

FIRST DAY

NOON SESSION

Senate Chamber, Olympia
Monday, January 13, 2025

At 12 o'clock, noon, pursuant to law, the Senate of the 2025 Regular Session of the Sixty-Ninth Legislature of the State of Washington assembled in the Senate Chamber at the State Capitol. Lieutenant Governor Denny Heck, President of the Senate, called the Senate to order.

The Washington State Patrol Honor Guard, consisting of Captain Matt Fehler, Trooper Kyle Flaig, Trooper Heather Axtman, Trooper Brian Chase, and Trooper Michael Sessions, presented the Colors.

Page Miss Brooklyn Beebe led the Senate in the Pledge of Allegiance.

The National Anthem was performed by students from the American Sign Language Program at River Ridge High School, Lacey. They were led by Ms. Cathy Boos.

The Washington State Patrol Honor Guard retired from the chamber.

The invocation was offered by Reverend Paul Eldred from Central Lutheran Church of the Holy Trinity, Seattle.

Reverend Eldred: "Creator of all, from the heights of the Cascade Mountains to the depths of Puget Sound, your presence surrounds us. From the falls of the Palouse to the shores of the Pacific, you instill your righteousness among us. From the amber wheat fields to the verdant forests, you hold this beautiful state and all of us within it close to your heart through your love.

We pray that you be with the members and staff of the Washington State Senate as they begin a new legislative session. May they be faithful servants of the people they were elected to represent. May they listen to the voices of their constituents as they lead us into our collective future. May they never succumb to cynicism, selfishness, or partisanship, but work together to promote the wellbeing of every inhabitant of this state.

Bless the work of this Senate and those gathered here today. Give them humility as they take up the awesome responsibility entrusted to them. Ground them ever in love for our neighbors. Grant them wisdom to steward the abundance we share. Stir up within them the yearning to bring healing to your creation. Inspire them through your justice to care for the most vulnerable in our midst. Guide them each day so that they govern in such a way that all people enjoy a peaceful life and a society built for the flourishing of all.

We pray all of this in your most holy name.
Amen."

REMARKS BY THE PRESIDENT

President Heck: "Welcome back. It has been the custom of the President to share a few thoughts and reflections. In a once a session opportunity, you have extended that privilege to me as a matter of grace. I ask for it again today and thank you for it.

First, let me congratulate the new members. You're going to like it here. This is a special place. And of course, a privilege to occupy. I like to remind members to put this in perspective. In 136 years of our statehood, there are fewer people who have served in both the House and the Senate than in a large sized high school. You are part of a small and important group of people determining important things, trying to do your best to elevate the

condition of your neighbors.

I also want to extend my appreciation to your family members. Everybody sitting in this chamber knows that the sacrifices required to arrive here are not born just by you, but by your loved ones. The time away from you, not just during the effort to get here, but for most of you, all winter and part of the spring. We are deeply grateful to you. Yours too is a service to our state.

Lastly, this year I thought I would share with you one of the most important conversations I think I've ever had in my life.

When I first arrived at the United States House of Representatives, I performed a ritual that all new members did, which is I sat, sought out the advice of the longest serving member, formerly known as the Dean of the House.

When I arrived 12 years ago, that was a man named John Dingell from the state of Michigan. John succeeded his father who had died at a fairly young age, John had been in D.C. most of his life. He was in fact in the chamber of the U.S. House of Representatives on December 8, 1941, as a teenager, when President Roosevelt gave his *A Day That Shall Live In Infamy* speech. When he retired in 2014, John served 59 years and seven days. When I arrived, he was in his late 80s, pretty arthritic, pretty hunched over. His mind, a lot sharper than mine was. And we all did the same thing. Walked on down to the well of the House near the dais where he sat and asked his advice.

I remember my conversation with him like it was this morning. I sat down next to him and said, 'Sir, I've come to ask for some guidance.' He said, 'Don't call me, sir. Your vote is the same as mine, has the same value as mine. Here we're all equal. And here you're all equal. Regardless of majority minority philosophy, every one of you has the same power in your vote.' I said, somewhat irreverently, 'Yes, sir. Your advice?' And he turned to me and he said the following. 'You have an important job. A very important job. And you're not a very important person.' John taught me in the moment. But the power that you do hold, you only hold in trust on behalf of those who have sent you here. I trust that you will remember that. And if you do, and when you do, despite the challenges, we'll be just fine.

And with that, the secretary will now call the role of holdover members of the Senate."

The Secretary called the roll of the holdover members of the Senate and all were present: Boehnke, Conway, Dhingra, Fortunato, Frame, Holy, Kauffman, Liias, Lovick, MacEwen, Nguyen, Pedersen, Robinson, Saldaña, Salomon, Shewmake, Short, Torres, Valdez, Warnick and Wilson, C.

MOTION

On motion of Senator Pedersen, the Senate advanced to the third order of business.

Governor Jay Inslee

Dear Governor Inslee,

It has been the honor of my life to serve in the Legislature these past 18 years but it is time for me to move on.

LETTER OF RESIGNATION

Dear Governor Inslee,

The time has come for me to make my retirement official, and the notice below makes my December 10th retirement date public so that my legislative district can arrange to nominate a replacement for the 2025 session. This is a bittersweet notice to send to you Governor and the Secretary of the Senate, but it is time. Thank you so very much for all the leadership you have provided our legislature and our state. We have achieved some very good things for our constituents.

It has been my great honor to serve, and I look forward to further challenges ahead.

Always,
/s/
Senator Karen Keiser
33rd District of Washington

LETTER OF RESIGNATION

17 November 2024

Governor Jay Inslee
Office of the Governor
Olympia, WA

Governor Inslee, Colleagues,

It has been my profound honor to serve with you as state senator for Washington's 26th Legislative District for the past six years.

