Senator Bottiger: "Mr. President, if I understand the intent of Senator Barr, he gave notice to reconsider the vote by which the bill failed. Do you want to rephrase the motion, Senator Barr? If you move to reconsider the vote by which it failed, it doesn't take a two-thirds vote."

## REPLY BY THE PRESIDENT

President Cherberg: "Within the last ten days, Senator Bottiger, it's necessary to reconsider on the day the action took place. That is why the suspension of the rules is required and it also has lost and been reconsidered twice."

Further debate ensued.

Senator Pullen demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Barr to suspend the rules and reconsider the vote by which Engrossed Substitute Senate Bill No. 3927 failed to pass the Senate.

## ROLL CALL

The Secretary called the roll and the motion by Senator Barr carried, having received a two-thirds majority, by the following vote: Yeas, 32; nays, 15; excused, 2.

Voting yea: Senators Barr, Benitz, Bluechel, Bottiger, Conner, DeJarnatt, Fleming, Garrett, Goltz, Granlund, Halsan, Hansen, Johnson, Kiskaddon, Kreidler, McDermott, McManus, Metcalf, Newhouse, Owen, Patterson, Peterson, Rinehart, Stratton, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn, Zimmerman - 32.

Voting nay: Senators Bailey, Bender, Cantu, Craswell, Deccio, Gaspard, Hayner, Lee, McCaslin, McDonald, Moore, Pullen, Rasmussen, Saling, Sellar - 15.

Excused: Senators Bauer, Guess - 2.

## MOTION

On motion of Senator Vognild, further consideration of Engrossed Substitute Senate Bill No. 3927, on reconsideration, was deferred.

There being no objection, the President returned the Senate to the fourth order of business.

## MESSAGE FROM THE HOUSE

April 15, 1985

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 3235 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. Section 1, chapter 140, Laws of 1984 and RCW 50.44.052 are each repealed.

**NEW SECTION.** Sec. 2. The superintendent of public instruction shall by December 1, 1985, recommend to the legislature a basic education allocation formula which provides adequate but not excessive funding for districts having less than twenty-five full time equivalent students.

**NEW SECTION.** Sec. 3. A new section is added to chapter 28A.58 RCW to read as follows:

Each school district board of directors shall develop a schedule and process by which each public school within its jurisdiction shall undertake self-study procedures on a regular basis: PROVIDED, That districts may allow two or more elementary school buildings in the district to undertake jointly the self-study process. Each school may follow the accreditation process developed by the state board of education under RCW 28A.04.120(4), although no school is required to file for actual accreditation, or the school may follow a self-study process developed locally. Whatever process is used must focus upon the quality and appropriateness of the school's educational program and the results of its operational efforts.

Any self-study process must include the participation of staff, parents, members of the community, and students, where appropriate to their age.

Emphasis throughout the process shall be placed upon:

- (1) Achieving educational excellence and equity;
- (2) Building stronger links with the community; and
- (3) Reaching consensus upon educational expectations through community involvement and corresponding school management.

The initial self-study process within each district shall begin by September 1, 1986, and should be completed for all schools within a district by the end of the 1990-91 school year.

The state board of education shall develop rules and regulations governing procedural criteria. Such rules and regulations should be flexible so as to accommodate local goals and circumstances. Rules and regulations may allow for waiver of the self-study for economic reasons and may also allow for waiver of the initial self-study if a district or its schools have participated successfully in an official accreditation process or in a similar assessment of educational programs within the last three years. The self-study process shall be conducted on a cyclical basis every seven years following the initial 1990-91 period.

The superintendent of public instruction shall provide training to assist districts in their self-studies.

Each district shall annually report to the superintendent of public instruction on the scheduling and implementation of their self-study activities.

**NEW SECTION.** Sec. 4. The legislature recognizes the need to keep and attract quality teachers in our public schools. The legislature intends to examine the effectiveness of a career ladder in our public schools. To improve the quality of teaching and foster a professional climate which encourages creativity and cooperation among teachers and enhances the intrinsic rewards teachers experience from helping students learn, the legislature intends to locally test ways in which the goal of attracting and retaining excellent teachers might be accomplished. The legislature recognizes that a career ladder system is one means of enhancing the attractiveness of teaching; however, the legislature wishes to investigate this concept further prior to determining whether to develop such a system.

**NEW SECTION.** Sec. 5. The Washington state professional certification examination created by this act shall cover mastery of basic skills including the teacher's knowledge of the use of the English language.

**NEW SECTION.** Sec. 6. A new section is added to chapter 28A.67 RCW to read as follows:

(1) The superintendent of public instruction is hereby authorized to grant funds for selected school improvement and research projects, including improvements in curriculum, instruction, and classroom management developed by teachers.

(2) The superintendent shall appoint an advisory committee on research and development composed of certificated and noncertificated staff, administrators, curriculum specialists, parents, school directors, postsecondary educators, business persons, and others as the superintendent finds necessary. The committee shall propose criteria to the superintendent to evaluate proposed school improvement and research projects proposed by educational employees. The criteria approved by the superintendent shall: (a) Assure to the extent possible that projects will be chosen which represent the various geographical locations, school or district sizes, and grade levels existent in the state; (b) provide for evaluation of each project upon completion; and (c) include such other requirements as the superintendent finds necessary. The committee shall recommend to the superintendent of public instruction the awarding of grants to fund those proposals showing the most potential for developing knowledge which will be helpful to local districts in their efforts to enhance educational equity and excellence. Projects may involve the collaboration of personnel from higher education institutions and kindergarten through grade twelve educators.

(3) The superintendent of public instruction shall award grants to selected project participants in such amounts as determined by the superintendent of public instruction, who shall take into consideration grant amounts as recommended by the advisory committee on research and development under subsection (2) of this section. The sum of all grants awarded per year shall not exceed that amount appropriated by the legislature for such purposes.

Grants may be awarded to individual teachers or teams of teachers including teacher's aides and volunteers.

(4) The superintendent of public instruction shall maintain a clearinghouse of information on these research projects for the use of local districts.

Sec. 7. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 1, chapter 229, Laws of 1983 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

- (1) Certificated staff and their related costs;
- (2) Classified staff and their related costs;
- (3) Nonsalary costs;
- (4) Extraordinary costs of remote and necessary schools and small high schools; and
- (5) The attendance of students pursuant to RCW 28A.58.075 and 28A.58.245, each as now or hereafter amended, who do not reside within the servicing school district.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous school year shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, learning resources specialist, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A-.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute. Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall average at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity. Implementing rules to be adopted by the state board of education pursuant to RCW 28A.58.754(6) shall provide that compliance with the direct contact hour requirement shall be based upon teachers' normally assigned weekly instructional schedules, as assigned by the district administration. Additional record-keeping by classroom teachers as a means of accounting for contact hours shall not be required. However, upon request from the board of directors of any school district, the provisions relating to direct classroom contact hours for individual teachers in that district may be waived by the state board of education if the waiver is necessary to implement a locally approved plan for educational excellence and the waiver is limited to those individual teachers approved in the local plan for educational excellence. The state board of education shall develop criteria to evaluate the need for the waiver. Granting of the waiver shall depend upon verification that: (a) The students' classroom

instructional time will not be reduced; and (b) the teacher's expertise is critical to the success of the local plan for excellence.

NEW SECTION. Sec. 8. A new section is added to chapter 28A.04 RCW to read as follows:

The state board of education may grant waivers to school districts from the provisions of RCW 28A.58.750 through 28A.58.754 on the basis that such waiver or waivers are necessary to implement successfully a local plan to provide for all students in the district an effective education system that is designed to enhance the educational program for each student. The local plan may include alternative ways to provide effective educational programs for students who experience difficulty with the regular education program.

The state board shall adopt criteria to evaluate the need for the waiver or waivers.

NEW SECTION. Sec. 9. A new section is added to chapter 28A.58 RCW to read as follows:

School boards may by separate contract with certificated instructional and classified staff provide supplemental compensation for additional days or additional duties as set forth in the bargaining agreement or agreements as negotiated between the district and the respective bargaining representatives, if the district does not incur obligations for the supplements beyond the current school year and if such supplements do not cause the state to incur any present or future funding obligations. Additional days for certificated instructional staff and classified staff shall be those days beyond their respective work year. Such separate contracts shall be subject to the collective bargaining provisions of chapters 41.59 and 41.56 RCW. Such supplemental compensation shall not be deemed an increase in salary or compensation for purposes of RCW 28A.58.095. Separate contracts shall be subject to the provision of RCW 28A.67.074, shall not exceed one year, and if not renewed shall not constitute adverse change in accordance with RCW 28A.58.450 through RCW 28A.58.515.

NEW SECTION. Sec. 10. A new section is added to chapter 28A.70 RCW to read as follows:

The state board of education shall adopt rules for approved professional preparation programs and professional certification requirements that include but are not limited to the following:

- (1) Entrance requirements to professional education programs that include but are not limited to a minimum score on the Washington pre-college test, or an equivalent test, or a college grade point average requirement;
- (2) After July 1, 1987, a person shall not be eligible for certification until the person has successfully completed two full academic quarters or the equivalent of internship experience under the direction of a supervisory teacher and administrator in a teacher preparation program in a local school district; and
- (3) Completion of a degree major in an academic field.

NEW SECTION. Sec. 11. A new section is added to chapter 28A.70 RCW to read as follows:

(1) After June 30, 1985, the superintendent of public instruction shall develop or select a prototype Washington state professional certification examination for the approval and adoption by the state board of education no later than January, 1987. The examination shall measure professional teaching and pedagogical knowledge. The examination shall be administered to persons seeking initial certification after June 30, 1989, and passage of the examination shall be a condition for receipt of an initial professional certificate.

(2) The state board of education shall study subject area examinations and the use of subject area examinations as a condition for initial certification before the state board of education may require these examinations as a condition for initial certification.

(3) The board shall consult with state education associations and such other groups as the board may deem appropriate in the development of the examination program under this section.

(4) The board shall report on its activities and actions to the education committees of the house of representatives and the senate no later than December, 1986.

((f11)) (12) Hear and decide appeals as otherwise provided by law.

Sec. 13. Section 28A.70.005, chapter 223, Laws of 1969 ex. sess. as amended by section 2, chapter 92, Laws of 1975-'76 2nd ex. sess. and RCW 28A.70.005 are each amended to read as follows:

The superintendent of public instruction shall act as the administrator of any such rules and regulations and have the power to issue any certificates or permits and revoke the same in accordance with board rules and regulations.

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. It is the purpose of this legislation to ensure that minors in need of mental health care and treatment receive appropriate care and treatment, and to enable treatment decisions to be made in response to clinical needs and in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their minor children, and to protect minors against needless hospitalization and deprivations of liberty.

NEW SECTION, Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Child psychiatrist" means a person having a license as a physician and surgeon in this state, who has had graduate training in child psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and who is board eligible or board certified in child psychiatry.

(2) "Children's mental health specialist" means:

(a) A mental health professional who has completed a minimum of one hundred actual hours, not quarter or semester hours, of specialized training devoted to the study of child development and the treatment of children; and

(b) A mental health professional who has the equivalent of one year of full-time experience in the treatment of children under the supervision of a children's mental health specialist.

(3) "Commitment" means a determination by a judge or court commissioner, made after a commitment hearing, that the minor is in need of inpatient diagnosis, evaluation, or treatment or that the minor is in need of less restrictive alternative treatment.

(4) "County-designated mental health professional" means a mental health professional designated by one or more counties to perform the functions of a county-designated mental health professional described in this chapter.

(5) "Department" means the department of social and health services.

(6) "Evaluation and treatment facility" means a public or private facility or unit that is certified by the department to provide emergency, inpatient, residential, or outpatient mental health evaluation and treatment services for minors. A physically separate and separately-operated portion of a state hospital may be designated as an evaluation and treatment facility for minors. A facility which is part of or operated by the department or federal agency does not require certification. No correctional institution or facility, juvenile court detention facility, or jail may be an evaluation and treatment facility within the meaning of this chapter.

(7) "Evaluation and treatment program" means the total system of services and facilities coordinated and approved by a county or combination of counties for the evaluation and treatment of minors under this chapter.

(8) "Gravely disabled minor" means a minor who, as a result of a mental disorder, is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety, or manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

(9) "Inpatient treatment" means twenty-four-hour-per-day mental health care provided within a general hospital, psychiatric hospital, or residential treatment facility certified by the department as an evaluation and treatment facility for minors.

(10) "Less restrictive alternative" or "less restrictive setting" means outpatient treatment provided to a minor who is not residing in a facility providing inpatient treatment as defined in this chapter.

(11) "Likelihood of serious harm" means either: (a) A substantial risk that physical harm will be inflicted by an individual upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself; (b) a substantial risk that physical harm will be inflicted by an individual upon another, as evidenced by behavior which has caused such harm or which places another person or persons in reasonable fear of sustaining such harm; or (c) a substantial risk that physical harm will be inflicted by an individual upon the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others.

(12) "Mental disorder" means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions. The presence of

alcohol abuse, drug abuse, juvenile criminal history, antisocial behavior, or mental retardation alone is insufficient to justify a finding of "mental disorder" within the meaning of this section.

(13) "Mental health professional" means a psychiatrist, psychologist, psychiatric nurse, or social worker, and such other mental health professionals as may be defined by rules adopted by the secretary under this chapter.

(14) "Minor" means any person under the age of eighteen years.

(15) "Outpatient treatment" means any of the nonresidential services mandated under chapter 71.24 RCW and provided by licensed services providers as identified by RCW 71.24.025(3).

(16) "Parent" means:

(a) A biological or adoptive parent who has legal custody of the child, including either parent if custody is shared under a joint custody agreement; or

(b) A person or agency judicially appointed as legal guardian or custodian of the child.

(17) "Professional person in charge" means a physician or other mental health professional empowered by an evaluation and treatment facility with authority to make admission and discharge decisions on behalf of that facility.

(18) "Psychiatric nurse" means a registered nurse who has a bachelor's degree from an accredited college or university, and who has had, in addition, at least two years' experience in the direct treatment of mentally ill or emotionally disturbed persons, such experience gained under the supervision of a mental health professional. "Psychiatric nurse" shall also mean any other registered nurse who has three years of such experience.

(19) "Psychiatrist" means a person having a license as a physician in this state who has completed residency training in psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and is board eligible or board certified in psychiatry.

(20) "Psychologist" means a person licensed as a psychologist under chapter 18.83 RCW.

(21) "Responsible other" means the minor, the minor's parent or estate, or any other person legally responsible for support of the minor.

(22) "Secretary" means the secretary of the department or secretary's designee.

(23) "Start of initial detention" means the time of arrival of the minor at the first evaluation and treatment facility offering inpatient treatment if the minor is being involuntarily detained at the time. With regard to voluntary patients, "start of initial detention" means the time at which the minor gives notice of intent to leave under the provisions of this chapter.

**NEW SECTION.** Sec. 3. (1) Any minor thirteen years or older may request and receive outpatient treatment without the consent of the minor's parent. Parental authorization is required for outpatient treatment of a minor under the age of thirteen.

(2) When in the judgment of the professional person in charge of an evaluation and treatment facility there is reason to believe that a minor is in need of inpatient treatment because of a mental disorder, and the facility provides the type of evaluation and treatment needed by the minor, and it is not feasible to treat the minor in any less restrictive setting or the minor's home, the minor may be admitted to an evaluation and treatment facility in accordance with the following requirements:

(a) A minor under thirteen years of age may only be admitted on the application of the minor's parent.

(b) A minor thirteen years or older may be voluntarily admitted by application of the parent. Such application must be accompanied by the written consent, knowingly and voluntarily given, of the minor.

(c) A minor thirteen years or older may, with the concurrence of the professional person in charge of an evaluation and treatment facility, admit himself or herself without parental consent to the evaluation and treatment facility, provided that notice is given by the facility to the minor's parent in accordance with the following requirements:

(i) Notice of the minor's admission shall be in the form most likely to reach the parent within twenty-four hours of the minor's voluntary admission and shall advise the parent that the minor has been admitted to inpatient treatment; the location and telephone number of the facility providing such treatment; and the name of a professional person on the staff of the facility providing treatment who is designated to discuss the minor's need for inpatient treatment with the parent.

(ii) The minor shall be released to the parent at the parent's request for release unless the facility files a petition with the superior court of the county in which treatment is being provided setting forth the basis for the facility's belief that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety.

(iii) The petition shall be signed by the professional person in charge of the facility or that person's designee.

(iv) The parent may apply to the court for separate counsel to represent the parent if the parent cannot afford counsel.

(v) There shall be a hearing on the petition, which shall be held within three judicial days from the filing of the petition.

(vi) The hearing shall be conducted by a judge, court commissioner, or licensed attorney designated by the superior court as a hearing officer for such hearing. The hearing may be held at the treatment facility.

(vii) At such hearing, the facility must demonstrate by a preponderance of the evidence presented at the hearing that the minor is in need of inpatient treatment and that release would constitute a threat to the minor's health or safety. The hearing shall not be conducted using the rules of evidence, and the admission or exclusion of evidence sought to be presented shall be within the exercise of sound discretion by the judicial officer conducting the hearing.

(d) Written renewal of voluntary consent must be obtained from the applicant and the minor thirteen years or older no less than once every twelve months.

(e) The minor's need for continued inpatient treatments shall be reviewed and documented no less than every one hundred eighty days.

(3) A notice of intent to leave shall result in the following:

(a) Any minor under the age of thirteen must be discharged immediately upon written request of the parent.

(b) Any minor thirteen years or older voluntarily admitted may give notice of intent to leave at any time. The notice need not follow any specific form so long as it is written and the intent of the minor can be discerned.

(c) The staff member receiving the notice shall date it immediately, record its existence in the minor's clinical record, and send copies of it to the minor's attorney, if any, the county-designated mental health professional, and the parent.

(d) The professional person in charge of the evaluation and treatment facility shall discharge the minor, thirteen years or older, from the facility within twenty-four hours after receipt of the minor's notice of intent to leave, unless the county-designated mental health professional files a petition for initial detention within the time prescribed by this chapter.

**NEW SECTION.** Sec. 4. If a minor, thirteen years or older, is brought to an evaluation and treatment facility or hospital emergency room for immediate mental health services, the professional person in charge of the facility shall evaluate the minor's mental condition, determine whether the minor suffers from a mental disorder, and whether the minor is in need of immediate inpatient treatment. If it is determined that the minor suffers from a mental disorder, inpatient treatment is required, the minor is unwilling to consent to voluntary admission, and the professional person believes that the minor meets the criteria for initial detention set forth herein, the facility may detain or arrange for the detention of the minor for up to twelve hours in order to enable a county-designated mental health professional to evaluate the minor and commence initial detention proceedings under the provisions of this chapter.

**NEW SECTION.** Sec. 5. (1) When a county-designated mental health professional receives information that a minor, thirteen years or older, as a result of a mental disorder presents a likelihood of serious harm or is gravely disabled, has investigated the specific facts alleged and of the credibility of the person or persons providing the information, and has determined that voluntary admission for inpatient treatment is not possible, the county-designated mental health professional may take the minor, or cause the minor to be taken, into custody and transported to an evaluation and treatment facility providing inpatient treatment.

(2) Within twelve hours of the minor's arrival at the evaluation and treatment facility, the county-designated mental health professional shall serve on the minor a copy of the petition for initial detention, notice of initial detention, and statement of rights. The county-designated mental health professional shall file with the court on the next judicial day following the initial detention the original petition for initial detention, notice of initial detention, and statement of rights along with an affidavit of service. The county-designated mental health professional shall commence service of the petition for initial detention and notice of the initial detention on the minor's parent and the minor's attorney as soon as possible following the initial detention.

(3) At the time of initial detention, the county-designated mental health professional shall advise the minor both orally and in writing that if admitted to the evaluation and treatment facility for inpatient treatment, a commitment hearing shall be held within seventy-two hours of the minor's provisional acceptance to determine whether probable cause exists to commit the minor for further mental health treatment.

The minor shall be advised that he or she has a right to communicate immediately with an attorney and that he or she has a right to have an attorney appointed to represent him or her before and at the hearing if the minor is indigent.

(4) Whenever the county designated mental health professional petitions for detention of a minor under this chapter, an evaluation and treatment facility providing seventy-two hour evaluation and treatment must immediately accept on a provisional basis the petition and the person. Within twenty-four hours of the minor's arrival, the facility must evaluate the minor's condition and either admit or release the minor in accordance with this chapter.

(5) If a minor is not approved for admission by the inpatient evaluation and treatment facility, the facility shall make such recommendations and referrals for further care and treatment of the minor as necessary.

**NEW SECTION.** Sec. 6. (1) Each minor approved by the facility for inpatient admission shall be examined and evaluated by a children's mental health specialist as to the child's mental

condition and by a physician as to the child's physical condition within twenty-four hours of admission. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) The admitting facility shall take reasonable steps to notify immediately the minor's parent of the admission.

(3) During the initial seventy-two hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor's condition or treatment and so indicates in the minor's clinical record, and notifies the minor's parents of this determination. In no event may the minor be denied the opportunity to consult an attorney.

(4) If the evaluation and treatment facility admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed seventy-two hours from the time of provisional acceptance. The computation of such seventy-two hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed seventy-two hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

(5) Within twelve hours of the admission, the facility shall advise the minor of his or her rights as set forth in this chapter.

**NEW SECTION. Sec. 7.** (1) The professional person in charge of an evaluation and treatment facility where a minor has been admitted involuntarily for the initial seventy-two hour treatment period under this chapter may petition to have a minor committed to an evaluation and treatment facility for fourteen-day diagnosis, evaluation, and treatment.

(2) A petition for commitment of a minor under this section shall be filed with the superior court in the county where the minor is residing or being detained.

(a) A petition for a fourteen-day commitment shall be signed either by two physicians or by one physician and a mental health professional who have examined the minor and shall contain the following:

- (i) The name and address of the petitioner;
- (ii) The name of the minor alleged to meet the criteria for fourteen-day commitment;
- (iii) The name, telephone number, and address if known of every person believed by the petitioner to be legally responsible for the minor;
- (iv) A statement that the petitioner has examined the minor and finds that the minor's condition meets required criteria for fourteen-day commitment and the supporting facts therefor;
- (v) A statement that the minor has been advised of the need for voluntary treatment but has been unwilling or unable to consent to necessary treatment;
- (vi) A statement recommending the appropriate facility or facilities to provide the necessary treatment; and
- (vii) A statement concerning whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(b) A copy of the petition shall be personally delivered to the minor by the petitioner or petitioner's designee. A copy of the petition shall be sent to the minor's attorney and the minor's parent.

**NEW SECTION. Sec. 8.** (1) A commitment hearing shall be held within seventy-two hours of the minor's admission, excluding Saturday, Sunday, and holidays, unless a continuance is requested by the minor or the minor's attorney.

(2) The commitment hearing shall be conducted at the superior court or an appropriate place at the facility in which the minor is being detained.

(3) At the commitment hearing, the evidence in support of the petition shall be presented by the county prosecutor.

(4) The minor shall be present at the commitment hearing unless the minor, with the assistance of the minor's attorney, waives the right to be present at the hearing.

(5) If the parents are opposed to the petition, they may be represented at the hearing and shall be entitled to court-appointed counsel if they are indigent.

(6) At the commitment hearing, the minor shall have the following rights:

- (a) To be represented by an attorney;
  - (b) To present evidence on his or her own behalf;
  - (c) To question persons testifying in support of the petition.
- (7) If the minor has received medication within twenty-four hours of the hearing, the court shall be informed of that fact and of the probable effects of the medication.

(8) Rules of evidence shall not apply in fourteen-day commitment hearings.

(9) For a fourteen-day commitment, the court must find by a preponderance of the evidence that:

(a) The minor has a mental disorder and presents a "likelihood of serious harm" or is "gravely disabled";

(b) The minor is in need of evaluation and treatment of the type provided by the inpatient evaluation and treatment facility to which continued inpatient care is sought or is in need of less restrictive alternative treatment found to be in the best interests of the minor; and

(c) The minor is unwilling or unable in good faith to consent to voluntary treatment.

(10) If the court finds that the minor meets the criteria for a fourteen-day commitment, the court shall either authorize commitment of the minor for inpatient treatment or for less restrictive alternative treatment upon such conditions as are necessary. If the court determines that the minor does not meet the criteria for a fourteen-day commitment, the minor shall be released.

(11) Nothing in this section prohibits the professional person in charge of the evaluation and treatment facility from releasing the minor at any time, when, in the opinion of the professional person in charge of the facility, further inpatient treatment is no longer necessary. The release may be subject to reasonable conditions if appropriate.

Whenever a minor is released under this section, the professional person in charge shall within three days, notify the court in writing of the release.

(12) A minor who has been committed for fourteen days shall be released at the end of that period unless a petition for one hundred eighty-day commitment is pending before the court.

**NEW SECTION.** Sec. 9. (1) At any time during the minor's period of fourteen-day commitment, the professional person in charge may petition the court for an order requiring the minor to undergo an additional one hundred eighty-day period of treatment. The evidence in support of the petition shall be presented by the county prosecutor unless the petition is filed by the professional person in charge of a state-operated facility in which case the evidence shall be presented by the attorney general.

(2) The petition for one hundred eighty-day commitment shall contain the following:

(a) The name and address of the petitioner or petitioners;

(b) The name of the minor alleged to meet the criteria for one hundred eighty-day commitment;

(c) A statement that the petitioner is the professional person in charge of the evaluation and treatment facility responsible for the treatment of the minor;

(d) The date of the fourteen-day commitment order; and

(e) A summary of the facts supporting the petition.

(3) The petition shall be supported by accompanying affidavits signed by two examining physicians, one of whom shall be a child psychiatrist, or by one examining physician and one children's mental health specialist. The affidavits shall describe in detail the behavior of the detained minor which supports the petition and shall state whether a less restrictive alternative to inpatient treatment is in the best interests of the minor.

(4) The petition for one hundred eighty-day commitment shall be filed with the clerk of the court at least three days before the expiration of the fourteen-day commitment period. The petitioner or the petitioner's designee shall within twenty-four hours of filing serve a copy of the petition on the minor and notify the minor's attorney and the minor's parent. A copy of the petition shall be provided to such persons at least twenty-four hours prior to the hearing.

(5) At the time of filing, the court shall set a date within seven days for the hearing on the petition. The court may continue the hearing upon the written request of the minor or the minor's attorney for not more than ten days. The minor or the parents shall be afforded the same rights as in a fourteen-day commitment hearing. Treatment of the minor shall continue pending the proceeding.

(6) For one hundred eighty-day commitment, the court must find by clear, cogent, and convincing evidence that the minor:

(a) Is suffering from a mental disorder;

(b) Presents a likelihood of serious harm or is gravely disabled; and

(c) Is in need of further treatment that only can be provided in a one hundred eighty-day commitment.

(7) If the court finds that the criteria for commitment are met and that less restrictive treatment in a community setting is not appropriate or available, the court shall order the minor committed for further inpatient treatment to the custody of the secretary or to a private treatment and evaluation facility if the minor's parents have assumed responsibility for payment for the treatment. If the court finds that a less restrictive alternative is in the best interest of the minor, the court shall order less restrictive alternative treatment upon such conditions as necessary.

If the court determines that the minor does not meet the criteria for one hundred eighty-day commitment, the minor shall be released.

(8) Successive one hundred eighty-day commitments are permissible on the same grounds and under the same procedures as the original one hundred eighty-day commitment. Such petitions shall be filed at least five days prior to the expiration of the previous one hundred eighty-day commitment order.

**NEW SECTION.** Sec. 10. (1) If a minor is committed for one hundred eighty-day inpatient treatment and is to be placed in a state-supported program, the secretary shall accept immediately and place the minor in a state-funded long-term evaluation and treatment facility.

(2) The secretary's placement authority shall be exercised through a designated placement committee appointed by the secretary and composed of children's mental health specialists, including at least one child psychiatrist who represents the state-funded, long-term,

evaluation and treatment facility for minors. The responsibility of the placement committee will be to:

(a) Make the long-term placement of the minor in the most appropriate, available state-funded evaluation and treatment facility, having carefully considered factors including the treatment needs of the minor, the most appropriate facility able to respond to the minor's identified treatment needs, the geographic proximity of the facility to the minor's family, the immediate availability of bed space, and the probable impact of the placement on other residents of the facility;

(b) Approve or deny requests from treatment facilities for transfer of a minor to another facility;

(c) Receive and monitor reports required under this section;

(d) Receive and monitor reports of all discharges.

(3) The secretary may authorize transfer of minors among treatment facilities if the transfer is in the best interests of the minor or due to treatment priorities.

(4) The responsible state-funded evaluation and treatment facility shall submit a report to the department's designated placement committee within ninety days of admission and no less than every one hundred eighty days thereafter, setting forth such facts as the department requires, including the minor's individual treatment plan and progress, recommendations for future treatment, and possible less restrictive treatment.

**NEW SECTION, Sec. 11.** (1) If the professional person in charge of an outpatient treatment program, a county-designated mental health professional, or the secretary determines that a minor is failing to adhere to the conditions of the court order for less restrictive alternative treatment or the conditions for the conditional release, or that substantial deterioration in the minor's functioning has occurred, the county-designated mental health professional, or the secretary may order that the minor be taken into custody and transported to an inpatient evaluation and treatment facility.

(2) The county-designated mental health professional or the secretary shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The county-designated mental health professional or the secretary may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(3) A petition for revocation of less restrictive alternative treatment shall be filed by the county-designated mental health professional or the secretary with the court in the county ordering the less restrictive alternative treatment. The court shall conduct the hearing in that county. A petition for revocation of conditional release may be filed with the court in the county ordering inpatient treatment or the county where the minor on conditional release is residing. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. Upon motion for good cause, the hearing may be transferred to the county of the minor's residence or to the county in which the alleged violations occurred. The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or whether the minor should be returned to inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be returned to inpatient treatment. If the minor is returned to inpatient treatment, section 10 of this act regarding the secretary's placement responsibility shall apply. The hearing may be waived by the minor and the minor returned to inpatient treatment or to less restrictive alternative treatment or conditional release on the same or modified conditions.

**NEW SECTION, Sec. 12.** (1) The professional person in charge of the inpatient treatment facility may authorize release for the minor under such conditions as appropriate. Conditional release may be revoked pursuant to section 11 of this act if leave conditions are not met or the minor's functioning substantially deteriorates.

(2) Minors may be discharged prior to expiration of the commitment period if the treating physician or professional person in charge concludes that the minor no longer meets commitment criteria.

**NEW SECTION, Sec. 13.** (1) A minor receiving treatment under the provisions of this chapter and responsible others shall be liable for the costs of treatment, care, and transportation to the extent of available resources and ability to pay.

(2) The secretary shall establish rules to implement this section and to define income, resources, and exemptions to determine the responsible person's or persons' ability to pay.

**NEW SECTION, Sec. 14.** (1) The county or combination of counties is responsible for development and coordination of the evaluation and treatment program for minors, for incorporating the program into the county mental health plan, and for coordination of evaluation and

treatment services and resources with the community mental health program required under chapter 71.24 RCW.

(2) The county shall be responsible for maintaining its support of involuntary treatment services for minors at its 1984 level, adjusted for inflation, with the department responsible for additional costs to the county resulting from this chapter.

NEW SECTION. Sec. 15. Necessary transportation for minors committed to the secretary under this chapter for one hundred eighty-day treatment shall be provided by the department in the most appropriate and cost-effective means.

NEW SECTION. Sec. 16. Absent a risk to self or others, minors treated under this chapter have the following rights, which shall be prominently posted in the evaluation and treatment facility:

- (1) To wear their own clothes and to keep and use personal possessions;
- (2) To keep and be allowed to spend a reasonable sum of their own money for canteen expenses and small purchases;
- (3) To have individual storage space for private use;
- (4) To have visitors at reasonable times;
- (5) To have reasonable access to a telephone, both to make and receive confidential calls;
- (6) To have ready access to letter-writing materials, including stamps, and to send and receive uncensored correspondence through the mails;
- (7) To discuss treatment plans and decisions with mental health professionals;
- (8) To have the right to adequate care and individualized treatment;
- (9) Not to consent to the performance of electro-convulsive treatment or surgery, except emergency life-saving surgery, upon him or her, and not to have electro-convulsive treatment or nonemergency surgery in such circumstance unless ordered by a court pursuant to a judicial hearing in which the minor is present and represented by counsel, and the court shall appoint a psychiatrist, psychologist, or physician designated by the minor or the minor's counsel to testify on behalf of the minor. The minor's parent may exercise this right on the minor's behalf, and must be informed of any impending treatment;
- (10) Not to have psychosurgery performed on him or her under any circumstances.

NEW SECTION. Sec. 17. (1) If a minor is not accepted for admission or is released by an inpatient evaluation and treatment facility, the facility shall release the minor to the custody of the minor's parent or other responsible person. If not otherwise available, the facility shall furnish transportation for the minor to the minor's residence or other appropriate place.

(2) If the minor is released to someone other than the minor's parent, the facility shall make every effort to notify the minor's parent of the release as soon as possible.

(3) No indigent minor may be released to less restrictive alternative treatment or setting or discharged from inpatient treatment without suitable clothing, and the department shall furnish this clothing. As funds are available, the secretary may provide necessary funds for the immediate welfare of indigent minors upon discharge or release to less restrictive alternative treatment.

NEW SECTION. Sec. 18. The fact of admission and all information obtained through treatment under this chapter is confidential. Confidential information may be disclosed only:

(1) In communications between mental health professionals to meet the requirements of this chapter, in the provision of services to the minor, or in making appropriate referrals;

(2) In the course of guardianship or dependency proceedings;

(3) To persons with medical responsibility for the minor's care;

(4) To the minor, the minor's parent, and the minor's attorney, subject to RCW 13.50.100;

(5) When the minor or the minor's parent designate in writing the persons to whom information or records may be released;

(6) To the extent necessary to make a claim for financial aid, insurance, or medical assistance to which the minor may be entitled or for the collection of fees or costs due to providers for services rendered under this chapter;

(7) To the courts as necessary to the administration of this chapter;

(8) To law enforcement officers or public health officers as necessary to carry out the responsibilities of their office. However, only the fact and date of admission, and the date of discharge, the name and address of the treatment provider, if any, and the last known address shall be disclosed upon request;

(9) To law enforcement officers, public health officers, relatives, and other governmental law enforcement agencies, if a minor has escaped from custody, disappeared from an evaluation and treatment facility, violated conditions of a less restrictive treatment order, or failed to return from an authorized leave, and then only such information as may be necessary to provide for public safety or to assist in the apprehension of the minor. The officers are obligated to keep the information confidential in accordance with this chapter;

(10) To the secretary for assistance in data collection and program evaluation or research, provided that the secretary adopts rules for the conduct of such evaluation and research. The rules shall include, but need not be limited to, the requirement that all evaluators and researchers sign an oath of confidentiality substantially as follows:

\*As a condition of conducting evaluation or research concerning persons who have received services from (fill in the facility, agency, or person) I, . . . . ., agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of such evaluation or research regarding minors who have received services in a manner such that the minor is identifiable.

I recognize that unauthorized release of confidential information may subject me to civil liability under state law.

/s/ . . . . . \*

(11) To appropriate law enforcement agencies and to a person, when the identity of the person is known to the public or private agency, whose health and safety has been threatened, or who is known to have been repeatedly harassed, by the patient. The person may designate a representative to receive the disclosure. The disclosure shall be made by the professional person in charge of the public or private agency or his or her designee and shall include the dates of admission, discharge, authorized or unauthorized absence from the agency's facility, and only such other information that is pertinent to the threat or harassment. The decision to disclose or not shall not result in civil liability for the agency or its employees so long as the decision was reached in good faith and without gross negligence;

(12) To a minor's next of kin, attorney, guardian, or conservator, if any, the information that the minor is presently in the facility or that the minor is seriously physically ill and a statement evaluating the mental and physical condition of the minor as well as a statement of the probable duration of the minor's confinement;

(13) Upon the death of a minor, to the minor's next of kin;

(14) To a facility in which the minor resides or will reside.

This section shall not be construed to prohibit the compilation and publication of statistical data for use by government or researchers under standards, including standards to assure maintenance of confidentiality, set forth by the secretary. The fact of admission and all information obtained pursuant to this chapter are not admissible as evidence in any legal proceeding outside this chapter, except guardianship or dependency, without the written consent of the minor or the minor's parent.

**NEW SECTION.** Sec. 19. When in the judgment of the department the welfare of any person committed to or confined in any state juvenile correctional institution or facility necessitates that the person be transferred or moved for observation, diagnosis, or treatment to an evaluation and treatment facility, the secretary or the secretary's designee is authorized to order and effect such move or transfer for a period of up to fourteen days, provided that the secretary notifies the original committing court of the transfer and the evaluation and treatment facility is in agreement with the transfer. No person committed to or confined in any state juvenile correctional institution or facility may be transferred to an evaluation and treatment facility for more than fourteen days unless that person has been admitted as a voluntary patient or committed for one hundred eighty-day treatment under this chapter or ninety-day treatment under chapter 71.05 RCW if eighteen years of age or older. Underlying jurisdiction of minors transferred or committed under this section remains with the state correctional institution. #### MESSAGE FROM THE HOUSE

April 11, 1985

Mr. President:

The House has passed SENATE BILL NO. 3120 with the following amendments:

On page 2, after line 21, insert the following:

"Sec. 2. Section 46.44.037, chapter 12, Laws of 1961 as last amended by section 53, chapter 7, Laws of 1984 and RCW 46.44.037 are each amended to read as follows:

DENNIS L. HECK, Chief Clerk

#### MOTION

Senator Peterson moved that the Senate do concur in the House amendments to Senate Bill No. 3120.

