MESSAGE FROM THE SECRETARY OF STATE

Department of State, Office of the Secretary,
Olympia, Washington, March 10, 1967.

To The Honorable,
The Speaker of The House of Representatives,
The Legislature of the State of Washington,
Olympia, Washington

Mr. Speaker:

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of the Seal of said State, do hereby certify that: I have carefully compared the annexed copy of a proclamation by the Governor calling an extraordinary session of the Legislature to convene on the 10th day of March, 1967, with the original copy of said proclamation now on file in this office, and find the same to be a full, true and correct copy of said original, and the whole thereof, together with all official endorsements thereon.

In Testimony Whereof, I have set my hand and affixed hereto the Seal of the State of Washington. Done at the Capitol at Olympia on this the date of March 10, 1967.

A. LUDLOW KRAMER, *Secretary of State.*

[The Seal of the State of Washington—1889]

Proclamation By the Governor:

The 1967 Session of the Washington State Legislature has considered a record volume of proposed legislation during its regular sixty-day session, and is to be commended for enacting more significant measures than any Legislature in recent history.

However, the Legislature has failed to enact appropriation and revenue measures and other measures of vital interest to the people of this state, including the following:

Tax Reform. The people should have the opportunity to choose a tax structure which is more responsive to the expanding needs of this state and more equitable in its impact upon its citizens. The proceeds of any revised tax structure should be made available to relieve the heavy reliance upon annual special levies for school support.

Highway Safety. The Legislature must protect innocent persons from the fatal consequences of the drinking driver; and must bring our highway safety laws into compliance with federal requirements to assure that this state will obtain its full share of federal funds for highway construction. Also the State Patrol needs 200 more troopers to help keep our highways safe.

Transportation. A Department of Transportation will make it possible to properly coordinate the agencies of state government involved with the movement of people and goods on land, in the air, and over water. And the Legislature should provide a transportation system of bridges, roads and ferries for Puget Sound.

Human Needs. The state urgently needs a program of mental health and mental retardation services and a program for comprehensive community health centers. The outdated facilities for the mentally ill and mentally retarded should be rebuilt now, rather than incurring the delay inherent in financing construction of these facilities through another state-wide bond issue.

Unemployment Compensation laws should be modernized to give workers a realistic level of benefits and to provide a more equitable system of allocating the costs of the program among employers. Public Assistance grants should be based on current living costs. Injured workmen deserve legislation to speed the processing of industrial insurance appeals.

Preserving Natural Resources. The natural beauty of this state both within and outside urban areas should be preserved and recreational facilities developed. The Legislature should propose a constitutional amendment and pass enabling legislation to permit assessment of certain undeveloped property for tax purposes on the basis of present use. A bond issue should be authorized to finance acquisition and development of recreation sites. A system of scenic highways should be authorized.

Assisting Local Government. Local government should be given additional taxing authority; and additional state funds should be appropriated during the ensuing biennium to help cities cope with their immediate problems.

Constitutional Reform. The Legislature should permit the people to call a constitutional convention and permit the Legislature to propose comprehensive revisions of the Constitution as a single amendment. Moreover, the Constitution should permit a majority of the people voting on the issue to call a constitutional convention. A Constitutional Revision Commission should be created to review the Constitution and make recommendations for its modernization.

Improvement of Government. The remaining "fee justice courts" should be abolished. The administration of the tax laws would be improved under a Department of Revenue; and taxpayers would have a speedy, inexpensive and independent review of administrative decisions in the field of taxation under a separate Board of Tax Appeals. The overcrowded general election ballots would be relieved by holding a state general election every year. Effective control of air and water pollution can be achieved best by coordinating these functions under the Environmental Quality Commission. The state should have an improved system for handling the payroll of its employees. The Governor should be authorized to accept federal funds when new programs are developed between sessions of the Legislature. Finally, the Legislature should address itself to the need for laws regulating campaign contributions and strengthening the code of ethics applicable to legislators and other public officials.

As a result of these conditions, an emergency exists constituting an extraordinary occasion within the meaning of Article III, Section 7, of the Constitution of the State of Washington:

Now, Therefore, I, Daniel J. Evans, Governor of the State of Washington, by virtue of the authority vested in me by the Constitution, do hereby convene the Legislature of the State of Washington in Extraordinary Session in the Capitol at Olympia on the tenth day of March, A.D. 1967, at the hour of nine o'clock a.m.; and

I Do Hereby Specify, in accordance with the requirements of the Constitution that the purposes for which the Legislature is convened are:

To appropriate sufficient funds, and raise sufficient revenues, to carry on the necessary functions and services of state government; and

To consider the enactment of the several other measures specified above for the benefit of the people of the State of Washington.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the State of Washington to be affixed at Olympia, this 9th day of March, A.D., Nineteen Hundred and Sixty-seven.

DANIEL J. EVANS, *Governor of Washington.*

[The Seal of the State of Washington—1889]

By the Governor:

A. Ludlow Kramer,
Secretary of State.

Sec. 17. Section 3, chapter 286, Laws of 1955 and RCW 50.20.030 are each amended to read as follows:

Mr. McDougall:

"I will yield to Mr. Cunningham."

The Speaker recognized Mr. Cunningham.

Mr. Cunningham:

"Yes, Mr. Speaker, we discussed this in our State Government and Legislative Procedures Committee, and in reviewing the many problems involved in per diem for boards and commissions and the fees involved and so forth, the committee reached a verbal agreement that a study should be made in this area under the umbrella of the legislative council, and this is the reason for three members of the committee proposing this resolution. I would urge your support."

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the Wenatchee Blossom Time royalty and requested that Representatives McDougall, Bozarth, and Haussler escort them to a place on the rostrum.

The Speaker:

"I have the privilege of introducing to you at this time Second Princess Joanie Stewart, First Princess Patti Harris, and Queen Patty Scaman. Patty, we would be pleased to have you address the House of Representatives, if you would."

Queen Patty:

"Thank you. As ambassador of the state of Washington, home of the apple capitol of the world, I would like to take this opportunity to thank you for asking us here today, and in return I would like to extend a royal invitation to each and every one of you to meet with us on the first weekend of May when we will all take part in the state Apple Blossom Festival. During these springtime festivities, we pay honor to King Apple, as old as Adam yet ever new, especially when it is apple harvest time in the Wenatchee Valley. I am sure if you will come to Wenatchee that you will see and agree with us that harvest time is good news to the whole apple-loving world. Thank you."

The Speaker:

"Thank you very much for that kind invitation. I know that many of the members and their wives and families will take your invitation to heart and will spend Apple Blossom time in Wenatchee."

The Speaker requested that the special committee escort the Apple Blossom royalty to the rear of the House chamber.

OTHER BUSINESS

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Mr. Speaker, members of the House, there have been a number of members who have asked about the status of bills which passed in the regular session or which did not pass all the way through to the governor's desk during the regular session, and I

think this might be as good a place as any to try to explain what the status of each of these bills is at the present time. Any House bill which did not pass the House at all is in the same status as it was at the end of the regular session. That is, if it was still in a committee, such as Business and Professions, that is where it is now and it is open to discussion in that particular committee if the committee wishes to take it up. If it was in Rules Two or Rules Three at the end of the session, it is still in Rules Two or Rules Three. Any bill which passed the House and went to the Senate, and failed to pass the Senate or passed the Senate in different form and was sent to a conference committee which didn't complete its work, is now in House Rules Three. It will have on it the amendments which the House placed upon it during second reading in the regular session, but will not have on it any Senate amendments which may have been agreed upon. When the Rules Committee places it on the calendar it will be on third reading for final passage unless it is brought back to second reading for purpose of amendment. The same is true in reverse of any Senate bill which passed that body but not the House; it is back in Senate Rules Three stripped of any amendments the House may have put on it in second reading. There were quite a few such amendments and you should look at the Senate bills with great care if you were interested in amendments which the House put on those bills."

The Speaker recognized Mr. Humiston.

Mr. Humiston:

"Mr. Speaker, when are we going to have some information on possible scheduling of committee meetings. I have one bill in my committee which has been held over to the extraordinary session, House Bill No. 219, which I think is of interest to everyone. It is the bill which has to do with the apportionment formula for the twenty-five million dollar appropriation to the cities. I would like to be able to know when we can start scheduling hearings on that type of bill."

The Speaker:

"I don't see Mr. Copeland on the floor. He is drawing up a schedule now for this week at least. There will be ample time for committees that have legislation in the committees requiring consideration."

The Speaker recognized Mr. Adams.

Mr. Adams:

"In connection with the comments of Mr. Gorton, those Senate bills that come back may not come back in their current form? They can change them, take amendments off them or put them on or anything else?"

The Speaker:

"They would be in Rules Three in the Senate. If the rules were suspended and they were put back to second reading, they could be amended, yes."

The Speaker recognized Mr. Anderson.

Mr. Anderson:

"Thank you, Mr. Speaker. Ladies and gentlemen of the House, we have in Rules Two a very, very important bill that was signed by forty sponsors. It was passed out of appropriations with a thirty-eight to nothing vote. That is House Bill No. 300, the Viet Nam soldiers' bonus bill. This soldiers' bonus bill has to be voted on by the people, and I think that we should have the opportunity of submitting it to the people, ladies and gentlemen, because the Korean bonus will be paid up in 1969 and this bill would start from there. This bill has the endorsement of all the veterans' organizations in the state of Washington. It has been before all of those organizations for a whole year, and they endorsed it, and I appeal to those members on Rules, to please let's give these veterans, these soldiers who are fighting and being injured in Viet Nam, a break, I appeal to you to put that bill out on the floor of the House."

RESOLUTIONS

House Resolution No. 67-50, by Representatives Haussler and Avey:

Whereas, The State of Washington is singularly honored in that the Indian peoples constituting the membership of the great Colville Indian Reservation wish to find an equitable means of terminating federal supervision over the property and affairs of the Colville Indian Reservation and to become full-fledged citizens both of this nation and of the state; and

Whereas, This desire on the part of the membership has been evidenced by the action of the members of its Tribal Council; and

Whereas, Senator Henry M. Jackson introduced legislation in the Eighty-eighth Congress providing for an end to the Colville Indian Reservation and restoration to full rights as citizens to the membership, and Representative Thomas S. Foley introduced like legislation for the Eighty-ninth Congress;

Now, Therefore, Be It Resolved, By the House of Representatives, That this petition be most respectfully submitted to the House of Representatives and to the Senate of the United States and to the Honorable Lyndon B. Johnson, President of the United States, urging immediate action to fulfill the desires of the membership of the Colville Indian Reservation to become citizens enjoying equal rights, privileges and responsibilities as other citizens of this state and of this nation; and

Be It Further Resolved, That the Chief Clerk of the House of Representatives submit copies of this resolution to the Honorable Lyndon B. Johnson, President of the United States, to the Speaker of the House of Representatives of the United States, to the President of the Senate of the United States, and to each member of Congress from the State of Washington.

On motion of Mr. Haussler, the resolution was adopted.

House Resolution No. 67-51, by Representative Walgren:

Whereas, The insurance industry of the State of Washington has contributed to the good and well-being of all citizens of the state; and

Whereas, An investigation by a legislative interim committee has revealed that a small minority of insurance companies and agents have been acting contrary to the best interest of the public; and

Whereas, The actions of this small minority of unscrupulous persons and companies are of immediate concern to all citizens of this state; and

Whereas, The Washington State Senate has passed a series of bills to alleviate some of the more serious problems within the insurance industry; and

Whereas, These bills have been referred to a House Committee where they remained for the duration of the regular session; and

Whereas, These bills received almost unanimous bipartisan support in the State Senate and should not now become a subject for partisan dispute; and

Whereas, Prompt action is now needed if these important bills are to become law during the 40th Session of the Legislature;

Now, Therefore, Be It Resolved, By the House of Representatives, That we express it as our intent that the appropriate House Committee should report out Senate Bill No. 523, Senate Bill No. 330, Senate Bill No. 524, Senate Bill No. 526, Senate Bill No. 525, and Senate Concurrent Resolution No. 4 within forty-eight hours of being referred to said committee.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Copeland.

Mr. Copeland:

"Mr. Speaker, ladies and gentlemen of the House, for the purpose of explanation of the committee schedule, the House and Senate leaders of both parties have made the determination that we would handle calendars on Tuesday and Thursday through the balance of this week and possibly into next week and leave the afternoons free so that conference committees would have time in which to meet and carry on their required work. In former years we have had the problem of either the House or Senate being in session while the conference committee was trying to meet, which would require the conferees to excuse themselves and thus delay the activity of the committee. We feel that the operations of the committees will be facilitated with the House and Senate doing approximately the same thing."

RESOLUTIONS

House Resolution No. 67-52, by Representatives Morrison, Haussler, McDougall, Newhouse, Day, Reese, Johnson, Spanton, Brazier, and Lynch:

Whereas, The horticultural industry is one affecting the public interest and the general health and welfare of the State of Washington; and

Whereas, Changes in the patterns of economic growth and the expansion of population have caused shifts in the horticultural production areas of the state; and

Whereas, Agricultural sciences and methods of marketing have made vital changes affecting the horticultural industry; and

Whereas, The laws concerning the horticultural industry have been modernized only in part and are generally archaic and not compatible with the changes needed to assure the continuance of a healthy self-supporting horticultural industry vital to the general welfare of the state;

Now Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council, through its Subcommittee on Agriculture, is requested to study and investigate the need for completing the modernization of the agricultural laws relating to horticulture or affecting horticulture specifically under Title 15 RCW, and to report its findings and recommendations to the Forty-first Legislature together with such drafts of legislation as may be required to effectuate them.

On motion of Mr. Morrison, the resolution was adopted.

House Resolution No. 67-53, by Representative Jolly:

Whereas, The Kelly Air Mail Act of 1925 marked the beginning of contract airmail service by providing for a series of north-to-south feeder lines connecting the Post Office Department's east-to-west route from New York to San Francisco; and

Whereas, Leon Cuddeback inaugurated scheduled contract airmail service for Varney Airlines on contract airmail Route No. 5 (connecting the Pacific Northwest with the Southwest from Pasco, Washington to Elko, Nevada via Boise, Idaho) in his ninety horsepower Swallow biplane at 6:23 antemeridian on the 6th day of April, 1926; and

Whereas, It has been generally acknowledged by American air historians that Leon Cuddeback flew the first authentic scheduled contract airmail run; and

Whereas, Early contract airmail service was beset by a number of perils and limitations by reason of numerous forced landings and lack of navigational aids and equipment and required the most daring spirit reminiscent of the pioneering spirit of the earliest settlers in the Americas and later of the settlers in the American West;

Now, Therefore, Be It Resolved, By the House of Representatives, That the President and Congress of the United States of America and the United States Postmaster General be respectfully urged to commemorate the inauguration of scheduled contract airmail service under The Kelly Air Mail Act of 1925 from Pasco, Washington to Elko, Nevada on the 6th day of April, 1926, by the issuance in the year 1976 of a semicentennial or golden jubilee commemorative airmail stamp or series; and

Be It Further Resolved, That a copy of this resolution be transmitted to the Honorable Lyndon B. Johnson, President of the United States of America; the President of the United States Senate; the Speaker of the House of Representatives; to each member of Congress from the State of Washington; and to the United States Postmaster General.

MOTION

On motion of Mr. Gorton, the House recessed until 2:30 p.m.

AFTERNOON SESSION

The Speaker called the House to order at 2:30 p.m.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The Clerk called the roll and all members were present.

The House resumed consideration of Senate bills on first reading.

FIRST READING OF SENATE BILLS

Engrossed Senate Bill No. 152, by Senators Herrman, Greive, and Woodall:

Raising auto financial responsibility limits.

The Speaker declared the question before the House to be the motion by Mr. O'Brien that the rules be suspended and Engrossed Senate Bill No. 152 be advanced to second reading and read the second time.

The motion was carried.

On motion of Mr. Gorton, the rules were suspended, Engrossed Senate Bill No. 152 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued, Representatives O'Brien and Smith speaking in favor of passage of the bill, and Representatives O'Dell and Chapin speaking against passage of the bill.

MOTION

Mr. Gorton moved that Engrossed Senate Bill No. 152 be referred to Committee on Financial Institutions and Insurance.

Representative Gorton spoke in favor of the motion.

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, I don't believe the gentleman is talking on the basis of referring the bill to committee. He is going into the merits of the bill. I believe his arguments should be narrowed to the actual reason he wants to refer Senate Bill No. 152 to the committee on financial institutions and insurance."

The Speaker:

"Yes. I think he is doing that, Mr. O'Brien. Will you continue, Mr. Gorton."

Representative Gorton completed his remarks.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Gorton yielded to question.

Mr. Moon:

"Representative Gorton, this surprises me. I would like to know why, after you moved to suspend the rules and take this from second reading to third reading so that we cannot make amendments and work on this bill on the floor, you have reversed yourself and moved this bill be referred to committee so that the committee can do something with it."

Mr. Gorton:

"That is a very good question, Mr. Moon. I would like to answer it. Mr. O'Brien made a motion to advance this bill to second reading at about 11:20 this morning. Mr. O'Brien was informed at the end of the meeting of the committee on rules and admin-

istration that these bills might be advanced to third reading. This we did. No one offered amendments on second reading although there were several hours in which to prepare them, so I concluded that the motion to advance to second reading and then go on was a purely political play in hopes that the whole thing would go on television and into the newspapers. We decided to go along and see if there was enough sincerity on the part of the minority party to attempt to perfect this on second reading and then go on to third. We found out there wasn't, so now, since I don't want to kill the bill by voting against a bill that is defective as it now is, the only thing to do is put it into committee and see if it comes out perfected."

Debate ensued, Representative Moon speaking against the motion to refer Engrossed Senate Bill No. 152 to committee.

Mr. Kink demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Litchman, Charette, and O'Brien speaking against the motion, and Representatives Jueling and Clark (Newman H.) speaking in its favor.

YIELDING TO QUESTION

At the request of Mr. Bledsoe, Mr. O'Dell yielded to question.

Mr. Bledsoe:

"Mr. O'Dell, there seems to be a certain amount of speculation about the functions of your committee and what is to be considered by this committee. I notice in the program sheet from the Senate on my desk that there are several bills from the Senate that are under jurisdiction of your committee. Assuming that they might appear in your committee, what have you scheduled for action for these for tomorrow? Which bill, which numbers?"

Mr. O'Dell:

"I heard eleven were coming back yesterday. We were presumptuous and scheduled four Senate bills. I find one of them will remain in Rules. We have three other Senate bills on the docket, in addition to our House Bill No. 681, which was killed in the Senate."

Mr. Anderson demanded the previous question and the demand was sustained.

The Clerk called the roll and the motion that Engrossed Senate Bill No. 152 be referred to Committee on Financial Institutions and Insurance was carried by the following vote: Yeas, 53; nays, 46; absent or not voting, 0.

Those voting yea were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hoggins, Holman, Hubbard, Humiston, Jueling, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, Morrison, Murray, Newhouse, Newschwander, O'Dell, Reese, Richardson, Saling, Smythe, Spanton, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—53.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bagnariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hill, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, McGavick, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Taylor, Thompson, Walgren—46.

MOTION

On motion of Mr. Gorton, the House advanced to the ninth order of business for the second reading of bills.

MOTION

On motion of Mrs. McCaffree, Substitute House Joint Resolution No. 29 was substituted for House Joint Resolution No. 29, and the substitute resolution was placed on the calendar for second reading.

"Article VII, section 2. Except as hereinafter provided and notwithstanding any other provision of this Constitution, the aggregate of all tax levies upon real and personal property by the state and all taxing districts now existing or hereafter created, shall not in any year exceed forty mills on the dollar of assessed valuation, which assessed valuation shall be fifty per centum of the true and fair value of such property in money: *Provided, However, That such assessed valuation shall be twenty-five per centum of the true and fair value of such property in money with respect to assessments of property made from and after the second calendar year following the adoption and ratification of an amendment to this article specifically authorizing a tax upon income at a single uniform rate in excess of the limitations provided by this section: Provided [However] Further, That nothing herein shall prevent levies at the rates now provided by law by or for any port or public utility district: Provided Further, That notwithstanding any other provision of this Constitution the legislature shall have the power to provide for enforcement of the provisions of this article by vesting in state or local agencies or both the power to value and to assess property for purposes of taxes imposed for any state or local purpose.* The term 'taxing district' for the purposes of this section shall mean any political subdivision, municipal corporation, district, or other governmental agency authorized by law to levy, or have levied for it, ad valorem taxes on property, other than a port or public utility district. Such aggregate limitation or any specific limitation imposed by law in conformity therewith may be exceeded only

"(a) By any taxing district when specifically authorized so to do by a majority of at least three-fifths of the electors thereof voting on the proposition to levy such additional tax submitted not more than [twelve] *twenty-four* months prior to the date [on which] *for making the proposed levy or levies [is to be made]* and not oftener than twice in [such] *any* twelve month period, either at a special election or at the regular election of such taxing district, at which election the number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: *Provided, However, That no taxing district shall submit to the electors thereof a proposition to authorize the levy of additional tax upon the authority of this subsection (a) to be made in any year for which the electors previously have authorized the levy of additional tax under the authority of this subsection (a), unless the proposed authorization is submitted to the electors by a proposition to substitute for the prior authorization under this subsection (a) a new authorization the amount of which will be adequate to fulfill all contractual obligations of the taxing district incurred by reason of the prior authorization, and unless the substitute proposition shall by its terms supersede the prior authorization and then be in lieu of any additional tax authorized by but not yet levied upon the authority of the superseded authorization;*

"(b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the

limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: *Provided*, That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, *And Provided Further*, That the provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6, of this Constitution;

"(c) By the state or any taxing district for the purpose of paying the principal or interest on general obligation bonds outstanding on December 6, 1934; or for the purpose of preventing the impairment of the obligation of a contract when ordered so to do by a court of last resort.

"NEW SECTION. Article VII, section 4. Notwithstanding any other provision of this Constitution, the legislature shall have the power,

"(a) To impose a tax upon income from whatever source derived, at a rate which may be in excess of that permitted by section 2 of this Article VII: *Provided, However*, That the tax may be imposed only at a single uniform rate;

"(b) To provide for allowance of credits, exclusions, exemptions, and deductions to be used in determining the amount of income subject to tax or in computing such tax: *Provided, However*, That the amount of such credits, exclusions, exemptions and deductions may not be determined solely by the amount of income otherwise subject to tax; and

"(c) For purposes of simplifying administration and facilitating compliance by taxpayers, to adopt by reference any federal statutes relating to the determination of taxable income, both as enacted at the time of adoption and as amended after the time of adoption.

"No tax upon income shall be collected pursuant to this section until the assessed valuation of property is stated in section 2 of this article as twenty-five per centum of the true and fair value of property in money.

"Be It Further Resolved, That the secretary of state shall cause notice of the foregoing constitutional amendments to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state."

Mr. Kink demanded a call of the House and the demand was sustained.

Miss Marth is going to favor us with a vocal number or two, but before she sings, I would like to have her extend a few words of greeting to the members and guests of the House."

Miss Washington:

"Thank you very much, Mr. Speaker. Ladies and gentlemen of the House and ladies and gentlemen in the balcony, this is indeed a very special day for me, especially since this official action was most unexpected and I am very pleased that you have honored me this way. This is something that we, as a pageant are very thankful for. Being here with you legislators in our state capitol is truly a great honor for me. About this time of year, all of us Washingtonians turn to Olympia and listen anxiously to our radios and watch television and read the newspapers to find out what bills are going to be passed or are going to be rejected, and of course we all have our own little comments along the way, but the ultimate decision is yours alone. So this morning this is a great treat to share even these few moments with you. Before you begin your session officially and really delve into the tax problem you have ahead of you, I should like to share with you a few moments of music."

Accompanied by Mrs. Carlson at the piano, Miss Washington sang two vocal numbers for the members of the House.

The Speaker:

"Sandra, it has been a real treat having you here this morning, and we certainly wish you the best of luck and hope you will return again."

RESOLUTIONS

House Resolution No. 67-54, by Representatives Amen, Flanagan, and Bledsoe:

Whereas, The need of the United States and the developing world for food and fiber soon will make it imperative that the nation get the greatest possible production from every arable acre; and

Whereas, The amount of land which can be brought into production or on which production can be increased is severely limited; and

Whereas, In the State of Washington the additional land that can be adapted to intensive agriculture is located largely on the Columbia Plateau; and

Whereas, One million acres of this land already is developed or programmed for future development under the Columbia Basin Project, and the portion of the project already completed fully demonstrates the productive capacity and wealth-building potential of such projects; and

Whereas, Completion of the Columbia Basin Project as programmed will not utilize to the maximum the water resources developed for the project; and

Whereas, It is urgently necessary that the future needs of the State of Washington for its water resources be fully explored now; and

Whereas, Outside the boundaries of the Columbia Basin Project as currently established are large acreages of land suitable for irrigation from the same water sources but now limited by low rainfall to grain production on a summer fallow basis, which has resulted in declining populations and stagnating communities and erosion and depletion of the soil; and

Whereas, The landowners in the upper end of the Big Bend area, a 720-square-mile section of Lincoln and Grant counties east and south of Banks Lake and the Lake Roosevelt Reservoir, have organized the Banks High Land Development Association,

Inc., to bring irrigation to this area, and have enrolled the owners of more than 400,000 acres, or more than 90 percent of the irrigable land, in the effort;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Congress of the United States be requested to authorize a reconnaissance survey by the Bureau of Reclamation of the Banks High Land Area as the first step in a program to bring water to this area and to initiate an effort that in total could bring more than two million additional acres of the state's most productive land under irrigation; and

Be It Further Resolved, That copies of this House resolution be sent by the Chief Clerk of the House of Representatives to Senator Henry Jackson, Senator Warren Magnuson, Representative Thomas Foley and Representative Catherine May, and Secretary of the Interior Stewart Udall to advise them of the strong interest of the State of Washington in these projects and to seek their active participation in securing the appropriate action by the Congress.

Mr. Amen moved adoption of the resolution.

Representatives Amen, Flanagan, and Lewis spoke in favor of adoption of the resolution.

The motion carried and the resolution was adopted.

House Resolution No. 67-55, by Representatives Anderson and Charette:

Whereas, Nine-year-old Edward Peterson jumped from the Eighth Street Bridge into the wintry waters of the Hoquiam River on December 14, 1966; and

Whereas, Doneen Sampson, his seventeen-year-old babysitter, leaped without hesitation into the murky waters after him, calling to passers-by who also jumped in to help pull the boy to safety on the riverbank; and

Whereas, Miss Sampson gave no thought to her own danger or discomfort but was concerned only for the safety of her charge; and

Whereas, Edward Peterson was wet and cold but otherwise unhurt by the ordeal;

Now, Therefore, Be It Resolved, That the House of Representatives of the State of Washington do congratulate and commend Miss Sampson for an exemplary display of bravery and concern for her fellow man; and

Be It Further Resolved, That a copy of this resolution be delivered to Miss Doneen Sampson, 205 Second Street, Hoquiam, Washington, forthwith.

On motion of Mr. Anderson, the resolution was adopted.

House Resolution No. 67-56, by Representatives Whetzel, Farr, Adams, Ceccarelli, Hurley, Gladder, Newschwander, Jastad, Kopet, Humiston, Chatalas, Elicker, and Day:

Whereas, Grave concern has been widely expressed over the growth of the practice known as "dognapping," whereby pets are illegally seized and taken for medical use; and

Whereas, This inhumane practice can only be ended by the enactment of legislation which, of necessity, will involve animal pounds and the regulation thereof; and

Whereas, Such legislation requires careful study;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council undertake an analysis of this problem and practicable solutions thereto, emphasizing in particular the following aspects of possible legislation:

(1) Provision for proper inspection and certification of animal pounds authorized to retain the custody of animals held under the authority of any state or municipal statute or ordinance;

(2) Provision for inspection and certification of institutions using animals in the advancement of biological science; and

(3) Methods of regulating the use of animals for the diagnosis and treatment of human and animal diseases and the advancement of biological science.

Be It Further Resolved, That the Legislative Council report the results of its study and recommendations based thereon to the Forty-first Session of the Legislature.

On motion of Mr. Whetzel, the resolution was adopted.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Engrossed Substitute House Joint Resolution No. 29, having failed to receive the constitutional two-thirds majority, was declared lost.

EXPLANATIONS OF VOTE

I voted for this because tax reform in this state is probably the most urgent and long term need of government.

1. Without tax reform, all state services will be threatened this year or next year or five years from now—educational institutions, public assistance and others because of the present irrational and unresponsive tax system.

2. Without tax reform, the unfair regressive nature of our present system will become further imbedded so that the poor and modest income people will pay more than they should.

3. House Joint Resolution No. 29 is far from perfect. I am especially opposed to the "uniform rate" which is only partially graduated and therefore means that the poor and modest income group will bear a heavier burden than it should. However, this "uniform rate," while faulty, is a step toward a more equitable system which I am sure will come in the form of a graduated income tax in a few years.

4. Lastly, I voted for this tax because the vote will help to move the measure to the Senate where it can be considered by a body led by the Democratic Party which will hopefully change House Joint Resolution No. 29 more to my liking.

5. Basically, therefore, I am voting for this because, in my opinion, House Joint Resolution No. 29, with all its faults, is the best of the possible solutions to tax reform available to me as a legislator in this 40th session.

David G. Sprague,
37th District.

I voted for House Joint Resolution No. 29 because it provides the public with the opportunity to decide what kind of tax reform they want, or whether they want tax reform at all. The broadening of the tax base to include income is a proposal long advocated by Democrats and now finds compromise support among Republicans. Republicans now realize the state has top-heavy dependence upon sales and excise taxes which adversely affect border communities such as those in the 17th District. All taxes ultimately are paid out of income, so there is no real inconsistency in taxing income. The proposed single-rate tax in effect, has some graduation to it because of deductions and yet it will not be so likely to get out of hand as a progressive, steep graduated tax could. The May-Reese amendment also keeps it in check.

Harold S. Zimmerman,
17th District.

Engrossed Substitute House Bill No. 639, by Committee on Revenue and Taxation:

Providing for a single rate net income tax.

Engrossed Substitute House Bill No. 639 was read the third time and placed on final passage.

Debate ensued, Representatives Gorton, Holman, and Harris speaking in

favor of passage of the bill, and Representative O'Brien speaking against its passage.

Mr. Kink demanded an oral roll call and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 639, and the bill passed the House by the following vote: Yeas, 52; nays, 46; absent or not voting, 1.

Those voting yea were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hill, Hoggins, Holman, Humiston, Jueling, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, Newschwander, O'Dell, Reese, Richardson, Saling, Smythe, Spanton, Swayze, Wanamaker, Whetzel, Wolf, Mr. Speaker—52.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bagariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Copeland, Day, Gallagher, Garrett, Grant, Haussler, Heavey, Hubbard, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Thompson, Veroske, Walgren, Zimmerman—46.

Those absent or not voting were: Representative Taylor—1.

Engrossed Substitute House Bill No. 639, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATIONS OF VOTE

This bill embodied an increase of .3% sales tax to go into effect for an interim period until a 3.5% income and sales tax could go into effect as a tax reform package.

Smythe, O'Dell, and Zimmerman, in conjunction with others, attempted to amend the .3% increase out of the bill. Having no support we worked for a two-year delay in the effective date and contingent upon the failure of tax reform. This effort failed, too.

Being a strong advocate of tax reform and its relevancy to Substitute House Bill No. 639, and recognizing the .3% increase would not get past the Senate without amendment, Mr. O'Dell and I voted with a majority to pass the bill on to the Senate, get it into conference and see the .3% increase amended out.

Tax reform was not to be sacrificed for the sake of a "show" vote. Our continued opposition to any increase in sales tax is well-known by all.

Richard L. Smythe,
49th District.

Robert W. O'Dell,
17th District.

I voted against Substitute House Bill No. 639 because it boosts the sales tax to 4.5% this year. I believe it should not go into effect until January 1968, if the tax package does not pass the voters. In the meantime, the surplus should be placed to meet the current needs. I'm firmly in favor of the bill's proposals to reduce or use a lid on other taxes.

Harold S. Zimmerman,
17th District.

I am opposed to the increase in the sales tax at this time. However, it is obvious that this legislature despite the state's increase in income, will adopt what I feel is an excessive budget. Therefore, as a responsible Republican, I feel that in order to avoid future fiscal chaos, it is incumbent upon me to vote for an increase in the sales tax. Therefore, under protest and in order to avoid the unwise use of the state's surplus, I'm supporting this bill.

Keith J. Spanton,
15th District.

The bill was read the second time.

On motion of Mr. Adams, the committee amendments to page 1, section 2, line 14, and to page 1, section 2, line 17, were adopted.

Mr. Adams moved adoption of the committee amendment to page 1, section 2, line 18.

Debate ensued, Representative Adams speaking in favor of adoption of the amendment and Representative Grant speaking against its adoption.

POINT OF ORDER

The Speaker recognized Mr. Adams on a point of order.

Mr. Adams:

"Mr. Speaker, this one amendment involves both the employees of port districts and the schools, and it would require an amendment to this in order to divide this issue, or else you are going to put the port employees back in and they are taken care of in the other Senate bill."

The Speaker recognized Mr. Humiston.

Mr. Humiston:

"Mr. Speaker, I would like to call the attention of the reading clerk to the fact that there is an amendment on the desk which I believe will accomplish what Mr. Grant was suggesting."

Mr. Humiston moved adoption of the following amendment to the amendment:

Amend the amendment to page 1, section 2, line 18, by the Committee on Labor and Employment Security as follows: After "1967 regular session" strike ", and except as to any school district"

Representative Humiston spoke in favor of adoption of the amendment to the amendment.

YIELDING TO QUESTION

At the request of Mr. Heavey, Mr. Adams yielded to question.

Mr. Heavey:

"Dr. Adams, in the testimony before the committee—and I take it there was some testimony regarding this—what was the position of the noncertified employees? Did they want in or out?"

Mr. Adams:

"Well, I was going to speak against this amendment to the amendment, but I will answer your question first. We had some testimony there and a lot of correspondence. A lot of them want in and a lot want out. So I think you have to form your own judgment. I don't know what the percentage would be, but certainly there is a large group who want out, enough so that the committee felt they should be exempt, and that is why the committee submitted this amendment."

Debate ensued, Representative Heavey speaking in favor of adoption of the amendment to the amendment, and Representative Adams speaking against its adoption.

Mr. Leland demanded an electric roll call and the demand was sustained.

Further debate ensued, Representative McGavick speaking in favor of adoption of the amendment to the amendment.

At the request of Mr. Whetzel, the reading clerk reread the committee amendment to page 1, section 2, line 18, and the proposed amendment to the amendment by Representative Humiston.

YIELDING TO QUESTION

At the request of Mr. May, Mr. Adams yielded to question.

Mr. May:

"Dr. Adams, in the new section 6 it provides as follows:

"In the event the department elects to conduct an election to ascertain the exclusive bargaining representative, and upon the request of a prospective bargaining representative showing written proof of at least thirty percent representation of the public employees within the unit, the department shall hold an election . . ."

"This is protection for the group you are referring to and this is in all collective bargaining procedures. I think this takes care of these people. If they can't raise thirty percent, they are in trouble."

Mr. Adams:

"There is another amendment ahead of this for a new section which would say that the department would come in if invited. It wouldn't be required to come in unless invited. Maybe that doesn't change the problem, as far as you are concerned."

Mr. May:

"No, because it still takes thirty percent of the people to file for these elections. I think they are protected."

Further debate ensued, Representative Grant speaking in favor of adoption of the amendment to the amendment.

The Clerk called the roll on adoption of the amendment by Mr. Humiston to the committee amendment to page 1, section 2, line 18, of House Bill No. 483, and the motion was carried and the amendment to the amendment adopted by the following vote: Yeas, 61; nays, 34; absent or not voting, 4.

Those voting yea were: Representatives Anderson, Backstrom, Bagnariol, Barden, Beck, Bottiger, Brazier, Ceccarelli, Chatalas, Clark (Newman H.), Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Garrett, Gorton, Grant, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kiskaddon, Leckenby, Litchman, Lux, Lynch, Marsh, Marzano, May, McCormick, McGavick, Mer-

rill, Moon, Murray, O'Brien, Perry, Reese, Rosellini, Smith, Smythe, Sprague, Swayze, Thompson, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman—61.

Those voting nay were: Representatives Adams, Amen, Avey, Berentson, Bledsoe, Bluechel, Brouillet, Chapin, Charette, Clarke (George W.), Flanagan, Gladder, Goldsworthy, Harris, Hubbard, Juelling, Kirk, Kopet, Leland, Lewis, Mahaffey, McCaffree, McDougall, Morrison, Newhouse, Newschwander, O'Dell, Richardson, Saling, Sawyer, Sheridan, Spanton, Veroske, Mr. Speaker—34.

Those absent or not voting were: Representatives Bozarth, Clocksin, Gallagher, Taylor—4.

The Speaker declared the question before the House to be adoption of the committee amendment to page 1, section 2, line 18, as amended.

The committee amendment as amended was adopted.

On motion of Mr. Adams, the remaining committee amendments were adopted.

House Bill No. 483 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

House Bill No. 439, by Representatives Merrill, Wolf, and Chatalas (by departmental request):

Changing fees for examination, registration and renewal of licenses for public accountants.

MOTION

On motion of Mr. O'Brien, the House deferred further consideration of House Bill No. 439 and the bill was ordered placed at the end of today's second reading calendar.

House Bill No. 635, by Representatives Ceccarelli, Litchman, Lewis, Sprague, Holman, Chapin, and Elicker:

Regulating sale and distribution of wines.

MOTION

Mr. Charette moved that House Bill No. 635 be rereferred to the Committee on Revenue and Taxation.

Debate ensued, Representative Charette speaking in favor of the motion and Representative McDougall speaking against it.

POINT OF ORDER

The Speaker recognized Mr. Gorton on a point of order.

Mr. Gorton:

"Mr. Speaker, I am not particularly an expert on this bill. I think there is a great deal of merit in both what Mr. Charette and Mr. McDougall have said. Realistically, sending the bill to Revenue and Taxation this late in the session may mean its death. I wonder, Mr. Charette, if you would withdraw your motion and let us delay consideration of the bill until Monday. Of course, such a motion can't take precedence over yours, but if it were carried it would give the membership a better opportunity of deciding which it wants to do. Your same motion could again be made on Monday."

Further debate ensued, Representative Newhouse speaking in favor of the motion by Mr. Charette and Representative Wolf speaking against it.

YIELDING TO QUESTION

At the request of Mr. McCormick, Mr. Wolf yielded to question.

Mr. McCormick:

"Mr. Wolf, you made the statement that we talked to the tax commission. Will you please explain to the membership of the House who 'we' are?"

Mr. Wolf:

"We had a hearing on House Bill No. 635, at which time you were there, as the records show, and these things were brought up, about the possibility of a tax loss, by some of the members of my committee, including myself. I believe someone by the name of Ivan Kearns brought this point out and you added to it. Some of the others were very concerned. This, as you know, is the reason we drafted Substitute House Bill No. 635."

Mr. McCormick:

"Who is 'we'?"

Mr. Wolf:

"Lee Collins."

Mr. McCormick:

"Not in behalf of the committee."

Mr. Wolf:

"In behalf of the chairman of the committee that submitted it as a substitute bill."

YIELDING TO QUESTION

At the request of Mr. McCormick, Mr. Chatalas yielded to question.

Mr. McCormick:

"Mr. Chatalas, maybe you would like to explain what happened that morning in the Business and Professions?"

Mr. Chatalas:

"I would be more than happy to. We knew there was some amendment made to this bill. On the day the bill was to be considered, we went to the committee meeting and the chairman of the committee threw the substitute bill at us with several amendments to the original bill. He said, 'Here, fellows, this is the new bill. It is a good bill.' I said, 'Mr. Chairman, we haven't had a chance to see this.' 'Well,' he said, 'I distributed it yesterday to some of the other fellows.' I said, 'Did the members of the committee get it?' He said, 'No.' Well, this was the consideration of the bill in committee. I am kind of surprised at you, Mr. Wolf. You have been known to railroad a lot of bills out of your committee, but this was the champion of all."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Lewis on a point of parliamentary inquiry.

Mr. Lewis:

"Mr. Speaker, was Mr. Charette's motion relative to House Bill No. 635 or Substitute House Bill No. 635?"

The Speaker:

"Your point is well taken. We haven't made the substitution yet."

Mr. Lewis:

"Am I correct that we can vote for Mr. Charette's motion to rerefer House Bill No. 635 to Revenue and Taxation and then move to consider Substitute House Bill No. 635?"

The Speaker:

"No, I am afraid you couldn't do that."

MOTION

Mr. Wolf moved that Substitute House Bill No. 635 be substituted for House Bill No. 635 and that the substitute bill be placed on the calendar for second reading.

RULING BY THE SPEAKER

The Speaker:

"Mr. Wolf, I don't believe that a motion to substitute has precedence over Mr. Charette's motion. I would have to rule you out of order."

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Mr. Speaker, in order to be absolutely fair, if I withdraw my motion, would the Speaker allow me to make it again after the substitution was voted upon, so we could get it before the body?"

The Speaker:

"Yes, I would."

With the consent of the House, Mr. Charette withdrew his motion that House Bill No. 635 be rereferred to Committee on Revenue and Taxation.

MOTIONS

On motion of Mr. Wolf, Substitute House Bill No. 635 was substituted for House Bill No. 635 and the substitute bill was placed on the calendar for second reading.

Mr. Smith demanded the previous question and the demand was sustained on a rising vote.

The motion to refer Substitute House Bill No. 635 to Committee on Revenue and Taxation was lost on a rising vote.

MOTION

Mr. Bledsoe moved that the House defer further consideration of Substitute House Bill No. 635 and the bill be ordered placed on Monday's second reading calendar.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Charette on a point of parliamentary inquiry.

Mr. Charette:

"Mr. Speaker, I am vitally interested in this bill, and of all days, Monday is the one day I can't be present in the legislature. I would request, if Mr. Bledsoe would go along with me, that this be held for Tuesday's calendar. I think we will still be here Tuesday."

MOTION

Mr. Newhouse moved that the motion be amended and that Substitute House Bill No. 635 be ordered placed on Tuesday's second reading calendar in lieu of Monday's second reading calendar.

Mr. Litchman demanded an electric roll call and the demand was not sustained.

Representative Wolf spoke against adoption of the amendment to the motion.

The motion was carried and the amendment to the motion was adopted.

The Speaker declared the question before the House to be the motion of Mr. Bledsoe, as amended.

Corporations continuing to practice under this authority shall register annually as provided in RCW 18.04.290, as now or hereafter amended."

YIELDING TO QUESTION

At the request of Mr. Humiston, Mr. O'Brien yielded to question.

Mr. Humiston:

"Mr. O'Brien, the underlined new material in section 7 where a license would be issued for a corporation is somewhat different from most of our licensing acts where people have to take an examination. A corporation can't take an examination. I wonder just what this is and how it works out?"

Mr. O'Brien:

"Apparently when the accountancy act was originally passed, there were some corporations in the state of Washington in the accounting business, and this would permit them to continue if they pay the increased license fee pertaining to them. It doesn't permit new corporations to go under the practice of accounting. It just pertains to two or three existing corporations that have been practicing public accounting for many years. They were 'grandfathered' in when this act passed in 1949, but it does not permit a corporation to enter the practice of accounting."

YIELDING TO QUESTION

At the request of Mr. Gallagher, Mr. O'Brien yielded to question.

Mr. Gallagher:

"What effect will this have on licensing of public accountants who hold licenses at the present time?"

Mr. O'Brien:

"Absolutely no effect."

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. O'Brien yielded to question.

Mr. Perry:

"Would this allow an individual accountant to hire another person under his license?"

Mr. O'Brien:

"Yes, accountants hire other people."

Mr. Perry:

"I mean to do accounting work and circumvent the licensing act."

Mr. O'Brien:

"Well, an individual or firm could hire accountants who are not necessarily CPA's."

Mr. Perry:

"If you have an original license, is it a practice to hire other people to do the work at a lesser scale so that one license covers all the functions of the company?"

Mr. O'Brien:

"Yes. The purpose of the license is to license the firm and it can employ others to work for it, and in many instances the people who are employed aren't CPA's but are preparing to pass the examination."

At the request of Mrs. Hurley, Mr. Clarke (George W.) yielded to question.

Mrs. Hurley:

"Mr. Clarke, I noticed in the rewriting that this deletes in two places reference to free textbooks and replaces it in one instance. I wonder if there is a reason for this? Are the schools planning on not providing free textbooks for children anymore or planning to require them to pay for them?"

Mr. Clarke:

"Not that I know of, Mrs. Hurley. There are charges made for certain instructional material at various schools. I think that was the reason for the deletion. However, it is not anticipated it will have any practical effect in changing present methods. It is simply a modernization of the law."

Representatives Leland and Beck spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Bledsoe, Mr. Leland yielded to question.

Mr. Bledsoe:

"Representative Leland, there has been much discussion here dealing with impact, and as long as this is a use tax, can you give me some information regarding the impact on the average driver with the proposed increase we are discussing here today?"

Mr. Leland:

"Yes, I can, Representative Bledsoe. The seven and a half cents state gas tax that you presently pay costs the average motorist who drives ten thousand miles a year fifty-three dollars. This additional two cents would cost him an additional fourteen dollars a year."

Debate ensued, Representatives Leland, McDougall, Litchman, and Garrett speaking in favor of passage of the bill, and Representatives Gallagher and O'Brien speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Day, Mr. Leland yielded to question.

Mr. Day:

"Mr. Leland, would you explain if there is any change in the formula for cities and counties participating in this and just what it is?"

Mr. Leland:

"No, Mr. Day, there is not. That is what I was trying to portray when I originally started out and said we do not want to disturb the present program in any way, shape, or form and did not want to take any roads away from anybody because of the urban area need. If you read the bill, it would appear at face value that there has been a change in the amount of percentage that goes to the cities, but what we are doing, by putting that extra half cent into the pot first, the percentage the cities and counties will get will be absolutely identical to what they are now getting. There will be no loss whatsoever."

Mr. Day:

"Now, is that concerning the increase or the present tax?"

Mr. Leland:

"That is the present tax revenue today. On the increase, as I pointed out, the first half cent goes to state highways only, without regard to your urban areas or otherwise. The next cent and a half goes to finance two bond issues, each of two hundred million dollars. The first bond issue, which is financed by three-quarters of a cent is for state highways and urban areas. The second two hundred million dollar bond issue would go to counties and cities in the urban areas. There are twenty-eight in the state. Spokane happens to be one of them. That money would be distributed as the result of the activities of this county-city arterial board, which would put together the projects based on the criteria and regulations adopted. The main purpose of this bill is to have coordinated planning and construction of systems, so if you had a piece of highway that went through the county and into the city, that would be planned and

the money approved and built at the same time. If you had a project that would take, say, four years to build, when the project was approved the money to build it would be set aside, so that there would be no question that the money to complete the job would be there. That is part of the local control within this county-city arterials board."

YIELDING TO QUESTION

At the request of Mr. McCormick, Mr. Gallagher yielded to question.

Mr. McCormick:

"Mr. Gallagher, in 1961 we raised the gas tax one cent. What was the impact to that?"

Mr. Gallagher:

"There was no impact to the consumer at that time. Six-tenths of a cent on the gallon was absorbed by the oil companies and four-tenths by the dealers."

Further debate ensued, Representative Marsh speaking against passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Chapin, Mr. Beck yielded to question.

Mr. Chapin:

"Mr. Beck, did I understand you to say that one of the good things about this tax was the fact that the taxpayers pay in proportion to the services they receive?"

Mr. Beck:

"Yes, sir."

Mr. Chapin:

"I hope, Mr. Beck, you won't object if I remind you of this principle from time to time."

Further debate ensued, Representative Beck speaking in favor of passage of the bill.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 595, and the bill failed to pass the House by the following vote: Yeas, 46; nays, 51, absent or not voting, 2.

Those voting yea were: Representatives Adams, Barden, Beck, Berentson, Bledsoe, Bluechel, Bozarth, Ceccarelli, Chapin, Clark (Newman H.), Clarke (George W.), Cunningham, DeJarnatt, Elicker, Farr, Garrett, Goldsworthy, Gorton, Grant, Hawley, Hill, Hoggins, Holman, Humiston, Juelling, Kirk, Kiskaddon, Leckenby, Leland, Lewis, Litchman, Lux, Mahaffey, McCaffree, McGavick, Murray, Perry, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Mr. Speaker—46.

Those voting nay were: Representatives Amen, Anderson, Avey, Backstrom, Bagnariol, Brazier, Brouillet, Charette, Chatalas, Clocksin, Conner, Copeland, Day, Flanagan, Gallagher, Gladder, Harris, Haussler, Heavey, Hubbard, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kopet, Lynch, Marsh, Marzano, May, McCormick, McDougall, Merrill, Moon, Morrison, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Zimmerman—51.

Those absent or not voting were: Representatives Bottiger, Taylor—2.

Engrossed House Bill No. 595, having failed to receive the constitutional majority was declared lost.

EXPLANATION OF VOTE

I voted against a two cent per gallon increase in gasoline tax because it would make a three and one-half cent differential with Oregon. Our service station operators deserve some consideration to be able to compete. Secondly, the State of Washington not only loses the three cents per gallon when the motorist buys gasoline in Oregon but the State loses the other seven cents per gallon (a total of ten cents per gallon) plus it loses the sales tax and cigarette tax on the thousands of dollars of purchases made by the Washington shopper crossing the river into Oregon.

Harold S. Zimmerman,
17th District.

NOTICE OF RECONSIDERATION

Mr. McDougall served notice that, having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which Engrossed House Bill No. 595 had failed to pass the House.

If the city or town council determine that the city or town shall pay all interest on such bonds from its general revenues, the interest coupons attached to the bond shall recite that the interest thereby evidenced is payable from general revenues. If the city or town council determines that the city or town council shall pay a part of the interest on such bonds from its general revenues, the interest coupons representing interest payable from the general revenues of the city or town shall be denominated as "B" coupons and shall recite that the interest payable thereunder is payable from the general revenues of the city or town.

NEW SECTION. Sec. 3. There is added to chapter 7, Laws of 1965 and to chapter 35.45 RCW a new section to read as follows:

For the purpose of issuing bonds only, the governing body of any municipality may authorize the establishment of consolidated local improvement districts. The local improvements within such consolidated districts need not be adjoining, vicinal or neighboring. If the governing body orders the creation of such consolidated local improvement districts, the moneys received from the installment payment of the principal of and interest on assessments levied within original local assessment districts shall be deposited in a consolidated local improvement district bond redemption fund to be used to redeem outstanding consolidated local improvement district bonds."

Renumber "Sec. 2." as "Sec. 4."

In line 1 of the title after "to" and before "amending" strike "local improvement bonds;" and insert "cities and towns;"

In line 2 of the title after the semicolon and before "and" insert "adding new sections to chapter 7, Laws of 1965 and to chapter 35.45 RCW;"

YIELDING TO QUESTION

At the request of Mr. Cunningham, Mr. Bagnariol yielded to question.

Mr. Cunningham:

"Mr. Bagnariol, what would be the effect upon people who find themselves in the assigned risk pool?"

Mr. Bagnariol:

"It is very difficult, if not impossible, to answer that question. The people who find themselves in the assigned risk pool may be there for many reasons. They may have had four or five accidents or one or two. They may be eighteen years old or sixty years old. They may be there because of a drunk driving charge or some less serious violation. The assigned risk rate can go from fifty or sixty dollars a year up to six, seven, or eight hundred dollars a year."

Mr. Cunningham:

"What effect do you think this would have on the uninsured motorist situation we face today?"

Mr. Bagnariol:

"It would seem that the industry would be almost compelled to go into a fifteen-thirty situation for the uninsured motorist, which would raise the cost slightly for the average policyholder."

Mr. Cunningham:

"Do you feel there would be more uninsured motorists or not?"

Mr. Bagnariol:

"There would probably be a few more uninsured motorists of the least desirable type. If there were a raise of ten percent, it is going to cost them one hundred to one hundred ten dollars a year, and this type of person very possibly would be prone not to want to pay the additional cost."

Further debate ensued, Representatives Backstrom and Chapin speaking in favor of passage of the bill, and Representative Cunningham expressing doubts concerning the effect of the bill.

Mr. Gorton demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 152 as amended by the House, and the bill passed the House by the following vote: Yeas, 67; nays, 28; absent or not voting, 4.

Those voting nay were: Representatives Adams, Amen, Bagnariol, Bledsoe, Bozarth, Brazier, Clark (Newman H.), Clarke (George W.), Farr, Flanagan, Hoggins, Jueling, Kalich, Kirk, Leckenby, Leland, Mahaffey, McDougall, Merrill, Morrison, Newhouse, Newschwander, O'Dell, Reese, Span-ton, Swayze, Veroske, Zimmerman—28.

EXPLANATIONS OF VOTE

I voted for House Bill No. 152 with mixed emotions. This bill did not have a hearing in the Senate or the House of Representatives and we do not know how the people or the insurance industry feel about this matter. I believe in protecting the injured party but do not want to increase the number of uninsured motorists.

Norwood Cunningham,
30th District.

I voted "no" on Senate Bill No. 152, but the roll call machine did not record my vote.

Mark Litchman,
45th District.

I voted against this bill which will raise the costs of automobile financial responsibility insurance on those least able to pay it. If others wish more coverage they may purchase it, but I oppose automatic increases which, in effect, primarily help the insurance companies, not the consumer.

Harold S. Zimmerman,
17th District.

Engrossed Senate Bill No. 282, by Senators Herrman, Kupka, and Redmon:

Limiting amount of credit life insurance under a group policy.

Mr. Speaker:

House of Representatives,
Olympia, Wash., March 7, 1967.

We, a majority of your Committee on Financial Institutions and Insurance, to whom was referred **Senate Bill No. 282**, limiting amount of credit life insurance under a group policy, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

In section 1, line 10, after "less]" and before the period insert " , or twelve thousand five hundred dollars, whichever is less. Nor shall the amount repayable under the contract of indebtedness extend over a period in excess of seven years"

Robert W. O'Dell, Chairman,
Paul Barden, Vice Chairman.

We concur in this report: John Bagnariol, George W. Clarke, Vaughn Hubbard, Mrs. Joseph E. Hurley, Helmut L. Jueling, Jerry C. Kopet, Fred A. Veroske.

On motion of Mr. O'Dell, the committee amendment was not adopted.

Mr. Barden moved adoption of the following amendment:

In section 1, line 8 of the engrossed bill, after "creditor" strike the remainder of the section and insert ", or [ten] *twelve thousand five hundred* dollars, whichever is less. Nor shall the amount repayable under the contract of indebtedness extend over a period in excess of [five] *seven* years."

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Barden yielded to question.

Mr. Sprague:

"Mr. Barden, I am curious. The Senate apparently put in twenty-five thousand dollars and knocked out the five years. Is that correct?"

Mr. Barden:

"Yes, sir."

Mr. Sprague:

"Why did you put in twelve thousand five hundred dollars and seven years? Was there any particular reason?"

Mr. Barden:

"Yes, there is. It is a strictly technical problem. The law now says ten thousand dollars and a maximum of five years. The original intent of the Senate bill was to remove these restrictions, which have an extremely detrimental effect on the agricultural consumer. The House committee felt that due to the inflationary trend and increase of, for instance, installment credit buying of large items such as homes we should probably inflate the maximum amount from ten thousand to twelve thousand five hundred and the maximum amount of years from five to seven, because of the long duration to maturity of loans and also the increased amount of indebtedness."

Debate ensued, Representative Sprague speaking against adoption of the amendment, and Representatives Barden, Bagnariol, and O'Dell speaking in favor of its adoption.

YIELDING TO QUESTION

At the request of Mr. Heavey, Mr. O'Dell yielded to question.

Mr. Heavey:

"I am not asking this question one way or the other, but wouldn't it be more proper to put something in the law that says that credit life insurance couldn't be offered until the loan had been approved or rejected and also establish a rate schedule? Wouldn't this be a more effective way of handling the problem?"

Mr. O'Dell:

"It might be, and possibly will be if you would like to refer it back to my committee with those recommendations. We will certainly study it if it comes back."

MOTION

Mr. Sprague moved that Engrossed Senate Bill No. 282 be rereferred to Committee on Financial Institutions and Insurance.

Mr. Hill demanded an electric roll call and the demand was not sustained.

The motion was lost on a rising vote.

The Speaker (Mr. Copeland presiding) declared the question before the House to be the adoption of the amendment by Mr. Barden to Engrossed Senate Bill No. 282.

The motion was carried and the amendment was adopted.

On motion of Mr. O'Dell, the rules were suspended, Engrossed Senate Bill No. 282 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Chapin, Mr. Grant yielded to question.

Mr. Chapin:

"Mr. Grant, am I correct in understanding that there is a second amendment which restores, in part, this concept?"

Mr. Grant:

"You are correct."

Mr. Chapin:

"Would you care to describe that?"

Mr. Grant:

"The amendment that follows this one would provide that, in the event you have a vacancy occurring, the legislative district chairman would recommend to the county chairman a replacement. This does not mean that the county chairman would have to, of necessity, appoint the recommended precinct committeeman."

Mr. Chapin:

"Mr. Grant, am I correct in understanding that under the amendment that will follow, while the county chairman need not appoint the person recommended by the legislative district, he cannot appoint anyone who is not recommended by the legislative district or chairman?"

Mr. Grant:

"I think the amendment you prepared, Mr. Chapin, and that I agreed to, does say 'shall'."

Mr. Chapin:

"Is the answer to my question in the affirmative?"

Mr. Grant:

"Yes."

The motion was carried and the amendment was adopted.

On motion of Mr. Grant, the following amendment was adopted:

On page 2, section 2, line 20, after "appointment:" and before "Provided" insert "*Provided, However, That in legislative districts having a majority of its precincts in a class AA county, such appointment shall be made only upon the recommendation of the legislative district chairman.*"

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has passed: **Senate Joint Resolution No. 4**, and the same is herewith transmitted.

Ward Bowden, *Secretary*.

INTRODUCTION AND FIRST READING OF BILLS, MEMORIALS, AND RESOLUTIONS

The following were introduced, read first time by title, and acted upon as indicated:

House Bill No. 960, by Representatives Whetzel and Lux:

An Act relating to state and local government; and amending section 5, chapter, Laws of 1967 (SHB 37).

Mr. Whetzel moved that the rules be suspended, House Bill No. 960 be advanced to second reading and read the second time.

YIELDING TO QUESTION

At the request of Mr. O'Brien, Mr. Whetzel yielded to question.

Mr. O'Brien:

"Mr. Whetzel, what does this bill pertain to?"

Mr. Whetzel:

"Mr. O'Brien, this bill relates to Substitute House Bill No. 37 passed in the regular session. This is an amendatory provision to it providing for the appointment of members of the boundary review board. In the bill we set up a board in Class AA and A counties of eleven members, and we provided for a third of them to be appointed for terms expiring on certain dates. There is some confusion as to how you divide eleven by three and come out with an even number. Even the powerful slide rule of the governor could not come out with an even number, so we prepared this amendatory bill to take care of this problem. We would like to put it through and send it over to the Senate."

The motion was carried.

On motion of Mr. Whetzel, the rules were suspended, House Bill No. 960 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

MESSAGE FROM THE SENATE

Senate Chamber,
Olympia, Wash., March 21, 1967.

Mr. Speaker:

The Senate has passed: **Senate Bill No. 633**, and the same is herewith transmitted.

Ward Bowden, *Secretary*.

FIRST READING OF SENATE BILLS

The following was read the first time by title and acted upon as indicated:

Senate Bill No. 633, by Senators Greive, Bailey, Ryder, and Durkan:

An Act relating to the expenses and costs of the legislature including subsistence payments; making appropriations therefor; and declaring an emergency.

On motion of Mr. Copeland, the rules were suspended, Senate Bill No. 633 was advanced to second reading and read the second time.

On motion of Mr. Copeland, the rules were suspended, Senate Bill No. 633 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Copeland spoke in favor of passage of the bill.

PERSONAL PRIVILEGE

The Speaker recognized Mr. O'Brien on a point of personal privilege.

Mr. O'Brien:

"Mr. Speaker, ladies and gentlemen of the House, I think it is about time that the House of Representatives stop playing this game with the Senate on revenue measures, particularly this so-called constitutional reform embodied in House Joint Resolution No. 29, and settle down to culminating the work of this special session. You are here allowing enough money to last until April first. It just seems to me we are idling away our time, playing some kind of guessing game about who should pass what. The very important committee on the budget is sitting around, idling its time away and not doing anything, as far as I can tell. They can't reach any decision because somebody wants to know whether or not there are sixty-six votes to pass House Joint Resolution No. 29, and somebody else is concerned about the Senate action on the graduated net income tax, and all we are doing is spending the taxpayers' money and not accomplishing anything, to my knowledge. There is no definite leadership, no strong effort to resolve our problem. I don't know whether the governor of the state of Washington is involved in what you might call this 'hanky-panky' situation, but certainly as responsible legislators we should try to resolve this special session and come out with a budget that we can work on. We should resolve this matter of taxation one way or the other, rather than 'spinning our wheels' the way we have been doing here recently and not doing anything of a constructive nature. We should culminate the work of this special session and bring it to a head, so that the taxpayers of our state would at least come to some satisfactory feeling that we have done our work and not kept them in some sort of in-between state of affairs where they don't know what is happening. This is a matter of great conjecture to many people. I call upon the leadership of this House to meet with the leadership of the Senate and the governor to try to come to some definite conclusion one way or the other, in order that the work of the special session be resolved as expeditiously as possible."

YIELDING TO QUESTION

At the request of Mr. Gorton, Mr. Goldsworthy yielded to question.

Mr. Gorton:

"Mr. Goldsworthy, did the conference committee on the budget meet today?"

Mr. Goldsworthy:

"Representative Gorton, five of us met today, We were scheduled to meet today, but Senator Dore did not show up. We cannot conduct the business Mr. O'Brien is talking about unless all members of the conference committee are present."

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Speaking to Mr. O'Brien's remarks and for the legislative appropriation which I regret has to include money for a session through April first, as I had certainly hoped to finish the special session at least a week earlier, there are hard decisions that remain to be made in this legislature. The hardest decisions, of course, are those that relate to revenue and taxation. I think it is becoming abundantly clear to the members that even if Senator Dore should grace the conference committee with his presence it would be difficult, if not impossible, for them to come up with a resolution in the

province of the budget until the House and Senate are willing, together, to face up to a resolution of the problems of taxation. Now, the House has one very comprehensive tax reform program still before it. I deeply regret that we weren't able to handle that particular proposal today, but by the same token, the House last Friday passed an alternate, clearly the only possible alternate, to that program in increasing the sales tax. The Senate thus far has had no hearings, no meetings, no nothing, on that proposal. There has been no attempt to take it to a conference. Every member here knows that until there is a co-existent conference on taxes along with the conference on the budget, we just simply aren't going to get anywhere. If the minority leader were really interested in speed and in getting out of here above all else, he would permit his members to vote as they desire on House Joint Resolution No. 29, and we would find out whether or not we could get a sufficient number of votes for some form of tax reform. We have certainly seen an abortive and totally disastrous attempt on that particular matter over in the Senate this afternoon. I, too, am sorry that many members of the House wish to wait for the conclusion in the Senate before we come to a final conclusion here, but one thing or the other is going to happen—either we are going to pass a comprehensive tax reform or get something like the provisions of House Bill No. 639 which passed through here previously. We have the choice. We don't have the luxurious choice between millions of different alternatives. The choice is between the tax reform and the sales tax increase, and the sooner you will have us here resolve that choice, the sooner the Senate permits us to go to a conference committee on taxation, the sooner all the Senate members begin to show up for the conference committee on the budget, the sooner we will be able to finish our business in this session."

PERSONAL PRIVILEGE

The Speaker recognized Mr. Copeland on a point of personal privilege.

Mr. Copeland:

"Mr. Speaker, Mr. O'Brien almost impugned my motives. I want to clear up one thing. The leadership of the Democrats and the Republicans was convinced that we should appropriate enough money to take us through this Saturday in order to pay the help and the members; and acting upon my request the chief clerk and the assistant chief clerk put together a budget bill. I gave it to the secretary of the Senate and he started to prepare it. The only difference was that the Senate decided they wanted to have enough money to run through April first, though they were tickled to death to have the House appropriation run only to Saturday. It would have been a little bit difficult for us to pass a bill for another week's appropriation all by ourselves, so we just had to go along. I didn't necessarily approve this thing running through April first and Mr. O'Brien knows it. I am not trying to impede the progress of this House. In brief, Mr. O'Brien, you have far more influence in the Senate than I do. Why don't you go over there and tell them to get in gear?"

The Speaker recognized Mr. O'Brien:

Mr. O'Brien:

"Mr. Speaker, ladies and gentlemen of the House: Mr. Copeland, I don't want you to get the wrong impression that I was impugning your motives and implying you were a great, big spender in these large appropriation items. The only thought I had, and the point I was emphasizing, is the need for action and that this delaying on House Joint Resolution No. 29 from day to day waiting to get sixty-six votes and trying to second-guess the Senate and all this malarkey isn't conducive to good legislative practice. As far as this resolution is concerned, I think it is needful and has a great deal of merit. I am just emphasizing the need for more cooperation on both sides in trying to resolve the problem. We have heard that the big question is whether you have a sales tax increase or a so-called tax reform that is full of loopholes, but we seem to be going back and forth on this. I am just emphasizing the fact that we should get together and try to resolve our problems not only for the benefit of the legislators involved but for the people of the state of Washington, and forget the politics."

The Speaker declared the question before the House to be Senate Bill No. 633 on final passage.

The Clerk called the roll on the final passage of Senate Bill No. 633, and the bill passed the House by the following vote: Yeas, 95; nays, 4; absent or not voting, 0.

Those voting yea were: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—95.

Those voting nay were: Representatives Avey, Kalich, McCormick, Moon—4.

Senate Bill No. 633, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Swayze, the rules were suspended and authorization was given to add seventeen additional names as sponsors of House Concurrent Resolution No. 37.

House Concurrent Resolution No. 37, by Representatives Swayze, Cunningham, Bottiger, Marzano, Bluechel, Bledsoe, Copeland, Chapin, Day, Lux, Johnson, O'Brien, Farr, Harris, Perry, Hawley, McGavick, Smythe, Barden, and Kopet:

Creating a legislative council advisory committee on legislative ethics.

On motion of Mr. McDougall, the rules were suspended, House Concurrent Resolution No. 37 was advanced to second reading and read the second time.

On motion of Mr. McDougall, the rules were suspended, House Concurrent Resolution No. 37 was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

Debate ensued, Representative Swayze speaking in favor of passage of the resolution.

Mr. Bledsoe demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Clark (Newman H.), Mr. Swayze yielded to question.

Mr. Clark:

"During your comments on proposed House Concurrent Resolution No. 37, you made the remark that some bills introduced in the legislature have a price tag on them. Would you explain what you meant by that?"

Mr. Swayze:

"A large portion of House Concurrent Resolution No. 37 was taken from the concepts embodied in House Bill No. 255, which establishes the five-member board and authorizes them to open an office, to hire an executive director, to hire such clerical and secretarial staff and help as they may see fit to hire. That is the price tag to which I referred. There is no set dollar appropriation mentioned in this bill. I'm sure once that board was created and the bill made a permanent part of the code of this state, the cost of maintaining the office and the board would be substantial."

Further debate ensued, Representatives Heavey and Cunningham speaking in favor of the resolution.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Sawyze yielded to question.

Mr. Sprague:

"I think this is a very good idea and wish to join Mr. Heavey in congratulating those who sponsored it, but I do have a question. On page 2, lines 9 through 14, it says:

"That each member appointed by the executive committee of the legislative council shall within thirty days after his appointment sign and file an affidavit with the executive secretary of the legislative council that during his term of office he will not engage in any legislative activity designed to defeat or enhance the passage of any legislative bill or measure."

"It would seem to me, just offhand, that the one member of the Senate and one member of the House appointed to this seven-man group might have a little trouble with that. I was just curious about your reasoning on that."

Mr. Swayze:

"Representative Sprague, you will notice that the paragraph starts—and I should have mentioned this in my opening remarks—on line 9, ' . . . each member appointed by the executive committee of the legislative council shall within thirty days after his appointment sign and file an affidavit . . . ' while back on page one, the active member of the House and Senate are not the members appointed by the Legislative Council. Rather they are appointed by the President and Speaker respectively, so therefore it only applies to the five public members."

Mr. Sprague:

"Just in the event that this might not pass the Senate, has any consideration been given by your committee to the possibility of having this a House committee which I understand there is a precedent for on the other side of, as Mr. Heavey says, the 'gully.'"

Mr. Swayze:

"No, we did not consider that possibility."

Mr. Sprague:

"I might suggest that your committee do consider this possibility."

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Swayze yielded to question.

Mr. Lewis:

"Mr. Swayze, I'm curious to know why your committee considered on line 23 of page 1 that the fifth member should be a practicing attorney rather than just a member of the public at large."

Mr. Swayze:

"This, Mr. Lewis, was taken directly out of House Bill No. 255 and this was the recommendation of the Citizens Advisory Committee to the Interim Committee on Legislative Facilities and Operations."

Mr. Lewis:

"Could you tell us why they recommended it then?"

Mr. Swayze:

"I served on the Interim Committee on Facilities and Operations but not on the Citizens Advisory Committee which drew this bill, but I would assume the idea was that there should be a practicing attorney as well as a certified public accountant on the board because of the possibility of the investigative nature of some of their work. That's the only explanation I can give to that."

The Clerk called the roll on the final passage of House Concurrent Resolution No. 37, and the resolution passed the House by the following vote: Yeas, 97; nays, 0; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—97.

Those absent or not voting were: Representatives Conner and Sawyer—2.

House Concurrent Resolution No. 37, having received the constitutional majority, was declared passed.

RESOLUTIONS

House Resolution No. 67-58, by Representatives Whetzel, McGavick, and Garrett:

Whereas, Suburban unincorporated areas often have a high community of interest in and with the city to which they are adjacent; and

Whereas, The existing annexation methods are often slow, costly and cumbersome; and

Whereas, A simple annexation method is needed for those instances where an annexation election is unnecessary in view of the general support given to the annexation by a majority of the persons resident in the adjacent areas;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council be requested to make a study of the existing annexation methods and possible additional methods of annexation;

Be It Further Resolved, That the Legislative Council report on the results of the study and any proposed legislation to the Forty-first Legislature.

On motion of Mr. Whetzel, the resolution was adopted.

House Resolution No. 67-59, by Representatives McDougall, Flanagan, Bledsoe, Haussler, and Bozarth:

Whereas, The Committee on Public Works of the United States Senate adopted on September 9, 1963, a resolution requesting the Board of Engineers for Rivers and Harbors to review the report of the Chief of Engineers on the Columbia River and tributaries, published as House Document No. 403, 76th Congress, 2nd Session; and

Whereas, The above-mentioned resolution requests the Corps of Engineers to determine whether the extension of navigation from the pool of McNary Dam through Rock Island Dam on the Columbia River, Washington is feasible; and

Whereas, The proposed extension of navigation on the upper Columbia River above McNary pool is essential to the economic and industrial growth and prosperity of the immediate area affected and to the Pacific Northwest in general, and to the full and comprehensive development of our water resources; and

Whereas, This extension would have great benefit in providing a comprehensive system of transportation where all forms of transport are available to the shipping public for the movement of its commodities;

Now, Therefore, Be It Resolved, By the House of Representatives, That we do hereby support the extension of navigation on the upper Columbia River as an important link in providing the state with full and complete transportation service;

And Be It Further Resolved, That copies of this resolution be immediately transmitted to the Honorable Lyndon B. Johnson, President of the United States; the President of the United States Senate; the Speaker of the House of Representatives; and to each member of Congress from the State of Washington.

On motion of Mr. McDougall, the resolution was adopted.

Mr. Juelsing demanded an electric roll call and the demand was not sustained.

Those voting yea were: Representatives Anderson, Backstrom, Bagnariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Day, DeJarnatt, Elicker, Gallagher, Grant, Haussler, Heavey, Jastad, Johnson, Jolly, King, Lux, Marsh, Marzano, McCormick, Merrill, Moon, O'Brien, Perry, Rosellini, Sheridan, Sprague, Taylor, Thompson, Walgren, Wanamaker—37.

Those absent or not voting were: Representatives Goldsworthy and Sawyer—2.

YIELDING TO QUESTION

At the request of Mr. Humiston, Mr. Beck yielded to question.

Mr. Humiston:

"As I understand it, House Joint Resolution No. 28 is identical to Senate Joint Resolution No. 24. Is that correct?"

Mr. Beck:

"You were one of the co-sponsors of House Joint Resolution No. 28 and you were the chairman of that committee. We did not have a hearing on it in your committee."

Mr. Humiston:

"Mr. Beck, if you would please look in your legislative record, you will find it was not referred to my committee. Consequently we didn't hold a hearing on it in my committee."

Mr. Kink demanded a call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present.

On motion of Mr. McDougall, the House proceeded with business under the call of the House.

SECOND READING OF BILLS

The House resumed consideration of Substitute House Bill No. 635 on second reading.

Substitute House Bill No. 635, by Committee on Business and Professions: Regulating sale and distribution of wines.

The substitute bill was read the second time.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Day on a point of parliamentary inquiry.

Mr. Day:

"It would appear that this bill encompasses a number of subjects—manufacturing, taxation and even importation. In addition it expands the activities of the Liquor Control Board. Now it would appear to me that this bill violates the constitutional provision of one subject in one bill. If you will notice, Mr. Speaker, it doesn't amend a present statute, it adds new sections concerning some of these subjects."

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The Speaker:

"Mr. Day, until I am appointed to the State Supreme Court, I think I wouldn't be able to rule on that particular question."

Mr. Chatalas moved adoption of the following amendment:

On page 3, section 3, line 5, after "wines" strike everything down to and including "However," on line 7 and insert "*manufactured or produced in domestic wineries and sold to retail licensees within the state a tax of twenty-five cents per wine gallon: Provided However, That there is hereby imposed upon all wines imported by licensed wine importers for the purpose of resale within the state a tax of one dollar and twenty-five cents per wine gallon: Provided, Further,*

Debate ensued, Representative Chatalas speaking in favor of adoption of the amendment.

Mr. Cunningham demanded an electric roll call, and the demand was sustained.

Further debate ensued, Representatives Day, Chatalas, Conner, and McCormick speaking in favor of adoption of the amendment, and Representatives Wolf, Newhouse, McDougall and Leckenby speaking against its adoption.

The Clerk called the roll, and the motion was lost and the amendment not adopted by the following vote: Yeas, 48; nays, 51; absent or not voting, 0.

Those voting yea were: Representatives Anderson, Avey, Backstrom, Beck, Bledsoe, Bottiger, Bozarth, Brazier, Brouillet, Charette, Chatalas, Clocksin, Conner, Day, Gallagher, Garrett, Goldsworthy, Grant, Harris, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Leland, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, Merrill, Moon, Morrison, Newhouse, O'Brien, O'Dell, Perry, Richardson, Sawyer, Sheridan, Spanton, Taylor, Walgren—48.

Those voting nay were: Representatives Adams, Amen, Bagnariol, Barden, Berentson, Bluechel, Ceccarelli, Chapin, Clark (Newman H.), Clarke (George W.), Copeland, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Gorton, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Jueling, Kirk, Kiskaddon, Kopet, Leckenby, Lewis, Litchman, Lux, McDougall, McGavick, Murray, Newschwander, Reese, Rosellini, Saling, Smith, Smythe, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—51.

Mr. Newhouse moved adoption of the following amendment:

On page 6, following section 8, add a new section as follows:

"NEW SECTION. Sec. 9. There is added to chapter 62, Laws of 1933 extraordinary session and to chapter 66.24 RCW a new chapter to read as follows:

No wine, domestic or imported, shall be sold within the state unless it is the product of the normal alcoholic fermentation of clean, sound, whole, ripe and commercially saleable fruits, free from any visible spray residue, which fruits may be either fresh or frozen: *Provided, However,* That such wine may also be manufactured or produced from fruit products consisting of juices and/or concentrates derived from fruits as hereinabove specified: *Provided Further,* That nothing herein contained shall prevent the sale of wine, domestic or imported, having wine spirits added on the winery premises in accordance with federal law or regulations or in accordance with Washington state law or regulations. All fruits or fruit products used to produce wine sold in this state may be inspected by the department of agriculture."

Remember the remaining sections consecutively.

Debate ensued, Representative Newhouse speaking in favor of adoption of the amendment and Representative Ceccarelli speaking against its adoption.

Mr. Reese demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. Newhouse yielded to question.

Mr. Perry:

"Is my understanding correct that if this act passes, our wineries will still be forced to use No. 1 fruit and the wine that will come into the state could possibly be made with inferior grapes?"

Mr. Newhouse:

"I would say that would be almost entirely true, Mr. Perry. It would be possible under the new law for Washington wineries to import junk fruit in the form of juice. As it is now, it is not possible."

Further debate ensued, Representatives Newhouse and Perry speaking in favor of adoption of the amendment.

YIELDING TO QUESTION

Mr. Saling:

"Mr. Speaker, will Mr. Smith yield to question?"

The Speaker:

"Mr. Smith, will you yield?"

Mr. Smith:

"No."

At the request of Mr. Saling, Mr. Jueling yielded to question.

Mr. Saling:

"Mr. Jueling, I wonder if you could tell me for what purpose Mr. Smith could be taking tape recordings of the discussion with the tape recorder under his desk, and if he has any direct interest in the wine business?"

Mr. Jueling:

"Well, the amendments are making me intoxicated and I'm afraid that perhaps Mr. Smith might use them in the future for the same purpose."

Further debate ensued, Mr. Litchman speaking against adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Newhouse yielded to a question.

Mr. Adams:

"I have the impression that we are getting mixed up with the different qualities and grades of wine. If your amendment went through, wouldn't California still be able to ship to Washington their better grades of wines that are made under the conditions which meet the qualifications that the Washington wine now has to meet? That's the number one question."

Mr. Newhouse:

"Yes, California could continue to sell and export to us their better wines, but they would also be able to send us some wines that are now kept out by Liquor Board regulations, some of the lower, junkier wines."

Mr. Adams:

"The next question is, as I interpret it, your amendment merely keeps out the very cheap grades of wine of the type that might be used on skidroad?"

Mr. Newhouse:

"It would have that effect, under supervision by the Department of Agriculture."

Further debate ensued, Representative Chatalas speaking for adoption of the amendment.

Mr. Newschwander demanded the previous question and the demand was sustained.

The Clerk called the roll, and the motion was carried and the amendment by Mr. Newhouse adopted by the following vote: Yeas, 68; nays, 31; absent or not voting, 0.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Beck, Bledsoe, Bottiger, Bozarth, Brazier, Brouillet, Charette, Chatalas, Clarke (George W.), Clocksin, Conner, Copeland, Day, Farr, Gallagher, Garrett, Gladder, Goldsworthy, Grant, Harris, Hawley, Hill, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jolly, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leland, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCor-mick, McGavick, Merrill, Moon, Morrison, Newhouse, Newschwander, Perry,

Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Spanton, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Zimmerman—68.

Those voting nay were: Representatives Bagnariol, Barden, Berentson, Bluechel, Ceccarelli, Chapin, Clark (Newman H.), Cunningham, DeJarnatt, Elicker, Flanagan, Gorton, Haussler, Heavey, Holman, Humiston, Jueling, King, Leckenby, Lewis, Litchman, Lux, McDougall, Murray, O'Brien, O'Dell, Smythe, Sprague, Whetzel, Wolf, Mr. Speaker—31.

Mr. McCormick moved adoption of the following amendment:

On page 9, following section 11, insert a new section as follows:

"NEW SECTION. Sec. 12. The minimum markup on wine by a wine wholesaler or wine importer shall be twenty-five percent of the acquisition cost. The minimum markup by a wine retailer shall be thirty percent of the acquisition cost."

Re-number the remaining section accordingly.

Debate ensued, Representative McCormick speaking in favor of adoption of the amendment and Representative Wolf speaking against it.

YIELDING TO QUESTION

At the request of Mr. McCormick, Mr. Wolf yielded to question.

Mr. McCormick:

"You are not concerned about the wine industry? To be very frank with you, there is nothing to stop Safeway from buying a distributorship. Is that correct?"

Mr. Wolf:

"Yes, there is."

Mr. McCormick:

"What is it?"

Mr. Wolf:

"The fact that in the state of Washington you can't invest in a secondary distributorship from which you receive wine. You can do it with peas or milk or ice cream, but under the regulations of the Liquor Board, you cannot do it in this case."

Mr. McCormick:

"But doesn't Safeway have their own bakeries and dairies? I also recall that when the food dealers were down here fighting trading stamps, Safeway was quiet, because they had their own trading stamp company. There is nothing to stop these people. They will come in somehow and end up being their own distributors."

Mr. Wolf:

"I trust that was a question. In effect, trading stamps add to the cost of doing business. But price fixing is a completely different thing, Mr. McCormick, I have great respect for the Liquor Control Board and its ability to withstand all pressures. They do a tremendous job of regulation, but if you add this amendment you are really fixing prices. With Mr. Newhouse's amendment we are beautiful as far as full control of cheap wines is concerned. We're in a perfect position of doing what we believe the free enterprise system is asking for, and that's freedom of choice on where they buy their wines."

Further debate ensued, Representative McCormick speaking in favor of adoption of the amendment.

Mr. Bledsoe demanded the previous question.

Mr. Kink demanded an electric roll call and the demand was sustained.

The Clerk called the roll and the demand for the previous question was sustained by the following vote: Yeas, 97; nays, 2; absent or not voting, 0.

Those voting yea were: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (New-

man H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Juelling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—97.

Those voting nay were: Representatives Avey, Grant—2.

The Speaker declared the question before the House to be adoption of the amendment by Mr. McCormick to Substitute House Bill No. 635.

Mr. Kink demanded an electric roll call and the demand was sustained.

The Clerk called the roll and the motion was lost and the amendment not adopted by the following vote: Yeas, 17; nays 82; absent or not voting, 0.

Those voting yea were: Representatives Anderson, Charette, Chatalas, Conner, Gallagher, Grant, Heavey, Johnson, Jolly, Kink, Marzano, May, McCormick, Saling, Sheridan, Taylor, Walgren—17.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to advance Engrossed Substitute House Bill No. 635 to third reading and final passage, and the motion was lost by the following vote: Yeas, 58; nays, 41; absent or not voting, 0.

FOURTEENTH DAY

MORNING SESSION

House of Representatives,
Olympia, Wash., Thursday, March 23, 1967.

The Speaker called the House to order at 11:00 a.m.

The Clerk called the roll and all members were present.

The flag was escorted to the rostrum by a Sergeant at Arms color guard.

Prayer was offered by the Reverend David Carlson of the Assembly of God Church of Olympia.

The reading clerk proceeded to read the journal of the proceedings of the previous day. On motion of Mr. McDougall, further reading was dispensed with and the journal was ordered to stand approved.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House, representing the Four-Year College Committee, Miss Thurston County, Linda Kohout, Mr. Volney Gaudette, president of the Olympia Chamber of Commerce, and Mr. George Prescott, manager of the Olympia Chamber of Commerce, and appointed Representatives Wolf, Kalich, and Lux to escort them to places on the rostrum.

The Speaker:

"It is my pleasure at this time to present to the House of Representatives Miss Thurston County, Linda Kohout."

Miss Thurston County:

"Thank you, Mr. Speaker. As Miss Thurston County, I would like to present you with a certificate on behalf of the college bill."

The Speaker:

"Thank you very much. It is my pleasure now to present the Olympia Chamber of Commerce manager, George Prescott."

Mr. Prescott:

"Mr. Speaker, ladies and gentlemen of the House, thank you for these very few brief minutes which we will take. We regret that all of the members of the Four-Year College Committee are not here and that we do not have Dr. Garrett Heyns to preside. He is a most articulate gentleman, much better than this one. But today we did want to tell you of two things: One is that our own representatives, along with our Four-Year College Committee, have prepared parchments, the first of which was presented to the Speaker. We hope that you will all take them home with you as a reminder that you have done something far above the ordinary during this session of the legislature. This parchment, which we want each one of you to have is made out to you and reads:

"Washington State College at Olympia

To All to Whom These Letters Shall Come, Greeting:

The Officers of the Southwest Washington State College Committee, on recommendation of the Board of Directors and by virtue of the authority vested in them, have this day admitted

Speaker of the House
Don Eldridge
in the honorary
degree of

Doctorate of Legislative Arts

and have granted all the Rights, Privileges and Honors thereto pertaining; and have certified that he (she) was a member of the historic 40th Washington Legislature which authorized a State College in Thurston County, the first such institution so authorized since Territorial Days.

Given at Olympia, in the State of Washington, this twenty-third day of March, in the Year of Our Lord One Thousand Nine Hundred and Sixty-Seven.
Washington State College, Olympia, 1967.

Garrett Heyns,
President of the Committee."

"Secondly, we would advise you that there is nearly three thousand dollars remaining in the fund from which we printed this material which will go into a permanent scholarship for some young person. This scholarship will be in the name of all the members of this fortieth legislature, as well as all of the people of Thurston county, and it has been most gratifying in the last several days to find that many organizations here in our county have voluntarily called to say they want to join in this scholarship on an annual basis to insure its continuing success.

"So we hope, Mr. Speaker, that the pages will distribute these pieces of parchment and we in Thurston county hope that you ladies and gentlemen will take them home and put them someplace where they will be a daily reminder that you have contributed a great deal to the youth of tomorrow."

The Speaker:

"Thank you, Mr. Prescott. Certainly, we in the legislature and you who represent Thurston county recognize the great project that is in store for all of us here in the capitol city, and we wish you the best of luck and thank you for your recognition. The members, I am sure, will cherish these scrolls as something to remind them of this great event in the state of Washington."

The Speaker instructed the special committee to conduct the guests of honor to the rear of the chamber.

RESOLUTIONS

House Resolution No. 67-60, by Representatives Jastad, Day, and Charette:

Whereas, The State of Washington, being one of the larger states in terms of area, with a consequent lack of urban centers in many portions of the State, places upon administrative departments of the State a special problem in carrying out their responsibilities; and

Whereas, Nowhere is this problem more evident than in the field of unemployment compensation, when persons presently unemployed and attempting to provide for themselves and their families upon a bare minimum stipend, are being forced to expend money driving many miles from their residences in order to obtain their unemployment compensation; and

Whereas, This situation is especially unfortunate in seasonable labor such as lumbering; as an example, some one thousand workers are being forced to travel from Morton, Randle and Packwood to Centralia to claim their unemployment compensation because the Department of Employment Security presently refuses to send two people into either of these three towns on any day during the week; thus a burden is placed upon one thousand already oppressed persons because of departmental laxity easily remedied through an appearance of two persons for one day in either of the aforementioned towns;

Now, Therefore, Be It Resolved, By this House of Representatives, That the Department of Employment Security be and hereby is directed to take immediate steps to alleviate situations such as referred to above in this House Resolution, thus enabling the unemployed to receive their unemployment compensation in the easiest manner practicable; and that the department bear in mind that part of the preamble to the employment security act referring to those "unemployed through no fault of their own" and which sets forth the legislative direction that such act shall be liberally construed to the end that "the suffering caused thereby (be reduced) to the minimum";

And Be It Further Resolved, That a copy of this House Resolution be sent by the Clerk of the House of Representatives to the Commissioner of the Department of Employment Security.

Mr. Jastad moved adoption of the resolution.

The motion was lost and the resolution was not adopted.

House Resolution No. 67-61, by Representative Backstrom:

Whereas, At the present time there is no means for the legislature adequately to determine whether the salary levels of employees exempt from merit system rules in elective, judicial, and legislative agencies are adequate and comparable with salaries of state employees under the jurisdiction of the State Personnel Board; and

Whereas, There is a need for this type of information in order for the legislature to make sound determinations concerning salary appropriation levels for the above-named exempt employees; and

Whereas, This has become an object of interest to many legislators and a matter of considerable concern to the employees involved; and

Whereas, There is a need for comparative salary information to be developed and transmitted to the legislature, together with a format describing the duties and responsibilities of the above-named employees;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Budget Committee is requested to undertake a study during the 1967-1969 biennium concerning the adequacy of salary schedules and the possibility of developing job classification descriptions for exempt employees in elective offices, and judicial and legislative agencies, and to report its findings and conclusions in the form of recommendations for consideration by the Forty-first Legislature; and

Be It Further Resolved, That a copy of the report of the Legislative Budget Committee be transmitted to all legislators prior to the convening of the Forty-first Legislative Session; and

Be It Further Resolved, That the House requests that all elective, judicial, and legislative officials shall cooperate in every manner and form with the Legislative Budget Committee during the course of its study.

Mr. Kopet moved adoption of the resolution.

Representatives Kopet and Backstrom spoke in favor of adoption of the resolution.

The motion carried and the resolution was adopted.

SECOND READING OF BILLS

Providing appropriations and reappropriations for highway purposes.

MOTION

On motion of Mr. Leland, Substitute House Bill No. 713 was substituted for House Bill No. 713, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 713 was read the second time.

Mr. Sprague moved adoption of the following amendment by Representatives Sprague and Cunningham:

On page 1, section 1, line 12, after "1969" and before the period insert ": Provided, That none of this appropriation or other funds shall be allotted or used for general salaried increases based upon salary survey studies at any time prior to or in any increment percentage greater than that granted during the biennium to employees of departments or agencies as fixed by the budget director"

Representatives Sprague, Cunningham, and Leland spoke in favor of adoption of the amendment.

