Effective Date: 3/1/91

AN ACT Relating to the disclosure of information from public records by state and local agencies; amending RCW 42.17.310; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 42.17.310 and 1990 2nd ex.s. c 1 s 1103 are each amended to read as follows:

(1) The following are exempt from public inspection and copying:

(a) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, or welfare recipients.

(b) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy.

(c) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would (i) be prohibited to such persons by RCW 82.32.330 or (ii) violate the taxpayer's right to privacy or result in unfair competitive disadvantage to the taxpayer.

(d) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(e) Information revealing the identity of persons who file complaints with investigative, law enforcement, or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property. If at the time the complaint is filed the complainant indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(g) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition or sale of property, until the project or prospective sale is abandoned or until such time as all of the property has been acquired or the property to which the

sale appraisal relates is sold, but in no event shall disclosure be denied for more than three years after the appraisal.

(h) Valuable formulae, designs, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(k) Records, maps, or other information identifying the location of archaeological sites in order to avoid the looting or depredation of such sites.

(l) Any library record, the primary purpose of which is to maintain control of library materials, or to gain access to information, which discloses or could be used to disclose the identity of a library user.

(m) Financial information supplied by or on behalf of a person, firm, or corporation for the purpose of qualifying to submit a bid or proposal for (a) a ferry system construction or repair contract as required by RCW 47.60.680 through 47.60.750 or (b) highway construction or improvement as required by RCW 47.28.070.

(n) Railroad company contracts filed with the utilities and transportation commission under RCW 81.34.070, except that the summaries of the contracts are open to public inspection and copying as otherwise provided by this chapter.

(o) Financial and commercial information and records supplied by private persons pertaining to export services provided pursuant to chapter 43.163 RCW and chapter 53.31 RCW.

(p) Financial disclosures filed by private vocational schools under chapter 28C.10 RCW.

(q) Records filed with the utilities and transportation commission or attorney general under RCW 80.04.095 that a court has determined are confidential under RCW 80.04.095.

(r) Financial and commercial information and records supplied by businesses during application for loans or program services provided by chapter 43.163 RCW and chapters 43.31, 43.63A, and 43.168 RCW.

(s) Membership lists or lists of members or owners of interests of units in timeshare projects, subdivisions, camping resorts, condominiums, land developments, or common-interest communities affiliated with such projects, regulated by the department of licensing, in the files or possession of the department.

(t) All applications for public employment, including the names of applicants, resumes, and other related materials submitted with respect to an applicant.

(u) The residential addresses and residential telephone numbers of employees or volunteers of a public agency which are held by the agency in personnel records, employment or volunteer rosters, or mailing lists of employees or volunteers.

(v) The residential addresses and residential telephone numbers of the customers of a public utility contained in the records or lists held by the public utility of which they are customers.

(w) Information obtained by the board of pharmacy as provided in RCW 69.45.090.

(x) Information obtained by the board of pharmacy and its representatives as provided in RCW 69.41.044 and 69.41.280.

(y) Financial information, business plans, examination reports, and any information produced or obtained in evaluating or examining a business and industrial development corporation organized or seeking certification under chapter 31.24 RCW.

(z) Financial and commercial information supplied to the state investment board by any person when the information relates to the investment of public trust or retirement funds and when disclosure would result in loss to such funds or in private loss to the providers of this information.

(aa) Financial and valuable trade information under RCW 51.36.120.

(bb) Effective (~~March 1~~) April 19, 1991, the work and home addresses, other than the city of residence, of a person shall remain undisclosed or be omitted from all documents made available for public review if that person requests in writing, under oath, that these addresses be kept private because disclosure would endanger his or her life, physical safety, or property. This provision does not in any way restrict the sharing or collection of information by state and local governmental agencies required for the daily administration of their duties. The secretary of state shall administer this provision and establish the procedures and rules that are necessary for its operation. An agency that has not been furnished with a request for confidentiality of address information is not liable for damages resulting from its disclosure of the information. For purpose of service of process, the secretary of state shall serve as agent for each person who submits a request under this subsection. A request shall be of no force or effect if the requester does not include a statement, along with or part of the request, designating the secretary of state as agent of the requester for purposes of service of process.

(2) Except for information described in subsection (1)(c)(i) of this section and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this section are inapplicable to the extent that information, the disclosure of which would violate personal

privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(4) Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 1, 1991.

Passed the Senate February 27, 1991.

Approved by the Governor March 1, 1991.

Filed in Office of Secretary of State March 1, 1991.

[House Bill 1818]

STATE CONVENTION AND TRADE CENTER—COMPLETION COSTS

Effective Date: 3/13/91

AN ACT Relating to the state convention and trade center; amending RCW 67.40.045 and 67.40.090; amending 1990 c 181 s 4 (uncodified); making an appropriation; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 67.40.045 and 1990 c 181 s 3 are each amended to read as follows:

(1) The director of financial management, in consultation with the chairpersons of the ways and means committees of the senate and house of representatives, may authorize temporary borrowing from the state treasury for the purpose of covering cash deficiencies in the state convention and trade center account resulting from project completion costs. Subject to the conditions and limitations provided in this section, lines of credit may be authorized at times and in amounts as the director of financial management determines are advisable to meet current and/or anticipated cash deficiencies. Each authorization shall distinctly specify the maximum amount of

cash deficiency which may be incurred and the maximum time period during which the cash deficiency may continue. The total amount of borrowing outstanding at any time shall never exceed the lesser of:

(a) \$58,275,000; or

(b) An amount, as determined by the director of financial management from time to time, which is necessary to provide for payment of project completion costs.

(2) Unless the due date under this subsection is extended by statute, all amounts borrowed under the authority of this section shall be repaid to the state treasury by June 30, ~~((1991))~~ 1993, together with interest at a rate determined by the state treasurer to be equivalent to the return on investments of the state treasury during the period the amounts are borrowed. Borrowing may be authorized from any excess balances in the state treasury, except the agricultural permanent fund, the Millersylvania park permanent fund, the state university permanent fund, the normal school permanent fund, the permanent common school fund, and the scientific permanent fund.

(3) As used in this section, "project completion" means:

(a) All remaining development, construction, and administrative costs related to completion of the convention center; and

(b) Costs of the McKay building demolition, Eagles building rehabilitation, development of low-income housing, and construction of rentable retail space and an operable parking garage.

(4) It is the intent of the legislature that project completion costs be paid ultimately from the following sources:

(a) \$29,250,000 to be received by the corporation under an agreement and settlement with Industrial Indemnity Co.;

(b) \$1,070,000 to be received by the corporation as a contribution from the city of Seattle;

(c) \$20,000,000 from additional general obligation bonds to be repaid from the special excise tax under RCW 67.40.090;

(d) \$4,765,000 for contingencies and project reserves from additional general obligation bonds to be repaid from the special excise tax under RCW 67.40.090;

(3) The ~~((director))~~ secretary shall maintain a record, available for public inspection, of all suits commenced under this chapter under surety bonds, or the cash or other security deposited in lieu of the surety bond. In the event that any final judgment impairs the liability of the surety upon a bond so furnished or the amount of the deposit so that there is not in effect a bond undertaking or deposit in the full amount prescribed in this section, the department shall suspend the license until the bond undertaking or deposit in the required amount, unimpaired by unsatisfied judgment claims, has been furnished.

(4) If a judgment is entered against the deposit or security required under this chapter, the department shall, upon receipt of a certified copy of

The standards and criteria shall be designed to insure that nursing home administrators will be individuals who are of good character and are otherwise suitable, and who, by training or experience in the field of institutional administration, are qualified to serve as nursing home administrators as provided in this chapter.

(2) To develop appropriate techniques, including examinations and investigations to the extent necessary to determine whether an individual meets such standards for licensing.

(3) To develop, administer, and supervise an administrator-in-training program for applicants for licenses who are otherwise qualified but do not have the equivalent of two years experience in the operation of a nursing home at the time of application. Such program shall provide for supervision of each administrator-in-training by licensed nursing home administrators as preceptors. (6) To encourage qualified educational institutions and other qualified organizations to establish, provide, and conduct and continue such training

and instruction courses and programs as will enable all otherwise qualified individuals to attain the qualifications necessary to meet the standards for licensing nursing home administrators.

Such permits may be issued and renewed by the ~~((director))~~ secretary pursuant to rules ~~((and regulations))~~ which shall be established by the board. Such permits and renewals shall be subject to confirmation or rescission by order of the board upon review at the next board meeting. The board may prescribe rules for maintenance of a license at a reduced fee for

temporary or permanent withdrawal or retirement from the active practice of nursing home administration.

License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program's requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) The treatment and pretreatment records of license holders referred to or voluntarily participating in approved programs shall be confidential, shall be exempt from RCW 42.17.250 through 42.17.450, and shall not be subject to discovery by subpoena or admissible as evidence except for monitoring records reported to the disciplining authority for cause as defined in subsection (3) of this section. However, the injunction shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

(3) Unlicensed practice of a profession or operating a business for which a license is required by the chapters specified in RCW 18.130.040, unless otherwise exempted by law, constitutes a gross misdemeanor. The department shall establish a state-wide system of regional acquired immunodeficiency syndrome (AIDS) service networks as follows:

- (1) The secretary of (~~social and health services~~) health shall direct that all state or federal funds, excluding those from federal Title XIX for

services or other activities authorized in this chapter, shall be allocated to the office on AIDS established in RCW 70.24.250. The secretary shall further direct that all funds for services and activities specified in subsection (3) of this section shall be provided to lead counties through contractual agreements based on plans developed as provided in subsection (2) of this section, unless direction of such funds is explicitly prohibited by federal law, federal regulation, or federal policy. The department shall deny funding allocations to lead counties only if the denial is based upon documented incidents of nonfeasance, misfeasance, or malfeasance. However, the department shall give written notice and thirty days for corrective action in incidents of misfeasance or nonfeasance before funding may be denied. The department shall designate six AIDS service network regions encompassing the state. In doing so, the department shall use the boundaries of the regional structures in place for the community services administration on January 1, 1988.

(2) The department shall request that a lead county within each region, which shall be the county with the largest population, prepare, through a cooperative effort of local health departments within the region, a regional organizational and service plan, which meets the requirements set forth in subsection (3) of this section. Efforts should be made to use existing plans, where appropriate. The plan should place emphasis on contracting with existing hospitals, major voluntary organizations, or health care organizations within a region that have in the past provided quality services similar to those mentioned in subsection (3) of this section and that have demonstrated an interest in providing any of the components listed in subsection (3) of this section. If any of the counties within a region do not participate, it shall be the lead county's responsibility to develop the part of the plan for the nonparticipating county or counties. If all of the counties within a region do not participate, the department shall assume the responsibility.

(3) The regional AIDS service network plan shall include the following components:

- (a) A designated single administrative or coordinating agency;
- (b) A complement of services to include:
 - (i) Voluntary and anonymous counseling and testing;

- (x) Other necessary information, including needs particular to the region;

(c) A service delivery model that includes:

(i) Case management services; and

(ii) A community-based continuum-of-care model encompassing both medical, mental health, and social services with the goal of maintaining persons with AIDS in a home-like setting, to the extent possible, in the least-expensive manner; and

(d) Budget, caseload, and staffing projections.

(4) Efforts shall be made by both the counties and the department to use existing service delivery systems, where possible, in developing the networks.

(5) The University of Washington health science program, in cooperation with the office on AIDS may, within available resources, establish a center for AIDS education, which shall be linked to the networks. The center for AIDS education is not intended to engage in state-funded research related to HIV infection, AIDS, or HIV-related conditions. Its duties shall include providing the office on AIDS with the appropriate educational materials necessary to carry out that office's duties.

(6) The department shall implement this section, consistent with available funds, by October 1, 1988, by establishing six regional AIDS service networks whose combined jurisdictions shall include the entire state.

(a) Until June 30, 1991, available funding for each regional AIDS service network shall be allocated as follows:

(i) Seventy-five percent of the amount provided for regional AIDS service networks shall be allocated per capita based on the number of persons residing within each region, but in no case less than one hundred fifty thousand dollars for each regional AIDS service network per fiscal year. This amount shall be expended for testing, counseling, education, case management, notification of sexual partners of infected persons, planning, coordination, and other services required by law, except for those enumerated in (ii) of this subsection.

(ii) Twenty-five percent of the amount provided for regional AIDS service networks shall be allocated for intervention strategies specifically addressing groups that are at a high risk of being infected with the human immunodeficiency virus. The allocation shall be made by the office on AIDS based on documented need as specified in regional AIDS network plans.

(b) After June 30, 1991, the funding shall be allocated as provided by law. By December 15, 1990, the department shall report to the appropriate

committees of the legislature on proposed methods of funding regional AIDS service networks.

(7) The regional AIDS service networks shall be the official state regional agencies for AIDS information education and coordination of services. The state public health officer, as designated by the secretary of ~~((social and health services))~~ health, shall make adequate efforts to publicize the existence and functions of the networks.

(8) If the department is not able to establish a network by an agreement solely with counties, it may contract with nonprofit agencies for any or all of the designated network responsibilities.

(9) The department, in establishing the networks, shall study mechanisms that could lead to reduced costs and/or increased access to services. The methods shall include capitation.

(10) The department shall reflect in its departmental biennial budget request the funds necessary to implement this section.

(11) The department shall submit an implementation plan to the appropriate committees of the legislature by July 1, 1988.

(12) The use of appropriate materials may be authorized by regional AIDS service networks in the prevention or control of HIV infection.

The information provided shall include standards and requirements for certification and procedures for acquiring certification.

Sec. 339. RCW 70.47.060 and 1987 1st ex.s. c 5 s 8 are each amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, and other services that may be necessary for basic health care, which enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care, shall include all services necessary for prenatal, postnatal, and well-child care, and shall include a separate schedule of basic health care services for children, eighteen years of age and younger, for those enrollees who choose to secure basic coverage through the plan only for their dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.42.080, and such other factors as the administrator deems appropriate.

(2) To design and implement a structure of periodic premiums due the administrator from enrollees that is based upon gross family income, giving appropriate consideration to family size as well as the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan.

(3) To design and implement a structure of nominal copayments due a managed health care system from enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To design and implement, in concert with a sufficient number of potential providers in a discrete area, an enrollee financial participation structure, separate from that otherwise established under this chapter, that has the following characteristics:

(a) Nominal premiums that are based upon ability to pay, but not set at a level that would discourage enrollment;

(b) A modified fee-for-services payment schedule for providers;

(c) Coinsurance rates that are established based on specific service and procedure costs and the enrollee's ability to pay for the care. However, coinsurance rates for families with incomes below one hundred twenty percent of the federal poverty level shall be nominal. No coinsurance shall be required for specific proven prevention programs, such as prenatal care. The coinsurance rate levels shall not have a measurable negative effect upon the enrollee's health status; and

(d) A case management system that fosters a provider-enrollee relationship whereby, in an effort to control cost, maintain or improve the health status of the enrollee, and maximize patient involvement in her or his

health care decision-making process, every effort is made by the provider to inform the enrollee of the cost of the specific services and procedures and related health benefits.

The potential financial liability of the plan to any such providers shall not exceed in the aggregate an amount greater than that which might otherwise have been incurred by the plan on the basis of the number of enrollees multiplied by the average of the prepaid capitated rates negotiated with participating managed health care systems under RCW 70.47.100 and reduced by any sums charged enrollees on the basis of the coinsurance rates that are established under this subsection.

(5) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080.

In the selection of any area of the state for the initial operation of the plan, the administrator shall take into account the levels and rates of unemployment in different areas of the state, the need to provide basic health care coverage to a population reasonably representative of the portion of the state's population that lacks such coverage, and the need for geographic, demographic, and economic diversity.

Before July 1, 1988, the administrator shall endeavor to secure participation contracts with managed health care systems in discrete geographic areas within at least five congressional districts.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state.

(8) To receive periodic premiums from enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children,

for enrollment in the Washington basic health plan, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and at least annually thereafter, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. An enrollee who remains current in payment of the sliding-scale premium, as determined under subsection (2) of this section, and whose gross family income has risen above twice the federal poverty level, may continue enrollment unless and until the enrollee's gross family income has remained above twice the poverty level for six consecutive months, by making payment at the unsubsidized rate required for the managed health care system in which he or she may be enrolled. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to re-enroll in the plan.

(10) To require that prospective enrollees who may be eligible for categorically needy medical coverage under RCW 74.09.510 or whose income does not exceed the medically needy income level under RCW 74.09.700 apply for such coverage, but the administrator shall enroll the individuals in the plan pending the determination of eligibility under chapter 74.09 RCW.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the administrator. The administrator shall coordinate any such reporting requirements with other state agencies, such as

the insurance commissioner and the (~~hospital-commission~~) department of health, to minimize duplication of effort.

(13) To monitor the access that state residents have to adequate and necessary health care services, determine the extent of any unmet needs for such services or lack of access that may exist from time to time, and make such reports and recommendations to the legislature as the administrator deems appropriate.

(14) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(15) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(16) To provide, consistent with available resources, technical assistance for rural health activities that endeavor to develop needed health care services in rural parts of the state.

CHAPTER 4

[Substitute Senate Bill 5806]

UNDERGROUND PETROLEUM STORAGE TANKS—FINANCIAL ASSISTANCE
TO OPERATORS MEETING A VITAL LOCAL NEED

Effective Date: 3/29/91

AN ACT Relating to underground storage tanks for petroleum products; amending RCW 70.148.020 and 82.23A.020; adding new sections to chapter 70.148 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature recognizes as a fundamental government purpose the need to protect the environment and human health and safety. To that end the state has enacted laws designed to limit and prevent environmental damage and risk to public health and safety caused by underground petroleum storage tank leaks. Because of the costs associated with compliance with such laws and the high costs associated with correcting past environmental damage, many owners and operators of underground petroleum storage tanks have discontinued the use of or have planned to discontinue the use of such tanks. As a consequence, isolated communities face the loss of their source of motor vehicle fuel and face the risk that the owner or operator will have insufficient funds to take corrective action for pollution caused by past leaks from the tanks. In particular, rural communities face the risk that essential emergency, medical, fire and police services may be disrupted through the diminution or elimination of local sellers of petroleum products and by the closure of underground storage tanks owned by local government entities serving these communities.

The legislature also recognizes as a fundamental government purpose the need to preserve a minimum level of economic viability in rural communities so that public revenues generated from economic activity are sufficient to sustain necessary governmental functions. The closing of local service stations adversely affects local economies by reducing or eliminating reasonable access to fuel for agricultural, commercial, and transportation needs.

The legislature intends to assist small communities within this state by authorizing:

(1) Cities, towns, and counties to certify that a local private owner or operator of an underground petroleum storage tank meets a vital local government, public health or safety need thereby qualifying the owner or operator for state financial assistance in complying with environmental regulations and assistance in taking needed corrective action for existing tank leaks; and

(2) Local government entities to obtain state financial assistance to bring local government underground petroleum storage tanks into compliance with environmental regulations and to take needed corrective action for existing tank leaks.

NEW SECTION. Sec. 2. (1) Subject to the conditions and limitations of sections 1 through 6 of this act, the director shall establish and manage a program for providing financial assistance to public and private owners and operators of underground storage tanks who have been certified by the governing body of the county, city, or town in which the tanks are located as meeting a vital local government, public health or safety need. In providing such financial assistance the director shall:

(a) Require owners and operators, including local government owners and operators, to demonstrate serious financial hardship;

(b) Limit assistance to only that amount necessary to supplement applicant financial resources;

(c) Limit assistance to no more than one hundred fifty thousand dollars in value for any one underground storage tank site of which amount no more than seventy-five thousand dollars in value may be provided for corrective action; and

(d) Whenever practicable, provide assistance through the direct payment of contractors and other professionals for labor, materials, and other services.

(2) Except as otherwise provided in sections 1 through 6 of this act, no grant of financial assistance may be used for any purpose other than for corrective action and repair, replacement, reconstruction, and improvement of underground storage tanks and tank sites. If at any time prior to providing financial assistance or in the course of providing such assistance, it appears to the director that corrective action costs may exceed seventy-five thousand dollars, the director may not provide further financial assistance until the owner or operator has developed and implemented a corrective action plan with the department of ecology.

(3) When requests for financial assistance exceed available funds, the director shall give preference to providing assistance first to those underground storage tank sites which constitute the sole source of petroleum products in remote rural communities.

(4) The director shall consult with the department of ecology in approving financial assistance for corrective action to ensure compliance with regulations governing underground petroleum storage tanks and corrective action.

(5) The director shall approve or disapprove applications for financial assistance within sixty days of receipt of a completed application meeting the requirements of sections 1 through 6 of this act. The certification by local government of an owner or operator shall not preclude the director from disapproving an application for financial assistance if the director finds that

such assistance would not meet the purposes of sections 1 through 6 of this act.

(6) The director may adopt all rules necessary to implement the financial assistance program and shall consult with the technical advisory committee established under RCW 70.148.030 in developing such rules and in reviewing applications for financial assistance.

NEW SECTION. Sec. 3. (1) To qualify for financial assistance, a private owner or operator retailing petroleum products to the public must:

(a) First apply for insurance from the pollution liability insurance program and request financial assistance in a form and manner required by the director;

(b) If the director makes a preliminary determination of possible eligibility for financial assistance, apply to the appropriate governing body of the city or town in which the tanks are located or in the case where the tanks are located outside of the jurisdiction of a city or town, then to the appropriate governing body of the county in which the tanks are located, for a determination by the governing body of the city, town, or county that the continued operation of the tanks meets a vital local government, or public health or safety need; and

(c) Qualify for insurance coverage from the pollution liability insurance program if such financial assistance were to be provided.

(2) In consideration for financial assistance and prior to receiving such assistance the owner and operator must enter into an agreement with the state whereby the owner and operator agree:

(a) To sell petroleum products to the public;

(b) To maintain the tank site for use in the retail sale of petroleum products for a period of not less than fifteen years from the date of agreement;

(c) To sell petroleum products to local government entities within the affected community on a cost-plus basis periodically negotiated between the owner and operator and the city, town, or county in which the tanks are located; and

(d) To maintain compliance with state underground storage tank financial responsibility and environmental regulations.

(3) The agreement shall be filed as a real property lien against the tank site with the county auditor in which the tanks are located. If the owner or operator transfers his or her interest in such property, the new owner or operator must agree to abide by the agreement or any financial assistance provided under sections 1 through 6 of this act shall be immediately repaid to the state by the owner or operator who received such assistance.

(4) As determined by the director, if an owner or operator materially breaches the agreement, any financial assistance provided shall be immediately repaid by such owner or operator.

(5) The agreement between an owner and operator and the state required under this section shall expire fifteen years from the date of entering into the agreement.

NEW SECTION. Sec. 4. (1) To qualify for financial assistance, a public owner or operator must:

(a) First apply for insurance from the pollution liability insurance program and request financial assistance in a form and manner required by the director;

(b) Provide to the director a copy of the resolution by the governing body of the city, town, or county having jurisdiction, finding that the continued operation of the tanks is necessary to maintain vital local public health, education, or safety needs;

(c) Qualify for insurance coverage from the pollution liability insurance program if such financial assistance were to be provided.

