

**FIRST DAY****NOON SESSION**

Senate Chamber, Olympia  
Monday, January 10, 2022

Pursuant to state law, the Senate of the 2022 Regular Session of the Sixty-Seventh Legislature of the State of Washington assembled, actually and virtually, in the Senate Chamber of the State Capital. At 12:00 o'clock noon, the Senate was called to order by the President of the Senate, Lieutenant Governor Denny Heck presiding.

The acting Secretary called the roll and announced to the President that all senators were present with the exceptions of Senators Fortunato and McCune.

The Washington State Patrol Honor Guard, composed of Lieutenant Matt Fehler, Sergeant Kelli Howes, Sergeant Michael McGee, Trooper Dean Gallanger and Trooper Brandon Tobol presented the Colors.

Miss Camille Bannister led the Senate in the Pledge of Allegiance. Miss Bannister is the granddaughter of Secretary of the Senate-elect, Mrs. Sarah Bannister.

The National Anthem was performed in both song and interpreted into American Sign Language (ASL) by the American Sign Language Program class at River Ridge High School, Lacey. They were led by their teacher, Ms. Cathy Boos.

The prayer was offered by Pastor Bob Luhn, Pastor Emeritus at Othello Church of the Nazarene.

**REMARKS BY THE PRESIDENT**

President Heck: "The President would like to extend a welcome back to all of you whether you are participating remotely or not.

It has been about nine months since we adjourned sine die. In the ensuing time, much has changed and much has remained the same.

COVID continues to be the dominant feature of much of American life. Sadly, the death toll continues to mount. More than 200,000 Americans have lost their lives to COVID since last April. Even today, at least 3 of our members have announced their diagnosis with COVID. And the lives of health care workers in particular but also first responders and teachers and students and parents with limited childcare options, are incredibly stressed.

Yet, some things have changed.

Omicron, the new variant of COVID, is virulently transmissible but also appears to be, overall, less dangerous especially to those who have been vaccinated and especially to those who have been boosted. Fewer hospitalizations. Fewer deaths.

Last session, thanks largely to the excellent work of staff and the observance of protocols by all involved, the Senate did not have a single reported case of COVID. Here's hoping for a repeat of that even with omicron.

There are other changes this year. Thus far, we have two new members, Senators Lovick and Trudeau. Congratulations to you both. Neither is a stranger to this process, and both are excellent additions. Their districts win and the state wins with their presence.

We respectfully request your forbearance on other changes. We have new people in several key slots. Let's face it: the president is still a rookie up here. Please be patient. But we also have a new Majority Floor Leader in Senator Pedersen. Congratulations, sir.

It is impossible to imagine anyone better prepared or qualified.

The president also extends his appreciation to the highly competent and professional manner in which Senator Lias undertook his responsibilities in that role and wishes him the best in his important new role.

Although no stranger to this rostrum, we have a new Secretary of the Senate, Sarah Bannister. Congratulations. We have all the confidence in you, and it is fun to be a part of making history here!

We will acknowledge outgoing Secretary Hendrickson's considerable contributions later but for today, thanks for a job very well done and congratulations on a lifetime of excellent service and a well-deserved retirement.

As a result, we have a new Deputy Secretary, Collen Rust. Congratulations. You will do great!

Soon, we will have a new Democratic Counsel up here as Victoria Cantore transitions to her exciting new role for the U.S. Attorney's Office. You've been nothing short of spectacular. The President extends his heartfelt personal gratitude.

And of course, congratulations to the incoming Counsel, Suchi Sharma. What a splendid choice. We look forward to working with you as well.

All of this to say, please be patient as we seek to serve you and this institution.

Finally, there is something else different this year and that is the absence of Senator Erickson of the Forty-second Legislative District. Our hearts are heavy with sadness at his passing. There will be a more formal recognition of the Senator later but for now we extend our deepest condolences to the Senator's widow, Tasha, and his two daughters, Elsa and Addi. May God touch you with His healing hands. And so, with your permission, I am going to ask those present to please stand in a moment of silence in memory of Senator Doug Erickson."

**MOMENT OF SILENCE**

The Senate rose and observed a moment of silence in the memory of Senator Doug Erickson, who passed away December 17, 2021.

President Heck: "And now, as Fareed Zakaria often says on Sunday morning, 'Let's get started.'"

**MOTION**

On motion of Senator Pedersen, the Senate advanced to the third order of business.

RESIGNATION OF SENATOR DARNEILLE

September 21, 2021

Dear Governor Inslee,

It is with a mixture of heartache and anticipation that I write today to formally announce my resignation from the Washington State Senate. I have had the great pleasure and honor of representing the 27<sup>th</sup> Legislative District in the Legislature since 2001, through 12 sessions in the House and now 8 sessions in the Senate. Through that time, I have worked with three Governors, and have particularly enjoyed our rapport and mutual professional regard.