The motion was carried and the amendment was adopted.

Substitute House Bill No. 713 was ordered engrossed.

On motion of Mr. McDougall, the rules were suspended, Engrossed Substitute House Bill No. 713 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Leland spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Leland yielded to question.

Mr. Moon:

"Mr. Leland, was this budget prepared on a seven-cent gas tax or on an anticipated increase?"

Mr. Leland:

"I am glad you asked that question, Representative Moon. This budget is put together entirely on the basis of present revenue without any gas tax increase, plus the thirty million dollar bond issue, which we have passed before in every session. We will have that before us later on this calendar in a Senate bill, and this thirty million

dollars is required to make this budget solvent. As far as any other gas tax or users fees are concerned, they are not involved."

Debate ensued, Representative Leckenby discussing the necessity for legislative controls in the operation of the highway department.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Sprague yielded to question.

Mr. McGavick:

"Mr. Sprague, is there money applied for in this budget for the third Lake Washington bridge and the approaches thereto?"

Mr. Sprague:

"Yes, there is. Depending on how you figure it, there is twenty or twenty-five million in state funds in this for the third Lake Washington bridge, that being roughly ten percent of the total project."

Mr. McGavick:

"In the money provided in planning for these bridges, are there rapid transit lanes now being provided? Will there be lanes which can be used for rapid transit?"

Mr. Sprague:

"That is a good question. At the present time there are two lanes which the city of Seattle wants and which many who want fast transit across the lake want, which are in the planning of the eight lanes. However, we are told that they cannot be dedicated, and there is a real problem about this, because the feeling is that if they are not dedicated and if they are once given over to automobile traffic, they will not be able to be brought back to carry people by rapid transit."

Mr. McGavick:

"One last question. Are you satisfied that this highway budget takes proper cognizance of the overall planning for rapid transit in the future?"

Mr. Sprague:

"That is a very good question. No, I am not at all satisfied that this highway budget takes cognizance of not only transportation matters which involve mass transit but also land use and the population needs and so on. In my district alone, a population equivalent to one-half of Mercer Island will be displaced by the third Lake Washington bridge and the R. H. Thomson freeway."

Further debate ensued, Representative Lewis speaking in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Leland yielded to question.

Mr. Smith:

"Mr. Leland, in connection with this budget that we have presented here, do you have knowledge of approximately when the people will begin to leave their homes which are in the way of the third Lake Washington bridge on the west side?"

Mr. Leland:

"It is true there are funds in this budget to make a start upon the construction of the third bridge. These are principally federal interstate funds. It is being done, as I think you know, jointly with state and federal money. Now, as far as the displacement you speak of is concerned, I think there will be a rather lengthy amount of time. I would think they would be lucky if they got the right of way in a period of over two years. I would say that it would be a pretty safe bet that the majority of people in your district that might be concerned about this would have a minimum of two years."

Mr. Smith:

"In other words, in your judgment it would be perhaps 1970 before that would begin?"

Mr. Leland:

"I think you understand that some people find the offer made by the department perfectly acceptable and with other people there is a difference of opinion and the matter has to go to court to determine what the price should be. I would say that certainly there will be many people who voluntarily agree and are satisfied with the offers made to them, and in these cases the matter will be resolved in the next two years. I suspect that the condemnation of others will extend over a prolonged period of time."

Mr. Smith:

"What I was trying to find out for sure is whether the plans are definite and final. There is no revocation at this point?"

Mr. Leland:

"I think I can say without equivocation that the plans are definite."

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 713, and the bill passed the House by the following vote: Yeas, 96; nays, 2; absent or not voting, 1.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Waigren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—96.

Those voting nay were: Representatives Hurley, Moon—2.

Those absent or not voting were: Representative Mahaffey—1.

Engrossed Substitute House Bill No. 713, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

YIELDING TO QUESTION

At the request of Mr. Beck, Mr. Lewis yielded to question.

Mr. Beck:

"Mr. Lewis, you elaborated at great length about the cost of the ferry system and said that next week we would have in front of us a bill that would cut down some of the costs of this operation by building some feeder bridges. I wholeheartedly concur with that. Do you think it would cut it down even more if we were to solve that cross-sound transportation problem completely by building a bridge all the way across the sound?"

Mr. Lewis:

"I don't know the answer to that, Mr. Beck, because that involves a great many factors—that I think you know about, and as a sponsor of the bill to build a bridge across the sound, I am sure you know I am heartily in favor of building the bridge across the sound, but to compare the relative merits of the two at this time is something I don't think I could do."

NOTICE OF RECONSIDERATION

Mr. Day served notice that having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which House Resolution No. 67-60 failed to pass the House.

House Bill No. 762, by Representatives Humiston, Backstrom, and Smythe:
Implementing law relating to county and joint county-city hospitals.

House of Representatives,
Olympia, Wash., March 15, 1967.

Mr. Speaker:

We, a majority of your Committee on Public Health and Welfare, to whom was referred House Bill No. 762, implementing law relating to county and joint county-city

hospitals, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Strike all of section 1 and substitute the following:

"NEW SECTION. Section 1. There is added to chapter 4, Laws of 1963 and to chapter 36.62 RCW a new section to read as follows:

Whenever any county, or any county and city jointly, or two or more counties jointly, establish a hospital of two hundred or more beds, under the provisions of this chapter, the board of trustees of the hospital is empowered, with the approval of the board of county commissioners, to enter into a contract with the board of regents of a state university to provide hospital services, including management under the direction of a hospital administrator for the hospital, to provide for the rendering of medical services in connection with the hospital and to provide for the conduct of teaching and research activities by the university in connection with the hospital. Any such board of regents is empowered to enter into such a contract, to provide such hospital services, and to provide for the rendition of such medical services and for the carrying on of teaching and research in connection with such a hospital. If such a contract is entered into, the provisions of RCW sections 36.62.210, 36.62.220 and 36.62.230 shall not be applicable during the term of the contract and all of the powers, duties and functions vested in the superintendent or the general superintendent in chapter 36.62 RCW shall be vested in the board of trustees. The board of trustees shall provide for such conditions and controls in the contract as it shall deem to be in the community interest.

Sec. 2. Section 36.62.110, chapter 4, Laws of 1963 and RCW 36.62.110 are each amended to read as follows:

Whenever any county, or any county and city jointly, or two or more counties jointly, establish a hospital of two hundred [,] or more [,] beds, for the care of the sick, injured, or infirm, under the provisions of this chapter, and such hospital is completed and ready for operation, the board of county commissioners of the county in which the institution is located shall appoint as trustees for the institution six secular persons, two to be from each county commissioner district, nominated by the county commissioner elected from each such district. The six trustees, together with the additional trustees, if any, and the general superintendent, *if any*, shall constitute a board of trustees for such hospital.

Sec. 3. Section 36.62.252, chapter 4, Laws of 1963 and RCW 36.62.252 are each amended to read as follows:

Every county which maintains a county hospital shall establish a "county hospital fund" into which fund shall be deposited *all* moneys received from any source for hospital services [care including funds from the state department of public assistance to cover the total cost of providing medical care] *including money received for services to recipients of public assistance and other persons without income and resources sufficient to secure such services* [them who are assigned by the department of public assistance to county hospital for treatment]. Obligations incurred from such hospitalization shall be paid from the fund by the county treasurer in the same manner as general county obligations are paid. The county auditor shall furnish to the board of county commissioners [and the state department of public assistance] a monthly report of receipts and disbursements in the county hospital fund which report shall also show the balance of cash on hand.

NEW SECTION. Sec. 4. This act shall take effect on July 1, 1967."

Strike all of the title and substitute the following:

"An Act relating to the public health; authorizing the boards of trustees of certain county hospitals to enter into service contracts with state universities; adding a new section to chapter 4, Laws of 1963 and to chapter 36.62 RCW; amending section 36.62.110, chapter 4, Laws of 1963 and RCW 36.62.110; amending section 36.62.252, chapter 4, Laws of 1963 and RCW 36.62.252; and establishing an effective date."

The bill was read the second time.

Mr. Humiston moved adoption of the committee amendment.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Humiston yielded to question.

Mr. Smith:

"Dr. Humiston, I have two questions. In the first place, I don't believe you explained to us exactly what the amendment does."

Mr. Humiston:

"I will take that question and then if you have another one I will take it. What this does is authorize a county hospital to enter into a contract with a state university (which we may properly interpret as the King County Hospital and the University of Washington) through its medical school to furnish the administration of a county hospital."

Mr. Smith:

"The second question, Dr. Humiston, is in connection with the relationship of the indigent patients and the operation of the county hospitals. Is that maintained? Does this disturb them in any way?"

Mr. Humiston:

"Mr. Smith, a quick answer to your question is that it would not. Let me elaborate a little. Whenever we get an amendment to a whole chapter such as we have here, the only part that gets printed in the bill is the part affected by the amendment. I would like to point out this very important first sentence in RCW 32.62.100, which is not being amended. It reads as follows and still stands as law:

"Patients shall be admitted to such hospitals in accordance with the rules to be established by the board of county commissioners, but such rules shall provide that preference in the admission of patients shall be given to those unable to pay for their care in private institutions."

"Does that answer your question, Mr. Smith?"

Mr. Smith:

"Thank you very much."

The motion carried and the committee amendment was adopted.

On motion of Mr. Humiston, the committee amendment to the title was adopted.

Those absent or not voting were: Representatives Berentson, Mahaffey—2.

Substitute Senate Bill No. 206 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker called on Mr. Copeland to preside.

Senate Bill No. 346, by Senators Herrman, Woodall, and Mardesich:

Authorizing issuance of variable and fixed annuities by domestic life insurance companies.

The bill was read the second time.

Mr. Bottiger moved adoption of the following amendment:

On page 3, section 2, line 1, after "commissioner" and before "to regulate" strike "shall have sole" and insert "shall jointly with the Securities Division, have"

Debate ensued, Representative Bottiger speaking in favor of adoption of the amendment and Representative O'Dell speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Bottiger yielded to question.

Mr. Adams:

"Mr. Bottiger, in giving this examination will this in any way imply the granting of, or cause to be granted, a license to these people to be security salesmen or brokers?"

Mr. Bottiger:

"No, this would be a variable annuities salesman."

Mr. Adams:

"They will be limited to this area?"

Mr. Bottiger:

"As long as you know what a variable annuity is."

Further debate ensued, Representatives Adams, Clark (Newman H.), and Sprague speaking in favor of adoption of the amendment, and Representative Backstrom speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Bagnariol, Mr. O'Dell yielded to question.

Mr. Bagnariol:

"Mr. O'Dell, I have been told, and perhaps you can verify this, that the test that will be given by the insurance commissioner, because of a federal law regulating variable annuities and securities, would be identical to the test that would be given by the securities commissioner."

Mr. O'Dell:

"I am not fully informed. I understand they would get together and give the appropriate test. It is my understanding that the same one or a similar one would be given to sell securities."

Further debate ensued, Representative Harris speaking in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Clarke (George W.) yielded to question.

Mr. Smith:

"Representative Clarke, I recognize that you are being quiet on this subject, but I also recognized that you are something of an expert in this area. I would just like to ask you what, if anything, would be served by these people having to take this securities examination rather than the one administered by the insurance commissioner?"

Mr. Clarke:

"Mr. Smith, I appreciate your confidence. Unfortunately, in this particular instance it is not well placed, because I am not an expert in this particular line of insurance, which has to do with life insurance. I know very little about variable annuities. I think your question should be addressed to someone more knowledgeable in the field."

YIELDING TO QUESTION

At the request of Mr. Smythe, Mr. Lewis yielded to question.

Mr. Smythe:

"Mr. Lewis, as a member of the insurance committee, you are a noninsurance salesman, a nonsecurities salesman, a nonlobbyist, a noneverything. I realize that, as a member of that committee, you did take extra time to look into this situation. Would you mind telling us what your research revealed?"

Mr. Lewis:

"If the members of the House feel the testimony of a nonanything is worthwhile, I would be happy to. I would say, Mr. Smythe, that there are two points that I discern

in looking into this. It is an interesting point that the securities and exchange commission of the United States government, which as far as I know has many more facilities at its command and delves into this much more than the securities department of the state of Washington has seen fit to do, exempts group insurance and variable group insurance annuities from registration of securities. Now, if that commission has taken such a position, I don't know why the state of Washington should superimpose its regulations. Secondly, the courts of the United States have already decided that when you have a variable insurance annuity, which includes insurance features, it is not subject to regulation of the Securities Exchange Commission. I think this relates directly to the point Representative Sprague was talking about. He was inferring that a life insurance salesman is now selling stocks and bonds. Not at all. They will be selling insurance policies and the insurance company will have the opportunity of investing part of the premium dollar into some stocks and bonds which will provide the variable annuity feature, but at the same time the insurance policy will have underlying roots or foundations of insurance features to it. That is why it is not at all appropriate for it to be regulated by the securities department. It is an insurance policy."

Mr. Gorton demanded the previous question and the demand was sustained.

Mr. O'Dell demanded an electric roll call and the demand was sustained.

The Clerk called the roll on adoption of Mr. Bottiger's amendment to Senate Bill No. 346, and the motion was lost and the amendment not adopted by the following vote: Yeas, 45; nays, 46; absent or not voting, 8.

RESOLUTION

House Resolution No. 67-62, by Representatives Jastad, Charette, and Day:

Whereas, The State of Washington, being one of the larger states in terms of area, with a consequent lack of urban centers in many portions of the state, places upon administrative departments of the state a special problem in carrying out their responsibilities; and

Whereas, Nowhere is this problem more evident than in the field of unemployment compensation, when persons presently unemployed and attempting to provide for themselves and their families upon a bare minimum stipend, are being forced to expend money driving many miles from their residences in order to obtain their unemployment compensation; and

Whereas, This situation is especially unfortunate in seasonal labor such as lumbering. As an example, some one thousand workers are being forced to travel from Morton, Randle and Packwood to Centralia to claim their unemployment compensation because the Department of Employment Security presently refuses to send two people into either of these three towns on any day during the week; thus, a burden is placed upon one thousand already oppressed persons because of departmental laxity easily remedied through an appearance of two persons for one day in either of the aforementioned towns;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Department of Employment Security be and hereby is requested to take steps to alleviate situations such as referred to above in this Resolution, thus enabling the unemployed to receive their unemployment compensation in the easiest manner practicable; and that the department bear in mind that part of the preamble to the Employment Security Act referring to those "unemployed through no fault of their own" which sets forth the legislative direction that such act shall be liberally construed to the end that "the suffering caused thereby (be reduced) to the minimum";

And Be It Further Resolved, That a copy of this Resolution be sent by the Chief Clerk of the House of Representatives to the Commissioner of the Department of Employment Security.

Mr. Charette moved adoption of the resolution.

Representatives Charette and Gorton spoke in favor of adoption of the resolution.

The motion was carried and the resolution was adopted.

RULING BY THE SPEAKER

The Speaker:

"At this time the Speaker would like to rule on Mr. Brouillet's motion of yesterday to reconsider Mr. Bottiger's amendment to Senate Bill No. 346. I would have to rule, Mr. Brouillet, that the motion was not in order, that it properly should have been made immediately following the action. Reed's 204, I think, pretty well covers the situation and it would be necessary for you to suspend the rules in order to retract the subsequent action."

The Speaker declared the House to be at ease.

The Speaker called the House to order.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House Senator Marshall A. Neill, who had been appointed as a justice of the Washington State Supreme Court, and requested that Representatives Charette and Goldsworthy escort Senator Neill to the rostrum and that Representatives Amen and Berentson escort Mrs. Neill to the rostrum.

The Speaker:

"Senator Neill, Mrs. Neill, it was the good fortune of the House this morning to hear the great news that has come from the other side of this building, and we want to take this opportunity to congratulate you personally and to wish you the best of luck in this new responsibility that you are about to undertake. It has been my pleasure to have served with you in my first session in 1953, at which time you were a leader in our party. You have served well in the House and have a distinguished career in the Senate representing our party as its leader. We hate to lose you in the legislature. You have gained a reputation for fairness, for resourcefulness, for hard work, and you have become one of the outstanding legislators of our time. We know that your experience and your integrity will certainly be of service to the state of Washington when you assume your new responsibilities. Marsh, Marian, we wish you the best of luck, and we hope that you will enjoy the new challenge that faces you."

The Speaker recognized Mr. O'Brien.

Mr. O'Brien:

"Mr. Speaker, Senator Neill and Mrs. Neill, and ladies and gentlemen of the House: I also wish to add my words of congratulation from this side of the aisle to you, Senator Neill. My long association with you has been most pleasant, and I have learned more than anything else from my friendship and association with you the fact that you are a man of compromise. It seems always that you have this heart of compromise which is most important in this legislative deliberation. And also, of course, you are a man of highest integrity. Your word is your bond. I know when you were in the House of Representatives as one of the leaders of your party that it was always a source of pleasure and genuine satisfaction to work with you, because you seemed to have the knack of understanding and diplomacy that is unique in the legislature and I am sure the supreme court is going to gain by having a man of your stature become a member. I would wish you well and the greatest success in your future endeavor."

The Speaker recognized Mr. Gorton.

Mr. Gorton:

"Mr. Speaker, members of the House, Senator and Mrs. Neill, from the time at which I first became a member of this legislature, the senior members have always used Senator Neill in speaking to the junior members of how a legislator should act. The expression which I most frequently heard during my freshman term, and the expression which many of the members have passed on to more junior members as they came into the legislature, has been that Senator Neill was the perfect example of what a legislator should be. I have felt, and I know my colleagues have felt, that you combine the attributes of fairness and intelligence with integrity in a way which has gained the respect of all of the members of both houses of the legislature and both parties, as well as of your constituents and the state at large, in such a way as to have been an inspiration to all of us. I believe that these are exactly the qualities which are

also most needed in a justice of the supreme court, and the fact that you have been such an outstanding legislator gives promise you will be an equally outstanding member of the supreme court. I, too, am personally most unhappy at losing you as a colleague here, but I am most happy for the state that we are going to have the good fortune of having such a distinguished gentleman as a justice of the state supreme court."

The Speaker recognized Mr. Copeland.

Mr. Copeland:

"Mr. Speaker and Senator Neill, members of the House, my relationship with this illustrious gentleman dates back quite a few years. At one time I tried to get him to run for Congress. Let me tell you what he did. He took me to his summer home out at the lake. We sat there and put our feet up on the rail and looked out over the lake, and he said, 'I'm not sure I want to go to Washington, D. C. One of these days I'd like to be a supreme court judge.' Marsh, my congratulations."

The Speaker recognized Mr. Goldsworthy.

Mr. Goldsworthy:

"Mr. Speaker, ladies and gentlemen of the House, Senator and Mrs. Neill, I perhaps feel this a little more keenly than anyone in this chamber, because both of us are from Whitman county. We used to be from the same district. Marshall and I have campaigned together. Marshall, you and I have sat in your front room and we have sat in my front room, discussing the politics of the day, and I can truthfully say, speaking for all of Whitman county, that they are going to very regrettably see you leave these legislative chambers. We wish you well, of course, in your new endeavor, but what you have heard today from both sides of the aisle is certainly a reflection of all our thinking. We wish you the very best, but it is not going to seem the same campaigning for election any more without you at the various places around the county speaking to the group. You are always the strong man. Good luck to you anyway, both you and Marian."

Senator Neill:

"I can't let this opportunity go by without thanking the members of the House for according me this honor of inviting Mrs. Neill and myself back over here. You know, this hasn't been altogether an easy decision, even though in my heart it is what I have wanted, as Tom has told you. I started here twenty years ago, back in the back corner, clerking for the appropriations committee. That was what got me interested and started in politics. I enjoyed ten years' service in this house and this chamber. I have enjoyed the Senate, but I must say there is nothing like that first love, whether it be for your girlfriend or politics here in the House of Representatives. It isn't easy suddenly to turn your back on twenty years of service in the legislative branch of government, although, as I think all you lawyers will understand, I think every lawyer aspires to the bench, and that has always been my ambition. Now that the governor has complimented me by offering me this chance, I really had no choice in my heart but to say yes. But it really is with mixed emotions that you turn your back on twenty years of your life and service which you have thoroughly enjoyed. I thoroughly enjoyed this work and as I look out over the House, I see many, many familiar faces that were here when I was here. I just wish John had been so kind in his remarks back in 1953 when I was sitting down in this seat here. Again, I am going to miss all this but it is a tremendous honor for me. It is what I wanted to do. Thank you again for the honor of inviting me back where I began."

The Speaker requested that the special committee escort Senator and Mrs. Neill to the rear of the chamber.

**MESSAGE FROM THE SECRETARY OF STATE
DEPARTMENT OF STATE
OFFICE OF THE SECRETARY**

Olympia, Wash., March 23, 1967.

*To the Honorable, The Speaker of the House of Representatives,
The Legislature of the State of Washington, Olympia, Washington.*

Sir:

I have the honor to transmit herewith pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the House of Repre-

sentatives, the following bills passed by the House of Representatives and State Senate and the Regular Legislative Session of 1967, and partially vetoed by the Governor, together with his veto messages attached thereto. They are Enrolled House Bills Nos. 53, 88, 132, 322, 478, 612, 617, and 918.

Respectfully,
A. Ludlow Kramer,
Secretary of State.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To the Honorable, The House of Representatives of the State of Washington.

(Through the Secretary of State)

Ladies and Gentlemen:

I am returning herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one item, House Bill 53 entitled:

"An Act relating to state government; providing for state office and warehouse space and facilities."

The bill provides certain procedural changes for the Department of General Administration in completing any work on leased or rented property at a cost of less than \$2,500. An amendment was added in the Senate which eliminated from the jurisdiction of the Department of General Administration authority to act as the agent of colleges and universities in the purchase, lease, or rent of real estate to be used for instructional or housing purposes. This is in addition to the present provisions which eliminate any authority of that department over acquisition of real estate by colleges and universities for research or experimental purposes. This amendment was placed on the bill to eliminate any possibility of recurrence of a problem of several years ago regarding acquisition of property for a university. Its unintended result is that the Department of General Administration has effectively been removed from involvement in the purchase, lease or rent of real estate for the present three state colleges as well as the newly authorized fourth state college.

The unintended result is inconsistent with Recommendation 11 of the Council for Reorganization of Washington State Government which urges greater centralization of purchasing functions with regard to educational institutions.

I do not believe that this major departure in responsibility for acquisition of real estate, particularly at a time when a new four-year college which will not have substantial staff to deal with the problems of acquisition of real estate, should be accomplished by an amendment which was not intended for this purpose. If such a change in the responsibility of the Department of General Administration is made, it should be accomplished only after considerable study and reasoned deliberation.

Deletion of this amendment has been discussed with its sponsor who does not object to its deletion. With the exception of the certain item in Section 1 which I have vetoed for the reasons stated above, the remainder of the bill is approved.

Respectfully submitted,
Daniel J. Evans, *Governor.*

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To The Honorable, The House of Representatives of the State of Washington.

(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the Legislature, without my approval as to one item, Substitute House Bill No. 88 entitled:

"An Act relating to public lands; amending section 142, chapter 255, Laws of 1927 as last amended by section 1, chapter 79, Laws of 1963 and RCW 79.01.568; amending section 143, chapter 255, Laws of 1927 and RCW 79.01.572; amending section 144, chapter 255, Laws of 1927 as amended by section 40, chapter 271, Laws of 1951 and RCW 79.01.576; amending section 146, chapter 255, Laws of 1927 and RCW 79.01.584; amending section 148, chapter 255, Laws of 1927 and RCW 79.01.588; and amending section 149, chapter 255, Laws of 1927 and RCW 79.01.592.

This bill makes a number of amendments to the laws relating to leases of publicly

owned beds of navigable tidal waters for cultivation of oysters, clams and other edible shellfish.

I have no objection to this legislation. However, section 2 of the bill amends RCW 79.01.572 in a manner inconsistent with the amendment of that section contained in Senate Bill No. 88 which also was passed by the legislature and approved by me. Fortunately, Senate Bill No. 88 makes all of the substantive changes in RCW 79.01.572 relating to cultivation of shellfish which are contemplated by section 2 of Substitute House Bill No. 88. In order to give effect to the legislative intent and to prevent the confusion which results from the adoption of conflicting amendments to the same statute, I have vetoed section 2. The remainder of Substitute House Bill No. 88 is approved.

Respectfully submitted,
Daniel J. Evans, Governor.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To the Honorable, The House of Representatives of the State of Washington.

(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to one item, **House Bill 132**, entitled:

"An Act relating to state government; authorizing the sale, lease or exchange of the Tacoma armory and the acquisition of a new armory or armories."

The purpose of this bill is to authorize the sale of the Tacoma armory at such time as there may be sufficient money in hand from the sale of other sources to replace the armory in Pierce County.

The bill contains several safeguards to assure this result. One of the redundant safeguards is the establishment of a special account in the treasury to hold the proceeds of the sale.

I fully agree with the legislative intent that if the armory is sold the funds should be used only for the replacement of the armory. I am satisfied that this can be accomplished without setting up one more special accounting entity in our already too cumbersome fund structure. This matter has been discussed with the prime sponsor of the bill, and with his agreement I am vetoing the language establishing this special fund. I have therefore vetoed certain language in the third paragraph of Section 1. The remainder of House Bill 132 is approved.

Respectfully submitted,
Daniel J. Evans, Governor.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To the Honorable, The House of Representatives of the State of Washington.

(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to certain items, **Substitute House Bill 322**, entitled:

"An Act amending barber law."

This bill makes a number of improvements in the laws regulating the practice of barbering.

Under existing law, no license is required where one person performs barbering services for family members or friends without compensation. As originally introduced, this bill would have limited this exemption to barbering services performed on members of the family. The legislature properly added by amendment barbering services performed for neighbors or friends, so that there would be no change in existing law. However, because of language deleted in the original bill Section 1 of the bill would exempt from licensing a person performing barbering services upon friends, neighbors or members of his immediate household even though he might be receiving compensation for the services, so long as they were performed within the household. We do not believe the legislature intended to broaden the exemption to include services performed for compensation. In order to prevent this result, I have vetoed all of Section 1 so that the provisions of RCW 18.15.010 will remain unchanged.

I have also vetoed Section 7 because it amends RCW 18.15.055 in a manner inconsistent with the amendment of that section contained in House Bill 92 passed by the legislature and heretofore approved by me. The veto of this section will make no substantive change in the law.

With the exception of Section 1 and Section 7 which I have vetoed, the remainder of Substitute House Bill 322 is approved.

Respectfully submitted,

Daniel J. Evans, Governor.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To the Honorable, The House of Representatives of the State of Washington.

(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to one item, **House Bill 478**, entitled: "An Act relating to state government; authorizing the sale, lease or exchange of the Yakima armory and the acquisition of a new armory or armories."

The purpose of this bill is to authorize the sale of the Yakima armory at such time as there may be sufficient money in hand from the sale of other sources to replace the armory in Yakima County.

The bill contains several safeguards to assure this result. One of the redundant safeguards is the establishment of a special account in the treasury to hold the proceeds of the sale.

I fully agree with the legislative intent that if the armory is sold the funds should be used only for the replacement of the armory. I am satisfied that this can be accomplished without setting up one more special accounting entity in our already too cumbersome fund structure. This matter has been discussed with the prime sponsor of the bill, and with his agreement I am vetoing the language establishing this special fund. I have therefore vetoed certain language in the third paragraph of Section 1. The remainder of House Bill 478 is approved.

Respectfully submitted,

Daniel J. Evans, Governor.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To The Honorable, The House of Representatives of the State of Washington.

(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the Legislature, without my approval as to certain items, **House Bill No. 612** entitled:

"An Act providing general rules for receipt by mail of certain remittances, reports, etc., required by the state and local subdivisions thereof."

This bill provides that whenever reports, claims, tax returns, remittances, statements and other documents required or *authorized* to be filed with the state or any payments made to the state, or to any political subdivision thereof, are transmitted through the United States mails, they shall be deemed filed and received by the state or political subdivision on the date shown on the postmark.

I do not object to the general purpose of this legislation, which is to prevent penalties from accruing to taxpayers and others required to file tax returns and government reports where the sender has relied upon the mails and delay has occurred in delivery through no fault of the sender.

However, as drafted, this bill could apply to documents such as conveyances or security interests which are not *required* to be filed, but which may be filed with state or local agencies in order to give notice to third persons.

The bill contemplates that when a document is not received, the government agency will notify the sender, who is given ten days to mail a duplicate without incurring a penalty. It seems obvious that such a statutory scheme was intended by the legislature to apply to a limited class of document which the government agency would expect to receive periodically, so that it would give notice of its non-receipt to the sender in the normal course of the agency's business.

Since this type of statute cannot apply to documents the government agency can-

not anticipate such as documents permitted, but not required, to be filed, I have vetoed the words, "or authorized", on page one, line eight of the bill.

The remainder of House Bill No. 612 is approved.

Respectfully submitted,
Daniel J. Evans, Governor.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To The Honorable, The House of Representatives of the State of Washington.
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to one item, **Substitute House Bill 617**, entitled:

"An Act relating to challenging of registered voters."

This bill revises the procedure for challenging a person's right to vote on the ground that he does not reside in the precinct in which he is registered. Under existing law and under this bill, such a challenge must be made at least sixty days before an election, so that a challenged voter may preserve his right to vote by transferring his registration to the precinct where he resides.

This bill further protects the rights of the challenged voter by assuring that he will receive a notice in the mail at his new address advising him that his current registration has been challenged. However, there is one restriction in the bill which is not necessary to protect the challenged voter. This is the provision that another registered voter cannot make the challenge unless he resides in the same precinct.

Therefore, I have vetoed lines 24 and 25 on page one of the bill which provides:

"(3) The registered voter may only challenge the residence of another voter in his precinct."

The remainder of Substitute House Bill 617 is approved.

Respectfully submitted,
Daniel J. Evans, Governor.

State of Washington, Office of the Governor,
Olympia, March 21, 1967.

To The Honorable, The House of Representatives of the State of Washington.
(Through the Secretary of State)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one item, **House Bill 918**, entitled: "An Act relating to hospital districts."

This bill deals with the organization of hospital districts and spells out an annexation procedure whereby new territory may be incorporated into the hospital district by vote of the people in the district to be annexed. Section 5, however, provides for annexation of an area completely surrounded by a hospital district without any vote of the people in the area. After notice and hearing, the hospital district commissioners need only find that the residents in the area proposed to be annexed are served by or benefit from the public hospital district and that it is in the best interest of the district to annex the area.

This section was occasioned by formation of a hospital district with the inadvertent omission of several blocks in the described area. There is no apparent opposition to annexation nor has any effort been made to annex with a vote of the people involved.

Under this section, a district theoretically could surround an area in which there was opposition to inclusion and subsequently incorporate the area without a vote of the residents.

Without a greater showing of necessity, I do not believe such unusual annexation power for a hospital district is warranted. I have, therefore, vetoed Section 5 and have approved the remainder of the bill.

Respectfully submitted,
Daniel J. Evans, Governor.

The board may exchange the refunding bonds at par for the bonds which are being refunded or may sell them in such manner as it deems for the best interest of the college.

NEW SECTION. Sec. 40. The bonds authorized to be issued pursuant to the provisions of sections 33 through 40 of this act shall not be general obligations of the state of Washington, but shall be limited obligation bonds payable only from the special funds created for their payment. The legislature may specify additional means for providing funds for the payment of principal and interest of said bonds. Sections 33 through 40 of this act shall not be deemed to provide an exclusive method for such payment. The power given to the legislature by this section to provide for additional means for raising money is permissive, and shall not in any way be construed as a pledge of the general credit of the state of Washington.

NEW SECTION. Sec. 74. Notwithstanding any other statutory provision relating to indebtedness of school districts, bonds heretofore issued by any common school district for the purpose of providing funds for community college facilities shall not be considered as indebtedness in determining the maximum allowable indebtedness under any statutory limitation of indebtedness when the sum of all indebtedness therein does not exceed the maximum constitutional allowable indebtedness applied to the value of the taxable property contained in such school district: *Provided*, That nothing contained herein shall be construed to affect the distribution of state funds under any applicable distribution formula.

NEW SECTION. Sec. 75. Until the community college district board has actually assumed the duties and responsibilities of the administration, management, or development of existing or authorized community college facilities, those duties and responsibilities shall continue to be discharged by the common school district operating or developing such community college facilities on the effective date hereof.

Where contracts have been let by the common school board pursuant to present law for the purpose of acquisition, construction, repair or modification of an existing community college facility such projects shall be completed under the administration of the common school board, superintendent of public instruction and/or the state board of education, and payments thereto shall be made from such funds as are allocated thereto.

Sec. 76. Section 1, chapter 169, Laws of 1947, as last amended by section 1, chapter 103, Laws of 1965 and RCW 28.58.360 are each amended to read as follows:

The school directors' association may establish a graduated schedule of dues for members of the association based upon the number of certificated personnel in each district. Dues shall be established for the directors of each district as a group. The total of all dues assessed shall not exceed twenty-two cents for each one thousand dollars of the state-wide total of all school districts' general fund receipts. The board of

directors of a school district shall make provision for payment out of the general fund of the district of the dues of association members resident in the district, which payment shall be made in the manner provided by law for the payment of other claims against the general fund of the district. The dues for each school district shall be due and payable on the first day of January of each year, and if not paid by any district before the thirty-first day of December of any year the executive committee of the association may present a written request to the county auditor that such payment be made by him by transfer of funds from the general fund of the district. Upon receipt of such request the county auditor shall make such transfer.

NEW SECTION. Sec. 77. Notwithstanding any other provisions of this act, the board of directors of any public school district located in any county of the second, first, A or AA class wherein there is an existing vocational-technical institute, may elect to have such vocational-technical institute remain a part of the public school system rather than have such institute become a part of the state community college system: *Provided*, That within thirty days after the effective date of this act, any school district operating a vocational-technical institute which operates independently of any existing community college as of January 1, 1967 may elect to remain independent of any community college by resolution of the board of directors of such district: *And Provided Further*, That any public school district may relinquish administrative control over a vocational-technical institute at the beginning of any fiscal biennium if by resolution dated before the preceding January 1st it shall so inform the state board of education and the state and district community college boards.

NEW SECTION. Sec. 78. It is the intent of this legislature that the college board provide for the four community colleges authorized by section 3, chapter 159, Laws of 1965 extraordinary session, and for which local funds for construction have been voted as of the effective date of this act, funds equivalent to those that would have been provided by matching ratios and construction costs in effect on January 1, 1967.

NEW SECTION. Sec. 79. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

MOTION

Mrs. Lynch moved that the House adopt the report of the Free Conference Committee on Engrossed Substitute House Bill No. 548.

Debate ensued, Representatives Lynch and Brouillet speaking in favor of the motion, and Representatives Moon and Newschwander speaking against it.

Mr. Leland demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Leckenby and Gallagher speaking against the motion.

YIELDING TO QUESTION

At the request of Mr. Clarke (George W.), Mr. Chapin yielded to question.

Mr. Clarke:

"Mr. Chapin, Bellevue has a community college which is primarily in your district but is also considerably in the 41st. I understand this particular bill has quite an effect on that college. I wish you would explain that to me, please."

Mr. Chapin:

"Ladies and gentlemen of the House, as one who was very deeply concerned in a floor amendment that this body sought to and successfully added to House Bill No. 548 when it was before us, I deeply regret that this conference committee found itself unable to work out any kind of compromise on reimbursement of bonded indebtedness not only for Bellevue but the other forty-two districts in this state which, to one extent or another, are involved. I think it is unfortunate, first, because it was a clear mandate of sixty-nine members of this House that some such provision be made in this bill. I am also regretful because of the fact that this conference committee, particularly the Senate, failed to honor what I felt was a moral commitment that was made by the 1965 session of this legislature when they adopted House Bill No. 104, which clearly demanded that at such time as the transfer was made, there would be a provi-

sion for reimbursement. I also think it is unfortunate that for another time the will of this House is going to have to be sacrificed to the stubbornness of the body across the hall, who apparently feel it has to be their way or not at all. However, I personally believe very deeply in the basic concept of separation embodied in this bill and I don't think it is something we can let hang fire for another two years, so I personally am going to vote for this conference report and for the bill on final passage."

Debate continued, Representatives Heavey and Smythe speaking in favor of the motion.

Mr. Whetzel demanded the previous question and the demand was sustained.

The Speaker declared the question before the House to be the motion to adopt the Free Conference Committee report on Engrossed Substitute House Bill No. 548.

Representative Lynch spoke in favor of the motion.

YIELDING TO QUESTION

At the request of Mr. Moon, Mrs. Lynch yielded to question.

Mr. Moon:

"Representative Lynch, I am quite concerned about this oversight on page 44 that excludes the new four-year college from orderly fiscal management of the budget director. If you will notice, this includes new four-year colleges subsequently authorized. That means authorized after the passage of this bill, and we have already had a four-year college authorized and signed into law. Because of this, which I am sure is an oversight, the new college has been excluded from orderly fiscal management and control by the budget director. My question is, if this bill passes, will you co-sponsor with me legislation to take care of this oversight?"

Mrs. Lynch:

"Mr. Moon, if we have overlooked anything, I can think of nothing better than co-sponsoring a bill with you for a four-year college."

YIELDING TO QUESTION

At the request of Mr. Wolf, Mrs. Lynch yielded to question.

Mr. Wolf:

"Is it true that the legislative intent with regard to the underlined language on page 44 is that all four-year colleges, including the new four-year college already authorized, be subject to section 49?"

Mrs. Lynch:

"Yes."

YIELDING TO QUESTION

At the request of Mr. Bluechel, Mr. Holman yielded to question.

Mr. Bluechel:

"Mr. Holman, does this bill as reported out by the free conference committee solve the legal problem that you outlined to us in your memorandum in the early part of the week?"

Mr. Holman:

"Mr. Bluechel, in my opinion it does not. I voted for concurrence with the free conference committee despite my misgivings as to the legality of this bill and I will vote for the final passage of this bill because I feel that we must have it and we have no other choice. Had I thought that there was a possibility of following Dr. Newschwander's suggestion and referring it to a new committee, I would not have voted to concur. But the answer to your question, sir, is that in my opinion we have before us one of the most troublesome legal dilemmas that has faced the courts of this state, and while I don't claim I have given this the serious consideration that I would if I were sitting in my law office back in Seattle, I still think that the questions raised in my

memorandum have not been answered and that it will therefore be up to the supreme court across the street in due time to take this under advisement."

Debate ensued, Representative Charette speaking in favor of the motion and Representative Newschwander speaking against it.

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the motion to adopt the report of the Free Conference Committee and the motion was carried by the following vote: Yeas, 85; nays, 10; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Garrett, Goldsworthy, Gorton, Grant, Harris, Hausler, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, O'Brien, O'Dell, Reese, Richardson, Rosellini, Saling, Sawyer, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—85.

Those voting nay were: Representatives Bottiger, Gallagher, Gladder, Jueling, Leckenby, Leland, Marzano, Moon, Newschwander, Sheridan—10.

Those absent or not voting were: Representatives Conner, Hawley, Perry, Taylor—4.

**FINAL PASSAGE OF HOUSE BILL AS AMENDED BY
FREE CONFERENCE COMMITTEE**

The Speaker declared the question before the House to be the final passage of Engrossed Substitute House Bill No. 548 as amended by the Free Conference Committee.

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 548 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 85; nays, 10; absent or not voting, 4.

Engrossed Substitute House Bill No. 548 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

I have some doubts about Substitute House Bill No. 548 and voted for it because I feel that this is a step in the right direction. Substitute House Bill No. 548 will need to be revised at the next session of the legislature.

Norwood Cunningham,
30th District.

On page 1, after line 27 of the printed bill, being after line 25 of the engrossed bill, add the following new section:

"NEW SECTION. Sec. 4. There is added to chapter 8, Laws of 1965 and to chapter 43.88 RCW a new section to read as follows:

(1) The term "agency", as used in this section, shall not include any state university or state college now existing or hereafter to be established.

(2) Whenever an agency makes application, enters into a contract or agreement, or submits state plans for participation in, and for grants of federal funds under any federal law which are not appropriated by the legislature, the agency making such application shall at the time of such action, notify the budget director, the chairman of the legislative budget committee, and the chairmen of the legislative council on such forms and in such manner as may be prescribed by the budget director.

(3) Whenever any such application, contract, agreement, or state plan is amended, such agency shall notify each such officer of such action in a manner prescribed by the budget director.

(a) it shall first have submitted such proposal to the chairman of the legislative committee, and

(b) if notified by the chairman, by notice mailed to the agency within ten days following receipt of the proposal that approval of the legislative budget committee will be required, such approval is subsequently granted by the committee.", and the same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTION

Mr. McDougall moved that the House do concur in all the Senate amendments except subsection (5) of the new section 4 of the amendment, and that the House refuse to concur in subsection (5) and ask the Senate to recede therefrom.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. McDougall yielded to question.

Mr. Smith:

"Mr. McDougall, I didn't quite understand what this portion that we are asked not to concur in does."

Mr. McDougall:

"Mr. Smith, this particular bill, as you will recall, was the one which authorized the governor to receive federal funds and administer those funds during the time the legislature was not in session. The Senate in their wisdom attached a bill which in essence specified that any such moneys would have to be administered or reviewed by the legislative budget committee. It was felt this subsection would be rather difficult to administer if it had to be run through this particular course during the interim period. For that reason, it was felt we should ask the Senate to recede from subsection (5), or at least get together with the Senate on this particular provision and explain to them the difficulties which would arise in trying to abide by this provision."

Mr. Smith:

"I can see the wisdom of the Senate amendment, yet at the same time I notice there would be a strong amount of crossover from the administrative to the legislative branches, and that perhaps a little bit of study and conference might be advisable on the last two subsections of subsection (5). I take it that is the part you are concerned about? Is that correct?"

Mr. McDougall:

"Yes."

The motion was carried.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House as representatives of the annual Buckley Spring-o-rama, Princesses Nancy Wytco, Victoria Imhof, and Kay Kaelim, with their chaperone, Irene Vanderhoff, and requested that Representatives Sawyer, Brouillet, and Grant escort the three princesses to a place on the rostrum.

The Speaker:

"At this time, it is a pleasure to introduce Princess Nancy Wytco, who has a few words for the members of the House."

Princess Nancy:

"Our Spring-o-rama Festival will be held on March 31 and April 1 and 2. We wish to extend a very cordial invitation to all of you to attend our festival. Thank you."

The Speaker:

"Thank you very much. I am sure that the members will take advantage of this invitation and that many of them will be in Buckley this coming weekend for the festival."

The Speaker requested the special committee to escort the princesses to the rear of the chamber.

Mr. Speaker:

The Senate refuses to recede from its amendments to **Engrossed House Bill No. 269** and asks the House for a conference thereon, and the President has appointed as mem-

bers of the Conference Committee thereon: Senators Washington, Lennart, and Henry, and the same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTION

On motion of Mr. Gorton, the House granted the request of the Senate for a conference on Engrossed House Bill No. 269.

APPOINTMENT OF CONFERENCE COMMITTEE

The Speaker appointed as members of the Conference Committee on Engrossed House Bill No. 269, Representatives Leland, Whetzel, and Sprague.

MOTION

On motion of Mr. McDougall, the House reverted to the third order of business for the purpose of receiving reports of standing committees.

Mr. Speaker:

We, a majority of your Committee on Revenue and Taxation, to whom was referred Engrossed Senate Joint Resolution No. 13, requiring the assessment of property at 25% of true and fair value, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass.

Mary Ellen McCaffree, *Chairman*.

We concur in this report: Stewart Bledsoe, Donald H. Brazier, Jr., Richard U. Chapin, Newman H. Clark, William S. Day, S. E. "Sid" Flanagan, Slade Gorton, Mrs. Joseph E. Hurley, John S. Murray, Walt Reese.

House of Representatives,
Olympia, Wash., March 27, 1967.

Mr. Speaker:

We, a minority of your Committee on Revenue and Taxation, to whom was referred Engrossed Senate Joint Resolution No. 13, requiring the assessment of property at 25% of true value, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do not pass.

....., *Chairman*.

We concur in this report: John Bagnariol, Gary Grant, Edward Heavey, Frank Marzano.

EXPLANATION OF VOTE

Under the rules of the House, no bill or resolution may be reported out of a standing committee for disposition by the entire House without the favorable recommendation of a majority of the committee. We signed such a recommendation on Engrossed Senate Joint Resolution No. 13 in order to permit the House to vote on the resolution. We oppose the resolution, standing alone, and believe that it will be defeated, but believe that it must be defeated by the House itself in order that meaningful overall tax reform may have any chance of passage. For these reasons, we signed the majority committee report.

Slade Gorton,
46th District,
Mary Ellen McCaffree,
District 32-A.

MOTION

On motion of Mr. McDougall, the House advanced to the ninth order of business for the second reading of bills.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Engrossed Senate Joint Resolution No. 13, by Senators McMillan, Lennart, Gissberg, Woodall, Donohue, Guess, Canfield, Redmon, Henry, and Talley:

Requiring the assessment of property at 25% of true value.

Engrossed Senate Joint Resolution No. 13 was read the second time.

Mr. Holman moved adoption of the following amendment:

On page 1, line 7, after "amending" strike all the material down to and including the semicolon following "as follows" on line 8 and insert "section 1 and 2, as amended by amendment 17, so that said section will read as follows:

"Article VII, section 1. The power of taxation shall never be suspended, surrendered or contracted away. All taxes shall be uniform upon the same class of property within the territorial limits of the authority levying the tax and shall be levied and collected for public purposes only. The word "property" as used herein shall mean and include everything, whether tangible or intangible, subject to ownership. All real estate shall constitute one class: *Provided*, That the legislature may tax mines and mineral resources and lands devoted to reforestation by either a yield tax or an ad valorem tax at such rate as it may fix, or by both. Such property as the legislature may by general laws provide shall be exempt from taxation. Property of the United States [and of the state, counties, school districts and other municipal corporations,] and credits secured by property actually taxed in this state, not exceeding in value the value of such property, shall be exempt from taxation. The legislature shall have power, by appropriate legislation, to exempt personal property to the amount of three hundred (\$300.00) dollars for each head of a family liable to assessment and taxation under the provisions of the laws of this state of which the individual is the actual bona fide owner."

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Holman yielded to question.

Mr. Sprague:

"Mr. Holman, do you know offhand—and I realize this is permissive—are there any federal properties that are used for proprietary purposes that might come under this kind of thing, should the legislature decide to act?"

Mr. Holman:

"There probably are, but I don't think this body is enabled to put any kind of tax on the property of the United States because of the federal Constitution."

Mr. Sprague:

"The reason I ask this, Mr. Holman, is that it is my understanding there are some federal properties that are leased out for private use and that the real property is exempt from state and city taxes."

Mr. Holman:

"I think that is correct. I regret that is so, but I don't see that our state can do much about that."

The Speaker recognized Mr. Smith.

Mr. Smith:

"Just to throw a little light on the question Mr. Sprague brought up, in most cases, the federal government pays to the municipality or the state certain moneys in lieu of taxes, so that the state, county, or city still gets some return."

Representative Bledsoe spoke against adoption of the amendment.

Mr. Kink demanded the previous question and the demand was sustained.

The Clerk called the roll on adoption of the amendment by Mr. Holman to page 1, line 7 of Engrossed Senate Joint Resolution No. 13, and the motion.

Beginning on page 1, line 9, strike all the matter down to and including line 33 on page 2 and insert the following:

On page 1, line 18, of the engrossed resolution after "district" insert "nor shall anything contained in this Article prevent the state from imposing a tax upon income from whatever source derived, with such allowance of credits, exclusions, exceptions and deductions as the legislature may provide, at rates in excess of those permitted by any provision of this section"

Mrs. Lux demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to adopt the amendment by Mr. Grant to page 1, line 18 of Engrossed Senate Joint Resolution No. 13, and the motion was lost and the amendment not adopted by the following vote: Yeas, 35; nays, 59; absent or not voting, 5.

Mr. Bledsoe:

"Mr. Hoggins, as I read you, it is going to be twenty-five percent right on the money. Is that correct, sir?"

Mr. Hoggins:

"This is the intent."

Mr. Bledsoe:

"Who is going to say what that is?"

Mr. Hoggins:

"The county assessor will do the assessing, as he does now. As to enforcement of the provisions in this, I hope the tax commission will have the power to overrule him."

Mr. Bledsoe:

"You will have to refer to some superior body such as the tax commission to set the twenty-five percent?"

Mr. Hoggins:

"I think this is correct. I want to be sure this is enforced and that it is not less than twenty-five percent."

Debate ensued, Representative Hoggins speaking in favor of adoption of the amendment and Representative Bledsoe speaking against its adoption.

The motion was lost and the amendment was not adopted.

Mr. Hoggins moved adoption of the following amendment by Representatives Hoggins, McGavick, and Chatalas:

Mr. King demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to adopt the amendment by Representatives Hoggins, McGavick, and Chatalas to page 1a, beginning on line 2, of Engrossed Senate Joint Resolution No. 13, and the motion was carried and the amendment adopted by the following vote: Yeas, 71; nays, 22; absent or not voting, 6.

Those absent or not voting were: Representatives Backstrom, Clocksin, Conner, Newhouse, Taylor, Veroske—6.

MOTION FOR RECONSIDERATION

Mr. Moon, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendment by Representatives Hog-

gins, McGavick, and Chatalas to page 1a, beginning on line 2, of Engrossed Senate Joint Resolution No. 13 was adopted.

Debate ensued, Representatives Moon and Smith speaking in favor of the motion to reconsider, and Representatives McGavick, Day, and Garrett speaking against it.

MOTION

RULING BY THE SPEAKER

The Speaker:

"Mr. King, it would appear to me that your motion would not be in order."

Representative Smith withdrew his objection to the amendment by Representatives Hoggins, McGavick, and Chatalas.

The motion to reconsider the vote by which the amendment by Representatives Hoggins, McGavick, and Chatalas had been adopted was lost.

POINT OF ORDER

The Speaker recognized Mr. Newhouse on a point of order.

Mr. Newhouse:

"Mr. Speaker, didn't we by a previous amendment perfect this section?"

RULING BY THE SPEAKER

The Speaker:

"Mr. Newhouse, I think your point is well taken. This section has already been perfected by the first amendment by Representatives Hoggins and McGavick that was adopted. The Speaker would rule, then, that this amendment is out of order."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Moon on a point of parliamentary inquiry.

Mr. Moon:

"Mr. Speaker, could I now again move for reconsideration of the amendment by Representatives Hoggins and McGavick so that the amendment could be amended?"

The Speaker:

"I am sorry, Mr. Moon. We have gone beyond that point."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Chatalas on a point of parliamentary inquiry.

Mr. Chatalas:

"Mr. Speaker, I realized we were going to run into a little trouble. That is why I asked the Chief Clerk if it would be proper to have these amendments follow the other one, and I was told it would. Otherwise, I would never have voted for the other one."

RULING BY THE SPEAKER

The Speaker:

"Mr. Chatalas, the amendment now being offered should have been offered as an amendment to the amendment by Mr. Hoggins, Mr. McGavick, and Mr. Chatalas before final adoption of the amendment. I think, Mr. Chatalas, that we have no other course but to rule the amendment out of order. We have already considered and disposed of the motion for reconsideration."

MOTIONS

Mr. Moon moved that Engrossed Senate Joint Resolution No. 13 be rereferred to Committee on Revenue and Taxation.

The motion was lost.

Mr. Charette moved that the rules be suspended and that the House reconsider the vote by which the House adopted the amendment by Representatives Hoggins, McGavick, and Chatalas to Engrossed Senate Joint Resolution No. 13.

Mr. Moon demanded an electric roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Hoggins on a point of parliamentary inquiry.

Mr. Hoggins:

"Mr. Speaker, if we do reconsider, will it then be permissible to make the amendment that you declared out of order?"

The Speaker:

"That is correct."

Mr. Hoggins:

"To amend my amendment?"

The Speaker:

"If we vote to reconsider, then your amendment will be before us on second reading and will be subject to amendment."

Mr. Smith spoke in favor of the motion.

The Clerk called the roll on the motion to suspend the rules and reconsider the vote by which the House adopted the amendment by Representatives, Hoggins, McGavick, and Chatalas to Engrossed Senate Joint Resolution No. 13, and the motion was lost by the following vote: Yeas, 53; nays, 41; absent or not voting, 5.

Those voting yea were: Representatives Anderson, Bagnariol, Barden, Beck, Bluechel, Bottiger, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Cunningham, DeJarnatt, Farr, Gallagher, Garrett, Gladder, Grant, Harris, Heavey, Hill, Hoggins, Holman, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Litchman, Lux, Mahaffey, Marsh, Marzano, McCormick, Merrill, Moon, Murray, O'Brien, Perry, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Sprague, Thompson, Walgren, Whetzel, Wolf—53.

Those absent or not voting were: Representatives Backstrom, Clocksin, Conner, Taylor, Veroske—5.

Mr. Chatalas moved adoption of the following amendment:

On page 2, line 12, after "ity" and before "of the electors" strike "of at least three-fifths"

Mr. Smith demanded an electric roll call and the demand was sustained.

Representatives Newschwander and Haussler spoke against adoption of the amendment.

POINT OF ORDER

The Speaker recognized Mr. Copeland on a point of order.

Mr. Copeland:

"Mr. Speaker, does not Mr. Chatalas' amendment enter into the subject matter contained in Senate Joint Resolution No. 20, and is that not currently before the House Committee on Revenue and Taxation? If so, I would suggest that his amendment would be out of order, according to House Rule 33."

RULING BY THE SPEAKER

The Speaker:

"I would think the amendment would be in order. Senate Joint Resolution No. 20 has a much larger scope than the amendment offered. The rule indicates 'no bill' and I would say since this is just a partial verbiage from Senate Joint Resolution No. 20 that it would be in order."

POINT OF ORDER

The Speaker recognized Mr. Copeland on a further point of order.

Mr. Copeland:

"Mr. Speaker, you said 'no bill.' The rule says 'no bill or resolution pending before the House.'"

The Speaker:

"I would say the same would apply to a resolution. The point is that it isn't taking the entire content of the resolution or bill and, therefore, would not come under the provisions of Rule 33."

POINT OF ORDER

The Speaker recognized Mr. Copeland on a further point of order.

Mr. Copeland:

"Mr. Speaker, if we are reading this bill section by section, we are now on page 2, and we have already passed page 1 and have created a conflict. On page 2, line 12 you are deleting three-fifths, but on page 1 you have left three-fifths."

RULING BY THE SPEAKER

The Speaker:

"Mr. Copeland, there being no objection, the second reading was by last line only. That means we are not taking it section by section. We have tried to put the amendments in some kind of order."

Debate ensued, Representatives Smith and McGavick speaking in favor of adoption of the amendment, and Representative Leland speaking against its adoption.

POINT OF ORDER

The Speaker recognized Mr. Moon on a point of order.

Mr. Moon:

"Mr. Speaker, Mr. McGavick is talking about special levies. We have already resolved this area on special levies in the previous amendment when we failed to reconsider the amendment of Representatives Hoggins and McGavick. This amendment we are dealing with now deals with the issuing of general obligation bonds. I wish we would keep our discussion to general obligation bonds and forget about special levies."

The Speaker:

"Thank you, Mr. Moon."

Representative Bledsoe spoke against the adoption of the amendment.

Mr. Kink demanded the previous question and the demand was sustained.

The Clerk called the roll on adoption of the amendment by Representative Chatalas to page 2, line 12 of Engrossed Senate Joint Resolution No. 13, and the motion was lost and the amendment was not adopted by the following vote: Yeas, 40; nays, 52; absent or not voting, 7.

Debate ensued, Representative Holman speaking in favor of adoption of the amendment and Representative Juelling speaking against it.

Mr. Grant demanded an electric roll call and the demand was sustained.

Those absent or not voting were: Representatives Backstrom, Conner, Taylor, Veroske—4.

MOTION FOR RECONSIDERATION

Mr. Kalich, having voted on the prevailing side, moved that the House do now reconsider the vote by which the motion by Mr. McDougall to table Mr. Holman's amendment was carried.

RULING BY THE SPEAKER

The Speaker:

"Mr. Kalich, I refer you to Reed's No. 204. The motion to lay on the table, when decided in the affirmative, cannot be reconsidered."

MOTION

Mr. Kalich moved that the amendment by Mr. Holman to Engrossed Senate Joint Resolution No. 13 be taken from the table.

RULING BY THE SPEAKER

The Speaker:

"Your motion would be out of order. There has been no intervening business, Mr. Kalich."

On motion of Mr. McDougall, the rules were suspended, Engrossed Senate Joint Resolution No. 13 as amended by the House was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

Those absent or not voting were: Representatives Backstrom, Conner, Taylor, Veroske—4.

Engrossed Senate Joint Resolution No. 13 as amended by the House, having failed to receive the constitutional two-thirds majority, was declared lost.

EXPLANATION OF VOTE

"Mr. Speaker, Representatives of the House, it is certainly a privilege to be here today and observe your legislature in session. I am sure Jon and I are learning quite a lot and, on behalf of the YMCA across the state, I would like to thank you for making this all possible. Thank you very much."

Mr. Anderson:

"Ladies and gentlemen of the House, it is indeed a pleasure for me to have someone from my hometown as the youth governor. I should also like to tell you something about this young man. He has a straight four-point grade average in high school and, in addition, received the inspirational trophy for football and wrestling. I think he is going to be an outstanding youth governor. On behalf of myself and the members of this legislature, Andy, I would like to present to you a copy of *Reed's Parliamentary Rules*, which has your name on it, Andrew C. Borhnson, Governor, Youth Legislature, 1967, and also a copy of the 1967 *Legislative Manual*. I am extremely proud to be able to give these to you, Andy."

Mr. Charette:

"Mr. Speaker, ladies and gentlemen of the House, I would also like to present at this time to Jon Parker a copy of *Reed's Rules* and a *Legislative Manual*. Jon is also an excellent student at Hoquiam High School. He plays football and basketball. I reminded him today that on Thanksgiving afternoon the game, which I attended, seemed to last about seven hours. He did a fine job, and I know that Jon's father and mother are very proud of him and will be even more proud in the future."

The Speaker:

"We congratulate both you young gentlemen. You are certainly a credit to the state of Washington and to your community."

The Speaker requested that the special committee escort the young men to the rear of the chamber.

"Mr. Whetzel, did I understand that you have another amendment which you are going to offer which will take care of this problem Mr. Brazier is trying to handle?"

Mr. Whetzel:

"No. I think his amendment on page 85 does it, if we keep from confusing and compounding the problem by writing the boundary review board into several of these other provisions, thus creating alternate possibilities of operation, both under this act and House Bill No. 37. If Mr. Brazier's amendment on page 85 alone were adopted, without some of these others, I think the confusion would be cleared up."

On page 2, beginning on line 4, after "adopted by" strike "three-fifths" and insert "two-thirds"

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, citing Reed's Rules, section 147, on amendment by striking out a paragraph or inserting a paragraph, where it states:

"Whenever a motion to strike out a paragraph is pending, it is in order for the assembly to amend the paragraph, its friends being entitled to perfect it before the vote on striking it out is taken. This is because if the motion to strike out is negated, it is equivalent to an adoption of the words of the paragraph by the assembly, and it can not then be modified."

"The House by its action has approved this article and therefore an amendment at this time would be out of order."

RULING BY THE SPEAKER

The Speaker:

"Mr. O'Brien, I don't believe your point is well taken. Rule 147 pertains to amendment by striking out a paragraph or inserting a paragraph. I think that the example No. 7 in Rule 142 would be applicable to Mr. Chapin's amendment, to strike out part of the same words and insert other words. This would be applicable, but Rule 147, which you cited, would not be applicable in this case, because it deals with striking out only, not striking out and inserting, which is what Mr. Cunningham's motion was."

Mr. O'Brien:

"Mr. Speaker, referring you to Rule 138, the principal point of this argument is that amendments have to be submitted and acted upon first, because after the motion to strike out is put and carried, it precludes further amendments. It appears you have ruled previously during this session that the friends of the section have the right to offer their amendments first before the motion to strike out was submitted to the body."

The Speaker:

"That is to strike, not strike out and insert."

Mr. O'Brien:

"A motion has already been made to strike out and insert a whole new paragraph and this failed to carry. The House has decided this is the way it wants the article to be presented, and by its action has precluded any further amendments. This is according to Reed's 138 and 147."

The Speaker:

"The prior ruling was on the motion to strike, not to insert, and I think Rule 147 is very clear. It states 'or' and not 'and.'"

Debate ensued, Representative Chapin speaking in favor of adoption of the amendment and Representative Copeland speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Cunningham, Mr. O'Brien yielded to question.

Mr. Cunningham:

"Mr. O'Brien, this debate is quite interesting. Last week we were wrestling with tax revision in this House, as I recall, and somehow or other we didn't get sixty-six votes. Would you have liked to have this rule in effect at that time?"

Mr. O'Brien:

"Yes, sir. As a matter of fact, for your enlightenment, the one time you had a Republican governor, he recommended a two percent corporate income tax, which our party supported and the people on the other side of the aisle fought vigorously. I thought at that time the people should have the right to select the type of taxation they are to have. The big difficulty of this tax reform program is the presentation and the method of how you want to get it out to the people."

Further debate ensued, Representatives Hoggins and Perry speaking against adoption of the amendment.

Mr. McDougall demanded the previous question and the demand was sustained.

At the request of Mr. Humiston, Mr. O'Brien yielded to question.

Mr. Humiston:

"Mr. O'Brien, I have also seen that list of other states that you read off and realize that this type of tax income can be earmarked for servicing these bonds. The thing that I am not aware of—and I don't know whether any of us have been furnished this information—is whether in the state laws of the states involved, Arizona and the oth-

ers, the otherwise existing statutory limits on bonded indebtedness are also lifted when this method was used. I don't know whether this information is available or not."

Mr. O'Brien:

"I don't know. I don't think your argument on the bonded indebtedness is valid. This is a self-sustaining project that is outside the regular general obligation bonds of your method of taxation relative to millages on real property. This is a project itself, separate and distinct. I do not see why bonded indebtedness would have any particular effect on a project that is wholly self-supporting. You are not going to have bonded indebtedness in this particular instance, in my opinion. I don't think it merits solid consideration."

Mr. Gorton demanded the previous question and the demand was sustained.

EXPLANATION OF VOTE

I voted against House Joint Resolution No. 30 on final passage because of the inclusion of urban renewal as a beneficiary of this legislature. Mr. Holman:

"Mr. Wolf, if your amendment is adopted, then what is the significance of Mr. Brian Lewis' work in the last fifteen minutes?"

RESOLUTIONS

House Resolution No. 67-64, by Representative Conner:

Whereas, October 27, 1968, will mark the one hundredth anniversary of the founding of the Ancient Order of United Workmen, America's first fraternal benefit insurance society; and

Whereas, The system of fraternal insurance has, since the establishment of its first lodge at Olympia on January 17, 1879, through the Ancient Order of United Workmen, served the citizens of this state; and

Whereas, The State of Washington now hosts the home office of the Supreme Lodge of that Order, and as a corporation exists under the laws of this state, and will in the year 1968 be celebrating one hundred years of service to its members;

Now, Therefore, Be It Resolved, By the House of Representatives, That we commend the Ancient Order of United Workmen for its good works, congratulate it on its one hundredth birthday, and wish for it and the Institution of Fraternal Insurance continued service and prosperity; and

Be It Further Resolved, That a copy of this Resolution be sent to the home office of the Ancient Order of United Workmen in Seattle, Washington as a memorial of our interest.

On motion of Mr. Conner, the resolution was adopted.

House Resolution No. 67-65, by Representatives O'Dell, Morrison, Bottiger, DeJarnatt, Lux, Moon, McDougall, Bledsoe, Jolly, Farr, Haussler, Bozarth, Veroske, Wolf, Newhouse, and Berentson:

Whereas, Violence has broken out in the eastern United States as a result of a campaign by dairy farmers to raise milk prices; and

Whereas, There have been widespread reports of arson, dynamiting, dumping and deliberate spoilage of milk; and

Whereas, Though Washington has so far been spared such violence, the nationwide problems that gave rise to it in the East exist here as well; and

Whereas, In Washington, as elsewhere, the cost of dairy farming has greatly risen in recent years; and

Whereas, In Washington, as elsewhere, there is deep concern over the consequent decrease in the number of dairymen and dairy herds; and

Whereas, In Washington, as elsewhere, it is of vital importance that an adequate supply of milk products be available at all times to fill the needs of consumers; and

Whereas, The Fortieth Legislature has recognized the importance of this problem by holding hearings on the matter, reflecting state-wide interest and concern; and

Whereas, The issue is of such magnitude and complexity that it requires careful study from many angles before it can be solved; and

Whereas, At all costs, the threat of violence must be extinguished before it becomes a reality;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council be directed to study the problems of dairy farming, milk production and distribution, and trade practices prevalent in the dairy industry, with a view to the preparation of legislation which will help guarantee that violence or other troubles may be avoided, and that an adequate supply of milk and milk products will always be available at a reasonable price to the consumers of the state.

Be It Further Resolved, That the results of the study and recommendations based thereon, together with drafts of appropriate legislation, be presented to the Forty-first Session of the Legislature in January, 1969.

Mr. Wolf moved adoption of the resolution.

Debate ensued, Representatives Newhouse, Moon, and Farr speaking in favor of adoption of the resolution, and Representative Leckenby speaking against its adoption.

The motion was carried and the resolution was adopted.

House Resolution No. 67-66, by Representatives Adams, Farr, and Lux:

Whereas, It is the obligation of the Legislature of the State of Washington to protect and promote the good mental health of the citizens of the State of Washington; to insure the public safety; to provide the most adequate, expeditious and effective care of the mentally ill; and, at the same time, to preserve the constitutional rights of such persons; and

Whereas, It has been brought to the attention of the Fortieth Regular Session of the Washington State Legislature, by the introduction of and hearings conducted on House Bill No. 459, of a need for a study and survey of nonjudicial procedure for the commitment of mentally ill persons; and

Whereas, It appears that existing judicial procedures oftentimes require detention of mentally ill persons in jails and other facilities, which are detrimental to the mental health of such persons, and often have the effect of making extremely difficult and more time-consuming the treatment and restoration of such persons to good mental health; and

Whereas, The existing judicial hearing procedures requiring the submission of evidence and testimony for the determination by the court of the existence of mental illness oftentimes have extremely embarrassing, stigmatizing and traumatic effects upon mentally ill persons making far more arduous the treatment and restoration of such persons to good mental health; and

Whereas, Parents, sons and daughters, friends and loved ones of mentally ill persons, recognizing the fact of detention and judicial hearing procedures, are reluctant to make application for the commitment of mentally ill persons at a time when treatment can be most effective without extended hospitalization; and, they often do not apply for judicial commitment until the mental illness becomes extremely exacerbated and, in many cases, dangerous to the public safety; and

Whereas, House Bill No. 459 contains provisions which, it is contended, would if enacted, alleviate the evils of existing judicial procedures as hereinabove noted;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council is authorized and directed to conduct a study and survey which shall include:

(1) A study and analysis of the provisions of House Bill No. 459, and, at the same time, conduct a comprehensive survey and analysis of the nonjudicial commitment procedures for mentally ill persons, enacted by other states, and in particular, the mental hygiene law of the State of New York from which House Bill No. 459 was derived;

(2) Recommendations and drafts of legislation providing an alternate procedure for the nonjudicial commitment of mentally ill persons, which will alleviate the undesirable effects of the present judicial procedures, hereinabove noted, and, at the same time, preserve and protect the constitutional rights of such persons.

Be It Further Resolved, That the Legislative Council shall report to the Legislature the results of its study and survey together with its recommendations and such drafts of legislation as it may deem appropriate on or before December 15, 1968.

On motion of Mr. Adams, the resolution was adopted.

MOTION

On motion of Mr. McDougall, the House recessed until 2:30 p.m.

Mr. Speaker:

The Senate has concurred in the House amendments to Engrossed Senate Bill No. 355 and has passed the bill as amended by the House.

Ward Bowden, *Secretary.*

Senate Chamber,
Olympia, Wash., March 29, 1967.

Mr. Speaker:

The Senate has concurred in the House amendment to Senate Bill No. 363 and has passed the bill as amended by the House.

Ward Bowden, *Secretary.*

MOTION FOR RECONSIDERATION

Mr. Leland, having given notice on the preceding day, moved that the House do now reconsider the vote by which House Joint Resolution No. 30 failed to pass the House.

Representative Lewis spoke in favor of the motion.

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Leland yielded to question.

Mr. Lewis:

"Representative Leland, I haven't had an opportunity to find out about this amendment you are proposing. I would like to inquire if you are contemplating modifying

the language such that the resolution says that any taxing district shall use all the taxes levied to pay for the indebtedness, so that there would be no doubt that the total increase of value from an urban renewal project would be used to pay off the bonds. Otherwise, we could have a problem of increase of urban density because of development of high-rise apartments in a blighted area, increasing the demand for police and fire protection, schools, and other public services, with no available tax base to finance these services, which would be the case under the resolution as presently written."

Mr. Leland:

"Mr. Lewis, I have not had a chance to look at these amendments which the Forward Thrust people have prepared and which they hope will eliminate the opposition that existed yesterday. It is for this purpose we are asking for reconsideration. The resolution will then be set back to second reading and held until tomorrow so these amendments can be offered. Your question is a bit premature."

Representatives O'Brien, Beck, and Clarke (George W.) spoke in favor of the motion for reconsideration.

YIELDING TO QUESTION

At the request of Mr. Newhouse, Mr. Leland yielded to question.

Mr. Newhouse:

"Mr. Leland, this may seem premature to you, but would you be agreeable to saying whether the top paragraph on page 2 might be made a little more acceptable, wherein a chapter of RCW would be put into the Constitution?"

Mr. Leland:

"Mr. Newhouse, it is my understanding that an amendment has been drafted that is considerably better than the original language, but they have not had an opportunity to get this language to me. Of course, the entire resolution would be before the body once it was reconsidered and put back on second reading."

The Speaker recognized Mr. Holman.

Mr. Holman:

"Mr. Speaker, in answer to Mr. Newhouse, the amendment we have in mind does exactly what he stated. It will not have any reference to any statutes in it."

Representative Humiston spoke in favor of the motion for reconsideration. The motion was carried.

RECONSIDERATION

The Speaker declared the question before the House to be House Joint Resolution No. 30 on third reading and final passage.

MOTION

On motion of Mr. Gorton, the House deferred further consideration of House Joint Resolution No. 30, and the resolution was ordered placed at the end of today's third reading calendar.

Whenever a first class county with a population over one hundred seventy thousand establishes a boundary review board pursuant to chapter, Laws of 1967 (Substitute House Bill No. 37) the provisions of this act relating to annexation review boards shall not be applicable."

On motion of Mr. Charette, the following amendment was adopted:

On page 86, strike all of section 35A.14.230. Renumber the remaining sections consecutively.

On motion of Mr. Whetzel, the following amendments were adopted:

Mr. Whetzel moved adoption of the following amendment:

On page 160, section 35A.63.110, line 18, after "jurisdiction" strike ", and method of appeal from its decisions" and insert "The action of the board of adjustment shall be final and conclusive, unless, within ten days from the date of the action, the original applicant or an adverse party makes application to the superior court for the county in which that city is located for a writ of certiorari, a writ of prohibition, or a writ of mandamus."

YIELDING TO QUESTION

At the request of Mr. Leckenby, Mr. Whetzel yielded to question.

Mr. Leckenby:

"Mr. Whetzel, if this amendment were adopted, then a city such as Seattle would have to change from the procedure they are presently using in consideration appeals from the board of adjustment. Is that not right?"

Mr. Whetzel:

"Yes."

Mr. Leckenby:

"Is it not true that the optional code has been developed in such a way that it is supposed to make it easy for cities to adopt the optional code as a simplifying agent rather than something that is going to cause complications? Some of us think that cities should use this procedure but some have already chosen different procedures. Isn't this going to make the adoption of the optional code less desirable?"

Mr. Whetzel:

"I don't think so, Representative Leckenby. If you read the first fifty pages of this bill, you will find the simple, easy instructions of how you become one of these code cities. There are several things in here I think a city would want to consider before putting in an annexation review board. There is some procedure they might not want to take advantage of or come under. The situation in the city of Seattle is probably somewhat inapplicable, because the city of Seattle is a first class, charter city and, under legislation we have adopted in 1963 and 1965, possesses all the powers of any city of like size and character and doesn't really need this optional code to expand its powers in any way."

The motion was carried and the amendment to page 160, line 18 was adopted.

On motion of Mr. Whetzel, the following amendment was adopted:

On page 161, strike all of section 35A.63.130

Renumber the remaining sections consecutively

On motion of Mr. Holman, the following amendment was adopted:

On page 168, section 35A.80.010, line 23, after "powers" and before "authorized" insert "to the extent"

On motion of Mr. Humiston, the committee amendment to the title was adopted.

House Bill No. 496 was ordered engrossed.

Mr. Humiston moved that the rules be suspended, Engrossed House Bill No. 496 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

The motion was carried on a rising vote.

Representatives Humiston, Marsh, and Brazier spoke in favor of passage of the bill, and Representative Smith cautioned that further study of the problem would be necessary.

Mr. Kalich demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 496, and the bill passed the House by the following vote: Yeas, 91; nays, 3; absent or not voting, 5.

Those voting yea were: Representatives Adams, Amen, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sheridan, Smith, Smythe, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—91.

Those voting nay were: Representatives Juelling, May, Spanton—3.

Those absent or not voting were: Representatives Anderson, Bozarth, Heavey, Hubbard, Sawyer—5.

Engrossed House Bill No. 496, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

My "nay" vote on this measure was not cast as an effort to kill the measure. There was a multitude of last minute amendments placed on this measure and I did not have adequate time in a brief twenty-minute period to study them.

Keith J. Spanton,

Mr. Whetzel moved adoption of the following amendment:

On page 1, line 13, after "legislation" strike "in accord with the concept of multiple use"

EXPLANATION OF VOTE

I wish to have my vote on the amendment by Mr. Whetzel changed from "yes" to "no."

Hugh "Bud" Kalich,
20th District.

Mr. McDougall moved that the rules be suspended, Senate Joint Memorial No. 21 be advanced to third reading, the second reading considered the third, and the memorial be placed on final passage.

The motion was carried on a rising vote.

Representative Beck spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Whetzel, Mr. Berentson yielded to question.

Mr. Whetzel:

"Mr. Berentson, there has been discussion of what is meant by the term 'multiple use' in lines 13 and 14 of this memorial. You are a member of the Natural Resources Committee and participated in the hearing and discussion in the committee on this. I wonder if you would give me your interpretation of the word 'multiple use,' and whether it would include the kind of commercial logging that is now available on undedicated national forest land."

Mr. Berentson:

"Well, I believe a little earlier you read from the report under multiple purpose recreation areas. Let me reread a few lines to refresh the memory of the body:

"I recommend that other multiple uses, such as mining, grazing, power development, limited timber removal where necessary for road construction, and recreational development or disease control, be permitted in the Multiple Purpose Recreation Areas."

"I think it is pretty hard to answer your question, in that we know now under forest service disease control, private contractors are allowed to come in and do some logging. In fairness, you are looking at private logging companies coming into some of these areas. We now see in a great share of the forest service lands selective logging being done. My reaction, as Mrs. Clocksin mentioned, is that if this is controlled properly on a very selective basis with stringent controls it does not hurt the area at all. In fact, I think, as she mentioned, that it probably enhances the area."

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Berentson yielded to question.

Mr. McGavick:

"Mr. Berentson, would I be correct in concluding that the recommendations for multiple use permitted or suggested by this memorial would also provide for open pit mining in the North Cascades Range?"

Mr. Berentson:

"You are speaking now of the area near Glacier Peak?"

Mr. McGavick:

"Yes."

Mr. Berentson:

"Well, I couldn't answer that. We have this problem facing us now, but certainly it is a mineral and here again I think it is a question of your philosophy in this area. I, too, am concerned about whether we are going to lay a large section of our countryside open; but on the other hand, we live in this world and we do need some minerals on occasion, too. In answer to your question, I think that this could occur occasionally."

Debate ensued, Representatives McDougall and Leland speaking in favor of passage of the memorial, and Representative Walgren speaking against its passage.

Mr. McCormick demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Senate Joint Memorial No. 21, and the memorial passed the House by the following vote: Yeas, 71; nays, 23; absent or not voting, 5.

Those voting yea were: Representatives Adams, Amen, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bottiger, Bozarth, Brazier, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Harris, Haussler, Hawley, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Juelling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marzano, May, McCormick, McDougall, Merrill, Moon, Morrison, Newschwander, Perry, Reese, Richardson, Saling, Spanton, Swayze, Taylor, Veroske, Wanamaker, Wolf, Zimmerman, Mr. Speaker—71.

The Speaker:

"It is my pleasure at this time to present to the members of the House of Representatives, Mrs. Fullner who has been selected as the Mother of the Year for 1967 of the State of Washington."

Mrs. Fullner:

"Thank you. Members of the House of Representatives of the State of Washington: I am very happy to receive such a warm welcome. Perhaps you would like to hear a little bit about my family. I have three children: Max William, who is Director of the King County Office for Soil Conservation Service in Renton; John Lawrence, who is a teacher of biology at Roosevelt High School in Seattle; and a daughter, Sharon Elizabeth, who is a teacher with her husband at the Redwood Park School for Retarded Children in Bellingham. My husband died in 1936, and we lived on a little farm in Whatcom County. Our activities consisted of hiking in the mountains, swimming in the river, camping and skiing up on Mt. Baker. I have been a teacher for over thirty years. I have taught in Oregon, California, and Alaska as well as Washington, and in the various places I have chosen to teach throughout the west, I have always found

something that was of interest. In community activities I have been associated with church and P.T.A. groups and home interest groups, and I have always been interested in the great outdoors. I still lead hikes. To me, life is really a 'bowl of cherries'. It is such a lot of fun."

The Speaker thanked Mrs. Fullner and instructed the special committee to escort her from the rostrum.

Any rate of interest not exceeding twelve percent per annum agreed to in writing by the parties to the contract shall be legal, and no person shall directly or indirectly take or receive in money, goods, or things in action, or in any other way, any greater interest, sum or value for the loan or forbearance of any money, goods or things in action than twelve percent per annum: *Provided, That in any loan of money in which the funds advanced do not exceed the sum of five hundred dollars, a setup charge may be charged and collected by the lender, and such setup charge shall not be considered interest hereunder: Provided further, That such setup charge does not exceed four percent of the amount of funds advanced, or fifteen dollars, whichever is the lesser, except that on loans of under one hundred dollars a minimum not exceeding four dollars may be so charged.*

The reduction in principal shall be applied to diminish pro rata each future installment of principal payable under the terms of the contract.*

Such an action shall be brought against the current creditor or debtor on the contract or, if the loan or debt has been fully repaid, by the debtor against the creditor to whom the debtor was last indebted on the contract. No such an action shall be commenced after six months following the date the final payment becomes due, whether by acceleration or otherwise, nor after six months following the date the principal is fully paid, whichever first occurs. SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign: Substitute House Bill No. 403; also

House Bill No. 413; also

House Bill No. 451; also

House Bill No. 490.

INTRODUCTION AND FIRST READING OF BILLS, MEMORIALS, AND RESOLUTIONS

The following were introduced, read first time by title, and acted upon as indicated:

House Bill No. 966, by Representatives Flanagan, Day, Murray, and Berntson:

An Act relating to state government; and amending section 3, chapter 232, Laws of 1957 as amended by section 2, chapter 238, Laws of 1967 and RCW 70.94.030.

Mr. Flanagan moved that the rules be suspended, House Bill No. 966 be advanced to second reading and read the second time.

YIELDING TO QUESTION

At the request of Mr. Hoggins, Mr. Flanagan yielded to question.

Mr. Hoggins:

"The amendment which was left off Senate Bill No. 46, what does that pertain to?"

Mr. Flanagan:

"This amendment by the Natural Resources Committee changed the language a little in one section of the bill. It was very much desired that we have this amendment, because it gives the Department of Health the authority to act before serious damage or death occurs."

The motion was carried.

Mr. Flanagan moved the rules be suspended, House Bill No. 966 be advanced to third reading, the second reading be considered the third, and the bill be placed on final passage.

YIELDING TO QUESTION

On request of Mr. Smith, Mr. Flanagan yielded to question.

Mr. Smith:

"Mr. Flanagan, we don't have copies of this bill on our desks, do we?"

Mr. Flanagan:

"No, I don't suppose you do, Representative Smith, because, as I explained before, this is just a very short amendment to Senate Bill No. 46 which was passed here in the House before, I think with a unanimous vote. We looked at it quite closely then. It's only about four or five words put back in again."

Mr. Smith:

"What were those four or five words?"

Mr. Flanagan:

"I will read the way the bill was worded: '. . . one or more air contaminants in sufficient quantities and of such characteristics and duration as to be injurious to humans, plant or animal life.' The amendment changes it to say 'characteristics and duration as is, or is likely to be, injurious, . . .'"

YIELDING TO QUESTION

On request of Mr. Moon, Mr. Flanagan yielded to question.

Mr. Moon:

"Mr. Flanagan, would you object to having this bill put at the top of the second reading calendar on the next working day?"

Mr. Flanagan:

"No, I don't object. I don't really think it is necessary, but if you would like to, it's all right."

The motion by Mr. Flanagan to suspend the rules and advance House Bill No. 966 to third reading was lost.

MOTION

On motion of Mr. Moon, the House deferred further consideration of House Bill No. 966 and the bill was ordered placed on tomorrow's second reading calendar.

House Bill No. 967, by Representatives Marzano, Gallagher, and Sheridan:

An Act relating to urban renewal; requiring approval of urban renewal projects by a vote of the people; and amending sections 35.81.060, 35.81.070, 35.81.090, 35.81.150 and 35.81.160, chapter 7, Laws of 1965 and RCW 35.81.060, 35.81.070, 35.81.130 and 35.81.150.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Cunningham yielded to question.

Mr. Adams:

"Representative Cunningham, will you give us some idea of what this would cost the state in the way of expense to the state or the counties?"

Mr. Cunningham:

"From the latest estimate I have from the county auditors, it would be somewhere in the vicinity of four hundred thousand dollars or less. The reason it has come down a great deal from original estimates is the fact that the bill specifies there shall be fewer election workers involved in this than you would have in a normal election, and also that this is at a time when schools and other organizations might want to run special elections, and that would be deducted from the cost of this type of election."

Mr. Adams:

"In other words, there would be a substantial cost. Would you explain to me in what manner the state would benefit so as to justify this cost?"

Mr. Cunningham:

"I feel the state of Washington has never had the opportunity to have any impact on the choice of president of the United States, because at a national convention we are so far down the alphabet that usually our vote has no consequence at that time. This is set up to run in conjunction with the state of Oregon, and the state of Idaho is also considering this. I feel it would put us in the forefront, as far as having an impact on who is nominated for president from either party, and I feel we have gone down the road of the blanket primary up to the point of nominations for president, and that we should go all the way and give people a choice in this area."

Representatives Bottiger and Kalich spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed House Bill No. 748, and the bill passed the House by the following vote: Yeas, 60; nays, 35; absent or not voting, 4.

Those voting yea were: Representatives Amen, Backstrom, Barden, Berentson, Bluechel, Bottiger, Brazier, Brouillet, Ceccarelli, Chapin, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Cunningham, DeJarnatt, Elicker, Farr, Garrett, Goldsworthy, Gorton, Grant, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Juelling, Kalich, Kink, Kirk, Kiskaddon, Leck-

enby, Leland, Lewis, Lux, Lynch, Marsh, Marzano, McCaffree, McCormick, McGavick, Murray, Newhouse, Newschwander, O'Dell, Perry, Rosellini, Sal-
 ing, Smith, Smythe, Sprague, Swayze, Thompson, Veroske, Whetzel, Wolf,
 Zimmerman, Mr. Speaker—60.

Those voting nay were: Representatives Adams, Anderson, Avey, Bagnar-
 iol, Beck, Bledsoe, Charette, Conner, Copeland, Day, Flanagan, Gallagher,
 Gladder, Harris, Haussler, Heavey, Hurley, Jastad, Johnson, Jolly, King,
 Kopet, Litchman, Mahaffey, May, McDougall, Merrill, Moon, Morrison, Rich-
 ardson, Sheridan, Spanton, Taylor, Walgren, Wanamaker—35.

Those absent or not voting were: Representatives Bozarth, O'Brien, Reese,
 Sawyer—4.

Engrossed House Bill No. 748, having received the constitutional majority,
 was declared passed.

There being no objection, the title of the bill was ordered to stand as the
 title of the act.

EXPLANATION OF VOTE

Let me emphasize that this measure would do three things: (1) Give the average
 voter a direct stake in nominating a president, stimulating citizen interest in politics;
 (2) Double the impact of Washington state in national political importance because of
 tying our presidential primary to the same period and same plan as Oregon's; (3) De-
 velop a new cooperation with Oregon in focusing attention of the nation on the Pacific
 Northwest as a political entity, the area that holds the most unusual, meaningful, and
 important primary in the nation. Regarding costs, we must compare the costs with the
 value of stimulating citizen interest. The state would receive most of the costs back in
 business and occupation and sales taxes on stimulated political campaigns and their
 promotion. As a resident of Washington whose economic interests are tied to Oregon,
 and whose geographic location is favorable to Oregon, I would add that the several
 television stations, radio stations, and newspapers of Oregon that focus on elections
 would be able to gear their programs to not only Oregon, but to the residents of
 Southwest Washington, if the two states had presidential primaries simultaneously. Al-
 though it is not a Southwest Washington measure, it is one that we Southwest Wash-
 ington legislators can agree would have a favorable result, in my opinion, for our re-
 gion.

Harold S. Zimmerman,
 17th District.

Engrossed House Bill No. 516, by Representatives Cunningham, Barden,

Sec. 10. Section 29.54.070, chapter 9, Laws of 1965 and RCW 29.54.070 are each amended to read as follows:

After all the ballots have been counted, strung, and tallied it shall be the duty of the inspector to place them in a sealed envelope and write thereon, "Ballots of precinct county, state of Washington, of election held this day of, 19.....," and send said sealed envelope to the auditor of the county or other election official. The county auditor or other officer shall keep the sealed envelope containing said ballots unopened for the period of [six] two months, to be used only as evidence in case or cases of contest when called for. At the end of that time he shall burn or make such disposition of said ballots, as he may deem expedient, in the presence of two other officers."

On motion of Mr. Smith, the following amendments to the amendment were adopted:

Amend the amendment by Representative Cunningham adding nine new sections as follows: On page 2, section 6, line 10, after "than" strike "ten" and insert "fifteen"

Amend the amendment by Representative Cunningham adding nine new sections as follows: On page 3, section 8, line 9, after "than" and before "days" strike "ten" and insert "fifteen"

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Cunningham yielded to question.

Mr. Grant:

"Mr. Cunningham, on page 3 of the amendment you have stricken out material relating to the poll books. Now, the old books, which were available to the parties, require that the voter sign his name and current address. Is this the part we are dealing with in the underlined material on page 3?"

Mr. Cunningham:

"That is correct. The auditors in the various counties found that this is a rather cumbersome method in limited elections where this particular provision is not really of any particular importance, and they have suggested, and the committee concurred, that this should be limited to September and November elections, in any year. As you will note, we have included odd and even years, in case we sometime go to odd-year general elections."

Mr. Grant:

"Mr. Cunningham, would you object to putting this over to the bottom of the calendar? I certainly can't agree with the committee in this particular amendment and I would like to have an opportunity to offer an amendment to your amendment."

Mr. Cunningham:

"Mr. Grant, I think there is a move to put it to the top of tomorrow's second reading calendar. Would that be satisfactory to you?"

Mr. Grant:

"Yes."

MOTION

On motion of Mr. Wolf, the House deferred further consideration of En-grossed House Bill No. 516, and the bill was ordered placed on tomorrow's second reading calendar.

House Bill No. 479, by Representatives McDougall, Richardson, and Char-ette (by departmental request):

Abolishing temporary permits for real estate salemen.

House Bill No. 479 was read the third time and placed on final passage.

Representative Richardson spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of House Bill No. 479, and the bill passed the House by the following vote: Yeas, 64; nays, 26; absent or not voting, 9.

Those voting yea were: Representatives Adams, Amen, Backstrom, Bag-nariol, Barden, Berentson, Bledsoe, Bluechel, Brazier, Ceccarelli, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cun-ningham, Day, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Har-ris, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Juelling, Kalich, King, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lux, Mahaffey, Marsh, McDougall, Morrison, Murray, Newhouse, New-schwander, O'Dell, Richardson, Rosellini, Saling, Smythe, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—64.

Those voting nay were: Representatives Anderson, Avey, Beck, Bottiger, Chatalas, Conner, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Johnson, Jolly, Kink, Litchman, Marzano, May, McCormick, McGavick, Mer-rill, Moon, Perry, Sheridan, Taylor, Walgren—26.

Those absent or not voting were: Representatives Bozarth, Brouillet, Lynch, McCaffree, O'Brien, Reese, Sawyer, Smith, Spanton—9.

House Bill No. 479, having received the constitutional majority, was de-clared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

My vote was recorded in error. It was my intent to vote in favor of House Bill No. 479.

Gordon L. Walgren,
23rd District.

