Subject: Permanent Cost of Living Increase for Plan 1

CAUTION:External email.

Hello,

Being unsure of not being able to stay in my home is harder than working 43 years. I hope that finally, I will be able to depend on a yearly raise like I thought I was when citizens voted to give teachers a cost of living raise yearly and Governor Locke stopped it the first year. It lowered our wages while we working and it lowered my retirement money. If that isn't unfair, I don't know what is. Please give us a little relief that we can hopefully stay in our homes. Thank you.
