's gross salary or wages would be, if known; or (b) ten percent of the first month's drawing account. If the employment was to have been on a commission basis without any drawing account, then no fee may be charged in the event that the applicant never reports for work.

(2) If an applicant accepts employment on a commission basis without any drawing account, then the gross fee charged such applicant shall be a percentage of commissions actually earned.

(3) If an applicant accepts employment and if within sixty days of his reporting for work the employment is terminated, then the gross fee charged such applicant shall not exceed twenty percent of the gross salary, wages or commission received by him.

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1993

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1922, with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. The legislature finds that high crime rates and a heightened sense of vulnerability have led to increased public pressure on criminal justice officials to increase offender punishment and remove the most dangerous criminals from the streets. As a result, there is unprecedented growth in the corrections populations and overcrowding of prisons and local jails. Skyrocketing costs and high rates of recidivism have become issues of major public concern. Attention must be directed towards implementing a long-range corrections strategy that focuses on inmate responsibility through intensive work ethic training.

The legislature finds that many offenders lack basic life skills and have been largely unaffected by traditional correctional philosophies and programs. In addition, many first-time offenders who enter the prison system learn more about how to be criminals than the important qualities, values, and skills needed to successfully adapt to a life without crime.

The legislature finds that opportunities for offenders to improve themselves are extremely limited and there has not been adequate emphasis on alternatives to total confinement for nonviolent offenders.

The legislature finds that the explosion of drug crimes since the inception of the sentencing reform act and the response of the criminal justice system have resulted in a much higher proportion of substance abuse-affected offenders in the state's prisons and jails. The needs of this population differ from those of other offenders and present a great challenge to the system. The problems are exacerbated by the shortage of drug treatment and counseling programs both in and outside of prisons.

The legislature finds that the concept of a work ethic camp that requires the offender to complete an appropriate and balanced combination of highly structured and goal-oriented work programs such as correctional industries based work camps and/or class I and class II work projects, drug rehabilitation, and intensive life management work ethic training, can successfully reduce offender recidivism and lower the overall cost of incarceration.

It is the purpose and intent of sections 1 and 3 through 6 of this act to implement a regimented work ethic camp that is designed to directly address the high rate of recidivism, reduce upwardly spiraling prison costs, preserve scarce and high cost prison space for the most dangerous offenders, and provide judges with a tough and sound alternative to traditional incarceration without compromising public safety.

Sec. RCW 9.94A.030 and 1992 c 145 s 6 and 1992 c 75 s 1 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(4) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

(5) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 46.61.524. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) "Confinement" means total or partial confinement as defined in this section.

(9) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

(12)(a) "Criminal history" means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) "Criminal history" shall always include juvenile convictions for sex offenses and shall also include a defendant's other prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony or a serious traffic offense and is criminal history as defined in RCW 13.40.020(6)(a); (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies or serious traffic offenses, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

(13) "Department" means the department of corrections.

(14) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(15) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(16) "Drug offense" means:

(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.401(d)) or forged prescription for a controlled substance (RCW 69.50.403);

(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

(c) Any out-of-state conviction for an offense that under the laws of this state would be a felony classified as a drug offense under (a) of this subsection.

(17) "Escape" means:

(a) Escape in the first degree (RCW 9A.76.110), escape in the second degree (RCW 9A.76.120), willful failure to return from furlough (RCW 72.66.060), willful failure to return from work release (RCW 72.65.070), or willful failure to be available for supervision by the department while in community custody (RCW 72.09.310); or

(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as an escape under (a) of this subsection.

(18) "Felony traffic offense" means:

(a) Vehicular homicide (RCW 46.61.520), vehicular assault (RCW 46.61.522), eluding a police officer (RCW 46.61.024), or felony hit-and-run injury-accident (RCW 46.52.020(4)); or

(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a felony traffic offense under (a) of this subsection.

(19) "Fines" means the requirement that the offender pay a specific sum of money over a specific period of time to the court.

(20)(a) "First-time offender" means any person who is convicted of a felony (i) not classified as a violent offense or a sex offense under this chapter, or (ii) that is not the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in schedule I or II that is a narcotic drug or the selling for profit ~~((for))~~ of any controlled substance or counterfeit substance classified in schedule I, RCW 69.50.204, except leaves and flowering tops of marihuana, and except as provided in (b) of this subsection, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(b) For purposes of (a) of this subsection, a juvenile adjudication for an offense committed before the age of fifteen years is not a previous felony conviction except for adjudications of sex offenses.

(21) "Nonviolent offense" means an offense which is not a violent offense.

(22) "Offender" means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms "offender" and "defendant" are used interchangeably.

(23) "Partial confinement" means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, or, if home detention or work crew has been ordered by the court, in an approved residence, for a substantial portion of each day with the balance of the day spent in the community. Partial confinement includes work release, home detention, work crew, and a combination of work crew and home detention as defined in this section.

(24) "Postrelease supervision" is that portion of an offender's community placement that is not community custody.

(25) "Restitution" means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

(b) Any federal, out-of-state, county, or municipal conviction for an offense that under the laws of this state would be classified as a serious traffic offense under (a) of this subsection.

(27) "Serious violent offense" is a subcategory of violent offense and means:

(a) Murder in the first degree, homicide by abuse, murder in the second degree, assault in the first degree, kidnapping in the first degree, or rape in the first degree, assault of a child in the first degree, or an attempt, criminal solicitation, or criminal conspiracy to commit one of these felonies; or

~~((34))~~ (35) "Work crew" means a program of partial confinement consisting of civic improvement tasks for the benefit of the community of not less than thirty-five hours per week that complies with RCW 9.94A.135. The civic improvement tasks shall have minimal negative impact on existing private industries or the labor force in the county where the service or labor is performed. The civic improvement tasks shall not affect employment opportunities for people with developmental disabilities contracted through sheltered workshops as defined in RCW 82.04.385. Only those offenders sentenced to a facility operated or utilized under contract by a county are eligible to participate on a work crew. Offenders sentenced for a sex offense as defined in subsection (29) of this section are not eligible for the work crew program.

~~((35))~~ (36) "Work ethic camp" means an alternative incarceration program designed to reduce recidivism and lower the cost of corrections by requiring offenders to complete a comprehensive array of real-world job and vocational experiences, character-building work ethics training, life management skills development, substance abuse rehabilitation, counseling, literacy training, and basic adult education.

(37) "Work release" means a program of partial confinement available to offenders who are employed or engaged as a student in a regular course of study at school. Home detention may be imposed for offenders convicted of possession of a controlled substance (RCW 69.50.401(d)) or forged prescription for a controlled substance (RCW 69.50.403) if the offender fulfills the participation conditions set forth in this subsection and is monitored for drug use by treatment alternatives to street crime (TASC) or a comparable court or agency-referred program.

(b) Participation in a home detention program shall be conditioned upon: (i) The offender obtaining or maintaining current employment or attending a regular course of school study at regularly defined hours, or the offender performing parental duties to offspring or minors normally in the custody of the offender, (ii) abiding by the rules of the home detention program, and

(iii) compliance with court-ordered legal financial obligations. The home detention program may also be made available to offenders whose charges and convictions do not otherwise disqualify them if medical or health-related conditions, concerns or treatment would be better addressed under the home detention program, or where the health and welfare of the offender, other inmates, or staff would be jeopardized by the offender's incarceration. Participation in the home detention program for medical or health-related reasons is conditioned on the offender abiding by the rules of the home detention program and complying with court-ordered restitution.

NEW SECTION. Sec. The department of corrections shall establish one work ethic camp. The secretary shall locate the work ethic camp within an already existing department compound or facility, or in a facility that is scheduled to come on line within the initial implementation date outlined in this section. The facility selected for the camp shall appropriately accommodate the logistical and cost-effective objectives contained in sections 1 and 3 through 6 of this act. The department shall be ready to assign inmates to the camp one hundred twenty days after the effective date of this act. The department shall establish the work ethic camp program cycle to last from one hundred twenty to one hundred eighty days. The department shall develop all aspects of the work ethic camp program including, but not limited to, program standards, conduct standards, educational components including general education development test achievement, offender incentives, drug rehabilitation program parameters, individual and team work goals, techniques for improving the offender's self-esteem, citizenship skills for successful living in the community, measures to hold the offender accountable for his or her behavior, and the successful completion of the work ethic camp program granted to the offender based on successful attendance, participation, and performance as defined by the secretary. The work ethic camp shall be designed and implemented so that offenders are continually engaged in meaningful activities and unstructured time is kept to a minimum. In addition, the department is encouraged to explore the integration and overlay of a military style approach to the work ethic camp.

NEW SECTION. Sec. A new section is added to chapter 9.94A RCW to read as follows:

- (1) An offender is eligible to be sentenced to a work ethic camp if the offender:
 - (a) Is sentenced to a term of total confinement of not less than twenty-two months or more than thirty-six months;
 - (b) Is between the ages of eighteen and twenty-eight years; and
 - (c) Has no current or prior convictions for any sex offenses or violent offenses.
- (2) If the sentencing judge determines that the offender is eligible for the work ethic camp and is likely to qualify under subsection (3) of this section, the judge shall impose a sentence within the standard range and may recommend that the offender serve the sentence at a work ethic camp. The sentence shall provide that if the offender successfully completes the program, the department shall convert the period of work ethic camp confinement at the rate of one day of work ethic camp confinement to three days of total standard confinement. The court shall also provide that upon completion of the work ethic camp program, the offender shall be released on community custody for any remaining time of total confinement.
- (3) The department shall place the offender in the work ethic camp program, subject to capacity, unless the department determines that the offender has physical or mental impairments that would prevent participation and completion of the program, or the offender refuses to agree to the terms and conditions of the program.
- (4) An inmate who fails to complete the work ethic camp program, who is administratively terminated from the program, or who otherwise violates any conditions of supervision, as defined by the department, shall be reclassified to serve the unexpired term of his or her sentence as ordered by the sentencing judge and shall be subject to all rules relating to earned early release time.
- (5) The length of the work ethic camp program shall be at least one hundred twenty days and not more than one hundred eighty days. Because of the conversion ratio, earned early release time shall not accrue to offenders who successfully complete the program.
- (6) During the last two weeks prior to release from the work ethic camp program the department shall provide the offender with comprehensive transition training.

NEW SECTION. Sec. The work ethic camp program shall employ one hundred percent of all inmates. The employment options available for inmates shall include meaningful work opportunities that provide the offender with real-world skills that help the offender find employment when he or she successfully completes the work ethic camp program. The department shall include in the work ethic camp program, without limitation, class I, class II, and class IV correctional programs. No more than thirty-five percent of the total inmate population in the facility shall be employed in class III correctional industries programs in the first year and thereafter ten percent less per year until a maximum of ten percent of the inmates are working in this employment class. In addition, work options shall also include department-supervised work crews as defined by the department. These work crews shall have the ability to work on public roads conducting litter control, minor emergency repair or

other minor tasks that do not negatively impact employment opportunities for people with developmental disabilities contracted through the operation of sheltered workshops as defined in RCW 82.04.385, or have a negative impact on the local labor market or local business community as assessed by the department correctional industries advisory board of directors. The department shall establish, to the extent possible, programs that will positively impact our natural environment such as, but not limited to, recycling programs and minor environmental cleanup programs. If the department is directed by the legislature to increase the percentage of inmates employed in correctional industries programs, inmates employed through work ethic camps shall not be counted towards this total percentage.

NEW SECTION. **Sec.** The work ethic camp program established in sections 1 and 3 through 6 of this act shall be considered a pilot alternative incarceration program and remain in effect until July 1, 1998. The department and the office of financial management shall monitor and analyze the effectiveness of the work ethic camp program and complete a final outcome evaluation study by January 15, 1998. The study shall include: The recidivism rates of successful program graduates, analysis of the overall program costs, the ability to maintain public safety, and any other pertinent data established by the department. The department may encourage interested universities to participate in studies that will enhance the effectiveness of the program.

The department of corrections shall seek the availability of federal funds for the planning, implementation, evaluation, and training of staff for work ethic camp programs, substance abuse programs, and offender education programs.

NEW SECTION. **Sec.** Sections 1, 3, 5, and 6 of this act are each added to chapter 72.09 RCW.

NEW SECTION. **Sec.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. **Sec.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993."

On page 1, line 1 of the title, after "camp;" strike the remainder of the title and insert "reenacting and amending RCW 9.94A.030; adding new sections to chapter 72.09 RCW; adding a new section to chapter 9.94A RCW; providing an effective date; and declaring an emergency."

SENATE AMENDMENTS TO HOUSE BILL

April 17, 1993

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1617 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. The legislature recognizes that major intercity transportation corridors in this state are becoming increasingly congested. In these corridors, population is expected to grow by nearly forty percent over the next twenty years, while employment will grow by nearly fifty percent. The estimated seventy-five percent increase in intercity travel demand must be accommodated to ensure state economic vitality and protect the state's quality of life.

The legislature finds that high-speed ground transportation offers a safer, more efficient, and environmentally responsible alternative to increasing highway capacity. High-speed ground transportation can complement and enhance existing air transportation systems. High-speed ground transportation can be compatible with growth management plans in counties and cities served by such a system. Further, high-speed ground transportation offers a reliable, all-weather service capable of significant energy savings over other intercity modes.

NEW SECTION. Sec. The legislature finds that there is substantial public benefit to establishing a high-speed ground transportation program in this state. The program shall implement the recommendations of the high-speed ground transportation steering committee report dated October 15, 1992. The program shall be administered by the department of transportation in close cooperation with the utilities and transportation commission and affected cities and counties.

The high-speed ground transportation program shall have the following goals:

- (1) Implement high-speed ground transportation service offering top speeds over 150 m.p.h. between Everett and Portland, Oregon by 2020. This would be accomplished by meeting the intermediate objectives of a maximum travel time between downtown Portland and downtown Seattle of two hours and thirty minutes by the year 2000 and maximum travel time of two hours by the year 2010;
- (2) Implement high-speed ground transportation service offering top speeds over 150 m.p.h. between Everett and Vancouver, B.C. by 2025;
- (3) Implement high-speed ground transportation service offering top speeds over 150 m.p.h. between Seattle and Spokane by 2030.

The department of transportation shall, subject to legislative appropriation, implement such projects as necessary to achieve these goals in accordance with the implementation plans identified in sections 3 and 4 of this act.