RECONSIDERATION

The House resumed reconsideration of the vote by which House Joint Resolution No. 30 had failed to pass the House.

House Joint Resolution No. 30, by Representatives O'Brien, Hawley, and Ceccarelli:

Adding a new section to Constitution as to urban renewal.

MOTION

On motion of Mr. Holman, the rules were suspended and House Joint Resolution No. 30 was returned to second reading for the purpose of amend-ment.

SECOND READING OF RESOLUTION

Mr. Holman moved adoption of the following amendment:

Beginning on line 8 strike the remainder of the resolution and insert the following:

"NEW SECTION. Article VII, section 11. Pursuant to this section, the legislature may authorize the state and any taxing district to finance public improvements, and public expenditures or projects for the renewal of real property, in whole or in part from any additional tax revenues to be derived from the increased assessed valuations of property for ad valorem taxation occurring after such improvements, projects, or expenditures have been ordered or made. The legislature shall provide for the determination by the state or by any taxing district of the area from which such additional tax revenues shall be derived, and shall further provide for the period of time during which such additional tax revenues may be applied to finance such improvements, projects, or expenditures. Notwithstanding any other provision of this Constitution, the legislature may provide that the ad valorem taxes levied upon property in such area by the state or by any taxing district may be divided so that a portion of the taxes levied against any increase in the assessed valuation of such property occurring (1) after a public improvement has been ordered or made, or (2) after an urban renewal project plan has been adopted, or (3) after expenditure for the acquisition of real property for such project has been made, shall be used to pay any borrowing incurred for such purposes. Borrowing secured by a pledge of such additional tax revenues shall not constitute the incurring of indebtedness under Article VIII of the Constitution. The legislature shall enact whatever laws shall be necessary to carry out the purposes of this section.

The term "taxing district" for the purpose of this section shall mean any political subdivision, municipal corporation, district, or other governmental agency authorized by law to levy ad valorem taxes on property.

And Be It Further Resolved, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state."

Mr. Lewis moved adoption of the following amendment to the amendment:

Amend the amendment by Representative Holman as follows: In line 6, after "valuations of" and before "for ad valorem" strike "property" and insert "land"

Debate ensued, Representative Lewis speaking in favor of adoption of the amendment to the amendment, and Representative Holman speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. Holman yielded to question.

Mr. Perry:

"Mr. Holman, the other day you proposed an amendment to the Constitution which would allow us to tax municipal entities of a proprietary function. That failed. We are now offering this body here a proposal with the municipal proprietary functions still exempted, which would increase the tax load on the existing groups of people. This seems to me to be philosophically inconsistent."

Mr. Holman:

"I think it is philosophically consistent. I say this is a means of relieving the general property in the community and the people from the impact of large bond issues. I think you have to have some of them, but I think this is a means whereby we can relieve the citizens from obligations to support some of these expensive capital improvements by going out and selling these tax increment bonds. I don't think it will be easy to sell them by any means, but I think this has been done in many places. I think this legislature in its wisdom will come down next time and develop equitable means of doing this."

Further debate ensued, Representatives Elicker and Sprague speaking against adoption of the amendment to the amendment.

YIELDING TO QUESTION

At the request of Mr. Newhouse, Mr. Lewis yielded to question.

Mr. Newhouse:

"Mr. Lewis, my question is perhaps a little involved. I come from one of the cow counties and I know there is a need for something in this area. Can you tell me why there is a need for pinpointing it as to district and why it is not county-wide? I am also concerned about the need for assessing this type of thing against the property. In mass transit I can see we probably should have revenue bonds. In urban renewal, how are they now financed? It is rather complicated. I would like a little discussion on that."

Mr. Lewis:

"Well, Mr. Newhouse, there is no possibility, it seems, that mass transit is going to be financed by revenue bonds. It is questionable whether even the operating expenses can be financed from revenue from the fare boxes. It is generally conceded there will have to be a general obligation property tax, and this was the intent of Senate Bill No. 168 which went through here, which I believe is a good bill. Why it should be property is the question I am raising with my amendment. Representative Holman said there would be no increase in the value of the land when you go to rapid transit, but I submit that is not true. Several members of the House including Representative Leland, Representative Berentson, Representative Garrett, and myself, went to Toronto and Montreal in November, and we were shown a lot that had increased fifteen times in value, the land only, after a rapid transit station had been constructed within two blocks of it. Presumably that is an increase of fifteen times in the value of the taxes. I don't know whether I am answering your question. As to defining the district, that is not clear in this legislation. I don't think it should be spelled out in a resolution relating to the Constitution. It would be a question to wrestle with when they came to enabling legislation. I think it is a very difficult question to define where the sphere of influence ends."

Mr. Harris demanded the previous question and the demand was sustained.

The motion was lost and the amendment by Mr. Lewis to line 6 of the amendment by Mr. Holman was not adopted.

Mr. Lewis moved adoption of the following amendment to the amendment by Mr. Holman:

Amend the amendment by Representative Holman as follows: In line 15 of the amendment after "so that" and before "a portion of" insert "all or"

Representatives Lewis and Holman spoke in favor of adoption of the amendment to the amendment.

The motion was carried, and the amendment by Mr. Lewis to line 15 of the amendment by Mr. Holman was adopted.

The Speaker stated the question before the House to be adoption of the amendment by Mr. Holman as amended by Mr. Lewis.

The amendment as amended was adopted.

House Joint Resolution No. 30 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

On motion of Mr. McDougall, the House reverted to the third order of business for the purpose of receiving reports of standing committees.

Debate ensued, Representatives Saling and Lewis speaking in favor of the motion, and Representative Moon speaking against it.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Saling yielded to question.

Mr. Smith:

"Representative Saling, if we go along with the Senate amendments and the entire statute is repealed, is there anything that would prevent the institutions from using margarine, even though surplus butter was available?"

Mr. Saling:

"No, I don't think there would be anything that would not allow an institution to purchase margarine, even though butter were supplied free to them, but I can't see an institution that would do that."

Mr. Smith:

"Unless they had an interest in buying?"

Mr. Saling:

"Yes, that is perfectly correct. If they wanted to spend some money, they could buy the margarine instead of using the butter free."

Further debate ensued, Representative Smith speaking against the motion to concur in the Senate amendments.

YIELDING TO QUESTION

At the request of Mr. Copeland, Mr. Newhouse yielded to question.

Mr. Copeland:

"Representative Newhouse, as I read this amendment of Senator Rasmussen's striking the entire section, it would be permissible to sell colored lard, would it not?"

Mr. Newhouse:

"I think it would be permissible to sell and buy it, yes. In other words, there are no restrictions at all on the use of spreads in any of the institutions in the state."

Mr. Copeland:

"Do you feel that is beyond the scope of the bill as it originally came out of the House?"

Mr. Newhouse:

"I certainly do."

Further debate ensued, Representatives Copeland and Farr speaking against the motion, and Representatives Bottiger and Saling speaking for it.

Mr. Avey demanded the previous question and the demand was sustained.

MOTION

Mr. McDougall moved that the rules be suspended and that Senate Bill No. 634 be advanced to second reading and read the second time.

YIELDING TO QUESTION

At the request of Mr. Litchman, Mr. McDougall yielded to question.

Mr. Litchman:

"Mr. McDougall, would you explain what this bill does?"

Mr. McDougall:

"Mr. Litchman, if it is all right with you, I will defer to Mr. Cunningham."

The Speaker recognized Mr. Cunningham.

Mr. Cunningham:

"Mr. Litchman, this bill transfers the duties relating to establishment of population from the Washington state census board to the planning and community affairs agency. It is a housekeeping measure in this area and I would recommend that we pass it."

The motion was carried.

On the motion of Mr. McDougall, the rules were suspended, Senate Bill No. 634 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Cunningham spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mrs. Hurley, Mr. Cunningham yielded to question.

Mrs. Hurley:

"Mr. Cunningham, isn't this a tax relief measure?"

Mr. Cunningham:

"No, not as I read it. What it really does is transfer the job that the census board does now to the planning and community affairs agency. That is all that it does. There is no tax relief involved, unfortunately. I wish there were."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Cunningham yielded to question.

Mr. Moon:

"Mr. Cunningham, will action on this bill also abolish the state census board?"

Mr. Cunningham:

"Yes. In listening to some of the discussion that took place in the Senate, it would seem the planning and community affairs agency is better qualified to do this job than the old census board."

Mr. Moon:

"My next question was why this was necessary. I would like to have a little explanation of the bill. Why should we take this action?"

Mr. Cunningham:

"As I understand the background, the planning and community affairs agency is in a better position to do the job under today's conditions as we know them. They are better geared to doing a more comprehensive, thorough and accurate job in this area than has been done in the past."

Further debate ensued, Representative Lewis speaking in favor of passage of the bill.

The Clerk called the roll on the final passage of Senate Bill No. 634, and the bill passed the House by the following vote: Yeas, 93; nays, 1; absent or not voting, 5.

"(2) Provides facilities for voting for the candidate of as many political parties or organizations as may make nominations, and for or against as many measures as may be submitted;

"(3) Permits the voter to vote for any person for any office and upon any measure that he has the right to vote for;

"In purchasing or leasing voting machines, *and/or voting devices and vote tallying systems*, the board of county commissioners of a county, and the governing body of one or more of the public corporations [therein] *within or without the state* may enter into an agreement to provide for the joint purchase and subsequent ownership thereof *and/or* for the care, maintenance and use of the same.

"The governing body of a public corporation for the purpose of paying for or *leasing* voting machines, *and/or voting devices and vote tallying systems* may provide for the payment or *rental* thereof in such manner as it may deem for its best interest, may issue or sell at not less than par negotiable obligations bearing interest at a rate not to exceed [five] *six* percent per annum and may make their payment a charge upon the corporation or may pay for the same in cash out of its general or current expense fund or otherwise; and may contract for the purchase of such machines with regard to price, manner of purchase and time of payment as to it shall seem proper, and in estimating the amount of taxes for the general or current expense fund, if any, such amount shall be added, extending over such time as may be required to pay for such machines.

"NEW SECTION. Sec. 23. (1) Pursuant to RCW 29.04.080, the secretary of state shall by appropriate regulation devise and prescribe the form, size, weight of paper or material, kind of ballot cards, and other materials and supplies and procedures necessary in the use of voting devices or vote tally systems as provided in this 1967 amendatory act and in the process of counting and tabulating the ballots by mechanical, electrical, or electronic devices or equipment.

"(2) The secretary of state shall follow the provisions of the Administrative Procedure Act, chapter 34.04 RCW, in adopting the rules and regulations authorized by this 1967 amendatory act.

"NEW SECTION. Sec. 24. The appointment of election officers to serve precincts at which ballot cards and voting devices are used shall be in the same manner as the appointment of precinct election officers to serve paper ballot precincts as provided in chapter 29.45 RCW.

"NEW SECTION. Sec. 25. Insofar as practicable, the statutes relating to the preparation and use of voting machines, including the schools of instruction for precinct election officers, shall also apply to the preparation and use of voting devices.

"NEW SECTION. Sec. 26. Whenever ballot cards are being used as provided by this 1967 amendatory act they shall be voted in duplicate in the following manner:

"(1) The ballot card shall consist of an original and a duplicate card which can be readily distinguished both visually and mechanically from each other and together shall be identified as a ballot set.

"(2) The voter shall insert the ballot set in the voting device so that the marking of the ballots shall be done at the same time to assure that the marks on both the original and duplicate ballot cards are identical.

"(3) Upon completing the marking of such ballots, the voter shall place the ballot set in an envelope provided for that purpose.

"(4) The voter shall then deliver the ballot envelope to the inspector who shall detach the duplicate ballot therefrom and deposit it in a container identified for such purpose and the ballot envelope containing the original ballot shall be deposited in the ballot box.

"(5) At the close of the polling place for voting, the container in which the duplicate ballot cards have been placed shall be sealed in the presence of the precinct election officers and shall be kept in the possession of the inspector until such time as the county auditor shall request delivery of the same to his office.

"The purpose of this section is to establish a duplicate set of ballot cards for each such precinct to be used in the event the original ballot cards should fail for some reason to reach the counting center. Thus, it shall be the responsibility of the inspector to see that in no instance shall original and duplicate ballot cards be transmitted together to the counting center.

"NEW SECTION. Sec. 27. The county auditor shall determine the location of each vote tallying system under his jurisdiction and the number of ballot card precincts assigned to each. Such facility shall be known as the "counting center" and may be located wherever within the county in the judgment of the county auditor best serves the voters: *Provided, However,* That such counting center be within twenty-five miles of the county seat of such county.

"The procedure for picking up voted ballot cards at the respective polling places, the delivery of same to the counting centers, and the procedure at the counting centers shall include but not be limited to the following provisions:

"(1) On the day of the election and at the direction of the county auditor, a representative of each major political party shall together stop at each polling place and pick up one or more metal boxes, previously sealed by the precinct election officers, and containing the voted ballot cards for the delivery of same to the counting center. There may be as many as two such stops at each polling place provided that the first stop is not made prior to 2:00 P. M. and the second stop is made after the polls have been closed to voting.

"(2) All proceedings at the counting center shall be under the direction of the county auditor and under the observation of two election officers, who shall not be of the same political party. After the polls have been closed to voting, such proceedings shall be open to the public, but no persons except those employed and authorized for the purpose shall touch any ballot card or ballot container. If upon breaking the seals and opening the containers, it is found that any ballot is damaged or defective so that it cannot properly be counted by the automatic tabulating equipment, a true duplicate copy shall be made of the damaged ballot in the presence of witnesses and substituted for the damaged ballot. All such damaged ballots shall be kept by the county auditor until sixty days after the primary or election concerned.

"The ballot cards picked up during the polling hours may subsequently be counted before the polls have closed: *Provided,* That all such election returns must be held in secrecy in the same manner as the count of paper ballots during polling hours as provided by RCW 29.54.030. Any person revealing any election returns to unauthorized persons prior to the close of the polls shall be subject to the same penalties as provided by RCW 29.54.035;

"(3) The secretary of state shall prescribe rules and regulations for the testing of the vote tallying system prior to the day of the election to ascertain that the equipment will correctly count the votes cast for all offices and on all measures. However, such test shall be observed by at least two election officers, who shall not be of the same political party, and shall be open to representatives of the political parties, can-

didates, the press and the public. The test shall be conducted by processing a pre-audited group of ballots so punched or marked as to record a predetermined number of valid votes for each candidate and on each measure, and shall include for each office one or more ballots which have votes in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. If any error is detected, the cause therefor shall be ascertained and corrected and an errorless count shall be made before the automatic tabulating equipment is approved. The test shall be repeated immediately before the start of the official count of the ballots in the same manner as set forth above.

"On the day of the election, two election officers, not of the same political party, shall be stationed at the counting center throughout the official count. Such persons, upon mutual agreement, may request that the tabulating equipment be stopped as many as three times during the official count so that the accuracy of the proceedings can be again verified at such unscheduled stops by the count of the pre-audited group of ballots.

"(4) The returns printed by the automatic tabulating equipment, to which has been added the count of write-in and absentee votes, shall constitute the official returns of each precinct or election district.

"Sec. 28. Section 29.51.170, chapter 9, Laws of 1965, as amended by section 14, chapter 101, Laws of 1965 extraordinary session, and RCW 29.51.170 are each amended to read as follows:

"At any election or primary, any voter may write in on the ballot the name of any person for whom he desires to vote for any office and such vote shall be counted the same as if the name had been printed on the ballot and marked by the voter: *Provided*, That when voting machines or voting devices and ballot cards are used, no write-in vote for any candidate for a partisan office at either a state primary election or state general election shall be valid unless a political party affiliation is also written by the voter after the candidate's name. The same procedure must be followed when paper ballots are used for partisan offices at a state primary election. For such write-in voting, it shall not be necessary for a voter to write the full name of the political party concerned. Any abbreviation including the first letter of the political party name shall be acceptable as long as the precinct election officers can determine to their satisfaction the person voted for and the political party intended.

"Any person who is nominated at any primary election as a write-in candidate for any public office but who has not previously paid the regular filing fee shall not have his name printed on the official ballot for the general election unless, within five days after the official canvass of the primary vote, he executes a declaration of candidacy and pays the same fee required by law to be paid by candidates for filing for the office for which he has been nominated.

"Sec. 29. Section 29.59.040, chapter 9, Laws of 1965 and RCW 29.59.040 are each amended to read as follows:

"Whenever the right to vote of any person presenting himself as a voter at any polling place for any primary or election, general or special, has been challenged and the officers conducting the election at such polling place have refused to accept the vote of such person because of such challenge, or otherwise, a ballot shall be voted by such challenged person and placed in a sealed envelope. The sealed ballots of challenged voters shall be transmitted at the close of the election to the canvassing board or other authority charged by law with canvassing the returns of the particular election. The board or such other authority shall upon request of the challenger, at the time the vote is canvassed, consider the case of each challenge and shall decide whether or not the ballot in each case shall be accepted or rejected: *Provided*, That should the challenger fail to make such request, the challenged ballot shall be accepted as valid and counted. The decision of the board or such other authority shall be final.

"In precincts where voting machines or vote tally systems are used, any person whose right to vote is properly challenged shall be furnished with a paper ballot, and such ballot, after said person has marked it, shall be sealed and disposed of as hereinabove provided.

"Sec. 30. Section 29.65.030, chapter 9, Laws of 1965 and RCW 29.65.030 are each amended to read as follows:

"The time for filing an election contest the result of which in whole or in part of the canvass of votes registered on a voting machine, voting device or vote tally system shall expire thirty days following any state or county primary or election and eight days following any such election held by a city or other governmental unit not larger than a county.

"Sec. 31. Section 29.85.160, chapter 9, Laws of 1965 and RCW 29.85.160 are each amended to read as follows:

"Every election officer in precincts where voting machines or voting devices and vote tally systems are used shall be guilty of a felony and fined not less than fifty dollars nor more than five hundred dollars, or confined in the state penitentiary not less than six months nor more than one year or punished by both such fine and imprisonment who:

"(1) Deceives any voter in recording his vote; or

"(2) Records the vote of any voter in a manner other than as designated by the voter; or

"(3) Gives information to any person as to what candidates or for or against what measures any voter has voted; or

"(4) Seeks to suggest or persuade any voter to vote for any party or for any candidate or for or against any measure.

"NEW SECTION. Sec. 32. The secretary of state, upon promulgating the rules and regulations necessary for carrying out the purpose of this 1967 amendatory act, shall publish manuals containing the applicable rules and regulations and statutes for the guidance of the county auditor relating to the printing of ballot cards and preparation of the vote tallying systems, for the guidance of precinct election officers serving ballot card precincts, and for the guidance of election officers and operators of tabulating equipment at counting centers.

"There shall be no charge for such manuals and the number to be printed and the distribution thereof shall be determined by the secretary of state.

"NEW SECTION. Sec. 33. The provisions of sections 11 through 22 of this 1967 amendatory act shall apply only to counties of the second class as defined by RCW 36.13.010."

Debate ensued, Representatives McGavick, Cunningham, and Garrett speaking in favor of adoption of the amendment, and Representatives Smith and Bledsoe speaking against its adoption.

Mr. Farr moved adoption of the following amendment to the amendment:

Amend the amendment by Representative McGavick as follows: On page 7, section 16, line 8 of the amendment, after "in" strike "an envelope" and insert "a set of envelopes"

Representatives Farr and McGavick spoke in favor of adoption of the amendment to the amendment.

YIELDING TO QUESTION

At the request of Mr. Perry, Mr. McGavick yielded to question.

Mr. Perry:

"Mr. McGavick, how does this machine handle it if they punch the ballot for two people for the same office?"

Mr. McGavick:

"It would reject the ballot that has been submitted. There are safeguards provided in that sense. If I may, I will have Mr. Cunningham answer that specific point."

The Speaker recognized Mr. Cunningham.

Mr. Cunningham:

"If the ballot were punched for two candidates for the same position, the voter would probably notice this in looking it over. You are subject to the same errors as on paper ballots, no doubt about that. You can get another ballot, the same as you would if you voted for two candidates for the same position on a paper ballot. The first one would be destroyed, the way it is done with the paper ballot."

The motion was carried, and the amendment by Mr. Farr to the amendment by Mr. McGavick was adopted.

The Speaker declared the question before the House to be adoption of the amendment by Mr. McGavick as amended.

Debate ensued, Representatives Perry and Smith speaking against adoption of the amendment as amended, and Representatives Smythe and Bottiger speaking in favor of its adoption.

Mr. Copeland moved adoption of the following amendment to the amendment by Mr. McGavick:

Amend the amendment by Representative McGavick as follows: On page 12, section 33, line 9, add "Sections 11 through 33 shall expire June 30, 1969."

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Copeland yielded to question.

Mr. Smith:

"Mr. Copeland, I favor the kind of amendment you have here. I wanted to ask you whether, the way your amendment is written, just the section pertaining to the vote tallying machine would expire July 1 or would the entire bill expire?"

Mr. Copeland:

"My amendment may be faulty in its draftsmanship, but I was just trying to take care of these twenty-three sections contained in the McGavick amendment. That is the only part which I intended should expire as of June 30, 1969."

YIELDING TO QUESTION

At the request of Mr. Smythe, Mr. Copeland yielded to question.

Mr. Smythe:

"Mr. Copeland, is it your thought we would buy these machines and that we would enter into use of them, find them successful, and then be completely blocked from continuing to use them without further legislation, and that we would then be forced to sell them, or what?"

Mr. Copeland:

"Mr. Smythe, what I am attempting to do with my amendment to the amendment is to point out that if you want to go out and buy these machines without my amendment and you find them faulty, you will have to get rid of them anyway. I am saying this entire arrangement should be on a trial basis. I suggest to your Clark county auditor that he consider the possibility of leasing the machines for a period rather than purchasing them. This is, of course, a determination for your county commissioners. I think if you want to test it that it should be a test and limited to a particular time."

Debate ensued, Representative Garrett speaking against adoption of the amendment to the amendment.

The motion was lost, and the amendment by Mr. Copeland to Mr. McGavick's amendment was not adopted.

The Speaker declared the question before the House to be adoption of the amendment by Mr. McGavick as amended by Mr. Farr.

Representative Marsh spoke in favor of adoption of the amendment as amended.

Mr. Chapin demanded the previous question and the demand was sustained.

Mr. Smith demanded an electric roll call and the demand was sustained.

The Clerk called the roll, and the motion was carried and the amendment by Mr. McGavick as amended was adopted by the following vote: Yeas, 70; nays, 22; absent or not voting, 7.

Those voting yea were: Representatives Amen, Backstrom, Bagnariol, Barden, Beck, Berentson, Bluechel, Bottiger, Brazier, Brouillet, Ceccarelli, Chapin, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Cunningham, DeJarnatt, Elicker, Farr, Gallagher, Garrett, Gladder, Gorton, Har-

(E) Theft of a motor vehicle, or

(F) A third violation, for any one operator, within a period of eighteen months, of any moving traffic offense.

After the aforesaid sixty-day period, a notice of cancellation from the insurer to the insured shall give the statutory reason for which such cancellation is made.

(3) No contract of insurance subject to the provisions of subsection (1) above which has been in effect for sixty days shall be terminated by refusal to renew by the insurer unless:

(a) The insurer gives the named insured notice in writing as provided for in subsection (1) above that:

(b) Permission for such cancellation or nonrenewal has been given by the commissioner on a showing that the continuation of such coverage can reasonably be expected to create or continue a condition in the company hazardous to its policyholder, or to its creditors, or to its members, subscribers, or stockholders, or to the public."

AFTERNOON SESSION

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the Honorable Elmer Schye, member of the House of Representatives from the state of Montana, and requested that Representatives Copeland and O'Brien escort him to a place on the rostrum.

The Speaker:

"It is my pleasure today to introduce to the members of the House of Representatives the Honorable Elmer Schye, State Representative from the state of Montana."

Mr. Schye:

"Mr. Speaker, honorable Representatives of the House of Representatives, citizens of Washington, it is a pleasure to be here today to see you people in action in your extraordinary session. We just completed a fifteen day extraordinary session in Montana, and as I came to your state of Washington and read your newspapers, I thought I was back in the Montana fortieth extraordinary session, your problems parallel ours so much. It is hard to believe that the problems of Washington and Montana would follow down the line so closely together. Of course, we all have problems with money, but your schools and roads and other problems that come along with it are the same ones we saw every day in our seventy-five days of session.

"I would like to say one thing about our special session. They are difficult at best, and especially in Montana. The press gave us a good going over every day, and rightly so, I have no quarrel with the people of the press. They had some good writeups condemning us for not doing anything, which we were not. We finally decided that the Republican House and Democratic Senate would each appoint six people on a summit committee, of whom I was one, which negotiated a settlement on money to finance the state of Montana. We have an income tax in Montana, a graduated income tax law, and in order to raise the twenty million dollars we needed we took the income tax cards of every person in the state of Montana and put them through the IBM. It took twelve hours and cost us twelve hundred dollars, but when the cards came back they told us what category to raise. Surprisingly enough, it ranged from the three thousand to seven thousand dollar class and on corporations we raised it to five and a half percent. We received a lot of static from the big corporations. We raised twenty-one million dollars, a million dollars more than we wanted, but government can always spend money and it was a way of settling our differences. I represent three counties over a large area and my people aren't happy with the settlement, but it was the best we could do to finance the state, and it was certainly an unpleasant ordeal. I do appreciate being here and seeing you operate."

The Speaker:

"I think maybe I should have checked out Mr. Schye's remarks before I let him speak. We certainly appreciate having you here, and want to extend our best wishes to you and your House of Representatives in Montana."

YIELDING TO QUESTION

At the request of Mr. O'Dell, Mr. O'Brien yielded to question.

Mr. O'Dell:

"Mr. O'Brien, you are a member of the insurance committee and all during the time you attended our meetings—your attendance was not the best—but during the times you were there, did you ever ask me once to bring this out for discussion?"

Mr. O'Brien:

"Mr. O'Dell, as you probably know, in my capacity in this legislative assembly it is most difficult for me to attend all of your committee meetings, but I can assure you my interest was always there. I don't know whether we talked about this interim committee as such, but I do know you haven't acted on it and you apparently haven't shown the desire or interest to act on it. Even though I didn't attend your committee meeting, you and I talked about this rather frankly one night. I am not going to discuss on the floor of the House the extent of our conversation, but you gave me the feeling then and there you were apparently willing to make me the chairman of the committee on insurance. But notwithstanding that, Mr. O'Dell, we feel—and you know as well as I do—that there has been a lot of dilatory action relative to this committee. If you were interested, you would have brought it out a long time ago."

Debate ensued, Representatives O'Brien and Smith speaking in favor of the motion, and Representative O'Dell speaking against it.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Veroske yielded to question.

Mr. Adams:

"I would like to ask Mr. Veroske as a member of that committee what effort he has made to attempt to find out how the money was spent that was appropriated to this committee two years ago and what the amount of money was."

Mr. Veroske:

"Dr. Adams, for the past two weeks I have been attempting to find out how much money has been spent by this past interim committee and I received my first accounting this morning in one of the local newspapers. I made visits to the office of the auditor, the treasurer, and the central budget agency. To date, I have been unable to get an accounting of the moneys that were spent in this past biennium. The paper this morning said thirty-five thousand dollars has been spent by the committee, and I have been told by the auditor's office that all the vouchers and so forth are in the hands of the committee's accountant and the committee chairman. To date, I have been unable to get any accounting of the expenditures of the past biennium."

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. O'Brien yielded to question.

Mr. Adams:

"Mr. O'Brien, would you vote to appropriate to the committee one hundred thousand dollars to carry on a two-year interim study when you couldn't find out what happened to the money that was spent last time, when you didn't know how much they paid their attorney or why it would be necessary to have an attorney when the chairman is an attorney? Do you think we ought to turn around and continue this committee and vote them one hundred thousand dollars when we haven't found out how they spent the money last time, whether there is anything left, whether they are in the red, or anything about it?"

Mr. O'Brien:

"Dr. Adams, I don't know anything about that. I couldn't answer your question definitively unless I knew firsthand from the accountant assigned to the committee or

the state auditor just what happened on the payment of the vouchers. Now, it seems to me that someone was paid something during the past interim for travel expenses and clerical salaries and items of this nature, the whole gamut of expenses. I am a little shocked and surprised by your question, because ordinarily all vouchers are signed by the committee chairman and secretary. They go through the regular procedure. They are governed not only by state law but are subject to review by the state auditor. I have great faith in the state auditor's office, and I am sure if there is something wrong it will be brought to light sooner or later. So, without knowing specifically what happened, it is practically impossible to answer your question."

Further debate ensued, Representatives Adams, Gladder, and Jueling speaking against the motion that the Committee on Financial Institutions and Insurance be relieved of Senate Concurrent Resolution No. 4, and Representatives Hurley, Haussler, and Day speaking in favor of it.

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the motion that the Committee on Financial Institutions and Insurance be relieved of Senate Concurrent Resolution No. 4, and the motion was lost by the following vote: Yeas, 42; nays, 55; absent or not voting, 2.

Those voting yea were: Representatives Anderson, Avey, Backstrom, Bagariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hurley, Jastad, Johnson, Jolly, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Thompson, Walgren—42.

Those voting nay were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Jueling, Kalich, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, O'Dell, Reese, Richardson, Saling, Smythe, Spanton, Swayze, Versoske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—55.

SECOND READING OF BILLS

House Joint Memorial No. 12, by Representatives Bluechel, Day, Ceccarelli, Newhouse, Brazier, Smythe, Bottiger, Whetzel, Clark (Newman H.), Clocksin, Chapin, Marsh, Clarke (George W.), O'Dell, Veroske, Hill, Harris, Kalich, Charette, Merrill, Barden, Gorton, Amen, McGavick, Rosellini, Richardson, Flanagan, Bledsoe, McCaffree, Reese, Hurley, Murray, Wolf, Leeland, Bagnariol, Lewis, Leckenby, Kiskaddon, Zimmerman, Farr, Kopet, Hawley, Humiston, Morrison, Gallagher, Gladder, McDougall, Lux, Holman, Hubbard, Cunningham, Litchman, Jastad, and Wanamaker (by executive request):

Memorializing Congress to call a constitutional convention.

The memorial was read the second time.

Mr. Gorton moved that the rules be suspended, House Joint Memorial No. 12 be advanced to third reading, the second reading considered the third, and the memorial be placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Gorton yielded to question.

Mr. Smith:

"Mr. Gorton, is this the memorial to the Congress that would place Washington in the position of ratifying the overturn of the one man-one vote decision that is being pushed by Senator Dirksen?"

Mr. Gorton:

"No, it is not. This memorial deals with sharing of federal revenues, in effect, for the sharing of federal income tax."

Mr. Smith:

"Looking at the title, it appears it could be construed to mean that the call for a constitutional convention meant we were in favor of that, since they are so close to having thirty-four. It is not possible to construe it to mean that?"

Mr. Gorton:

"No, because the subject matter of the memorial is federal revenue sharing."

YIELDING TO QUESTION

At the request of Mr. King, Mr. Gorton yielded to question.

Mr. King:

"Mr. Gorton, the memorial has words talking about the return of a portion of the tax to each state. Would that allow a differential amount to be returned to the state on a per capita basis?"

Mr. Gorton:

"Yes. Actually there are two basic ways that have been discussed for this return. Congress presumably could decide it would return a percentage, such as ten percent, of all of the income tax collected in a particular state. That would be of advantage to

the wealthy states as opposed to the less wealthy states. The other method would be to take, say, the same percentage but the return would be on a per capita basis. That would be, relatively speaking, an advantage to the less wealthy states, because they would get a greater percentage than the amount they had supplied. I suppose there could be a combination of the two. I am not a great expert on this, but I gather there is more sympathy in Congress for the second method."

Debate ensued, Representatives King and Gorton speaking in favor of the motion to advance House Joint Memorial No. 12 to third reading, and Representative Grant speaking against the motion.

Mrs. Johnson demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to suspend the rules and advance House Joint Memorial No. 12 to third reading and final passage, and the motion was carried by the following vote: Yeas, 75; nays, 17; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Backstrom, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Ceccarelli, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Garrett, Gladder, Gorton, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Juelling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lynch, Mahaffey, Marsh, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Smythe, Swayze, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—75.

Those voting nay were: Representatives Anderson, Avey, Beck, Brouillet, DeJarnatt, Grant, Heavey, Johnson, Jolly, Lux, Marzano, Moon, Sawyer, Sheridan, Smith, Sprague, Thompson—17.

Those absent or not voting were: Representatives Bagnariol, Chatalas, Gallagher, Goldsworthy, Newschwander, Spanton, Taylor—7.

The Speaker declared the question before the House to be House Joint Memorial No. 12 on final passage.

YIELDING TO QUESTION

At the request of Mr. Bledsoe, Mr. Gorton yielded to question.

Mr. Bledsoe:

"Representative Gorton, if this memorial should arrive at Congress advocating that Congress call a constitutional convention to discuss this sole amendment, are we given any guarantee at all that this amendment would be the only matter before this constitutional convention which might be called as a result of our action and that of the other states?"

Mr. Gorton:

"No answer can be given categorically to your question. This procedure for amending the Constitution of the United States has never actually succeeded, although there have been a number of memorials like this, the most famous one right now being the one dealing with redistricting. No one can say whether the Congress which is required to call a convention could limit the convention to consideration of single subject. I gather there is good legal opinion on both sides. I suppose the best legal opinion might be on the side holding that it couldn't limit the constitutional convention, the analogy being the fact that the original constitutional convention was called only for the purpose of amending the Articles of Confederation. My guess would be that the Congress could purport to limit the convention to a single subject but could not succeed in doing so if that convention wished to go to different subjects. I would suspect that what will happen if a number of states, even half the states, make this

kind of call, the Congress, not wishing to have this in the Constitution, will probably pass some form of revenue-sharing legislation which will be statutory and will give the states the money, and thus cut off the number of states asking for a constitutional convention."

Debate ensued, Representative Gorton speaking in favor of passage of the memorial and Representative DeJarnatt speaking against its passage.

MOTION

Mr. Smith moved that the House defer further consideration of House Joint Memorial No. 12 and that the memorial be ordered placed on the third reading calendar for Thursday.

The motion was lost on a rising vote.

The Clerk called the roll on the final passage of House Joint Memorial No. 12, and the memorial passed the House by the following vote: Yeas, 68; nays, 26; absent or not voting, 5.

YIELDING TO QUESTION

At the request of Mr. Anderson, Mr. Flanagan yielded to question.

Mr. Anderson:

"Representative Flanagan, if this memorial is passed, how will steelhead fishing on Indian reservations be affected?"

Mr. Flanagan:

"Well, there is nothing in the memorial about that. It is directed to the Oregon legislature. In Idaho and Washington steelhead trout is now a game fish. It wouldn't affect anything in Idaho and Washington. Now, as to how it will affect the Indian reservations in Oregon, I am not sure. There is nothing said about it in the memorial."

The Speaker recognized Mr. Kink.

Mr. Kink:

"Representative Anderson, I think, in answer to your question as it regards the effect on steelhead fisheries in the state of Oregon, if this memorial passes, it will make steelhead game fish. Under the treaties we have with the Indians on many of their reservations, it will have no effect whatsoever. The Indians would be able to fish commercially for steelhead on their reservations in the areas where they fished before."

Representative Beck spoke in favor of passage of the memorial.

YIELDING TO QUESTION

At the request of Mr. Anderson, Mr. Kink yielded to question.

Mr. Anderson:

"Mr. Kink, the Indians can catch fish but would they be able to sell them in Oregon? The Indians who fish for steelhead on the Quinault reservation now sell their fish in Oregon. If Oregon passes this bill, will the Indians be able to sell their fish in Oregon?"

Mr. Kink:

"Well, to answer your question, Representative Anderson, I am not an attorney, but I would say that under the treaties we have with the federal government, they would be able to sell those fish commercially."

Mr. Anderson:

"The Indians cannot sell steelhead in the state of Washington today? Is that right?"

Mr. Kink:

"That is true, but even if the memorial passes I would say that our Indians can still ship them to Oregon and the Indians there would be able to sell them."

The Clerk called the roll on the final passage of Senate Joint Memorial No. 11, and the memorial passed the House by the following vote: Yeas, 90; nays, 2; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Juelling, Kalich, King, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Richardson, Rosellini, Saling, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—90.

MESSAGES FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, March 28, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I have the honor to advise that Governor Evans has approved the following House Bill, entitled:

House Bill No. 107:

Prescribing legal investments for the permanent common school fund.

Very truly yours,

Raymond W. Haman,

Legal Counsel to the Governor.

State of Washington, Office of the Governor,
Olympia, April 3, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I am returning herewith without my approval as to one item, **Substitute House Bill No. 548**, entitled:

"An Act relating to education and establishing community college districts."

This legislation is among the most significant enacted by the Fortieth Legislature. It provides for a statewide system of community colleges organized into twenty-two community college districts.

The bill contemplates that vocational-technical institutes will become a part of the community college system; however, section 77 of the bill grants to common school districts in counties of the second, first, A and AA class the option of maintaining any existing vocational-technical institute independent of the community college system, if the institute were operated independently of a community college on January 1, 1967.

According to the Superintendent of Public Instruction the vocational-technical institutes which would be affected by this provision of the bill are located in the Bellingham, Clover Park, Lake Washington, Olympia, Renton, Tacoma and Walla Walla school districts. The Olympia and Walla Walla institutes are located in third class counties; thus these school districts would not have the option afforded by section 77 to the other five school districts operating independent vocational-technical institutes. This may be of little consequence in Walla Walla where the school district plans to operate its institute as a part of the Walla Walla Community College; thus Olympia school district may be the only district denied the option to maintain an independent vocational-technical institute.

Irrespective of the choice which may be made by these local districts, I believe it should be a choice equally available to all districts maintaining independent vocational-technical institutes. Therefore, I have vetoed that portion of section 77 which limits this choice to districts

"located in any county of the second, first, A or AA class."

The remainder of Substitute House Bill No. 548 is approved.

Respectfully submitted,

DANIEL J. EVANS, *Governor*.

MOTION

Mr. Gorton moved that the Chief Clerk be instructed to transmit Substitute House Bill No. 548 to the Secretary of State without further action by the House.

Representatives Gorton and Lux spoke in favor of the motion.

The motion was carried.

House Resolution No. 67-69, by Representatives Heavey and Copeland:

Whereas, It is estimated that nine-tenths of our criminal cases are misdemeanors handled in the lower courts; and

Whereas, Misdemeanant-offenders constitute a most costly crime problem, not only because of their numbers, and the expense incident to their arrest, housing and treatment, but because their offenses against society are often repeated and continuous; and

Whereas, The large group of misdemeanant-offenders not only increases the cost of our entire law enforcement and judicial system, but requires extensive service from our welfare agencies; and

Whereas, An all-inclusive survey is needed in order to provide a more descriptive and comprehensive picture of misdemeanant-offenders, their nature and characteristics, and the manner in which they are presently being handled by our judicial system and correctional system;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council be directed to undertake a comprehensive survey of the misdemeanant-offender, its duties to include, but not be limited to, the following:

(b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by a majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: *Provided, That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, And Provided Further, That the provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6, of this Constitution;*

(b) To provide for allowance of credits, exclusions, exemptions, and deductions to be used in determining the amount of income subject to tax or in computing such tax:

Provided, However, That the amount of such credits, exclusions, exemptions and deductions may not be determined solely by the amount of income otherwise subject to tax; and

STATEMENT FOR THE JOURNAL

In my amendment, we were discussing the governor's program for tax revision as altered by the Day amendment. My amendment would delete those additional restrictions to the Constitution requiring a retail sales tax imposed at the same rate as the income tax. Under this proposed tax program, over fifty percent of the total revenue from income and sales tax would come from the sales tax (even with the elimination of food and drugs). Future revenue needs might necessitate raising these rates, and the requirement that taxes on retail sales shall be imposed at the same rate as on income tax makes this program less progressive than the governor's proposal.

Mary Stuart Lux,
22nd District.

Mr. Heavey moved adoption of the following amendment to the committee amendment:

Amend the amendment by Committee on Revenue and Taxation:

On page 1, Article VII, section 2, beginning on line 16 of the mimeographed amendment, after "exceed" strike all the material down to and including "fifty" on line 18 and insert "ten mills on the dollar of assessed valuation, which assessed valuation shall be one hundred"

Debate ensued, Representative Heavey speaking in favor of adoption of the amendment to the committee amendment, and Representative Gorton speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Gorton yielded to question.

Mr. McGavick:

"Mr. Gorton, would you explain to me why it is more difficult for the county assessor to get a one hundred percent revaluation on property than it would be for the county assessor to insure a uniform twenty-five percent, if we adopt the constitutional amendment you propose?"

Mr. Gorton:

"The answer is quite simple. At the present time there are some properties, a few, that are at twenty-five percent, and some which are below twenty-five percent. We aren't attempting to mandate in this constitutional amendment that the assessor actually get to twenty-five percent; all we are doing is providing some future legislature the authority to do so. If we, within the same framework, set up one hundred percent evaluation, that obviously means that not a single piece of property in the entire state will be assessed below that and this will become effective immediately upon the effective date of the constitutional amendment. This we are not trying to do in connection with the twenty-five percent proposal, and the reason is that there are so many different methods of doing it that even the state tax commission has not decided which is the best one. Until we find a practical method of doing it, we will have to take one step at a time. We can't in one single step change the assessed evaluation of every parcel of property in the state."

The motion was lost and the amendment by Mr. Heavey to the committee amendment to Engrossed Senate Joint Resolution No. 13 was not adopted.

Mr. Smith moved adoption of the following amendment to the committee amendment:

Amend the amendment by Committee on Revenue and Taxation:

On page 4, Article VII, section 4, following line 6 of the mimeographed amendment, after the period following "in money" add a new paragraph as follows:

"Be It Further Resolved, That the foregoing amendment to Article VII, section 2 and the proposed new section to Article VII shall each be construed as separate amendments within the meaning of Article XXIII, section 1, (Amendment 37) of this Constitution."

Mr. Smith demanded an electric roll call and the demand was sustained.

Debate ensued, Representatives Smith and Bozarth speaking in favor of adoption of the amendment, and Representatives Brouillet and Gorton speaking against its adoption.

MOTION

On motion of Mrs. McCaffree, the amendment by Mr. Smith to the committee amendment to Engrossed Senate Joint Resolution No. 14 was laid on the table.

The Speaker declared the question before the House to be the adoption of the committee amendment to Engrossed Senate Joint Resolution No. 13.

Mr. Smith demanded an electric roll call and the demand was sustained.

Debate ensued, Representative Gorton speaking in favor of adoption of the committee amendment.

YIELDING TO QUESTION

At the request of Mr. Chatalas, Mrs. McCaffree yielded to question.

Mr. Chatalas:

"Mrs. McCaffree, did I understand you to say that this amendment which is before us now is exactly identical to House Joint Resolution No. 29?"

Mrs. McCaffree:

"As Mr. Gorton said, it is House Joint Resolution No. 29 with the amendments which were put on on the floor of the House when we had House Joint Resolution No. 29 before us."

Mr. Chatalas:

"So it is identical?"

Mrs. McCaffree:

"As far as I know."

POINT OF ORDER

The Speaker recognized Mr. Chatalas on a point of order.

Mr. Chatalas:

"Mr. Speaker, since this is an identical resolution to House Joint Resolution No. 29, which is still in Rules Committee, I don't know how we can really consider this resolution at the present time."

RULING BY THE SPEAKER

The Speaker:

"Well, we have the original resolution amended, so in effect we don't have the original resolution. It has been changed by the amendments."

Mr. Chatalas:

"Yes, but, Mr. Speaker, it was amended on the floor and then the committee put the same amendments on it, so this is still exactly the same as the one in Rules."

The Speaker:

"I don't think this comes under the same category as a bill that was scalped from an unamended bill. I would think the amendment is in order as presented."

Debate ensued, Representative Smith speaking against the adoption of the committee amendment and Representative Kiskaddon speaking in behalf of its adoption.

POINT OF ORDER

The Speaker recognized Mr. Chatalas on a point of order.

Mr. Chatalas:

"Mr. Speaker, for clarification, when we vote on this amendment, even if it is the whole resolution, we will still have another chance to vote on final passage, will we not?"

The Speaker:

"This is not final passage."

Mr. Chatalas:

"We will vote on the amendment and then again on final passage?"

The Speaker:

"That is correct."

The Clerk called the roll, and the motion was carried and the committee amendment to Engrossed Senate Joint Resolution No. 13 was adopted by the following vote: Yeas, 64; nays, 32; absent or not voting, 3.

Those voting yea were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Chapin, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Juelling, King, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Murray, Newhouse, Newschwander, O'Dell, Perry, Reese, Richardson, Saling, Sawyer, Smythe, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—64.

Those absent or not voting were: Representatives Jolly, Litchman, Taylor—3.

On motion of Mr. Gorton, the rules were suspended, Engrossed Senate Joint Resolution No. 13 as amended by the House was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

Mr. McDougall demanded an oral roll call and the demand was sustained.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Mr. Litchman appeared at the bar of the House.

The Speaker declared the question before the House to be Engrossed Senate Joint Resolution No. 13 as amended by the House on final passage.

Debate ensued, Representatives Gorton, Litchman, Chapin, and Saling speaking in favor of passage of the resolution, and Representatives O'Brien, Hurley, Backstrom, and Marsh speaking against its adoption.

Mr. Grant demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Senate Joint Resolution No. 13 as amended by the House, and the resolution failed to pass the House by the following vote: Yeas, 59; nays, 37; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Jueling, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, O'Dell, Perry, Reese, Richardson, Saling, Smythe, Sprague, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—59.

Those absent or not voting were: Representatives Jolly, Taylor—2.

Senate Joint Resolution No. 13 as amended by the House, having failed to receive the constitutional two-thirds majority, was declared lost.

EXPLANATION OF VOTE

I feel this measure is the one way that state sales taxes can be lowered. It is also the one way to get a lid on property taxes along our border. It is finally the one way to broaden the tax base to make it more sensitive to economic changes and help finance needs of education, institutions, and for recreational development.

The alternatives to the measure are higher sales taxes, higher property taxes, more excise taxes, and possibility of inadequate financing for much needed services.

Harold S. Zimmerman,
17th District.

"NEW SECTION. Sec. 2. There is added to chapter 8, Laws of 1965 and to chapter 43.30 RCW a new section to read as follows:

The budget director is authorized and directed from time to time to transfer or order the transfer to the park and parkways account of the general fund, from the fund in which they were deposited, the rentals paid under RCW 79.08.102 through 79.08.106 for the use of public lands for park purposes: *Provided*, That no moneys derived from the sale, lease, rental or other disposal of lands granted in trust to the state by the Washington state enabling act which are (1) then currently pledged to the support of bonded indebtedness or (2) which are not authorized or which are prohibited to be so pledged, shall be deposited in such account: *And Provided Further*, That no transfer shall be made or ordered which is prohibited by the Constitution or beyond the power of the state.

The budget director may adopt rules and regulations governing the procedures to be followed in transferring or ordering the transfer of moneys to the park and parkways account.

"NEW SECTION. Sec. 3. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW, a new section to read as follows:

It is the sense of the legislature that use of lands granted to the state in trust by the Washington State Enabling Act for park purposes is not in violation of the trust imposed upon such lands, since the lands are not disposed of in the constitutional sense and since the various trust beneficiaries indirectly receive the benefits of the trust.

Therefore, the department of natural resources, with respect to the rental on lands leased for park purposes, shall determine the full rental market value as required by Article XVI of the Washington State Constitution, by considering only the actual money value of the lands when used for park purposes and the offsetting benefits accruing directly or indirectly to the owners and/or beneficiaries of such lands.

NEW SECTION. Sec. 4. There is added to chapter 79.08 RCW a new section to read as follows:

For the purpose of securing and preserving privately owned lands for parks and recreation purposes, the department of natural resources is authorized, with the advice and approval of the state board of natural resources, to exchange any state lands of equal value for such lands. Lands acquired by exchange as herein provided shall be withdrawn from lease and sale and reserved for park and recreation purposes.

NEW SECTION. Sec. 5. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW a new section to read as follows:

If any provision of sections 1 through 6 of this act, or its application to any person or circumstances is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

Ward Bowden, *Secretary*.

Beginning on page 1 strike everything after the enacting clause and insert the following:

"Section 1. Section 3, chapter 35, Laws of 1945 and RCW 50.04.020 are each amended to read as follows:

"Base year", [means the last calendar year preceding the first day of the benefit year] with respect to each individual, shall mean the first four of the last five com-

pleted calendar quarters immediately preceding the first day of the individual's benefit year.

Sec. 2. Section 4, chapter 35, Laws of 1945 as amended by section 1, chapter 214, Laws of 1949 and RCW 50.04.030 are each amended to read as follows:

"Benefit year", [means the period beginning with the first full calendar week in July and ending the following calendar year with the last calendar week beginning in June] with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week with respect to which the individual files an application for an initial determination and thereafter, the fifty-two consecutive week period beginning with the first day of the calendar week with respect to which the individual next files an application for an initial determination after the termination of his last preceding benefit year: Provided, However, That a benefit year is not established unless the determination shows the applicant to have met the wage and employment conditions fixed by law as the minimum for the receipt of benefits: Provided, Further, That an individual's benefit year shall be extended to fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

Sec. 3. Section 33, chapter 35, Laws of 1945 as last amended by section 2, chapter 8, Laws of 1953 first extraordinary session and RCW 50.04.320 are each amended to read as follows:

For the purpose of payment of contributions, "wages" means the first three thousand three hundred dollars of remuneration paid by one employer during any calendar year to an individual in its employment under this title or the unemployment compensation law of any other state. Notwithstanding any other provisions of this section, if the federal unemployment tax act is amended so that the federal unemployment tax applies to an amount greater than the first three thousand three hundred dollars of remuneration paid by an employer or his predecessor to an individual during a calendar year, then such higher amount shall likewise apply for the purpose of payment of contributions by an employer or his predecessor under this title, starting with the same period to which such federal amendment first applies. [After December 31, 1950,] If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the operating assets of another employer (hereinafter referred to as a predecessor employer) or assets used in a separate unit of a trade or business of a predecessor employer, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor employer, then, for the purposes of determining whether the successor employer has paid remuneration equal to three thousand three hundred dollars to such individual during such calendar year, any remuneration paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

For the purpose of payment of benefits, "wages" means the remuneration payable by one or more employers to an individual for employment under this title during [one calendar] his base year.

"Remuneration" means all compensation paid for personal services, including commissions and bonuses and the cash value of all compensation paid in any medium other than cash. The reasonable cash value of compensation paid in any medium other than cash and the reasonable value of gratuities shall be estimated and determined in accordance with rules prescribed by the commissioner.

Sec. 4. Section 68, chapter 35, Laws of 1945 as last amended by section 3, chapter 266, Laws of 1959 and RCW 50.20.010 are each amended to read as follows:

An unemployed individual shall be eligible to receive waiting period credits or benefits with respect to any week only if the commissioner finds that

(1) he has registered for work at, and thereafter has continued to report at, an employment office in accordance with such regulation as the commissioner may prescribe, except that the commissioner may by regulation waive or alter either or both of the requirements of this subdivision as to individuals attached to regular jobs and as to such other types of cases or situations with respect to which he finds that the compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title;

(2) he has filed an application for an initial determination and made a claim for waiting period credit or for benefits in accordance with the provisions of this title;

(3) he is able to work, and is available for work in any trade, occupation, profession, or business for which he is reasonably fitted. To be available for work an individual must be ready, able, and willing, immediately to accept any suitable work which may be offered to him and must be actively seeking work pursuant to customary trade practices and through other methods when so directed by the commissioner or his agents;

(4) he has been unemployed for a waiting period of one week; [and]

(5) he has within [the] his base year [been paid] earned wages of not less than [the minimum amount now or hereafter fixed by law as the minimum amount to be earned in order to allow the individual to receive unemployment benefits] *eight hundred dollars. If the base year wages of the individual's current benefit year, for any benefit year beginning after June 30, 1967, include wages earned prior to the establishment of a prior benefit year, the individual shall not be eligible for benefits unless he earned wages in the last six months of his base year equal to at least eight times his current weekly benefit amount or eight times the weekly benefit amount to which he would otherwise be entitled; and*

(6) *he has for any benefit year beginning after June 30, 1967, had base year employment (or been on compensable leave) in not less than twenty calendar weeks in each of which he earned wages of at least twenty dollars or has had six hundred hours of employment during his base year: Provided, That for benefit years beginning prior to July 1, 1968, any unemployed individual who earned wages of twelve hundred dollars or more in his base year shall be deemed to have met the eligibility requirements of this subsection.*

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his wages at regular intervals.

Sec. 5. Section 80, chapter 35, Laws of 1945 as last amended by section 2, chapter 321, Laws of 1959 and RCW 50.20.120 are each amended to read as follows:

(1) Subject to the other provisions of this title benefits shall be payable to any eligible individual during [the] his benefit year in a maximum amount equal to the lesser of thirty times the weekly benefit amount (determined hereinafter) or one-third of the individual's base year wages under this title: *Provided, That for benefit years beginning after March 31, 1968, an otherwise eligible individual shall not be entitled to be paid benefits in any calendar quarter in an amount greater than the total amount of wages under this title earned in the highest of the two corresponding calendar quarters included within the period of the first eight of the last nine completed calendar quarters immediately preceding his current benefit year: Provided Further, That this limitation shall not be effective if the individual earned no wages or reduced wages in either of such two corresponding calendar quarters because of illness or disability or because his first wages in covered employment were earned subsequent to the last of such two corresponding calendar quarters.*

(2) An individual's weekly benefit amount shall be [in a minimum] *an amount [of seventeen dollars for the first one hundred twenty-five dollars or portion thereof in excess of seven hundred ninety-nine dollars and ninety-nine cents of base year wages, increasing one dollar for each one hundred twenty-five dollars or portion thereof of said individual's base year wages earned thereafter, with a maximum amount payable weekly of not more than forty-two dollars] equal to one twenty-fifth (1/25) of the average of his total wages during the two quarters of his base year in which such total wages were highest, except that if such computed amount is less than seventeen dollars, the weekly benefit amount shall be deemed to be seventeen dollars. The maximum amount payable weekly shall be determined as of each June 30th to apply to benefit years beginning in the twelve-month period immediately following such June 30th. The maximum amount payable weekly shall be fifty percent of the "average weekly wage" for the calendar year preceding such June 30th: Provided, That if any [maximum] weekly benefit or maximum benefit amount computed herein is not a multiple of one dollar, it shall be adjusted to the nearest multiple of one dollar, except that if the computed amount ends in fifty cents, it shall be [carried] adjusted to the next higher multiple of one dollar.*

This section shall become effective with benefit years beginning after June 30, 1967.

NEW SECTION. Sec. 6. There is added to chapter 35, Laws of 1945 and to chapter 50.20 RCW a new section to read as follows:

On or before the fifteenth day of June of each year an "average annual wage" and an "average weekly wage" shall be computed for the preceding calendar year from information for the preceding calendar year reported by all employers as defined in RCW 50.04.080 on employers' contribution reports (including corrections thereof) filed within three months after the close of that year. The "average annual wage" is the quotient derived by dividing total remuneration reported by all employers by the average number of workers reported for all months. The average annual wage thus obtained shall be divided by fifty-two to determine the "average weekly wage".

Sec. 7. Section 83, chapter 35, Laws of 1945, as amended by section 5, chapter 215, Laws of 1951 and RCW 50.20.150 are each amended to read as follows:

The applicant for initial determination, his most recent employing unit as stated by the applicant, and any other interested party which the commissioner by regulation prescribes, shall, if not previously notified within the same continuous period of unemployment, be given notice promptly in writing that an application for initial determination has been filed and such notice shall contain the reasons given by the applicant for his last separation from work. If, during the benefit year, the applicant becomes unemployed after having accepted subsequent work, and files a claim for waiting period credit or benefits, a similar notice shall be given promptly to his then most recent employing unit as stated by him, or to any other interested party which the commissioner by regulation prescribes.

Each base year employer shall be promptly notified of the filing of any application for initial determination which may result in a charge to his account.

Within a reasonable time after the date of rate determination, each employer shall be notified of the total amount of benefits charged to his account during the twelve-month period immediately preceding the date of rate determination and, upon request, the amount of such charges with respect to each individual receiving unemployment benefits charged to his account.

Within a reasonable time after the date of rate determination, each employer shall be notified of his rate of contribution as determined for the succeeding rate year.

Any employer dissatisfied with the benefit charges made to his account or with his determined rate may file a request for review and redetermination with the commissioner within thirty days of the mailing of the notice to the employer, showing the reason for such request. Should such request for review and redetermination be denied, the employer may, within ten days of the mailing of such notice of denial, file with the appeal tribunal a petition for hearing which shall be heard in the same manner as a petition for denial of refund. The appellate procedure prescribed by this title for further appeal shall apply to all denials of review and redetermination under this section.

This section shall become effective with benefit years beginning after June 30, 1967.

Sec. 8. Section 89, chapter 35, Laws of 1945 as amended by section 18, chapter 214, Laws of 1949 and RCW 50.24.010 are each amended to read as follows:

Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this title at the rate of two and seven-tenths percent of wages paid, *except as provided in sections 9 through 17 of this 1967 amendatory act.*

Contributions shall become due and be paid by each employer to the treasurer for the unemployment compensation fund in accordance with such regulations as the commissioner may prescribe, and shall not be deducted, in whole or in part, from the remuneration of individuals in employment of the employer. Any deduction in violation of the provisions of this section shall be unlawful.

In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

NEW SECTION. Sec. 9. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

As used in this title:

(1) "Taxable payroll" means all remuneration paid by an employer or employers on which contributions are payable.

(2) "Rate year" means the calendar year next succeeding the date of rate determination.

(3) "Date of rate determination" means July 1st of any year.

(4)(a) "Eligible employer" means any employer whose account could have been charged with benefits throughout the thirty-six consecutive calendar month period immediately preceding the date of rate determination or could have been charged had

the benefit charging provisions been in effect, except that no employer shall be deemed an eligible employer unless all contributions required under this title from him or his predecessors for periods prior to the date of rate determination have been paid prior to September 1st immediately following the date of rate determination, except that,

(b) any employer who has not been subject to the act for a period of time sufficient to be classified as an eligible employer under the provision of part (a) of this definition but whose account could have been charged with benefits throughout at least the twelve consecutive month period immediately preceding the date of rate determination shall be classified as an eligible employer, except that no employer shall be deemed an eligible employer unless all contributions required under this title from him or his predecessors for periods prior to the date of rate determination have been paid prior to September 1st immediately following the date of rate determination.

NEW SECTION. Sec. 10. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

An experience rating account shall be established and maintained for each employer based on existing records of the Employment Security Department and shall be effective beginning with July 1, 1964. Benefits paid to any eligible individual subsequent to June 30, 1964, shall be charged to the experience rating accounts of each of his employers during his base year in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that year.

NEW SECTION. Sec. 11. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

For the purpose of prorating benefit charges for periods of unemployment prior to July 2, 1967, "wages" shall be construed to mean the wages reported by employers on the existing wage reports submitted for use in benefit computations. For the purpose of prorating benefit charges for periods of unemployment subsequent to July 1, 1967, "wages" shall mean "wages" as defined for the purpose of payment of benefits in RCW 50.04.320.

NEW SECTION. Sec. 12. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

For the rate year 1968 and each rate year thereafter (1) a benefit ratio shall be computed for each eligible employer. The computation of benefit ratios shall be extended to six decimal places and the remaining fraction, if any, disregarded. The benefit ratio for an employer shall be the quotient obtained by dividing the total benefits charged to his account during the thirty-six consecutive month period immediately preceding the date of rate determination by his taxable payroll for the same thirty-six month period as reported not later than August 31st immediately following the date of rate determination, except that (2) the benefit ratio for any eligible employer whose account has not been chargeable for a period of thirty-six months immediately prior to the date of rate determination shall be the quotient obtained by dividing total benefits charged to his account, prior to the date of rate determination, by his taxable payroll as set forth as follows: the taxable payroll shall be that reported by August 31st immediately following the date of rate determination, for the period beginning with the first day of the second calendar quarter following the calendar quarter in which he becomes liable, and through the end of the quarter immediately preceding the date of rate determination.

NEW SECTION. Sec. 13. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

(1) An array shall be prepared of all eligible employers in order by benefit ratios. The array shall start with the employer having the lowest benefit ratio and progress through the employer having the highest benefit ratio. The array shall show for each employer (a) his benefit ratio, (b) his taxable payroll for the four calendar quarters ending with June 30th immediately preceding the computation date and reported by the following August 31st, and (c) a cumulative total consisting of the sum of his taxable payroll as identified above and such taxable payrolls of all other employers preceding him on the list.

(2) All arrayed employers starting with those having the lowest benefit ratio, shall be grouped in accordance with the cumulative taxable payroll percentage limits for the tax schedule in effect. Fractions of a cent shall be dropped in computing taxable payroll limits. If this grouping results in the taxable payroll of an employer falling in two groups, such employer and any other employer or employers with the same benefit ratio shall be assigned the lower of the two applicable rates.

(3) If, subsequent to the assignment of rates of contribution for any rate year, the benefit ratio of an employer is recomputed and changed, such employer shall be placed in that position in the array which he would have occupied had his corrected benefit ratio been shown in the array, but such altered position in the array shall not affect the position of any other employer.

NEW SECTION. Sec. 14. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

Effective with the rate year 1968 and each rate year thereafter contribution rates for eligible employers shall be those scheduled in Table 1. The column of the schedule effective for a particular rate year is determined by the fund balance ratio, except that for rate year 1968 column B shall be effective.

The fund balance ratio for any rate year is the percentage ratio of the balance in the unemployment compensation fund as of June 30th immediately preceding the date of rate determination for that rate year to total remuneration paid by all employers for the calendar year preceding the date of rate determination and reported by the following March 31st. The ratios which apply to each column are as follows:

4.8% but less than 5.2%	B
4.4% but less than 4.8%	C
4.0% but less than 4.4%	D

NEW SECTION. Sec. 15. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

When an employer or prospective employer has acquired all or substantially all of the operating assets of an employer, or has acquired an operating department, section, division, or any substantial portion of the business or assets of any employer, which is clearly segregable and identifiable, for experience rating purposes, the payroll record and benefit charges of the transferring employer shall be divided between the transferring and acquiring employers in proportion to the payroll for the four preceding completed calendar quarters attributable to the operating assets retained and conveyed. The successor employer shall be liable for contributions on the acquired business from the date the transfer occurred. The separate account of a predecessor or that part thereof which is transferred shall become the separate account or part of separate account as the case may be of the successor employer.

NEW SECTION. Sec. 16. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

Effective January 1, 1968, predecessor and successor employer contribution rates shall be computed in the following manner:

(1) If the successor is an employer at the time of the transfer, his contribution rate shall remain unchanged for the remainder of the rate year in which the transfer occurs.

(2) The contribution rate on any payroll retained by a predecessor employer shall remain unchanged for the remainder of the rate year in which the transfer occurs.

(3) If the successor is not an employer at the time of the transfer and acquires the business of one employer or the businesses of two or more employers with the same rate, he shall pay contributions for the remainder of the rate year in which the transfer occurs, at the rate assigned to the predecessor employer or employers.

(4) If the successor is not an employer at the time of the transfer and simultaneously acquires the businesses of two or more employers with different rates or contributions, his rate from the date the transfer occurred until the end of the rate year in which such transfer occurred, shall be a recomputed rate based on the combined experience of his predecessors as of the last day of the completed calendar quarter immediately preceding the quarter in which the transfer occurs.

(5) In all cases, from and after January 1st following the transfer, the successor's rate of contribution for each rate year shall be based on his experience with payrolls and benefits combined with the experience of his predecessor or predecessors, as of the regular date of rate determination for that rate year.

(6) In all cases, from and after January 1st following the transfer, the predecessor's rate of contribution for each rate year shall be based on his experience with payrolls and benefits, as of the regular date of rate determination for that rate year, excluding therefrom such experience as was credited to the successor under section 15 of this 1967 amendatory act.

NEW SECTION. Sec. 17. There is added to chapter 35, Laws of 1945 and to Title 50 RCW a new section to read as follows:

Experience rating credits issued for the credit year beginning July 1, 1967, may be applied only against contributions which are payable on wages paid prior to January 1, 1968.

NEW SECTION. Sec. 18. There is added to chapter 35, Laws of 1945 and to chapter 50.20 RCW a new section to read as follows:

An individual who has received the maximum amount allowable in his benefit year may, if otherwise eligible, draw "extended benefits" in those weeks in his benefit year which begin in an "extended benefit period" and, if his benefit year ends within such extended benefit period, in the next thirteen or fewer weeks which begin in such "extended benefit period": *Provided*, That the individual shall not draw such "extended benefits" in any week during which he could establish entitlement to regular unemployment benefits under any state or federal law.

An "extended benefit period" means a period commencing with the third calendar week immediately following any thirteen-week period during which the average rate of insured unemployment is equal to or greater than one hundred twenty percent of the average of the rates of insured unemployment for the corresponding thirteen-week periods in each of the two preceding calendar years and ending with the third week immediately following any thirteen-week period during which such rate was less than one hundred twenty percent of the average rate of insured unemployment for the corresponding thirteen-week periods in each of the two preceding years; except, that no extended benefit period shall be less than thirteen weeks in length, and, that no new extended benefit period shall commence at any time an extended benefit period is already in effect.

Insured unemployment for any week as used for this computation means the number of weeks of unemployment claimed in Washington for that week, excluding weeks of unemployment claimed in connection with unemployment compensation programs which are exclusively federal and excluding any weeks claimed by an individual following the week in which benefits based on his original entitlement were exhausted.

Insured employment means the average monthly employment reported by employers for a twelve-month period.

For purposes of this subsection the rate of insured unemployment for any week is the ratio obtained by dividing insured unemployment for that week by insured employment for the twelve-month period ending six months immediately prior to the calendar quarter in which the week began.

Rates of insured unemployment shall be computed for each calendar week. After each week the insured unemployment rates for the thirteen consecutive weeks ending with that week shall be averaged and the average shall be compared with the average of the rates of insured unemployment for the corresponding thirteen-week periods of the two preceding years. The commissioner shall by regulation prescribe how corresponding weeks are to be determined. Computations involving division shall be carried to four decimal places.

"Extended benefits" are additional benefits payable at the weekly rate applicable for the individual during the benefit year for which he has received the maximum sum allowable. Extended benefits for an individual cannot exceed whichever is the lesser of thirteen times his weekly benefit amount or one-half his previous entitlement, and the combined total of his regular unemployment compensation plus his extended benefits cannot exceed thirty-nine times his weekly amount.

If a federal enactment provides for reimbursing the state for certain benefits for weeks of extended unemployment, the extended benefits shall be made in the regular manner, and the reimbursements shall be credited to the unemployment compensation fund.

NEW SECTION. Sec. 19. There is added to chapter 35, Laws of 1945 and to chapter 50.20 RCW a new section to read as follows:

Any payments which an individual has claimed, is receiving or has received under any government or private retirement or pension plan to which a base year employer of the individual has contributed on behalf of the individual shall be deemed compensation paid for personal services for the purpose of determining eligibility for and the amount of weekly benefits, but such payments shall not be considered wages subject to contribution under this title nor shall such payments be considered in determining base year earnings of the individual: *Provided*, That any amounts which have been deducted from the weekly benefit amount by reason of the provisions of this section shall not be available for future benefits: *Provided, Further*, That no payments received on account of temporary or permanent disability rather than on account of age or length of service shall be considered compensation paid for personal services.

This section shall become effective with benefit years beginning after June 30, 1967.

Sec. 20. Section 73, chapter 35, Laws of 1945 as last amended by section 8, chapter 8, Laws of 1953 first extraordinary session and RCW 50.20.050 are each amended to read as follows:

[An individual shall be disqualified for benefits for the calendar week in which he has left work voluntarily without good cause and for the five calendar weeks which immediately follow such week.]

An individual who has left his most recent work voluntarily without good cause shall be disqualified for benefits for the calendar week in which he left work and for the eight calendar weeks which immediately follow such week. Good cause may only be shown to exist when it is connected with or related to his employment: Provided, That leaving work voluntarily shall not be considered to be without good cause if, after making reasonable efforts to preserve his employment he left his last work because of his illness, injury, or disability.

Sec. 21. Section 3, chapter 286, Laws of 1955 and RCW 50.20.030 are each amended to read as follows:

A [pregnant] woman [shall be presumed to be unable to work and unavailable for work if she left her most recent work voluntarily] *who leaves work voluntarily because of pregnancy shall be ineligible for benefits during the period of her pregnancy: Provided, However, That in any event a pregnant woman shall be ineligible to receive benefits for any calendar week during the period beginning with the [tenth] seventeenth calendar week [before] immediately preceding the expected date of confinement, as determined by a doctor, and extending through the [fourth] sixth calendar week immediately following the week in which childbirth occurs.*

NEW SECTION. Sec. 22. Sections 10, 11, 12, 15 and 16, chapter 286, Laws of 1955 and RCW 50.28.010 through 50.28.030, 50.28.050 and 50.28.060, and section 3, chapter 235, Laws of 1949 as last amended by section 13, chapter 286, Laws of 1955 and RCW 50.28.040 are each hereby repealed.

NEW SECTION. Sec. 23. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately: *Provided*, That sections 1, 2, 4, and 9 through 18, and 20, 21, and 22 of this amendatory act shall not take effect until July 2, 1967, and sections 3 and 8 of this amendatory act shall not take effect until January 1, 1968."

Mr. Jueling moved adoption of the following amendment to the amendment:

Amend the amendment by Representatives Adams, Jueling, and Morrison as follows: On page 7, section 7, line 22 of the printed amendment, after "this section." insert the following paragraph:

"If the commissioner finds that an employer or any agent of an employer has wilfully submitted false information or wilfully failed to report a material fact concerning a claimant's employment or separation from employment, the commissioner shall charge benefits to the employer's experience rating account in an amount equal to ten times the weekly benefit amount of such claimant."

MOTION

On motion of Mr. Gorton, the House deferred further consideration of Engrossed Senate Bill No. 374, and the bill was ordered placed on the second reading calendar for tomorrow.

Engrossed Senate Bill No. 630, by Senators Dore, Gissberg, and Marquardt:

Creating a board of ethics in each house of the legislature.

House of Representatives,
Olympia, Wash., March 29, 1967.

Mr. Speaker:

We, a majority of your Committee on State Government and Legislative Procedures, to whom was referred Engrossed Senate Bill No. 630, creating a board of ethics in each house of the legislature, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 1, line 5 of the printed and engrossed bill, after "NEW SECTION. Section 1." strike the remainder of the bill and insert

"Under our present system of state government, our legislature is made up of citizen members from all walks of life who pursue many different livelihoods in addition to their legislative duties, and therefore both necessarily and properly have individual interests as well as their paramount interest in the welfare of the state.

Such diversity inevitably leads to conflicts of interest in varying degrees and of almost infinite variety, and the public and the members of the legislature alike would welcome the establishment of guidelines in these matters.

NEW SECTION. Sec. 2. As a permanent subcommittee of the legislative council, there shall be appointed an advisory board on legislative ethics consisting of eight members. Each caucus of the House of Representatives and each caucus of the State Senate shall appoint two members, at least one of which shall not be an active member of the legislature.

NEW SECTION. Sec. 3. Vacancies on the board shall be filled in the same manner as original appointments.

The board shall hold its first meeting at the call of the chairman of the legislative council at which meeting it shall select its chairman, and shall meet thereafter at the call of the chairman, and at such meetings a majority of the board shall constitute a quorum.

Members of the board shall be entitled to the same allowances as authorized for members of the legislative council under RCW 44.04.120, to be paid from any appropriation available therefor on vouchers approved in the manner provided by law for members of the legislative council.

NEW SECTION. Sec. 4. Each non-legislative member appointed by the respective caucuses shall within thirty days after his appointment sign and file an affidavit with the executive secretary of the legislative council that during his term of office he will not engage in any legislative activity designed to defeat or enhance the passage of any legislative bill or measure.

NEW SECTION. Sec. 5. The board shall have the following powers, duties and functions:

(1) To prepare for the submittal by the legislative council to the legislature a code of ethics for legislators which shall follow the following principles: In private transactions, or activities involving an economic benefit to himself, and in the exercise of official responsibility, a legislator should avoid (a) action which destroys his

independence of judgment, (b) involves undue influence upon any state agency, court, or governmental subdivision, or (c) constitutes an abuse of his official position or a violation of his trust: Such code, when enacted, to become effective as standards of conduct for legislators.

(2) To recommend other legislation and other action relating to legislative ethics.

(3) Upon the request of any legislator, or whenever in the board's judgment the public interest requires, to render advisory opinions to the legislative council with regard to questions concerning legislative ethics or conduct, or other issues involving legislative ethics. Such advisory opinions, with such deletions and changes as may be necessary to protect the identity of the persons seeking them, shall be published by the legislative council periodically.

(4) Whenever in the board's judgment the public interest requires, to request of the legislative council the authority to investigate possible unethical conduct by one or more legislators. Any such investigation shall be conducted in accordance with the following procedures:

(a) When the conduct of a particular legislator is under investigation, and the board is authorized to hold a hearing thereon, such legislator shall receive at least thirty days written notice from the board of the matters under investigation, and shall be entitled to present evidence, cross-examine witnesses and be represented by counsel. Such legislator shall not be required to disclose privileged information.

(b) Because hearings conducted by the board may, in some cases, involve alleged misconduct by particular legislators, the board may, in its discretion, hold hearings in closed session. However, any legislator who has received a notice of hearings under the terms of subparagraph (a) above, may advise the board that he elects that such hearing be public or be private and the board shall be bound by the election. All proceedings of the advisory board, including notices of hearings, shall be confidential (except in the case of public hearings) unless divulgence is requested in writing by the legislator or legislators involved, except as hereinafter provided in subsection (e).

(c) The board may designate a subcommittee of the board to conduct authorized hearings. Any member of the board as authorized by the legislative council may administer oaths or affirmations, examine witnesses, receive evidence, and issue subpoenas for the attendance and testimony of witnesses and the production of documentary evidence relating to any matter under examination by the board or involved in any hearing. In case of disobedience to a subpoena, the board may request the chairman of the legislative council to invoke the aid of any superior court of the state.

(d) No finding of unethical conduct on the part of any legislator shall be made unless concurred in and signed by at least five members of the board.

(e) All testimony, documents, records, data, statements or information received by the board in the course of any investigation shall be held private and confidential (except in the course of a public hearing), unless and until the board shall make a finding of unethical conduct and shall determine that there is good cause for divulging all or part thereof.

(f) Whenever the board finds that a legislator has engaged in unethical conduct, the board shall report its findings to the legislative council.

(5) To provide a program of education, assistance, and information to legislators with regard to legislative ethics.

(6) To make such rules for its own functioning and to exercise such powers as may be appropriate within the scope of this act for the discharge of the responsibilities of the board.

NEW SECTION. Sec. 6. The legislative council shall supply necessary staff services to the board."

MOTION

Mr. Day moved that the House defer further consideration of Engrossed Senate Bill No. 630 and that the bill be ordered placed on the second reading calendar on Friday.

The motion was lost.

POINT OF ORDER

The Speaker recognized Mr. McGavick on a point of order.

Mr. McGavick:

"Mr. Speaker, I wonder if the amendment by Mr. Smith is germane to the title of the bill we have before us. The title of the bill has to do with creating a legislative board on ethics. I raise a point of order whether this amendment is germane."

POINT OF ORDER

The Speaker recognized Mr. Smith on a point of order.

Mr. Smith:

"Mr. Speaker, we studied the title in bill drafting and the title is broad enough to take this, and we have an amendment to the title which makes certain that it does cover it properly."

RULING BY THE SPEAKER

The Speaker:

"The Speaker would rule that the amendment is in order. The title is, in effect, actually a new title. There is no RCW citation, so, in effect, it would be rather wide open."

POINT OF ORDER

The Speaker recognized Mr. McGavick on a further point of order.

Mr. McGavick:

"Mr. Speaker, doesn't Rule 33 quite clearly state that no proposition different from that under consideration shall be admitted under color of amendment?"

RULING BY THE SPEAKER

The Speaker:

"I think my ruling would stand. The title is restrictive in one sense, but there is no reference to an RCW section, so we, in effect, have no background to make a decision other than it is broad enough to take care of it. I rule that the amendment is in order."

Further debate ensued, Representative Smith speaking in favor of adoption of the amendment, and Representatives Copeland and Gorton speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Charette, Mr. Smith yielded to question.

Mr. Charette:

"Mr. Smith, would the effect of your amendment mean that as a member of the House Judiciary Committee, I would have to meet with Representative Zeke Clark as chairman every quarter?"

Mr. Smith:

"It does, it does."

With the consent of the House, Mr. Smith withdrew his amendment to the amendment.

The Speaker declared the question before the House to be adoption of the amendment by the Committee on State Government and Legislative Procedures as amended.

The committee amendment as amended was adopted.

Mr. Cunningham moved adoption of the committee amendment to the title of Engrossed Senate Bill No. 630.

On motion of Mr. Cunningham, the following amendment to the committee amendment to the title was adopted:

Strike the committee amendment to the title by the Committee on State Government and Legislative Procedures and on page 1, line 1 of the title of the printed and engrossed bill, after "AN ACT" strike the remainder of the title and insert: "Creating an advisory board on legislative ethics as a committee of the legislative council; prescribing powers, duties and functions; providing procedures in relation thereto; providing reimbursement for expenses; and adding new sections to chapter 36, Laws of 1947 and chapter 44.24 RCW."

The Speaker declared the question before the House to be adoption of the committee amendment to the title as amended.

The committee amendment to the title as amended was adopted.

On motion of Mr. McDougall, the rules were suspended, Engrossed Senate Bill No. 630 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued, Representatives Cunningham and Clark (Newman H.) speaking in favor of passage of the bill, and Representative Day speaking against its passage.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 630 as amended by the House, and the bill passed the House by the following vote: Yeas, 89; nays, 6; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth,

Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, De-Jarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Humiston, Jastad, Johnson, Jolly, Juelling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lux, Lynch, Mahaffey, Marsh, Marzano, McCaffree, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—89.

Those voting nay were: Representatives Day, Grant, Hurley, May, McCormick, Taylor—6.

Those absent or not voting were: Representatives Backstrom, Heavey, Hubbard, Litchman—4.

Engrossed Senate Bill No. 630 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. McDougall, the House deferred further consideration of the balance of the second and third reading calendars, and the bills thereon were ordered placed on tomorrow's second and third reading calendars.

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign: House Bill No. 516; also

Mr. Speaker:

The Senate has passed Engrossed House Bill No. 72 with the following amendments:

On page 1, line 3 of the title of the engrossed and printed bills, after "measures;" insert "creating a parks and recreation revolving account; providing for certain inter-agency fund transfers; authorizing the expenditure of certain funds for park purposes; providing for the exchange of state lands for privately owned lands of equal value to be used for park purposes; adding a new section to chapter 79.08 RCW;"

On page 1, section 1, line 11 of the printed bill, being line 10 of the engrossed bill, after "jurisdiction" and before "when" insert "which are of primitive character"

On page 1, line 24 of the printed bill, being line 23 of the engrossed bill, following section 1, insert new sections to read as follows:

"NEW SECTION. Sec. 2. There is added to chapter 8, Laws of 1965 and to chapter 43.30 RCW a new section to read as follows:

The budget director is authorized and directed from time to time to transfer or order the transfer to the park and parkways account of the general fund, from the fund in which they were deposited, the rentals paid under RCW 79.08.102 through 79.08.106 for the use of public lands for park purposes: *Provided*, That no moneys derived from the sale, lease, rental or other disposal of lands granted in trust to the state by the Washington state enabling act which are (1) then currently pledged to the support of bonded indebtedness or (2) which are not authorized or which are prohibited to be so pledged, shall be deposited in such account: *And Provided Further*, That no transfer shall be made or ordered which is prohibited by the Constitution or beyond the power of the state.

The budget director may adopt rules and regulations governing the procedures to be followed in transferring or ordering the transfer of moneys to the park and parkways account.

"NEW SECTION. Sec. 3. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW, a new section to read as follows:

It is the sense of the legislature that use of lands granted to the state in trust by the Washington State Enabling Act for park purposes is not in violation of the trust imposed upon such lands, since the lands are not disposed of in the constitutional sense and since the various trust beneficiaries indirectly receive the benefits of the trust.

Therefore, the department of natural resources, with respect to the rental on lands leased for park purposes, shall determine the full rental market value as required by Article XVI of the Washington State Constitution, by considering only the actual money value of the lands when used for park purposes and the offsetting benefits accruing directly or indirectly to the owners and/or beneficiaries of such lands.

"NEW SECTION. Sec. 4. There is added to chapter 79.08 RCW a new section to read as follows:

For the purpose of securing and preserving privately owned lands for parks and recreation purposes, the department of natural resources is authorized, with the advice and approval of the state board of natural resources, to exchange any state lands of equal value for such lands. Lands acquired by exchange as herein provided shall be withdrawn from lease and sale and reserved for park and recreation purposes.

"NEW SECTION. Sec. 5 There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW a new section to read as follows:

If any provision of sections 1 through 6 of this act, or its application to any person or circumstances is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

Renumber existing section 2 as section 6., and the same is herewith transmitted.

Ward Bowden, *Secretary.*

On motion of Mr. Copeland, the House deferred further consideration of Engrossed House Bill No. 72 as amended by the Senate and the bill was ordered placed on the fifth order of business for Monday.

SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:

Ward Bowden, *Secretary.*

MOTION

Mr. Clark (Newman H.) moved that the House do concur in the Senate amendments to Engrossed Substitute House Bill No. 77.

Debate ensued, Representatives Clark (Newman H.) and Charette speaking in favor of the motion, and Representatives Brazier and McDougall speaking against it.

YIELDING TO QUESTION

At the request of Mr. Newhouse, Mr. Charette yielded to question.

Mr. Newhouse:

"Do I understand you to say this would not cost the state anything in condemnations for highways? Who would pay it if the state does not?"

Mr. Charette:

"To answer your question, the money for condemnation is paid out of the state fund. There was some suggestion by the highway department that there would be no matching funds at the federal level for these payments, and this is not true. There are matching funds at the federal level for these payments and we have to have a law to get them. The highway department can point up the fact that the bill does cost the state some money and it certainly does, but we must realize we are dealing with people who are having their homes taken away from them legally by the state of Washington for the purpose of construction of highways, and those people should be justly compensated."

Further debate ensued, Representatives Bottiger, Gorton, and Beck speaking against the motion to concur in the Senate amendments to Engrossed Substitute House Bill No. 77.

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Gorton yielded to question.

Mr. Lewis:

"The Senate amendment which I presume is the one we are talking about, adopted April 1, states, 'the court shall fix a reasonable attorney's fee' but 'fee' is singular. The original bill on page 3, line 6, states, 'the court may award attorney's fees' with 'fees' in the plural. As an attorney would you read the amendment presently put on by the Senate to pertain only to the fee incurred by the attorney and not any extra fees or costs that the attorney may incur by hiring expert witnesses?"

Mr. Gorton:

"I don't think, Mr. Lewis, there is any significance to the singular and plural. The expert witness fees are handled in another section."

Mr. Lewis:

"Having struck all of section 4 with the Senate amendment, where were the other expert witness fees added?"

Mr. Gorton:

"In section 3, I believe."

Further debate ensued, Representative Lewis speaking against the motion to concur in the Senate amendments.

Mr. Bledsoe demanded the previous question and the demand was sustained.

Mr. Smith demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion that the House do concur in the Senate amendments to Engrossed Substitute House Bill No. 77, and the motion was lost by the following vote: Yeas, 12; nays, 76; absent or not voting, 11.

Those voting yea were: Representatives Anderson, Avey, Charette, Clark (Newman H.), Gallagher, Grant, Marsh, O'Dell, Smith, Sprague, Swayze, Whtzel—12.

McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, Perry, Reese, Richardson, Saling, Sawyer, Sheridan, Smythe, Spanton, Taylor, Veroske, Walgren, Wanamaker, Wolf, Zimmerman, Mr. Speaker—76.

Those absent or not voting were: Representatives Copeland, Harris, Haus-sler, Heavey, Hill, Kink, Leland, McCormick, Newschwander, Rosellini, Thompson—11.

POINT OF PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Bottiger on a point of parliamentary inquiry.

Mr. Bottiger:

"Would the effect of that vote be to ask the Senate to recede from their amendments?"

The Speaker:

"That is right, Mr. Bottiger."

The Speaker declared that, the motion that the House do concur having been lost, the Senate would be advised that the House refused to concur in the Senate amendments to Engrossed Substitute House Bill No. 77 and asks the Senate to recede therefrom.

RESOLUTION

House Resolution No. 67-70, by Representative Bluechel:

Whereas, The State of Washington's existing ad valorem taxes levied on inventories is discriminating and regressive; and

Whereas, Inventory taxes cause serious disruptions in the normal flow of commerce and such disruptions result in loss in employment, reduced business activity; and

Whereas, Inventory taxes are inequitable and produce serious tax inequities between businesses requiring inventories and those that do not, and even a disparity of tax burdens between businesses requiring inventories, and have little relationship to the ability to pay; and

Whereas, Inventory taxes place Washington at a definite disadvantage in competing with other states for new industries and jobs; and

Whereas, States bordering the State of Washington are reducing personal property tax on inventories or have repealed inventory tax; and

Whereas, Other western states are reducing their inventory taxes to meet competition;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council is authorized and directed to undertake a study of the present personal property taxes levied in the State of Washington and review alternative methods of reducing Washington's inventory tax;

Be It Further Resolved, That the results of the study and the recommendations of the Legislative Council shall be presented to the next regular session of the legislature for its consideration.

Mr. Bluechel moved adoption of the resolution.

Mr. Sheridan:

"Mr. Hoggins, I am sorry but I didn't hear the amendment read. Is it your purpose to strike or negate the Senate amendment which is on page 3?"

Mr. Hoggins:

cleaning and laundry facilities in apartment houses for use of tenants that are leased by the apartment house owners."

The motion was lost and the amendment to the amendment was not adopted.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House a group of Japanese mountain climbers headed by Mr. Tatsuo Miyazaki, Deputy Mayor of the City of Kobe, sister city of Seattle, and requested that Representatives Copeland and O'Brien escort Deputy Mayor Miyazaki to a place on the rostrum.

The Speaker:

"It is my pleasure at this time to introduce the deputy mayor of Kobe, the sister city of Seattle. These gentlemen are here with the Alaska-Yukon Mountain Climbing Team and are in Olympia visiting for an hour or so this morning. It is certainly a pleasure to introduce to the House of Representatives the Deputy Mayor of Kobe."

Deputy Mayor Miyazaki addressed the House of Representatives in Japanese, translated by an interpreter as follows:

"We people, sixty members of the Yyogo Prefecture Mountaineering Union, arrived yesterday in order to climb so-called unclimbed peaks in Alaska and the Yukon. This great venture is in order to commemorate the tenth anniversary of sister city relations between Seattle and Kobe, and also to commemorate the one hundredth anniversary of the opening of the port of Kobe, and the one hundredth anniversary of the Yyogo Prefecture Mountaineering Union in conjunction with Alaska, a most significant date for American teams and Japanese teams. We will try to climb only three peaks. I understand there are many unclimbed peaks, so please rest assured you will still have many to climb. This expedition between the United States and Japan is extremely significant. We do not often see anything like this joint venture in mountain climbing history, so we ask your support and understanding for this American-Japanese Yukon expedition. Thank you."

The Speaker recognized other members of the mountain climbing expedition at the rear of the chamber and asked them to stand and be recognized.

The Speaker:

"Mr. Mayor, it is our pleasure to have you and your group with us today. We appreciate your visit to the Washington State Legislature. We hope you are successful and have an exciting and worthwhile experience on your mountain climbing expedition."

The Speaker requested that the special committee escort Deputy Mayor Miyazaki to the rear of the chamber.

The House resumed consideration of Engrossed Senate Bill No. 255.

The Speaker declared the question before the House to be adoption of the amendment by Mrs. McCaffree.

Mr. Murray moved adoption of the following amendment to the amendment:

Amend the amendment by Representative McCaffree as follows: After section 7 insert a new section to read as follows:

"Sec. 8. Section 82.32.090, chapter 15, Laws of 1961 as last amended by section 3, chapter 141, Laws of 1965 extraordinary session and RCW 82.32.090 are each amended to read as follows:

"If payment of any tax due is not received by the tax commission by the [twenty-fifth] last day of the month in which the tax becomes due, there shall be assessed a penalty of two percent of the amount of the tax; and if the tax is not received [within forty days of the due date] by the last day of the month next succeeding the month in which the due date falls, there shall be assessed a total

penalty of ten percent of the amount of the tax; and if the tax is not received [within seventy days of the due date] by the last day of the second month next succeeding the month in which the due date falls, there shall be assessed a total penalty of twenty percent of the amount of the tax. No penalty so added shall be less than two dollars.

"If payment of any tax is received within the first ten days of the month next succeeding the month in which the due date falls, the amount of such payment shall be credited to, and shall be treated for all purposes as having been collected during, the fiscal year in which such due date falls.

"If a warrant be issued by the tax commission for the collection of taxes, increases, and penalties, there shall be added thereto a penalty of five percent of the amount of the tax, but not less than five dollars.