I have accepted a new position in the Department of Corrections working with Secretary Strange to oversee the development of a new Women's Prison Division as an Assistant Secretary. This decision was only made after the recognition that it represents a unique opportunity to build upon years of learning about and working on juvenile and adult corrections reform gained in the Legislature. Policy development is based on research, science, and logic; it recognizes problems and promotes solutions to those problems. I recognize that this rare career pivot is fueled by a desire to make best practices work in the field with professionals dedicated to public service and the persons we serve.

I am still very sad, however, to leave the Legislature and my colleagues here, but very confident that a new appointee from the 27<sup>th</sup> District will bring new skills to the tasks ahead. I am sure this new Senator will continue to advocate for our constituents and for those whose voices often go unheard.

The appointment process will start today with notification to my colleagues in the Senate, Pierce County Democratic Party leadership, Precinct Committee Officers in the 27<sup>th</sup> District, constituents, and advocates. This resignation will take effect sometime in early November as the recommendations are received by the Pierce County Council for their action. I will inform you of the specific date as this process unfolds.

Thank you for every measure of support you have shown to me in the Legislature. Take care.

Sincerely,  
/s/  
Jeannie Darneille  
State Senator  
27<sup>th</sup> Legislative District

#### SNOHOMISH COUNTY COUNCIL

Snohomish County, Washington

Council Vice-Chair

ATTEST:

/s/

Asst. Clerk of the Council

The secretary called the roll of the two newly appointed senators: Senator John Lovick, 44<sup>th</sup> Legislative District; Senator Yasmin Trudeau, 27<sup>th</sup> Legislative District

The President welcomed the new senators, who had taken oaths of office earlier.

#### ELECTION OF VICE PRESIDENT PRO TEMPORE

Without objection, the President declared the office of Vice President Pro Tempore of the Senate vacant.

The President called for nominations to the office of Vice President Pro Tempore.

#### REMARKS BY SENATOR KEISER

Senator Keiser: "Thank you Mr. President. I highly recommend your support for this nomination of Senator John Lovick. Many of us have known the Senator Lovick, new to the Senate, but we've known him since he's been in the House, back in 1998 when he started in the House, and he served there for 9 years, and then he went off and became a Snohomish County Executive, Snohomish County Sheriff, he worked for the Washington State Patrol, and he's had quite a storied career. And then, of all things, he returns to the House in 2016 and he has been serving as Speaker Pro Tempore in the House for several years now. So, he may be new to the Senate, but he is not new to procedural and parliamentary rules. And will, I believe, be a worthy addition to our incredible team here in the Washington State Senate. Maybe the most important thing is, I think, John really understands the need for institutional integrity. And will abide by the norms, traditions, the standards, and the rules of our institution, and we'll all be better for it. I hope you'll support this nomination for John Lovick, for Vice President of the Senate President Pro Tempore."

#### REMARKS BY SENATOR SHELDON

Senator Sheldon: "Thank you Mr. President. I also rise to encourage you to vote for the nomination of Senator John Lovick. As Senator Keiser noted, he's had a storied career. Starting with the city of Mill Creek as a council person, Snohomish County Sheriff, State Representative, Snohomish County Executive, and now State Senator. And while it would appear that Senator Lovick could not keep a job very long, I would say that he's an outstanding gentleman, and just one of the classiest people we've had in a long time over the many years that he has served. So, I certainly encourage you to vote. If you have the time, check YouTube, there is a little piece that the Senator, when he was a Representative did. It's gonna have to be brought up a little bit because he starts out by showing the school children and the House members "this is a gavel" so he's moving up fast."

#### MOTION

On motion of Senator Pedersen, the nominations for the office of Vice President Pro Tempore of the Senate were closed.

#### MOTION

On motion of Senator Wagoner, Senators Fortunato and McCune were excused.

The President declared the question before the Senate to be the election of Senator John Lovick to the office of Vice President Pro Tempore.