NEW SECTION. Sec. The legislature finds it important to develop public support and awareness of the benefits of high-speed ground transportation by developing high-quality intercity passenger rail service as a first step. This high-quality intercity passenger rail service shall be developed through incremental upgrading of the existing service. The department of transportation shall, subject to legislative appropriation, develop a prioritized list of projects to improve existing passenger rail service and begin new passenger rail service, to include but not be limited to:

- (1) Improvement of depots;
- (2) Improved grade crossing protection or grade crossing elimination;
- (3) Enhanced train signals to improve rail corridor capacity and increase train speeds;
- (4) Revised track geometry or additional trackage to improve ride quality and increase train speeds; and
- (5) Contract for new or improved service in accordance with federal requirements to improve service frequency.

Service enhancements and station improvements must be based on the extent to which local comprehensive plans contribute to the viability of intercity passenger rail service, including providing efficient connections with other transportation modes such as transit, intercity bus, and roadway networks. Before spending state moneys on these projects, the department of transportation shall seek federal, local, and private funding participation to the greatest extent possible. Funding priorities for station improvements must also be based on the level of local and private in-kind and cash contributions.

NEW SECTION. Sec. The legislature recognizes the need to plan for the high-speed ground transportation service and the high-quality intercity rail passenger service set forth in sections 2 and 3 of this act. The department of transportation shall, subject to legislative appropriation, develop a rail passenger plan through the conduct of studies addressing, but not limited to, the following areas:

- (1) Refined ridership estimates;
- (2) Preliminary location and environmental analysis on new corridors;
- (3) Detailed station location assessments in concert with affected local jurisdictions;
- (4) Coordination with the air transportation commission on state-wide air transportation policy and its effects on high-speed ground transportation service; and
- (5) Coordination with the governments of Oregon and British Columbia, when appropriate, on alignment, station location, and environmental analysis.

NEW SECTION. Sec. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993."

In line 1 of the title, after "transportation;" strike the remainder of the title and insert "creating new sections; providing an effective date; and declaring an emergency."
and the same are herewith transmitted.

Sec. RCW 41.60.100 and 1989 c 56 s 2 are each amended to read as follows:

With the exception of agencies of the legislative and judicial branches, any organizational unit composed of employees in any agency or group of agencies of state government (~~having an identifiable budget or having its financial records maintained according to an accounting system which identifies the expenditures and receipts properly attributable to that unit~~) with the ability to identify costs, revenues, or both may apply to the board (~~for selection as a candidate for the award of~~) to participate in the teamwork incentive ((pay to its employees)) program. The application shall (~~be submitted prior to the beginning of any year and shall~~) have the approval of the heads of the agency or agencies within which the unit is located.

Applications shall be in the form specified by the board and contain such information as the board requires. This may include, but is not limited to, quantitative measures which establish a data base of program output or performance expectations, or both. This data base is used to evaluate savings in accordance with RCW 41.60.110(1).

The board shall evaluate the applications submitted. From those proposals which are considered to be reasonable and practical and which are found to include developed performance indicators which lend themselves to a judgment of success or failure, the board shall select the units to participate in the teamwork incentive ~~((pay))~~ program.

Sec. RCW 41.60.110 and 1989 c 56 s 3 are each amended to read as follows:

(1) To qualify for ~~((the award of))~~ a teamwork incentive ((pay to)) program award for its employees, a unit selected shall demonstrate to the satisfaction of the board that it has operated during the ~~((year))~~ period of participation at a lower cost or with an increase in revenue with ~~((either an increase in the level of services rendered or with))~~ no decrease in the level of services rendered.

(a) A unit completing its ~~((first year))~~ period of participation shall compare costs or revenues during that ~~((year))~~ period of participation to (i) the ~~((fiscal year))~~ expenditures or revenues for ~~((the year))~~ a comparable span of time immediately preceding the first ~~((year))~~ period of participation, or (ii) an average derived from the unit's historical data, or (iii) engineered standards used in conjunction with an average derived from the unit's historical data, or (iv) anticipated revenue as based on statistical projections or historical data;

(b) A unit participating in the teamwork incentive ~~((pay))~~ program for two or more consecutive ~~((years))~~ times may choose to compare its costs during the current ~~((year))~~ period of participation with (i) its costs or revenues for the immediately preceding ~~((year))~~ period, or (ii) ~~((a yearly))~~ an average of its costs or revenues for the preceding two or three ~~((years))~~ comparable spans of time in the teamwork incentive program;

(c) For the purposes of (a) of this subsection, a unit's historical data shall be restricted to data generated during the period of three years or less immediately preceding the unit's first ~~((year of))~~ participation in the teamwork incentive ~~((pay))~~ program; and

(d) For the purposes of (b) of this subsection, a unit's costs or revenues for preceding ~~((years))~~ periods of time may include the costs or revenues calculated under (a) (i), (ii), or (iii) of this subsection for ~~((years))~~ the periods of time the unit participated in the teamwork incentive ~~((pay))~~ program.

(2) The board shall satisfy itself from documentation submitted by the organizational unit that the claimed cost of operation or level of higher revenue is real and not merely apparent and that it is not, in whole or in part, the result of:

(a) Chance;

(b) A lowering of the quality of the service rendered;

(c) Nonrecurrence of expenditures which were single outlay, or one-time expenditures, in the preceding ~~((year))~~ comparable period of time;

(d) Stockpiling inventories in the immediately preceding ~~((year))~~ period so as to reduce requirements in the eligible ~~((year))~~ time period;

(e) Substitution of federal funds, other receipts, or nonstate funds for programs currently receiving state appropriations;

(f) Unreasonable postponement of payments of accounts payable until the ~~((year))~~ period immediately following the eligible ~~((year))~~ period of participation;

(g) Shifting of expenses to another unit of government; or

(h) Any other practice, event, or device which the board decides has caused a distortion which makes it falsely appear that a savings or increase in revenue gains or an increase in level of services has occurred.

(3) The board shall consider as legitimate ~~((savings))~~ efficiencies those reductions in expenditures or increases in revenue made possible by such items as the following:

(a) Reductions in overtime;

(b) Elimination of consultant fees;

(c) Less temporary help;

(d) Improved systems and procedures;

- (e) Better deployment and utilization of personnel;
- (f) Elimination of unnecessary travel;
- (g) Elimination of unnecessary printing and mailing;
- (h) Elimination of unnecessary payments for items such as advertising;
- (i) Elimination of waste, duplication, and operations of doubtful value;
- (j) Improved space utilization; ~~((and))~~
- (k) Improved methods of collecting revenue or recovering money owed to the state; and
- (l) Any other items determined by the board to represent cost savings or increased revenue.

Sec. RCW 41.60.120 and 1989 c 56 s 4 are each amended to read as follows:

At the conclusion of the eligible ~~((year))~~ period, the board shall compare the expenditures or revenues for that ~~((year))~~ period of each unit selected against the expenditures or revenues of that unit for the immediately preceding ~~((year))~~ period or expenditures or revenues determined in accordance with RCW 41.60.110(1) (a) and (b) and, after making such adjustments as in the board's judgment are required to eliminate distortions, shall determine the amount, if any, that the unit has reduced the unit's cost of operations or increased its level of services or generated additional revenues to the state in the eligible ~~((year))~~ period. Adjustments to eliminate distortions may include any legislative increases in employee compensation and inflationary increases in the cost of services, materials, and supplies. Adjustments to additional revenue may include changes in client populations and the effects of legal changes. If the board also determines that ~~((in the board's judgment))~~ a unit qualifies for an award, the board shall award to the employees of that unit a sum ~~((equal))~~ up to twenty-five percent of the amount determined to be the savings or revenue increases to the state for the level of services rendered. The amount awarded shall be divided and distributed in ~~((equal shares))~~ accordance with board rules to the employees of the unit, except that employees who worked for that unit less than the ~~((twelve months of the year))~~ full period during which the unit conducted a teamwork incentive program shall receive only a pro rata share based on the fraction of the ~~((year))~~ period worked for that unit. No individual share of the unit award may exceed the maximum award established by rule adopted by the board. Funds for this teamwork incentive ~~((pay))~~ award shall be drawn from the ~~((agency))~~ agencies in which the unit is located or from the benefiting fund or account without appropriation when additional revenue is generated to the fund or account.

Awards may be paid to teams for process changes which generate new or additional money for the general fund or any other funds of the state. The director of the office of financial management shall distribute moneys appropriated for this purpose with the concurrence of the productivity board. Transfers shall be made from other funds of the state to the general fund in amounts equal to award payments made by the general fund, for innovations generating new or additional money for those other funds.

Sec. RCW 41.60.160 and 1987 c 387 s 8 are each amended to read as follows:

No award may be made under this chapter to any elected state official or state agency director. ~~((No monetary award may be made to persons exempt from the state civil service law under RCW 41.06.070 (5) or (9).))~~

SENATE AMENDMENTS TO HOUSE BILL

April 17, 1993

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1858 with the following amendments:

Strike everything after the enacting clause and insert the following:

Sec. I. RCW 13.70.005 and 1991 c 363 s 14 and 1991 c 127 s 2 are each reenacted and amended to read as follows:

Periodic case review of all children in substitute care ~~((shall))~~ may be provided in counties designated by the office of the administrator for the courts, in accordance with this chapter ~~((and within funding provided by the legislature)).~~

The administrator for the courts shall coordinate and assist, within available funds, in the administration of ~~((the))~~ local citizen review boards ~~((pilot program))~~ created by this chapter.

Sec. II. RCW 13.70.100 and 1989 1st ex.s. c 17 s 12 are each amended to read as follows:

(1) This section shall apply to cases where a child has been placed in substitute care pursuant to written parental consent and a dependency petition has not been filed under chapter 13.34 RCW. If a dependency petition is subsequently filed and the child's placement in substitute care continues pursuant to a court order entered in a proceeding under chapter 13.34 RCW, the provisions set forth in RCW 13.70.110 shall apply.

(2) Within thirty days following commencement of the placement episode, the department shall send a copy of the written parental consent to the juvenile court with jurisdiction over the geographical area in which the child resides.

(3) Within forty-five days following commencement of the placement episode, the court shall assign the child's case to a board and forward to the board a copy of the written parental consent to placement.

(4) The board shall review the case plan for each child in substitute care whose case is assigned to the board by the court. The review shall take place at times set by the board. The first review shall occur within ninety days following commencement of the placement episode. The second review shall occur within six months following commencement of the placement episode. ~~The ((next)) final board review shall occur ((within one year following commencement of the placement episode))~~ no later than six months following the second review unless the child is no longer in substitute care or unless a guardianship order or adoption decree is entered.

(5) The board shall prepare written findings and recommendations with respect to:

(a) Whether reasonable efforts were made before the placement to prevent or eliminate the need for removal of the child from the home;

(b) Whether reasonable efforts have been made subsequent to the placement to make it possible for the child to be returned home;

(c) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(d) Whether there is a continuing need for and whether the placement is appropriate;

(e) Whether there has been compliance with the case plan;

(f) Whether progress has been made toward alleviating the need for placement;

(g) A likely date by which the child may be returned home or other permanent plan of care may be implemented; and

(h) Other problems, solutions, or alternatives the board determines should be explored.

(6) Within ten working days following the review, the board shall send a copy of its findings and recommendations to the child's parents and their attorneys, the child's custodians and their attorneys, mature children and their attorneys, and the department and other child placement agencies directly responsible for supervising the child's placement. If the child is an Indian as defined in the Indian child welfare act, 25 U.S.C. 1901 et seq., a copy of the board's findings and recommendations shall also be sent to the child's Indian tribe.

(7) If the department is unable or unwilling to implement the board recommendations, the department shall submit to the board, within ten working days after receipt of the findings and recommendations, an implementation report setting forth the reasons why the department is unable or unwilling to implement the board's recommendations. The report will also set forth the case plan which the department intends to implement.

(8) The court shall not review the findings and recommendations of the board in cases where the child has been placed in substitute care with signed parental consent unless a dependency petition has been filed and the child has been taken into custody under RCW 13.34.050.

Sec. III. RCW 13.70.110 and 1991 c 127 s 5 are each amended to read as follows:

(1) This section shall apply to cases where a child has been placed in substitute care pursuant to a proceeding under chapter 13.34 RCW.

(2) Within forty-five days following commencement of the placement episode, the court shall assign the child's case to a board and forward to the board a copy of the dependency petition and any shelter care or dependency disposition orders which have been entered in the case by the court.

(3) The board shall review the case plan for each child whose case is assigned to the board by the court. The review shall take place at times set by the board. The first review shall occur ~~((within ninety days following commencement of the placement episode))~~ no later than six months following the second review unless the child is no longer within the jurisdiction of the court, no longer in substitute care, or a guardianship order or adoption decree is entered. The second review shall occur within six months following commencement of the placement episode. The ~~((next))~~ final board review shall occur within one year after commencement of the placement episode. ~~((Within eighteen months following commencement of the placement episode, a permanency planning hearing shall be held before the court in accordance with RCW 13.34.145. Thereafter, the court shall assign the child's case for a board review or a court review hearing pursuant to RCW 13.34.130(5). A board review or a court review hearing shall take place at least once every six months until the child is no longer within the jurisdiction of the court or no longer in substitute care or until a guardianship order or adoption decree is entered. After the permanency planning hearing, a court review hearing must occur at least once a year as provided in RCW 13.34.130. The board shall review any case where a petition to terminate parental rights has been denied, and such review shall occur as soon as practical but no later than forty-five days after the denial.))~~

(4) The board shall prepare written findings and recommendations with respect to:

(a) Whether reasonable efforts were made before the placement to prevent or eliminate the need for removal of the child from the home, including whether consideration was given to removing the alleged offender, rather than the child, from the home;

(b) Whether reasonable efforts have been made subsequent to the placement to make it possible for the child to be returned home;

(c) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(d) Whether there is a continuing need for placement and whether the placement is appropriate;

(e) Whether there has been compliance with the case plan;

(f) Whether progress has been made toward alleviating the need for placement;

(g) A likely date by which the child may be returned home or other permanent plan of care may be implemented; and

(h) Other problems, solutions, or alternatives the board determines should be explored.

(5) Within ten working days following the review, the board shall send a copy of its findings and recommendations to the parents and their attorneys, the child's custodians and their attorneys, mature children and their attorneys, other attorneys or guardians ad litem appointed by the court to represent children, the department and other child placement agencies directly responsible for supervising the child's placement, and any prosecuting attorney or attorney general actively involved in the case. If the child is an Indian as defined in the Indian child welfare act, 25 U.S.C. Sec. 1901 et seq., a copy of the board's findings and recommendations shall also be sent to the child's Indian tribe.