"Notwithstanding the foregoing, the aggregate of penalties imposed under this chapter for failure to file a return, late payment of any tax, increase, or penalty, or issuance of a warrant shall not exceed twenty-five percent of the tax due, or seven dollars, whichever is greater."

Renumber the remaining section accordingly

Representatives Murray, McCaffree, and O'Brien spoke in favor of adoption of the amendment to the amendment.

The motion was carried and the amendment to the amendment was adopted.

On motion of Mr. Holman, the following amendment to the amendment was adopted:

Amend the amendment by Representative McCaffree as follows: Following section 8 added by Representative Murray, add two new sections to read as follows:

"All taxes imposed by the inheritance tax provisions of this title shall take effect and accrue upon the death of the decedent or donor. If such tax is not paid within fifteen months from the accruing thereof, interest shall be charged and collected at the rate of [six] eight percent per year computed from the expiration of such fifteen month period unless the amount of tax cannot be determined because of litigation pending in any court of competent jurisdiction or arbitration under the provisions of chapter 83.14 which involves, either directly or indirectly, the amount of tax payable, in which case interest shall not be charged during the time necessarily consumed by such litigation or arbitration: *Provided*, That in no case shall interest be tolled for a period of more than three years from the expiration of the fifteen months after date of death. The minimum tax due in any event shall be paid within fifteen months from the accruing thereof. In all cases where a bond shall be given under the provisions of RCW 83.16.020 interest shall be charged at the rate of six percent per year from and after a period of sixty days from the time that the person or persons owning the beneficial interest come into the possession of same until the payment thereof.

"[The tax commission may, in its discretion, waive the payment of interest required to be assessed under the inheritance tax provisions of this title.]

Representative Gorton spoke in favor of passage of the bill, and Representatives O'Brien and Sawyer responded to his remarks.

POINT OF ORDER

The Speaker recognized Mr. Newhouse on a point of order.

Mr. Newhouse:

"Mr. Speaker, I don't believe any of the gentlemen over there are talking about the bill before the House."

The Speaker:

"No, but it's kind of interesting. Go ahead."

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Marsh yielded to question.

Mr. McGavick:

"Mr. Marsh, since the other day you characterized the tax reform program on property taxes and the sales tax and so on as a 'bum' deal, I was confused that you did not offer an amendment to provide some solution and tax revenue to support the amendments which you alone introduced to add additional spending to this budget. I wonder if you would comment?"

Mr. Marsh:

"Thank you, Mr. McGavick. I believe my leader, John O'Brien, outlined this very well in his comments just now. We have a one hundred million dollar surplus in the general fund at the present time. I propose to use that one hundred million dollar tax surplus and the existing tax structure to finance any program we need at this time."

Mr. McGavick:

"Mr. Marsh, if we use the surplus it would bring us to a new revenue level, and since revenue projections don't provide a sustained yield in increased revenue for the

following biennium, how, in the following biennium, do you propose to continue that level?"

Mr. Marsh:

"I am glad you asked that question. I am interested in real tax reform. In my opinion, real tax reform involves the adoption of a constitutional amendment to be submitted to the people calling for a graduated net income tax. In the alternative, I would be interested in a constitutional amendment submitted to the people which would allow the legislature to determine the type of income tax which would be adopted, be that the single rate or graduated rate. I feel strongly it is wrong to write a single or flat rate proposal into the Constitution, and I think I have a lot of support in this feeling on this side of the aisle and among the true representatives of the people, including the AFL-CIO, League of Women Voters, the American Association of University Women, and the Washington League for Tax Reform. It is wrong in my opinion, to write a limitation on the income tax into the Constitution, such as the Governor's proposed single rate limitation. You know our federal Constitution in Amendment XVI merely says, Mr. McGavick, that Congress shall have power to levy an income tax and it doesn't specify a regressive, single rate tax. I propose true tax reform for the succeeding biennium."

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 255 as amended by the House, and the bill passed the House by the following vote: Yeas, 82; nays, 11; absent or not voting, 6.

Those voting yea were: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Hawley, Hill, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Saling, Sheridan, Smythe, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Mr. Speaker—82.

Those voting nay were: Representatives Avey, Backstrom, Grant, Hoggins, King, McCormick, Moon, Richardson, Sawyer, Smith, Wolf—11.

Those absent or not voting were: Representatives Harris, Haussler, Heavey, Rosellini, Spanton, Zimmerman—6.

Engrossed Senate Bill No. 255 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATIONS OF VOTE

I wish to enter into the record the reason for my "nay" vote on the final passage of Engrossed Senate Bill No. 255. I voted "nay" because this revenue measure did not provide any revenue for the relief of property owners from special levies. I also voted "no" because I believe it is improper to give special tax exemptions without first having provided tax reform that would have made some of these exemptions unnecessary.

Dale E. Hoggins,
21st District.

My reason for failing to vote on this issue is due to a conflict in interest. The bill discusses coin-operated laundries and dry cleaning establishments, of which I am a part owner.

Keith J. Spanton,
15th District.

MOTION

On motion of Mr. Gorton, Engrossed Senate Bill No. 255 as amended by the House was ordered immediately transmitted to the Senate.

Mr. O'Brien demanded a call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Harris, Haussler, Heavey, and Newschwander.

On motion of Mr. Gorton, the absent members were excused and the House proceeded with business under the call of the House.

Reengrossed Senate Bill No. 374, by Senators Rasmussen, Greive, and Cooney:

Amending the unemployment compensation act.

The House resumed consideration of Reengrossed Senate Bill No. 374 on second reading.

The Speaker declared the question before the House to be the adoption of the following amendment by Mr. Juelling to the amendment by Representatives Adams, Juelling, and Morrison (See pp. 1775 to 1782 for amendment):

Amend the amendment by Representatives Adams, Juelling and Morrison as follows: On page 7, section 7, line 22 of the printed amendment, after "this section." insert the following paragraph:

"If the commissioner finds that an employer or any agent of an employer has wilfully submitted false information or wilfully failed to report a material fact concerning a claimant's employment or separation from employment, the commissioner shall charge benefits to the employer's experience rating account in an amount equal to ten times the weekly benefit amount of such claimant."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, I think we should give Mr. Juelling all that courtesy has at its command under proper decorum, so we can listen to his remarks."

The Speaker:

"Thank you, Mr. O'Brien. Will the members take their seats. The House will be in order."

YIELDING TO QUESTION

At the request of Mr. Day, Mr. Juelling yielded to question.

Mr. Day:

"Mr. Juelling, would this penalty apply to a small employer of two or three employees just the same as it would to one with six hundred?"

Mr. Juelling:

"Indeed it would. If he makes a false or misleading statement, he should be penalized."

YIELDING TO QUESTION

At the request of Mr. Backstrom, Mr. Juelling yielded to question.

Mr. Backstrom:

"Representative Juelling, I am a little concerned about this. There are some employers who have only one or two employees. Who is to determine whether these are false statements or misstatements? Many of these people do not have real bookkeepers, so some incorrect statement may go in on a report inadvertently; then if the tax commission finds it to be false, he has had it."

Mr. Juelling:

"First of all, Mr. Backstrom, he must have done this wilfully and it must be proved. Secondly, the commissioner must find that this is true and then, further, he has recourse to the appeal procedure, so I think he is amply protected."

The motion was carried and the amendment to the amendment was adopted.

The Speaker declared the question before the House to be adoption of the amendment by Representatives Adams, Juelling, and Morrison, as amended.

The amendment as amended was adopted.

On motion of Mr. Adams, the following amendment to the title was adopted:

On line 1 of the title strike everything after the word "security" and insert the following:

"; amending section 3, chapter 35, Laws of 1945 and RCW 50.04.020; amending section 4, chapter 35, Laws of 1945 as amended by section 1, chapter 214, Laws of 1949 and RCW 50.04.030; amending section 33, chapter 35, Laws of 1945 as last amended by section 2, chapter 8, Laws of 1953 first extraordinary session and RCW 50.04.320; amending section 68, chapter 35, Laws of 1945 as last amended by section 3, chapter 266, Laws of 1959 and RCW 50.20.010; amending section 73, chapter 35, Laws of 1945 as last amended by section 8, chapter 8, Laws of 1953 first extraordinary session and RCW 50.20.050; amending section 3, chapter 283, Laws of 1955 and RCW 50.20.030; amending section 80, chapter 35, Laws of 1945 as last amended by section 2, chapter 321, Laws of 1959 and RCW 50.20.120; amending section 83, chapter 35, Laws of 1945 as amended by section 5, chapter 215, Laws of 1951 and RCW 50.20.150; amending section 89, chapter 35, Laws of 1945 as amended by section 18, chapter 214, Laws of 1949 and RCW 50.24.010; adding three new sections to chapter 35, Laws of 1945 and to chapter 50.20 RCW; adding new sections to chapter 35, Laws of 1945 and to Title 50 RCW; repealing sections 10, 11, 12, 15 and 16, chapter 286, Laws of 1955 and RCW 50.28.010 through 50.28.030, 50.28.050 and 50.28.060; repealing section 3, chapter 235, Laws of 1949 as last amended by section 13, chapter 286, Laws of 1955 and RCW 50.28.040; and declaring an emergency."

On motion of Mr. Gorton, the rules were suspended, Reengrossed Senate Bill No. 374 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued, Representatives Adams and Morrison speaking in favor of passage of the bill, and Representatives Grant and King speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Gladder, Mr. Lewis yielded to question.

Mr. Gladder:

"Mr. Lewis, earlier this week you and I had a rather detailed discussion on this particular subject. Our opinions and conclusions were at some variance with those of Representative Grant and Representative King. I wonder if you would review briefly some of the things we discussed?"

Mr. Lewis:

"Representative Gladder, I would be happy to."

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Mr. Speaker, I feel that the purpose of yielding to a question is to explain some particular point, and I would hope that the Speaker would call on Mr. Lewis if he wants to make a speech, and that Mr. Lewis and Mr. Gladder wouldn't have to use this devious means to let Mr. Lewis make a speech."

RULING BY THE SPEAKER

The Speaker:

"I think Mr. Gladder has asked a legitimate question in regard to the whole field of the measure before us. Continue, Mr. Lewis."

Mr. Lewis:

"Thank you, Mr. Speaker. Ladies and gentlemen, Mr. Charette, this represents in my mind a considerable compromise. Representative Grant and Representative King have spoken here about the need for compromise. Representative Sprague alluded only to the fact that in his opinion the people on this side of the aisle would not compromise some of their actions in Olympia. Some of us who campaigned on this side of the aisle for a strong unemployment compensation law regard this bill to be a considerable compromise with the principles on which we campaigned. This bill, ladies and gentlemen, adds 3.3 million dollars to the cost of unemployment compensation to the employees of the state of Washington. It would be entirely possible to increase the benefits to the genuine unemployed by fifty percent in the state of Washington without increasing the cost to employers if we were to close all the loopholes in the law. This bill hasn't done that. This bill, for example, still allows a man to retire and collect some unemployment compensation for up to six months. Sure, we deduct the amount of his pension—"

The Speaker:

"Mr. Lewis, I think we have been rather lenient. I wouldn't like to be in the position of having made a wrong ruling. I would like to have you confine your remarks to the question and keep it short."

Mr. Lewis:

"I am endeavoring to answer the question that Representative Gladder asked me, Mr. Speaker. This bill leaves open the question of paying benefits to somebody who is retired. It is weaker than the bill that was passed by the Senate, in that the amount of work that a man who is only temporarily in the labor force is required to do is only six hundred hours, whereas the Senate required eleven hundred hours of earning. This puts in an escalator clause. None of us have escalator clauses in our salaries. How many on the other side would be prepared to give the Governor an escalator clause in his salary? There are many points in this bill I would like to see stricken. I think Representatives Adams, Juelling, Morrison, and other members of their committee have done a distinct service to the employers and workmen of the state of Washington by coming up with this bill. It is the best we can come up with. For that reason, Representative Gladder, I am going to support the bill reluctantly, but I am going to support it."

Further debate ensued, Representatives Day, Perry, Sprague, and Smith speaking against passage of the bill, and Representatives Brazier, Juelling, and McGavick speaking for its passage.

Mr. Heavey appeared at the bar of the House.

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Reengrossed Senate Bill No. 374 as amended by the House, and the bill passed the House by the following vote: Yeas, 54; nays, 42; absent or not voting, 3.

Those voting yea were: Representatives Adams, Amen, Barden, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Charette, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Juelling, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, O'Dell, Reese, Richardson, Saling, Smythe, Spanton, Swayze, Veroske, Wana-maker, Whetzel, Wolf, Zimmerman, Mr. Speaker—54.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bag-nariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Chatalas, Conner, Day, DeJarnatt, Gallagher, Garrett, Grant, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, Mer-rill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Taylor, Thompson, Walgren—42.

Those absent or not voting were: Representatives Harris, Haussler, New-schwander—3.

Reengrossed Senate Bill No. 374 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATIONS OF VOTE

I wish to state for the record that I voted for Senate Bill No. 374 to obtain final passage and get the bill into a conference where an honest and legitimate compromise can be worked out that will not unduly deplete the unemployment compensation fund and at the same time will afford adequate payments and eliminate some of the traditional abuses that have remained within the law. I have been assured that members of reasonable minds will serve on the conference committee and that an acceptable compromise can be worked out.

Robert L. Charette,
19th District.

I wish to enter into the record the reason for my "yea" vote on the final passage of Senate Bill No. 374. I voted "yea" because I believe this bill provides benefits to those who are sincerely attached to the labor market; it contains an escalator clause; it closes the loopholes that are in the current law; and I believe it will encourage employers to provide year around employment.

Dale E. Hoggins,
21st District.

The motion was lost and the amendment was not adopted.

Mr. Bottiger moved that the rules be suspended, Engrossed Senate Bill No. 464 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

MOTION

RULING BY THE SPEAKER

The Speaker:

"Mr. Clark, we already have a motion before us. Your motion is out of order."

The motion to suspend the rules and advance the bill to third reading was carried on a rising vote.

POINT OF ORDER

The Speaker recognized Mr. Clark (Newman H.) on a point of order.

Mr. Clark:

"Mr. Speaker, the motion to suspend didn't get sixty-six votes."

RULING BY THE SPEAKER

The Speaker:

"We didn't need sixty-six votes, only two-thirds of those voting."

The Speaker declared the question before the House to be Engrossed Senate Bill No. 464 on final passage.

Representatives Bottiger and Clarke (George W.) spoke in favor of passage of the bill.

Representative Barden spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Humiston, Mr. Barden yielded to question.

Mr. Humiston:

"Mr. Barden, you are familiar with House Bill No. 223, which is now law. Would this bill, either as it exists in law or with this amendment which is proposed, permit county treasurers to use these deposits in banks under the terms of House Bill No. 223 as passed?"

Mr. Barden:

"Yes, Representative Humiston. This bill pertains only to such funds as are still on deposit in banks. If the money is withdrawn from banks to be invested by the county treasurer, of course, the bank has no need to maintain collateral security for those deposits."

The Clerk called the roll on the final passage of Senate Bill No. 457, and the bill passed the House by the following vote: Yeas, 92; nays, 0; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Backstrom, Bag-nariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Hawley, Heavey, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Juelling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leck-enby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Mur-ray, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—92.

MOTION

On motion of Mr. Gorton, the House reverted to the eighth order of business for the purpose of receiving a motion.

MOTION

Mr. Copeland moved that the rules be suspended and that the House do now consider Engrossed House Bill No. 72 as amended by the Senate.

The motion was carried.

MESSAGE FROM THE SENATE

Senate Chamber,
Olympia, Wash., April 4, 1967.

Mr. Speaker:

The Senate has passed Engrossed House Bill No. 72 with the following amendments:

On page 1, line 3 of the title of the engrossed and printed bills, after "measures;" insert "creating a parks and recreation revolving account; providing for certain inter-agency fund transfers; authorizing the expenditure of certain funds for park purposes; providing for the exchange of state lands for privately owned lands of equal value to be used for park purposes; adding a new section to chapter 79.08 RCW;"

On page 1, section 1, line 11 of the printed bill, being line 10 of the engrossed bill, after "jurisdiction" and before "when" insert "which are of primitive character"

On page 1, line 24 of the printed bill, being line 23 of the engrossed bill, following section 1, insert new sections to read as follows:

"NEW SECTION. Sec. 2. There is added to chapter 8, Laws of 1965 and to chapter 43.30 RCW a new section to read as follows:

The budget director is authorized and directed from time to time to transfer or order the transfer to the park and parkways account of the general fund, from the fund in which they were deposited, the rentals paid under RCW 79.08.102 through 79.08.106 for the use of public lands for park purposes: *Provided*, That no moneys derived from the sale, lease, rental or other disposal of lands granted in trust to the state by the Washington state enabling act which are (1) then currently pledged to the support of bonded indebtedness or (2) which are not authorized or which are prohibited to be so pledged, shall be deposited in such account: *And Provided Further*, That no transfer shall be made or ordered which is prohibited by the Constitution or beyond the power of the state.

The budget director may adopt rules and regulations governing the procedures to be followed in transferring or ordering the transfer of moneys to the park and parkways account.

"NEW SECTION. Sec. 3. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW, a new section to read as follows:

It is the sense of the legislature that use of lands granted to the state in trust by the Washington State Enabling Act for park purposes is not in violation of the trust imposed upon such lands, since the lands are not disposed of in the constitutional sense and since the various trust beneficiaries indirectly receive the benefits of the trust.

Therefore, the department of natural resources, with respect to the rental on lands leased for park purposes, shall determine the full rental market value as required by Article XVI of the Washington State Constitution, by considering only the actual money value of the lands when used for park purposes and the offsetting benefits accruing directly or indirectly to the owners and/or beneficiaries of such lands.

"NEW SECTION. Sec. 4. There is added to chapter 79.08 RCW a new section to read as follows:

For the purpose of securing and preserving privately owned lands for parks and recreation purposes, the department of natural resources is authorized, with the advice and approval of the state board of natural resources, to exchange any state lands of equal value for such lands. Lands acquired by exchange as herein provided shall be withdrawn from lease and sale and reserved for park and recreation purposes.

"NEW SECTION. Sec. 5. There is added to chapter 8, Laws of 1965, and to chapter 43.08 RCW a new section to read as follows:

If any provision of sections 1 through 6 of this act, or its application to any person or circumstances is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

Renumber existing section 2 as section 6., and the same is herewith transmitted.

Ward Bowden, *Secretary.*

On motion of Mr. Copeland, the House refused to concur in the Senate amendments to Engrossed House Bill No. 72 and asked the Senate to recede therefrom.

MOTION

On motion of Mr. Gorton, the House advanced to the ninth order of business for second reading of bills.

SECOND READING OF BILLS

House Bill No. 719, by Representative Leland:
Providing for highways, bridges and toll facilities.

MOTION

On motion of Mr. McDougall, Substitute House Bill No. 719 was substituted for House Bill No. 719 and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 719 was read the second time.

Mr. Beck moved adoption of the following amendment by Representatives Beck, Walgren, Elicker, and Wanamaker:

On page 2, line 26, strike all of section 4 and renumber the remaining sections accordingly

Debate ensued, Representative Beck speaking in favor of adoption of the amendment and Representative Leland speaking against its adoption.

The motion was lost and the amendment was not adopted.

On motion of Mr. Sheridan, the following amendment was adopted:

On page 3, section 5, line 3, after "363" and before the period insert "nor shall anything in this 1967 amendatory act be construed to authorize reimposition of tolls on the Tacoma Narrows bridge"

Substitute House Bill No. 719 was ordered engrossed.

On motion of Mr. Leland, the rules were suspended, Engrossed Substitute House Bill No. 719 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Cunningham, Mr. Leland yielded to question.

Mr. Cunningham:

"Mr. Leland, the combination of feeder bridges that is suggested in this bill somewhat bothers me, because it does not include Vashon Island which is in my district and would still have to have only ferry service, and which is otherwise isolated from both the peninsula and the mainland. What effect do you think the construction of both of these feeder bridges, either the Illahee or the Fletcher Bay, in conjunction with the Rich Passage bridge, will have on the eventual construction of the cross-sound bridge? Do you feel this might shift the traffic pattern to the Bainbridge side so that they might build the Bainbridge bridge rather than the Vashon bridge?"

Mr. Leland:

"No, Mr. Cunningham. The reason it is a package of two bridges is that this is the only way we could get a start on this problem in Kitsap county. Both of these bridges would be required in one or both of the proposed cross-sound routes. The Rich Passage bridge is required whether you build Route 1 or Route 2, and either the Illahee or Fletcher Bay bridge would be required if you built Route 2. So we feel that this does not mitigate against either location in future deliberations but that it will make a tremendous stride forward in getting Kitsap county tied together. This is the purpose of this; it is not the intent that it mitigate against one location or the other."

Mr. Cunningham:

"To your knowledge, are there any plans for additional feeder bridges after these are completed, such as at Colvos Passage?"

Mr. Leland:

"Mr. Cunningham, that question has been raised by you and others, and I think that would have to wait for future development and need. Now you can correct me if I am wrong, but as I understand it, the cost of the Colvos Passage bridge is something like fifty million dollars and without its being an integral part of the total cross-sound package it is just not feasible financially, because you would still have to go to Vashon by way of ferry."

Mr. Cunningham:

"What effect do you feel the construction of these two feeder bridges, if this should pass here and over in the Senate, would have on the eventual construction and completion of a total cross-sound bridge system? Do you feel it would set it back or what do you feel it would do to these plans?"

Mr. Leland:

"I think the closest way I can characterize it is that it would be a Mexican standoff. As you are aware, we held this bill up as a courtesy to Senator Washington who wanted to make an effort at the full package for the cross-sound bridge system in

the Senate. I think everyone in the House is aware that the full package went 'down the drain.' As I said before, I think this should be a red letter day in helping solve the problem of tying Kitsap county together. There simply are not the votes to get the cross-sound bridge in toto. I can only say that these two bridges in one way should assist in the final cross-sound package because they will be built and will be paying for themselves, and that will make the total package less costly at some future date. I don't believe this will materially delay the cross-sound bridge. I don't think it materially accelerates it. It is an issue where the legislature is going to have to be willing to take a rather big jump financially. I don't think this will particularly delay or accelerate the total package."

YIELDING TO QUESTION

At the request of Mr. Elicker, Mr. Leland yielded to question.

Mr. Elicker:

"Mr. Leland, I know there is nothing in the bill—and it would probably be improper to have it in the bill—about the toll schedules. Could you tell the members of the House what the discussions were in your committee and with Wilbur Smith and the people that drafted this bill as to the probable toll structures on these bridges?"

Mr. Leland:

"Mr. Elicker, we hope by use of the funds available—and I am speaking of funds above and beyond the present foreseeable need in the Puget Sound reserve account—to get the fares on these bridges down to around seventy-five cents. The optimum tolls as suggested by Wilbur Smith were sixty cents an axle or one dollar twenty cents. If you add that to the ferry fares to Vashon or Bainbridge, you get into a rather high and unreasonable rate, and since the connecting roads under normal circumstances would be built by the highway department, and since these connection roads are tied into the total financing of the project for which there will be a bond issue of approximately thirty-one million dollars, it was felt that it was a legitimate use of the reserve account to bring the tolls down to a more realistic figure of seventy-five cents. This is the intent of the bill."

Debate ensued, Representatives Elicker and Lewis speaking in favor of passage of the bill, and Representative Heavey speaking against its passage.

Mr. Goldsworthy demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 719, and the bill passed the House by the following vote: Yeas, 80; nays, 12; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Berentson, Bledsoe, Bluechel, Bottiger, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Gorton, Hawley, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lynch, Mahaffey, Marsh, Marzano, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Saling, Sawyer, Sheridan, Smith, Smythe, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Zimmerman, Mr. Speaker—80.

Those voting nay were: Representatives Avey, Barden, Beck, Cunningham, Garrett, Grant, Heavey, Hubbard, Juelling, Lux, Rosellini, Wolf—12.

Those absent or not voting were: Representatives Bozarth, Copeland, Harris, Haussler, May, Newschwander, Spanton—7.

Engrossed Substitute House Bill No. 719, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATIONS OF VOTE

I voted against Substitute House Bill No. 719 on final passage because there was no assurance that the construction of the two feeder bridges would not either alter eventual bridging of Puget Sound from the presently approved Vashon route, or preclude cross-sound bridging entirely in the foreseeable future.

Paul Barden,
30th District.

I voted "no" on Substitute House Bill No. 719 because I wasn't assured that the construction of feeder bridges would improve ferry service to Vashon Island nor that the feeder bridge construction would not alter the eventual construction of cross-sound bridge route No. 1.

Norwood Cunningham,
30th District.

I voted "no" on Substitute House Bill No. 719 in order to be qualified to serve on a conference committee if one is appointed.

C. W. "Red" Beck,
23rd District.

The Speaker resumed the Chair.

Mr. Grant demanded a call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Copeland, Harris, Haussler, and Newschwander.

On motion of Mr. Gorton, the absent members were excused and the House proceeded with business under the call of the House.

Engrossed Senate Bill No. 165, by Senators Woodall, Chytil, and Guess:

Extending certain veterans' benefits to those participating in military campaigns.

The bill was read the second time.

Mr. Whetzel moved adoption of the following amendment by Representatives Whetzel and Lewis:

On page 8 of the printed and engrossed bill add a section following section 11 as added by senate amendment as follows:

"Sec. 12. Section 7, page 210, Laws of 1888 as last amended by section 7, chapter 144, Laws of 1945 and RCW 73.08.080 are each amended to read as follows:

The boards of county commissioners of the several counties in this state shall levy, in addition to the taxes now levied by law, a tax not less than one-twentieth of one mill, and not greater than one and one-fifth mills, upon the taxable property of their respective counties, to be levied and collected as now prescribed by law for the assessment and collection of taxes, for the purpose of creating a fund for the relief of honorably discharged soldiers, sailors and marines who served in the Civil War, in the war of Mexico or in any of the Indian wars, or the Spanish-American war or the Philippine insurrection [soldiers, sailors and marines who served in the United States army, navy, or marine corps between April 6, 1917, and the date upon which peace is finally concluded with the German government and its allies, or soldiers, sailors and marines who served in the army, navy, or marine corps of the United States] or any person who served in any branch of the armed forces of the United States during the first World War, the second World War, the Korean conflict or the Viet Nam conflict or in any other foreign war, insurrection or expedition, which service shall be governed by the issuance of a campaign badge or ribbon by the government of the United States of America, [or any members of the armed forces of the United States in the existing war between the United States and Germany and her allies or the existing war between the United States and Japan and her allies,] and the indigent wives, husbands, widows, widowers and minor children of such indigent or deceased [soldiers, sailors and marines] members of the armed forces, to be disbursed for such relief by such board of county commissioners: *Provided, That in any county which has or which may in the future have an unexpended balance from such levy, over and above*

the amount required for the above purposes, the board of county commissioners may budget and reappropriate such excess for the purposes of providing funds for the coordination of community mental retardation services or to provide community mental retardation or mental health services."

POINT OF ORDER

The Speaker recognized Mr. Sheridan on a point of order.

Mr. Sheridan:

"Mr. Speaker, if the amendment proposed by Representatives Whetzel and Lewis should carry, what would be the status of the amendment which Representatives Marzano, Lewis, and I have on the desk, which in effect deals with the definition? I don't want to be in the situation here where we would be precluded from offering our amendment on the basis that Mr. Whetzel's amendment had perfected the section as a whole."

RULING BY THE SPEAKER

The Speaker:

"Mr. Sheridan, I think we can handle this. These are both new sections. We might have to renumber them."

Representative Whetzel spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Marzano, Mr. Whetzel yielded to question.

Mr. Marzano:

"Mr. Whetzel, is not your amendment that you are proposing the same as Substitute House Bill No. 304?"

Mr. Whetzel:

"No. My amendment expands the indigent veterans' relief program that was in that bill and includes the Korean and Viet Nam veterans and any other veterans who served in a campaign and received a campaign ribbon. I might add that there is an amendment on the desk, I think, which you and Mr. Sheridan are proposing, and unless this particular section is amended, the amendments in your sections will be of no effect, because this is the financial basis for the other provisions that are included in your amendments."

Mr. Marzano:

"Are we not still talking about the so-called surplus fund?"

Mr. Whetzel:

"Yes. It is a proviso similar to the proviso considered and adopted by this House on a number of occasions in Substitute House Bill No. 304."

Debate ensued, Representatives Marzano and Sheridan speaking against adoption of the amendment, and Representative Heavey speaking in favor of its adoption.

Mr. Conner demanded an electric roll call and the demand was sustained.

The Clerk called the roll on adoption of the amendment by Representatives Whetzel and Lewis, and the motion was carried and the amendment adopted by the following vote: Yeas, 57; nays, 38; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Berentson, Bledsoe, Bluechel, Brazier, Ceccarelli, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Day, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Juelling, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Lux, Lynch, McCaffree, McDougall, McGavick, Morrison, Murray, Newhouse, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Smythe, Spanton, Sprague,

Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—57.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Bottiger, Bozarth, Brouillet, Charette, Chatalas, Conner, Cunningham, Gallagher, Garrett, Grant, Hawley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Litchman, Mahaffey, Marsh, Marzano, May, McCormick, Merrill, Moon, O'Brien, Sawyer, Sheridan, Smith, Taylor, Walgren—38.

Those absent or not voting were: Representatives Copeland, Harris, Hausler, Newschwander—4.

Mr. Sheridan moved adoption of the following amendment by Representatives Sheridan, Marzano, and Lewis:

On page 8 of the printed and engrossed bill, add two new sections following section 12 added by Representatives Whetzel and Lewis as follows:

"Sec. 13. Section 1, page 208, Laws of 1888 as last amended by section 1, chapter 180, Laws of 1947 and RCW 73.08.010 are each amended to read as follows:

served the United States in the United States army, navy, or marine corps between April 6, 1917, and the date upon which peace is finally concluded with the German government and its allies, or soldiers, sailors and marines who served in the army, navy, or marine corps of the United States in any other foreign war, insurrection or expedition, which service shall be governed by the issuance of a campaign badge by the government of the United States of America, or any members of the armed forces of the United States in the existing war between the United States and Germany and her allies or the existing war between the United States and Japan and her allies (or their families or the families of the deceased), of the classes of persons mentioned in RCW 73.08.010,] *soldiers, sailors and marines who served in the armed forces of the United States in the Civil War, the war with Mexico, any of the Indian wars in the United States or its territories, the Spanish-American war, the Philippine insurrection, and soldiers, sailors, marines, coast guardsmen or members of the air force or flying corps who served the United States during World War I, World War II, the Korean conflict, the Viet Nam conflict, or in any other foreign war, insurrection, expedition or campaign for which a campaign badge or ribbon shall have been awarded, and their indigent spouses and minor children or the surviving indigent spouse and minor children of those deceased who need assistance, to any almshouse (or orphan asylum) without the concurrence and consent of the commander and relief committee of the post, camp or chapter of any national organization of veterans now, or which may hereafter be, chartered by an act of congress as provided in RCW 73.08.010 and 73.08.030. Mr. Chatalas demanded an electric roll call and the demand was sustained.

Representatives Sheridan and Whetzel spoke in favor of adoption of the amendment.

The Clerk called the roll on adoption of the amendment by Representatives Sheridan, Marzano, and Lewis, and the motion was carried and the amendment adopted by the following vote: Yeas, 95; nays, 0; absent or not voting, 4.

for the payment of the rent of its regular meeting place: *Provided*, That no post, camp or chapter shall be allowed to draw on such fund for this purpose to exceed the sum of [one hundred eighty] *two hundred fifty* dollars in any one year, or in any amount for hall rental where said post, camp or chapter is furnished quarters by the state or by any municipality.

Before such claims are ordered paid by the county commissioners, the commander of such posts, camps or chapters shall file a proper claim each month with the county auditor for such rental."

Debate ensued, Representatives Wolf and Sheridan speaking in favor of adoption of the amendment, and Representative Sprague speaking against its adoption.

The motion was lost on a rising vote and the amendment was not adopted.

Mr. Marzano moved adoption of the following amendment by Representatives Conner and Anderson:

On page 8 of the printed and engrossed bill, add sixteen new sections following section 14 added by Representatives Sheridan, Marzano, and Lewis as follows:

"*NEW SECTION*. Sec. 15. Since the people of the state of Washington have recognized the sacrifices of its sons in the service of their country during World War II and subsequently in the Korean conflict, and having desired to aid them in their return to civil life, did authorize the payment of certain compensation in recognition of such services, and since problems arising out of said conflicts threaten to defeat the ideals for which said battles were waged and make it necessary for many of our sons to once again bear arms for the preservation of justice and peace, it is fitting and proper that we again recognize that service and give that helping hand to those who have given and are giving so much to us and have brought and are bringing so much honor to our great state.

The legislature in authorizing this compensation recognizes that all prior bonds issued for compensation of those veterans of World War II and the Korean conflict will be fully retired during the year 1972 and that taxes upon cigarettes referred to in RCW 72.32.130 provides ample funds to retire any new bond issue as provided for in this act without an added burden of taxation upon the citizens of this state.

NEW SECTION. Sec. 16. (1) There shall be paid to each person who has been on active federal service as a member of the armed military or naval forces of the United States between a period commencing August 25, 1964, and ending on the date of an armistice involving United States forces battling in South Viet Nam, and who for a period of one year immediately prior to the date of his entry into such service, was a bona fide citizen or resident of the state of Washington, for service between said dates, the sum of one hundred dollars for service in excess of one hundred days within the continental United States, the states of Alaska and Hawaii, the sum of one hundred eighty dollars for service in excess of eighty-nine days and less than three hundred sixty-five days where any part of such service was outside the continental limits of the United States, the states of Alaska and Hawaii, or the sum of two hundred forty dollars for service in excess of three hundred sixty-four days where any part of such service was outside the continental limits of the United States, the states of Alaska and Hawaii: *Provided, However*, That persons otherwise eligible who have been continuously in said armed services for a period of five years or more immediately prior to August 25, 1964, shall not be eligible to receive compensation under the terms of this act: *Provided Further*, That persons who have already received extra compensation or other benefits based upon claimed residence at the time of entry into such active service from any other state or territory shall not be entitled to compensation under this act: *And Provided Further*, That no person shall be eligible to receive compensation under this act having prior thereto applied for and received compensation hereunder.

(2) In case of the death of any such person prior to said armistice date as referred to in subparagraph (1) above, or at such time as such person would have been eligible for benefits hereunder, an equal amount shall be paid to his surviving widow if not remarried at the time compensation is requested, or in case he left no widow or in case his widow has remarried and he has left children, then to his surviving children, or in the event he left no widow eligible for payment hereunder, or children surviving on such date, then to his surviving parent or parents: *Provided*,

However, That no such parent who has been deprived of custody of such child by a decree of a court of competent jurisdiction shall be entitled to any compensation under this act.

(3) It is the purpose of the legislature that benefits payable under the provisions of this act shall be comparable to those paid to veterans under former laws, the increase in dollar amount herein reflecting an approximation of the increase in the cost of living as indicated by the consumer price index of the United States Department of Labor, Bureau of Labor Statistics.

NEW SECTION. Sec. 17. The word "person" as used in section 2 of this act shall not include persons who, during the period of their service, refused on conscientious, political or other grounds to subject themselves to full military discipline and unqualified service or who were separated from such service under conditions other than honorable, and who have not subsequently been officially restored to an honorable status, and such persons shall not be entitled to the benefits of this act: *Provided*, That the word "person" as used in section 2 of this act shall include those persons with honorable discharge who claimed exemptions from combatant training and service by reason of religious training and belief and whose claims were sustained under authority of the selective training and service act of 1940 and executive order No. 8606, but who were inducted into the armed forces and assigned to noncombatant service and who did not otherwise refuse to subject themselves to full military discipline and unqualified service.

NEW SECTION. Sec. 18. All disbursements required by this act for compensation shall be made upon the presentation of a certificate or claim form to be prescribed by the state central budget agency. Such form shall be duly verified by the claimant under oath, and shall set forth his name, residence at the time of entry into the service, date of enlistment, induction, or entry upon active federal service, beginning and ending dates of overseas service, date of discharge or release from active federal service, or if the claimant has not been released at the time of application, a statement by a competent military authority that the claimant during the period for which compensation is claimed did not refuse to subject himself to full military discipline and unqualified service, and that he has not been separated from service under circumstances other than honorable.

The central budget agency may require such further information to be included in such certificate as it deems necessary to enable the state treasurer to determine the eligibility of applicants. Such certificate shall be presented to the state treasurer or his representative, together with evidence of honorable service satisfactory to the state treasurer.

The state treasurer shall draw warrants in payment of such compensation claims against the war veterans' compensation fund, which has heretofore been established in the state treasury. Claims for such compensation may be filed after the effective date of this act but no payments shall be made prior to July 2, 1969.

The state treasurer may make such reasonable requirements for application procedure as are necessary to prevent fraud or the payment of compensation to persons not entitled thereto.

Total administrative expenses incurred in carrying out the provisions of this act shall in no event exceed five percent of the total amount of compensation paid to veterans under section 2 of this act, and the state treasurer shall issue no warrants for the payment of administrative expenses in excess of this amount, nor shall funds over said amount be paid from the war veterans' compensation fund for such administrative expenses.

NEW SECTION. Sec. 19. Where compensation is payable under this act to any person who is mentally incompetent at the time application is made, said compensation may be paid to any guardian, committee, conservator, or curator duly appointed, pursuant to the laws of the state of residence of said incompetent to control and manage the person and/or estate of the incompetent, or such compensation may be paid to any chief officer of any state or federal institution having custody of such incompetent: *Provided, However*, The chief officer of any state or federal institution shall use any compensation received pursuant to this section for the personal benefit of the incompetent, exclusive of care and maintenance.

The guardian, committee, conservator, curator, chief officer, or person in charge shall make application for the incompetent's compensation upon the form regularly provided for such purpose pursuant to section 4 of this act, and in addition, shall certify under oath that the applicant is the guardian, committee, conservator, curator,

chief officer, or person in charge as above set forth, and shall further certify that the compensation received shall be used for the personal benefit of the incompetent as provided herein and in accord with the laws applicable to the administration of their office.

Any compensation paid upon the basis of the above certification shall be complete settlement and satisfaction of any claim made pursuant to the provisions of this act as if made to a person not incompetent.

NEW SECTION. Sec. 20. The state treasurer shall furnish free of charge upon the application therefor certificates or claim forms upon which applications may be made and may establish at different points within the state offices at which there shall be kept on file for the use of persons covered by this act a sufficient number of such certificates, so that there is no delay in the payment of compensation. The state treasurer may authorize the county auditor or county clerk, or both, of any county of the state to act for him in receiving such certificates, and shall furnish them with sufficient certificates to enable them to accept the same. The state treasurer shall procure such printing, office supplies and equipment and employ such persons as may be necessary to properly carry out the provisions of this act. All expenses incurred by him in the administration of this act shall be paid by warrants drawn upon the war veterans' compensation fund.

NEW SECTION. Sec. 21. The state finance committee shall authorize an inter-fund loan as prescribed by RCW 43.84.100 to cover administrative expenses incurred prior to the sale of the bonds herein authorized.

NEW SECTION. Sec. 22. For the purpose of providing funds for the payment of compensation hereunder, the expenses of administration and the payment of expense incident to the issuance and sale of bonds, there shall be issued and sold general obligation bonds of the state of Washington in the sum of twenty million dollars, or so much thereof as shall be required as provided herein, to be paid and discharged within thirty years from the date of issuance.

The state finance committee is authorized to prescribe the form of such bonds, the time of sale of all or any portion or portions of such bonds and the conditions of sale and issuance thereof: *Provided*, That none of the bonds herein authorized shall be sold for less than the par value thereof, nor shall they bear interest at a rate in excess of six percent per annum.

The bonds shall pledge the full faith and credit of the state of Washington and contain an unconditional promise to pay the principal and interest when due. The committee may provide that the bonds, or any of them, may be called prior to the due date thereof under such terms and conditions as it may determine. The bonds shall be signed either manually or with a stamped facsimile signature of the governor and the state treasurer under the seal of the state and any coupons attached to such bonds shall be signed by the same officers whose signatures thereon may be in printed facsimile.

Bonds issued under the provisions of this act shall be payable from the proceeds of cigarette taxes in the manner prescribed in RCW 73.32.130. The bonds and interest shall, so long as any portion thereof remains unpaid, constitute a prior and exclusive claim upon the proceeds of said cigarette tax, subject only to amounts previously pledged for the payment of interest on and retirement of bonds heretofore issued: *Provided*, That if said bonds are sold to any persons other than the state of Washington, they shall be sold at public sale, and it shall be the duty of the state finance committee to cause such sale to be advertised in such manner as it shall deem sufficient. Bonds issued under the provisions of this act shall be legal investment for any of the funds of the state, except as otherwise prohibited by law.

NEW SECTION. Sec. 23. The money arising from the sale of said bonds shall be deposited in the state treasury to the credit of the war veterans' compensation fund, which shall be used for the payment of the compensation provided in this act, and for paying the expenses of the administration thereof. For the purpose of carrying out the provisions of this act, there is hereby appropriated from the war veterans' compensation fund the sum of twenty million dollars.

NEW SECTION. Sec. 24. As a part of the contract of sale of the bonds herein authorized, the state undertakes to continue to levy the taxes upon cigarettes referred to in RCW 73.32.130 and to place the proceeds thereof in the war veterans' compensation bond retirement fund and to make said fund available to meet said payments when due until all of said bonds and the interest thereon shall have been paid.

NEW SECTION. Sec. 25. The legislature may provide additional means for raising money for the payment of the interest and principal of said bonds, and this act shall not be deemed to provide an exclusive method for such payment.

NEW SECTION. Sec. 26. Any person who with intent to defraud, subscribes to any false oath or makes any false representation, either in the execution of the certificates or claim forms provided for by this act, or who with intent to defraud, presents to the central budget agency, state treasurer, or any other officer, any certificate or claim form for the purpose of obtaining funds provided by this act, which do not in fact belong to such person, or makes any false representation in connection with obtaining any funds under the terms of this act, shall be guilty of a felony.

NEW SECTION. Sec. 27. No charge shall be made by any agent, notary public, or attorney for any service in connection with obtaining a certificate to obtain the allowance provided for by this act, and no person shall, for a consideration, discount or attempt to discount, or for a consideration, advance money upon any certificate or certificates issued pursuant to this act. Any violation of this section shall be a gross misdemeanor.

NEW SECTION. Sec. 28. The executive officer of the veterans' rehabilitation council shall advise with and assist the state treasurer in the performance of the duties of the treasurer under this act, and when so called upon, the executive officer shall employ such persons and incur such expenses as may be necessary, such expenses to be paid by warrant drawn upon the war veterans' compensation fund.

NEW SECTION. Sec. 29. This act shall be submitted to the people for their adoption and ratification, or rejection, at the general election to be held in this state on the Tuesday next succeeding the first Monday in November, 1968, in accordance with the provisions of section 3, Article VIII of the state Constitution, and in accordance with the provisions of section 1, Article II of the state Constitution, as amended, and the laws adopted to facilitate the operation thereof.

NEW SECTION. Sec. 30. If any section or provision of this act shall for any reason be held invalid, such decision shall not invalidate the remaining portions of this act."

POINT OF ORDER

The Speaker recognized Mr. Gorton on a point of order.

Mr. Gorton:

"Mr. Speaker, I raise a point of order based on Rule 36 that this amendment is not germane to this bill. This is in effect an appropriation to the bill that deals with an entirely different subject than that under consideration, and even more important, of course, is that this is a referendum bill to be submitted to the people, which is totally ungermane to a bill which can be passed by the legislature."

RULING BY THE SPEAKER

The Speaker:

"Mr. Gorton, your point is not well taken. The Speaker will rule that the amendment is in order."

Mr. Grant demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the amendment by Representatives Conner and Anderson, and the motion was lost and the amendment not adopted by the following vote: Yeas, 47; nays, 48; absent or not voting, 4.

RESOLUTIONS

House Resolution No. 67-71, by Representatives Jueling, Smythe, and Sprague:

Whereas, The present industrial insurance and medical aid statutes were adopted in 1911 and many changes in safety, insurance, medical, and legal concepts have taken place; and

Whereas, There has not been a general review of insurance for industrial and job-related accidents for many years; and

Whereas, The encouragement of maximum interest in job safety and industrial accident prevention is in the broadest public interest; and

Whereas, There is presently being experienced long delays in the final adjudication of compensation claims resulting from job-related accidents; and

Whereas, There is a need to enact a modern industrial insurance law to provide prompt, certain, and adequate compensation and to provide medical and vocational rehabilitation benefits to injured employees with a minimum of legal formality;

Now, Therefore, Be It Resolved, By this House of Representatives, That the Legislative Council be and hereby is authorized and directed to undertake a study of all aspects of the state workmen's compensation act and the present efficacy of the laws upon which they are based;

And Be It Further Resolved, That the results of the study and the recommendations be presented to the next regular session of the Legislature for its consideration;

And Be It Further Resolved, That the Chief Clerk of the House shall present a copy of this House Resolution to the Executive Secretary of the Legislative Council.

On motion of Mr. Jueling, the resolution was adopted.

House Resolution No. 67-72, by Representative Anderson:

Whereas, The gentle, gracious, and noble ladies of the Public Health Building, 4th Floor, have provided aid, sympathy, and counsel to the Honorable Members of the House of Representatives during these long and trying winter months; and

Whereas, These good ladies have been patient when we were impatient, pleasant when we were unpleasant, and have in all ways discharged their duties excellently; and

Whereas, These good ladies have most recently outdone themselves in the preparation and serving of a most sumptuous repast to all of the members of the House of Representatives;

Now, Therefore, Be It Resolved, That the members of the House of Representatives do hereby express their warm and deep appreciation to these ladies of the Public Health Building, 4th Floor, for all their kindnesses, past, present, and future; and

Be It Further Resolved, That the House of Representatives wishes them well in their diverse endeavors to be undertaken after the session is adjourned; and

Be It Further Resolved, That the Chief Clerk of the House of Representatives be directed to prepare suitable and fitting copies of this Resolution, signed by the Honorable Speaker Don Eldridge, for presentation to each of the ladies.

On motion of Mr. Anderson, the resolution was adopted.

House Resolution No. 67-73, by Representative Heavey:

Whereas, The use of percentages—whether 25, 30, or 50 percent—for local assessments of property tends to bring about inconsistencies, confusion, and differences from county to county; and

Whereas, The use of millages in computing taxes upon property often misleads and confuses the individual taxpayer; and

Whereas, The Oregon Senate has unanimously passed legislation that would convert assessments to 100 percent of true market value, and would also have taxes expressed in dollar and cents rather than mills; and

Whereas, This action by the Oregon Legislature has been widely applauded by the daily newspapers as a "Truth in Taxing" bill; and

Whereas, Our present property tax laws are clearly confusing to both taxpayers and tax assessors and are fraught with the danger of sudden increases;

Now, Therefore, Be It Resolved, By the House of Representatives, That we instruct the Legislative Council to make a study of the present state property tax laws, with special attention to be given to the possibility of having property assessed at 100 percent of true market value, and having taxes computed in dollars and cents instead of mills; and

Be It Further Resolved, That the Legislative Council be directed to report its findings back to the Forty-first Session of the Washington State Legislature.

Mr. Heavey moved adoption of the resolution.

The motion was carried on a rising vote and the resolution was adopted.

House Resolution No. 67-74, by Representatives Heavey and Leckenby:

Whereas, American education is going through a time of change, experimentation, and reexamination; and

Whereas, Chief Sealth High School in Seattle, Washington has developed an experimental program commonly called the "Sealth Plan"; and

Whereas, Under the "Sealth Plan" they have experimented to discover what effects, if any, there will be upon the quality of education when the teacher workload is increased from 150 students to 160 or 170 students; and

Whereas, Further experimentation has been made to discover what effects, if any, will result if six weeks of class time are deleted yearly from each course; and

Whereas, Further experimentation has been made to discover what effects, if any, will result if the combination of this deleted time is used to offer students one additional subject or study hall; and

Whereas, Further experimentation has been made to discover if it was possible to obtain time for other nonteaching duties; and

Whereas, Because of this experiment, Chief Sealth High School has been designated as a "Demonstration School" by the TEPS Committee;

Now, Therefore, Be It Resolved, By the House of Representatives, That we congratulate the administration of Chief Sealth High School upon their willingness to embark upon this novel and provocative experiment in education; and

Be It Further Resolved, That we congratulate them upon their designation as a "Demonstration School" for the school year 1966-67; and

Be It Further Resolved, That the Chief Clerk be directed to transmit a copy of this Resolution to the Principal of Chief Sealth High School.

On motion of Mr. Heavey, the resolution was adopted.

House Resolution No. 67-75, by Representatives Day, Hurley, May and McCormick:

Whereas, It has come to the attention of the House of Representatives, Washington State Legislature, that Wylie W. Brown, Spokane County Assessor, will celebrate his eightieth birthday on April 9, 1967; and

Whereas, The distinguished career of Wylie W. Brown has spanned a period of thirty years continuous service to residents of Spokane County and the State of

Washington; first as State Representative from the Fifth Legislative District, and successively as a Spokane County Commissioner for three terms, and County Assessor for five terms; and

Whereas, His career has been marked by constructive changes and improvements in the appraisal of property, resulting in considerable savings to the taxpayers;

Now, Therefore, Be It Resolved, By the House of Representatives in session, That this body extend its greetings to Wylie W. Brown, on the occasion of his birthday, and commend him for his probity and devotion to duty.

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Smythe yielded to question.

Mr. Lewis:

"Representative Smythe, I am concerned with the trade barriers in your part of the state. Certain representatives in this chamber have inferred that some of the laws we have been contemplating were a 'bum deal' for the people in your county. Do you find that the present mark-ups on wines in Washington constitute a 'bum deal' for the people of Clark county?"

Mr. Smythe:

"Yes, Mr. Lewis. You bring up a point that hasn't been discussed on this wine bill. What we are faced with down there is that you find that the housewives of Clark county in Vancouver are unable to buy these California table wines in the grocery stores—the little lady in tennis shoes can't get her cooking sherry—and they have to

go across the river. While across the river to buy their wines, they buy all their groceries and take care of their major shopping lists. As you know, many people in this society end up with the finer wines on their table (although I am not saying that the Washington wines aren't fine). But they actually spend a lot of Washington dollars in Oregon where they are doing their shopping. We have the same situation with cigarettes, although we are not solving that problem here. I think this has a definite economic effect on Vancouver, Clark county, and the state of Washington."

Representative Lewis spoke in favor of passage of the bill.

Mr. Litchman demanded the previous question and the demand was not sustained.

Representatives Newhouse, Day, and Hoggins spoke against passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Gallagher, Mr. Goldsworthy yielded to question.

Mr. Gallagher:

"Mr. Goldsworthy, do you know what the wine industry is contributing to Washington State University for developing of hybrids on grapes?"

Mr. Goldsworthy:

"No."

Mr. Gallagher:

"It is a figure in excess of twenty thousand dollars a year and this has been going on for a good many years."

Mr. Goldsworthy:

"I am surely glad you told me. I wondered."

Further debate ensued, Representative Wolf speaking in favor of passage of the bill, and Representatives Conner and Brazier speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Marzano, Mr. Chatalas yielded to question.

Mr. Marzano:

"Mr. Chatalas, do you have anything to add on what effect the passage of Engrossed Substitute House Bill No. 635 will have on the price structure of the wine in this state?"

Mr. Chatalas:

"Thank you, Mr. Marzano. I wasn't going to speak on this at all today, because I think I made my views on this bill clear a few weeks ago when it first came out on second reading. My direct answer to you, Mr. Marzano, is this: I agree with Mr. Newhouse. There is no question, in my mind at least, that the price of wine is going to be raised tremendously to the consumer. I felt before, and still feel, that as long as we are raising the price of wine, the general fund should get some kind of benefit."

Debate ensued, Representative Chatalas speaking against passage of the bill and Representative McDougall speaking in favor of its passage.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 635, and the bill failed to pass the House by the following vote: Yeas, 49; nays, 43; absent or not voting 7.

Those voting yea were: Representatives Anderson, Avey, Bagnariol, Berentson, Bledsoe, Bluechel, Bozarth, Brouillet, Ceccarelli, Chapin, Clark (Newman H.), Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gladder, Golds-

worthy, Gorton, Harris, Hawley, Heavey, Hill, Holman, Hubbard, Humiston, Jueling, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, McCaffree, McDougall, McGavick, Merrill, Murray, O'Brien, O'Dell, Rosellini, Smythe, Swayze, Thompson, Whetzel, Wolf—49.

Those voting nay were: Representatives Amen, Backstrom, Barden, Beck, Bottiger, Brazier, Charette, Chatalas, Clarke (George W.), Clocksin, Conner, Day, Gallagher, Garrett, Grant, Hoggins, Hurley, Jastad, Johnson, King, Lynch, Mahaffey, Marsh, Marzano, May, McCormick, Moon, Morrison, Newhouse, Perry, Reese, Richardson, Saling, Sawyer, Sheridan, Smith, Spanton, Taylor, Veroske, Walgren, Wanamaker, Zimmerman, Mr. Speaker—43.

Those absent or not voting were: Representatives Adams, Copeland, Haussler, Jolly, Kalich, Newschwander, Sprague—7.

Engrossed Substitute House Bill No. 635, having failed to receive the constitutional majority, was declared lost.

MOTIONS

On motion of Mr. Gorton, the House dispensed with further business under the call of the House.

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council is requested to make a study of the wine industry including but not limited to:

- (1) Whether the liquor control board should continue to handle out-of-state wines;
- (2) A comparison of the regulation of the wine industry by our sister states, including industry profits, consumer pricing, and the production of revenue;
- (3) The effects of such regulation upon the interstate marketing of agricultural and manufactured products, if any; and
- (4) Such other related studies as may be necessary and proper;

Be It Further Resolved, That in making such study, the council is requested to consult with the state department of agriculture, the liquor control board and all other interested or affected agencies of a public or a private nature, and to report its findings and recommendations to the Forty-first Legislature.

Mr. Smith:

"I will gladly give you a copy, Mr. Lewis."

Mr. Lewis:

"Thank you, Representative Smith. It seems he doesn't provide equal service for all members of the legislature."

Mr. Jueling demanded the previous question and the demand was sustained.

PERSONAL PRIVILEGE

The Speaker (Mr. Copeland presiding) recognized Mr. Smith on a point of personal privilege.

Mr. Smith:

"Mr. Speaker, I feel that my motives and those of the attorney general have been impugned by Mr. Lewis' statements implying there was perhaps some skullduggery in getting an opinion so quickly. I would like to point out to him that I, too, have had occasions when I haven't been able to get opinions for ten or twelve days, but this was such a simple opinion that almost by common knowledge he knew what it was, and in his opinion he stated that the resources had not been exhausted, which was very much apparent from the American-Jewish magazine from which he quoted."

House Bill No. 222, by Representatives Garrett, Barden, and Grant:

Authorizing contributions by the state to its political subdivisions for flood control projects.

House of Representatives,
Olympia, Wash., March 21, 1967.

Mr. Speaker:

We, a majority of your Committee on Natural Resources, to whom was referred **House Bill No. 222**, authorizing contributions by the state to its political subdivisions for flood control projects, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendment:

On page 2, section 3, following subsection (5), add a new subsection to read as follows:

"(6) Federal funds are available for contribution for payment of a portion of the cost of the project."

S. E. "Sid" Flanagan, *Chairman*.

We concur in this report: Eric O. Anderson, Henry Backstrom, C. W. "Red" Beck, Duane L. Berentson, P. J. "Jim" Gallagher, Dwight S. Hawley, Don Jolly, Hugh "Bud" Kalich, Dick J. Kink, Brian J. Lewis, Alan Thompson, Fred A. Veroske, Harold S. Zimmerman.

The bill was read the second time.

YIELDING TO QUESTION

At the request of Mr. Spanton, Mr. Garrett yielded to question.

Mr. Spanton:

"Mr. Garrett, I am just curious to know what the financial impact on the general fund may be."

Mr. Garrett:

"Thank you, Mr. Spanton. I was going to make a brief explanation if we got the bill up to third reading and final passage, but since Mr. Spanton has raised the question I may just as well do it now. The financial impact at the state level would be absolutely nil until the appropriations committee and, finally, the state legislature take action, and then, of course, at that time it would be whatever amount would be finally determined. This is only enabling legislation so they could participate. It could be from one dollar to any amount by which they wanted to participate."

The motion was carried and the committee amendment was adopted.

House Bill No. 222 was ordered engrossed.

On motion of Mr. McDougall, the rules were suspended, Engrossed House Bill No. 222 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Garrett spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Hoggins, Mr. Garrett yielded to question.

Mr. Hoggins:

"Mr. Garrett, as I read through this bill, it appears to me that any political subdivision of the state, including sewer districts, water districts, school districts, and so forth, could participate in these flood control projects. I wonder what control there is in the bill that would prevent their competing for these flood control funds where their purposes might be different from one another?"

Mr. Garrett:

"Mr. Hoggins, I feel there is absolutely, and beyond any stretch of the imagination, all the control that is needed, partly because I doubt that the board of directors of, say, a sewer district or school district would initiate such a project. It would more likely be the city council or a soil conservation district. The elected officials, of course, would initiate the project; then where they want federal participation, naturally they would have to go to the United States Congress. If there were more than one so that they would be in competition, most likely it wouldn't get approval. Of course, if they did, they would come down to this wise body and I am sure they would be turned down if there was any area of duplication at all. I hope that answers your question."

Mr. Hoggins:

"Mr. Garrett, I would like to propose a situation and see if it comes under the bill. In my district the school district built a new high school and in the clearing of the land there was quite a bit of runoff through natural drainage which happens to fall into one of our city watersheds. This has created quite a problem with the city, but the school seems to be going on the fact that it is natural drainage. Could the school district and the city apply for funds for flood control purposes under this?"

Mr. Garrett:

"No."

YIELDING TO QUESTION

At the request of Mr. Humiston, Mr. Garrett yielded to question.

Mr. Humiston:

"Mr. Garrett, I appreciate that this is authorization only, with no price tag attached, but I am also well aware of the fact that there are going to be appropriations to fund this in the conference committee. Before voting on a blanket authorization, I would like to have some real, concrete information as to what the financial potentialities are in this bill from known projects that are under consideration during this next biennium."

Mr. Garrett:

"I like questions such as Dr. Humiston has asked because they are easily answered. I have all the answers and I will briefly explain them to the House. Dr. Humiston, there was presented in the early part of this session of the legislature a bill for the appropriation of three and a half million dollars for one particular project in a part of King county, which has approval for an amount which has slipped my mind from the federal Congress and also from King county in their flood control area, and private interests in this area have a considerable amount of money approved. Now, in order to have the 'bucket under the hose,' to use an expression of yours, Dr. Humiston, we have to have some state participation. No one expects the Appropriations Committee to allocate three and a half million dollars, although our director, Mr. Ahlquist, has said that if the state were able to afford this it would be well spent in terms of future

revenues as far as increased assessed valuation and expansion of business in the area is concerned. I am sure no members of the conference committee, and I don't believe even the governor, would support the idea of three and a half million dollars; but I think all of us are hopeful that at least one hundred thousand dollars or something like that could go to this project so it could proceed with local, state, and federal participation."

YIELDING TO QUESTION

At the request of Mr. Spanton, Mr. Garrett yielded to question.

Mr. Spanton:

"When this bill was under discussion in the Natural Resources Committee, one of these areas that was mentioned was an area where a group of speculators purchased a large amount of land, subdivided it, and ran into some flood control problems. The increase in value of that land amounted to a very high figure, something like ten thousand dollars a lot. It was mentioned that this particular group was interested in getting this law and in getting federal and state money for their flood control project. Is that included in this?"

Mr. Garrett:

"I would yield to the question if you could give me a more detailed description of the area you are talking about. From the description I don't recognize what particular area you are referring to, so I would be hesitant to give an answer."

Mr. Spanton:

"I regret I don't have the area. It was brought up in committee and raised quite a bit of concern."

Representatives Barden, Leland, and Lewis spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Harris, Mr. Garrett yielded to question.

Mr. Harris:

"Mr. Garrett, I will make my question general and then elaborate with an example. I am wondering what protection there is against the state bailing out local subdivisions of government for stupid mistakes. Here is what I mean by a specific example: Suppose a developer buys a piece of land that is very cheap and develops it, puts buildings or houses on it, and it is in a low level of land that is subject to flooding. He develops this and increases the value of the land tremendously and then disposes of it. Then a flood comes along and this property is damaged, so we are faced with the problem of building a dike or flood protection for this development. Now the stupid mistake is that these county commissioners or city councilmen quite often without due consideration zone these areas for these developments when they know they are subject to flooding. How do we protect ourselves from having to dish out money to bail out the political subdivisions who have made these stupid mistakes?"

Mr. Garrett:

"Of course, Representative Harris, you are setting up a hypothetical situation which possibly could develop in some area of the state. It would never happen in King county with the type of city councilmen and county commissioners we have and I doubt if it would happen in any other area of the state. But if such a situation were to develop and lives and property were in danger in such an area, I imagine it would be incumbent on the local, state, and federal governments to try to bail them out, as you refer to it. Each situation would have to be settled upon the merits of the individual case, as you well know. I don't think that situation would ever develop, but if it did, the decision would have to be made when we weigh the overall situation."

Representatives Moon and Anderson spoke in favor of passage of the bill.

Mr. Barden demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 222, and the bill passed the House by the following vote: Yeas, 65; nays, 15; absent or not voting, 19.

YIELDING TO QUESTION

At the request of Mr. Adams, Mrs. Lux yielded to question.

Mr. Adams:

"Mrs. Lux, before I ask the question, I have to make a slight statement. I am under the impression that at the present time it is impossible for some of the smaller counties to have a representative in this legislature. Because of their small population, they are grouped together in one district, so that they could probably not have a representative that lived within their county either in the House or Senate. Now, may I ask, if you lived in one of those counties instead of in the county you do, wouldn't you feel that we should redistrict in some manner so that those counties could have a representative in one of the bodies of this legislature?"

Mrs. Lux:

"No, Dr. Adams, I don't believe I would feel that way, even if I lived in an area where people were more sparsely distributed over the geographical terrain. I think what we want represented is people rather than the terrain or the cows or the trees."

Further debate ensued, Representatives Adams and Holman speaking in favor of adoption of the amendment.

Mr. Bledsoe demanded the previous question.

The demand was sustained on a rising vote.

At the request of Mr. Smith, the Clerk reread the amendment.

"And Be It Further Resolved, That we, Your Memorialists, the Senate and the House of Representatives of the State of Washington, do respectfully petition the President of the Senate and the Speaker of the House of Representatives and the Senate and House of Representatives of the United States to deem it necessary, as provided in Article V of the Constitution of the United States, to amend the Constitution of the United States by adding the following article:

"Section 1. No provision of this Constitution, or any amendment thereto, shall restrict or limit any state in the apportionment of representation in its legislature.

"Section 2. The judicial power of the United States shall not extend to any suit in law or equity, or to any controversy, relating to apportionment of representation in a state legislature.

Debate ensued, Representative Hurley speaking in favor of adoption of the amendment, and Representatives Gorton and Smith speaking against its adoption.

There being no objection, the title of the bill was ordered to stand as the title of the act.

STATEMENT FOR THE JOURNAL

The third amendment by the Senate (sponsored by Senators Atwood and Hallauer) leaves silent the power of the Interagency Committee for Outdoor Recreation to employ "consultants." During the current biennium, the Interagency Committee has retained consultants to perform certain tasks that would normally be carried out by employees. This expedient was used, at the request of the Governor, to bridge the organizational period until the program was sufficiently stabilized to permit creation of permanent positions within a well-organized, administrative framework. Any other course may well have resulted in the creation of positions which might have been unnecessary as the program developed.

Presently, the Interagency Committee has developed a small staff organization which will permit a level of services adequate to the program for the coming biennium. These positions will be filled by regular employees under normal laws and regulations. The amendment is a clear statement of legislative intent that this be done. The amendment is not, however, designed to preclude the use of outside professional and technical services when such services cannot be reasonably undertaken by the small staff authorized by the IAC.

The Senate amendments to House Bill No. 60 on page 2, line 32 provide for a deletion of the term "consultants." After discussions with one of the Senate sponsors of the amendment, I wish to point out that the deletion of the word "consultants" was not intended to limit the power of the agency to contract for personal services relating to

land appraisals, engineering reviews, and similar activities which it must perform from time to time, and that require a very specialized background and training which employees of the staff do not possess. With the understanding of this amendment, I fully support the amendment and recommend its adoption.

Avery Garrett,
47th District.

SENATE AMENDMENTS TO HOUSE BILL

Senate Chamber,
Olympia, Wash., March 28, 1967.

Mr. Speaker:

The Senate refuses to recede from its amendment to **Substitute House Bill No. 304**, on page 6, beginning on line 9, and asks the House for a conference thereon, and the President has appointed as members of the Conference Committee thereon: Senators Knoblauch, Ridder, and Redmon, and the same is herewith transmitted.

Ward Bowden, *Secretary*.

MOTION

On motion of Mr. Gorton, the House deferred further consideration of Substitute House Bill No. 304 and the bill was ordered placed on the fifth order of business tomorrow.

MESSAGES FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, April 7, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I am returning herewith without my approval as to one item, **House Bill No. 303**, entitled:

"An Act relating to the establishment and development of community mental health programs."

In my State of the State Message, I stated that "of all human needs, none can be more compelling—and none more important than to meet the urgent needs of our unfortunate and unrepresented citizens afflicted with mental illness and retardation. The degree of the problem requires an equal degree of response. To do less is neither fiscally responsible nor humanely defensible.

"Over and above state action, this administration will support the expansion of comprehensive community services in creating a network of community mental health and retardation clinics which can deal with these problems at the level of local concern."

House Bill 303, the Community Mental Health Services Act, is one of three parts of a package to accomplish these goals. I believe it represents a major stride forward in recognizing that many facets of mental illness can be handled with greater success for the individual and the community without requiring transportation of individuals to large institutions far from their homes.

House Bill 303 was amended to add to Section 2 a subsection (3) defining "Community Mental Health Program" as "any consciously adopted program designed to help people learn to avoid mental crisis." This language is contained as a suggested definition in the state's mental health grant-in-aid plan submitted to the federal government. The attempt to define the programs covered by this bill was meritorious, and would have improved the legislation. Unfortunately, the amendment inadvertently left out two words, "or overcome", from the definition contained in the grant-in-aid plan, thus suggesting that community mental health programs are designed only to prevent and not to treat mental crisis. Not only do the goals and requirements of the remainder of the act conflict with this concept of community mental health programs, but such a concept would not meet federal matching fund requirements and would result in loss of federal revenue of approximately \$2.7 million to assist in establishment of community mental health programs anticipated in the budget passed by both houses of this legislature.

I am sure it was not the intention of the legislature or the sponsor of the amendment to cast any doubt on the ability of the community programs to aid individuals in overcoming mental crises, nor the ability of the state to participate in

federal matching programs for community mental health. For this reason, I have vetoed subsection (3) of Section 2 and have approved the remainder of the bill.

Respectfully submitted,
DANIEL J. EVANS, *Governor*.

Whereas, The government of the United States of America has declared that a substantial portion of Fort Lawton, located in the city of Seattle, soon will be declared to be surplus and will be made available by sale or otherwise to some private or public agency through the General Services Administration; and

Whereas, This piece of property is one of the last large tracts of land that possesses an unlimited potential for park, recreational and educational activities; and

Whereas, The buildings on this federal reservation have a high utility for educational and other purposes; and

Whereas, Seattle and the entire Puget Sound country is undergoing a tremendous population growth and the needs of this area are increasing in direct proportion to this growth;

Now, Therefore, Be It Resolved, By the House of Representatives, That the city of Seattle, the county of King and the other counties experiencing this unprecedented growth, together with the State of Washington, join hands in making every effort possible to retain this property for public use.

Mrs. Kirk moved adoption of the resolution.

Representatives Kirk and Murray spoke in favor of adoption of the resolution.

The motion was carried and the resolution was adopted.

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign: Senate Joint Memorial No. 23.

MOTIONS

Mr. O'Brien moved that the Committee on Revenue and Taxation be relieved of Senate Joint Resolution No. 23 and that the resolution be ordered placed on today's second reading calendar.

On motion of Mr. Gorton, the motion by Mr. O'Brien was laid on the table.

MOTION

On motion of Mr. Gorton, the House recessed until 1:30 p.m.

AFTERNOON SESSION

The Speaker called the House to order at 1:30 p.m.

The Clerk called the roll and all members were present except Representatives Berentson, Juelling, Leckenby, McDougall, Newschwander, and Taylor. Representatives Berentson, Juelling, and McDougall were excused.

SECOND READING OF BILLS

House Joint Memorial No. 17, by Representatives Lux and Gorton:

Memorial rescinding 1963 memorial for federal constitutional amendment as to apportionment of state legislatures.

The House resumed consideration of House Joint Memorial No. 17 on second reading, an amendment by Mrs. Hurley having been adopted previously. (See p. 1857 for amendment).

The Speaker declared the question before the House to be the adoption of the following amendment by Mrs. Hurley:

On page 2, line 23, after the period, add a new paragraph to read:

"And Be It Further Resolved, That we, Your Memorialists, the Senate and the House of Representatives of the State of Washington, do respectfully petition the President of the Senate and the Speaker of the House of Representatives and the Senate and House of Representatives of the United States to deem it necessary, as provided in Article V of the Constitution of the United States, to amend the Constitution of the United States by adding the following article:

Section 1. No provision of this Constitution, or any amendment thereto, shall restrict or limit any state in the apportionment of representation in its legislature.

Section 2. The judicial power of the United States shall not extend to any suit in law or equity, or to any controversy, relating to apportionment of representation in a state legislature.

Section 3. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the Legislatures of three-fourths of the several states within seven years from the date of its submission."

With the consent of the House, Mrs. Hurley withdrew the amendment.

Mrs. Hurley moved adoption of the following amendment:

On page 2, line 23, after the period add the following:

"And Be It Further Resolved, That we, Your Memorialists, the Senate and the House of Representatives of the State of Washington, do respectfully petition the President of the Senate and the Speaker of the House of Representatives and the Senate and House of Representatives of the United States to deem it necessary, as provided in Article V of the Constitution of the United States, to amend the Constitution of the United States by adding the following article:

Section 1. The legislature of each State shall be apportioned by the people of that State at each general election for Representatives to the Congress held next following the year in which there is commenced each enumeration provided for in section 2 of

article I. In the case of a bicameral legislature, the members of one house shall be apportioned among the people on the basis of their numbers and the members of the other house may be apportioned among the people on the basis of population, geography, and political subdivisions in order to insure effective representation in the State's legislature of the various groups and interests making up the electorate. In the case of a unicameral legislature, the house may be apportioned among the people on the basis of substantial equality of population with such weight given to geography and political subdivisions as will insure effective representation in the State's legislature of the various groups and interests making up the electorate.

Sec. 2. A plan of apportionment shall become effective only after it has been submitted to a vote of the people of the State and approved by a majority of those voting on that issue at a statewide election held in accordance with law and the provisions of this Constitution. If submitted by a bicameral legislature the plan of apportionment shall have been approved prior to such election by both houses, one of which shall be apportioned on the basis of substantial equality of population; if otherwise submitted it shall have been found by the courts prior to such election to be consistent with the provisions of this Constitution, including this article. In addition to any other plan of apportionment which may be submitted at such election, there shall be submitted to a vote of the people an alternative plan of apportionment based solely on substantial equality of population. The plan of apportionment approved by a majority of those voting on that issue shall be promptly placed in effect."

Mr. Chatalas demanded an electric roll call and the demand was sustained.

Debate ensued, Representatives Hurley, Day, Holman, and Chapin speaking in favor of adoption of the amendment, and Representatives Grant, Jolly, and Smith speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Flanagan, Mr. Day yielded to question.

Mr. Flanagan:

"Representative Day, assuming I am in favor of the principle whereby the states can have one house represented on other than a population basis, and that we want to obtain that objective, if we go ahead here and vote for Mrs. Hurley's amendment and then for this memorial which rescinds the 1963 memorial which asked the United States to hold a constitutional convention to accomplish this purpose, then we would have one less state asking for the convention. I understand we are within two states of getting one. Wouldn't it be better in order to accomplish our purpose for me to vote against both Mrs. Hurley's amendment and the memorial we have before us? I understand there are only ten or eleven states which have asked for this other route, and it seems to me we would be further away from our objective. I would like to have you explain this."

Mr. Day:

"Mr. Flanagan, it is my understanding that if they call the constitutional convention, it is a wide-open convention and they can consider anything. I am personally not for that. They may invade the bill of rights and a lot of other things. In order to accomplish the objective without a constitutional convention, we would ask that they initiate a constitutional amendment for this specific purpose and ask the states to ratify it, which is a different method by which the federal Constitution could be changed. There is some merit to what you say, but by the same token I believe the overriding fear is that they would call a constitutional convention. I can't answer any more specifically. I am sorry."

Mr. Flanagan:

"In your opinion, if you vote for the amendment and for this memorial, are you going to be closer to having the number of states required to ratify this thing, or are you going to be farther away from achieving our original objective?"

Mr. Day:

"I think you are going to be farther away."

Further debate ensued, Representative Hubbard speaking in favor of adoption of the amendment, and Representatives Moon and King speaking against its adoption.

Mr. Charette demanded the previous question and the demand was sustained.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Conner on a point of parliamentary inquiry.

Mr. Conner:

"Mr. Speaker, this is a memorial that we are voting on and to my recollection since I have been in this House, we have never had any response to a memorial that we have passed. You might refer to the Chief Clerk or Assistant Chief Clerk. I wonder if they have sent these to those to whom they were addressed?"

The Speaker:

"The question before the House is the adoption of the amendment. Perhaps when we get to final passage you would like to make your inquiry."

The Clerk called the roll and the motion lost and the amendment by Mrs. Hurley to House Joint Memorial No. 17 was not adopted by the following vote: Yeas, 45; nays, 47; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Avey, Bledsoe, Bluechel, Bozarth, Brazier, Chapin, Clarke (George W.), Clocksin, Conner, Cunningham, Day, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Haussler, Holman, Hubbard, Hurley, Kalich, Kink, Leckenby, Lewis, Lynch, Mahaffey, McCaffree, McCormick, Morrison, Murray, Newhouse, O'Dell, Reese, Richardson, Saling, Spanton, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman—45.

Those voting nay were: Representatives Anderson, Backstrom, Bagnariol, Barden, Beck, Bottiger, Brouillet, Ceccarelli, Charette, Chatalas, Clark (Newman H.), Copeland, DeJarnatt, Gallagher, Garrett, Grant, Hawley, Heavey, Hill, Hoggins, Humiston, Jastad, Johnson, Jolly, King, Kirk, Kiskaddon, Leland, Litchman, Lux, Marsh, Marzano, May, McGavick, Merrill, Moon, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Swayze, Thompson, Walgren, Mr. Speaker—47.

Those absent or not voting were: Representatives Berentson, Juelling, Kopet, McDougall, Newschwander, Smythe, Taylor—7.

EXPLANATION OF VOTE

We, the undersigned, voted for Mrs. Hurley's amendment despite grave doubts about the Dirksen amendment. We believe the passage of House Joint Memorial No. 17 vital in order to prevent a federal constitutional convention which might amend portions of the federal constitution in a manner not intended by the 1963 legislature, the action of which House Joint Memorial No. 17 is designed to repeal. Since there is likely to be much more support for the memorial with Mrs. Hurley's amendment than without it, we have reluctantly voted for the amendment.

Mr. Gorton moved that the rules be suspended, Engrossed House Joint Memorial No. 17 be advanced to third reading, the second reading considered the third, and the memorial be placed on final passage.

Mrs. Hurley demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion that the rules be suspended and Engrossed House Joint Memorial No. 17 be advanced to third reading, and the motion was lost by the following vote: Yeas, 57; nays, 35; absent or not voting, 7.

Those voting yea were: Representatives Anderson, Backstrom, Bagnariol, Barden, Beck, Bluechel, Bottiger, Brouillet, Ceccarelli, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Cunningham, DeJarnatt, Elicker, Gallagher, Garrett, Gorton, Grant, Haussler, Hawley, Heavey, Hill, Hoggins, Humiston, Jastad, Johnson, Jolly, Kalich, King, Kirk, Kiskaddon, Leckenby, Leland, Lewis, Litchman, Lux, Mahaffey, Marsh, Marzano, McCaffree, McGavick, Merrill, Moon, Murray, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Sprague, Thompson, Walgren, Wanamaker, Whetzel—57.

Those absent or not voting were: Representatives Berentson, Jueling, Kopet, McDougall, Newschwander, Smythe, Taylor—7.

Engrossed House Joint Memorial No. 17 was passed to Committee on Rules and Administration for third reading.

MOTION

Mr. Brouillet moved that the Committee on Revenue and Taxation be relieved of Senate Joint Resolution No. 23 and that the bill be placed on today's second reading calendar.

POINT OF ORDER

The Speaker recognized Mr. Gorton on a point of order.

Mr. Gorton:

"Mr. Speaker, we are not on the eighth order of business. I don't believe the motion is in order."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, I call your attention to Rule 82, which states that the majority of the members elected to the House may require a committee to report a bill back to the House at any time."

RULING BY THE SPEAKER

The Speaker:

"Mr. O'Brien, it would appear to me that Rule 82, when it refers to 'any time,' would not mean any time during the proceedings. If this motion could be made as you are interpreting it, so that you could interrupt the second reading calendar, the minority could get up at any point in the proceedings and we would not be able to carry out the orderly process of legislation. It would appear to me that the reference here is not to any time during the calendar but at the appropriate time for such a motion on any day, at which time you would not be precluded from making the motion."

The Speaker recognized Mr. O'Brien.

Mr. O'Brien:

"Well, carrying your argument a little farther, 'at any time' would be before we meet and after we adjourn and we would be completely precluded from making this motion. Now, we are on second reading, between bills. We are in this labyrinth of time and it appears if you carry out the intent of this rule, this body can require a committee to bring a bill back at any time it sees fit. We feel it is timely to have this resolution reported back and, if our rules were intended to state otherwise, I think we should have stipulated in the rules that it would only come under the eighth order of business, under propositions and motions. But this isn't what the rule says; it just says at any time in the day's proceedings. The calendar is just set up to give you some sort of agenda. We are in an area now where this motion appears to be timely, because we are between bills and are not interrupting the orderly procedure whatsoever. By doing it now we are actually expediting our process, because we will be placing this Senate Joint Resolution No. 23 right on this calendar for second reading where it belongs."

The Speaker:

"Mr. O'Brien, since there seems to be some controversy on this, I will be glad to take this under advisement and we will bring in a ruling tomorrow."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Is it your ruling that Mr. Brouillet's motion is out of order?"

RULING BY THE SPEAKER

The Speaker:

"It is, if you wish to interpret it that way. I have indicated that I am going to consider this and make my ruling tomorrow."

PERSONAL PRIVILEGE

The Speaker recognized Mr. Kalich on a point of personal privilege.

Mr. Kalich:

"Mr. Speaker, ladies and gentlemen, as this extraordinary session draws into this fifth week and we on each side of the aisle seem to be at each other's throats—and sometimes the fault is on our side and sometimes on the other—I think it is appropriate at this time to congratulate Governor Evans on his very fine appointment of Leroy Hittle to the Liquor Board. I am sure each and every one of us agrees on this. I know we are going to miss his astute and attentive face in the press row in front there as we ponder our problems upon the floor. Leroy is in the wings somewhere and, Leroy, you know I have never been noted for long speeches and I am not going to go into a lengthy one now and bring in a lot of flowery adjectives to describe you, but I think I am speaking for everyone when I say you are one of the good, good guys, and we wish you lots of success in your new job. I can't help but add a little comment that I think most of you have heard, a little bit of humor. Last Thursday this appointment was made and as Leroy read the paper the next morning over a cup of coffee he glanced down at the article on the front page, and he said, 'My God, I've been misquoted.'"

The Speaker:

"May I add my congratulations to those of the members of the House to Mr. Hittle for accepting this responsible position. I am sure that the Liquor Board will be in good hands."

Engrossed Senate Bill No. 622, by Senators Herrmann, Neill, and Durkan:

Authorizing supervisor of banking to fix reserve requirements within prescribed limits.

The bill was read the second time.

On motion of Mr. O'Dell, the rules were suspended, Engrossed Senate Bill No. 622 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative O'Dell spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 622, and the bill passed the House by the following vote: Yeas, 91; nays, 0; absent or not voting, 8.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Bagnariol, Barden, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Kirk, Kiskaddon, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Salving, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Thompson, Versoske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—91.

Those absent or not voting were: Representatives Backstrom, Berentson, Juelling, Kopet, McDougall, Newschwander, Swayze, Taylor—8.

Engrossed Senate Bill No. 622, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

Reengrossed Senate Bill No. 442, by Senators Gissberg, Metcalf, Canfield, Ridder, Henry, and Mardesich:

Pertaining to intermediate school district.

The bill was read the second time.

Mr. Holman moved adoption of the following amendment by Representatives Holman and Mahaffey:

On page 3 of the printed and reengrossed bill, add two new sections following section 4 to read as follows:

"Sec. 5. Section 25, page 11, Laws of 1886 as last amended by section 16, chapter 139, Laws of 1965, and RCW 28.20.010 are each amended to read as follows:

In each county, not within an intermediate district, there shall be a county board of education, which shall consist of five members elected by the voters of the county, one from each of five county board-member districts, such districts to be determined by the county committee on school district organization. Such county board-member districts shall be arranged on a basis of equal population and so that not more than one member of the county board shall come from any one school district: *Provided*, That in counties having less than five school districts, then the county board-member districts shall be arranged so as to give, as far as practicable, representation, according to equal population: *Provided Further*, That the county committee, at any time that such committee deems it advisable, shall change the boundaries of county board-member districts so as to provide as far as practicable equal representation according to population of such board-member districts.

In any county having a joint school district with another county, all of the territory within such joint district and lying within both counties shall be included within a board-member district of the county within which the administrative office of such joint district is located, and the electors residing therein shall be eligible to vote for and hold membership on the county board of education of such county.

Mr. McGavick:

"Mr. O'Brien, what is the cost of utilizing this kind of equipment?"

Mr. O'Brien:

"The cost would not be too great because we have a large amount of the data processing equipment available here. The Department of Motor Vehicles, for instance, is using RCA equipment now. The information I recently secured on the State of Florida shows they are using RCA equipment, so there is a great possibility that we could utilize the equipment that is available, possibly on a night shift."

Representative Copeland spoke in favor of adoption of the resolution.

The motion was carried and the resolution was adopted.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Jolly on a point of personal privilege.

Mr. Jolly:

My wife and I would like to take this opportunity to thank the members of the House for their kind expression of sympathy at this time."

THIRD READING OF BILLS

House Bill No. 377, by Representatives Juelling, Taylor, and Newschwander:

Requiring approval of pollution control commission and department of health prior to water district's operation of sewer system.

MOTION

On motion of Mr. Jueling, House Bill No. 377 was rereferred to Committee on Rules and Administration.

House Joint Resolution No. 35, by Representatives Copeland, O'Brien, and McDougall:

Expanding methods for revising and amending the Constitution.

MOTION

Mr. Cunningham moved that House Joint Resolution No. 35 be rereferred to Committee on State Government and Legislative Procedures.

Debate ensued, Representative Cunningham speaking in favor of the motion, and Representatives O'Brien and Copeland speaking against it.

Mr. Litchman demanded an electric roll call and the demand was sustained.

Mr. Chatalas demanded a call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Berentson, Heavey, Hubbard, and Newschwander.

On motion of Mr. McDougall, the absent members were excused and the House proceeded with business under the call of the House.

The Speaker declared the question before the House to be the motion that House Joint Resolution No. 35 be rereferred to Committee on State Government and Legislative Procedures.

Further debate ensued, Representative Bledsoe speaking in favor of the motion and Representative Charette speaking against it.

YIELDING TO QUESTION

At the request of Mr. Chapin, Mr. Cunningham yielded to question.

Mr. Chapin:

"Mr. Cunningham, as chairman of the State Government committee, would you tell us what you plan to do with this bill if it comes back into your committee and, perhaps more important, when you plan to do it?"

Mr. Cunningham:

"When the bill is rereferred to my committee, I plan on holding a committee meeting tomorrow morning to see if we can come up with a joint resolution that is more acceptable to more people than this appears to be. I would like to amplify that a little bit. When I voted to bring this out of committee, I brought out House Joint Resolution No. 15 the same day, which is sponsored by Mr. Copeland. I voted for House Joint Resolution No. 35 with the understanding I would oppose it on the floor. I do not approve of this particular type of constitutional revision."

Further debate ensued, Representatives Cunningham, Chapin, and Flanagan speaking in favor of the motion, and Representatives Smith, Copeland, Marzano, Lux, and King speaking against the motion.

Mr. Chatalas demanded the previous question and the demand was sustained.

The Clerk called the roll on the motion to rerefer House Joint Resolution No. 35 to Committee on State Government and Legislative Procedures, and the motion was lost by the following vote: Yeas, 37; nays, 58; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Bledsoe, Bluechel, Bozarth, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Clocksin, Cunningham, Day, Flanagan, Goldsworthy, Gorton, Harris, Hill, Humiston, Hurley, Jueling, Kirk, Kopet, Leckenby, Lynch, Mahaffey, Morrison, Murray, Newhouse, O'Dell, Reese, Smythe, Swayze, Veroske, Whetzel, Wolf, Zimmerman, Mr. Speaker—37.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bagariol, Barden, Beck, Bottiger, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Copeland, DeJarnatt, Elicker, Farr, Gallagher, Garrett, Gladder, Grant, Haussler, Hawley, Hoggins, Holman, Jastad, Johnson, Jolly, Kalich, King, Kink, Kiskaddon, Leland, Lewis, Litchman, Lux, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, O'Brien, Perry, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Spanton, Sprague, Taylor, Thompson, Walgren, Wanamaker—58.

Those absent or not voting were: Representatives Berentson, Heavey, Hubbard, Newschwander—4.

House Joint Resolution No. 35 was read the third time and placed on final passage.

Representative Sprague spoke in favor of passage of the resolution.

YIELDING TO QUESTION

At the request of Mr. Humiston, Mr. Bledsoe yielded to question.

Mr. Humiston:

"Mr. Bledsoe, I believe you committed yourself to use your next turn to request House Joint Resolution No. 15 in case the last motion was passed. Now, if this House Joint Resolution No. 35 is voted on and fails to get sixty-six votes, would you commit yourself to use your next request to get House Joint Resolution No. 15 out?"

Mr. Bledsoe:

"Yes."

Debate ensued, Representative O'Brien speaking in favor of passage of the resolution and Representative Cunningham speaking against its passage.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Cunningham yielded to question.

Mr. Moon:

"Representative Cunningham, you mentioned that the Senate hasn't sent anything over here to the House relative to constitutional revision, inferring that perhaps that body wasn't too interested in it. Now, how many house joint resolutions dealing with constitutional revision have we sent over there?"

Mr. Cunningham:

"I can only answer in this way. We did consider three separate measures on the floor of the House. They were defeated. I would like to say, however, that I voted for all three."

Representative Moon spoke in favor of passage of House Joint Resolution No. 35.

Mr. Bledsoe demanded the previous question and the demand was sustained.

Mr. Charette demanded an oral roll call and the demand was sustained.

The Clerk called the roll on the final passage of House Joint Resolution No. 35, and the resolution failed to pass the House by the following vote: Yeas, 57; nays, 38; absent or not voting, 4.

Those voting yea were: Representatives Anderson, Backstrom, Bag-nariol, Barden, Beck, Bluechel, Bottiger, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Copeland, DeJarnatt, Elicker, Farr, Gallagher, Garrett, Grant, Hawley, Hoggins, Holman, Jastad, Johnson, Jolly, Kalich, King, Kink, Kiskad-don, Leland, Lewis, Litchman, Lux, Marsh, Marzano, May, McCaffree, McDougall, McGavick, Merrill, Moon, Murray, O'Brien, Perry, Rosellini, Sal-ling, Sawyer, Sheridan, Smith, Sprague, Swayze, Taylor, Thompson, Walgren, Wanamaker, Whetzel, Wolf—57.

Those voting nay were: Representatives Adams, Amen, Avey, Bledsoe, Bozarth, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Clock-sin, Cunningham, Day, Flanagan, Gladder, Goldsworthy, Gorton, Harris, Haussler, Hill, Humiston, Hurley, Jueling, Kirk, Kopet, Leckenby, Lynch, Mahaffey, McCormick, Morrison, Newhouse, O'Dell, Reese, Richardson, Smythe, Spanton, Veroske, Zimmerman, Mr. Speaker—38.

Those absent or not voting were: Representatives Berentson, Heavey, Hubbard, Newschwander—4.

House Joint Resolution No. 35, having failed to receive the constitutional two-thirds majority, was declared lost.

EXPLANATION OF VOTE

Noting that I had previously voted for House Joint Resolution No. 35 and that today I voted to return it to committee and, later, to defeat the resolution on final pas-sage, I would like to explain the purpose of switching positions. It has become evident that House Joint Resolution No. 35 is unlikely to receive sufficient support in either the Senate or on referendum to the public. I am, therefore, hopeful that with the defeat of this resolution, House Joint Resolution No. 15 will pass both houses and receive favorable public action.

William S. Leckenby,
31st District.

MOTION

On motion of Mr. Gorton, the House dispensed with further business under the call of the House.