I grew up in the 26th, and my constituents are my neighbors, friends, and family. Our community means everything to me. My story is like so many of theirs: I'm the first in my family to receive a degree, we struggled with an expensive and complex healthcare system, and I know what it's like to worry about the rising cost of rent and gas. We're a community of strength and resilience. Hardworking union members like my parents and grandparents, teachers and faith leaders showed me what it meant to look out for my neighbors, to protect this beautiful place we live, and to strive for a better future for all of us.

I have never taken my elected position for granted. The

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Seal of the state of Washington at Olympia.

Steve Hobbs
Secretary of State

elections I won were close, and I have endeavored to build relationships with constituents of all political stripes. I have met my constituents where they are by hosting dozens of town halls, coffees, and public Zoom meetings. I have visited businesses, classrooms, farmers markets, tribal nations, nonprofit organizations, and civic groups. I learned from my community and strived to put their experience at the center of my decision-making and bring their voices to Olympia.

In Olympia, I have proudly sponsored and co-sponsored 193 pieces of legislation that you have signed into law, Governor. My work has ranged from expanding financial aid and support for homeless and food insecure college students to modernizing our apprenticeship system to creating standards for equity in medical education, from expanding our network of abortion providers to establishing our state's Universal Healthcare Commission, from lowering B&O taxes for 100,000 small businesses to banning the practice of paying workers with disabilities less than minimum wage to requiring salary transparency in job postings.

Sworn into the 2019 legislature, I have also had the pleasure to learn from so many brilliant and dedicated policymakers - my incoming classmates who offered quick and lasting solidarity and camaraderie, seasoned mentors whose wisdom helped to guide and inspire me, newer members whose energy and fresh perspectives have continued to shape the Senate into a more representative chamber. And I would be remiss if I did not mention the brilliant staff - in member offices, committees, administration, and caucuses - who make our government

function (and a friendlier place!). Together, we have centered our neighbors, constituents, and fellow Washingtonians. We have put people first.

It is not lightly that I write this letter to tender my resignation effective December 8, 2024. I am honored to have been elected to represent the 6th Congressional District in Washington, DC at a pivotal moment for our democracy and I will take the lessons and stories that I've learned here in the legislature with me to the other Washington. I hope to leave ample time for my successor to be appointed before the start of a new legislative session. I wish them all the joy that I found in the position, and look forward to continuing to be a partner with all of you here in the Washington State Legislature. It will take all of us working together to continue to lower costs, increase opportunity, and protect the state we love and the freedoms we share for our constituents and future generations.

In gratitude and solidarity,

/s/

Emily Randall

LETTER OF RESIGNATION

Dear Governor Inslee and Respected Colleagues,

It has been my deepest honor to serve the people of the 48th Legislative District since 2015, first as their Representative and then as their first female State Senator. With my election to State Insurance Commissioner, I will be resigning my seat in the State Senate so I can be sworn in to serve there.

Please accept this email as my official Letter of Resignation from my position as State Senator from the 48th Legislative District, effective January 7, 2025. This date will afford my successor the same opportunity to be seated on the first day of session that my predecessor and former colleague, Cyrus Habib, offered me after he was elected Lieutenant Governor in 2016. I found the additional time to get situated before session started very helpful and appreciated his thoughtfulness in that respect. I

know my successor will appreciate this additional time as well.

I am humbled by the outpouring of support from Washingtonians all over the state and am excited to get to work as their next Insurance Commissioner in mid-January. The challenges we face – from rising healthcare costs and accessibility issues, to the dramatic impacts of climate change on our ability to afford or even obtain property/casualty coverage, and more – means that we will have our work cut out for us. I look forward to working with you all in my new role as Insurance Commissioner as we collectively serve to improve the lives of all Washingtonians.

Sending my very best for a successful 2025 session!

Best regards,

/s/

Senator Patty Kuderer

REMARKS BY SENATOR HASEGAWA

Senator Hasegawa: “Thank you Mr. President. Well, it is really a privilege to be able to place the name of Steve, Senator Conway, into this nomination because I think he is the longest, the member I have known the longest of anybody sitting here on the floor. He can get to talking about history like nobody’s business because he’s got a Ph.D. in that. So, if he does on the rare occasion that the president does give up the gavel to the president pro tem, don’t ask him about the Wobblies or Eleanor Roosevelt because he will get distracted and take us up on the wrong path. But Mr. President, Senator Conway is, earned this distinction being the, historically this position is reserved for the most senior member of the majority party and Senator Conway is every bit the most senior of the majority party. And with that comes the most wisdom of anybody on our side of the table and my opinion and your gracious opening remarks Mr. President, talked about seeking out the wisdom of the elders in the chamber and I can assure you that Senator Conway does have years and years of seeing this chamber operate. Knowing the ins and outs of it, and is the elder statesman really, for our caucus. So, I am honored to nominate Senator Conway for this position.”

REMARKS BY SENATOR KING

Senator King: “Thank you, thank you Mr. President. Well, I have had the pleasure of working with Senator Conway since he joined the Senate in, I believe 2011. We served together on the Labor & Commerce Committee. I have found him to be a very honorable man. A man who you can sit and have a conversation with even if you disagree on the issues that you are talking about. And I firmly believe that he will do an excellent job as our president pro tem. Thank you Mr. President.”

On motion of Senator Riccelli, the nominations for the office of President Pro Tempore of the Senate were closed.