(2) The director shall give priority to and shall encourage local government entities to consolidate multiple operational underground storage tank sites into as few sites as possible. For this purpose, the director may provide financial assistance for the establishment of a new local government underground storage tank site contingent upon the closure of other operational sites in accordance with environmental regulations. Within the per site financial limits imposed under sections 1 through 6 of this act, the director may authorize financial assistance for the closure of operational sites when closure is for the purpose of consolidation.

NEW SECTION. Sec. 5. To qualify for financial assistance, a rural hospital as defined in RCW 18.89.020, owning or operating an underground storage tank must:

(1) First apply for insurance from the pollution liability insurance program and request financial assistance in a form and manner required by the director;

(2) Apply to the governing body of the city, town, or county in which the hospital is located for certification that the continued operation of the tank or tanks is necessary to maintain vital local public health or safety needs;

(3) Qualify for insurance coverage from the pollution liability insurance program if such financial assistance were to be provided; and

(4) Agree to provide charity care as defined in RCW 70.39.020 in an amount of equivalent value to the financial assistance provided under sections 1 through 6 of this act. The director shall consult with the department of health to monitor and determine the time period over which such care should be expected to be provided in the local community.

NEW SECTION. Sec. 6. (1) The director shall develop and distribute to appropriate cities, towns, and counties a form for use by the local government in making the certification required for all private owner and operator financial assistance along with instructions on the use of such form.

(2) In certifying a private owner or operator retailing petroleum products to the public as meeting vital local government, public health or safety needs, the local government shall:

(a) Consider and find that other retail suppliers of petroleum products are located remote from the local community;

(b) Consider and find that the owner or operator requesting certification is capable of faithfully fulfilling the agreement required for financial assistance;

(c) Designate the local government official who will be responsible for negotiating the price of petroleum products to be sold on a cost-plus basis to the local government entities in the affected communities and the entities eligible to receive petroleum products at such price; and

(d) State the vital need or needs that the owner or operator meets.

(3) In certifying a hospital as meeting local public health and safety needs the local government shall:

(a) Consider and find that the continued use of the underground storage tank by the hospital is necessary; and

(b) Consider and find that the hospital provides health care services to the poor and otherwise provides charity care.

(4) The director shall notify the governing body of the city, town, or county providing certification when financial assistance for a private owner or operator has been approved.

Sec. 7. RCW 70.148.020 and 1990 c 64 s 3 are each amended to read as follows:

(1) The pollution liability insurance program trust account is established in the custody of the state treasurer. All funds appropriated for this chapter and all premiums collected for reinsurance shall be deposited in the account. Expenditures from the account shall be used exclusively for the purposes of this chapter including payment of costs of administering the pollution liability insurance and underground storage tank community assistance programs. The account is subject to allotment procedures under chapter 43.88 RCW. Expenditures for payment of the costs of administering the program may be made only after appropriation by statute. No appropriation is required for other expenditures from the account. The earnings on any surplus balances in the pollution liability insurance program trust account shall be credited to the account notwithstanding RCW 43.84.090.

(2) Each calendar quarter, the director shall report to the insurance commissioner and the chairs of the senate ways and means, senate financial institutions, house of representatives revenue, and house of representatives

financial institutions committees, the loss and surplus reserves required for the calendar quarter. The director shall notify the department of revenue of this amount by the fifteenth day of each calendar quarter.

(3) Each calendar quarter the director shall report to the chairs of the senate ways and means, senate financial institutions, house of representatives revenue, and house of representatives financial institutions and insurance committees, the amount of reserves necessary to fund commitments made to provide financial assistance under section 2 of this act to the extent that the financial assistance reserves do not jeopardize the operations and liabilities of the pollution liability insurance program. The director shall notify the department of revenue of this amount by the fifteenth day of each calendar quarter. The director may immediately establish an initial financial assistance reserve of five million dollars from available revenues. The director may not expend more than fifteen million dollars for the financial assistance program.

Sec. 8. RCW 82.23A.020 and 1990 c 64 s 12 are each amended to read as follows:

(1) A tax is imposed on the privilege of possession of petroleum products in this state. The rate of the tax shall be fifty one-hundredths of one percent multiplied by the wholesale value of the petroleum product.

(2) Moneys collected under this chapter shall be deposited in the pollution liability insurance program trust account under RCW 70.148.020.

(3) Chapter 82.32 RCW applies to the tax imposed in this chapter. The tax due dates, reporting periods, and return requirements applicable to chapter 82.04 RCW apply equally to the tax imposed in this chapter.

(4) Within thirty days after the end of each calendar quarter the department shall determine the "quarterly balance," which shall be the cash balance in the pollution liability insurance program trust account as of the last day of that calendar quarter, after excluding the reserves determined for that quarter under RCW 70.148.020(2) and (3). Balance determinations by the department under this section are final and shall not be used to challenge the validity of any tax imposed under this section. For each subsequent calendar quarter, tax shall be imposed under this section during the entire calendar quarter unless:

(a) Tax was imposed under this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than fifteen million dollars; or

(b) Tax was not imposed under this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than seven million five hundred thousand dollars.

NEW SECTION. Sec. 9. Sections 1 through 6 of this act shall each be added to chapter 70.148 RCW.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(3) ~~((The fiduciary making an election under section 2056(b)(7) or 2056A of the internal revenue code shall have the power to divide the trust into two or more separate trusts, of equal or unequal value, provided that the division shall not prevent a separate trust for which the election is made~~

(c) Whether provided in the trusts or not, in accordance with subsection (3) of this section if the requirements of subsection (1)(d) of this section are satisfied;

(d) Consolidation under subsection (2) or (3) of this section is permitted only if:

(i) The dispositive provisions of each trust to be consolidated are substantially similar;

(ii) Consolidation is not inconsistent with the intent of the trustor with regard to any trust to be consolidated; and

(iii) Consolidation would facilitate administration of the trusts and would not materially impair the interests of the beneficiaries;

(e) Trusts may be consolidated whether created inter vivos or by will, by the same or different instruments, by the same or different trustors, whether the trustees are the same, and regardless of where the trusts were created or administered.

(2) The trustees of two or more trusts may consolidate the trusts on such terms and conditions as appropriate without court approval as provided in RCW 11.96.170.

Any person dealing with the trustee of the resulting consolidated trust is entitled to rely on the authority of that trustee to act and is not obliged to inquire into the validity or propriety of the consolidation under this section.

(3)(a) Any trustee, beneficiary, or special representative may petition the superior court of the county in which the principal place of administration of a trust is located for an order consolidating two or more trusts under chapter 11.96 RCW. If nonjudicial consolidation has been commenced pursuant to subsection (2) of this section, a petition may be filed under this section unless the trustee has received all necessary consents. The principal place of administration of the trust is the trustee's usual place of business where the records pertaining to the trust are kept, or the trustee's residence if the trustee has no such place of business.

(b) At the conclusion of the hearing, if the court finds that the requirements of subsection (1)(d) of this section have been satisfied, it may direct consolidation of two or more trusts on such terms and conditions as appropriate. Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 18.88A.010 and 1989 c 300 s 3 are each amended to read as follows:

The legislature takes special note of the contributions made by nursing assistants in health care facilities whose tasks are arduous and whose working conditions may be contributing to the high and often critical turnover among the principal cadre of health care workers who provide for the basic needs of patients. The legislature also recognizes the growing shortage of nurses as the proportion of the elderly population grows and as the acuity of patients in hospitals and nursing homes becomes generally more severe.

The legislature finds and declares that occupational nursing assistants should have a formal system of educational and experiential qualifications leading to career mobility and advancement. The establishment of such a system should bring about a more stabilized work force in health care facilities, as well as provide a valuable resource for recruitment into licensed nursing practice.

The legislature finds that the quality of patient care in health care facilities is dependent upon the competence of the personnel who staff their facilities. To assure the availability of trained personnel in health care facilities the legislature recognizes the need for training programs for nursing assistants.

The legislature declares that the registration of nursing assistants and providing for voluntary certification of those who wish to seek higher levels of qualification is in the interest of the public health, safety, and welfare.

PUBLIC WATER SYSTEMS—QUALIFIED SATELLITE SYSTEM MANAGEMENT AGENCIES

Effective Date: 7/28/91

AN ACT Relating to individuals or water purveyors identified as qualified satellite system management agencies; and adding a new section to chapter 70.116 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 70.116 RCW to read as follows:

(1) The secretary shall adopt rules pursuant to chapter 34.05 RCW establishing criteria for designating individuals or water purveyors as qualified satellite system management agencies. The criteria shall set forth minimum standards for designation as a satellite system management agency qualified to assume ownership, operation, or both, of an existing or proposed public water system. The criteria shall include demonstration of financial integrity and operational capability, and may require demonstration of previous experience in successful operation and management of a public water system.

(2) Each county shall identify potential satellite system management agencies to the secretary for areas where: (a) No purveyor has been designated a future service area pursuant to this chapter, or (b) an existing purveyor is unable or unwilling to provide service. Preference shall be given to public utilities or utility districts or to investor-owned utilities under the jurisdiction of the utilities and transportation commission.

(3) The secretary shall approve satellite system management agencies meeting the established criteria and shall maintain and make available to counties a list of approved agencies. Prior to the construction of a new public water system, the individual(s) proposing the new system or requesting service shall first be directed by the local agency responsible for issuing the construction or building permit to one or more qualified satellite system management agencies designated for the service area where the new system is proposed for the purpose of exploring the possibility of a satellite agency either owning or operating the proposed new water system.

(4) Approved satellite system management agencies shall be reviewed periodically by the secretary for continued compliance with established criteria. The secretary may require status reports and other information necessary for such review. Satellite system management agencies shall be subject to reapproval at the discretion of the secretary but not less than once every five years.

(5) The secretary may assess reasonable fees to process applications for initial approval and for periodic review of satellite system management agencies. A satellite system management account is hereby created in the custody of the state treasurer. All receipts from satellite system management agencies or applicants under subsection (4) of this section shall be deposited into the account. Funds in this account may be used only for administration of the satellite system management program. Expenditures from the account shall be authorized by the secretary or the secretary's designee. The account is subject to allotment procedures under chapter 43-.88 RCW, but no appropriation is required for expenditures.

(6) For purposes of this section, "satellite system management agency" and "satellite agency" shall mean a person or entity that is certified by the secretary to own or operate more than one public water system on a regional or county-wide basis, without the necessity for a physical connection between such systems.

Board: The term "board" as used in this chapter shall mean the state board of registration for professional engineers and land surveyors, provided for by this chapter.

Sec. 2. RCW 18.43.040 and 1947 c 283 s 7 are each amended to read as follows:

The following will be considered as minimum evidence satisfactory to the board that the applicant is qualified for registration as a professional engineer, engineer-in-training, or land surveyor, respectively, to wit:

As a professional engineer: A specific record of eight years or more of experience in engineering work of a character satisfactory to the board and indicating that the applicant is competent to practice engineering; and successfully passing a written or oral examination, or both, in engineering as prescribed by the board.

Graduation in an approved engineering curriculum of four years or more from a school or college approved by the board as of satisfactory standing shall be considered equivalent to four years of such required experience. The satisfactory completion of each year of such an approved engineering course without graduation shall be considered as equivalent to a year of such required experience. Graduation in a curriculum other than engineering from a school or college approved by the board shall be considered as equivalent to two years of such required experience: PROVIDED, That no applicant shall receive credit for more than four years of experience because of undergraduate educational qualifications. The board may, at its discretion, give credit as experience not in excess of one year, for satisfactory postgraduate study in engineering.

As an engineer-in-training: The board shall permit an applicant for registration as a professional engineer, upon his or her request, to take the prescribed examination in two stages. The first stage of the examination may be taken upon submission of his or her application for ~~((certification))~~ registration as an engineer-in-training and payment of the application fee herein prescribed, at any time after the applicant has completed four years of the required engineering experience as defined above. The first stage of the examination shall test the applicant's knowledge of appropriate fundamentals of engineering subjects, including mathematics and the basic sciences.

At any time after the completion of the required eight years of engineering experience as defined above, the applicant may take the second stage of the examination, upon submission of application for registration

and payment of the application fee herein prescribed. This stage of the examination shall test the applicant's ability, upon the basis of his or her greater experience, to apply his or her knowledge and experience in the field of his or her specific training and qualifications.

As a land surveyor: A specific record of six years or more of experience in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to practice land surveying, and successfully passing a written or oral examination, or both, in surveying as prescribed by the board.

Graduation from a school or college approved by the board as of satisfactory standing, including the completion of an approved course in surveying, shall be considered equivalent to four years of such required experience.

No person shall be eligible for registration as a professional engineer, engineer-in-training, or land surveyor, who is not of good character and reputation.

Engineering teaching, of a character satisfactory to the board, shall be considered as experience not in excess of two years for professional engineering and one year for land surveying.

The mere execution, as a contractor, of work designed by a professional engineer, or the supervision of the construction of such work as a foreman or superintendent shall not be deemed to be practice of engineering.

Any person having the necessary qualifications prescribed in this chapter to entitle him or her to registration shall be eligible for such registration although ((he)) the person may not be practicing his or her profession at the time of making his or her application.

Sec. 3. RCW 18.43.050 and 1985 c 7 s 42 are each amended to read as follows:

The registration fee for professional engineers shall be determined by the director as provided in RCW 43.24.086, which shall accompany the application and shall include the cost of examination and issuance of certificate. ((The director shall also determine a fee as provided in RCW 43.24.086 to be paid upon issuance of the certificate.)) The fee for engineer-in-training shall be determined by the director as provided in RCW 43.24.086, which shall accompany the application and shall include the cost of examination and issuance of certificate. ((When registration as a professional engineer is completed by an engineer-in-training an additional fee determined by the director as provided in RCW 43.24.086 shall be paid before issuance of certificate as professional engineer.))

The registration fee for land surveyors shall be determined by the director as provided in RCW 43.24.086, which shall accompany the application and shall include the cost of examination and issuance of certificate. ~~((The registration fee for professional engineers also qualified as land surveyors shall be the same as for professional engineers.))~~

Should the board ~~((deny the issuance of a certificate of registration to any applicant))~~ find an applicant ineligible for registration, the ((initial)) registration fee ((deposited)) shall be retained as an application fee.

Sec. 4. RCW 18.43.060 and 1961 c 142 s 2 are each amended to read as follows:

When oral or written examinations are required, they shall be held at such time and place as the board shall determine. If examinations are required on fundamental engineering subjects (such as ordinarily given in college curricula) the applicant shall be permitted to take this part of the professional examination prior to his or her completion of the requisite years of experience in engineering work. The board shall issue to each applicant upon successfully passing the examination in fundamental engineering subjects a certificate stating that ~~((he))~~ the applicant has passed the examination in fundamental engineering subjects and that his or her name has been recorded as an engineer-in-training.

The scope of the examination and the methods of procedure shall be prescribed by the board with special reference to the applicant's ability to design and supervise engineering works so as to insure the safety of life, health and property. Examinations shall be given for the purpose of determining the qualifications of applicants for registration separately in engineering and in land surveying. A candidate failing an examination may apply for reexamination ~~((at the expiration of six months and will be reexamined without payment of additional fees))~~. Subsequent examinations will be granted upon payment of a fee to be determined by the ~~((board))~~ director as provided in RCW 43.24.086.

Sec. 5. RCW 18.43.070 and 1959 c 297 s 4 are each amended to read as follows:

The director of licensing shall issue a certificate of registration upon payment of a registration fee as provided for in this chapter, to any applicant who, in the opinion of the board, has satisfactorily met all the requirements of this chapter. In case of a registered engineer, the certificate shall authorize the practice of "professional engineering" and specify the branch or branches in which specialized, and in case of a registered land surveyor, the certificate shall authorize the practice of "land surveying". ~~((In the case of a registered professional engineer also qualified as land surveyor but one certificate shall be issued.))~~

In case of engineer-in-training, the certificate shall state that the applicant has successfully passed the examination in fundamental engineering subjects required by the board and has been enrolled as an "engineer-in-

training". All certificates of registration shall show the full name of the registrant, shall have a serial number, and shall be signed by the chairman and the secretary of the board and by the director of licensing.

The issuance of a certificate of registration by the director of licensing shall be prima facie evidence that the person named therein is entitled to all the rights and privileges of a registered professional engineer or a registered land surveyor, while the said certificate remains unrevoked and unexpired.

Each registrant hereunder shall upon registration obtain a seal of the design authorized by the board, bearing the registrant's name and the legend "registered professional engineer" or "registered land surveyor". Plans, specifications, plats and reports prepared by the registrant shall be signed, dated, and stamped with said seal or facsimile thereof. Such signature and stamping shall constitute a certification by the registrant that the same was prepared by or under his or her direct supervision and that to his or her knowledge and belief the same was prepared in accordance with the requirements of the statute. It shall be unlawful for anyone to stamp or seal any document with said seal or facsimile thereof after the certificate of registrant named thereon has expired or been revoked, unless said certificate shall have been renewed or reissued.

Sec. 6. RCW 18.43.130 and 1985 c 7 s 46 are each amended to read as follows:

A law enforcement agency, or a private communication center acting on behalf of a law enforcement agency, shall ((immediately)) within six to twelve hours of the impoundment, provide to a requesting operator the name and address of the legal and registered owners of the vehicle, the vehicle identification number, and any other necessary, pertinent information. The initial notice of impoundment shall be followed by a written or electronic facsimile notice within twenty-four hours. In the case of a vehicle from another state, time requirements of this subsection do not apply until the requesting law enforcement agency in this state receives the information.

(2) The operator shall immediately send an abandoned vehicle report to the department for any vehicle in the operator's possession after the ninety-six hour abandonment period. Such report need not be sent when the impoundment is pursuant to a writ, court order, or police hold. The owner notification and abandonment process shall be initiated by the registered tow truck operator immediately following notification by a court or law enforcement officer that the writ, court order, or police hold is no longer in effect.

(3) Following the submittal of an abandoned vehicle report, the department shall provide the registered tow truck operator with owner information within seventy-two hours.

(4) Within fifteen days of the sale of an abandoned vehicle at public auction, the towing operator shall send a copy of the abandoned vehicle report showing the disposition of the abandoned vehicle to the crime information center of the Washington state patrol.

The registered tow truck operator also has a deficiency claim against the registered owner of the vehicle for services provided in the towing and storage of the vehicle not to exceed the sum of three hundred dollars less the amount bid at auction, and for vehicles of over ten thousand pounds gross vehicle weight, the operator has a deficiency claim of one thousand dollars less the amount bid at auction, unless the impound is determined to be invalid. In no case may the cost of the auction or a buyer's fee be added to the amount charged for the vehicle at the auction, the vehicle's lien, or the overage due. A registered owner who has completed and filed with the department the seller's report as provided for by RCW 46.12-.101 and has timely and properly filed the seller's report is relieved of liability under this section. The person named as the new owner of the vehicle on the timely and properly filed seller's report shall assume liability under this section.

[Engrossed Senate Bill 5906]

DOMESTIC VIOLENCE—DISCLOSURE OF VICTIMS' ADDRESSES PREVENTION PROGRAM

Effective Date: 7/1/91 – Except sections 10 and 11 which become effective on 4/22/91

AN ACT Relating to protecting persons seriously threatened by domestic violence by restricting disclosure of their names or addresses; amending RCW 42.17.310, 42.17.311, and 29.01.155; adding a new section to chapter 26.04 RCW; adding a new chapter to Title 40 RCW; creating a new section; providing an effective date; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that persons attempting to escape from actual or threatened domestic violence frequently establish new addresses in order to prevent their assailants or probable assailants from finding them. The purpose of this chapter is to enable state and local agencies to respond to requests for public records without disclosing the location of a victim of domestic violence, to enable interagency cooperation with the secretary of state in providing address confidentiality for victims of

domestic violence, and to enable state and local agencies to accept a program participant's use of an address designated by the secretary of state as a substitute mailing address.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Address" means a residential street address, school address, or work address of an individual, as specified on the individual's application to be a program participant under this chapter.

(2) "Program participant" means a person certified as a program participant under section 3 of this act.

(3) "Domestic violence" means an act as defined in RCW 10.99.020 and includes a threat of such acts committed against an individual in a domestic situation, regardless of whether these acts or threats have been reported to law enforcement officers.

NEW SECTION. Sec. 3. (1) An adult person, a parent or guardian acting on behalf of a minor, or a guardian acting on behalf of an incapacitated person, as defined in RCW 11.88.010, may apply to the secretary of state to have an address designated by the secretary of state serve as the person's address or the address of the minor or incapacitated person. The secretary of state shall approve an application if it is filed in the manner and on the form prescribed by the secretary of state and if it contains:

(a) A sworn statement by the applicant that the applicant has good reason to believe (i) that the applicant, or the minor or incapacitated person on whose behalf the application is made, is a victim of domestic violence; and (ii) that the applicant fears for his or her safety or his or her children's safety, or the safety of the minor or incapacitated person on whose behalf the application is made;

(b) A designation of the secretary of state as agent for purposes of service of process and for the purpose of receipt of mail;

(c) The mailing address where the applicant can be contacted by the secretary of state, and the phone number or numbers where the applicant can be called by the secretary of state;

(d) The new address or addresses that the applicant requests not be disclosed for the reason that disclosure will increase the risk of domestic violence;

(e) The signature of the applicant and of any individual or representative of any office designated in writing under section 8 of this act who assisted in the preparation of the application, and the date on which the applicant signed the application.

(2) Applications shall be filed with the office of the secretary of state.

(3) Upon filing a properly completed application, the secretary of state shall certify the applicant as a program participant. Applicants shall be certified for four years following the date of filing unless the certification is

withdrawn or invalidated before that date. The secretary of state shall by rule establish a renewal procedure.

(4) A person who falsely attests in an application that disclosure of the applicant's address would endanger the applicant's safety or the safety of the applicant's children or the minor or incapacitated person on whose behalf the application is made, or who knowingly provides false or incorrect information upon making an application, shall be punishable under RCW 40.16.030 or other applicable statutes.

NEW SECTION. Sec. 4. (1) If the program participant obtains a name change, he or she loses certification as a program participant.

(2) The secretary of state may cancel a program participant's certification if there is a change in the residential address from the one listed on the application, unless the program participant provides the secretary of state with seven days' prior notice of the change of address.

(3) The secretary of state may cancel certification of a program participant if mail forwarded by the secretary to the program participant's address is returned as nondeliverable.

(4) The secretary of state shall cancel certification of a program participant who applies using false information.

NEW SECTION. Sec. 5. (1) A program participant may request that state and local agencies use the address designated by the secretary of state as his or her address. When creating a new public record, state and local agencies shall accept the address designated by the secretary of state as a program participant's substitute address, unless the secretary of state has determined that:

(a) The agency has a bona fide statutory or administrative requirement for the use of the address which would otherwise be confidential under this chapter; and

(b) This address will be used only for those statutory and administrative purposes.

(2) A program participant may use the address designated by the secretary of state as his or her work address.

(3) The office of the secretary of state shall forward all first class mail to the appropriate program participants.

The county auditor shall transmit the absentee ballot to the program participant at the address designated by the participant in his or her application as a service voter. Neither the name nor

the address of a program participant shall be included in any list of registered voters available to the public.