(6) If the department is unable or unwilling to implement the board recommendations, the department shall submit to the board, within ten working days after receipt of the findings and recommendations, an implementation report setting forth the reasons why the department is unable or unwilling to implement the board's recommendations. The report will also set forth the case plan which the department intends to implement.

(7) Within forty-five days following the review, the board shall either:

(a) Schedule the case for further review by the board; or

(b) Submit to the court the board's findings and recommendations and the department's implementation reports, if any. If the board's recommendations are different from the existing court-ordered case plan, the board shall also file with the court a motion for a review hearing.

(8) Within ten days of receipt of the board's written findings and recommendations and the department's implementation report, if any, the court shall review the findings and recommendations and implementation reports, if any. The court may on its own motion schedule a review hearing.

(9) Unless modified by subsequent court order, the court-ordered case plan and court orders that are in effect at the time that a board reviews a case shall remain in full force and effect. Board findings and recommendations are advisory only and do not in any way modify existing court orders or court-ordered case plans.

(10) The findings and recommendations of the board and the department's implementation report, if any, shall become part of the department's case file and the court social file pertaining to the child.

(11) Nothing in this section shall limit or otherwise modify the rights of any party to a dependency proceeding to request and receive a court review hearing pursuant to the provisions of chapter 13.34 RCW or applicable court rules.

Sec. IV. RCW 13.70.140 and 1989 1st ex.s. c 17 s 16 are each amended to read as follows:

~~((For cases which are subject to the foster care citizen review board pilot project under RCW 13.70.005, a court review hearing shall occur no later than eighteen months following commencement of the child's placement episode.))~~ A permanency planning hearing shall be held before the court in accordance with RCW 13.34.145. Thereafter, court review hearings shall occur at least once every ~~((year))~~ six months, under RCW 13.34.130(5), until the child is no longer within the jurisdiction of the court or the child returns home or a guardianship order or adoption decree is entered. The court may review the case more frequently upon the court's own motion or upon the request of any party to the proceeding ~~((or the citizen review board assigned to the child's case))~~.

NEW SECTION. Sec. V. A new section is added to chapter 74.14A RCW to read as follows:

The secretary shall:

(1)(a) Consult with relevant qualified professionals to develop a set of minimum guidelines to be used for identifying all children who are in a state-assisted support system, whether at-home or out-of-home, who are likely to need long-term care or assistance, because they face physical, emotional, medical, mental, or other long-term challenges.

Strike everything after the enacting clause and insert the following:

PART I. FINDINGS, GOALS, AND INTENT

NEW SECTION. Sec. 101. FINDINGS. The legislature finds that our health and financial security are jeopardized by our ever increasing demand for health care and by current health insurance and health system practices. Current health system practices encourage public demand for unneeded, ineffective, and sometimes dangerous health treatments. These practices often result in unaffordable cost increases that far exceed ordinary inflation for essential care. Current total health care expenditure rates should be sufficient to provide access to essential health care interventions to all within a reformed, efficient system.

The legislature finds that too many of our state's residents are without health insurance, that each year many individuals and families are forced into poverty because of serious illness, and that many must leave gainful employment to be eligible for publicly funded medical services. Additionally, thousands of citizens are at risk of losing adequate health insurance, have had insurance canceled recently, or cannot afford to renew existing coverage.

The legislature finds that businesses find it difficult to pay for health insurance and remain competitive in a global economy, and that individuals, the poor, and small businesses bear an inequitable health insurance burden.

The legislature finds that persons of color have significantly higher rates of mortality and poor health outcomes, and substantially lower numbers and percentages of persons covered by health insurance than the general population. It is intended that chapter . . . , Laws of 1993 (this act) make provisions to address the special health care needs of these racial and ethnic populations in order to improve their health status.

The legislature finds that uncontrolled demand and expenditures for health care are eroding the ability of families, businesses, communities, and governments to invest in other enterprises that promote health, maintain independence, and ensure continued economic welfare. Housing, nutrition, education, and the environment are all diminished as we invest ever increasing shares of wealth in health care treatments.

The legislature finds that while immediate steps must be taken, a long-term plan of reform is also needed.

NEW SECTION. Sec. 102. LEGISLATIVE INTENT AND GOALS. (1) The legislature intends that state government policy stabilize health services costs, assure access to essential services for all residents, actively address the health care needs of persons of color, improve the public's health, and reduce unwarranted health services costs to preserve the viability of nonhealth care businesses.

(2) The legislature intends that:

(a) Total health services costs be stabilized and kept within rates of increase similar to the rates of personal income growth within a publicly regulated, private marketplace that preserves personal choice;

(b) State residents be enrolled in the certified health plan of their choice that meets state standards regarding affordability, accessibility, cost-effectiveness, and clinical efficaciousness;

(c) State residents be able to choose health services from the full range of health care providers, as defined in section 402(12) of this act, in a manner consistent with good health services management, quality assurance, and cost effectiveness;

(d) Individuals and businesses have the option to purchase any health services they may choose in addition to those contained in the uniform benefits package or supplemental benefits package;

(e) All state residents, businesses, employees, and government participate in payment for health services, with total costs to individuals on a sliding scale based on income to encourage efficient and appropriate utilization of services;

(f) These goals be accomplished within a reformed system using private service providers and facilities in a way that allows consumers to choose among competing plans operating within budget limits and other regulations that promote the public good; and

(g) A policy of coordinating the delivery, purchase, and provision of health services among the federal, state, local, and tribal governments be encouraged and accomplished by chapter . . . , Laws of 1993 (this act).

(3) Accordingly, the legislature intends that chapter . . . , Laws of 1993 (this act) provide both early implementation measures and a process for overall reform of the health services system.

PART II. EARLY IMPLEMENTATION MEASURES
A. BASIC HEALTH PLAN EXPANSION

NEW SECTION. Sec. 201. A new section is added to chapter 70.47 RCW to read as follows:

TRANSFER OF POWER AND DUTIES TO WASHINGTON STATE HEALTH CARE AUTHORITY. The powers, duties, and functions of the Washington basic health plan are hereby transferred to the Washington state health care authority. All references to the administrator of the Washington basic health plan in the Revised Code of Washington shall be construed to mean the administrator of the Washington state health care authority.

NEW SECTION. Sec. 202. TRANSFER OF RECORDS, EQUIPMENT, FUNDS. All reports, documents, surveys, books, records, files, papers, or written material in the possession of the Washington basic health plan shall be delivered to the custody of the Washington state health care authority. All cabinets, furniture, office equipment, motor vehicles, and other tangible property used by the Washington basic health plan shall be made available to the Washington state health care authority. All funds, credits, or other assets held by the Washington basic health plan shall be assigned to the Washington state health care authority.

Any appropriations made to the Washington basic health plan shall, on the effective date of this section, be transferred and credited to the Washington state health care authority. At no time may those funds in the basic health plan trust account, any funds appropriated for the subsidy of any enrollees, or any premium payments or other sums made or received on behalf of any enrollees in the basic health plan be commingled with any appropriated funds designated or intended for the purposes of providing health care coverage to any state or other public employees.

Whenever any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

NEW SECTION. Sec. 203. TRANSFER OF EMPLOYEES. All employees of the Washington basic health plan are transferred to the jurisdiction of the Washington state health care authority. All employees classified under chapter 41.06 RCW, the state civil service law, are assigned to the Washington state health care authority to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service.

NEW SECTION. Sec. 204. RULES AND BUSINESS. All rules and all pending business before the Washington basic health plan shall be continued and acted upon by the Washington state health care authority. All existing contracts and obligations shall remain in full force and shall be performed by the Washington state health care authority.

NEW SECTION. Sec. 205. VALIDITY OF PRIOR ACTS. The transfer of the powers, duties, functions, and personnel of the Washington basic health plan shall not affect the validity of any act performed prior to the effective date of this section.

NEW SECTION. Sec. 206. APPORTIONMENT OF BUDGETED FUNDS. If apportionments of budgeted funds are required because of the transfers directed by sections 201 through 205 of this act, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

NEW SECTION. Sec. 207. COLLECTIVE BARGAINING. Nothing contained in sections 201 through 206 of this act may be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement until the agreement has expired or until the bargaining unit has been modified by action of the personnel board as provided by law.

Sec. 208. RCW 70.47.010 and 1987 1st ex.s. c 5 s 3 are each amended to read as follows:

BASIC HEALTH PLAN--FINDINGS. (1) The legislature finds that:

(a) A significant percentage of the population of this state does not have reasonably available insurance or other coverage of the costs of necessary basic health care services;

(b) This lack of basic health care coverage is detrimental to the health of the individuals lacking coverage and to the public welfare, and results in substantial expenditures for emergency and remedial health care, often at the expense of health care providers, health care facilities, and all purchasers of health care, including the state; and

(c) The use of managed health care systems has significant potential to reduce the growth of health care costs incurred by the people of this state generally, and by low-income pregnant women (~~who are an especially~~

vulnerable population, along with their children)), and at-risk children and adolescents who need greater access to managed health care.

(2) The purpose of this chapter is to provide or make more readily available necessary basic health care services in an appropriate setting to working persons and others who lack coverage, at a cost to these persons that does not create barriers to the utilization of necessary health care services. To that end, this chapter establishes a program to be made available to those residents (~~(under sixty-five years of age)~~) not (~~(otherwise)~~) eligible for medicare (~~(with gross family income at or below two hundred percent of the federal poverty guidelines)~~) or medical assistance who share in a portion of the cost or who pay the full cost of receiving basic health care services from a managed health care system.

(3) It is not the intent of this chapter to provide health care services for those persons who are presently covered through private employer-based health plans, nor to replace employer-based health plans. However, the legislature recognizes that cost-effective and affordable health plans may not always be available to small business employers. Further, it is the intent of the legislature to expand, wherever possible, the availability of private health care coverage and to discourage the decline of employer-based coverage.

(4) (~~(The program authorized under this chapter is strictly limited in respect to the total number of individuals who may be allowed to participate and the specific areas within the state where it may be established. All such restrictions or limitations shall remain in full force and effect until quantifiable evidence based upon the actual operation of the program, including detailed cost benefit analysis, has been presented to the legislature and the legislature, by specific act at that time, may then modify such limitations.)~~)

(a) It is the purpose of this chapter to acknowledge the initial success of this program that has (i) assisted thousands of families in their search for affordable health care; (ii) demonstrated that low-income, uninsured families are willing to pay for their own health care coverage to the extent of their ability to pay; and (iii) proved that local health care providers are willing to enter into a public-private partnership as a managed care system.

(b) As a consequence, the legislature intends to extend an option to enroll to certain citizens above two hundred percent of the federal poverty guidelines within the state who reside in communities where the plan is operational and who collectively or individually wish to exercise the opportunity to purchase health care coverage through the basic health plan if the purchase is done at no cost to the state. It is also the intent of the legislature to allow employers and other financial sponsors to financially assist such individuals to purchase health care through the program so long as such purchase does not result in a lower standard of coverage for employees.

(c) The legislature intends that, to the extent of available funds, the program be available throughout Washington state to subsidized and nonsubsidized enrollees. It is also the intent of the legislature to enroll subsidized enrollees first, to the maximum extent feasible.

(d) The legislature directs that the basic health plan administrator identify enrollees who are likely to be eligible for medical assistance and assist these individuals in applying for and receiving medical assistance. The administrator and the department of social and health services shall implement a seamless system to coordinate eligibility determinations and benefit coverage for enrollees of the basic health plan and medical assistance recipients.

Sec. 209. RCW 70.47.020 and 1987 1st ex.s. c 5 s 4 are each amended to read as follows:

BASIC HEALTH PLAN--DEFINITIONS. As used in this chapter:

(1) "Washington basic health plan" or "plan" means the system of enrollment and payment on a prepaid capitated basis for basic health care services, administered by the plan administrator through participating managed health care systems, created by this chapter.

(2) "Administrator" means the Washington basic health plan administrator, who also holds the position of administrator of the Washington state health care authority.

(3) "Managed health care system" means any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, or any combination thereof, that provides directly or by contract basic health care services, as defined by the administrator and rendered by duly licensed providers, on a prepaid capitated basis to a defined patient population enrolled in the plan and in the managed health care system. On and after July 1, 1995, "managed health care system" means a certified health plan, as defined in section 402 of this act.

(4) "Subsidized enrollee" means an individual, or an individual plus the individual's spouse (~~(and/or)~~) or dependent children, ((all under the age of sixty-five and)) not ((otherwise)) eligible for medicare, who resides in an area of the state served by a managed health care system participating in the plan, whose gross family income at the time of enrollment does not exceed twice the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services, who the administrator determines at the time of application does not have health insurance more comprehensive than that offered by the plan, and who chooses to obtain basic health care coverage from a particular managed health care system in return for periodic payments to the plan.

(5) "Nonsubsidized enrollee" means an individual, or an individual plus the individual's spouse or dependent children, not eligible for medicare, who resides in an area of the state served by a managed health care system participating in the plan, who the administrator determines at the time of application does not have health insurance

more comprehensive than that offered by the plan, who chooses to obtain basic health care coverage from a particular managed health care system, and who pays or on whose behalf is paid the full costs for participation in the plan, without any subsidy from the plan.

~~(6)~~ "Subsidy" means the difference between the amount of periodic payment the administrator makes~~((, from funds appropriated from the basic health plan trust account,))~~ to a managed health care system on behalf of ~~((an))~~ a subsidized enrollee plus the administrative cost to the plan of providing the plan to that subsidized enrollee, and the amount determined to be the subsidized enrollee's responsibility under RCW 70.47.060(2).

~~((6))~~ (7) "Premium" means a periodic payment, based upon gross family income ~~((and determined under RCW 70.47.060(2),))~~ which an ~~((enrollee))~~ individual, their employer or another financial sponsor makes to the plan as consideration for enrollment in the plan as a subsidized enrollee or a nonsubsidized enrollee.

~~((7))~~ (8) "Rate" means the per capita amount, negotiated by the administrator with and paid to a participating managed health care system, that is based upon the enrollment of subsidized and nonsubsidized enrollees in the plan and in that system.