Debate ensued.

#### POINT OF ORDER

Senator Talmadge: "Thank you, Mr. President, a point of order. I believe the House amendments expand the scope and object of Senate Bill No. 3120. Senator Halsan has suggested to me that perhaps this is the nose of the camel underneath the tent flap. I think that's exactly the case. Senate Bill No. 3120, as it was originally passed, made some technical changes required by federal law to the laws relating to motor vehicles. The amendment added by the House adds what was a whole separate bill, as I understand it, to the legislation dealing with the issue of dromedaries and for that reason I believe it expands the scope and object."

Further debate ensued.

#### REMARKS BY SENATOR GARRETT

Senator Garrett: "Thank you, Mr. President and members of the Senate. I want the record to show that I, as a sponsor to the bill, certainly agree with Senator Talmadge that this does expand the scope and object of the bill."

#### MOTION

On motion of Senator Bottiger, further consideration of Senate Bill No. 3120 was deferred.

#### MESSAGE FROM THE HOUSE

April 16, 1985

Mr. President:

The House has passed SUBSTITUTE SENATE BILL NO. 3125 with the following amendment:

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. The department of transportation is authorized to enter into a cooperative agreement with the governing authority for the Indian peoples of the Quinault Indian Reservation and appropriate agencies of the United States for the location, design, right of way acquisition, construction, and maintenance of a highway beginning at the south boundary of the Quinault Indian reservation on state route number 109, thence northerly along the present right of way of state route number 109 to the township line, thence inland and northerly across the Raft river to an intersection with state route number 101 south of Queets. The highway shall be known as the "Tribal Highway" and may also be designated by the department as state route number 109. It is anticipated that this highway construction will be funded from federal sources other than normal federal aid highway allocations.

**NEW SECTION.** Sec. 2. As a part of the agreement, the department may assume responsibility for the operation and maintenance and future improvement of the highway. The agreement may also reserve to the governing authority for the Indian peoples of the Quinault Indian Reservation authority to construct public road intersections or grade separation crossings of the highway. Existing rights of access from adjoining property to existing state route number 109 from the south reservation boundary to the township line shall not be affected by sections 1 through 6 of this act or the agreement authorized by section 1 of this act.

**NEW SECTION.** Sec. 3. The department is authorized to determine the location of the highway from the township line to a junction with state route number 101 after consultations with the governing authority for the Indian peoples of the Quinault Indian Reservation and the bureau of Indian affairs. The department may then proceed with the establishment of this section of the highway as a limited access facility in the manner prescribed in RCW 47.52.131 through 47.52.137 and 47.52.195 (and the administrative rules adopted by the department to implement those sections), subject, however, to the following conditions: (1) The access report required by RCW 47.52.131 shall be approved by the governing authority for the Indian peoples of the Quinault Indian Reservation before public hearings; and (2) the final limited access plan adopted pursuant to RCW 47.52.137 at the conclusion of the public hearing, or after any appeal from it has been decided, shall be approved by the governing authority for the Indian peoples of the Quinault Indian Reservation and the bureau of Indian affairs before right of way is acquired for this section of highway.

**NEW SECTION.** Sec. 4. The department is authorized to acquire the remaining right of way for the Tribal Highway by purchase or by condemnation under state or federal eminent domain statutes. The secretary of transportation pursuant to the agreement is authorized to convey by deed to the governing authority for the Indian peoples of the Quinault Indian Reservation the right of way to the entire highway when fully acquired in return for a conveyance by the governing authority for the Indian peoples of the Quinault Indian Reservation to the state of Washington of a perpetual easement for public travel on the through lanes and shoulders of the highway when constructed. The agreement may also authorize the governing authority for the Indian peoples of the Quinault Indian Reservation to convey to the United States an easement to construct, maintain, and repair the highway improvements if such an easement is required by regulations of the bureau of Indian affairs.

**NEW SECTION.** Sec. 5. Except as otherwise provided by sections 1 through 6 of this act or by the agreement authorized by section 1 of this act, the department may proceed with the location, design, acquisition of right of way, construction, and maintenance of the highway as an agent of the governing authority for the Indian peoples of the Quinault Indian Reservation in accordance with applicable state or federal law.

**NEW SECTION.** Sec. 6. The department is authorized to join with the governing authority for the Indian peoples of the Quinault Indian Reservation to seek federal funding for the construction of the Tribal Highway.

**NEW SECTION.** Sec. 7. Sections 1 through 6 of this act shall be added to chapter 47.20 RCW.

**NEW SECTION.** Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

and the same are herewith transmitted.

DENNIS L. HECK, Chief Clerk

Senator Peterson: "Yes, I think there are examples that have been done, in Yakima, I believe and I think also over in another section in Senator Barr's district we have done this."

Further debate ensued.

The President declared the question before the Senate to be the motion by Senator Peterson that the Senate do concur in the House amendment to Substitute Senate Bill No. 3125.

The motion by Senator Peterson carried on a rising vote and the Senate concurred in the House amendment to Substitute Senate Bill No. 3125.

The President declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 3125, as amended by the House.

Sec. 2. Section 38, chapter 211, Laws of 1979 ex. sess. and RCW 74.42.380 are each amended to read as follows:

(1) The facility shall have a director of nursing services. The director of nursing services shall be a registered nurse.

(2) The director of nursing services is responsible for:

(b) Permitting only licensed personnel to administer medications; PROVIDED, That nothing herein shall be construed as prohibiting graduate nurses, and student nurses under the supervision of their clinical instructor, from administering medications when permitted to do so under chapter 18.88 RCW and rules promulgated pursuant thereto; PROVIDED FURTHER, That nothing herein shall be construed as prohibiting persons certified under chapter 18.135 RCW from practicing pursuant to the delegation and supervision requirements of chapter 18.135 RCW and rules promulgated pursuant thereto; and

(c) Insuring that the licensed practical nurses comply with chapter 18.78 RCW ((and)), the registered nurses comply with chapter 18.88 RCW, and persons certified under chapter 18.135 RCW comply with the provisions of that chapter and rules promulgated pursuant thereto.

NEW SECTION, Sec. 3. A new section is added to chapter 74.42 RCW to read as follows:

#### MOTION

Senator Talmadge moved that the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 3307.

#### POINT OF ORDER

Senator Pullen: "Mr. President, I rise to the point of order that the House amendment expands the scope and object of the bill. I will be very brief because the President is always right in his rulings and sometimes I think it's better to just let him quietly contemplate the situation rather than to talk a lot on the floor. However, this does appear to be an expansionary amendment. We all know how bad expansionism and revisionism is and as a result I feel we definitely should challenge this on scope and object.

"Senator Talmadge in his own remarks indicated the changes that the House made and the expansion that the House made dealing with primary elections and dealing with adding the provision that it's unlawful to receive, whereas in the Senate version the words 'make only' were included in there. We all know that it's more blessed to give than to receive. Sometimes I wonder, however, and certainly when it comes to scope and object we need to be very, very careful and so I would urge the President to rule this out of scope and object."

Further debate ensued.

#### MOTION

On motion of Senator Vognild, further consideration of Engrossed Substitute Senate Bill No. 3307 was deferred.

## MESSAGE FROM THE HOUSE

April 19, 1985

Mr. President:

The House has passed SENATE BILL NO. 3173 with the following amendments:

On page 2, after line 14, insert the following:

NEW SECTION. Sec. 2. The legislature finds that the protection of commercial and recreational shellfish areas is in the public interest and that state and local actions are necessary to preserve this valuable resource.

NEW SECTION. Sec. 3. (1) For purposes of this chapter, the department of ecology is directed to conduct reviews and assessments of commercial and recreational shellfish areas and designate the boundaries of each of these significant areas:

- (a) Closed but correctable;
- (b) High threat; or
- (c) Low threat.

(2) These designations shall not conflict with chapter 69.30 RCW regarding certification of commercial growing areas by the department of social and health services. As appropriate, the department of social and health services, local health authorities, department of game, department of natural resources, department of agriculture, and department of fisheries shall assist the department of ecology in assessing shellfish areas, developing minimum standards, and providing recommendations for shellfish protection.

(3) The department of ecology shall work cooperatively with local governments and local residents within these shellfish basin areas to prepare plans, policies, and programs to prevent contamination of shellfish that are deemed fit for human consumption and to provide strategies to restore to an acceptable status those shellfish resources not fit for human consumption and

located in designated areas. These cooperative efforts shall stress public education as the first priority and encourage voluntary compliance wherever possible.

(4) The department of ecology shall notify affected jurisdictions and private parties as soon as the shellfish areas have been designated and boundaries established and whenever such designations or boundaries are changed. Landfills adjacent to or within the drainage basin of a designated shellfish area shall be included within the boundaries established pursuant to this chapter. Public access to significant records leading to and justifying the designation shall be available in a local public building, including reports by the department of social and health services and local health authorities.

(5) The department of ecology shall periodically review and update the designations and boundaries as appropriate.

NEW SECTION. Sec. 4. The department of ecology and local governments are directed to work with affected residents and property owners to prepare and adopt action plans and regulations to reduce or eliminate adverse impacts on shellfish resources. Plans shall provide for:

- (1) Water quality and sanitary surveys;
- (2) Basin land use and drainage policies;
- (3) Public involvement and education, including the establishment of local citizen advisory committees;
- (4) Local conservation district participation;
- (5) Pollution prevention activities;
- (6) Pollution clean-up efforts;
- (7) A budget and financing outline; and
- (8) Department of ecology technical assistance.

NEW SECTION. Sec. 5. (1) Within one hundred eighty days after the effective date of this act, the department of ecology shall adopt minimum standards for the protection of shellfish resources and for the action plans to be prepared by local governments.

Local governments shall prepare and adopt plans within one year after the department of ecology's adoption of minimum standards and designation of significant areas as provided in section 3 of this act. The department of ecology shall provide funds to local governments for this purpose.

(2) Following local adoption, action plans shall be submitted to the department of ecology for approval. No moneys appropriated to the department of ecology shall be made available to local governments for implementation of the action plans until such plans have been approved by the department of ecology.

(3) State financial resources appropriated for purposes of this chapter, other than funds needed for assessment purposes, shall be targeted to those areas that have been designated as significant areas and that provide the greatest possible number of shellfish available for harvest per state dollar spent for protective measures.

(4) Minimum standards adopted by the department of ecology and local action plans may include requirements for financial participation by local government and by private parties that are direct beneficiaries of this section or are a direct cause of identified pollution problems that threaten the shellfish resource. Action plans shall seek to minimize the potential financial burdens imposed on private property owners resulting from the implementation of this section.

(5) Designation by the department of ecology of significant areas as provided in section 3 of this act may be appealed to the shorelines hearings board by any aggrieved person.

NEW SECTION. Sec. 6. It is hereby declared to be of high priority that projects for the Washington conservation corps personnel in counties adjacent to Puget Sound be devoted to efforts to clean up and prevent the pollution of Puget Sound and waters entering Puget Sound and to the protection of sensitive shellfish areas.

NEW SECTION. Sec. 7. If specific funding of sections 2 through 6 of this act, referencing this act by bill number, is not provided in the omnibus appropriations act for the fiscal year beginning July 1, 1985, sections 2 through 6 of this act shall be null and void.

NEW SECTION. Sec. 8. Sections 2 through 6 of this act shall constitute a new chapter in Title 90 RCW.\*

In line 1 of the title, after "aquaculture," strike "and"

In line 2 of the title, after "9A.52.010" and before the period insert "; adding a new chapter to Title 90 RCW; and creating a new section",

and the same are herewith transmitted.

President Cherberg: "In ruling upon the point of order raised by Senator Owen, the President finds that Senate Bill No. 3173 is a measure prohibiting trespass on aquaculture lands or structures.

"The amendments proposed by the House of Representatives provide for state and local action to preserve commercial and recreational shellfish areas.

"The President, therefore, finds that the proposed amendments do change the scope and object of the bill and that the point of order is well taken."

The House of Representatives amendments were ruled out of order.

There being no objection, the Senate resumed consideration of Engrossed Substitute Senate Bill No. 3307 and the pending House amendment deferred earlier today.

## RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Pullen, the President finds that Engrossed Substitute Senate Bill No. 3307 is a measure limiting campaign contributions by requiring reports on contributions exceeding \$500 received within 21 days of an election and making it unlawful to contribute more than \$5000 within 21 days of an election.

"The amendment proposed by the House of Representatives requires reports on contributions exceeding \$500 received prior to an election after certain reporting periods or within 21 days of a general election and makes it unlawful to make or receive contributions exceeding \$5000 within 21 days of a general election.

"The President, therefore, finds that the proposed amendment does not change the scope and object of the bill and that the point of order is not well taken."

The House of Representatives amendment was ruled in order.

The President declared the question before the Senate to be the motion by Senator Talmadge that the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 3307.

Debate ensued.

Senator Bottiger demanded a roll call and the demand was sustained.

## MOTION

On motion of Senator Zimmerman, Senator McCaslin was excused.

The President declared the question before the Senate to be the roll call on the motion by Senator Talmadge that the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 3307.

## ROLL CALL

The Secretary called the roll and the motion by Senator Talmadge carried and the Senate concurred in the House amendment to Engrossed Substitute Senate Bill No. 3307 by the following vote: Yeas, 33; nays, 13; absent, 1; excused, 2.

Voting yea: Senators Bailey, Barr, Bender, Bottiger, Cantu, Conner, DeJarnatt, Fleming, Garrett, Gaspard, Goltz, Granlund, Halsan, Hansen, Johnson, Kreidler, McDermott, McManus, Moore, Newhouse, Patterson, Peterson, Rasmussen, Rinehart, Sellar, Stratton, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn - 33.

Excused: Senators Bauer, McCaslin - 2.

The President declared the question before the Senate to be final passage of Engrossed Substitute Senate Bill No. 3307, as amended by the House.

Debate ensued.

#### POINT OF INQUIRY

Senator Bottiger: "Mr. President, just so the record is clear, I'd like to request Senator Talmadge to yield to a question.

"Senator Talmadge, is a loan a contribution within the definition of the Public Disclosure Act?"

Senator Talmadge: "Senator, my understanding is a loan would be covered by the provisions of this bill."

#### POINT OF INQUIRY

Senator Rasmussen: "Senator Talmadge, would a promise under the table that I'll take care of anything, let us say--"

Senator Talmadge: "That is prohibited now."

Senator Rasmussen: "That it would be taken care of as a debt later, that is prohibited under this bill?"

Senator Talmadge: "Senator, it's prohibited under the Public Disclosure Act now. That kind of promise to pay for some future situation must be treated as a contribution under the Public Disclosure Act as it is now set up."

Senator Rasmussen: "Well, if I never received a promise, but I had an understanding that would be prohibited--an understanding?"

Senator Talmadge: "Senator, you may shade off into gray areas of meaning that I don't understand, but I think the point is that if anybody makes any kind of promise or makes any kind of undertaking to provide financial recompense to anybody under the present Public Disclosure Act as it now stands, that must be treated as a contribution or a pledge that is reportable."

Senator Rasmussen: "Senator Talmadge, you haven't hit the point I want to get at. If I run a hundred thousand or two hundred thousand debt and then somebody comes in afterward and picks up my debt, is that prohibited under this--this law proposed?"

Senator Talmadge: "If there's no promise made?"

Senator Rasmussen: "There's no promise made."

Senator Talmadge: "I don't think it's within the meaning of the act. No. If there's any kind of promise made to pay in excess of five thousand dollars, that must not take place within that last twenty-one day period before the primary or general election."

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Bill No. 3307, as amended by the House.

#### ROLL CALL

#### MOTION

Senator McDermott moved that the Senate do concur in the House amendments to Senate Bill No. 3420.

#### POINT OF INQUIRY

Senator Metcalf: "I was familiar with the bill, Senator McDermott, when it came through but maybe I didn't understand your explanation. Are you saying this amendment just refers to one piece of property or did it make the bill--does the amendment just refer to one piece of property?"

Senator McDermott: "Senator Metcalf, the piece of property that prompted all of this was donated to a youth group and the county, since it came out of open space, assessed penalties and fines and this group didn't have the money so they came in with this little bill and we sent over a general bill and the House amended it down so that it is only property which was transferred between September 1, 1977, and July 1, 1980, and that is one single piece of property."

Senator Metcalf: "The whole bill applies to one single piece of property?"

Senator McDermott: "Yes."

Senator Metcalf: "I thought the bill was pretty good the way it was. Did you move to concur with the House? I don't think we could concur without maybe upsetting the apple cart. Maybe I don't know the agenda here but I'm not very much in favor of the amendment."

#### REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President and members of the Senate. So that nobody thinks there's an ulterior motive, Camp Easter Seal, which takes care of retarded and handicapped children over by Purdy received the donation from a farmer of a piece of waterfront property. The farmer had held the property in open space and when he transferred it to Camp Easter Seal, the county imposed a nine thousand dollar fine because you were moving from one source of open space to another exempt source. That case was made, in my opinion. Senator Granlund introduced the bill; the House tightened it down so that nobody else out there who might have been moving property from one open space to another, like a timber company or anyone else could take advantage of the bill. If somebody else wants to come in and make a case, I'm sure they'd get a sympathetic ear as they did on this one."

The President Pro Tempore declared the question before the Senate to be the motion by Senator McDermott that the Senate do concur in the House amendments to Senate Bill No. 3420.

The motion by Senator McDermott carried and the Senate concurred in the House amendments to Senate Bill No. 3420.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Senate Bill No. 3420, as amended by the House.

Voting yea: Senators Bailey, Barr, Bender, Benitz, Bluechel, Bottiger, Cantu, Conner, Craswell, Deccio, DeJarnatt, Fleming, Garrett, Gaspard, Goltz, Granlund, Guess, Halsan, Hansen, Hayner, Johnson, Kiskaddon, Kreidler, Lee, McDermott, McDonald, McManus, Metcalf, Moore, Newhouse, Owen, Patterson, Peterson, Pullen, Rasmussen, Rinehart, Saling, Sellar,

**NEW SECTION, Sec. 1.** A new section is added to chapter 30.04 RCW to read as follows:

(1) Notwithstanding any other provision of this title, a bank, with the prior approval of the supervisor, may purchase shares of its own capital stock. However, no bank may purchase and hold at any time more than five percent of its outstanding shares. Shares purchased under this section shall not be held for a period greater than six months.

(2) When a bank purchases such shares, its capital accounts shall be reduced appropriately. The shares shall be held as authorized but unissued shares, but may be resold at any time within six months after acquisition for a price equal to or greater than the higher of the acquisition price or par value. Except as provided in this subsection, shares shall not be sold without the prior written approval of the supervisor.

**NEW SECTION, Sec. 2.** A new section is added to chapter 30.04 RCW to read as follows:

Each person making a deposit in a bank or trust company shall be given a receipt that shall show or in conjunction with the deposit slip can be used to trace the name of the bank or trust company, the name of the account, the account number, the date, and the amount deposited. If specifically requested by the depositor when making the deposit, the receipt must expressly show the name of the bank or trust company, the date, the amount deposited, plus either the name of the account or the account number or both the name of the account and the account number.

**Sec. 3.** Section 30.04.060, chapter 33, Laws of 1955 as last amended by section 3, chapter 157, Laws of 1983 and RCW 30.04.060 are each amended to read as follows:

The supervisor may make such other full or partial examinations as deemed necessary and may examine any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington and obtain reports of condition for any bank holding company that owns any portion of a bank or trust company chartered by the state of Washington. The supervisor may visit and examine into the affairs of any nonpublicly held corporation in which the bank, trust company, or bank holding company has an investment or any publicly held corporation the capital stock of which is controlled by the bank, trust company, or bank holding company; may appraise and revalue such corporations' investments and securities; and shall have full access to all the books, records, papers, securities, correspondence, bank accounts, and other papers of such corporations for such purposes. The supervisor may, in his or her discretion, accept in lieu of the examinations required in this section the examinations ~~((required under the terms of the federal reserve act for banks which are, or may become, members of a federal reserve bank or the deposits of which are insured by))~~ **conducted at the direction of the federal reserve board or the Federal Deposit Insurance Corporation.** Any wilful false swearing in any examination is perjury in the second degree.

Sec. ~~(1944)~~ 1841 et seq.). An "out-of-state bank holding company" is a bank holding company that principally conducts its operations outside this state, as measured by total deposits held or controlled by its bank subsidiaries on the date on which it became a holding company. The application and information may be disclosed to federal bank regulatory agencies and to officials empowered to investigate criminal charges, subject to legal process, valid search warrant, or subpoena. (i) The bank, trust company, or national banking association that is proposed to be acquired or the domestic bank holding company controlling such bank, trust company, or national banking association is in such a liquidity or financial condition as to be in danger of closing, failing, or insolvency. In making any such determination the supervisor shall be guided by the criteria developed by the federal regulatory agencies with respect to emergency acquisitions under the provisions of 12 U.S.C. Sec. 1828(c);

(ii) There is no state bank, trust company, or national banking association doing business in the state of Washington or domestic bank holding company with sufficient resources willing to acquire the entire bank, trust company, or national banking association on at least as favorable terms as the out-of-state bank holding company is willing to acquire it;

(iii) The applicant out-of-state bank holding company has provided all information and documents requested by the supervisor in relation to the application; and

(iv) The applicant out-of-state bank holding company has demonstrated an acceptable record of meeting the credit needs of its entire community, including low and moderate income neighborhoods, consistent with the safe and sound operation of such institution.

(c) The supervisor shall consider:

(1) Any bank or trust company shall be permitted to make loans to any employee of such corporation, or to purchase, discount or acquire, as security or otherwise, the obligation or debt of any employee to any other person, to the same extent as if the employee were in no way connected with the corporation. Any bank or trust company shall be permitted to make loans to any officer of such corporation, or to purchase, discount or acquire, as security or otherwise, the obligation or debt of any officer to any other person: PROVIDED, That the total value of the loans made and obligation acquired for any one officer shall not exceed such amount as shall be prescribed by the supervisor of banking pursuant to regulations adopted in accordance with the Administrative Procedure Act, chapter 34.04 RCW, as now or hereafter amended: AND PROVIDED FURTHER, That no such loan shall be made, or obligation acquired, in excess of five percent of a bank's capital and unimpaired surplus or twenty-five thousand dollars, whichever is larger, unless a resolution authorizing the same shall be adopted by a vote of a majority of the board of directors of such corporation (~~(- at a meeting of the board of directors of such corporation held within thirty days)~~) prior to the making of such loan or discount, and such vote and resolution shall be entered in the corporate minutes. Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 3856 with the following amendments:

Strike everything after the enacting clause and insert the following:

\*NEW SECTION. Sec. 1. The legislature finds that fire protection services have lacked a comprehensive state-level focus. This has resulted in a lack of cooperation and coordination between local and state agencies. The purpose of this chapter is to create a broadly representative state board which will: (1) Advise and assist local fire protection agencies in program development without encroaching upon their historic autonomy; (2) centralize traditional state fire protection services under the jurisdiction of a single state board; and (3) advise the governor and the legislature on fire protection matters in this state.

NEW SECTION. Sec. 2. There is created the state fire protection board consisting of the following ten members appointed by the governor with the advice and consent of the senate:

(1) Three representatives of fire chiefs. At least one shall be from a fire department east of the Cascade mountains and at least one shall be from a fire department west of the Cascade mountains. One shall be from a fire protection district;

(2) One insurance industry representative;

(3) One representative of cities and towns;

(4) One representative of counties;

(5) Two full-time, paid, career fire fighters;

(6) One volunteer fire fighter; and

(7) One representative of fire commissioners.

The commissioner of public lands, the insurance commissioner, and the chairperson of the commission for vocational education, or their designees, are nonvoting ex officio members of the state fire protection board.

In making the appointments required under subsections (1) through (7) of this section, the governor shall (a) seek the advice of and consult with organizations involved in fire protection; and (b) ensure that racial minorities, women, and persons with disabilities are represented.

**NEW SECTION.** Sec. 3. Each voting member of the state fire protection board shall be appointed to a term of three years and until a successor is appointed and qualified. However, in making the initial appointments to the board, the governor shall stagger the terms of office by appointing three members to terms of one year, three members to terms of two years, and four members to terms of three years. In the case of a vacancy, the governor shall fill the unexpired term of the member whose office has become vacant. An office shall become vacant whenever a member ceases to be employed in the occupation the member was appointed to represent.

**NEW SECTION.** Sec. 4. Members of the state fire protection board shall be compensated in accordance with RCW 43.03.240. Members of the board shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

**NEW SECTION.** Sec. 5. The governor shall select one member of the board to serve as chairperson. The board shall be convened at least six times annually at the call of the chairperson or a majority of the board. A majority of the board constitutes a quorum for the transaction of business.

**NEW SECTION.** Sec. 6. The state fire protection board shall:

- (1) Adopt and implement a state fire protection master plan;
- (2) Monitor fire protection in the state and develop objectives and priorities to improve fire protection for the state's citizens;
- (3) Establish and promote state arson control programs and encourage development of local arson control programs;
- (4) Represent fire protection services in all state level fire protection planning in matters such as, but not limited to, hazardous materials;
- (5) Seek and solicit grants, gifts, bequests, devices, and matching funds for use in furthering the objectives and duties of the board, and establish procedures for administering them;
- (6) When funds are available, make grants for use in pursuing the board's objectives;
- (7) Promote mutual aid and disaster planning for fire services in this state;
- (8) Disseminate within the state information concerning the amount of fire damage, including that damage caused by arson, and its causes and prevention;
- (9) Make studies, reports, and recommendations to the governor and the legislature when requested or warranted; and
- (10) Adopt such rules as necessary for the administration of this chapter.

This section does not apply to forest fire service personnel and programs.

**NEW SECTION.** Sec. 7. The state fire protection board shall:

- (1) Administer any legislation enacted by the legislature in pursuance of the aims and purposes of any acts of congress insofar as the provisions thereof may apply to the administration of fire service training;
- (2) Establish and provide state-wide fire service training and education courses, including courses in arson detection and investigation, for personnel of fire, police, and prosecutors' departments;
- (3) Construct, equip, maintain, and operate necessary fire service training and education facilities. The board's authority to construct, equip, and maintain such facilities is subject to chapter 43.19 RCW;
- (4) Purchase, lease, rent, or otherwise acquire real estate necessary to establish and operate fire service training and education facilities in the manner provided by law;
- (5) Cooperate with the common schools, the community colleges, the institutions of higher education, and any department or division of the state or of any county or municipal corporation, in establishing and maintaining instruction in fire service training and education in accordance with any act of congress and legislation enacted by the legislature in pursuance thereof, and in establishing, building, and operating training and education facilities;
- (6) Administer the funds provided by the federal government and by the state under any federal or state acts for the promotion of fire service training and education; and
- (7) Adopt and implement a state fire training and education master plan.

This section does not apply to forest fire service personnel and programs. Industrial fire departments and private fire investigators may participate in training and education programs under this chapter for a reasonable fee under rules established by the board.

**NEW SECTION.** Sec. 8. Any person who receives an adverse decision under this chapter may appeal that decision in accordance with chapter 34.04 RCW, the administrative procedure act.

**NEW SECTION.** Sec. 9. The board shall determine the qualifications of and employ a chief executive officer who shall be known as the director of fire protection.

"NEW SECTION. Sec. 5. A new section is added to chapter 75.24 RCW to read as follows:

## MOTION

Senator Owen moved that the Senate do concur in the House amendments to Substitute Senate Bill No. 4041.

## POINT OF INQUIRY

Senator Stratton: "Senator Owen, the trial program for Olympia oyster cultivation was added as a House amendment. Do you know how extensive this trial program will be?"

Senator Owen: "Thank you, Senator Stratton. The intent of that amendment, according to Representative Unsoeld was that the Olympia oyster trial program not be intended to be used solely on the state oyster reserves--that the Olympia oyster program was to be only one use of the reserve lands and the other uses as specified in the bill, like recreational harvesting, long-term commercial leasing and commercial shellfish harvesting were also to be important uses of the state oyster reserve land.

"The Department of Fisheries will periodically inventory the reserves and assign designated areas for each use, as specified in the bill. So, the answer is that the amendment was to be for one use, but not the only use of the oyster reserve land."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Owen that the Senate do concur in the House amendments to Substitute Senate Bill No. 4041.

The motion by Senator Owen carried and the Senate concurred in the House amendments to Substitute Senate Bill No. 4041.

## POINT OF INQUIRY

Senator Stratton: "Senator Owen, is it the intent of this bill to stop the use of the oyster reserve lands until the plan is complete?"

Senator Owen: "Thank you, Senator Stratton, the answer is 'no.' It is the intent to identify additional uses and put the oyster reserves into productive use but in no way to prevent or stop shellfish cultivation or harvesting that could take place presently."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Substitute Senate Bill No. 4041, as amended by the House.

## ROLL CALL

The Secretary called the roll on final passage of Substitute Senate Bill No. 4041, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 47; absent, 1; excused, 1.

## MOTION

Senator Gaspard moved that the Senate do concur in the House amendments to Engrossed Senate Bill No. 4140.

## POINT OF INQUIRY

Senator Moore: "If I read this thing correctly, Senator Gaspard, any student who has completed a State of Washington history course in the seventh grade is, therefore, exempt from any further need for Washington State history or government. Is that true?"

Senator Gaspard: "Senator Moore, right now there is a requirement that you have to take Washington State history in the 9th through 12th grade and the request from the State Board of Education was to relax that requirement because some school districts let the 7th and 8th graders take Washington State history. This would allow that to occur, but it would not count to their graduation requirements if they should take it at any grade lower than the 9th grade."

Senator Moore: "Would you go over that last part again? I'm not sure that I understand."

Senator Gaspard: "If you were to take the Washington State history course in the 7th or 8th grade—that credit would not count in your high school experience."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Gaspard that the Senate do concur in the House amendments to Engrossed Senate Bill No. 4140.

The motion by Senator Gaspard carried and the Senate concurred in the House amendments to Engrossed Senate Bill No. 4140.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Engrossed Senate Bill No. 4140, as amended by the House.

## ROLL CALL

The Secretary called the roll on final passage of Engrossed Senate Bill No. 4140, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 45; nays, 2; absent, 1; excused, 1.

Voting yea: Senators Bailey, Barr, Bender, Benitz, Bluechel, Bottiger, Cantu, Conner, Craswell, DeJarnatt, Fleming, Garrett, Gaspard, Goltz, Granlund, Guess, Halsan, Hansen, Hayner, Johnson, Kiskaddon, Kreidler, Lee, McCaslin, McDermott, McDonald, McManus, Melcalf, Newhouse, Owen, Patterson, Peterson, Rasmussen, Rinehart, Saling, Sellar, Stratton, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn, Zimmerman - 45.

#### MOTION

On motion of Senator Bender, Senator Owen was excused.

#### MOTION

Senator Talmadge moved that the Senate do concur in the House amendments to Senate Bill No. 4155.

#### POINT OF INQUIRY

Senator Halsan: "Senator Talmadge, the House amendment makes necessary changes in the division of court receipts between state and local governments and is to take effect July 1 of this year. As part of those changes in the language added by the House now provides that all filing fees collected by a superior court clerk are to be divided between the state and local government in the fashion prescribed by the Court Improvement Act we passed last year. Could you clarify for me exactly what types of filing fees the House amendment refers to?"

Senator Talmadge: "Yes, Senator Halsan, the amendment will require the division of monies collected by a county clerk under RCW 36.18.020 that are specifically required to be paid when a document in an action is initiated and when a demand for a jury trial is filed. There are a number of provisions in 36.18.020 that require the payment of a fee for certain services provided by the clerk that may not be characterized as filing. These include monies paid to the court clerk for preparation of transcription or certification of documents on file with the clerk under sub (7); executing a certificate under sub (8); writs of garnishment, sub (9); approving of bonds, sub (10); issuing certificates of qualification, letters of administration or guardianship or letters of testamentary, sub (13); preparation of passport application, sub (14); or researching records, sub (15). These monies will not be divided between state and local government under the Court Improvement Act as modified by the House amendment of this bill."

The President Pro Tempore declared the question before the Senate to be the motion by Senator Talmadge that the Senate do concur in the House amendments to Senate Bill No. 4155.

The motion by Senator Talmadge carried and the Senate concurred in the House amendments to Senate Bill No. 4155.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Senate Bill No. 4155, as amended by the House.

## ROLL CALL

The Secretary called the roll on final passage of Senate Bill No. 4155, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 47; excused, 2.

(5) In the event of any emergency when the public interest or property of the district would suffer material injury or damage by delay, upon resolution of the board declaring the existence of such an emergency and reciting the facts constituting the same, the board may waive the requirements of this section with reference to any purchase or contract: PROVIDED, That an "emergency", for the purposes of this section, means a condition likely to result in immediate physical injury to persons or to property of the school district in the absence of prompt remedial action."

#### MESSAGE FROM THE HOUSE

April 12, 1985

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 4399 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds state statutes allocating governmental powers, duties, and relationships were first enacted nearly a century ago and reflect ideas of their time. The legislature further finds that Washington state was a rural, agrarian society at that time, and that cities were relatively small, surrounded by rural areas, and served as a commercial and social center for those areas.

The legislature finds that the state created counties as political and administrative subdivisions of itself, and allowed for the creation of cities by the local citizenry to provide such additional municipal services as might be desired in areas of greater population density. The legislature further finds that in order to forestall imprudent or hasty creation of local governments, the process was deliberately made somewhat difficult. The legislature also finds that cities and counties were provided with differing tax structures, reflective of their differing governmental and service roles.

The legislature finds that, contrary to expectation, urban development has occurred not only within cities, but around cities and in clusters remote from any city, and that, in 1985, nearly half of the state's population lives in unincorporated, but largely urbanized areas. The

legislature further finds that while this situation is the result of a number of factors, the unintended effects of the policies of various levels of government played a major role in creating it.

The legislature finds that some services are best delivered on a city-wide basis, some services are best delivered on a county-wide basis, while others might best be delivered on a greater than city, less than county-wide basis, and some might best be provided on a multi-county basis. The legislature further finds that in many cases, service needs have no relationship to political jurisdictions' boundary lines. The legislature also finds that there is uncertainty as to the proper role of some units of local government in rendering basic public services. The legislature further finds that cities, counties, and special purpose districts rendering basic municipal services spend approximately two billion dollars per year in providing such services and that there is a state interest in the efficient and effective provision of local government services.

Therefore, the legislature finds that there is a need to examine the present demographic and governmental service provision situation, in order to determine the manner in which local public services are presently delivered and funded in Washington state, the public policies which have led to the present situation, and the manner in which each contributed to it. The legislature further finds that there is a need to examine the practices of other states in such matters and in terms of allocations of responsibility, authority, and funding among various levels and agencies of government. The legislature also finds that there is a need to examine the policies and practices of other states in providing for city incorporation and annexation.

**NEW SECTION.** Sec. 2. For purposes of sections 3 through 6 of this act, "commission" means the local governance study commission created in section 3 of this act.

**NEW SECTION.** Sec. 3. There is hereby created a local governance study commission to consist of the following:

(1) Twenty-one voting members appointed by the governor consisting of:

(a) Eight members of the state legislature, four nominated by the Speaker of the House of Representatives, four nominated by the President of the Senate, two from each caucus of the respective house;

(b) Four members nominated by the association of Washington cities or its successor;

(c) Four members nominated by the Washington state association of counties or its successor;

(d) One member nominated by the Washington state association of sewer districts;

(e) One member nominated by the Washington state association of water districts;

(f) One member nominated by the Washington association of fire districts;

(g) One member nominated by the Washington public utility districts association; and

(h) One member nominated by the Washington library association.

(2) Three members serving in an ex officio nonvoting capacity:

(a) The executive director of the association of Washington cities or its representative;

(b) The executive director of the Washington state association of counties or its representative; and

(c) The director of the department of community development, who shall serve as chair of the commission.

(3) Commission members shall serve without pay, at the pleasure of the governor. Nonlegislative members shall be paid travel expenses incurred in their travel to and from meetings of the commission and while attending all meetings of the commission in accordance with RCW 43.03.050 and 43.03.060. Legislative members shall be paid travel expenses incurred in their travel to and from meetings of the commission and while attending all meetings of the commission in accordance with RCW 44.04.120.

**NEW SECTION.** Sec. 4. The commission shall:

(1) Identify and examine the present demographic and governmental service provision of cities, counties, and special purpose districts together with an examination of the present manner in which revenues are received for the provision of services by the various jurisdictions;

(2) Examine the public policies and history that led to the current situation;

(3) Analyze why policies that are identified in the study had an impact on growth and development in the state of Washington and why they contributed to the current situation;

(4) Examine the policies, practices, and experiences in other states in regard to allocating responsibility, revenue authority, and responsiveness to provide governmental services;

(5) Create advisory committees of representatives of special purpose districts, to advise the commission on issues affecting the operation of these districts, and members of the private sector;

(6) Develop recommended policy, statutory, and constitutional changes as may be determined would serve to better define the appropriate roles and activities of cities, counties, and special purpose districts and their interrelationship to one another; and

(7) Submit to the governor and the legislature a report containing the commission's findings, conclusions, and recommendations by November 1, 1986.

**NEW SECTION.** Sec. 5. The department shall provide the necessary support to the commission to carry out the purposes of sections 2 through 4 this act. The department may employ

This section shall expire June 30, 1987.