Engrossed House Bill No. 946, by Representatives Anderson, Bledsoe, Day, Holman, Smythe, Marsh, O'Dell, Zimmerman, Brazier, Lewis, and Chatalas:

Providing certain tax credits and exemptions for pollution control facili-ties.

MOTION

On motion of Mr. Anderson, the rules were suspended and Engrossed House Bill No. 946 was returned to second reading for the purpose of amendment.

SECOND READING OF BILLS

Mr. Bottiger moved adoption of the following amendment:

On page 1, section 1, subsection (1), line 22 of the printed and engrossed bill, after "pollution" and before the period insert ": Provided, That the word "facility" shall not be construed to include any control device, machinery, equipment, structure, disposal system or other property installed or constructed for the primary purpose of connect-ing any commercial establishment with the facilities of public or privately owned utilities."

Representatives Bottiger, Bledsoe, and Holman spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Bottiger yielded to question.

Mr. Lewis:

"Representative Bottiger, your primary interest is in defining water pollution control facilities. Does the word 'facilities' include air pollution facilities? Are you meaning to imply that, too?"

Mr. Bottiger:

"I don't believe so. One of the rules of construction is that the proviso be strictly limited in its interpretation to the phrase to which it is a condition. But I think this proviso could be extended beyond, say, a sewer hookup to some other facility which was being connected by a commercial establishment with public and private utilities. At the present time, the only one any of us can think of is a sewer, but I wouldn't want to mislead you by saying there wasn't a possibility of anything other than a sewer."

Mr. Lewis:

"If you had a gas swabbing facility for eliminating contaminants in the air, a smokestack, and you were scrubbing it with water so the solids were carried away in a stream of water, which would then be discharged into a sewer, would that be affected by your definition?"

Mr. Bottiger:

"Mr. Lewis, I am not as well educated in civil engineering as you are. As I understand the definition in the amendment to the bill, if it connects with a public or privately owned utility, then the cost of connecting to that would not be included within the word 'facilities.'"

Mr. Lewis:

"I am not quite sure I am satisfied with your definition, although I think I agree with what you are trying to do. I think I would feel happier if you specifically tied your definition into the word 'facilities' as it appears on line 18. Would you agree that perhaps your amendment should be perfected in that regard?"

Mr. Bottiger:

"Mr. Lewis, no, I don't, because the proviso as written would apply to line 18. If there is a utility constructed in an area to scrub gas, or whatever it is that civil engineers refer to, and it is a common utility in the area which everyone else is hooking up to, then the expense of that connection should not be permitted, under the amendment I am advocating, to get a tax credit. You are ahead of me on this. I don't know about these connections for scrubbing gasses."

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Bottiger yielded to question.

Mr. Adams:

"Do you have subsequent amendments coming on? If they are related to this particular area, it might have a considerable bearing on whether or not we would want to vote for this amendment. I think it would be in order at this time for you to advise us whether there are subsequent amendments which are in a sense attached to this amendment."

Mr. Bottiger:

"There are two amendments which have been put on your desk. The other amendment talks about the total accumulative amount of credit. In determining the total amount of credit from state taxes, which the bill says shall not exceed fifty percent of the cost, you have to give credit for any federal credit you have been given. In other words, the tax commission was of the opinion that you might possibly be able to get more than one hundred percent of the cost of your improvement back. It was the consensus we were willing to give a fifty percent tax credit but not more than that, so if you get a part from the federal government, it would apply against the state credit."

Mr. Adams:

"That doesn't tie too closely to this amendment?"

Mr. Bottiger:

"No, it doesn't."

Representative Adams spoke against adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Backstrom, Mr. Bottiger yielded to question.

Mr. Backstrom:

"Mr. Bottiger, I am a little concerned about this. I know something about air pollution. We are involved here with matters of motor vehicle conveyances and such things, in which event you have two subjects incorporated here. This involves what Representative Lewis referred to, the scrubbers and incinerators. I am a little concerned because this is a part of industry requirements where they are involved with waste and also apartments and such as that."

Mr. Bottiger:

"Mr. Backstrom, my answer to that would be that as soon as I sit down, Mr. Lewis is going to stand up and move to put this bill behind the next one, so that he can check on it."

MOTION

On motion of Mr. Lewis, the House deferred further consideration of Engrossed House Bill No. 946, and the bill was ordered placed at the end of today's third reading calendar.

Engrossed House Joint Resolution No. 30, by Representatives O'Brien, Hawley, and Ceccarelli:

Adding a new section to Constitution as to urban renewal.

MOTION

On motion of Mr. Gorton, the House deferred further consideration of Engrossed House Joint Resolution No. 30, and the resolution was ordered placed on tomorrow's third reading calendar.

House Bill No. 181, by Representatives Humiston and Garrett (by departmental request):

Providing a uniform budgetary system for cities under 300,000 population and towns.

House Bill No. 181 was read the third time and placed on final passage.

Representative Humiston spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Jolly, Mr. Humiston yielded to question.

Mr. Jolly:

"Dr. Humiston, would this make a uniform budget for all cities of the first, second, third, and fourth class all the way down through the line?"

Mr. Humiston:

"It is a matter of a budgeting system for auditing purposes, Mr. Jolly, and it would be uniform for all cities other than the city of Seattle, which has a special act of its own."

The Clerk called the roll on the final passage of House Bill No. 181, and the bill passed the House by the following vote: Yeas, 94; nays, 0; absent or not voting, 5.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Hill, Hoggins, Holman, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—94.

Those absent or not voting were: Representatives Berentson, Cunningham, Heavey, Hubbard, Newschwander—5.

House Bill No. 181, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

Engrossed House Bill No. 182, by Representatives Humiston and Haussler (by departmental request):

Authorizing a county central services department to perform ministerial duties on automatic data processing equipment, copy equipment, and duplicating equipment.

Engrossed House Bill No. 182 was read the third time and placed on final passage.

Representative Humiston spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed House Bill No. 182, and the bill passed the House by the following vote: Yeas, 87; nays, 6; absent or not voting, 6.

Those voting yea were: Representatives Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Haussler, Hawley, Hill, Hoggins, Holman, Humiston, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Reese, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Mr. Speaker—87.

Those voting nay were: Representatives Adams, Day, Harris, Hurley, Kopet, Richardson—6.

Those absent or not voting were: Representatives Berentson, Heavey, Hubbard, Newschwander, Spanton, Zimmerman—6.

Engrossed House Bill No. 182, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

Engrossed Substitute House Bill No. 99, by Committee on Agriculture:
Regulating and licensing food processing plants.

MOTION

On motion of Mr. McDougall, the rules were suspended and Engrossed Substitute House Bill No. 99 was returned to second reading for the purpose of amendment.

SECOND READING OF BILLS

Mr. Hawley moved adoption of the following amendment:

On page 7, line 14 of the printed and engrossed bill, following section 18 add two new sections to read as follows:

NEW SECTION. Sec. 19. The term "this act" shall mean sections 1 through 18.

NEW SECTION. Sec. 20. No person shall label or offer for sale any food fish product designated as halibut, with or without additional descriptive words unless such food fish product is Hippoglossus Hippoglossus or Hippoglossus Stenolepsis. Any person violating the provisions of this section shall be guilty of misbranding under the provisions of the Uniform Washington Food, Drug and Cosmetic Act, chapter 69.04 RCW."

Representatives Hawley and Kink spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Wolf, Mr. Hawley yielded to question.

Mr. Wolf:

"Mr. Hawley, your amendment in no way would demand that those two funny words have to be on the label of every fresh halibut?"

Mr. Hawley:

"I hope not or you grocers would have a bad time, wouldn't you?"

The motion was carried and the amendment was adopted.

Engrossed Substitute House Bill No. 99 was ordered reengrossed.

On motion of Mr. McDougall, the rules were suspended, Reengrossed Substitute House Bill No. 99 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Newhouse spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Wolf, Mr. Newhouse yielded to question.

Mr. Wolf:

"Mr. Newhouse, in discussing this with the department of agriculture, is it not true that these licenses called for under food processing plants will not apply to retail supermarkets?"

Mr. Newhouse:

"I believe that is correct, Mr. Wolf. I understand food retail stores are already supervised by the health department and I don't think there is any intent to extend the inspection."

The Clerk called the roll on the final passage of Reengrossed Substitute House Bill No. 99, and the bill passed the House by the following vote: Yeas, 94; nays, 1; absent or not voting, 4.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day,

Providing certain tax credits and exemptions for pollution control facilities.

The House resumed consideration of Engrossed House Bill No. 946 on second reading.

The Speaker declared the question before the House to be adoption of the amendment by Mr. Bottiger to page 1. (See p. 1884 for amendment).

Mr. Lewis moved adoption of the following amendment to the amendment:

Amend the amendment by Representative Bottiger to section 1, subsection (1), line 22 of the printed and engrossed bill as follows: In the last line of the amendment after "with the" and before "facilities" insert "waste collecting"

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Lewis yielded to question.

Mr. Adams:

"Would someone advise me whether or not this now includes the connection to any other facilities, electrical or whatnot, or is it now just limited to sewer lines?"

Mr. Lewis:

"It is just waste."

YIELDING TO QUESTION

At the request of Mr. Kink, Mr. Lewis yielded to question.

Mr. Kink:

"Mr. Lewis, under your amendment, if two companies such as two refineries or aluminum plants next to each other should elect to go together to build a device for their waste water, would the two be able to have a tax rebate?"

Mr. Lewis:

"Yes, I am sure they would, Representative Kink. The only part which would not have a tax rebate would be supposing that they used a joint connector to a city sewer system or county sewer which was adjacent to their plant and to which they had a sewer connector singly or jointly used. That part of the sewer would not get a tax credit, but individual facilities would not be affected as far as tax credits are concerned."

The motion was carried and the amendment to the amendment was adopted.

The Speaker declared the question before the House to be adoption of the amendment by Mr. Bottiger to page 1 as amended by Mr. Lewis.

The amendment as amended was adopted.

Mr. Bottiger moved adoption of the following amendment:

On page 5, section 6, subsection (2) of the printed and engrossed bill, add a new subparagraph following subparagraph (c) to read as follows:

"(d) The total cumulative amount of credits against state taxes authorized by this act shall be reduced by the total amount of any federal investment credit actually received by the certificate holder applicable to the facility. This reduction shall be made as an offset against the credit claimed in the first reporting period following the allowance of such investment credit, and thereafter as an offset against any credit balance as it shall become available to the certificate holder."

Representatives Bottiger and Holman spoke in favor of adoption of the amendment.

The motion was carried and the amendment was adopted.

Engrossed House Bill No. 946 was ordered reengrossed.

On motion of Mr. Bottiger, the rules were suspended, Reengrossed House Bill No. 946 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Debate ensued, Representatives Holman, Backstrom, Bledsoe, and Anderson speaking in favor of passage of the bill, and Representatives Thompson and Humiston speaking against its passage.

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Reengrossed House Bill No. 946 and the bill passed the House by the following vote: Yeas, 72; nays, 22; absent or not voting, 5.

REMONSTRANCE TO THE LEGISLATURE

Remonstrance to the Legislature by Representative O'Brien:

Whereas, The democratic process is based upon the concept of an open presentation of all sides of a question, followed by a thoughtful decision made by a majority; and

Whereas, This democratic process cannot work properly when a majority uses arbitrary or arrogant methods to prevent the minority from presenting its views; and

Whereas, This concept of the need of restraint on the part of the majority is as much to protect the rights of the people as it is to protect the rights of the minority; and

Whereas, When the rules of the House were adopted this session, the majority assured us that the motion to lay on the table would be used with the utmost restraint and was inserted into the rules only in order to prevent unnecessary delaying tactics such as filibusters; and

Whereas, On Monday and Tuesday of this week we have four times moved to relieve the Revenue and Taxation Committee of Senate Joint Resolution No. 23; and

Whereas, On one of these instances the motion was ruled out of order and on the other three the motion was tabled, twice without even giving the mover of the motion the courtesy or right to speak to his motion; and

Whereas, These acts on the part of the majority leaders are obvious violations of the understanding of all persons at the time the House rules were adopted;

We, the minority party of the House of Representatives, call upon the majority leaders of this House to abide by the true intent of the Rules of the House. We further urge the majority leaders to remember the need for restraint in the use of their powers. We further remind the majority leaders of the advantage of open discussion in the American democratic process and urge them to engage in this discussion of different viewpoints rather than arbitrarily cutting off motions and debate by the minority.

YIELDING TO QUESTION

At the request of Mr. Hill, Mr. Holman yielded to question.

Mr. Hill:

"Mr. Holman, there are instances where property investors attempt to limit their liabilities as far as taxation is concerned. I am concerned about the second part of the committee amendment. Is it possible for investors to avoid tax liability in a situation where they own a corporation, which in effect owns a piece of property. They then set up a second corporation and sell the property to the second corporation. They in turn sell shares or the stock in the second corporation to another party. Will the first group of investors, in effect, avoid the one percent tax in their sale of the stock to the second investors?"

Mr. Holman:

"I think the answer to that is yes. The one percent tax would not apply in that transaction."

Further debate ensued, Representative Hill speaking in opposition to the amendment.

YIELDING TO QUESTION

At the request of Mr. Hoggins, Mr. Holman yielded to question.

Mr. Hoggins:

"Did I understand correctly that under the present statutes, when you lease this property you now pay the real estate transaction tax?"

Mr. Holman:

"No sir, you do not. That is what this bill is adding to our present tax statutes. The committee amendment simply says that you will add it, but you won't cover these other transactions, too. It is a revenue measure."

MOTION

On motion of Mrs. McCaffree, the House deferred further consideration of Reengrossed Senate Bill No. 401 and the bill was ordered placed on tomorrow's second reading calendar.

NEW SECTION. Sec. 4. Immediately after appointment, the commission, upon call of the chairman of the board of county commissioners and notice of the time and place thereof, shall organize by electing one of its members chairman, and shall hold regular public meetings at least once a month thereafter, unless there is no pending business requiring action by the commission, and may hold such additional meetings as may be required for the proper discharge of its duties. All members shall be notified of the meeting within twenty-four hours prior to its convening.

The commission may hold hearings, such hearings to be called by either the chairman or by a majority of members of the board. An official notice of the calling of the hearing shall be filed by the director of personnel with the records of the commission, and all commission members shall be notified of the hearings by the director of personnel within twenty-four hours prior to its convening.

A written record shall be kept by the commission of all its actions. No release of material or statement of findings shall be made except with the approval of a majority of the commission. In the conduct of hearings or investigations, a member of the commission or the director of personnel may administer oaths.

NEW SECTION. Sec. 5. There shall be appointed by the commission within sixty days after its appointment a director of personnel, appointed on the basis of his experience in and demonstrated knowledge of modern personnel administration, who shall be the administrative head of the commission. He shall be responsible for directing the personnel program of the county in accordance with the provisions of this act, rules and regulations of the commission, and county ordinances implementing the purposes of this act.

(3) Hear appeals from any action suspending for more than thirty days, reducing in rank or pay, or discharging any employee in classified service, and further, to hear appeals on any and all other controversies or matters arising out of or in connection with civil service and personnel rules as promulgated by the commission. The findings and decisions of the commission shall be reduced to writing and shall be final and binding upon all parties concerned.

(4) Establish a merit system of employment with respect to county service. The commission shall make and promulgate all civil service and personnel rules, and amendments thereto, necessary to carry out and enforce the purposes of this act, and shall file all such proposed rules and amendments thereto with the county commissioners who shall consider the same. Within thirty days after the filing thereof, the county commissioners shall by ordinance adopt such proposed rules or amendments thereto: *Provided*, That the county commissioners by majority vote may change, alter, amend, add to, reject or repeal any such proposed civil service or personnel rules or amendments thereto. In the event the county commissioners shall fail to act upon any such rules or amendments thereto within the thirty days time limit hereinabove in this subsection provided for, then and in that event the county auditor, as clerk of the board of county commissioners, shall immediately cause to be published such rules or amendments thereto in an official newspaper as provided for in chapter 65.16 RCW and such rules or amendments thereto shall some ten days thereafter become effective for all purposes the same as if adopted by ordinance of the county commissioners and published as such an adopted ordinance. Such rules shall among other things provide for:

- (a) The classification of all positions in the classified service.
- (b) Open, free and competitive examinations to test the relative fitness of applicants for such positions, and for reasonable publication and public advertisement of all examinations.
- (c) Creation of eligibility lists upon which shall be entered the names of successful candidates in the order of their standing on the examination and for the certification of those on the appropriate list to department heads for appointment to fill vacancies and for the manner in which appointments shall be made from such list: *Provided*, That there shall be certified to the appointing power when a vacant position is to be filled, the names of three persons highest on the list of eligibles for the class, if such there be.
- (d) The period of time in which eligibility lists shall continue in effect.
- (e) Promotion based upon competitive examination and records of efficiency, conduct, and seniority.
- (f) A period of probation of twelve months, both on original and promotional appointments, before the appointment is made permanent, during which time, in the case of an original appointment, the probationer may be discharged, or in the case of a promotion, returned to a position of equal salary and status of his former classification.
- (g) Rejection of candidates or eligibles who fail to comply with reasonable requirements in regard to age, residence, sex, and physical condition or of infamous and disgraceful conduct, crimes, or who have attempted any deception or fraud in connection with an examination.
- (h) Temporary employment without examination in cases of emergency and pending appointment from an eligibility list, but no such temporary employment shall continue after the establishment of an eligibility list for the position held.
- (i) Transfer from one position to a similar position in the same class and grade, for reinstatement within two years of persons who without fault or delinquency on their part are separated from the service or reduced in class or grade, and for the reinstatement in a position of their former classification of employees promoted to and later demoted from appointive positions in the unclassified service.
- (j) Discipline of employees by suspension, demotion, discharge, or other actions not inconsistent with provisions of this act: *Provided*, That no employee in the classified service, shall be suspended for more than thirty days, demoted or discharged, except for cause.
- (k) Certification to the county treasurer of the names and classifications of all persons legally employed in the county service, without which certification the county treasurer shall not authorize the issuance of salary warrants.
- (l) Right of appeal by any employee to the commission from any action suspending for more than thirty days, reducing in rank or pay, or discharging any employee in the classified service, and from any and all other matters arising out of or in connection with civil service and personnel rules.

(5) In addition to the foregoing powers and duties the commission shall carry on a continuing conscientious program of employment recruitment, including open continuous and periodic examinations as needed, to avail themselves of the best possible manpower available within the confines of the county's budgetary limitations.

NEW SECTION. Sec. 7. County civil service as provided for in this act shall be divided into classified and unclassified services. The unclassified service shall consist of: (1) Officials elected by the people and persons appointed to fill vacancies in such elective offices; (2) members of boards and commissions; (3) administrative officers appointed by the board of county commissioners or any other elective county official, or by boards or commissions as provided by law or by county ordinance; (4) heads of any department or division of a county office: *Provided*, That those designated department or division heads shall be approved by the commission for purpose of exempt status; (5) confidential secretaries to (a) any elected official; (b) any board or commission as provided for in subsection (2) hereof; (c) any administrative officer as provided in subsection (3) hereof; or (d) heads of any department or division of a county office as provided in subsection (4) hereof; (5) professional personnel in the office of the county prosecutor; (6) appointive administrative officials, physicians, surgeons, dentists, interns, student nurses, and inmate employees employed by the county hospital, tuberculosis sanitarium, and health department of the county; (7) court commissioners, court reporters, bailiffs, and judges' private secretaries in the office of the superior courts of the county; (8) one chief probation officer and one chief deputy probation officer in the juvenile court department of the office of the

superior courts of the county; (9) court commissioners, chief clerks and chief deputy clerks in the office of the justice courts of the county; (10) persons employed in a professional or scientific capacity to conduct a special inquiry, investigation or examination; (11) part time or temporary employees, as defined by the commission; (12) election precinct officials; (13) all officials and other persons serving the county without compensation; and (14) all county employees covered by civil service provided under any other act.

The classified service shall comprise all positions not specifically included in the unclassified service.

NEW SECTION. Sec. 8. All appointments and promotions to positions in the classified civil service shall be made solely on merit, efficiency and fitness, which shall be ascertained by open competitive examination and impartial investigation. No person in the classified civil service shall be reinstated or transferred, suspended or discharged from any such place, position or employment contrary to the provisions of this act. Any person having civil service status under the provisions of this act may take a temporary appointment in an unclassified position with the right to return to his regular position, or to a like position, at the conclusion of such temporary appointment.

NEW SECTION. Sec. 9. For the benefit of the public service and to prevent delay, injury or interruption therein by reason of the enactment hereof, every person holding a position which is deemed classified by section 7 of this act for a continuous period of twelve months immediately prior to January 1, 1968 is eligible for permanent appointment under civil service to the office, place, position or employment which such person then held, without examination or other act on his part, and without probation; and every such person is automatically adopted and inducted permanently into civil service into the office, place, position or employment which he then held as completely and effectually to all intents and purposes as if such person had been permanently appointed thereto under civil service after examination and investigation. All other persons holding positions deemed classified for less than said period of twelve months shall be subject to the same open, competitive examination and other qualifying requirements applicable to other applicants for the same position, and such persons may not continue in such positions for a period of more than twelve months after the creation of the civil service system unless appointed from the three highest persons on the list of eligible persons in accordance with the provisions of this act: *Provided*, That persons holding positions for six months or longer, but less than twelve months shall be considered on probation until such time that they have completed twelve months of service.

NEW SECTION. Sec. 10. The tenure of every person holding an office, place, position or employment under the provisions of this act shall continue only during good behavior; and any such person may be removed or discharged, suspended without pay, demoted, or reduced in rank or deprived of vacation privileges or other special privileges for any of the following reasons:

- (1) Incompetency, inefficiency or inattention to or dereliction of duty;
- (2) Dishonesty, intemperance, insubordination, discourteous treatment of the public or a fellow employee, or any other act of omission or commission tending to injure the public service; or any other wilful violation of the provisions of this act or the rules and regulations to be adopted hereunder;
- (3) Mental or physical unfitness for the position which the employee holds;
- (4) Dishonest conduct or conduct prejudicial to the county;
- (5) Drunkenness or use of intoxicating liquors, narcotics or any other habit-forming drug, liquid or preparation to such extent that the use thereof interferes with the efficiency or mental or physical fitness of the employee, or which precludes the employee from properly performing the functions and duties of his position under civil service;
- (6) Conviction of a felony or a misdemeanor involving moral turpitude;
- (7) Any other act or failure to act which, in the judgment of the commission, is sufficient to show the offender to be an unsuitable and unfit person to be employed in the public service.

NEW SECTION. Sec. 11. No person in the classified civil service who has been permanently appointed or inducted into civil service under the provisions of this act shall be removed, suspended or demoted except for cause, and only upon written showing of cause by the appointing power. A written statement of such showing of cause in general terms, shall be served upon the accused and a duplicate filed with the commission.

Any person so removed, suspended for over thirty days or demoted may, within ten days from the date of his removal, suspension or demotion, file with the commission a written demand for an investigation, whereupon the commission shall conduct such investigation. The investigation shall be confined to a determination of the question of whether the removal, suspension or demotion was made in good faith for cause. After such investigation the commission may affirm the removal or, if it finds that the removal, suspension or demotion was not made in good faith for cause, shall order the immediate reinstatement or reemployment of such person in the office, place, position or employment from which he was removed, suspended or demoted, which reinstatement shall if the commission so provides, be retroactive and entitle such person to pay or compensation from the time of removal, suspension or demotion. The commission, upon such investigation, in lieu of affirming a removal, may modify the order by directing a suspension without pay, for a stated period, and subsequent restoration to duty, or demotion in classification, grade or pay. The findings of the commission shall be certified, in writing, to the appointing power and shall be forthwith enforced by such officer. Nothing in this act shall limit the power of an officer to suspend for cause, without pay, a subordinate for a period not exceeding thirty days, upon filing with the commission a written statement of such action.

All investigations made by the commission pursuant to this section shall be by public hearing, after reasonable notice to the accused of the time and place thereof, at which hearing the accused shall be afforded an opportunity of appearing in person and by counsel, and presenting his defense. If the order of removal, suspension or demotion is concurred in by the commission, or a majority thereof, the accused may appeal therefrom to the superior court of the county wherein he is employed. Such appeal shall be taken by serving on the commission, within thirty days after the entry of its order, a written notice of appeal, stating the ground therefor, and demanding that a certified transcript of the record, and all papers on file in the office of the commission affecting or relating to its order, be filed by the commission with the court. The commission shall, within thirty days after the filing of such notice, make, certify and file such transcript with the court. The court shall thereupon proceed to hear and determine the appeal in a summary manner. Such hearing shall be confined to the determination of whether the order of removal, suspension or demotion made by the commission was or was not made in good faith for cause, and no appeal shall be taken except upon such ground or grounds. The decision of the superior court may be appealed to the supreme court.

NEW SECTION. Sec. 12. Whenever a position in the classified service becomes vacant, the appointing power, if it desires to fill the vacancy, shall requisition the commission for the names and addresses of three persons eligible for appointment thereto. The commission shall certify the names of three persons highest on the list of eligible persons for the class to which the vacant position has been allocated, who are willing to accept employment. If more than one vacancy is to be filled, one additional name shall be certified for each additional vacancy. The appointing power shall forthwith consider each person, in order of their standing on the list, and may appoint one person to each vacant position.

To enable the appointing power to exercise a choice in the filling of positions, no appointment, employment or promotion in any position in the classified service shall be deemed complete until after the expiration of a period of twelve months' probationary service, as may be provided in the rules of the commission, during which the appointing power may terminate the employment of the person certified to him if, during the performance test thus afforded, upon observation or consideration of the performance of duty, the appointing power deems him unfit or unsatisfactory for service. Thereupon a successor shall be appointed in accordance with the foregoing provisions.

NEW SECTION. Sec. 13. All offices, places, positions and employments coming within the provisions of this act shall be filled by the appointing power, and nothing herein contained shall infringe upon such authority as an appointing power may have to fix the salaries and compensation of employees employed hereunder.

NEW SECTION. Sec. 14. All classified employees of the county shall have the right to form, join and assist any employee association, organization or union without any restraint from management, or to refrain from such activity.

NEW SECTION. Sec. 15. No treasurer, auditor, commissioner or other officer or employee of the county shall approve the payment of, or be in any manner concerned in paying, auditing or approving any salary, wage or other compensation for services to any person subject to the jurisdiction and scope of this act unless a payroll,

estimate or account for such salary, wage or compensation, containing the names of the persons to be paid, the amount to be paid to each such person, the services on account of which same is paid and any other information which, in the judgment of the commission should be furnished on such payroll, bears the certificate of the commission or of its personnel director or other duly authorized agent, that the persons named therein have been appointed or employed in compliance with the terms of this act and the rules of the commission, and that the payroll, estimate or account is, insofar as known to the commission, a true and accurate statement. The commission shall refuse to certify the pay of any public officer or employee whom it finds to be illegally or improperly appointed, and may further refuse to certify the pay of any public officer or employee who wilfully, or through culpable negligence, violates or fails to comply with the provisions of this act or with the rules of the commission.

NEW SECTION. Sec. 16. The commission shall begin and conduct all civil suits which may be necessary for the proper enforcement of this act and the rules of the commission. The commission shall be represented in such suits by the prosecuting attorney of the county, or the commission may elect to retain private counsel.

NEW SECTION. Sec. 17. The right of any person to an appointment or promotion to any position shall not be withheld because of race, color, creed, national origin, political affiliation or belief, nor shall any person be dismissed, demoted or reduced in grade for such reason.

NEW SECTION. Sec. 18. No classified employee of the county shall take any part in campaigns involving the election of any county official further than to cast his vote and to express privately his opinions thereon.

No classified employee shall, nor shall he be required to, participate in or contribute to the political campaign of any political party or candidate for elective office or to contribute to any office or department fund: *Provided*, That such classified employees shall have the right to vote and to express their opinions privately on political subjects and candidates and participate fully in campaigns relating to constitutional amendments, referendums, initiatives, and issues of similar character, and for nonpartisan offices. No classified employee shall, nor shall he be required to, during his hours of employment, participate in any political activity.

NEW SECTION. Sec. 19. All officers and employees of the county shall aid in all proper ways in carrying out the provisions of this act and such rules and regulations as may, from time to time, be prescribed by the commission, and afford the commission, its members and employees, all reasonable facilities and assistance in the inspection of books, papers, documents and accounts in any way applying to any and all offices, places, positions and employments subject to civil service; and also shall produce such books, papers, documents and accounts, and attend and testify whenever required so to do by the commission or any commissioner.

NEW SECTION. Sec. 20. Any person who wilfully violates any of the provisions of this act shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not more than one hundred dollars or by imprisonment in the county jail for not longer than thirty days, or by both such fine and imprisonment.

NEW SECTION. Sec. 21. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 22. If any part of this act shall be found to be in conflict with federal requirements which are a condition precedent to the allocation of federal funds to the county, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict and with respect to the agencies directly affected; and such findings or determination shall not affect the operation of the remainder of this act in its application to the agencies concerned. The commission shall make such rules and regulations as may be necessary to meet federal requirements which are a condition precedent to the receipt of federal funds by the county.

NEW SECTION. Sec. 23. Upon the adoption by the people of any class AA county of a charter after the effective date of this act, which charter provides therein for a civil service system for employees of said county, such charter shall as to such county, supersede the provisions of this 1967 act and this 1967 act shall not be deemed applicable to any such class AA county.

NEW SECTION. Sec. 24. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1967."

Beginning on line 1 of the title after "AN ACT" strike the remainder of the title and insert the following:

"Relating to counties and civil service status for county employees in certain counties; excepting certain employees therefrom; creating a civil service commission to administer the act; setting forth the powers and duties of the commission; providing the basis for and methods of appointments and promotions; providing for tenure under civil service; listing grounds for dismissal, suspension, demotion or reduction in rank; defining procedure for dismissal, suspension or demotion; providing for appointing power to fill vacancies and fix compensation; permitting formation of employee associations or unions; providing for payroll certification by the commission; providing for the institution of civil suits; prohibiting certain acts; prohibiting certain participation in political activities; requiring cooperation of county officers and employees; providing penalties; and declaring an emergency and providing an effective date."

Homer Humiston, *Chairman*,
Joseph L. McGavick, *Vice Chairman*.

We concur in this report: Horace W. Bozarth, Donald H. Brazier, Jr., P. J. "Jim" Gallagher, Avery Garrett, Slade Gorton, Edward Heavey, Timothy H. Hill, Dale E. Hoggins, Francis E. Holman, Gladys Kirk, William S. Leckenby, Audley F. Mahaffey, John Merrill, Sam Smith, Jonathan Whetzel.

The bill was read the second time.

Mr. Humiston moved adoption of the committee amendment.

Mr. Grant moved adoption of the following amendment to the committee amendment:

Amend the amendment by Committee on Local Government, on page 2, section 2, subsection (5), line 10 of the mimeographed amendment, after "means" strike "class AA counties" and insert "any county"

Debate ensued, Representative Grant speaking in favor of adoption of the amendment to the amendment, and Representative Humiston speaking against its adoption.

The motion was lost and the amendment to the amendment was not adopted.

Mr. Humiston moved adoption of the following amendment to the committee amendment:

Amend the amendment by the Committee on Local Government as follows: On page 6, section 6, subsection (j), line 6 of the mimeographed amendment, after "cause" strike the period and insert ": *Provided Further*, That no employee in the classified service shall be suspended for more than thirty days in any one twelve-month period."

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Humiston yielded to question.

Mr. Smith:

"Dr. Humiston, does your amendment mean that a person could be suspended three times for ten days each in one twelve-month period?"

Mr. Humiston:

"Mr. Smith, I believe this could happen."

The motion was carried and the amendment to the committee amendment was adopted.

Mr. Heavey moved adoption of the following amendment to the committee amendment to Substitute Senate Bill No. 360:

Amend the amendment by Committee on Local Government, on page 4, section 6, line 27 of the mimeographed amendment, after "thereto" strike the colon and all the material down to and including "thereto" on line 30

Mr. Marzano demanded an electric roll call and the demand was sustained.

Debate ensued, Representatives Heavey, Grant, and Smith speaking in favor of adoption of the amendment to the amendment, and Representative Humiston speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Humiston yielded to question.

Mr. Sprague:

"The way I read the proviso on page 4 to which Mr. Heavey's amendment refers, there is no time limit whatsoever. Is that also your understanding?"

Mr. Humiston:

"I believe there is a time limit. It says:

"In the event the county commissioners shall fail to act upon any such rules or amendments thereto within the thirty days time limit hereinabove in this subsection provided for, then and in that event they. . . become effective."

"Is this what you were referring to, Mr. Sprague?"

Mr. Sprague:

"Well, neither you nor I are attorneys, but this appears to me to be separated from the proviso by a period, and it would seem that this provides for another matter."

Mr. Humiston:

"If the purpose of the thirty-day rule is that which I explained, it would seem that the proviso has no necessity in the bill."

The Clerk called the roll on adoption of the amendment by Mr. Heavey to the committee amendment to Substitute Senate Bill No. 360, and the motion was lost and the amendment to the amendment not adopted by the following vote: Yeas, 43; nays, 48; absent or not voting, 8.

POINT OF ORDER

The Speaker recognized Mr. Whetzel on a point of order.

Mr. Whetzel:

"Is this an amendment to the proviso we just voted on? I raise the point of order that this amendment is not in order, since the body has voted in the negative with regard to striking this proviso."

RULING BY THE SPEAKER

The Speaker:

"Mr. Whetzel, I believe your point is well taken. We have already, in effect, perfected this particular portion of this section. The House has by its decision agreed not to strike and, therefore, we have acted on it. Unfortunately, Mr. Haussler, your amendment to the amendment was not on the desk prior to the time we considered the amendment to the amendment to strike. Had it been here, yours would have been considered first and acted on. Then we could have recognized the amendment to strike. Therefore, I would have to rule your amendment to the amendment out of order."

POINT OF PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Smith on a point of parliamentary inquiry.

Mr. Smith:

"Mr. Speaker, if an amendment were prepared which took in some portion of the subsection prior to the point where we had considered an amendment and it included the portion we had tried to amend, would such an amendment be in order?"

The Speaker:

"If it were in a section that had not been considered, then I would presume it to be in order. I would have to see the specific amendment in order to rule, however."

Mr. Smith moved adoption of the following amendment to the committee amendment to Substitute Senate Bill No. 360:

Amend the amendment by the Committee on Local Government as follows: On page 9, section 11, line 9 of the mimeographed amendment, after "over" and before "days" strike "thirty" and insert "fifteen"

Debate ensued, Representative Smith speaking in favor of adoption of the amendment to the amendment, and Representative Humiston speaking against its adoption.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the adoption of the amendment by Mr. Smith to the committee amendment, and the motion was carried and the amendment to the amendment adopted by the following vote: Yeas, 75; nays, 18; absent or not voting, 6.

Those absent or not voting were: Representatives Lynch, McGavick, Perry, Spanton, Taylor, Zimmerman—6.

On motion of Mr. Humiston, the following amendment to the committee amendment was adopted:

Amend the amendment by the Committee on Local Government as follows: On page 10, section 11, line 2 of the mimeographed amendment, after "public hearing," insert "unless waived by the accused,"

Mr. Smith moved adoption of the following amendment to the committee amendment:

Amend the amendment by Committee on Local Government, on page 12, section 16, line 4 of the mimeographed amendment, after "county" strike the comma and the remainder of the sentence and insert a period

MESSAGES FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, April 12, 1967.

To The Honorable, The House of Representatives of the State of Washington,
Ladies and Gentlemen:

I have the honor to advise that Governor Evans has approved the following House Bills, entitled:

House Bill No. 975:

Providing for expenses of the legislature.

House Bill No. 941:

Authorizing the payment of interest on local improvement district bonds from the general fund of the city or town.

Very truly yours,
Raymond W. Haman,
Legal Counsel to the Governor.

State of Washington, Office of the Governor,
Olympia, April 12, 1967.

To The Honorable, The House of Representatives of the State of Washington.
Ladies and Gentlemen:

I am returning herewith without my approval as to certain items, **House Bill No. 516** entitled:

"An Act relating to elections."

This bill makes a number of improvements in the statutes relating to elections. Sections 11 through 33 of the bill authorize the State Voting Machine Committee to approve certain types of new voting devices which permit paper ballots and punch cards to be counted automatically. I approve of this legislation, but object to sections 26 and 33 of the bill.

Section 26 requires the use of duplicate ballots or ballot cards which are to be counted by an automatic vote tallying system. Although several other states utilize these new voting devices, no state requires duplicate ballots or cards.

The Auditor of Clark County plans to utilize this new voting system in the 1968 elections, if one or more suitable devices are approved by the State Voting Machine Committee. He is concerned that the use of duplicate cards and duplicate envelopes will unnecessarily complicate the voting procedure at a time when voters are becoming accustomed to a new system. The Director of Elections of Oregon has reported favorably to the House Committee on State Government and Legislative Procedures on the punch card voting system now in use in Oregon, which does not involve the use of duplicate ballots; and representatives of the Secretary of State's office have observed this system in operation in Oregon, and feel that duplicate ballots are unnecessary to assure secrecy in voting and protection for the ballots.

Moreover, requiring duplicate ballots or ballot cards tends to limit competition among the manufacturers of different types of new voting equipment. Although it is inconvenient and somewhat cumbersome to use duplicate punch cards, the equipment presently used in other states will mark duplicate cards in a single operation by the voter. Requiring a voter to mark two ballots separately would be so cumbersome and inefficient as to render these systems non-competitive with punch card systems.

The Secretary of State anticipates that during the next two years no more than one county will attempt to use these new devices. During this trial period it would seem desirable to have a maximum of competition among all manufacturers of equipment which the Voting Machine Committee approves. This will give the county auditors, the secretary of state and the legislature an opportunity to study various types of new voting devices.

Section 33 states that the provisions of sections 11 through 32 of the bill will apply only to counties of the second class, which includes Clark County. The purpose of this section is to limit the use of these new voting devices to no more than three counties until such time as the new systems can be observed in operation in this state. I have no objection to this policy determination by the legislature; however I believe the language of section 33 will have a result not intended by the legislature.

Included among the sections of this bill which apply only to counties of the second class are several sections of existing law relating to the conduct of elections and regulating the use of voting machines. As amended by this bill these statutes also would be applicable to the new voting systems. However, if these amended laws apply only to counties of the second class, it is doubtful that any amended section of the law would apply to the other counties of the state. This inadvertently could leave most of the counties of the state without necessary laws regulating the conduct of elections and particularly the procedure by which voting machines are approved by the State Voting Machine Committee.

This problem has been called to the attention of several members of the legislature who wished to limit the number of counties which could utilize new voting devices. It is my understanding that another bill will be proposed to the legislature to give effect to the original intent of the legislature without creating the problem caused by section 33 of this bill.

For the foregoing reasons I have vetoed sections 26 and 33. The remainder of House Bill No. 516 is approved.

Respectfully submitted,
DANIEL J. EVANS,
Governor.

MOTION

On motion of Mr. McDougall, House Bill No. 516 with the Governor's partial veto message was referred to Committee on Rules and Administration.

Amend the amendment by the Committee on Local Government as follows: On page 4, section 6, subsection (4), on line 24 of the mimeographed amendment after "commissioners" and before the period strike "who shall consider the same" and insert "and the county clerk" and on line 25 of the mimeographed amendment after "thirty" and before "days" insert "-one", and on line 28 after "commissioners by" and before "vote" strike "majority" and insert "unanimous"

Representative Haussler spoke in favor of adoption of the amendment to the committee amendment and Representative Humiston spoke against its adoption.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

Representative Smith spoke in favor of adoption of the amendment to the committee amendment, and Representative Clark (Newman H.) spoke against its adoption.

The Speaker called on Mr. Bledsoe to preside.

POINT OF ORDER

The Speaker (Mr. Bledsoe presiding) recognized Mr. Gorton on a point of order.

Mr. Gorton:

"I would ask that you divide the question. Mr. Haussler has actually three different amendments. The one he is most interested in is changing "majority" to "unanimous." I don't object to that, but the first part of the amendment is technically incorrect."

The Speaker recognized Mr. Haussler.

Mr. Haussler:

"I would be very happy to withdraw the first part of the amendment."

PARLIAMENTARY INQUIRY

The Speaker (Mr. Bledsoe presiding) recognized Mr. Charette on a point of parliamentary inquiry.

Mr. Charette:

"If the question is divided, do we then get an electric roll call on each matter as it is divided?"

SPEAKER'S RULING

The Speaker (Mr. Bledsoe presiding):

"The Speaker will rule yes. That was the intent as we approached the amendment as a total issue, so I would state an electric roll call should be taken on all three subdivisions."

The Speaker asked the Clerk to read the divided amendment which would be considered by the body.

POINT OF ORDER

The Speaker (Mr. Bledsoe presiding) recognized Mr. Gorton on a point of order.

Amend the amendment by the Committee on Local Government as follows: On page 4, section 6, subsection (4), on line 25 of the mimeographed amendment after "thirty" and before "days" insert "-one", and on line 28 after "commissioners by" and before "vote" strike "majority" and insert "unanimous"

PARLIAMENTARY INQUIRY

The Speaker (Mr. Bledsoe presiding) recognized Mr. Holman on a point of parliamentary inquiry.

Mr. Holman:

"I thought that yesterday, when we were considering the bill, there was a motion to strike the entire proviso, and that a point of order was sustained on a later amendment to take out a word. Am I incorrect on that?"

The Speaker:

"We are dealing with a different section now, Mr. Holman."

Representative Heavey spoke in favor of adoption of the amendment by Mr. Haussler to the committee amendment."

POINT OF ORDER

The Speaker (Mr. Bledsoe presiding) recognized Mr. Avey on a point of order.

Mr. Avey:

Mr. Heavey continued his remarks.

Further debate ensued, Representative Leckenby speaking against adoption of the amendment to the committee amendment, and Representative Humiston speaking in favor of its adoption.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clarke (George W.), Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Gallagher, Garrett, Goldsworthy, Gorton, Grant, Harris, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kiskaddon, Kopet, Lewis, Litchman, Lux, Lynch, Marsh, Marzano, May, McCaffree, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, Perry, Reese, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythé, Spanton, Sprague, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Mr. Speaker—83.

Those voting nay were: Representatives Berentson, Flanagan, Gladder, Kirk, Leckenby, Mahaffey, Richardson, Swayze—8.

The Speaker resumed the chair.

On motion of Mr. Humiston, the following amendment to the committee amendment was adopted:

Amend the amendment by the Committee on Local Government as follows: On page 12 of the mimeographed amendment, add a new section following section 17 as follows:

"NEW SECTION. Sec. 18. No person shall be appointed, promoted or retained who advocates the violent overthrow of the government of the United States or any of its subdivisions."

Renumber the remaining sections consecutively.

Representative Beck spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Humiston yielded to question.

Mr. Grant:

"Dr. Humiston, I haven't had an opportunity yet to check this out. Is there a severability clause in the event that one section of the bill is declared unconstitutional?"

Mr. Humiston:

"Yes, Section 21."

Representatives Humiston, Gorton, and Charette spoke against adoption of the amendment to the committee amendment.

MOTION

On motion of Mr. Kalich, the amendment by Representatives Beck and Bledsoe to the committee amendment to Substitute Senate Bill No. 360 was laid on the table.

Mr. Bottiger moved the adoption of the following amendment to the committee amendment:

Amend the amendment by the Committee on Local Government as follows:

On page 12 of the mimeographed amendment strike section 18 and insert:

NEW SECTION. Sec. 18. (1) Solicitation for or payment to any partisan, political organization or for any partisan, political purpose of any compulsory assessment or involuntary contribution is prohibited. No person shall solicit on county property any contribution to be used for partisan, political purposes.

(2) Employees shall have the right to vote and to express their opinions on all political subjects and candidates, but shall not hold any political party office or participate in the management of a partisan, political campaign. Nothing in this section shall prohibit a classified employee from participating fully in campaigns relating to constitutional amendments, referendums, initiatives, and issues of a similar character, and for nonpartisan offices.

(3) Nothing in this section shall prohibit appointment, nomination or election to part-time public office in any other political subdivision of the state when the holding of such office is not incompatible with, nor substantially interferes with, the discharge of official duties in county employment.

(4) For persons employed in county agencies the operation of which is financed in total or in part by federal grant-in-aid funds political activity will be regulated by the rules and regulations of the United States civil service commission."

Debate ensued, Representatives Bottiger, Sheridan, and Smith speaking in favor of the adoption of the amendment to the committee amendment, and Representatives McGavick and Whetzel speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Bottiger yielded to question.

Mr. Sprague:

"Perhaps you could answer Mr. Whetzel's question relating to subsection (3) of your amendment. Also, I would like to have you answer a question relating to subsection (4). Actually there are many county agencies receiving federal grants. I would expect that even now the employees are regulated by the Hatch Act, but since there are a lot of federal grants in King county and the question has come up before, I would like to have you comment."

Mr. Bottiger:

"Starting with your second question, it is my understanding one of the conditions for federal grants-in-aid to county agencies is that the federal Hatch Act will apply. Therefore, the county employees participating in that program would be subject to the provisions of the Hatch Act. At least that is the interpretation the federal government has given us for state employees.

"As to the first question, I didn't hear it all but I believe Mr. Whetzel wondered if a county employee could be appointed to some other part-time position such as school board member. My answer would be yes. There would be nothing prohibiting this; however, as the language clearly states he could not hold a partisan political office such as legislator."

YIELDING TO QUESTION

At the request of Mr. Whetzel, Mr. Bottiger yielded to question.

Mr. Whetzel:

"If you would insert 'nonpartisan' between 'part-time' and 'public office' in subsection (3) I think that would satisfy my objection. Would you agree to do that? Since this is an amendment to an amendment, I wouldn't be able to amend it myself."

Mr. Bottiger:

"I would have no objection to that."

POINT OF INQUIRY

The Speaker recognized Mr. Humiston on a point of inquiry.

Mr. Humiston:

"Since this is an amendment to an amendment, is this proper procedure?"

The Speaker:

"The amendment should be withdrawn and resubmitted."

The Speaker recognized Mr. Bottiger.

Mr. Bottiger:

"With the consent of the House, I would ask that the Chief Clerk insert 'nonpartisan' before 'part-time public office.'"

The Speaker:

"With the consent of the House, Mr. Bottiger's amendment will be changed by inserting 'nonpartisan.' We will take care of it here at the desk, Mr. Bottiger."

YIELDING TO QUESTION

At the request of Mr. Elicker, Mr. Bottiger yielded to question.

Mr. Elicker:

"If we adopt this amendment would it be your understanding that a person employed, for example, as deputy assessor would not be able to run for the office of assessor, even if it were vacant, unless he resigned?"

Mr. Bottiger:

"Yes, that would be my opinion. He would have to resign as deputy assessor before he could run for assessor."

Mr. Marzano demanded an electric roll call and the demand was sustained.

Mr. Grant demanded the previous question and the demand was not sustained.

Representative Harris spoke against adoption of the amendment by Representative Bottiger to the committee amendment.

YIELDING TO QUESTION

At the request of Mr. Sheridan, Mr. Whetzel yielded to question.

Mr. Sheridan:

"Mr. Whetzel, could you name a part-time political office. I don't believe one exists."

Mr. Whetzel:

"Well, there can be all kinds. I am certainly no expert on civil service laws, and this is why I brought up this matter. I was particularly concerned whether we could

have people on the county payroll elected to the legislature, and the matter seems to be in some confusion at this stage."

Further debate ensued, Representatives Sheridan, Smith, and Bottiger speaking in favor of adoption of the amendment to the committee amendment, and Representative Chapin speaking against its adoption.

Mr. McDougall demanded the previous question and the demand was sustained.

The Clerk called the roll on the adoption of the amendment by Mr. Bottiger to the committee amendment to Substitute Senate Bill No. 360, and the amendment was lost by the following vote: Yeas, 42; nays, 51; absent or not voting, 6.

Those voting yea were: Representatives Anderson, Avey, Bagnariol, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Conner, Day, De-Jarnatt, Elicker, Gallagher, Garrett, Grant, Haussler, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Lux, Marsh, Marzano, May, Merrill, Moon, Murray, O'Brien, Perry, Rosellini, Sawyer, Sheridan, Smith, Smythe, Sprague, Swayze, Thompson—42.

Those absent or not voting were: Representatives Clocksin, Litchman, McCormick, Newschwander, O'Dell, Taylor—6.

EXPLANATION OF VOTE

I was recorded as voting "no" on the above amendment. This was an error. I should have been recorded as voting "yes."

Gordon L. Walgren,
23rd District.

Mr. McGavick moved the adoption of the following amendment by Representatives McGavick and Smith:

Amend the amendment by the Committee on Local Government as follows:

On page 12, of the mimeographed amendment following section 20, add two sections to read as follows:

"NEW SECTION. Sec. 22. The provisions of section 20 and old section 23, being new section 25 of this act, shall not be applicable to section 21 above, being RCW 36.32.120 as amended."

Renumber the remaining sections consecutively.

POINT OF PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Charette on a point of parliamentary inquiry.

Mr. Charette:

"I had an amendment concerning section 18 on the desk, but I agreed to let Mr. Bottiger's amendment be considered first. I wonder if it would be in order to consider my amendment now."

RULING BY THE SPEAKER

The Speaker:

"I think not, because the amendment by Representatives Smith and McGavick strikes and replaces. Yours strikes only. Therefore, we would have to perfect the section first before we consider an amendment to strike only."

Debate ensued, Representative McGavick speaking in favor of the adoption of the amendment by Representatives McGavick and Smith to the committee amendment to Substitute Senate Bill No. 360, and Representative Humiston speaking against its adoption.

The motion was lost and the amendment to the amendment was not adopted.

Mr. Charette moved the adoption of the following amendment:

Amend the amendment by the Committee on Local Government as follows: On page 12, line 11 of the mimeographed amendment, strike the first paragraph of section 18.

Debate ensued, Representative Charette speaking in favor of adoption of the amendment to the amendment, and Representative Gorton speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Charette yielded to question.

Mr. Smith:

"Mr. Charette, if this section you wish to strike is not stricken, would an employee of the county who has a campaign bumper strip on his car be in violation of the act?"

Mr. Charette:

"He would be in violation of the act and subject to imprisonment if he is convicted of that violation. He could be fined one hundred dollars or imprisoned in the county jail for not longer than one hundred days, so he would still be in the courthouse, I presume."

Representative Smith spoke in favor of adoption of the amendment to the amendment.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Lewis on a point of parliamentary inquiry.

Mr. Lewis:

"Mr. Speaker, based on your ruling yesterday regarding Mr. Whetzel's motion, by our action in rejecting Representative Bottiger's amendment, have we not perfected section 18?"

RULING BY THE SPEAKER

The Speaker:

"No, Mr. Bottiger's amendment is to strike and replace. In the case of Mr. Charette's amendment to the amendment, you have one to strike only. The friends of an amendment have a right to perfect it before an amendment to strike is in order."

Representative Beck spoke in favor of adoption of the amendment by Representatives McGavick and Smith to the committee amendment to Substitute Senate Bill No. 360.

Mr. Chatalas demanded the previous question and the demand was sustained.

The amendment to the amendment was lost on a rising vote.

Mr. Leckenby moved the adoption of the following amendment to the committee amendment:

Amend the amendment by the Committee on Local Government as follows: On page 12, line 15 of the mimeographed amendment, strike the second paragraph of section 18.

Representative Leckenby spoke in favor of the adoption of the amendment to the committee amendment to Substitute Senate Bill No. 360.

The motion was lost and the amendment was not adopted.

EXPLANATION OF VOTE

These remarks were inserted in the journal for the purpose of explaining my "no" vote on final passage of House Joint Resolution No. 15. It is my belief that constitutional reform is of great importance; however, it remains to be seen whether House Joint Resolution No. 15 is the proper vehicle. My reasoning is based on the following points:

(1) During the last decade, the vast majority of states in our country have utilized a constitutional convention to revise their constitutions rather than by the gateway amendment process. In fact, in the state of Illinois, one of the main reasons for the call of a constitutional convention was the ineffectiveness of the Illinois gateway provision;

(2) There is no pressing need for the amendment. It should be noted that during this session of the Legislature, several constitutional reform proposals were either acted upon or came close to being adopted. Take, for example, an amendment which would create an intermediate court of appeals. Also, the Legislature adopted the optional municipal code which, although not a constitutional amendment, provides

greater power to local units of government in the operation of their affairs. Thirdly, there was Governor Evans' tax reform proposal which narrowly missed passage in the House;

(3) One of the reasons stressed for constitutional reform is the fact that the Constitution is long, cumbersome, and contains many provisions that are statutory in nature. Certainly by easing the requirements for amending the Constitution we are faced with the problem of further encumbrances being added to the Constitution. Also, it is assumed by many legislators that only "constructive" amendments will be proposed and adopted. In view of past history, it would appear that more unconstructive amendments have been adopted;

(4) The gateway amendment will place constitutional reform in a political atmosphere. The Legislature during its regular session finds hardly enough time to consider the regular legislative matters brought before it. As we all are aware, political considerations are a major part of the Legislature. Any reforms that need to be enacted will be viewed in a political context when brought before the Legislature.

It is my hope that the Legislature will enact legislation that will ease the requirements for the calling of a constitutional convention. Only after a consensus is reached between the two major political parties can this state realistically face constitutional reform.

Timothy H. Hill,
44th District.

House Bill No. 64, by Representatives Copeland, Taylor, and Moon (by legislative council request):

Creates a governor's advisory committee on laboratory facilities to study laboratory facilities of the state, carries an appropriation.

Olympia, Wash., March 14, 1967.

Mr. Speaker:

On page 2, beginning on line 11, strike all of section 2 and insert a new section as follows:

(1) Determine how many laboratories are being operated by, or are available for operation by the departments of agriculture, health, game, fisheries, natural resources and pollution control commission;

(2) Determine if such laboratories are being used to their full capacity and if there is a need for expanding the capacity of any such laboratories;

(3) Determine if it would be in the best interest of the public to use any such laboratories jointly or cooperatively between the various state agencies, including the use of personnel, funds, equipment, facilities and any other paraphernalia required to operate such laboratories;

(4) Determine if it would best serve the public interest to expand, merge, relocate, or close any such laboratory facilities, and if necessary to relocate said laboratories in more centralized areas of the state so as to expedite services and attract the necessary professional and technical personnel;

(5) Determine if such laboratories should be relocated in centralized areas, the availability of personnel facilities and land areas, and any other requirements which would allow for the maximum use of such laboratories;

(6) Provide as a part of its study preliminary architectural plans for any new laboratory which it has determined to be necessary and feasible;

(7) Provide as a part of its study that such architectural plans for new laboratories may be used in more than one location when feasible and if it best serves the interest of the public;

(8) Complete its duties and present its findings and recommendations in a report to the governor and the legislature on or before December 1, 1968.

The committee and the various departments and agencies shall cooperate in order to make the best use of any services available to the committee by the said

departments and agencies, and the committee may employ the necessary personnel to carry out the directives of this act."

RESOLUTION

House Resolution No. 67-81, by Representatives Backstrom and Smith:

Whereas, The Governor's fiscal program consisting of the use of the state surplus for non-recurring purposes, imposition of a flat rate income tax, and an increase in state taxes, is unacceptable both to the people of the State of Washington and their representatives in the 40th Legislature; and

Whereas, The people of this state have always supported adequate appropriations for the services and needs of the state; and

Whereas, Such an adequate budget for the 1967-69 biennium is possible without new or increased taxes, and such a budget has been proposed in the Senate amendments to House Bills 207 and 208 with accompanying legislation;

Now, Therefore, Be It Resolved, By the House of Representatives, That the people of the State of Washington should be and hereby are informed that a balanced budget has been presented to the Legislature; the elements of which proposal include:

Accurate projections of revenue for the remainder of the current biennium and for the 1967-69 biennium based upon the present economic level and recognizing that Washington has one of the highest rates of economic growth in the nation;

No cuts in the level of the Senate amendments to the budget through the use of a major portion of the cash surplus for current needs;

The use of bond financing for capital improvements; and

No new or increased taxes; and

Be It Further Resolved, That Governor Daniel J. Evans be requested to study the straightforward elements of this proposal and hopefully accede to the wishes of the people; and

Be It Further Resolved, That upon the acceptance by Governor Evans of the proposals incorporated in this resolution, the 40th Legislature adjourn *sine die*.

YIELDING TO QUESTION

At the request of Mr. Leckenby, Mr. Sprague yielded to question.

Mr. Leckenby:

"Mr. Sprague, is it not your purpose in proposing this amendment that we try to develop a unified and integrated transportation system in the area of, and perhaps beyond the immediate boundaries of, Lake Washington?"

Mr. Sprague:

"Precisely, Mr. Leckenby. I thought I said that in my remarks, but if I didn't, I am glad you asked me the question."

Mr. Leckenby:

"Do you have in mind any particular system which would eventually be adopted which would integrate bridges, freeways, rapid transit systems, local streets, etc.?"

Mr. Sprague:

"Yes, the system which hopefully is being gathered together under the million-dollar study to which I referred will deal with automobile and truck transportation as well as other means of transportation and overall planning needs of the city of Seattle and neighboring communities. This study has been supported by communities across the lake and they are joining in, so it is not solely a Seattle study."

Those absent or not voting were: Representatives Bozarth, Charette, DeJarnatt, Harris, Juelling, Leckenby, Litchman, May, McGavick, Newschwander, Perry, Reese, Saling—13.

EXPLANATIONS OF VOTE

I was recorded as having not voted on Mr. Sprague's amendment. It was my intention to vote "no." In fact it is my belief that I did vote "no," and I would like to be so recorded.

William S. Leckenby,
31st District.

While favoring the concept of some type of crossing, preferably a tunnel between Sandpoint and Kirkland, I strongly feel that the Highway Commission is the wrong agency to do the feasibility study.

The Evergreen Point bridge is a classic example of bad aesthetic design. During the planning and even the building, many attempts were made to have the Highway Commission consider the aesthetic qualities of the bridge, all to no avail.

Until the Highway Commission changes its makeup to consider all aspects that a bridge such as this has on the total community, I feel that they are the wrong agency to make this study.

Alan Bluechel,
1st District.

On motion of Mr. Cunningham, the following amendment by Representatives Barden and Cunningham was adopted:

On page 5, section 1, add a new subsection following subsection (14) to read as follows:

"(15) The joint committee on highways and the Washington state highway commission shall make a study to evaluate the necessity of an overpass across south 188th street in the vicinity of Tyee High School."

Mr. Leland demanded a call of the House and the demand was sustained.

CALL OF THE HOUSE

On motion of Mr. McDougall, the absent members were excused and the House proceeded with business under the call of the House.

Mr. King moved the adoption of the following amendment:

On page 33, beginning on line 33, strike all of section 57 down to and including "fund." on page 34, line 12, and renumber the remaining sections consecutively.

Debate ensued, Representatives King, Garrett, and Smith speaking in favor of adoption of the amendment, and Representatives Wolf, Berentson, Conner, and Kiskaddon speaking against its adoption.

Mr. Goldsworthy demanded the previous question and the demand was sustained.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Moon on a point of parliamentary inquiry.

Mr. Moon:

"I had planned to submit an amendment which would require only one, rather than two reflectorized plates. If Representative King's amendment is adopted, will I be allowed to submit my amendment? It seems to me we should be allowed the opportunity to have only one plate reflectorized since it is the rear plate that is needed."

RULING BY THE SPEAKER

The Speaker:

"If Mr. King's amendment prevails, then, of course, that strikes the section and we are through with it. Your amendment would not be in order since it would have perfected the section and his amendment is to strike the section."

Mr. Moon:

"Would you then advise me as to how I could have the item of one license plate considered?"

The Speaker:

"Unless there is some other place in the bill where you could insert it, I am afraid it cannot be considered."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. King on a point of parliamentary inquiry.

Mr. King:

"Since the friends of an amendment ordinarily have the right or opportunity to perfect the section before the motion to strike is made, would it be proper for this body to withhold voting on my amendment until after we had considered Mr. Moon's amendment?"

RULING BY THE SPEAKER

The Speaker:

"No, Mr. King, the question has been called for."

Mr. Leland demanded an electric roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Smith on a point of parliamentary inquiry.

Mr. Smith:

"In line with Mr. King's question, if he wished to temporarily withdraw his amendment, Mr. Moon could place his amendment before you and we could act on Mr. Moon's amendment before considering Mr. King's amendment."

RULING BY THE SPEAKER

The Speaker:

"The question has been called for and sustained. We are going to have to vote on the amendment by Mr. King."

Representatives DeJarnatt, Goldsworthy, and Saling appeared at the bar of the House.

The Clerk called the roll on the adoption of the amendment by Mr. King, and the motion was lost and the amendment not adopted by the following vote: Yeas, 20; nays, 73; absent or not voting, 6.

On page 36, section 61, line 10, strike all of section 61, and renumber the remaining sections consecutively.

Debate ensued, Representative Gorton speaking in favor of adoption of the amendment and Representative McDougall speaking against its adoption.

Mr. Goldsworthy demanded an electric roll call and the demand was sustained.

Further debate ensued, Representatives Whetzel, Sprague, and Bledsoe speaking in favor of adoption of the amendment, and Representatives Bottiger, Sawyer, Leland, and Berentson speaking against its adoption.

On page 41, section 68, line 16 strike "and directed"

MOTION FOR RECONSIDERATION

Mr. Bagnariol, having voted on the prevailing side, moved that the House do now reconsider the vote by which Mrs. Hurley's amendment to Substitute House Bill No. 722 was not adopted. (See p. 1941 for amendment.)

POINT OF ORDER

The Speaker recognized Mr. Leland on a point of order.

Mr. Leland:

House Resolution No. 67-82, by Representatives Bledsoe, Kirk, May, Veroske, Holman, Garrett, Murray, and Mahaffey:

Whereas, Public recreation is not merely a basic element in the health and welfare of each citizen of this state but likewise is of prime importance as an economic factor in the budget of each citizen of this state; and

Whereas, Public recreation is an area wherein little accurate information has become available to this Legislature with respect to future planning therefor and legislative direction thereto;

Now, Therefore, Be It Resolved, By this House of Representatives, That the Legislative Council be and hereby is requested to make a study of all facets of public recreation, including attendance at spectator sports and the present and future needs of the state with respect thereto, and public recreation as an economic factor in the state's economy, and to report their findings and recommendations to the Legislature prior to the Forty-first Session thereof; and

House Resolution No. 67-83, by Representatives Moon and Newhouse:

Whereas, The Fair Trade Act and the Unfair Practices Act were first enacted in 1937 and 1939 respectively; and

Whereas, Marketing and selling practices have, for some types of commodities and business enterprises, changed considerably since these acts were enacted; and

Whereas, There is a renewed interest and concern on the part of the people and the Legislature that these practices be fair to the consumer and to the business community in order to preserve competition and prevent unfair and deceptive practices; and

Whereas, Recent court decisions regarding the marketing of food have severely hampered the effectiveness of the Unfair Practices Act in relationship to the food industry; and

Whereas, A periodic review by the Legislature of the effectiveness of statutes designed to protect the public is desirable;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council be directed to review the Fair Trade Act, chapter 19.89 RCW, and the Unfair Practices Act, chapter 19.90 RCW, and consider the effectiveness of these acts toward the end of protecting the consumer and preserving free enterprise; and

Whereas, The year 1967 marks the centennial of the confederation of Canada; and

Whereas, Relations between Canada and the United States, symbolized by the Peace Arch at Blaine, continue to provide the world with an unsurpassed example of international cooperation and amity; and

Whereas, Washington State and the Province of British Columbia, which share a common border, have always been especially friendly; and

Whereas, Canada's contribution to the Seattle World's Fair of 1962 was particularly impressive and appreciated; and

Whereas, Washingtonians should find this centennial year offers them a particularly good chance to see Canada, not only to enjoy Expo 67 at Montreal, but to visit the

famous national parks of Alberta, the mountains, islands and inland seas of British Columbia, the historic towns of the Cariboo and the Yukon, and the many other sights and natural wonders of our great neighbor to the north.

"Mr. Newhouse, your assumption that I am a plaintiff's attorney is an erroneous one. However, I suppose on either side of this issue, any lawyer has to consult his conscience as to whether or not to vote for the bill. I had thought of asking the House to excuse me from voting, because I don't really know how to vote, but since that would not be a courageous way to do it, I don't think I will ask that."

Mr. Clark:

"I certainly believe whoever caused the accident, even if negligence existed both ways, should be responsible. The fact that the sympathy is always with the parents who lost the child, however, means there should be some protection both ways."

RESOLUTIONS

House Resolution No. 67-85, by Representatives DeJarnatt, Goldsworthy, Saling, and Chatalas:

Whereas, It is vital to the well-being of the people of this state, and it is also in the interest of the people of the State of Washington to help support and maintain hospital facilities of the highest quality; and

Whereas, There are a number of hospitals within this state which operate as charitable facilities; and

Whereas, These hospitals reportedly have, for a number of years, faced an increasingly difficult problem of financing and supporting essential services of the highest quality; and

Whereas, There have been proposals before the Fortieth Legislature to direct the Department of Public Assistance to make vendor payments to charitable hospitals for the care of public assistance recipients or for those qualified under Title XIX of Public Law 89-79, and proposals have been submitted for direct subsidies to such charitable hospitals; and

Whereas, The total future implications and ramifications of any direct appropriation for subsidies or provision for vendor payments to such hospitals are presently unknown;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Budget Committee is authorized and directed to undertake a study of the advisability, feasibility, and implications of the precedents set forth by the possibility of either direct or indirect state subsidization to charitable hospitals, and particularly subsidization of Children's Orthopedic Hospital in Seattle; and

Be It Further Resolved, That the result of such study be presented to the Legislature prior to the convening of its Forty-first Session, for its consideration, together with any recommended legislation deemed appropriate.

Mr. DeJarnatt moved the adoption of the resolution.

Debate ensued, Representatives DeJarnatt and Saling speaking in favor of adoption of the resolution.

YIELDING TO QUESTION

At the request of Mr. Clark (Newman H.), Mr. Saling yielded to question.

Mr. Clark:

"Some of the charitable hospitals and children's orthopedic hospitals that take patients without funds, and have done so for a long time, receive gifts from foundations and individuals in substantial amounts. Since that wasn't mentioned in the study, will it be called to the attention of the budget committee?"

Mr. Saling:

"Yes, I am sure it will be called to the attention of the budget committee to find how many organizations are contributing to the children's orthopedic hospitals."

The resolution was adopted.

House Resolution No. 67-86, by Representatives Hill, Marsh, and Kopet:

Whereas, There are now one hundred twenty-four separate funds or accounts in the state treasury and over two hundred additional funds held by state officials outside the state treasury; and

Whereas, This proliferation of funds results in a decrease of effective legislative review of agency operations, an unnecessary increase in administrative expense for accounting and budgeting, and confusion in public understanding;

Now, Therefore, Be It Resolved, By this House of Representatives, That the Legislative Budget Committee, in cooperation with the Central Budget Agency, the State Auditor, the State Treasurer, and other affected offices shall conduct a complete study of the fund structure of the State of Washington with a view to its simplification, the improvement of legislative and public understanding thereof, and the reduction of administrative expense;

Be It Further Resolved, That the Legislative Budget Committee shall submit its report, together with draft legislation revising the fund structure of the state, to the Forty-first Legislature; and

Be It Further Resolved, That the Chief Clerk of the House shall see that copies of this House Resolution are sent to the Legislative Auditor, the Budget Director, the State Auditor and the State Treasurer.

On motion of Mr. Hill, the resolution was adopted.

MOTION

Mr. Smith moved that the Committee on Agriculture be relieved of **Engrossed Senate Bill No. 412**, and the bill be placed on the second reading calendar for the day.

Debate ensued, Representative Smith speaking in favor of the motion and Representative Newhouse speaking against it.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Newhouse yielded to question.

Mr. Sprague:

"Since there is a lot of feeling on this matter, I was curious if you would be willing to hold a hearing on Engrossed Senate Bill No. 412? Interested persons have offered to come down and speak on it."

Mr. Newhouse:

"Yes, I would be happy to. I must apologize to Mr. Smith for what happened Saturday. I had talked to the Speaker and asked him if the bill had been transmitted from the Senate and he told me it had not. After talking to the Speaker, the bill did come over to the House and I didn't realize it."

Further debate ensued, Representative Smith speaking in favor of the motion, and Representatives Newhouse and Moon speaking against it.

The motion was lost.

MOTION

On motion of Mr. McDougall, the House recessed until 2:00 p.m.

AFTERNOON SESSION

The Speaker called the House to order at 2:00 p.m.

The Clerk called the roll and all members were present except Representatives Avey, Harris, Haussler, and Newschwander who were excused.

(c) The provisions of the above section shall take effect on July 1, 1968.

NEW SECTION. Sec. 2. There is added to chapter 79, Laws of 1947 and to chapter 48.18 RCW a new section to read as follows:

Nothing in section 1 of this act shall be construed to prevent the cancellation or nonrenewal of any such insurance where:

(1) Such cancellation or nonrenewal is ordered by the commissioner under a statutory delinquency proceeding commenced under the provisions of chapter 48.31 RCW, or

(2) Permission for such cancellation or nonrenewal has been given by the commissioner on a showing that the continuation of such coverage can reasonably be expected to create a condition in the company hazardous to its policyholder, or to its creditors, or to its members, subscribers, or stockholders, or to the public.

NEW SECTION. Sec. 3. There is added to chapter 79, Laws of 1947 and to chapter 48.22 RCW a new section to read as follows:

(1) The term "uninsured motor vehicles" with reference to coverage offered under any insurance policy regulated under this chapter shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(2) An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's uninsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein contained shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to its insureds than is provided hereunder.

(3) In the event of payment to an insured under the coverage required by this chapter and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such insured against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. Whenever an insurer shall make payment under the coverage required by this section and which payment is occasioned by an insolvency, such insurer's right of recovery or reimbursement shall not include any rights against the insured of said insolvent insurer, but such paying insurer shall have the right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had, if the insured of the insolvent insurer had personally made the payment.

NEW SECTION. Sec. 4. There is added to chapter 79, Laws of 1947 and to Title 48 RCW a new chapter as set forth in sections 5 through 9 of this amendatory act.

NEW SECTION. Sec. 5. As used in sections 5 through 9 of this amendatory act:

(1) "Profit-sharing policy" means:

(a) A life insurance policy which by its terms expressly provides that the policyholder will participate in the distribution of earnings or surplus other than earnings or surplus attributable, by reasonable and nondiscriminatory standards, to the participating policies of the company and allocated to the policyholder on reasonable and nondiscriminatory standards; or

(b) A life insurance policy the provisions of which, through sales material or oral presentations, are interpreted by the company to prospective policyholders as entitling the policyholder to the benefits described in subsection (a) of this section.

(2) "Charter policy" or "founders policy" means:

(a) A life insurance policy which by its terms expressly provides that the policyholder will receive some preferential or discriminatory advantage or benefit not available to persons who purchase insurance from the company at future dates or under other circumstances; or

(b) A life insurance policy the provisions of which, through sales material or oral presentations, are interpreted by the company to prospective policyholders as entitling the policyholder to the benefits described in subsection (a) of this section.

(3) "Coupon policy" means a life insurance policy which provides a series of pure endowments maturing periodically in amounts not exceeding the gross annual policy

premiums. The term "pure endowment" or "endowment" is used in its accepted actuarial sense, meaning a benefit becoming payable at a specific future date if the insured person is then living.

NEW SECTION. Sec. 6. No profit-sharing, charter, or founders policy shall be issued or delivered in this state after September 1, 1967.

NEW SECTION. Sec. 7. No coupon policy shall be issued or delivered in this state until the form of the same has been filed with and approved by the commissioner.

NEW SECTION. Sec. 8. Coupon policies issued or delivered in this state shall be subject to the following provisions:

(1) No detachable coupons or certificates or passbooks may be used. No other device may be used which tends to emphasize the periodic endowment benefits or which tends to create the impression that the endowments represent interest earnings or anything other than benefits which have been purchased by part of the policyholder's premium payments.

(2) Each endowment benefit must have a fixed maturity date, and payment of the endowment benefit shall not be contingent upon the payment of any premium becoming due on or after such maturity date.

(3) The endowment benefits must be expressed in dollar amounts rather than as percentages of other quantities or in other ways, both in the policy itself and in the sale thereof.

(4) A separate premium for the periodic endowment benefits must be shown in the policy adjacent to the rest of the policy premium information and must be given the same emphasis in the policy and in the sale thereof as that given the rest of the policy premium information. This premium shall be calculated with mortality, interest and expense factors which are consistent with those for the basic policy premium.

NEW SECTION. Sec. 9. The commissioner may revoke all certificates of authority and licenses granted to any insurance company, its officers or agents violating any provision of sections 5 through 9 of this amendatory act.

(1) No security or other investment shall be eligible for purchase or acquisition under this chapter unless it is interest bearing or interest accruing or dividend or income paying, is not then in default in any respect, and the insurer is entitled to receive for its exclusive account and benefit, the interest or income accruing thereon; except, [that it may acquire real property for occupancy by the insurer for home and branch office purposes.]

(a) that an insurer may acquire real property as provided in RCW 48.13.160, and

(b) that this section shall not prevent participation by an insurer in a mortgage loan if the insurer holds a senior participation in such mortgage or deed of trust giving it substantially the rights of a first mortgagee as to its interest in that loan.

(2) No security shall be eligible for purchase at a price above its market value.

(3) No provision of this chapter shall prohibit the acquisition by an insurer of other or additional securities or property if received as a dividend or as a lawful distribution of assets, or if acquired pursuant to a lawful and bona fide agreement of bulk reinsurance or consolidation. Any investments so acquired through bulk reinsurance or consolidation, which are not otherwise eligible under this chapter, shall be dis-

posed of pursuant to RCW 48.13.290 if personal property or securities, or pursuant to RCW 48.13.170 if real property.

The time for any such disposal may be extended by the commissioner for a definite additional period or periods upon application and proof that forced sale of the property, otherwise necessary, would be against the best interests of the insurer.

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Humiston yielded to question.

Mr. Grant:

"Dr. Humiston, when was the last time county officials had an increase in pay?"

Mr. Humiston:

"Frankly, I don't know, Mr. Grant. Perhaps someone else could answer that. I would like the information."

The Speaker recognized Mr. Kalich.

Mr. Kalich:

"I believe it was in 1963."

YIELDING TO QUESTION

At the request of Mr. Whetzel, Mr. Cunningham yielded to question.

Mr. Whetzel:

"Representative Humiston said this bill will not take effect until 1970. It has been so long since the county officials had a pay raise, is there any way this could be shortened so these deserving people could receive a salary increase sooner?"

Mr. Cunningham:

"Yes, I think there is. We have already passed House Joint Resolution No. 13 and it is over in the Senate. If it is passed it will be referred to the people. House Bill No. 654 is in the Senate Rules Committee which, if passed, will allow the vote on House Joint Resolution No. 13 to be held in November of this year. That would make the pay increases much sooner than suggested here, and I would suggest that it would be something we might work on."

Representative Charette spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 318 as amended by the House, and the bill passed the House by the following vote: Yeas, 90; nays, 4; absent or not voting, 5.

Reengrossed Senate Bill No. 472, by Senator Gissberg:

Prescribing terms and conditions of sale or lease of certain state lands.

House of Representatives,
Olympia, Wash., March 7, 1967.

Mr. Speaker:

We, a majority of your Committee on Natural Resources, to whom was referred **Reengrossed Senate Bill No. 472**, prescribing terms and conditions of sale or lease of certain state lands, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 2, line 24 after the end of section 2 add two new sections to read as follows:

"Sec. 3. Section 23, chapter 255, Laws of 1927 as last amended by section 4, chapter 257, Laws of 1959 and RCW 72.01.092 are each amended to read as follows:

When in the judgment of the [commissioner of public lands] *department of natural resources*, a sufficient number of applications for the appraisal and sale, or the lease, for any lawful purpose, excepting mining of valuable minerals or coal, or extraction of petroleum or gas, of state lands, have been received, the [commissioner] *department* shall cause each tract of land so applied for to be inspected by one or more state land inspectors as to its character, topography, agricultural and grazing qualities, timber, coal, mineral, stone, gravel or other valuable material, the distance from any city or town, railroad, river, irrigation canal, ditch or other waterway, and a full report thereof to be made to the [commissioner] *department*, together with the inspector's judgment as to the present and prospective value, or rental value, as the case may be. In case of an application to purchase land granted to the state for educational purposes, the [commissioner] *department* shall submit said report together with all other information in the records of the office of the [commissioner of public lands] *department of natural resources* concerning the land applied for, to the board of natural resources, which board shall fix the value per acre of each lot, block, subdivision or tract proposed to be sold in one parcel, which value shall be not less than ten dollars per acre. In case of applications to purchase state lands, other than lands granted to the state for educational purposes and capitol building lands, the [commissioner of public lands] *department* shall appraise and fix the value thereof. In case of applications for the lease of state lands, for any lawful purposes other than that of mining for valuable minerals or coal, or extraction of petroleum or gas, the [commissioner of public lands] *department* shall fix the rental value thereof, and shall fix the limit of the value of the improvements that may be placed upon said land by any lessee of the state, and may, in case the land is leased, at any time during the life of the lease, extend the limit of value of the improvements that may be placed upon the land covered by the lease, if he deems it advisable and for the best interest of the state, by written order which shall be filed with the lease in the [office of the commissioner] *department of natural resources*, and a copy mailed to the lessee at his last known post office address, and upon the expiration of such lease the [commissioner of public lands] *department*, shall not appraise said improvements in an amount exceeding the limit so fixed by the [commissioner of public lands] *department*: *Provided, That the board of natural resources, in considering the management of individual tracts of state lands, shall include in their consideration of the financial benefits that may accrue to the particular beneficiary of such trust land any increased financial benefits that the beneficiary may receive from direct and indirect state and local taxes, including improvement in values resulting from private development and the local taxation benefits therefrom, if the property were to be sold into private ownership.*

Sec. 4. Section 25, chapter 255, Laws of 1927 as amended by section 6, chapter 257, Laws of 1959 and RCW 79.01.100 are each amended to read as follows:

The [commissioner of public lands] *department of natural resources* shall cause all unplatted state lands, within the limits of any incorporated city or town, or within two miles of the boundary thereof, where the valuation of such lands is found by appraisal to exceed one hundred dollars per acre, to be platted into lots and blocks, of not more than five acres in a block, before the same are offered for sale, and not more than one block shall be offered for sale in one parcel. The [commissioner of public lands] *department of natural resources* may designate or describe any such

plat by name, or numeral, or as an addition to such city or town, and, upon the filing of any such plat, it shall be sufficient to describe the lands, or any portion thereof, embraced in such plat, according to the designation prescribed by the [commissioner of public lands] *department of natural resources*. Such plats shall be made in duplicate, and when properly authenticated by the [commissioner of public lands] *department of natural resources*, one copy thereof shall be filed in the office of the [commissioner] *department* and one copy in the office of the county auditor in which the lands are situated, and said auditor shall receive and file such plats without compensation or fees and make record thereof in the same manner as required by law for the filing and recording of other plats in his office.

In selling lands subject to the provisions of Article 16, section 4, of the state Constitution, the department of natural resources will be permitted to sell the land within the required land subdivision without being required to complete the construction of streets, utilities, and such similar things as may be required by any local government entity in the instance of the platting of private or other property within their area of jurisdiction: Provided, That no construction will be permitted on lands so sold until the purchaser or purchasers collectively comply with all of the normal requirements for platting."

On page 1, line 2 of the title after "natural resources;" and before "and amending" insert "amending section 23, chapter 255, Laws of 1927, as last amended by section 4, chapter 257, Laws of 1959, and RCW 79.01.092; amending section 25, chapter 255, Laws of 1927, as amended by section 6, chapter 257, Laws of 1959, and RCW 79.01.100;"

S. E. "Sid" Flanagan, *Chairman*,
Virginia Clocksin, *Vice Chairman*.

We concur in this report: Eric O. Anderson, Duane L. Berentson, Alan Bluechel, Dwight S. Hawley, Hugh "Bud" Kalich, Bill Kiskaddon, Brian J. Lewis, John S. Murray, Keith J. Spanton, Dick Taylor, Alan Thompson, Fred A. Veroske, Harold S. Zimmerman.

(Note: This bill was reported out of the House Committee on Natural Resources and referred to the Committee on Rules and Administration as Engrossed Senate Bill No. 472 during the regular session, but the bill became Reengrossed Senate Bill No. 472 after being amended further by the Senate during the Extraordinary Session. References to the bill number and section numbers in the committee report and amendment have been changed accordingly.)

The bill was read the second time.

Mr. Flanagan moved the adoption of the committee amendment.

Representatives Flanagan and Lewis spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Lewis yielded to question.

Mr. McGavick:

"At the bottom of page two of the committee amendment, by requiring consideration of the highest financial use, would we be putting the department of natural resources in a position where it would almost be forced into making a decision in favor of private use, because of its highest potential return to both the local taxing district and the state, rather than for public use, which, of course, would have very little potential tax yield?"

Mr. Lewis:

"You use rather strong terms when you say they would be 'forced into it.' I believe the intent was to require the department to consider the total picture of how the most money might be made available for education, which, of course, is why they manage these lands now, both locally and statewide. In some instances by using private development the local tax money could be higher than the use under the state. All this bill says is, 'Look at the total picture.' It doesn't force the department to do anything with the land, but they are to consider all alternatives."

On motion of Mr. Flanagan, the following amendment to the committee amendment was adopted:

On page 1, section 2, line 3 of the committee amendment strike "72.01.092" and insert "79.01.092"

The Speaker declared the question before the House to be the adoption of the committee amendment as amended to Reengrossed Senate Bill No. 472.

The committee amendment as amended was adopted.

Mr. Flanagan moved the adoption of the following amendment by Representatives Flanagan and Copeland:

Add a new section following section 4 which was added by the Committee on Natural Resources and amended by Representative Flanagan to read as follows:

"NEW SECTION. Sec. 5. There is added to chapter 255, Laws of 1927 and to chapter 79.01 RCW a new section to read as follows:

(1) The purpose of this section is to provide revenues to the state and its various taxing districts through the sale of public lands which are currently used primarily for grazing and similar low priority purposes, by enabling their development as irrigated agricultural lands.

(2) All applications for the purchase of lands of the foregoing character, when accompanied by a proposed plan of development of the lands for a higher priority use, shall be individually reviewed by the board of natural resources. The board shall thereupon determine whether the sale of the lands is in the public interest and upon an affirmative finding shall offer such lands for sale under the applicable provisions of this chapter: *Provided*, That any such parcel of land shall be sold to the highest bidder but only at a bid equal to or higher than the last appraised valuation thereof as established by appraisers for the department for any such parcel of land: *Provided Further*, That any lands lying within United States reclamation areas, the sale price of which is limited or otherwise regulated pursuant to federal reclamation laws or regulations thereunder, need not be offered for sale so long as such limitations or regulations are applicable thereto.

(3) The department of natural resources shall make appropriate regulations defining properties of such irrigated agricultural potential and shall take into account the economic benefits to the locality in classifying such properties for sale."

Representatives Flanagan, Lewis, and Jolly spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Hoggins, Mr. Flanagan yielded to question.

Mr. Hoggins:

"Actually I have two questions. Do the present statutes require that more than one bid be taken?"

Mr. Flanagan:

"Yes, the present statutes require more than one bid."

Mr. Hoggins:

"The second question relates to appraisal. Can you assure me that an appraisal will be made before the property is put out for sale and that the appraisal will include the anticipated higher value due to irrigation?"

Mr. Flanagan:

"Yes, I am sure the board of natural resources would do that. In the first place, an appraisal is required, and in the second place, it says that the board shall thereupon determine whether the sale of the lands is in the public interest and, upon such finding, offer such lands for sale under the applicable provisions. I think when the board of natural resources makes this review, the way this amendment is worded, they are required to make the determination to gain the maximum income before they sell the land."

Mr. Hoggins:

"One other question, would there be a conflict if, for example, someone was leasing some lands for grazing purposes and wanted to purchase it, anticipating in ten years

he would irrigate and it would be available for crops? Would there be any problem in adjusting the price of the land?"

Mr. Flanagan:

"I am not sure how these leases are made—whether the state retains the right to make the sale; whether it goes out and discontinues the lease; or whether it has to continue the lease. If the lease must be continued, of course the state has to make the sale subject to that lease."

Mr. Charette demanded the previous question and the demand was sustained.

The Speaker declared the question before the House to be adoption of the amendment by Representatives Flanagan and Copeland.

The motion was carried and the amendment was adopted.

On motion of Mr. Flanagan, the committee amendment to the title was adopted.

On motion of Mr. Flanagan, the following amendment by Representatives Flanagan and Copeland was adopted:

Ward Bowden, *Secretary*.

MOTIONS

Mr. Humiston moved that the House defer further consideration of Engrossed House Bill No. 483, and the bill be ordered placed on the fifth order of business for Thursday.

Mr. O'Brien moved that the House concur in the Senate amendments to Engrossed House Bill No. 483.

POINT OF ORDER

The Speaker recognized Mr. Newhouse on a point of order.

Mr. Newhouse:

"Mr. Speaker, I hate to argue with Mr. O'Brien, but his motion would be out of order."

RULING BY THE SPEAKER

The Speaker:

"No, a motion to concur takes precedence."

Mr. Newhouse:

"Dr. Humiston's motion was to hold the bill over until Thursday. It was not a motion not to concur."

The Speaker:

"It is my feeling that a motion to concur would take precedence over a motion to defer."

Debate ensued, Representatives Humiston and Smith speaking against the motion by Mr. O'Brien.

MOTION

Mr. McDougall moved that Mr. O'Brien's motion be laid on the table.

RULING BY THE SPEAKER

The Speaker:

"It would appear to me that should the motion to table prevail, we would have before us Dr. Humiston's motion which would keep Engrossed House Bill No. 483 before us on the fifth order of business for Thursday, so we haven't disposed of the bill entirely. It would still be before us."

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Mr. Speaker, I respectfully call to your attention Reed's Rule No. 250, which in effect says that the motion to concur is also a motion to not concur. If the motion to concur is laid on the table, I would assume that the motion to not concur would be laid on the table also, and we couldn't get the bill before us again."

The Speaker:

"I don't believe that is right, because a motion to remove from the table would still be in order after intervening business."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"On what basis are you making a ruling of such a nature? In all my experiences, it is the first time I have ever heard of a motion to table a motion to concur. This seems to me to be highly irregular, and it is not set forth either in the House Rules or Reed's Rules. Rather, they clearly set forth the procedure on agreement and disagreement between the two houses. The motion to concur is a priority motion."

RULING BY THE SPEAKER

The Speaker:

"I find nothing in the rules that prohibits a motion to lay on the table from being used at any time, Mr. O'Brien."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"It appears a motion to table my motion would be completely out of order. If you will read Reed's Rule No. 247, it states the order of priority of motions relative to agreement and disagreement between the two houses. It lists the motions, and a motion to table is not included."

The Speaker:

"Rule 247 deals only with agreement or disagreement, not matters of procedure."

Mr. O'Brien:

"This is a matter of the House concurring in the Senate amendment, and a motion to concur is of top priority. I believe you would have to dispose of the motion by a vote and not by another subsidiary type motion."

The Speaker:

"I don't believe this is the case in point. It appears to me that the motion to table is one of procedure, not one of handling a disagreement between the two houses. As far as I can see there would be no reason why it would not be in order."

Mr. O'Brien:

"If you will read Rule 248, it explains a motion to concur and the procedure to be followed when a bill has been returned with an amendment. You will find that my motion is of top priority and this is the way you would have to dispose of it. The Senate didn't see fit to pass House Bill No. 483 as it was and sent it back with this amendment. According to our rules it has to be disposed of in the order of priority set forth in Rule 247. The Joint Rules also cover such a procedure."

POINT OF ORDER

The Speaker recognized Mr. Gorton on a point of order.

Mr. Gorton:

"If I might further confuse matters, I believe that the Speaker was in error when he ruled that Mr. O'Brien's motion to concur had precedence over Dr. Humiston's motion to postpone to a day certain. While I cannot cite a specific, clearcut case, I think a comparison of our Rule 48 which lists the motions which can be made when a matter is under debate should be considered:

"When a motion has been made and seconded and stated by the chair, the following motions are in order, in the rank named:'

"Then you get down to subsidiary motions and 'to postpone to a day certain' is listed. This would indicate to me that had Mr. O'Brien's motion been made first, the motion to postpone to a day certain would take precedence. This is confirmed by Reed's Rule No. 264 on rank of motions which states:

"When a question is under debate, no motion shall be received but—' then in the middle it lists, 'to postpone to a day certain.'

"Obviously, Mr. McDougall's motion on the question to concur was under debate, and yet it would seem to me that under those circumstances, Dr. Humiston's motion

would have been in order even if Mr. O'Brien had spoken first. I think we can escape this problem simply by ruling that what should be before us at the present time is Dr. Humiston's motion to postpone to a day certain, which would seem to me logically should have precedence."

With the consent of the House, Mr. McDougall withdrew his motion.

With the consent of the House, Mr. O'Brien withdrew his motion.

With the consent of the House, Mr. Humiston withdrew his motion.

MOTION

On motion of Mr. Gorton, the House deferred further consideration of Engrossed House Bill No. 483, and the bill was ordered placed on the fifth order of business for Wednesday.

Ward Bowden, *Secretary*.