(2) If directed by a court order, to a person identified in the order; and

(3) If certification has been canceled.

NEW SECTION. Sec. 8. The secretary of state shall designate state and local agencies and nonprofit agencies that provide counseling and shelter services to victims of domestic violence to assist persons applying to be program participants. Any assistance and counseling rendered by the office of the secretary of state or its designees to applicants shall in no way be construed as legal advice.

NEW SECTION. Sec. 9. The secretary of state may adopt rules to facilitate the administration of this chapter by state and local agencies.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

Passed the House March 19, 1991.

Passed the Senate April 10, 1991.

Approved by the Governor April 22, 1991, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State April 22, 1991.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 3, 5, and 10, Substitute House Bill No. 1800 entitled:

"AN ACT Relating to international relations and protocol."

This bill establishes an Office of International Relations and Protocol within the Office of the Governor and provides the office with broad powers to manage international issues affecting this state. It eliminates current responsibilities relating to this function in the Department of Trade and Economic Development.

This is a sound organizational move which I strongly support. It recognizes that activities associated with these kinds of programs are not geared solely to economic and foreign trade considerations. They also affect the broad spectrum of state and local government responsibilities, including cross-cultural exchanges, international education opportunities, global environmental impacts, scientific and agricultural issues, and many other important policy considerations. The Office of the Governor is

uniquely suited to provide the statewide leadership and intergovernmental coordination that is required by this important function.

In spite of my strong agreement with the bill's intent, the measure does have some administrative/fiscal problems that were clearly identified by my office during the session. Most importantly, the bill lacks funding to carry out certain mandated responsibilities. Both the Senate and House budgets currently provide only \$134,000 for the biennium and one staff person to perform a wide variety of required duties in section 3. These functions tend to be very resource-intensive. Without additional funding, it would be difficult to comply even minimally with some of these mandates.

In addition, section 5 requires the creation of an international relations advisory committee to consist of at least 15 members. In order for this group to function properly and exercise its statutory duties, it will have to meet regularly and be afforded reimbursement for travel expenses and lodging associated with its meetings. Without sufficient funding, it would be difficult for this group to function in the manner required by the bill.

I firmly believe that an important element in effective international relations programs is to ensure that expectations are matched with actions and resources that are consistent over time. Section 3, and to some extent, section 5, raise a set of expectations about the state performing a wide range of coordinative technical assistance, and diplomatic functions without providing the resources to carry them out. In the long run, I do not believe that will enhance our status as a credible participant in the international arena.

Section 10, which requires automatic transfer of existing employees to the new office, is inconsistent with the authority given to the Governor in section 2 to appoint staff to the program.

For these reasons, I have vetoed sections 3, 5 and 10 of this bill.

With the exception of sections 3, 5, and 10, Substitute House Bill No. 1800 is approved.*

AN ACT Relating to stewardship assistance for owners of nonindustrial forests and woodlands; and adding a new chapter to Title 76 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION, Sec. 1. The legislature hereby finds and declares that:

(1) Over half of the private forest and woodland acreage in Washington is owned by landowners with less than five thousand acres who are not in the business of industrial handling or processing of timber products.

(2) Nonindustrial forests and woodlands are absorbing more demands and impacts on timber, fish, wildlife, water, recreation, and aesthetic resources, due to population growth and a shrinking commercial forest land base.

(4) Providing for long-term stewardship of nonindustrial forests and woodlands in growth areas and rural areas is an important factor in maintaining Washington's special character and quality of life.

(5) In order to encourage and maintain nonindustrial forests and woodlands for their present and future benefit to all citizens, Washington's nonindustrial forest and woodland owners' long-term commitments to stewardship of forest resources must be recognized and supported by the citizens of Washington state.

NEW SECTION. Sec. 2. The purpose of this chapter is to:

(1) Promote the coordination and delivery of services with federal, state, and local agencies, colleges and universities, landowner assistance organizations, consultants, forest resource-related industries and environmental organizations to nonindustrial forest and woodland owners.

Service use and cost reports shall be provided to regions in a timely fashion at six-month intervals.

(6) The secretary shall use available resources appropriated specifically for community mental health programs only for programs under RCW 71.24.045. After July 1, 1995, or when regional support networks are established, available resources may be used only for regional support networks.

(7) Each certified regional support network and licensed service provider shall file with the secretary, on request, such data, statistics, schedules,

and information as the secretary reasonably requires. A certified regional support network or licensed service provider which, without good cause, fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent reports thereof, may have its certification or license revoked or suspended.

(8) The secretary may suspend, revoke, limit, or restrict a certification or license, or refuse to grant a certification or license for failure to conform to the law, applicable rules and regulations, or applicable standards, or failure to meet the minimum standards established pursuant to this section.

(9) The superior court may restrain any regional support network or service provider from operating without certification or a license or any other violation of this section. The court may also review, pursuant to procedures contained in chapter 34.05 RCW, any denial, suspension, limitation, restriction, or revocation of certification or license, and grant other relief required to enforce the provisions of this chapter.

(10) Upon petition by the secretary, and after hearing held upon reasonable notice to the facility, the superior court may issue a warrant to an officer or employee of the secretary authorizing him or her to enter at reasonable times, and examine the records, books, and accounts of any regional support network or service provider refusing to consent to inspection or examination by the authority.

(11) The secretary shall adopt such rules as may be necessary to effectuate the intent and purposes of this chapter, which shall include but not be limited to certification and licensing and other action relevant to certifying regional support networks and licensing service providers.

(12) Notwithstanding the existence or pursuit of any other remedy, the secretary may, in the manner provided by law, upon the advice of the attorney general who shall represent the secretary in the proceedings, maintain an action in the name of the state for an injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, or operation of a regional support network or service provider without certification or a license under this chapter.

(13) The standards for certification of evaluation and treatment facilities shall include standards relating to maintenance of good physical and mental health and other services to be afforded persons pursuant to this chapter and chapter 71.05 RCW, and shall otherwise assure the effectuation of the purposes and intent of this chapter and chapter 71.05 RCW.

(14)(a) The department, in consultation with affected parties, shall establish a distribution formula that reflects county needs assessments based on the number of persons who are acutely mentally ill, chronically mentally ill, and seriously disturbed as defined in chapter 71.24 RCW. The formula shall take into consideration the impact on counties of demographic factors in counties which result in concentrations of priority populations as defined in subsection (15) of this section. These factors shall include the population

concentrations resulting from commitments under the involuntary treatment act, chapter 71.05 RCW, to state psychiatric hospitals, as well as concentration in urban areas, at border crossings at state boundaries, and other significant demographic and workload factors.

(b) The department shall submit a proposed distribution formula in accordance with this section to the ways and means and health care and corrections committees of the senate and to the ways and means and human services committees of the house of representatives by October 1, 1989. The formula shall also include a projection of the funding allocations that will result for each county, which specifies allocations according to priority populations, including the allocation for services to children and other underserved populations.

(15) To supersede duties assigned under subsection (5) (a) and (b) of this section, and to assure a county-based, integrated system of care for acutely mentally ill adults and children, chronically mentally ill adults and children, and seriously disturbed adults and children who are determined by regional support networks at their sole discretion to be at risk of becoming acutely or chronically mentally ill, the secretary shall encourage the development of regional support networks as follows:

By December 1, 1989, the secretary shall recognize regional support networks requested by counties or groups of counties.

All counties wishing to be recognized as a regional support network on December 1, 1989, shall submit their intentions regarding participation in the regional support networks by October 30, 1989, along with preliminary plans. Counties wishing to be recognized as a regional support network by January 1 of any year thereafter shall submit their intentions by October 30 of the previous year along with preliminary plans. The secretary shall assume all duties assigned to the nonparticipating counties under chapters 71.05 and 71.24 RCW on July 1, 1995. Such responsibilities shall include those which would have been assigned to the nonparticipating counties under regional support networks.

The implementation of regional support networks, or the secretary's assumption of all responsibilities under chapters 71.05 and 71.24 RCW, shall be included in all state and federal plans affecting the state mental health program including at least those required by this chapter, the medic-aid program, and P.L. 99-660. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(16) The secretary shall:

(a) Disburse the first funds for the regional support networks that are ready to begin implementation by January 1, 1990, or within sixty days of approval of the biennial contract. The department must either approve or reject the biennial contract within sixty days of receipt.

(b) Enter into biennial contracts with regional support networks to begin implementation between January 1, 1990, and March 1, 1990, and

complete implementation by June 1995. The contracts shall be consistent with available resources. No contract shall be approved that does not include progress toward meeting the goals of this chapter by taking responsibility for: (i) Short-term commitments; (ii) residential care; and (iii) emergency response systems.

(c) By July 1, 1993, allocate one hundred percent of available resources to regional support networks created by January 1, 1990, in a single grant. Regional support networks created by January 1, 1991, shall receive a single block grant by July 1, 1993; regional support networks created by January 1, 1992, shall receive a single block grant by July 1, 1994; and regional support networks created by January 1, 1993, shall receive a single block grant by July 1, 1995. The grants shall include funds currently provided for all residential services, all services pursuant to chapter 71.05 RCW, and all community support services and shall be distributed in accordance with a formula submitted to the legislature by January 1, 1993, in accordance with subsection (14) of this section.

(d) By January 1, 1990, allocate available resources to regional support networks for community support services, resource management services, and residential services excluding evaluation and treatment facilities provided pursuant to chapter 71.05 RCW in a single grant using the distribution formula established in subsection (14) of this section.

(e) By March 1, 1990, or within sixty days of approval of the contract continuing through July 1, 1993, provide grants as specifically appropriated by the legislature to regional support networks for evaluation and treatment facilities for persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. For regional support networks created by January 1, 1993, provide grants as specifically appropriated by the legislature to regional support networks for evaluation and treatment facilities for persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW through July 1, 1995.

(f) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(g) Study and report to the legislature by December 1, 1989, on expanding the use of federal Title XIX funds and the definition of institutions for mental diseases to provide services to persons who are acutely mentally ill, chronically mentally ill, or at risk of becoming so. The study shall also include an assessment of the impact of Title XIX funds and the definition of institutions for mental diseases on the use of state funds to provide needed mental health services to the chronically mentally ill.

(h) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such

cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

(i) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.

(j) Contract to provide or, if requested, make grants to counties to provide technical assistance to county authorities or groups of county authorities to develop regional support networks.

(17) The department of social and health services, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. The department shall periodically report its efforts to the health care and corrections committee of the senate and the human services committee of the house of representatives.

(18) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health. The task force shall report back to the appropriate committees of the legislature by January 1, 1990.

Sec. 2. RCW 71.24.045 and 1989 c 205 s 4 are each amended to read as follows:

The county authority shall:

(1) Submit biennial needs assessments beginning January 1, 1983, and mental health service plans which incorporate all services provided for by the county authority consistent with state minimum standards and which provide access to treatment for the county's residents including children and other underserved populations who are acutely mentally ill, chronically mentally ill, or seriously disturbed. The county program shall provide:

(a) Outpatient services;

(b) Emergency care services for twenty-four hours per day;

(c) Day treatment for mentally ill persons which includes training in basic living and social skills, supported work, vocational rehabilitation, and day activities. Such services may include therapeutic treatment. In the case of a child, day treatment includes age-appropriate basic living and social skills, educational and prevocational services, day activities, and therapeutic treatment;

(d) Screening for patients being considered for admission to state mental health facilities to determine appropriateness of admission;

(e) Employment services, which may include supported employment, transitional work, placement in competitive employment, and other work-

related services, that result in mentally ill persons becoming engaged in meaningful and gainful full or part-time work;

~~(f)~~ Consultation and education services;

~~((f))~~ (g) Residential and inpatient services, if the county chooses to provide such optional services; and

~~((g))~~ (h) Community support services.

The county shall develop the biennial needs assessment based on clients to be served, services to be provided, and the cost of those services, and may include input from the public, clients, and licensed service providers. Each county authority may appoint a county mental health advisory board which shall review and provide comments on plans and policies developed by the county authority under this chapter. The composition of the board shall be broadly representative of the demographic character of the county and the mentally ill persons served therein. Length of terms of board members shall be determined by the county authority;

(2) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(3) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective.

(4) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts, including the minimum standards of service delivery as established by the department;

(5) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this chapter;

(6) Maintain patient tracking information in a central location as required for resource management services;

(7) Use not more than two percent of state-appropriated community mental health funds, which shall not include federal funds, to administer community mental health programs under RCW 71.24.155: PROVIDED, That county authorities serving a county or combination of counties whose population is equal to or greater than that of a county of the first class may be entitled to sufficient state-appropriated community mental health funds to employ up to one full-time employee or the equivalent thereof in addition

to the two percent limit established in this subsection when such employee is providing staff services to a county mental health advisory board;

(8) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

Sec. 3. RCW 71.24.300 and 1989 c 205 s 5 are each amended to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. The roles and responsibilities of county authorities shall be determined by the terms of that agreement and the provisions of law. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall within three months of recognition submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties by July 1, 1995, instead of those presently assigned to counties under RCW 71.24.045(1):

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(c) By July 1, 1993, provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. For regional support networks that are created after June 30, 1991, the requirements of (c) of this subsection must be met by July 1, 1995.

(d) By July 1, 1993, administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of mentally ill offenders, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the

state for use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section. For regional support networks that are created after June 30, 1991, the requirements of (d) of this subsection must be met by July 1, 1995.

(e) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as defined in RCW 71-.24.035, and mental health services to children as provided in this chapter.

(f) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter. The composition of the board shall be broadly representative of the demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.

(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(7). The office of financial management shall consider information gathered in studies required in this chapter and information about the experience of other states to propose a mental health services administrative cost lid to the 1991 legislature which shall include administrative costs of licensed service providers, the state psychiatric hospitals and the department.

(7) The first regional support network contract may include a pilot project to: Establish standards and procedures for (a) making referrals for comprehensive medical examinations and treatment programs for those whose mental illness is caused or exacerbated by organic disease, and (b)

training staff in recognizing the relationship between mental illness and organic disease.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 9.94A.030 and 1990 c 3 s 602 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(4) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

(5) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed pursuant to this chapter by a court. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) "Confinement" means total or partial confinement as defined in this section.

(9) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

(12)(a) "Criminal history" means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant

has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) "Criminal history" shall always include juvenile convictions for sex offenses and shall also include a defendant's other prior convictions in juvenile court if: (i) The conviction was for an offense which is a felony or a serious traffic offense and is criminal history as defined in RCW 13.40.020(6)(a); (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) with respect to prior juvenile class B and C felonies or serious traffic offenses, the defendant was less than twenty-three years of age at the time the offense for which he or she is being sentenced was committed.

(13) "Department" means the department of corrections.

(14) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(15) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(c) Any out-of-state conviction for an offense that under the laws of this state would be a felony classified as a drug offense under (a) of this subsection.

(17) "Escape" means:

(b) For purposes of (a) of this subsection, a juvenile adjudication for an offense committed before the age of fifteen years is not a previous felony conviction except for adjudications of sex offenses.

(21) "Nonviolent offense" means an offense which is not a violent offense.

(22) "Offender" means a person who has committed a felony established by state law and is eighteen years of age or older or is less than eighteen years of age but whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms "offender" and "defendant" are used interchangeably.

Partial confinement includes work release and home detention as defined in this section.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by 75 percent.

(3) The following additional times shall be added to the presumptive sentence if the offender or an accomplice was armed with a deadly weapon as defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice was armed with a deadly weapon and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following times shall be added to the presumptive range determined under subsection (2) of this section:

(c) 12 months for Assault 2 (RCW 9A.36.020 or 9A.36.021), Escape 1 (RCW 9A.76.110), Kidnapping 2 (RCW 9A.40.030), Burglary 2 of a building other than a dwelling (RCW 9A.52.030), Theft of Livestock 1 or 2 (RCW 9A.56.080), or any drug offense.

(4) The following additional times shall be added to the presumptive sentence if the offender or an accomplice committed the offense while in a county jail or state correctional facility as that term is defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility as that term is defined in this chapter, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following times shall be added to the presumptive sentence range determined under subsection (2) of this section:

(a) Eighteen months for offenses committed under RCW 69.50.401(a)(1)(i) or 69.50.410;

(c) Twelve months for offenses committed under RCW 69.50.401(d).

For the purposes of this subsection, all of the real property of a state correctional facility or county jail shall be deemed to be part of that facility or county jail.

The provisions of this section shall not operate to more than double the fine or imprisonment otherwise authorized by this chapter for an offense.

(c) It is not a defense to a prosecution for a violation of this section or any other prosecution under this chapter that persons under the age of eighteen were not present in the school, the school bus, the public park, or the public transit vehicle, or at the school bus route stop or the public transit vehicle stop shelter at the time of the offense or that school was not in session.

This section shall not be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.

(e) In a prosecution under this section, a map produced or reproduced by any municipal, school district, county, or transit authority engineer for the purpose of depicting the location and boundaries of the area on or within one thousand feet of any property used for a school, school bus route stop, public park, or public transit vehicle stop shelter, or a true copy of such a map, shall under proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas if the governing body of the municipality, school district, county, or transit authority has adopted a resolution or ordinance approving the map as the official location and record of the location and boundaries of the area on or within one thousand feet of the school, school bus route stop, public park, or public transit vehicle stop shelter. Any map approved under this section or a true copy of the map shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. This section shall not be construed as precluding the prosecution from introducing or relying upon any other evidence or testimony to establish any element of the offense. This section shall not be construed as precluding the use or admissibility of any map or diagram other than the one which has been approved by the governing body of a municipality, school district, county, or transit authority if the map or diagram is otherwise admissible under court rule.

The Washington law enforcement officers' and fire fighters' retirement system is hereby created for fire fighters and law enforcement officers.

(1) ~~((a))~~ Notwithstanding RCW 41.26.030(8) ~~((and except as provided in subsection (1)(b) of this section)),~~ all fire fighters and law enforcement officers employed as such on or after March 1, 1970, on a full time fully compensated basis in this state shall be members of the retirement system established by this chapter with respect to all periods of service as such, to the exclusion of any pension system existing under any prior act ~~((except as provided in subsection (2) of this section).~~

~~(b) No fire fighter or law enforcement officer who commences a period of employment on or after July 1, 1979, as a participant under the federal comprehensive employment and training act of 1973 (CETA) (29 U.S.C. Sec. 801 et seq.), as amended, shall be a member of this system during the period of such participation unless, at the commencement of the participation under CETA, the fire fighter or law enforcement officer either:~~

~~(i) Has at least five years of service and the full amount of the employee's contributions for such service remains on deposit in the system; or~~

~~(ii) Has previously been retired from this system)).~~

(2) Any employee serving as a law enforcement officer or fire fighter on March 1, 1970, who is then making retirement contributions under any prior act shall have his membership transferred to the system established by this chapter as of such date. Upon retirement for service or for disability, or death, of any such employee, his retirement benefits earned under this chapter shall be computed and paid. In addition, his benefits under the prior retirement act to which he was making contributions at the time of this transfer shall be computed as if he had not transferred. For the purpose of such computations, the employee's creditability of service and eligibility for service or disability retirement and survivor and all other benefits shall continue to be as provided in such prior retirement act, as if transfer of membership had not occurred. The excess, if any, of the benefits so computed, giving full value to survivor benefits, over the benefits payable under this chapter shall be paid whether or not the employee has made application under the prior act. If the employee's prior retirement system was the Washington public employees' retirement system, payment of such excess shall be made by that system; if the employee's prior retirement system was the state-wide city employees' retirement system, payment of such excess shall be made by the employer which was the member's employer when his transfer of membership occurred: PROVIDED, That any death in line of duty lump sum benefit payment shall continue to be the obligation of that system as provided in RCW 41.44.210; in the case of all other prior retirement systems, payment of such excess shall be made by the employer which was the member's employer when his transfer of membership occurred.

(3) All funds held by any firemen's or policemen's relief and pension fund shall remain in that fund for the purpose of paying the obligations of the fund. The municipality shall continue to levy the dollar rate as provided in RCW 41.16.060, and this dollar rate shall be used for the purpose of paying the benefits provided in chapters 41.16 and 41.18 RCW. The obligations of chapter 41.20 RCW shall continue to be paid from whatever financial sources the city has been using for this purpose.

~~((4) Any member transferring from the Washington public employees' retirement system or the state-wide city employees' retirement system shall have transferred from the appropriate fund of the prior system of membership, a sum sufficient to pay into the Washington law enforcement officers' and fire fighters' retirement system fund the amount of the employees' and employers' contributions plus credited interest in the prior system for all service, as defined in this chapter, from the date of the employee's entrance therein until March 1, 1970. Except as provided for in subsection (2), such transfer of funds shall discharge said state retirement~~

~~systems from any further obligation to pay benefits to such transferring members with respect to such service:))~~

(7) Perform such other functions as are required for the execution of the provisions of ~~((this))~~ chapter 41.26 RCW;

(8) Fix the amount of interest to be credited at a rate which shall be based upon the net annual earnings of the Washington law enforcement officers' and fire fighters' fund for the preceding twelve-month period and from time to time make any necessary changes in such rate;

(9) Pay from the department of retirement systems expense fund the expenses incurred in administration of the Washington law enforcement officers' and fire fighters' retirement system from those funds appropriated for that purpose;

Sec. 18. RCW 41.26.090 and 1977 ex.s. c 294 s 22 are each amended to read as follows:

Those members selecting this optional vesting with twenty or more years service shall not be covered by the provisions of RCW 41.26.150 until the attainment of the age of fifty years(~~(-PROVIDED, That)~~). A member selecting this ~~((option))~~ optional vesting, with less than twenty years of service credit, who ~~((shall))~~ dies prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his or her estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest(~~(-PROVIDED FURTHER, That)~~). If the vested member has twenty or more years of service credit the surviving spouse or children shall then become eligible for the benefits of RCW 41.26.160 regardless of ~~((his))~~ the member's age at the time of his or her death, to the exclusion of the lump sum amount provided by this subsection.

~~((3))~~ (4) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: PROVIDED, That for any member who is elected or appointed to the office of sheriff, chief of police, or fire chief, his or her election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his or her present term of office and any succeeding periods for which he or she may be so elected or appointed(~~(-PROVIDED FURTHER, That)~~). The provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970.

Any member, regardless of ~~((his))~~ age or years of service may be retired by the disability board, subject to approval by the director as hereinafter provided, for any disability incurred in the line of duty which has been continuous since his or her discontinuance of service and which renders ~~((him))~~ the member unable to continue ~~((his))~~ service. No disability retirement allowance shall be paid until the expiration of a period of six months after the discontinuance of service during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of his or her application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to ~~((his))~~ the full monthly salary and shall continue to receive all other benefits provided to active employees from ~~((his))~~ the employer for such period. However, if, at any time during the initial six-month period,

the disability board finds the beneficiary is no longer disabled, ~~((his))~~ the disability leave allowance shall be canceled and ~~((he))~~ the member shall be restored to duty in the same rank or position, if any, held by the beneficiary at the time ~~((he))~~ the member became disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(1) Any member who believes he or she is or is believed to be physically or mentally disabled shall be examined by such medical authority as the disability board shall employ, upon application of said member, or a person acting in his or her behalf, stating that said member is disabled, either physically or mentally: PROVIDED, That no such application shall be considered unless said member or someone in his or her behalf, in case of the incapacity of a member, shall have filed the application within a period of one year from and after the discontinuance of service of said member.