NEW SECTION. Sec. 7. A new section is added to chapter 43.63A RCW to read as follows:

The local government study commission account is hereby established in the state treasury. Moneys shall be placed into the local government study commission account as provided in section 6 of this act to be used by the department of community development for the biennium ending June 30, 1987, to carry out the purposes of sections 1 through 5 of this act.

This section shall expire June 30, 1987.

NEW SECTION. Sec. 8. There is appropriated from the local government study commission account to the department of community development for the biennium ending June 30, 1987, the sum of two hundred forty-nine thousand nine hundred ninety-six dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

NEW SECTION. Sec. 9. Sections 1 through 5 of this act shall expire June 30, 1987.

NEW SECTION. Sec. 10. Sections 2 through 5 of this act are each added to chapter 43.63A RCW.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 12. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MESSAGE FROM THE HOUSE

April 16, 1985

Mr. President:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 3333 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This chapter shall be known as the motorcycle dealers' franchise act.

NEW SECTION. Sec. 2. The legislature recognizes it is in the best public interest for manufacturers and dealers of motorcycles to conduct business with each other in a fair, efficient, and competitive manner. The legislature declares the public interest is best served by dealers being assured of the ability to manage their business enterprises under a contractual obligation with manufacturers where dealers do not experience unreasonable interference, receive adequate allocations of merchandise in a timely manner at competitive prices, and transfer ownership of their business without undue constraints. It is the intent of the legislature to impose a regulatory scheme and to regulate competition in the motorcycle industry to the extent necessary to balance fairness and efficiency. These actions will assure the public that motorcycle dealers will devote their best competitive efforts and resources to the sale and service of the manufacturer's products which the dealer has been granted the right to sell and service.

NEW SECTION. Sec. 3. As used in this chapter:

- (1) "Department" means the department of licensing.
- (2) "Designated family member" means (a) an heir as defined in RCW 11.02.005(6) if the motorcycle dealer dies intestate or (b) a legatee or devisee as used in Title 11 RCW if the deceased motorcycle dealer leaves a will. A motorcycle dealer also may name in a notarized statement any person as the designated family member for the purposes of receiving an interest in the motorcycle dealership. Title 11 RCW applies to this chapter. However, in cases of conflict, the notarized inter vivos designation prevails over testamentary and intestate succession. Notarized inter vivos designations under this subsection are not codicils to wills.
- (3) "Distributor" means a person, whether a resident or nonresident, other than a manufacturer, who sells, leases, or distributes motorcycles to motorcycle dealers, or controls any other person, other than a manufacturer, who sells, leases, or distributes motorcycles to motorcycle dealers.
- (4) "Distributor branch" means a branch office maintained by the distributor or wholesaler.
- (5) "Distributor representative" means a representative employed by a distributor or wholesaler for the purpose of selling or promoting the sale or lease of the distributor's or wholesaler's motorcycles to motorcycle dealers, or for the purpose of supervising or contacting dealers.
- (6) "Factory branch" means a branch office maintained by a manufacturer in order to direct and supervise the representatives of the manufacturer.
- (7) "Factory representative" means a person employed by a manufacturer for the purpose of making or promoting the sale or lease of the manufacturer's motorcycles to dealers, distributors, or prospective motorcycle dealers.
- (8) "Franchise" means an oral or written contract, to include a dealer agreement, either expressed or implied, between a franchisor and a motorcycle dealer which purports to fix the legal rights and liabilities between the parties and under which (a) the dealer is granted the right to purchase and resell motorcycles manufactured, distributed, or imported by the franchisor; (b) the dealer's business is associated with the trademark, trade name, commercial symbol, or advertisement designating the franchisor or the products distributed by the franchisor; and (c) the dealer's business relies on the franchisor for a continued supply of motorcycles, parts, and accessories.
- (9) "Franchisor" means any person who enters into a franchise with a motorcycle dealer.
- (10) "Manufacturer" means any person, firm, association, corporation, or trust that manufactures or provides assemblies for motorcycles.
- (11) "Motorcycle" means any motor vehicle which has an unladen weight of less than five hundred pounds, including any parts, accessories, equipment, or special tools designated or intended for use on or with those motor vehicles, and (a) which is self-propelled and capable of use and operation on the public highways and streets; or (b) which is a self-propelled, off-road vehicle, tired or nontired, capable of transporting individuals on or off public highways and streets. "Motorcycle" excludes farm tractors, golf carts, firefighting equipment, any motor vehicle designed solely for industrial purposes, and lawnmowers.
- (12) "Motorcycle dealer" or "dealer" means a person operating under a dealer agreement or franchise with a franchisor who is engaged regularly in the business of buying, selling, exchanging, offering, brokering, or leasing with an option to purchase new or used motorcycles in the state, with a place of business in the state.

(13) "New motorcycle" means a motorcycle that has been sold or transferred to a motorcycle dealer and that has not been used for other than demonstration purposes, and on which the original title has not been issued from the motorcycle dealer. The term includes motorcycles not of the current model year comprising part of the dealer's inventory.

(14) "Person" means any natural person, partnership, stock company, corporation, trust, agency, or other legal entity, as well as any individual officers, directors, or other persons in active control of the activities of the entity.

(15) "Place of business" means a permanent, enclosed commercial building, situated within the state, and the real property on which it is located, at which the business of a motorcycle dealer, including the display and repair of motorcycles, may be lawfully conducted in accordance with the terms of all applicable laws and in the building the public may contact the motorcycle dealer or his or her employees at all reasonable times.

(16) "Relevant market area" means a ten-mile radius around a proposed place of business.

**NEW SECTION.** Sec. 4. Acts or conduct described in this section constitute prohibited trade practices that cannot be waived. It is a prohibited trade practice for a franchisor or its manufacturers, distributors, subsidiaries, or other agents:

(1) To require, coerce or attempt to require, or coerce, either directly or indirectly, any motorcycle dealer to:

(a) Accept, buy, or order any motorcycle, part or accessory, or any other commodity or service not voluntarily ordered, or requested, or to buy, order, or pay anything of value for such items in order to obtain any motorcycle part, accessory, or other commodity which has been voluntarily ordered or requested;

(b) Order or accept delivery of any motorcycle with special features, accessories, or equipment not included in the list price of the motorcycle as advertised by the manufacturer, except items which have been voluntarily requested or ordered by the dealer, and except items required by law;

(c) Enter into any agreement or understanding resulting in a reduction of the dealer's allocation of motorcycles for reasons other than reduced production levels causing uniformly and proportionally applied reductions to all dealers;

(d) Enter into any agreement or sales promotion program by threatening to terminate the franchise of the dealer;

(e) Refrain from participation in the management, investment, acquisition, or sale of any other related product or product line of motor vehicles, parts, or accessories;

(f) Enter into any agreement violating this chapter; or

(g) Enter into an agreement by which the franchisor, manufacturer, factory branch, factory representative, distributor, distributor branch, or distributor representative can directly solicit the dealer's customers.

(2) To terminate, refuse to renew, fail to extend, or fail to renew any franchise without good cause. Good cause includes but is not limited to:

(a) The amount of business transacted by the dealer as compared to the amount of business available to the dealer;

(b) The investment necessarily made and obligations necessarily incurred by the dealer in the performance of the franchise;

(c) The degree of the dealer's investment, including but not limited to the dealer's purchase or lease of real property for the dealership, the training given to the dealer's employees, and the amount of equipment purchased for the dealership;

(d) The adequacy of the dealer's new motorcycle sales and service facilities, equipment, and parts;

(e) The qualifications and performance of the management, sales, and service personnel to provide the consumer with reasonably good service and care of new motorcycles;

(f) The failure of the dealer to substantially comply in good faith with the reasonable requirements of the franchise;

(g) The adequacy of the franchisor's actual quantities delivered of motorcycles, parts, and accessories compared to quantities promised by the franchisor;

(h) The effect on the retail motorcycle business and the consuming public in the dealer's market area;

(i) Whether the dealer has exercised prudent business judgment.

The dealer shall be notified, in writing, not less than ninety days before termination or nonrenewal with reasons for the actions. If the termination or nonrenewal is based on termination or discontinuance of the product line, the dealer shall be notified not less than one hundred eighty days prior to termination or nonrenewal. All existing franchises shall continue operation under a newly appointed distributor upon the termination of an existing distributor unless a mutual agreement of termination is filed between the new distributor and the affected dealer.

(3) To require a change in capital structure, or means of financing, if the dealer at all times meets the reasonable, written, and uniformly applied capital standards determined by the manufacturer, franchisor, or distributor:

(4) To prevent or attempt to prevent a dealer from making reasonable changes in the capital structure of a dealership or the means by which the dealership is financed if the dealer meets the reasonable, written, and uniformly applied capital requirements determined by the manufacturer, franchisor, or distributor;

(5) To unreasonably require a change in the location of the dealership or any substantial alterations to the place of business;

(6) To condition renewal or extension of the franchise on substantial renovation of the existing place of business or on the construction, purchase, acquisition, or lease of a new place of business unless written notice is first provided one hundred eighty days prior to the date of renewal or extension and the franchisor demonstrates the reasonableness of the requested actions. The franchisor shall agree to supply the dealer with an adequate quantity of motorcycles, parts, and accessories to meet the sales level necessary to support the overhead resulting from substantial renovation, construction, acquisition, or lease of a new place of business;

(7) To adopt, establish, or implement a plan or system, or to modify an existing plan or system, for the distribution or allocation of motorcycles which is arbitrary, in bad faith, or unconscionable and which damages the dealer or the dealer's customers;

(8) To fail or refuse to disclose to the dealer, after written request, the basis upon which new motorcycles of the same line are currently or will in the future be allocated or distributed to dealers;

(9) To fail or refuse to disclose to dealers, after written request, the total number of new motorcycles of a given model which the manufacturer, franchisor, or distributor has sold during the current model year within the dealer's marketing district, zone, or region;

(10) To refuse or fail to deliver any motorcycle, part, or accessory in reasonable quantities, and within a reasonable time after receipt of the order from the dealer, that is specifically advertised as being immediately available. It is not a prohibited trade practice when the failure to deliver is caused by an act of God, strike, material shortage, or other cause over which the manufacturer, distributor, or franchisor has no control;

(11) To offer a renewal, replacement, or succeeding franchise containing terms substantially modifying the sales and service obligations or capital requirements of the motorcycle dealer, other than as provided for in this chapter;

(12) To sell or lease or offer to sell or lease to a dealer a new motorcycle, including any motorcycle under a sales promotion plan, at a lower price than offered or sold to another similarly situated dealer for the same model, except where the dealer is offered, sold, or leased a new motorcycle at a discount in exchange for providing valuable services to the franchisor, manufacturer, or distributor and except in those instances where a dealer orders motorcycles in sufficient numbers to qualify for volume discounts and as long as discounts are available to all dealers;

(13) To prevent, attempt to prevent, or unreasonably disapprove any motorcycle dealer from changing executive management control of the dealer's motorcycle business, unless the change results in control by a person not of good moral character or who does not meet the manufacturer, distributor, or franchisor's existing and reasonable, written, and uniformly applied capital standards. The dealer shall be given written notice of the reasons for rejection within thirty days of receipt of notice from the dealer of a proposed change;

(14) To reject, prevent, or attempt to prevent any person from selling or transferring a controlling interest to any other person unless the buyer or transferee does not qualify under appropriate state law as a licensed dealer, is not of good moral character, does not meet the manufacturer, distributor, or franchisor's existing and reasonable, written, and uniformly applied capital standards, or does not meet the written and uniformly applied manufacturer, distributor, or franchisor business experience standards for the market area. The dealer shall be given written notice setting forth the reasons for rejection of the proposed sale or transfer within thirty days of notice by the dealer of the sale or transfer;

(15) To fail to hold harmless and indemnify any motorcycle dealer against losses, including lawsuits and court costs, arising from: (a) The manufacture or performance of any motorcycle, part, or accessory if the lawsuit involves representations by the manufacturer, distributor, or franchisor on the manufacture or performance of a motorcycle without negligence on the part of the motorcycle dealer; (b) damage to merchandise in transit where the manufacturer, distributor, or franchisor specifies the carrier; (c) the manufacturer, distributor, or franchisor's failure to jointly defend product liability suits concerning the motorcycle, part, or accessory provided to the dealer; or (d) any other act performed by the manufacturer, distributor, or franchisor;

(16) To unfairly prevent or attempt to prevent a motorcycle dealer from receiving reasonable compensation for the value of a motorcycle;

(17) To release confidential information provided by the motorcycle dealer to the manufacturer, distributor, or franchisor without the written prior consent of the dealer;

(18) To fail to pay to a motorcycle dealer, within a reasonable time following receipt of a valid claim, any payment agreed to be made by the manufacturer, distributor, or franchisor on grounds that a new motorcycle, or a prior year's model, is in the dealer's inventory at the time of introduction of new model motorcycles;

(19) To deny any dealer the right of free association with any other dealer for any lawful purpose;

(20) To artificially and intentionally create a shortage of any motorcycle make, model, or series that results in the inequitable distribution of the make, model, or series to dealers;

(21) To charge increased prices without having given written notice to the dealers at least fifteen days prior to the effective date of the price increases;

(22) To permit factory authorized warranty service to be performed upon motorcycles or accessories by persons other than their franchised motorcycle dealers;

(23) To unreasonably interfere with a dealer's performance under the franchise agreement's sale quota by withholding sufficient deliveries of motorcycles; or

(24) To own, operate, or control any motorcycle dealer or place of business selling at retail in the state.

**NEW SECTION. Sec. 5.** (1) The manufacturer, distributor, or franchisor shall not prevent, attempt to prevent, refuse to give effect to, attempt to refuse to give effect to, or in any way hinder the succession to the ownership, management, control, or continuance of a dealer's motorcycle business by a designated family member upon the death or incapacity of the dealer, except as otherwise provided in this chapter.

(2) A designated family member, at his or her discretion, may succeed the dealer in ownership or management control under the existing agreement. The designated family member shall provide notice to the franchisor, in writing, of the intention to succeed to the franchise within one hundred twenty days after the dealer's death or incapacity. The designated family member shall agree to be bound by the terms of the original franchise. The designated family member shall meet the reasonable, written, and uniformly applied conditions applied by the franchisor under the existing franchise.

(3) A designated family member may only be rejected for succession on reasonable grounds. The franchisor shall provide written notice to the designated family member within sixty days of receipt of notice of the intention to succeed. The notice shall state the specific grounds for refusal, termination, or nonrenewal of the franchise and shall not take effect less than ninety days after receipt of the notice by the designated family member. If notice is not served within the designated time period, the franchise shall continue in effect with the designated family member.

(4) The designated family member may appeal to the appropriate court within ninety days of receipt of notice of refusal, termination, or nonrenewal. The franchisor has the burden of proving reasonable grounds. A designated family member prevailing in such action shall recover reasonable costs and attorney's fees.

(5) A dealer may designate any person as the recipient of the franchise by making a notarized statement in accordance with section 3(2) of this act. The statement shall be filed with the franchisor. The statement shall be controlling and binding on all heirs and testamentary successors. The recipient shall agree to be bound by the terms of the original franchise. The recipient shall meet the reasonable, written, and uniformly applied conditions applied by the franchisor under the existing franchise.

**NEW SECTION. Sec. 6.** (1) A person desiring to enter into a franchise establishing or relocating a motorcycle dealer shall notify, in writing, each existing franchised dealer of the same manufacturer, distributor, or franchisor, in the relevant market area of its intention to establish or relocate a dealer. Within one hundred twenty days of receiving the notice, or within one hundred twenty days after the end of any appeal period procedure provided by the person, whichever is later, any existing franchised dealer to whom the person is required to give notice under this subsection may file an action in the superior court of the county in which the existing franchise dealer's place of business is located, challenging the proposed establishment or relocation of the dealership within the relevant market area.

(2) Authority to enter into a franchise establishing or relocating a dealer shall only be granted by the manufacturer, distributor, or franchisor proving just cause. Just cause includes but is not limited to:

(a) The amount of business transacted by existing dealers when compared with the amount of business available to them;

(b) The degree of the dealer's investment, including but not limited to the dealer's purchase or lease of real property for the dealership, the training given to the dealer's employees, and the amount of equipment purchased for the dealership;

(c) The effect of the proposed franchise on the retail motorcycle business in the relevant market area;

(d) Whether it is injurious to the public welfare for the proposed dealer to be established or relocated;

(e) Whether the existing dealers are providing adequate customer care for the motorcycles sold, including the adequacy of motorcycle service facilities;

(f) Whether the existing dealers are receiving vehicles and parts in quantities promised by the manufacturer, factory branch, distributor, or franchisor, and on what volume of promised quantities existing dealers based their investment and scope of operations;

(g) The effect on the retail motorcycle business and the consuming public in the relevant market area; and

(h) Injury to the public welfare if the proposed establishment or relocation is allowed.

For the purposes of this subsection, the reopening of a dealer's place of business that has been closed for less than six months at the original location is not the establishment or relocation of a dealer.

(3) Except for test marketing, a franchisor shall offer a new motorcycle model, line, or product for resale to all dealers and require that all similarly situated dealers meet the same conditions for marketing the new model, line, or product.

(4) Each new or renewed franchise with an individual franchisor, occurring on or after the effective date of this act, shall include all motorcycle models, types, or products which are under separate franchises between that individual franchisor and dealer.

**NEW SECTION.** Sec. 7. (1) Upon the termination or nonrenewal of a franchise, the dealer shall be paid fair and reasonable compensation by the franchisor for:

(a) All new motorcycle inventory, including new motorcycles not of the current model year, purchased from the manufacturer, distributor, or franchisor that has not been materially altered, damaged, or driven more than fifty miles;

(b) All new, rebuilt, or used parts and accessories received from the manufacturer, distributor, or franchisor;

(c) Equipment, furnishings, and signs purchased from the manufacturer, distributor, or franchisor; and

(d) Special tools purchased from the manufacturer, distributor, or franchisor.

Compensation shall not be less than the current prices charged by the manufacturer, distributor, or franchisor for the new, rebuilt, or used items specified in (a) and (b) of this subsection or the fair market value for items specified in (c) and (d) of this subsection.

(2) In the event of termination or nonrenewal of the franchise by the franchisor without good cause, the franchisor shall pay the dealer, at the dealer's election, fair and reasonable compensation for the value of the dealership within six months of the effective date of the termination or nonrenewal. Compensation shall include, but not exclusively, all items listed in subsection (1) of this section, any real and personal property associated with the place of business, and business good will. The dealer has a responsibility to mitigate damages.

(3) Subsections (1) and (2) of this section do not apply if the dealer has acted illegally or fraudulently in the procurement of the franchise, or has acted illegally or fraudulently in the operation of the franchise.

**NEW SECTION.** Sec. 8. (1) The manufacturer, distributor, or franchisor shall compensate the dealer for labor, parts, and other expenses incurred to comply with the manufacturer, distributor, or franchisor's warranty agreements, and for work and services performed in connection with delivery and preparation of motorcycles received from the manufacturer, distributor, or franchisor. The compensation shall not be less than the rates reasonably charged by the dealer for like services and parts to retail customers.

(2) All claims for compensation made by the dealer shall be paid within thirty days after approval and shall be approved or disapproved within thirty days of their receipt by the manufacturer, distributor, or franchisor. Any denial of claim shall be in writing and shall set forth the specific grounds for denial.

(3) A claim that has been approved and paid shall not be charged back to the dealer unless it is established the claim was false or fraudulent, that the repairs were not properly made or were unnecessary to correct the defective condition, or the dealer failed to reasonably substantiate the claim.

**NEW SECTION.** Sec. 9. No manufacturer, distributor, or franchisor shall require or coerce any dealer to sell, assign, or transfer a retail sales installment contract, or require the dealer to act as an agent for any manufacturer, distributor, or franchisor in the securing of a promissory note, a security agreement given in connection with the sale of a motorcycle, or securing of a policy of insurance for a motorcycle. The manufacturer, distributor, or franchisor may not condition delivery of motorcycles, parts, or accessories upon the dealer's assignment, sale, or other transfer of sales installment contracts to specific finance companies.

**NEW SECTION.** Sec. 10. Any person injured by a violation of this chapter may bring a civil action in a court of competent jurisdiction to enjoin further violations or to recover damages. Injunctive relief may be granted in an action brought under this chapter without the dealer being required to post a bond if, in the opinion of the court, there exists a likelihood the dealer may prevail upon the merits.

Each of the following acts or practices is hereby declared unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale or financing of a vehicle which is false, deceptive, or misleading, including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2) To incorporate within the terms of any purchase and sale agreement any statement or representation with regard to the sale or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold to a person for a consideration and upon further consideration that the purchaser agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of "bushing" which is defined as follows: Taking from a prospective buyer of a vehicle a written order or offer to purchase, or a contract document signed by the buyer, which:

(a) Is subject to the dealer's, or his authorized representative's future acceptance, and the dealer fails or refuses within forty-eight hours, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer, to deliver to the buyer either the dealer's signed acceptance or all copies of the order, offer, or contract document together with any initial payment or security made or given by the buyer, including but not limited to money, check, promissory note, vehicle keys, a trade-in, or certificate of title to a trade-in; or

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer as part of the purchase price, for any reason except substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle.

(9) For a dealer, salesman, or mobile home manufacturer, having taken an instrument or cash "on deposit" from a purchaser prior to the delivery of the bargained-for vehicle, to commingle said "on deposit" funds with assets of the dealer, salesman, or mobile home manufacturer instead of holding said "on deposit" funds as trustee in a separate trust account until the purchaser has taken delivery of the bargained-for vehicle. Failure, immediately upon receipt, to endorse "on deposit" instruments to such a trust account, or to set aside "on deposit" cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice; PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his customary total customer deposits for vehicles for future delivery.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales agreement signed by the seller and buyer.

(11) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.-- RCW (sections 1 through 11 of this 1985 act), to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) said cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith.

(c) Encourage, aid, abet, or teach a vehicle dealer to sell vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser of any new or unused vehicle that has been sold, distributed for sale, or transferred into this state for resale by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties.

NEW SECTION. Sec. 14. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 15. Sections 1 through 11 of this act shall constitute a new chapter in Title 46 RCW.",

and the same are herewith transmitted.

#### MOTION

Senator Warnke moved that the Senate do concur in the House amendment to Engrossed Substitute Senate Bill No. 3333.

Debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator Lee, I was listening to you and it sounded as if you were quite well informed. Could you tell me, will this bill now as it is drafted prohibit Nordstroms from moving in alongside of my store, which is the Bon Marche, because they are not ten miles apart?"

Senator Lee: "Senator Rasmussen, this bill only applies to a particular kind of a franchise. In fact, that was one of Senator McDonald's problems with it. It's only motorcycle dealers franchises of that definition of what a motorcycle dealer is in the bill, so it does not apply to any other kind of retailer."

Senator Rasmussen: "Could a bill like this be amended to take care of my store, so I wouldn't have any competition closeby?"

Senator Lee: "If some other kind of retail business has a particular problem, they can come to this legislature and try to get it resolved. Now, whether it should be is up to the judgment of this particular body."

Senator Rasmussen: "Well, you seem to be advocating it for one horse, I thought maybe it would be good for two horses. I'll probably ask Senator Warnke. Thank you, Senator Lee."

#### POINT OF INQUIRY

Senator Rasmussen: "Senator Warnke, could you explain how this differs from the dealer's bill that was passed a number of years ago which protected the dealer of whatever automobile he was having from predatory tactics by the distributor or the factory. What difference is there in this? I don't recall that we had territories assigned to the various dealers in that bill."

Senator Warnke: "Senator Rasmussen, are you referring to the auto dealer's bill that passed many years ago? The only difference that I can think of--there are differences in this bill because we are giving them a different product. Number one, is that you're dealing with a product under 1500 pounds gross weight, which sets up a different system. Secondly, there are territorial radiuses identified in this bill which are not in auto dealership. The justification for that was that auto dealers have a much greater protection from their manufacturer of setting up competing businesses side-by-side than motorcycle or recreational dealers."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the motion by Senator Warnke to concur in the House amendment to Engrossed Substitute Senate Bill No. 3333.

The motion by Senator Warnke carried and the Senate concurred in the House amendment to Engrossed Substitute Senate Bill No. 3333.

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Bill No. 3333, as amended by the House.

#### ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute Senate Bill No. 3333, as amended by the House, and the bill passed the Senate by the following vote: Yeas, 34; nays, 13; absent, 1; excused, 1.

Senator Talmadge: "I think, Senator Garrett, they demonstrated such a fine survival capacity that who knows, maybe next they'd get into such topics as the state folk song, the state rock song, the state song, the state needle, which is space, the state rock, the state dance, the state grass. Who knows what next they could come up with?"

#### REPORT OF CONFERENCE COMMITTEE

April 23, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED HOUSE BILL NO. 327, as amended by the Senate, restricting the use of optical strobe light devices to publicly-owned emergency and law enforcement vehicles, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

On page 2, line 29, after "1968," strike all material through "RCW 46.16.315" on line 34, and insert "The owner of a vehicle considered by the owner to be a collector's item may retain and use the pre-1968 plates, notwithstanding any other provisions of chapter 46.16 RCW to the contrary, provided the plates are legible"

Signed by Senators Peterson, Bluechel and Vognilid; Representatives Walk, Baugher and Prince.

#### MOTION

Senator Peterson moved that the Report of the Conference Committee on Engrossed House Bill No. 327 be adopted and that the committee be granted the powers of Free Conference.

#### POINT OF INQUIRY

Senator Garrett: "Senator Peterson--'the owner of a vehicle considered to be a collector's item may retain the use of its pre-1968 plates.' Now that means that any automobile, if in the opinion of the owner--that has 1968 plates--they can keep those plates--they don't have to buy new ones?"

Senator Peterson: "They would still have to fall within RCW 46.16 and 33.15 and I don't think that presents a problem, Senator."

Senator Garrett: "In other words, you don't know the answer to the question whether that would be--"

Senator Peterson: "Well, give me a direct question and I'll try to give you a direct answer."

Senator Garrett: "Well, I've asked you and your saying I'll have to check it with 46.16 RCW in order to find the answer."

Senator Peterson: "Well, that covers legibility and I don't think it presents a problem. We tried to work it out in the measure that would help those people with antique vehicles and I don't think it presents that kind of problem."

Further debate ensued.

The President Pro Tempore declared the question before the Senate to be the motion by Senator Peterson to adopt the Report of the Conference Committee on Engrossed House Bill No. 327 and that the powers of Free Conference be granted.

The motion by Senator Peterson carried and the Report of the Conference Committee on Engrossed House Bill No. 327 was adopted and the powers of Free Conference were granted.

There being no objection, the President Pro Tempore reverted the Senate to the first order of business.

(d) The outcome is not in the control of the operator;

(e) The wagers are placed, the winners are determined, and a distribution of prizes or property is made in the presence of all persons placing wagers at such game; and

(f) Said game is conducted or operated by any agricultural fair, person, association, or organization in such manner and at such locations as may be authorized by rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended.

Cake walks as commonly known and fish ponds as commonly known shall be treated as amusement games for all purposes under this chapter.

The legislature hereby authorizes the wagering on the outcome of the roll of dice or the flipping of or matching of coins on the premises of an establishment engaged in the business of selling food or beverages for consumption on the premises to determine which of the participants will pay for certain items of food or beverages served or sold by such establishment and therein consumed. Such establishments are hereby authorized to possess dice and dice cups on their premises, but only for use in such limited wagering. Persons engaged in such limited form of wagering shall not be subject to the criminal or civil penalties otherwise provided for in this chapter: PROVIDED, That minors shall be barred from engaging in the wagering activities allowed by this chapter.

(2) "Bingo" means a game conducted only in the county within which the organization is principally located in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization (~~which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and~~) which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any

person other than the organization conducting said game. For the purposes of this subsection the organization shall be deemed to be principally located in the county within which it has its primary business office. If the organization has no business office, the organization shall be deemed to be located in the county of principal residence of its chief executive officer: PROVIDED, That any organization which is conducting any licensed and established bingo game in any locale as of January 1, 1981 shall be exempt from the requirement that such game be conducted in the county in which the organization is principally located.

(3) "Bona fide charitable or nonprofit organization" means: (a) any organization duly existing under the provisions of chapters 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (b) any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. Such an organization must have been organized and continuously operating for at least twelve calendar months immediately preceding making application for any license to operate a gambling activity, or the operation of any gambling activity authorized by this chapter for which no license is required. It must have not less than fifteen bona fide active members each with the right to an equal vote in the election of the officers, or board members, if any, who determine the policies of the organization in order to receive a gambling license. An organization must demonstrate to the commission that it has made significant progress toward the accomplishment of the purposes of the organization during the twelve consecutive month period preceding the date of application for a license or license renewal. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(4) "Bookmaking" means accepting bets as a business, rather than in a casual or personal fashion, upon the outcome of future contingent events.

(5) "Commercial stimulant". An activity is operated as a commercial stimulant, for the purposes of this chapter, only when it is an incidental activity operated in connection with, and incidental to, an established business, with the primary purpose of increasing the volume of sales of food or drink for consumption on that business premises. A business holding a class B or H license issued by the Washington state liquor control board is deemed to be an established business primarily engaged in the sale of food and drink for consumption on the premises and any authorized gambling activity operated in connection with that business is deemed an incidental activity thereto. However, the commission may by rule establish guidelines and criteria for applying this definition to its applicants and licensees for gambling activities authorized by this chapter as commercial stimulants.

(6) "Commission" means the Washington state gambling commission created in RCW 9.46.040.

(7) "Contest of chance" means any contest, game, gaming scheme, or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants may also be a factor therein.

(8) "Fishing derby" means a fishing contest, with or without the payment or giving of an entry fee or other consideration by some or all of the contestants wherein prizes are awarded for the species, size, weight, or quality of fish caught in a bona fide fishing or recreational event.

(9) "Gambling". A person engages in gambling if he stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his control or influence, upon an agreement or understanding that he or someone else will receive something of value in the event of a certain outcome. Gambling does not include fishing derbies as defined by this chapter, parimutuel betting as authorized by chapter 67.16 RCW, bona fide business transactions valid under the law of contracts, including, but not limited to, contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including, but not limited to, contracts of

indemnity or guarantee and life, health or accident insurance. In addition, a contest of chance which is specifically excluded from the definition of lottery under subsection (14) of this section shall not constitute gambling.

(10) "Gambling device" means: (a) Any device or mechanism the operation of which a right to money, credits, deposits or other things of value may be created, in return for a consideration, as the result of the operation of an element of chance; (b) any device or mechanism which, when operated for a consideration, does not return the same value or thing of value for the same consideration upon each operation thereof; (c) any device, mechanism, furniture, fixture, construction or installation designed primarily for use in connection with professional gambling; and (d) any subassembly or essential part designed or intended for use in connection with any such device, mechanism, furniture, fixture, construction or installation. But in the application of this definition, a pinball machine or similar mechanical amusement device which confers only an immediate and unrecorded right of replay on players thereof, which does not contain any mechanism which varies the chance of winning free games or the number of free games which may be won or a mechanism or a chute for dispensing coins or a facsimile thereof, and which prohibits multiple winnings depending upon the number of coins inserted and requires the playing of five balls individually upon the insertion of a nickel or dime, as the case may be, to complete any one operation thereof, shall not be deemed a gambling device: PROVIDED FURTHER, That owning, possessing, buying, selling, renting, leasing, financing, holding a security interest in, storing, repairing and transporting such pinball machines or similar mechanical amusement devices shall not be deemed engaging in professional gambling for the purposes of this chapter and shall not be a violation of this chapter: PROVIDED FURTHER, That any fee for the purchase or rental of any such pinball machines or similar amusement devices shall have no relation to the use to which such machines are put but be based only upon the market value of any such machine, regardless of the location of or type of premises where used, and any fee for the storing, repairing and transporting thereof shall have no relation to the use to which such machines are put, but be commensurate with the cost of labor and other expenses incurred in any such storing, repairing and transporting.

(11) "Gambling information" means any wager made in the course of and any information intended to be used for professional gambling. In the application of this definition information as to wagers, betting odds and changes in betting odds shall be presumed to be intended for use in professional gambling: PROVIDED, HOWEVER, That this subsection shall not apply to newspapers of general circulation or commercial radio and television stations licensed by the federal communications commission.

(12) "Gambling premises" means any building, room, enclosure, vehicle, vessel or other place used or intended to be used for professional gambling. In the application of this definition, any place where a gambling device is found, shall be presumed to be intended to be used for professional gambling.

(13) "Gambling record" means any record, receipt, ticket, certificate, token, slip or notation given, made, used or intended to be used in connection with professional gambling.

(14) "Lottery" means a scheme for the distribution of money or property by chance, among persons who have paid or agreed to pay a valuable consideration for the chance.

For the purpose of this chapter, the following activities do not constitute "valuable consideration" as an element of a lottery:

(a) Listening to or watching a television or radio program or subscribing to a cable television service;

(b) Filling out and returning a coupon or entry blank or facsimile which is received through the mail or published in a bona fide newspaper or magazine, or in a program sold in conjunction with and at a regularly scheduled sporting event, or the purchase of such a newspaper, magazine or program;

(c) Sending a coupon or entry blank by United States mail to a designated address in connection with a promotion conducted in this state;

(d) Visitation to any business establishment to obtain a coupon, or entry blank;

(e) Mere registration without purchase of goods or services;

(f) Expenditure of time, thought, attention and energy in perusing promotional material;

(g) Placing or answering a telephone call in a prescribed manner or otherwise making a prescribed response or answer;

(h) Furnishing the container of any product as packaged by the manufacturer, or a particular portion thereof but only if furnishing a plain piece of paper or card with the name of the manufacturer or product handwritten on it is acceptable in lieu thereof: PROVIDED, That where any drawing is held by or on behalf of in-state retail outlets in connection with business promotions authorized under subsections (d) and (e) hereof, no such in-state retail outlet may conduct more than one such drawing during each calendar year and the period of the drawing and its promotion shall not extend for more than seven consecutive days: PROVIDED FURTHER, That if the sponsoring organization has more than one outlet in the state such drawings must be held in all such outlets at the same time except that a sponsoring organization with more than one outlet may conduct a separate drawing in connection with the initial opening of any such outlet; or

(i) The payment of an admission fee to gain admission to any agricultural fair authorized under chapters 15.76 or 36.37 RCW where (i) the scheme is conducted for promotional or advertising purposes, not including the promotion or advertisement of the scheme itself; and (ii) the person or organization conducting the scheme receives no portion of the admission fee either directly or indirectly and receives no other money for conducting the scheme either directly or indirectly, other than what might be received indirectly as a result of the success of the promotional or advertising aspect of the scheme.

For purposes of this chapter, radio and television broadcasting is hereby declared to be preempted by applicable federal statutes and the rules applicable thereto by the federal communications commission. Broadcast programming, including advertising and promotion, that complies with said federal statutes and regulations is hereby authorized.

(15) "Member" and "bona fide member". As used in this chapter, member and bona fide member each mean a person accepted for membership in an organization eligible to be licensed by the commission under this chapter upon application, with such action being recorded in the official minutes of a regular meeting or who has held full and regular membership status in the organization for a period of not less than twelve consecutive months prior to participating in the management or operation of any gambling activity. Such membership must in no way be dependent upon, or in any way related to, the payment of consideration to participate in any gambling activity.

Member or bona fide member shall include only members of an organization's specific chapter or unit licensed by the commission or otherwise actively conducting the gambling activity: PROVIDED, That

(a) Members of chapters or local units of a state, regional or national organization may be considered members of the parent organization for the purpose of a gambling activity conducted by the parent organization, if the rules of the parent organization so permit;

(b) Members of a bona fide auxiliary to a principal organization may be considered members of the principal organization for the purpose of a gambling activity conducted by the principal organization. Members of the principal organization may also be considered members of its auxiliary for the purpose of a gambling activity conducted by the auxiliary; and

(c) Members of any chapter or local unit within the jurisdiction of the next higher level of the parent organization, and members of a bona fide auxiliary to that chapter or unit, may assist any other chapter or local unit of that same organization licensed by the commission in the conduct of gambling activities.

No person shall be a member of any organization if that person's primary purpose for membership is to become, or continue to be, a participant in, or an operator or manager of, any gambling activity or activities.

(16) "Player" means a natural person who engages, on equal terms with the other participants, and solely as a contestant or bettor, in any form of gambling in which no person may receive or become entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of a particular gambling activity. A natural person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor, and supplying cards or other equipment used therein. A person who engages in "bookmaking" as defined in this section is not a "player".

(17) A person is engaged in "professional gambling" when:

(a) Acting other than as a player or in the manner set forth in RCW 9.46.030 as now or hereafter amended, he knowingly engages in conduct which materially aids any other form of gambling activity; or

(b) Acting other than as a player, or in the manner set forth in RCW 9.46.030 as now or hereafter amended, he knowingly accepts or receives money or other property pursuant to an agreement or understanding with any person whereby he participates or is to participate in the proceeds of gambling activity;

(c) He engages in bookmaking; or

(d) He conducts a lottery as defined in subsection (14) of this section.

Conduct under subparagraph (a), except as exempted under RCW 9.46.030 as now or hereafter amended, includes but is not limited to conduct directed toward the creation or establishment of the particular game, contest, scheme, device or activity involved, toward the acquisition or maintenance of premises, paraphernalia, equipment or apparatus therefor, toward the solicitation or inducement of persons to participate therein, toward the actual conduct of the playing phases thereof, toward the arrangement of any of its financial or recording phases, or toward any other phase of its operation. If a person having substantial proprietary or other authoritative control over any premises shall permit said premises to be used with the person's knowledge for the purpose of conducting gambling activity other than gambling activities as set forth in RCW 9.46.030 as now or hereafter amended, and acting other than as a player, and said person permits such to occur or continue or makes no effort to prevent its

occurrence or continuation, he shall be considered as being engaged in professional gambling: PROVIDED, That the proprietor of a bowling establishment who awards prizes obtained from player contributions, to players successfully knocking down pins upon the contingency of identifiable pins being placed in a specified position or combination of positions, as designated by the posted rules of the bowling establishment, where the proprietor does not participate in the proceeds of the "prize fund" shall not be construed to be engaging in "professional gambling" within the meaning of this chapter: PROVIDED, FURTHER, That the books and records of the games shall be open to public inspection.