PERSONAL PRIVILEGE

Senator Conway: “You know I want to thank the Senate for this honor. I really thank you very very much for this honor. And I want to let you know I am humbled by this honor, I really am. You know, I follow the footsteps of two state senators who held this position of president pro tem that I deeply respect. Last year of course, Senator Karen Keiser and in the past, Senator Rosa Franklin. Rosa Franklin both were president pro tems of this august body in a prestigious role we have here. And it is my hope that I live up to your expectations and live up to this job because this is a new world for me. I have now in my 33rd year of serving in Olympia. 18 years in the House and now 15 years in the Senate. And trust me, the only other person I think here who has more years is Mark Schoesler. And I think we should recognize Mark Schoesler’s experience because he and I entered the Legislature in 1993. I can only say that my role here is to work with our Denny, and to work with John Lovick to ensure that we get done on 105 days, alright. And I know every one of you want us to get done on 105 days and so that will be my purpose to help achieve that according to the rules and parliamentary procedures. And I invite each and every one of you if you have ideas on this position, talk to me because I am here to learn and fulfill this role as to the best as we’ve heard to the best of our abilities. So again, I am honored and really humbly thank you for this position. Thank you.”

Senator Lovick has served our country as a member of the U.S. Coast Guard, he has served our state and our residents for, serving over 3 decades of service as a member of the Washington State Patrol. Truly a remarkable public servant on behalf of our county and all Washingtonians. And um, you know I think one thing that impresses me about Senator Lovick when he’s running our floor in those times when he is needed is that he

runs it pretty darn well. Maybe not quite as good as you Mr. President, but he runs it really well. And he's respectful to all of us. He's patient with all of us. And as you stated in your opening comments about allowing grace, I think allows all of us grace when we're talking up here. Maybe making a mistake or two and he handles that extremely well. But I think also what I really appreciate about Senator Lovick is that he's a friend. He's a friend to all of us. I think you can always call him up for advice but if you ever just need anyone to talk to, he is always there for you and that's why I'm honored to nominate Senator John Lovick for the position of Vice President Pro Tem. Thank you."

REMARKS BY SENATOR PEDERSEN

Senator Pedersen: "Thank you very much Mr. President. Sarah has been our Secretary and has done absolutely amazing service to this body and to the people of the State of Washington. I think a lot of that goes completely unnoticed honestly. But is reflected everyday in the smooth running of this place. It's everything from worrying about the floor seating and helping to head off conflict or division about that to Sarah's work every month making sure that the Senate budget is observed. And in

fact, Sarah has guided us consistently to be under budget in terms of our spending. And then I am deeply grateful to Sarah and to her deputy Colleen for their work in negotiating and concluding fair agreements with our employees over the last few months. Mr. President, every day the work that we do publicly is supported by an entire crew of people behind the scenes who really do the work for us and Sarah, as the Secretary of the Senate, is the leader of all of those efforts. We are deeply grateful for her, and I am deeply grateful that she is willing to continue in this role and am honored to nominate her for that. Thank you."

REMARKS BY SENATOR BRAUN

Senator Braun: "Thank you Mr. President. It is my great pleasure to support the nomination of Sarah Bannister to the continual work as Secretary of the Senate. I don't believe I am telling anyone in this chamber anything they don't know when I say the very obvious, that Sarah works hard, that she is responsive to both members and to the public, she supports and empowers the terrific staff that makes our institution so special, when faced with a difficult problem, which occasionally happens, she listens, she is fair, and she is firm when necessary. In short Mr. President, she allows each of us to perform our mission to serve the public to the best of each of our ability and I am very proud to support her nomination."

Voting

Rule 22. 1. In all cases of election by the senate, the votes shall be taken by yeas and nays, and no senator or other person shall remain by the secretary's desk while the roll is being called or the votes are being counted. No senator shall be allowed to vote except when within the bar of the senate, or upon any question upon which he or she is in any way personally or directly interested, nor be allowed to explain a vote or discuss the question while the yeas and nays are being called, nor change a vote after the result has been announced. A member of the senate voting remotely is considered in attendance within the bar of the senate if the member is participating in the session through a remote access program established by the secretary of the senate as provided in Senate Rule 70. (See also Art. 2, Secs. 27 and 30, State Constitution.)

2. A member not voting by reason of personal or direct interest, or by reason of an excused absence, or a member having inadvertently voted contrary to the member's intent, may explain the reason for not voting or the member's intended vote by a brief statement not to exceed fifty words in the journal.

3. (See also Art. 2, Sec. 21, State Constitution.)

When once begun the roll call may not be interrupted for any purpose other than to move a call of the senate. (See also Senate Rule 24.)

4. A senator having been absent during roll call may ask to have his or her name called. Such a request must be made before the result of the roll call has been announced by the president. If, during a roll call vote, the vote of a member participating remotely is unable to be taken due to connectivity issues, the member shall be automatically excused. The member may request in writing that their vote be reflected in the senate journal, though it will not count towards the final roll call.

5. The passage of a bill or action on a question is lost by a tie vote, but when a vote of the senate is equally divided, the lieutenant governor, when presiding, shall have the deciding vote on questions as provided for in the state Constitution. (See also Art. 2, Secs. 10 and 22, State Constitution.)

6. The order of the names on the roll call shall be alphabetical by last name.

7. All votes in a committee shall be recorded, and the record shall be preserved as prescribed by the secretary of the senate. One-sixth of the committee may demand an oral roll call.

8. If a member of the majority is going to be absent due to a health matter or other emergency, then a member of the minority may publicly announce on the floor of the senate that he or she will cast votes as he or she believes the absent member would have voted in order to avoid results that would only occur because of the unanticipated absence.

Any and all copies of reproductions of newspaper or magazine editorials, articles or cartoons or publications or material of any nature distributed to senators' desks must bear the name of at least one senator granting permission for the distribution. This shall not apply to materials normally distributed by the secretary of the senate or the majority or minority caucuses.