#### REMARKS BY SENATOR BILLIG

Senator Billig: "Thank you Mr. President. Well, it gives me great pleasure to speak in strong support of Sarah Bannister's historic nomination as Secretary of the Senate. You know, in many ways Sarah has been preparing her whole life for this job. She was born and raised in Olympia. She's dedicated most of her life, and her whole adult life to public service, and specifically to the service of the Legislature and the people of Washington state. She began her career in the Legislature over twenty years ago, starting as a Legislative Assistant, and her roles for the first ten years were in service to members' offices and to constituents as she was a casework coordinator and a caucus liaison to members' offices. And then in 2017 she became, oh, and then she worked in the Secretary's office and then become the Deputy Secretary of the Senate in 2017. And you know, she brings with her this direct experience of our work and our history in the Senate and in the Legislature that is really gonna serve us all well and serve herself

MOTIONS

well as she moves into this new role. She’s really sort of keeper of the institution is one of the things I appreciate her. She just believes in the Senate so much, and it’s exactly what you want from a secretary of the senate. I feel like she is a protector of the institution, but also with eyes open to ways we can change for the better, and that’s also exactly what we want. I’ve personally really enjoyed working with Sarah since I entered the Senate. She’s professional and collaborative. She’s smart. She’s calm even in pressure situations. And those qualities will serve her and us well as Secretary. And Mr. President, Sarah will also be making history today as has been noted. Becoming the first woman to be the Secretary of the Senate in the history of Washington state. I urge your support for Sarah Bannister as Secretary of the Senate. Thank you, Mr. President.”

REMARKS BY SENATOR BRAUN

Senator Braun: “Thank you Mr. President. I too am very pleased to speak in support of Sarah Bannister’s nomination for the Secretary of the Senate. She is exceptionally well qualified for this position. While not quite the amount of time like her predecessor, she has spent a great deal of time, twenty-two years by my understanding, working within the Senate in various capacities, and that has given her time to build not only a deep appreciation for the history and the workings of this Senate, but also to build the relationships both with staff and members that make, that I think will make her a very successful Secretary of the Senate. So, I look forward to working with her, and I strongly encourage everyone to support her nomination as the Secretary of the Senate. Thank you, Mr. President.”

MOTION

On motion of Senator Pedersen, the nominations for the office of Secretary of the Senate were closed.

MESSAGE FROM THE SECRETARY OF STATE

The Honorable President of the Senate  
Legislature of the State of Washington  
Olympia, Washington 98504

MR. PRESIDENT:

We respectfully transmit for your consideration the following bill which was partially vetoed by the Governor, together with the official veto message setting forth his objections to the sections or items of the bill, as required by Article III, section 12, of the Washington State Constitution:

SENATE BILL NO. 5159.

(seal) In Testimony Whereof, I have hereunto set my hand and affixed the seal of the State of Washington this 4th Day of May 2021, at Olympia, the State Capital.  
/s/  
Kim Wyman  
Secretary of State

MESSAGE FROM THE GOVERNOR

May 3, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 2, Senate Bill No. 5159 entitled:

"AN ACT Relating to payments in lieu of real property taxes by the department of fish and wildlife."

This bill improves the method the state uses to pay counties for payments in lieu of taxes for lands owned by the Department of Fish and Wildlife. Counties distribute these payments to local taxing districts in the same manner they distribute property taxes supporting things like schools, emergency services, and noxious weed control. Section 2 sets an emergency effective date for the bill of July 1, 2021. The emergency effective date is unnecessary as payments to counties are due in April each year, not in July. The next payment to counties will be made in April 2022 and an emergency effective date is not needed to issue those payments.

For this reason, I am vetoing section 2 of SB 5159.

With the exception of Section 2, Senate Bill No. 5159 is approved.

Respectfully submitted,  
/s/  
Jay Inslee  
Governor

#### MESSAGE FROM THE GOVERNOR

May 10, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 8, Second Substitute Senate Bill No. 5293 entitled:

"AN ACT Relating to mental health sentencing alternatives."

Section 8 is an emergency clause that provides the bill with an effective date of July 20, 2021. Without the emergency clause, the

bill will go into effect on July 25, 2021. There does not appear to be a need for the bill to go into effect earlier than July 25.

For these reasons I have vetoed Section 8 of Second Substitute Senate Bill No. 5293.

With the exception of Section 8, Second Substitute Senate Bill No. 5293 is approved.

Respectfully submitted,

#### MESSAGE FROM THE GOVERNOR

May 10, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 11, Engrossed Second Substitute Senate Bill No. 5304 entitled:

"AN ACT Relating to providing reentry services to persons releasing from state and local institutions."

Section 11 of E2SSB 5304 amends RCW 72.09.270 as it pertains to county of origin for individuals releasing from total confinement in the Department of Corrections. I support the policy changes made to this section, but some of these changes conflict with another bill that amends the same statute.

Specifically, this bill changes the word "offender" to "person" in RCW 72.09.270, whereas E2SHB 1044 changes the word "offender" to "incarcerated individual" in the same statute. At the request of the prime sponsor, I am vetoing this section to remove the conflict.

For these reasons I have vetoed Section 11 of Engrossed Second Substitute Senate Bill No. 5304.