(18) "Punch boards" and "pull-tabs" shall be given their usual and ordinary meaning as of July 16, 1973, except that such definition may be revised by the commission pursuant to rules and regulations promulgated pursuant to this chapter.

(19) "Raffle" means a game in which tickets bearing an individual number are sold for not more than one dollar each and in which a prize or prizes are awarded on the basis of a drawing from said tickets by the person or persons conducting the game, when said game is conducted by a bona fide charitable or nonprofit organization, no person other than a bona fide member of said organization takes any part in the management or operation of said game, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game.

(20) "Social card game" means a card game, including but not limited to the game commonly known as "Mah Jongg", which constitutes gambling and contains each of the following characteristics:

(a) There are two or more participants and each of them are players. However, no business with a public cardroom on its premises may have more than five separate tables at which card games are played; and

(b) A player's success at winning money or other thing of value by overcoming chance is in the long run largely determined by the skill of the player; and

(c) No organization, corporation or person collects or obtains or charges any percentage of or collects or obtains any portion of the money or thing of value wagered or won by any of the players: PROVIDED, That this item (c) shall not preclude a player from collecting or obtaining his winnings; and

(d) No organization or corporation, or person collects or obtains any money or thing of value from, or charges or imposes any fee upon, any person which either enables him to play or results in or from his playing in excess of ~~((one dollar))~~ two dollars per half hour of playing time by that person collected in advance: PROVIDED, That a fee may also be charged for entry into a tournament for prizes, which fee shall not exceed ~~((twenty-five))~~ fifty dollars, including all separate fees which might be paid by a player for various phases or events of the tournament: PROVIDED FURTHER, That this item (d) shall not apply to the membership fee in any bona fide charitable or nonprofit organization; and

(e) The type of card game is one specifically approved by the commission pursuant to RCW 9.46.070; and

(f) The extent of wagers, money or other thing of value which may be wagered or contributed by any player does not exceed the amount or value specified by the commission pursuant to RCW 9.46.070.

(21) "Thing of value" means any money or property, any token, object or article exchangeable for money or property, or any form of credit or promise, directly or indirectly, contemplating transfer of money or property or of any interest therein, or involving extension of a service, entertainment or a privilege of playing at a game or scheme without charge.

(22) "Whoever" and "person" include natural persons, corporations and partnerships and associations of persons; and when any corporate officer, director or stockholder or any partner authorizes, participates in, or knowingly accepts benefits from any violation of this chapter committed by his corporation or partnership, he shall be punishable for such violation as if it had been directly committed by him.

(23) "Fund raising event" means a fund raising event conducted during any seventy-two consecutive hours but exceeding twenty-four consecutive hours and not more than once in any calendar year or a fund raising event conducted not more than twice each calendar year for not more than twenty-four consecutive hours each time by a bona fide charitable or nonprofit organization as defined in subsection (3) of this section other than any agricultural fair referred to thereunder, upon authorization therefor by the commission, which the legislature hereby authorizes to issue a license therefor, with or without fee, permitting the following activities, or any of them, during such event: Bingo, amusement games, contests of chance, lotteries and raffles: PROVIDED, That (a) gross wagers and bets received by the organization less the amount of money paid by the organization as winnings and for the purchase cost of prizes given as winnings do not exceed ten thousand dollars during the total calendar days of such fund raising event in the calendar year; (b) such activities shall not include any mechanical gambling or lottery device activated by the insertion of a coin or by the insertion of any object purchased by any person taking a chance by gambling in respect to the device; (c) only bona fide members of the organization who are not paid for such service shall participate in the management or operation of the activities, and all income therefrom, after deducting the cost

of prizes and other expenses, shall be devoted solely to the lawful purposes of the organization; and (d) such organization shall notify the appropriate local law enforcement agency of the time and place where such activities shall be conducted. The commission shall require an annual information report setting forth in detail the expenses incurred and the revenue received relative to the activities permitted.

Bona fide charitable or nonprofit organizations holding a license to conduct a fund raising event may joint (join) together to jointly conduct a fund raising event if:

(i) Approval to do so is received from the commission; and

(ii) The method of dividing the income and expenditures and the method of recording and handling of funds are disclosed to the commission in the application for approval of the joint fund raising event and are approved by the commission.

The gross wagers and bets received by the organizations less the amount of money paid by the organizations as winnings and for the purchase costs of prizes given as winnings may not exceed ten thousand dollars during the total calendar days of such event. The net receipts each organization receives shall count against the organization's annual limit stated in this subsection.

A joint fund raising event shall count against only the lead organization or organizations receiving fifty percent or more of the net receipts for the purposes of the number of such events an organization may conduct each year.

The commission may issue a joint license for a joint fund raising event and charge a license fee for such license according to a schedule of fees adopted by the commission which reflects the added cost to the commission of licensing more than one licensee for the event.

Sec. 2. Section 11, chapter 218, Laws of 1973 1st ex. sess. as last amended by section 8, chapter 139, Laws of 1981 and RCW 9.46.110 are each amended to read as follows:

The legislative authority of any county, city-county, city, or town, by local law and ordinance, and in accordance with the provisions of this chapter and rules and regulations promulgated hereunder, may provide for the taxing of any gambling activity authorized in RCW 9.46.030 as now or hereafter amended within its jurisdiction, the tax receipts to go to the county, city-county, city, or town so taxing the same: PROVIDED, That any such tax imposed by a county alone shall not apply to any gambling activity within a city or town located therein but the tax rate established by a county, if any, shall constitute the tax rate throughout such county including both incorporated and unincorporated areas, except for any city located therein with a population of twenty thousand or more persons as of the most recent decennial census taken by the federal government: PROVIDED FURTHER, That (1) punch boards and pull-tabs, chances on which shall only be sold to adults, which shall have a ((~~twenty-five~~)) fifty cent limit on a single chance thereon, shall be taxed on a basis which shall reflect only the gross receipts from such punch boards and pull-tabs; and (2) no punch board or pull-tab may award as a prize upon a winning number or symbol being drawn the opportunity of taking a chance upon any other punch board or pull-tab; and (3) all prizes for punch boards and pull-tabs must be on display within the immediate area of the premises wherein any such punch board or pull-tab is located and upon a winning number or symbol being drawn, such prize must be immediately removed therefrom, or such omission shall be deemed a fraud for the purposes of this chapter; and (4) when any person shall win over twenty dollars in money or merchandise from any punch board or pull-tab, every licensee hereunder shall keep a public record thereof for at least ninety days thereafter containing such information as the commission shall deem necessary: AND PROVIDED FURTHER, That taxation of bingo and raffles shall never be in an amount greater than ten percent of the gross revenue received therefrom less the amount paid for or as prizes. Taxation of amusement games shall only be in an amount sufficient to pay the actual costs of enforcement of the provisions of this chapter by the county, city or town law enforcement agency and in no event shall such taxation exceed two percent of the gross revenue therefrom less the amount paid for as prizes: PROVIDED FURTHER, That no tax shall be imposed under the authority of this chapter on bingo, raffles or amusement games when such activities or any combination thereof are conducted by any bona fide charitable or nonprofit organization as defined in RCW 9.46.020(3), which organization has no paid operating or management personnel and has gross income from bingo, raffles or amusement games, or any combination thereof, not exceeding five thousand dollars per year less the amount paid for as prizes. Taxation of punch boards and pull-tabs shall not exceed five percent of gross receipts, nor shall taxation of social card games exceed twenty percent of the gross revenue from such games."

On page 1, line 1 of the title, after "gambling;" strike the remainder of the title and insert "and amending RCW 9.46.020 and 9.46.110."

I know what's best for the taxpayers of the state--the industry and they talk about throwing of the water and stuff--what you do is you put mud guards by this drum on it and you're catching that spray, so your outfit tracks better, you can follow it, it's a safer rig on the road and for the life of me it's no part of the triple trailer."

On motion of Senator McDermott, the following amendment was adopted:

On motion of Senator McDermott, the rules were suspended, Engrossed Third Substitute Senate Bill No. 3827 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

## POINT OF INQUIRY

Senator McCaslin: "Senator Kreidler, on page 4, subsection (5), when we talked about 'removing pollutants from,' do you know what that means? Addressing our problem, sole source aquifer, of course, we're talking about the installation of sewer facilities and so forth which would keep pollutants from entering the aquifer. But when we talk about removing pollutants, I'm just not sure what that language means."

Senator Kreidler: "Senator McCaslin, as I understand that language, it's speaking to just exactly what you said, keeping pollutants from getting into the aquifer and the wording there is kind of the standard language that has been used and has been used consistently when we've had the bond measure before us, and as I understand it, it's the language that's standardly used in referencing and describing the preventing of pollutants from there. Even though it sounds like we're going

down into the ground and removing them, we are essentially stopping them from getting into the aquifer, as it would apply in this case."

Senator McCaslin: "One other short question, if you would, Senator Kreidler. 'Significant subterranean water bodies'--do you have a definition of that or what DOE would define that as being? I think of it as sole source aquifer."

Senator Kreidler: "I think that is another description of sole source aquifers and we see here that it's referencing sole source aquifers. As an example of what you described there, a significant subterranean of water bodies, but not all of them necessarily meet the specific description of a sole source aquifer, some of them are going to be ones that may go on and not meet that particular category definition. Sole source aquifer meets that definition, but is more specific and that's the reason for describing it that way by them being more specific. As you can see now, two-thirds of the money in that particular category is specifically for the Spokane aquifer."

#### POINT OF INQUIRY

Senator Talmadge: "Senator Bottiger, I want to be certain that I understand your intent in striking language that was included originally in Section 8 of the bill. The language was stricken in the Ways and Means Committee and required a signed grant agreement for solid waste facility construction by December 31, 1987, if Referendum 39 money is to be guaranteed for the project. Since 1980, less than ten percent of the Referendum 39 money allocated for solid waste has been requested. I suppose that you would support having this money used for other purposes, such as water quality or agricultural pollution control if signed grant agreements for solid waste facilities that do not come about in the next two to three years?"

Senator Bottiger: "Senator Talmadge, my opposition to the inclusion of that language is not intended to indefinitely postpone the delay. If progress is not made within a reasonable period of time--two to three years being--I think reasonable, then I think that money ought to be released, but I would point out that garbage dumps are polluting water and it's a problem that we're going to face in the future and I think that a solution other than just burying garbage has got to be found."

Further debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator Kreidler, on page 3, sub (5) indicates that 'Loans shall be made for a term not to exceed ten years and shall bear interest at rates determined by the Department in consultation with the State Treasurer.' Is there some other section of the law that indicates that you can loan money for less than the going rate that we're paying for bonds? It's a very unusual provision to give the Department of Ecology. I don't know if we give that to any other state department that they can loan money at a rate that they determine."

Senator Kreidler: "Senator Rasmussen, the answer to that is simply one that the Department is going to have several options as the different points here would indicate. One of the options is that some of the money will be loaned and obviously as interest rates somewhat differ, they are going to be able to assign different rates of interest."

Senator Rasmussen: "That's very unusual that you are going to loan to one poor city at a different rate than some other poor city. However, I can see that it is not very clear in the bill. The other thing in Section 9, 'as soon as practicable,' after we've jumped in the river, or it didn't say that it says, 'after the effective date of this act, the Director of Financial Management shall establish and chair a study group.' My concern would be, usually you have that study group before you jump in over your head."

Senator Kreidler: "Section 9 speaks to the fact that we may wind up with some dedicated source as opposed to what this bill would do as to giving direction to future legislatures as to what they should do in order to avoid dependence on bonds and establishing a pay as you go. This section would say perhaps the legislature would like to have a dedicated source for that revenue to be generated rather than taking it from the general fund and some recommendations are going

to come back to us--back to the legislature for their future consideration. It would be an alternative."

Further debate ensued.

#### POINT OF INQUIRY

Senator Barr: "Senator Lee, I can't but say that I'm kind of disappointed in the language of this bill compared to some that had been around and everyone was looking at before this morning, or this afternoon really. I probably don't need to repeat it about my concern about the No. 1 present, proven water quality problem in the state of Washington and that's these fresh water lakes where people who are living around them with septic tanks. Where is that in this bill and how will that be met in this bill with money, as well as the non-point? Now, some drafts as we had here in front of us and were looking at had money designated for pollution control facilities for fresh water lakes and non-point works which we know is a big problem in Puget Sound and all over the state. Is there some language in here so that money will be designated for the people around these lakes and for conservation districts to work on this non-point pollution thing with dairy wastes in Puget Sound and other places?"

Senator Lee: "Yes, Senator Barr, it's in two places, on page 2 where we described water pollution control activity. That's one of the measures that any grant or loan will have to meet and there is a specific reference to restoring the water quality of fresh water lakes on that particular page. Then, in addition to that, since that's clearly an activity for which these monies can be done, on page 3, at the bottom, sub (4) where a percentage is set aside for water pollution control facilities and activities that remove pollutants from or prevent the pollution of fresh water lakes and rivers and then we go on to mention 'including but not limited to Lake Chelan and the Yakima and Columbia River' and that is targeting and a clear message from this legislature that we do want the problem to be addressed and that we want a certain amount of money set aside just for those purposes."

Senator Barr: "Senator Lee, would you interpret this to include and mean that pollution control facilities on those lakes?" (No time left for Senator Lee's reply--three minute rule)

#### POINT OF INQUIRY

Senator Hayner: "Senator Bottiger, in Section 3, subsection (2), it states that 'The Department shall insure that grants of funds would not constitute more than fifty percent of the total eligible cost,' then it says that 'grants, loans and federal funds shall not constitute more than seventy-five percent.' Now, I think where the confusion comes in as far as Senator Guess is concerned is in the next section, which says, 'The Department shall insure that grants or loans made to a public body for water pollution control activities do not constitute more than fifty percent of the total cost of such activity.' In other words, even though you may not get more than fifty percent of a grant from the state, suppose the state decides that you are not entitled to a grant, but you can have a loan? In this language, it seems to me, that it is saying that under those circumstances the local community might be forced to pay for the entire costs."

Senator Bottiger: "Senator Hayner, if that were the recommendation in the capitol budget subject to appropriation, you would have my assurance that I would oppose it. I understand the intent of subsection (3) is for planning money and in those cases where a city that would not be eligible for any other grant money could come down and ask for a loan. I don't perceive the evil there that some people do and it's not my intent."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Third Substitute Senate Bill No. 3827.

If the inmate is recaptured, the department shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(3) The department of corrections shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(4) For purposes of this section the following terms have the following meanings:

(a) "Violent offense" means a violent offense under RCW 9.94A.030;

(b) "Next of kin" means a person's spouse, parents, siblings and children.

(5) Nothing in this section shall impose any liability upon a chief of police of a city or sheriff of a county for failing to request in writing a notice as provided in subsection (1) of this section.

NEW SECTION, Sec. 2. A new section is added to chapter 9.94A RCW to read as follows:

The department of corrections shall provide the victims and next of kin in the case of a homicide and witnesses involved in violent offense cases where a judgment and sentence was entered after October 1, 1983, a statement of the rights of victims and witnesses to request and receive notification under sections 1 and 3 of this act.

(5) "Confinement" means total or partial confinement as defined in this section.

(6) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW.

The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(10) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a fine or restitution. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(12) "First-time offender" means any person convicted of a felony not classified as a violent offense under this chapter, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(14) "Partial confinement" means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, for a substantial portion of each day with the balance of the day spent in the community.

(15) "Restitution" means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

(16) "Sentence range" means the sentencing court's discretionary range in imposing a nonappealable sentence.

(17) "Total confinement" means confinement inside the physical boundaries of a facility or institution operated or utilized under contract by the state or any other unit of government for twenty-four hours a day, or pursuant to RCW 72.64.050 and 72.64.060.

(c) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as a violent offense under subsection ~~((f))~~ (19)(a) or (b) of this section.

Upon receipt of furlough information pursuant to the provisions of this subsection the section shall notify the sheriff or director of public safety of the county to which the prisoner is being furloughed, the nearest attachment of the Washington state patrol in the county wherein the furloughed prisoner shall be residing and such other criminal justice agencies as the section may determine should be so notified.

(4) Whenever a person serving a sentence for a term of confinement in a state correctional facility for convicted felons, pursuant to court commitment, is released on an order of the state board of prison terms and paroles, or is discharged from custody on expiration of sentence, the department of ~~((social and health services))~~ corrections shall promptly notify the section that the named person has been released or discharged, the place to which such person has been released or discharged, and the conditions of his release or discharge, and shall additionally notify the section of change in residence or conditions of release or discharge of persons on active parole supervision, and shall notify the section when persons are discharged from active parole supervision.

No city, town, county, or local law enforcement authority or other agency thereof may require that a convicted felon entering, sojourning, visiting, in transit, or residing in such city, town, county, or local area report or make himself known as a convicted felon or make application for and/or carry on his person a felon identification card or other registration document. Nothing herein shall, however, be construed to prevent any local law enforcement authority from recording the residency and other information concerning any convicted felon or other person convicted of a criminal offense when such information is obtained from a source other than from such requirement which source may include any officer or other agency or subdivision of the state.

NEW SECTION. Sec. 7. A new section is added to chapter 9.94A RCW to read as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. By January 1, 1986, the department of ecology shall report to the legislature all enforcement actions initiated from 1983 through November, 1985 regarding the protection of Puget Sound water quality. The report shall include the number and type of complaints received, the number of inspections conducted, the number of violations cited, the number of variances granted, the amount of penalties collected, the number of times maximum fines were collected, the number of penalties that were rescinded, and the number of criminal actions that were taken. The department of ecology shall also hold public hearings in December, 1985 in accordance with the administrative procedure act, chapter 34.04 RCW, regarding the adequacy of current enforcement activities. A report summarizing the testimony presented shall also be prepared for the legislature by February 15, 1986.

Sec. 2. Section 14, chapter 139, Laws of 1967 ex. sess. as last amended by section 9, chapter 155, Laws of 1973 and RCW 90.48.144 are each amended to read as follows:

Every person who:

(1) Violates the terms or conditions of a waste discharge permit issued pursuant to RCW 90.48.180 or this amendatory act, or

(2) Conducts a commercial or industrial operation or other point source discharge operation without a waste discharge permit as required by RCW 90.48.160 or this amendatory act, or

(3) Violates the provisions of RCW 90.48.080, or other sections of this chapter or regulations or orders adopted or issued pursuant thereto, shall incur, in addition to any other penalty as provided by law, a penalty in an amount of up to ((five)) ten thousand dollars a day for every such violation. Each and every such violation shall be a separate and distinct offense, and in case of a continuing violation, every day's continuance shall be and be deemed to be a separate and distinct violation. Every act of commission or omission which procures, aids or abets in the violation shall be considered a violation under the provisions of this section and subject to the penalty herein provided for. The penalty amount shall be set in consideration of the previous history of the violator and the severity of the violation's impact on public health and/or the environment in addition to other relevant factors. The penalty herein provided for shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the same from the director of the department or his authorized delegate describing such violation with reasonable particularity. The director or his authorized delegate may, upon written application therefor received within fifteen days after notice imposing any penalty is received by the person incurring the penalty, and when deemed in the best interest to carry out the purposes of this chapter, remit or mitigate any penalty provided for in this section upon such terms as he in his discretion shall deem proper, and shall have authority to ascertain the facts upon all such applications in such manner and under such regulations as he may deem proper. The director shall remit or mitigate penalties only upon a demonstration of extraordinary circumstances such as the presence of information or factors not considered in setting the original penalty. Any person incurring any penalty hereunder may appeal the same to the hearings board as provided for in chapter 43.21B RCW. Such appeals shall be filed within thirty days of receipt of notice imposing any penalty unless an application for remission or mitigation is made to the department. When an application for remission or mitigation is made, such appeals shall be filed within thirty days of receipt of notice from the director or his authorized delegate setting forth the disposition of the application. Any penalty imposed hereunder shall become due and payable thirty days after receipt of a notice imposing the same unless application for remission or mitigation is made or an appeal is filed. When an application for remission or mitigation is made, any penalty incurred hereunder shall become due and payable thirty days after receipt of notice setting forth the disposition of the application unless an appeal is filed from such disposition. Whenever an appeal of any penalty incurred hereunder is filed, the penalty shall become due and payable only upon completion of all review proceedings and the issuance of a final order confirming the penalty in whole or in part. If the amount of any penalty is not paid to the department within thirty days after it becomes due and payable, the attorney general, upon the request of the director, shall bring an action in the name of the state of Washington in the superior court of Thurston county or of any county in which such violator may do business, to recover such penalty. In all such actions the procedure and rules of evidence shall be the same as an ordinary civil action except as otherwise in this chapter provided. All penalties recovered under this section shall be paid into the state treasury and credited to the general fund.

Sec. 3, Section 18, chapter 216, Laws of 1945 as last amended by section 2, chapter 155, Laws of 1973 and RCW 90.48.120 are each amended to read as follows:

(1) Whenever, in the opinion of the department, any person shall violate or ~~((is about))~~ creates a substantial potential to violate the provisions of this chapter, or fails to control the polluting content of waste discharged or to be discharged into any waters of the state, the department shall notify such person of its determination by registered mail. Such determination shall not constitute an order or directive under RCW 90.48.135. Within thirty days from the receipt of notice of such determination, such person shall file with the department a full report stating what steps have been and are being taken to control such waste or pollution or to otherwise comply with the determination of the department. Whereupon the department shall issue such order or directive as it deems appropriate under the circumstances, and shall notify such person thereof by registered mail.

(2) Whenever the department deems immediate action is necessary to accomplish the purposes of chapter 90.48 RCW, it may issue such order or directive, as appropriate under the circumstances, without first issuing a notice or determination pursuant to subsection (1) of this section. An order or directive issued pursuant to this subsection shall be served by registered mail or personally upon any person to whom it is directed.

Sec. 4, Section 5, chapter 133, Laws of 1969 ex. sess. as amended by section 10, chapter 88, Laws of 1970 ex. sess. and RCW 90.48.340 are each amended to read as follows:

The director shall investigate each activity or project conducted under RCW 90.48.330 to determine, if possible, the circumstances surrounding the entry of oil into waters of the state and the person or persons allowing said entry or responsible for the act or acts which result in said entry. Whenever it appears to the director, after investigation, that a specific person or persons are responsible for the necessary expenses incurred by the state pertaining to a project or activity as specified in RCW 90.48.335, the director shall notify said person or persons by appropriate order: PROVIDED, That no order may be issued pertaining to a project or activity

which was completed more than five years prior to the date of the proposed issuance of the order. Said order shall state the findings of the director, the amount of necessary expenses incurred by the commission in conducting the project or activity, and a notice that said amount is due and payable immediately upon receipt of said order. The commission may, upon application from the recipient of an order received within thirty days from the receipt of the order, reduce or set aside in its entirety the amount due and payable, when it appears from the application, and from any further investigation the commission may desire to undertake, that a reduction or setting aside is just and fair under all the circumstances. If the amount specified in the order issued by the director notifying said person or persons is not paid within thirty days after receipt of notice imposing the same, or if an application has been made within thirty days as herein provided and the amount provided in the order issued by the commission subsequent to such application is not paid within fifteen days after receipt thereof, the attorney general, upon request of the director, shall bring an action on behalf of the state in the superior court of Thurston county or any county in which the person to which the order is directed does business to recover the amount specified in the final order of the director or the commission, as appropriate. No order issued under this section shall be construed as an order within the meaning of RCW 90.48.135. In any action to recover necessary expenses as herein provided said person shall be relieved from liability for necessary expenses if he can prove that the oil to which the necessary expenses relate entered the waters of the state by causes set forth in RCW 90.48.320(3). ~~((For purposes of this section "necessary expenses" shall not include expenses relating to investigation or the performance of surveillance.))~~

Providing for teacher evaluation.

The bill was read the second time.

## MOTION

Senator Gaspard moved adoption of the following Committee on Education amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. The legislature recognizes the importance of teachers in the educational system. Teachers are the fundamental element in assuring a quality education for the state's and the nation's children. Teachers, through their direct contact with children, have a great impact on the development of the child. The legislature finds that this important role of the teacher requires an assurance that teachers are as successful as possible in attaining the goal of a well-educated society. The legislature finds, therefore, that an evaluation system for teachers has the following elements, goals, and objectives: (1) An evaluation system must be meaningful, helpful, and objective; (2) an evaluation system must encourage improvements in teaching skills, techniques, and abilities by identifying areas needing improvement; (3) an evaluation system must provide a mechanism to make meaningful distinctions among teachers and to acknowledge, recognize, and encourage superior teaching performance; and (4) an evaluation system must encourage respect in the evaluation process by the persons conducting the evaluations and the persons subject to the evaluations through recognizing the importance of objective standards and minimizing subjectivity.

NEW SECTION, Sec. 2. A new section is added to chapter 28A.67 RCW to read as follows:

School districts shall require each administrator, each principal, or other supervisory personnel who has responsibility for evaluating classroom teachers to have training in evaluation procedures. The superintendent of public instruction shall provide technical assistance to the local school districts and to the educational service districts in providing training to evaluators.

NEW SECTION, Sec. 3. A new section is added to chapter 28A.67 RCW to read as follows:

No administrator, principal, or other supervisory personnel may evaluate a teacher without having received training in evaluation procedures.

NEW SECTION, Sec. 4. A new section is added to chapter 28A.67 RCW to read as follows:

After an evaluation conducted pursuant to RCW 28A.67.065, the school district may require the teacher to take in-service training provided by the district in the area of teaching skills needing improvement.

Sec. 5. Section 22, chapter 34, Laws of 1969 ex. sess. as last amended by section 3, chapter 114, Laws of 1975-'76 2nd ex. sess. and RCW 28A.67.065 are each amended to read as follows:

(1) The superintendent of public instruction shall ~~((on or before January 1, 1977;))~~ establish and may amend from time to time minimum criteria for the evaluation of the professional performance capabilities and development of certificated classroom teachers and certificated support personnel. For classroom teachers the criteria shall be developed in the following categories: instructional skill; classroom management, professional preparation and scholarship; effort toward improvement when needed; the handling of student discipline and attendant problems; and interest in teaching pupils and knowledge of subject matter. ~~((Such criteria shall be subject to review by November 1, 1976, by four members of the legislature, one from each caucus of each house, including the chairpersons of the respective education committees.))~~

Every board of directors shall, in accordance with procedure provided in RCW 41.59.010 through 41.59.170, 41.59.910 and 41.59.920, establish evaluative criteria and procedures for all certificated classroom teachers and certificated support personnel. The evaluative criteria must

contain as a minimum the criteria established by the superintendent of public instruction pursuant to this section and must be prepared within six months following adoption of the superintendent of public instruction's minimum criteria. The district must certify to the superintendent of public instruction that evaluative criteria have been so prepared by the district.

Except as provided in subsection (5) of this section, it shall be the responsibility of a principal or his or her designee to evaluate all certificated personnel in his or her school. During each school year all classroom teachers and certificated support personnel, hereinafter referred to as "employees" in this section, shall be observed for the purposes of evaluation at least twice in the performance of their assigned duties. Total observation time for each employee for each school year shall be not less than sixty minutes. Following each observation, or series of observations, the principal or other evaluator shall promptly document the results of the evaluation in writing, and shall provide the employee with a copy thereof within three days after such report is prepared. New employees shall be observed at least once for a total observation time of thirty minutes during the first ninety calendar days of their employment period.

Every employee whose work is judged unsatisfactory based on district evaluation criteria shall be notified in writing of stated specific areas of deficiencies along with a suggested specific and reasonable program for improvement on or before February 1st of each year. A probationary period shall be established beginning on or before February 1st and ending no later than May 1st. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the employee of deficiency shall be by the school district superintendent and need not be submitted to the board of directors for approval. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency; such additional certificated employee shall be immune from any civil liability that might otherwise be incurred or imposed with regard to the good faith performance of such evaluation. The probationer may be removed from probation if he or she has demonstrated improvement to the satisfaction of the principal in those areas specifically detailed in his or her initial notice of deficiency and subsequently detailed in his or her improvement program. Lack of necessary improvement shall be specifically documented in writing with notification to the probationer and shall constitute grounds for a finding of probable cause under RCW 28A.58.450 or 28A.67.070, as now or hereafter amended.

The establishment of a probationary period shall not be deemed to adversely affect the contract status of an employee within the meaning of RCW 28A.58.450, as now or hereafter amended.

(2) Every board of directors shall establish evaluative criteria and procedures for all superintendents, principals, and other administrators. It shall be the responsibility of the district superintendent or his or her designee to evaluate all administrators. Such evaluation shall be based on the administrative position job description. Such criteria, when applicable, shall include at least the following categories: Knowledge of, experience in, and training in recognizing good professional performance, capabilities and development; school administration and management; school finance; professional preparation and scholarship; effort toward improvement when needed; interest in pupils, employees, patrons and subjects taught in school; leadership; and ability and performance of evaluation of school personnel.

(3) Each certificated employee shall have the opportunity for confidential conferences with his or her immediate supervisor on no less than two occasions in each school year. Such confidential conference shall have as its sole purpose the aiding of the administrator in his or her professional performance.

(4) The failure of any evaluator to evaluate or supervise or cause the evaluation or supervision of certificated employees or administrators in accordance with this section, as now or hereafter amended, when it is his or her specific assigned or delegated responsibility to do so, shall be sufficient cause for the nonrenewal of any such evaluator's contract under RCW 28A.67.070, as now or hereafter amended, or the discharge of such evaluator under RCW 28A.58.450, as now or hereafter amended.

(5) After an employee has four years of satisfactory evaluations under subsection (1) of this section, a school district may use a short form of evaluation. The short form of evaluation shall include either a thirty minute observation during the school year with a written summary or a final annual written evaluation based on the criteria in subsection (1) of this section and based on at least two observation periods during the school year totaling at least sixty minutes without a written summary of such observations being prepared. However, the evaluation process set forth in subsection (1) of this section shall be followed at least once every three years and an employee or evaluator may request that the evaluation process set forth in subsection (1) of this section be conducted in any given school year. The short form evaluation process may not be used as a basis for determining that an employee's work is unsatisfactory under subsection

(1) of this section nor as probable cause for the nonrenewal of an employee's contract under RCW 28A.67.070.

NEW SECTION. Sec. 6. A new section is added to chapter 28A.67 RCW to read as follows:

(1) The superintendent of public instruction shall develop and test in local districts minimum standards based on available research to be used by local districts in evaluations conducted pursuant to RCW 28A.67.065. The superintendent of public instruction shall compensate any district participating in such tests for the actual expenses incurred by the district. The minimum standards for evaluation shall include: (a) A statement of the purpose of evaluations; (b) the frequency of evaluations, with recognition of the need for more frequent evaluations for beginning teachers; (c) the conduct of the evaluation; (d) the procedure to be used in making the evaluation; and (e) the use of the results of the evaluation.

In developing the minimum standards, the superintendent of public instruction shall consider a variety of proposals, such as proposals providing for peer review and evaluation, input by parents, input by students in appropriate circumstances, instructional assistance teams, and outside professional evaluation.

The superintendent of public instruction shall adopt the minimum standards not later than July 1, 1986. This subsection shall not preclude a local district from adopting local procedures or alternative programs which exceed the minimum standards.

(2) The superintendent of public instruction shall develop or purchase and test in local districts model evaluation programs, including standardized evaluation instruments, which meet the minimum standards established pursuant to subsection (1) of this section and the minimum criteria established pursuant to RCW 28A.67.065. Such programs shall include specific indicators of performance or detailed work expectations against which performance can be measured. The superintendent of public instruction shall compensate any district participating in such tests for the actual expenses incurred by the district. ## POINT OF INQUIRY

Senator Pullen: "Now that we've taken all of the amendments as one, I'm not sure that you fully discussed the whole package. I'm also worried about amending a committee amendment so late in the session. I was wondering if you had reviewed these amendments with the ranking minority member for the Education Committee?"

Senator Gaspard: "Mr. President, I assume that's a question to me. Yes, the amendments have been on the desk now for well over a week and I did show the amendments to Senator Craswell. Senator Johnson also read them."

The President Pro Tempore declared the question before the Senate to be adoption of the four amendments by Senators Gaspard, Bauer and Bender to the Committee on Education amendment.

## POINT OF INQUIRY

Senator Saling: "Senator Gaspard, I may not have heard correctly when you were explaining these amendment to the committee amendment. Did you say that there were some minor changes in this amendment from a previous bill that the Senate passed? Is that correct?"

Senator Gaspard: "Are you referring to the floor amendments?"

Senator Saling: "Yes, I am."

Senator Gaspard: "Most of the changes in the floor amendments deal with the issue of endorsement in asking the State Board in their recommendations to also look at endorsements."

Senator Saling: "Was this a bill that passed the Senate and was not passed by the House?"

Senator Gaspard: "It was part of Senate Bill No. 3235, the section that we passed. The House took that portion out of Senate Bill No. 3235 and we're trying to deal with it here in this bill now."

Senator Saling: "So we're putting it back in a different bill--the section that was taken out in the House?"

Senator Gaspard: "Yes, that's correct."

Senator Saling: "And this previously has been passed by us?"

Senator Gaspard: "Yes, although not verbatim. The only change I think we made again is in the recommendations that we asked the State Board to deal with endorsements. We adopted some of the House language, for example."

Senator Saling: "Thank you."

MESSAGE FROM THE HOUSE

April 25, 1985

Mr. President:

The House has adopted the Report of the Conference Committee on SUBSTITUTE SENATE BILL NO. 3254 and has granted said committee the powers of Free Conference, and the Report of the Conference Committee is herewith transmitted.

DENNIS L. HECK, Chief Clerk

REPORT OF CONFERENCE COMMITTEE

April 24, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 3254, revising certain provisions of domestic violence prevention laws, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 3, chapter 263, Laws of 1984 and RCW 26.50.020 are each amended to read as follows:

(1) Any person may seek relief under this chapter by filing a petition with a court alleging that the person has been the victim of domestic violence committed by the respondent. The person may petition for relief on behalf of himself or herself and on behalf of minor family or household members.

(2) The courts defined in RCW 26.50.010(3) have jurisdiction over proceedings under this chapter. ~~((If a proceeding under chapter 26.09, 26.12, or 26.26 RCW is commenced in a superior court before or after the filing of an action in a district or municipal court under this chapter, then the superior court shall have exclusive jurisdiction over proceedings under this chapter. Any municipal or district court order entered while that court had jurisdiction remains valid until superseded by a superior court order.))~~ The jurisdiction of district or municipal courts under this chapter shall be limited to the issuance and enforcement of temporary orders for protection provided for in RCW 26.50.070 if: (a) A superior court has exercised or is exercising jurisdiction over a proceeding under this title or chapter 13.34 RCW involving the parties; (b) the petition for relief under this chapter presents a child custody or visitation issue; or (c) the petition for relief under this chapter requests the court to exclude a party from the dwelling which the parties share. When the jurisdiction of a district or municipal court is limited to the issuance and enforcement of a temporary order, the district or municipal court shall set the full hearing provided for in RCW 26.50.050 in superior court and transfer the case. If the notice and order are not served on the respondent in time for the full hearing, the issuing court shall have concurrent jurisdiction with the superior court to extend the order for protection.

(3) An action under this chapter shall be filed in the county or the municipality where the petitioner resides, unless the petitioner has left the residence or household to avoid abuse. In

that case, the petitioner may bring an action in the county or municipality of the previous or the new household or residence.

(4) A person's right to petition for relief under this chapter is not affected by the person leaving the residence or household to avoid abuse.

~~((5) If an action under this chapter is commenced in a district or municipal court and a petitioner or respondent contests custody or visitation rights, then, upon the motion of either party containing proof that the petition for relief under this chapter has been filed with the superior court, the district or municipal court shall dismiss the action.))~~

Sec. 2. Section 4, chapter 263, Laws of 1984 and RCW 26.50.030 are each amended to read as follows:

There shall exist an action known as a petition for an order for protection in cases of domestic violence.

(1) A petition for relief shall allege the existence of domestic violence, and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties except in cases where the court realigns petitioner and respondent in accordance with RCW 26.50.060(3).

(3) All court clerk's offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) A filing fee of twenty dollars shall be charged for proceedings under this section. No filing fee may be charged for: (a) A petition filed in an existing action or under an existing cause number brought under this chapter in the jurisdiction where the relief is sought; or (b) the transfer of a case from district or municipal court to superior court under RCW 26.50.020(2). Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

Sec. 3. Section 31, chapter 263, Laws of 1984 and RCW 26.50.035 are each amended to read as follows:

The administrator for the courts shall develop and prepare, in consultation with interested persons, the forms and instructional brochures required under RCW 26.50.030(3). ~~((These forms shall be distributed to and available for use by the court clerks before September 1, 1984.))~~ The administrator for the courts shall distribute a master copy of the forms and instructional brochures to all court clerks.