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, that such disability was incurred in the line of duty, and that such disability has been continuous from the discontinuance of service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter as now or hereafter amended, granting the member a disability retirement allowance; otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the director in accordance with RCW 41.26.200: PROVIDED, That in any order granting a duty disability retirement allowance, the disability board shall make a finding that the disability was incurred in line of duty.

(3) Every order of a disability board granting a duty disability retirement allowance shall forthwith be reviewed by the director except the finding that the disability was incurred in the line of duty. The director may affirm the decision of the disability board or remand the case for further proceedings, or the director may reverse the decision of the disability board if the director finds the disability board's findings, inferences, conclusions, or decisions are:

- (a) In violation of constitutional provisions; or
- (b) In excess of the statutory authority or jurisdiction of the disability board; or
- (c) Made upon unlawful procedure; or
- (d) Affected by other error of law; or
- (e) Clearly erroneous in view of the entire record as submitted and the public policy contained in this chapter; or
- (f) Arbitrary or capricious.

(4) Every member who can establish, to the disability board, that he or she is physically or mentally disabled from the further performance of duty, that such disability was incurred in the line of duty, and that such disability

will be in existence for a period of at least six months may waive the six-month period of disability leave and be immediately granted a duty disability retirement allowance, subject to the approval of the director as provided in subsection (3) ~~((above))~~ of this section.

Sec. 20. RCW 41.26.130 and 1987 c 185 s 11 are each amended to read as follows:

(2) A disabled member shall begin receiving ~~((his))~~ the disability retirement allowance as of the expiration of his or her six month period of disability leave or, if his or her application was filed after the sixth month of discontinuance of service but prior to the one year time limit, the member's disability retirement allowance shall be retroactive to the end of the sixth month.

(3) Benefits under this section will be payable until the member recovers from the disability or dies. If at the time that the disability ceases the member is over the age of fifty, he or she shall then receive either ~~((his))~~ disability retirement allowance or ~~((his))~~ retirement for service allowance, whichever is greater.

(4) Benefits under this section for a disability that is incurred while in other employment will be reduced by any amount the member receives or is entitled to receive from workers' compensation, social security, group insurance, other pension plan, or any other similar source provided by another employer on account of the same disability.

(5) A member retired for disability shall be subject to periodic examinations by a physician approved by the disability board prior to ~~((his))~~ attainment of age fifty, pursuant to rules adopted by the director under RCW 41.26.115. (2) If the disability board shall determine that the beneficiary is not so incapacitated ~~((his))~~ the retirement allowance shall be canceled and ~~((he))~~ the member shall be restored to duty in the same civil service rank, if any,

held by the beneficiary at the time of his or her retirement or if unable to perform the duties of said rank, then, at his or her request, in such other like or lesser rank as may be or become open and available, the duties of which he or she is then able to perform. In no event, shall a beneficiary previously drawing a disability allowance be returned or be restored to duty at a salary or rate of pay less than the current salary attached to the rank or position held by the said beneficiary at the date of ((his)) retirement for disability. If the disability board determines that the beneficiary is able to return to service he or she shall be entitled to notice and a hearing, both the notice and the hearing shall comply with the requirements of chapter 34.05 RCW, as now or hereafter amended.

(3) Should a disability beneficiary reenter service and be eligible for membership in the retirement system, ((his)) the retirement allowance shall be canceled and he or she shall immediately become a member of the retirement system.

(4) Should any disability beneficiary under age fifty refuse to submit to examination, ((his)) the retirement allowance shall be discontinued until ((his)) withdrawal of such refusal, and should such refusal continue for one year or more, ((his)) the retirement allowance shall be canceled.

(5) Should the disability retirement allowance of any disability beneficiary be canceled for any cause other than reentrance into service or retirement for service, he or she shall be paid the excess, if any, of ((his)) the accumulated contributions at the time of ((his)) retirement over all payments made on his or her behalf under this chapter.

(6) Any person feeling aggrieved by an order of a disability board determining that a beneficiary's disability has not ceased, pursuant to RCW 41.26.130(3) has the right to appeal the order or determination to the director. The director shall have no jurisdiction to entertain the appeal unless a notice of appeal is filed with the director within thirty days following the rendition of the order by the disability board. A copy of the notice of appeal shall be served upon the director and the applicable disability board and, within ninety days thereof, the disability board shall certify its decision and order which shall include findings of fact and conclusions of law, together with a transcript of all proceedings in connection therewith, to the director for review. Upon review of the record, the director may affirm the order of the disability board or may remand the case for further proceedings if the director finds that the disability board's findings, inferences, conclusions, or decisions are:

- (a) In violation of constitutional provisions; or
- (b) In excess of the statutory authority or jurisdiction of the disability board; or
- (c) Made upon unlawful procedure; or
- (d) Affected by other error of law; or

(e) Clearly erroneous in view of the entire record as submitted and the public policy contained in this chapter; or

(f) Arbitrary or capricious.

(1) Whenever any active member, or any member hereafter retired, on account of service, sickness or disability, not caused or brought on by dissipation or abuse, of which the disability board shall be judge, is confined in any hospital or in ((his)) home, and whether or not so confined, requires medical services, the employer shall pay for such active or retired member the necessary medical services not payable from some other source as provided for in subsection (2) of this section. In the case of active or retired fire fighters the employer may make the payments provided for in this section from the firemen's pension fund established pursuant to RCW 41.16.050 where such fund had been established prior to March 1, 1970(~~(-PROVIDED, That in the event the)~~). Failure to apply for coverage if otherwise eligible under the provisions of Public Law 89-97 as now or hereafter amended shall not be deemed a refusal of payment of benefits thereby enabling collection of charges under the provisions of this chapter.

(3) Upon making such payments as are provided for in subsection (1) of this section, the employer shall be subrogated to all rights of the member against any third party who may be held liable for the member's injuries or for the payment of the cost of medical services in connection with a member's sickness or disability to the extent necessary to recover the amount of payments made by the employer.

When there cease to be any eligible children as defined in RCW 41.26.030(7), as now or hereafter amended, there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of ((his)) death over all payments made to ((his)) survivors on his or her behalf under this chapter: PROVIDED, That payments under this subsection to children shall be prorated equally among the children, if more than one. If the member has created a trust for the benefit of the child or children, the payment shall be made to the trust.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies and there are children as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) ((above)) of this section.

(6) The payment provided by this section shall become due the day following the date of death and payments shall be retroactive to that date.

Sec. 24. RCW 41.26.170 and 1970 ex.s. c 6 s 14 are each amended to read as follows:

(2) Any member whose contributions have been paid ((to him)) in accordance with subsection (1) of this section and who reenters the service of an employer within ten years of the date of ((his)) separation shall upon the restoration of all withdrawn contributions, which restoration must be completed within a total period of five years of service following resumption of employment, then receive credit toward retirement for the period of previous service which these contributions are to cover.

Sec. 25. RCW 41.26.180 and 1989 c 360 s 24 are each amended to read as follows:

(1) Subject to subsections (2) and (3) of this section, the right of a person to a retirement allowance, disability allowance, or death benefit, to the return of accumulated contributions, the retirement, disability or death allowance itself, any optional benefit, any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the fund

Sec. 5. RCW 38.38.132 and 1989 c 48 s 15 are each amended to read as follows:

(1) Under such regulations as the governor may prescribe, limitations may be placed on the powers granted by this section with respect to the kind and amount of punishment authorized, the categories of commanding officers and warrant officers exercising command authorized to exercise those powers, the applicability of this section to an accused who demands trial by court-martial, and the kinds of courts-martial to which the case may be referred upon such a demand. However, except in the case of a member attached to or embarked in a vessel, punishment may not be imposed upon any member of the organized militia under this section if the member has, before the imposition of such punishment, demanded trial by court-martial in lieu of such punishment. Under similar regulations, rules may be prescribed with respect to the suspension of punishments authorized

hereunder. If authorized by regulations of the governor, a commanding officer exercising general court-martial jurisdiction or an officer of general rank in command may delegate powers under this section to a principal assistant.

(2) Subject to subsection (1) of this section, any commanding officer may, in addition to or in lieu of admonition or reprimand, impose one or more of the following disciplinary punishments for minor offenses without the intervention of a court-martial:

(a) Upon officers of his or her command:

(i) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive duty or drill days;

(ii) If imposed by an officer exercising general court-martial jurisdiction or an officer of general rank in command:

(A) Forfeiture of up to thirty days' pay, but not more than fifteen days' pay per month;

(B) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive drill or duty days;

(C) Detention of up to forty-five days' pay, but not more than fifteen days' pay per month;

(b) Upon other personnel of his or her command:

(i) If imposed upon a person attached to or embarked in a vessel, confinement for not more than three consecutive days;

(ii) Forfeiture of not more than seven days' pay;

(iii) Reduction to the next inferior pay grade, if the grade from which demoted is within the promotion authority of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction;

(iv) Extra duties, including fatigue or other duties for not more than fourteen duty or drill days, which need not be consecutive, and for not more than two hours per day, holidays included;

(v) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive days;

(vi) Detention of not more than fourteen days' pay;

(vii) If imposed by an officer of the grade of major or above:

(A) The punishment authorized in subsection (2)(b)(i) of this section;

(B) Forfeiture of up to thirty days' pay, but not more than fifteen days' pay per month;

(C) Reduction to the lowest or any intermediate pay grade, if the grade from which demoted is within the promotion authority of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction, but an enlisted member in a pay grade above E-4 may not be reduced more than two pay grades;

(D) Extra duties, including fatigue or other duties, for not more than fourteen drill or duty days, which need not be consecutive, and for not more than two hours per day, holidays included;

(E) Restriction to certain specified limits, with or without suspension from duty, for not more than fourteen consecutive days;

(F) Detention of up to forty-five days' pay, but not more than fifteen days' pay per month.

Detention of pay shall be for a stated period of not more than one year but if the offender's term of service expires earlier, the detention shall terminate upon that expiration. Extra duties and restriction may not be combined to run consecutively in the maximum amount imposable for each. Whenever any such punishments are combined to run consecutively, there must be an apportionment. In addition, forfeiture of pay may not be combined with detention of pay without an apportionment.

(3) An officer in charge may impose upon enlisted members assigned to the unit of which the officer is in charge such of the punishment authorized under subsection (2)(b) of this section as the governor may specifically prescribe by regulation.

(4) The officer who imposes the punishment authorized in subsection (2) of this section, or a successor in command, may, at any time, suspend probationally any part or amount of the unexecuted punishment imposed and may suspend probationally a reduction in grade or a forfeiture imposed under subsection (2) of this section, whether or not executed. In addition, the officer may, at any time, remit or mitigate any part or amount of the unexecuted punishment imposed and may set aside in whole or in part the punishment, whether executed or unexecuted, and restore all rights, privileges, and property affected. The officer may also mitigate reduction in grade to forfeiture or detention of pay. When mitigating extra duties to restriction, the ~~((mitigated punishment))~~ restriction shall not be ((greater) longer than the ((amount of the forfeiture)) number of hours of extra duty that may have been imposed. When mitigating reduction in grade to forfeiture or detention of pay, the amount of the forfeiture or detention shall not be greater than the amount that could have been imposed initially under this section by the officer who imposed the punishment mitigated.

(5) A person punished under this section who considers the punishment unjust or disproportionate to the offense may, through the proper channel, appeal to the next superior authority. The appeal shall be promptly forwarded and decided, but the person punished may in the meantime be required to undergo the punishment adjudged. The superior authority may exercise the same powers with respect to the punishment imposed as may be exercised under subsection (4) of this section by the officer who imposed the punishment. Before acting on an appeal from a punishment of:

- (a) Forfeiture of more than seven days' pay;
- (b) Reduction of one or more pay grades from the fourth or a higher pay grade;
- (c) Extra duties for more than ten days;
- (d) Restriction for more than ten days; or
- (e) Detention of more than fourteen days' pay;

the authority who is to act on the appeal shall refer the case to a judge advocate for consideration and advice, and may so refer the case upon appeal from any punishment imposed under subsection (2) of this section.

(6) The imposition and enforcement of disciplinary punishment under this section for any act or omission is not a bar to trial by court-martial for a serious crime or offense growing out of the same act or omission, and not properly punishable under this section; but the fact that a disciplinary punishment has been enforced may be shown by the accused upon trial, and when so shown shall be considered in determining the measure of punishment to be adjudged in the event of a finding of guilty.

(7) The governor may by regulation prescribe the form of records to be kept of proceedings under this section and may also prescribe that certain categories of those proceedings shall be in writing.

Sec. 6. RCW 38.38.260 and 1989 c 48 s 27 are each amended to read as follows:

(1) (a) Trial counsel and defense counsel shall be detailed for each general and special court-martial. Assistant trial counsel and assistant and associate defense counsel may be detailed for each general and special court-martial. The governor shall prescribe regulations providing for the manner in which counsel are detailed for such courts-martial and for the persons who are authorized to detail counsel for such courts-martial.

(b) No person who has acted as investigating officer, military judge, or court member in any case may act later as trial counsel, assistant trial counsel, or, unless expressly requested by the accused, as defense counsel or assistant or associate defense counsel in the same case. No person who has acted for the prosecution may act later in the same case for the defense, nor may any person who has acted for the defense act later in the same case for the prosecution.

(2) Trial counsel or defense counsel detailed for a general court-martial:

(a) Must be a judge advocate who is a graduate of an accredited law school or is a member of the bar of a federal court or of the highest court of a state, or must be a member of the bar of a federal court or of the highest court of a state; and

(b) Must be certified as competent to perform such duties by the state judge advocate.

(3) In the case of a special court-martial:

(a) The accused shall be afforded the opportunity to be represented at the trial by counsel having the qualifications prescribed under (~~RCW 38-38-260~~) subsection (2) of this section unless counsel having such qualifications cannot be obtained on account of physical conditions or military exigencies. If counsel having such qualifications cannot be obtained, the court may be convened and the trial held but the convening authority shall make a detailed written statement, to be appended to the record, stating why counsel with such qualifications could not be obtained;

(b) If the trial counsel is qualified to act as counsel before a general court-martial, the defense counsel detailed by the convening authority must be a person similarly qualified; and

(c) If the trial counsel is a judge advocate or a member of the bar of a federal court or the highest court of a state, the defense counsel detailed by the convening authority must be one of the foregoing.

Sec. 7. RCW 38.38.404 and 1989 c 48 s 44 are each amended to read as follows:

(1) If an accused arraigned before a court-martial makes an irregular pleading, or after a plea of guilty sets up matter inconsistent with the plea, or if it appears that the accused has entered the plea of guilty improvidently or through lack of understanding of its meaning and effect, or if the accused fails or refuses to plead, a plea of not guilty shall be entered in the record, and the court shall proceed as though the accused had pleaded not guilty.

(2) With respect to any other charge or specification to which a plea of guilty has been made by the accused and accepted by the military judge or by a court-martial without a military judge, a finding of guilty of the charge or specification may be entered immediately without vote. This finding shall constitute the finding of the court unless the plea of guilty is withdrawn prior to announcement of the sentence, in which event the proceedings shall continue as ~~((through))~~ though the accused had pleaded not guilty.

Sec. 8. RCW 38.38.564 and 1989 c 48 s 57 are each amended to read as follows:

(2) Upon the request of an accused entitled to be so represented, the state judge advocate shall appoint a lawyer who is a member of the organized militia and who has the qualifications prescribed in RCW 38.38.260, if available, to represent the accused before the reviewing authority, before the staff judge advocate, and before the state judge advocate, in the review of cases specified in subsection (1) of this section.

(3) If provided by the accused, an accused entitled to be so represented may be represented by civilian counsel before the reviewing authority, before the staff judge advocate, and before the state judge advocate.

CHAPTER 64

[Senate Bill 5722]

NATURAL RESOURCES DEPARTMENT—INTEREST RATES

Effective Date: 7/28/91

AN ACT Relating to interest rates for the department of natural resources; amending RCW 79.90.520, 79.90.535, and 76.04.620; and reenacting and amending RCW 76.04.630.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 79.90.520 and 1984 c 221 s 15 are each amended to read as follows:

The manager shall, by rule, provide for an administrative review of any aquatic land rent proposed to be charged. The rules shall require that the lessee or applicant for release file a request for review within thirty days after the manager has notified the lessee or applicant of the rent due. For leases issued by the department, the final authority for the review rests with the board of natural resources. For leases managed under RCW 79.90.475, the final authority for the review rests with the appropriate port commission. If the request for review is made within thirty days after the manager's final determination as to the rental, the lessee may pay rent at the preceding year's rate pending completion of the review, and shall pay any additional rent or be entitled to a refund, with interest thirty days after announcement of the decision. The interest rate shall be ~~((the average rate of return for the prior calendar year on conventional real property mortgages as reported by the federal home loan bank board))~~ fixed, from time to time, by rule adopted by the board of natural resources and shall not be less than six percent per annum. Nothing in this section abrogates the right of an aggrieved party to pursue legal remedies ~~((including those under chapter 34-05 RCW))~~. For purposes of this section, "manager" is the department except where state-owned aquatic lands are managed by a port district, in which case "manager" is the port district.

Sec. 2. RCW 79.90.535 and 1984 c 221 s 18 are each amended to read as follows:

~~((The lessee shall pay interest at the rate of one percent per month on rent or other sums owing to the department commencing thirty days after the date each rent or other sum is due and payable, unless there is review~~

pending under RCW 79.90.520)) The interest rate and all interest rate guidelines shall be fixed, from time to time, by rule adopted by the board of natural resources and shall not be less than six percent per annum.

***Sec. 3. RCW 76.04.620 and 1986 c 100 s 36 are each amended to read as follows:**

Biennial general fund appropriations to the department of natural resources normally provide funds for the purpose of paying the emergency fire costs and expenses incurred and/or approved by the department in forest fire suppression or in reacting to any potential forest fire situation. When a determination is made that the fire started in the course of or as a result of a landowner operation, moneys expended from such appropriations in the suppression of the fire shall be recovered from the landowner contingency forest fire suppression account. The department shall transmit to the state treasurer for deposit in the general fund any such moneys which are later recovered. Moneys recovered during the biennium in which they are expended may be spent for purposes set forth in this section during the same biennium, without reappropriation. Loans between the general fund and the landowner contingency forest fire suppression account are authorized for emergency fire suppression. The loans shall not exceed the amount appropriated for emergency forest fire suppression costs and shall bear interest at the ~~((then current rate of interest as determined by the state treasurer))~~ rate determined for inter-fund loans under RCW 79.64.030.

***Sec. 3 was vetoed, see message at end of chapter.**

***Sec. 4. RCW 76.04.630 and 1989 c 362 s 2 and 1989 c 175 s 162 are each reenacted and amended to read as follows:**

There is created a landowner contingency forest fire suppression account which shall be a separate account in the state treasury. Moneys in the account may be spent only as provided in this section. Disbursements from the account shall be on authorization of the commissioner of public lands or the commissioner's designee. The account is subject to the allotment procedure provided under chapter 43.88 RCW, but no appropriation is required for disbursements.

The department may expend from this account such amounts as may be available and as it considers appropriate for the payment of emergency fire costs resulting from a participating landowner fire. The department may, when moneys are available from the landowner contingency forest fire suppression account, expend moneys for summarily abating, isolating, or reducing an extreme fire hazard under RCW 76.04.660. All moneys recovered as a result of the department's actions, from the owner or person responsible, under RCW 76.04.660 shall be deposited in the landowner contingency forest fire suppression account.

When a determination is made that the fire was started by other than a landowner operation, moneys expended from this account in the suppression of such fire shall be recovered from such general fund appropriations as may

be available for emergency fire suppression costs. The department shall deposit in the landowner contingency forest fire suppression account any moneys paid out of the account which are later recovered, less reasonable costs of recovery.

This account shall be established and renewed by a special forest fire suppression account assessment paid by participating landowners at a rate to be established by the department, but not to exceed fifteen cents per acre per year for such period of years as may be necessary to establish and thereafter reestablish a balance in the account of three million dollars. The department may establish a minimum assessment for ownership parcels identified in RCW 76.04.610 as paying the minimum assessment. The maximum assessment for these parcels shall not exceed the fees levied on a thirty-acre parcel. There shall be no assessment on each parcel of privately owned lands of less than two acres. The assessments may differ to equitably distribute the assessment based on emergency fire suppression cost experience necessitated by landowner operations. Amounts assessed for this account shall be a lien upon the forest lands with respect to which the assessment is made and may be collected as directed by the department in the same manner as forest protection assessments. This account shall be held by the state treasurer, who is authorized to invest so much of the account as is not necessary to meet current needs. Any interest earned on moneys from the account shall be deposited in and remain a part of the account and shall be computed as part of same in determining the balance thereof. Interfund loans to and from this account are authorized at the ~~((current rate of interest as determined by the state treasurer))~~ rate determined for interfund loans under RCW 79.64.030, provided that the effect of the loan is considered for purposes of determining the assessments. Payment of emergency costs from this account shall in no way restrict the right of the department to recover costs pursuant to RCW 76.04.495 or other laws.

When the department determines that a forest fire was started in the course of or as a result of a landowner operation, it shall notify the forest fire advisory board of the determination. The determination shall be final, unless, within ninety days of the notification, the forest fire advisory board or any interested party serves a request for a hearing before the department. The hearing shall constitute an adjudicative proceeding under chapter 34.05 RCW, the administrative procedure act, and any appeal shall be in accordance with RCW 34.05.510 through 34.05.598.

**Sec. 4 was vetoed, see message at end of chapter.*

Passed the Senate March 13, 1991.

Passed the House April 19, 1991.

Approved by the Governor May 3, 1991, with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 3, 1991.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to sections 3 and 4, Senate Bill No. 5722 entitled:

"AN ACT Relating to interest rates for the department of natural resources."

Developing a uniform interest rate policy for the Department of Natural Resources is an important goal which will improve agency administration and accounting. Sections 3 and 4 of this bill, however, amend existing law so that the Board of Natural Resources rather than the State Treasurer will determine the appropriate interest rate for loans between the landowner contingency forest fire suppression account and the general fund. While the Board of Natural Resources should have the ability to set interest rates for trustland management funds, this power should not be extended to situations which affect the General Fund. For this reason, I have vetoed sections 3 and 4 of the bill.

With the exception of sections 3 and 4, Senate Bill No. 5722 is approved."

The filing of the resolution shall not relieve the corporation of any responsibility or liability imposed upon it by law or by contract; and

If there is a change in the person or persons responsible for the architecture of the firm, the changes shall be designated in writing and filed with the board within thirty days after the effective date of the changes.

(2) Upon the filing with the board of the application for certificate of authorization, the certified copy of the resolution, and the information specified in subsection (1) of this section, the board shall authorize the director to issue to the corporation a certificate of authorization to practice architecture in this state upon a determination by the board that:

(4) In the event a corporation, organized solely by a group of architects each registered under this chapter, applies for a certificate of authorization, the board may, in its discretion, grant a certificate of authorization to that corporation based on a review of the professional records of such incorporators, in lieu of the required qualifications set forth in subsections (1) and (2) of this section. In the event the ownership of such corporation is altered, the corporation shall apply for a revised certificate of authorization, based upon the professional records of the owners if exclusively architects, under the qualifications required by subsections (1) and (2) of this section.

