**Subject:** Plan 1 Cola consideration July 19

**CAUTION:**External email.

I am 75 years old, and I retired after a 25 year teaching career in 2007. I receive my pension through TRS Plan 1. The number of Plan 1 recipients is decreasing due to our age. Our Colas have been infrequent and have not helped us keep up with inflation. They have not been equitable with other plans. This month I signed a reverse mortgage in order to get some additional income to support myself, because the price of utilities and necessary items has increased more than my retirement pay can handle. I encourage the Select Committee on Pension Policy to vote for an ongoing Plan 1 Cola. Thank you, Marcia Stocking, 209 Tracy Ave. S., Port Orchard WA 98366