Sec. 4. Section 5, chapter 263, Laws of 1984 and RCW 26.50.040 are each amended to read as follows:

(1) Persons seeking relief under this chapter may file an application for leave to proceed in forma pauperis on forms supplied by the court. If the court determines that a petitioner lacks the funds to pay the costs of filing, the petitioner shall be granted leave to proceed in forma pauperis and no filing fee or any other court related fees shall be charged by the court to the petitioner for relief sought under this chapter. If the petitioner is granted leave to proceed in forma pauperis, then no fees for service may be charged to the petitioner.

(2) For the purpose of determining whether a petitioner has the funds available to pay the costs of filing an action under this chapter, the income of the household or family member named as the respondent is not considered.

Sec. 5. Section 7, chapter 263, Laws of 1984 and RCW 26.50.060 are each amended to read as follows:

(1) Upon notice and after hearing, the court may provide relief as follows:

~~((1))~~ (a) Restrain a party from committing acts of domestic violence;

~~((2))~~ (b) Exclude the respondent from the dwelling which the parties share or from the residence of the petitioner;

~~((3))~~ (c) On the same basis as is provided in chapter 26.09 RCW, award temporary custody and establish temporary visitation with regard to minor children of the parties, and restrain any party from interfering with the custody of the minor children;

~~((4))~~ (d) Order the respondent to participate in treatment or counseling services;

~~((5))~~ (e) Order other relief as it deems necessary for the protection of a family or household member, including orders or directives to a peace officer, as allowed under this chapter; and

~~((6))~~ (f) Require the respondent to pay the filing fee and court costs, including service fees, and to reimburse the petitioner for costs incurred in bringing the action, including a reasonable attorney's fee. If the petitioner has been granted leave to proceed in forma pauperis, the court may require the respondent to pay the filing fee and costs, including services fees, to the county or municipality incurring the expense.

(2) Any relief granted by the order for protection, other than a judgment for costs, shall be for a fixed period not to exceed one year.

(3) In providing relief under this chapter, the court may realign the designation of the parties as "petitioner" and "respondent" where the court finds that the original petitioner is the abuser and the original respondent is the victim of domestic violence.

Sec. 6. Section 10, chapter 263, Laws of 1984 and RCW 26.50.090 are each amended to read as follows:

(1) An order issued under this chapter shall be personally served upon the respondent, except as provided in subsection (6) of this section.

(2) The sheriff of the county or the peace officers of the municipality in which the respondent resides shall serve the respondent personally unless the petitioner elects to have the respondent served by a private party.

(3) If service by a sheriff or municipal peace officer is to be used, the clerk of the court shall have a copy of any order issued under this chapter forwarded on or before the next judicial day to the appropriate law enforcement agency specified in the order for service upon the respondent. Service of an order issued under this chapter shall take precedence over the service of other documents unless they are of a similar emergency nature.

(4) If the sheriff or municipal peace officer cannot complete service upon the respondent within ten days, the sheriff or municipal peace officer shall notify the petitioner. The petitioner shall provide information sufficient to permit notification.

(5) Returns of service under this chapter shall be made in accordance with the applicable court rules.

(6) If an order entered by the court recites that the respondent appeared in person before the court, the necessity for further service is waived and proof of service of that order is not necessary.

(7) Except in cases where the petitioner is granted leave to proceed in forma pauperis, municipal police departments serving documents as required under this chapter may collect the same fees for service and mileage authorized by RCW 36.18.040 to be collected by sheriffs.

Sec. 7. Section 15, chapter 263, Laws of 1984 and RCW 26.50.200 are each amended to read as follows:

Nothing in this ((act)) chapter may affect the title to real estate; PROVIDED, That a judgment for costs or fees awarded under this chapter shall constitute a lien on real estate to the extent provided in chapter 4.56 RCW.

Sec. 8. Section 9A.36.040, chapter 260, Laws of 1975 1st ex. sess. as amended by section 18, chapter 263, Laws of 1984 and RCW 9A.36.040 are each amended to read as follows:

(1) Every person who shall commit an assault or an assault and battery not amounting to assault in either the first, second, or third degree shall be guilty of simple assault.

(2) Simple assault is a gross misdemeanor.

~~(((3) Every person convicted of three offenses under this section against a family or household member as defined in RCW 10.99.020 is guilty of a class C felony.))~~

Sec. 9. Section 1, chapter 198, Laws of 1969 ex. sess. as last amended by section 19, chapter 263, Laws of 1984 and RCW 10.31.100 are each amended to read as follows:

A police officer having probable cause to believe that a person has committed or is committing a felony shall have the authority to arrest the person without a warrant. A police officer may arrest a person without a warrant for committing a misdemeanor or gross misdemeanor only when the offense is committed in the presence of the officer, except as provided in subsections (1) through (4) of this section.

(1) Any police officer having probable cause to believe that a person has committed or is committing a misdemeanor or gross misdemeanor, involving physical harm or threats of harm to any person or property or the unlawful taking of property or involving the use or possession of cannabis shall have the authority to arrest the person.

(2) A police officer shall arrest and take into custody, pending release on bail, personal recognizance, or court order, a person without a warrant when the officer has probable cause to believe that:

(a) An order has been issued of which the person has knowledge under RCW 10.99.040(2), 10.99.050, 26.09.060, chapter 26.26 RCW, or chapter 26.50 RCW restraining the person and the person has violated the terms of the order restraining the person from acts or threats of violence or excluding the person from a residence; or

(b) The person is eighteen years or older and within the preceding four hours has assaulted that person's spouse, former spouse, or ~~((other))~~ a person eighteen years or older with whom the person resides or has formerly resided and the officer believes: (i) A felonious assault has occurred; (ii) an assault has occurred which has resulted in bodily injury to the victim, whether the injury is observable by the responding officer or not; or (iii) that any physical action has occurred which was intended to cause another person reasonably to fear imminent serious bodily injury or death. Bodily injury means physical pain, illness, or an impairment of physical condition. When the officer has probable cause to believe that spouses, former spouses, or other persons who reside together or formerly resided together have assaulted each other, the officer is not required to arrest both persons. The officer shall arrest the person whom the officer believes to be the primary physical aggressor. In making this

determination, the officer shall make every reasonable effort to consider: (i) The intent to protect victims of domestic violence under RCW 10.99.010; (ii) the comparative extent of injuries inflicted or serious threats creating fear of physical injury; and (iii) the history of domestic violence between the persons involved.

(3) Any police officer having probable cause to believe that a person has committed or is committing a violation of any of the following traffic laws shall have the authority to arrest the person:

(a) RCW 46.52.010, relating to duty on striking an unattended car or other property;

(b) RCW 46.52.020, relating to duty in case of injury to or death of a person or damage to an attended vehicle;

(c) RCW 46.61.500 or 46.61.530, relating to reckless driving or racing of vehicles;

(d) RCW 46.61.502 or 46.61.504, relating to persons under the influence of intoxicating liquor or drugs;

(e) RCW 46.20.342, relating to driving a motor vehicle while operator's license is suspended or revoked;

(f) RCW 46.61.525, relating to operating a motor vehicle in a negligent manner.

(4) A law enforcement officer investigating at the scene of a motor vehicle accident may arrest the driver of a motor vehicle involved in the accident if the officer has probable cause to believe that the driver has committed in connection with the accident a violation of any traffic law or regulation.

(5) Except as specifically provided in subsections (2), (3), and (4) of this section, nothing in this section extends or otherwise affects the powers of arrest prescribed in Title 46 RCW.

(6) No police officer may be held criminally or civilly liable for making an arrest pursuant to RCW 10.31.100(2) if the police officer acts in good faith and without malice.

Sec. 10. Section 4, chapter 105, Laws of 1979 ex. sess. as last amended by section 22, chapter 263, Laws of 1984 and RCW 10.99.040 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

(a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;

(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;

(c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence: PROVIDED, That the court may order a criminal defense attorney not to disclose to his client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any ((defendant)) person charged with or arrested for a crime involving domestic violence is released from custody before arraignment or trial on bail or personal recognizance, the court authorizing the release may prohibit ((the defendant)) that person from having any contact with the victim. The ((arresting)) jurisdiction authorizing the release shall determine whether ((the defendant)) that person should be prohibited from having any contact with the victim. If there is no outstanding restraining or protective order prohibiting ((the defendant)) that person from having contact with the victim, the court authorizing release may issue, by telephone, a no-contact order prohibiting the ((defendant)) person charged or arrested from having contact with the victim. The no-contact order shall also be issued in writing as soon as possible. If the court has probable cause to believe that the ((defendant)) person charged or arrested is likely to use or display or threaten to use a deadly weapon as defined in RCW 9A.04.110 in any further acts of violence, the court may also require ((the defendant)) that person to surrender any deadly weapon in ((the defendant's)) that person's immediate possession or control, or subject to ((the defendant's)) that person's immediate possession or control, to the sheriff of the county or chief of police of the municipality in which ((the defendant)) that person resides or to the defendant's counsel for safekeeping.

(3) At the time of arraignment the court shall determine whether a no-contact order shall be issued or extended.

(4) Willful violation of a court order issued under subsection (2) or (3) of this section is a misdemeanor. The written order releasing the ((defendant)) person charged or arrested shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest. A certified copy of the order shall be provided to the victim. If a no-contact order has been issued prior to charging, that order shall expire at arraignment or within seventy-two hours if charges are not filed. Such orders need not be entered into the computer information system in this state which is used by law enforcement agencies to list outstanding warrants.

((4)) (5) Whenever an order prohibiting contact is issued, modified, or terminated under subsection (2) or (3) of this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order.

Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year or until the expiration date specified on the order into any ((computer-based criminal intelligence)) computer information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

Sec. 11. Section 46.64.015, chapter 12, Laws of 1961 as last amended by section 2, chapter 28, Laws of 1979 ex. sess. and RCW 46.64.015 are each amended to read as follows:

Whenever any person is arrested for any violation of the traffic laws or regulations which is punishable as a misdemeanor or by imposition of a fine, the arresting officer may serve upon him a traffic citation and notice to appear in court. Such citation and notice shall conform to the requirements of RCW 46.64.010, and in addition, shall include spaces for the name and address of the person arrested, the license number of the vehicle involved, the driver's license number of such person, if any, the offense or violation charged, the time and place where such person shall appear in court, and a place where the person arrested may sign. Such spaces shall be filled with the appropriate information by the arresting officer. The arrested person, in order to secure release, and when permitted by the arresting officer, must give his written promise to appear in court as required by the citation and notice by signing in the appropriate place the written citation and notice served by the arresting officer. An officer may not serve or issue any traffic citation or notice for any offense or violation except either when the offense or violation is committed in his presence or when a person may be arrested pursuant to RCW 10.31.100, as now or hereafter amended. The detention arising from an arrest under this section may not be for a period of time longer than is reasonably necessary to issue and serve a citation and notice, except that the time limitation does not apply under any of the following circumstances:

(1) Where the arrested person refuses to sign a written promise to appear in court as required by the citation and notice provisions of this section;

(2) Where the arresting officer has probable cause to believe that the arrested person has committed any of the offenses enumerated in RCW 10.31.100((2))(3), as now or hereafter amended.

Sec. 12. Section 5, chapter 105, Laws of 1979 ex. sess. as amended by section 24, chapter 263, Laws of 1984 and RCW 10.99.050 are each amended to read as follows:

(1) When a defendant is found guilty of a crime and a condition of the sentence restricts the defendant's ability to have contact with the victim, such condition shall be recorded and a written certified copy of that order shall be provided to the victim.

(2) Willful violation of a court order issued under this section is a misdemeanor. The written order shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter 10.99 RCW and will subject a violator to arrest.

(3) Whenever an order prohibiting contact is issued pursuant to this section, the clerk of the court shall forward a copy of the order on or before the next judicial day to the appropriate law enforcement agency specified in the order. Upon receipt of the copy of the order the law enforcement agency shall forthwith enter the order for one year into any computer-based criminal intelligence information system available in this state used by law enforcement agencies to list outstanding warrants. Entry into the law enforcement information system constitutes notice to all law enforcement agencies of the existence of the order. The order is fully enforceable in any jurisdiction in the state.

Sec. 13. Section 37, chapter 299, Laws of 1961 and RCW 3.46.030 are each amended to read as follows:

A municipal department shall have exclusive jurisdiction of matters arising from ordinances of the city, and no jurisdiction of other matters except as conferred by statute.

Sec. 14. Section 51, chapter 299, Laws of 1961 as last amended by section 104, chapter 258, Laws of 1984 and RCW 3.50.020 are each amended to read as follows:

The municipal court shall have exclusive original jurisdiction over traffic infractions arising under city ordinances and exclusive original criminal jurisdiction of all violations of city ordinances duly adopted by the city in which the municipal court is located and shall have original jurisdiction of all other actions brought to enforce or recover license penalties or forfeitures declared or given by such ordinances or by state statutes. The municipal court shall also have the jurisdiction as conferred by statute. The municipal court is empowered to forfeit cash bail or bail bonds and issue execution thereon; and in general to hear and determine all causes, civil or criminal, including traffic infractions, arising under such ordinances and to pronounce judgment in accordance therewith.

NEW SECTION. Sec. 15. Sections 1 and 2 of this act shall take effect September 1, 1985."

## REPORT OF CONFERENCE COMMITTEE

April 23, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 3384, establishing a salmon and steelhead rehabilitation and enhancement policy board, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION, Sec. 1. Currently, many of the salmon stocks of Washington state are critically reduced from their sustainable level. The best interests of all fishing groups and the citizens as a whole are served by a stable and productive salmon resource. Immediate action is needed to reverse the severe decline of the resource and to insure its very survival. The legislature finds a state of emergency exists and that immediate action is required to restore its fishery.

Disagreement and strife have dominated the salmon fisheries for many years. Conflicts among the various fishing interests have only served to erode the resource. It is time for the state of Washington to make a major commitment to increasing productivity of the resource and to move forward with an effective rehabilitation and enhancement program. The department of fisheries is directed to dedicate its efforts to make increasing the productivity of the salmon resource a first priority and to seek resolution to the many conflicts that involve the resource.

Success of the enhancement program can only occur if projects efficiently produce salmon or restore habitat. The expectation of the program is to optimize the efficient use of funding on projects that will increase artificially and naturally produced salmon, restore and improve habitat, or identify ways to increase the survival of salmon. The full utilization of state resources and cooperative efforts with interested groups are essential to the success of the program.

NEW SECTION, Sec. 2. (1) The director shall develop long-term regional policy statements regarding the salmon fishery resources before December 1, 1985. The director shall consider the following in formulating and updating regional policy statements:

- (a) Existing resource needs;
- (b) Potential for creation of new resources;
- (c) Successful existing programs, both within and outside the state;
- (d) Balanced utilization of natural and hatchery production;
- (e) Desires of the fishing interest;
- (f) Need for additional data or research;
- (g) Federal court orders; and
- (h) Salmon advisory council recommendations.

(2) The director shall review and update each policy statement at least once each year.

NEW SECTION, Sec. 3. (1) The director shall develop a detailed salmon enhancement plan with proposed enhancement projects. The plan and the regional policy statements shall be submitted to the secretary of the senate and chief clerk of the house of representatives for legislative distribution by June 30, 1986. The enhancement plan and regional policy statements shall be provided by June 30, 1986, to the natural resources committees of the house of representatives and the senate. The director shall provide a maximum opportunity for the public to participate in the development of the salmon enhancement plan. To insure full participation by all interested parties, the director shall solicit and consider enhancement project proposals from Indian tribes, sports fishermen, commercial fishermen, private aquaculturists, and other interested groups or individuals for potential inclusion in the salmon enhancement plan. Joint or cooperative enhancement projects shall be considered for funding.

(2) The following criteria shall be used by the director in formulating the project proposals:

- (a) Compatibility with the long-term policy statement;
  - (b) Benefit/cost analysis;
  - (c) Needs of all fishing interests;
  - (d) Compatibility with regional plans, including harvest management plans;
  - (e) Likely increase in resource productivity;
  - (f) Direct applicability of any research;
  - (g) Salmon advisory council recommendations;
  - (h) Compatibility with federal court orders;
  - (i) Coordination with the salmon and steelhead advisory commission program;
  - (j) Economic impact to the state;
  - (k) Technical feasibility; and
  - (l) Preservation of native salmon runs.
- (3) The director shall not approve projects that serve as replacement funding for projects that exist prior to the effective date of this act, unless no other sources of funds are available.
- (4) The director shall prioritize various projects and establish a recommended implementation time schedule.

NEW SECTION, Sec. 4. Upon approval by the legislature of funds for its implementation, the director shall monitor the progress of projects detailed in the salmon enhancement plan.

The director shall be responsible for establishing criteria which shall be used to measure the success of each project in the salmon enhancement plan.

NEW SECTION, Sec. 5. The director shall report to the legislature on or before October 30th of each year on the progress and performance of each project. The report shall contain an analysis of the successes and failures of the program to enable optimum development of the program. The report shall include estimates of funding levels necessary to operate the projects in future years.

The director shall submit the reports and any additional recommendations to the committees on ways and means and the committees on natural resources of the senate and house of representatives.

NEW SECTION, Sec. 6. As used in this chapter, "enhancement project" means salmon propagation activities including, but not limited to, hatcheries, spawning channels, rearing ponds, egg boxes, fishways, fish screens, stream bed clearing, erosion control, habitat restoration, net pens, applied research projects, and any equipment, real property, or other interest necessary to the proper operation thereof.

Sec. 7. Section 75.16.070, chapter 12, Laws of 1955 as amended by section 13, chapter 46, Laws of 1983 1st ex. sess. and RCW 75.08.065 are each amended to read as follows:

(1) The director may enter into contracts and agreements with a person to secure food fish or shellfish or for the construction, operation, and maintenance of facilities for the propagation of food fish or shellfish.

(2) The director may enter into contracts and agreements to procure from private aquaculturists food fish or shellfish with which to stock state waters.

Sec. 8. Section 2, chapter 327, Laws of 1977 ex. sess. as last amended by section 173, chapter 46, Laws of 1983 1st ex. sess. and RCW 75.48.120 are each amended to read as follows:

(1) The department shall not acquire, construct, or substantially improve a salmon enhancement facility unless the requirements of this section are met.

(a) The productivity of a salmon propagation facility is very dependent on water quantity and quality. Due to the limited number of water sources which meet the critical needs of a facility, it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development.

(b) Prior to expending moneys for the construction and development of a particular salmon propagation facility, except for site acquisition and preliminary design, the department shall, with the advice of the advisory council created in subsection (2) of this section, give consideration to the following factors with respect to that facility:

- (i) The department's management authority over propagated salmon;
- (ii) The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;
- (iii) Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; ~~((and))~~
- (iv) Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game; and

(v) Compatibility with regional policy statements and the salmon enhancement plan under chapter 75.-- RCW (sections 1 through 6 of this 1985 act).

(c) All facilities funded in full or in part by the salmon enhancement account shall operate at full production capacity. Facilities which drop below full production capacity shall be made available for volunteer cooperative projects under chapter 75.52 RCW or on a contract basis for private salmon propagation solely to stock state waters. The salmon advisory council shall submit to the legislature by January 1, 1986, an evaluation of each facility funded by the 1977

salmon enhancement account, and a determination as to the full production capacity of each facility based on the objective of maximizing the number, pounds, quality, survival, and other pertinent factors affecting salmon smolt released.

(2) To aid and advise the department in the performance of its functions with regard to the salmon enhancement program, a salmon advisory council is created. The advisory council consists of ~~((thirteen))~~ six members appointed by the governor; four legislative ex officio non-voting members, one appointed by each caucus in both the state senate and the house of representatives; and the director or his or her specifically appointed designee, who shall be the nonvoting chairman~~((the director of the department of game, or the director's designee; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the members appointed by the governor, two shall represent troll fishermen; two shall represent gill net fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; three shall represent sportsmen; two shall be members of Indian tribes of this state who shall be appointed from a list submitted by the Northwest Indian Fisheries Commission; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries)).~~ Of the members appointed by the governor, two shall represent non-Indian commercial fishermen, two shall represent sports fishermen, and two shall represent treaty Indian fishermen. Of the treaty Indian fishermen, one shall be selected from a list provided by the Washington state tribal coordinating body and one shall be selected from a list provided by the Columbia River tribal coordinating body defined in 16 U.S.C. 3302 (5) and (18).

All members appointed by the governor shall serve terms of two years. Vacancies shall be filled in the same manner as original appointments.

The advisory council shall be convened by the director prior to the decision to expend funds for construction and development of any salmon ~~((propagation facility))~~ enhancement project. The council shall advise the director with regard to the considerations listed in subsection (1)(b) of this section and other factors the council deems relevant with respect to the proposed facility. The council shall actively participate in the development of regional policy statements and the salmon enhancement plan.

~~((Except for the director of the department of game and legislative members.))~~ Members shall receive reimbursement through the department of fisheries for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060.

~~((The director of the department of game, or the director's designee, shall receive reimbursement through the department of game for travel expenses incurred in the performance of his or her duties in accordance with RCW 43.03.050 and 43.03.060. The legislative members shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120.))~~

The salmon advisory council shall cease to exist on December 31, 1989. This section expires on December 31, 1989.

**NEW SECTION.** Sec. 9. A new section is added to chapter 75.08 RCW to read as follows:

A person who obtains a personal use license or punchcard, or is exempt from license requirements under this title, has given implied consent to an inspection of fishing equipment and containers capable of concealing fish. Such inspection is limited to that which is necessary to enforce this title and rules of the director and is limited in scope to those individuals engaged in angling or the taking of food fish or shellfish or are reasonably believed to have been recently engaged in such activity. Failure to comply with a request by a fisheries patrol officer shall result in a suspension of the privilege to fish for one calendar year.

Sec. 10. Section 77.12.420, chapter 36, Laws of 1955 as amended by section 59, chapter 78, Laws of 1980 and RCW 77.12.420 are each amended to read as follows:

The commission may spend moneys to improve natural growing conditions for fish by constructing fishways, installing screens, removing obstructions to migratory fish, and eradicating undesirable fish. Department hatcheries shall operate at full production capacity as determined by the commission in a formal policy statement based on maximizing the number, pounds, quality, survival, and other pertinent factors affecting fish released into state waters. Facilities which fall below full production capacity after January 1, 1986, shall be made available for volunteer cooperative projects under chapter 75.52 RCW, or for private fish propagation solely to stock state waters. The commission may enter into cooperative agreements with state, county, municipal, and federal agencies, and with private individuals for these purposes.

**NEW SECTION.** Sec. 11. Thirty-nine thousand dollars, or so much thereof as may be necessary, is appropriated from the state general fund for the biennium ending June 30, 1987, to the department of fisheries for the purposes of this act.

**NEW SECTION.** Sec. 12. Sections 1 through 6 of this act shall constitute a new chapter in Title 75 RCW.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 14. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 1 of the title, after "Relating to" strike the remainder of the title and insert "salmon, steelhead, and trout enhancement; amending 75.08.065, 75.48.120, and 77.12.420; adding a new section to chapter 75.08 RCW; adding a new chapter to Title 75 RCW; prescribing penalties; making an appropriation; and declaring an emergency."

Signed by Senators Owen and Stratton; Representatives Lundquist, Sayan and Sutherland.

#### MOTION

Senator Owen moved that the Report of the Conference Committee on Substitute Senate Bill No. 3384 be adopted and the committee be granted the powers of Free Conference.

#### MOTION

On motion of Senator Zimmerman, Senator Metcalf was excused.

#### PARLIAMENTARY INQUIRY

Senator Rasmussen: "What stage can a person challenge the scope and object of what they have drafted into the bill?"

#### REPLY BY THE PRESIDENT

President Cherberg: "If the powers of free conference are granted when the bill comes back before the Senate, the President believes that's what gives you the opportunity."

Senator Rasmussen: "That definitely should be scoped and I'll watch it then when it comes back."

President Cherberg: "The President wishes to point out that the Free Conference Committee has almost unlimited power. The only way it could be opened up to scope and object is if an amendment to the title is required."

Senator Rasmussen: "Could I raise scope and object at this time to the proposed—that the Free Conference Committee is going to draft? I would like to do that."

President Cherberg: "The President believes that the time would be when the bill is returned—if it is returned from the Free Conference Committee."

Senator Rasmussen: "Thank you, Mr. President."

Debate ensued.

Senator Rasmussen demanded a roll call and the demand was sustained.

The President declared the question before the Senate to be the roll call on the motion by Senator Owen that the Report of the Conference Committee on Substitute Senate Bill No. 3384 be adopted and that the committee be granted the powers of Free Conference.

#### ROLL CALL

The Secretary called the roll and the motion by Senator Owen carried and the Report of the Conference Committee on Substitute Senate Bill No. 3384 was adopted and the committee was granted the powers of Free Conference by the following vote: Yeas, 27; nays, 21; excused, 1.

 practice his or her profession with reasonable skill and safety to consumers as a result of a  
 mental or physical condition. To facilitate meeting the intent of this section, the cooperation of  
 agencies of the federal government is requested by reporting any conviction, determination,  
 or finding that a federal employee or contractor regulated by the disciplinary authorities enu-  
 merated in this chapter has committed an act which constituted unprofessional conduct and  
 reporting any information which indicates that a federal employee or contractor regulated by  
 the disciplinary authorities enumerated in this chapter may not be able to practice his or her  
 profession with reasonable skill and safety as a result of a mental or physical condition.

(2) If a person fails to furnish a required report, the disciplining authority may petition the  
 superior court of the county in which the person resides or is found, and the court shall issue to  
 the person an order to furnish the required report. A failure to obey the order shall be pun-  
 ished by the court as civil contempt.

A person, ~~((firm, corporation, or public officer))~~ including but not limited to consumers, licensees, corporations, organizations, health care facilities, and state and local governmental agencies, may submit a written complaint to the disciplining authority charging a license holder or applicant with unprofessional conduct and specifying the grounds therefor. If the disciplining authority determines that the complaint merits investigation, or if the disciplining authority has reason to believe, without a formal complaint, that a license holder or applicant may have engaged in unprofessional conduct, the disciplining authority shall investigate to determine whether there has been unprofessional conduct. A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint.

Sec. 6. Section 9, chapter 279, Laws of 1984 and RCW 18.130.090 are each amended to read as follows:

(1) If the disciplining authority determines, upon investigation, that there is reason to believe a violation of RCW 18.130.180 has occurred, a statement of charge or charges shall be prepared and served upon the license holder or applicant at the earliest practical time. The statement of charge or charges shall be accompanied by a notice that the license holder or applicant may request a hearing to contest the charge or charges. The license holder or applicant must file a request for hearing with the disciplining authority within twenty days after being served the statement of charges. The failure to request a hearing constitutes a default, whereupon the disciplining authority may enter a decision on the basis of the facts available to it.

(2) If a hearing is requested, the time of the hearing shall be fixed by the disciplining authority as soon as convenient, but the hearing shall not be held earlier than thirty days after service of the charges upon the license holder or applicant. A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of the hearing. The notice shall also notify the license holder or applicant that a record of the proceeding will be kept, that he or she will have the opportunity to appear personally and to have counsel present, with the right to produce witnesses, who will be subject to cross-examination, and evidence in his or her own behalf, to cross-examine witnesses testifying against him or her, to examine such documentary evidence as may be produced against him or her, to conduct depositions, and to have subpoenas issued by the disciplining authority.

Sec. 7. Section 13, chapter 279, Laws of 1984 and RCW 18.130.130 are each amended to read as follows:

An order pursuant to proceedings authorized by this chapter, after due notice and findings in accordance with this chapter and chapter 34.04 RCW, or an order of summary suspension entered under this chapter, shall take effect immediately upon its being served. The order, if appealed to the court, shall not be stayed pending the appeal unless the disciplining authority or court to which the appeal is taken enters an order staying the order of the disciplining authority, which stay shall provide for terms necessary to protect the public.

Sec. 8. Section 16, chapter 279, Laws of 1984 and RCW 18.130.160 are each amended to read as follows:

Upon a finding that a license holder or applicant has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the disciplining authority may issue an order providing for one or any combination of the following:

- (1) Revocation of the license;
- (2) Suspension of the license for a fixed or indefinite term;
- (3) Restriction or limitation ~~((on the license holder's))~~ of the practice;
- (4) ~~((The establishment of a requirement that))~~ Requiring the ((license holder satisfactorily complete)) satisfactory completion of a specific program of remedial education or treatment;
- (5) The monitoring of the ~~((license holder's))~~ practice by a supervisor approved by the disciplining authority;
- (6) Censure or reprimand;
- (7) Compliance with conditions of probation for a designated period of time;
- (8) Payment of a fine for each violation of this chapter, not to exceed one thousand dollars per violation. Funds received shall be placed in the health professions account;
- (9) Denial of the license request;
- (10) Corrective action ~~((by the license holder));~~
- (11) Refund of fees ~~((charged))~~ billed to and collected from the consumer ~~((by the license holder)).~~

Any of the actions under this section may be totally or partly stayed by the disciplining authority. In determining what action is appropriate, the disciplining authority must first consider what sanctions are necessary to protect or compensate the public. Only after such provisions have been made may the disciplining authority consider and include in the order requirements designed to rehabilitate the license holder or applicant. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

Sec. 9. Section 17, chapter 279, Laws of 1984 and RCW 18.130.170 are each amended to read as follows:

(1) If the disciplining authority believes a license holder or applicant may be unable to practice with reasonable skill and safety to consumers by reason of any mental or physical condition, a statement of charges in the name of the disciplining authority shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill and safety. If the disciplining authority determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the disciplining authority shall impose such sanctions under RCW 18.130.160 as is deemed necessary to protect the public.

(2) In enforcing this section, the disciplining authority may require a license holder or applicant to submit to a mental or physical examination by one or more ~~((physicians, a psychological examination by one or more licensed psychologists))~~ licensed or certified health professionals designated by the disciplining authority ~~((or any combination thereof))~~. The cost of the examinations ordered by the disciplining authority shall be paid out of the health professions account. In addition to any examinations ordered by the disciplining authority, the licensee may submit ~~((psychiatric;))~~ physical ~~((;))~~ or ~~((psychological))~~ mental examination reports from ~~((physicians or psychologists))~~ licensed or certified health professionals of the license holder's or applicant's choosing and expense. Failure of a license holder or applicant to submit to examination when directed constitutes grounds for immediate suspension or denial of the license, consequent upon which a default and final order may be entered without the taking of testimony or presentations of evidence, unless the failure was due to circumstances beyond the person's control. A determination by a court of competent jurisdiction that a license holder or applicant is mentally incompetent or mentally ill is presumptive evidence of the license holder's or applicant's inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate that the individual can resume competent practice with reasonable skill and safety to the consumer.

(3) For the purpose of subsection (2) of this section, an applicant or license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining ~~((physician's or psychologist's))~~ health professional's testimony or examination reports by the disciplining authority on the ground that the testimony or reports constitute privileged communications.

Sec. 10. Section 18, chapter 279, Laws of 1984 and RCW 18.130.180 are each amended to read as follows:

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. ~~((The disciplinary authority shall define by rule acts involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession;))~~ If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or ~~((use of any practice or procedure in the practice of the profession which creates an unreasonable risk of physical or mental harm or serious financial loss to the consumer))~~ malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual's license to practice the profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) The possession, use, ~~((addition to;))~~ prescription for use, ~~((diversion;))~~ or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, ~~((or))~~ the addition to or diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing ~~((drugs))~~ controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers or documents;

(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority; or

(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding;

(9) Failure to comply with an order issued by the disciplining authority or an assurance of discontinuance entered into with the disciplining authority;

(10) Aiding or abetting an unlicensed person to practice when a license is required;

(11) ~~((Willful or repeated))~~ Violations of rules established by any health agency ~~((or authority of the state or a political subdivision thereof))~~;

(12) Practice beyond the scope of practice as defined by law or rule;

(13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;

(14) Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;

(15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;

(16) Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;

(17) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(18) The procuring, or aiding or abetting in procuring, a criminal abortion;

(19) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;

(20) The wilful betrayal of a practitioner-patient privilege as recognized by law;

(21) Violation of chapter 19.68 RCW;

(22) Interference with an investigation or disciplinary proceeding by wilful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action;

(23) Drunkenness or habitual intemperance in the use of alcohol or addiction to alcohol;

(24) ~~((Physical))~~ Abuse of a client or patient or sexual contact with a client or patient.

Sec. 11. Section 19, chapter 279, Laws of 1984 and RCW 18.130.190 are each amended to read as follows:

(1) The director shall investigate ~~((bona fide))~~ complaints concerning practice by unlicensed individuals of a profession requiring a license. In the investigation of the complaints, the director shall have the same authority as provided the director for the investigation of complaints against license holders. The director shall issue a cease and desist order to a person after notice and hearing and upon a determination that the person has violated this subsection. If the director makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order. The cease and desist order shall not relieve the person so practicing without a license from criminal prosecution therefor, but the remedy of a cease and desist order shall be in addition to any criminal liability.

(2) The attorney general, a county prosecuting attorney, the director, a board, or any individual may in accordance with the laws of this state governing injunctions, maintain an action in the name of this state to enjoin any individual practicing a licensed profession without a license from engaging in such practice until the required license is secured. However, the injunction shall not relieve the person so practicing without a license from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

(3) Unlicensed practice of a profession under the jurisdiction of a disciplining authority specified in RCW 18.130.040 ~~((without a license))~~, unless otherwise exempted by law, constitutes a gross misdemeanor. All fees, fines, forfeitures, and penalties collected or assessed by a court because of a violation of this section shall be remitted to the health professions account.

Sec. 12. Section 20, chapter 279, Laws of 1984 and RCW 18.130.200 are each amended to read as follows:

A person who attempts to obtain or obtains a license by wilful misrepresentation or fraudulent representation is guilty of a misdemeanor.

Such conduct, acts, or conditions must be construed and disciplinary action taken according to the provisions of law existing at the time of the occurrence in the same manner as if this chapter had not been enacted.~~

The injunction shall not relieve the offender from criminal prosecution, but the remedy by injunction shall be in addition to the liability of the offender to criminal prosecution and disciplinary action.

NEW SECTION, Sec. 158. The qualifications and practices of counselors in this state are virtually unknown to potential clients. Beyond the regulated practices of psychiatry and psychology, there are a considerable variety of disciplines, theories, and techniques employed by other counselors under a number of differing titles. The legislature recognizes the right of all counselors to practice their skills freely, consistent with the requirements of the public health and safety, as well as the right of individuals to choose which counselors best suit their needs and purposes.

The legislature finds and declares therefore that the requirements of this chapter for registering counselors and hypnotherapists, for providing the new clients of counselors with information that will assist them in making informed consumer decisions, and for the protection of consumers from any unethical or deceptive practices that may be destructive to the mental or emotional health of the client, are necessary for the protection of the public health, safety, and welfare.

It is the intent and purpose of this chapter to protect the public by setting minimal standards of qualification, education, training, and experience for professional social workers, mental health counselors, and marriage and family therapists, at the masters degree level. By promoting high standards of professional performance, by requiring professional accountability, and by certifying those persons who seek to practice under the title of certified master of social work, mental health counselor, or marriage and family therapist, this chapter provides a means of identifying those professionals who have achieved a particular level of competency.

The legislature finds and declares that this chapter is in conformity with the guidelines, terms, and definitions for the regulation of health or health-related professions specified in chapter 18.120 RCW and with the recommendations issued by the state health coordinating council and the department of licensing.

This chapter shall not be construed as an endorsement of, nor does it warrant, the effectiveness or appropriateness of any counseling discipline, theory, technique, or treatment of any individual registered or certified under this chapter, nor shall it be construed to require that individual or group policies or contracts of an insurance carrier, health care service contractor, or health maintenance organization provide benefits or coverage for services and supplies provided by a person registered or certified under this chapter, nor shall it prohibit the provision of those benefits by individual or group policies or contracts of an insurance carrier, health care service contractor, or health maintenance organization.

#### PARLIAMENTARY INQUIRY

Senator Kiskaddon: "Mr. President, I'm not sure—a parliamentary inquiry, I guess. The report that's been in our books for twenty-four hours is not what I understand to be what the complete amendment is, so I don't think anyone has had a chance to really look at the full conference report—at least if the conference report in our book is the one we're voting on, I think that's entirely different from what I heard was going to be there."

#### REPLY BY THE PRESIDENT

President Cherberg: "Senator Kiskaddon's remarks are well taken."

#### MOTION

On motion of Senator Vognild, further consideration of Substitute House Bill No. 131 was deferred.

REPORT OF CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 804, establishing a program to recycle auto and truck tires, have had the same under consideration and we recommend that the following amended Senate Parks and Ecology amendment be adopted and that the bill do pass as amended:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 1, chapter 134, Laws of 1969 ex. sess. as last amended by section 1, chapter 123, Laws of 1984 and RCW 70.95.010 are each amended to read as follows:

The legislature finds:

(1) Continuing technological changes in methods of manufacture, packaging, and marketing of consumer products, together with the economic and population growth of this state, the rising affluence of its citizens, and its expanding industrial activity have created new and ever-mounting problems involving disposal of garbage, refuse, and solid waste materials resulting from domestic, agricultural, and industrial activities.

(2) Traditional methods of disposing of solid wastes in this state are no longer adequate to meet the ever-increasing problem. Improper methods and practices of handling and disposal of solid wastes pollute our land, air and water resources, blight our countryside, adversely affect land values, and damage the overall quality of our environment.

(3) Considerations of natural resource limitations, energy shortages, economics and the environment make necessary the development and implementation of solid waste recovery and/or recycling plans and programs.

(4) The following priorities in the management of solid waste are necessary and should be followed in order of descending priority as applicable:

(a) Waste reduction;

(b) Waste recycling;

(c) Energy recovery or incineration; and

(d) Landfill.