Sec. 210. RCW 70.47.030 and 1992 c 232 s 907 are each amended to read as follows:

ACCOUNTS. (1) The basic health plan trust account is hereby established in the state treasury. ~~((All))~~ Any nongeneral fund-state funds collected for this program shall be deposited in the basic health plan trust account and may be expended without further appropriation. Moneys in the account shall be used exclusively for the purposes of this chapter, including payments to participating managed health care systems on behalf of enrollees in the plan and payment of costs of administering the plan. ~~((After July 1, 1993, the administrator shall not expend or encumber for an ensuing fiscal period amounts exceeding ninety-five percent of the amount anticipated to be spent for purchased services during the fiscal year.))~~

(2) The basic health plan subscription account is created in the custody of the state treasurer. All receipts from amounts due from or on behalf of nonsubsidized enrollees shall be deposited into the account. Funds in the account shall be used exclusively for the purposes of this chapter, including payments to participating managed health care systems on behalf of nonsubsidized enrollees in the plan and payment of costs of administering the plan. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

(3) The administrator shall take every precaution to see that none of the funds in the separate accounts created in this section or that any premiums paid either by subsidized or nonsubsidized enrollees are commingled in any way, except that the administrator may combine funds designated for administration of the plan into a single administrative account.

Sec. 211. RCW 70.47.040 and 1987 1st ex.s. c 5 s 6 are each amended to read as follows:

BASIC HEALTH PLAN--PROGRAM WITHIN STATE HEALTH CARE AUTHORITY. (1) The Washington basic health plan is created as ~~((an independent agency of the state))~~ a program within the Washington state health care authority. The administrative head and appointing authority of the plan shall be the administrator ~~((who shall be appointed by the governor, with the consent of the senate, and shall serve at the pleasure of the governor. The salary for this office shall be set by the governor pursuant to RCW 43.03.040))~~ of the Washington state health care authority. The administrator shall appoint a medical director. The ~~((administrator,))~~ medical director ~~((,))~~ and up to five other employees of the plan shall be exempt from the civil service law, chapter 41.06 RCW.

(2) The administrator shall employ such other staff as are necessary to fulfill the responsibilities and duties of the administrator, such staff to be subject to the civil service law, chapter 41.06 RCW. In addition, the administrator may contract with third parties for services necessary to carry out its activities where this will promote economy, avoid duplication of effort, and make best use of available expertise. Any such contractor or consultant shall be prohibited from releasing, publishing, or otherwise using any information made available to it under its contractual responsibility without specific permission of the plan. The administrator may call upon other agencies of the state to provide available information as necessary to assist the administrator in meeting its responsibilities under this chapter, which information shall be supplied as promptly as circumstances permit.

(3) The administrator may appoint such technical or advisory committees as he or she deems necessary. The administrator shall appoint a standing technical advisory committee that is representative of health care professionals, health care providers, and those directly involved in the purchase, provision, or delivery of health care services, as well as consumers and those knowledgeable of the ethical issues involved with health care public policy. Individuals appointed to any technical or other advisory committee shall serve without compensation for their services as members, but may be reimbursed for their travel expenses pursuant to RCW 43.03.050 and 43.03.060.

(4) The administrator may apply for, receive, and accept grants, gifts, and other payments, including property and service, from any governmental or other public or private entity or person, and may make arrangements as to the use of these receipts, including the undertaking of special studies and other projects relating to health care costs and access to health care.

(5) ~~((In the design, organization, and administration of the plan under this chapter, the administrator shall consider the report of the Washington health care project commission established under chapter 303, Laws of 1986. Nothing in this chapter requires the administrator to follow any specific recommendation contained in that report~~

~~except as it may also be included in this chapter or other law))~~ Whenever feasible, the administrator shall reduce the administrative cost of operating the program by adopting joint policies or procedures applicable to both the basic health plan and employee health plans.

Sec. 212. RCW 70.47.060 and 1992 c 232 s 908 are each amended to read as follows:

ADMINISTRATOR'S POWERS AND DUTIES. The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care, which subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, ~~((for the period ending June 30, 1993,))~~ with respect to coverage for groups of subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for ~~((prenatal or postnatal))~~ such services ~~((that are provided under the medical assistance program under chapter 74.09 RCW))~~ except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider ~~((, or except to provide any such services associated with pregnancies diagnosed by the managed care provider before July 1, 1992))~~. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate. On and after July 1, 1995, the uniform benefits package adopted and from time to time revised by the Washington health services commission pursuant to section 449 of this act shall be implemented by the administrator as the schedule of covered basic health care services. However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that the services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size ~~((as well as))~~ and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the appropriate premium tax as provided by law.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator, but in no case shall the payment made on behalf of the enrollee exceed the total premiums due from the enrollee.

(3) To design and implement a structure of ~~((nominal))~~ copayments due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services. On and after July 1, 1995, the administrator shall endeavor to make the copayments structure of the plan consistent with enrollee point of service cost-sharing levels adopted by the Washington health services commission, giving consideration to funding available to the plan.

(4) ~~((To design and implement, in concert with a sufficient number of potential providers in a discrete area, an enrollee financial participation structure, separate from that otherwise established under this chapter, that has the following characteristics:~~

~~((a) Nominal premiums that are based upon ability to pay, but not set at a level that would discourage enrollment;~~

~~((b) A modified fee-for-services payment schedule for providers;~~

~~((c) Coinsurance rates that are established based on specific service and procedure costs and the enrollee's ability to pay for the care. However, coinsurance rates for families with incomes below one hundred twenty percent of the federal poverty level shall be nominal. No coinsurance shall be required for specific proven prevention programs, such as prenatal care. The coinsurance rate levels shall not have a measurable negative effect upon the enrollee's health status; and~~

~~((d) A case management system that fosters a provider-enrollee relationship whereby, in an effort to control cost, maintain or improve the health status of the enrollee, and maximize patient involvement in her or his health care~~

~~decision-making process, every effort is made by the provider to inform the enrollee of the cost of the specific services and procedures and related health benefits.~~

~~The potential financial liability of the plan to any such providers shall not exceed in the aggregate an amount greater than that which might otherwise have been incurred by the plan on the basis of the number of enrollees multiplied by the average of the prepaid capitated rates negotiated with participating managed health care systems under RCW 70.47.100 and reduced by any sums charged enrollees on the basis of the coinsurance rates that are established under this subsection.~~

~~(5)) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.~~

~~(5) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020.~~

~~(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.~~

~~((In the selection of any area of the state for the initial operation of the plan, the administrator shall take into account the levels and rates of unemployment in different areas of the state, the need to provide basic health care coverage to a population reasonably representative of the portion of the state's population that lacks such coverage, and the need for geographic, demographic, and economic diversity.~~

~~Before July 1, 1988, the administrator shall endeavor to secure participation contracts with managed health care systems in discrete geographic areas within at least five congressional districts.))~~

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and at least ~~((annually))~~ semiannually thereafter, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. ~~((An enrollee who remains current in payment of the sliding scale premium, as determined under subsection (2) of this section, and whose gross family income has risen above twice the federal poverty level, may continue enrollment unless and until the enrollee's gross family income has remained above twice the poverty level for six consecutive months, by making payment at the unsubsidized rate required for the managed health care system in which he or she may be enrolled.))~~ No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If, as a result of an eligibility review, the administrator determines that a subsidized enrollee's income exceeds twice the federal poverty level and that the enrollee knowingly failed to inform the plan of such increase in income, the administrator may bill the enrollee for the subsidy paid on the enrollee's behalf during the period of time that the enrollee's income exceeded twice the federal poverty level. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to re-enroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator shall require that a business owner pay at least fifty percent of the nonsubsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

~~((14))~~ (12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the ~~((administrator))~~ plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

~~((12) To monitor the access that state residents have to adequate and necessary health care services, determine the extent of any unmet needs for such services or lack of access that may exist from time to time, and make such reports and recommendations to the legislature as the administrator deems appropriate.))~~

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available ~~((resources, technical))~~ funding, assistance for rural ~~((health activities that endeavor to develop needed health care services in rural parts of the state))~~ residents, underserved populations, and persons of color.

Sec. 213. RCW 70.47.080 and 1987 1st ex.s. c 5 s 10 are each amended to read as follows:

ENROLLMENT. On and after July 1, 1988, the administrator shall accept for enrollment applicants eligible to receive covered basic health care services from the respective managed health care systems which are then participating in the plan. ~~((The administrator shall not allow the total enrollment of those eligible for subsidies to exceed thirty thousand.))~~

Thereafter, total ~~((enrollment shall not exceed the number established by the legislature in any act appropriating funds to the plan.))~~

~~Before July 1, 1988, the administrator shall endeavor to secure participation contracts from managed health care systems in discrete geographic areas within at least five congressional districts of the state and in such manner as to allow residents of both urban and rural areas access to enrollment in the plan. The administrator shall make a special effort to secure agreements with health care providers in one such area that meets the requirements set forth in RCW 70.47.060(4))~~ subsidized enrollment shall not result in expenditures that exceed the total amount that has been made available by the legislature in any act appropriating funds to the plan. To the extent that new funding is appropriated for expansion, the administrator shall endeavor to secure participation contracts from managed health care systems in geographic areas of the state that are unserved by the plan at the time at which the new funding is appropriated. In the selection of any such areas the administrator shall take into account the levels and rates of unemployment in different areas of the state, the need to provide basic health care coverage to a population reasonably representative of the portion of the state's population that lacks such coverage, and the need for geographic, demographic, and economic diversity.

The administrator shall at all times closely monitor growth patterns of enrollment so as not to exceed that consistent with the orderly development of the plan as a whole, in any area of the state or in any participating managed health care system. The annual or biennial enrollment limitations derived from operation of the plan under this section do not apply to nonsubsidized enrollees as defined in RCW 70.47.020(5).

B. EXPANDED MANAGED CARE FOR STATE EMPLOYEES

Sec. 214. RCW 41.05.011 and 1990 c 222 s 2 are each amended to read as follows:

DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) "Administrator" means the administrator of the authority.

(2) "State purchased health care" or "health care" means medical and health care, pharmaceuticals, and medical equipment purchased with state and federal funds by the department of social and health services, the department of health, the basic health plan, the state health care authority, the department of labor and industries, the department of corrections, the department of veterans affairs, and local school districts.

(3) "Authority" means the Washington state health care authority.

(4) "Insuring entity" means an (~~insurance carrier as defined in chapter 48.21 or 48.22~~) insurer as defined in chapter 48.01 RCW, a health care service contractor as defined in chapter 48.44 RCW, or a health maintenance organization as defined in chapter 48.46 RCW. On and after July 1, 1995, "insuring entity" means a certified health plan, as defined in section 402 of this act.

(5) "Flexible benefit plan" means a benefit plan that allows employees to choose the level of health care coverage provided and the amount of employee contributions from among a range of choices offered by the authority.

(6) "Employee" includes all full-time and career seasonal employees of the state, whether or not covered by civil service; elected and appointed officials of the executive branch of government, including full-time members of boards, commissions, or committees; and includes any or all part-time and temporary employees under the terms and conditions established under this chapter by the authority; justices of the supreme court and judges of the court of appeals and the superior courts; and members of the state legislature or of the legislative authority of any county, city, or town who are elected to office after February 20, 1970. "Employee" also includes: (a) By October 1, 1995, all employees of school districts. Between October 1, 1994, and September 30, 1995, "employee" includes employees of those school districts for whom the authority has undertaken the purchase of insurance benefits. The transition to insurance benefits purchasing by the authority may not disrupt existing insurance contracts between school district employees and insurers. However, except to the extent provided in RCW 28A.400.200, any such contract that provides for health insurance benefits coverage after October 1, 1995, shall be void as of that date if the contract was entered into, renewed, or extended after July 1, 1993. Prior to October 1, 1994, "employee" includes employees of a school district if the board of directors of the school district seeks and receives the approval of the authority to provide any of its insurance programs by contract with the authority; (b) employees of a county, municipality, or other political subdivision of the state if the legislative authority of the county, municipality, or other political subdivision of the state seeks and receives the approval of the authority to provide any of its insurance programs by contract with the authority, as provided in RCW 41.04.205(~~and employees of a school district if the board of directors of the school district seeks and receives the approval of the authority to provide any of its insurance programs by contract with the authority as provided in RCW 28A.400.350~~); (c) employees of employee organizations representing state civil service employees, at the option of each such employee organization, and, effective October 1, 1995, employees of employee organizations currently pooled with employees of school districts for the purpose of purchasing insurance benefits, at the option of each such employee organization.

(7) "Board" means the (~~state~~) public employees' benefits board established under RCW 41.05.055.

Sec. 215. RCW 41.05.021 and 1990 c 222 s 3 are each amended to read as follows:

HEALTH CARE AUTHORITY DUTIES. (1) The Washington state health care authority is created within the executive branch. The authority shall have an administrator appointed by the governor, with the consent of the senate. The administrator shall serve at the pleasure of the governor. The administrator may employ up to seven staff members, who shall be exempt from chapter 41.06 RCW, and any additional staff members as are necessary to administer this chapter. The primary duties of the authority shall be to administer state employees' insurance benefits (~~and to~~), study state-purchased health care programs in order to maximize cost containment in these programs while ensuring access to quality health care, and implement state initiatives, joint purchasing strategies, and techniques for efficient administration that have potential application to all state-purchased health services. The authority's duties include, but are not limited to, the following:

~~((1))~~ (a) To administer a health care benefit program for employees as specifically authorized in RCW 41.05.065 and in accordance with the methods described in RCW 41.05.075, 41.05.140, and other provisions of this chapter;

~~((2))~~ (b) To analyze state-purchased health care programs and to explore options for cost containment and delivery alternatives for those programs that are consistent with the purposes of those programs, including, but not limited to:

~~((a))~~ (i) Creation of economic incentives for the persons for whom the state purchases health care to appropriately utilize and purchase health care services, including the development of flexible benefit plans to offset increases in individual financial responsibility;

~~((b))~~ (ii) Utilization of provider arrangements that encourage cost containment (~~and ensure access to quality care~~), including but not limited to prepaid delivery systems, utilization review, and prospective payment methods, and that ensure access to quality care, including assuring reasonable access to local providers, especially for employees residing in rural areas;

~~((c))~~ (iii) Coordination of state agency efforts to purchase drugs effectively as provided in RCW 70.14.050;

~~((d))~~ (iv) Development of recommendations and methods for purchasing medical equipment and supporting services on a volume discount basis; and

~~((e))~~ (v) Development of data systems to obtain utilization data from state-purchased health care programs in order to identify cost centers, utilization patterns, provider and hospital practice patterns, and procedure costs, utilizing the information obtained pursuant to RCW 41.05.031;

~~((3))~~ (c) To analyze areas of public and private health care interaction;

~~((4))~~ (d) To provide information and technical and administrative assistance to the board;

~~((5))~~ (e) To review and approve or deny applications from counties, municipalities, and other political subdivisions of the state~~((, and school districts))~~ to provide state-sponsored insurance or self-insurance programs to their employees in accordance with the provisions of RCW 41.04.205 ~~((and 28A.400.350))~~, setting the premium contribution for approved groups as outlined in RCW 41.05.050;

~~((6))~~ (f) To appoint a health care policy technical advisory committee as required by RCW 41.05.150; and
~~((7))~~ (g) To promulgate and adopt rules consistent with this chapter as described in RCW 41.05.160.