Any senator participating remotely who wishes to speak in debate or submit any matter permitted by Senate Rule 8 to the senate, shall notify the designated member of the senator's desire to speak. The designated member shall seek recognition under the provisions of this section on behalf of the senator participating remotely and, upon recognition, the designated member shall defer to the senator participating remotely. No senator shall impeach the motives of any other member or speak more than twice (except for explanation) during the consideration of any one question, on the same day or a second time without leave, when others who have not spoken desire the floor, but incidental and subsidiary questions arising during the debate shall not be considered the same question. A majority of the members present may further limit the number of times a member may speak on any question and may limit the length of time a member may speak but, unless a demand for the previous question has been sustained, a member shall not be denied the right to speak at least once on each question, nor shall a member be limited to less than two minutes on each question. In any event, the senator who presents the motion may open and close debate on the question.

Recognition by the President

Rule 30. When two or more senators rise at the same time to address the chair, the president shall name the one who shall speak first, giving preference, when practicable, to the mover or introducer of the subject under consideration. (See also Reed's Rule 214).

Call for Division of a Question

Rule 31. Any senator may call for a division of a question, which shall be divided if it embraces subjects so distinct that one being taken away a substantive proposition shall remain for the decision of the senate; but a motion to strike out and insert shall not be divided.

Point of Order - Decision Appealable

Rule 32. 1. Every decision of points of order by the president shall be subject to appeal by any senator, and discussion of a question of order shall be allowed. In all cases of appeal the question shall be: "Shall the decision of the president stand as the judgment of the senate?"

2. When a member appeals the decision of the presiding officer, the presiding officer may not preside over the appeal.

3. An appeal from the decision of the presiding officer is timely if brought before the body on the day the decision was made unless the decision affected a measure that is no longer in possession of the senate.

Question of Privilege

Rule 33. Any senator may rise to a question of privilege and explain a personal matter by leave of the president, but shall not discuss any pending question in such explanations, nor shall any question of personal privilege permit any senator to introduce any person or persons in the galleries. The president upon notice received may acknowledge the presence of any distinguished person or persons.

A question of privilege shall involve only subject matter which affects the particular senator personally and in a manner unique and peculiar to that senator.

Protests

Rule 34. Any senator or senators may protest against the action of the senate upon any question. Such protest may be entered upon the journal if it does not exceed 200 words. Adoption of permanent rules may be by majority of the senate without notice and a majority of the senate may change a permanent rule without notice at the beginning of any session, as determined pursuant to Article 2, Section 12 of the State Constitution. No permanent rule or order of the senate shall be rescinded or changed without a majority vote of the members of the senate, and one day's notice of the motion.

2. A permanent rule or order may be temporarily suspended for a special purpose by a vote of two-thirds of the members present unless otherwise specified herein. When the suspension of a rule is called, and after due notice from the president no objection is offered, the president may announce the rule suspended, and the senate may proceed accordingly. Motion for suspension of the rules shall not be debatable, except, the mover of the motion may briefly explain the purpose of the motion and at the discretion of the president a rebuttal may be allowed.

3. For the purposes of this rule, one day's notice means written notice is provided to all members of the Senate by 5:00 p.m. the

day prior to the amendment to the permanent rules being offered and the notice must include, at a minimum, a description of the change to be offered.

Previous Question

Rule 36. The previous question shall not be put unless demanded by three senators, and it shall then be in this form: "Shall the main question be now put?" When sustained by a majority of senators present it shall preclude all debate, except the senator who presents the motion may open and close debate on the question and the vote shall be immediately taken on the question or questions pending before the senate, and all incidental question or questions of order arising after the motion is made shall be decided whether on appeal or otherwise without debate.

Reconsideration

Rule 37. 1. After the final vote on any measure, before the adjournment of that day's session, any member who voted with the prevailing side may give notice of reconsideration unless a motion to immediately transmit the measure to the house has been decided in the affirmative. Such motion to reconsider shall be in order only under the second order of business the day immediately following the day upon which such notice of reconsideration is given, and may be made by any member who voted with the prevailing side.

2. A motion to reconsider shall have precedence over every other motion, except a motion to adjourn; and when the senate adjourns while a motion to reconsider is pending or before passing the order of motions, the right to move a reconsideration shall continue to the next day of sitting. On and after the tenth day prior to adjournment sine die of any session, as determined pursuant to Article 2, Section 12, or concurrent resolution, or in the event that the measure is subject to a senate rule or resolution or a joint rule or concurrent resolution, which would preclude consideration on the next day of sitting a motion to reconsider shall only be in order on the same day upon which notice of reconsideration is given and may be made at any time that day. Motions to reconsider a vote upon amendments to any pending question may be made and decided at once.

Motion to Adjourn

In addition to one of the above-listed recommendations, a report may also recommend that a bill be referred to another committee.

6. A majority report of a committee must carry the signatures of a majority of the members of the committee. In the event a committee has a quorum pursuant to subsection 4 of this rule, a majority of the members present may act on a measure, subject to obtaining the signatures of a majority of the members of the committee on the majority report. If, after executive action on a measure, the signatures of all members are not included on either a majority or minority report, the committee shall hold the signature sheets for the measure for 24 hours, not counting Saturdays or Sundays, from adjournment of the committee hearing at which executive action was taken on the measure. This 24-hour hold period applies even if a majority of the members of the committee has signed the majority report. After the 24-hour

hold period, the signature sheets must be submitted to the workroom if there is a majority of signatures on the majority report. Once signature sheets have been submitted to the senate workroom by committee staff, a member may not sign or remove his or her signature from a majority or minority signature sheet. If a majority of members of the committee have not signed the majority report, the measure or appointment remains in the possession of the committee. The 24-hour hold period does not apply within the five days preceding any cutoff date and does not apply to a biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget.