(5) Any corporation authorized to practice architecture under this chapter, together with its directors and officers for their own individual acts, are responsible to the same degree as an individual registered architect and shall conduct their business without misconduct or malpractice in the practice of architecture as defined in this chapter.

The county auditor shall process and canvass the special absentee ballots provided under this section in the same manner as other absentee ballots under chapters 29.36 and 29.62 RCW.

(4) A voter who requests a special absentee ballot under this section may also ~~((make application for))~~ request an absentee ballot under RCW 29.36.010. If the regular absentee ballot is properly voted and returned, the special absentee ballot shall be deemed void and the county auditor shall reject it in whole when special absentee ballots are canvassed.

Sec. 36. RCW 29.64.020 and 1987 c 54 s 5 are each amended to read as follows:

An application for a recount shall state the office for which a recount is requested and whether the request is for all or only a portion of the votes cast in that jurisdiction of that office. The person filing an application shall, at the same time, deposit with the county canvassing board or secretary of state, in cash or by certified check, a sum equal to five cents for each ballot cast in the jurisdiction or portion of the jurisdiction for which the recount is requested as security for the payment of any costs of conducting the recount. These charges shall be determined by the county canvassing board or boards under RCW 29.64.060.

~~((Promptly after the filing of an application for a recount or the receipt of a request from the secretary of state to conduct a recount;))~~ The county canvassing board shall determine a time and a place or places at which the recount will be conducted. This time shall be less than five days after the day upon which: The application was filed with ((or)) the board; the request ((from the secretary of state)) for a recount or directive ordering a recount was received by the ((county canvassing)) board from the secretary of state; or the returns are certified which indicate that a recount is required under RCW 29.64.015 for an issue or office voted upon only within the county. The county auditor shall mail a notice of the time and place of the recount to the applicant or affected parties and, if the recount involves an office, to any person for whom votes were cast for that office. The notice shall be

mailed by certified mail not less than two days before the date of the recount. Each person entitled to receive notice of the recount may attend, witness the recount, and be accompanied by counsel.

Proceedings of the canvassing board are public under chapter 42.30 RCW. Subject to reasonable and equitable guidelines adopted by the canvassing board, all interested persons may attend and witness a recount.

Sec. 37. RCW 29.64.030 and 1990 c 59 s 65 are each amended to read as follows:

(1) At the time and place established for a recount, the canvassing board or its duly authorized representatives, in the presence of all witnesses who may be in attendance, shall open the sealed containers containing the ballots to be recounted, and shall recount the votes for the offices or issues for which the recount has been ordered. Ballots shall be handled only by the members of the canvassing board or their duly authorized representatives. Witnesses shall be permitted to observe the ballots and the process of tabulating the votes, but they shall not be permitted to handle the ballots. The canvassing board shall not permit the tabulation of votes for any nomination, election, or issue other than the ones for which a recount was (~~ordered~~) applied for or required.

At the time and place established for a recanvass of the votes cast on voting devices that do not provide an individual record of the choices of each voter, the canvassing board or its duly authorized representatives, in the presence of all witnesses who may be in attendance, shall open the voting devices to be rechecked, and shall verify the votes cast for the offices and issues for which the recount was ordered. Witnesses shall be permitted to watch the recheck of the voting devices. The canvassing board shall not permit the rechecking of votes for any nomination, election, or issue other than the ones for which a recount was (~~ordered~~) applied for or required.

(2) At any time before the ballots from all of the precincts listed in the application for the recount have been recounted, the applicant may file with the board a written request to stop the recount.

If the canvassing board finds that the results of the votes in the precincts recounted, if substituted for the results of the votes in those precincts as shown in the certified abstract of the votes would not change the result for that office or issue, it shall not recount the ballots of the precincts listed in the application for recount which have not been recounted before the request to stop the recount. The canvassing board shall attach a copy of the request to stop the recount to the partial returns of the recount.

The recount may be observed by persons representing the candidates affected by the recount or the persons representing both sides of an issue that is being recounted. The observers may not make a record of the names, addresses, or other information on the ballots, poll books, or applications for absentee ballots unless authorized by the superior court. The secretary of state or county auditor may limit the number of observers to not less than

two on each side if, in his or her opinion, a greater number would cause undue delay or disruption of the recount process.

Sec. 38. RCW 29.64.070 and 1965 c 9 s 29.64.070 are each amended to read as follows:

The secretary of state, as chief election officer, shall ~~((make))~~ adopt rules ~~((and regulations, not inconsistent with this chapter;))~~ in accordance with chapter 34.05 RCW to facilitate and clarify ~~((any))~~ procedures contained ~~((herein))~~ in this chapter.

Sec. 39. RCW 35A.42.040 and 1967 ex.s. c 119 s 35A.42.040 are each amended to read as follows:

In addition to any specific enumeration of duties of city clerks in a code city's charter or ordinances, and without limiting the generality of RCW 35A.21.030 of this title, the clerks of all code cities shall perform the following duties in the manner prescribed, to wit: (1) Certification of city streets as part of the highway system in accordance with the provisions of RCW 47.24.010; (2) ~~((prepare statements of cancellation of registration as required by RCW 29.10.120; (3)))~~ perform the functions of a member of a firemen's pension board as provided by RCW 41.16.020; ~~((4))~~ (3) keep a record of ordinances of the city and provide copies thereof as authorized by RCW 5.44.080; ~~((5))~~ (4) serve as applicable the trustees of any police relief and pension board as authorized by RCW 41.20.010; and ~~((6))~~ (5) serve as secretary-treasurer of volunteer ~~((firemen's))~~ fire fighters' relief and pension boards as provided in RCW 41.24.060.

AN ACT Relating to water and sewer districts; amending RCW 56.08.100, 56.08.140, 57.08.100, and 57.08.120; reenacting and amending RCW 57.08.010; adding a new section to chapter 56.08 RCW; and adding a new section to chapter 57.08 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 56.08.100 and 1981 c 190 s 5 are each amended to read as follows:

A sewer district, by a majority vote of its board of commissioners, may enter into contracts to provide health care services and/or group insurance and/or term life insurance and/or social security insurance for the benefit of its employees and may pay all or any part of the cost thereof. Any two or more sewer districts or one or more sewer districts and one or more water districts, by a majority vote of their respective boards of commissioners, may, if deemed expedient, join in the procuring of such health care services and/or group insurance and/or term life insurance, and the board of commissioners of each participating sewer and/or water district may by appropriate resolution authorize their respective district to pay all or any portion of the cost thereof.

A sewer district with five thousand or more customers providing health, group, or life insurance to its employees may provide its commissioners with the same coverage: PROVIDED, That the per person amounts for such insurance paid by the district shall not exceed the per person amounts paid by the district for its employees.

Sec. 2. RCW 56.08.140 and 1967 c 178 s 3 are each amended to read as follows:

No such lease shall be made unless secured by a bond conditioned on the performance of the terms of the lease, with surety satisfactory to the commissioners, in a penalty of not less than one-sixth of the term of the lease or for one year's rental, whichever is greater; and no such lease shall be made for a term longer than twenty-five years. However, the board of

commissioners may require a reasonable security deposit in lieu of a bond on leased real property owned by the water or sewer district.

NEW SECTION. Sec. 3. A new section is added to chapter 56.08 RCW to read as follows:

A district may operate and maintain a park or recreational facilities on real property that it owns or in which it has an interest that is not immediately necessary for its purposes.

If such park or recreational facilities are operated by a person other than the district, including a corporation, partnership, or other business enterprise, the person shall indemnify and hold harmless the district for any injury or damage caused by the action of the person.

Sec. 4. RCW 57.08.010 and 1989 c 389 s 9 and 1989 c 308 s 2 are each reenacted and amended to read as follows:

(1) (a) A water district may acquire by purchase or condemnation, or both, all property and property rights and all water and water rights, both within and without the district, necessary for its purposes.

(b) A water district may lease real or personal property necessary for its purposes for a term of years for which such leased property may reasonably be needed where in the opinion of the board of water commissioners such property may not be needed permanently or substantial savings to the district can be effected thereby.

(c) The right of eminent domain shall be exercised in the same manner and by the same procedure as provided for cities of the third class, insofar as consistent with the provisions of this title, except that all assessment rolls to be prepared and filed by eminent domain commissioners or commissioners appointed by the court shall be prepared and filed by the water district, and the duties devolving upon the city treasurer are hereby imposed upon the county treasurer.

(d) A water district may construct, condemn and purchase, purchase, add to, maintain, and supply waterworks to furnish the district and inhabitants thereof, and any city or town therein and any other persons, both within and without the district, with an ample supply of water for all uses and purposes public and private with full authority to regulate and control the use, content, distribution, and price thereof in such a manner as is not in conflict with general law and may construct, acquire, or own buildings and other necessary district facilities. Where a customer connected to the district's system uses the water on an intermittent or transient basis, a district may charge for providing water service to such a customer, regardless of the amount of water, if any, used by the customer.

(e) A water district contiguous to Canada may contract with a Canadian corporation for the purchase of water and for the construction, purchase, maintenance, and supply of waterworks to furnish the district and inhabitants thereof and residents of Canada with an ample supply of water under terms approved by the board of commissioners. Such waterworks may

include facilities which result in combined water supply and electric generation, provided that the electricity generated thereby is a byproduct of the water supply system.

(f) Such electricity may be used by the water district or sold to any entity authorized by law to distribute electricity. Such electricity is a byproduct when the electrical generation is subordinate to the primary purpose of water supply.

(g) For such purposes, a water district may take, condemn and purchase, purchase, acquire, and retain water from any public or navigable lake, river, or watercourse, or any underflowing water and, by means of aqueducts or pipe line conduct the same throughout such water district and any city or town therein and carry it along and upon public highways, roads, and streets, within and without such district.

(h) For the purpose of constructing or laying aqueducts or pipe lines, dams, or waterworks or other necessary structures in storing and retaining water or for any other lawful purpose such water district may occupy the beds and shores up to the high water mark of any such lake, river, or other watercourse, and may acquire by purchase or condemnation such property or property rights or privileges as may be necessary to protect its water supply from pollution.

(i) For the purposes of waterworks which include facilities for the generation of electricity as a byproduct, nothing in this section may be construed to authorize a water district to condemn electric generating, transmission, or distribution rights or facilities of entities authorized by law to distribute electricity, or to acquire such rights or facilities without the consent of the owner.

(2) A water district may purchase and take water from any municipal corporation.

(3) A water district may fix rates and charges for water supplied and may charge property owners seeking to connect to the district's water supply system, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the board of commissioners shall determine to be proper in order that such property owners shall bear their equitable share of the cost of such system.

(a) For purposes of calculating a connection charge, the board of commissioners shall determine the pro rata share of the cost of existing facilities and facilities planned for construction within the next ten years and contained in an adopted comprehensive plan and other costs borne by the district which are directly attributable to the improvements required by property owners seeking to connect to the system. The cost of existing facilities shall not include those portions of the system which have been donated or which have been paid for by grants.

(b) The connection charge may include interest charges applied from the date of construction of the water system until the connection, or for a

period not to exceed ten years, whichever is shorter, at a rate commensurate with the rate of interest applicable to the district at the time of construction or major rehabilitation of the water system, or at the time of installation of the water lines to which the property owner is seeking to connect.

(4) (a) A district may permit payment of the cost of connection and the reasonable connection charge to be paid with interest in installments over a period not exceeding fifteen years. The county treasurer may charge and collect a fee of three dollars for each year for the treasurer's services. Such fees shall be a charge to be included as part of each annual installment, and shall be credited to the county current expense fund by the county treasurer.

(b) Revenues from connection charges excluding permit fees are to be considered payments in aid of construction as defined by department of revenue rule.

(5) A district may operate and maintain a park or recreational facilities on real property that it owns or in which it has an interest that is not immediately necessary for its purposes.

(6) If such park or recreational facilities are operated by a person other than the district, including a corporation, partnership, or other business enterprise, the person shall indemnify and hold harmless the district for any injury or damage caused by the action of the person.

Sec. 5. RCW 57.08.100 and 1981 c 190 s 6 are each amended to read as follows:

A water district, by a majority vote of its board of commissioners, may enter into contracts to provide health care services and/or group insurance and/or term life insurance and/or social security insurance for the benefit of its employees and may pay all or any part of the cost thereof. Any two or more water districts or any one or more water districts and one or more sewer districts, by a majority vote of their respective boards of commissioners, may, if deemed expedient, join in the procuring of such health care services and/or group insurance and/or term life insurance, and the board of commissioners of each participating sewer and/or water district may by appropriate resolution authorize their respective district to pay all or any portion of the cost thereof.

A water district with five thousand or more customers providing health, group, or life insurance to its employees may provide its commissioners with the same coverage: PROVIDED, That the per person amounts for such insurance paid by the district shall not exceed the per person amounts paid by the district for its employees.

Sec. 6. RCW 57.08.120 and 1967 ex.s. c 135 s 1 are each amended to read as follows:

A water district may lease out real property which it owns or in which it has an interest and which is not immediately necessary for its purposes

upon such terms as the board of water commissioners deems proper: **PROVIDED**, That no such lease shall be made until the water district has first caused notice thereof to be published twice in a newspaper in general circulation in the water district, the first publication to be at least fifteen days and the second at least seven days prior to the making of such lease, which notice shall describe the property proposed to be leased out, to whom, for what purpose, and the rental to be charged therefor. A hearing shall be held pursuant to the terms of the said notice, at which time any and all persons who may be interested shall have the right to appear and to be heard.

No such lease shall be for a period longer than twenty-five years, and each lease of real property shall be secured by a bond conditioned to perform the terms of such lease with surety satisfactory to the commissioners, in a penalty not less than the rental for one-sixth of the term: **PROVIDED**, That the penalty shall not be less than the rental for one year where the term is one year or more. In a lease, the term of which exceeds five years, and when at the option of the commissioners, it is so stipulated in the lease, the commission shall accept, with surety satisfactory to it, a bond conditioned to perform the terms of the lease for some part of the term, in no event less than five years (unless the remainder of the unexpired term is less than five years, in which case for the full remainder) and in every such case the commissioners shall require of the lessee, another or other like bond to be delivered within two years, and not less than one year prior to the expiration of the period covered by the existing bond, covering an additional part of the term in accordance with the foregoing provisions in respect to the original bond, and so on until the end of the term so that there will always be in force a bond securing the performance of the lease, and the penalty in each bond shall be not less than the rental for one-half the period covered thereby, but no bond shall be construed to secure the furnishing of any other bond. However, the board of commissioners may require a reasonable security deposit in lieu of a bond on leased real property owned by a water district.

The commissioners may accept as surety on any bond required by this section, either an approved surety company or one or more persons satisfactory to the commissioners, or in lieu of such bond may accept a deposit as security of such property or collateral or the giving of such other form of security as may be satisfactory to the commissioners.

NEW SECTION. Sec. 7. A new section is added to chapter 57.08 RCW to read as follows:

A water district may adopt a water conservation plan and emergency water use restrictions. The district may enforce a water conservation plan and emergency water use restrictions by imposing a fine as provided by resolution for failure to comply with any such plan or restrictions. The commissioners may provide by resolution that if a fine for failure to comply with

the water conservation plan or emergency water use restrictions is delinquent for a specified period of time, the district shall certify the delinquency to the treasurer of the county in which the real property is located and serve notice of the delinquency on the subscribing water customer who fails to comply, and the fine is then a separate item for inclusion on the bill of the party failing to comply with the water conservation plan or emergency water use restrictions.

SCOLIOSIS SCREENING—REVISED PROVISIONS

Effective Date: 7/28/91

AN ACT Relating to the screening program for scoliosis; amending RCW 28A.210.180, 28A.210.190, and 28A.210.200; and repealing RCW 28A.210.230.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 28A.210.180 and 1990 c 33 s 201 are each amended to read as follows:

The legislature recognizes that the condition known as scoliosis, a lateral curvature of the spine commonly appearing in adolescents, can develop into a permanent, crippling disability if left untreated. Early diagnosis and referral can often result in the successful treatment of this condition and greatly reduce the need for major surgery. Therefore, the purpose of RCW 28A.210.180 through 28A.210.250 is to recognize that a school screening program is an invaluable tool for detecting the number of adolescents with scoliosis. It is the intent of the legislature to insure that the superintendent of public instruction provide and require screening of children for the condition known as scoliosis (~~of all children in the highest risk age group, grades 5 through 10~~), to ascertain which, if any, of these children have defects requiring corrective treatment.

Sec. 2. RCW 28A.210.190 and 1990 c 33 s 202 are each amended to read as follows:

As used in RCW 28A.210.180 through 28A.210.250, the following terms have the meanings indicated.

(1) "Superintendent" means the superintendent of public instruction of public schools in the state, or the superintendent's designee.

(2) "Pupil" means a student enrolled in the public school system in the state.

(3) "Scoliosis" includes idiopathic scoliosis and kyphosis.

(4) "Screening" means an examination to be performed (~~on all pupils in grades 5 through 10~~) for the purpose of detecting the condition known as scoliosis (~~(, except as provided in RCW 28A.210.230)~~).

(5) "Public schools" means the common schools referred to in Article IX of the state Constitution and those schools and institutions of learning having a curriculum below the college or university level as now or may be established by law and maintained at public expense.

Sec. 3. RCW 28A.210.200 and 1990 c 33 s 203 are each amended to read as follows:

The superintendent shall provide for and require the ((yearly)) examination of ((all)) children attending public schools ((in grades 5 through 10;

~~except as provided in RCW 28A.210.230;))~~ at least three times between grades four and eleven in accordance with procedures and standards adopted by rule of the state board of health in cooperation with the superintendent of public instruction and the department of health. The examination shall be made by a school physician, school nurse, qualified licensed health practitioner, or physical education instructor or by other school personnel. Proper training of the personnel in the screening process for scoliosis shall be provided by the superintendent.

NEW SECTION, Sec. 4. RCW 28A.210.230 and 1990 c 33 s 206 & 1985 c 216 s 6 are each repealed.

Passed the House March 12, 1991.

[Senate Bill 5684]

PHARMACIES—LICENSING OF NONRESIDENT PHARMACIES

Effective Date: 10/1/91

AN ACT Relating to licensing nonresident pharmacies; amending RCW 42.17.310; adding new sections to chapter 18.64 RCW; adding a new section to chapter 48.20 RCW; adding a new section to chapter 48.21 RCW; adding a new section to chapter 48.44 RCW; adding a new section to chapter 48.46 RCW; prescribing penalties; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION, Sec. 1. (1) The legislature finds and declares that the practice of pharmacy is a dynamic, patient-oriented health service that applies a scientific body of knowledge to improve and promote patient health by means of appropriate drug use and drug-related therapy.

(2) The legislature recognizes that with the proliferation of alternate methods of health delivery, there has arisen among third-party payors and insurance companies the desire to control the cost and utilization of pharmacy services through a variety of mechanisms, including the use of mail-order pharmacies located outside the state of Washington.

(3) As a result, the legislature finds and declares that to continue to protect the Washington consumer-patient, all out-of-state pharmacies that provide services to Washington residents shall be licensed by the department of health, disclose specific information about their services, and provide pharmacy services at a high level of protection and competence.

NEW SECTION, Sec. 2. (1) For the purposes of this chapter any pharmacy located outside this state that ships, mails, or delivers, in any manner, except when delivered in person to an individual, controlled substances, legend drugs, or devices into this state is a nonresident pharmacy,

and shall be licensed by the department of health, and shall disclose to the department the following:

(a) The location, names, and titles of all owners including corporate officers and all pharmacists employed by the pharmacy who are dispensing controlled substances, legend drugs, or devices to residents of this state. A report containing this information shall be made on an annual basis and within ninety days after a change of location, corporate officer, or pharmacist;

(b) Proof of compliance with all lawful directions and requests for information from the regulatory or licensing agency of the state in which it is licensed as well as with all requests for information made by the department of health under this section. The nonresident pharmacy shall maintain, at all times, a valid unexpired license, permit, or registration to operate the pharmacy in compliance with the laws of the state in which it is located. As a prerequisite to be licensed by the department of health, the nonresident pharmacy shall submit a copy of the most recent inspection report issued by the regulatory licensing agency of the state in which it is located;

(c) Proof that it maintains its records of controlled substances, legend drugs, or devices dispensed to patients in this state so that the records are readily retrievable from the records of other drugs dispensed.

(2) Any pharmacy subject to this section shall, during its regular hours of operation, provide a toll-free telephone service to facilitate communication between patients in this state and a pharmacist at the pharmacy who has access to the patient's records. This toll-free number shall be disclosed on the label affixed to each container of drugs dispensed to patients in this state.

(3) A pharmacy subject to this section shall comply with board rules regarding the maintenance and use of patient medication record systems.

(4) A pharmacy subject to this section shall comply with board of pharmacy rules regarding the provision of drug information to the patient. Drug information may be contained in written form setting forth directions for use and any additional information necessary to assure the proper utilization of the medication prescribed.

(5) A pharmacy subject to this section shall not dispense medication in a quantity greater than authorized by the prescriber.

(6) The license fee specified by the secretary, in accordance with the provisions of RCW 43.70.250, shall not exceed the fee charged to a pharmacy located in this state.

(7) The license requirements of this section apply to nonresident pharmacies that ship, mail, or deliver controlled substances, legend drugs, and devices into this state only under a prescription. The board of pharmacy may grant an exemption from licensing under this section upon application by an out-of-state pharmacy that restricts its dispensing activity in Washington to isolated transactions.

(8) Each nonresident pharmacy that ships, mails, or delivers legend drugs or devices into this state shall designate a resident agent in Washington for service of process. The designation of such an agent does not indicate that the nonresident pharmacy is a resident of Washington for tax purposes.

NEW SECTION. Sec. 3. (1) A nonresident pharmacy that has not obtained a license from the department of health shall not conduct the business of selling or distributing drugs in this state.

(2) Applications for a nonresident pharmacy license under sections 1 through 6 of this act shall be made on a form furnished by the department. The department may require such information as it deems is reasonably necessary to carry out the purpose of sections 1 through 6 of this act.

(3) The nonresident pharmacy license shall be renewed annually on a date to be established by the department by rule. In the event the license fee remains unpaid, no renewal or new license shall be issued except upon payment of the license renewal fee and a penalty fee equal to the original license fee.

NEW SECTION. Sec. 4. A nonresident pharmacy shall:

(1) Submit to the department, upon request, information acceptable to the secretary concerning controlled substances shipped, mailed, or delivered to a Washington resident.

(2) Submit to on-site inspection by the department of the nonresident pharmacy's prescription records if the information in subsection (1) of this section is not provided to the department upon request.

NEW SECTION. Sec. 5. (1) The board may deny, revoke, or suspend a nonresident pharmacy license or impose a fine not to exceed one thousand dollars per violation for failure to comply with any requirement of sections 1 through 6 of this act.

