

# HISTORY OF LEGISLATIVE SESSION DATES

For the purposes of this table, a session's "length in days" is defined as the total number of calendar days from the convening date to the adjournment date, inclusive. It does not mean the actual number of days that the Legislature convened during that session.

Approved by the voters November 6, 1979, annual sessions convened pursuant to SHB 1126 and SSJR 110; 105 days in odd number years; 60 in even number years.

\* Pursuant to Article 2, section 11 of the state constitution, neither house may adjourn for more than three days without the consent of the other. Accordingly, both chambers regularly convene "pro forma" session to conform to this constitutional restriction. Administrative and ceremonial business is conducted during a pro forma session. Action requiring a vote of the membership is not taken and few members are generally in attendance.