7. Any measure, appointment, substitute bill, or amendment still within a committee's possession before it has been reported out to the full senate may be reconsidered to correct an error, change language, or otherwise accurately reflect the will of the committee in its majority and minority reports to the full senate. Any such reconsideration may be made at any time, by any member of the committee, provided that the committee has not yet reported the measure, appointment, substitute bill, or amendment out to the full senate. Any such reconsideration made after a vote has been taken or signatures obtained will require a new vote and signature sheet. Any measure which does not receive a majority vote of the members present may be reconsidered at that meeting and may again be considered upon motion of any committee member if one day's notice of said motion is provided to all committee members.

8. Any member of the committee not concurring in the majority report may sign a minority report containing a recommendation of "do not pass" or "without recommendation," which shall be signed by those members of the committee subscribing thereto, and submitted with the majority report. Unless the signatory of a minority report expressly indicates a "do not pass" recommendation, the member's vote shall be deemed to be "without recommendation." In every case where a majority report form is circulated for signature, a minority report form shall also be circulated.

9. When a committee reports a substitute for an original bill with the recommendation that the substitute bill do pass, it shall be in order to read the substitute bill the first time and have the same ordered printed.

A motion for the substitution of the substitute bill for the original bill shall not be in order until the committee on rules places the original bill on the second reading calendar.

10. No vote in any committee shall be taken by secret ballot nor shall any committee have a policy of secrecy as to any vote on action taken in such committee.

11. All reports of standing committees must be on the secretary's desk one hour prior to convening of the session in order to be read at said session. During any special session of the legislature or within the three days preceding any cut-off date or sine die, this rule may be suspended by a majority vote of those present. This rule does not apply to reports of biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill.

12. For purposes of this rule, a committee is deemed to have reported a measure, appointment, substitute bill, or amendment out when it has delivered its majority and minority reports to the senate workroom. After such delivery, the committee no longer has possession of the measure, appointment, substitute bill, or amendment and no further committee action, including

reconsideration or a member adding or removing his or her signature to a majority or minority report, may be taken.

13. All committees will rely upon and use the Electronic Bill Book. Committee staff should add all materials relating to hearings, work sessions, or executive sessions to the Electronic Bill Book as early as possible or when the material has been made public. Paper copies will not be provided to members. All materials submitted by the public shall be submitted electronically.

14. All committees will use the online Committee Sign-In system. All committee members will be able to view the list of individuals who have signed in to testify on each measure or appointment. Members of the public wishing to testify in-person or remotely may sign up remotely no later than one hour before the committee is scheduled to meet.

15. With the exception of the ways and means and transportation committees, the chairs of standing committees must publish the list of measures and appointments that may be considered for executive session by 4:00 p.m. two days preceding executive session. The chairs of the ways and means committee and the transportation committee must publish the list of measures and appointments that may be considered for executive session by 7:00 p.m. two days preceding executive session. A chair, with the consent of the ranking member, has discretion to waive this deadline in extraordinary circumstances. A published measure or appointment may be rescheduled for executive action at the committee's next meeting without additional notice, provided no additional amendments are considered.

16. Members must have amendment requests to nonpartisan committee staff by 12:00 p.m. the day before scheduled executive action. A chair, with the consent of the ranking member, has discretion to waive this deadline in extraordinary circumstances or to accept technical revisions to perfect an amendment. Members should be considerate of staff and turn in amendment requests earlier if they are long or complex, keeping in mind the final deadline for consideration of amendments.

17. All amendments, including substitutes, must be sponsored by a committee member. All amendments and effect statements must be either drafted or reviewed, or both, by nonpartisan committee staff. To be eligible for consideration at an executive session in a committee meeting scheduled to begin prior to 12:00 p.m., amendments must be released from confidentiality and posted to the Electronic Bill Book for committee members and the public by 4:00 p.m. the day before the executive session or the amendments will be considered out of order. To be eligible for consideration at an executive session in a committee meeting scheduled to begin on or after 12:00 p.m., amendments must be released from confidentiality and posted to the Electronic Bill Book for committee members and the public by 7:00 p.m. the day before the executive session or the amendments will be considered out of order. A chair with the consent of the ranking member has discretion to waive this deadline in extraordinary circumstances or to accept technical revisions to perfect an amendment.

18. A committee chair may choose to allow committee members to participate remotely in committee meetings. The committee chair shall notify the secretary of the senate prior to the first day of the legislative session if the chair will allow committee members to participate remotely. A chair that initially chooses to allow only in-person participation may later choose to allow remote participation but must provide the secretary of the senate with notice of the change at least 24 hours prior to the

committee hearing in which the change will become effective. Once a chair has chosen to allow members to participate remotely, this choice cannot be changed during the remainder of the session. If a chair allows committee members to participate remotely, those members will be considered "present" for the purposes of this rule and Senate Rule 49. All committee meetings shall be chaired in person. A chair may participate remotely in a committee meeting when another member of the committee is acting as chair. Members participating remotely shall be allowed to participate in committee activities to the same extent as those attending in person.

Committee Meetings During Sessions

Rule 46. No committee shall sit during the daily session of the senate unless by special leave.

No committee shall sit during any scheduled caucus.

Reading of Reports

Rule 47. The majority report, and minority report, if there be one, together with the names of the signers thereof, shall be read by the secretary, unless the reading be dispensed with by the senate, and all committee reports shall be spread upon the journal.

Recalling Bills from Committees

Rule 48. Any standing committee of the senate may be relieved of further consideration of any bill, regardless of prior action of the committee, by a majority vote of the senators elected or appointed. The senate may then make such orderly disposition of the bill as they may direct by a majority vote of the members of the senate.