(2) The board may deny, revoke, or suspend a nonresident pharmacy license or impose a fine not to exceed one thousand dollars per violation for conduct that causes serious bodily or psychological injury to a resident of this state if the secretary has referred the matter to the regulatory or licensing agency in the state in which the pharmacy is located and that regulatory or licensing agency fails to initiate an investigation within forty-five days of the referral under this subsection or fails to make a determination on the referral.

NEW SECTION. Sec. 6. For the purposes of this chapter, a nonresident pharmacy is defined as any pharmacy located outside this state that ships, mails, or delivers, in any manner, except when delivered in person to an individual, controlled substances, legend drugs, or devices into this state. It is unlawful for:

For purpose of service of process, the secretary of state shall serve as agent for each person who submits a request under this subsection. A request shall be of no force or effect if the requester does not include a statement, along with or part of the request, designating the secretary of state as agent of the requester for purposes of service of process.

(2) Except for information described in subsection (1)(c)(i) of this section and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this section are inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(4) Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

Effective Date: 7/28/91

AN ACT Relating to industrial insurance payments; amending RCW 51.32.240, 51.32-.050, 51.12.100, and 51.16.110; and repealing RCW 51.16.115.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 51.32.240 and 1986 c 54 s 1 are each amended to read as follows:

(1) Whenever any payment of benefits under this title is made because of clerical error, mistake of identity, innocent misrepresentation by or on behalf of the recipient thereof mistakenly acted upon, or any other circumstance of a similar nature, all not induced by fraud, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The department or self-insurer, as the case may be, must make claim for such repayment or recoupment within one year of the making of any such payment or it will be deemed any claim therefor has been waived. The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his discretion to waive, in whole or in part, the amount of any such timely claim where the recovery would be against equity and good conscience.

(2) Whenever the department issues an order rejecting a claim for benefits paid pursuant to RCW 51.32.190 or 51.32.210, after payment for temporary disability benefits has been paid by a self-insurer pursuant to RCW 51.32.190(3) or by the department pursuant to RCW 51.32.210, the recipient thereof shall repay such benefits and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The director, under rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience.

(3) Whenever any payment of benefits under this title has been made pursuant to an adjudication by the department or by order of the board or any court and timely appeal therefrom has been made where the final decision is that any such payment was made pursuant to an erroneous adjudication, the recipient thereof shall repay it and recoupment may be made from any future payments due to the recipient on any claim with the state fund or self-insurer, as the case may be. The director, pursuant to rules adopted in accordance with the procedures provided in the administrative procedure act, chapter 34.05 RCW, may exercise his discretion to waive, in whole or in part, the amount of any such payments where the recovery would be against equity and good conscience.

(4) Whenever any payment of benefits under this title has been induced by fraud the recipient thereof shall repay any such payment together with a penalty of fifty percent of the total of any such payments and the amount of such total sum may be recouped from any future payments due to the recipient on any claim with the state fund or self-insurer against whom the fraud was committed, as the case may be, and the amount of

such penalty shall be placed in the supplemental pension fund. Such repayment or recoupment must be demanded or ordered within one year of the discovery of the fraud.

(5) The worker, beneficiary, or other person affected thereby shall have the right to contest an order assessing an overpayment pursuant to this section in the same manner and to the same extent as provided under RCW 51.52.050 and 51.52.060. In the event such an order becomes final under chapter 51.52 RCW and notwithstanding the provisions of subsections (1) through (4) of this section, the director, director's designee, or self-insurer may file with the clerk in any county within the state a warrant in the amount of the sum representing the unpaid overpayment and/or penalty plus interest accruing from the date the order became final. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for such warrant and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the worker, beneficiary, or other person mentioned in the warrant, the amount of the unpaid overpayment and/or penalty plus interest accrued, and the date the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to and interest in all real and personal property of the worker, beneficiary, or other person against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of such clerk. The sheriff shall then proceed in the same manner and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in the superior court. Such warrant so docketed shall be sufficient to support the issuance of writs of garnishment in favor of the department or self-insurer in the manner provided by law in the case of judgment, wholly or partially unsatisfied. The clerk of the court shall be entitled to a filing fee of five dollars, which shall be added to the amount of the warrant. A copy of such warrant shall be mailed to the worker, beneficiary, or other person within three days of filing with the clerk.

The director, director's designee, or self-insurer may issue to any person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, a notice to withhold and deliver property of any kind if there is reason to believe that there is in the possession of such person, firm, corporation, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is due, owing, or belonging to any worker, beneficiary, or other person upon whom a warrant has been served for payments due the department or self-insurer. The notice and order to withhold and deliver shall be served by certified mail accompanied by an affidavit of service by mailing or served by the sheriff of the county, or by the sheriff's deputy, or by any authorized representative of the director, director's designee, or self-insurer. Any person, firm, corporation, municipal corporation, political subdivision of the

state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired or in the notice and order to withhold and deliver. In the event there is in the possession of the party named and served with such notice and order, any property that may be subject to the claim of the department or self-insurer, such property shall be delivered forthwith to the director, the director's authorized representative, or self-insurer upon demand. If the party served and named in the notice and order fails to answer the notice and order within the time prescribed in this section, the court may, after the time to answer such order has expired, render judgment by default against the party named in the notice for the full amount, plus costs, claimed by the director, director's designee, or self-insurer in the notice. In the event that a notice to withhold and deliver is served upon an employer and the property found to be subject thereto is wages, the employer may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner may be entitled.

This subsection shall only apply to orders assessing an overpayment which are issued on or after the effective date of this act: PROVIDED, That this subsection shall apply retroactively to all orders assessing an overpayment resulting from fraud, civil or criminal.

(6) Orders assessing an overpayment which are issued on or after the effective date of this act shall include a conspicuous notice of the collection methods available to the department or self-insurer.

Sec. 2. RCW 51.32.050 and 1988 c 161 s 2 are each amended to read as follows:

(1) Where death results from the injury the expenses of burial not to exceed two thousand dollars shall be paid.

(2) (a) Where death results from the injury, a surviving spouse of a deceased worker eligible for benefits under this title shall receive monthly for life or until remarriage payments according to the following schedule:

(i) If there are no children of the deceased worker, sixty percent of the wages of the deceased worker but not less than one hundred eighty-five dollars;

(ii) If there is one child of the deceased worker and in the legal custody of such spouse, sixty-two percent of the wages of the deceased worker but not less than two hundred twenty-two dollars;

(iii) If there are two children of the deceased worker and in the legal custody of such spouse, sixty-four percent of the wages of the deceased worker but not less than two hundred fifty-three dollars;

(iv) If there are three children of the deceased worker and in the legal custody of such spouse, sixty-six percent of the wages of the deceased worker but not less than two hundred seventy-six dollars;

(v) If there are four children of the deceased worker and in the legal custody of such spouse, sixty-eight percent of the wages of the deceased worker but not less than two hundred ninety-nine dollars; or

(vi) If there are five or more children of the deceased worker and in the legal custody of such spouse, seventy percent of the wages of the deceased worker but not less than three hundred twenty-two dollars.

(b) Where the surviving spouse does not have legal custody of any child or children of the deceased worker or where after the death of the worker legal custody of such child or children passes from such surviving spouse to another, any payment on account of such child or children not in the legal custody of the surviving spouse shall be made to the person or persons having legal custody of such child or children. The amount of such payments shall be five percent of the monthly benefits payable as a result of the worker's death for each such child but such payments shall not exceed twenty-five percent. Such payments on account of such child or children shall be subtracted from the amount to which such surviving spouse would have been entitled had such surviving spouse had legal custody of all of the children and the surviving spouse shall receive the remainder after such payments on account of such child or children have been subtracted. Such payments on account of a child or children not in the legal custody of such surviving spouse shall be apportioned equally among such children.

(c) Payments to the surviving spouse of the deceased worker shall cease at the end of the month in which remarriage occurs: PROVIDED, That a monthly payment shall be made to the child or children of the deceased worker from the month following such remarriage in a sum equal to five percent of the wages of the deceased worker for one child and a sum equal to five percent for each additional child up to a maximum of five such children. Payments to such child or children shall be apportioned equally among such children. Such sum shall be in place of any payments theretofore made for the benefit of or on account of any such child or children. If the surviving spouse does not have legal custody of any child or children of the deceased worker, or if after the death of the worker, legal custody of such child or children passes from such surviving spouse to another, any payment on account of such child or children not in the legal custody of the surviving spouse shall be made to the person or persons having legal custody of such child or children.

(d) In no event shall the monthly payments provided in subsection (2) of this section exceed one hundred percent of the average monthly wage in the state as computed under RCW 51.08.018.

(e) In addition to the monthly payments provided for in (2)(a) through (2)(c) of this section, a surviving spouse or child or children of such worker if there is no surviving spouse, or dependent parent or parents, if there is no surviving spouse or child or children of any such deceased worker shall be

forthwith paid the sum of one thousand six hundred dollars, any such children, or parents to share and share alike in said sum.

(f) Upon remarriage of a surviving spouse the monthly payments for the child or children shall continue as provided in this section, but the monthly payments to such surviving spouse shall cease at the end of the month during which remarriage occurs. However, after September 8, 1975, an otherwise eligible surviving spouse of a worker who died at any time prior to or after September 8, 1975, shall have an option of:

(i) Receiving, once and for all, a lump sum of ~~((seventy-five hundred dollars))~~ twenty-four times the monthly compensation rate in effect on the date of remarriage allocable to the spouse for himself or herself pursuant to (2)(a)(i) of this section and subject to any modifications specified under (2)(d) of this section and RCW 51.32.075(3) or fifty percent of the then remaining annuity value of his or her pension, whichever is the lesser: PROVIDED, That if the injury occurred prior to ((July 1, 1971)) the effective date of this section, the remarriage benefit lump sum available shall be as provided in the remarriage benefit schedules then in effect; or

(ii) If a surviving spouse does not choose the option specified in (2)(f)(i) of this section to accept the lump sum payment, the remarriage of the surviving spouse of a worker shall not bar him or her from claiming the lump sum payment authorized in (2)(f)(i) of this section during the life of the remarriage, or shall not prevent subsequent monthly payments to him or to her if the remarriage has been terminated by death or has been dissolved or annulled by valid court decree provided he or she has not previously accepted the lump sum payment.

(g) If the surviving spouse during the remarriage should die without having previously received the lump sum payment provided in (2)(f)(i) of this section, his or her estate shall be entitled to receive the sum ~~((of seventy-five hundred dollars))~~ specified under subsection (2)(f)(i) of this section or fifty percent of the then remaining annuity value of his or her pension whichever is the lesser.

(h) The effective date of resumption of payments under (2)(f)(ii) of this section to a surviving spouse based upon termination of a remarriage by death, annulment, or dissolution shall be the date of the death or the date the judicial decree of annulment or dissolution becomes final and when application for the payments has been received.

(i) If it should be necessary to increase the reserves in the reserve fund or to create a new pension reserve fund as a result of the amendments in chapter 45, Laws of 1975-'76 2nd ex. sess., the amount of such increase in pension reserve in any such case shall be transferred to the reserve fund from the supplemental pension fund.

(3) If there is a child or children and no surviving spouse of the deceased worker or the surviving spouse is not eligible for benefits under this title, a sum equal to thirty-five percent of the wages of the deceased worker

shall be paid monthly for one child and a sum equivalent to fifteen percent of such wage shall be paid monthly for each additional child, the total of such sum to be divided among such children, share and share alike: **PROVIDED**, That benefits under this subsection or subsection (4) shall not exceed sixty-five percent of the wages of the deceased worker at the time of his or her death or one hundred percent of the average monthly wage in the state as defined in RCW 51.08.018, whichever is the lesser of the two sums.

(4) In the event a surviving spouse receiving monthly payments dies, the child or children of the deceased worker shall receive the same payment as provided in subsection (3) of this section.

(5) If the worker leaves no surviving spouse or child, but leaves a dependent or dependents, a monthly payment shall be made to each dependent equal to fifty percent of the average monthly support actually received by such dependent from the worker during the twelve months next preceding the occurrence of the injury, but the total payment to all dependents in any case shall not exceed sixty-five percent of the wages of the deceased worker at the time of the death or one hundred percent of the average monthly wage in the state as defined in RCW 51.08.018, whichever is the lesser of the two sums. If any dependent is under the age of eighteen years at the time of the occurrence of the injury, the payment to such dependent shall cease when such dependent reaches the age of eighteen years except such payments shall continue until the dependent reaches age twenty-three while permanently enrolled at a full time course in an accredited school. The payment to any dependent shall cease if and when, under the same circumstances, the necessity creating the dependency would have ceased if the injury had not happened.

(6) For claims filed prior to July 1, 1986, if the injured worker dies during the period of permanent total disability, whatever the cause of death, leaving a surviving spouse, or child, or children, the surviving spouse or child or children shall receive benefits as if death resulted from the injury as provided in subsections (2) through (4) of this section. Upon remarriage or death of such surviving spouse, the payments to such child or children shall be made as provided in subsection (2) of this section when the surviving spouse of a deceased worker remarries.

(7) For claims filed on or after July 1, 1986, every worker who becomes eligible for permanent total disability benefits shall elect an option as provided in RCW 51.32.067.

Sec. 3. RCW 51.12.100 and 1988 c 271 s 2 are each amended to read as follows:

(1) The provisions of this title shall not apply to a master or member of a crew of any vessel, or to employers and workers for whom a right or obligation exists under the maritime laws or federal employees' compensation act for personal injuries or death of such workers.

(2) If an accurate segregation of payrolls of workers for whom such a right or obligation exists under the maritime laws cannot be made by the employer, the director is hereby authorized and directed to fix from time to time a basis for the approximate segregation of the payrolls of employees to cover the part of their work for which no right or obligation exists under the maritime laws for injuries or death occurring in such work, and the employer, if not a self-insurer, shall pay premiums on that basis for the time such workers are engaged in their work.

(3) Where two or more employers are simultaneously engaged in a common enterprise at one and the same site or place in maritime occupations under circumstances in which no right or obligation exists under the maritime laws for personal injuries or death of such workers, such site or place shall be deemed for the purposes of this title to be the common plant of such employers.

(4) In the event payments are made under this title prior to the final determination under the maritime laws or federal employees' compensation act, such benefits shall be repaid by the worker or beneficiary if recovery is subsequently made under the maritime laws or federal employees' compensation act.

Sec. 4. RCW 51.16.110 and 1977 ex.s. c 323 s 12 are each amended to read as follows:

Every employer who shall enter into any business, or who shall resume operations in any work or plant after the final adjustment of his or her payroll in connection therewith, or who was formerly a self-insurer and wishes to continue his or her operations subject to this title, shall, before so commencing or resuming or continuing operations, as the case may be, notify the department of such fact (~~(, accompanying such notification with a cash deposit in a sum equal to the estimated premiums for the first three full calendar months of his or her proposed operations which shall remain on deposit subject to the other provisions of this section:~~

~~The department may, in its discretion and in lieu of such deposit, accept a bond, in an amount which it deems sufficient, to secure payment of premiums due or to become due to the accident fund and medical aid fund. ~~Should the employer acquire sufficient assets to assure the payment of premiums due to the accident fund and the medical aid fund the department may, in its discretion, refund the deposit or cancel the bond.~~

~~If the employer ceases to be an employer under this title, the department shall, upon receipt of all payments due the accident fund and medical aid fund, or any other fund under this title, refund to the employer all deposits remaining to the employer's credit and shall cancel any bond given under this section:))~~

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 49.17.210 and 1973 c 80 s 21 are each amended to read as follows:

The director, in his or her discretion, is authorized to grant a variance from any rule or regulation or portion thereof, whenever he or she determines that such variance is necessary to permit an employer to participate in an experiment approved by the director, ~~((which))~~ and the experiment is designed to demonstrate or validate new and improved techniques to safeguard the health or safety of employees. Any such variance shall require that all due regard be given to the health and safety of all employees participating in any experiment.

Sec. 2. RCW 49.17.250 and 1973 c 80 s 25 are each amended to read as follows:

Such consultation and advice shall be limited to the matters specified in the request affecting the interpretation and applicability

of safety and health standards to the conditions, structures, machines, equipment, apparatus, devices, materials, methods, means, and practices in the employer's work place. (2) The director, or ~~((his))~~ an authorized representative, ~~((may))~~ will make recommendations regarding the elimination of any hazards disclosed within the scope of the on-site consultation. No visit to an employer's work place shall be regarded as an inspection or investigation under the authority of this chapter, and no notices or citations shall be issued, nor, shall any civil penalties be assessed upon such visit, nor shall any authorized representative of the director designated to render advice and consult with employers under the voluntary compliance program have any enforcement authority: PROVIDED, That in the event an on-site visit discloses a serious violation of a health and safety standard as defined in RCW 49.17.180(6), and the hazard of such violation is either not abated by the cooperative action of the employer, or, is not subject to being satisfactorily abated by the cooperative action of the employer, the director shall either invoke the administrative restraining authority provided in RCW 49.17.130 or seek the issuance of injunctive process under the authority of RCW 49.17.170 or invoke both such remedies.

(3) Nothing in this section shall be construed as providing immunity to any employer who has made application for consultative services during the pendency of the granting of such application from inspections or investigations conducted under RCW 49.17.070 or any inspection conducted as a result of a complaint, nor immunity from inspections under RCW 49.17.070 or inspections resulting from a complaint subsequent to the conclusion of the consultative period. This section shall not be construed as requiring an inspection under RCW 49.17.070 of any work place which has been visited for consultative purposes. However, in the event of a subsequent inspection, the director, or ~~((his))~~ an authorized representative, may in his or her discretion take into consideration any information obtained during the consultation visit of that work place in determining the nature of an alleged violation and the amount of penalties to be assessed, if any. Such rules and regulations to be promulgated pursuant to this section shall provide that in all instances of serious violations as defined in RCW 49.17.180(6) which are disclosed in any consultative period, shall be corrected within a specified period of time at the expiration of which an inspection will be conducted under the authority of RCW 49.17.070. All employers requesting consultative services shall be advised of the provisions of this section and the rules adopted by the director relating to the voluntary compliance program. Information obtained by the department as a result of employer-requested consultation and training services shall be deemed confidential and shall not be open to public inspection. Within thirty days of receipt, the employer

shall make voluntary services reports available to employees or their collective bargaining representatives for review. Employers may satisfy the availability requirement by requesting a copy of the reports from the department. The director may provide by rule for the frequency, manner, and method of the rendering of consultative services to employers, and for the scheduling and priorities in granting applications consistent with the availability of personnel, and in such a manner as not to jeopardize the enforcement requirements of this chapter.

Sec. 3. RCW 51.36.060 and 1989 c 12 s 17 are each amended to read as follows:

AN ACT Relating to school and educational service districts' employee attendance incentive programs; and amending RCW 28A.310.490 and 28A.400.210.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 28A.310.490 and 1989 c 69 s 1 are each amended to read as follows:

Every educational service district board of directors shall establish an attendance incentive program for all certificated and noncertificated employees in the following manner.

Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four days for every one day's monetary compensation. No employee may receive compensation under this section for any portion of leave for illness or injury accumulated at a rate in excess of one day per month.

(2) At the time of separation from educational service district employment due to retirement or death an eligible employee or the employee's estate shall receive remuneration at a rate equal to one day's current monetary compensation of the employee for each four full days accrued leave for illness or injury ~~((or, in lieu of monetary compensation and with equivalent funds, a school district board of directors may provide eligible employees postretirement medical benefits))~~.

(3) In lieu of remuneration for unused leave for illness or injury as provided for in subsections (1) and (2) of this section, an educational service district board of directors may, with equivalent funds, provide eligible employees a benefit plan that provides reimbursement for medical expenses. Any benefit plan adopted after the effective date of this act shall require, as a condition of participation under the plan, that the employee sign an agreement with the district to hold the district harmless should the United States government find that the district or the employee is in debt to the United States as a result of the employee not paying income taxes due on the equivalent funds placed into the plan, or as a result of the district not withholding or deducting any tax, assessment, or other payment on such funds as required under federal law.

Moneys or ~~((postretirement medical))~~ benefits received under this section shall not be included for the purposes of computing a retirement allowance under any public retirement system in this state.

The superintendent of public instruction in its administration hereof, shall promulgate uniform rules and regulations to carry out the purposes of this section.

Should the legislature revoke any benefits granted under this section, no affected employee shall be entitled thereafter to receive such benefits as a matter of contractual right.

CHAPTER 93

[Eng.ossed Substitute Senate Bill 5363]

CRIMINAL OFFENDERS—PAYMENT OF LEGAL FINANCIAL OBLIGATIONS— REVISED PROVISIONS

Effective Date: 5/9/91

AN ACT Relating to legal financial obligations; amending RCW 9.94A.145; adding new sections to chapter 9.94A RCW; creating new sections; prescribing penalties; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. "EARNINGS," "DISPOSABLE EARNINGS," AND "OBLIGEE" DEFINED. As used in this chapter, the term "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, hours, or otherwise, and notwithstanding any other provision of law making such payments exempt from garnishment, attachment, or other process to satisfy court-ordered legal financial obligations, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type. Earnings shall specifically include all gain derived from capital, from labor, or from both, not including profit gained through sale or conversion of capital assets. The term "disposable earnings" means that part of the earnings of any individual remaining after the deduction from those earnings of any amount required by law to be withheld. The term "obligee" means the department, party, or entity to whom the legal financial obligation is owed, or the department, party, or entity to whom the right to receive or collect support has been assigned.

Sec. 2. RCW 9.94A.145 and 1989 c 252 s 3 are each amended to read as follows:

(1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs~~((+))~~, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court

fails to set the offender monthly payment amount, the department shall set the amount. Upon receipt of an offender's monthly payment, after restitution is satisfied, the county clerk shall distribute the payment proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court.

(2) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration at a rate of fifty dollars per day of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision shall take precedence over the payment of the cost of incarceration ordered by the court. All funds recovered from offenders for the cost of incarceration in the county jail shall be remitted to the county and the costs of incarceration in a prison shall be remitted to the department of corrections.

(3) The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be immediately issued. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a monthly legal financial obligation payment is past due, the department may serve a notice on the offender stating such requirements and authorizations. Service shall be by personal service or any form of mail requiring a return receipt.

(4) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. These obligations may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period is longer. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation.

~~((3))~~ (5) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past,

and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

~~((4))~~ (6) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

~~((5))~~ (7) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

~~((6))~~ (8) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purposes of disbursements. The department is authorized to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

~~((7))~~ (9) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.2001.

~~((8))~~ (10) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition ~~((and term of community supervision))~~ or requirement of a sentence and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

~~((9))~~ (11) The county clerk shall provide the department with individualized monthly billings for each offender with an unsatisfied legal financial obligation and shall provide the department with ~~((written))~~ notice of payments by such offenders no less frequently than weekly.

NEW SECTION. Sec. 3. LEGAL FINANCIAL OBLIGATION—NOTICE OF PAYROLL DEDUCTION—ISSUANCE AND CONTENT. (1) The department may issue a notice of payroll deduction in a criminal action if:

(a) The court at sentencing orders its immediate issuance; or
 (b) The offender is more than thirty days past due in monthly payments in an amount equal to or greater than the amount payable for one month, provided:

(i) The judgment and sentence or subsequent order to pay contains a statement that a notice of payroll deduction may be issued without further notice to the offender; or

(ii) The department has served a notice on the offender stating such requirements and authorization. Service of such notice shall be made by personal service or any form of mail requiring a return receipt.