With the exception of Section 11, Engrossed Second Substitute Senate Bill No. 5304 is approved.

Respectfully submitted,

MESSAGE FROM THE GOVERNOR

May 13, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 33, Substitute Senate Bill No. 5151 entitled:

"AN ACT Relating to foster care and child care licensing by the department of children, youth, and families."

Section 33 is a null and void clause. It provides that if specific funding for the purposes of Section 29, a section related to prohibiting charging licensees for obtaining a child care license, is not provided in the omnibus appropriations act, then Section 29 is null and void. Although the omnibus appropriations act references Section 29 of this bill, it does not provide specific funding for Section

29. Section 33 must be vetoed so that Section 29 can be implemented.

For these reasons I have vetoed Section 33 of Substitute Senate Bill No. 5151.

With the exception of Section 33, Substitute Senate Bill No. 5151 is approved.

MESSAGE FROM THE GOVERNOR

May 13, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 1, 3, and 4, Engrossed Substitute Senate Bill No. 5235 entitled:

"AN ACT Relating to increasing housing unit inventory by removing arbitrary limits on housing options."

Section 3 allows cities to delay local implementation of statewide requirements around siting of accessory dwelling units until two years after their next required comprehensive plan update.

Accessory dwelling units play an important role in creating additional housing options in urban areas and the state is currently facing a housing crisis.

Section 4 limits the ability for local governments to require owner occupancy on lots containing an accessory dwelling unit, but it also creates numerous exceptions to that limitation which are problematic. I am concerned that the language may allow a local government to prevent the siting and development of accessory dwelling units in perpetuity with very little justification.

Section 1 establishes the intent of the bill. Due to the vetoes of Sections 3 and 4, the original statement of intent no longer fully applies to this bill.

For these reasons I have vetoed Sections 1, 3, and 4 of Engrossed Substitute Senate Bill No. 5235.

With the exception of Sections 1, 3, and 4, Engrossed Substitute Senate Bill No. 5235 is approved.

MESSAGE FROM THE GOVERNOR

May 13, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 2, Engrossed Substitute Senate Bill No. 5405 entitled:

"AN ACT Relating to racial equity analysis for the joint legislative audit and review committee work."

Section 2 directs the Joint Legislative Audit and Review Committee (JLARC) to complete a racial equity analysis on the impact of the restrictions on in-person K-12 education put in place since the COVID-19 state of emergency was declared on February 29, 2020, for all counties in Washington. Racial equity in education is a longstanding issue that was made worse by the COVID pandemic. Beyond the necessary school restrictions imposed, COVID impacts on education also included, but are not limited to, public health, economic disruption, teacher safety and loss of child care. I believe a broader review of racial inequities in K-12 is needed, and I will ask the Washington Student Achievement Council to conduct this review.

For these reasons I have vetoed Section 2 of Engrossed Substitute Senate Bill No. 5405.

With the exception of Section 2, Engrossed Substitute Senate Bill No. 5405 is approved.

Respectfully submitted,

MESSAGE FROM THE GOVERNOR

May 13, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 4, 5, 6, and 7, Second Substitute Senate Bill No. 5368 entitled:

FIRST DAY, JANUARY 10, 2022

2022 REGULAR SESSION

ENGROSSED SECOND SUBSTITUTE SENATE BILL  
NO. 5126.

"AN ACT Relating to encouraging rural economic development."

Section 4 of this bill would allow the Public Works Board (Board) to award funding for broadband infrastructure to cities, towns, and counties found to be in noncompliance with the growth management act (GMA). Current law prohibits any funding distributed by the Board to go to a GMA noncompliant jurisdiction unless that funding is necessary to address a public health need or substantial environmental degradation. The new exception provided here does not rise to the same level of urgency established in current law. In addition, an underpinning of the GMA has been that GMA noncompliant jurisdictions are unable to access various forms of infrastructure funding. Broadband is critical infrastructure comparable to roads, bridges, and water systems, and should be treated the same before the Board.

Section 5 prohibits the Community Economic Revitalization Board (CERB) from considering compliance with the GMA as a factor in awarding broadband funding to counties, cities, and towns. CERB does not currently consider the GMA in making funding decisions. This new prohibition is unnecessary.

Section 6 prohibits the Utilities and Transportation Commission (UTC) from considering compliance with the GMA as a factor in awarding broadband funding to counties, cities, and towns. The only funding that the UTC distributes for broadband is the Universal Service Fund (USF). Local governments are not eligible applicants to that program. The USF awards subsidies to small, private telecommunications providers. This new prohibition is also unnecessary.