MOTION

On motion of Mr. Humiston, the House deferred further consideration of Engrossed House Bill No. 498, and the bill was ordered placed on the fifth order of business for Wednesday.

SPEAKER'S PRIVILEGE

The Speaker observed within the bar of the House former State Representative Ray Olsen of King County, and appointed Representatives O'Brien and Copeland to conduct him to a seat on the rostrum beside the Speaker.

The Speaker observed within the bar of the House Mr. Leroy Hittle, and appointed Representatives Brouillet and Goldsworthy to conduct him to a seat on the rostrum beside the Speaker.

The Speaker:

"Leroy, on behalf of the members of the House of Representatives, it is a great pleasure for me to offer our congratulations and best wishes to you in your new job. You certainly will add a great deal of stature to a very difficult position, and we are certainly pleased that the Governor has selected you to serve on the Liquor Control Board. We have known you for a good many years and have appreciated your fair and objective handling of the news from Olympia. Those of us in the rural areas, particularly, are going to miss your impartial dealing with the news. We have appreciated your understanding of our problems over the years and, frankly, we are going to miss you. The fellow who is going to fill your shoes has a real job on his hands. We want to wish you the best of luck, and we know we will be seeing you around for at least nine years."

Mr. Hittle:

"Thank you, Mr. Speaker. Ladies and gentlemen of the House. This is probably the greatest honor I have had in the more than twenty-five years I have been here covering the activities of the Washington state legislature. I was particularly pleased that the Speaker designated my escorts as the chairmen of the Republican and

Democratic caucuses because I have tried over the years I have been here to be as completely fair to both sides of the aisle as possible. I noticed this morning my son came down the aisle with the flag, and when your son starts coming down the aisle, it is about time to retire. So, with my son here as a page, I shall retire, but I want you all to know that I hope you will come to see me whenever you can. When you are in town I hope you will call on me. I am not going to offer you any samples, but I do look forward to your advice and counsel. I also want to endorse and commend to you my successor, Dale Nelson. He has had experience covering the legislature in Idaho. More recently he has been in our Seattle office. I think you will find him very fair, objective, and accurate.

"Thank you very much."

"(3) A donor who makes a gift to a minor in the manner prescribed in subsection (1) of this section shall promptly do all things within his power to put the subject of the gift in the possession and control of the custodian.

"(4) The donor may not under this chapter make gifts of custodial property when, added to gifts permitted under chapter 21.24 RCW as now or hereafter amended, such property (a) exceeds three thousand dollars in aggregate value to any one minor in any one year, or (b) exceeds thirty thousand dollars in aggregate value to any one minor. "(2) By making a gift in a manner prescribed in this chapter, the donor incorporates in his gift all the provisions of this chapter and grants to the custodian, and to any issuer, transfer agent, bank, broker or third person dealing with a person designated as custodian, the respective powers, rights and immunities provided in this chapter.

"NEW SECTION. Sec. 11. (1) The custodian shall collect, hold, manage, invest and reinvest the custodial property and all rents, royalties and income received therefrom for the best interest of the minor and according to the provisions of this chapter.

"(2) The custodian may expend for the benefit of a minor, or pay over to the minor if he is eighteen years old or more for expenditure by him, such monthly amounts as may be reasonably necessary for the minor's actual living expenses including maintenance, schooling and medical or dental expense, with or without court order, with or without regard to the duty of himself or of any other person to support the minor or his ability to do so, and with or without regard to any other income or property of the minor which may be applicable or available for any such purpose.

"(3) The court, on the petition of a parent or guardian of the minor or of the minor, if he has attained the age of fourteen years, may order the custodian to pay over to the minor for expenditure by him or to expend so much of or all the custodial property as is necessary for the minor's support, maintenance or education.

"(4) To the extent that the custodial property is not so expended, the custodian shall deliver or pay it over to the minor on his attaining the age of twenty-one years, or, if the minor dies before attaining the age of twenty-one years, he shall thereupon deliver or pay it over to the estate of the minor.

"(5) The custodian, notwithstanding statutes restricting investments by fiduciaries, shall invest and reinvest the custodial property as would a prudent man of discretion and intelligence who is seeking a reasonable income and the preservation of his capital, except that he may, in his discretion and without liability to the minor or his estate, purchase or retain a real property interest given to the minor in a manner prescribed in this chapter.

"(6) The custodian may grant, sell, convey, lease, demise, exchange, convert or otherwise dispose of custodial property as would a prudent man of discretion and intelligence. He may consent, directly or through a committee or other agent, to the sale, lease, pledge or mortgage of any property by or to any broker, agent, or trust company, and to any other action by any broker, agent, or trust company. He may execute and deliver any and all instruments in writing which he deems advisable to carry out any of his powers as custodian.

"(7) The custodian shall record each real property interest which is custodial property in the name of the custodian, followed, in substance, by the words: 'As custodian for (name of minor) under the 1967 Washington gifts of realty to minors act.' The custodian shall hold all money received in rents, royalties and other income from the custodial property in an account with a bank in the name of the custodian, followed, in substance, by the words: 'As custodian for (name of minor) under the 1967 Washington gifts of realty to minors act.' The custodian shall keep all other custodial property separate and distinct from his own property in a manner to identify it clearly as custodial property; and shall further, except as provided in section 9 of this chapter, maintain all property and funds held pursuant to this chapter segregated from securities and money held under chapter 21.24 RCW.

"(8) The custodian shall keep records of all transactions with respect to the custodial property and make them available for inspection at reasonable intervals by a parent or legal representative of the minor or by the minor, if he has attained the age of fourteen years.

"(9) A custodian has, with respect to the custodial property, in addition to the rights and powers provided in this chapter, all the rights and powers which a guardian has with respect to property not held as custodial property.

"NEW SECTION. Sec. 12. (1) A custodian is entitled to reimbursement from the custodial property for his reasonable expenses incurred in the performance of his duties.

"(2) A custodian may act without compensation for his services.

"(3) Unless he is a donor, a custodian may receive from the custodial property reasonable compensation for his services determined by one of the following standards in the order stated:

"(a) A direction by the donor when the gift is made;

"(b) An order of the court.

"(4) Except as otherwise provided in this chapter, a custodian shall not be required to give a bond for the performance of his duties.

"(5) A custodian not compensated for his services is not liable for losses to the custodial property unless they result from his bad faith, intentional wrongdoing or gross negligence or from his failure to maintain the standard of prudence in investing the custodial property provided in this chapter.

"NEW SECTION. Sec. 13. Although this section does not exempt from liability any third persons who would otherwise be liable for honoring a forged signature, no transfer agent, bank, broker or other person acting on the instructions of or otherwise dealing with any person purporting to act as a donor or in the capacity of a custodian is responsible for determining whether the person designated by the purported donor or purporting to act as a custodian has been duly designated or whether any purchase, sale, incumbrance, or transfer to or by or any other act of any person purporting to act in the capacity of custodian is in accordance with or authorized by this chapter, or is obliged to inquire into the validity or propriety under this chapter of any instrument of instructions executed or given by a person purporting to act as a donor

or in the capacity of a custodian, or is bound to see to the application by any person purporting to act in the capacity of a custodian of any money or other property paid or delivered to him.

"NEW SECTION. Sec. 14. (1) Only an adult member of the minor's family, a guardian of the minor or a trust company is eligible to become a successor custodian. A successor custodian has all the rights, powers, duties and immunities of a custodian designated in a manner prescribed by this chapter.

"(2) A custodian, other than the donor, may resign and designate his successor by:

"(a) Executing an instrument of resignation designating the successor custodian; and

"(b) Causing each real property interest which is custodial property to be registered and recorded in the name of the successor custodian followed, in substance, by the words: 'As custodian for (name of minor) under the 1967 Washington gifts of realty to minors act'; and

"(c) Delivering to the successor custodian a duly acknowledged instrument of resignation, each real property interest recorded in the name of the successor custodian and all other custodial property, together with any additional instruments required for the transfer thereof.

"(3) A custodian, whether or not a donor, may petition the court for permission to resign and for the designation of a successor custodian.

"(4) If the person designated as custodian is not eligible, renounces or dies before the minor attains the age of twenty-one years, the guardian of the estate of the minor shall be successor custodian. If the minor has no guardian of his estate, a donor, his legal representative, the legal representative of the custodian, an adult member of the minor's family, or the minor, if he has attained the age of fourteen years, may petition the court for the designation of a successor custodian.

"(5) A donor, the legal representative of a donor, an adult member of the minor's family, a guardian of the minor or the minor, if he has attained the age of fourteen years, may petition the court that, for cause shown in the petition, the custodian be removed and a successor custodian be designated or, in the alternative, that the custodian be required to give bond for the performance of his duties.

"(6) Upon the filing of a petition as provided in this section, the court shall grant an order, directed to the persons and returnable on such notice as the court may require, to show cause why the relief prayed for in the petition should not be granted and, in due course, grant such relief as the court finds to be in the best interests of the minor.

"NEW SECTION. Sec. 15. (1) The minor, if he has attained the age of fourteen years, or the legal representative of the minor, an adult member of the minor's family, or a donor or his legal representative may petition the court for an accounting by the custodian or his legal representative.

"(2) The court, in a proceeding under this chapter or otherwise, may require or permit the custodian or his legal representative to account and, if the custodian is removed, shall so require and order delivery of all custodial property to the successor custodian and the execution of all instruments required for the transfer thereof.

"NEW SECTION. Sec. 16. A custodian may, at any time, transfer the proceeds of any rental, royalty or other income, or the corpus or any part thereof, held in money or in liquid form, under the provisions of this chapter, into an account qualifying under chapter 21.24 RCW, to the extent that such transfer constitutes a prudent transaction within the application and rules of chapter 21.24 RCW.

"NEW SECTION. Sec. 17. (1) This chapter shall not be construed as providing an exclusive method for making gifts to minors.

"(2) This chapter shall not repeal, amend, or modify the provisions of chapter 21.24 RCW, but shall be held to be an additional, concurrent, or alternative method of providing for gifts to minors.

"NEW SECTION. Sec. 18. This chapter may be cited as the '1967 Washington gifts of realty to minors act.'

"NEW SECTION. Sec. 19. If any provision of this chapter, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected."

Mr. O'Dell:

The House resumed consideration of Engrossed Senate Bill No. 131.

The Speaker stated the question before the House to be adoption of the amendment by Mr. Clark (Newman H.) to the amendment by Mr. Hoggins and others. (See pp. 2003 to 2005 for amendments.)

Representative Clark spoke in favor of adoption of the amendment to the amendment.

YIELDING TO QUESTION

At the request of Mr. Lewis, Mr. Swayze yielded to question.

Mr. Lewis:

"During the regular session, when we had the bill before us relating to extra judges for Pierce County, you recounted some statistics which impressed me. Could you recount the statistics showing the need for additional judges in Pierce County again?"

Mr. Swayze:

"I would be happy to. In 1964 when the last judge was authorized in Pierce County, there were at that time two hundred seven jury trials set. As of February 1 of this year when our bill was introduced requesting two additional judges and we held the hearing, there were five hundred forty-five jury cases set, and, in addition, four hundred sixty-one nonjury cases. This is more than double what there were in 1964 when the last judge was authorized.

"In addition, statistics submitted by the administrator for the courts indicated that the judges in Pierce County were trying one hundred eleven cases per year per judge as opposed to the statewide average of seventy, and that the cases filed in Pierce County per judge were one hundred twenty-three percent of the statewide average.

"Those were some of the statistics presented at that time."

Representative Lewis spoke in opposition to the amendment to the amendment.

The motion was lost and the amendment to the amendment was not adopted.

The Speaker declared the question before the House to be adoption of the amendment by Mr. Hoggins and others adding four new sections to Engrossed Senate Bill No. 131.

YIELDING TO QUESTION

At the request of Mr. Chatalas, Mr. Hoggins yielded to question.

Mr. Chatalas:

"Mr. Hoggins, Mr. Clark mentioned that we in King County need four additional judges but we don't have the facilities, so they are only asking for one. Do you have facilities in Snohomish County for the two judges you are requesting?"

Mr. Hoggins:

"Yes, we have just recently completed a new courthouse, and in this courthouse we have five courtrooms. Also, we have an additional courtroom in our juvenile detention home, so we do have facilities if six judges are authorized."

The motion was carried and the amendment was adopted.

Mr. Reese moved the adoption of the following amendment by Representatives Reese and McDougall:

On page 1 of the printed and engrossed bill, after section 2, added by House amendment, add a section to read as follows:

Senate Bill No. 194, by Senators Stender, Peterson (Ted), and Marquardt (by executive request):

Raising minimum wage.

House of Representatives,
Olympia, Wash., April 12, 1967.

Mr. Speaker:

We, a majority of your Committee on Labor and Employment Security, to whom was referred Senate Bill No. 194, raising minimum wage, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Add a new section following section 1 to read as follows:

"Sec. 2. Section 1, chapter 294, Laws of 1959 as amended by section 2, chapter 18, Laws of 1961 extraordinary session and RCW 49.46.010 are each amended to read as follows:

As used in this chapter:

(1) "Director" means the director of labor and industries;

(2) "Wage" means compensation due to an employee by reason of his employment, payable in legal tender of the United States or checks on banks convertible into cash on demand at full face value, [subject to such deductions, charges, or allowances as may be permitted by regulations of the director under RCW 49.46.050] and "wage" paid to any employee includes the reasonable cost as determined by the director, to the employer furnishing such employee with board or lodging if such board or lodging are customarily furnished by such employer to his employees: Provided, That the cost of board or lodging shall not be included as a part of the wage paid to any employee to the extent it is excluded therefrom under the terms of a bona fide collective bargaining agreement applicable to the particular employee: Provided Further, That the director is authorized to determine the fair value of such board or lodging for employees based on average cost to the employer or the groups of employers similarly situated, of average value to groups of employees, or other appropriate measures of fair value. Such evaluations, where applicable and pertinent, shall be used in lieu of actual measure of cost in determining the wage paid to any employee. In determining the wage of a tipped employee the amount paid such employee by his employer shall be deemed to be increased on account of tips by an amount determined by the employer, but not by an amount in excess of fifty percent of the applicable minimum wage rate, except that in the case of an employee who (either himself or acting through his representative) shows to the satisfaction of the director that the actual amount of tips received by him was less than the amount determined by the employer as the amount by which the wage paid him was deemed to be increased under this sentence, the amount paid such employee by his employer shall be deemed to have been increased by such lesser amount: And Provided Further, That the wage credits permitted by this section shall in no event reduce the cash remuneration to the employee to an amount less than one dollar and twenty-five cents per hour.

(3) "Employ" includes to suffer or to permit to work;

(4) "Employer" includes any individual, partnership, association, corporation, business trust, or any person or group of persons acting directly or indirectly in the interest of [an] any employer in relation to an employee;

(5) "Employee" includes any individual employed by an employer but shall not include:

(b) any individual employed in domestic service in or about a private home;

(c) any individual employed in a bona fide executive, administrative, or professional capacity or in the capacity of outside salesman (as such terms are defined and delimited by regulations of the director);

- (d) any individual employed by the United States;
- (e) any individual engaged in the activities of an educational, charitable, religious, or nonprofit organization where the employer-employee relationship does not in fact exist or where the services are rendered to such organizations gratuitously;

- (7) "*Tipped employee*" means any employee engaged in an occupation in which he customarily and regularly receives more than twenty dollars a month in tips."
- In line 1 of the title after the semicolon and before "and" insert "amending section 1, chapter 294, Laws of 1959 as amended by section 2, chapter 18, Laws of 1961 extraordinary session and RCW 49.46.010;"

Alfred O. Adams, *Chairman*,
Sid W. Morrison, *Vice Chairman*.

We concur in this report: Gary Grant, Helmut L. Jueling, Richard A. King, Frank Marzano, David G. Sprague.

The bill was read the second time.

Mr. Adams moved the adoption of the committee amendment.

Mr. Morrison moved the adoption of the following amendment to the committee amendment:

Amend the amendment by the Committee on Labor and Employment Security as follows: On page 3, section 2, subsection (5), subdivision (m) of the mimeographed amendment, after "duties" strike the period and insert a semicolon and add a new paragraph to read as follows:

"(n) any employee employed in connection with the publication of any weekly, semiweekly, or daily newspaper with a circulation of less than four thousand the major part of which circulation is within the county where published or counties contiguous thereto."

Representatives Morrison and Murray spoke in favor of adoption of the amendment to the committee amendment.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

Mr. Grant spoke in opposition to the amendment to the committee amendment.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Grant yielded to question.

Mr. McGavick:

"Mr. Grant, when the House Labor and Employment Security Committee held a hearing on the house bill I sponsored which was identical to Senate Bill No. 194, a

lady who said she was a representative of the United Labor Lobby testified to the effect that she wanted the minimum wage law in the State of Washington amended to conform with the federal minimum wage law. The language of Mr. Morrison's amendment is verbatim from the federal law. Can you tell me why the position of labor is different now?"

Mr. Grant:

"I think you misunderstood the woman entirely. I don't think any testimony was given by a representative of labor which suggested that the amendment before us or exemptions included in the federal act should be included in the bill. As a matter of fact, as I recall the committee meeting, the Director of the Department of Labor and Industries pointed out that the original amendment which Dr. Adams and the committee finally approved would, in effect, lower the minimum wage we now have in the state of Washington. I hope you will recall this from the testimony, Mr. McGavick, but I don't recall any labor representative testifying that the federal exemptions should be included in the state act."

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Adams yielded to question.

Mr. McGavick:

"Dr. Adams, do you recall the testimony about which I just asked Mr. Grant?"

Mr. Adams:

"I don't recall the exact wording, but I recall essentially what you said."

The Clerk called the roll on the adoption of the amendment by Mr. Morrison to the committee amendment to Senate Bill No. 194, and the motion was carried and the amendment to the amendment adopted by the following vote: Yeas, 47; nays, 40; absent or not voting, 12.

Those voting yea were: Representatives Adams, Amen, Avey, Barden, Berentson, Bledsoe, Bluechel, Bozarth, Brazier, Ceccarelli, Chapin, Clark (Newman H.), Clarke (George W.), Cunningham, Elicker, Flanagan, Gladder, Goldsworthy, Gorton, Hill, Hoggins, Holman, Humiston, Juelling, Kiskaddon, Leland, Lewis, Lynch, Mahaffey, McCaffree, McGavick, Morrison, Murray, Newhouse, O'Brien, O'Dell, Reese, Rosellini, Saling, Smythe, Spanton, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Mr. Speaker—47.

Those voting nay were: Representatives Anderson, Bagnariol, Beck, Brouillet, Charette, Chatalas, Clocksin, Conner, Day, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Hawley, Heavey, Hurley, Jastad, Johnson, Jolly, King, Kink, Kopet, Litchman, Lux, Marsh, Marzano, May, McCormick, McDougall, Merrill, Moon, Perry, Richardson, Sawyer, Sheridan, Smith, Sprague, Taylor, Walgren—40.

Those absent or not voting were: Representatives Backstrom, Bottiger, Copeland, Farr, Harris, Hubbard, Kalich, Kirk, Leckenby, Newschwander, Thompson, Zimmerman—12.

The Speaker declared the question before the House to be adoption of the committee amendment as amended.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Adams yielded to question.

Mr. Smith:

"Dr. Adams, in section 1 of the original bill, I notice on line 10 that the minimum wage would be one dollar forty cents per hour. However, on page 2 of your mimeographed amendment, in the proviso it states that the cash remuneration to the employee would be not less than one dollar twenty-five cents per hour. Is that consistent?"

Mr. Adams:

"Yes, it is consistent because, after all, the amendment applies to tipped employees. The definition of tipped employees is:

" . . . any employee engaged in an occupation in which he customarily and regularly receives more than twenty dollars a month in tips."

That means the amount they report to the employer, and many receive more than they report: This allows for credit for tips over one dollar twenty-five cents an hour. Also, it does not interfere with any negotiated contracts which they may have. In this state most cities of any size have wage negotiation contracts which exceed what is called for here, even by raising this. Therefore, this minimum wage doesn't refer to credit for the tips they receive. The original law which is being amended did take into consideration tips, but apparently didn't put enough guidelines, and the court ruled the guidelines were insufficient. We are bringing this up to federal standards with relation to tipped employees."

Debate ensued, Representatives Smith and King speaking against adoption of the amendment, and Representative Morrison speaking for its adoption.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Sprague, Mr. Adams yielded to question.

Mr. Sprague:

"On page 1 in the last three lines of the amendment which is in our books, as I read it, it says you could reduce the salary of the tipped employee to sixty-two and one half cents an hour."

Mr. Adams:

"It says employers can reduce the amount of wage but not by an amount in excess of fifty percent of the applicable minimum wage rate but it states further:

" . . . *Provided Further*, That the wage credits permitted by this section shall in no event reduce the cash remuneration to the employee to an amount less than one dollar and twenty-five cents per hour."

Mr. Sprague:

"Yes, that is correct. In other words this bill, you would agree then, keeps the wages of the waitresses at one dollar twenty-five cents per hour, or at least it could in some cases."

Mr. Adams:

"No, you are only taking credit for fifty percent of the tips and, secondly, in the areas where there are negotiated wage agreements already it wouldn't apply at all. This would not interfere with any negotiated wage agreement."

Further debate ensued, Representative Clark (Newman H.) speaking in favor of adoption of the committee amendment as amended, and Representatives Sprague and Taylor speaking against its adoption.

The Clerk called the roll on the adoption of the committee amendment as amended to Senate Bill No. 194, and the motion was lost and the amendment not adopted by the following vote: Yeas, 41; nays, 51; absent or not voting, 7.

Those voting yea were: Representatives Adams, Amen, Berentson, Bledsoe, Bluechel, Brazier, Chapin, Clark (Newman H.), Clarke (George W.), Cunningham, Flanagan, Gladder, Goldsworthy, Gorton, Hill, Hoggins, Holman, Humiston, Juelling, Kirk, Kiskaddon, Kopet, Lewis, Lynch, Mahaffey, McCaffree, McDougall, Morrison, Murray, Newhouse, O'Dell, Reese, Saling, Smythe, Spanton, Swayze, Veroske, Wanamaker, Whetzel, Wolf, Mr. Speaker—41.

Those voting nay were: Representatives Anderson, Avey, Bagnariol, Barden, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Clock-

sin, Conner, Day, DeJarnatt, Elicker, Farr, Gallagher, Garrett, Grant, Hausler, Hawley, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Leland, Litchman, Lux, Marsh, Marzano, May, McCormick, McGavick, Merrill, Moon, O'Brien, Perry, Richardson, Rosellini, Sawyer, Sheridan, Smith, Sprague, Taylor, Thompson, Walgren—51.

Those absent or not voting were: Representatives Backstrom, Copeland, Harris, Hubbard, Leckenby, Newschwander, Zimmerman—7.

Mr. Adams moved the adoption of the committee amendment to the title.

The motion was lost and the amendment not adopted.

Mr. Gorton moved that the rules be suspended, Senate Bill No. 194 be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

The motion was carried on a rising vote.

The Clerk called the roll on the final passage of Senate Bill No. 194, and the bill passed the House by the following vote: Yeas, 82; nays, 8; absent or not voting, 9.

We, a majority of your Committee on Transportation, to whom was referred Engrossed Substitute Senate Bill No. 424, establishing a scenic and recreational highway system, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 3, section 2, subsection (10), beginning on line 25 of the printed bill, being page 3, section 2, subsection (9), beginning on line 15 of the engrossed bill, strike "a junction with primary state highway No. 9, in the vicinity of Discovery Bay" and insert "Sequim Bay State Park"

On page 4, section 2, subsection (13), beginning after "with" on line 14 of the printed bill, being page 4, section 2, subsection (12), line 1 of the engrossed bill, strike "Miller Road in the vicinity northeast of Oak Harbor; also beginning at a junction with Torpedo Road in the vicinity southwest of Oak Harbor, thence southerly to the vicinity of Columbia Beach" and insert "Torpedo Road in the vicinity northeast of Oak Harbor; also beginning at a junction with Miller Road in the vicinity southwest of Oak Harbor, thence southeasterly to a junction with Sherman Road in the vicinity west of Coupeville; also beginning at a junction with Rhododendron Road in the vicinity east of Coupeville, thence southeasterly to a junction with Maxwellton Road"

On page 5, section 2, following subsection (17) of the printed bill, being page 4, section 2, following subsection (16) of the engrossed bill, insert a new subsection as follows:

"(17) Secondary state highway No. 9A, beginning in the vicinity of Laird's Corner on highway No. 9, thence in a westerly direction to Neah Bay."

Renumber the remaining subsections consecutively.

Alfred E. Leland, *Chairman*,
Bob McDougall, *Vice Chairman*.

We concur in this report: Otto Amen, Horace W. Bozarth, Norwood Cunningham, P. J. "Jim" Gallagher, Elmer Jastad, Dan Jolly, Bill Kiskaddon, Brian J. Lewis, W. L. "Bill" McCormick, Irving Newhouse, Robert W. O'Dell, Richard L. Smythe, David G. Sprague, Fred A. Veroske, F. Pat Wanamaker, Jonathan Whetzel, Hal Wolf.

The bill was read the second time.

On motion of Mr. Leland, the committee amendments were adopted.

On motion of Mr. Gorton, the rules were suspended, Engrossed Substitute Senate Bill No. 424 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Bottiger, Mr. Whetzel yielded to question.

Mr. Bottiger:

"For the record, Mr. Whetzel, as I understand this bill it would not prohibit a farmer from installing a sign that says something like 'Roy Rodeo, on a certain date' or 'Firemen's Benefit Dance, on a certain date' on his property. Is that also your understanding?"

Mr. Whetzel:

"I don't know if this is the same answer as given in the Senate, but there is nothing in the bill granting any exercise of police power to the highway commission. Therefore, I can see no restriction by virtue of this bill on what the property owner along any of these highways can do."

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 424 as amended by the House, and the bill passed the House by the following vote: Yeas, 96; nays, 0; absent or not voting, 3.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sawyer, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—96.

Those absent or not voting were: Representatives Harris, Leckenby, Newschwander—3.

Engrossed Substitute Senate Bill No. 424 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Mr. Leland moved that Senate Bill No. 293 be rereferred to the Committee on Rules and Administration.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Leland yielded to question.

Mr. McGavick:

"Mr. Leland, I spoke with an employee of the Department of Motor Vehicles this morning, and he told me he is still interested in having this bill passed. Is the single license program being taken care of in another bill?"

Mr. Leland:

"Mr. McGavick, the Joint Highways Committee and the Truckers Association desired this bill to carry through the session but any need of it was eliminated by House Bill No. 294.

The motion was carried.

Engrossed Senate Bill No. 507, by Senator Cooney:

Prohibiting certain wiretapping and eavesdropping.

The House resumed consideration of Engrossed Senate Bill No. 507 on second reading.

The bill was read the second time.

Mr. Hill moved the adoption of the following amendment:

"The killing of a human being, unless it is excusable or justifiable, is murder in the first degree when committed either—

"(1) With a premeditated design to effect the death of the person killed, or of another; or,

"(2) By an act imminently dangerous to others and evincing a depraved mind, regardless of human life, without a premeditated design to effect the death of any individual; or,

"(3) Without design to effect death, by a person engaged in the commission of, or in an attempt to commit, or in withdrawing from the scene of, a robbery, rape, burglary, larceny or arson in the first degree; or,

"(4) By maliciously interfering or tampering with or obstructing any switch, frog, rail roadbed, sleeper, viaduct, bridge, trestle, culvert, embankment, structure or appliance pertaining to or connected with any railway, or any engine, motor or car of such railway.

"Murder in the first degree shall be punishable by imprisonment in the state penitentiary for life, unless the jury, *or the court after a plea of guilty* shall find that the punishment shall be death; and in every trial for murder in the first degree, the jury shall, if it find the defendant guilty, also find a special verdict as to whether or not the death penalty shall be inflicted; and if such special verdict, *or the finding of the court after a plea of guilty* is in the affirmative, the penalty shall be death, otherwise, it shall be as herein provided. All executions in accordance herewith shall take place at the state penitentiary under the direction of and pursuant to arrangements made by the superintendent thereof.

"Sec. 8. Section 3, page 76, Laws of 1854, as last amended by section 1, chapter 52, Laws of 1951, and RCW 10.01.060 are each amended to read as follows:

"No person informed against or indicted for a crime shall be convicted thereof, unless by admitting the truth of the charge in his plea, by confession in open court, or

by the verdict of a jury, accepted and recorded by the court: *Provided However, That [except in capital cases,] where the person informed against or indicted for a crime is represented by counsel, such person may, with the assent of the court, waive trial by jury and submit to trial by the court.*

"Sec. 9. Section 87, page 115, Laws of 1854, as last amended by section 1062, Code of 1881, and RCW 10.49.010 are each amended to read as follows:

"If, on the arraignment of any person, he shall plead guilty, if the offense charged be not murder, the court shall, in their discretion, hear testimony, and determine the amount and kind of punishment to be inflicted; but [if the defendant plead guilty to a charge of murder, a jury shall be impaneled to hear testimony, and determine the degree of murder and the punishment therefor] *the court shall not accept a plea of guilty to a charge of murder if the defendant be not represented by counsel.*"

Remember the remaining section consecutively.

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Mr. Speaker, the point of order I raise is, is the amendment as proposed by Representative Hill within the scope and object and within the title of Senate Bill No. 507 which relates to communication? This amendment relates to criminal procedure."

The Speaker recognized Mr. Hill.

Mr. Hill:

"In reply to the point of order, there is a title amendment on the desk. I have consulted with the bill drafting service and they indicate this is possible."

RULING BY THE SPEAKER

The Speaker:

"It would appear that with the title amendment, the amendment would be within the scope of the bill."

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Speaking to the point, if every time someone wants a bill or an amendment tagged on another bill, if they have a title amendment on the desk, then you must rule it to be within the title. It seems to me your ruling must come before the title amendment."

RULING BY THE SPEAKER

The Speaker:

"It is not dependent on the title amendment. The title is broad enough, as I understand it, to include this amendment. You couldn't put two subjects under the same title but it appears to me that this would conform to the purpose of the original bill. I understand your point, Mr. Charette, and I certainly wouldn't go along with that sort of move, but I don't believe in this particular case it would apply. I would rule that Mr. Hill's amendment is in order."

Debate ensued, Representative Charette speaking against adoption of the amendment and Representative Litchman speaking in favor of its adoption.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Hill yielded to question.

Mr. Smith:

"Mr. Hill, would you say that your amendment makes it easier for a person to get the death sentence?"

Mr. Hill:

"No, Mr. Smith."

Further debate ensued, Representative Hill speaking in favor of adoption of the amendment and Representative Smith speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Day, Mr. Charette yielded to question.

Mr. Day:

"Mr. Charette, in the recent Candy Rogers case in Spokane County, it was my understanding there were some four or five confessions in various stages of the investigation which were refuted. Some were refuted quite awhile after they were made. What problems could arise in such a situation if there were a court-appointed attorney who entered a plea, a man who was not personally acquainted with the man who confessed?"

Mr. Charette:

"In answer to your question, Representative Day, I read about that case in the paper but I am not completely familiar with it. I think that case brings to light the fact that under the present law the individual would have to be tried, and the confessions would be subject to the scrutiny of a defense attorney during the course of the trial. If the man went in and entered a plea of guilty to first degree murder, then the confessions would undoubtedly be received by the court. I believe each judge has the feeling he can receive these confessions and determine the probable value of the confession itself. I think that even in a crime of that type, where we are certain of guilt, the person charged should have the opportunity to appear before the bar of the court and have twelve individuals judge whether or not he will lose his life as the present law reads. In further answer to your question, I certainly feel that we have one of the finest benches in the United States here within the State of Washington, but judges are human beings and are just as subject to being prejudiced as are other people."

On motion of Mr. King, the House deferred further consideration of Engrossed Senate Bill No. 507, and the bill was ordered placed on tomorrow's second reading calendar.

MOTION

On motion of Mr. Gorton, the House dispensed with further business under the call of the House.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Haussler on a point of personal privilege.

Mr. Haussler:

"I have been informed by television, radio, newspapers, telegrams, and carrier pigeons that my name was mentioned yesterday in my absence during the heat of discussion on Senate Bill No. 309. I think most of us know how long Senate Bill No. 309 had been in Rules, and I think we all knew what would happen if it came out of Rules. When this bill first came over from the Senate, I talked with some of the leadership on the Republican side and I had reason to believe that the bill would stay in Rules. Later, when the Governor's tax package came out, I voted for it for my own personal reasons. I wanted to expedite the passage of the bill or else kill it because I wanted to see the session end. I felt that it was not in the best interest of the taxpayers for us to remain here, and I certainly felt that it did not hurt to give the people an opportunity to vote on an income tax. There were no commitments asked by me, and none made."

The Speaker called the House to order.

MOTION

Mr. O'Brien demanded an electric roll call and the demand was sustained. Representative O'Brien spoke against the motion.

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Gorton yielded to question.

Mr. Grant:

"Mr. Gorton, I heard your motion, and I would like to know what the object is. What can we accomplish by waiting until tomorrow on this particular bill?"

Mr. Gorton:

"I don't think waiting until tomorrow will affect the final passage or failure of final passage of this bill in the slightest. Some people would like to wait until tomorrow to take a further look at it and let more people be here."

Debate ensued, Representative Adams speaking in favor of the motion, and Representatives McGavick and Smith speaking against it.

YIELDING TO QUESTION

At the request of Mr. Humiston, Mr. Bottiger yielded to question.

Mr. Humiston:

"Mr. Bottiger, on the first page of the mimeographed amendment, about eight lines from the bottom, it says 'certification and decertification of exclusive bargaining representatives.' Now, I refer you to the second page of these three pages which you gave me that are Rule XX of the personnel board. My question is this, Would the personnel board have the legal right to include the kind of language that is in subparagraph 4, the second paragraph on the second page, that relates to individual grievances or minority group grievances, under the language of the statutory bargaining act?"

Mr. Bottiger:

"Dr. Humiston, in my opinion they would. You have to understand that the statute outlines in brief form the guidelines as to the extent of the authority of the personnel board. The court would say that the personnel board has all the authority expressly given by statute and that implied therefrom. This matter would be included in the second category. The problem we have, and the reason the amendment comes to us, is that the original state civil service law provides that the personnel board shall adopt the policies and procedures for collective negotiations between employee organizations and agencies affected concerning certain instances covered outside the civil service act. We are, therefore, talking about a very narrow point of labor-management relationships. In other words, it can't be wages, hours, or working conditions which are already fixed. Therefore, the personnel board adopted Article XX patterned after the national labor relations act except that they put in some minority protections. In direct answer to your question, I see nothing in this language which would prohibit them from continuing these minority protections. I think the better question would be, 'Do they have to?' and I say, 'No, they don't have to.'"

Mr. McDougall demanded the previous question and the demand was sustained.

The Speaker declared the question before the House to be the motion to defer consideration of Engrossed House Bill No. 483 until tomorrow.

The Clerk called the roll on the motion to defer further consideration of Engrossed House Bill No. 483 until Thursday, April 20, and the motion was lost by the following vote: Yeas, 43; nays, 48; absent or not voting, 8.

Those voting yea were: Representatives Adams, Amen, Berentson, Bledsoe, Bluechel, Brazier, Clark (Newman H.), Clarke (George W.), Copeland, Cunningham, Elicker, Flanagan, Gladder, Goldsworthy, Gorton, Hawley, Hill, Hoggins, Holman, Hubbard, Humiston, Juelling, Kirk, Kopet, Leland, Lewis, Lynch, Mahaffey, McCaffree, McDougall, Morrison, Murray, Newhouse, O'Dell, Reese, Smythe, Spanton, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—43.

Those voting nay were: Representatives Anderson, Avey, Backstrom, Bagariol, Barden, Beck, Bottiger, Bozarth, Brouillet, Ceccarelli, Charette, Chatalas, Clocksin, Conner, Day, DeJarnatt, Farr, Gallagher, Garrett, Grant, Haussler, Heavey, Hurley, Jastad, Johnson, Jolly, Kalich, King, Kink, Litchman, Lux, Marsh, Marzano, May, McCormick, McGavick, Merrill, Moon, O'Brien, Perry, Richardson, Rosellini, Sawyer, Sheridan, Smith, Sprague, Thompson, Walgren—48.

RESOLUTIONS

House Resolution No. 67-87, by Representatives Backstrom and Holman:

Whereas, By present legislative authority, the counties of the state may levy a specific tax upon the sale of real estate, the proceeds of which are dedicated to the support of public schools; and

Whereas, A recent interim legislative study of said real estate tax in Washington found and concluded that the levy, despite obvious inequities, was a valuable part of the overall tax system of the state; and

Whereas, As a result of that study, several recommendations directed toward improving the administration, imposition, and revenue-producing capability of the tax were incorporated in legislation introduced into the Fortieth Legislature; and

Whereas, Said legislation has failed of passage due to certain reservations and interpretations relating to specific provisions and the anticipation of future problems;

Now Therefore, Be It Resolved, By the House of Representatives, That the Legislative Budget Committee be directed to continue the investigation, during the ensuing biennium, of the problems inherent in the equitable and efficient levy of the real estate excise tax and report its conclusions to the Forty-first Regular Session of the Legislature.

Whereas, The passage of legislation appropriating \$2,500,000.00 for a computer center and related systems to provide the State with a modern data collection, retrieval and information system is contemplated; and

Whereas, Said data collection, retrieval and information system using computer facilities is of vital concern to the State Legislature in its surveillance over appropriations and its audit of performance by the executive branch; and

Whereas, It is a legislative duty and responsibility to assure the people such data processing systems shall not be used to invade the privacy of citizens of this State; and

Whereas, It is necessary and mandatory that rules for the exchange or mutual use of information collected and stored in computers be established, and existing rules reviewed;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Budget Committee is hereby authorized and directed to study and report to the Legislature periodically on the plans and progress related to computer applications and information systems; and

Be It Further Resolved, That the Legislative Budget Committee shall specifically direct its attention to ascertaining whether the use of such data collection, retrieval and information system is being used for the purposes intended; and

Be It Finally Resolved, That the Legislative Budget Committee shall solicit the cooperation of the Governor and the State Auditor to assure that abuses of such data collection systems will be effectively precluded, and shall submit its findings, conclusions and recommendations for legislation prior to the convening of the Forty-first Legislature.

YIELDING TO QUESTION

At the request of Mr. Backstrom, Mr. Heavey yielded to question.

Mr. Backstrom:

"I have continuously offered my objections because of eavesdropping. Do we have it clear that this bill precludes eavesdropping?"

Mr. Heavey:

"Right now we have no laws that prevent eavesdropping. Somebody can eavesdrop if they have the equipment to do it. This law prevents them from doing it, but it does permit, in rare instances with court approval, the prosecuting attorney or attorney general to eavesdrop or tap lines. I also want to point out that this in no way circumvents the federal laws of wiretapping because they take precedence over our laws."

"(3) Each statement required by this section shall be made on forms agreed upon by the president of the Senate and the speaker of the House, a duplicate copy of which shall be filed with and preserved by the secretary of state for a period of three years as a public record open to public inspection."

The Speaker declared the question before the House to be the adoption of the amendment by Mr. Cunningham to section 2 of the committee amendment to Engrossed Senate Bill No. 122.

The motion was carried and the amendment to the amendment was adopted.

Mr. Cunningham moved the adoption of the following amendment to the committee amendment to Engrossed Senate Bill No. 122:

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Cunningham yielded to question.

Mr. Adams:

"Would the members of the press who lobby rather than report be required to file as a lobbyist?"

Mr. Cunningham:

"I am not a lawyer, Dr. Adams. I would assume that if their activities were in the area of lobbying they might be required to register, but I don't know of that ever having come about."

The motion was carried and the amendment to the amendment was adopted.

The Speaker declared the question before the House to be the adoption of the committee amendment as amended to Engrossed Senate Bill No. 122.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Cunningham yielded to question.

Mr. Smith:

"Mr. Cunningham, in section 3 of your amendment you indicate that a person promoting or opposing the passage of any legislation or its approval or veto by the governor in his own behalf would not be classified as a lobbyist, but if he were representing an organization such as the League of Women Voters or the Council of Churches, he would be covered by this act. Is that what you meant to do?"

Mr. Cunningham:

"Well, not necessarily. We are trying to cover those people who are actually paid to lobby, Mr. Smith. If they are coming down representing a group and their expenses are not paid, I wouldn't think they would be covered by the act."

Mr. Smith:

"But if the League of Women Voters paid the expenses of the people to come down to try to get the governor to veto or approve a bill, they would be covered by the act. Is that correct?"

Mr. Cunningham:

"It is very possible, as this is intended to cover those people who are paid by someone to do lobbying. However, this would probably have to be interpreted."

The motion was carried and the committee amendment as amended was adopted.

On motion of Mr. Gorton, the rules were suspended, Engrossed Senate Bill No. 122 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"I believe the remarks by Mr. Gorton are not germane to the motion to suspend the rules. He has the opportunity to oppose the motion by valid arguments, but they should be germane to the motion to suspend the rules. He should not be going into the entire philosophy of balanced budgets and tax reform. That has nothing to do with advancing this particular bill to second reading."

The Speaker:

"Mr. O'Brien, as you know, I have been rather lenient this session on the debate of suspension of rules, and I think he is probably covering the situation pretty well. Continue, Mr. Gorton."

Mr. Gorton continued his remarks in opposition to the motion by Mr. Marzano.

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"His argument is entirely misleading. This is a referendum and will be referred to the people for their vote."

Mr. Gorton:

"It seems to me that these interruptions by Mr. O'Brien are debates on the merits and aren't points of order at all."

The Speaker:

"Continue, Mr. Gorton."

Mr. Gorton continued his remarks in opposition to the motion.

The Speaker:

"Mr. Gorton, I have been lenient, but I cannot be quite that lenient."

The Speaker declared the question before the House to be the motion by Mr. Marzano to suspend the rules and advance Senate Bill No. 620 to second reading.

Mr. Beck:

"As I interpret this, Senate Bill No. 447 pertains to section 4, chapter 91, Laws of 1947 and RCW 41.16.040. As I read this amendment, we are attempting to change section 36.29.020, chapter 4, Laws of 1963, as last amended by section 1, chapter 173, Laws of 1967. I would like your ruling, Mr. Speaker. Is this amendment germane to the bill?"

RULING BY THE SPEAKER

The Speaker:

"Mr. Beck, it would appear that the amendment would be germane to the original title of the bill."

Mr. Beck:

"But, Mr. Speaker, the title of the bill is 'An Act relating to firemen of cities and towns' and this amendment relates to investment of funds by the county treasurer and also junior taxing districts."

The Speaker:

"It would appear to fall into the confines of the original bill, Mr. Beck."

The Speaker:

"This bill, Dr. Humiston, was passed with the committee amendments during the regular session and went to conference. "**NEW SECTION.** Sec. 4. In the years when a president of the United States is to be nominated and elected, there shall be held a presidential preference primary, at which voters shall elect delegates to the national conventions of the major political parties and express their choice for candidates for nominations for president. The presidential preference primary shall be held on the fourth Tuesday in May of each presidential year.

"**NEW SECTION.** Sec. 5. Each voter shall have the opportunity to vote on the official presidential preference primary ballot for one person to be the candidate for nomination by his party for president of the United States. The name of any candidate for a major political party nomination for president of the United States shall be printed on the ballots only:

"(1) If the secretary of state shall have determined in his sole discretion that the candidate's candidacy is generally advocated or recognized in national news media throughout the United States.

"(2) Upon the petition for nomination presented by members of the major political party of the candidate. This petition shall have attached thereto a sheet or sheets containing the signatures of at least a number of registered electors who declare themselves in the petition as being affiliated with the same major political party as is the presidential candidate, equal to two percent of the vote cast in the state for the candidates of such major political party for presidential electors at the last general election, or at least one thousand such registered electors, whichever number is the lesser. The petition shall be filed with the secretary of state not later than the sixtieth day prior to the presidential preference primary. The signature sheets shall also contain the residence address and name or number of the precinct of each registered elector whose signature appears thereon and shall be certified to in the manner prescribed in RCW 29.79.200 and 29.79.210.

"The secretary of state shall place the name of the candidate on the ballot pursuant to paragraph (1) or (2), unless the candidate shall execute and file with the secretary of state an affidavit stating without qualification that he is not now and does not intend to become a candidate for the office of president of the United States at the forthcoming election.

"NEW SECTION. Sec. 6. As soon as possible after the national committees of the major political parties issue their official calls for national nominating conventions, the secretary of state shall ascertain from the proper officials of the committees the number of delegates allotted to the state of Washington. Each of the delegates shall be entitled to a full vote. Of the number of delegates allotted, two shall be elected from each congressional district and the remainder from the state at large. In the arrangement of the official ballots for the election, the secretary of state shall provide for the election of two delegates from each congressional district, and the remainder from the state at large.

"NEW SECTION. Sec. 7. Each voter may vote his preference on the official nominating ballot for two delegates from the congressional district in which he resides, and for as many delegates as are to be elected at large. A plurality vote shall be sufficient to elect a delegate to any national convention, and the allotted number of candidates receiving the highest number of votes shall be chosen in each congressional district and in the state at large.

"NEW SECTION. Sec. 8. The filing period for the office of delegate to a national convention shall open the first Monday in April on every year in which a presidential preference primary is to be held and shall close on the first succeeding Friday. Filings shall be made with the secretary of state, and the filing fee shall be fifty dollars.

"NEW SECTION. Sec. 9. Should the candidate desire to mail his declaration of withdrawal it shall be honored if the instrument is postmarked no later than the last day allowed for withdrawals. There shall be no refund of the filing fee.

"NEW SECTION. Sec. 10. The declaration of a candidate for election as delegate to a national party convention shall include a pledge that the candidate, if elected, will use his best efforts at the convention for the candidate of his party for the office of president of the United States who receives the highest number of votes at the presidential preference primary, until such candidate for president of the United States is nominated, receives less than thirty-five percent of the votes for nomination, or releases the delegate from his pledge, or until two convention nominating ballots have been taken.

"NEW SECTION. Sec. 11. At a presidential preference primary, voters may vote for candidates for nomination for president of the United States, and for delegates to the national conventions from among the candidates of one political party only. Any presidential preference primary ballot voted partly for a candidate or candidates of one political party, and partly for a candidate or candidates of another, shall be void, and notice to this effect, couched in clear, simple language, and printed in large type, shall appear on the face of each presidential preference primary ballot. Where voting machines are legally in use the notice shall be displayed on or about each machine.

"NEW SECTION. Sec. 12. At presidential preference primaries where voting machines are legally in use, the machines shall be adjusted so that, in the secrecy of the closed curtains, the voter may select one or another of the political parties, after which he must choose among the candidates of the party he has selected. Notice to this effect, couched in clear, simple language, and printed in large type, shall be displayed on or about each machine. Where the available voting machines do not

provide the machinery for secret party selection, they shall not be used, and paper ballots shall be substituted.

"NEW SECTION. Sec. 13. Insofar as is practicable, and where the provisions of this act do not specifically indicate otherwise, the presidential preference primary shall be conducted in the same manner as a state primary, including the procedure for certification of the names of candidates by the secretary of state to the respective county auditors, and the certification of the election returns by the state canvassing board. County auditors shall combine and consolidate two or more precincts for the purpose of conducting this election only: Provided, That no voter shall be required because of such consolidation to go to a location different from that of the last regular election.

"The secretary of state as chief election officer may make rules and regulations as will facilitate the operation, accomplishment, and purpose of this act.

"NEW SECTION. Sec. 14. The names of candidates for major political party nominations for president of the United States, and the names of candidates for the office of delegate to a national convention, shall be printed on the official ballots for the presidential preference primary in separate columns, according to political party. The columns shall be assigned to the parties as provided in RCW 29.30.080(5), and the names of the presidential candidates shall lead the columns of their respective parties, printed alphabetically in groups under the designation of their party, followed by the names of the candidates for the office of delegate. The names of the candidates for the office of delegate shall be listed in the manner provided in RCW 29.30.040.

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Are you in the mood to render another decision?"

The Speaker:

"I am always willing to oblige you, Mr. O'Brien."

Mr. O'Brien:

"Well, Mr. Speaker, Reed's Rule No. 160 states rather clearly that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. The subject matter of Senate Bill No. 369 pertains to freeholder elections. Also, Reed's Rule No. 131 provides that the object of an amendment is to so change the main proposition so that it more clearly conforms to the judgment of the assembly. It appears, therefore, that amendments to any given subject matter should pertain to and be relevant to the entire subject matter. This, as you can readily see, pertains to election of freeholders and certainly to go into the whole new concept of presidential primaries does not conform to the original subject matter. You are going into a completely new area that isn't germane in any manner whatsoever."

RULING BY THE SPEAKER

The Speaker:

"Mr. O'Brien, it certainly would appear that the title of the bill is broad enough to take care of this amendment. Now, concerning the rule that you referred to, 'No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment,' I would say that probably when we talk about color there is black and white, and this would fall into the gray area. I believe the amendment as offered would fall into the category of being germane to the bill that we have before us."

Mr. O'Brien:

"That is a very grave decision. I don't think you can judge it on the basis of the title itself. I think the original subject matter should be the authority of your basis and that your amendment should pertain to the original intent, purpose, and scope of the act, and not particularly to the title."

The Speaker:

"Mr. O'Brien, if I were to take the time to go back and review some of the rulings that have been made in the past by Speakers who shall remain unnamed, I am sure that I would find that much latitude has been given in this area. It is my ruling that this amendment is germane to the bill before us."

The Speaker declared the question before the House to be adoption of the amendment by Representatives Lewis, Smith, and Bluechel to Senate Bill No. 369.

Mr. Copeland demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the adoption of the amendment by Representatives Lewis, Smith, and Bluechel to Senate Bill No. 369 and the amendment was lost by the following vote: Yeas, 41; nays, 56; absent or not voting, 2.

Those voting yea were: Representatives Barden, Bluechel, Bottiger, Brazier, Brouillet, Clocksin, Cunningham, DeJarnatt, Elicker, Farr, Garrett, Gordon, Grant, Heavey, Hill, Hoggins, Holman, Humiston, Kalich, Kirk, Kiskaddon, Leckenby, Lewis, Lux, Lynch, Marsh, McCaffree, McGavick, Murray, Newhouse, Perry, Reese, Smith, Smythe, Sprague, Swayze, Thompson, Whetzel, Wolf, Zimmerman, Mr. Speaker—41.

Those voting nay were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Beck, Berentson, Bledsoe, Bozarth, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Conner, Copeland, Day, Flanagan, Gallagher, Gladder, Goldsworthy, Haussler, Hawley, Hubbard, Hurley, Jastad, Johnson, Jolly, Juelling, King, Kink, Kopet, Leland, Litchman, Mahaffey, Marzano, May, McCormick, McDougall, Merrill, Moon, Morrison, Newschwander, O'Brien, O'Dell, Richardson, Rosellini, Saling, Sheridan, Spanton, Taylor, Veroske, Walgren, Wanamaker—56.

Those absent or not voting were: Representatives Harris, Sawyer—2.

MOTION FOR RECONSIDERATION

Mr. Chapin, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendment by Representatives Lewis, Smith, and Bluechel was lost.

MOTION

Mr. Swayze moved the House defer further consideration of Senate Bill No. 369 on second reading and the bill be ordered placed at the end of today's second reading calendar.

RULING BY THE SPEAKER

The Speaker:

"Your motion would be out of order, Mr. Swayze. Mr. Chapin's motion is in order and is presently before us."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Chapin on a point of parliamentary inquiry.

Mr. Chapin:

"Is there a proper motion for deferring further consideration of my motion to reconsider?"

The Speaker:

"If you would like to withdraw your motion, then Mr. Swayze could place his."

Mr. Chapin:

"If Mr. Swayze's motion is adopted, may I then make my motion for reconsideration when the bill is considered at the end of the second reading calendar?"

The Speaker:

"If the bill were moved in the same status it is in now, your motion would be in order, but a motion to reconsider an amendment has to be made immediately when

the amendment is before the body. Therefore, since the amendment is pending, if Mr. Swayze moves to defer action on the bill, the amendment would still be before us, and when we reached that particular point your motion would be in order."

POINT OF ORDER

The Speaker recognized Mr. Charette on a point of order.

Mr. Charette:

"Mr. Speaker, speaking to the point of order, I would suggest that the amendment is not before us if Mr. Chapin withdraws his motion to reconsider because the amendment has been defeated."

The Speaker:

"Your point is well taken, Mr. Charette. It would appear that if you were to withdraw your motion, Mr. Chapin, and we considered Mr. Swayze's motion and it prevails, then you could make your motion at any time. If Mr. Swayze's motion were to fail, then you would have to make your motion immediately."

With the consent of the House, Mr. Chapin withdrew his motion for reconsideration.

MOTION

Mr. Swayze moved that the House defer further consideration of Senate Bill No. 369 on second reading and the bill be ordered placed at the end of today's second reading calendar.

MOTION

Mr. Copeland moved that Mr. Swayze's motion be laid on the table.

The motion to table was lost on a rising vote.

The Speaker declared the question before the House to be the motion by Mr. Swayze.

The motion was carried.

Senate Bill No. 466, by Senators McCormack, Neill, and Hanna:

Providing for the appointment of court commissioners.

The bill was read the second time.

MOTION

On motion of Mr. Gorton, further consideration of Senate Bill No. 466 was deferred, and the bill was ordered placed at the end of today's second reading calendar.

The [Washington toll bridge authority and the highway] *state transportation commission* shall keep full, complete and separate accounts of each toll bridge and annually shall prepare balance sheet and income and profit and loss statements showing the financial condition of each such toll bridge, which statement shall be open to the inspection of holders of bonds issued by said [authority] *commission* at all reasonable times.

"The [authority] *state transportation commission* may provide for the establishment, construction, and operation of toll tunnels, toll roads and other facilities necessary for their construction and connection with public highways of the state. It may cause surveys to be made to determine the propriety of their establishment, construction, and operation, and may acquire rights of way and other facilities necessary to carry out the provisions hereof; and may issue, sell, and redeem bonds, and deposit and expend them; secure and remit financial and other assistance in the construction thereof; carry insurance thereon; and handle any other matters pertaining thereto, all of which shall be conducted in the same manner and under the same procedure as provided for the establishing, constructing, operating, and maintaining of toll bridges by the [authority] *commission*, insofar as reasonably consistent and applicable. No toll facility, toll bridge, toll road or toll tunnel, shall be combined with any other toll facility for the purpose of financing unless such facilities form a continuous project, to the end that each such facility or project be self-liquidating and self-sustaining [: *Provided*, That no toll road shall be constructed, obligations for the construction thereof entered into, or right-of-way acquired without prior approval of the location, plans and specifications by the Washington state highway commission].

"Sec. 36. Section 47.56.075, chapter 13, Laws of 1961 and RCW 47.56.075 are each amended to read as follows:

"Whenever in the judgment of the [highway] *state transportation commission* it is considered in the best interest of the public highways of the state that any new toll bridge or bridges be constructed upon any public highway and across any stream, body of water, gulch, navigable water, swamp or other topographical formation and operated by the state the [highway] *commission* shall [submit its recommendation to that effect to the Washington toll bridge authority together with preliminary estimates of the cost of such construction and an estimate of the amount necessary to be raised for such purpose by the issuance of revenue bonds, and a statement of the probable amount of money, property, materials or labor to be contributed from other sources in aid of any such construction. If the Washington toll bridge authority concurs in the recommendation of the highway commission or on its own motion determines to construct any toll bridge or toll bridges, the Washington toll bridge authority shall] adopt a resolution declaring that public interest and necessity require the construction of such toll bridge or bridges and authorizing the issuance of revenue bonds for the purpose of obtaining funds in an amount not in excess of that estimated to be required for such construction. The issuance of bonds as provided in this chapter for the construction of more than one toll bridge may at the discretion of the [Washington toll bridge authority] *commission* be included in the same authority and issue of bonds.

"Sec. 38. Section 47.56.090, chapter 13, Laws of 1961 and RCW 47.56.090 are each amended to read as follows:

"[Whenever the Washington toll bridge authority shall authorize and direct the highway commission to construct a toll bridge] The [highway] *state transportation commission* is empowered to secure right of way [therefor] for toll bridges and for approaches thereto by gift or purchase, or by condemnation in the manner provided by law for the taking of private property for public highway purposes.

Sec. 39. Section 47.56.100, chapter 13, Laws of 1961 and RCW 47.56.100 are each amended to read as follows:

"The right of way is hereby given, dedicated and set apart upon which to locate, construct and maintain bridges or approaches thereto or other highway crossings, and transportation facilities thereof or thereto, through, over or across any of the lands which are now or may be the property of this state, including highways, and through, over or across the streets, alleys, lanes and roads within any city, county, or other political subdivision of the state. If any property belonging to any city, county or other political subdivision of the state is required to be taken for the construction of any such bridge or approach thereto or should any such property be injured or damaged by such construction, such compensation therefor as may be proper or necessary and as shall be agreed upon may be paid by the [Washington toll bridge authority] *state transportation commission* to the particular county, city, or other political subdivision of the state owning such property, or condemnation proceedings may be brought for the determination of such compensation.

Sec. 40. Section 47.56.110, chapter 13, Laws of 1961 and RCW 47.56.110 are each amended to read as follows:

"Before the [highway] *state transportation commission* shall proceed with any action to secure right of way or with construction of any toll bridge under the provisions of this chapter the [Washington toll bridge authority] *commission* shall have first passed a resolution that public interest and necessity require the acquisition of right of way for and the construction of such toll bridge. Such resolution shall be conclusive evidence (1) of the public necessity of such construction [;], (2) that such property is necessary therefor, and [;] (3) that such proposed construction is planned or located in a manner which will be most compatible with the greatest public good and the least private injury. When it becomes necessary for the [highway] *commission* to condemn any real estate to be used in connection with any such bridge, the attorney general of the state shall represent the [highway] *commission*. In eminent domain proceedings to acquire property for any of the purposes of this chapter, any toll bridge, real property, personal property, franchises, rights, easements or other property or privileges appurtenant thereto appropriated or dedicated to a public use or purpose by any person, firm, private, public or municipal corporation, county, city, town, district or any political subdivision of the state, may be condemned and taken, and the acquisition and use thereof as herein provided for the same public use or purpose to which such property has been so appropriated or dedicated, or for any other public use or purpose, shall be deemed a superior and permanent right and necessity, and a more necessary use and purpose than the public use or purpose to which such property has already been appropriated or dedicated. It shall not be necessary in any eminent domain proceedings hereunder to plead or prove any acts or proceedings preliminary or prior to the adoption of the resolution hereinbefore referred to describing the property sought to be taken and directing such proceedings.

Sec. 41. Section 47.56.120, chapter 13, Laws of 1961 and RCW 47.56.120 are each amended to read as follows:

"In the event that the [Washington toll bridge authority] *state transportation commission* should determine that any toll bridge should be constructed, [under its authority it shall authorize and direct the highway commission to construct such toll bridge. In the event the highway commission is authorized and directed to construct such toll bridge] all cost thereof including right of way, survey and engineering shall be paid out of any funds available for payment of the cost of such toll bridge under this chapter.

Sec. 42. Section 47.56.130, chapter 13, Laws of 1961 and RCW 47.56.130 are each amended to read as follows:

"The [Washington toll bridge authority] *state transportation commission* is hereby empowered to issue bonds for the construction of any toll bridge or toll bridges authorized under the provisions of this chapter. Any and all bonds issued for the construction of any toll bridge or toll bridges under the authority of the [Washington toll bridge authority,] *commission* shall be issued in the name of the [Washington toll bridge authority] *state transportation commission* and shall constitute obligations only of said [Washington toll bridge authority] *state transportation commission* and shall be identified as toll bridge bonds and shall contain a recital on the face thereof that the payment or redemption of said bonds and the payment of the interest thereon is secured by a direct and exclusive charge and lien upon the tolls and other revenues of any nature whatever received from the operation of the particular toll bridge or bridges for the construction of which the bonds are issued and

that neither the payment of the principal or any part thereof nor the interest thereon or any part thereof constitutes a debt, liability or obligation of the state of Washington. The [Washington toll bridge authority] *state transportation commission* is empowered to receive and accept funds from the state of Washington or the federal government upon a cooperative or other basis for the construction of any toll bridge authorized under this chapter and is empowered to enter into such agreements with the state of Washington or the federal government as may be required for the securing of such funds.

"Sec. 43. Section 47.56.140, chapter 13, Laws of 1961 as amended by section 45, chapter, 3, Laws of 1963 extraordinary session, and RCW 47.56.140 are each amended to read as follows:

"The revenue bonds may be issued and sold by the [authority] *commission* from time to time and in such amounts as it deems necessary to provide sufficient funds for the construction of the bridge, and to pay interest on outstanding bonds issued for its construction during the period of actual construction and for six months after completion thereof.

"The [authority] *commission* shall determine the form, conditions, and denominations of the bonds, and the maturity dates which the bonds to be sold shall bear and the interest rate thereon, which shall not exceed six percent per year. All bonds of the same issue need not bear the same interest rate. Principal and interest of the bonds shall be payable at such place as determined by the [authority] *commission*, and may contain provisions for registration as to principal or interest, or both. They shall be in coupon form with interest payable at such times as determined by the [authority] *commission*, and shall mature at such times and in such amounts as the [authority] *commission* prescribes. The [authority] *commission* may provide for the retirement of the bonds at any time prior to maturity, and in such manner and upon payment of such premiums as it may determine in the resolution providing for the issuance of the bonds. All such bonds shall be signed by the state auditor and countersigned by the governor and any interest coupons appertaining thereto shall bear the signature of the state auditor. The countersignature of the governor on such bonds and the signature of the state auditor on such coupons may be their printed or lithographed facsimile signatures. Successive issues of such bonds within the limits of the original authorization shall have equal preference with respect to the redemption thereof and the payment of interest thereon. The [authority] *commission* may fix different maturity dates, serially or otherwise, for successive issues under any one original authorization. The bonds shall be negotiable instruments under the law merchant. All bonds issued and sold hereunder shall be sold on sealed bids to the highest and best bidder after such advertising for bids as the [authority] *commission* deems proper. The [authority] *commission* may reject any and all bids and may thereafter sell the bonds at private sale under such terms and conditions as it deems most advantageous to its own interests; but not at a price below that of the best bid which was rejected. The [authority] *commission* may contract loans and borrow money through the sale of bonds of the same character as those herein authorized, from the United States or any agency thereof, upon such conditions and terms as may be agreed to and the bonds shall be subject to all the provisions of this chapter, except the requirement that they be first offered at public sale.

"Temporary or interim bonds, certificates, or receipts, of any denomination, and with or without coupons attached, signed by the state auditor, may be issued and delivered until bonds are executed and available for delivery.

"Sec. 44. Section 47.56.150, chapter 13, Laws of 1961 and RCW 47.56.150 are each amended to read as follows:

"The proceeds from the sale of all bonds authorized under the provisions of this chapter shall be paid to the state treasurer for the credit of the [Washington toll bridge authority] *state transportation commission* and be deposited as demand deposits forthwith in such depository or depositories as may be authorized by law to receive deposits of state funds to the credit of a fund to be designated as the construction fund of the particular toll bridge or toll bridges for which such bonds were issued and sold, which fund shall not be a state fund and shall at all times be kept segregated and set apart from all other funds and in trust for the purposes herein set out. Such proceeds shall be paid out or disbursed solely for the construction of such toll bridge or toll bridges, the acquisition of the necessary lands and easements therefor and the payment of interest on such bonds during the period of actual construction and for a period of six months thereafter, only as the need therefor shall arise and the

[Washington toll bridge authority] *state transportation commission* may agree with the purchaser of said bonds upon any conditions or limitations restricting the disbursement of such funds that may be deemed advisable, for the purpose of assuring the proper application of such funds. All moneys in such fund and not required to meet current construction costs of the toll bridge or toll bridges for which such bonds were issued and sold, and all funds constituting surplus revenues which are not immediately needed for the particular object or purpose to which they must be applied or are pledged shall be invested in bonds and obligations of the nature eligible for investment of surplus state moneys: *Provided*, That the [Washington toll bridge authority] *state transportation commission* may provide in the proceedings authorizing the issuance of said bonds that the investment of such moneys shall be made only in particular bonds and obligations within the classifications eligible for such investment and such provisions shall thereupon be binding upon the said [authority] *commission* and all officials having anything to do with such investment. Any surplus which may exist in said construction fund shall be applied to the retirement of bonds issued for the construction of such toll bridge or toll bridges by purchase or call and in the event such bonds cannot be purchased at a price satisfactory to the [Washington toll bridge authority] *state transportation commission* and are not by their terms callable prior to maturity such surplus shall be paid into the fund applicable to the payment of principal and interest of said bonds and shall be used for that purpose. The proceedings authorizing the issuance of bonds may provide limitations and conditions upon the time and manner of applying such surplus to the purchase and call of outstanding bonds and the terms upon which they shall be purchased or called and such limitations and conditions shall be followed and observed in the application and use of such surplus. All bonds so retired by purchase or call shall be immediately canceled.

"Sec. 45. Section 47.56.160, chapter 13, Laws of 1961 and RCW 47.56.160 are each amended to read as follows:

"All tolls or other revenues received from the operation of any toll bridge or toll bridges constructed with the proceeds of bonds issued and sold hereunder shall be paid over by the [highway] *state transportation commission* to the state treasurer who shall deposit the same forthwith as demand deposits in such depository or depositories as may be authorized by law to receive deposits of state funds to the credit of a special trust fund to be designated as the toll revenue fund of the particular toll bridge or toll bridges producing such tolls or revenue, which fund shall be a trust fund and shall at all times be kept segregated and set apart from all other funds.

"Sec. 46. Section 47.56.170, chapter 13, Laws of 1961 and RCW 47.56.170 are each amended to read as follows:

"From the money so deposited in each separate construction fund as hereinabove provided, the state treasurer shall transfer to the place or places of payment named in said bonds such sums as may be required to pay the interest as it becomes due on all bonds sold and outstanding for the construction of such particular toll bridge or toll bridges during the period of actual construction and during the period of six months immediately thereafter. The state treasurer shall thereafter transfer from each separate toll revenue fund to the place or places of payment named in said bonds such sums as may be required to pay the interest on said bonds and redeem the principal thereof as such interest payments and bond redemption become due for all bonds issued and sold for the construction of the particular toll bridge or toll bridges producing the tolls or revenues so deposited in said toll revenue fund. All funds so transferred for the payment of principal or interest on bonds issued for any particular toll bridge shall be segregated and applied solely for the payment of said principal or interest. The proceedings authorizing the issuance of bonds may provide for the setting up of a reserve fund or funds out of the tolls and other revenues not needed for the payment of principal and interest, as the same currently matures and for the preservation and continuance of such fund in a manner to be provided therein, and such proceedings may also require the immediate application of all surplus moneys in such toll revenue fund to the retirement of such bonds prior to maturity, by call or purchase, in such manner and upon such terms and the payment of such premiums as may be deemed advisable in the judgment of said [Washington toll bridge authority] *state transportation commission*.

"The moneys remaining in each separate toll revenue fund after providing the amount required for interest and redemption of bonds as hereinabove provided, shall be held and applied as provided in the proceedings authorizing the issuance of said bonds. In the event the proceedings authorizing the issuance of said bonds do not require surplus revenues to be held or applied in any particular manner, they shall be

allocated and used for such other purposes incidental to the construction, operation and maintenance of such toll bridge or bridges as the [Washington toll bridge authority] *state transportation commission* may determine.

"Sec. 47. Section 47.56.180, chapter 13, Laws of 1961 and RCW 47.56.180 are each amended to read as follows:

"Warrants for payments to be made on account of such bonds shall be duly drawn by the state auditor on vouchers approved by the [Washington toll bridge authority] *state transportation commission*.

"Moneys required to meet the costs of construction and all expenses and costs incidental to the construction of any particular toll bridge or toll bridges or to meet the costs of operating, maintaining and repairing the same, shall be paid from the proper fund therefor by the state auditor upon voucher submitted by the [highway] commission [approved by the Washington toll bridge authority].

"All interest received or earned on money deposited in each and every fund herein provided for shall be credited to and become a part of the particular fund upon which said interest accrues.

"Sec. 48. Section 47.56.190, chapter 13, Laws of 1961 and RCW 47.56.190 are each amended to read as follows:

"The [Washington toll bridge authority] *state transportation commission* may provide in the proceedings authorizing the issuance of bonds or may otherwise agree with the purchasers of bonds regarding the deposit of all moneys constituting the construction fund and the toll revenue fund and provide for the deposit of such money at such times and with such depositories or paying agents and upon the furnishing of such security as may meet with the approval of the purchasers of such bonds: *Provided*, That the depositories and security so provided for or agreed upon shall be qualified and eligible in accordance with the requirements of law.

"Sec. 49. Section 47.56.200, chapter 13, Laws of 1961 and RCW 47.56.200 are each amended to read as follows:

"Notwithstanding anything contained in this chapter the proceeds received from the sale of bonds and the tolls or other revenues received from the operation of any toll bridge or toll bridges may be used to defray any expenses incurred by the [Washington toll bridge authority] *state transportation commission* in connection with and incidental to the issuance and sale of bonds for the construction of such toll bridge or toll bridges including expenses for the preparation of surveys and estimates and the making of inspections and examinations as may be required by the purchasers of such bonds: *Provided*, That the proceedings authorizing the issuance of such bonds may contain appropriate provisions governing the use and application of said bond proceeds and toll or other revenues for the purposes herein specified.

"Sec. 50. Section 47.56.210, chapter 13, Laws of 1961 and RCW 47.56.210 are each amended to read as follows:

"While any bonds issued by said [Washington toll bridge authority] *state transportation commission* remain outstanding, the powers, duties or existence of the said [Washington toll bridge authority or of the highway] commission or of any other official or agency of the state shall not be diminished or impaired in any manner that will affect adversely the interests and rights of the holders of such bonds. The holder of any bond may by mandamus or other appropriate proceeding require and compel the performance of any of the duties imposed upon any state department, official or employee or imposed upon the [authority] *commission* or its officers, agents and employees in connection with the construction, maintenance, operation and insurance of any bridge and in connection with the collection, deposit, investment, application and disbursement of all tolls and other revenues derived from the operation and use of any bridge and in connection with the deposit, investment and disbursement of the proceeds received from the sale of bonds: *Provided*, That the enumeration of such rights and remedies herein shall not be deemed to exclude the exercise or prosecution of any other rights or remedies by the holders of such bonds.

"Sec. 51. Section 47.56.220, chapter 13, Laws of 1961 and RCW 47.56.220 are each amended to read as follows:

"As long as any of the bonds issued hereunder for the construction of any toll bridge are outstanding and unpaid, there shall not be erected, constructed or maintained any other bridge or other crossing over, under, through or across the waters over which such toll bridge is located or constructed, connecting or joining directly or indirectly the lands or extensions thereof or abutments thereon on both sides of the waters spanned or crossed by such toll bridge within a distance of ten miles from either side of such toll bridge excepting bridges or other highway crossings actually in

existence and being maintained, or for which there was outstanding an existing and lawfully issued franchise, at the time of the location of such toll bridge and prior to the time of the authorization of such revenue bonds, and no ferry or other similar means of crossing the said waters within the said distance and connecting or plying directly or indirectly between the lands or extensions thereof or abutments thereon on both sides of the waters spanned or crossed by such bridge shall be maintained or operated or permitted or allowed: *Provided*, That ferries and other similar means of crossing actually in existence and being maintained and operated, or for which there was outstanding an existing and lawfully issued franchise, at the time of the location of such bridge and prior to the time of the authorization of such revenue bonds, may continue and be permitted to be operated and maintained under such existing rights and franchises, or any lawful renewal or extension thereof. The provisions of this section shall be binding upon the [Washington toll bridge authority] *state transportation commission*, the state of Washington and all of its departments, agencies or instrumentalities as well as any and all private, political, municipal and public corporations and subdivisions, including cities, counties, and other political subdivisions and the prohibitions of this section shall restrict and limit the powers of the legislature of the state of Washington in respect to the matters herein mentioned as long as any of such bonds are outstanding and unpaid and shall be deemed to constitute a contract to that effect for the benefit of the holders of all such bonds.

"Sec. 52. Section 47.56.230, chapter 13, Laws of 1961 and RCW 47.56.230 are each amended to read as follows:

"When any such toll bridge or bridges authorized hereunder is being built [by] the [highway] *state transportation commission* [the Washington toll bridge authority] may carry or cause to be carried such an amount of insurance or indemnity bond or bonds as protection against loss or damage as the [Washington toll bridge authority] *commission* may deem proper. The [Washington toll bridge authority] *commission* is hereby further empowered to carry such an amount of insurance to cover any accident or destruction in part or in whole to any toll bridge or toll bridges until all bonds sold for the construction of such toll bridge or toll bridges and interest accrued thereon have been fully redeemed and paid. All moneys collected on any indemnity bond or insurance policy as the result of any damage or injury to any such toll bridge or toll bridges shall be used for the purpose of repairing or rebuilding of any such toll bridge or toll bridges as long as there are revenue bonds against any such structure outstanding and unredeemed. The [Washington toll bridge authority] *commission* is also empowered to carry insurance or indemnity bonds insuring against the loss of tolls or other revenues to be derived from any such toll bridge or bridges by reason of any interruption in the use of such toll bridge or toll bridges from any cause whatever, and the proceeds of such insurance or indemnity bonds shall be paid into the fund into which the tolls and other revenues of the bridge thus insured are required to be paid and shall be applied to the same purposes and in the same manner as other moneys in the said fund. Such insurance or indemnity bonds may be in an amount equal to the probable tolls and other revenues to be received from the operation of such toll bridge or toll bridges during any period of time that may be determined upon by the [Washington toll bridge authority] *commission* and fixed in its discretion, and be paid for out of the toll revenue fund as may be specified in said proceedings. The [Washington toll bridge authority] *commission* may provide in the proceedings authorizing the issuance of bonds for the carrying of insurance as authorized by this chapter, and the purchase and carrying of insurance as authorized by this chapter, and the purchase and carrying of such insurance shall thereupon be obligatory upon the said [authority] *commission* and be paid for out of the toll revenue fund as may be specified in said proceedings.

"Sec. 53. Section 47.56.240, chapter 13, Laws of 1961 and RCW 47.56.240 are each amended to read as follows:

"The [Washington toll bridge authority] *state transportation commission* is hereby empowered to fix the rates of toll and other charges for all toll bridges built under the terms of this chapter. Toll charges so fixed may be changed from time to time as conditions may warrant. The said [authority] *commission* in establishing toll charges shall give due consideration to the cost of operating and maintaining such toll bridge or toll bridges including the cost of insurance and to the amount required annually to meet the redemption of bonds and interest payments thereon. The tolls and charges shall be at all times fixed at rates to yield annual revenue equal to annual operating and maintenance expenses including insurance costs and all redemption payments and interest charges of the bonds issued for any particular toll bridge or toll bridges as the

same become due and the bond redemption and interest payments shall constitute a first direct and exclusive charge and lien on all such tolls and other revenues and interest thereon and sinking funds created therefrom received from the use and operation of said toll bridge or toll bridges and such tolls and revenues together with the interest earned thereon shall constitute a trust fund for the security and payment of such bonds and shall not be used or pledged for any other purpose as long as such bonds or any of them are outstanding and unpaid.

"Sec. 54. Section 47.56.245, chapter 13, Laws of 1961 as amended by section 53, chapter 170, Laws of 1965 extraordinary session, and RCW 47.56.245 are each amended to read as follows:

With respect to every facility completed after March 19, 1953, costs of maintenance, management and operation shall be paid periodically out of the revenues of the facility in which such costs were incurred.*

"The [authority] *commission* may require the holder of such a permit to furnish to and maintain in force with the [authority] *commission* a cash deposit or a corporate surety bond: *Provided*, That the [authority] *commission* may require the holder of such permit to increase the amount of cash bond, or to furnish an additional surety bond, or may reduce the amount of the cash bond or surety bond required, as the amount of charges incurred and regularity of payment warrant, or may revoke any permit granted for failure of the holder to comply with any of its terms.

"Sec. 57. Section 47.56.250, chapter 13, Laws of 1961 and RCW 47.56.250 are each amended to read as follows:

"Whenever a proposed toll bridge, toll road, toll tunnel or any other toll facility of any sort is to be constructed, any city, county or other political subdivision located in relation to such facility so as to benefit directly or indirectly thereby, may, either jointly or separately, at the request of the [Washington state highway commission or the authority] *state transportation commission* advance or contribute money, or bonds, rights of way, labor, materials, and other property toward the expense of building the toll facility, and for preliminary surveys and the preparation of plans and estimates of cost therefor and other preliminary expenses. Any such city, county or other political subdivision may, either jointly or separately, at the request of the commission [or the authority] advance or contribute money or bonds for the purpose of guaranteeing the payment of interest or principal on the bonds issued by the [authority] *commission* to finance the toll facility. Appropriations for such purposes may be made from any funds available, including county road funds received from or credited by the state, or funds obtained by excess tax levies made pursuant to law or the issuance of general obligation bonds for this purpose. General obligation bonds issued by a city, county, or political subdivision may with the consent of the [state highway] commission [or the authority] be placed with the [Washington toll bridge authority] *commission* to be sold by the [authority] *commission* to provide funds for such purpose. Money, or bonds or property so advanced or contributed may be immediately transferred or delivered to the [authority] *commission* to be used for the purpose for which contribution was made. The [authority] *commission* may enter into an agreement with a city, county, or other political subdivision to repay any money, or bonds or the value of a right of way, labor, materials, or other property so advanced or contributed. The [authority] *commission* may make such repayment to a city, county or other political subdivision and reimburse the state for any expenditures made by it in connection with the toll facility out of tolls and other revenues for the use of the toll facility.

"If the [toll bridge authority] *state transportation commission* deems that any land, including improvements thereon, is no longer required for toll bridge, toll tunnel, toll road or Washington state ferry system purposes and that it is in the public interest, the [authority] *commission* may negotiate for the sale of such land to the state or to any city, county, port district, or other political subdivision or municipal corporation of the state. The [authority] *commission* shall certify the agreement for the sale to the governor, with a description of the land and the terms of the sale and the governor may execute and the secretary of state shall attest the deed and deliver it to the grantee.

"Sec. 60. Section 3, chapter 257, Laws of 1961 and RCW 47.56.254 are each amended to read as follows:

"If the [authority] *commission* is of the opinion that any land, including improvements thereon, is no longer required for toll bridge, toll tunnel, toll road or Washington state ferry system purposes, the [authority] *commission* shall offer it for sale upon notice and bids in the manner that contracts are let [by the state highway commission] *for the disposition of land no longer required for highway purposes under chapter 47.12 RCW.*

"While any revenue bonds issued by the [authority] *commission* under the provisions of this chapter are outstanding no additional bonds shall be issued for the purposes of acquiring, constructing, operating or maintaining any ferries or toll bridges within the aforesaid ten mile distance by the [authority] *commission* unless the revenues of any such additional ferries or toll bridges are pledged to the bonds then outstanding to the extent provided by the resolution authorizing the issue of such outstanding bonds. The provisions of this section shall be binding upon the state, and all of its departments, agencies and instrumentalities, as well as any and all private, political, municipal and public corporations and subdivisions, including cities, towns, counties and other political subdivisions, and the prohibitions of this section shall restrict and limit the powers of the legislature of the state in respect to the matters herein mentioned so long as any of such bonds are outstanding and unpaid and shall

The [authority] *commission* is empowered to rent, lease, or charter any property acquired under this chapter. Whenever the [authority] *commission* shall determine that any land, including improvements thereon is no longer needed for the purposes of the ferry system, it may offer the same for sale upon notice and bids in the manner of letting contracts for state highway improvements. The [authority] *commission* may reject all such bids if the highest bid does not equal the reasonable fair market value of the real property plus the value of the improvements thereon, computed on the basis of the reproduction value, less depreciation. It may accept the highest and best bid and request the attorney general to prepare the necessary instrument of conveyance which shall be executed by the governor. The proceeds of all such sales shall be paid into the separate trust fund of the state treasury established pursuant to RCW 47.60.150.

[: Provided, That] The [authority] *commission* shall have the exclusive right to enter into leases and contracts for use and occupancy

by other parties of the concessions and space located on the ferries, wharves, docks, approaches and landings, but no such leases or contracts shall be entered into for more than five years, nor without public advertisement for bids as may be prescribed by the [authority] *commission*: *Provided* [Further], That the Colman Dock facilities may be leased for a period not to exceed ten years: *Provided Further*, That the [authority] *commission* may accept and continue leases and contracts for a period of ten years without advertisement or bid, if such leases or contracts were in effect or entered into at the time of the purchase of the Puget Sound ferry system, and any leases or contracts so made are hereby validated.

"Sec. 87. Section 47.60.150, chapter 13, Laws of 1961 and RCW 47.60.150 are each amended to read as follows:

"The schedule of charges for the services and facilities of the system shall be fixed and revised from time to time by the [authority] *commission* so that the tolls and revenues collected will yield annual revenue and income sufficient, after allowance for all operating, maintenance and repair expenses to pay the interest and principal and sinking fund charges for all outstanding revenue bonds, and to create and maintain a fund for ordinary renewals and replacements: *Provided*, That if provision is made by any resolution for the issuance of revenue bonds for the creation and maintenance of a special fund for rehabilitating, rebuilding, enlarging or improving all or any part of the ferry system then such schedule of tolls and rates of charges shall be fixed and revised so that the revenue and income will also be sufficient to comply with such provision.

"Sec. 89. Section 47.60.170, chapter 13, Laws of 1961 and RCW 47.60.170 are each amended to read as follows:

"Nothing in RCW 47.60.150 shall forbid the establishment by the [authority] *commission* of a Washington state ferries revolving fund of not to exceed three hundred thousand dollars from the proceeds of any bonds sold under the provisions of this chapter. Such fund may be deposited by the [authority] *commission* in such banks or financial institutions as it may select throughout the state. The provisions of RCW 43.01.050 shall not be applicable to such fund or any deposits therein made by the [authority] *commission* under the provisions of this section. Said [authority] *commission* shall use said fund firstly to pay its investigation, management, maintenance and operation costs, unless otherwise provided for; secondly to reimburse for past and future advances from the motor vehicle fund, at such times and in such amounts as the [authority] *commission* shall in its discretion deem feasible. The projects to be investigated must propose facilities to be financed by revenue bonds of the [authority] *commission* to be repaid by tolls or charges.

The [authority] *commission* shall make and order an orderly schedule of payments for the recovery of such expenses from any constructed facility within a reasonable time, which schedule shall be so made that it will not interfere with the other necessary expenses to be recovered by tolls or charges but shall operate with such other expense charges. Any sums so recovered shall be paid into the state treasury and by the treasurer deposited in the [authority] *commission* revolving fund.

"Sec. 93. Section 47.60.200, chapter 13, Laws of 1961 and RCW 47.60.200, are each amended to read as follows:

The review shall also include the allocation of vessels to particular runs, the scheduling of particular runs, the adequacy and arrangements of docks and dock facilities, and any other subject deemed by the [authority] *commission* to be properly within the scope of the review. "The [authority] *commission* may further pledge moneys in the Puget Sound reserve account to meet any sinking fund requirements or reserves established by the [authority] *commission* with respect to any new bond issues provided for in this section.

"To the extent of any pledge herein authorized, the [authority] *commission* shall use the first moneys available in the Puget Sound reserve account to meet such obligations as they arise.

"Notwithstanding the provisions of RCW 47.60.360 the treasurer shall never transfer any moneys from the Puget Sound reserve account for use by the [state highway] *commission* for state highway purposes so long as there is due and unpaid any obligations for payment of principal, interest, sinking funds or reserves as required by any pledge of the Puget Sound reserve account. Whenever the [authority] *commission*

shall have pledged any moneys in said account for the purposes authorized in RCW 47.60.370, the state agrees to continue to deposit in the Puget Sound reserve account the motor vehicle fuel taxes and use fuel taxes as provided in RCW 82.36.020 and 82.40.290, and further agrees that so long as there exists any outstanding obligations pursuant to such pledge, to continue to impose such taxes.

"Any funds in the Puget Sound reserve account of the motor vehicle fund which are not required by the [authority] *commission* for payment of principal or interest on any bond issues or for any of the other purposes authorized in RCW 47.60.370, may be invested by the [authority, subject to the approval of the highway] *commission* [,] in bonds and obligations of the nature eligible for the investment of current state funds as provided in RCW 43.84.080.

"Sec. 111. Section 1, chapter 9, Laws of 1961 extraordinary session and RCW 47.60.400 are each amended to read as follows:

"The [Washington toll bridge authority] *state transportation commission* is authorized to issue revenue bonds to refund all or any part of the *Washington toll bridge authority's* outstanding 1955 Washington state ferry system refunding revenue bonds and 1957 ferry and Hood Canal bridge revenue bonds, and may issue additional revenue bonds in parity therewith to pay costs of improving the Washington state ferry system or constructing or improving transportation facilities for the crossing of Puget Sound and any of its tributary waters and connections thereof other than bridging from the east side of Puget Sound to the Kitsap Peninsula, Vashon Island or Bainbridge Island: *Provided*, That the [toll bridge authority] *commission* shall not issue any such additional revenue bonds without further express authorization by the legislature. With respect to the issuing of such bonds and the payment of principal and interest thereon, the payment into reserves, sinking funds, and the ferry improvement fund established in connection therewith, and the fixing and revision of charges for services and facilities of the system, and in managing all its fiscal operations, the [authority] *commission* shall have all the powers and shall follow the same procedures established for it under existing laws, except as otherwise provided herein.

"Sec. 112. Section 2, chapter 9, Laws of 1961 extraordinary session and RCW 47.60.410 are each amended to read as follows:

"In the event refunding bonds are issued as provided in RCW 47.60.400, the [authority] *commission* is hereby directed to establish a fund to be called the "ferry improvement fund" to be used to pay all or any part of the cost of constructing, purchasing, reconstructing, replacing, extending, bettering, developing or otherwise improving any part of the Washington state ferry system.

"Into this fund the [authority] *commission* shall place each year such sums as it finds needed for the aforesaid and available from the revenues of the ferry system and Hood Canal bridge after payment of costs of maintenance and operation, bond interest, bond reserve funds, and payments upon principal required during the year by bond resolutions: *Provided*, That not more than two hundred fifty thousand dollars in any year shall be placed in such fund and the amount accumulated in the fund shall not at any time exceed three million dollars.

"Sec. 113. Section 3, chapter 9, Laws of 1961 extraordinary session and RCW 47.60.420 are each amended to read as follows:

"To the extent that all revenues from Washington state ferry system, and the Hood Canal bridge available therefor are insufficient to provide for the payment of principal and interest on the bonds authorized and issued pursuant to RCW 47.60.400 through 47.60.470 and for sinking fund requirements established with respect thereto and for payment into such reserves as the [authority] *commission* shall have established with respect to the securing of such bonds and for payment into the ferry improvement fund, there is hereby imposed a first and prior charge against the Puget Sound reserve account of the motor vehicle fund created by RCW 47.60.350 through 47.60.390 and, to the extent required, against all revenues hereafter derived from the one-quarter cent of motor vehicle fuel tax and one-quarter cent of use fuel tax required by law to be deposited in the Puget Sound reserve account.

"To the extent that the revenues from the Washington state ferry system and the Hood Canal bridge available therefor are insufficient to meet required payments of principal and interest on bonds, sinking fund requirements and payments into reserves and the payments into the ferry improvement fund provided in RCW 47.60.410, the [authority] *commission* shall use moneys in the Puget Sound reserve account for such

purpose. Any moneys from the Puget Sound reserve account used by the [authority] *commission* to pay such obligations shall be repaid by the [authority] *commission* to the motor vehicle fund from tolls of the Washington state ferry system and the Hood Canal bridge and tolls shall be continued for any required additional length of time necessary for this purpose.

"Sec. 114. Section 5, chapter 9, Laws of 1961 extraordinary session as amended by section 42, chapter 3, Laws of 1963 extraordinary session and RCW 47.60.440 are each amended to read as follows:

"The Washington state ferry system shall be efficiently managed, operated and maintained as a revenue-producing undertaking. The [authority] *commission* shall maintain and revise from time to time as necessary a schedule of tolls and charges on said ferry system and Hood Canal bridge that will produce net revenue available for debt service, in each fiscal year, in an amount at least equal to minimum annual debt service requirements as hereinafter provided. Minimum annual debt service requirements as used in this section shall include required payments of principal and interest, sinking fund requirements and payments into reserves on all outstanding revenue bonds authorized by RCW 47.60.400 through 47.60.470 and all other outstanding parity bonds hereafter issued in connection with the said ferry system and Hood Canal bridge and any other facility hereafter constructed by the [authority] *commission* to facilitate the crossing of Puget Sound, but shall not include payments into the ferry improvement fund.

"The provisions of law relating to the revision of tolls and charges to meet minimum annual debt service requirements from net revenues as required by this section shall be binding upon the [authority] *commission* but shall not be deemed to constitute a contract to that effect for the benefit of the holders of such bonds.

"Sec. 115. Section 6, chapter 9, Laws of 1961 extraordinary session and RCW 47.60.450 are each amended to read as follows:

"If the net revenue together with all moneys in the Puget Sound reserve account available for debt service in any fiscal year fall to meet minimum annual debt service for the year, as defined in RCW 47.60.440, the tolls and charges shall be promptly revised to produce such coverage: *Provided*, That in such case revision of tolls and charges shall be determined by the [authority] *commission* after considering supporting data and recommendations therefor which shall be furnished by a nationally recognized traffic engineering firm retained by the [authority] *commission* in the manner provided in the bond proceedings.