Bills Referred to Rules Committee

Rule 49. All bills reported by a committee to the senate shall then be referred to the committee on rules for second reading without action on the report unless otherwise ordered by the senate. (See also Senate Rules 63 and 64.) A bill may not be referred to the committee on rules for second reading unless a standing committee has held a public hearing on the bill. This rule does not apply when the committee is considering a bill whose official companion has already been heard. By a majority vote of the committee members present at any executive session, the public hearing requirement may be dispensed with when the committee is considering a biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill and the committee has already had a hearing on a substantially similar omnibus budget bill.

Rules Committee

Rule 50. The lieutenant governor shall be a voting member and the chair of the committee on rules. The president pro tempore shall be a voting member and the vice chair of the committee on rules. The committee on rules shall have charge of the daily second and third reading calendar of the senate and shall direct the secretary of the senate the order in which the bills shall appear on the calendars and the committee on rules shall have the authority to directly refer any bill before them to any other standing committee. Such referral shall be reported out to the senate on the next day's business.

The order of consideration of bills on the second or third reading calendar will be set by the floor leader of the majority caucus. A majority of members present may vote to change the order.

The calendar, except in emergent situations, as determined by

the committee on rules, shall be available electronically to senators each day and shall cover the bills for consideration on the next following day.

Employment Committee

Rule 51. The employment committee for committee staff shall consist of six members, three from the majority party and three from the minority party. The chair shall be appointed by the majority leader. All decisions shall be determined by majority vote. The committee shall operate within staffing, budget levels and guidelines as authorized and adopted by the facilities and operations committee.

Committee of the Whole

Rule 52. At no time shall the senate sit as a committee of the whole.

The senate may at any time, by the vote of the majority of the members present, sit as a body for the purpose of taking testimony on any measure before the senate.

Appropriation Budget Bills

Rule 53. No biennial or supplemental omnibus operating budget, omnibus capital budget, or omnibus transportation budget bill may be acted upon in second reading until twenty-four hours after the bill has been placed on the second reading calendar by the rules committee. This rule does not apply to conference committee reports of biennial or supplemental omnibus budget bills, which are governed by joint rules. This rule may be suspended with a majority vote of those present within three days of sine die. The rules committee shall establish by separate motion the time at which a bill has been placed on the second reading calendar for purposes of this rule.

SECTION VI BILLS, RESOLUTIONS, MEMORIALS AND GUBERNATORIAL APPOINTMENTS Definitions

Rule 54. "Measure" means a bill, joint memorial, joint resolution, or concurrent resolution.

"Bill" when used alone means bill, joint memorial, joint resolution, or concurrent resolution.

"Majority" shall mean a majority of those members present unless otherwise stated.

Prefiling

Rule 55. Holdover members and members-elect to the senate may prefile bills with the secretary of the senate on any day commencing with the first Monday in December preceding any session year; or twenty days prior to any special session of the legislature. Such bills will be printed, distributed and prepared for introduction on the first legislative day. No bill, joint memorial or joint resolution shall be prefiled by title and/or preamble only. (See also Senate Rule 3, Sub. 3.)

Introduction of Bills

Rule 56. 1. All bills, joint resolutions, and joint memorials introduced shall be endorsed with a statement of the title and the name of the member introducing the same. Any member desiring to introduce a bill, joint resolution, or joint memorial shall file the same with the secretary of the senate by noon of the day before the convening of the session at which said bill, joint resolution, or

joint memorial is to be introduced. Sponsor sheets shall be available in both physical and electronic formats. A member may introduce a bill electronically by emailing the bill to the office of the code reviser. Only bills that have been emailed by a member or the member's legislative assistant may be considered for electronic introduction.

2. For bills introduced electronically, the sponsoring member may designate one cosponsor of the bill by providing the cosponsor's name in the email and by including the cosponsor's name in the cc line of the email. Additional members may add themselves as cosponsors to the bill by emailing the senate workroom by 5:00 p.m. of the day of its introduction. Agency and governor request legislation may follow this process and the sponsoring member or member's legislative assistant must email such legislation to the office of the code reviser.

3. Provided that a vote has not been taken on final passage of a bill, joint resolution, or joint memorial, a member may add his or her name as a cosponsor until 5:00 p.m. of the day of its introduction. For any bill, joint resolution, or joint memorial that has been prefiled for a regular session, a member has until 5:00 p.m. of the day following introduction to add his or her name as a cosponsor.

4. To be considered during a regular session, a bill must be introduced at least ten days before final adjournment of the legislature, unless the legislature directs otherwise by a vote of two-thirds of all the members elected to each house, said vote to be taken by yeas and nays and entered upon the journal. The time limitation for introduction of bills shall not apply to substitute bills reported by standing committees for bills pending before such committees and general appropriation and revenue bills. (See also Art. 2, Sec. 36, State Constitution.)

5. The introduction of title-only bills is prohibited. For the purposes of this subsection, a title-only bill is a bill containing a title or short summary of the intended subject matter, without laying forth the full changes intended to any act or sections of law.

Amendatory Bills

Rule 57. Bills introduced in the senate intended to amend existing statutes shall have the words which are amendatory to such existing statutes underlined. Any matter to be deleted from the existing statutes shall be indicated by setting such matter forth in full, enclosed by double parentheses, and such deleted matter shall be lined out with hyphens. No bill shall be printed or acted upon until the provisions of this rule shall have been complied with.

Sections added by amendatory bill to an existing act, or chapter of the official code, need not be underlined but shall be designated "NEW SECTION" in upper case type and such designation shall be underlined. New enactments need not be underlined.

When statutes are being repealed, the Revised Code of Washington section number to be repealed, the section caption and the session law history, from the most current to the original, shall be cited.

Joint Resolutions and Memorials

Rule 58. Joint resolutions and joint memorials, up to the signing thereof by the president of the senate, shall be subject to the rules governing the course of bills.

