Good day to all! I am seeking your support of a Plan 1 COLA for 2024 and an annual permanent COLA. I am a TRS/PERS 1 retiree and with

skyrocketing costs → my planning for retirement is undergoing changes. Losses are to be expected throughout life, but it is best to minimize them.

I also request that you raise the COLA cap since the cost of living has had its cap popped! As a retired teacher (2000) and continual student

of learning, I hope for a positive grade!

Best to all involved in such planning,

Dale L. Schultz (NSSD)