(5) There is an imperative need to anticipate, plan for, and accomplish effective storage, control, recovery, and recycling of discarded vehicle tires with the subsequent conservation of resources and energy.

Sec. 2. Section 2, chapter 134, Laws of 1969 ex. sess. as amended by section 2, chapter 41, Laws of 1975-'76 2nd ex. sess. and RCW 70.95.020 are each amended to read as follows:

The purpose of this chapter is to establish a comprehensive state-wide program for solid waste handling, and solid waste recovery and/or recycling which will prevent land, air, and water pollution and conserve the natural, economic, and energy resources of this state. To this end it is the purpose of this chapter:

(1) To assign primary responsibility for adequate solid waste handling to local government, reserving to the state, however, those functions necessary to assure effective programs throughout the state;

(2) To provide for adequate planning for solid waste handling by local government;

(3) To provide for the adoption and enforcement of basic minimum performance standards for solid waste handling;

(4) To provide technical and financial assistance to local governments in the planning, development, and conduct of solid waste handling programs;

(5) To encourage storage, proper disposal, and recycling of discarded vehicle tires and to stimulate private recycling programs throughout the state.

It is the intent of the legislature that local governments be encouraged to use the expertise of private industry and to contract with private industry to the fullest extent possible to carry out solid waste recovery and/or recycling programs.

Sec. 3. Section 3, chapter 134, Laws of 1969 ex. sess. as last amended by section 2, chapter 123, Laws of 1984 and RCW 70.95.030 are each amended to read as follows:

As used in this chapter, unless the context indicates otherwise:

(1) "City" means every incorporated city and town.

(2) "Committee" means the solid waste advisory committee.

(3) "Department" means the department of ecology.

(4) "Director" means the director of the department of ecology.

(5) "Disposal site" means the location where any final treatment, utilization, processing, or depository of solid waste occurs.

(6) "Functional standards" means criteria for solid waste handling expressed in terms of expected performance or solid waste handling functions.

(7) "Jurisdictional health department" means city, county, city-county, or district public health department.

(8) "Person" means individual, firm, association, copartnership, political subdivision, government agency, municipality, industry, public or private corporation, or any other entity whatsoever.

Debate ensued.

#### POINT OF INQUIRY

Senator Pullen: "Senator McDermott, on that balance, what's the total tax increase of this bill? In other words, what's the fiscal impact associated with this bill?"

Senator McDermott: "Well, Senator, if you add it all together, we lost about eight million from the general fund."

Senator Pullen: "You're saying that if you sum all the taxes, increases or decreases, algebraically the net is an eight million dollar reduction or an eight million dollar increase?"

Senator McDermott: "Out of the general fund, Senator. I don't know about the algebraically stuff--the last course I had was my freshman year in college and you don't have to be able to count to be a doctor. Well, you have to be able to count vertebrae and stuff like that, but you don't have to--"

Senator Pullen: "I'm just asking if you count millions, how many millions of dollars tax increase is this?"

Senator McDermott: "Senator, it is 8.6 million dollars less in the general fund. When you take all of the reductions in this bill, we lose about eight million dollars."

Senator Pullen: "How much do you gain, though?"

Senator McDermott: "In the general fund, it is actually none."

Senator Pullen: "I'm talking about the non-general fund area."

Senator McDermott: "Oh I see. Well, there will be forty-one million dollars in the Public Works Trust Fund for pay-as-you-go construction programs to deal with the one billion dollar of need in this state, so this state can have the intra-structure to support the economic development that we all want and need."

Further debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen: Senator McDermott, I didn't detect a great deal of enthusiasm in your voice for this bill, however, what I would like to ask is this entirely a new tax on refuse--public utilities--now, 5.29. Is that an entirely new tax on the people?"

Senator McDermott: "Senator Rasmussen, what you actually heard in my voice was Irish savoirfaire. It is not new taxes; it is an extension of the already existing taxes."

Senator Rasmussen: "What is the present tax?"

Senator McDermott: "I would have to get the rates for you, but we are extending taxes."

Further debate ensued.

#### POINT OF INQUIRY

Senator Kiskaddon: "Senator Peterson, I guess I'd really like to be cleared on the copies of records at four dollars. Is it an accurate statement? Is that more than what it actually costs? It does seem like that is an excessive charge to me."

Senator Peterson: "It's a little more than it costs. Bear in mind, Senator, that the abstracts that the Department of Licensing has been furnishing for over the past ten years have been less than the cost of production--much less. The average costs, as near as I can remember from the testimony, is approximately three dollars to produce those abstracts. Insurance companies have been paying \$1.50, so in effect, the difference between Senator Sellar's suggestion of \$3.25 and \$4.00 is minimal when you consider the fact that we have been subsidizing those abstracts for years and years."

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 1107, requiring a valid driver's license for issuance of a vehicle license, have had the same under consideration and we recommend that the Senate committee amendment not be adopted and that the bill do pass without the Senate committee amendment.

Signed by Senators Peterson and Vognild; Representatives Armstrong and Long.

#### MOTION

Senator Peterson moved that the Report of the Conference Committee on Substitute House Bill No. 1107 be adopted.

#### POINT OF INQUIRY

Senator Bender: "Senator Peterson, what happened to the amendment dealing with the car dealers? Is that part of this Conference Report or not?"

Senator Peterson: "Well, what happened was that we didn't in effect adopt both amendments in committee--that was necessary to enact that portion of the bill."

Senator Bender: "What does that mean? Is it in the Conference Report now that exempted car dealers whether it be new or used from selling to people who do not have a valid driver's license?"

Senator Peterson: "In effect, Senator, the way I understand it is we didn't have it in there properly in the first place, so it doesn't change the original bill. We adopted one amendment and we didn't adopt the other amendment that would put the section in, so what we've done is bring it back to its original form. We didn't enact the proper amendment to start with."

## REPORT OF FREE CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred SENATE BILL NO. 3812, modifying penalty provisions on the violation of water pollution control statutes, have had the same under consideration and we recommend that the bill be amended as follows and that the bill as amended by the Free Conference Committee do pass.

(See Report of Conference Committee on Senate Bill No. 3812, read in on April 25, 1985)

Signed by Senators Kreidler, Bluechel and Talmadge; Representatives Hine, Rust and G. Nelson.

## MOTION

Senator Kreidler moved that the Report of the Free Conference Committee on Senate Bill No. 3812 be adopted.

## POINT OF INQUIRY

Senator Rasmussen: "Senator Kreidler, the Free Conference Committee Report on page 2, reads, 'Violates the provisions of RCW 90'--and so on and so forth--'where other sections of this chapter or regulations,' and then it goes on to say 'or orders adopted or issued pursuant thereto.' Now, it doesn't say anything about orders adopted that I presume go through the hearings and adopt their rules and regs, but then--'or issued pursuant thereto.' It doesn't say they have to be adopted. It just says that 'the orders are issued.'

"Before you answer, let me go on to the next one, so you can get them all at once. On page 3, it says, 'The director shall mitigate penalties only upon demonstration of extraordinary circumstance, as the president's information or factor is not considered in setting the original penalty.' There's another one on page 9--'Necessary expenses means expenses occurred by the Department for investigating the source of discharge, investigating the extent of environmental damage caused by the discharge.' Now, that could run up into a tremendous amount of money the way that Department operates and while it might be worthwhile, I'm questioning. Then over on page 10, it indicates that 'if no standards have been set, cause significant degradation of water qualities.' Well, how do you know if you degraded a water quality if there's no standards set and what this does is allow the director of the Department without any other action to come in and fine you heavily for things in the first section, where it says they can issue orders if nobody knows about it and in this case where you've got no standards.

"Maybe you can explain that, but it gives unlimited powers to the Director which may be what we want to do. We haven't done it in the past and it really leaves industry and even private parties under serious handicap."

Senator Kreidler: "Senator Rasmussen, your initial question addressed--what are essentially the violations of the discharge permit. Currently, they can go through the civil court's proceedings in order to accomplish their end. It is timely; it is costly and there was no objection to adding this language from industry--the people who are going to be affected by being the recipients of those discharge permits and they felt that actually this would smooth over the process and make it much more smooth than it previously has been. That's the reason--there was absolutely no controversy over that particular language as it was added.

"As to your other questions, I think you'll have to state them." (Time ran out--3 minute rule).

The President declared the question before the Senate to be the motion by Senator Kreidler that the Senate adopt the Report of the Free Conference Committee on Senate Bill No. 3812.

The motion by Senator Kreidler carried and the Senate adopted the Report of the Free Conference Committee on Senate Bill No. 3812.

The President declared the question before the Senate to be the roll call on final passage of Senate Bill No. 3812, as amended by the Free Conference Committee.

#### POINT OF INQUIRY

Senator Rasmussen: "Now that it's on final passage, is it permitted for Senator Kreidler to finish? Tell that gavel to hold off a little bit. Thank you, Mr. President?"

Senator Kreidler: "Senator Rasmussen, you'll have to rephrase those questions because after about the fourth or fifth one, I couldn't turn to the pages quick enough to look at the reference to the questions you were asking."

Senator Rasmussen: "Probably the only one that is really of any importance is the last one."

Senator Kreidler: "On page what?"

Senator Rasmussen: "Well, I had a question, too, on unnecessary expenses--unlimited expenses that they apparently are allowed to assess against whatever industry they determine, may or may not be degrading. The one that bothers me is that if no standards have been set--'causes significant degradation of water quality.' That's the question, if you don't have standards, how are you going to make that determination and I presume they'd get a fine even if they didn't know what the standards were."

Senator Kreidler: "Is that related to necessary expenses--that particular section?"

Senator Rasmussen: "That's water degradation on page 10."

Senator Kreidler: "That particular language we wound up with was actually a change from what we originally had. The wording previously had been 'a measurable reduction in water quality.' We were concerned about that particular language as I attempted to say earlier, that relates specifically to that language on page 10--'using modern detection devices in amounts to one trillionth parts per million can be measured.' The compromise wording calls for 'significant degradation' which implies that more than just barely detectable amounts of contaminants are now subject.

"This language is language that we worked out carefully with the people who are going to be the affected parties to make sure that they didn't feel the Department of Ecology was going to wind up with excessive powers--that they would not wind up in a situation where there would be an unreasonable standard established and the language we have here is the result of what is a compromise that everybody feels they can work with quite satisfactorily.

"At the same time, without language like this, we run the risk of not having the kind of standards available for the Department of Ecology to work with and are going to allow us to make sure that they are doing the job to protect water quality in the state of Washington. This is compromise wording that met with everybody's satisfaction as a reasonable compromise in order to give the Department the kind of powers that are necessary."

Further debate ensued.

#### ROLL CALL

The Secretary called the roll on final passage of Senate Bill No. 3812, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 31; nays, 17; excused, 1.

Voting yea: Senators Bailey, Bauer, Bender, Bluechel, Bottiger, Conner, Craswell, DeJarnatt, Fleming, Garrett, Gaspard, Goltz, Guess, Halsan, Hansen, Kreidler, Lee, McDermott, McManus, Moore, Owen, Rinehart, Saling, Stratton, Talmadge, Thompson, Vognild, von Reichbauer, Warnke, Williams, Wojahn - 31.

Mr. President:

## REPORT OF CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 4424, reopening the certification period of the pollution control board for certain parties to the Yakima adjudication, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 4, chapter 216, Laws of 1979 ex. sess. and RCW 90.14.043 are each amended to read as follows:

(1) Notwithstanding any time restrictions imposed by the provisions of chapter 90.14 RCW, a person may file a claim pursuant to RCW 90.14.041 if such person obtains a certification from the pollution control hearings board as provided in this section.

(2) A certification shall be issued by the pollution control hearings board if, upon petition to the board, it is shown to the satisfaction of the board that:

(a) Waters of the state have been applied to beneficial use continuously (with no period of nonuse exceeding five consecutive years) in the case of surface water beginning not later than June 7, 1917, and in the case of ground water beginning not later than June 7, 1945, or

(b) Waters of the state have been applied to beneficial use continuously (with no period of nonuse exceeding five consecutive years) from the date of entry of a court decree confirming a water right and any failure to register a claim resulted from a reasonable misinterpretation of the requirements as they related to such court decreed rights.

(3) The board shall have jurisdiction to accept petitions for certification from any person through (~~December 31, 1979~~) September 1, 1985, and not thereafter.

(4) A petition for certification shall include complete information on the claim pursuant to RCW 90.14.051 (1) through (8), and any such information as the board may require.

(5) The department of ecology is directed to accept for filing any claim certified by the board as provided in subsection (2) of this section. The department of ecology, upon request of the board, may provide assistance to the board pertinent to any certification petition.

(6) A certification by the pollution control hearings board or a filing with the department of ecology of a claim under this section shall not constitute a determination or confirmation that a water right exists.

(7) The provisions of RCW 90.14.071 shall have no applicability to certified claims filed pursuant to this section.

(8) This section shall have no applicability to ground waters resulting from the operations of reclamation projects.

NEW SECTION, Sec. 2. A new section is added to chapter 90.14 RCW to read as follows:

The provisions of this 1985 amendatory act authorizing the acceptance of a petition for certification filed during the period beginning on the effective date of this 1985 amendatory act and ending on midnight, September 1, 1985, shall not affect or impair in any respect whatsoever any water right existing prior to the effective date of this 1985 act.

NEW SECTION, Sec. 3. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, on line 1 of the title, after "RCW 90.14.043;" insert "adding a new section to chapter 90.14 RCW:"

Signed by Senators Hansen, Benitz and Goltz; Representatives Vekich, Madsen and Doty.

## MOTION

On motion of Senator Goltz, the Report of the Conference Committee on Substitute Senate Bill No. 4424 was adopted and the committee was granted the powers of Free Conference.

## MOTION

On motion of Senator Bender, Senators Owen and Talmadge were excused. There being no objection, the President advanced the Senate to the sixth order of business.

## SECOND READING

HOUSE BILL NO. 318, by Representatives Walk, J. Williams, Gallagher, Van Luven, May, Betrozoff, Patrick, Nealey, Prince, Sanders, Hankins, S. Wilson, Holland and Winsley

Extending the current Advance Construction-Interstate Highway bond authorization to 1989.

The bill was read the second time.

## MOTION

Senator Vognild moved the following amendment by Senator Wojahn be adopted:

On page 3, after line 22, insert the following:

NEW SECTION, Sec. 3. A new section is added to chapter 82.14 RCW to read as follows:

On and after July 1, 1985, through June 30, 1991, the legislative authority of any city having a population over one hundred forty thousand may impose a sales and use tax of up to one-tenth of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The tax authorized by this section is in addition to the tax authorized by RCW 82.14.030 and 82.14.045 and shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within such city. The total proceeds of such tax shall not exceed the sum of twenty-five million dollars plus administration and collection expenses pursuant to RCW 82.14.050.

The total proceeds of the tax imposed under this section, less amounts deducted for administration and collection expenses pursuant to RCW 82.14.050, shall be used solely to finance the local share of preliminary engineering, right of way acquisition, and construction expenditures for any project located on one or more adjacent city streets, forming a state corridor, which includes crossing of a waterway within the city limits of a city having a population of more than one hundred forty thousand.

This section shall expire June 30, 1992."

## POINT OF ORDER

Senator Rasmussen: "Mr. President, a point of order. I raise the question of scope and object. It doesn't fit on this bill. This requires the imposing of a sales tax. It doesn't fit on the bill and it requires a change in title. I would urge the President to take a good look at the scope and object and my reason for not wanting to see this is it's a state highway which is funded and taken care of by the gas tax funds and that's the way it should remain."

## RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Rasmussen, the President finds that House Bill No. 318 is a measure extending the current advance construction-interstate highway bond authorization from 1985 to 1989.

"The amendment proposed by Senator Wojahn authorizes a local option sales tax for certain cities with funds dedicated to bridges within those cities.

"The President, therefore, finds that the proposed amendment does expand the scope and object of the bill and that the point of order is well taken."

The amendment by Senator Wojahn was ruled out of order.

## MOTION

On motion of Senator Peterson, the rules were suspended, House Bill No. 318 was advanced to third third reading, the second reading considered the third, and the bill was placed on final passage.

The President declared the question before the Senate to be the roll call on final passage of House Bill No. 318.

So, we are not accepting it and the problem in it is the scope and object problem that you brought up this morning, so essentially we are instructing them to go back and rewrite that without that language."

## PARLIAMENTARY INQUIRY

Senator Metcalf: "Question--what is the language that we are not going to put--I was on the Conference Committee and what is the language that we're going to change?"

Senator Vognild: "Senator, the language contained in there in regards to the power to search for fish and to check fish is beyond the scope and object of the bill and, therefore, we are going to have to take that out."

Senator Metcalf: "That section out? Thank you."

## REMARKS BY SENATOR OWEN

Senator Owen: "Thank you, Mr. President. That's not quite correct. I thought maybe I should clarify that. We need to go back and determine whether or not there is a way that we could draft legislation that would take care of the problem. I'm not convinced that it would be necessary to take out that language in order to accomplish that, but we do need to get it back into conference in order to make this determination and I can't say at this point exactly what that would be, but I do not believe that it would be taking out the language that Senator Rasmussen is objecting to."

Further debate ensued.

## REPORT OF CONFERENCE COMMITTEE

April 26, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 805, requiring training in recognizing potential victims of child abuse, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

Strike everything after the enacting clause and insert the following:

**NEW SECTION.** Sec. 1. A new section is added to chapter 28A.04 RCW to read as follows:

The legislature finds that learning is more difficult for many children because they are the victims of child abuse. Educators are often in a position to identify and assist these children in coping with their unfortunate circumstances. Educators should be trained to deal with this responsibility. The legislature, therefore, encourages the state board of education to include in its program standards for professional preparation programs instruction in child abuse issues.

**NEW SECTION.** Sec. 2. A new section is added to chapter 28A.71 RCW to read as follows:

The superintendent of public instruction, the educational service districts, and local school districts are encouraged to devise programs of in-service training for public school certificated and classified personnel who come into contact with students in grades kindergarten through twelve for the purpose of providing instruction on how to effectively teach children the skills to resist and report attempts to abuse them.

Sec. 3. Section 2, chapter 92, Laws of 1974 ex. sess. as last amended by section 1, chapter 16, Laws of 1985 and RCW 28A.02.201 are each amended to read as follows:

The legislature hereby recognizes that private schools should be subject only to those minimum state controls necessary to insure the health and safety of all the students in the state and

to insure a sufficient basic education to meet usual graduation requirements. The state, any agency or official thereof, shall not restrict or dictate any specific educational or other programs for private schools except as hereinafter in this section provided.

Principals of private schools or superintendents of private school districts shall file each year with the state superintendent of public instruction a statement certifying that the minimum requirements hereinafter set forth are being met, noting any deviations. After review of the statement, the state superintendent will notify schools or school districts of those deviations which must be corrected. In case of major deviations, the school or school district may request and the state board of education may grant provisional status for one year in order that the school or school district may take action to meet the requirements. Minimum requirements shall be as follows:

(1) The minimum school year for instructional purposes shall consist of no less than one hundred eighty school days or the equivalent in annual minimum program hour offerings as prescribed in RCW 28A.58.754.

(2) The school day shall be the same as that required in RCW 28A.01.010 and 28A.58.754, each as now or hereafter amended, except that the percentages of total program hour offerings as prescribed in RCW 28A.58.754 for basic skills, work skills, and optional subjects and activities shall not apply to private schools or private sectarian schools.

(3) All classroom teachers shall hold appropriate Washington state certification except as follows:

(a) Teachers for religious courses or courses for which no counterpart exists in public schools shall not be required to obtain a state certificate to teach those courses.

(b) In exceptional cases, people of unusual competence but without certification may teach students so long as a certified person exercises general supervision. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances.

(4) Appropriate measures shall be taken to safeguard all permanent records against loss or damage.

(5) The physical facilities of the school or district shall be adequate to meet the program offered by the school or district: PROVIDED, That each school building shall meet reasonable health and fire safety requirements.

(6) Private school curriculum shall include instruction of the basic skills of occupational education, science, mathematics, language, social studies, history, health with special reference to the prevention of child abuse, reading, writing, spelling, and the development of appreciation of art and music, all in sufficient units for meeting state board of education graduation requirements.

(7) Each school or school district shall be required to maintain up-to-date policy statements related to the administration and operation of the school or school district.

All decisions of policy, philosophy, selection of books, teaching material, curriculum, except as in subsection (6) above provided, school rules and administration, or other matters not specifically referred to in this section, shall be the responsibility of the administration and administrators of the particular private school involved.

Sec. 4. Section 28A.05.010, chapter 223, Laws of 1969 ex. sess. as amended by section 3, chapter 71, Laws of 1969 and RCW 28A.05.010 are each amended to read as follows:

All common schools shall give instruction in reading, penmanship, orthography, written and mental arithmetic, geography, English grammar, physiology and hygiene with special reference to the effects of alcoholic stimulants and narcotics on the human system and the prevention of child abuse, the history of the United States, and such other studies as may be prescribed by rule or regulation of the state board of education. All teachers shall stress the importance of the cultivation of manners, the fundamental principles of honesty, honor, industry and economy, the minimum requisites for good health including the beneficial effect of physical exercise, and the worth of kindness to all living creatures.

NEW SECTION. Sec. 5. If specific funding for the purpose of the amendment to RCW 28A.05.010 by section 4 of this act referencing this act by bill number, is not provided by the legislature by July 1, 1985, the amendments to RCW 28A.02.201 by section 3 of this act and to RCW 28A.05.010 by section 4 of this act shall be null and void.

NEW SECTION. Sec. 6. The legislature recognizes that its intent to require that specific subject matter be taught in the common schools of this state must be accompanied by a commitment to provide the funding to train teachers in every school in that particular curriculum. Therefore, if sections 3 and 4 of this act are not implemented during 1985 as required in section 5 of this act, the legislature directs the superintendent of public instruction to conduct a study of available staff trained in the prevention of child abuse curriculum in all two hundred ninety-nine school districts and one thousand six hundred ninety-eight school buildings in the state and to report back to the legislature prior to the 1986 session as to the means and cost associated with providing adequate training to meet staff needs in this area.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

On page 1, line 1 of the title, after "education;" strike the remainder of the title and insert "amending RCW 28A.02.201 and 28A.05.010; adding a new section to chapter 28A.04 RCW; adding a new section to chapter 28A.71 RCW; and creating new sections."

REPORT OF CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 3184, providing state-owned housing for certain state employees, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION.** Sec. 1. The legislature recognizes that significant benefits accrue to the state and that certain types of state operations are more efficient when personnel services are available on an extended basis. Such operations include certain types of facilities managed by agencies such as the departments of natural resources, corrections, fisheries, game, social and health services, transportation, veterans affairs, and the parks and recreation commission.

The means of assuring that such personnel are available on an extended basis is through the establishment of on-site state-owned or leased living facilities. The legislature also recognizes the restrictions and hardship placed upon those personnel who are required to reside in such state-owned or leased living facilities in order to provide extended personnel services.

The legislature further recognizes that there are instances where it is to the benefit of the state to have state-owned or leased living facilities occupied even though such occupancy is not required by the agency as a condition of employment.

NEW SECTION. Sec. 2. (1) Whenever an agency requires that an employee reside in state-owned or leased living facilities as a condition of employment, such living facilities shall be made available to the employee under the conditions set forth in sections 3 and 4 of this act.

(2) Whenever an agency determines that (a) a living facility owned or leased by the agency is not occupied by employees under subsection (1) of this section and (b) it would be to the agency's benefit to have the facility occupied by an employee of the agency whose duties involve extended personnel services associated with the work site upon which the living facility is located or at work site near to where the living facility is located, the agency may make the facility available to such employee.

(3) Whenever an agency determines that (a) a living facility owned or leased by the agency is not occupied by employees under subsection (1) of this section and (b) the facility has been made available to employees under subsection (2) of this section and that no such employees have opted to reside in the facility, the agency may make the facility available for occupancy to other interested parties.

NEW SECTION. Sec. 3. (1) No rent may be charged to persons living in facilities provided under section 2 (1) and (2) of this act. Such employees shall pay the costs of utilities associated with the living facility.

(2) Rent and utility charges to residents of living facilities under section 2(3) of this act shall be established by the agency responsible for managing the living facility.

(3) Utility charges required by this section shall be based upon six cents per month per square foot to a maximum of thirteen hundred square feet, outside dimension. Utility costs may be adjusted by the department of general administration on a yearly basis to reflect an average of utility rate changes affecting all state-owned housing in the state. Individuals residing in living facilities available under section 2 of this act shall pay all utility costs attributable to the personal enhancements of the individual.

(4) Any person occupying state-owned or leased living facilities shall do so with the understanding that he or she assumes custodial housekeeping responsibility as directed by the agency. Such responsibility shall not include maintenance, repairs, or improvements to the facilities. An occupant of a state-owned or leased facility is liable for damages to the facility in excess of normal wear and tear.

NEW SECTION. Sec. 4. The state shall maintain living facilities occupied under section 2 of this act in a safe, healthful condition.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Signed by Senators Thompson, Zimmerman and Rinehart; Representatives Belcher, Peery and Hankins.

On motion of Senator Vognild, the Report of the Conference Committee on Substitute Senate Bill No. 3184 was adopted and the committee was granted the powers of Free Conference.

#### MESSAGE FROM THE HOUSE

#### REPORT OF CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 3235, providing programs for educational excellence, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION.** Sec. 1. The superintendent of public instruction shall by December 1, 1985, recommend to the legislature a basic education allocation formula which provides adequate but not excessive funding for districts having less than twenty-five full time equivalent students.

**NEW SECTION.** Sec. 2. A new section is added to chapter 28A.58 RCW to read as follows:

Each school district board of directors shall develop a schedule and process by which each public school within its jurisdiction shall undertake self-study procedures on a regular basis: PROVIDED, That districts may allow two or more elementary school buildings in the district to undertake jointly the self-study process. Each school may follow the accreditation process developed by the state board of education under RCW 28A.04.120(4), although no school is required to file for actual accreditation, or the school may follow a self-study process developed locally. Whatever process is used must focus upon the quality and appropriateness of the school's educational program and the results of its operational efforts.

Any self-study process must include the participation of staff, parents, members of the community, and students, where appropriate to their age.

Emphasis throughout the process shall be placed upon:

- (1) Achieving educational excellence and equity;
- (2) Building stronger links with the community; and
- (3) Reaching consensus upon educational expectations through community involvement and corresponding school management.

The initial self-study process within each district shall begin by September 1, 1986, and should be completed for all schools within a district by the end of the 1990-91 school year.

The state board of education shall develop rules and regulations governing procedural criteria. Such rules and regulations should be flexible so as to accommodate local goals and circumstances. Rules and regulations may allow for waiver of the self-study for economic reasons and may also allow for waiver of the initial self-study if a district or its schools have participated successfully in an official accreditation process or in a similar assessment of educational programs within the last three years. The self-study process shall be conducted on a cyclical basis every seven years following the initial 1990-91 period.

The superintendent of public instruction shall provide training to assist districts in their self-studies.

Each district shall annually report to the superintendent of public instruction on the scheduling and implementation of their self-study activities.

**NEW SECTION.** Sec. 3. The legislature recognizes the need to keep and attract quality teachers in our public schools. The legislature intends to examine the effectiveness of a career ladder in our public schools. To improve the quality of teaching and foster a professional climate which encourages creativity and cooperation among teachers and enhances the intrinsic rewards teachers experience from helping students learn, the legislature intends to locally test ways in which the goal of attracting and retaining excellent teachers might be accomplished. The legislature recognizes that a career ladder system is one means of enhancing the attractiveness of teaching; however, the legislature wishes to investigate this concept further prior to determining whether to develop such a system.

**NEW SECTION.** Sec. 4. A new section is added to chapter 28A.67 RCW to read as follows:

(1) The superintendent of public instruction is hereby authorized to grant funds for selected school improvement and research projects, including improvements in curriculum, instruction, and classroom management developed by teachers.

(2) The superintendent shall appoint an advisory committee on research and development composed of certificated and noncertificated staff, administrators, curriculum specialists, parents, school directors, postsecondary educators, business persons, and others as the superintendent finds necessary. The committee shall propose criteria to the superintendent to evaluate proposed school improvement and research projects proposed by educational employees. The criteria approved by the superintendent shall: (a) Assure to the extent possible that projects will be chosen which represent the various geographical locations, school or district sizes, and grade levels existent in the state; (b) provide for evaluation of each project upon completion; and (c) include such other requirements as the superintendent finds necessary. The committee shall recommend to the superintendent of public instruction the awarding of grants to fund those proposals showing the most potential for developing knowledge which will be helpful to local districts in their efforts to enhance educational equity and excellence. Projects may involve the collaboration of personnel from higher education institutions and kindergarten through grade twelve educators.

(3) The superintendent of public instruction shall award grants to selected project participants in such amounts as determined by the superintendent of public instruction, who shall take into consideration grant amounts as recommended by the advisory committee on research and development under subsection (2) of this section. The sum of all grants awarded per year shall not exceed that amount appropriated by the legislature for such purposes. Grants may be awarded to individual teachers or teams of teachers including teacher's aides and volunteers.

(4) The superintendent of public instruction shall maintain a clearinghouse of information on these research projects for the use of local districts.

Sec. 5. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 1, chapter 229, Laws of 1983 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

- (1) Certificated staff and their related costs;
- (2) Classified staff and their related costs;
- (3) Nonsalary costs;
- (4) Extraordinary costs of remote and necessary schools and small high schools; and
- (5) The attendance of students pursuant to RCW 28A.58.075 and 28A.58.245, each as now or hereafter amended, who do not reside within the servicing school district.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous school year shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, learning resources specialist, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute. Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall average at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity. Implementing rules to be adopted by the state board of education pursuant to RCW 28A.58.754(6) shall provide that compliance with the direct contact hour requirement shall be based upon teachers' normally assigned weekly instructional schedules, as assigned by the district administration. Additional record-keeping by classroom teachers as a means of accounting for contact hours shall not be required. However, upon request from the board of directors of any school district, the provisions relating to direct classroom contact hours for individual teachers in that district may be waived by the state board of education if the waiver is necessary to implement a locally approved plan for educational excellence and the waiver is limited to those individual teachers approved in the local plan for educational excellence. The state board of education shall develop criteria to evaluate the need for the waiver. Granting of the waiver shall depend upon verification that: (a) The students' classroom instructional time will not be reduced; and (b) the teacher's expertise is critical to the success of the local plan for excellence.

**NEW SECTION.** Sec. 6. A new section is added to chapter 28A.04 RCW to read as follows:

The state board of education may grant waivers to school districts from the provisions of RCW 28A.58.750 through 28A.58.754 on the basis that such waiver or waivers are necessary to

implement successfully a local plan to provide for all students in the district an effective education system that is designed to enhance the educational program for each student. The local plan may include alternative ways to provide effective educational programs for students who experience difficulty with the regular education program.

The state board shall adopt criteria to evaluate the need for the waiver or waivers.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.58 RCW to read as follows:

School boards may by separate contract with certificated instructional and classified staff provide supplemental compensation for additional days or additional duties as set forth in the bargaining agreement or agreements as negotiated between the district and the respective bargaining representatives, if the district does not incur obligations for the supplements beyond the current school year and if such supplements do not cause the state to incur any present or future funding obligations. Additional days for certificated instructional staff and classified staff shall be those days beyond their respective work year. Such separate contracts shall be subject to the collective bargaining provisions of chapters 41.59 and 41.56 RCW. Such supplemental compensation shall not be deemed an increase in salary or compensation for purposes of RCW 28A.58.095. Separate contracts shall be subject to the provision of RCW 28A.67.074, shall not exceed one year, and if not renewed shall not constitute adverse change in accordance with RCW 28A.58.450 through RCW 28A.58.515.

NEW SECTION. Sec. 8. (1) The sum of one hundred thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1987, from the general fund to the superintendent of public instruction for the purposes of section 2 of this act.

(2) The sum of one hundred thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1987, from the general fund to the superintendent of public instruction for the purposes of section 4 of this act.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, after "excellence;" strike the remainder of the title and insert "amending RCW 28A.41.140; adding a new section to chapter 28A.04 RCW; adding new sections to chapter 28A.58 RCW; adding a new section to chapter 28A.67 RCW; creating new sections; and making appropriations."

Signed by Senators Gaspard and Bender; Representatives Ebersole, Appelwick and Betzoff.

April 26, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 3376, establishing a higher education coordinating board, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. There is hereby created the Washington higher education coordinating board.

NEW SECTION. Sec. 2. For the purposes of this chapter:

(1) "Board" means the higher education coordinating board; and

(2) "Four-year institutions" means the University of Washington, Washington State University, Central Washington University, Eastern Washington University, Western Washington University, and The Evergreen State College.

The legislature intends that the board represent the broad public interest above the interests of the individual colleges and universities.

**NEW SECTION.** Sec. 4. The legislature finds that homemakers are an unrecognized part of the work force who make an invaluable contribution to the strength, durability, and purpose of our state.

The legislature further finds that there is an increasing number of persons in this state who, having fulfilled a role as homemaker, find themselves "displaced" in their middle years through divorce, death of spouse, disability of spouse, or other loss of family income of a spouse. As a consequence, displaced homemakers are very often left with little or no income; they are ineligible for categorical welfare assistance; they are subject to the highest rate of unemployment of any sector of the work force; they face continuing discrimination in employment because of their age and lack of recent paid work experience; they are ineligible for unemployment insurance because they have been engaged in unpaid labor in the home; they are ineligible for social security benefits because they are too young, and many never qualify because they have been divorced from the family wage earner; they may have lost beneficiaries' rights under employer's pension and health plans through divorce or death of spouse; and they are often unacceptable to private health insurance plans because of their age.

It is the purpose of this chapter to establish guidelines under which the ~~((council for postsecondary education))~~ higher education coordinating board shall contract to establish multi-purpose service centers and programs to provide necessary training opportunities, counseling,

and services for displaced homemakers so that they may enjoy the independence and economic security vital to a productive life.

(4) The term "domicile" shall denote a person's true, fixed and permanent home and place of habitation. It is the place where ~~((he))~~ the student intends to remain, and to which ~~((he))~~ the student expects to return when ~~((he))~~ the student leaves without intending to establish a new domicile elsewhere. dependent student who remains in this state when such student's parents, having theretofore been domiciled in this state for a period of one year immediately prior to the time of commencement of the first day of the semester or quarter for which the student has registered at any institution, remove from this state, shall be entitled to continued classification as a resident student so long as such student's attendance (except summer sessions) at an institution in this state is continuous.

(a) Registration or payment of Washington taxes or fees on a motor vehicle, mobile home, travel trailer, boat, or any other item of personal property owned or used by the person for which state registration or the payment of a state tax or fee is required will be a factor in considering evidence of the establishment of a Washington domicile.

In any case involving an application for a change from nonresident to resident status, the burden of proof shall rest with the applicant. Any change in classification, either nonresident to resident, or the reverse, shall be based upon written evidence maintained in the files of the institution and, if approved, shall take effect the semester or quarter such evidence was filed with the institution: PROVIDED, That applications for a change in classification shall be accepted up to the thirtieth calendar day following the first day of instruction of the quarter or semester for which application is made. The commission shall be the primary state liaison with the federal government for the state plan for vocational education.

#### REPORT OF CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 3400, changing provisions relating to state mineral, oil and gas leases, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 167, chapter 255, Laws of 1927 and RCW 79.01.668 are each amended to read as follows:

At any time during the life of the option contract, the holder thereof may apply to the commissioner of public lands for a coal mining lease of the lands included therein, or such portion thereof as he may specify, for the purpose of mining and extraction of coal therefrom. Such coal mining lease shall be for such term, not more than twenty years, and in such form as may be prescribed by the commissioner of public lands, shall entitle the lessee to mine and sell and dispose of all coal underlying said lands and to occupy and use so much of the surface thereof as may be necessary for bunkers and other outside works, and for railroads, buildings, appliances and appurtenances in connection with the mining operations. Such lease shall provide for the payment to the state of a royalty, according to the grade of coal, for each ton of two thousand (~~two hundred and forty~~) pounds of merchantable coal taken from the lands, as follows: For lignite coal of the class commonly found in Lewis and Thurston counties, not less than ten cents per ton; for subbituminous coal, not less than fifteen cents per ton; for high grade bituminous and coking coals, not less than twenty cents per ton; but such lease shall provide for the payment each year of a minimum royalty of not less than one nor more than ten dollars an acre for the lands covered thereby: PROVIDED, That the commissioner of public lands may

agree with the lessee that said minimum royalty shall be graduated for the different years of said lease so that a lower minimum royalty shall be paid during the earlier years of the term. The minimum royalty fixed in the lease shall be paid in advance each year, and the lessee, at stated periods during the term of the lease, fixed by the commissioner, shall furnish to the commissioner of public lands a written report under oath showing the amount of merchantable coal taken from the land during the period covered by such report and shall remit therewith such sum in excess of the minimum royalty theretofore paid for the current year as may be payable as royalty for the period covered by such report.

~~((Failure on the part of any lessee to comply with the foregoing provisions, or of his lease, shall work a forfeiture of the lease, and no such forfeiture may be waived.))~~ The commissioner shall incorporate in every lease such provisions and conditions not inconsistent with the provisions of this chapter and not inconsistent with good coal mining practice as he shall deem necessary and proper for the protection of the state, and, in addition thereto, the commissioner shall be empowered to prescribe such rules and regulations, not inconsistent with this chapter and not inconsistent with good mining practice, governing the manner and methods of mining as in his judgment are necessary and proper.