(2) The public employees' benefits board shall implement strategies to promote managed competition among employee health benefit plans by January 1, 1995, including but not limited to:

(a) Standardizing the benefit package;

(b) Soliciting competitive bids for the benefit package;

(c) Limiting the state's contribution to a percent of the lowest priced sealed bid of a qualified plan within a geographical area. If the state's contribution is less than one hundred percent of the lowest priced sealed bid, employee financial contributions shall be structured on a sliding-scale basis related to household income;

(d) Monitoring the impact of the approach under this subsection with regards to: Efficiencies in health service delivery, cost shifts to subscribers, access to and choice of managed care plans state-wide, and quality of health services. The health care authority shall also advise on the value of administering a benchmark employer-managed plan to promote competition among managed care plans. The health care authority shall report its findings and recommendations to the legislature by January 1, 1997.

As part of the design stage for development of the system, the department shall undertake a needs assessment of the types of, and format for, ((hospital)) health care data needed by consumers, purchasers, health care payers, ((hospitals)) providers, and state government as consistent with the intent of chapter . . . , Laws of 1993 (this act) ((chapter)). The department shall identify a set of ((hospital)) health care data elements and report specifications which satisfy these needs. The ((council)) Washington health services commission, created by section 403 of this act, shall review the design of the data system and may ((direct the department to)) establish a technical advisory committee on health data and may, if deemed cost-effective and efficient, recommend that the department contract with a private vendor for assistance in the design of the data system or for any part of the work to be performed under this section. The data elements, specifications, and other ((design)) distinguishing features of this data system shall be made available for public review and comment and shall be published, with comments, as the department's first data plan by ((January 1, 1994)) July 1, 1994.

(2) Subsequent to the initial development of the data system as published as the department's first data plan, revisions to the data system shall be considered ((through the department's development of a biennial data plan, as proposed to,)) with the oversight and policy guidance of the Washington health services commission or its technical advisory committee and funded by((,)) the legislature through the biennial appropriations process with funds appropriated to the health services account. ((Costs of data activities outside of these data plans except for special studies shall be funded through legislative appropriations.

((3)) In designing the state-wide ((hospital)) health care data system and any data plans, the department shall identify ((hospital)) health care data elements relating to ((both hospital finances)) health care costs, the quality of health care services, the outcomes of health care services, and ((the)) use of ((services by patients)) health care by consumers. Data elements ((relating to hospital finances)) shall be reported ((by hospitals)) as the Washington health services commission directs by reporters in conformance with a uniform ((system of)) reporting ((as specified by the department and shall)) system established by the department, which shall be adopted by reporters. "Reporter" means an individual, hospital, or business entity, required to be registered with the department of revenue for payment of taxes imposed under chapter 82.04 RCW or Title 48 RCW, that is primarily engaged in furnishing or insuring for medical, surgical, and other health services to persons. Data elements relating to use of hospital services by patients shall, at least initially, be the same as those currently compiled by hospitals through inpatient discharge abstracts ((and reported to the Washington state hospital commission)). The commission and the department shall encourage and permit reporting by electronic transmission or hard copy as is practical and economical to reporters.

((4)) (3) The state-wide ((hospital)) health care data system shall be uniform in its identification of reporting requirements for ((hospitals)) reporters across the state to the extent that such uniformity is ((necessary)) useful to fulfill the purposes of chapter . . . , Laws of 1993 (this ((chapter)) act). Data reporting requirements may reflect differences ((in hospital size; urban or rural location; scope, type, and method of providing service; financial structure; or other pertinent distinguishing factors)) that involve pertinent distinguishing features as determined by the Washington health services commission by rule. So far as ((possible)) is practical, the data system shall be coordinated with any requirements of the trauma care data registry as authorized in RCW 70.168.090, the federal department of health and human services in its administration of the medicare program, ((and)) the state in its role of gathering public health statistics, or any other payer program of consequence so as to minimize any unduly burdensome reporting requirements imposed on ((hospitals)) reporters.

((5)) (4) In identifying financial reporting requirements under the state-wide ((hospital)) health care data system, the department may require both annual reports and condensed quarterly reports from reporters, so as to achieve both accuracy and timeliness in reporting, but shall craft such requirements with due regard of the data reporting burdens of reporters.

((6) In designing the initial state-wide hospital data system as published in the department's first data plan, the department shall review all existing systems of hospital financial and utilization reporting used in this state to determine their usefulness for the purposes of this chapter, including their potential usefulness as revised or simplified.

(7) ~~Until such time as the state wide hospital data system and first data plan are developed and implemented and hospitals are able to comply with reporting requirements, the department shall require hospitals to continue to submit the hospital financial and patient discharge information previously required to be submitted to the Washington state hospital commission. Upon publication of the first data plan, hospitals shall have a reasonable~~

period of time to comply with any new reporting requirements and, even in the event that new reporting requirements differ greatly from past requirements, shall comply within two years of July 1, 1989.

~~(8))~~ (5) The ~~((hospital))~~ health care data collected ~~((and))~~, maintained, and studied by the department or the Washington health services commission shall only be available for retrieval in original or processed form to public and private requestors and shall be available within a reasonable period of time after the date of request. The cost of retrieving data for state officials and agencies shall be funded through the state general appropriation. The cost of retrieving data for individuals and organizations engaged in research or private use of data or studies shall be funded by a fee schedule developed by the department which reflects the direct cost of retrieving the data or study in the requested form.

(6) All persons subject to chapter . . . , Laws of 1993 (this act) shall comply with departmental or commission requirements established by rule in the acquisition of data.

Sec. 260. RCW 70.170.110 and 1989 1st ex.s. c 9 s 511 are each amended to read as follows:

HEALTH CARE DATA--STUDIES, ANALYSES, OR REPORTS. The department shall provide, or may contract with a private entity to provide, ~~((hospital))~~ analyses and reports or any studies it chooses to conduct consistent with the purposes of chapter . . . , Laws of 1993 (this ~~((chapter))~~ act), subject to the availability of funds and any policy direction that may be given by the Washington health services commission. ~~((Prior to release, the department shall provide affected hospitals with an opportunity to review and comment on reports which identify individual hospital data with respect to accuracy and completeness, and otherwise shall focus on aggregate reports of hospital performance.))~~ These studies, analyses, or reports shall include:

(1) Consumer guides on purchasing ~~((hospital care services and))~~ or consuming health care and publications providing verifiable and useful aggregate comparative information to ~~((consumers on hospitals and hospital services))~~ the public on health care services, their cost, and the quality of health care providers who participate in certified health plans;

(2) Reports for use by classes of purchasers, who purchase from certified health plans, health care payers, and providers as specified for content and format in the state-wide data system and data plan; ~~((and))~~

(3) Reports on relevant ~~((hospital))~~ health care policy ~~((issues))~~ including the distribution of hospital charity care obligations among hospitals; absolute and relative rankings of Washington and other states, regions, and the nation with respect to expenses, net revenues, and other key indicators; ~~((hospital))~~ provider efficiencies; and the effect of medicare, medicaid, and other public health care programs on rates paid by other purchasers of ~~((hospital))~~ health care; and

(4) Any other reports the commission or department deems useful to assist the public or purchasers of certified health plans in understanding the prudent and cost-effective use of certified health plan services.

NEW SECTION. Sec. 261. A new section is added to chapter 70.170 RCW to read as follows:

CONFIDENTIALITY OF DATA. (1) Notwithstanding the provisions of chapter 42.17 RCW, any material contained within the state-wide health care data system or in the files of either the department or the Washington health services commission shall be subject to the following limitations: (a) Records obtained, reviewed by, or on file that contain information concerning medical treatment of individuals shall be exempt from public inspection and copying; and (b) any actuarial formulas, statistics, and assumptions submitted by a certified health plan to the commission or department upon request shall be exempt from public inspection and copying in order to preserve trade secrets or prevent unfair competition.

(2) All persons and any public or private agencies or entities whatsoever subject to this chapter shall comply with any requirements established by rule relating to the acquisition or use of health services data and maintain the confidentiality of any information that may, in any manner, identify individual persons.

(3) Data collected pursuant to sections 262 and 263 of this act shall be used solely for the health care reform provisions of chapter . . . , Laws of 1993 (this act). The department shall ensure that the enrollee identifier used will employ the highest available standards for accuracy and uniqueness.

(4) Nothing in this section shall impede an enrollee's access to her or his health care records as provided in chapter 70.02 RCW.

NEW SECTION. Sec. 262. A new section is added to chapter 70.170 RCW to read as follows:

HEALTH SERVICES COMMISSION ACCESS TO DATA. The Washington health services commission shall have access to all health data available to the secretary of health. To the extent possible, the commission shall use existing data systems and coordinate among existing agencies. The department of health shall be the designated depository agency for all health data collected pursuant to chapter . . . , Laws of 1993 (this act). The following data sources shall be developed or made available:

(1) The commission shall coordinate with the secretary of health to utilize data collected by the state center for health statistics, including hospital charity care and related data, rural health data, epidemiological data, ethnicity data, social and economic status data, and other data relevant to the commission's responsibilities.

(2) The commission, in coordination with the department of health and the health science programs of the state universities shall develop procedures to analyze clinical and other health services outcome data, and conduct

other research necessary for the specific purpose of assisting in the design of the uniform benefits package under chapter . . . , Laws of 1993 (this act).

(3) The commission shall establish cost data sources and shall require each certified health plan to provide the commission and the department of health with enrollee care and cost information, to include, but not be limited to: (a) Enrollee identifier, including date of birth, sex, and ethnicity; (b) provider identifier; (c) diagnosis; (d) health care services or procedures provided; (e) provider charges, if any; and (f) amount paid. The department shall establish by rule confidentiality standards to safeguard the information from inappropriate use or release.

(4) The commission shall coordinate with the area Indian health service, reservation Indian health service units, tribal clinics, and any urban Indian health service organizations the design, development, implementation, and maintenance of an American Indian-specific health data, statistics information system. NEW SECTION. Sec. 263. A new section is added to chapter 70.170 RCW to read as follows:

PERSONAL HEALTH SERVICES DATA AND INFORMATION SYSTEM. (1) The department is responsible for the implementation and custody of a state-wide personal health services data and information system. The data elements, specifications, and other design features of this data system shall be consistent with criteria adopted by the Washington health services commission. The department shall provide the commission with reasonable assistance in the development of these criteria, and shall provide the commission with periodic progress reports related to the implementation of the system or systems related to those criteria.

(2) The department shall coordinate the development and implementation of the personal health services data and information system with related private activities and with the implementation activities of the data sources identified by the commission. Data shall include: (a) Enrollee identifier, including date of birth, sex, and ethnicity; (b) provider identifier; (c) diagnosis; (d) health services or procedures provided; (e) provider charges, if any; and (f) amount paid. Information reported pursuant to this section shall be made available to interested parties upon request. The commission shall report its findings to the legislature by January 1, 1995.

G. DISCLOSURE OF HOSPITAL, NURSING HOME, AND PHARMACY CHARGES

NEW SECTION. Sec. 265. A new section is added to chapter 70.41 RCW to read as follows:

SPIRALING COSTS--HOSPITALS. (1) The legislature finds that the spiraling costs of health care continue to surmount efforts to contain them, increasing at approximately twice the inflationary rate. The causes of this phenomenon are complex. By making physicians and other health care providers with hospital admitting privileges more aware of the cost consequences of health care services for consumers, these providers may be inclined to exercise more restraint in providing only the most relevant and cost-beneficial hospital services, with a potential for reducing the utilization of those services. The requirement of the hospital to inform physicians and other health care providers of the charges of the health care services that they order may have a positive effect on containing health costs. Further, the option of the physician or other health care provider to inform the patient of these charges may strengthen the necessary dialogue in the provider-patient relationship that tends to be diminished by intervening third-party payers.

(2) The chief executive officer of a hospital licensed under this chapter and the superintendent of a state hospital shall establish and maintain a procedure for disclosing to physicians and other health care providers with admitting privileges the charges of all health care services ordered for their patients. Copies of hospital charges shall be made available to any physician and/or other health care provider ordering care in hospital inpatient/outpatient services. The physician and/or other health care provider may inform the patient of these charges and may specifically review them. Hospitals are also directed to study methods for making daily charges available to prescribing physicians through the use of interactive software and/or computerized information thereby allowing physicians and other health care providers to review not only the costs of present and past services but also future contemplated costs for additional diagnostic studies and therapeutic medications.

NEW SECTION. Sec. 266. A new section is added to chapter 18.68 RCW to read as follows:

SPIRALING COSTS--PRESCRIPTION MEDICATIONS. The legislature finds that the spiraling costs of health care continue to surmount efforts to contain them, increasing at approximately twice the inflationary rate. One of the fastest growing segments of the health care expenditure involves prescription medications. By making

physicians and other health care providers with prescriptive authority more aware of the cost consequences of health care treatments for consumers, these providers may be inclined to exercise more restraint in providing only the most relevant and cost-beneficial drug and medication treatments. The requirement of the pharmacy to inform physicians and other health care providers of the charges of prescription drugs and medications that they order may have a positive effect on containing health costs. Further, the option of the physician or other health care provider to inform the patient of these charges may strengthen the necessary dialogue in the provider-patient relationship that tends to be diminished by intervening third-party payers.

NEW SECTION. Sec. 267. A new section is added to chapter 18.68 RCW to read as follows:

COST OF PRESCRIPTIVE MEDICATIONS. The registered or licensed pharmacist of this chapter shall establish and maintain a procedure for disclosing to physicians and other health care providers with prescriptive authority information detailed by prescriber, of the cost and dispensation of all prescriptive medications prescribed by him or her for his or her patients on request. These charges should be made available on at least a quarterly basis for all requested patients and should include medication, dosage, number dispensed, and the cost of the prescription. Pharmacies may provide this information in a summary form for each prescribing physician for all patients rather than as individually itemized reports. All efforts should be made to utilize the existing computerized records and software to provide this information in the least costly format.

