

THIRTY FIRST DAY**AFTERNOON SESSION**

Senate Chamber, Olympia
Wednesday, February 10, 2021

The Senate was called to order at 1:34 p.m. by the President of the Senate, Lt. Governor Heck presiding. The Secretary called the roll and announced to the President that all Senators were present.

The Washington State Patrol Honor Guard presented the Colors.

Miss Josie Hunt led the Senate in the Pledge of Allegiance. Miss Hunt is a student at UW Seattle and an intern for Senator Kuderer.

The President of the Senate, Lt. Governor Denny Heck, offered the prayer.

President Heck: "I would now invite you all to join me in prayer in the manner in which your faith informs you. Dear Lord, thank you for listening. This Monday afternoon You welcomed another angel. Steve Houle, a twenty-eight-year veteran of the Washington State Patrol, was tragically killed in an avalanche near Lake Cle Elum. He was nearing retirement, but he wore the blue proudly and served our state with dedication and professionalism. He was respected and beloved by his colleagues and his friends and his family. He loved the outdoors and hunting and hiking and fishing and snowmobiling. He was a devoted son to his parents, Howard and Terry, who are feeling the deepest pain imaginable as with the rest of his family. He was a devoted husband to his wife Laurie. And his stepdaughter Rachel he was a devoted father to his two sons, Hayden and Connor, my nephews. We ask you to lay your healing hands upon the hearts and souls of all his family. His sons will never know the joy of having that child parent relationship fully grow into that very special adult to adult friendship as they age. They will never know the joy of seeing their father play with their children and teach them the ways of the outdoors. They will never know him at their Easter table, family birthday parties or Thanksgiving dinner, or around the Christmas tree. But as is Your plan Lord, his being is deeply etched in their D.N.A. and more importantly in their hearts. This is Your gift for which we give thanks. Please touch their hearts Lord, with the power of Your love. Touch us as well. Remind us to be humble. Remind us to be grateful for all the men and women who wear blue in service to our state, and all those countless others who serve community and state, including the members of this chamber. We pray all these things in Your name and with the certainty that Your wisdom surpasses all human understanding. Amen."

POINT OF ORDER

Senator Liias: "Mr. President, I believe that this amendment impermissibly expands the scope and object of the House Bill before us in violation of Senate Rule No. 66."

REMARKS BY SENATOR LIAS

Senator Liias: "Thank you Mr. President. The bill before us appropriates 2.2 billion dollars in federal funding. It does so in a variety of ways as laid out in the bill with certain conditions on the money that's spent. Senator Ericksen's amendment speaks to the Governor's Roadmap to Recovery phase reopening the state, which while I appreciate the support for for that phase reopening, it does not, is not addressed in the underlying bill and would expand the scope of the bill beyond the appropriation of those federal relief dollars and is not appropriate for the bill before us."

REMARKS BY SENATOR SHORT

Senator Short: "Thank you Mr. President. I'm raising in disagreement of the gentleman's comments who previously spoke because as we look at the the intent and what the bill does is to get federal funding to to people who need it. You know to our educators. To our small businesses. To our tenants. To our families. And to me, the biggest thing we can do in this recovery Mr. President, and the reason that that the good gentlemen's amendment who previously spoke, is tied to that is because that is what is going to help our job creators in our family-owned businesses recover. This is the thing that is going to give them what they need, and it absolutely fits in the scope and intent of what we are doing which is trying to help people recover from from the significant things that have happened as a result of COVID and so I would absolutely think that this fits and I would urge your consideration that it fits in the scope intent of the bill. Thank you."

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1368, by House Committee on Appropriations (originally sponsored by Ormsby, Macri, Ramos, Callan, Gregerson, Berry, Sullivan, Leavitt, Duerr, Bergquist, Kloba, Riccelli, Ramel, Harris-Talley and Pollet)

Responding to the COVID-19 pandemic through state actions supported by federal funding.

RULING BY THE PRESIDENT

President Heck: "In ruling upon the point of order raised by Senator Lias as to whether amendment number 43 impermissibly changes the scope and object of Engrossed Substitute House Bill 1368 in violation of Senate Rule 66, the President finds, and rules as follows:

The President finds that the underlying bill is purely an appropriations bill, spending federal money for state activities in response to the COVID 19 crisis. While the measure spends money for a wide variety of purposes, the bill is narrow in that it exclusively uses appropriations to achieve its goal of COVID relief. It does not independently authorize additional state actions.

The amendment offered by Senator Ericksen would also appropriate federal money for state activities associated with COVID relief. Conditioning federal appropriations on certain

activities is appropriate and would be within the scope and object of the underlying bill. However, the amendment goes beyond that. New section 1 affirmatively directs all areas of the state to move to Phase 2 of the Healthy Washington-Roadmap to Recovery Plan.

The President, therefore, finds that the amendment does change the scope and object of the bill in violation of Senate Rule 66, and Senator Liias's point is well taken."