"Tolls and charges shall not be increased in any case when in the opinion of such engineering firm the increase would so reduce traffic that no net gain in revenue would result. The provisions of this section shall be deemed a covenant for the benefit of the holders of such bonds.

"Sec. 116. Section 9, chapter 9, Laws of 1961 extraordinary session and RCW 47.60.470 are each amended to read as follows:

"The [Washington toll bridge authority] *state transportation commission* shall periodically report to the joint fact-finding committee on highways, streets and bridges its plans and progress relating to the financing and refinancing of the Washington state ferries and Hood Canal bridge, including the issuance of bonds authorized by RCW 47.60.400 through 47.60.470, to the end that the committee may be informed of plans which may affect its recommendations to the legislature.

"NEW SECTION. Sec. 125. The state transportation commission is authorized to issue its additional revenue bonds in parity with the 'ferry and Hood Canal bridge refunding revenue bonds, 1963' in amounts sufficient to provide funds for planning, design, construction and financing the transportation facilities described in section 126 of this 1967 amendatory act, subject to the conditions prescribed for the issuance of such bonds contained in chapter 9, Laws of 1961 extraordinary session (RCW 47.56.365 and 47.60.400 through 47.60.470) and in Washington toll bridge authority resolution No. 362 adopted October 6, 1961 as amended by Washington toll bridge authority resolution No. 363 adopted January 11, 1963.

"There may be paid for out of the proceeds of the sale of the additional bonds, preliminary expenses incurred by the state transportation commission, including but not limited to planning, design, location engineering and acquisition of right of way, the costs of the issuance and sale of such bonds, interest costs prior to and during construction and for six months thereafter and a reasonable amount for working capital and prepaid insurance.

"Revenues from the additional transportation facilities authorized by section 125 through 133 of this 1967 amendatory act shall not be kept segregated, but shall be combined with all other revenues of the Washington state ferries and the Hood Canal bridge all of which facilities are declared to be a continuous project within the meaning of RCW 47.56.070 and 47.60.130.

"NEW SECTION. Sec. 128. Nothing in sections 125 through 133 of this 1967 amendatory act shall be construed so as to violate any of the terms or conditions contained in Washington toll bridge authority bond resolution No. 362 as amended by Washington toll bridge authority resolution No. 363.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Leland yielded to question.

Mr. Moon:

"Representative Leland, I note that the members of this commission will receive forty dollars per diem. Can you tell me why you have raised this to a point higher than the amount legislators receive, and higher than the amount members of other commissions and other state bodies receive?"

Mr. Leland:

"Mr. Moon, there is no change in this provision from the original bill, and I think you will find this is the recommendation that came from the Governor's office on the original bill. Representative Copeland just asked me why we didn't consider a salary for these people, in view of the immense amount of time they have to spend now because of the tremendous highway programs. You will note that members other than the chairman are limited to one hundred twenty days per diem, and the chairman is limited to one hundred fifty days per diem. I think that this is a very small measure for the duties and responsibilities they perform."

Mr. Moon:

"The point I want to make is that we made quite an issue during this session of trying to bring into uniformity the per diem and expense allowances of all state commissions and other state officials. I am wondering why we should now depart from this uniformity and go to a figure which I think is more realistic."

Mr. Leland:

"We are not departing from uniformity. It is already forty dollars under the present law."

Mr. Gorton moved that the rules be suspended, Senate Bill No. 369 as amended by the House be advanced to third reading, the second reading considered the third, and the bill be placed on final passage.

Mr. Juelling demanded an electric roll call and the demand was sustained.

The Clerk called the roll on the motion to advance Senate Bill No. 369 as amended by the House to third reading and final passage, and the motion was lost by the following vote: Yeas, 57; nays, 40; absent or not voting, 2.

Passed to Committee on Rules and Administration for third reading.

Senate Bill No. 466, by Senators McCormack, Neill and Hanna:

Providing for the appointment of court commissioners.

The House resumed consideration of Senate Bill No. 466 on second reading.

Mr. Sprague moved the adoption of the following amendment by Representatives Sprague and Smith:

"NEW SECTION. Sec. 2. Whenever the death of a person has occurred in a class AA or class A county under circumstances which would authorize a coroner to hold an inquest pursuant to RCW 36.24.020 and a petition signed by not less than fifty electors residing within such county requesting an investigation into the death of such person is filed with the clerk of the superior court of such county addressed to any superior court judge thereof, it shall be the duty of such judge and he is hereby authorized to hold an inquest, with or without a jury, into the death of such person, or appoint a court commissioner to carry out such duty. Any court commissioner so appointed shall have the qualifications required by RCW 2.24.010 and shall in addition be a member of the state bar association.

"Such petition must be filed within five days after the death of such person or within five days after the death was discovered. Upon the filing of such petition, the clerk of court shall immediately notify the judge to which it is addressed and the county coroner of such county. The provisions of RCW 36.24.020 through 36.24.120 not in conflict herewith shall apply to the inquest procedure, except that the judge shall make findings after completion of the inquest and after the verdict of the jury has been entered, if a jury has been summoned.

Such compensation and expenses shall be paid in the same manner as the compensation and expenses of court reporters are paid pursuant to RCW 2.32.210.

"(2) Each juror shall be compensated at the rate provided by law for members of a coroner's jury."

POINT OF ORDER

The Speaker recognized Mr. Clark (Newman H.) on a point of order.

Mr. Clark:

"I object to further consideration of this amendment since it is not germane to the bill before us."

The Speaker declared the House to be at ease.

The Speaker called the House to order.

RULING BY THE SPEAKER

The Speaker:

"Mr. Clark, it would appear that this amendment would be in order. I have been rather lenient in this matter on two or three of these amendments, and in this case I will rule that the amendment is in order."

Representative Smith spoke in favor of adoption of the amendment and Representative Clark (Newman H.) spoke against its adoption.

MOTION

On motion of Mr. Newhouse, the amendment by Representatives Sprague and Smith was laid on the table.

Mr. Clark (Newman H.) moved the adoption of the following amendment by Representatives Clark and Bottiger:

On page 1, after section 1, add four new sections to read as follows:

"Sec. 2. Sections 55 and 56, page 14, Laws of 1869 as last amended by section 54, Code of 1881, and RCW 4.12.090 are each amended to read as follows:

"When an order is made transferring an action or proceeding for trial, the clerk of the court must transmit the pleadings and papers therein to the court to which it is transferred. The costs and fees thereof and of filing the papers anew, must be paid by the party at whose instance the order was made, except in the cases mentioned in RCW 4.12.030 (1), in which case the plaintiff shall pay costs of transfer, and, in addition thereto, if such action or proceeding involves money due and owing by the defendant or purportedly so due and owing, the plaintiff may, at the discretion of the court, be required to pay a reasonable attorney's fee for the changing of venue to the proper county. The court to which an action or proceeding is transferred has and exercises over the same the like jurisdiction as if it had been originally commenced therein.

"Sec. 3. Section 1, chapter 173, Laws of 1927 as amended by section 168, chapter 53, Laws of 1965 and RCW 4.12.025 are each amended to read as follows:

"An action, at the option of the plaintiff, may be brought against any person, partnership, or corporation in any county (1) in which the defendant, or [, if there be more than one defendant, where] one of the defendants (a) resides or has his principal place of business at the time of the commencement of the action, or (b) made an offer or accepted an offer resulting in the consummation of a contract which is the subject matter of the action, or (2) if the subject matter of the action is not a contract, where the transaction or occurrence took place which is the subject matter of the action; (3) in the county where the work was performed by any such person, partnership or corporation; (4) in the county where the agreement entered into with such person, partnership or corporation was made; or (5) in the county where the person, partnership or corporation has its principal place of business. For the purpose of RCW 4.12.025, 4.12.026 and 4.12.027, the residence of a corporation defendant shall be deemed to be in any county where the corporation transacts business or has an office for the transaction of business or transacted business at the time the cause of action arose or where any person resides upon whom process may be served upon the corporation, unless hereinafter otherwise provided. [The venue of any action brought against a corporation, at the option of the plaintiff, shall be (1) in the county where the tort was committed, (2) in the county where the work was performed for said corporation, (3) in the county where the agreement entered into with the corporation was made, or (4) in the county where the corporation has its principal place of business.] Corporation, for the purposes of this section, shall include every firm, company, society, association or any organized group of persons whether incorporated or not, and every officer, agent or employee thereof.

"NEW SECTION. Sec. 4. This section shall be effective July 1, 1967 and shall supersede section 168, chapter 53, Laws of 1965 which amended section 1, chapter 173, Laws of 1927 and RCW 4.12.025 and which had under section 167 of the 1965 act an effective date of July 1, 1967.

"NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1967."

Debate ensued, Representatives Clark (Newman H.) and Bottiger speaking in favor of adoption of the amendment, and Representatives Charette and Gorton speaking against its adoption.

Mr. Day demanded the previous question.

POINT OF ORDER

The Speaker recognized Mr. Gorton on a point of order.

Mr. Gorton:

"Mr. Clark has just pointed out that this bill is identical to Engrossed Senate Bill No. 20 which is now before the House in the House Rules and Administration Committee, so I don't think it is properly before us."

POINT OF INFORMATION

The Speaker recognized Mr. Chatalas on a point of information.

Mr. Chatalas:

"Mr. Speaker, this is exactly what you permitted to happen when we considered Senate Bill No. 13. Senate Joint Resolution No. 29 was still in Rules Committee."

RULING BY THE SPEAKER

The Speaker:

"I think we are talking about two different situations—the handling of two different measures. This bill is identical—nothing has been changed—but this was not true of the others."

Mr. Chatalas:

"But Mrs. McCaffree said the two were exactly the same when she made her speech."

The Speaker:

"She may have said that, but I don't believe that it was true. Mr. Clark, regretfully I must agree with Mr. Gorton that since you didn't change a period or an apostrophe, dot and 'i' or cross a 't,' that your amendment is out of order."

Mr. Clark:

"If the court please, this bill comes directly prepared from the Senate itself. Because of their method of doing business, we would certainly have had to change some things. Certainly, the fact that Engrossed Senate Bill No. 20 has been languishing in the Rules Committee and is going to languish and die there which is obvious from the resolution that comes on at the end of the calendar this afternoon, it is the prerogative of the Speaker to recognize the fact that Engrossed Senate Bill No. 20 already is dying fast and will be deceased at five o'clock this afternoon, so the amendment should be in order."

RULING BY THE SPEAKER

The Speaker:

"Well, the Senate makes a mistake occasionally, Mr. Clark, but I would have to rule this amendment out of order."

PERSONAL PRIVILEGE

The Speaker recognized Mr. Charette on a point of personal privilege.

Mr. Charette:

"I just want to suggest that probably no one knows better than I the mistakes the Senate makes."

The Speaker:

"We are most happy that you have mended your ways, Mr. Charette."

On motion of Mr. Gorton, the rules were suspended, Senate Bill No. 466 was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

The Clerk called the roll on the final passage of Senate Bill No. 466, and the bill passed the House by the following vote: Yeas, 97; nays, 0; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Conner, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Grant, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, Marzano, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Moon, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Sheridan, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—97.

Those absent or not voting were: Representatives Harris, Sawyer—2.

Senate Bill No. 466, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Mr. Chatalas moved the House dispense with further business under the call of the House.

The motion was lost.

SPEAKER'S PRIVILEGE

The Speaker:

"The Speaker would like to relax the rule against distribution of goodies on the floor of the House. It has been a rather long afternoon and we have an apple for each of you. The pages will distribute them, and I would like to recognize the gentleman from Yakima, Mr. Morrison."

Mr. Morrison:

"Thank you, Mr. Speaker. At the time you gave us a favorable vote on House Bill No. 236, Representatives Haussler and McDougall, and I promised you we would give you a storage apple. We hope you enjoy them."

THIRD READING OF BILLS

Substitute Senate Bill No. 360, by Committee on Cities, Towns, and Counties:

Authorizing civil service for employees in certain counties.

Substitute Senate Bill No. 360 as amended by the House was read the third time and placed on final passage.

Representatives McGavick and Smith spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Substitute Senate Bill No. 360 as amended by the House, and the bill passed the House by the following vote: Yeas, 57; nays, 40; absent or not voting, 2.

Those voting yea were: Representatives Anderson, Backstrom, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bozarth, Brouillet, Ceccarelli, Chapin, Chatalas, Clark (Newman H.), Copeland, Cunningham, DeJarnatt, Elicker, Farr, Garrett, Gorton, Grant, Haussler, Hawley, Hill, Hoggins, Holman, Humiston, Jolly, King, Kink, Kirk, Kiskaddon, Leckenby, Leland, Litchman, Lynch, Mahaffey, Marsh, Marzano, May McCaffree, McCormick, McGavick, Merrill, Murray, O'Brien, Rosellini, Saling, Sheridan, Smith, Smythe, Sprague, Swayze, Thompson, Zimmerman, Mr. Speaker—57.

Those voting nay were: Representatives Adams, Amen, Avey, Bottiger, Brazier, Charette, Clarke (George W.), Clocksin, Conner, Day, Flanagan, Gallagher, Gladder, Goldsworthy, Heavey, Hubbard, Hurley, Jastad, Johnson, Jueling, Kalich, Kopet, Lewis, Lux, McDougall, Moon, Morrison, Newhouse, Newschwander, O'Dell, Perry, Reese, Richardson, Spanton, Taylor, Veroske, Walgren, Wanamaker, Whetzel, Wolf—40.

Those absent or not voting were: Representatives Harris, Sawyer—2.

Substitute Senate Bill No. 360 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

On Substitute Senate Bill No. 360 I inadvertently pushed the "no" button. My intention was to vote for Substitute Senate Bill No. 360 on final passage. This is a meritorious piece of legislation providing civil service for county employees, a concept which I have long supported.

Jonathan Whetzel,
43rd District.

Engrossed Senate Bill No. 309, by Senators Hanna, Talley, Foley, and Chytil:

Pertaining to formation of public utility districts and changing boundaries of commissioners' districts.

Engrossed Senate Bill No. 309 as amended by the House was read the third time and placed on final passage.

YIELDING TO QUESTION

At the request of Mr. Hoggins, Mr. McDougall yielded to question.

Mr. Hoggins:

"I understand you are from a public utility district, and I would like your opinion as to the original purpose of Senate Bill No. 309. Would you indicate whether or not the purpose of the bill was to clarify the redistricting of P.U.D.'s?"

Mr. McDougall:

"Yes, Mr. Hoggins, Engrossed Senate Bill No. 309 and the companion measure introduced in the House were introduced for the purpose of adding clarity to the redistricting of P.U.D. commissioners. The P.U.D. commissioners presently do have the right to redistrict themselves, but there is a gray area which needs to be clarified. With this legislature having redistricted itself last session and more and more emphasis being placed on the reapportionment of county commissioners, the P.U.D. commissioners themselves felt this should be looked into. For this reason, it was the original intent in introducing Senate Bill No. 309 and the companion bill, House Bill No. 567, to attain this objective."

STATEMENT FOR THE JOURNAL

Mr. Perry:

"Since Mr. McDougall's remarks probably could be used in a court test of this bill, I would like the record to show that the original purpose and intent of the act will be specifically carried out by the amendment."

The Speaker:

"Mr. Perry, you are perfectly at liberty to insert your remarks in the journal."

Debate ensued, Representatives Anderson and O'Brien speaking against passage of the bill, and Representatives Newhouse and Day speaking in favor of its passage.

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. O'Brien yielded to question.

Mr. Adams:

"Under existing laws at the present time, is it possible for a P.U.D. in Grant County or any county in the state that is not contiguous to Spokane to go into Spokane County and condemn a private utility district without a vote of the people?"

Mr. O'Brien:

"Well, I would doubt it. First of all the price would be negotiated and set by the court. It appears that it is possible, but not practical."

Mr. Adams:

"My question was, Under the present law is it possible? I think you can answer 'yes' or 'no.'"

Mr. O'Brien:

"Well, it isn't that black or white because many factors are involved. The price has to be negotiated, whether or not they go into Spokane County."

Mr. Adams:

"My question was, Do they legally have the right—counties not contiguous—to go into Spokane County or any other county, or rural electrification district."

Mr. O'Brien:

"Some of these questions, Dr. Adams, are impossible to answer 'yes' or 'no', because legally we have the right to do a lot of things we don't do. You are giving me a question that is highly impractical and is unsound. It is a procedure that wouldn't be followed, whether or not they have the right. I think any P.U.D. commission in sound mind wouldn't attempt such a stupid act."

Mr. Adams:

"If it is legally possible, would you think that is a correct procedure, or something they should do? We will assume it is legally possible?"

Mr. O'Brien:

"No, I don't think they should. I don't think Grant County should go into Spokane and condemn the private utility district. I am sure that any prudent person serving as a member of the P.U.D. board in Grant County would not do such a thing. If they did, they would be impeached."

YIELDING TO QUESTION

At the request of Mr. Adams, Mr. Day yielded to question.

Mr. Adams:

"I think you are familiar with this. You heard my question that I propounded to Mr. O'Brien. Could you answer it?"

Mr. Day:

"Yes, it is possible."

Mr. Adams:

"Thank you, that answers my question."

Mr. Gladder demanded the previous question and the demand was not sustained on a rising vote.

Further debate ensued, Representatives Jolly and Haussler speaking against passage of the bill, and Representatives Leland and Copeland speaking in favor of its passage.

Mr. Kink demanded the previous question and the demand was not sustained on a rising vote.

Representative Charette spoke against passage of the bill.

Mr. Grant demanded an oral roll call and the demand was sustained.

Representative Bozarth spoke against passage of the bill.

Mr. Kalich demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 309 as amended by the House, and the bill passed the House by the following vote: Yeas, 59; nays, 38; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Avey, Barden, Beck, Berentson, Bledsoe, Bluechel, Brazier, Ceccarelli, Chapin, Clark (Newman H.), Clarke (George W.), Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gladder, Goldsworthy, Gorton, Hawley, Hill, Holman, Hubbard, Humiston, Hurley, Juelling, Kink, Kirk, Kopet, Leckenby, Leland, Lewis, Litchman, Lynch, Mahaffey, May, McCaffree, McCormick, McGavick, Moon, Morrison, Murray, Newhouse, Newschwander, Perry, Reese, Richardson, Saling, Spanton, Swayze, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Mr. Speaker—59.

Those voting nay were: Representatives Anderson, Backstrom, Bagnariol, Bottiger, Bozarth, Brouillet, Charette, Chatalas, Clocksin, Conner, DeJarnatt, Gallagher, Garrett, Grant, Haussler, Heavey, Hoggins, Jastad, Johnson, Jolly, Kalich, King, Kiskaddon, Lux, Marsh, Marzano, McDougall, Merrill, O'Brien,

O'Dell, Rosellini, Sheridan, Smith, Smythe, Sprague, Taylor, Thompson, Zimmerman—38.

Those absent or not voting were: Representatives Harris, Sawyer—2.

Engrossed Senate Bill No. 309 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Mr. Gorton moved that Engrossed Senate Bill No. 309 as amended by the House be ordered transmitted immediately to the Senate.

The motion was carried on a rising vote.

STATEMENT FOR THE JOURNAL

Engrossed Senate Bill No. 309 as amended by the House has nothing to do with public power vs. private power. It gives the people the right to vote over condemnation of a private utility. It does not hamper or restrict public power.

Mark Litchman,
45th District.

Engrossed House Joint Memorial No. 17, by Representatives Lux and Gorton:

Memorial rescinding 1963 memorial for federal constitutional amendment as to apportionment of state legislatures.

Engrossed House Joint Memorial No. 17 was read the third time and placed on final passage.

POINT OF ORDER

The Speaker recognized Mrs. Hurley on a point of order.

Mrs. Hurley:

"I have before me the concurrent resolution that states the cutoff day for matters to be considered, and it seems to me Engrossed House Joint Memorial No. 17 is not one of the exclusions. Will you make your ruling?"

The Speaker:

"Unfortunately, Mrs. Hurley, we haven't passed that concurrent resolution yet."

POINT OF PERSONAL PRIVILEGE

The Speaker recognized Mr. Heavey on a point of personal privilege.

Mr. Heavey:

"I think it is apparent from the debate which just preceded and how closely the bill was passed that some remarks I made the other day might be construed as adding to the intensity of the debate. It was not my intent at any time to question the objective of integrity of anybody in the House. I have never intended to do that, nor have I intended to increase the intensity of feeling. If I have done either of these things, I apologize to the House."

POINT OF PERSONAL PRIVILEGE

The Speaker recognized Mr. Moon on a point of personal privilege.

Mr. Moon:

"Prior to the time that the motion was put to immediately transmit Engrossed Senate Bill No. 309 to the Senate, I was on my feet requesting recognition. In the past it has always been my understanding that an individual would have been granted the opportunity, if he had voted on the prevailing side, to give notice of reconsideration on the next working day. It was for this purpose that I voted 'aye' on the bill, and I would like to insert a statement in the journal to that effect."

The Speaker:

"You have that privilege, Mr. Moon."

MOTION

Mr. Gorton moved that the House advance to consideration on third reading of Senate Concurrent Resolution No. 24 as amended by the House.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Smith on a point of parliamentary inquiry.
Mr. Smith:

"Mr. Speaker, we are now considering House Joint Memorial No. 17, which for many purposes is a very critical item. Since Mrs. Hurley asked you the question about your ruling, I would like to know, if we advance to consider this resolution, would we be precluded from consideration of Engrossed House Joint Memorial No. 17?"

The Speaker:

"Well, it is my understanding that under the provisions of Senate Concurrent Resolution No. 24 we could still consider Engrossed House Joint Memorial No. 17. We went beyond the five o'clock cutoff time as provided in Senate Concurrent Resolution No. 24 because we were on a matter that we started prior to five o'clock. It is my feeling that to be perfectly fair we should now consider Senate Concurrent Resolution No. 24."

Mr. Smith:

"Then you say we could still consider Engrossed House Joint Memorial No. 17 afterwards?"

The Speaker:

"It is my feeling that we could under the provisions of the concurrent resolution."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Litchman on a point of parliamentary inquiry.

Mr. Litchman:

"It is my understanding that Senate Bill No. 261 is still before us, is that correct?"

The Speaker:

"This is right."

Mr. Litchman:

"Now, if Mr. Gorton's motion prevails we will no longer be able to discuss Senate Bill No. 261?"

The Speaker:

"No, this is not true. We have amended Senate Concurrent Resolution No. 24 and until those amendments are considered by the Senate, the cutoff time is not official by the provisions of the resolution, so we could still discuss Senate Bill No. 261.

"My whole purpose in having Senate Concurrent Resolution No. 24 brought before the House at this time is because I feel, in all good faith, since the cutoff time established in the resolution is five o'clock, we should consider it here in the body. However, since it has been amended, it will have to go back to the Senate, so we will go ahead and consider Senate Concurrent Resolution No. 24. Unless the Senate acts much faster than they have been known to previously, we still have plenty of time to consider the other matters."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Humiston on a point of parliamentary inquiry.

Mr. Humiston:

"Let us presume that we were to pass Senate Concurrent Resolution No. 24 with the amendments that were put on it. The time of five o'clock would still remain in the resolution. Now, if we were to take up other matters that are not included in the

resolution as exceptions, would the effect of this be retroactive and our actions be null and void?"

The Speaker:

"I would think not."

The Speaker declared the question before the House to be the motion by Mr. Gorton that the House advance to consideration on third reading of Senate Concurrent Resolution No. 24 as amended by the House.

The motion was carried.

Senate Concurrent Resolution No. 24, by Senators Bailey and Neill:

Prescribing a cutoff date for consideration of bills.

The House resumed consideration of Senate Concurrent Resolution No. 24 as amended by the House on third reading.

The Clerk called the roll on the final passage of Senate Concurrent Resolution No. 24 as amended by the House, and the resolution passed the House by the following vote: Yeas, 59; nays, 38; absent or not voting, 2.

Those voting yea were: Representatives Adams, Amen, Anderson, Avey, Backstrom, Bagnariol, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Chatalas, Clark (Newman H.), Clarke (George W.), Clocksin, Copeland, Cunningham, Day, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Gladder, Goldsworthy, Gorton, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Hurley, Jastad, Johnson, Jolly, Juelling, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Mahaffey, Marsh, May, McCaffree, McCormick, McDougall, McGavick, Merrill, Morrison, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Richardson, Rosellini, Saling, Smith, Smythe, Spanton, Sprague, Swayze, Taylor, Thompson, Veroske, Walgren, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—89.

Those voting nay were: Representatives Beck, Conner, Grant, Kalich, King, Marzano, Moon, Sheridan—8.

Those absent or not voting were: Representatives Harris, Sawyer—2.

Senate Concurrent Resolution No. 24 as amended by the House, having received the constitutional majority, was declared passed.

MOTION

On motion of Mr. Day, Senate Concurrent Resolution No. 24 as amended by the House was ordered transmitted immediately to the Senate.

Engrossed House Joint Memorial No. 17, by Representatives Lux and Gorton:

Memorial rescinding 1963 memorial for federal constitutional amendment as to apportionment of state legislatures.

The House resumed consideration of Engrossed House Joint Memorial No. 17 on third reading.

Representatives Gorton and Perry spoke in favor of passage of the memorial.

Mr. Kink demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Joint Memorial No. 17, and the memorial passed the House by the following vote: Yeas, 59; nays, 38; absent or not voting, 2.

Those voting yea were: Representatives Anderson, Backstrom, Bagnariol, Beck, Bluechel, Bottiger, Brouillet, Ceccarelli, Charette, Chatalas, Clark

Engrossed House Joint Memorial No. 17, having received the constitutional majority, was declared passed.

STATEMENT FOR THE JOURNAL

I believe it is important to the people of our state that we send this Memorial to Congress to clear the record. We are asking to rescind or withdraw House Joint Memorial No. 1 of the 1963 session which petitioned Congress to hold a Constitutional Convention for the purpose of overruling the Supreme Court's decision on "one man-one vote."

By adopting this Memorial we can act effectively to oppose a serious threat now posed to one of the most fundamental, and cherished, constitutional protections—the right of judicial review embodied in the historic division of powers.

In the development of the law, the pace is slow because the acceptance of new ideas is slow. There have been rapid changes in the United States in this century. We, as state legislators, can well pause and reflect on the role of the courts in the development of law and the importance of judicial review. Consider the importance of their contribution to the legal structure of our society—both state and national.

Legislative bodies alone cannot be relied upon to implement and make real the rights often given under constitutional or statutory language. As a result, they are so often simply ignored.

Both wisdom and recognition of history, if not a feeling of humility, requires us as legislators to acknowledge important steps in our state's and nation's history whether they are taken in the Legislative or Judicial branch.

The effect of House Joint Memorial No. 1 of 1963 could be to weaken the United States Constitution by: 1. Cutting down on the "equal protection" clause of the 14th Amendment; 2. Disturbing the traditional system of checks and balances, particularly that of judicial review; 3. Posing a threat in possibly requiring Congress under the Federal Constitution, to call a convention. Thirty-two states have passed similar memorials. If they all were to be accepted only two more states would need to take such action.

I do not believe we want such a convention called. Delegates to a convention might well not stop with one amendment on legislative reapportionment. They might go on to propose amendments restricting the Bill of Rights, circumscribing the federal courts, restricting or eliminating the income tax, even legalizing some forms of racial segregation.

I close with a quote from the philosophy of Thomas Jefferson: "Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes."

Such cities and/or their lessees shall pay to the county treasurer [and to the state treasurer moneys in lieu of real property taxes] *an excise tax for the privilege of operating a city-owned parking facility equal to the amounts which would be paid upon real property [condemned pursuant to this chapter] devoted to the purpose of off-street parking were it in private ownership. This section shall only apply to parking facilities acquired under this act.*"

Renumber the following sections consecutively.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Whetzel yielded to question.

Mr. McGavick:

"As one of the sponsors, you have been involved in the perfection of this amendment and I wonder if you could explain to me the following: I checked the city charter in Seattle relative to Senate Bill No. 471, which is this amendment, and I find the city has all the authority necessary to dispose of public lands already. Could you tell me why it is necessary to adopt this additional statutory law?"

Mr. Whetzel:

"I can only say sometime ago we adopted fifty, sixty, or ninety changes in the municipal code which also were unnecessary. Lawyers' opinions differ, and sometimes a corporation counsel of a city would rather see something specifically set forth in the statutes than some general authority they have, so we spend a great deal of time passing these laws to satisfy people they have this specific authorization. I think this is the purpose—simply to spell it out clearly."

On motion of Mr. Lewis the following amendment to the amendment by Mr. Ceccarelli to Senate Bill No. 261 was adopted on a rising vote:

On page 1 of the amendment by Mr. Ceccarelli, strike all of the old section 6 (the emergency clause renumbered Sec. 8) and renumber section 7, added by the amendment by Mr. Wolf to read "Sec. 6."

The Speaker declared the question before the House to be the adoption of the amendment by Mr. Ceccarelli as amended by Representatives Whetzel, Lewis, and Wolf.

Representative Humiston spoke against adoption of the amendment as amended.

Representatives Ceccarelli and Whetzel spoke in favor of adoption of the amendment.

Mr. McDougall demanded the previous question and the demand was sustained.

The amendment by Mr. Ceccarelli as amended by Representatives Whetzel, Lewis, and Wolf was adopted on a rising vote.

On motion of Mr. Ceccarelli, the following amendment to the title was adopted:

Raymond W. Haman,

Legal Counsel to the Governor.

State of Washington, Office of the Governor,
Olympia, April 19, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I am returning herewith, without my approval as to one item, **House Bill 304** entitled:

"An Act relating to mental retardation and mental health."

This bill is the final part of a package which I introduced to create a basis for development of a progressive community mental health and retardation program in the state. House Bill 304 contains provisions making available to local government a source of funds with which to develop these programs.

Section 14 amends RCW 70.32.080. The same statute was substantially changed in House Bill 476. The only amendment to that statute in House Bill 304 is in a portion of the statute which was deleted by the earlier bill. Therefore, if the language as contained in House Bill 476 is allowed to remain, the amendment contained in House Bill 304 is not necessary. Because I believe it was the intention of the legislature that the substantive changes in House Bill 476 not be altered by House Bill 304, I have vetoed Section 14. The remainder of the bill is approved.

Respectfully submitted,

DANIEL J. EVANS,
Governor.

MOTION

On motion of Mr. Gorton, House Bill No. 304 with the Governor's partial veto message was referred to Committee on Rules and Administration.

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign: House Bill No. 9; also House Bill No. 404; also House Bill No. 483; also Substitute House Bill No. 572; also House Bill No. 619; also House Bill No. 630; also House Bill No. 960; also House Concurrent Resolution No. 41; also Senate Bill No. 294; also Senate Bill No. 338; also Senate Bill No. 507; also Substitute Senate Bill No. 604; also Senate Bill No. 638.

EXPLANATIONS OF VOTE

Engrossed House Bill No. 595 as amended by the Senate establishes a bad precedent in setting truck weight fees as embodied in sections 56 and 57.

The legislature has had no opportunity to study the Highway Cost Allocation Study and evaluate its conclusions. The House Transportation Committee wisely decided to not act upon this report pending a two-year review of the modifications proposed. The Senate reduced truck fees for all trucks in excess of 18,000 lbs. weight without defensible supporting data.

The cost allocation study was based entirely upon an incremental cost theory, considering only the extra thickness of pavement required by truck loadings, and the extra strength needed in bridges for such loadings.

This study totally ignored the extra costs of highway construction by virtue of reduced grades required for truck operation necessitating much greater cut and fill sections and wider right of way acquisition; greater turning radii required for trucks; reduced highway capacity resulting from truck traffic; the nuisance value of trucks by virtue of noise and extra hazard to automobile drivers.

While opposing strongly the unilateral and unfounded relief provided to truckers, at the expense of all other citizens of the state, we voted for Engrossed House Bill No. 595 because of the overriding need to provide relief for the highway and street needs of the urban areas of the state.

MOTION

On motion of Mr. Gorton, the report of the Conference Committee on Engrossed Senate Bill No. 462 was adopted and the committee was granted the powers of Free Conference.

RESOLUTIONS

House Resolution No. 67-88, by Representatives Backstrom and Day:

Whereas, The passage of legislation appropriating \$2,500,000.00 for a computer center and related systems to provide the State with a modern data collection, retrieval and information system is contemplated; and

Whereas, Said data collection, retrieval and information system using computer facilities is of vital concern to the State Legislature in its surveillance over appropriations and its audit of performance by the executive branch; and

Whereas, It is a legislative duty and responsibility to assure the people such data processing systems shall not be used to invade the privacy of citizens of this State; and

Whereas, It is necessary and mandatory that rules for the exchange or mutual use of information collected and stored in computers be established, and existing rules reviewed;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Budget Committee is hereby authorized and directed to study and report to the Legislature periodically on the plans and progress related to computer applications and information systems; and

Be It Further Resolved, That the Legislative Budget Committee shall specifically direct its attention to ascertaining whether the use of such data collection, retrieval and information system is being used for the purposes intended; and

Be It Finally Resolved, That the Legislative Budget Committee shall solicit the cooperation of the Governor and the State Auditor to assure that abuses of such data collection systems will be effectively precluded, and shall submit its findings, conclusions and recommendations for legislation prior to the convening of the Forty-first Legislature.

With the consent of the House, Mr. Backstrom withdrew the resolution.

House Resolution No. 67-89, by Representatives Hurley, Day, May, Marzano, and Kink:

Whereas, Proposed expenditures from the state general fund are increased forty per cent over the general fund appropriation of the current biennium; and,

Whereas, It is common knowledge that state departments in making up their budgets, request monies well over their needs, recognizing that substantial reductions should be made; and,

Whereas, The increased needs in some areas—such as the common school fund—demand responsible economies in others; and,

Whereas, The Legislature is considering enacting further taxes to be paid by the people; and,

Whereas, Actual needs of all state government can be met with budget reductions totaling less than three per cent; and,

Whereas, If the state budget is increased by three per cent in this biennium, the people must spend three per cent less on their own living expenses because this additional amount will be extracted from them through taxes;

Now, Therefore, Be It Resolved, That the budget be taxed instead of the people, and that the free conference committee be instructed to reduce by three per cent the 1967-69 budget, excepting those amounts which are set by statute, thus requiring no new taxes and solving the fiscal problems for this fortieth session of the Legislature.

Mrs. Hurley moved the adoption of the resolution.

RESOLUTIONS

House Resolution No. 67-90, by Representatives Smith, Grant, Conner, O'Brien, Haussler, and Chatalas:

Whereas, The United States Department of Commerce reported yesterday that personal income rose to record levels in all fifty states last year with the State of Washington leading the expansion; and

Whereas, While there have been conflicting reports as to the rate of continued expansion, there appears to be universal agreement that the substantial expansion of our state's economy will continue; and

Whereas, It is as reasonable to believe that such expansion will support our state's financial burdens for the ensuing biennium as that it will not;

Now, Therefore, Be It Resolved, That this extraordinary session of the fortieth legislature should adopt the budget and adjourn without providing for any new or additional taxes and that if it appears twelve months later that an increase in taxes is required, the governor should then call a special session to meet this problem; and

Be It Further Resolved, That all members of this house who support this resolution, hereby pledge themselves to adopt such new or increased taxes as may be necessary at that time.

Mr. Smith moved the adoption of the resolution.

Mr. Gorton moved the adoption of the following amendment to the resolution:

SIGNED BY THE SPEAKER

MESSAGE FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, April 24, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I have the honor to advise that Governor Evans has approved the following House Bill, entitled:

House Bill No. 281:

Providing procedure for new residents to vote special ballots for offices of president and vice-president.

Very truly yours,

Raymond W. Haman,

Legal Counsel to the Governor.

The Speaker:

"It is our pleasure today to have an outstanding young man with us who has just won the State Optimist International Oratorical Contest. I'd like to have Representatives O'Brien, Merrill, Bagnariol, and Chatalas escort Ken LeRoy to a place on the rostrum beside the Speaker.

"At this time I'd like to have Representative O'Brien present Ken to the members of the House of Representatives."

Mr. O'Brien:

"Mr. Speaker and ladies and gentlemen of the House, it is my great pleasure to present to you an outstanding young man who has certainly gone a long way in the field of public speaking. He is the winner of the State Optimist International Oratorical Contest and is going to participate in the national contest. Ken is sixteen years old and in the tenth grade at Rainier Beach High School, just outside my district. He has been in the Optimist speaking program for five years. This program is for the age range of eleven to sixteen years. He is planning to study law in college. I hope while you are down here, Ken, you don't get a bad impression of attorneys in our legislature. He plays football, fishes, and likes boating. He lives near Lake Washington and, of course, loves all water sports. As winner of this contest, he received a thousand dollar scholarship. He lives in the 35th District which is Representatives Merrill's and Bagnariol's district. He is a student at Rainier Beach High School, and his coach was Representative Chatalas' son, Bill. He is a member of St. Timothy Church and Master of Rolls for the Order of St. John's acolytes. It is my pleasure to present to you Mr. Ken LeRoy, who will say a few words to us. And, Ken, what I said about attorneys isn't true. They render a valuable service to the legislature. I present to you Mr. Ken LeRoy."

Mr. LeRoy:

"Mr. Speaker, ladies and gentlemen of the House, the title of my oration is 'Patriotic Citizenship Needs Optimism.' What is this America all about? Is it the uncrossed desert? Is it the harvest sleeping in the unplowed ground? All of that, and more. America is the promise of freedom, daring to be kept, as strong and struggled, to see that it is kept. What kind of citizen does democracy demand in order that it may endure? We need citizens who will maintain a critical, inquiring eye upon their government. They should not obey its ethics with blind devotion, but constantly measure the integrity of its laws. We need critical thinkers, energetic doers, earnest devotees of democracy. These are the chief tools for a patriotic citizenship in America

today. Democracy is a way of life, an attitude of man toward his fellow man, a dynamic changing force, that has kept going by constant attention, by a vital passion for truth, justice, morality, and integrity. We must realize that if democracy is to work, good local government must be the foundation. If local government is efficient and serves a purpose for which its citizens founded it; by so doing, it creates constantly before the citizens a living example of democracy in action; but the citizen must realize that democracy will not function unless he commands it and does his part to secure it. Does this then mean that we all must take up arms and face enemies of democracy? In a way, yes. We have shown on a thousand battlefields that we are not afraid to die. Willingness to defend that faith makes it real. Therefore, this generation and every new generation must embrace anew this fragile, yet precious concept. We must learn that effective defense of democracy may be more difficult in peace than in war. We need men who are unashamed and vocal about their love for their country. Too little is expressed in behalf of the American system of government and the freedoms we enjoy because of it. Many of us have forgotten that along with the freedom to be critical of the government goes the obligation to support and strengthen it. The flag which we hail will fly boldly over us only as long as we are willing to pour out our life to see that it does. Such was the vision and daring of our ancestors. May God help us to be no less bold for our day. Thank you."

Mr. O'Brien:

"Ken, that was really a very inspiring address, and I am sure you greatly impressed the members of this legislature. Thank you very much."

The Speaker:

"May I express my appreciation, Ken, on behalf of the House. We certainly wish you the best of luck in your national championship contest."

The committee escorted Mr. Ken LeRoy from the rostrum.

MOTION

On motion of Mr. McDougall, the House recessed until 2:00 p.m.

AFTERNOON SESSION

The Speaker called the House to order at 2:00 p.m.

The Clerk called the roll and all members were present except Representatives Backstrom, Conner, Harris, Kink, Litchman, Newschwander, Reese, Rosellini, and Sawyer. Representatives Harris, Litchman, Reese, and Rosellini were excused.

Olympia, Wash., April 24, 1967.

Mr. Speaker:

The Senate has passed Engrossed House Bill No. 934 with the following amendments:

On line 5 of the title after "RCW" and before the period, insert "; declaring an emergency and prescribing effective dates"

On page 2, line 30, strike "in the year the taxes are payable" and insert "[in the year the taxes are payable]"

On page 2, line 31, after "program of" and before "appraisal" insert "assessments,"

On page 4, line 32, after "authorized" and before "by" strike "or levied"

On page 5, after section 6 insert the following:

"Sec. 7. Section 36.21.011, chapter 4, Laws of 1963 and RCW 36.21.011 are each amended to read as follows:

Any assessor who deems it necessary to enable him to complete the listing and the valuation of the property of his county within the time prescribed by law, (1) may appoint one or more well qualified [citizens of his county] persons to act as his assistants or deputies; and each such assistant or deputy so appointed shall, under the direction of the assessor, after taking the required oath, perform all the duties enjoined upon, vested in or imposed upon assessors, and (2) may contract with any persons, firms or corporations, [regardless of their residence,] who are expert appraisers, to assist in the valuation of property.

To assist each assessor in obtaining adequate and well qualified assistants or deputies, the state department of personnel, after consultation with the Washington state association of county assessors, the Washington state association of county commissioners and the department of revenue, shall establish by July 1, 1967, and shall thereafter maintain, a classification and salary plan for those employees of an assessor who act as appraisers. The plan shall establish the salary range and employment qualifications for each position encompassed by it, and shall, to the fullest extent practicable, conform to the classification plan, salary schedules and employment qualifications for state employees performing similar appraisal functions.

If an assessor intends to put such plan into effect in his county, he shall inform the department of revenue and the board of county commissioners of this intent in writing. The department of revenue and the board may thereupon each designate a representative, and such representative or representatives as may be designated by the department of revenue or the board, or both, shall form with the assessor a committee. The committee so formed shall, by unanimous vote, determine the required number of certified appraiser positions necessary to enable the county assessor to carry out the requirements relating to revaluation of property in chapter 84.41 RCW. The determination of the committee shall be certified to the board of county commissioners. The committee provided for herein may be formed only once in a period of four calendar years.

After such determination, the assessor may provide, in each of his four next succeeding annual budget estimates, for as many positions as are established in such determination. Each board of county commissioners to which such a budget estimate is submitted shall allow sufficient funds for such positions. An employee may be appointed to a position covered by the plan only if the employee meets the employment qualifications established by the plan.

NEW SECTION. Sec. 8. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

To carry out the constitutional and statutory mandate that all property shall be assessed at fifty percent of its true and fair value in money, the department of revenue, in exercise of its duty to supervise and control the county assessors and the boards of equalization in the administration of the tax laws to the end that equalization and uniformity is secured throughout the state, shall by appropriate order or orders require all county assessors and county boards of equalization to assess the property within their respective counties at the fifty percent ratio. To compensate for the increase in tax burden which is likely to result from the effectuation of such order or orders or from any other occurrence or action which would result in the adoption of the fifty percent ratio, it is the intention of the legislature by the adoption of this 1967 amendatory act, to place an additional limitation on all levies the authorization for which is not dependent upon a vote of the electors within the taxing district.

Sec. 9. Section 84.40.030, chapter 15, Laws of 1961 and RCW 84.40.030 are each amended to read as follows:

All property shall be assessed fifty percent of its full true and fair value in money. In determining the full true and fair value of real or personal property, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation; nor shall he adopt as a criterion of value the price for which the said property would sell [at auction, or] at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such price as he believes the same to be fairly worth in

money at the time such assessment is made. [The true cash value of property shall be that value at which the property would be taken in payment of a just debt from a solvent debtor.] *Full true and fair value shall mean the amount of money which a purchaser willing, but not obliged, to buy would pay a seller willing, but not obliged, to sell, considering all uses to which the property is adapted and might reasonably be applied.* In assessing any tract or lot of real property, the value of the land, exclusive of improvements, shall be determined; also, the value of all improvements and structures thereon and the aggregate value of the property, including all structures and other improvements, excluding the value of crops growing on cultivated lands. In valuing any real property on which there is a coal or other mine, or stone or other quarry, the land shall be valued at such price as such land would sell at a fair, voluntary sale for cash; any improvements thereon shall be separately valued and assessed as hereinabove provided; and any personal property connected therewith shall be listed, valued and assessed separately as other personal property is assessed under general law. Taxable lease-hold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash.

NEW SECTION. Sec. 10. There is added to chapter 15, Laws of 1961 and to chapter 84.40 RCW a new section to read as follows:

On or before June 15 of each year, the assessor shall give notice of any change in the full true and fair value of real property for the tract or lot of land and any improvements thereon.

The notice shall contain a statement of the true and fair value on which the assessment of the property is based, and a brief statement of the procedure for appeal to the board of equalization and the time, date, and place of the meetings of the board.

The notice shall be mailed by the assessor to the taxpayer and a copy thereof shall be sent by the assessor to the legal owner of the property, if such is different from the taxpayer and the name and address are known to the assessor.

A legal owner may submit his or its name and address to the assessor, indicating therewith the property owned by the legal owner and requesting that a copy of the notice be mailed to the legal owner.

NEW SECTION. Sec. 11. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

In addition to any other limitation provided by law, the levies by or for the state and taxing districts for property tax purposes shall be limited to rates of millage on the dollar of assessed valuation as follows:

- | | | |
|--|-----|--------|
| (1) By or for the state | 2.0 | mills; |
| (2) By or for cities or towns, including firemen's pension fund revenue | 8.0 | mills; |
| (3) (a) By or for counties for general county purposes | | |
| (i) Class AA, class A, and counties of the first, second, and third classes | 4.0 | mills; |
| (ii) counties of the fourth and ninth classes..... | 4.5 | mills; |
| (iii) all other classes of counties | 5.5 | mills; |
| (b) By or for counties for road district purposes..... | 5.0 | mills; |
| <i>Provided, That taxes in the aggregate in all except counties of the fourth and ninth classes for general county purposes and road district purposes shall not exceed.....</i> | 9.0 | mills; |
| <i>and in fourth and ninth class counties for such purposes shall not exceed</i> | 9.5 | mills; |
| (4) By or for agricultural pest control districts | 2.5 | mills; |
| (5) By or for cemetery districts | .25 | mills; |
| (6) By or for ferry districts | 2.5 | mills; |
| (7) (a) By or for fire protection districts..... | 1.0 | mills; |
| (b) By or for fire protection districts (unclaimed or released millage) | 1.0 | mills; |
| (8) By or for public hospital districts | 1.5 | mills; |
| (9) By or for county rural library districts..... | 1.0 | mills; |
| (10) By or for intercounty library districts..... | 1.0 | mills; |
| (11) By or for metropolitan park districts | 1.5 | mills; |
| (12) By or for water districts maintaining fire departments..... | 1.0 | mills; |
| (13) By or for water distribution districts..... | 5.0 | mills; |
| (14) By or for flood control districts (1937 Act)..... | 1.0 | mills. |

Within and subject to any priorities otherwise provided by law, millages enumerated in subsections (1) through (14) of this section shall not in the aggregate exceed fourteen mills per dollar of assessed valuation. When any assessor shall find that the aggregate rate of levy by the state and taxing districts specified in this section on any real or personal property will result in the aggregate limitation fixed therefor by this section being exceeded, he shall recompute and establish a consolidated levy in the following manner:

(A) He shall include for extension on the tax rolls the full rates of levy certified to him for state, county, county road district, and city purposes in amounts not exceeding the limitations established by this section for such taxing districts: *Provided*, That in counties of the fourth and ninth class, the last one-half mill may be utilized by junior taxing districts and if so utilized shall be prorated as provided in subdivision (B) of this section.

(B) He shall include for extension on the tax rolls the rates percent of the tax levies certified to him by all other taxing districts imposing taxes on such property, other than port districts, public utility districts and school districts, reduced by him in such uniform percentages as will bring the consolidated tax levy on such property within the aggregate limitation provided for by this section.

This section shall not prevent the levy of additional taxes as authorized by RCW 84.52.052 and 84.52.056 and shall not apply to taxes imposed by any excess millage levy under the provisions of Article VII, section 2 of the Constitution of the state of Washington and chapter 84.52 RCW.

NEW SECTION. Sec. 12. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

(1) In addition to any other limitation provided by law, the levy by or for a school district for property tax purposes shall be limited to a millage rate which will produce revenue equal to that amount of revenue which would be produced by a levy of seven mills upon the assessed valuation of all taxable property within the school district, adjusted to fifty percent of the true and fair value thereof as determined by the department of revenue's indicated county ratio. For purposes of facilitating compliance with this subsection, the county assessor shall forward to the state department of revenue, on or before the first day of August next following the July meeting of the county board of equalization, an abstract containing the total assessed value of locally assessed real and personal property within each school district, or part thereof, within the county, as equalized by the July meeting of the county board of equalization. The department of revenue shall, on or before September 1st of each year, certify to each school district its determination of the assessed value of all taxable property within the district adjusted to fifty percent of the true and fair value thereof as determined by the department of revenue's indicated county ratio.

(2) Subject to the limitation of subsection (3), additional levies by or for a school district for maintenance and operations only, in excess of those permitted by subsection (1) may be made when specifically authorized for either one year or two successive years by a majority of at least three-fifths of the electors thereof voting on the proposition submitted not more than twelve months prior to the date on which the first proposed levy is to be made, either at a regular school district election or a general state election. Such election shall be held in the manner provided by law for holding general elections at such time as may be fixed by the board of directors of the school district by giving notice thereof by publication in the manner provided by law for giving notices of general elections. No district shall submit to the electors upon the authority of this subsection a proposition to authorize additional levies under this subsection to be made for any year for which such electors have previously authorized a levy under the authority of this subsection. A school district may, however, in any year submit to the electors a proposition to substitute for a prior authorization under this subsection a new authorization effective with respect to taxes to be levied thereafter.

(3) The aggregate amount of levies allowable under subsections (1) and (2) of this section shall be limited to a rate of fourteen mills upon the dollar of assessed valuation of all taxable property within the district, as determined by the state department of revenue for state assessed property and by the appropriate local officials for locally assessed property.

(4) Notwithstanding any other provision of this section or any other provision of law, county commissioners, in making levies for a school district, shall act in a ministerial capacity only.

(5) This section shall not prevent the levy of additional taxes as authorized by RCW 84.52.052 and 84.52.056 and shall not apply to taxes imposed by any excess millage levy under the provisions of Article VII, section 2 of the Constitution of the state of Washington and chapter 84.52 RCW.

NEW SECTION. Sec. 13. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

Any levy authorized by law which is not specifically limited by sections 11 and 12 of this 1967 amendatory act, and the authorization for which is not dependent upon a vote of the electors within the taxing district is hereby limited by the provisions of this section 13 to a maximum rate of millage per dollar of assessed valuation which is equal to one-half of the maximum rate authorized in and by the statute or statutes prescribing the levy.

NEW SECTION. Sec. 14. There is added to chapter 15, Laws of 1961 and to Title 84 RCW a new section to read as follows:

The limitations provided for in sections 11, 12 and 13 of this 1967 amendatory act are additional to and cumulative with any other limitations prescribed by law. The provisions of sections 11, 12 and 13 of this 1967 amendatory act constitute limitations only and shall not be construed as authorizing any additional tax or increased rate of levy than is otherwise provided for by law, nor as changing or impairing priorities among taxing districts or otherwise affecting any other provision of law.

NEW SECTION. Sec. 15. It is not the intent of this act that increases in assessed valuation directly resulting from enforcement of the provisions of section 8 shall affect the amount of bond indebtedness or excess levies to be used as criteria in determining the eligibility of a school district for allotments of state matching funds for school building construction.

NEW SECTION. Sec. 16. This 1967 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and sections 1 through 7 of this 1967 amendatory act shall take effect immediately; and sections 8 through 14 of this 1967 amendatory act shall take effect on January 1, 1968: *Provided*, That an election may be held in a school district in the calendar year 1967 pursuant to subsection (2) of section 12 of this 1967 amendatory act to authorize excess levies as permitted therein, to be added to the levies to be made in 1968 for collection in 1969.

Sections 1 through 6 of this 1967 amendatory act shall expire on January 1, 1968., and the same is herewith transmitted.

Senate Bill No. 261 was adopted and the committee was granted the powers
of Free Conference.

REPORT OF FREE CONFERENCE COMMITTEE

Olympia, Wash., April 23, 1967.

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred Engrossed Senate
Bill No. 630, creating a board of ethics in each house of the legislature, have had the
same under consideration, and we recommend that the attached bill be substituted
therefor and that it do pass.

An Act creating boards of legislative ethics; prescribing powers, duties and func-
tions; providing procedures in relation thereto; and declaring an emergency.

Be It Enacted By the Legislature of the State of Washington:

NEW SECTION. Section 1. Definition of terms:

(1) "Legislator" means a current member of the Senate or House of Representatives of the State of Washington. The term shall include an appointee to either house.

(2) "Board" or "board of ethics" means the senate board of legislative ethics or the house board of legislative ethics, created by this act, or the joint board, whichever is appropriate.

(3) "Unethical conduct" means any conduct which constitutes a violation of chapter 42.21 RCW, as now or hereafter amended, or of any other constitutional provision, statute, rule or joint rule prescribing standards of conduct or a code of ethics for legislators.

(4) "Legislative employee" means any person employed by either house on a temporary or permanent basis, as well as any employee of a permanent or interim legislative committee.

NEW SECTION. Sec. 2. There is created within each house of the legislature a board of legislative ethics composed of eight members. Prior to the close of the present session of the legislature the respective chairmen of the majority and minority senate caucuses shall each appoint two senators from their own caucus and in addition thereto shall each appoint two persons who are not active members of the legislature to serve as lay members of the senate board, and the eight members so selected shall constitute the senate board of ethics; and the respective chairmen of the majority and minority caucuses in the house of representatives shall each appoint two members from their own caucus and in addition thereto shall each appoint two persons who are not active members of the legislature to serve as lay members of the house board, and the eight members so selected shall constitute the house board of ethics. All such appointments of legislative and lay members shall be subject to the consent of the caucus wherein the appointment is made. The terms of legislative members shall be until they are no longer a member of the legislature or until their successors are appointed, whichever is sooner, and the terms of lay members shall be until their successors are appointed; and no member shall be removed during his term except for cause. Successors to legislative and lay members shall be appointed on the day on which the next succeeding regular session of the legislature shall adjourn *sine die*: *Provided*, That if prior to such adjournment *sine die*, the governor shall have proclaimed an extraordinary session of the legislature, the appointments shall not be made until the day on which such extraordinary session shall adjourn *sine die*. Legislative and lay members shall both be eligible for reappointment. Vacancies in the position of legislative or lay members shall be filled by the same appointing power and in the same manner as for the member vacating. The members of each board shall elect as chairman a legislator member thereof.

NEW SECTION. Sec. 3. The jurisdiction of the respective boards of ethics created by this act shall be strictly limited to the consideration of the conduct of the members of its own house and the conduct of employees of its own house.

NEW SECTION. Sec. 4. Each lay member appointed by the respective caucus chairmen shall within thirty days after his appointment sign and file an affidavit with the secretary of the senate or the chief clerk of the house of representatives, whichever is appropriate, that during his term of office he will not engage in any legislative activity designed to defeat or enhance the passage of any legislative bill or measure. Upon the failure of a lay member to sign and file an affidavit as required by this section, the chairman of the board to which he was appointed shall declare his seat vacant.

NEW SECTION. Sec. 5. The boards may meet as frequently as they deem necessary, whether or not the legislature is in session. For attendance at meetings during the interim or in attending to other business of his board during the interim, each legislative member shall be entitled to the allowances provided for in RCW 44.04.120, and each lay member shall be entitled to twenty-five dollars per diem and a travel allowance of ten cents per mile from funds appropriated for that purpose.

All expenses incurred by a board or any member thereof shall be paid upon voucher forms as provided by the budget director and signed by the chairman of the board or his designee: *Provided*, That vouchers for the expenses of the joint board shall be signed by the chairman of the legislative council and attested by the chairman of the joint board.

A majority of a board shall constitute a quorum.

NEW SECTION. Sec. 6. The boards jointly shall:

(1) Prepare for the adoption by the forty-first legislature a code of ethics to govern the conduct of the members and employees thereof, and may from time to time

present to the legislature amendments or revisions to the code. The code of ethics shall follow the following principles: In private transactions, or activities involving an economic benefit to himself, and in the exercise of official responsibility, a legislator should avoid (a) action which destroys his independence of judgment as a legislator, (b) involves undue influence upon any state agency, court, or governmental subdivision, or (c) constitutes an abuse of his official position or a violation of his trust.

The code, and each revision or amendment thereto, shall be prepared in the form of joint rules of the senate and the house of representatives and shall be submitted in the form of a concurrent resolution at the commencement of the forty-first session of the legislature, and any revision or amendment thereto shall be submitted at the next session of the legislature following its preparation. Such code, or revision or amendment thereof, when adopted, shall become effective as standards of conduct for the members and employees of the legislature.

For the purpose of complying with the provisions of this section, the joint board shall select a chairman who may be either a legislator member or a lay member, a vice chairman and a secretary; and meetings of the joint board shall be called by the chairman when deemed necessary for the performance of the duties of the joint board.

The code submitted to the legislature for adoption shall be approved by a majority of the members of the joint board.

(2) To recommend other legislation and other action relating to legislative ethics.

(3) Investigate possible unethical conduct of employees of legislative interim committees in the same manner as hereafter specified for employees of one house.

NEW SECTION. Sec. 7. Each board shall have the following powers, duties and functions:

(1) Upon the request of any member of its own house or whenever in a board's judgment the public interest requires, to render advisory opinions with regard to questions arising under the code of legislative ethics or statutes governing legislative ethics or conduct, or other issues involving legislative ethics. Such advisory opinions, with such deletions and changes as shall be necessary to protect the identity of the persons involved or seeking them, shall be published by the board periodically.

(2) Whenever in a board's judgment the public interest requires, to investigate possible unethical conduct by one or more members of its own house or by a legislative employee of its own house as to violations of the code of legislative ethics or statutes governing legislative ethics. Any such investigation shall be conducted in accordance with the following procedures:

(a) When the conduct of a particular legislator or legislative employee is under investigation, and a board decides to hold a hearing thereon, such legislator or legislative employee shall receive at least thirty days' written notice of the matters under investigation, and shall be entitled to present evidence, cross-examine witnesses and be represented by counsel.

(b) Because hearings conducted by a board may, in some cases, involve alleged misconduct by particular legislators or legislative employees, the board shall hold hearings in closed session and the fact that hearings are being held or are to be held shall also be regarded as confidential information. However, any legislator or legislative employee who has received a notice of hearing under the terms of subparagraph (a) above, may advise the board that he elects that such hearing be public and the board shall be bound by the election if such election was made in writing and formally presented to the chairman of the board not less than seven days prior to the date set for the hearing.

(c) A board may designate a subcommittee of the board to conduct hearings. The board, or if designated thereby, any member or subcommittee of the board, may issue subpoenas for the attendance and testimony of witnesses and the production of documentary evidence relating to any matter under examination by the board or involved in any hearing, administer oaths or affirmations, examine witnesses and receive evidence. In case of disobedience to a subpoena, the board may invoke the aid of any superior court of the state. Such court may, in case of refusal to obey a subpoena issued to such person, issue an order requiring such person to appear before the board, or to produce documentary evidence, or to give evidence, and any failure to obey such order may be punished by that court as contempt. Notwithstanding any other provision of law, every public official, state agency, and local governmental unit shall furnish to the board any documents, records, data, statements or information which the board designates as being necessary for the exercise of its functions, powers or duties.

(d) Members of a board shall disqualify themselves in any case involving a legislator or legislative employee whom they cannot judge impartially. No finding of unethical conduct on the part of any legislator shall be valid unless signed by at least two-thirds of the members of the board who have not disqualified themselves.

(e) All testimony, documents, records, data, statements or information received by a board in the course of any investigation shall be held private and confidential except in the course of a public hearing. If the board shall make a finding of unethical conduct, it shall transmit its findings and recommendations as provided in subsection (f) of this section.

(f) Whenever a board finds that a legislator or legislative employee has engaged in unethical conduct, the board shall report its findings and recommendations directly to the rules committee of its own house, or to such other officer or committee as may be provided in the rules of such house, for such action as may be appropriate. The report shall include a recommendation as to whether the findings should remain confidential or become a matter of public record. A copy of the report shall be sent, by registered mail, to the legislator or legislative employee under investigation. The board shall notify the appropriate law enforcement agency directly if the board makes a finding that it has reasonable grounds to believe that a criminal violation of chapter 42.21 RCW or chapter 9.18 RCW has occurred.

(3) To provide a continuing program of education, assistance, and information to legislators with regard to legislative ethics.

(4) To make such rules for its own functioning and exercise such powers as may be appropriate for the discharge of the responsibilities of the board not in conflict with this act or the joint rules of the legislature.

NEW SECTION. Sec. 8. The legislative council shall provide necessary staff services to the board.

NEW SECTION. Sec. 9. Nothing contained in this act shall prevent the discharge of any legislative employee without recourse to the provisions hereof.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Senate Joint Resolution No. 20, by Senators Ridder, Metcalf, and Gissberg:

Amending Constitution to change voting requirements as to excess levies.

House of Representatives,
Olympia, Wash., April 13, 1967.

Mr. Speaker:

We, a majority of your Committee on Revenue and Taxation, to whom was referred **Senate Joint Resolution No. 20**, amending Constitution to change voting requirements as to excess levies, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

Beginning on page 1, line 27, after "more than" strike all the material down to and including "district" on page 2, line 3 and insert "[twelve] *twenty-four* months prior to the date [on which] for making the proposed levy or levies [is to be made] and not oftener than twice in [such] any twelve month period, either at a special election or at the regular election of such taxing district"

On page 2, line 6, after "election]" and before the semicolon, insert ": *Provided, However, That no taxing district shall submit to the electors thereof a proposition to authorize the levy of additional tax upon the authority of this subsection (a) to be made in any year for which the electors previously have authorized the levy of additional tax under the authority of this subsection (a), unless the proposed*

authorization is submitted to the electors by a proposition to substitute for the prior authorization under this subsection (a) a new authorization the amount of which will be adequate to fulfill all contractual obligations of the taxing district incurred by reason of the prior authorization, and unless the substitute proposition shall by its terms supersede the prior authorization and then be in lieu of any additional tax authorized by but not yet levied upon the authority of the superseded authorization"

Mary Ellen McCaffree, *Chairman*,
Francis E. Holman, *Vice Chairman*.

We concur in this report: John Bagnariol, Dave Ceccarelli, Newman H. Clark, Slade Gorton, Gary Grant, Edward Heavey, Mrs. Joseph E. Hurley, Doris J. Johnson, Frank Marzano.

The resolution was read the second time.

On motion of Mrs. McCaffree, the committee amendments were adopted.

Mr. Brouillet moved the adoption of the following amendment:

On page 1, line 24, after "district" and before "when" insert "including school and library districts"

MOTION

Mr. Holman moved that his amendment be substituted for the amendment by Mr. Brouillet.

RULING BY THE SPEAKER

The Speaker:

"I think on this procedure, we will debate Mr. Brouillet's amendments first. He has six amendments that cover the same general area as Mr. Holman's amendments. We will have Mr. Brouillet explain to the House his entire six-amendment package, then we will place Mr. Holman's amendments before us for consideration."

Representative Brouillet spoke in favor of adoption of the amendment.

YIELDING TO QUESTION

At the request of Mr. Copeland, Mr. Brouillet yielded to question.

Mr. Copeland:

"Mr. Brouillet, would your series of amendments in effect take the material contained in Senate Joint Resolution No. 23 and insert it in this bill?"

Mr. Brouillet:

"It is the same idea, yes."

POINT OF ORDER

The Speaker recognized Mr. Copeland on a point of order.

Mr. Copeland:

"I raise a point of order that since this matter is duly before a committee in the House in the form of Senate Joint Resolution No. 23, Rule 33 would preclude Mr. Brouillet from offering these amendments."

RULING BY THE SPEAKER

The Speaker:

"I think, Mr. Copeland, that we have covered this point of order on a number of occasions and I have been rather lenient. Since this is not the identical language of Senate Joint Resolution No. 23, and there have been some substantive changes in the amendment by Mr. Brouillet, I think it would be in order at this time."

YIELDING TO QUESTION

At the request of Mr. McDougall, Mr. Holman yielded to question.

Mr. McDougall:

"Mr. Holman, I presume that you had the opportunity to see Mr. Brouillet's amendments. Could you comment as to how the particular set of amendments you will be proposing to the body compare with Mr. Brouillet's amendments?"

Mr. Holman:

"Yes, I would be very happy to. I believe every member has a copy of my proposed amendments on this subject on his desk. As Mr. Brouillet says, what his amendments would do would be to provide some relief from the requirement now in the Constitution that a measure must receive a sixty percent majority vote in order to be valid. It would at the same time eliminate the forty percent voter requirement. In effect, as he just said, this would substitute Senate Joint Resolution No. 23 for Senate Joint Resolution No. 20. In discussing this subject, I would like to remind the House that there are these two features in the law at the present time which have on increasing occasions caused very great difficulties to local taxing districts, particularly school districts, in securing the voter approval of certain essential measures such as special levies for maintenance and operation and also capital improvement levies and bond issues. It is said that the voters might allow us to get rid of one but not the other, and the question is, Which one are we most likely to get rid of? This brings me to a discussion of which philosophically is least attractive. This is only a personal opinion, but in my experience I have found that in our district we have had the most difficulty with the forty percent voter turnout. Mr. Brouillet made a good case for the fact that many levies fail because they don't attract the sixty percent majority. This is a question each of you will have to decide in your own mind, and perhaps decide the question as to whether voters will be willing to get rid of both or give substantial relief on both.

"My amendments, which you have on your desks, have a little different slant. The intent is to try to handle both problems. I present them to you as a means by which to present to the voters what I consider to be a good solution to the problem. I hope I am not taking too long to explain this, but I think it is an important matter and I would like to go into detail. I imagine the reason we put the sixty percent requirement in the Constitution many years ago was because it was felt to be unfair to the property owner for a group of citizens who were voters, but might not be property owners, to cast upon the property owner a tax burden for which perhaps he didn't have a chance to vote. In many districts there are people who own property who don't live there, so philosophically there is a good reason for saying if you are going to have an election on a matter of this type, it is a good idea to have a pretty substantial vote to put on an excess levy, in order to be fair to the property owner who can't vote. That was the reason for requiring the sixty percent majority. Also, out of an abundance of caution, they put in the requirement that the voting turnout would have to be of some substantial size, and they picked forty percent. Now, the forty percent requirement is somewhat meaningless if you have a general election, because of course you will get the forty percent of the preceding election. Incidentally, however, as far as I have been able to determine, we are the only state in the nation which says you have to have a minimum turnout in order to validate an election. This places a premium on not voting for those who oppose the issue. I don't believe it is a democratic procedure, and I don't believe it should be supported. Senate Joint Resolution No. 20 is entirely justified and I believe it would be passed by the voters. In order to treat the sixty percent requirement so people can vote on the whole problem at once, I worked out this suggestion which you have on your desk. It is simply this, at any election in either case you will have to have sixty percent of something; that is, either sixty percent total vote of the last general election, in which case that is a big enough expression of opinion, or in those cases where you didn't get a sixty percent turnout, then I would agree that you should have a pretty substantial majority, such as sixty percent. So either way you have the sixty percent. Either sixty percent turnout and simple majority or else sixty percent majority. If you have studied the amendment you will notice it takes four changes in the Constitution to do this. I would also point out that this would also apply to elections for bond issues and building fund levies which I don't believe Senate Joint Resolution No. 23 handled. Also, in answer to a question posed to me a minute ago, it relates to any taxing district, so library districts are included as well, and cities and towns or any taxing district which wishes to present to the voters a special levy. I think this is a good compromise. I have discussed it with teachers' organizations. They think it is sound and would be accepted by the voters. We won't know that, of course, until it is tried, but at least I offer it for the consideration of the House. At the present time, though, I believe it is not before you."

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Brouillet yielded to question.

Mr. Smith:

"Mr. Brouillet, for my own edification, after hearing Mr. Holman explain his amendment, which in your opinion would the teachers' association prefer?"

Mr. Brouillet:

"That depends. I think they would prefer either one they could get. I would just say that my proposed amendment is not quite as general as Mr. Holman's. Perhaps I should be a little more liberal, but I have attempted to retain the forty mill limit and limit it to library districts, not all taxing districts. I think Mr. Holman's amendment has a lot of merit and I could vote for it, but I have tried to be somewhat conservative. To answer your question, I think either approach we could sell would do the job. I think it is up to the House to decide what approach they want to take and perhaps which would be easiest to explain to the voters."

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Holman yielded to question.

Mr. Smith:

"Mr. Holman, in your discussion I believe you said that if you had a sixty percent turnout of the voters, that a simple majority would do the trick for passing a levy, but if you had less than sixty percent then you would have to have sixty percent of that sixty percent. I think you meant if you had less than forty percent."

Mr. Holman:

"I don't know how I said it, but I will say it again. If the total vote at the election did not exceed sixty percent of the last general election, then you would need to have a sixty percent majority."

Mr. Smith:

"Don't you mean forty percent, not sixty percent, of the last general election?"

Mr. Holman:

"The total turnout would have to be sixty percent, then you could pass it by a simple majority."

Mr. Smith:

"As it stands now, all you have to have is forty percent, and then sixty percent to vote for the idea. You are raising the amount."

Mr. Holman:

"That is correct, but I think it would be academic, because if you put the measure on at the time of a general election, you are bound to get sixty percent of the previous election and then you can pass it by simple majority. However, if you have it in March where you are not going to get a sixty percent turnout, you would have to have a sixty percent majority, but not forty percent or any other minimum of voter turnout."

Mr. Smith:

"It appears that his proposal doesn't come out as liberal as I thought it would, in that when an election is held other than in general election years the forty percent requirement would be there and also the sixty percent requirement would be there."

Mr. Holman:

"No, sir, that is not right. If you have an election in March or May for example, and if you have a sixty percent turnout you could pass it by a simple majority, but there is no requirement of any minimum."

Mr. Smith:

"In other words, it would be a sixty percent majority even if twenty percent voted for the proposition. This is just the reverse of what I was thinking. I'm not sure yet what I was thinking."

Mr. McDougall spoke in favor of Mr. Holman's proposal rather than Mr. Brouillet's amendment.

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Holman yielded to question.

Mr. Moon:

"We have had an expression of opinion as to what the W.E.A. would prefer from Representative Brouillet. Could you, as a school director, give an opinion as to what the School Directors' Association might feel on the merits of the two amendments?"

Mr. Holman:

"I can give my own impressions after having attended the annual sessions of the Washington School Directors' Association for about ten years. All of them want to do something about this subject, but you can't find a majority on anything. It is almost as bad as this House of Representatives. But, frankly, they are concerned that if you lower the bars too much, that it not only will not pass the voters, but it would really not be fair to the property owner, and this is what I am concerned about. Probably some friends of mine in the House will think I have gone a lot farther than I should, but I have considered this. I think when you levy a tax on property and you are not sure that all the property owners will be able to vote, you should demand that the measure pass by a substantial majority such as sixty percent or else demand a substantial turnout. Many times a property owner can't vote because he owns a vacant lot in the district and lives someplace else. You should demand one condition or the other, and sixty percent seemed to me a rather arbitrary figure but seemed a good one, and then you could pass it by a simple majority. I think most school directors would look at the issue just like we do here and come up with a consensus, and whether or not they would agree with me, I can't say."

Representatives Grant and King spoke in favor of the amendment by Mr. Brouillet.

MOTION

Mr. Holman moved that his amendment be substituted for Mr. Brouillet's amendment.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

Representatives Kink and Sawyer appeared at the bar of the House.

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Holman yielded to question.

Mr. McGavick:

"Mr. Holman, a question came to mind. It is my memory that in Seattle consistently in school levies we have had a sixty percent turnout of the voters participating on many occasions, but they have not voted on the school levy. In other words, they voted on every other measure except the school levy. Would that problem still persist if your amendments were adopted?"

Mr. Holman:

"I think your assumption is in error. I believe that the falloff on any kind of election in Seattle has never been as great as sixty percent on school issues. I think the time school issues have not received large votes is when they have not been held during a general election."

Mr. McGavick:

"At the last election we had well over sixty percent of the previous election voting, but the school levy itself received fewer votes, for example, than the hospital bond, so we had to have a special levy."

Mr. Holman:

"No, I think your assumption is wrong. I think the fifty-nine percent was the majority vote. The total vote of a school election held in conjunction with a general election has never been below sixty percent."

Representative Elicker spoke in favor of the motion by Mr. Holman.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Speaker stated the question before the House to be the motion by Mr. Holman that his amendment be substituted for Mr. Brouillet's amendment.

The Clerk called the roll on the motion by Mr. Holman, and the motion was carried by the following vote: Yeas, 58; nays, 33; absent or not voting, 8.

Those voting yea were: Representatives Adams, Avey, Barden, Berentson, Bledsoe, Bluechel, Bottiger, Bozarth, Brazier, Chapin, Charette, Clark (Newman H.), Clocksin, Copeland, Cunningham, Day, Elicker, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Gorton, Hill, Hoggins, Holman, Hubbard, Hurley, Johnson, Jolly, Juelling, Kalich, Kiskaddon, Kopet, Lewis, Lux, Lynch, May, McCaffree, McDougall, McGavick, Moon, Morrison, Murray, Newhouse, O'Dell, Richardson, Saling, Smythe, Spanton, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Zimmerman, Mr. Speaker—58.

Those voting nay were: Representatives Amen, Anderson, Bagnariol, Beck, Brouillet, Ceccarelli, Chatalas, Clarke (George W.), DeJarnatt, Garrett, Grant, Haussler, Hawley, Heavey, Humiston, Jastad, King, Kink, Kirk, Leckeny, Leland, Mahaffey, Marsh, Marzano, McCormick, Merrill, O'Brien, Perry, Sawyer, Sheridan, Smith, Sprague, Walgren—33.

Those absent or not voting were: Representatives Backstrom, Conner, Harris, Litchman, Newschwander, Reese, Rosellini, Taylor—8.

Mr. Holman moved the adoption of the following amendment:

Strike the amendment by Representative Brouillet and on page 1, line 25, after "majority" strike "of at least three-fifths" and insert "[of at least three-fifths]" and on page 2, beginning on line 3, after "district" strike all of the material down to the semicolon on line 6 and insert ", at which election the total number of persons voting on the proposition shall constitute not less than [forty] sixty per centum of the total number of votes cast in such taxing district at the last preceding general election"

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Smith on a point of parliamentary inquiry.

Mr. Smith:

"By the past motion we are not acting on Mr. Holman's amendment but we are just substituting it for Mr. Brouillet's amendment?"

The Speaker:

"By the adoption of the first motion of Mr. Holman, we placed before the body his amendment in substitution for Mr. Brouillet's amendment. If we do not adopt his amendment, Mr. Brouillet's amendment will still be before us."

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. O'Brien on a point of parliamentary inquiry.

Mr. O'Brien:

"Actually you adopted Mr. Holman's entire amendment. You substituted it and adopted the substitute amendment."

RULING BY THE SPEAKER

The Speaker:

"No, we just put it before the body. We had before us Mr. Brouillet's amendment. We had not acted on it. Mr. Holman has substituted his amendment for the amendment by Mr. Brouillet. We have not acted on the amendment. We have just placed it before us by the motion."

Debate ensued, Representative Bledsoe speaking in favor of adoption of Mr. Holman's amendment, and Representatives Smith and Sprague speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Saling, Mr. Smith yielded to question.

Mr. Saling:

"Mr. Smith, we are talking about a very small minority being able to pass a levy. Let's take this clear down as low as we possibly can. Is it legally possible or constitutional for a state representative to be elected if only one person should go to the polls in that legislative district?"

Mr. Smith:

"I must admit this is possible."

Further debate ensued, Representative Saling speaking in favor of the adoption of the amendment and Representative Smith speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Hawley, Mr. Holman yielded to question.

Mr. Hawley:

"Mr. Holman, your formula applies to all taxing districts, does it not?"

Mr. Holman:

"That is correct."

Mr. Hawley:

"Don't you think that will confuse the ballot and that it would be easier if it applied only to schools?"

Mr. Holman:

"No, I don't think that is correct, Mr. Hawley. It seems to me that if any taxing district such as a city or library district needs special levy relief, they should have the same applicable laws as the schools. I am afraid if we make it simply a school issue it might go down to defeat. I feel a property tax should be decided by the same rules and regulations and voting requirements regardless of what taxing district is asking for the levy."

Mr. Hawley:

"Is it true that Mr. Brouillet's amendment pertained only to schools?"

Mr. Holman:

"His amendment included library districts also."

Representative Lewis spoke in favor of adoption of the amendment by Mr. Holman.

Mr. McDougall demanded the previous question and the demand was sustained.

The motion was carried and the amendment was adopted on a rising vote.

Mr. Holman moved the adoption of the following amendment:

On page 2, line 6, after "election]" and before the amendment by the Committee on Revenue and Taxation insert: "*or by any taxing district when specifically author-*

ized so to do by a majority of at least three-fifths of the electors thereof voting on such proposition either at a special election or at a regular election of such taxing district, if at such election the number of persons voting on such proposition constitutes less than sixty per centum of the total number of votes cast in such taxing district at the last preceding general election"

Representatives Holman and Hoggins spoke in favor of adoption of the amendment.

The motion was carried and the amendment was adopted.

On motion of Mr. Holman, the following amendment was adopted:

On page 2, line 12, strike "of, at least three-fifths" and insert "[of at least three-fifths]" and on page 2, line 17, after the word "district" strike all of the material down to the colon in line 20 and insert: ", at which election the total number of persons voting on the proposition shall constitute not less than [forty] sixty per centum of the total number of votes cast in such taxing district at the last preceding general election; or by any taxing district when specifically authorized so to do by a majority of at least three-fifths of the electors thereof voting on such proposition, submitted not oftener than twice in any calendar year, at an election held in a manner provided by law for bond elections in such taxing district, if at such election the number of persons voting on the proposition constitutes less than sixty per centum of the total number of votes cast in such taxing district at the last preceding general election"

Mr. Richardson moved the adoption of the following amendment by Representatives Newhouse, Haussler, Day, Hurley, Bozarth, and Richardson:

On page 1, line 14, after "shall be" strike "fifty" and insert "[fifty] twenty-five"

Representatives Richardson and Day spoke in favor of adoption of the amendment.

Mr. Avey demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Heavey, Mr. Richardson yielded to question.

Mr. Heavey:

"Mr. Holman is offering an amendment which allows for an income tax which I understand is graduated with a ceiling on it. If this twenty-five percent amendment is adopted, will you be able to support the income tax?"

Mr. Richardson:

"A couple more amendments and we will have the original tax reform program."

YIELDING TO QUESTION

At the request of Mr. Heavey, Mr. Day yielded to question.

Mr. Heavey:

"Mr. Day, will you answer the question I just asked Mr. Richardson?"

Mr. Day:

"The answer to the question is, 'No.'"

Further debate ensued, Representatives Heavey and Brouillet speaking against adoption of the amendment.

Mr. McDougall moved that the House defer further consideration of the amendment by Mr. Richardson and others and place before it the amendment by Mr. Holman dealing with an income tax.

Representative Holman spoke against the motion.

POINT OF ORDER

The Speaker recognized Mr. Moon on a point of order.

Mr. Moon:

"Mr. Speaker, is the amendment by Representative Holman on the Clerk's desk?"

The Speaker:

"We have his amendment on the desk with the understanding that it will be placed before the body for consideration if the pending amendment is adopted. While I don't think any rule particularly covers this situation, it would seem to me Mr. McDougall's motion would be out of order."

The Speaker declared the House to be at ease.

The Speaker called the House to order.

On page 1, line 3 of the resolution, after the comma following "THAT" strike the remainder of the resolution and insert: "At the next general election to be held in this state there shall be submitted to the qualified voters of the state for their approval and ratification, or rejection, proposals to amend Article VII of the Constitution of the state of Washington by amending section 2, as amended by Amendment 17, and by adding a new section 4, to read as follows:

"Article VII, section 2. Except as hereinafter provided and notwithstanding any other provision of this Constitution, the aggregate of all tax levies upon real and personal property by the state and all taxing districts now existing or hereafter created, shall not in any year exceed forty mills on the dollar of assessed valuation, which assessed valuation shall be fifty per centum of the true and fair value of such property in money: *Provided, However, That such assessed valuation shall be twenty-five per centum of the true and fair value of such property in money with respect to assessments of property made from and after the second calendar year following the adoption and ratification of an amendment to this article specifically authorizing a tax upon income at a single rate or graduated rates in excess of the limitations provided by this section: Provided, [However] Further, That nothing herein shall prevent levies at the rates now provided by law by or for any port or public utility district: Provided Further, That notwithstanding any other provision of this Constitution the legislature shall have the power to provide for enforcement of the provisions of this article by vesting in state or local agencies or both the power to value and to assess property for purposes of taxes imposed for any state or local purpose. (b) By any taxing district otherwise authorized by law to issue general obligation bonds for capital purposes, for the sole purpose of making the required payments of principal and interest on general obligation bonds issued solely for capital purposes, other than the replacement of equipment, when authorized so to do by a majority of at least three-fifths of the electors thereof voting on the proposition to issue such bonds and to pay the principal and interest thereon by an annual tax levy in excess of the limitation herein provided during the term of such bonds, submitted not oftener than twice in any calendar year, at an election held in the manner provided by law for bond elections in such taxing district, at which election the total number of persons voting on the proposition shall constitute not less than forty per centum of the total number of votes cast in such taxing district at the last preceding general election: *Provided, That any such taxing district shall have the right by vote of its governing body to refund any general obligation bonds of said district issued for capital purposes only, and to provide for the interest thereon and amortization thereof by annual levies in excess of the tax limitation provided for herein, And Provided Further, That the provisions of this section shall also be subject to the limitations contained in Article VIII, Section 6, of this Constitution;*

(c) By the state or any taxing district for the purpose of paying the principal or interest on general obligation bonds outstanding on December 6, 1934; or for the purpose of preventing the impairment of the obligation of a contract when ordered so to do by a court of last resort.

NEW SECTION. Article VII, section 4. Notwithstanding any other provision of this Constitution, the legislature shall have the power:

(a) To impose a tax upon income from whatever source derived, at a rate or rates which may be in excess of the rate permitted by section 2 of this Article VII;

(b) To provide for allowance of credits, exclusions, exemptions, and deductions to be used in determining the amount of income subject to tax or in computing such tax; and

(c) For purposes of simplifying administration and facilitating compliance by taxpayers, to adopt by reference any federal statutes relating to the determination of taxable income, both as enacted at the time of adoption and as amended after the time of adoption.

No tax upon or measured by net income shall be imposed by the state, unless the state also shall impose a tax upon the retail sale or use of tangible personal property; and the highest rate of tax imposed by the state upon or measured by net income and the rate of tax imposed upon the retail sale or use of tangible personal property shall be identical: *Provided, That nothing herein shall prevent the legislature from providing for the exemption of certain types of property, services, or transactions from the tax upon the retail sale or use of tangible personal property, or limit the rate of tax which may be imposed upon the sale or use of tobacco products or alcoholic beverages.*

No tax upon income pursuant to this section shall be collected until the adoption and ratification of an amendment to section 2 of this article providing that the assessed valuation of property shall be twenty-five percent of true and fair value of such property in money.

STATEMENTS FOR THE JOURNAL

I wish to enter into the journal the following remarks regarding my "no" vote on the amendment by Mr. Richardson and others to Senate Joint Resolution No. 20 relating to the constitutional twenty-five percent limit on property tax.

I voted "no" because I believe that adoption of the twenty-five percent limit on property tax without a broad based tax reform will not protect the homeowner from increases in property taxes.

In fact, the burden of property taxes would shift from the property of business and industry which is in some cases assessed at greater than twenty-five percent to that of the small property owners which is now assessed at less than twenty-five percent.

There would also be a loss in revenue to the state of nearly thirty million dollars. This would require an increase in the sales tax of nearly two-tenths of one percent.

Dale E. Hoggins,
21st District.

My vote against the amendment by Representatives Richardson, Newhouse, Hausler, Day, Hurley, and Bozarth to Senate Joint Resolution No. 20, changing the property tax ratio from fifty percent to twenty-five percent, was predicated on it being an incomplete action by the Legislature in the field of taxation.

Reducing the potential ratio from fifty percent to twenty-five percent is not a reduction in property taxes. In fact, it will increase home taxes, those levied on real property, and lower business taxes, those levied on personal property.

While I acknowledge that the personal property tax is too high, I must also recognize that lowering those taxes by shifting our need for revenue to the homeowner without broadening the tax sources—the tax base—is irresponsible. Moreover, it places undue burden on the homeowner who will, in Seattle, be faced with an additional two-mill special levy to make up lost revenues from the personal property tax reduction.

For older people and those on fixed incomes, this is a tax increase which will be coupled with a sales tax increase, both of which will be disproportionately burdensome to these hard-pressed taxpayers.

For these reasons I felt compelled to cast this vote.

Joseph L. McGavick,
32-B District.

On the amendment by Representative Richardson and others to Senate Joint Resolution No. 20 on Wednesday, April 26, we voted "yes" on the adoption of the twenty-five percent amendment in order that we might move to reconsider the amendment when it became obvious the motion was going to pass.

Paul Barden,
30th District.
Norwood Cunningham,
30th District.

Mr. Conner moved the adoption of the following amendment to Senate Joint Resolution No. 20:

On page 1, line 17, after "district" and before the period insert "*or by any fire protection district at the rate provided by law for public utility districts, within any fire protection district when there is no public utility district levy in such district subject to any limitation upon the power of a fire protection district to levy taxes, other than the limitation as to millage.*"

Representative Conner spoke in favor of adoption of the amendment and Representative Cunningham spoke against its adoption.

The motion was lost and the amendment was not adopted.

On motion of Mr. Richardson, the following amendment by Representatives Richardson, Haussler, and Newhouse was adopted:

On page 1, line 17, after "district" and before the period insert "*: Provided Further, That notwithstanding any other provision of this Constitution the legislature shall have the power to provide for enforcement of the provisions of this article by vesting in state or local agencies or both the power to value and to assess property for purposes of taxes imposed for any state or local purpose*"

Mr. Holman moved the adoption of the following amendment:

On page 1, line 17, after the amendment by Representatives Richardson, Haussler and Newhouse insert "*: Provided Further, That at any time during which the state is not levying a tax upon income, the assessed valuation of real and personal property subject to taxation shall be increased from twenty-five to fifty percent of the true and fair value of such property in money*"

Representative Holman spoke in favor of adoption of the amendment.

Mr. McGavick demanded an electric roll call and the demand was sustained.

YIELDING TO QUESTION

At the request of Mr. Leckenby, Mr. Holman yielded to question.

Mr. Leckenby:

"Does this mean that if this amendment is not adopted, your services would not be available to try and help the people of the state understand your amendment which we adopted yesterday? I have to admit I couldn't understand it and I don't see how the rest of the people will understand it. Without your services the state will have to vote it down."

Mr. Holman:

"I would have to say this, my services will be available to everyone who wants them for nearly every purpose. You are asking me if I would try to add on my amendments at a later point, and I would have to say I am reserving a decision on that. I would like to see this amendment adopted, and then I'll see what I do with the next one."

POINT OF ORDER

The Speaker recognized Mr. O'Brien on a point of order.

Mr. O'Brien:

"Mr. Speaker, would you like to rule on whether or not this amendment is germane to this proposition? It seems to me it destroys the intent of the act and it is frivolous."

RULING BY THE SPEAKER

The Speaker:

"If you insist, Mr. O'Brien. I think the amendment is in order. We have already added a number of lights to this string on the Christmas tree and I think one additional one, if it is successful, probably won't have too much effect."

MOTION

Mr. Newhouse moved that the amendment by Mr. Holman to Senate Joint Resolution No. 20 be laid on the table.

The Clerk called the roll on the motion by Mr. Newhouse to table the amendment by Mr. Holman to Senate Joint Resolution No. 20, and the motion was carried by the following vote: Yeas, 51; nays, 39; absent or not voting, 9.

MOTION

Mr. Leland moved that the House concur in the Senate amendments to Engrossed Substitute House Bill No. 722.

Representative Leland spoke in favor of the motion.

YIELDING TO QUESTION

At the request of Mr. O'Brien, Mr. Leland yielded to question.

Mr. O'Brien:

"Would you have any objection to setting this bill over for twenty-four hours?"

Mr. Leland:

"The amendments are fairly simple. I think if the members would care to follow the amendments which are in their books they would know what I am talking about. I would have no objection to holding it over for a short time, but I think we should go ahead and act on it."

YIELDING TO QUESTION

At the request of Mr. McGavick, Mr. Sprague yielded to question.

Mr. McGavick:

"Mr. Sprague, as I read this bill, I see where we took out the study of rapid transit in the Puget Sound area and substituted for it the ability to raise revenue through the sale of ham operator license plates. How much money will that raise for the study of rapid transit?"

Mr. Sprague:

"You always catch me unaware. I would think we are talking about possibly one hundred fifty dollars. I may be way off, and it may be even as much as four hundred dollars."

Mr. McGavick:

"I was absent the day the bill was considered. As I understand it, it also authorized the fourth Lake Washington bridge."

Mr. Sprague:

"That is still in the bill."

Mr. McGavick:

"And the billboard law is authorized?"

Mr. Sprague:

"Yes, Mr. McGavick."

Mr. McGavick:

"How much money is provided for rapid transit?"

Mr. Sprague:

"The only amount I can recall is one hundred fifty thousand dollars in the original bill we passed to implement the highway budget."

YIELDING TO QUESTION

At the request of Mr. McDougall, Mr. Leland yielded to question.

