SUBSTITUTE HOUSE BILL NO. 1068 was read the second time.

Representative Robertson moved the adoption of amendment (015):

On page 2, beginning on line 15, after "(a)" strike all material through "appeals" on line 36 and insert "When agreed to by the parties and the examination provider, any examination, except for psychiatric examinations and neuropsychological evaluations, ordered under this section, RCW 51.32.110, or by order of the department or board of industrial insurance appeals, may be recorded using video or audio recording equipment if: (i) the recording is done in an unobtrusive manner; (ii) the recording does not interfere with the examination; and (iii) the worker does not hold the recording equipment during the examination. Intent to record and agreements to record must be made in writing and communicated to all parties"

within 14 days prior to the examination date to avoid scheduling delays.

(b) Recordings made under this subsection are deemed confidential pursuant to RCW 51.28.070. An unedited recording of an examination must be kept in a secure location, and access to the recording is restricted to authorized individuals, including the worker or worker's representative, employer or employer's representative, the examiner or examiners, the department, and the board of industrial insurance appeals.

(c) The recording shall not be tampered with in any way, and any benefits received as a result of any material alteration of the recording by the worker or done on the worker's behalf may be subject to repayment pursuant to RCW 51.32.240.

(d) A record of who has viewed the recording and when the recording was viewed must be kept by the entity securing the recording and must be provided to all parties within 14 days of the viewing.

(e) The party requesting audio or video recording is responsible for the reasonable cost of the recording, unless otherwise ordered by the department or board of industrial insurance appeals.

(f) Prior to making a recording of an examination, the party recording shall attest in writing, on a form provided by the examination provider, that: (i) the party making the recording is making a recording to document the examination; (ii) the parties consent to the recording or were ordered to record the examination; (iii) there may be privacy and confidentiality concerns associated with the recording, including the potential for sensitive information about the worker's health and medical history to be disclosed; and (iv) the examiner or examiners conducting the examination are not responsible for any privacy or confidentiality issues that may arise from the worker's recording.

(g) The worker has the right to have one person, who is at least the age of majority and who is of the worker's choosing, to be present to observe all examinations, except for psychiatric examinations and neuropsychology evaluations, ordered under this section, RCW 51.32.110, or by the board of industrial insurance appeals"

SUBSTITUTE HOUSE BILL NO. 1073 was read the second time.

Representative Riccelli moved the adoption of the striking amendment (012):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 18.360.010 and 2021 c 44 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Administer" means the retrieval of medication, and its application to a patient, as authorized in RCW 18.360.050.

(2) "Delegation" means direct authorization granted by a licensed health care practitioner to a medical assistant to perform the functions authorized in this chapter which fall within the scope of practice of the health care provider and the training and experience of the medical assistant.

(3) "Department" means the department of health.

(4) "Forensic phlebotomist" means a police officer, law enforcement officer, or employee of a correctional facility or detention facility, who is certified under this chapter and meets any additional training and proficiency standards of his or her employer to collect a venous blood sample for forensic testing pursuant to a search warrant, a waiver of the warrant requirement, or exigent circumstances.

(5) "Health care practitioner" means:

(a) A physician licensed under chapter 18.71 RCW;

(b) An osteopathic physician and surgeon licensed under chapter 18.57 RCW; or

(c) Acting within the scope of their respective licensure, a podiatric physician and surgeon licensed under chapter 18.22 RCW, a registered nurse or advanced registered nurse practitioner licensed under chapter 18.79 RCW, a naturopath licensed under chapter 18.36A RCW, a physician assistant licensed under chapter 18.71A RCW, or an optometrist licensed under chapter 18.53 RCW.

(6) "Medical assistant-certified" means a person certified under RCW 18.360.040 who assists a health care practitioner with patient care, executes administrative and clinical procedures, and performs functions as provided in RCW 18.360.050 under the supervision of the health care practitioner.

(7) "Medical assistant-hemodialysis technician" means a person certified under RCW 18.360.040 who performs hemodialysis and other functions pursuant to RCW 18.360.050 under the supervision of a health care practitioner.

(8) "Medical assistant-phlebotomist" means a person certified under RCW 18.360.040 who performs capillary, venous, and arterial invasive procedures for blood withdrawal and other functions pursuant to RCW 18.360.050 under the supervision of a health care practitioner.

(9) "Medical assistant-registered" means a person registered under RCW 18.360.040 who, pursuant to an endorsement by a health care practitioner, clinic, or group practice, assists a health care practitioner with patient care, executes administrative and clinical procedures, and performs functions as provided in RCW 18.360.050 under the supervision of the health care practitioner.

(10) "Secretary" means the secretary of the department of health.

(11)(a) "Supervision" means supervision of procedures permitted pursuant to this chapter by a health care practitioner who is physically present and is immediately available in the facility, except as provided in (b) and (c) of this subsection.

(b) The health care practitioner does not need to be present during procedures to withdraw blood, administer vaccines, or obtain specimens for or perform diagnostic testing, but must be immediately available.

(c) During a telemedicine visit, supervision over a medical assistant assisting a health care practitioner with the telemedicine visit may be provided through interactive audio and video telemedicine technology.