NEW SECTION. Sec. 268. A new section is added to chapter 18.51 RCW to read as follows:

SPIRALING COSTS--NURSING HOMES. (1) The legislature finds that the spiraling costs of nursing home care continue to surmount efforts to contain them, increasing at approximately twice the inflationary rate. The causes of this phenomenon are complex. By making nursing home facilities and care providers more aware of the cost consequences of care services for consumers, these providers may be inclined to exercise more restraint in providing only the most relevant and cost-beneficial services and care, with a potential for reducing the utilization of those services. The requirement of the nursing home to inform physicians, consumers, and other care providers of the charges of the services that they order may have a positive effect on containing health costs.

(2) All nursing home administrators in facilities licensed under this chapter shall be required to develop and maintain a written procedure for disclosing patient charges to attending physicians with admitting privileges. The nursing home administrator shall have the capability to provide an itemized list of the charges for all health care services that may be ordered by a physician. The information shall be made available on request of consumers, or the physicians or other appropriate health care providers responsible for prescribing care.

H. HEALTH PROFESSIONAL SHORTAGES

NEW SECTION. Sec. 269. **LEGISLATIVE INTENT.** The legislature finds that the successful implementation of health care reform will depend on a sufficient supply of primary health care providers throughout the state. Many rural and medically underserved urban areas lack primary health care providers and because of this, basic health care services are limited or unavailable to populations living in these areas. The legislature has in recent years initiated new programs to address these provider shortages but funding has been insufficient and additional specific provider shortages remain.

Sec. 270. RCW 28B.125.010 and 1991 c 332 s 5 are each amended to read as follows:

STATE-WIDE HEALTH PERSONNEL RESOURCE PLAN--PERSONS OF COLOR--INDIAN HEALTH. Should a successor agency or agencies be authorized or created by the legislature with planning, coordination, or administrative authority over vocational-technical schools, community colleges, or four-year higher education institutions, the governor shall grant membership on the committee to such agency or agencies and remove the member or members it replaces.

The committee shall appoint subcommittees for the purpose of assisting in the development of the institutional plans required under this chapter. In preparing the institutional plans for four-year institutes of higher education, the subcommittee shall be composed of at least the higher education coordinating board and the state's four-year higher education institutions. The appointment of subcommittees to develop portions of the state-

wide plan shall not relinquish the committee's responsibility for assuring overall coordination, integration, and consistency of the state-wide plan.

In establishing and implementing the state-wide health personnel resource plan the committee shall, to the extent possible, utilize existing data and information, personnel, equipment, and facilities and shall minimize travel and take such other steps necessary to reduce the administrative costs associated with the preparation and implementation of the plan.

(2) The state-wide health resource plan shall include at least the following:

(a)(i) Identification of the type, number, and location of the health care professional work force necessary to meet health care needs of the state.

(ii) A description and analysis of the composition and numbers of the potential work force available for meeting health care service needs of the population to be used for recruitment purposes. This should include a description of the data, methodology, and process used to make such determinations.

(b) A centralized inventory of the numbers of student applications to higher education and vocational-technical training and education programs, yearly enrollments, yearly degrees awarded, and numbers on waiting lists for all the state's publicly funded health care training and education programs. The committee shall request similar information for incorporation into the inventory from private higher education and vocational-technical training and education programs.

(f) Strategies to increase the number of persons of color in the health professions. Such strategies shall incorporate, to the extent possible, federal and state assistance programs for health career development, including those for American Indians, economically disadvantaged persons, physically challenged persons, and persons of color.

(g) A strategy and coordinated state-wide policy developed by the subcommittees authorized in subsection (1) of this section for increasing the number of graduates intending to serve in shortage areas after graduation, including such strategies as the establishment of preferential admissions and designated enrollment slots.

~~((g))~~ (h) Guidelines and policies developed by the subcommittees authorized in subsection (1) of this section for allowing academic credit for on-the-job experience such as internships, volunteer experience, apprenticeships, and community service programs.

~~((h))~~ (i) A strategy developed by the subcommittees authorized in subsection (1) of this section for making required internships and residency programs available that are geographically accessible and sufficiently diverse to meet both general and specialized training needs as identified in the plan when such programs are required.

~~((l))~~ (m) An analysis of the training needs of those members of the long-term care profession that are not regulated and that have no formal training requirements. Programs to meet these needs should be developed in a cost-effective and a state-wide accessible manner that provide for the basic training needs of these individuals.

~~((m))~~ (n) A designation of the professions and geographic locations in which loan repayment and scholarships should be available based upon objective data-based forecasts of health professional shortages. A description of the criteria used to select professions and geographic locations shall be included. Noninvasive procedures include injections, suturing of minor lacerations, and incisions of boils or superficial abscesses. Primary dental care shall be limited to diagnosis, oral hygiene, restoration, and extractions and shall not include orthodontia, or other specialized care and treatment;

(3) The provision of liability insurance coverage shall not extend to acts outside the scope of rendering medical services pursuant to this section and RCW 43.70.460;

(4) The participating ~~((physician))~~ primary care provider shall limit the provision of health care services to primarily low-income persons provided that clinics may, but are not required to, provide means tests for eligibility as a condition for obtaining health care services;

(5) The participating ~~((physician))~~ primary care provider shall not accept compensation for providing health care services from patients served pursuant to this section and RCW 43.70.460, nor from clinics serving these patients. "Compensation" shall mean any remuneration of value to the participating ~~((physician))~~ primary care provider for services provided by the ~~((physician))~~ primary care provider, but shall not be construed to include any nominal copayments charged by the clinic, nor reimbursement of related expenses of a participating ~~((physician))~~ primary care provider authorized by the clinic in advance of being incurred; and

(6) The use of mediation or arbitration for resolving questions of potential liability may be used, however any mediation or arbitration agreement format shall be expressed in terms clear enough for a person with a sixth grade level of education to understand, and on a form no longer than one page in length.

NEW SECTION. Sec. 278. MEDICAL SCHOOL GRADUATES SERVING IN RURAL AND MEDICALLY UNDERSERVED AREAS OF THE STATE--LEGISLATIVE INTENT. The legislature finds that the shortage of

primary care physicians practicing in rural and medically underserved areas of the state has created a severe public health and safety problem. If unaddressed, this problem is expected to worsen with health care reform since an increased demand for primary care services will only contribute further to these shortages.

The legislature further finds that the medical training program at the University of Washington is an important and well respected resource to the people of this state in the training of primary care physicians. Currently, only a small proportion of medical school graduates are Washington residents who serve as primary care practitioners in certain parts of this state.

NEW SECTION. Sec. 279. MEDICAL SCHOOL PRIMARY CARE PHYSICIAN SHORTAGE PLAN DEVELOPMENT. (1) The University of Washington shall prepare a primary care shortage plan that accomplishes the following:

(a) Identifies specific activities that the school of medicine shall pursue to increase the number of Washington residents serving as primary care physicians in rural and medically underserved areas of the state, including establishing a goal that assures that no less than fifty percent of medical school graduates who are Washington state residents at the time of matriculation will enter into primary care residencies, to the extent possible, in Washington state by the year 2000;

(b) Assures that the school of medicine shall establish among its highest training priorities the distribution of its primary care physician graduates from the school and associated postgraduate residency programs into rural and medically underserved areas;

(c) Establishes the goal of assuring that the annual number of graduates from the family practice residency network entering rural or medically underserved practice shall be increased by forty percent over a baseline period from 1988 through 1990 by 1995;

(d) Establishes a further goal to make operational at least two additional family practice residency programs within Washington state in geographic areas identified by the plan as underserved in family practice by 1997. The geographic areas identified by the plan as being underserved by family practice physicians shall be consistent with any such similar designations as may be made in the health personnel research plan as authorized under chapter 28B.125 RCW;

(e) Establishes, with the cooperation of existing community and migrant health clinics in rural or medically underserved areas of the state, three family practice residency training tracks. Furthermore, the primary care shortage plan shall provide that one of these training tracks shall be a joint American osteopathic association and American medical association approved training site coordinated with an accredited college of osteopathic medicine with extensive experience in training primary care physicians for the western United States. Such a proposed joint accredited training track will have at least fifty percent of its residency positions in osteopathic medicine; and

(f) Implements the plan, with the exception of the expansion of the family practice residency network, within current biennial appropriations for the University of Washington school of medicine.

(2) The plan shall be submitted to the appropriate committees of the legislature no later than December 1, 1993.

I. SHORT-TERM HEALTH INSURANCE REFORM

NEW SECTION. Sec. 280. INTENT--INCREASE ACCESS TO COVERAGE. The legislature intends that, during the transition to a fully reformed health services system, certain health insurance practices be modified to increase access to health insurance coverage for some individuals and groups. The legislature recognizes that health insurance reform will not remedy the significant lack of access to coverage in Washington state without the implementation of strong cost control measures. The authority granted to the commissioner in chapter . . . , Laws of 1993 (this act) is in addition to any authority the commissioner currently has under Title 48 RCW to regulate insurers, health care service contractors, and health maintenance organizations.

NEW SECTION. Sec. 281. A new section is added to chapter 48.18 RCW to read as follows:

CANCELLATIONS, DENIALS--WRITTEN COMMUNICATION. Every insurer upon canceling, denying, or refusing to renew any disability policy, shall, upon written request, directly notify in writing the applicant or insured, as the case may be, of the reasons for the action by the insurer and to any person covered under a group contract. Any benefits, terms, rates, or conditions of such a contract that are restricted, excluded, modified, increased, or reduced shall, upon written request, be set forth in writing and supplied to the insured and to any person covered under a group contract. The written communications required by this section shall be phrased in simple language that is readily understandable to a person of average intelligence, education, and reading ability.

Sec. 282. RCW 48.21.200 and 1983 c 202 s 16 and 1983 c 106 s 24 are each reenacted and amended to read as follows:

REDUCTIONS OR REFUSAL OF BENEFITS. (1) No individual or group disability insurance policy, health care service contract, or health maintenance agreement which provides benefits for hospital, medical, or surgical

expenses shall be delivered or issued for delivery in this state (~~(after September 8, 1975)~~) which contains any provision whereby the insurer, contractor, or health maintenance organization may reduce or refuse to pay such benefits otherwise payable thereunder solely on account of the existence of similar benefits provided under any ~~((individual))~~ disability insurance policy, ~~((or under any individual))~~ health care service contract, or health maintenance agreement.

(2) No individual or group disability insurance policy, health care service contract, or health maintenance agreement providing hospital, medical or surgical expense benefits and which contains a provision for the reduction of benefits otherwise payable or available thereunder on the basis of other existing coverages, shall provide that such reduction will operate to reduce total benefits payable below an amount equal to one hundred percent of total allowable expenses exclusive of copayments, deductibles, and other similar cost-sharing arrangements.

(3) The commissioner shall by rule establish guidelines for the application of this section, including:

(a) The procedures by which persons ~~((insured))~~ covered under such policies, contracts, and agreements are to be made aware of the existence of such a provision;

(b) The benefits which may be subject to such a provision;

(c) The effect of such a provision on the benefits provided;

(d) Establishment of the order of benefit determination; ~~((and))~~

(e) Exceptions necessary to preserve policy, contract, or agreement requirements for use of particular health care facilities or providers; and

(f) Reasonable claim administration procedures to expedite claim payments and prevent duplication of payments or benefits under such a provision ~~((: PROVIDED, HOWEVER, That any group disability insurance policy which is issued as part of an employee insurance benefit program authorized by RCW 41.05.025(3) may exclude all or part of any deductible amounts from the definition of total allowable expenses for purposes of coordination of benefits within the plan and between such plan and other applicable group coverages: AND PROVIDED FURTHER, That any group disability insurance policy providing coverage for persons in this state may exclude all or part of any deductible amounts required by a group disability insurance policy from the definition of total allowable expenses for purposes of coordination of benefits between such policy and a group disability insurance policy issued as part of an employee insurance benefit program authorized by RCW 41.05.025(3).))~~

~~(3) The provisions of this section shall apply to health care service contractor contracts and health maintenance organization agreements).~~

NEW SECTION. Sec. 283. A new section is added to chapter 48.20 RCW to read as follows:

DISABILITY INSURER--PREEXISTING CONDITIONS EXCLUSIONS AND LIMITATIONS. (1) After January 1, 1994, every disability insurer issuing coverage against loss arising from medical, surgical, hospital, or emergency care coverage shall waive any preexisting condition exclusion or limitation for persons who had similar coverage under a different policy, health care service contract, or health maintenance agreement in the three-month period immediately preceding the effective date of coverage under the new policy to the extent that such person has satisfied a waiting period under such preceding policy, contract, or agreement; however, if the person satisfied a twelve-month waiting period under such preceding policy, contract, or agreement, the insurer shall waive any preexisting condition exclusion or limitation. The insurer need not waive a preexisting condition exclusion or limitation under the new policy for coverage not provided under such preceding policy, contract, or agreement.

(2) The commissioner may adopt rules establishing guidelines for determining when coverage is similar under new and preceding policies, contracts, and agreements and for determining when a preexisting condition waiting period has been satisfied.

(3) The commissioner in consultation with insurers, health care service contractors, and health maintenance organizations shall study the effect of preexisting condition exclusions and limitations on the cost and availability of health care coverage and shall adopt rules restricting the use of such conditions and limitations by January 1, 1994. No insurer, health care service contractor, or health maintenance organization may deny, exclude, or limit coverage for preexisting conditions for a period longer than that provided for in such rules after July 1, 1994.

NEW SECTION. Sec. 284. A new section is added to chapter 48.21 RCW to read as follows:

GROUP DISABILITY INSURERS--PREEXISTING CONDITIONS EXCLUSIONS AND LIMITATIONS. (1) After January 1, 1994, every disability insurer issuing coverage against loss arising from medical, surgical, hospital, or emergency care coverage shall waive any preexisting condition exclusion or limitation for persons who had similar coverage under a different policy, health care service contract, or health maintenance agreement in the three-month period immediately preceding the effective date of coverage under the new policy to the extent that such person has satisfied a waiting period under such preceding policy, contract, or agreement; however, if the person satisfied a twelve-month waiting period under such preceding policy, contract, or agreement, the insurer shall waive any preexisting condition exclusion or limitation. The insurer need not waive a preexisting condition exclusion or limitation under the new policy for coverage not provided under such preceding policy, contract, or agreement.