Mr. McDougall:

"Mr. Leland, I believe that in your discussion of the amendments that were made by the Senate, you inadvertently overlooked this matter of mass transit. Would you care to comment on what the Senate did in this field?"

Mr. Leland:

"Yes, the question of mass transit, which was the subject matter of House Bill No. 559 which we passed twice in the House—once in the regular and once in the special session—was deleted at the insistence of some of the Senators. They thought such a study might conflict with the constitutional provisions relative to the use of the gasoline tax. Rather than have such a challenge carried out against the omnibus highway bill, they deleted it with the understanding that a concurrent resolution would be offered and passed which would direct the same study as a separate matter and direct the Joint Committee on Highways to accomplish it. It is my understanding that Representative Lewis has such a resolution ready to go in. Therefore, I think the mass transit study is being provided for, and taking care of it in this manner will eliminate the possibility of the challenge as to improper diversion of gas tax funds. Secondly, in response to Mr. McGavick, you will note that I have carefully stated the comments I would make were relative to changes in the bill. I think everyone here is well aware of what was in the bill when it passed the House."

Representative Leland continued his remarks in favor of his motion to concur in the Senate amendments to Engrossed Substitute House Bill No. 722.

Mr. Bledsoe demanded the previous question.

MOTION

Mr. McCormick moved that further action on Engrossed Substitute House Bill No. 722 be deferred and the bill be ordered placed on the fifth order of business for tomorrow.

RULING BY THE SPEAKER

The Speaker:

"The demand for a previous question is of higher rank than a motion to defer, Mr. McCormick."

The demand for the previous question was lost on a rising vote.

MOTION

Mr. McCormick moved that further action on Engrossed Substitute House Bill No. 722 be deferred and the bill be ordered placed on the fifth order of business for tomorrow.

Mr. McDougall demanded an electric roll call and the demand was sustained.

Representatives Sawyer, Lewis, Clark (Newman H.), and Leland spoke in favor of the motion.

With the consent of the House, Mr. McDougall withdrew his demand for an electric roll call.

The motion by Mr. McCormick was carried.

YIELDING TO QUESTION

At the request of Mr. O'Brien, Mr. Gorton yielded to question.

Mr. O'Brien:

"Mr. Gorton, the other day we talked about House Joint Resolution No. 16, the annual sessions constitutional amendment. Is there any possibility that we might bring it out for a vote? Of course, our caucus is interested in acting on it or House Joint Resolution No. 8. Also, the Governor of our state inquired about this in our conversation yesterday. The Governor raised the point because of the difficulty we have in estimating revenues in the ensuing biennium and other complicated matters relative to the budget. He said, 'How about annual sessions?' I think probably we should take another look at it. What do you think?"

Mr. Gorton:

"I think House Joint Resolution No. 16 is really a first-rate bill. It is the one, in effect, we passed before, although we amended it. My only thought is that it might be a good thing to discuss tomorrow in our conference with the Senators. If we can get any indication that they will take it up, I think we should proceed, but I believe it should be brought up in the daily meeting of the leadership of both houses."

(4) And an additional dollar amount, in the case of a county, representing the increased and additional costs to be expended by the county assessor [in the year the taxes are payable] to enable the county assessor of that county to carry out any program of assessments, appraisal and valuation of property within the county required by the Constitution or laws of the state.

Unless the maximum regular property tax levy is otherwise altered as authorized by RCW 84.54.050 as amended in section 5 of this 1967 amendatory act, the maximum millage rate shall be determined by dividing the total [authorized] dollar amount authorized by this section by the assessed valuation.

Sec. 3. Section 3, chapter 174, Laws of 1965 extraordinary session, and RCW 84.54.030 are each amended to read as follows:

The maximum [millage rate] regular property tax levy for (a) taxing districts created by or resulting from incorporations, and (b) existing taxing districts whose levies are subject to the forty mill limit set forth in RCW 84.52.050 and which either in 1964 levied less than the maximum millage authorized by law, or made no levy for the previous year shall for the first tax year for which a levy is made, after the adoption of this 1967 amendatory act [be computed in the following manner:

For taxing districts created by incorporations, the maximum millage rate authorized pursuant to this chapter shall] equal the total dollar amount of assessed valuation multiplied by a millage rate to be determined by multiplying the maximum millage rate authorized by RCW 84.52.050 for such taxing district (plus in the case of cities and towns the additional millage required to be levied pursuant to RCW 41.16.060) [times] by the quotient of the maximum millage rate for general county purposes of the county in which [the new] such taxing district is located determined as provided in RCW 84.54.020 as amended in section 2 of this 1967 amendatory act, divided by the maximum millage rate authorized by RCW 84.52.050 for general county purposes: Provided, That in the event the taxing district is located in more than one county, then the maximum millage rate of the county affected having the highest maximum millage rate under this chapter, shall be used to determine this quotient.

For the purposes of this [sub] section all millage rates and authorized levies used for making these computations shall be for the same tax year.

In succeeding tax years the maximum regular property tax [revenue] levy shall be limited to that which is authorized by RCW 84.54.020 as amended in section 2 of this 1967 amendatory act or which may be authorized by RCW 84.54.050 as amended in section 5 of this 1967 amendatory act.

Sec. 4. Section 4, chapter 174, Laws of 1965 extraordinary session, and RCW 84.54.040 are each amended to read as follows:

[In the event of] The maximum regular property tax levy for taxing districts created by or resulting from merger or consolidation [, the merged or consolidated taxing district's regular property tax revenue] shall for the first tax year be determined by combining the regular property tax [revenue and any increases of assessed value of] levies for the previous year for the component taxing districts, and applying to such combined [values] levies the computations prescribed by RCW 84.54.020 as amended in section 2 of this 1967 amendatory act: Provided, That for the purposes of determining the additional dollar amount of increases in assessed value required by RCW 84.54.020(2) as amended in section 2 of this 1967 amendatory act, in the event that the actual millage rates levied in the previous year in the component taxing districts are not equal, then the highest actual millage rate levied by a component taxing district shall be used.

In succeeding tax years the maximum regular property tax [revenue] levy shall be limited to that which is authorized by RCW 84.54.020 as amended by section 2 of this 1967 amendatory act, unless otherwise altered as authorized by RCW 84.54.050 as amended by section 5 of this 1967 amendatory act.

Sec. 5. Section 5, chapter 174, Laws of 1965 extraordinary session, and RCW 84.54.050 are each amended to read as follows:

[Notwithstanding] The limitations set forth in RCW 84.54.020, 84.54.030, and 84.54.040 as each are amended in this 1967 amendatory act [, the regular property tax revenues of a district may be increased,] shall not prevent a regular property tax levy in excess of the amount a taxing district is permitted to levy thereby, subject to the limitations

of the provisions of Article VII, section 2, of the Constitution of the state of Washington and RCW 84.52.050, when authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the taxing district, or at a special election of the taxing district held at the time of a state general election, or at the time of a general election of a city or town in which said taxing district is wholly included. [The proposition so voted on shall also state the estimated millage rate proposed. Thereafter the new amount fixed at such election shall be used to compute the maximum amount permitted as such taxing district's regular property tax revenue as provided in RCW 84.54.020 unless such increase is limited for a specified number of years or such amount is subsequently increased or decreased pursuant to this section.] *The maximum amount permitted as a taxing district's regular property tax levy as provided in RCW 84.54.020 as amended in section 2 of this 1967 amendatory act shall be increased to the extent that the regular property tax levy fixed at such election is utilized by the taxing district in the fixing of an actual millage rate. Thereafter the maximum regular property tax levy shall be computed as provided in this chapter based upon such increased maximum.*

NEW SECTION. Sec. 6. There is added to chapter 174, Laws of 1965 extraordinary session and to chapter 84.54 RCW a new section to read as follows:

Any proposition to be voted upon increasing the regular property tax revenue shall set forth on the ballot in terms of dollars the amount of the last levied regular property tax revenue and the proposed increased amount of same together with an estimate of the millage that will be required to produce the increased dollar amount. Except for those elections where the proposition and ballot submitted to the voters complied with these requirements, no election to authorize an increase in the regular property tax levy held prior to the effective date of this 1967 amendatory act shall be taken to permit a levy in 1968 in excess of that permitted by subsections (1), (2) and (4) of section 2 of this 1967 amendatory act.

Sec. 7. Section 36.21.011, chapter 4, Laws of 1963 and RCW 36.21.011 are each amended to read as follows:

Any assessor who deems it necessary to enable him to complete the listing and the valuation of the property of his county within the time prescribed by law, (1) may appoint one or more well qualified [citizens of his county] persons to act as his assistants or deputies; and each such assistant or deputy so appointed shall, under the direction of the assessor, after taking the required oath, perform all the duties enjoined upon, vested in or imposed upon assessors, and (2) may contract with any persons, firms or corporations, [regardless of their residence,] who are expert appraisers, to assist in the valuation of property.

To assist each assessor in obtaining adequate and well qualified assistants or deputies, the state department of personnel, after consultation with the Washington state association of county assessors, the Washington state association of county commissioners and the department of revenue, shall establish by July 1, 1967, and shall thereafter maintain, a classification and salary plan for those employees of an assessor who act as appraisers. The plan shall recommend the salary range and employment qualifications for each position encompassed by it, and shall, to the fullest extent practicable, conform to the classification plan, salary schedules and employment qualifications for state employees performing similar appraisal functions.

If an assessor intends to put such plan into effect in his county, he shall inform the department of revenue and the board of county commissioners of this intent in writing. The department of revenue and the board may thereupon each designate a representative, and such representative or representatives as may be designated by the department of revenue or the board, or both, shall form with the assessor a committee. The committee so formed may, by unanimous vote only, determine the required number of certified appraiser positions and their salaries necessary to enable the county assessor to carry out the requirements relating to revaluation of property in chapter 84.41 RCW. The determination of the committee shall be certified to the board of county commissioners. The committee provided for herein may be formed only once in a period of four calendar years.

After such determination, the assessor may provide, in each of his four next succeeding annual budget estimates, for as many positions as are established in such determination. Each board of county commissioners to which such a budget estimate is submitted shall allow sufficient funds for such positions. An employee may be appointed

to a position covered by the plan only if the employee meets the employment qualifications established by the plan.

NEW SECTION. Sec. 8. There is added to chapter 174, Laws of 1965 extraordinary session and to chapter 84.54 RCW a new section to read as follows:

Chapter 84.54 RCW as amended by this 1967 amendatory act shall not apply to any school district: *Provided, However,* That no school district may make a regular property tax levy in excess of an amount that would be produced by a levy of fourteen mills multiplied by an assessed valuation equal to twenty-five percent of the true and fair value of the taxable property in such school district, as determined by the department of revenue's indicated county ratio.

NEW SECTION. Sec. 9. There is added to chapter 174, Laws of 1965 extraordinary session and to chapter 84.54 RCW a new section to read as follows:

No election held pursuant to RCW 84.54.050 as amended in section 5 of this 1967 amendatory act, whether the election is held before or after the effective date of this 1967 amendatory act, shall be valid to authorize a regular property tax levy which would produce more revenue than would be produced by a levy of the number of mills available to the taxing district under statutes other than chapter 84.54 RCW as amended in this 1967 amendatory act multiplied by an assessed valuation equal to twenty-five percent of the true and fair value of the taxable property in the taxing district as determined by the department of revenue's indicated county ratio.

NEW SECTION. Sec. 10. There is added to chapter 15, Laws of 1961 and to chapter 84.40 RCW a new section to read as follows:

On or before June 15 of each year the assessor shall give notice of any change in the true and fair value of real property for the tract or lot of land and any improvements thereon.

The notice shall contain a statement of the true and fair value on which the assessment of the property is based, and a brief statement of the procedure for appeal to the board of equalization and the time, date, and place of the meetings of the board.

The notice shall be mailed by the assessor to the taxpayer and a copy thereof shall be sent by the assessor to the legal owner of the property, if such is different from the taxpayer and the name and address are known to the assessor.

A legal owner may submit his or its name and address to the assessor, indicating therewith the property owned by the legal owner and requesting that a copy of the notice be mailed to the legal owner.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

House Members:
 Slade Gorton
 Mary Ellen McCaffree
 Leonard A. Sawyer

MOTION

Mr. Gorton moved the House adopt the report of the Free Conference Committee on Engrossed House Bill No. 934.

YIELDING TO QUESTION

At the request of Mr. King, Mr. Gorton yielded to question.

Mr. King:

"Assuming that the assessment values had to go up to fifty percent, I understand that the millage basis of forty mills would be reduced to twenty. What would happen to special levy millage that had been voted but not collected?"

Mr. Gorton:

"Levies are voted by dollars, so actually the special levy millage would be cut approximately in half, too. The same number of dollars would be collected."

YIELDING TO QUESTION

At the request of Mr. Moon, Mr. Gorton yielded to question.

Mr. Moon:

"Does section 8 of this bill nullify the action we have taken earlier in passing House Bill No. 978 and No. 979, the two-mill shift?"

Mr. Gorton:

"No, it does not, because the two-mill shift makes two mills of the property tax a state tax for schools and the state property tax is not affected by this bill."

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. Gorton yielded to question.

Mr. Grant:

"You are aware that personal property in King county has been assessed at more than twenty-five percent. It has been banded about that it is closer to thirty-three and one-third percent, but I don't know how accurate that figure is. It calls to mind that in 1965, according to newspaper accounts, certain industries paid personal property tax on assessments of twenty-five percent while everyone else was assessed at a higher rate. Now they have had to pay the difference between the twenty-five percent they were being assessed and the so-called thirty-three and one-third percent, an amount of \$800,000. Would this 'lid' or 'freeze' mean that the personal property tax assessments will also be limited, in effect, to twenty-five percent?"

Mr. Gorton:

"Yes, it does, Mr. Grant. This bill treats personal property just as it does real property, and it means that personal property will also be assessed, in the future, at a maximum of twenty-five percent. This won't affect the lawsuit in which those companies have been required to pay back personal property taxes, however. But the county assessors in those counties who have been assessing personal property at thirty-three and one-third percent have already cut back their assessments to twenty-five percent anyway, so there will be no loss of revenue from the fact that the same assessment ratio will apply to personal property as to real property.

"The question involved in the particular lawsuit, is the fact that the personal property of these particular companies was being assessed at twenty-five percent while everyone else's was being assessed at thirty-three and one-third percent. However, the new assessor has dropped everyone to twenty-five percent, a procedure which will evidently remain valid until the supreme court requires fifty percent. Therefore, this bill recognizes and ratifies what the various assessors have already done, and all property will be assessed on the same basis. We hope that basis will get up to twenty-five percent, and we hope this bill will encourage it to get up to that level. Because of the fact that the constitutional assessment level remains at fifty percent, this bill means that we can, in fact, get to twenty-five percent, but if we were to place a twenty-five percent limitation in the Constitution as a practical matter we would probably never get above twenty-three percent because of the time it takes to assess all the property in each county. This problem is avoided by this type of legislation because it will allow counties to reach a full twenty-five percent."

Debate ensued, Representative Grant speaking against the motion by Mr. Gorton that the House adopt the report of the Free Conference Committee on Engrossed House Bill No. 934, and Representatives Humiston and Bledsoe speaking in favor of the motion.

The motion was carried.

Mr. King moved the adoption of the following amendment:

On page 1, following section 5, add a new section as follows:

"NEW SECTION. Sec. 5. There is added to chapter 125, Laws of 1951 and to chapter 2.08 RCW a new section to read as follows:

Senate Bill No. 649 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

I wish the record to show my reasons for withdrawing my amendment to Senate Bill No. 649.

I withdrew my amendment to Senate Bill No. 649 because I did not believe it would serve the best interests of Snohomish county to have my amendment to authorize an additional judge to be elected in 1968.

Snohomish county actually needs the additional judge during the next six to twelve months.

When the legislature meets in January of 1969, I am sure Snohomish county will need two judges. Election of an additional judge two months before the legislature meets in 1969 might jeopardize the authorization of an additional judge then.

Dale E. Hoggins,
21st District.

MOTION

On motion of Mr. McDougall, the House adjourned until 11:00 a.m., Friday, April 28, 1967.

Don Eldridge, *Speaker*.

Malcolm McBeath, *Chief Clerk*.

REPORT OF STANDING COMMITTEE

House of Representatives,
Olympia, Wash., April 28, 1967.

Mr. Speaker:

We, a majority of your Committee on Financial Institutions and Insurance, to whom was referred **Senate Concurrent Resolution No. 4**, providing for a joint interim committee on insurance, have had the same under consideration, and we respectfully report the same back to the House with the recommendation that it do pass with the following amendments:

On page 2, line 4, after the word "oaths" insert a period and strike all of the matter down to the period following the word "records" on line 6

On page 2, line 20, after "of" and before "thousand" strike "one hundred" and insert "thirty-five"

Robert W. O'Dell, *Chairman*,
Paul Barden, *Vice Chairman*.

We concur in this report: Henry Backstrom, John Bagnariol, George W. Clarke, Mrs. Joseph E. Hurley, Brian J. Lewis, Jerry C. Kopet, John L. O'Brien, Fred A. Veroske, Sam Smith.

On motion of Mr. Gorton, the rules were suspended, Senate Concurrent Resolution No. 4 was advanced to second reading and read the second time.

Mr. O'Dell moved the adoption of the committee amendment to page 2, line 4.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. O'Dell yielded to question.

Mr. Smith:

"In your capacity, do you feel that lack of power to get records will hamper the committee in its investigation?"

Mr. O'Dell:

"Well, Mr. Smith, I don't think so, because you know the outstanding success of this committee the last two years and we didn't have the power at that time. I don't believe it is necessary. I think if the committee is conducted properly, with the proper chairman, it will produce all the records you desire."

Mr. Smith:

"That last statement about a proper chairman was not intended as a slur against Senator Herrmann, was it?"

Mr. O'Dell:

"Definitely not. I don't know who the chairman will be this time."

The motion was carried, and the amendment was adopted.

On motion of Mr. O'Dell, the committee amendment to page 2, line 20 was adopted.

Mr. Leckenby moved the adoption of the following amendment by Representatives Leckenby and Humiston:

On page 2, line 9, after "duties" insert a period and add the following: "The committee shall publish and distribute to all members or members-elect of the legislature a report of its activities signed by a majority of the committee not later than December 1, 1968. Any minority report, if desired by any member or members of the committee shall be prepared by such members, published and distributed to all members or members-elect of the legislature not later than January 1, 1969"

Debate ensued, Representatives Newhouse and Leckenby speaking in favor of adoption of the amendment, and Representatives O'Brien and Moon speaking against its adoption.

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Leckenby yielded to question.

Mr. Smith:

"Mr. Leckenby, since the question has been brought up about the time it would take to prepare a report, would you have any objection to changing the date to January 2 of the year the session meets? This would enable the committee members to go through with their election process, which is always time-consuming, and have most of November and the month of December to complete the report."

Mr. Leckenby:

"Well, Mr. Smith, I would not propose a change myself because I don't think that getting a report out and printed is a matter of several weeks—it is just a matter of getting to it. The reason these reports are late is usually due to either procrastination or lack of interest, so I would not be interested in changing the date."

Representative Humiston spoke in favor of adoption of the amendment.

The motion was carried and the amendment was adopted on a rising vote.

On motion of Mr. Gorton, the rules were suspended, Senate Concurrent Resolution No. 4 as amended by the House was advanced to third reading, the second reading considered the third, and the resolution was placed on final passage.

The Clerk called the roll on the final passage of Senate Concurrent Resolution No. 4 as amended by the House, and the resolution passed the House by the following vote: Yeas, 90; nays, 1; absent or not voting, 8.

MOTION

Mr. Leland moved the House concur in the Senate amendments to Engrossed Substitute House Bill No. 722.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Swayze on a point of parliamentary inquiry.

Mr. Swayze:

"I request that the question be divided and a separate vote be taken on the Senate amendments to Engrossed Substitute House Bill No. 722, in particular the amendment by Senators Woodall and Uhlman beginning on page 29, sections 52, 53, and 54."

The Speaker:

"With the consent of the House the question will be divided. The motion before the House is that the House do concur in sections 52, 53, and 54."

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Swayze yielded to question.

Mr. Smith:

"Does this amendment concern the penalty against the person who is caught without a license?"

Mr. Swayze:

"That is correct, it is the mandatory jail sentence."

Representative Swayze spoke against concurring in the Senate amendments to sections 52, 53, and 54 of Engrossed Substitute House Bill No. 722.

PARLIAMENTARY INQUIRY

The Speaker recognized Mr. Smith on a point of parliamentary inquiry.

Mr. Smith:

"Mr. Speaker, if we vote affirmatively on the motion, will we be voting to concur with everything except the amendments Mr. Swayze mentioned?"

The Speaker:

"The motion is a positive one, that we do concur in sections 52, 53, and 54. If you want to delete those sections, you should vote 'no'. If the motion prevails, these sections will remain in the bill."

Debate ensued, Representative Smith speaking against the motion and Representative Spanton speaking in favor of the motion to concur.

Further debate ensued, Representative McDougall speaking in favor of the motion and Representative Clark (Newman H.) speaking against it.

YIELDING TO QUESTION

At the request of Mr. Beck, Mr. Clark (Newman H.) yielded to question.

Mr. Beck:

"Mr. Clark, you just elaborated at great length on a little reading you did. You started out by reading the second sentence of subsection (1) of section 52. Would you go back and read the first sentence to that subsection?"

Mr. Clark (Newman H.):

"You mean where it says, 'Upon the first conviction'?"

Mr. Beck:

"That is where you started reading before. Go back and read it from the beginning."

Mr. Clark:

"I am not talking about that because it is the existing law. The first sentence is: 'Any person who drives . . .'"

Mr. Beck:

"No, Mr. Clark, you are not reading the amendment. If you will permit me, I will read it for you."

Mr. Clark:

"Thank you for asking such a careless question."

Mr. Beck:

"Mr. Clark, you are impugning my motives."

Mr. Clark:

"Directly."

Mr. Beck:

"I will impugn your motives then, Mr. Clark. This is truly a lawyers' bill and that is the reason you kept it bottled up in Judiciary Committee."

Representatives Beck and Leland spoke in favor of the motion.

Mr. Goldsworthy demanded the previous question and the demand was sustained.

The Speaker declared the question before the House to be the motion that the House concur in the Senate amendments to sections 52, 53, and 54 of Engrossed Substitute House Bill No. 722.

Whereas, Our expanding population has increased and will continue to increase the need for lands for parks, recreational purposes and open spaces; and

Whereas, The state of Washington has under its control large areas of lands which are suitable for parks, recreational purposes and open spaces; and

Whereas, Interest has been expressed in the acquisition by the public of interests in private land for green belts, natural river corridors, open spaces, sight and sound buffers and other similar purposes; and

Whereas, It has proven to be difficult and expensive for the state and its political subdivisions to obtain through purchase or condemnation lands suitable for these purposes; and

Whereas, There have been studies made and plans developed concerning the needs of the state and its inhabitants for parks and recreational facilities, but there has been no comprehensive review of the needs of the state and its inhabitants for green belts, natural river corridors, open spaces, sight and sound buffers and other similar purposes;

Now, Therefore, Be It Resolved, By the House of Representatives that the legislative council be and is hereby requested to conduct a study and survey which shall include:

(2) A study of the feasibility and total economic impact of utilizing public lands under the control of the state and its subdivisions and of acquiring, by condemnation or otherwise, interests in private land, for green belts, natural river corridors, open spaces, sight and sound buffers and other similar purposes, all in accordance with appropriate and coordinated governmental plans; and

(3) A determination of the expense to the state and its political subdivisions of providing funds for the acquisition by the public of interests in suitable private lands for parks, recreational purposes and open spaces in comparison with the expense of utilizing suitable public lands for such purposes and reimbursing the various state funds for any loss of revenue resulting from such use; and

Be It Further Resolved, That the legislative council shall report to the legislature the results of its study and survey together with its recommendations and such drafts of legislation as it may deem necessary on or before December 15, 1968; and

MESSAGE FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, April 27, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I have the honor to advise that Governor Evans has approved the following House Bill, entitled: **House Bill No. 261**, increasing the number of superior court judges.

Very truly yours,
Raymond W. Haman,
Legal Counsel to the Governor.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Sheridan on a point of personal privilege.

Mr. Sheridan:

"Mr. Speaker, ladies and gentlemen of the House: The other day some of the secretaries who work in this building were presented with corsages which was a very gracious and nice gesture. However, we have a number of other beautiful, loyal, hard-working secretaries and lady staff members who work in the other buildings, as well as in this building, and it is our feeling that they also are deserving of recognition. We particularly wish to honor those who have worked across the street in the 'pigeon lofts' who seldom get over here to see what happens. We had some flowers flown in from Hawaii which are here now, and I understand these lady staff members of the

House are in the wings, so I think it would be very fitting at this time if they were properly honored with these floral gifts. They didn't send quite enough leis, so we filled in with a few corsages."

The Speaker:

"At this time the Speaker would like to ask Representatives Elicker, Wanamaker, Smythe, Ceccarelli, and Heavey to come forward and assist in making the presentations."

The following secretaries and other lady staff members were presented with leis and corsages:

Virginia Britt, Judy Burns, Ione Carmichael, Helen Christensen, Betty Evans, Karen Fraser, Dawne Friesen, Kay Griffith, Bunny Hooper, Rosemary Lemaster, Arlene Monger, Pat Montbroussous, Donna Ward, Peggy Jacobs, Pat Baugh, Janet Byer, Beth Bryarly, Mary Cloquet, Louise Greenstreet, Mary Louis, Evelyne Mannholt, Kristi Robinson, Lucile Saltvick, Naida Senter, Candy Stamey, Euguinna Taschner, Adele Goss, Clara Crowe, Pauline Craig, Dorothy McKasson, Jean Ensign, Ann Nordquist, Vera Sadle, Sharon Norris, Selma Sherbert, Pat Augustino, Linda Healy, Kathy Dahl, Ardis McWilliams, Gloria DeGarmo, Jean Van DeMark, Dorothy Akey, Marie Rains, Maureen Kelleher, Mary Lou Writer, Aggie Murray, Virginia Keenham, LuAnne Dillard, Jan Comings, Marcia Hutchinson, Regina Hoover, Judy Stabno, Ellen Olson, JoAnn Harper, Charlene Diehl, Pat Connolly, Parm Moos, Elsie Preston, Kay Hare, Twilene Sappenfield, and Pam Buchanan.

We concur in this report: Frank B. Brouillet, Virginia Clocksin, Dr. Caswell J. Farr, Joe D. Haussler, Timothy H. Hill, Dale E. Hoggins, Gladys Kirk, Jerry C. Kopet, Marjorie W. Lynch, Audley F. On motion of Mr. McDougall, the rules were suspended, Engrossed Senate Bill No. 532 was advanced to second reading and read the second time.

On motion of Mr. Goldsworthy, the committee amendment was adopted.

On motion of Mr. Goldsworthy, the committee amendment to the title was adopted.

On motion of Mr. McDougall, the rules were suspended, Engrossed Senate Bill No. 532 as amended by the House was advanced to third reading, the second reading considered the third, and the bill was placed on final passage.

Representative Goldsworthy spoke in favor of passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Beck, Mr. Goldsworthy yielded to question.

Mr. Beck:

"I didn't know this was coming up, and I'm trying to read it. As I understand it, this bill authorizes sixty-three million dollars of bonded indebtedness, and I can't see where you are going to retire it. Is this legal to exceed our bonded indebtedness as provided by the Constitution without submitting it to a vote of the people? What section says how we are going to pay it back?"

Mr. Goldsworthy:

"Take a look at section 8, Representative Beck."

YIELDING TO QUESTION

At the request of Mr. Smith, Mr. Goldsworthy yielded to question.

Mr. Smith:

"I want to make sure I understand this. On page 3 of the amendment, section 9, subsection (2), where it says 'each of the following capital projects shall be deleted from section 6 of this act,' now that is contingent upon what? I don't quite understand."

Mr. Goldsworthy:

"That is contingent on passage of Senate Joint Resolution No. 17. If that passes, then these will come under the building authority which is created by Senate Joint Resolution No. 17."

Mr. Smith:

"Do you mean if it passes by the people's vote, or if it passes the legislature?"

Mr. Goldsworthy:

"If it is approved by the people it will establish the building authority, so all these amounts will come under the building authority which will allow the institutions of higher learning to go ahead and bond. If it does not pass, the amounts will be included in these bonds that we are authorizing here."

YIELDING TO QUESTION

At the request of Mr. Richardson, Mr. Goldsworthy yielded to question.

Mr. Richardson:

"How many millions of dollars in capital outlay is being planned through this bonding proposal that was originally planned to come out of surplus? Also, how many projects are here which were originally turned down by the House?"

Mr. Goldsworthy:

"I can't itemize those for you, Representative Richardson. We have some in here that were turned down by the House. One of them, as you are aware, is Western Washington State College which came in at a later date; one, Fircrest, which we first authorized completely out of general funds, we have divided into two parts. There are some others not in House Bill No. 207 which the conference committee did authorize in their deliberations."

YIELDING TO QUESTION

At the request of Mr. Beck, Mr. Goldsworthy yielded to question.

Mr. Beck:

"Section 9 refers to a general election in 1967. Are we going to have a general election then?"

Mr. Goldsworthy:

"Well, this is something that is still before the legislature. If not, we will have one in 1968."

Mr. Beck:

"Is this proper then, or should it say 'or in 1968'?"

Mr. Goldsworthy:

"No, if we have one in 1967, it will take effect then. If not, it will be the next regular election."

YIELDING TO QUESTION

At the request of Mr. Day, Mr. Goldsworthy yielded to question.

Mr. Day:

"I don't want to be troublesome, but the only fund I can find here for the School for the Deaf at Vancouver is this \$150,000 item. Is that correct?"

Mr. Goldsworthy:

"That is right."

Mr. Day:

"There are no funds for the vocational education equipment?"

Mr. Goldsworthy:

"Not in this bond issue."

Mr. Day:

"Do you happen to know, are they in the operations budget?"

Mr. Goldsworthy:

"I don't recall whether they are in there or not."

Mr. Day:

"We just received this two minutes ago. I think we ought to have a little opportunity to look it over."

Mr. Farr demanded the previous question and the demand was not sustained.

YIELDING TO QUESTION

At the request of Mr. Avey, Mr. Goldsworthy yielded to question.

Mr. Avey:

"How do you like to be on the majority side?"

Mr. Goldsworthy:

"It's a lot less fun than the minority."

MOTION

Mr. Grant moved that the House defer further consideration of Engrossed Senate Bill No. 532 and the bill be made a special order of business for 10:30 p.m. tonight.

The motion was lost.

Mr. Beck demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 532 as amended by the House, and the bill passed the House by the following vote: Yeas, 76; nays, 12; absent or not voting, 11.

Those voting yea were: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Beck, Berentson, Bledsoe, Bluechel, Bozarth, Brazier, Brouillet, Ceccarelli, Chapin, Charette, Clarke (George W.), Clocksin, Copeland, Cunningham, DeJarnatt, Farr, Flanagan, Garrett, Goldsworthy, Gorton, Haussler, Hawley, Heavey, Hill, Hoggins, Holman, Hubbard, Humiston, Jastad, Johnson, Jolly, Jueling, Kalich, Kink, Kirk, Kiskaddon, Kopet, Leckenby, Leland, Lewis, Litchman, Lux, Lynch, Marsh, Marzano, McCaffree, McDougall, McGavick, Merrill, Moon, Murray, Newhouse, Newschwander, O'Brien, O'Dell, Perry, Reese, Saling, Sawyer, Sheridan, Smith, Smythe, Sprague, Swayze, Thompson, Veroske, Walgren, Whetzel, Wolf, Zimmerman, Mr. Speaker—76.

Those absent or not voting were: Representatives Backstrom, Bottiger, Chatalas, Conner, Elicker, Gladder, Grant, Harris, Rosellini, Taylor, Wanamaker—11.

Engrossed Senate Bill No. 532 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

STATEMENT FOR THE JOURNAL

The legislative body may also authorize the creation of a special fund or funds to defray all or part of the costs of planning, purchase, condemnation, or other acquisition, construction, improvement, maintenance or operation of any public park in, upon or above property used or to be used as municipally owned off-street parking space and facilities, whether or not revenues are received or fees charged in the course of public use of such park. Part or all of the otherwise unpledged revenues, fees or charges arising from municipal ownership, operation, lease or license of any off-street parking space and facilities, or arising from municipal license of any on-street parking space, shall be set aside and paid into such special fund or funds in accordance with this section.

In the case of off-street parking space in, upon or beneath a public park the term "facilities" as used hereafter in this chapter may include public parks thereon.*

In order to provide for off-street parking space and/or facilities, such cities are authorized, in addition to their powers for financing public improvements, to finance their acquisition and construction through the issuance and sale of revenue [,] bonds or general [fund] obligation [and on-street parking revenue] bonds or both. Any bonds issued by such cities pursuant to this section shall be issued in the manner and within the limitations prescribed by the Constitution and the laws of this state.

In addition local improvement districts may be created and their financing procedures used for this purpose in accordance with the provisions of Title 35 as now or hereafter amended.

Such cities may authorize and finance the economic and physical surveys and plans, and construction, for off-street parking, and the maintenance and management of such off-street parking spaces and facilities either within their general budget or by issuing revenue bonds or general [fund] obligation bonds [and on-street parking revenue bonds] or both.

General obligation bonds issued hereunder may additionally be made payable from any otherwise unpledged revenue, fees or charges which may be derived from the

ownership, operation, lease or license of off-street parking space or facilities or which may be derived from the license of on-street parking space.

In any county the board of county commissioners may by resolution establish a county purchasing department and thereafter such department shall contract on a competitive basis for all public works and purchase or lease on a competitive basis all supplies, materials, and equipment, for all departments of the county, exclusive of the county hospital, pursuant to the provisions hereof and under such rules as the board shall by resolution adopt, except for such contracts and purchases as shall be made pursuant to RCW 36.77.060, 36.77.070 and 36.82.130: *Provided*, That in all class AA or class A counties or in any county of the first class it shall be mandatory that a purchasing department be established.

Sec. 16. Section 36.32.250, chapter 4, Laws of 1963 as last amended by section 1, chapter 97, Laws of 1967, and RCW 36.32.250 are each amended to read as follows:

No contract, lease or purchase shall be entered into by the board of county commissioners or by any elected or appointed officer of such county until after bids have been submitted to the board of county commissioners upon specifications therefor. Such specifications shall be in writing and shall be filed with the clerk of the board for public inspection, and an advertisement thereof stating the date after which bids will not be received, the character of the work to be done, or material, equipment, or service to be purchased, and that specifications therefor may be seen at the office of the clerk of the board, shall be published in the county official newspaper. Such advertisement shall be published at least once in each week for two consecutive weeks prior to the last date upon which bids will be received and as many additional publications as shall be determined by the board. The bids shall be in writing, shall be filed with the clerk, shall be opened and read in public at a meeting of the board on the date named therefor in said advertisement, and after being opened, shall be filed for public inspection. No bid shall be considered for public work unless it is accompanied by a bid deposit in the form of a surety bond, postal money order, cash, cashier's check, or certified check in an amount equal to five percent of the amount of the bid proposed. The contract for the public work, lease or purchase shall be awarded to the lowest responsible bidder; taking into consideration the quality of the articles or equipment to be purchased or leased. Any or all bids may be rejected for good cause. The board shall require from the successful bidder for such public work a contractor's bond in the amount and with the conditions imposed by law. Should the bidder to whom the contract is awarded fail to enter into the contract and furnish the contractor's bond as required within ten days after notice of the award, exclusive of the day of notice, the amount of the bid deposit shall be forfeited to the county and the contract awarded to the next lowest and best bidder. The bid deposit of all unsuccessful bidders shall be returned after the contract is awarded and the required contractor's bond given by the successful bidder is accepted by the board. In the letting of any contract, lease or purchase involving less than one thousand dollars advertisement and competitive bidding may be dispensed with on order of the board of county commissioners. Notice of intention to let contracts, *enter into lease agreements* or to make purchases involving amounts exceeding five hundred dollars and less than one thousand dollars, shall be posted by the board of county commissioners on a bulletin board in its office not less than three days prior to making such purchase, lease or contract. Wherever possible, supplies shall be purchased in quantities for a period of at least three months, and not to exceed one year. Supplies generally used throughout the various departments shall be standardized insofar as possible, *and may be purchased and stored for general use by all of the various departments which shall be charged for the supplies when withdrawn from the purchasing department.*

NEW SECTION. Sec. 17. There is added to chapter 4, Laws of 1963 and to chapter 36.32 RCW a new section to read as follows:

RESOLUTION

House Resolution No. 67-94, by Representatives Chatalas and Gorton:

Whereas, The House of Representatives on March 4, 1967 unanimously endorsed House Concurrent Resolution 24 calling for the appointment of a committee or, in the alternative, action by the Legislative Council to, in the language of that resolution, "inaugurate an inquiry into the reasons, the causes and the practices in areas of law enforcement and criminal jurisprudence to determine what steps should be taken by our state government and what refinements and corrections in the body of criminal law should be instituted"; and

Whereas, House Concurrent Resolution 24 by reason of the adjournment of the regular session of the 40th Legislature was returned to the House along with other legislation and has since remained dormant in the committee on Rules and Administration; and

Whereas, The depredation of the criminally inclined have continued unabated in our community to the point that the top police administrators are compelled to make public admission of the fact that violent crime has increased over 100% during the past year. The month of March alone was marked by five first degree murders in the City of Seattle; and

Whereas, The United States Government through the President's commission on crime is making available to the several states funds for an inquiry into this appalling challenge of the criminal world to the peace and safety of the law abiding; and

Whereas, Both the Governor and the Attorney General of the State of Washington, the Municipal League and other public and private agencies are striving to come to grips with this problem; and

Whereas, Each of these several officials and agencies will of necessity be limited in their ability to exhaustively examine this question; and

Whereas, Further, The 40th Session of the Washington State Legislature should affirmatively declare its interest in this matter of public safety;

Now, Therefore, Be It Resolved, That the House of Representatives of the Washington State Legislature hereby unanimously endorses efforts now being made to stem the rising tide of crime and we do hereby extend to the officials and agencies concerned our unanimous support, and we do hereby direct the Legislative Council to respond, on call, to any request for assistance from any of the agencies involved in this examination; and

Be It Further Resolved, That it shall be made clear that the State of Washington is determined to drastically inhibit the current wave of lawlessness and to declare a virtual war on violent crime.

On motion of Mr. Chatalas, the resolution was adopted.

PERSONAL PRIVILEGE

The Speaker recognized Mr. Holman on a point of personal privilege.

Mr. Holman:

"Mr. Speaker, during the course of events yesterday, I neglected to advise the House of a telegram I received from Senator Henry Jackson. Since this has to do with a matter we undertook at the beginning of the session (passage of House Joint Memorial No. 1 dealing with the amendment of our Enabling Act to enable us to sell bonds to be funded by our permanent school fund), I think you will be glad to hear the telegram I received from Senator Jackson which stated:

'PLEASED TO ADVISE SENATE BILL 617 AS AMENDED BY SUBCOMMITTEE FAVORABLY REPORTED BY SENATE INTERIOR COMMITTEE TODAY. PROMPT ACTION BY FULL SENATE ANTICIPATED.'

"I thought you would like to be advised of the progress of this legislation."

MESSAGE FROM THE GOVERNOR

State of Washington, Office of the Governor,
Olympia, April 28, 1967.

To The Honorable, The House of Representatives of the State of Washington.

Ladies and Gentlemen:

I return without my approval as to one item, **House Bill No. 483** entitled:

"An Act relating to Labor Relations; providing a uniform statutory basis for implementing the right of public employees to organize and to be represented for the purpose of collective bargaining by organizations of their own choice."

This executive request bill is intended to promote the continued improvement of the relationship between public employers and their employees by providing a uniform basis for implementing the right of public employees to join labor organizations of their own choosing and to be represented by such organizations in matters concerning their employment relations with public employers. Sections 1 through 12 deal with public employees of counties, municipal corporations or political subdivisions of the state. For such employees, the Department of Labor and Industries is responsible for implementation of the law, through the promulgation of necessary rules and regulations.

Section 13 deals only with State employees and provides clear statutory authority for the Personnel Department to establish collective bargaining procedures by rule and regulation. Section 13 was deleted by the House. By amendment the Senate reattached this section to the bill, but in doing so, placed it in a new position in the bill. As a result, Section 9 which requires the Department of Labor and Industries to promulgate rules effectuating the Act, includes within its scope, the provisions of Section 13, which are intended to deal only with the duties of the Personnel Board. Two years ago, I vetoed a bill dealing with collective bargaining for public employees, primarily because of its total inadequacy in delineating the responsibilities of the Personnel Board and other agencies of State government. I again believe it would be unfortunate to allow the ambiguity created by the Senate amendment to remain. I have therefore vetoed in Section 9 the words, "of Sections 1 through 13" to maintain the legislative intent that the Personnel Board retain responsibility for collective bargaining by State employees and that the Department of Labor and Industries retain authority for dealing with collective bargaining by other public employees.

With the exception of the item in Section 9, which I have vetoed for the reasons set forth above, the remainder of the bill is approved.

Respectfully submitted,
DANIEL J. EVANS,
Governor.

MOTION

On motion of Mr. McDougall, the message from the Governor concerning House Bill No. 483 was referred to the Committee on Rules and Administration.

Whereas, The passage of the omnibus and capital appropriation bills are among the most significant and far-reaching actions taken by each session of the Washington State Legislature; and

Whereas, After the executive branch has prepared and presented its budgets to the Legislature, it is the ultimate responsibility of the legislative branch to critically analyze, study, review and determine the amounts necessary and proper to finance those programs of state government and capital construction which it deems to be appropriate; and

Whereas, The constant expansion in size and complexity of the programs of state government have rendered it increasingly difficult for the Legislature, within the allotted time, to assemble the information necessary to fully discharge its responsibility in the area of appropriations; and

Whereas, An effective system of checks and balances upon which our government is based, requires the maintenance of strong, well-informed legislative and executive branches; and

Whereas, Implementation of existing statutes, procedures and practices in the preparation and presentation of the budget do not adequately facilitate the discharge of the Legislature's responsibility in the area of appropriation;

Now, Therefore, Be It Resolved, By the House of Representatives, That the Legislative Council be and hereby is requested to undertake a complete study of the various laws, regulations, procedures and practices in Washington and in other states dealing with the preparation, analysis and adoption of the budget and appropriation bills, and recommend steps to be taken in the State of Washington to provide the procedures necessary to the Legislature to strengthen the legislative branch in the discharge of its responsibilities in the area of appropriations; and

Be It Further Resolved, That the results and recommendations of such study be presented to the Forty-first Regular Session of the Legislature.

And, Be It Further Resolved, That a copy of this House Resolution be submitted by the Chief Clerk of the House of Representatives to the Executive Secretary of the Legislative Council.

Mr. Bluechel moved the adoption of the resolution.

On motion of Mr. McGavick, the following amendment to the resolution was adopted:

On page 2, paragraph 1, line 5, after "states" and before "dealing with" insert "and the federal government's Program Performance Budgeting Procedures"

Representative Chapin spoke in favor of adoption of the resolution.

The motion was carried, and the resolution as amended was adopted.

House Resolution No. 67-95, by Representatives Hoggins, Kiskaddon, and Cunningham:

Whereas, The members of the School Safety Patrol throughout the state are quietly and tirelessly working day in and day out, fair weather and foul, with constant alertness for the care and protection of the lives and welfare of school children and preschool children; and

Whereas, The members of the School Safety Patrol throughout the state serve on a volunteer basis and receive little recognition or thanks for their tireless service and dedication except in rare cases; and

Whereas, Gregg Holmes, son of Mr. and Mrs. Vincent Holmes, 1620 Locust Way, Alderwood Manor, and a member of the School Safety Patrol for Cypress Elementary School, Alderwood, is about to receive national recognition for an act of heroism above and beyond the dedication usually demonstrated by members of that fine body; and

Whereas, Gregg Holmes, twelve years of age and a sixth grade student, saw the peril when two-year-old Tracy Miller stepped into the path of a school bus, as it was turning a corner, and rescued the child from the peril; and

Whereas, Gregg Holmes will be in Washington, D.C. May 11th, 1967 to receive the American Automobile Association National School Patrol Life Saving Medal to be presented by Alan F. Boyd, Secretary of Transportation, as one of nine members in the nation so selected, and the first boy in Washington State so selected since the inception of the AAA in 1904;

Now, Therefore, Be It Resolved, By the House of Representatives, That all members of the School Safety Patrol be given a heartfelt thanks for the job that they are doing in preserving the lives of school and preschool children.

Be It Further Resolved, That a special commendation be given to Gregg Holmes for his special act of bravery in saving the life of the little child; and

Be It Further Resolved, That the Chief Clerk of the House of Representatives transmit copies of this Resolution to Gregg Holmes, to his parents, and to the Superintendent of Public Instruction for distribution to all the School Safety Patrols in the State of Washington.

On motion of Mr. Hoggins, the resolution was adopted.

House Resolution No. 67-96, by Representatives Elicker, Sprague, Murray, and Others:

Whereas, Past sessions of the Legislature and more particularly this Fortieth Regular Session and the Extraordinary Session now in process have produced a consensus of opinion within this House of Representatives that certain rule changes might well be desirable for subsequent sessions of the Legislature;

Now, Therefore, Be It Resolved, That this House of Representatives present for the consideration of the members of the Committee on Rules and Administration of the Forty-first Regular Session of the Legislature the following items for their recommendations thereon:

(1) *House Should Meet Only on Monday, Wednesday and Friday.* The House should meet only three days per week on a regular schedule at specified times—probably 11:00 a.m. to 3:00 p.m.

(2) *Bumping Motions.* Motions to suspend the rules and advance to next reading should be shortened to the mere statement, "I move that House Bill No. (giving proper number) . . . be advanced to third reading."

(3) *Journal Approval.* The Speaker should merely state "Hearing no objection, the journal of the preceding day stands approved."

(4) *Recording of Floor Activities.* All statements made on the floor should be taken on tape and specific transcriptions made available to members on request. This would not involve any changes in what is currently written in the journal but would make all remarks available if desired.

(5) *Changes of Title.* Title amendments to bring the title into conformity with the act would be recorded automatically by the Chief Clerk and would not require special floor action. A vote for the amendments would be a vote for the title change as well.

(6) *Committee Reports.* Reports from standing committees would be read in by a simple statement such as "Agriculture Committee reports House Bill No. (giving proper number) . . . —Do pass by thirteen members." "Do not pass—two members."

(7) *Television Cameras.* All television cameras should be mounted behind a screen so that members of the House cannot easily tell when they are in operation and be either distracted or induced to put on a performance.

(8) *Bill Sponsors.* Names on bills as sponsors should not list more than three names. If others indicate a desire to cosponsor the bill only "and others" should be listed.

(9) *Joint Committee Hearings.* Committee chairmen of the House and Senate should plan joint public hearings for the benefit of the public. Any chairman who plans a public meeting should do so only if he has cleared with the other house.

(10) *Duplicate Bills in Both Houses.* When duplicate bills are introduced in both houses the sponsors from both houses should be listed on the bills in each house and the numbers of both should be listed on both.

(11) *Unrecorded Electric Roll Call.* In those cases where a division is called for, it should be taken on the electric board but should not be recorded.

(12) *Roll Call.* Roll call should be taken by switch, on the electric voting board. Five minutes from the time stated for convening should be allowed to check in.

(13) *First Reading of Bills.* Bills on first reading should be handled by the simple statement: "House Bill No. (giving proper number) . . . Purpose . . . (Pause) Assigned to the Committee."

(14) *Memorials and Resolutions.* No memorial or resolution should be placed on the floor for action unless copies are on all of the members' desks.

(15) *Positive Schedules.* All committees should have regular scheduled meetings that are firmly adhered to unless canceled by the chairman. No meeting should be permitted to run overtime and the start of each should be at the proper time.

Major committees should meet on Monday, Wednesday and Friday from 9:00 a.m. to 11:00 a.m. and on Tuesday and Thursday from 9:00 a.m. to 12:00 noon.

Minor committees should meet from 8:00 a.m. to 9:00 a.m. on Monday, Wednesday and Friday, from 3:00 p.m. to 5:00 p.m. on Monday, Wednesday and Friday, and from 1:00 p.m. to 5:00 p.m. on Tuesday and Thursday.

Committee chairmen should schedule additional meetings on Saturdays where the workload of the committee demands it. Times should be cleared by Thursday with the Speaker Pro-tem.

The sessions of the House should not be permitted to run overtime into the time scheduled for committee meetings.

(16) *Earphones in the Galleries.* Earphones should be mounted on the seats in the balcony in some section so that a guide can explain action or procedures on the floor without distraction to the members.

(17) *Consent Calendars*. All bills that can proceed on a consent basis should be scheduled for the Friday calendar.

(18) *Honorary Visitors*. Honorary visitors should be limited and speeches introducing such visitors limited to not over one hundred words.

(19) *National Procedures*. A study should be made of the procedures used in the National Congress to facilitate the rapid handling of the business of the house.

(20) *Move To Amend*. It should not be necessary for a member introducing an amendment to make the formal motion to adopt the amendment. That is implied by its introduction.

(21) *Microphones*. Microphones should be installed in all of the positions near the rostrum. During public hearings the questions asked by committee members seated there should be easily heard by everyone in attendance.

Be It Further Resolved, That the Chief Clerk will forward a copy of this Resolution to each member of the Committee on Rules and Administration of the Forty-first Legislature as soon as such persons are appointed.

On motion of Mr. Elicker, the resolution was adopted.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

On motion of Mr. Gorton, the House dispensed with further business under the call of the House.

Except as otherwise provided in this act, any receipts from federal or other sources or from gifts or grants in excess of those estimated in the budget may be received and allotted by the governor but in the event that receipts shall be less than those estimated in the budget from any source the appropriation shall be limited to the amount actually received and allotments made as provided in section 4. Whenever possible, the receipt of federal or other funds which are not anticipated by the governor's budget or the legislature shall be used to support regular programs instead of using appropriated funds.

NEW SECTION. Sec. 9. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

NEW SECTION. Sec. 10. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the budget director may direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the budget director which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed. Such services may include, but shall not be limited to, a messenger service and data processing service bureau in the Department of General Administration and further centralized payroll and vendor payment processing in the Central Budget Agency.

MOTION

Mr. Goldsworthy moved that the House adopt the report of the Free Conference Committee on Engrossed House Bill No. 208.

Debate ensued, Representatives Goldsworthy and Smith speaking in favor of the motion, Representative Holman objecting to the formula for distribution of funds to the cities, and Representative O'Brien objecting to allocation of the Governor's emergency fund.

Mr. Richardson:

"Mr. Saling, on page 18 of this budget, in one of the provisos, it provides that all school employees of the state shall receive a seven percent increase the first year of the biennium and a five percent increase the second year. This has given rise to a question by many members of this body, by many teachers, and many school directors in the state of Washington. The question is, Does this seven and five percent include normal increments for experience and education, or is it intended that this seven and five shall be over and above these increments?"

Mr. Saling:

"Mr. Richardson, there is money available in this state budget to pay an average salary increase of not less than seven and five percent to the teachers in the local districts, and I'm talking about an average amount. It is up to the local school boards to determine precisely how the money will be spent, but it must average that amount. Now, the local districts are normally the ones that vote their own funds through special levies or through their normal collection of taxes for the increments. There is not enough money in the state portion of this budget to pay increments in addition to the seven and five percent. These increments are normally handled by the local district."

YIELDING TO QUESTION

At the request of Mr. Grant, Mr. DeJarnatt yielded to question.

Mr. Grant:

"Mr. DeJarnatt, as one of the conferees on this conference committee, is it your understanding that the community college instructors would also be entitled to some

increase over and above the increments they were entitled to when they were under the common school program?"

Mr. DeJarnatt:

"I think the intent is pretty much the same. We are moving off into a new area here with community colleges. Henceforth they are a part of higher education, and historically the legislature has not earmarked a specific percentage amount for teachers in higher education, so they will be dealt with the same as the colleges and universities; but it is believed that there will be sufficient funds here to provide the same level of increase as for the K-12 program."

Further debate ensued, Representative Gorton speaking in favor of the motion to adopt the report of the Free Conference Committee and Representative Moon speaking against it.

The motion was carried.

**FINAL PASSAGE OF HOUSE BILL AS AMENDED BY FREE CONFERENCE
COMMITTEE**

The Speaker declared the question before the House to be the final passage of Engrossed House Bill No. 208 as amended by the Free Conference Committee.

Representative O'Brien spoke against passage of the bill.

YIELDING TO QUESTION

At the request of Mr. Chatalas, Mr. Saling yielded to question.

Mr. Chatalas:

"I would like to pursue what Mr. Richardson asked you awhile ago, Mr. Saling. On page 18, line 3, there is a proviso which says that it is the intent of the legislature to provide salary improvements to all district personnel in average amounts of seven percent, and an additional five percent in 1968 and 1969. Now I don't know just exactly why, but every session of the legislature we try to earmark the moneys that the teachers are supposed to get as an increase in salary, and here again we find in this budget that the intent is not what the legislature means every time we agree to give them a salary increase. From what it says here I'm under the opinion that every school teacher is going to get a seven percent increase in salary the first year and five percent the second. But now this doesn't say so. In other words, if a teacher makes seven thousand dollars, he would get a four hundred ninety dollar increase the first year. Now unless we do that, every year that we come down here the school teachers want an increase in salary. We are told the base is low and that the teacher is going to some other state and so on. Now why is this done? I would like to have the real explanation."

The Speaker:

"Do you understand the question, Mr. Saling?"

Mr. Saling:

"No, would you repeat it please?"

Mr. Chatalas:

"I would like to know why the conference committee and the appropriations committee write up a bill like this where it isn't plain as to what the legislature intends, as to what the salary increase of the teachers is going to be. Is it seven percent, or are some only going to get three percent and others will get ten percent?"

Mr. Saling:

"It's very likely some will get three percent and some might get ten percent. This is up to the local board of education to determine. There is an average for each district of seven percent. Most every school district has its own salary schedule, and these salary schedules are negotiated by the associations with the school boards and they may adopt a completely different salary schedule. The average, however, of salaries paid in a given district should increase by seven percent in the first year of

the biennium. Now, I'm not talking about average for each individual person, but the average for salaries in their budget should increase by seven percent."

Mr. Chatalas:

"Well, once again Mr. Saling, I don't believe this is the intent of the members of the legislature when we agree to give the teachers a salary increase. I think the intent of most legislators is to give an increase to the teachers of seven percent and five percent, and if we leave it up to the districts some of them don't get it, and this is why I'm going to vote against it."

Representative Kalich spoke in favor of passage of the bill.

Mr. Bledsoe demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed House Bill No. 208 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 55; nays, 36; absent or not voting, 8.

Those voting yea were: Representatives Adams, Amen, Avey, Bagnariol, Barden, Berentson, Bledsoe, Brazier, Brouillet, Ceccarelli, Clark (Newman H.), Clocksin, Cunningham, DeJarnatt, Elicker, Farr, Flanagan, Gallagher, Garrett, Goldsworthy, Gorton, Grant, Haussler, Hawley, Hill, Hoggins, Hubbard, Humiston, Jastad, Jueling, Kalich, King, Kink, Kirk, Kiskaddon, Leckenby, Lux, Lynch, Mahaffey, Marsh, McCaffree, McDougall, McGavick, Merrill, Murray, Saling, Smith, Sprague, Swayze, Thompson, Veroske, Wanamaker, Whetzel, Wolf, Mr. Speaker—55.

Those voting nay were: Representatives Backstrom, Beck, Bluechel, Bottiger, Bozarth, Chapin, Charette, Chatalas, Clarke (George W.), Copeland, Day, Gladder, Heavey, Holman, Hurley, Johnson, Jolly, Kopet, Leland, Lewis, Marzano, May, McCormick, Moon, Morrison, Newhouse, Newschwander, O'Brien, O'Dell, Reese, Richardson, Sheridan, Smythe, Spanton, Walgren, Zimmerman—36.

Those absent or not voting were: Representatives Anderson, Conner, Harris, Litchman, Perry, Rosellini, Sawyer, Taylor—8.

Engrossed House Bill No. 208 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed.

There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATIONS OF VOTE

We, the undersigned, voted against Engrossed House Bill No. 208 as amended by the Free Conference Committee as a protest against a change in the allocation of, and the formula for the allocation of money for the Bellevue (Eastside) Community College as opposed to that set forth in Substitute House Bill No. 548, the same having been inserted by the Free Conference Committee without notice to or discussion with the legislators concerned therewith.

Alan Bluechel,
1st District.
Richard U. Chapin,
48th District.
George W. Clarke,
41st District.

Francis E. Holman,
41st District.
Alfred E. Leland,
48th District.
Brian J. Lewis
41st District.

Although I voted for the adoption of this budget, since this seems to be the best we can pass this session, I am very much disappointed in the manner in which it was handled and in certain items contained in it. I am strongly convinced that a better method must be found for writing a budget whereby cuts can be made in certain departments and still maintain a workable and realistic budget. This might be done by having a staff employed by the legislature to thoroughly study the requests of the departments and then make recommendations to the legislature. This staff should be

answerable only to the legislators. I sincerely hope that the interim committee will come up with worthwhile recommendations along this line for the next session of the legislature to consider.

Otto Amen,
District 9-B.

While we were in general accord with the general fund budget, the subject of this bill, we voted against it for the reason stated by Representative Chapin and others, and for the additional reason that it is directly opposed, in Section 3 (3), to the expressed position of this House on the formula for distribution of state aid to cities and towns. The formula contained in Section 3 (3) is exactly the same one as was turned down by this House when House Bill No. 208 passed through this body. We further protest against a system which permits House members of a conference committee to negotiate a settlement of differences with the other house without using their best effort to support the position of this House.

Francis E. Holman,
1st District.
Brian J. Lewis,
41st District.

Although strongly in favor of most items in the budget, there are several items seemingly unjustified in our opinion.

We opposed the sales tax increase because it is unnecessary in our opinion and relates to the above comments on the budget.

It is our opinion that surplus funds should be allocated for other than many of the capital construction items. Because they are not, we have voted "no" on Substitute House Bill No. 207 and Substitute House Bill No. 208. Representative Zimmerman also disapproved the distribution of funds to cities, and towns, which unduly favored large cities.

Richard L. Smythe,
49th District.
Harold S. Zimmerman,
17th District.

YIELDING TO QUESTION

At the request of Mr. Beck, Mr. Goldsworthy yielded to question.

Mr. Beck:

"Mr. Goldsworthy, I would like a point of information. This has nothing to do with the bill now. On page 19, line 28, there is a figure of almost five hundred eighteen million dollars for the schools. Could you tell me how much per pupil per year that is going to amount to for the first year of the biennium and for the second year of the biennium?"

Mr. Goldsworthy:

"The first year is three hundred and fifty dollars and then it goes to three hundred and sixty-eight."

SIGNED BY THE SPEAKER

The Speaker announced he was about to sign: House Bill No. 207; also House Concurrent Resolution No. 32.

MOTION

On motion of Mr. Gorton, the House reverted to the eighth order of business.

Whereas, The Allied Daily Newspapers of Washington, during the sessions has supplied each member of the House with daily complimentary copies of the Washington newspapers of each member's choice;

Now, Therefore, Be It Resolved, That the House of Representatives extend its gratitude and appreciation for these courtesies, with its praise for good work well done and the good will enjoyed with these honorary members of the House, and with the hope that all may meet again and renew friendships in the Forty-first session of the Legislature.

Whereas, The members of the House of Representatives are unanimous in their desire to express their appreciation to the officers and fine staff of the Washington State Research Council;

**GOVERNOR'S MESSAGES ON HOUSE BILLS
PARTIALLY VETOED**

March 21, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am returning herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one item, **House Bill 53**, entitled:

“AN ACT Relating to state government; providing for state office and warehouse space and facilities.”

The bill provides certain procedural changes for the Department of General Administration in completing any work on leased or rented property at a cost of less than \$2,500. An amendment was added in the Senate which eliminated from the jurisdiction of the Department of General Administration authority to act as the agent of colleges and universities in the purchase, lease, or rent of real estate to be used for instructional or housing purposes. This is in addition to the present provisions which eliminate any authority of that department over acquisition of real estate by colleges and universities for research or experimental purposes. This amendment was placed on the bill to eliminate any possibility of recurrence of a problem of several years ago regarding acquisition of property for a university. Its unintended result is that the Department of General Administration has effectively been removed from involvement in the purchase, lease or rent of real estate for the present three state colleges as well as the newly authorized fourth state college.

The unintended result is inconsistent with Recommendation 11 of the Council for Reorganization of Washington State Government which urges greater centralization of purchasing functions with regard to educational institutions.

I do not believe that this major departure in responsibility for acquisition of real estate, particularly at a time when a new four-year college which will not have substantial staff to deal with the problems of acquisition of real estate, should be accomplished by an amendment which was not intended for this purpose. If such a change in the responsibility of the Department of General Administration is made, it should be accomplished only after considerable study and reasoned deliberation.

Deletion of this amendment has been discussed with its sponsor who does not object to its deletion. With the exception of the certain item in Section 1 which I have vetoed for the reasons stated above, the remainder of the bill is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

March 21, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one item, **Substitute House Bill No. 88**, entitled:

"AN ACT Relating to public lands; amending section 142, chapter 255, Laws of 1927 as last amended by section 1, chapter 79, Laws of 1963 and RCW 79.01.568; amending section 143, chapter 255, Laws of 1927 and RCW 79.01.572; amending section 144, chapter 255, Laws of 1927 as amended by section 40, chapter 271, Laws of 1951 and RCW 79.01.576; amending section 146, chapter 255, Laws of 1927 and RCW 79.01.584; amending section 148, chapter 255, Laws of 1927 and RCW 79.01.588; and amending section 149, chapter 255, Laws of 1927 and RCW 79.01.592."

This bill makes a number of amendments to the laws relating to leases of publicly owned beds of navigable tidal waters for cultivation of oysters, clams and other edible shellfish.

I have no objection to this legislation. However, section 2 of the bill amends RCW 79.01.572 in a manner inconsistent with the amendment of that section contained in Senate Bill No. 88 which also was passed by the legislature and approved by me. Fortunately, Senate Bill No. 88 makes all of the substantive changes in RCW 79.01.572 relating to cultivation of shellfish which are contemplated by section 2 of Substitute House Bill No. 88. In order to give effect to the legislative intent and to prevent the confusion which results from the adoption of conflicting amendments to the same statute, I have vetoed section 2. The remainder of **Substitute House Bill No. 88** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,
Governor.

March 21, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one item, **House Bill 132**, entitled:

"AN ACT Relating to state government; authorizing the sale, lease or exchange of the Tacoma armory and the acquisition of a new armory or armories."

The purpose of this bill is to authorize the sale of the Tacoma armory at such time as there may be sufficient money in hand from the sale or other sources to replace the armory in Pierce County.

The bill contains several safeguards to assure this result. One of the redundant safeguards is the establishment of a special account in the treasury to hold the proceeds of the sale.

I fully agree with the legislative intent that if the armory is sold the funds should be used only for the replacement of the armory. I am satisfied that this can be accomplished without setting up one more special accounting entity in our already too cumbersome fund structure. This matter has been discussed with the prime sponsor of the bill, and with his agreement I am vetoing the language establishing this special fund. I have therefore vetoed certain language in the third paragraph of Section 1. The remainder of **House Bill 132** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,
Governor.

VETO MESSAGES
GOVERNOR'S MESSAGES ON HOUSE BILLS OF 1967
EXTRAORDINARY LEGISLATIVE SESSION
PARTIALLY VETOED AFTER ADJOURNMENT

May 10, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one item, **Engrossed House Bill No. 222**, entitled:

"AN ACT Relating to control of flood waters."

This bill provides for financial contributions by the state to assist local units of government with flood control projects. Section 3 authorizes the director of the Department of Conservation to determine when certain statutory conditions for financial aid have been fulfilled. This section also provides that the director shall request "the state auditor to issue" the proper warrant for the state's financial contribution. Under the Budget and Accounting Act, the state auditor no longer performs the function of issuing warrants. This function is performed by the state treasurer.

I am certain that the legislature did not intend to alter established procedures under the Budget and Accounting Act. Therefore, I have vetoed the words:

“the state auditor to issue”

which appear on lines 22 and 23 of page 2 of the bill in order to make this enactment consistent with the Budget and Accounting Act.

The remainder of **Engrossed House Bill No. 222** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

May 11, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to certain items, **House Bill 269**, entitled:

“AN ACT Relating to state government; establishing the Washington Traffic Safety Commission.”

This bill gives to the Governor ultimate responsibility for the administration of the traffic safety program of the state, as required by the National Highway Safety Act of 1966. It also establishes a Washington Traffic Safety Commission to assist the Governor by finding solutions to the problems that have been created as a result of the tremendous increase of motor vehicles on our highways and the attendant death and accident tolls. It is intended as a permanent successor to the Washington Safety Council. I believe that this commission is an important addition to the traffic safety program of the state, for not only does it comply with the requirements of the National Highway Safety Act, but it will provide a focal point for the development of new and imaginative approaches to traffic safety, both at the local and state level of administration.

Because of the substantial impact of federal traffic safety legislation on local communities, it became obvious that local government should be represented on the commission. Therefore, at my suggestion, representatives of the governing bodies of both counties and cities were added by floor amendment, to be appointed from the Association of Washington Cities and the Association of County Commissioners. In addition, the county road administration engineer was added by committee amendment, because of his relationship with county government. I believe the county road administration engineer can play an important role in the county traffic safety program. However, I believe the interests of city and county government should be equally represented and that this representation should come from those involved in

the highest level of local government. The act provides for the appointment of advisory committees. Either as a member of an advisory committee or as an informal advisor, the county road administration engineer will serve a valuable role in assisting in the work of the commission. However, to maintain equality of representation, I have vetoed the item making him a member of the Traffic Safety Commission. If, during the next biennium, the Traffic Safety Commission feels he should be a member, they may recommend he be added by the next legislature.

The commission replaces the Washington Safety Council, a permanent body, and is itself intended to work with the problem of traffic safety on a permanent basis. Section 16 eliminates the Traffic Safety Commission on July 1, 1969, but apparently does not reactivate the Washington Safety Council. I believe the work of the commission should not be hampered by legislation which terminates its existence at the end of two years unless the legislature takes further affirmative action. If a majority of the members of each house believe that the commission should be terminated or altered, they may do so in the normal legislative process. I have therefore vetoed Section 16 eliminating the expiration date of the act. With the exception of the foregoing items which I have vetoed, the remainder of the act is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

To the Honorable,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith without my approval as to one item, **House Bill 303**, entitled:

“AN ACT Relating to the establishment and development of community mental health programs.”

In my State of the State Message, I stated that “of all human needs, none can be more compelling—and none more important than to meet the urgent needs of our unfortunate and unrepresented citizens afflicted with mental illness and retardation. The degree of the problem requires an equal degree of response. To do less is neither fiscally responsible nor humanely defensible.

“Over and above state action, this administration will support the expansion of comprehensive community services in creating a network of community mental health and retardation clinics which can deal with these problems at the level of local concern.”

House Bill 303, the Community Mental Health Services Act, is one of three parts of a package to accomplish these goals. I believe it represents a major stride forward in recognizing that many facets of mental illness can be

handled with greater success for the individual and the community without requiring transportation of individuals to large institutions far from their homes.

House Bill 303 was amended to add to Section 2 a subsection (3) defining "Community Mental Health Program" as "any consciously adopted program designed to help people learn to avoid mental crisis." This language is contained as a suggested definition in the state's mental health grant-in-aid plan submitted to the federal government. The attempt to define the programs covered by this bill was meritorious, and would have improved the legislation. Unfortunately, the amendment inadvertently left out two words, "or overcome", from the definition contained in the grant-in-aid plan, thus suggesting that community mental health programs are designed only to prevent and not to treat mental crisis.

Not only do the goals and requirements of the remainder of the act conflict with this concept of community mental health programs, but such a concept would not meet federal matching fund requirements and would result in loss of federal revenue of approximately \$2.7 million to assist in establishment of community mental health programs anticipated in the budget passed by both houses of this legislature.

I am sure it was not the intention of the legislature or the sponsor of the amendment to cast any doubt on the ability of the community programs to aid individuals in overcoming mental crises, nor the ability of the state to participate in federal matching programs for community mental health. For this reason, I have vetoed subsection (3) of Section 2 and have approved the remainder of the bill.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

April 19, 1967.

To the Honorable,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to one item, **House Bill 304**, entitled:

"AN ACT Relating to mental retardation and mental health."

This bill is the final part of a package which I introduced to create a basis for development of a progressive community mental health and retardation program in the state. House Bill 304 contains provisions making available to local government a source of funds with which to develop these programs.

Section 14 amends RCW 70.32.080. The same statute was substantially changed in House Bill 476. The only amendment to that statute in House Bill 304 is in a portion of the statute which was deleted by the earlier bill.

Therefore, if the language as contained in House Bill 476 is allowed to remain, the amendment contained in House Bill 304 is not necessary. Because I believe it was the intention of the legislature that the substantive changes in House Bill 476 not be altered by House Bill 304, I have vetoed Section 14. The remainder of the bill is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,
Governor.

March 21, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to certain items, **Substitute House Bill 322**, entitled:

“AN ACT Amending barber law.”

This bill makes a number of improvements in the laws regulating the practice of barbering.

Under existing law, no license is required where one person performs barbering services for family members or friends without compensation. As originally introduced, this bill would have limited this exemption to barbering services performed on members of the family. The legislature properly added by amendment barbering services performed for neighbors and friends, so that there would be no change in existing law. However, because of language deleted in the original bill Section 1 of the bill would exempt from licensing a person performing barbering services upon friends, neighbors or members of his immediate household even though he might be receiving compensation for the services, so long as they were performed within the household. We do not believe the legislature intended to broaden the exemption to include services performed for compensation. In order to prevent this result, I have vetoed all of Section 1 so that the provisions of RCW 18.15.010 will remain unchanged.

I have also vetoed Section 7 because it amends RCW 18.15.055 in a manner inconsistent with the amendment of that section contained in House Bill 92 passed by the legislature and heretofore approved by me. The veto of this section will make no substantive change in the law.

With the exception of Section 1 and Section 7 which I have vetoed, the remainder of **Substitute House Bill 322** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,
Governor.

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to one item, **House Bill 478**, entitled:

“AN ACT Relating to state government; authorizing the sale, lease or exchange of the Yakima armory and the acquisition of a new armory or armories.”

The purpose of this bill is to authorize the sale of the Yakima armory at such time as there may be sufficient money in hand from the sale or other sources to replace the armory in Yakima County.

The bill contains several safeguards to assure this result. One of the redundant safeguards is the establishment of a special account in the treasury to hold the proceeds of the sale.

I fully agree with the legislative intent that if the armory is sold the funds should be used only for the replacement of the armory. I am satisfied that this can be accomplished without setting up one more special accounting entity in our already too cumbersome fund structure. This matter has been discussed with the prime sponsor of the bill, and with his agreement I am vetoing the language establishing this special fund. To the Honorable,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I return without my approval as to one item, **House Bill No. 483**, entitled:

“AN ACT Relating to Labor Relations; providing a uniform statutory basis for implementing the right of public employees to organize and to be represented for the purpose of collective bargaining by organizations of their own choice.”

This executive request bill is intended to promote the continued improvement of the relationship between public employers and their employees by

providing a uniform basis for implementing the right of public employees to join labor organizations of their own choosing and to be represented by such organizations in matters concerning their employment relations with public employers. Sections 1 through 12 deal with public employees of counties, municipal corporations or political subdivisions of the state. For such employees, the Department of Labor and Industries is responsible for implementation of the law, through the promulgation of necessary rules and regulations.

Section 13 deals only with State employees and provides clear statutory authority for the Personnel Department to establish collective bargaining procedures by rule and regulation. Section 13 was deleted by the House. By amendment the Senate reattached this section to the bill, but in doing so, placed it in a new position in the bill. As a result, Section 9 which requires the Department of Labor and Industries to promulgate rules effectuating the Act, includes within its scope, the provisions of Section 13, which are intended to deal only with the duties of the Personnel Board. Two years ago, I vetoed a bill dealing with collective bargaining for public employees, primarily because of its total inadequacy in delineating the responsibilities of the Personnel Board and other agencies of State government. I again believe it would be unfortunate to allow the ambiguity created by the Senate amendment to remain. I have therefore vetoed in Section 9 the words, "of Sections 1 through 13" to maintain the legislative intent that the Personnel Board retain responsibility for collective bargaining by State employees and that the Department of Labor and Industries retain authority for dealing with collective bargaining by other public employees.

With the exception of the item in Section 9, which I have vetoed for the reasons set forth above, the remainder of the bill is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,
Governor.

April 12, 1967.

To the Honorable,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith without my approval as to certain items, **House Bill No. 516**, entitled:

"AN ACT Relating to elections."

This bill makes a number of improvements in the statutes relating to elections. Sections 11 through 33 of the bill authorize the State Voting Machine Committee to approve certain types of new voting devices which permit paper ballots and punch cards to be counted automatically. I approve of this legislation, but object to sections 26 and 33 of the bill.

Section 26 requires the use of duplicate ballots or ballot cards which are to be counted by an automatic vote tallying system. Although several other

states utilize these new voting devices, no state requires duplicate ballots or cards.

The Auditor of Clark County plans to utilize this new voting system in the 1968 elections, if one or more suitable devices are approved by the State Voting Machine Committee. He is concerned that the use of duplicate cards and duplicate envelopes will unnecessarily complicate the voting procedure at a time when voters are becoming accustomed to a new system. The Director of Elections of Oregon has reported favorably to the House Committee on State Government and Legislative Procedures on the punch card voting system now in use in Oregon, which does not involve the use of duplicate ballots; and representatives of the Secretary of State's office have observed this system in operation in Oregon, and feel that duplicate ballots are unnecessary to assure secrecy in voting and protection for the ballots.

Moreover, requiring duplicate ballots or ballot cards tends to limit competition among the manufacturers of different types of new voting equipment. Although it is inconvenient and somewhat cumbersome to use duplicate punch cards, the equipment presently used in other states will mark duplicate cards in a single operation by the voter. Requiring a voter to mark two ballots separately would be so cumbersome and inefficient as to render these systems non-competitive with punch card systems.

The Secretary of State anticipates that during the next two years no more than one county will attempt to use these new devices. During this trial period it would seem desirable to have a maximum of competition among all manufacturers of equipment which the Voting Machine Committee approves. This will give the county auditors, the Secretary of State and the legislature an opportunity to study various types of new voting devices.

Section 33 states that the provisions of sections 11 through 32 of the bill will apply only to counties of the second class, which includes Clark County. The purpose of this section is to limit the use of these new voting devices to no more than three counties until such time as the new systems can be observed in operation in this state. I have no objection to this policy determination by the legislature; however I believe the language of section 33 will have a result not intended by the legislature.

Included among the sections of this bill which apply only to counties of the second class are several sections of existing law relating to the conduct of elections and regulating the use of voting machines. As amended by this bill these statutes also would be applicable to the new voting systems. However, if these amended laws apply only to counties of the second class, it is doubtful that any amended section of the law would apply to the other counties of the state. This inadvertently could leave most of the counties of the state without necessary laws regulating the conduct of elections and particularly the procedure by which voting machines are approved by the State Voting Machine Committee.

This problem has been called to the attention of several members of the legislature who wished to limit the number of counties which could utilize new voting devices. It is my understanding that another bill will be proposed to the legislature to give effect to the original intent of the legislature without creating the problem caused by section 33 of this bill.

For the foregoing reasons I have vetoed sections 26 and 33. The remainder of **House Bill No. 516** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

April 3, 1967.

To the Honorable,

The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith without my approval as to one item, **Substitute House Bill No. 548**, entitled:

"AN ACT Relating to education and establishing community college districts."

This legislation is among the most significant enacted by the Fortieth Legislature. It provides for a statewide system of community colleges organized into twenty-two community college districts.

The bill contemplates that vocational-technical institutes will become a part of the community college system; however, section 77 of the bill grants to common school districts in counties of the second, first, A and AA class the option of maintaining any existing vocational-technical institute independent of the community college system, if the institute were operated independently of a community college on January 1, 1967.

According to the Superintendent of Public Instruction the vocational-technical institutes which would be affected by this provision of the bill are located in the Bellingham, Clover Park, Lake Washington, Olympia, Renton, Tacoma and Walla Walla school districts. The Olympia and Walla Walla institutes are located in third class counties; thus these school districts would not have the option afforded by section 77 to the other five school districts operating independent vocational-technical institutes. This may be of little consequence in Walla Walla where the school district plans to operate its institute as a part of the Walla Walla Community College; thus Olympia school district may be the only district denied the option to maintain an independent vocational-technical institute.

Irrespective of the choice which may be made by these local districts, I believe it should be a choice equally available to all districts maintaining independent vocational-technical institutes. Therefore, I have vetoed that portion of section 77 which limits this choice to districts

"located in any county of the second, first, A or AA class."

The remainder of **Substitute House Bill No. 548** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

March 21, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the Legislature, without my approval as to certain items, **House Bill No. 612**, entitled:

“AN ACT Providing general rules for receipt by mail of certain remittances, reports, etc., required by the state and local subdivisions thereof.”

This bill provides that whenever reports, claims, tax returns, remittances, statements and other documents required or authorized to be filed with the state or any payments made to the state, or to any political subdivisions thereof, are transmitted through the United States mails, they shall be deemed filed and received by the state or political subdivision on the date shown on the postmark.

I do not object to the general purpose of this legislation, which is to prevent penalties from accruing to taxpayers and others required to file tax returns and government reports where the sender has relied upon the mails and delay has occurred in delivery through no fault of the sender.

However, as drafted, this bill could apply to documents such as conveyances or security interests which are not required to be filed, but which may be filed with state or local agencies in order to give notice to third persons.

The bill contemplates that when a document is not received, the government agency will notify the sender, who is given ten days to mail a duplicate without incurring a penalty. It seems obvious that such a statutory scheme was intended by the legislature to apply to a limited class of document which the government agency would expect to receive periodically, so that it would give notice of its non-receipt to the sender in the normal course of the agency's business.

Since this type of statute cannot apply to documents the government agency cannot anticipate such as documents permitted, but not required, to be filed, I have vetoed the words, “or authorized”, on page one, line eight of the bill.

The remainder of **House Bill No. 612** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

March 21, 1967.

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature without my approval as to one item, **Substitute House Bill 617**, entitled:

“AN ACT Relating to challenging of registered voters.”

This bill revises the procedure for challenging a person's right to vote on the ground that he does not reside in the precinct in which he is registered. Under existing law and under this bill, such a challenge must be made at least sixty days before an election, so that a challenged voter may preserve his right to vote by transferring his registration to the precinct where he resides.

This bill further protects the rights of the challenged voter by assuring that he will receive a notice in the mail at his new address advising him that his current registration has been challenged. However, there is one restriction in the bill which is not necessary to protect the challenged voter. This is the provision that another registered voter cannot make the challenge unless he resides in the same precinct.

Therefore, I have vetoed lines 24 and 25 on page one of the bill which provides:

“(3) The registered voter may only challenge the residence of another voter in his precinct.”

The remainder of **Substitute House Bill 617** is approved.

Respectfully submitted,

To the Honorable,

The House of Representatives of the State of Washington
(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to certain items, **Substitute House Bill No. 722**, entitled:

“AN ACT Relating to highways and the operation of vehicles thereon.”

This is the highway omnibus bill. It contains 81 sections dealing with a multitude of highway related matters.

Section 52, added by floor amendment, is the result of the valid concern of many legislators over the failure of the judiciary to apply a consistent policy in sentencing persons convicted of driving while their licenses have been suspended or revoked. The present law provides for a minimum sentence upon conviction of ten days confinement, and a maximum sentence of six months confinement; however, a judge has the power to suspend any or all of the sentence or place the person convicted under probation. Under the amendment contained in Section 52, the penalty for the first conviction would remain at a minimum of ten days and a maximum of six months, but the judge would be prohibited from suspending five days of the sentence. Upon the second conviction, punishment would be imprisonment for a minimum of ninety days to a maximum of one year, ninety days of which could not be suspended. Upon the third conviction, punishment would be imprisonment for one year, no part of which could be suspended. I have no disagreement with the legislative determination that progressively more severe sentences should be given for the offense of driving while a license has been suspended or revoked; for individuals convicted of this offense have previously violated the law and have poor driving records. I believe the growing traffic safety problems in the state require strict enforcement of the law; and more severe sentences play an important role in this program.

However, I have been urged, not only by judges but by prosecutors, to veto the provisions of this bill which totally remove from the judge all discretion to suspend a sentence. Apparently many cases arise in which an individual is not fully aware that his license has been suspended or revoked, or is honestly mistaken as to the current status of the revocation or suspension. In this type of situation, where the offense is not willful, I believe the judge should retain the discretion to suspend a sentence. For this reason, I have vetoed those items in Section 52 which provide for mandatory jail sentences and all of Sections 53 and 54. However, I am requesting both the Judicial Council and the President of the Washington State Magistrates Association to consider the problem of inconsistent sentences by judges for this offense, in an attempt to standardize sentencing procedures in cases where there are no mitigating circumstances which are legitimate grounds for a suspended sentence.

Section 64 amends the 1961 state billboard act regulating billboards on interstate and certain "scenic" highways. This legislation has a lengthy history.

The Federal Aid Highway Act of 1959 (Public Law 86-342) established certain national standards for regulation by states of outdoor advertising signs. The act provided that the federal highway administrator could enter into agreements with the various states relative to control of outdoor advertising signs to meet the federal standards. The State of Washington entered into such an agreement on June 23, 1961, after passing the state's 1961 act establishing standards to meet the federal requirements. Our 1961 act was accepted as fully meeting the federal requirements at that time, and accordingly the state has been accumulating the right to receive "bonus" contributions from the federal government equal to one-half of one percent of federal highway funds authorized under the Federal Aid Highway Act. If the state fails to perform its obligations under the agreement, it will not receive this bonus from the federal government. The total amount of the bonus presently

accumulated is \$903,000, with the total amount due the state if it complies with its agreement estimated at over \$2 million.

Despite this substantial benefit to the state, the 1961 act required only that approximately 470 of the 7,600 signs owned by outdoor advertising companies in the state be removed. Nevertheless, the 1961 act has been the subject of lengthy litigation, having now been held constitutional by the Thurston County Superior Court. Hopefully the litigation under this act will be completed shortly, for the state must remove the signs covered by its agreement with the federal government by January 1, 1968 to retain its eligibility for approximately \$2 million in bonus payments.

I believe the concept of regulation of billboards along our highways has clearly been accepted by both the state and federal government, and by the overwhelming majority of the citizens of this state. I am unwilling to allow any changes in the state law which would create the possibility of further litigation, either postponing the time at which the 1961 act may become effective or endangering the "bonus" highway funds the state should receive, unless there is substantial benefit received from the change. I am convinced that Section 64 of Substitute House Bill No. 722 provides little benefit to the state.

I have been assured by the Chairman of the Subcommittee on Roads of the House Public Works Committee of the Congress and by the Secretary of Transportation that this state will not be penalized in the next biennium for failure to enact legislation in addition to the 1961 state act. It was re-emphasized as late as May 4 that the federal legislation would be completely rewritten, and it is clear that the concept of "customary use" presently contained in the federal act will no longer be pertinent. Thus, I do not believe the study authorized by Section 64 is pertinent. If the highway interim committee of the state legislature wishes to study this concept and others necessary to comply with any federal beautification requirements, it is authorized and directed to do so under Section 69 (11) of this bill, and does not require any authorization in Section 64.

Section 64 could result in new litigation over the constitutionality of the classification of signs to remain standing and those to be removed on the interstate and scenic highway systems. The present litigation extending since 1964 will be sufficient to test these issues. The removal of signs should be accomplished in accordance with the 1961 act if the Supreme Court in the present litigation determines it to be constitutional.

Section 64 also allows the Highway Commission to negotiate an agreement with the Secretary of Transportation, as provided by the Highway Beautification Act of 1965, subject to veto by the joint committee on highways. The Federal Highway Beautification Act of 1965 covers both the interstate and primary highways. The legislature has not enacted any control over outdoor advertising signs along the primary system, except for certain scenic highways. Therefore, the negotiation with the Secretary of Transportation for such an agreement is meaningless. The existing agreement with the federal government under the 1959 federal act referred to above relates to removal of billboards on the interstate system. Modification or failure to perform this agreement by January 1, 1968, may result in the loss of the "bonus" highway money.

Section 64 authorizes the Attorney General to institute suit to determine the adequacy of state laws to control billboards. The federal law also gives him that authority. Whether or not it did so, specific legislative authority would not be required to authorize the Attorney General to act to contest any determination that the law of the State of Washington is inadequate to meet federal requirements.

Finally, the section prohibits erection of signs prior to July 1, 1969, within the areas protected under the 1961 act. This sentence restates, with the addition of the time limit, RCW 47.42.030 which provides:

"Except as permitted under this chapter, no person shall erect or maintain a sign within a protected area or scenic area."

This provision has prevented since March 11, 1961 the erection of any new signs prohibited by the 1961 act. The addition of the words "prior to July 1, 1969" to Chapter 47.42 RCW might be construed to amend RCW 47.42.030 and to permit any sign to be erected after July 1, 1969, thus completely nullifying the 1961 act, unless the July 1, 1969 time limit is repealed at the next session of the legislature.

Thus, I have vetoed Section 64, because its provisions are unnecessary, and create the possibility of additional undesirable litigation over the 1961 state act. I believe the veto of Section 64 will maintain Washington's position of leadership in the field of highway beautification. On the other hand, it should be recognized by the legislature and the citizens of the state that outdoor advertising is a legitimate industry, and signs located in appropriate places frequently serve the interests of the highway traveler. Particularly in the light of changing federal requirements, it would be a great service to the state, if representatives of the outdoor advertising industry and other citizens interested in highway beautification were to work together to develop a statewide policy which would protect the legitimate interests of the industry and still preserve the natural beauty of our state for the highway traveler to view.

I have not based my decision to veto the aforementioned items on the basis of any determination with regard to the constitutionality of the highway omnibus bill. However, I have been more willing to veto portions of the act in an attempt to decrease the possibility for challenge of constitutionality and because I regret the growing use of "omnibus bills" in which the legislature combines many provisions in the final moments of the legislative session, which members of each house do not have an opportunity to consider separately. In commenting on this procedure, the Washington State Supreme Court stated in 1951:

"Such bills, popularly called 'omnibus' bills, became a crying evil, not only from the confusion and distraction of the legislative mind by the jumbling together of incongruous subjects, but still more by the facility they afford to corrupt combinations of minorities with different interests to force the passage of bills with provisions which could never succeed if they stood on their separate merits. So common was this practice, that it got a popular name, universally understood as logrolling."

I do not pretend to have removed from the bill every section which may become involved in litigation. Neither do I pretend to reach any conclusion

that the bill is not legally proper. However, I am hopeful that in future sessions, the legislature will attempt to avoid provisions which create the possibility of challenge on this basis.

With the exception of the several items discussed herein, which I have vetoed, the remainder of **Substitute House Bill No. 722** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,

Governor.

May 11, 1967.

To the Honorable,

The House of Representatives of the State of Washington

(Through the Secretary of State.)

Ladies and Gentlemen:

I am filing herewith to be transmitted to the House of Representatives at the next session of the legislature, without my approval as to one section, **House Bill No. 934**, entitled:

“AN ACT Implementing law putting additional limitations on regular property tax revenue.”

This bill deals with a number of aspects of the property tax. The principal purpose of the bill is to make a number of amendments to the 1965 act which placed a “freeze” on property taxes. Both the bill and the original 1965 act are designed to prevent skyrocketing property taxes in the event the ratio of assessed value to true and fair value of property were to increase substantially. This bill clarifies a number of problem areas which were created by the 1965 act, and also greatly strengthens the protections afforded to property taxpayers. The ultimate effect of these amendments is to provide the same protection by statute which would be afforded if the state constitution directed that property be assessed at 25% of true and fair value. I approve of these provisions of the bill.

In addition to the amendments to the 1965 act, Section 10 of House Bill No. 934 provides that whenever a county assessor determines that there has been an increase in the true and fair value of any parcel of real property, he shall give a notice of such increase to the taxpayer on or before June 15. This notice is designed to afford the taxpayer an opportunity to appeal this determination to the County Board of Equalization. I have no objection to Section 10. However, the emergency clause contained in Section 11 of the bill would require notices of increases made this year to be sent before June 15, 1967, which the assessors of the state are not equipped to do.

I have vetoed Section 11 in order that the assessors can take the necessary steps to comply with Section 10 in an orderly fashion prior to June 15 of next year.

By vetoing the emergency clause, it is not my intention to delay immediate implementation of Section 7 of the bill, which by its terms is designed to be effective no later than July 1, 1967. Section 7 is designed to establish a classification and salary plan for those employees of county assessors who act as appraisers of property. The purpose of Section 7 of the bill is to assist the county assessors in attracting qualified personnel to perform the extremely important function of appraising property for tax purposes. Only by accurate appraisals can property taxpayers be equally and fairly treated. Early implementation of Section 7 should assist in this goal.

For the reasons stated above, I have vetoed Section 11. The remainder of **House Bill No. 934** is approved.

Respectfully submitted,

(Signed) DANIEL J. EVANS,
Governor.