Sec. 2. RCW 18.360.040 and 2017 c 336 s 17 are each amended to read as follows:

(1)(a) The secretary shall issue a certification as a medical assistant-certified to any person who has satisfactorily completed a medical assistant training program approved by the secretary, passed an examination approved by the secretary, and met any additional qualifications established under RCW 18.360.030.

(b) The secretary shall issue an interim certification to any person who has met all of the qualifications in (a) of this subsection, except for the passage of the examination. A person holding an interim permit possesses the full scope of practice of a medical assistant-certified. The interim permit expires upon passage of the examination and issuance of a certification, or after one year, whichever occurs first, and may not be renewed.

(2)(a) The secretary shall issue a certification as a medical assistant-hemodialysis technician to any person who meets the qualifications for a medical assistant-hemodialysis technician established under RCW 18.360.030.

(b) In order to allow sufficient time for the processing of a medical assistant-hemodialysis technician certification, applicants for that credential who have completed their training program are allowed

to continue to work at dialysis facilities, under the level of supervision required for the training program, for a period of up to 180 days after filing their application, to facilitate patient continuity of care.

(3)(a) The secretary shall issue a certification as a medical assistant-phlebotomist to any person who meets the qualifications for a medical assistant-phlebotomist established under RCW 18.360.030.

(b) In order to allow sufficient time for the processing of a medical assistant-phlebotomist certification, applicants for that credential who have completed their training program are allowed to work, under the level of supervision required for the training program, for a period of up to 180 days after filing their application, to facilitate access to services.

(4) The secretary shall issue a certification as a forensic phlebotomist to any person who meets the qualifications for a forensic phlebotomist established under RCW 18.360.030.

(5)(a) The secretary shall issue a registration as a medical assistant-registered to any person who has a current endorsement from a health care practitioner, clinic, or group practice.

(b) In order to be endorsed under this subsection (5), a person must:

(i) Be endorsed by a health care practitioner, clinic, or group practice that meets the qualifications established under RCW 18.360.030; and

(ii) Have a current attestation of his or her endorsement to perform specific medical tasks signed by a supervising health care practitioner filed with the department. A medical assistant-registered may only perform the medical tasks listed in his or her current attestation of endorsement.

(c) A registration based on an endorsement by a health care practitioner, clinic, or group practice is not transferable to another health care practitioner, clinic, or group practice.

(d) An applicant for registration as a medical assistant-registered who applies to the department within seven days of employment by the endorsing health care practitioner, clinic, or group practice may work as a medical assistant-registered for up to sixty days while the application is processed. The applicant must stop working on the sixtieth day of employment if the registration has not been granted for any reason.

(6) A certification issued under subsections (1) through (3) of this section is transferable between different practice settings. A certification under subsection (4) of this section is transferable between law enforcement agencies.

Sec. 3. RCW 18.360.050 and 2014 c 138 s 1 are each amended to read as follows:

(1) A medical assistant-certified may perform the following duties delegated by, and under the supervision of, a health care practitioner:

(a) Fundamental procedures:

(i) Wrapping items for autoclaving;

(ii) Procedures for sterilizing equipment and instruments;

(iii) Disposing of biohazardous materials; and

(iv) Practicing standard precautions.

(b) Clinical procedures:

(i) Performing aseptic procedures in a setting other than a hospital licensed under chapter 70.41 RCW;

(ii) Preparing of and assisting in sterile procedures in a setting other than a hospital under chapter 70.41 RCW;

(iii) Taking vital signs;

(iv) Preparing patients for examination;

(v) Capillary blood withdrawal, venipuncture, and intradermal, subcutaneous, and intramuscular injections; and

(vi) Observing and reporting patients' signs or symptoms.

(c) Specimen collection:

(i) Capillary puncture and venipuncture;

(ii) Obtaining specimens for microbiological testing; and

(iii) Instructing patients in proper technique to collect urine and fecal specimens.

(d) Diagnostic testing:

(i) Electrocardiography;

(ii) Respiratory testing; and

(iii)(A) Tests waived under the federal clinical laboratory improvement amendments program on July 1, 2013. The department shall periodically update the tests authorized under this subsection (1)(d) based on changes made by the federal clinical laboratory improvement amendments program; and

(B) Moderate complexity tests if the medical assistant-certified meets standards for personnel qualifications and responsibilities in compliance with federal regulation for nonwaived testing.

(e) Patient care:

(i) Telephone and in-person screening limited to intake and gathering of information without requiring the exercise of judgment based on clinical knowledge;

(ii) Obtaining vital signs;

(iii) Obtaining and recording patient history;

(iv) Preparing and maintaining examination and treatment areas;

(v) Preparing patients for, and assisting with, routine and specialty examinations, procedures, treatments, and minor office surgeries;

(vi) Maintaining medication and immunization records; and

(vii) Screening and following up on test results as directed by a health care practitioner.