Sec. 2. Section 2, chapter 131, Laws of 1955 and RCW 79.14.020 are each amended to read as follows:

The commissioner is authorized to lease public lands for the purpose of prospecting for, developing and producing oil, gas or other hydrocarbon substances. Each such lease is to be composed of not more than six hundred forty acres, except a lease on river bed, lake bed, tide and submerged lands which is to be composed of not more than one thousand nine hundred twenty acres. All leases shall contain such terms and conditions as may be prescribed by the rules and regulations adopted by the commissioner in accordance with the provisions of this chapter. ~~((At)) Leases ~~((shall))~~ may be for an initial term(~~((s))~~) of from five up to ten years and may be extended for so long thereafter as lessee shall comply with the provisions hereof and (1) shall produce any of said substances from the leased lands, ((and shall comply with the provisions hereof;)) or (2) shall be engaged in drilling, deepening, repairing, or redrilling any well thereon, or be thereafter excused therefrom but not to exceed a period of twenty years(~~((The lessee shall have preferential right to a new lease covering such lands for an additional twenty-year period on the same terms and conditions as set forth in such previous lease))~~), except the lease shall be continued for a producing well as long as it is producing or is covered by a unit plan to which the commissioner has consented to participate in under RCW 78.52.450.~~

Sec. 3. Section 3, chapter 131, Laws of 1955 as amended by section 1, chapter 151, Laws of 1980 and RCW 79.14.030 are each amended to read as follows:

The department of natural resources shall require as a prerequisite to the issuing of any lease a rental as set by the board of natural resources but not less than one dollar and twenty-five cents per acre or such prorated share of the rental per acre as the state's mineral rights ownership for the first year of such lease, payable in advance to the department of natural resources at the time the lease is awarded and a like rental annually in advance thereafter so long as such lease remains in force: PROVIDED, That such rental shall cease at such time as royalty accrues to the state from production from such lease. Commencing with the lease year beginning on or after oil, gas or other hydrocarbon substances are first produced in quantities deemed paying quantities by lessee on the land subject to such lease, lessee shall pay a minimum royalty as set by the board of natural resources but not less than five dollars per acre or fraction thereof or such prorated share of the rental per acre as the state's mineral rights ownership at the expiration of each year. Royalties payable by the lessee shall be the royalties from production as provided for in RCW 79.14.070 or the minimum royalty provided herein, whichever is greater: PROVIDED, That if such lease is unitized, the minimum royalty shall be payable only on the leased acreage after production is obtained in such paying quantities from such lease.

Sec. 4. Section 5, chapter 131, Laws of 1955 and RCW 79.14.050 are each amended to read as follows:

All leases shall provide that if oil, gas or other hydrocarbon substances are not encountered on or before the end of the initial ~~((five-year))~~ term, the lease shall not terminate if the lessee is then prosecuting drilling operations on the leased lands with due diligence, in which event the same shall remain in force so long as lessee shall keep one string of tools in operation on the leased lands, allowing not to exceed ninety days between the completion of one well and the commencement of the next until such substances are encountered in quantities deemed paying quantities by lessee. All leases shall further provide that if oil, gas or other hydrocarbon substances in paying quantities shall have been discovered on the leased lands prior to the expiration of the initial ~~((five-year))~~ term, then in the event at any time after the expiration of the initial ~~((five-year))~~ term production on the leased land shall cease from any cause, the lease shall not terminate provided lessee resumes operations for the drilling of a well or the restoration of production within ninety days from such cessation. The lease shall remain in force during the prosecution of such operations, and if production results therefrom, then so long as production continues.

Sec. 5. Section 12, chapter 64, Laws of 1970 ex. sess. as amended by section 4, chapter 215, Laws of 1984 and RCW 78.44.110 are each amended to read as follows:

The permit fees required under this chapter shall be as follows:

(1) The basic fee for the permit shall be two hundred fifty dollars per permit year for each separate location, payable with submission of the application and annually thereafter with submission of the report required in RCW 78.44.130; PROVIDED, That permits for land not engaged in surface mining on or before June 7, 1984, shall be twenty-five dollars per permit year. A twenty-five dollar permit shall not constitute an operating permit. If a person holding a twenty-five dollar permit begins surface mining during the year, that person shall pay the remainder of the two hundred fifty dollar fee.

(2) In addition, there shall be a five dollar per acre fee for all acreage exceeding ten acres which was newly disturbed by surface mining during the previous permit year, which acreage fee shall be paid at the time of submission of the report required in RCW 78.44.130.

(3) All fees collected shall be deposited in the general fund.

NEW SECTION. Sec. 6. A new section is added to chapter 38.52 RCW to read as follows:

The plan shall identify mine rescue resources, set forth a framework for a coordinated response to mine rescue emergencies, identify shortfalls, and recommend solutions.

The draft of the comprehensive state mine rescue plan and a schedule for submittal of the final plan shall be submitted to the legislature on January 13, 1986.

NEW SECTION. Sec. 7. A new section is added to chapter 43.12 RCW to read as follows:

The owner of each mine shall make a map of the surface of the property. The owner of each active mine shall make a map of the underground workings. All maps shall be filed with the department of natural resources. The department shall establish by rule the scale and contents required for the maps.

NEW SECTION. Sec. 9. A new section is added to chapter 38.52 RCW to read as follows:

No person engaged in mine rescue or recovery work who, in good faith, renders emergency care, rescue, assistance, or recovery services at the scene of any emergency at or in a mine in this state or who employs, sponsors, or represents any person rendering emergency care, rescue, assistance, or recovery services shall be liable for any civil damages as a result of any act or omission by any person in rendering emergency care, rescue, assistance, or recovery service.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

#### REPORT OF CONFERENCE COMMITTEE

April 26, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 4241, authorizing the state employees' insurance board to disapprove certain panel medicine group plans, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference for the purpose of amending the bill as follows:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 136, Laws of 1977 ex. sess. and RCW 41.05.005 are each amended to read as follows:

The legislature, recognizing the desirability of maintaining a healthy work force in order to promote the efficiency and productivity of the employees and officials working for the state and political subdivisions, ~~((declares))~~ finds it to be in the best interest of the state and political subdivisions to provide comprehensive health care to ~~((state))~~ public employees and officials and their dependents, while at the same time there is an increased need for comprehensive public oversight of the costs of and expenditures for health care services. The legislature also finds that, by increasing the coverage group, the state may affect the cost not only to the state for employee costs but also the overall costs in the state.

It is therefore the purpose of this chapter to establish health care plans that provide comprehensive health care for all qualified ~~((state))~~ public employees and officials and their dependents ~~((which plans will be funded by the employer to the fullest extent possible))~~.

Sec. 2. Section 1, chapter 39, Laws of 1970 ex. sess. as last amended by section 90, chapter 3, Laws of 1983 and RCW 41.05.010 are each amended to read as follows:

(3) "Fund" means the public employees' insurance fund created in this chapter.

(4) "Panel medicine plan" means a health care plan which can be offered by a health care service contractor which itself furnishes the health care service contracted for by means of a group practice prepaid medical care plan, and also includes a health maintenance organization holding a valid certificate of registration under chapter 48.46 RCW.

Sec. 3. Section 2, chapter 136, Laws of 1977 ex. sess. as last amended by section 68, chapter 287, Laws of 1984 and RCW 41.05.025 are each amended to read as follows:

The ferry system management and employee organizations may collectively bargain for other insurance and health care plans, and employer contributions may exceed that of other state agencies as provided in RCW 41.05.050, subject to RCW 47.64.180.

However, after July 1, 1984, any amount by which the employer contribution for ferry system employees' and dependents' insurance and health care plans exceeds that provided for other state agencies shall reduce the funds available for compensation purposes, pursuant to RCW 47.64.180.

Sec. 14. Section .24.01, chapter 79, Laws of 1947 as amended by section 11, chapter 147, Laws of 1973 1st ex. sess. and RCW 48.24.010 are each amended to read as follows:

(1) No contract of life insurance shall hereafter be delivered or issued for delivery in this state insuring the lives of more than one individual unless to one of the groups as provided for in this chapter, and unless in compliance with the other provisions of this chapter.

(2) Subsection (1) of this section shall not apply to contracts of life insurance

(a) insuring only individuals related by marriage, by blood, or by legal adoption; or

(b) insuring only individuals having a common interest through ownership of a business enterprise, or of a substantial legal interest or equity therein, and who are actively engaged in the management thereof; or

(c) insuring the lives of employees and retirees under contracts executed with the ((state)) public employees' insurance board under the provisions of chapter 41.05 RCW.

Sec. 15. Section 19, chapter 290, Laws of 1975 1st ex. sess. and RCW 48.46.180 are each amended to read as follows:

(1) The state government, or any political subdivision thereof, which offers its employees a health benefits plan shall make available to and inform its employees or members of the option to enroll in at least one health maintenance organization holding a valid certificate of authority which provides health care services in the geographic areas in which such employees or members reside.

(2) Except as provided in RCW 41.05.025(3), each employer, public or private, having more than fifty employees in this state which offers its employees a health benefits plan, and each employee benefits fund in this state having more than fifty members which offers its members any form of health benefits shall make available to and inform its employees or members of the option to enroll in at least one health maintenance organization holding a valid certificate of authority which provides health care services in the geographic areas in which a substantial number of such employees or members reside: PROVIDED, That unless at least twenty-five employees agree to participate in a health maintenance organization the employer need not provide such an option: PROVIDED FURTHER, That where such employees are members of a bona fide bargaining unit covered by a labor-management collective bargaining agreement, the selection of the options required by this section may be specified in such agreement: AND PROVIDED FURTHER, That the provisions of this section shall not be mandatory where such members are covered by a Taft-Hartley health care trust, except that the labor-management trustees may contract with a health maintenance organization if a feasibility study determines it is to the advantage of the members to so contract.

(3) Subsections (1) and (2) of this section shall impose no responsibilities or duties upon state government or any political subdivision thereof or any other employer, either public or private, to provide health maintenance organization coverage when no health maintenance organization exists for the purpose of providing health care services in the geographic areas in which the employees or members reside.

(4) No employer in this state shall in any way be required to pay more for health benefits as a result of the application of this section than would otherwise be required by any prevailing collective bargaining agreement or other legally enforceable contract of obligation for the provision of health benefits between such employer and its employees.

NEW SECTION. Sec. 16. A new section is added to chapter 48.62 RCW to read as follows:

(1) School districts and educational service districts may, either individually or in combination with other such districts, self-fund their employees' loss of time and health benefit plans if (a) the plans, their manner of operation, and the managers meet standards established by the superintendent of public instruction; and (b) the plan is fully covered by an excess loss insurance policy issued by an insurer which has a certificate authorizing it to provide insurance in this state. Self-funded plans shall also comply with the mandatory coverage provisions of chapter 48.44 RCW. Claims under such plans shall be administered by competent, disinterested third parties acting independently of all school districts and their personnel. Such a plan or any trust established thereunder shall not be deemed to be an insurance company and shall not be deemed to be engaged in the business of insurance for purposes of the insurance code.

(2) Any plan authorized by this section is not subject to chapter 48.42 RCW and shall be subject to audit by the state auditor.

(3) School districts and educational service districts may also enroll employees in health benefit plans offered by the public employees' insurance board.

Sec. 17. Section 28A.58.420, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 255, Laws of 1977 ex. sess. and RCW 28A.58.420 are each amended to read as follows:

The board of directors of any of the state's school districts may make available liability, life, health, health care, accident, disability and salary protection or insurance or any one of,

or a combination of the enumerated types of insurance, or any other type of insurance or protection, for the members of the boards of directors, the students, and employees of the school district, and their dependents. The board of directors may contract with the public employees' insurance board to provide coverage under chapter 41.05 RCW. The coverage may be provided by contracts with insurance companies authorized to do business in this state under chapter 48.05 RCW, self-insurance, or self-funding pursuant to chapter 48.62 RCW. Whenever funds shall be available for these purposes the board of directors of the school district may contribute all or a part of the cost of such protection or insurance for the employees of their respective school districts and their dependents. The premiums on such liability insurance shall be borne by the school district. The premiums due on such protection or insurance shall be borne by the assenting school board member or student; PROVIDED, That the school district may contribute all or part of the costs, including the premiums, of life, health, health care, accident or disability insurance which shall be offered to all students participating in inter-school activities on the behalf of or as representative of their school or school district. All contracts for insurance or protection written to take advantage of the provisions of this section shall provide that the beneficiaries of such contracts may utilize on an equal participation basis the services of those practitioners licensed pursuant to chapters 18.22, 18.25, 18.53, 18.57 and 18.71 RCW.

NEW SECTION, Sec. 18. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1985."

NEW SECTION. Sec. 708. To carry out effectively the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

NEW SECTION. Sec. 709. Reappropriations shall be limited to the unexpended balances remaining June 30, 1985, in the current appropriation for each project.

NEW SECTION. Sec. 710. As part of the annual six year update to the State Facilities and Capital Plan, agencies shall, beginning with the January 1986 update, provide lease development projects to the office of financial management.

NEW SECTION. Sec. 711. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with any moneys available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the committees on ways and means of the senate and house of representatives.

NEW SECTION. Sec. 712. Notwithstanding any other provisions of law, for the 1985-87 biennium, state treasurer transfers of reimbursement to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. The state

board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

**NEW SECTION.** Sec. 713. Any capital improvements or capital project involving construction or major expansion of a state office facility, including district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

**NEW SECTION.** Sec. 714. The governor, through the director of financial management, may authorize a transfer of appropriation authority provided for a capital project which is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

A report of any transfer effected under this section shall be filed with the legislative auditor by the director of financial management within thirty days of the date the transfer is effected. The legislative auditor shall review and compile these filings and periodically report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

**NEW SECTION.** Sec. 715. To carry out effectively, efficiently, and economically the provisions of this act, each agency shall establish a start date and completion date on each project which has an estimated total cost which exceeds five hundred thousand dollars and for which a start or completion date is not specified in this act. This information shall be furnished to the office of financial management and the legislative auditor no later than the date the allotment request is filed with the office of financial management. If a project cannot start on or before the indicated start date or be completed by the indicated completion date, the director of the agency shall document and file with the office of financial management and the legislative budget committee the reason for the delay and indicate the new start and/or completion date(s). The legislative auditor shall review these filings and report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

As a result of these filings, agency directors may be required to appear before the legislative budget committee for further explanation of a project delay.

**NEW SECTION.** Sec. 716. (1) A maximum of \$121,800,000 of the appropriations and reappropriations provided in sections 301 through 309 of this act may be disbursed during the 1985-87 biennium.

(2) Reappropriations in sections 301 through 305 of this act are reauthorizations of appropriations from section 887, chapter 57, Laws of 1983 1st ex. sess. Proceeds of the sale of bonds authorized by chapter 266, Laws of 1984 may be used for the support of these projects.

**NEW SECTION.** Sec. 717. The appropriations of moneys and the designation of funds and accounts by this and other acts of the 1985 legislature shall be construed in a manner consistent with legislation enacted by the 1985 legislature to conform state funds and accounts with generally accepted accounting principles.

**NEW SECTION.** Sec. 718. (1) The legislature finds:

(a) Estimates of capital project costs are prepared in a manner to ensure sufficient funds are available for the completion of projects.

(b) Actual project costs are influenced by variations in cost factors, changing unit price levels, available inventories, inflation rates, gross construction volume at the time of project bid, and other factors that cannot be predicted at the time of estimating capital project costs.

(c) Due to funding limitations, necessary capital projects are deferred to ensuing biennia.

(d) The deferral of capital projects results in increased project costs due to the effects of inflation and increased deterioration of facilities.

(e) No statutory authority currently exists to allow project cost savings to be used to implement necessary capital projects that were deferred to ensuing biennia due to lack of funds.

(2) There is hereby authorized a capital projects cost control incentive program for the 1985-87 biennium.

(3) Appropriations not required by an agency to complete capital projects authorized in this act, may be expended to implement, in priority sequence, those capital renewal projects of the agency listed in the Governor's Six-Year Capital and Facility Plan for the 1987-89 Biennium, as that list exists in the Governor's final 1986 update of the six-year plan. Expenditures under this section are subject to the following conditions:

(a) No expenditure may be made without the prior allotment approval of the office of financial management.

(b) The office of financial management shall notify the senate and house ways and means committees prior to authorizing any project for implementation under this section.

(c) No project may be authorized under this section by the office of financial management unless sufficient funds are available to complete a project's design phase, construction phase, or both.

(d) Appropriations in this act for a capital project shall not be expended under this section unless:

(i) All contracts associated with the performance of the project have been completed and accepted by the state of Washington;

(ii) The statutory thirty-day lien period for each project has expired;

(iii) All claims of lien against project contracts have been satisfied;

(iv) There are no outstanding claims against the state of Washington by any contracted party to the project construction contract; and

(v) Any and all negotiated settlements or settlements arising from the findings of an arbitration board or court of jurisdiction have been satisfied.

NEW SECTION. Sec. 719. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 720. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1985."

Sec. 505. Section 10, chapter 218, Laws of 1973 1st ex. sess. as amended by section 5, chapter 326, Laws of 1977 ex. sess. and RCW 9.46.100 are each amended to read as follows:

There is hereby created a fund to be known as the "gambling revolving fund" which shall consist of all moneys receivable for licensing, penalties, forfeitures, and all other moneys, income, or revenue received by the commission. The state treasurer shall be custodian of the fund. All moneys received by the commission or any employee thereof, except for change funds and an amount of petty cash as fixed by rule or regulation of the commission, shall be deposited each day in a depository approved by the state treasurer and transferred to the state treasurer to be credited to the gambling revolving fund. Disbursements from the revolving fund shall be on authorization of the commission or a duly authorized representative thereof. In order to maintain an effective expenditure and revenue control the gambling revolving fund shall be subject in all respects to chapter 43.88 RCW but no appropriation shall be required to permit expenditures and payment of obligations from such fund. All expenses relative to commission business, including but not limited to salaries and expenses of the director and other commission employees shall be paid from the gambling revolving fund.

There is hereby established in the general fund of the state treasury an account to be known as the motor transport account into which shall be paid all moneys, funds, proceeds, and receipts as provided in RCW 43.19.615 and as may otherwise be provided by law. Disbursements therefrom shall be made in accordance with the provisions of RCW 43.19.560 through 43.19.630, 43.41.130 and 43.41.140 as authorized by the director or his duly authorized representative and as may be provided by law.

There is hereby created in the state treasury a "grade crossing protective fund," to which shall be transferred all moneys appropriated for the purpose of carrying out the provisions of RCW 81.53.261, 81.53.271, 81.53.281, 81.53.291, and 81.53.295. The annual cost of maintenance shall be presented and paid in a like manner. When federal-aid highway funds are involved, the department of transportation shall, upon entry of an order by the commission requiring the installation or upgrading of a grade crossing protective device, submit to the commission an estimate for the cost of the proposed installation and related work. Upon receipt of the estimate the commission shall pay to the department of transportation the percentage of the estimate specified in RCW 81.53.295, as now or hereafter amended, to be used as the grade crossing protective fund portion of the cost of the installation and related work. The commission is hereby authorized to recover administrative costs from said fund in an amount not to exceed three percent of the direct appropriation provided for any biennium, and in the event administrative costs exceed three percent of the appropriation, the excess shall be chargeable to regulatory fees paid by railroads pursuant to RCW 81.24.010.

Within ninety days of the end of each fiscal year, the commission shall report to the legislative transportation committee, and the senate and house committees on transportation, the status of the grade crossing protective fund, including revenue sources, fund balances, and expenditures.

The office of financial management may direct the state treasurer to transfer to the general fund an amount not to exceed \$1,200,000 from the grade crossing protective fund for the 1983-85 fiscal biennium.

NEW SECTION. Sec. 511. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

#### POINT OF INQUIRY

Senator Newhouse: "Would Senator McDermott tell us where we might find that? I don't seem to find it on this mess on my desk."

Senator McDermott: "Senator Newhouse, the bill is 1277 in the brown book and I don't know that there is an analysis in the calendar."

#### POINT OF INQUIRY

Senator McDermott: "Senator Talmadge, the Ways and Means Committee adopted your amendment striking two subsections in Section 202 of this bill relating to the reductions in DSHS Medical Assistance Programs. Does the deletion of that language from the original bill affect in any way the Department's authority to make those reductions?"

Senator Talmadge: "No, it does not. The committee actually struck three sections. RCW 74.09.035 and RCW 74.09.700, establishing the two medical programs--clearly authorize the Department to make the reductions it expects to have to make

in the next two months, without any additional action by the legislature. The statutes also authorize such reductions in the 1985-87 biennium, if they prove necessary, to keep the Department's expenditures within available revenue.

"These statutes were enacted in 1981, and given discretionary wording in order to permit reductions without legislative action. That management discretion is as valid today as it was then. The Ways and Means Committee removed the subsections mandating the reductions from this bill not because we intended that they not occur, but because we intended that the Department use the authority it was given four years ago in RCW 74.09.035 and RCW 74.090.700."

#### POINT OF INQUIRY

Senator Pullen: "Senator McDermott, is there a fiscal note on Substitute House Bill No. 314 and if so, can you tell me what the fiscal note says?"

Senator McDermott: "Senator Pullen, the fiscal note on this bill is plus 40.6 million dollars. It is dealing with the 38.8 million dollar projected fund imbalance at this point for finishing up this biennium, and this bill, through reversion and additional cuts, raises 40.6 million dollars so that we finish the biennium on target."

#### REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Mr. President, perhaps by a way of clarification, unless I'm wrong, Senator McDermott, it doesn't raise anything. It's simply a transfer of monies from one fund to another. There are no taxes, and if anything there's less spending. It could be described as a bolts match, there are balances in revolving accounts; there are reversions in certain departments that have been identified. This is an attempt to prevent them from spending that money so that the budget stays in balance."

#### POINT OF INQUIRY

Senator Kiskaddon: "Senator Bottiger, would you call that light bulb snatching or something like that?"

Senator Bottiger: "Senator, in 1981 and 82 certain transfers of funds--Governor Spellman had to order departments to stop spending money so that the budget stayed in balance. Now, if you call that a light bulb snatch you are free to do it, but if on the other hand you, as I, share the knowledge of how departments end the fiscal year when they go out and buy everything they can so they use up every cent of money. If you call that preventing a light bulb snatch, then you would probably also be right."

#### MOTION

Senator Cantu moved that the following amendment to the Committee on Ways and Means amendment be adopted:

On page 31, line 23, strike all of Sec. 408 through line 6, page 32.

Renumber remaining sections accordingly.

Debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senator Cantu to the Committee on Ways and Means amendment.

The motion by Senator Cantu failed and the amendment to the committee amendment was not adopted.

#### MOTION

Senator Zimmerman moved that the following amendment by Senators Zimmerman and Moore to the Committee on Ways and Means amendment be adopted:

On page 38, line 26, after the words "direct the state treasurer to" strike the word "transfer" and insert the word "loan" and continue the rest of the sentence.

Debate ensued.

#### POINT OF INQUIRY

Senator Bottiger: "Senator Zimmerman, is this the same revolving fund where they were going to build their own gambling building?"

Senator Zimmerman: "I don't know anything about that subject. I've heard that in committee but to my mind I cannot give you any information on that. I don't know anything about it."

Further debate ensued.

The President declared the question before the Senate to be adoption of the amendment by Senators Zimmerman and Moore to the Committee on Ways and Means amendment.

The motion by Senator Zimmerman carried and the amendment to the committee amendment was adopted on a rising vote.

The President declared the question before the Senate to be adoption of the Committee on Ways and Means amendment, as amended.

The motion by Senator McDermott carried and the Committee on Ways and Means amendment, as amended, was adopted.

#### MOTION

On motion of Senator Goltz, the rules were suspended, Substitute House Bill No. 314, as amended by the Senate, was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued.

#### POINT OF INQUIRY

Senator Vognild: "Senator McDermott, on the funds from the Gambling Commission, it was implied on the floor that that was going to affect enforcement. Could

you tell me if those funds are part of their operating budget or if they were surplus funds?"

Senator McDermott: "This, Senator, is money that has accumulated beyond those monies that were budgeted. That's why the talk began to arise about the possibility of building a building because they had the money sitting there and usually that attracts attention to people trying to figure out what to do with it. It will not affect the enforcement to gambling."

Further debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, there has been a lot of talk about gambling. It is not a gambling bill, but they say you're gambling with state funds. What I wanted to know is, could you explain why we do not consolidate the Gambling Commission and the Lottery Commission? We have two sets of inspectors running all over the state. We might even combine them with the liquor inspectors so they go from door-to-door and we could save on travel and save on employment, and save on administration."

Senator McDermott: "Senator Rasmussen, there is no good reason for not doing that, in my opinion. In fact there is a bill in Senator Warnke's committee on that subject. One of the nicest things about crisis is that occasionally you can get some movement and we actually may do something about that issue. I think there's no reason not to do that."

The President declared the question before the Senate to be the roll call on final passage of Substitute House Bill No. 314, as amended by the Senate.

#### ROLL CALL

The Secretary called the roll on final passage of Substitute House Bill No. 314, as amended by the Senate, and the bill passed the Senate by the following vote: Yeas, 38; nays, 10; excused, 1.

On motion of Senator Vognild, the Senate advanced to the ninth order of business.

Senator McDermott moved that Engrossed Substitute Senate Bill No. 3656, which was on the concurring calendar, be referred to the Committee on Ways and Means.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, I thought we needed a biennium budget instead of putting it back into Ways and Means."

Senator McDermott: "Senator Rasmussen, sometimes you have to get back and get a head start and get some momentum up so that you can get the thing over to where it ought to be in the proper form."

The President declared the question before the Senate to be the motion by Senator McDermott that Engrossed Substitute Senate Bill No. 3656 be referred to the Committee on Ways and Means.

### REPORT OF CONFERENCE COMMITTEE

April 26, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 242, modifying provisions concerning the rights of crime victims, their survivors, and witnesses of crimes, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill as follows:

Strike everything after the enacting clause and insert the following:

\*Sec. 1. Section 1, chapter 145, Laws of 1981 and RCW 7.69.010 are each amended to read as follows:

In recognition of the severe and detrimental impact of crime on victims, survivors of victims, and witnesses of crime and the civic and moral duty of victims, survivors of victims, and witnesses of crimes to fully and voluntarily cooperate with law enforcement and prosecutorial agencies, and in further recognition of the continuing importance of such citizen cooperation to state and local law enforcement efforts and the general effectiveness and well-being of the criminal justice system of this state, the legislature declares its intent, in this chapter, to grant to the victims of crime and the survivors of such victims a significant role in the criminal justice system. The legislature further intends to ensure that all victims and witnesses of crime are treated with dignity, respect, courtesy, and sensitivity; and that the rights extended in this chapter to victims, survivors of victims, and witnesses of crime are honored and protected by law enforcement agencies, prosecutors, and judges in a manner no less vigorous than the protections afforded criminal defendants.

Sec. 2. Section 2, chapter 145, Laws of 1981 and RCW 7.69.020 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Crime" means an act (~~committed by an adult or juvenile in this state which, if committed by a competent adult person, would constitute a crime as provided in either federal, state, or local statute~~) punishable as a felony, gross misdemeanor, or misdemeanor under the laws of this state or equivalent federal or local law.

(2) (~~"Family member"~~) "Survivor" or "survivors" of a victim of crime means a spouse, child, parent, (~~or~~) legal guardian, sibling, or grandparent. If there is more than one survivor of a victim of crime, one survivor shall be designated by the prosecutor to represent all survivors for purposes of providing the notice to survivors required by this chapter.

(3) "Victim" means a person against whom a crime has been committed or the representative of a person against whom a crime has been committed.

(4) "Victim impact statement" means a statement submitted to the court by the victim or a survivor, individually or with the assistance of the prosecuting attorney if assistance is requested by the victim or survivor, which may include but is not limited to information assessing the financial, medical, social, and psychological impact of the offense upon the victim or survivors.

(5) "Witness" means a person who has been or is expected to be summoned to testify for the prosecution in a criminal action, or who by reason of having relevant information is subject to call or likely to be called as a witness for the prosecution, whether or not an action or proceeding has been commenced.

Sec. 3. Section 3, chapter 145, Laws of 1981 and RCW 7.69.030 are each amended to read as follows:

There shall be a reasonable effort made to ~~((assure))~~ ensure that victims, survivors of victims, and witnesses of crimes have the following rights:

(1) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;

(2) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;

(3) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;

(4) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;

(5) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;

(6) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is disputed, shall be photographed and returned to the owner within ten days of being taken;

(7) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process in order to minimize an employee's loss of pay and other benefits resulting from court appearance;

(8) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance; ~~((and))~~

~~((To have the family members of homicide victims afforded all of the rights established under subsections (1) through (4), (6), and (7) of this section))~~ With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;

(10) With respect to victims and survivors of victims, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing for felony convictions upon request by a victim or survivor;

(11) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;

(12) With respect to victims and survivors of victims, to present a statement personally or by representation, at the sentencing hearing for felony convictions; and

(13) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment.

NEW SECTION. Sec. 4. A new section is added to chapter 7.69 RCW to read as follows:

For purposes of this chapter, a victim who is incapacitated or otherwise incompetent shall be represented by a parent or present legal guardian, or if none exists, by a representative designated by the prosecuting attorney without court appointment or legal guardianship proceedings. Any victim may designate another person as the victim's representative for purposes of the rights enumerated in RCW 7.69.030.

NEW SECTION. Sec. 5. A new section is added to chapter 7.69 RCW to read as follows:

Nothing contained in this chapter may be construed to provide grounds for error in favor of a criminal defendant in a criminal proceeding, nor may anything in this chapter be construed to grant a new cause of action or remedy against the state, its political subdivisions, law enforcement agencies, or prosecuting attorneys. The failure of a person to make a reasonable effort to ensure that victims, survivors, and witnesses under this chapter have the rights enumerated in RCW 7.69.030 shall not result in civil liability against that person. This chapter does not limit other civil remedies or defenses of the offender or the victim or survivors of the victim.

Sec. 6. Section 11, chapter 137, Laws of 1981 as amended by section 5, chapter 209, Laws of 1984 and RCW 9.94A.110 are each amended to read as follows:

Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing. The court shall consider the presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim, the survivor of the victim, or a representative of the victim or survivor, and an investigative law enforcement officer as to the sentence to be imposed. If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. Copies of all presentence reports presented to the sentencing court and all written findings of facts and conclusions of law as to sentencing entered by the court shall be sent to the department by the clerk of the court at the conclusion of the sentencing and shall accompany the offender if the offender is committed to the custody of the department.

Sec. 7, Section 12, chapter 137, Laws of 1981 as last amended by section 6, chapter 209, Laws of 1984 and RCW 9.94A.120 are each amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) and (5) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender, other than a person convicted of a violation of chapter 9A.44 RCW or RCW 9A.64.020, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine, make restitution, and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, restitution, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of any violation of chapter 9A.44 RCW or RCW 9A.64.020 except RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions of chapter 9A.44 RCW, RCW 9A.64.020, or any other felony sexual offenses in this or any other state, the sentencing court on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and

place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
- (iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
- (iv) Report as directed to the court and a community corrections officer;
- (v) Pay a fine, make restitution, accomplish some community service work, or any combination thereof; or
- (vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of the department of social and health services at the Eastern State Hospital or the Western State Hospital for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of the department of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment programs at Western State Hospital or Eastern State Hospital, as determined by the secretary of the department of social and health services. The offender shall be transferred to the state pending placement in the treatment program.

If the offender does not comply with the conditions of the treatment program, the secretary of the department of social and health services may refer the matter to the sentencing court for determination as to whether the offender shall be transferred to the department of corrections to serve the balance of his term of confinement.

If the offender successfully completes the treatment program before the expiration of his term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in RCW 9A.20.020.

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department or such

person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

(14) This section shall apply to offenses committed before the effective date of this 1985 act.  
NEW SECTION. Sec. 8. A new section is added to chapter 9.94A RCW to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) and (5) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender, other than a person convicted of a violation of chapter 9A.44 RCW or RCW 9A.64.020, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;

(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

(c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay a fine and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of any violation of chapter 9A.44 RCW or RCW 9A.64.020 except RCW 9A.44.040 or RCW 9A.44.050 and has no prior convictions of chapter 9A.44 RCW, RCW 9A.64.020, or any other felony sexual offenses in this or any other state, the sentencing court on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;

(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;

(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;

(iv) Report as directed to the court and a community corrections officer;

(v) Pay a fine, accomplish some community service work, or any combination thereof; or

(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of the department of social and health services at the Eastern State Hospital or the Western State Hospital for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of the department of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment programs at Western State Hospital or Eastern State Hospital, as determined by the secretary of the department of social and health services. The offender shall be transferred to the state pending placement in the treatment program.

If the offender does not comply with the conditions of the treatment program, the secretary of the department of social and health services may refer the matter to the sentencing court for determination as to whether the offender shall be transferred to the department of corrections to serve the balance of his term of confinement.

If the offender successfully completes the treatment program before the expiration of his term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;

(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer of any change in the offender's address or employment;

(iii) Report as directed to the court and a community corrections officer;

(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney's fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender's address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(15) This section shall apply to offenses committed after the effective date of this act.

Sec. 9. Section 14, chapter 137, Laws of 1981 as amended by section 5, chapter 192, Laws of 1982 and RCW 9.94A.140 are each amended to read as follows:

(1) If restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days and may set the terms and conditions under which the defendant shall make restitution. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution may be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property. In addition, restitution may be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim or defendant.

(5) This section shall apply to offenses committed before the effective date of this 1985 act.

NEW SECTION. Sec. 10. A new section is added to chapter 9.94A RCW to read as follows:

(1) When restitution is ordered, the court shall determine the amount of restitution due at the sentencing hearing or within sixty days and shall set the terms and conditions under which the defendant shall make restitution. Restitution ordered by a court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. For the purposes of this section, the offender shall remain under the court's jurisdiction for a maximum term of ten years subsequent to the imposition of sentence. The portion of the sentence concerning restitution may be modified as to amount, terms and conditions during the ten-year period, regardless of the expiration of the offender's term of community supervision and regardless of the statutory maximum for the crime. The offender's compliance with the restitution shall be supervised by the department.

(2) Restitution shall be ordered whenever the offender is convicted of an offense which results in injury to any person or damage to or loss of property unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment and the court sets forth such circumstances in the record. In addition, restitution shall be ordered to pay for an injury, loss, or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement.

(3) In addition to any sentence that may be imposed, a defendant who has been found guilty of an offense involving fraud or other deceptive practice or an organization which has been found guilty of any such offense may be ordered by the sentencing court to give notice of the conviction to the class of persons or to the sector of the public affected by the conviction or

financially interested in the subject matter of the offense by mail, by advertising in designated areas or through designated media, or by other appropriate means.

(4) This section does not limit civil remedies or defenses available to the victim, survivors of the victim, or defendant.

(5) This section shall apply to offenses committed after the effective date of this act.

(5) Upon submission to the department of a letter of intent to adopt a comprehensive program, the prosecuting attorney shall retain the money deposited by the county under subsection (4) of this section until such time as the county prosecuting attorney has obtained approval of a program from the department. Approval of the comprehensive plan by the department must be obtained within one year of the date of the letter of intent to adopt a comprehensive program. The county prosecuting attorney shall not make any expenditures from the money deposited under subsection (4) of this section until approval of a comprehensive plan by the department. The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including ~~((the cost of acquisition and))~~ development of land and improvements for public facilities, as well as the acquisition, construction, rehabilitation, alteration, expansion, or improvement of the facilities. ~~((Grants))~~ A grant may also be authorized for purposes designated in this chapter, but only when ~~((grants are uniquely required)), and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision.~~

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not make a grant or loan unless the application includes convincing evidence that a specific private development or expansion is ready to occur and will only occur if the grant or loan is made.

(2) The board shall only make grants or loans for those projects which would result in specific private developments or expansions (a) in manufacturing, production, food processing, assembly, warehousing, and industrial distribution, or (b) which substantially support the trading of goods or services outside of the state's borders. In no instance may the board make a grant or loan for a project where the primary purpose is to facilitate or promote a retail shopping development or expansion.

(3) The board shall prioritize each proposed project according to the number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located. As long as there is more demand for loans or grants than there are funds available for loans or grants, the board is instructed to fund ~~((those))~~ projects ~~((which will lead to the greatest employment once the initial project is completed))~~ in order of their priority.

(4) The board may not make a grant or loan for any project that probably would result in a development or expansion that would displace existing jobs in any other community in the state.

(5) The board may not make any grant or loan for the acquisition of real property, including buildings and other fixtures which are a part of real property.

(6) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

~~((Public facilities funds shall be used for projects to))~~ (7) The board shall only make loans or grants for projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities. ~~((The board shall determine whether or not the projects will assist in alleviating unemployment.))~~

(8) Before any loan or grant application is approved, the political ~~((subdivisions of the state))~~ subdivision seeking the loan or grant must demonstrate to the community economic revitalization board that no other timely source of funding is available to ~~((them))~~ it at costs reasonably similar to financing available from the community economic revitalization board.

NEW SECTION. Sec. 4. A new section is added to chapter 43.160 RCW to read as follows:

Each agency head of an executive branch agency who is appointed to the community economic revitalization board under RCW 43.160.030 may designate an agency employee to take his or her place on the board for meetings in which the agency head will be absent. The designee shall have all powers to vote and participate in board deliberations as have the other board members.

NEW SECTION. Sec. 5. A new section is added to chapter 43.160 RCW to read as follows:

In order to enhance competition for grants and loans and the quality of projects for which loans and grants are sought, the board shall take such reasonable measures as are necessary to familiarize government officials and members of the public with the provisions of this chapter, particularly the board's authority to make grants and loans.