Senate Concurrent Resolutions

Rule 59. Concurrent resolutions shall be subject to the rules governing the course of bills and may be adopted without a roll call. Concurrent resolutions authorizing investigations and authorizing the expenditure or allocation of any money must be adopted by roll call and the yeas and nays recorded in the journal. Concurrent resolutions are subject to final passage on the day of the first reading without regard to Senate Rules 62, 63, and 64.

Committee Bills

Rule 60. Committee bills introduced by a standing committee during a legislative session may be filed with the secretary of the senate and introduced, and the signature of each member of the committee shall be endorsed upon the cover of the original bill.

Committee bills shall be read the first time by title, ordered printed, and referred to the committee on rules for second reading.

Committee Reference

Rule 61. When a motion is made to refer a subject, and different committees are proposed, the question shall be taken in the following order:

- FIRST: A standing committee.
SECOND: A select committee.

Reading of Bills

Rule 62. Every bill shall be read on three separate days unless the senate deems it expedient to suspend this rule. On and after the tenth day preceding adjournment sine die of any session, or three days prior to any cut-off date for consideration of bills, as determined pursuant to Article 2, Section 12 of the Constitution or concurrent resolution, or during any special session of the legislature, this rule may be suspended by a majority vote. (See also Senate Rules 59 and 64).

First Reading

Rule 63. The first reading of a bill shall be by title only, unless a majority of the members present demand a reading in full.

After the first reading, bills shall be referred to an appropriate committee pursuant to Senate Rule 61. Draft bill referrals will be electronically published by 7:00 p.m. the evening before the session in which the referrals will be considered. All objections or requests for rereference must be communicated in an email by a member to the majority floor leader by 9:00 a.m. the day of convening.

Upon being reported back by committee, pursuant to Senate Rule 49, all bills shall be referred to the committee on rules for second reading, unless otherwise ordered by the senate.

A bill shall be reported back by the committee chair upon written petition therefor signed by a majority of its members. The petition shall designate the recommendation as provided in Senate Rule 45, Sub. 5.

No committee chair shall exercise a pocket veto of any bill.

Should there be a two-thirds majority report of the committee membership against the bill, a vote shall be immediately ordered for the indefinite postponement of the bill.

Second Reading/Amendments

Rule 64. Upon second reading, the bill shall be read section by section, in full, and be subject to amendment.

Any member may, if sustained by three members, remove a bill

from the consent calendar as constituted by the committee on rules. A bill removed from the consent calendar shall take its place as the last bill on the second reading calendar.

No amendment shall be considered by the senate until it shall have been sent to the secretary's desk in writing and read by the secretary.

All amendments adopted on the second reading shall then be securely fastened to the original bill.

All amendments rejected by the senate shall be spread upon the journal, and the journal shall show the disposition of all amendments.

When no further amendments shall be offered, the president shall declare the bill has passed its second reading, and shall be referred to the committee on rules for third reading.

Third Reading

Rule 65. Bills on third reading shall be read in full by sections, and no amendment shall be entertained.

When a bill shall pass, it shall be certified to by the secretary, together with the vote upon final passage, noting the day of its passage thereon.

The vote must be taken by yeas and nays, the names of the senators voting for and against the same to be entered upon the journal and the majority of the members elected to the senate must be recorded thereon as voting in its favor to secure its passage by the senate.

Scope and Object of Bill Not to be Changed

Rule 66. No amendment to any bill shall be allowed which shall change the scope and object of the bill. (See also Art. 2, Sec. 38, State Constitution.) Substitute bills shall be considered amendments for the purposes of this rule. A point of order raising the question of scope and object may be raised at any time during consideration of an amendment prior to voting on the amendment.

Matters Related to Disagreement Between the Senate and House

Rule 67. When there is a disagreement between the senate and house on a measure before the senate, the senate may act upon the measure with the following motions which have priority in the following order:

- To concur
- To non-concur
- To recede
- To insist
- To adhere

These motions are in order as to any single amendment or to a series of amendments. (See Reed's Rules 247 through 254.)

A senate bill, passed by the house with amendment or amendments which shall change the scope and object of the bill, upon being received in the senate, shall be referred to an appropriate committee and shall take the same course as for original bills, unless a motion to ask the house to recede, to insist or to adhere is made prior to the measure being referred to committee.

Bills Committed for Special Amendment

Rule 68. A bill may be committed with or without special instructions to amend at any time before taking the final vote.

Confirmation of Gubernatorial Appointees

Rule 69. When the names of appointees to state offices are transmitted to the secretary of the senate for senate confirmation, the communication from the governor shall be recorded and referred to the appropriate standing committee.

The standing committee, or subcommittee, pursuant to Senate Rule 42, shall require each appointee referred to the committee for consideration to complete the standard questionnaire to be used to ascertain the appointee's general background and qualifications. The committee may also require the appointee to complete a supplemental questionnaire related specifically to the qualifications for the position to which he has been appointed.

Any hearing on a gubernatorial appointment, held by the standing committee, or subcommittees, pursuant to Senate Rule 42, shall be a public hearing. The appointee may be required to appear before the committee on request. When appearing, the appointee shall be required to testify under oath or affirmation. The chair of the committee or the presiding member shall administer the oath or affirmation in accordance with RCW 44.16. (See also Article 2, Sec. 6 of the State Constitution.)

Nothing in this rule shall be construed to prevent a standing committee, or subcommittee, pursuant to Senate Rule 42, upon a two-thirds vote of its members, from holding executive sessions when considering an appointment.

When the committee on rules presents the report of the standing committee before the senate, the question shall be the confirmation of the name proposed, and the roll shall then be called and the yeas and nays entered upon the journal. In the event a message is received from the governor requesting return of an appointment or appointments to the office of the governor prior to confirmation, the senate shall vote upon the governor's request and the appointment or appointments shall be returned to the governor if the request is approved by a majority of the members elected or appointed. (Article 13 of the State Constitution.)