(2) The commissioner may adopt rules establishing guidelines for determining when coverage is similar under new and preceding policies, contracts, and agreements and for determining when a preexisting condition waiting period has been satisfied.

(3) The commissioner in consultation with insurers, health care service contractors, and health maintenance organizations shall study the effect of preexisting condition exclusions and limitations on the cost and availability of health care coverage and shall adopt rules restricting the use of such conditions and limitations by January 1, 1994. No insurer, health care service contractor, or health maintenance organization may deny, exclude, or limit coverage for preexisting conditions for a period longer than that provided for in such rules after July 1, 1994.

NEW SECTION. Sec. 285. A new section is added to chapter 48.44 RCW to read as follows:

HEALTH CARE SERVICE CONTRACTORS--PREEXISTING CONDITIONS EXCLUSIONS AND LIMITATIONS. (1) After January 1, 1994, every health care service contractor, except limited health care service contractors as defined under RCW 48.44.035, shall waive any preexisting condition exclusion or limitation for persons who had similar coverage under a different policy, health care service contract, or health maintenance agreement in the three-month period immediately preceding the effective date of coverage under the new contract to the extent that such person has satisfied a waiting period under such preceding policy, contract, or agreement; however, if the person satisfied a twelve-month waiting period under such preceding policy, contract, or agreement, the insurer shall waive any preexisting condition exclusion or limitation. The insurer need not waive a preexisting condition exclusion or limitation under the new policy for coverage not provided under such preceding policy, contract, or agreement.

(2) The commissioner may adopt rules establishing guidelines for determining when coverage is similar under new and preceding policies, contracts, and agreements and for determining when a preexisting condition waiting period has been satisfied.

(3) The commissioner in consultation with insurers, health care service contractors, and health maintenance organizations shall study the effect of preexisting condition exclusions and limitations on the cost and availability of health care coverage and shall adopt rules restricting the use of such conditions and limitations by January 1, 1994. No insurer, health care service contractor, or health maintenance organization may deny, exclude, or limit coverage for preexisting conditions for a period longer than that provided for in such rules after July 1, 1994.

NEW SECTION. Sec. 286. A new section is added to chapter 48.46 RCW to read as follows:

HEALTH MAINTENANCE ORGANIZATIONS--PREEXISTING CONDITIONS EXCLUSIONS AND LIMITATIONS. (1) After January 1, 1994, every health maintenance organization shall waive any preexisting condition exclusion or limitation for persons who had similar coverage under a different policy, health care service contract, or health maintenance agreement in the three-month period immediately preceding the effective date of coverage under the new agreement to the extent that such person has satisfied a waiting period under such preceding policy, contract, or agreement; however, if the person satisfied a twelve-month waiting period under such preceding policy, contract, or agreement, the insurer shall waive any preexisting condition exclusion or limitation. The insurer need not waive a preexisting condition exclusion or limitation under the new policy for coverage not provided under such preceding policy, contract, or agreement.

(2) The commissioner may adopt rules establishing guidelines for determining when coverage is similar under new and preceding policies, contracts, and agreements and for determining when a preexisting condition waiting period has been satisfied.

(3) The commissioner in consultation with insurers, health care service contractors, and health maintenance organizations shall study the effect of preexisting condition exclusions and limitations on the cost and availability of health care coverage and shall adopt rules restricting the use of such conditions and limitations by January 1, 1994. No insurer, health care service contractor, or health maintenance organization may deny, exclude, or limit coverage for preexisting conditions for a period longer than that provided for in such rules after July 1, 1994.

Sec. 287. RCW 48.30.300 and 1975-'76 2nd ex.s. c 119 s 7 are each amended to read as follows:

UNFAIR PRACTICES. Notwithstanding any provision contained in Title 48 RCW to the contrary:

(1) No person or entity engaged in the business of insurance in this state shall refuse to issue any contract of insurance or cancel or decline to renew such contract because of the sex or marital status, or the presence of any sensory, mental, or physical handicap of the insured or prospective insured. The amount of benefits payable, or any term, rate, condition, or type of coverage shall not be restricted, modified, excluded, increased or reduced on the basis of the sex or marital status, or be restricted, modified, excluded or reduced on the basis of the presence of any sensory, mental, or physical handicap of the insured or prospective insured. Subject to the provisions of subsection (2) of this section these provisions shall not prohibit fair discrimination on the basis of sex, or marital status, or the presence of any sensory, mental, or physical handicap when bona fide statistical differences in risk or exposure have been substantiated.

(2) With respect to disability policies issued or renewed on and after July 1, 1994, that provide coverage against loss arising from medical, surgical, hospital, or emergency care services:

(a) Policies shall guarantee continuity of coverage. Such provision, which shall be included in every policy, shall provide that:

(i) The policy may be canceled or nonrenewed without the prior written approval of the commissioner only for nonpayment of premium or as permitted under RCW 48.18.090; and

(ii) The policy may be canceled or nonrenewed because of a change in the physical or mental condition or health of a covered person only with the prior written approval of the commissioner. Such approval shall be granted only when the insurer has discharged its obligation to continue coverage for such person by obtaining coverage with another insurer, health care service contractor, or health maintenance organization, which coverage is comparable in terms of premiums and benefits as defined by rule of the commissioner.

(b) It is an unfair practice for a disability insurer to modify the coverage provided or rates applying to an in-force disability insurance policy and to fail to make such modification in all such issued and outstanding policies.

(c) Subject to rules adopted by the commissioner, it is an unfair practice for a disability insurer to:

(i) Cease the sale of a policy form unless it has received prior written authorization from the commissioner and has offered all policyholders covered under such discontinued policy the opportunity to purchase comparable coverage without health screening; or

(ii) Engage in a practice that subjects policyholders to rate increases on discontinued policy forms unless such policyholders are offered the opportunity to purchase comparable coverage without health screening.

The insurer may limit an offer of comparable coverage without health screening to a period not less than thirty days from the date the offer is first made.

NEW SECTION. Sec. 288. A new section is added to chapter 48.44 RCW to read as follows:

HEALTH CARE SERVICE CONTRACTS--UNFAIR PRACTICES. (1) With respect to all health care service contracts issued or renewed on and after July 1, 1994, except limited health care service contracts as defined in RCW 48.44.035:

(a) Contracts shall guarantee continuity of coverage. Such provision, which shall be included in every contract, shall provide that:

(i) The contract may be canceled or nonrenewed without the prior written approval of the commissioner only for nonpayment of premiums, for violation of published policies of the contractor that have been approved by the commissioner, for persons who are entitled to become eligible for medicare benefits and fail to subscribe to a medicare supplement plan offered by the contractor, for failure of such subscriber to pay any deductible or copayment amount owed to the contractor and not the provider of health care services, for fraud, or for a material breach of the contract; and

(ii) The contract may be canceled or nonrenewed because of a change in the physical or mental condition or health of a covered person only with the prior written approval of the commissioner. Such approval shall be granted only when the contractor has discharged its obligation to continue coverage for such person by obtaining coverage with another insurer, health care service contractor, or health maintenance organization, which coverage is comparable in terms of premiums and benefits as defined by rule of the commissioner.

(b) It is an unfair practice for a contractor to modify the coverage provided or rates applying to an in-force contract and to fail to make such modification in all such issued and outstanding contracts.

(c) Subject to rules adopted by the commissioner, it is an unfair practice for a health care service contractor to:

(i) Cease the sale of a contract form unless it has received prior written authorization from the commissioner and has offered all subscribers covered under such discontinued contract the opportunity to purchase comparable coverage without health screening; or

(ii) Engage in a practice that subjects subscribers to rate increases on discontinued contract forms unless such subscribers are offered the opportunity to purchase comparable coverage without health screening.

(2) The health care service contractor may limit an offer of comparable coverage without health screening to a period not less than thirty days from the date the offer is first made.

NEW SECTION. Sec. 289. A new section is added to chapter 48.46 RCW to read as follows:

HEALTH MAINTENANCE AGREEMENTS--UNFAIR PRACTICES. (1) With respect to all health maintenance agreements issued or renewed on and after July 1, 1994, and in addition to the restrictions and limitations contained in RCW 48.46.060(4):

(a) Agreements shall guarantee continuity of coverage. Such provision, which shall be included in every agreement, shall provide that the agreement may be canceled or nonrenewed because of a change in the physical or mental condition or health of a covered person only with the prior written approval of the commissioner. Such approval shall be granted only when the organization has discharged its obligation to continue coverage for such person by obtaining coverage with another insurer, health care service contractor, or health maintenance organization, which coverage is comparable in terms of premiums and benefits as defined by rule of the commissioner.

(b) It is an unfair practice for an organization to modify the coverage provided or rates applying to an in-force agreement and to fail to make such modification in all such issued and outstanding agreements.

(c) Subject to rules adopted by the commissioner, it is an unfair practice for a health maintenance organization to:

(i) Cease the sale of an agreement form unless it has received prior written authorization from the commissioner and has offered all enrollees covered under such discontinued agreement the opportunity to purchase comparable coverage without health screening; or

(ii) Engage in a practice that subjects enrollees to rate increases on discontinued agreement forms unless such enrollees are offered the opportunity to purchase comparable coverage without health screening.

(2) The health maintenance organization may limit an offer of comparable coverage without health screening to a period not less than thirty days from the date the offer is first made.

Every authorized health care service contractor, upon canceling, denying, or refusing to renew any individual health care service contract, shall, upon written request, directly notify in writing the applicant or ~~((insured))~~ subscriber, as the case may be, of the reasons for the action by the health care service contractor. PART III. TAXES

NEW SECTION. Sec. 301. A new section is added to chapter 48.14 RCW to read as follows:

(2) Each taxpayer shall pay a tax on or before the first day of March of each year to the state treasurer through the insurance commissioner's office. The tax shall be equal to the total amount of all premiums and prepayments for health care services received by the taxpayer during the preceding calendar year multiplied by the rate of two percent.

(3) Taxpayers shall prepay their tax obligations under this section. The minimum amount of the prepayments shall be percentages of the taxpayer's tax obligation for the preceding calendar year recomputed using the rate in effect for the current year. (5) Moneys collected under this section shall be deposited in the health services account under section 469 of this act.

(6) The taxes imposed in this section do not apply to:

(3) Adopt necessary rules in accordance with chapter 34.05 RCW to carry out the purposes of chapter . . . , Laws of 1993 (this act). An initial set of draft rules establishing at least the commission's organization structure, the uniform benefits package, and standards for certified health plan certification, must be submitted in draft form to appropriate committees of the legislature by December 1, 1994.

(4) Establish and modify as necessary, in consultation with the state board of health and the department of health, and coordination with the planning process set forth in section 467 of this act a uniform set of health services based on the recommendations of the health care cost control and access commission established under House Concurrent Resolution No. 4443 adopted by the legislature in 1990.

(5) Establish and modify as necessary the uniform benefits package as provided in section 449 of this act, which shall be offered to enrollees of a certified health plan. The benefit package shall be provided at no more than the maximum premium specified in subsection (6) of this section.

(6)(a) Establish for each year a community-rated maximum premium for the uniform benefits package that shall operate to control overall health care costs. The maximum premium cost of the uniform benefits package in the base year 1995 shall be established upon an actuarial determination of the costs of providing the uniform benefits package and such other cost impacts as may be deemed relevant by the commission. Beginning in 1996, the growth rate of the premium cost of the uniform benefits package for each certified health plan shall be allowed to increase by a rate no greater than the average growth rate in the cost of the package between 1990 and 1993 as actuarially determined, reduced by two percentage points per year until the growth rate is no greater than the five-year rolling average of growth in Washington per capita personal income, as determined by the office of financial management.

(b) In establishing the community-rated maximum premium under this subsection, the commission shall develop a composite rate for employees that provides nominal, if any, variance between the rate for individual employees and employees with dependents to minimize any economic incentive to an employer to discriminate between prospective employees based upon whether or not they have dependents for whom coverage would be required. Nothing in this subsection (6)(b) shall preclude the commission from evaluating other methodologies for establishing the community-rated maximum premium and recommending an alternative methodology to the legislature.

(c) If the commission adds or deletes services or benefits to the uniform benefits package in subsequent years, it may increase or decrease the maximum premium to reflect the actual cost experience of a broad sample of providers of that service in the state, considering the factors enumerated in (a) of this subsection and adjusted actuarially. The addition of services or benefits shall not result in a redetermination of the entire cost of the uniform benefits package.

(d) The level of state expenditures for the uniform benefits package shall be limited to the appropriation of funds specifically for this purpose.

(7) Determine the need for medical risk adjustment mechanisms to minimize financial incentives for certified health plans to enroll individuals who present lower health risks and avoid enrolling individuals who present higher health risks, and to minimize financial incentives for employer hiring practices that discriminate against individuals who present higher health risks. In the design of medical risk distribution mechanisms under this subsection, the commission shall (a) balance the benefits of price competition with the need to protect certified health plans from any unsustainable negative effects of adverse selection; (b) consider the development of a system that creates a risk profile of each certified health plan's enrollee population that does not create disincentives for a plan to control benefit utilization, that requires contributions from plans that enjoy a low-risk enrollee population to plans that have a high-risk enrollee population, and that does not permit an adjustment of the premium charged for the uniform benefits package or supplemental coverage based upon either receipt or contribution of assessments; and (c) consider whether registered employer health plans should be included in any medical risk adjustment mechanism. Proposed medical risk adjustment mechanisms shall be submitted to the legislature as provided in section 454 of this act.

(8) Design a mechanism to assure minors have access to confidential health care services as currently provided in RCW 70.24.110 and 71.34.030.

(9) Monitor the actual growth in total annual health services costs.

(10) Monitor the increased application of technology as required by chapter . . . , Laws of 1993 (this act) and take necessary action to ensure that such application is made in a cost-effective and efficient manner and consistent with existing laws that protect individual privacy.

(11) Establish reporting requirements for certified health plans that own or manage health care facilities, health care facilities, and health care providers to periodically report to the commission regarding major capital expenditures of the plans. The commission shall review and monitor such reports and shall report to the legislature regarding major capital expenditures on at least an annual basis. The Washington health care facilities authority and the commission shall develop standards jointly for evaluating and approving major capital expenditure financing through the Washington health care facilities authority, as authorized pursuant to chapter 70.37 RCW. By December 1, 1994, the commission and the authority shall submit jointly to the legislature such proposed standards. The commission and the authority shall, after legislative review, but no later than June 1, 1995, publish such standards. Upon publication, the authority may not approve financing for major capital expenditures unless approved by the commission.