(2) The notice of payroll deduction is to be in writing and include:

(a) The name, social security number, and identifying court case number of the offender/employee;

(b) The amount to be deducted from the offender/employee's disposable earnings each month, or alternative amounts and frequencies as may be necessary to facilitate processing of the payroll deduction by the employer;

(c) A statement that the total amount withheld on all payroll deduction notices for payment of court-ordered legal financial obligations combined shall not exceed twenty-five percent of the offender/employee's disposable earnings; and

(d) The address to which the payments are to be mailed or delivered.

(3) An informational copy of the notice of payroll deduction shall be mailed to the offender's last known address by regular mail or shall be personally served.

(4) Neither the department nor any agents of the department shall be held liable for actions taken under RCW 9.94A.145 and sections 1 and 3 through 11 of this act.

NEW SECTION. Sec. 4. LEGAL FINANCIAL OBLIGATIONS—NOTICE OF PAYROLL DEDUCTION—AMOUNTS TO BE WITHHELD. (1) The total amount to be withheld from the offender/employee's earnings each month, or from each earnings disbursement, shall not exceed twenty-five percent of the disposable earnings of the offender.

(2) If the offender is subject to two or more notices of payroll deduction for payment of a court-ordered legal financial obligation from different obligees, the employer or entity shall, if the nonexempt portion of the offender's earnings is not sufficient to respond fully to all notices of payroll deduction, apportion the offender's nonexempt disposable earnings between or among the various obligees equally.

NEW SECTION. Sec. 5. LEGAL FINANCIAL OBLIGATIONS—NOTICE OF PAYROLL DEDUCTION—EMPLOYER OR ENTITY RESPONSIBILITIES. (1) An employer or entity upon whom a notice of payroll deduction is served, shall make an answer to the department within twenty days after the date of service. The answer shall confirm compliance and institution of the payroll deduction or explain the circumstances if no

payroll deduction is in effect. The answer shall also state whether the offender is employed by or receives earnings from the employer or entity, whether the employer or entity anticipates paying earnings, and the amount of earnings. If the offender is no longer employed, or receiving earnings from the employer or entity, the answer shall state the present employer or entity's name and address, if known.

(2) Service of a notice of payroll deduction upon an employer or entity requires an employer or entity to immediately make a mandatory payroll deduction from the offender/employee's unpaid disposable earnings. The employer or entity shall thereafter at each pay period deduct the amount stated in the notice divided by the number of pay periods per month. The employer or entity must remit the proper amounts to the appropriate clerk of the court on each date the offender/employee is due to be paid.

(3) The employer or entity may combine amounts withheld from the earnings of more than one employee in a single payment to the clerk of the court, listing separately the amount of the payment that is attributable to each individual employee.

(4) The employer or entity may deduct a processing fee from the remainder of the employee's earnings after withholding under the notice of payroll deduction, even if the remainder is exempt under section 11 of this act. The processing fee may not exceed:

(a) Ten dollars for the first disbursement made by the employer to the clerk of the court; and

(b) One dollar for each subsequent disbursement made under the notice of payroll deduction.

(5) The notice of payroll deduction shall remain in effect until released by the department or the court enters an order terminating the notice.

(6) An employer shall be liable to the obligee for the amount of court-ordered legal financial obligation moneys that should have been withheld from the offender/employee's earnings, if the employer:

(a) Fails or refuses, after being served with a notice of payroll deduction, to deduct and promptly remit from unpaid earnings the amounts of money required in the notice; or

(b) Fails or refuses to submit an answer to the notice of payroll deduction after being served. In such cases, liability may be established in superior court. Awards in superior court shall include costs, interest under RCW 19.52.020 and 4.56.110, reasonable attorney fees, and staff costs as part of the award.

(7) No employer who complies with a notice of payroll deduction under this chapter may be liable to the employee for wrongful withholding.

(8) No employer may discipline or discharge an employee or refuse to hire a person by reason of an action authorized in this chapter. If an employer disciplines or discharges an employee or refuses to hire a person in violation of this section, the employee or person shall have a cause of action

against the employer. The employer shall be liable for double the amount of lost wages and any other damages suffered as a result of the violation and for costs and reasonable attorney fees, and shall be subject to a civil penalty of not more than two thousand five hundred dollars for each violation. The employer may also be ordered to hire, rehire, or reinstate the aggrieved individual.

NEW SECTION. Sec. 6. MOTION TO QUASH, MODIFY, OR TERMINATE PAYROLL DEDUCTION—GROUNDS FOR RELIEF.

(1) The offender subject to a payroll deduction under this chapter, may file a motion in superior court to quash, modify, or terminate the payroll deduction. The court may grant relief if:

(a) It is demonstrated that the payroll deduction causes extreme hardship or substantial injustice; or

(b) In cases where the court did not immediately order the issuance of a notice of payroll deduction at sentencing, that a court-ordered legal financial obligation payment was not more than thirty days past due in an amount equal to or greater than the amount payable for one month.

(2) Satisfaction by the offender of all past-due payments subsequent to the issuance of the notice of payroll deduction is not grounds to quash, modify, or terminate the notice of payroll deduction. If a notice of payroll deduction has been in operation for twelve consecutive months and the offender's payment towards a court-ordered legal financial obligation is current, upon motion of the offender, the court may order the department to terminate the payroll deduction, unless the department can show good cause as to why the notice of payroll deduction should remain in effect.

NEW SECTION. Sec. 7. LEGAL FINANCIAL OBLIGATIONS—ORDER TO WITHHOLD AND DELIVER—ISSUE AND CONTENTS.

(1) The department may issue to any person or entity an order to withhold and deliver property of any kind, including but not restricted to, earnings that are due, owing, or belonging to the offender, if the department has reason to believe that there is in the possession of such person or entity, property that is due, owing, or belonging to the offender. Such order to withhold and deliver may be issued when a court-ordered legal financial obligation payment is past due:

(a) If an offender's judgment and sentence or a subsequent order to pay includes a statement that other income-withholding action under this chapter may be taken without further notice to the offender.

(b) If a judgment and sentence or a subsequent order to pay does not include the statement that other income-withholding action under this chapter may be taken without further notice to the offender but the department has served a notice on the offender stating such requirements and authorizations. The service shall have been made by personal service or any form of mail requiring a return receipt.

(2) The order to withhold and deliver shall:

- (a) Include the amount of the court-ordered legal financial obligation;
- (b) Contain a summary of moneys that may be exempt from the order to withhold and deliver and a summary of the civil liability upon failure to comply with the order; and
- (c) Be served by personal service or by any form of mail requiring a return receipt.

(3) The department shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by any form of mail requiring a return receipt, a copy of the order to withhold and deliver to the offender at the offender's last known post office address, or, in the alternative, a copy of the order shall be personally served on the offender on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with an explanation of the right to petition for judicial review. If the copy is not mailed or served as this section provides, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion on motion of the offender promptly made and supported by affidavit showing that the offender has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver.

NEW SECTION. Sec. 8. LEGAL FINANCIAL OBLIGATIONS—ORDER TO WITHHOLD AND DELIVER—DUTIES OF PERSON OR ENTITY SERVED. (1) A person or entity upon whom service has been made is hereby required to:

(a) Answer the order to withhold and deliver within twenty days, exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the order; and

(b) Provide further and additional answers when requested by the department.

(2) Any person or entity in possession of any property that may be subject to the order to withhold and deliver shall:

(a)(i) Immediately withhold such property upon receipt of the order to withhold and deliver;

(ii) Deliver the property to the appropriate clerk of the court as soon as the twenty-day answer period expires;

(iii) Continue to withhold earnings payable to the offender at each succeeding disbursement interval and deliver amounts withheld from earnings to the appropriate clerk of the court within ten days of the date earnings are payable to the offender;

(iv) Inform the department of the date the amounts were withheld as requested under this section; or

(b) Furnish the appropriate clerk of the court a good and sufficient bond, satisfactory to the clerk, conditioned upon final determination of liability.

(3) Where money is due and owing under any contract of employment, expressed or implied, or is held by any person or entity subject to withdrawal by the offender, the money shall be delivered by remittance payable to the order of the appropriate clerk of the court.

(4) Delivery to the appropriate clerk of the court of the money or other property held or claimed shall satisfy the requirement and serve as full acquittance of the order to withhold and deliver.

(5) The person or entity required to withhold and deliver the earnings of a debtor under this action may deduct a processing fee from the remainder of the offender's earnings, even if the remainder would otherwise be exempt under section 11 of this act. The processing fee may not exceed:

(a) Ten dollars for the first disbursement to the appropriate clerk of the court; and

(b) One dollar for each subsequent disbursement.

(6) A person or entity shall be liable to the obligee in an amount equal to one hundred percent of the value of the court-ordered legal financial obligation that is the basis of the order to withhold and deliver, or the amount that should have been withheld, whichever amount is less, together with costs, interest, and reasonable attorneys' fees if that person or entity fails or refuses to deliver property under the order.

The department is authorized to issue a notice of debt pursuant to and to take appropriate action to collect the debt under this chapter if a judgment has been entered as the result of an action by the court against a person or entity based on a violation of this section.

(7) Persons or entities delivering money or property to the appropriate clerk of the court under this chapter shall not be held liable for wrongful delivery.

(8) Persons or entities withholding money or property under this chapter shall not be held liable for wrongful withholding.

NEW SECTION. Sec. 9. LEGAL FINANCIAL OBLIGATIONS—BANKS, SAVINGS AND LOAN ASSOCIATIONS, CREDIT UNIONS—SERVICE ON MAIN OFFICE OR BRANCH, EFFECT—COLLECTION ACTIONS AGAINST COMMUNITY BANK ACCOUNT, RIGHT TO COURT HEARING. An order to withhold and deliver or any other income-withholding action authorized by this chapter may be served on the main office of a bank, savings and loan association, or credit union or on a branch office of the financial institution. Service on the main office shall be effective to attach the deposits of an offender in the financial institution and compensation payable for personal services due the offender from the financial institution. Service on a branch office shall be effective to attach the deposits, accounts, credits, or other personal property of the offender, excluding compensation payable for personal services, in the possession or control of the particular branch served.

Notwithstanding any other provision of this act, if the department initiates collection action against a joint bank account, with or without the right of survivorship, or any other funds which are subject to the community property laws of this state, notice shall be given to all affected parties that the account or funds are subject to potential withholding. Such notice shall be by first class mail, return receipt required, or by personal service and be given at least twenty calendar days before withholding is made. Upon receipt of such notice, the nonobligated person shall have ten calendar days to file a petition with the department contesting the withholding of his or her interest in the account or funds. The department shall provide notice of the right of the filing of the petition with the notice provided in this paragraph. If the petition is not filed within the period provided for herein, the department is authorized to proceed with the collection action.

NEW SECTION. Sec. 10. LEGAL FINANCIAL OBLIGATIONS—NOTICE OF DEBT—SERVICE OR MAILING—CONTENTS—ACTION ON, WHEN. (1) The department may issue a notice of debt in order to enforce and collect a court-ordered legal financial obligation debt through either a notice of payroll deduction or an order to withhold and deliver.

(2) The notice of debt may be personally served upon the offender or be mailed to the offender at his or her last known address by any form of mail requiring a return receipt, demanding payment within twenty days of the date of receipt.

(3) The notice of debt shall include:

(a) A statement of the total court-ordered legal financial obligation and the amount to be paid each month.

(b) A statement that earnings are subject to a notice of payroll deduction.

(c) A statement that earnings or property, or both, are subject to an order to withhold and deliver.

(d) A statement that the net proceeds will be applied to the satisfaction of the court-ordered legal financial obligation.

(4) Action to collect a court-ordered legal financial obligation by notice of payroll deduction or an order to withhold and deliver shall be lawful after twenty days from the date of service upon the offender or twenty days from the receipt or refusal by the offender of the notice of debt.

(5) The notice of debt will take effect only if the offender's monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owned.

(6) The department shall not be required to issue or serve the notice of debt in order to enforce and collect a court-ordered legal financial obligation debt through either a notice of payroll deduction or an order to withhold and deliver if either the offender's judgment and sentence or a

subsequent order to pay includes a statement that income-withholding action under this chapter may be taken without further notice to the offender.

NEW SECTION. Sec. 11. LEGAL FINANCIAL OBLIGATIONS—CERTAIN AMOUNT OF EARNINGS EXEMPT FROM NOTICE OF PAYROLL DEDUCTION OR ORDER TO WITHHOLD AND DELIVER. Whenever a notice of payroll deduction or order to withhold and deliver is served upon a person or entity asserting a court-ordered legal financial obligation debt against earnings and there is in the possession of the person or entity any of the earnings, RCW 6.27.150 shall not apply, but seventy-five percent of the disposable earnings shall be exempt and may be disbursed to the offender whether such earnings are paid, or to be paid weekly, monthly, or at other intervals and whether there is due the offender earnings for one week or for a longer period. The notice of payroll deduction or order to withhold and deliver shall continue to operate and require said person or entity to withhold the nonexempt portion of earnings, at each succeeding earnings disbursement interval until the entire amount of the court-ordered legal financial obligation debt has been withheld.

All research proposals must be submitted to the department and must be reviewed and approved as to scientific merit and to ensure that confidentiality safeguards are provided in accordance with department policy.

[Engrossed House Bill 1723]

FUND FOR EXCELLENCE IN HIGHER EDUCATION PROGRAM

Effective Date: 7/28/91

AN ACT Relating to the Washington fund for excellence in higher education program; adding a new chapter to Title 28B RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that encouraging collaboration among the various educational sectors to meet state-wide needs will strengthen the entire educational system, kindergarten through twelfth grade and higher education. The legislature also recognizes that the most effective way to develop innovative and collaborative programs is to encourage institutions to develop them voluntarily, in line with established state goals. Through a system of competitive grants, the legislature shall encourage the development of innovative and collaborative solutions to issues of critical state-wide need, including:

- (1) Improving rates of participation and completion at each educational level;
- (2) Recognizing needs of special populations of students;
- (3) Improving the effectiveness of education by better coordinating communication and understanding between sectors.

NEW SECTION. Sec. 2. The Washington fund for excellence in higher education program is established. The higher education coordinating board shall administer the program. Through this program the board may award on a competitive basis incentive grants to state public institutions of higher education or consortia of institutions to encourage cooperative programs designed to address specific system problems. Grants shall not exceed a two-year period. Each institution or consortia of institutions receiving the award shall contribute some financial support, either by covering part of the costs for the program during its implementation, or by assuming continuing support at the end of the grant period. Strong priority will be given to proposals that involve more than one sector of education, and to proposals that show substantive institutional commitment. Institutions are encouraged to solicit nonstate funds to support these cooperative programs.

NEW SECTION. Sec. 3. The higher education coordinating board shall have the following powers and duties in administering the program:

- (1) To adopt rules necessary to carry out the program;
- (2) To establish one or more review committees to assist in the evaluation of proposals for funding. The review committee shall include individuals with significant experience in higher education in areas relevant to one or more of the funding period priorities;

(3) To establish each biennium specific guidelines for submitting grant proposals consistent with the overall goals of the program. During the 1991-93 biennium the guidelines shall be consistent with the following priorities: (a) Minority and diversity initiatives that encourage the participation of minorities in higher education, including students with disabilities, at a rate consistent with their proportion of the population; (b) K-12 teacher preparation models that encourage collaboration between higher education and K-12 to improve the preparedness of teachers, including provisions for higher education faculty involved with teacher preparation to spend time teaching in K-12 schools; and (c) articulation and transfer activities to smooth the transfer of students from K-12 to higher education, or from the community colleges to four-year institutions. After June 30, 1993, and each biennium thereafter, the board shall determine funding priorities for collaborative proposals for the biennium in consultation with the governor, the legislature, the office of the superintendent of public instruction, the state board for community college education, the state board for vocational education, higher education institutions, educational associations, and business and community groups consistent with state-wide needs;

(4) To solicit grant proposals and provide information to the institutions of higher education about the program; and

(5) To establish reporting, monitoring, and dissemination requirements for the recipients of the grants.

NEW SECTION. Sec. 4. The commission shall enter its final order with respect to a complaint filed by any entity or person other

than the commission within ten months from the date of filing of the complaint, unless the date is extended for cause. Rules of practice and procedure not otherwise provided for in this title may be prescribed by the commission. Such rules may include the requirement that a complainant use informal processes before filing a formal complaint.

The commission shall, as appropriate, ~~((exercise auditing and accounting supervision or initiate a complaint))~~ audit a nonmunicipal water system upon receipt of an administrative order from the department, or the city or county in which the water system is located, finding that the water delivered by a system does not meet state board of health standards adopted under RCW 43.20.050(2)(a) or standards adopted under chapter 70.116 RCW and the results of the audit shall be provided to the requesting department, city, or county. However, the number of nonmunicipal water systems referred to the commission in any one calendar year shall not exceed twenty percent of the water companies subject to commission regulation as defined in RCW 80.04.010.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 80.04.015 and 1986 c 11 s 1 are each amended to read as follows:

Whether or not any person or corporation is conducting business subject to regulation under this title, or has performed or is performing any act requiring registration or approval of the commission without securing such registration or approval, shall be a question of fact to be determined by the commission. Whenever the commission believes that any person or corporation is engaged in any activity without first complying with the requirements of this title, it may institute a special proceeding requiring such person or

corporation to appear before the commission at a location convenient for witnesses and the production of evidence and produce information, books, records, accounts, and other memoranda, and give testimony under oath as to the activities being conducted. The commission may consider any and all facts that may indicate the true nature and extent of the operations or acts and may subpoena such witnesses and documents as it deems necessary.

After investigation, the commission is authorized and directed to issue the necessary order or orders declaring the activities to be subject to, or not subject to, the provisions of this title. In the event the activities are found to be subject to the provisions of this title, the commission shall issue such orders as may be necessary to require all parties involved in the activities to comply with this title, and with respect to services found to be reasonably available from alternative sources, to issue orders to cease and desist from providing jurisdictional services pending full compliance.

In proceedings under this section, no person or corporation may be excused from testifying or from producing any information, book, document, paper, or account before the commission when ordered to do so, on the ground that the testimony or evidence, information, book, document, or account required may tend to incriminate him or her or subject him or her to penalty or forfeiture specified in this title; but no person or corporation may be prosecuted, punished, or subjected to any penalty or forfeiture specified in this title for or on account of any account, transaction, matter, or thing concerning which he or she shall under oath have testified or produced documentary evidence in proceedings under this section: PROVIDED, That no person so testifying may be exempt from prosecution or punishment for any perjury committed by him or her in such testimony: PROVIDED FURTHER, That the exemption from prosecution in this section extends only to violations of this title.

Until July 1, 1994, in any proceeding instituted under this section to determine whether a person or corporation owning, controlling, operating, or managing a water system is subject to commission regulation, and where the person or corporation has failed or refused to provide sufficient information or documentation to enable the commission to make such a determination, the burden shall be on such person or corporation to prove that the person's or corporation's operations or acts are not subject to commission regulation.

NEW SECTION. Sec. 2. A new section is added to chapter 80.28 RCW to read as follows:

The commission's jurisdiction over the rates, charges, practices, acts or services of any water company shall include any aspect of line extension, service installation, or service connection. If the charges for such services are not set forth by specific amount in the company's tariff filed with the commission pursuant to RCW 80.28.050, the commission shall determine

the fair, just, reasonable, and sufficient charge for such extension, installation, or connection. In any such proceeding in which there is no specified tariffed rate, the burden shall be on the company to prove that its proposed charges are fair, just, reasonable, and sufficient.

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum five-year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

- (a) Devote time to a specific employment or occupation;
- (b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;
- (c) Pursue a prescribed, secular course of study or vocational training;

(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(e) Report as directed to the court and a community corrections officer; or

(f) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or perform community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the defendant's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

(A) Frequency and type of contact between offender and therapist;

(B) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(C) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;

(D) Anticipated length of treatment; and

(E) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sexual offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eight years of confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

(A) The court shall place the defendant on community supervision for the length of the suspended sentence or three years, whichever is greater; and

(B) The court shall order treatment for any period up to three years in duration. The court in its discretion shall order outpatient sex offender treatment or inpatient sex offender treatment, if available. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The offender shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the community corrections officer, and the court, and shall not change providers without court approval after a hearing if the prosecutor or community corrections officer object to the change. In addition, as conditions of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(I) Devote time to a specific employment or occupation;

(II) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(III) Report as directed to the court and a community corrections officer;

(IV) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or

(V) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime.

(iii) The sex offender therapist shall submit quarterly reports on the defendant's progress in treatment to the court and the parties. The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community supervision, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community supervision.

(v) The court may revoke the suspended sentence at any time during the period of community supervision and order execution of the sentence if: (A) The defendant violates the conditions of the suspended sentence, or (B) the court finds that the defendant is failing to make satisfactory progress in treatment. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(vi) After July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

For purposes of this subsection, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(b) When an offender is convicted of any felony sex offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender's amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court's order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the location determined by the secretary of social and health services or the secretary's designee, only if the report indicates that the offender is amenable to the

treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(iii) Report as directed to the court and a community corrections officer;

(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

Nothing in (c) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (c) does not apply to any crime committed after July 1, 1990.

(d) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

(8)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990, assault in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or serious violent offense committed on or after July 1, 1990, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the

term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

(i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(ii) The offender shall work at department of corrections-approved education, employment, and/or community service;

(iii) The offender shall not consume controlled substances except pursuant to lawfully issued prescriptions;

(iv) An offender in community custody shall not unlawfully possess controlled substances; and

(v) The offender shall pay supervision fees as determined by the department of corrections.

(c) The court may also order any of the following special conditions:

(i) The offender shall remain within, or outside of, a specified geographical boundary;

(ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(iii) The offender shall participate in crime-related treatment or counseling services;

(iv) The offender shall not consume alcohol;

(v) The residence location and living arrangements of a sex offender shall be subject to the prior approval of the department of corrections; or

(vi) The offender shall comply with any crime-related prohibitions.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(9) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(10) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum

toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

(11) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(12) All offenders sentenced to terms involving community supervision, community service, community placement, or legal financial obligation shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow explicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, ((and)) notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment.

(13) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(14) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

(15) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(16) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

(17) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release or in a program of home detention.

(18) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

CHAPTER 105

[Engrossed Substitute Senate Bill 5672]

ADMINISTRATION OF ANTIPSYCHOTIC MEDICINES

Effective Date: 7/28/91

AN ACT Relating to antipsychotic medicine; amending RCW 71.05.120, 71.05.130, 71.05.210, and 71.05.370; and adding a new section to chapter 71.05 RCW.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. A new section is added to chapter 71.05 RCW to read as follows:

(1) A person found to be gravely disabled or presents a likelihood of serious harm as a result of a mental disorder has a right to refuse antipsychotic medication unless it is determined that the failure to medicate may result in a likelihood of serious harm or substantial deterioration or substantially prolong the length of involuntary commitment and there is no less intrusive course of treatment than medication in the best interest of that person.