Section 7 prohibits the Department of Commerce from considering compliance with the GMA as a factor in awarding broadband funding to counties, cities, and towns. Commerce is not currently bound to any consideration of GMA compliance in its decision-making regarding broadband projects. The agency has appropriate autonomy to consider the individual merits and relative benefits of each application for broadband funding. Retaining a high-level of discretion within the agency is desirable to ensure the best and highest use of scarce resources.

For these reasons I have vetoed Sections 4, 5, 6, and 7 of Second Substitute Senate Bill No. 5368.

With the exception of Sections 4, 5, 6, and 7, Second Substitute Senate Bill No. 5368 is approved.

Respectfully submitted,

MESSAGE FROM THE GOVERNOR

May 17, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 6; 22; and the four internal cross- references to Section 22 [Section 8, on page 20 line 32, after "in" veto "section 22 of"; Section 9, on page 22, beginning on line 14, after "2026.", veto the sentence beginning with "If" and ending with "period." on line 16; Section 13, on page 39, line 21, after "with" veto "section 22 of"; and Section 19, on page 47, line 30, after "under" veto "section 22 of"], Engrossed Second Substitute Senate Bill No. 5126 entitled:

"AN ACT Relating to the Washington climate commitment act."

Section 6 requires the development of an improved consultation framework for state agencies to communicate and collaborate with tribes on climate investments made under the act. I strongly support the need for this work, as there are multiple new programs authorized under this act that require the state and tribes to work together. However, this section also requires tribes to provide their consent for climate projects funded by the Climate Commitment Act that might impact tribal interests, which differs from our current government-to-government approach and does not properly recognize the mutual sovereign relationship between tribal governments and the state. Although I am vetoing this Section, I will be requesting formal consultation with Tribal leaders to develop improved consultation procedures that strengthen our ability to work together as both sovereign governments and committed partners to advance our many mutual interests.

Section 22 primarily provides a convenient summary of compliance obligations under the Act that is duplicative of the same key compliance obligations and authorizing provisions that are well established and defined in other sections of the Act, including but not limited to Sections 23, 8 and 2. For example, the rulemaking authority acknowledged in Section 22 is provided for and expanded upon in Section 25, which separately establishes comprehensive rulemaking authority that authorizes the Department of Ecology to adopt rules to implement all of the provisions of the Act. There are no substantive aspects of Section 22 that Ecology cannot adopt and implement through this rulemaking authority. By vetoing Section 22, I am also removing an internal inconsistency with regard to the expiration date of allowances, because the ability of covered entities to rely on the last several years of allowances in Section 22(1) conflicts with the unlimited time period for use of allowances in Section 9(2). Because I am vetoing Section 22, I am also vetoing the four internal cross-references to Section 22. Finally, I want to express my deep appreciation for the Legislature's remarkable work on

this critical piece of legislation; however, the delayed effective date established in subsection (7) unnecessarily hinders our state's ability to combat climate change, one of the greatest challenges facing our state and the world today.

For these reasons I have vetoed Sections 6; 22; and the four internal cross-references to Section 22 [Section 8, on page 20, line 32, after "in" veto "section 22 of"; Section 9, on page 22, beginning on line 14, after "2026.", veto the sentence beginning with "If" and ending with "period." on line 16; Section 13, on page 39, line 21, after "with" veto "section 22 of"; and Section 19, on page 47, line 30, after "under" veto "section 22 of"] of Engrossed Second Substitute Senate Bill No. 5126.

With the exception of Sections 6; 22; and the four internal cross-references to Section 22 [Section 8, on page 20, line 32, after "in" veto "section 22 of"; Section 9, on page 22, beginning on line 14, after "2026.", veto the sentence beginning with "If" and ending with "period." on line 16; Section 13, on page 39, line 21, after "with" veto "section 22 of"; and Section 19, on page 47, line 30, after "under" veto "Section 22 of"], Substitute Senate Bill No. 5126 is approved.

Respectfully submitted,

MR. PRESIDENT:

We respectfully transmit for your consideration the following bill which was partially vetoed by the Governor, together with the official veto message setting forth his objections to the sections or items of the bill, as required by Article III, section 12, of the Washington State Constitution:

#### ENGROSSED SUBSTITUTE SENATE BILL NO. 5092.

#### MESSAGE FROM THE GOVERNOR

May 18, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 127(18); 137(13); 308(18); 738; 1110(9); 955; and 1703, page 1076, lines 34-35, Engrossed Substitute Senate Bill No. 5092 entitled:

"AN ACT Relating to fiscal matters."