(12) Establish maximum enrollee financial participation levels. The levels shall be related to enrollee household income.

(13) For health services provided under the uniform benefits package and supplemental benefits, adopt standards for enrollment, and standardized billing and claims processing forms. The standards shall ensure that these procedures minimize administrative burdens on health care providers, health care facilities, certified health plans, and consumers. Subject to federal approval or phase-in schedules whenever necessary or appropriate, the standards also shall apply to state-purchased health services, as defined in RCW 41.05.011.

(14) Propose that certified health plans adopt certain practice indicators or risk management protocols for quality assurance, utilization review, or provider payment. The commission may consider indicators or protocols recommended according to section 410 of this act for these purposes.

(15) Propose other guidelines to certified health plans for utilization management, use of technology and methods of payment, such as diagnosis-related groups and a resource-based relative value scale. Such guidelines

shall be voluntary and shall be designed to promote improved management of care, and provide incentives for improved efficiency and effectiveness within the delivery system.

(16) Adopt standards and oversee and develop policy for personal health data and information system as provided in chapter 70.170 RCW.

(17) Adopt standards that prevent conflict of interest by health care providers as provided in section 408 of this act.

(18) At the appropriate juncture and in the fullness of time, consider the extent to which medical research and health professions training activities should be included within the health service system set forth in this chapter . . . , Laws of 1993 (this act).

(19) Evaluate and monitor the extent to which racial and ethnic minorities have access and to receive health services within the state, and develop strategies to address barriers to access.

(20) Develop standards for the certification process to certify health plans and employer health plans to provide the uniform benefits package, according to the provisions for certified health plans and registered employer health plans under chapter . . . , Laws of 1993 (this act).

(21) Develop rules for implementation of individual and employer participation under sections 463 and 464 of this act specifically applicable to persons who work in this state but do not live in the state or persons who live in this state but work outside of the state. The rules shall be designed so that these persons receive coverage and financial requirements that are comparable to that received by persons who both live and work in the state.

(22) After receiving advice from the health services effectiveness committee, adopt rules that must be used by certified health plans, disability insurers, health care service contractors, and health maintenance organizations to determine whether a procedure, treatment, drug, or other health service is no longer experimental or investigative.

(23) Establish a process for purchase of uniform benefits package services by enrollees when they are out-of-state.

(24) Develop recommendations to the legislature as to whether state and school district employees, on whose behalf health benefits are or will be purchased by the health care authority pursuant to chapter 41.05 RCW, should have the option to purchase health benefits through health insurance purchasing cooperatives on and after July 1, 1997. In developing its recommendations, the commission shall consider:

(a) The impact of state or school district employees purchasing through health insurance purchasing cooperatives on the ability of the state to control its health care costs; and

(b) Whether state or school district employees purchasing through health insurance purchasing cooperatives will result in inequities in health benefits between or within groups of state and school district employees.

(25) Establish guidelines for providers dealing with terminal or static conditions, taking into consideration the ethics of providers, patient and family wishes, costs, and survival possibilities.

(26) Evaluate the extent to which Taft-Hartley health care trusts provide benefits to certain individuals in the state; review the federal laws under which these trusts are organized; and make appropriate recommendations to the governor and the legislature on or before December 1, 1994, as to whether these trusts should be brought under the provisions of chapter . . . , Laws of 1993 (this act) when it is fully implemented, and if the commission recommends inclusion of the trusts, how to implement such inclusion.

(27) Evaluate whether Washington is experiencing a higher percentage in in-migration of residents from other states and territories than would be expected by normal trends as a result of the availability of unsubsidized and subsidized health care benefits for all residents and report to the governor and the legislature their findings.

(28) In developing the uniform benefits package and other standards pursuant to this section, consider the likelihood of the establishment of a national health services plan adopted by the federal government and its implications.

(29) Evaluate the effect of reforms under chapter . . . , Laws of 1993 (this act) on access to care and economic development in rural areas.

To the extent that the exercise of any of the powers and duties specified in this section may be inconsistent with the powers and duties of other state agencies, offices, or commissions, the authority of the commission shall supersede that of such other state agency, office, or commission, except in matters of personal health data, where the commission shall have primary data system policymaking authority and the department of health shall have primary responsibility for the maintenance and routine operation of personal health data systems.

NEW SECTION. Sec. 407. MODIFICATION OF MAXIMUM PREMIUM. Upon the recommendation of the insurance commissioner, and on the basis of evidence established by independent actuarial analysis, if the commission finds that the economic viability of a significant number of the state's certified health plans is seriously threatened, the commission may increase the maximum premium to the extent mandated by the Constitution, and must immediately thereafter submit to the legislature a proposal for a new formula for adjusting the maximum premium, which must be enacted into law by a sixty percent vote of each house of the legislature.

NEW SECTION. Sec. 408. A new section is added to chapter 18.130 RCW to read as follows:
CONFLICT OF INTEREST STANDARDS. The Washington health services commission established by section 403 of this act, in consultation with the secretary of health, and the health care disciplinary authorities under

RCW 18.130.040(2)(b), shall establish standards and monetary penalties in rule prohibiting provider investments and referrals that present a conflict of interest resulting from inappropriate financial gain for the provider or his or her immediate family. These standards are not intended to inhibit the efficient operation of managed health care systems or certified health plans. The commission shall report to the health policy committees of the senate and house of representatives by December 1, 1994, on the development of the standards and any recommended statutory changes necessary to implement the standards.

NEW SECTION. Sec. 409. CONTINUOUS QUALITY IMPROVEMENT AND TOTAL QUALITY MANAGEMENT. To ensure the highest quality health services at the lowest total cost, the commission shall establish a total quality management system of continuous quality improvement. Such endeavor shall be based upon the recognized quality science for continuous quality improvement. The commission shall impanel a committee composed of persons from the private sector and related sciences who have broad knowledge and successful experiences in continuous quality improvement and total quality management applications. It shall be the responsibility of the committee to develop standards for a Washington state health services supplier certification process and recommend such standards to the commission for review and adoption. Once adopted, the commission shall establish a schedule, with full compliance no later than July 1, 1996, whereby all health service providers and health service facilities shall be certified prior to providing uniform benefits package services.

B. PRACTICE INDICATORS

NEW SECTION. Sec. 410. A new section is added to chapter 43.70 RCW to read as follows:
PRACTICE INDICATORS. The department of health shall consult with health care providers and facilities, purchasers, health professional regulatory authorities under RCW 18.130.040, appropriate research and clinical experts, and consumers of health care services to identify specific practice areas where practice indicators and risk management protocols have been developed, including those that have been demonstrated to be effective among persons of color. Practice indicators shall be based upon expert consensus and best available scientific evidence. The department shall:

- (1) Develop a definition of expert consensus and best available scientific evidence so that practice indicators can serve as a standard for excellence in the provision of health care services.
- (2) Establish a process to identify and evaluate practice indicators and risk management protocols as they are developed by the appropriate professional, scientific, and clinical communities.
- (3) Recommend the use of practice indicators and risk management protocols in quality assurance, utilization review, or provider payment to the health services commission.

(2) All expenses incurred in carrying out the health professions licensing activities of the department shall be paid from the account as authorized by legislative appropriation. Any residue in the account shall be accumulated and shall not revert to the general fund at the end of the biennium.

(3) The secretary shall biennially prepare a budget request based on the anticipated costs of administering the health professions licensing activities of the department which shall include the estimated income from health professions fees.

NEW SECTION. Sec. 412. A new section is added to chapter 18.130 RCW to read as follows:

Except to the extent that liability insurance is not available, every licensed health care practitioner whose services are included in the uniform benefits package, as determined by section 449 of this act, and whose scope of practice includes independent practice, shall, as a condition of licensure and relicensure, be required to provide evidence of a minimum level of malpractice insurance coverage issued by a company authorized to do business in this state. On or before January 1, 1994, the department shall designate by rule:

The risk management training shall provide information related to avoiding adverse health outcomes resulting from substandard practice and minimizing damages associated with the adverse health outcomes that do occur. For purposes of this section, "independent health care practitioners" means those health care practitioner licensing classifications designated by the department of health in rule pursuant to section 412 of this act.

NEW SECTION. Sec. 423. A new section is added to chapter 7.70 RCW to read as follows:

MANDATORY MEDIATION OF HEALTH CARE MALPRACTICE CLAIMS. A cause of action that has been mediated as provided in section 419 of this act shall be exempt from any superior court civil rules mandating arbitration of civil actions or participation in settlement conferences prior to trial.

Sec. 424. RCW 4.22.070 and 1986 c 305 s 401 are each amended to read as follows:

PERCENTAGE OF FAULT--JOINT AND SEVERAL LIABILITY. (1) Except as provided in subsection (4) of this section, in all actions involving fault of more than one entity, the trier of fact shall determine the percentage of the total fault which is attributable to every entity which caused the claimant's damages, including the claimant or person suffering personal injury or incurring property damage, defendants, third-party defendants, entities released by the claimant, entities immune from liability to the claimant and entities with any other individual defense against the claimant. Judgment shall be entered against each defendant except those who have been released by the claimant or are immune from liability to the claimant or have prevailed on any other individual defense against the claimant in an amount which represents that party's proportionate share of the claimant's total damages. The liability of each defendant shall be several only and shall not be joint except:

(a) A party shall be responsible for the fault of another person or for payment of the proportionate share of another party where both were acting in concert or when a person was acting as an agent or servant of the party.

(b) If the trier of fact determines that the claimant or party suffering bodily injury or incurring property damages was not at fault, the defendants against whom judgment is entered shall be jointly and severally liable for the sum of their proportionate shares of the claimant's total damages.

(2) If a defendant is jointly and severally liable under one of the exceptions listed in subsection ~~((e))~~ (1)(a) or (1)(b) or (4) (a) or (b) of this section, such defendant's rights to contribution against another jointly and severally liable defendant, and the effect of settlement by either such defendant, shall be determined under RCW 4.22.040, 4.22.050, and 4.22.060.

(3)(a) Nothing in this section affects any cause of action relating to hazardous wastes or substances or solid waste disposal sites.

(b) Nothing in this section shall affect a cause of action arising from the tortious interference with contracts or business relations.

(c) Nothing in this section shall affect any cause of action arising from the manufacture or marketing of a fungible product in a generic form which contains no clearly identifiable shape, color, or marking.

(4) In all actions governed by chapter 7.70 RCW involving fault of more than one entity, the trier of fact shall determine the percentage of the total fault that is attributable to every entity that caused the claimant's damages, including the claimant or person suffering personal injury or incurring property damage, defendants, third-party defendants, entities released by the claimant, entities immune from liability to the claimant, and entities with any other individual defense against the claimant. Judgment shall be entered against each defendant except those who have been released by the claimant or are immune from liability to the claimant or have prevailed on any other individual defense against the claimant in an amount that represents that party's proportionate share of the claimant's total damages. The total damages shall first be reduced by any amount paid to the claimant by a released entity. The liability of each defendant shall be several only and shall not be joint except:

(a) A party shall be responsible for the fault of another person or for payment of the proportionate share of another party where both were acting in concert or when a person was acting as an agent or servant of the party.

(b) If the trier of fact determines that the claimant or party suffering bodily injury or incurring property damages was not at fault, the defendants against whom judgment is entered shall be jointly and severally liable for the sum of their proportionate shares of the claimant's total damages.

(c) A defendant against whom judgment has been entered shall be responsible to the claimant for any fault of an entity released by the claimant. The total damages shall first be reduced by any amount paid to the claimant by a released entity, and, then, where some fault has been attributed to the claimant, by the claimant's proportionate share of his or her total damages.

D. HEALTH INSURANCE PURCHASING COOPERATIVES

NEW SECTION. Sec. 425. HEALTH INSURANCE PURCHASING COOPERATIVES--DESIGNATION OF REGIONS BY COMMISSION, INFORMATION SYSTEMS, MINIMUM STANDARDS, AND RULES. (1) The commission shall designate four geographic regions within the state in which health insurance purchasing cooperatives may operate, based upon population, assuming that each cooperative must serve no less than one hundred fifty thousand persons; geographic factors; market conditions; and other factors deemed appropriate by the commission. The commission shall designate one health insurance purchasing cooperative per region.

(2) In coordination with the commission and consistent with the provisions of chapter 70.170 RCW, the department of health shall establish an information clearinghouse for the collection and dissemination of information necessary for the efficient operation of cooperatives, including the establishment of a risk profile information system related to certified health plan enrollees that would permit the equitable distribution of losses among plans in accordance with section 406(7) of this act.

(3) Every health insurance purchasing cooperative shall:

(a) Admit all individuals, employers, or other groups wishing to participate in the cooperative;

(b) Make available for purchase by cooperative members every health care program offered by every certified health plan operating within the cooperative's region;

(c) Be operated as a member-governed and owned, nonprofit cooperative in which no certified health plan, health maintenance organization, health care service contractor, independent practice association, independent physician organization, or any individual with a pecuniary interest in any such organization, shall have any pecuniary interest in or management control of the cooperative;

(d) Provide for centralized enrollment and premium collection and distribution among certified health plans; and

(e) Serve as an ombudsman for its members to resolve inquiries, complaints, or other concerns with certified health plans.

(4) Every health insurance purchasing cooperative shall assist members in selecting certified health plans and for this purpose may devise a rating system or similar system to judge the quality and cost-effectiveness of certified health plans consistent with guidelines established by the commission. For this purpose, each cooperative and directors, officers, and other employees of the cooperative are immune from liability in any civil action or suit arising from the publication of any report, brochure, or guide, or dissemination of information related to the services, quality, price, or cost-effectiveness of certified plans unless actual malice, fraud, or bad faith is shown. Such immunity is in addition to any common law or statutory privilege or immunity enjoyed by such person, and nothing in this section is intended to abrogate or modify in any way such common law or statutory privilege or immunity.

(5) Every health insurance purchasing cooperative shall bear the full cost of its operations, including the costs of participating in the information clearinghouse, through assessments upon its members. Such assessments shall be billed and accounted for separately from premiums collected and distributed for the purchase of the uniform benefits package or any other supplemental insurance or health services program.