NEW SECTION. Sec. 6. A new section is added to chapter 43.160 RCW to read as follows:

(1) Except as authorized to the contrary under subsection (2) of this section, from all funds available to the board for loans and grants, the board shall spend at least twenty percent for grants and loans for projects in distressed counties. For purposes of this section, the term "distressed counties" includes any county, in which the average level of unemployment for the

three years before the year in which an application for a loan or grant is filed, exceeds the average state employment for those years by twenty percent.

(2) If at any time during the last six months of a biennium the board finds that the actual and anticipated applications for qualified projects in distressed counties are clearly insufficient to use up the twenty percent allocation, then the board shall estimate the amount of the insufficiency and during the remainder of the biennium may use that amount of the allocation for loans and grants for projects not located in distressed counties.

**NEW SECTION, Sec. 7. LEGISLATIVE FINDINGS AND POLICY.** The legislature finds that there exists in the state of Washington over four billion dollars worth of critical projects for the planning, acquisition, construction, repair, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, and storm and sanitary sewage systems. The December, 1983 Washington state public works report prepared by the planning and community affairs agency documented that local governments expect to be capable of financing over two billion dollars worth of the costs of those critical projects but will not be able to fund nearly half of the documented needs. It is the policy of the state of Washington to encourage self-reliance by local governments in meeting their public works needs and to assist in the financing of critical public works projects by making loans, financing guarantees, and technical assistance available to local governments for these projects.

**NEW SECTION, Sec. 8. DEFINITIONS.** Unless the context clearly requires otherwise, the definitions in this section shall apply throughout this chapter.

(1) "Board" means the public works board created in section 9 of this act.

(2) "Department" means the department of community development.

(3) "Financing guarantees" means the pledge of money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects.

(4) "Local governments" means cities, towns, counties, special purpose districts, and any other municipal corporations or quasi-municipal corporations in the state excluding school districts and port districts.

(5) "Public works project" means a project of a local government for the planning, acquisition, construction, repair, reconstruction, replacement, rehabilitation, or improvement of streets and roads, bridges, water systems, or storm and sanitary sewage systems.

(6) "Technical assistance" means training and other services provided to local governments to: (a) Help such local governments plan, apply, and qualify for loans and financing guarantees from the board, and (b) help local governments improve their ability to plan for, finance, acquire, construct, repair, replace, rehabilitate, and maintain public facilities.

**NEW SECTION, Sec. 9. PUBLIC WORKS BOARD CREATED.** (1) The public works board is hereby created.

(2) The board shall be composed of thirteen members appointed by the governor for terms of four years, except that five members initially shall be appointed for terms of two years. The board shall include: (a) Three members, two of whom shall be elected officials and one shall be a public works manager, appointed from a list of at least six persons nominated by the association of Washington cities or its successor; (b) three members, two of whom shall be elected officials and one shall be a public works manager, appointed from a list of at least six persons nominated by the Washington state association of counties or its successor; (c) three members appointed from a list of at least six persons nominated jointly by the Washington state association of water districts, the Washington public utility districts association, and the Washington state association of sewer districts or their successors; and (d) four members appointed from the general public. In appointing the four general public members, the governor shall endeavor to balance the geographical composition of the board and to include members with special expertise in relevant fields such as public finance, architecture and civil engineering, and public works construction. The governor shall appoint one of the general public members of the board as chair. The term of the chair shall coincide with the term of the governor.

(3) Staff support to the board shall be provided by the department.

(4) Members of the board shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

(5) If a vacancy on the board occurs by death, resignation, or otherwise, the governor shall fill the vacant position for the unexpired term. Each vacancy in a position appointed from lists provided by the associations under subsection (2) of this section shall be filled from a list of at least three persons nominated by the relevant association or associations. Any members of the board, appointive or otherwise, may be removed by the governor for cause in accordance with RCW 43.06.070 and 43.06.080.

**NEW SECTION, Sec. 10. GENERAL POWERS OF THE BOARD.** The board may:

(1) Accept from any state or federal agency, loans or grants for the planning or financing of any public works project and enter into agreements with any such agency concerning the loans or grants;

(2) Provide technical assistance to local governments;

(3) Accept any gifts, grants, or loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions which are not in conflict with this chapter;

(4) Adopt rules under chapter 34.04 RCW as necessary to carry out the purposes of this chapter;

(5) Do all acts and things necessary or convenient to carry out the powers expressly granted or implied under this chapter.

NEW SECTION, Sec. 11. PUBLIC WORKS FINANCING POWERS. In order to aid the financing of public works projects, the board may:

(1) Make low-interest or interest-free loans to local governments from the public works assistance account or other funds and accounts for the purpose of assisting local governments in financing public works projects. The board may require such terms and conditions and may charge such rates of interest on its loans as it deems necessary or convenient to carry out the purposes of this chapter. Money received from local governments in repayment of loans made under this section shall be paid into the public works assistance account for uses consistent with this chapter.

(2) Pledge money in the public works assistance account, or money to be received by the public works assistance account, to the repayment of all or a portion of the principal of or interest on obligations issued by local governments to finance public works projects. The board shall not pledge any amount greater than the sum of money in the public works assistance account plus money to be received from the payment of the debt service on loans made from that account, nor shall the board pledge the faith and credit or the taxing power of the state or any agency or subdivision thereof to the repayment of obligations issued by any local government.

(3) Create such subaccounts in the public works assistance account as the board deems necessary to carry out the purposes of this chapter.

(4) Provide a method for the allocation of loans and financing guarantees and the provision of technical assistance under this chapter.

All local public works projects aided in whole or in part under the provisions of this chapter shall be put out for competitive bids. The competitive bids called for shall be administered in the same manner as all other public works projects put out for competitive bidding by the local governmental entity aided under this chapter.

NEW SECTION, Sec. 12. ELIGIBILITY AND PRIORITY. (1) To qualify for loans or pledges under this chapter the board must determine that a local government meets all of the following conditions:

(a) The city or county must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;

(b) The local government must have developed a long-term plan for financing public works needs; and

(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors.

(2) The board shall develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board shall attempt to assure a geographical balance in assigning priorities to projects. The board shall consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;

(b) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

(c) The cost of the project compared to the size of the local government and amount of loan money available;

(d) The number of communities served by or funding the project;

(e) Whether the project is located in an area of high unemployment, compared to the average state unemployment; and

(f) Other criteria that the board considers advisable.

(5) Existing debt or financial obligations of local governments shall not be refinanced under this chapter. Each local government applicant shall provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(6) Before November 1 of each year, the board shall develop and submit to the ways and means committees of the senate and house of representatives a prioritized list of projects which are recommended for funding by the legislature. The list shall include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list shall also include measures of fiscal capacity

for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(7) The board shall not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature shall not change the order of the priorities recommended for funding by the board.

**NEW SECTION.** Sec. 13. RECORDS, AUDITS, AND REPORTS. The board shall keep proper records of accounts and shall be subject to audit by the state auditor. Biennial reports on the activities of the board shall be made by the chair to the governor and the legislature.

**NEW SECTION.** Sec. 14. FEASIBILITY STUDY. The department shall study the feasibility of innovative financing and development alternatives, such as joint development or privatization, by which local governments may provide needed public services to users. The study shall be conducted on an expeditious basis, making maximum use of available expertise. The department shall report to the board and the legislature on the study's conclusions and recommendations as soon as practicable. The sum of \$75,000, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1987, from the public works trust fund to the department of community development for the purpose of this study.

**NEW SECTION.** Sec. 15. A new section is added to chapter 43.160 RCW to read as follows:

(1) There is hereby created the private activity bond subcommittee of the board.

(2) The subcommittee shall be primarily responsible for reviewing and making recommendations to the board on requests for certification and allocation pursuant to the provisions of chapter 39.\_\_\_\_ RCW (sections 16 through 24 of this act) and as authorized by rules adopted by the board.

(3) The subcommittee shall consist of the following members: Five members of the board including: (a) The chairman; (b) the county official; (c) the city official; (d) the port district official; and (e) the representative of the public. The members' terms shall coincide with their terms of appointment to the board.

(4) Staff support to the subcommittee shall be provided by the department of trade and economic development.

(5) Members of the subcommittee shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

(6) If a vacancy on the subcommittee occurs by death, resignation, failure to hold the office from which the member was appointed, or otherwise, the vacancy shall be filled through the procedures specified for filling the corresponding vacancy on the board.

#### PRIVATE ACTIVITY BONDS

**NEW SECTION.** Sec. 16. LEGISLATIVE FINDINGS AND POLICY. The federal deficit reduction act of 1984 imposes an annual ceiling on the aggregate amount of federally tax-exempt private activity bonds, including student loan bonds, industrial development bonds, and certain government activity bonds, that may be issued during any calendar year by or on behalf of states and their political subdivisions. The deficit reduction act of 1984 provides a formula for allocating the annual ceiling among various issuers of private activity bonds within a state, but permits each state to enact a different allocation method that is appropriate to that state's needs. The purpose of this chapter is to provide a flexible and efficient method of allocating the state ceiling in Washington in a manner that recognizes the need of the state and its political subdivisions to finance public improvements which are owned by those public entities and also promotes industrial and economic development, encourages private investment, and assists students seeking financial aid.

**NEW SECTION.** Sec. 17. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Board" means the community economic revitalization board as created by chapter 43.160 RCW.

(2) "Private activity bond subcommittee" means the subcommittee created by section 15 of this act.

(3) "Bonds" means bonds, notes, or other obligations of an issuer.

(4) "Bond purchase agreement" means an executed agreement for the purchase of bonds which may or may not be contingent on the allocation of a portion of the state ceiling for the bonds.

(5) "Bond use category" means any of the following categories of bonds: Government activity bonds, industrial development bonds, or student loan bonds.

(6) "Code" means the federal internal revenue code as it exists, with amendments, on the effective date of this act. It also means the code as amended after the effective date of this act, but only if the amendments are approved by the board as provided in section 21 of this act.

(7) "Department" means the department of trade and economic development or its successor with respect to the powers and duties granted by this chapter.

(8) "Director" means the director of the department or the director's designee.

(9) "Government activity bonds" means bonds that are classified as private activity bonds under the code and that are neither student loan bonds nor revenue bonds issued under Article XXXII of the state Constitution.

(10) "Industrial development bonds" means nonrecourse revenue bonds issued under Article XXXII of the state Constitution.

(11) "Issuer" means the state, any agency or instrumentality of the state, any political subdivision, or any other entity authorized to issue private activity bonds in the state.

(12) "Private activity bonds" means bonds that are private activity bonds as defined in the code.

(13) "State" means the state of Washington.

(14) "State ceiling" means for any calendar year the aggregate amount of private activity bonds that may be issued in the state under the code.

(15) "Student loan bonds" means bonds issued by an issuer that are student loan bonds as defined in the code.

**NEW SECTION. Sec. 18. ALLOCATION.** (1) The state ceiling shall be allocated each year initially as follows: Forty-five percent to government activity bonds; forty-five percent to industrial development bonds; and ten percent to student loan bonds. The allocation is subject to revision by the board as provided in section 20 of this act.

(2)(a) No issuer is eligible to file a notification form or receive an allocation for the financing of an individual project of more than seven and one-half million dollars of any government activity bond or industrial development bond allocation of the state ceiling without a certificate of approval from the board.

(b) In determining whether to issue a certificate of approval, the board may consider but is not limited to the following criteria:

(i) The number of employment opportunities the project is likely to create in relation to the amount of the bond issuance;

(ii) The level of unemployment in the geographic area likely to be affected by the project;

(iii) Public health and safety benefits;

(iv) The amount of state ceiling which remains unallocated;

(v) The number of persons who will benefit from the project; and

(vi) Other such criteria the board deems appropriate.

(c) The board may condition its certificate of approval on any terms it deems appropriate.

(3) The board shall issue or deny a certificate of approval within sixty days of the filing for an application for the certificate.

(4) The board may delegate to the private activity bond subcommittee of the board, by rule, any of its powers under this chapter.

(5) Subject to the provisions of this chapter, the portion of the state ceiling allocated to a bond use category shall be allocated automatically to an issuer of bonds in that category in the order of the date and time the issuer files a properly completed and signed notification form with the department.

**NEW SECTION. Sec. 19.** (1) The notification form filed by an issuer shall identify: (a) The amount of the state ceiling allocation that is sought; (b) the bond use category from which the allocation is to be made; (c) a certification by the issuer that a bond purchase agreement has been executed with respect to the bonds for which an allocation is sought; and (d) such other information or evidence of the issuer's intention to issue bonds as the director prescribes.

(2) If the principal amount of the bonds for which an allocation of the state ceiling is sought does not exceed the amount of the state ceiling available in the bond use category applicable to the bonds, the director shall mail a written allocation confirmation notice to the issuer within five business days after the filing of the issuer's notification form for the bonds.

(3) If the principal amount of the bonds for which an allocation of the state ceiling is sought exceeds the amount of the state ceiling available in the bond use category applicable, the director shall mail a written deficiency notice to the issuer within five business days after the filing of the issuer's notification form for such bonds and in that notice advise the issuer of the amount by which the principal amount of the bonds described in the notification form exceeds the available state ceiling. The issuer shall be entitled to an allocation of the remaining available state ceiling in the applicable bond use category upon its filing with the department within fifteen calendar days after the date of the director's deficiency notice, a written notice of the amount of the available state ceiling it will consume.

(4) State ceiling allocation notification forms filed in any year for which a full or partial deficiency notice was given by the director shall be retained on a waiting list. When any state ceiling becomes available that year or on January 1 of the following year for the bond use category for which the notification form was filed, the following rules apply: (a) The director shall notify by mail the issuers on the waiting list; and (b) those issuers who, within five business days of receipt of such notice, certify to the director their intention to issue bonds up to the amount stated in the original notification form, shall receive an allocation of the available state ceiling in the order the original notification forms were filed.

(5) Except as provided in section 20 (2) and (3) of this act, all allocations of the state ceiling shall expire on the ninety-first day after mailing of the director's allocation confirmation or the

notice of allocation, unless the bonds described in the issuer's state ceiling allocation notification form have been delivered to their original purchaser. Each issuer shall file a confirmation of delivery notice with the department within ten days after delivery of the bonds.

**NEW SECTION.** Sec. 20. REALLOCATION. (1) After June 1 of any year the board may, in its discretion, reallocate the remaining portion of the state ceiling in any bond use category allocated pursuant to section 18(1) of this act that has not been and does not appear reasonably likely to be consumed that year.

(2) The board may in its discretion grant an advanced allocation of the state ceiling in any future year of a portion of the state ceiling for a bond use category, subject to the limitations and criteria in section 18 of this act, and may waive the requirements under section 19(5) of this act that the bonds be issued within ninety days of the director's allocation confirmation and notice of allocation. Advanced allocations shall be deemed to have been received by issuers on January 1 of the year for which they are granted in each year, and in the order they were granted. Any advanced allocation shall be contingent on the existence of available state ceiling. Such advanced allocations shall be considered received before any new allocations are made in a given year.

(3) In December of any year, if the board finds that it is reasonably likely that a portion of the state ceiling otherwise would not be consumed, the board, in its discretion, may grant an allocation of the state ceiling to an issuer for financing of a specific project and waive the requirements under section 19(5) of this act that bonds be issued within ninety days after mailing of the director's allocation confirmation or notice of allocation. The issuer may then carry forward the allocation for the project for a period of time permitted by the code.

**NEW SECTION.** Sec. 21. RULE-MAKING AUTHORITY. (1) The board may adopt such rules as are necessary to carry out the purposes of this chapter.

(2) In order to permit the full use of the authorized state ceiling under the federal law, the board may adopt rules approving any amendments made to the code after the effective date of this act.

**NEW SECTION.** Sec. 22. ANNUAL REPORT. The department shall report annually at the start of each annual legislative session to the legislature and the governor on the allocations of the state ceiling made during the previous year.

**NEW SECTION.** Sec. 23. TERMINATION. The method for making new allocations of the state ceiling provided in sections 18, 19, and 20 of this act shall expire on December 31, 1988, unless extended by law for an additional fixed period of time, except that any guaranteed allocations granted under section 20(2) of this act and any allocations carried forward under section 20(3) of this act shall remain in full force and effect after that date.

**NEW SECTION.** Sec. 24. RATIFICATION. Any state ceiling allocations taken during 1984 or 1985 in conformance with the code and an applicable executive order of the governor are ratified and confirmed and shall remain in full force and effect notwithstanding any other provision of this act.

**NEW SECTION.** Sec. 26. Sections 16 through 24 of this act shall constitute a new chapter in Title 39 RCW.

**NEW SECTION.** Sec. 27. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 28. CAPTIONS. As used in this act, section captions constitute no part of the law.

**NEW SECTION.** Sec. 29. CODIFICATION. Sections 7 through 13 of this act shall constitute a new chapter in Title 43 RCW.

**NEW SECTION.** Sec. 30. EFFECTIVE DATES. (1) Section 1 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION, Sec. 6. A new section is added to chapter 35.21 RCW to read as follows:

Nothing in RCW 35.21.730 through 35.21.755 shall be construed in any manner contrary to the provisions of Article VIII, section 7, of the Washington state Constitution.

NEW SECTION, Sec. 7. A new section is added to chapter 35.21 RCW to read as follows:

It is the desire of the legislature that the citizens of newly incorporated cities or towns receive uninterrupted and adequate services in the period prior to the city or town government attaining the ability to provide such service levels. In addition to the services provided under RCW \_\_\_\_ (section 1, chapter 143, Laws of 1985), it is the purpose of this section to permit the county or counties in which a newly incorporated city or town is located to contract with the newly incorporated city or town for the continuation of essential services until the newly incorporated city or town has attained the ability to provide such services at least at the levels provided by the county before the incorporation. These essential services may include but are not limited to, law enforcement, road and street maintenance, drainage, and other utility services previously provided by the county before incorporation. The contract should be negotiated on the basis of the county's cost to provide services without consideration of capital assets which do not continue to be amortized for principal and interest or depreciated by the county. The exception for not considering capital assets which are no longer amortized for principal and interest or depreciated is recognition of the preexisting financial investment of citizens of the newly incorporated city or town have made in county capital assets.

Nothing in this section limits the ability of the county and the newly incorporated city or town to contract for higher service levels or for other time periods than those imposed by this section.

Sec. 8. Section 1, chapter 189, Laws of 1967 and RCW 36.93.010 are each amended to read as follows:

The legislature finds that in metropolitan areas of this state, experiencing heavy population growth, increased problems arise from rapid proliferation of municipalities and haphazard extension of and competition to extend municipal boundaries. These problems affect adversely the quality and quantity and cost of municipal services furnished, the financial integrity of certain municipalities, and the consistency of local regulations~~((and many other incidents of local government))~~. Further, the competition among municipalities for unincorporated territory and the disorganizing effect thereof on land use, the preservation of property values and the desired objective of a consistent comprehensive land use plan for populated areas, makes it appropriate that the legislature provide a method ((of guiding and controlling)) for the review of the creation and growth of municipalities in metropolitan areas so that such problems may be avoided and that residents and businesses in those areas may rely on the ((logical)) orderly and beneficial growth of local government affecting them in accordance with this chapter.

Sec. 9. Section 7, chapter 189, Laws of 1967 and RCW 36.93.070 are each amended to read as follows:

The members of each boundary review board shall elect from its members a chairman, vice chairman, and shall employ a nonmember as chief clerk, who shall be the secretary of the board. The board shall determine its own rules and order of business and shall provide by resolution for the time and manner of holding all regular or special meetings~~((and))~~, provided that all meetings shall be subject to chapter 42.30 RCW. The board shall keep a journal of its proceedings which shall be a public record. A majority of all the members shall constitute a quorum for the transaction of business.

The chief clerk of the board shall have the power to administer oaths and affirmations, certify to all official acts, issue subpoenas to any public officer or employee ordering him to testify before the board and produce public records, papers, books or documents. The chief clerk may invoke the aid of any court of competent jurisdiction to carry out such powers.

The board by rule may provide for hearings by panels of members consisting of not less than five board members, the number of hearing panels and members thereof, and for the impartial selection of panel members. A majority of a panel shall constitute a quorum thereof.

The planning departments of the county, other counties, and any city, and any state or regional planning agency shall furnish such information to the board at its request as may be reasonably necessary for the performance of its duties.

Each member of the board shall be compensated from the county current expense fund at the rate of twenty-five dollars per day, or a major portion thereof, for time actually devoted to the work of the boundary review board. Each board of county commissioners shall provide such funds as shall be necessary to pay the salaries of the members and staff, and such other expenses as shall be reasonably necessary.

Sec. 10. Section 7, chapter 10, Laws of 1982 and RCW 36.93.090 are each amended to read as follows:

(1) Whenever any of the following described actions are proposed in a county in which a board has been established, the initiators of the action shall file within one hundred eighty days a notice of intention with the board, which may review any such proposed actions pertaining to:

((+)) (a) The: (i) Creation, ~~((dissolution;))~~ incorporation, ~~((disincorporation, consolidation;))~~ or change in the boundary, other than a consolidation, of any city, town, or special purpose district; (ii) consolidation of special purpose districts, but not including consolidation of cities and towns; or (iii) dissolution or disincorporation of a city, town, or special purpose district.

Notification shall consist of posting a notice in four locations in the area described in this subsection not more than fifteen days after the filing of the notice of intention. In addition, notice of the proposed action shall be given by publication in a newspaper of general circulation in the area at least once, not less than fifteen days after the filing of the notice of intention.

If a period of sixty days shall elapse without the board's jurisdiction having been invoked as set forth in this section, the proposed action shall be deemed approved.

If a review of a proposal is requested, the board shall make a finding as prescribed in RCW 36.93.150 within one hundred twenty days after the filing of such a request for review. If this period of one hundred twenty days shall elapse without the board making a finding as prescribed in RCW 36.93.150, the proposal shall be deemed approved unless the board and the person who submitted the proposal agree to an extension of the one hundred twenty day period.

The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

(1) Approval of the proposal as submitted;

(2) Subject to RCW 35.02.170, modification of the proposal by adjusting boundaries to add or delete territory: PROVIDED, That any proposal for annexation by the board shall be subject to RCW 35.21.010 and shall not add additional territory, the amount of which is greater than that included in the original proposal: PROVIDED FURTHER, That such modifications shall not

If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

The addition or deletion of property by the board shall not invalidate a petition which had previously satisfied the sufficiency of signature provisions of RCW 35.13.130 or 35A.14.120: PROVIDED, That such addition or deletion shall not invalidate the application of RCW 36.93.180(10).

When the board, after due proceedings held, disapproves a proposed action, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be reinitiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration.

The board shall not modify or deny a proposed action unless there is substantial evidence on the record to support a conclusion that the action is inconsistent with one or more of the objectives under RCW 36.93.180. On motion of Senator McDermott, the rules were suspended, Engrossed Substitute Senate Bill No. 3678 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

#### POINT OF INQUIRY

Senator Newhouse: "Senator McDermott, I'm a little curious because it appears to me that this is the same language that we had in Senate Bill No. 4228 and you didn't defend it quite so assiduously when it was dropped in the House on that bill. What's happened since then?"

Senator McDermott: "Well, Senator Newhouse, I'm not above learning. New information has come to me on a wide range of subjects and I think this is now a good bill."

Further debate ensued.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator McDermott, Section 2 has a very strange provision--'Any city having a population of over a 140,000 may impose a sales tax.' Is that quite common giving cities different levels of sales tax and then it would appear that this would be a tax on anything that moves, both the sales and the use tax, gasoline and everything?"

Senator McDermott: "Well, Senator Rasmussen, there is a need for a bridge over troubled waters."

Senator Rasmussen: "And there is the assurance of the Governor that he will veto this and just leave the Armco bill?"

Senator McDermott: "That was my understanding on the information that I had received, but I did not hear it from him myself. I knew that new amendments on the floor--are you catching the signal over my shoulder?"

Senator Rasmussen: "Well, I'm seeing Becky and she is saying everything will be all right."

Senator McDermott: "I think it's safe to say you can vote for this and do good things for the state, Slim."

Further debate ensued.

The President declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Bill No. 3678.

#### ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute Senate Bill No. 3678, and the bill passed the Senate by the following vote: Yeas, 34; nays, 13; excused, 2.

There being no objection, the Senate resumed consideration of the Report of the Conference Committee on Substitute House Bill No. 131, deferred earlier today.

## RULING BY THE PRESIDENT

President Cherberg: "As a point of information, the President respectfully reminds the members that a question of scope and object on conference reports is different from a scope and object ruling on Senate and House Bills prior to the conference process.

"Senate Rule 65 governs the questions of scope and object prior to conference and states 'No amendment shall change the scope and object of the bill.' Joint Rule 8 governs these rulings in the conference process and allows committees to 'consider items within the scope and object of the title of the bill in conference.'

"The President hopes this point will clarify these matters."

## RULING BY THE PRESIDENT

President Cherberg: "In ruling upon the point of order raised by Senator Kiskaddon, the President finds that Substitute House Bill No. 131 is a measure whose title is 'An act relating to the regulation of health and health-related professions and businesses.' The President believes this to be a very broad title with the scope and object of regulation of health related activities.

"The amendment proposed by the conference committee includes the regulation of mental health and health related activities which fall within the scope and object of this broad title.

"The President, therefore, finds that the proposed amendment does not change the scope and object of the title and that the point of order is not well taken."

The Report of the Conference Committee on Substitute House Bill No. 131 was ruled in order.

The President declared the question before the Senate to be the motion by Senator Thompson to adopt the Report of the Conference Committee on Substitute House Bill No. 131 and to grant the power of Free Conference.

Debate ensued.

## PARLIAMENTARY INQUIRY

Senator Rasmussen: "A parliamentary inquiry, Mr. President. The motion is to grant free conference powers. Does the twenty-four hour period run from the time we grant the powers of free conference? It is not clear to me and the fact that we are going to grant powers of free conference, it should be twenty-four hours from that time in order that we may study the bill and if the President wants to take a little time working on that, that is fine. I don't care, but I think it should be cleared up."

## REPLY BY THE PRESIDENT

President Cherberg: "The twenty-four hour period has already gone by, Senator."

Senator Rasmussen: "Before we have the Free Conference Report? We haven't granted the powers, Mr. President. I don't know how that can run without granting the powers of free conference."

President Cherberg: "It has not been granted the powers of free conference as yet."

Senator Rasmussen: "That is correct. That is my question. It takes twenty-four hours for the report to lay on our desks after we've granted the powers of free conference. Mr. President, I would suggest that you take a little time and we can research that rather than take the advice right off of the curb."

President Cherberg: "Senator Bottiger."

## REMARKS BY SENATOR BOTTIGER

Senator Bottiger: "Senator Rasmussen, I too have watched and learned and if you notice the rules were changed because of some very good points that you made two years ago, so that the twenty-four hour period begins to run when the report is put on your desk and now each report has a date and time on it so you know when the twenty-four hours has started."

## REPLY BY THE PRESIDENT

President Cherberg: "Senator Bottiger's remarks are correct."

Senator Rasmussen: "Regarding the date and time, but it doesn't seem to coincide with the time it arrives on my desk and I would commend this to Senator Goltz, it is a very important question. How can you run the twenty-four hour period? We do provide further protection in there that you can suspend the twenty-four hour period by two-thirds vote and that is a protection for the body, if you think it's important enough.

"I would urge the President to take a little time and let's look at it, if not together, with our attorney."

## REMARKS BY SENATOR GRANLUND

Senator Granlund: "Thank you, Mr. President. Senator Rasmussen didn't ask to yield for a question, but I will answer it any way. This report has been on our desks since early yesterday afternoon. The motion before the body right now is to accept the conference report and to grant the powers of free conference. That's the motion that we are speaking to now. We have had scope and object raised and that has been decided in favor of the bill and I would ask all of you, I realize that we have all supported 131 when it came in before and the issue, of course, now is 470. This is an issue that has been before us, maybe for the last six or seven years, or maybe it goes back further than that when there were more and more people coming in saying that we needed to do something about regulations as it applies to mental health counselors. We've had many, many times when you pick up the paper and see abuses that have happened and it points out the fact that we need some kind of rules and regulations. Obviously, more education and certification isn't going to all of a sudden make someone more ethical but it certainly is going to be a better guideline for someone when they go for that kind of help that they know that this person has been certified.

"I think there's a real need for this kind of legislation and I think there has been a lot of scare tactics out about what the legislation will do or will not do, but I think there is a real concern out there by many, many people, of those who would be predators of very vulnerable people that come to see them and I hope you will support this."

## MOTION

Senator Sellar moved that further consideration of Substitute House Bill No. 131 be deferred until 7:30 p.m.

Debate ensued.

## POINT OF INQUIRY

Senator Deccio: "Senator Vognild, you say that we are going to have some time to debate the issue. Would you go through that again, I didn't quite understand what you were offering?"

Senator Vognild: "The procedure on a free conference granting--as we grant the powers of free conference--on a House Bill the next motion would be to accept the Report of the Free Conference. The bill is then before us for passage at which time it may or may not be debated. What I'm saying is, that motion will not be made until after we have recessed for an hour for something to eat. At that point in time, the motion will be made to accept the Free Conference Report, the debate will then, I am sure, ensue and the vote will be taken."

Senator Deccio: "Do you have any idea of what time that will be? What time are we talking about?"

Senator Vognild: "I am planning for a one-hour dinner break. We're rolling over the five o'clock, but I'll still try to make it an hour dinner break."

The President declared the question before the Senate to be the motion by Senator Sellar that further consideration of Substitute House Bill No. 131 be deferred until 7:30 p.m.

The motion by Senator Sellar failed and the Senate continued consideration of Substitute House Bill No. 131.

The President declared the question before the Senate to be the motion by Senator Thompson that the Senate adopt the Report of the Conference Committee on Substitute House Bill No. 131 and to grant the committee the powers of Free Conference.

The motion by Senator Thompson carried and the Report of the Conference Committee on Substitute House Bill No. 131 was adopted and the committee was granted the powers of Free Conference.

Mr. President:

#### SECOND REPORT OF CONFERENCE COMMITTEE

April 27, 1985

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 3384, establishing a salmon and steelhead rehabilitation and enhancement policy board, have had the same under consideration and we report that we are unable to agree and respectfully request to powers of Free Conference for the purpose of amending the bill as follows:

Signed by Senators Owen and Stratton; Representatives Lundquist, Sayan and Sutherland.

Strike everything after the enacting clause and insert the following:

**NEW SECTION, Sec. 1.** Currently, many of the salmon stocks of Washington state are critically reduced from their sustainable level. The best interests of all fishing groups and the citizens as a whole are served by a stable and productive salmon resource. Immediate action is needed to reverse the severe decline of the resource and to insure its very survival. The legislature finds a state of emergency exists and that immediate action is required to restore its fishery.

Disagreement and strife have dominated the salmon fisheries for many years. Conflicts among the various fishing interests have only served to erode the resource. It is time for the state of Washington to make a major commitment to increasing productivity of the resource

and to move forward with an effective rehabilitation and enhancement program. The department of fisheries is directed to dedicate its efforts to make increasing the productivity of the salmon resource a first priority and to seek resolution to the many conflicts that involve the resource.

Success of the enhancement program can only occur if projects efficiently produce salmon or restore habitat. The expectation of the program is to optimize the efficient use of funding on projects that will increase artificially and naturally produced salmon, restore and improve habitat, or identify ways to increase the survival of salmon. The full utilization of state resources and cooperative efforts with interested groups are essential to the success of the program.

**NEW SECTION, Sec. 2.** (1) The director shall develop long-term regional policy statements regarding the salmon fishery resources before December 1, 1985. The director shall consider the following in formulating and updating regional policy statements:

- (a) Existing resource needs;
  - (b) Potential for creation of new resources;
  - (c) Successful existing programs, both within and outside the state;
  - (d) Balanced utilization of natural and hatchery production;
  - (e) Desires of the fishing interest;
  - (f) Need for additional data or research;
  - (g) Federal court orders; and
  - (h) Salmon advisory council recommendations.
- (2) The director shall review and update each policy statement at least once each year.

**NEW SECTION, Sec. 3.** (1) The director shall develop a detailed salmon enhancement plan with proposed enhancement projects. The plan and the regional policy statements shall be submitted to the secretary of the senate and chief clerk of the house of representatives for legislative distribution by June 30, 1986. The enhancement plan and regional policy statements shall be provided by June 30, 1986, to the natural resources committees of the house of representatives and the senate. The director shall provide a maximum opportunity for the public to participate in the development of the salmon enhancement plan. To insure full participation by all interested parties, the director shall solicit and consider enhancement project proposals from Indian tribes, sports fishermen, commercial fishermen, private aquaculturists, and other interested groups or individuals for potential inclusion in the salmon enhancement plan. Joint or cooperative enhancement projects shall be considered for funding.

- (2) The following criteria shall be used by the director in formulating the project proposals:
- (a) Compatibility with the long-term policy statement;
  - (b) Benefit/cost analysis;
  - (c) Needs of all fishing interests;
  - (d) Compatibility with regional plans, including harvest management plans;
  - (e) Likely increase in resource productivity;
  - (f) Direct applicability of any research;
  - (g) Salmon advisory council recommendations;
  - (h) Compatibility with federal court orders;
  - (i) Coordination with the salmon and steelhead advisory commission program;

(1) The department shall not acquire, construct, or substantially improve a salmon enhancement facility unless the requirements of this section are met.

The salmon advisory council shall submit to the legislature by January 1, 1986, an evaluation of each facility funded by the 1977 salmon enhancement account, and a determination as to the full production capacity of each facility based on the objective of maximizing the number, pounds, quality, survival, and other pertinent factors affecting salmon smolt released.

Department hatcheries shall operate at full production capacity as determined by the commission in a formal policy statement based on maximizing the number, pounds, quality, survival, and other pertinent factors affecting fish released into state waters. Facilities which fall below full production capacity after January 1, 1986, shall be made available for volunteer cooperative projects under chapter 75.52 RCW, or for private fish propagation solely to stock state waters. The commission may enter into cooperative agreements with state, county, municipal, and federal agencies, and with private individuals for these purposes.

#### REPORT OF FREE CONFERENCE COMMITTEE

April 25, 1985

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 3235, providing programs for educational excellence, have had the same under consideration and we recommend the bill be amended as recommended by the Conference Committee.

(See Report of Conference Committee on Engrossed Substitute Senate Bill No. 3235 read in on April 26, 1985)

Signed by Senators Gaspard and Bender; Representatives Ebersole, Appelwick and Betrozoff.

#### MOTION

On motion of Senator Gaspard, the Report of the Free Conference Committee on Engrossed Substitute Senate Bill No. 3235 was adopted.

#### POINT OF INQUIRY

Senator Bender: "Senator Gaspard, when this bill was before us last time, the language in Section 7 stated that 'additional days were those days beyond a hundred and eighty for instructional staff.' Does the new language mean that if a contract specifies a hundred and eighty-two day work year, the days worked beyond a hundred and eighty-two days could be paid on a supplemental contract?"

Senator Gaspard: "Senator Bender, the answer to that question is 'yes.' Whenever the length of the work year, the days following that work year could be paid in a supplemental contract. This would, naturally, be subject to a local bargaining--dependent upon what local funds would be available."

Senator Bender: "Thank you. My next question is, what if in the next contract the working year is reduced to a hundred and eighty days? Does this language then mean that the days following the hundred and eighty could be paid on a supplemental contract?"

Senator Gaspard: "Again, if the work year changes then the base for determining the additional days also changes. It's something that is bargained each year locally. If the work year is bargained to be a hundred and eighty days, for example, then the additional days paid on a supplemental contract could be that hundred and eighty-first or a hundred and eighty-second and so on."

Senator Bender: "Thank you. My third question--let me give you another example. What about counselors or librarians who work extended contracts? If the normal year is a hundred and eighty-one days, could the additional days for the extended contract be on a supplemental contract as per Section 7 of this bill?"

Senator Gaspard: "Senator Bender, in the case of counselors and librarians, the additional days in an extended contract beyond the normal work year for certificated staff can be bargained on a supplemental contract and paid out of local monies. Again, let me emphasize that this is a subject of the collective bargaining process determining what length of year that they would have for librarians and counselors."

Senator Bender: "Thank you. My last question is, does this apply in Section 7 if those people who are doing basically the same work that they do during the normal year?"

Senator Gaspard: "Yes, the language in Section 7, which deals with the additional days beyond the work year does not specify what must take place during those days and that can also be a matter for local bargaining."

The President Pro Tempore declared the question before the Senate to be the roll call on final passage of Engrossed Substitute Senate Bill No. 3235, as amended by the Free Conference Committee.

#### ROLL CALL

The Secretary called the roll on final passage of Engrossed Substitute Senate Bill No. 3235, as amended by the Free Conference Committee, and the bill passed the Senate by the following vote: Yeas, 38; nays, 10; excused, 1.

#### POINT OF INQUIRY

Senator Rasmussen: "Senator Gaspard, as I read this bill several days ago, this would allow, not just the Lester district--would allow creating of regional school districts?"

Senator Gaspard: "Senator Rasmussen, as I read the bill, it doesn't say anything about regional school districts."

Senator Rasmussen: "Well, I thought it did and I could have been reading two other bills, but I remember the time that Dan Evans was going to create regional

counties and he changed his mind after the thirty-nine counties got in force. What I was wondering, some place in there I read that and you've never seen that in the bill? Well, I probably read two other bills, but I did see it in the one I read."