**Section 127(18), pages 27-28, Attorney General, Washington State Missing and Murdered Indigenous Women**

#### **and People Task Force**

Section 127(18) provides funding for the Attorney General's Office to support the Washington State Missing and Murdered Indigenous Women and People Task Force established in Section 955 of this act. Because the wrong version of the section was included in the enacted budget, I have vetoed Section 955. Since Section 955 is vetoed, the funding in this proviso is no longer needed. Therefore, I have vetoed Section 127(18).

However, the work of this task force is extremely important, and the Attorney General's Office has agreed to convene the task force and begin the work set forth in this section. I will request the funding necessary for this task force in my next supplemental budget request.

#### **Section 137(13), page 95, Department of Revenue, Future Taxation of Digital Products. Work Group and Report**

This section directs the Department of Revenue to convene a stakeholder work group to analyze and develop recommendations on the future taxation of digital products that are used in the electronic processing of prescriptions. The department must submit the analysis and recommendations in a report to the Legislature by December 1, 2021. Because funding was not provided for the department to do this work, I have vetoed Section 137(13).

However, I am directing the department to work with stakeholders to assist them in developing and drafting legislation that will help reduce the tax burden on pharmacies as it relates to digital services that are used in the processing of electronic prescriptions and transmission of prescription drug claims data.

#### **Section 308(18), page 330, Department of Fish and Wildlife, Columbia River Gillnet License Buyback**

This section provides funding solely for a voluntary buyback of Columbia River commercial gillnet licenses which is something I supported in my proposed budget. However, the last sentence of this section also requires the department to only authorize mainstem gillnet and drift net fisheries in certain areas of the Columbia River for one particular salmon run based on a set allocation for commercial fisheries. This allocation for commercial fisheries conflicts with Washington's agreement with the state of Oregon on management of commercial gillnet fisheries on the Columbia River. In addition, the last sentence potentially limits the department from issuing fishing licenses for other species such as eulachon or shad and from issuing permits for other commercial gear types. This may have unknown impacts on other fisheries along the Columbia River. Although I support the voluntary buyback of commercial gillnet licenses on the Columbia River, I cannot support these additional provisions. For these reasons, I have vetoed Section 308(18).

#### **Section 738, page 506-507, Office of Financial Management, Home and Community Based Services**

This section requires OFM to direct spending from this appropriation dependent upon receiving guidance from the Centers for Medicare and Medicaid Services (CMS) by May 10, 2021, that extends the use of Home and Community Based Services funds beyond December 31, 2022. In Section 738 (2), the Legislature expressed its intent to direct expenditures if CMS extended the expenditure time period. CMS provided guidance on May 13, 2021, extending the use of this fund source through March 2024.

For this reason, I have vetoed Section 738 to follow the spirit of the proviso and enable the Legislature to decide how the funds should be used.

#### **Section 1110(9), page 631, Office of Civil Legal Aid, Tenant**

**Representation Outcome Study**

This section reduces the appropriations for a research-based controlled comparative study of the differences in outcomes for tenants facing eviction who receive legal representation and tenants facing eviction without legal representation in unlawful detainer cases filed under the Residential Landlord - Tenant Act. This reduction in funding includes fiscal year 2020. This fiscal year has closed and can no longer have changes in appropriation. For this reason, I have vetoed Section 1110(9). I will ask the Office of Civil Legal Aid to place \$317,500 in reserve status for fiscal year 2021.

**Section 955, pages 541 through 544**

Section 955 creates the Washington State Missing and Murdered Indigenous Women and People Task Force and sets out the members of the task force, the work of the task force, and specific duties and authority for the Washington State Attorney General to support the task force. The budget did not include the correct version of this section and has some issues that cannot be overcome. Because of the problems that arise from this version, I have vetoed Section 955.

However, this work is extremely important and needs to move forward. We have coordinated with the Attorney General's Office, which will use its existing authority to convene the task force and begin the work set forth in this section. I will include the creation of the task force as intended in my next supplemental budget request.

**Section 1703, page 1076, lines 34-35, State Treasurer, Bond Retirement and Interest**

This section intends to adjust the appropriations for Nondebt-limit General Fund bond retirement in fiscal year 2021 to necessary levels. It appears the appropriation is an error. For this reason, I have vetoed Section 1703, page 1076, lines 34-35, (Nondebt-Limit Reimbursable Bond Retirement Account-State Appropriation).

For these reasons I have vetoed Sections 127(18); 137(13); 308(18); 738; 1110(9); 955; and 1703, page 1076, lines 34-35 of Engrossed Substitute Senate Bill No. 5092.

With the exception of Sections 127(18); 137(13); 308(18); 738; 1110(9); 955; and 1703, page 1076, lines 34-35, Engrossed Substitute Senate Bill No. 5092 is approved.