(f)(i) Administering medications. A medical assistant-certified may only administer medications if the drugs are:

(A) Administered only by unit or single dosage, or by a dosage calculated and verified by a health care practitioner. For purposes of this section, a combination or multidose vaccine shall be considered a unit dose;

(B) Limited to legend drugs, vaccines, and Schedule III-V controlled substances as authorized by a health care practitioner under the scope of his or her license and consistent with rules adopted by the secretary under (f)(ii) of this subsection; and

(C) Administered pursuant to a written order from a health care practitioner.

(ii) A medical assistant-certified may not administer experimental drugs or chemotherapy agents. The secretary may, by rule, further limit the drugs that may be administered under this subsection (1)(f). The rules adopted under this subsection must limit the drugs based on risk, class, or route.

(g) Intravenous injections. A medical assistant-certified may establish intravenous lines for diagnostic or therapeutic purposes, without administering medications, under the supervision of a health care practitioner, and administer intravenous injections for diagnostic or therapeutic agents under the direct visual supervision of a health care practitioner if the medical assistant-certified meets minimum standards established by the secretary in rule. The minimum standards must be substantially similar to the qualifications for category D and F health care assistants as they exist on July 1, 2013.

(h) Urethral catheterization when appropriately trained.

(2) A medical assistant-hemodialysis technician may perform hemodialysis when delegated and supervised by a health care practitioner. A medical assistant-hemodialysis technician may also administer drugs and oxygen to a patient when delegated and supervised by a health care practitioner and pursuant to rules adopted by the secretary.

(3) A medical assistant-phlebotomist may perform:

(a) Capillary, venous, or arterial invasive procedures for blood withdrawal when delegated and supervised by a health care practitioner and pursuant to rules adopted by the secretary;

(b) Tests waived under the federal clinical laboratory improvement amendments program on July 1, 2013. The department shall periodically update the tests authorized under this section based on changes made by the federal clinical laboratory improvement amendments program;

(c) Moderate and high complexity tests if the medical assistant-phlebotomist meets standards for personnel qualifications and responsibilities in compliance with federal regulation for nonwaived testing; and

(d) Electrocardiograms.

(4) A medical assistant-registered may perform the following duties delegated by, and under the supervision of, a health care practitioner:

(a) Fundamental procedures:

(i) Wrapping items for autoclaving;

(ii) Procedures for sterilizing equipment and instruments;

(iii) Disposing of biohazardous materials; and

(iv) Practicing standard precautions.

(b) Clinical procedures:

(i) Preparing for sterile procedures;

(ii) Taking vital signs;

(iii) Preparing patients for examination; and

(iv) Observing and reporting patients' signs or symptoms.

(c) Specimen collection:

(i) Obtaining specimens for microbiological testing; and

(ii) Instructing patients in proper technique to collect urine and fecal specimens.

(d) Patient care:

(i) Telephone and in-person screening limited to intake and gathering of information without requiring the exercise of judgment based on clinical knowledge;

(ii) Obtaining vital signs;

(iii) Obtaining and recording patient history;

(iv) Preparing and maintaining examination and treatment areas;

(v) Preparing patients for, and assisting with, routine and specialty examinations, procedures, treatments, and minor office surgeries (~~utilizing no more than local anesthetic~~), including those with minimal sedation. The department may, by rule, prohibit duties authorized under this subsection (4)(d)(v) if performance of those duties by a medical assistant-registered would pose an unreasonable risk to patient safety;

(vi) Maintaining medication and immunization records; and

(vii) Screening and following up on test results as directed by a health care practitioner.

(e) Diagnostic testing and electrocardiography.

(f)(i) Tests waived under the federal clinical laboratory improvement amendments program on July 1, 2013. The department shall periodically update the tests authorized under subsection (1)(d) of this section based on changes made by the federal clinical laboratory improvement amendments program.

(ii) Moderate complexity tests if the medical assistant-registered meets standards for personnel qualifications and responsibilities in compliance with federal regulation for nonwaived testing.

~~((f))~~ (g) Administering eye drops, topical ointments, and vaccines, including combination or multidose vaccines.

~~((g))~~ (h) Urethral catheterization when appropriately trained.

(i) Administering medications:

(i) A medical assistant-registered may only administer medications if the drugs are:

(A) Administered only by unit or single dosage, or by a dosage calculated and verified by a health care practitioner. For purposes of this section, a combination or multidose vaccine shall be considered a unit dose;

(B) Limited to legend drugs, vaccines, and Schedule III through V controlled substances as authorized by a health care practitioner under the scope of his or her license and consistent with rules adopted by the secretary under (i)(ii) of this subsection; and

(C) Administered pursuant to a written order from a health care practitioner.

(ii) A medical assistant-registered may only administer medication for intramuscular injections. A medical assistant-registered may not administer experimental drugs or chemotherapy agents. The secretary may, by rule, further limit the drugs that may be

administered under this subsection (4)(i). The rules adopted under this subsection must limit the drugs based on risk, class, or route.

(j) Intramuscular injections. A medical assistant-registered may administer intramuscular injections for diagnostic or therapeutic agents under the immediate supervision of a health care practitioner if the medical assistant-registered meets minimum standards established by the secretary in rule.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."
