

Legislative Documents and Publications Distribution

The Legislative Information Center (LIC) will provide printed legislative documents as follows:

- At no cost for the first 30 pages, and at a charge of \$0.15 per page thereafter.
- Bill requests must be specific, and include the bill number, bill subject, and year. If you need assistance locating a bill, we can assist you, but we are not able to provide in-depth research.
- Sales tax will be added when applicable.
- Publication and specialty document pricing can be found on our website: <https://walegpub.com/>

The Legislative Information Center may provide free hard copy documents of high demand legislation on a first-come first-serve basis to expedite public information sharing or agency objectives.

All documents are available without charge, in digital format, on the Legislature's website. Please contact LIC staff for assistance or visit the bill information page: <https://apps.leg.wa.gov/billinfo/>. The Legislative Information Center does not provide copies or print services for non-legislative documents. Only documents created or directed by the Legislature will be processed in LIC.