MESSAGE FROM THE GOVERNOR

May 18, 2021

To the Honorable President and Members,  
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 205(2); 205(4); 205(5); 220, page 48, line 15, beginning with "Fuel" through line 16 ending with "process."; page 48, line 28, beginning with "Fuel" through line 29 ending with "process."; page 48, line 32, beginning with "Fuel" through line 33 ending with "process."; page 49, line 5, beginning with "Fuel" through line 6 ending with "process."; page 49, line 37, beginning with "Fuel" through line 38 ending with "process."; and page 50, line 18, beginning with "Fuel" through line 19 ending with "process."; 309, page 70, line 35, beginning with "No" through page 71, line 2, ending with "biennium."; and 920(1), pages 175-176; 920(2), page 176; 920(3), page 176; page 177, line 13, beginning with "Fuel" and ending with "process."; page 177, line 33, beginning with "Fuel" through line 34 ending with "process."; and 920(9), page 179, Substitute Senate Bill No. 5165 entitled:

"AN ACT Relating to transportation funding and appropriations."

**Section 205(5), pages 18-19, Transportation Commission, Unfunded Study**

This section directs the Transportation Commission to evaluate and identify activities funded in the transportation budget that might be paid for using other revenue resources. This proviso also instructs the commission to recommend potential changes to funding sources in order to maintain a state of good repair. There was no funding provided to support this work. For this reason, I have vetoed Section 205(5).

**Section 220, page 48, line 15, beginning with "Fuel" through line 16 ending with "process."; page 48, line 28, beginning with "Fuel" through line 29 ending with "process."; page 48, line 32, beginning with "Fuel" through line 33 ending with "process."; page 49, line 5, beginning with "Fuel" through line 6 ending with "process."; page 49, line 37, beginning with "Fuel" through line 38 ending with "process."; and page 50, line 18, beginning with "Fuel" through line 19 ending with "process."**

Section 220 includes the following sentence in six provisos: "Fuel type may not be a factor in the grant selection process." This sentence is a nondollar proviso that is subject to the governor's veto authority. It is also substantive legislation included in an appropriations bill that either conflicts with or amends the statutory mandates in RCW 47.66.040 and 47.66.030 that direct WSDOT to consider, among other criteria, energy efficiency issues and federal and state air quality requirements in selecting programs and projects. In addition, this requirement conflicts with, or at best substantially impairs, the statutory mandate for the state and local government subdivisions to transition to zero

emission vehicles as articulated in RCW 43.19.648.

The sentence at issue is a policy change - that is, an amendment - to existing statutory requirements. As such, the sentence violates Article II, Sections 19 and 37 of the Washington State Constitution.

It is well established that the governor's veto powers in Article III, Section 12 of the Washington State Constitution extend to appropriation items and full subsections or provisos in an appropriations bill. It is also well established that our courts will intervene to prevent obvious circumvention of the veto power by the Legislature or equally obvious manipulation of that power by the governor. The addition of this sentence within these provisos constrains my ability to exercise the constitutionally authorized veto powers.

Based on the above concerns, I previously vetoed this sentence in several subsections in the 2019-21 biennial transportation budget bill, Engrossed Substitute House Bill 1160, to prevent a constitutional violation and a forced violation of state law. Litigation regarding this matter is ongoing. Because the same sentence is included again in this biennial transportation appropriations bill and because the litigation has not been resolved yet by our state Supreme Court, I again have no choice but to veto this sentence that appears in several subsections.

For these reasons, I have vetoed Section 220, page 48, line 15, beginning with "Fuel" through line 16 ending with "process."; page 48, line 28, beginning with "Fuel" through line 29 ending with "process."; page 48, line 32, beginning with "Fuel" through line 33 ending with "process."; page 49, line 5, beginning with "Fuel" through line 6 ending with "process."; page 49, line 37, beginning with "Fuel" through line 38 ending with "process."; and page 50, line 18, beginning with "Fuel" through line 19 ending with "process."

**Section 309, page 70, line 35, beginning with "No" through page 71, line 2, ending with "biennium."**

Section 309 provides the appropriation authority for the Washington State Ferries construction program. Section 309(1) includes the following sentence: "No funds appropriated in this act or additional funds received through the unanticipated receipt process may be allocated or expended for terminal electrification purposes this biennium." This sentence would prohibit any funds appropriated in the transportation budget, and not just this section, and any future funds that may be received as an unanticipated receipt, from being spent on the electrification of ferry terminals. This could result in the Department of Transportation foregoing opportunities to pursue funding for terminal electrification and charging, contrary to the needs of the ferries program. As we continue the work toward the first 144-car hybrid electric vessel and the conversion of the Jumbo Mark II vessel, we must also pursue the charging infrastructure to be able to access electricity for seamless operations.