Emergency Resolution Authorized

Rule 70. 1. If the Facilities and Operations Committee determines through a majority vote that physically convening all members and staff in a single location presents a danger to the health or safety of the participants or is impractical because of a publicly declared statewide emergency or catastrophic incident under RCW 43.06.010, the senate shall adopt a resolution establishing the rules and procedures governing any special or regular legislative session.

2. For purposes of adopting the senate resolution required by this rule, some or all members may vote using a remote access program established by the Secretary of the Senate. The remote access program must provide a mechanism approved by the President of the Senate by which the President can verify a member's remote presence. Members are considered in attendance within the bar of the senate when using the remote access program, including for purposes of establishing quorum. To the extent practicable, a member participating remotely under this rule has the same privileges, rights, and responsibilities under the Senate Rules as if the member were physically present.

Senators Riccelli and Short spoke in favor of adoption of the resolution.

The President declared the question before the Senate to be the adoption of Senate Resolution No. 8603.

The motion by Senator Riccelli carried and the resolution was adopted by voice vote.

MOTION

Senator Riccelli moved adoption of the following resolution:

**SENATE RESOLUTION
8601**

By Senators Riccelli and Short

WHEREAS, The Facilities and Operations Committee has the authority to determine whether physically convening all members and staff in a single location could present a danger to health or safety of the participants and requires continued operational changes to adhere to public health guidance during the 2025 legislative session; and

WHEREAS, Permanent Senate Rule 70 establishes a process by which the Senate will adopt a resolution establishing the rules and procedures to govern floor and committee action for such a legislative session;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the state of Washington, That the following be adopted as the Emergency Parliamentary Rules of the Sixty-Ninth Legislature:

**"EMERGENCY PARLIAMENTARY RULES
OF THE SENATE
SIXTY-NINTH LEGISLATURE
2025**

SECTION I: GENERAL

- Rule A** Public Health Measures.
- Rule B** Interpretation of Permanent Senate Rules.

SECTION II: PARLIAMENTARY PROCEDURES

- Rule C** Remote Voting.
- Rule D** Call of the Senate.
- Rule E** Relieving Rules Committee of Bills.
- Rule F** Floor Amendments.

SECTION III: COMMITTEES

- Rule G** Committee Procedures.

SECTION I

GENERAL

Public Health Measures

A. (1) Senate members and employees must comply with the 2023 Senate Session Guidelines adopted by the Facilities and Operations Committee, including any subsequent amendments and as implemented by Senate Administration. These guidelines govern mask-wearing, social distancing, and COVID-19 isolation procedures.

(2)(a) Regular floor action will occur in a hybrid remote format with only the number of members present as determined by the Facilities and Operations Committee and subject to the 2023 Senate Session Guidelines.

(b) Committee hearings and executive action will be held remotely.

(3) Public access to the Senate galleries during floor action

shall be determined by the Facilities and Operations Committee. All committee and floor proceedings will be broadcast to the public via streaming or televised platforms to ensure public access. (See Article II, Section 11 of the state Constitution.)

Interpretation of Permanent Senate Rules

B. To the extent that a matter is not addressed in this Resolution, the Permanent Rules of the Senate adopted January 13, 2025, will govern. The President will interpret all rules and procedures to facilitate legislative business in a fair and efficient manner in light of the ongoing emergency and remote session.

SECTION II PARLIAMENTARY PROCEDURES

Remote Voting

C. (1) Members will record their vote using the remote voting system. The clerk will close electronic voting and announce each member's vote individually. The President will call on those members who are present but have not yet voted. The President will then provide members a final opportunity to be recognized and change their votes. The clerk will then announce the vote.

(2) In accordance with Senate Rule 22, once begun, a roll call vote will not be interrupted because a member participating remotely has connectivity issues. However, if a majority of members elected is no longer present due to connectivity issues, a majority of those still present may defer consideration of a bill, adjourn, or recess the Senate until a quorum can be reestablished.

Call of the Senate

D. A call of the Senate may be moved by the majority or minority floor leader and sustained by three Senators. If carried by a majority of those present, the Secretary shall call the roll, after which the names of the absentees shall again be called. The business of the Senate will be suspended until the absent senators are considered within the bar of the Senate for such action as the Senate may deem proper. A call of the Senate may not interrupt a roll call vote, and no penalties shall be sustained for members experiencing connectivity issues.

Relieving Rules Committee of Bills

E. The Senate may relieve the Rules Committee of a bill with the consent of a majority of the Senate, provided that two hours' notice has been given to the President and all members of the Senate by the majority leader. The majority leader will consult with the President prior to giving such notice.

Floor Amendments

F. Any floor amendments must be submitted electronically by a member to the Secretary of the Senate for consideration. Each floor amendment shall be submitted in a separate email with the number of the bill to be amended included in the subject line of the email. Floor amendments received after second reading on the bill has begun shall not be in order.

SECTION III COMMITTEES

Committee Procedures

G. (1) All committees will meet remotely, except that, after consultation with the President, the majority leader may choose to hold a Rules Committee meeting in person. A member shall be considered in attendance at a committee hearing if the member is participating through a remote access program established by the Secretary of the Senate as provided in Senate Rule 70.

(2) Committee voting will be done through recorded roll call votes with the results transmitted to the Secretary of the Senate via electronic means. Members must be present and visible to be eligible to vote during the executive session. Voting will not be allowed "subject to signatures."

(3) Electronic reports of standing committees must be received one hour prior to convening of the session in order to be read at said session. This requirement may be suspended by a majority of the Senate. This rule does not apply to reports of biennial or supplemental omnibus operating appropriations act, omnibus capital appropriations act, or omnibus transportation appropriations act bills.