It is well established that the governor's veto powers in Article III, Section 12 of the Washington State Constitution extend to appropriation items and full subsections or provisos in an appropriations bill. It is also well established that our courts will intervene to prevent obvious circumvention of the veto power by the Legislature or equally obvious manipulation of that power by the governor.

This sentence is a nondollar proviso that is subject to the governor's veto authority. The sentence is a condition on the entire transportation budget bill and on unanticipated receipts and thus does not naturally fit together with the other language in Section 309(1), which is a separate proviso applying to only the appropriations in Section 309.

The prohibition on terminal electrification expenditures not only stifles the ongoing work by Washington State Ferries to

electrify fleets and terminals, but also eliminates pathways to attain federal funds or other grants. While my veto authority is generally limited to sections, subsections or appropriation items in an appropriations bill, this sentence embedded in a subsection is a separate, nondollar appropriation item that is subject to my veto. The deleterious effects of this prohibition leave me no choice but to veto this sentence.

For these reasons, I have vetoed Section 309, page 70, line 35, beginning with "No" through page 71, line 2, ending with "biennium."

**Section 920(1), pages 175-176; Section 920(2), page 176; Section 920(3), page 176; page 177, line 13, beginning "Fuel" and ending with "process."; page 177, line 33, beginning with "Fuel" through line 34 ending with "process."; and Section 920(9), page 179**

Section 920 includes the following sentence in seven provisos: "Fuel type may not be a factor in the grant selection process." I previously vetoed this sentence in six provisos in the 2019-21 biennial transportation budget bill, Engrossed Substitute House Bill 1160, for the reasons set forth in my veto message for Section 220 of this bill. Because Section 920 amends current law to reinstate the sentence that I had previously vetoed, I again have no choice but to veto the provisos that contain this sentence and have vetoed the sentence in two other provisos.

For these reasons, I have vetoed Section 920(1), pages 175-176; Section 920(2), page 176; Section 920(3), page 176; page 177, line 13, beginning with "Fuel" and ending with "process."; page 177, line 33, beginning with "Fuel" through line 34 ending with "process."; and Section 920(9), page 179.

I have vetoed the following sections related to bills that did not pass the Legislature, resulting in the lapse of funding. My veto of these sections will serve to clean up these unnecessary sections of the bill.

**Section 205(2), page 18, Transportation Commission, SSB 5444, Implementing a per mile charge on electric and hybrid vehicles**

**Section 205(4), page 18, Transportation Commission, SSB 5444, Implementing a per mile charge on electric and hybrid vehicles**

For these reasons I have vetoed Sections 205(2); 205(4); 205(5); 220, page 48, line 15, beginning with "Fuel" through line 16 ending with "process."; page 48, line 28, beginning with "Fuel" through line 29 ending with "process."; page 48, line 32, beginning with "Fuel" through line 33 ending with "process."; page 49, line 5, beginning with "Fuel" through line 6 ending with "process."; page 49, line 37, beginning with "Fuel" through line 38 ending with "process."; and page 50, line 18, beginning with "Fuel" through line 19 ending with "process."; 309, page 70, line 35, beginning with "No" through page 71, line 2, ending with "biennium."; and 920(1), pages 175-176; 920(2), page 176; 920(3), page 176; page 177, line 13, beginning with "Fuel" and ending with "process."; page 177, line 33, beginning with "Fuel" through line 34 ending with "process."; and 920(9), page 179 of Substitute Senate Rill No. 5165.

With the exception of Sections 205(2); 205(4); 205(5); 220, page 48, line 15, beginning with "Fuel" through line 16 ending with "process."; page 48, line 28, beginning with "Fuel" through line 29 ending with "process."; page 48, line 32, beginning with "Fuel" through line 33 ending with "process."; page 49, line 5, beginning with "Fuel" through line 6 ending with "process."; page 49, line 37, beginning with "Fuel" through line 38 ending with "process."; and page 50, line 18, beginning with "Fuel" through line 19 ending with "process."; 309, page 70, line 35, beginning

with "No" through page 71, line 2 ending with "biennium."; and 920(1), pages 175-176; 920(2), page 176; 920(3), page 176; page 177, line 13, beginning with "Fuel" and ending with "process."; page 177 line 33 beginning with "Fuel" through line 34 ending with "process."; and 920(9), page 179, Substitute Senate Bill No. 5165 is approved.

MOTION

At 12:59 p.m., on motion of Senator Pedersen, the Senate adjourned until 11:45 a.m. Tuesday, January 11, 2022.