(2) The department shall adopt rules to carry out the purposes of this chapter. These rules shall include:

(a) An attempt to obtain the informed consent of the person prior to administration of antipsychotic medication.

(b) For short-term treatment up to thirty days, the right to refuse antipsychotic medications unless there is an additional concurring medical opinion approving medication.

(c) For continued treatment beyond thirty days through the hearing on any petition filed under RCW 71.05.370(7), the right to periodic review of the decision to medicate by the medical director or designee.

(d) Administration of antipsychotic medication in an emergency and review of this decision within twenty-four hours. An emergency exists if the person presents an imminent likelihood of serious harm to self or others, and medically acceptable alternatives to administration of antipsychotic medications are not available or are unlikely to be successful; and in the opinion of the physician, the person's condition constitutes an emergency requiring the treatment be instituted prior to obtaining a second medical opinion.

(e) Documentation in the medical record of the physician's attempt to obtain informed consent and the reasons why antipsychotic medication is being administered over the person's objection or lack of consent.

Sec. 2. RCW 71.05.120 and 1989 c 120 s 3 are each amended to read as follows:

(1) No officer of a public or private agency, nor the superintendent, professional person in charge, his or her professional designee, or attending staff of any such agency, nor any public official performing functions necessary to the administration of this chapter, nor peace officer responsible for detaining a person pursuant to this chapter, nor any county designated mental health professional, nor the state, a unit of local government, or an evaluation and treatment facility shall be civilly or criminally liable for performing duties pursuant to this chapter with regard to the decision of whether to admit, release, administer antipsychotic medications (~~on an emergency basis~~), or detain a person for evaluation and treatment: PROVIDED, That such duties were performed in good faith and without gross negligence.

(2) This section does not relieve a person from giving the required notices under RCW 71.05.330(2) or 71.05.340(1)(b), or the duty to warn or to take reasonable precautions to provide protection from violent behavior where the patient has communicated an actual threat of physical violence against a reasonably identifiable victim or victims. The duty to warn or to take reasonable precautions to provide protection from violent behavior is discharged if reasonable efforts are made to communicate the threat to the victim or victims and to law enforcement personnel.

Sec. 3. RCW 71.05.130 and 1989 c 120 s 4 are each amended to read as follows:

In any judicial proceeding for involuntary commitment or detention, (~~or administration of antipsychotic medication;~~) or in any proceeding challenging such commitment or detention, (~~or administration of antipsychotic medication;~~) the prosecuting attorney for the county in which the

proceeding was initiated shall represent the individuals or agencies petitioning for commitment or detention (~~(or administration of antipsychotic medication)~~) and shall defend all challenges to such commitment or detention (~~(or administration of antipsychotic medication)~~): PROVIDED, That after January 1, 1980, the attorney general shall represent and provide legal services and advice to state hospitals or institutions with regard to all provisions of and proceedings under this chapter except in proceedings initiated by such hospitals and institutions seeking fourteen day detention (~~(and administration of antipsychotic medication)~~).

Sec. 4. RCW 71.05.210 and 1989 c 120 s 6 are each amended to read as follows:

Each person involuntarily admitted to an evaluation and treatment facility shall, within twenty-four hours of his or her admission, be examined and evaluated by a licensed physician who may be assisted by a (~~(physician's)~~) physician assistant according to chapter 18.71A RCW or a nurse practitioner according to chapter 18.88 RCW and a mental health professional as defined in this chapter, and shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a court proceeding, the individual may refuse all but emergency life-saving treatment, and the individual shall be informed at an appropriate time of his or her right to such refusal of treatment. Such person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm to himself or herself or others, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

If, after examination and evaluation, the licensed physician and mental health professional determine that the initial needs of the person would be better served by placement in an alcohol treatment facility, then the person shall be referred to an approved treatment (~~(facility)~~) program defined under RCW 70.96A.020.

An evaluation and treatment center admitting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated county mental health professional and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 5. RCW 71.05.370 and 1989 c 120 s 8 are each amended to read as follows:

Insofar as danger to the individual or others is not created, each person involuntarily detained, treated in a less restrictive alternative course of treatment, or committed for treatment and evaluation pursuant to this chapter shall have, in addition to other rights not specifically withheld by law, the following rights, a list of which shall be prominently posted in all facilities, institutions, and hospitals providing such services:

(1) To wear his or her own clothes and to keep and use his or her own personal possessions, except when deprivation of same is essential to protect the safety of the resident or other persons;

(2) To keep and be allowed to spend a reasonable sum of his or her own money for canteen expenses and small purchases;

(3) To have access to individual storage space for his or her private use;

(4) To have visitors at reasonable times;

(6) To have ready access to letter writing materials, including stamps, and to send and receive uncensored correspondence through the mails;

(7) Not to consent to the administration of antipsychotic medications beyond the hearing conducted pursuant to RCW 71.05.320(2) or the performance of ((shock treatment, the administration of antipsychotic medications;)) electroconvulsant therapy or surgery, except emergency life-saving surgery, ((and not to have shock treatment, antipsychotic medications, or nonemergency surgery in such circumstance)) unless ordered by a court of competent jurisdiction pursuant to the following standards and procedures:

(a) ~~((Shock treatment and))~~ The administration of antipsychotic medication or electroconvulsant therapy shall not be ordered unless the petitioning party proves by clear, cogent, and convincing evidence that there exists a compelling state interest that justifies overriding the patient's lack of consent to ~~((shock treatment or))~~ the administration of antipsychotic medications or electroconvulsant therapy, that the proposed treatment is necessary and effective, and that medically acceptable alternative forms of treatment are not available, have not been successful, or are not likely to be effective.

(b) The court shall make specific findings of fact concerning: (i) The existence of one or more compelling state interests; (ii) the necessity and effectiveness of the treatment; and (iii) the person's desires regarding the proposed treatment. If the patient is unable to make a rational and informed decision about consenting to or refusing the proposed treatment, the court shall make a substituted judgment for the patient as if he or she were competent to make such a determination.

(c) The person shall be present at any hearing on a request to administer ~~((shock treatment or))~~ antipsychotic medication((s)) or electroconvulsant therapy filed pursuant to this subsection. The person has

the right: (i) To be represented by an attorney; (ii) to present evidence; (iii) to cross-examine witnesses; (iv) to have the rules of evidence enforced; (v) to remain silent; (vi) to view and copy all petitions and reports in the court file; and (vii) to be given reasonable notice and an opportunity to prepare for the hearing. The court may appoint a psychiatrist, psychologist within their scope of practice, or physician to examine and testify on behalf of such person. The court shall appoint a psychiatrist, psychologist within their scope of practice, or physician designated by such person or the person's counsel to testify on behalf of the person in cases where an order for ~~((shock treatment))~~ electroconvulsant therapy is sought.

(d) An order for the administration of antipsychotic medications entered following a hearing conducted pursuant to this section shall be effective for the period of the current involuntary treatment order, ~~((any succeeding order entered pursuant to RCW 71.05.320(1);))~~ and any interim period during which the person is awaiting trial or hearing on a new petition for involuntary treatment or involuntary medication. ~~((Upon a request timely filed, a review of any such medication order shall be conducted by the court at the hearing on a petition filed pursuant to RCW 71.05.300. If a succeeding involuntary treatment order is entered pursuant to RCW 71.05.320(2), a person who refuses to consent to the administration of antipsychotic medications shall be entitled to an evidentiary hearing in accordance with this section.))~~

(e) Any person detained pursuant to RCW 71.05.320(2), who subsequently refuses antipsychotic medication, shall be entitled to the procedures set forth in RCW 71.05.370(7).

~~((e))~~ (f) Antipsychotic medication may be administered to a nonconsenting person detained or committed pursuant to this chapter without a court order pursuant to section 1(2) of this act or under the following circumstances:

(i) A person presents an imminent likelihood of serious harm to self or others;

(ii) Medically acceptable alternatives to administration of antipsychotic medications are not available, have not been successful, or are not likely to be effective; and

(iii) In the opinion of the physician with responsibility for treatment of the person, or his or her designee, the person's condition constitutes an emergency requiring the treatment be instituted before a judicial hearing as authorized pursuant to this section can be held.

If antipsychotic medications are administered over a person's lack of consent pursuant to this subsection, a petition for an order authorizing the administration of antipsychotic medications shall be filed on the next judicial day. The hearing shall be held within two judicial days. If deemed necessary by the physician with responsibility for the treatment of the person,

administration of antipsychotic medications may continue until the hearing is held;

(8) To dispose of property and sign contracts unless such person has been adjudicated an incompetent in a court proceeding directed to that particular issue;

(9) Not to have psychosurgery performed on him or her under any circumstances.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

PRECINCT ELECTION OFFICERS—APPOINTMENT

Effective Date: 7/28/91

AN ACT Relating to the appointment of precinct election officers; and amending RCW 29.45.010 and 29.45.030.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 29.45.010 and 1983 1st ex.s. c 71 s 7 are each amended to read as follows:

(1) At least ten days prior to any primary or election, general or special, the county auditor shall appoint one inspector and two judges of election for each precinct (or each combination of precincts temporarily consolidated as a single precinct for that primary or election), other than those precincts designated as vote-by-mail precincts pursuant to RCW 29.36.120(~~(-from)~~). Except as provided in subsection (3) of this section, the persons appointed shall be among ((the)) those whose names are contained on the lists furnished under RCW 29.45.030 by the ((chairman)) chairpersons of the county central committees of the political parties entitled to representation thereon. Such precinct election officers, whenever possible, should be residents of the precinct in which they serve.

(2) The county auditor may delete from the lists of names submitted to the auditor by the chairpersons of the county central committees under RCW 29.45.030: (a) The names of those persons who indicate to the auditor that they cannot or do not wish to serve as precinct election officers for the primary or election or who otherwise cannot so serve; and (b) the names of those persons who lack the ability to conduct properly the duties of an

inspector or judge of election after training in that proper conduct has been made available to them by the auditor. The lists which are submitted to the auditor in a timely manner under RCW 29.45.030, less the deletions authorized by this subsection, constitute the official nomination lists for inspectors and judges of election.

(3) If the number of persons whose names are on the official nomination list for a political party is not sufficient to satisfy the requirements of subsection (4) of this section as it applies to that political party or is otherwise insufficient to provide the number of precinct election officials required from that political party, the auditor shall notify the chair of the party's county central committee regarding the deficiency. The chair may, within five business days of being notified by the auditor, add to the party's nomination list the names of additional persons belonging to that political party who are qualified to serve on the election boards. To the extent that, following this procedure, the number of persons whose names appear on the official nomination lists of the political parties is insufficient to provide the number of election inspectors and judges required for a primary or election, the auditor may appoint a properly trained person whose name does not appear on such a list as an inspector or judge of election for a precinct.

(4) The county auditor shall designate the inspector and one judge in each precinct from that political party which polled the highest number of votes in the county for its candidate for president at the last preceding presidential election and one judge from that political party polling the next highest number of votes in the county for its candidate for president at the same election. The provisions of this subsection apply only if the number of names on the official nomination list for inspectors and judges of election for a political party is sufficient to satisfy the requirements imposed by this subsection.

(5) Except as provided in RCW 29.45.040 for the filling of vacancies, this shall be the exclusive method for the appointment of inspectors and judges to serve as precinct election officers at any primary or election, general or special, and shall supersede the provisions of any and all other statutes, whether general or special in nature, having different requirements.

Sec. 2. RCW 29.45.030 and 1987 c 295 s 16 are each amended to read as follows:

The precinct committee officer of each major political party shall certify to the officer's county chair a list of those persons belonging to the officer's political party qualified to act upon the election board in the officer's precinct.

((At least sixty days prior to the primary or election)) By the first day of June each year, the chair of the county central committee of each major political party shall certify to the officer having jurisdiction of the election((-)) a list of those persons belonging to the county chair's political party in each precinct who are qualified to act on the election board therein.

The county chair shall compile this list from the names certified by the various precinct committee officers unless no names or not [no] sufficient names have been certified from a precinct, in which event the county chair may include therein the names of qualified members of the county chair's party selected by the county chair. The county chair shall also have the authority to substitute names of persons recommended by the precinct committee officers if in the judgment of the county chair such persons are not qualified to serve as precinct election officers.

Sec. 16. RCW 20.01.040 and 1989 c 354 s 39 are each amended to read as follows:

No person may act as a commission merchant, dealer, broker, cash buyer, or agent without a license. Any person applying for such a license shall file an application with the director prior to conducting business pursuant to this chapter. No application shall be considered complete unless an effective bond or other acceptable form of security is also filed with the director, as provided under RCW 20.01.210, 20.01.211, or 20.01.212. Each license issued under this chapter shall require renewal on or before ~~((January 1st of each year))~~ the renewal date prescribed by the director by rule. License fees shall be prorated where necessary to accommodate staggered renewals of a license or licenses. The application shall be accompanied by a license fee as prescribed by the director by rule.

Sec. 17. RCW 20.01.050 and 1959 c 139 s 5 are each amended to read as follows:

If an application for renewal of a commission merchant, dealer, broker or cash buyer license is not filed prior to ~~((January 1st in any year,))~~ the prescribed renewal date a penalty of ~~((ten dollars))~~ twenty-five percent shall be assessed and added to the original fee and shall be paid by the applicant before the renewal license shall be issued~~((PROVIDED, That such penalty shall not apply if the applicant furnishes an affidavit certifying that he has not acted as a commission merchant, dealer, broker or cash buyer subsequent to the expiration of his prior license))~~.

(1) Before the license is issued to any commission merchant or dealer, or both, the applicant shall execute and deliver to the director a surety bond executed by the applicant as principal and by a surety company qualified and authorized to do business in this state as surety. Said bond shall be to the state for the benefit of qualified consignors of agricultural products in this state. All such sureties on a bond, as provided herein, shall be released and discharged from all liability to the state accruing on such bond by giving notice to the principal and the director by certified mail. Upon receipt of such notice the director shall notify the surety and the principal of the effective date of termination which shall be thirty days from the receipt of such notice by the director, but this shall not relieve, release, or discharge the surety from any liability already accrued or which shall accrue before the expiration period provided for above.

(2) The bond for a commission merchant or dealer in hay, straw or turf, forage or vegetable seed shall be not less than fifteen thousand dollars. The actual amount of such bond shall be determined by dividing the annual

dollar volume of the licensee's net proceeds or net payments due consignors by twelve and increasing that amount to the next multiple of five thousand dollars, except that the bond amount for dollar volume arising from proprietary seed bailment contracts shall be computed as provided in subsection (4) of this section. Such bond for a new commission merchant or dealer in hay, straw or turf, forage or vegetable seed shall be subject to increase at any time during the licensee's first year of operation based on the average of business volume for any three months. Except as provided in subsection (3) of this section, the bond shall be not less than ~~((three))~~ ten thousand dollars for any other dealer.

(3) The bond for a commission merchant or dealer in livestock shall be not less than ten thousand dollars. The actual amount of such bond shall be determined in accordance with the formula set forth in the packers and stockyard act of 1921 (7 U.S.C. 181), except that a commission merchant or dealer in livestock shall increase ~~((his))~~ the commission merchant's or dealer's bond by five thousand dollars for each agent ~~((he))~~ the commission merchant or dealer has endorsed under RCW 20.01.090. A dealer who also acts as an order buyer for other persons who are also licensed and bonded under this chapter or under the packers and stockyards act (7 U.S.C. 181) may subtract that amount of business from the annual gross volume of purchases reported to the director in determining the amount of bond coverage that must be provided and maintained for the purposes of this chapter.

(4) The bond for a commission merchant handling agricultural products other than livestock, hay, straw or turf, forage or vegetable seed shall not be less than ~~((seven))~~ ten thousand ~~((five-hundred))~~ dollars. The bond for a dealer handling agricultural products other than livestock, hay, straw or turf, forage or vegetable seed shall not be less than ~~((three))~~ ten thousand dollars. The actual amount of such bond shall be determined by dividing the annual dollar volume of the licensee's net proceeds or net payments due consignors by fifty-two and increasing that amount to the next multiple of two thousand dollars. However, bonds above twenty-six thousand dollars shall be increased to the next multiple of five thousand dollars.

(5) When the annual dollar volume of any commission merchant or dealer reaches two million six hundred thousand dollars, the amount of the bond required above this level shall be on a basis of ten percent of the amount arrived at by applying the appropriate formula.

Sec. 19. RCW 20.01.212 and 1977 ex.s. c 304 s 7 are each amended to read as follows:

If an applicant for a commission merchant's and/or dealer's license is bonded as a livestock dealer or packer under the provisions of the Packers and Stockyards Act of 1921 (7 U.S.C. 181), as amended, on June 13, 1963, and acts as a commission merchant, packer, and/or a dealer only in livestock as defined in said Packers and Stockyards Act of 1921 (7 U.S.C. 181), the director may accept such bond in lieu of the bond required in RCW

20.01.210 as good and sufficient and issue the applicant a license limited solely to dealing in livestock. A dealer buying and selling livestock who has furnished a bond as required by the packers and stockyards administration to cover acting as order buyer as well as dealer may also act as an order buyer for others under the provisions of this chapter, and all persons who act as order buyers of livestock shall license under this chapter as a livestock dealer: **PROVIDED**, That the applicant shall furnish the director with a bond approved by the United States secretary of agriculture. Such bond shall be in a minimum amount of ~~((seventy-five hundred))~~ ten thousand dollars. It shall be a violation for the licensee to act as a commission merchant and/or dealer in any other agricultural commodity without first having notified the director and furnishing him with a bond as required under the provisions of RCW 20.01.210, and failure to furnish the director with such bond shall be cause for the immediate suspension of the licensee's license, and revocation subject to a hearing.

Sec. 20. RCW 20.01.370 and 1989 c 354 s 41 are each amended to read as follows:

Every commission merchant taking control of any agricultural products for sale as such commission merchant, shall promptly make and keep for a period of three years, beginning on the day the sale of the product is complete, a correct record showing in detail the following with reference to the handling, sale, or storage of such agricultural products:

- (1) The name and address of the consignor.
- (2) The date received.
- (3) The quality and quantity delivered by the consignor, and where applicable the dockage, tare, grade, size, net weight, or quantity.

- (5) The terms of payment to the producer.
- (6) An itemized statement of the charges to be paid by consignor in connection with the sale.
- (7) The names and addresses of all purchasers if said commission merchant has any financial interest in the business of said purchasers, or if said purchasers have any financial interest in the business of said commission merchant, directly or indirectly, as holder of the other's corporate stock, as copartner, as lender or borrower of money to or from the other, or otherwise. Such interest shall be noted in said records following the name of any such purchaser.
- (8) A lot number or other identifying mark for each consignment, which number or mark shall appear on all sales tags and other essential records needed to show what the agricultural products actually sold for.

(9) Any claim or claims which have been or may be filed by the commission merchant against any person for overcharges or for damages resulting from the injury or deterioration of such agricultural products by the act, neglect or failure of such person and such records shall be open to the inspection of the director and the consignor of agricultural products for whom such claim or claims are made.

Before a commission merchant may handle an agricultural product in a pooling arrangement or accounting, the consignor must have agreed in writing to allow the pooling.

Where a pooling arrangement is agreed to in writing between the consignor and commission merchant, the reporting requirements of subsections (4), (5), (6), and (8) of this section shall apply to the pool rather than to the individual consignor or consignment and the records of the pool shall be available for inspection by any consignor to that pool.

For individual accounting, the commission merchant shall transmit a copy of the record required by this section to the consignor on the same day the final remittance is made to the consignor as required by RCW 20.01.430 ((as now or hereafter amended)). For a consignor who is participating in a pooling arrangement, the commission merchant shall, on the same day final remittance and accounting are made to the consignor as required by RCW 20.01.430, transmit to the consignor a summary of the records which are available for inspection by any consignor to that pool.

Sec. 21. RCW 20.01.380 and 1989 c 354 s 42 are each amended to read as follows:

- (6) The name and address of the purchaser: PROVIDED, That the name and address of the purchaser may be deleted from the record furnished to the consignor.

~~((7) A copy of the itemized list of charges required under RCW 20.01.080 in effect on the date the terms of sale were agreed upon.))~~

A copy of such record containing the above matters shall be forwarded to the consignor forthwith.

Livestock dealers must also maintain individual animal identification and disposition records as may be required by law, or regulation adopted by the director.

Sec. 22. RCW 20.01.420 and 1959 c 139 s 42 are each amended to read as follows:

When requested by ~~((his))~~ a consignor, a commission merchant shall ~~((; before the close of the next business day following the sale of any agricultural products consigned to him, transmit or deliver to the owner or))~~ promptly make available to the consignor ~~((of the agricultural products a true written report of such sale;))~~ or to the director all records of the ongoing sales of the consignor's agricultural products showing the amount sold, ~~((and))~~ the selling price, and any other information required under RCW 20.01.370.

Sec. 23. RCW 20.01.440 and 1959 c 139 s 44 are each amended to read as follows:

Every commission merchant shall retain a copy of all records covering each transaction for a period of ~~((one year))~~ three years from the date thereof, which copy shall at all times be available for, and open to, the confidential inspection of the director and the consignor, or authorized representative of either. In the event of any dispute or disagreement between a consignor and a commission merchant arising at the time of delivery as to condition, quality, grade, pack, quantity, or weight of any lot, shipment or consignment of agricultural products, the department shall furnish, upon the payment of a reasonable fee therefor by the requesting party, a certificate establishing the condition, quality, grade, pack, quantity, or weight of such lot, shipment or consignment. Such certificate shall be prima facie evidence in all courts of this state as to the recitals thereof. The burden of proof shall be upon the commission merchant to prove the correctness of his accounting as to any transaction which may be questioned.

NEW SECTION. Sec. 24. A new section is added to chapter 20.01 RCW to read as follows:

In the preparation and use of written contracts, it is unlawful for a commission merchant to include in such contracts a requirement that a consignor give up all involvement in determining the time the consignor's agricultural products will be sold. This provision does not apply to agricultural products consigned to a commission merchant under a written pooling agreement.

Sec. 25. RCW 22.09.050 and 1986 c 203 s 13 are each amended to read as follows:

Any application for a license to operate a warehouse shall be accompanied by a license fee of four hundred dollars for a terminal warehouse, three hundred dollars for a subterminal warehouse, and one hundred dollars for a country warehouse. If a licensee operates more than one warehouse under one state license as provided for in RCW 22.09.030, the license fee shall be computed by multiplying the number of physically separated warehouses within the station by the applicable terminal, subterminal, or country

warehouse license fee. If an application for renewal of a warehouse license or licenses is not received by the department prior to ~~((June 30th of any year;))~~ the renewal date or dates established by the director by rule, a penalty of fifty dollars for the first week and one hundred dollars for each week thereafter shall be assessed and added to the original fee and shall be paid by the applicant before the renewal license may be issued. This penalty does not apply if the applicant furnishes an affidavit certifying that he has not acted as a warehouseman subsequent to the expiration of his prior license.

Sec. 26. RCW 22.09.055 and 1988 c 95 s 1 are each amended to read as follows:

An application for a license to operate as a grain dealer shall be accompanied by a license fee of three hundred dollars unless the applicant is also a licensed warehouseman, in which case the fee for a grain dealer license shall be one hundred fifty dollars. The license fee for grain dealers exempted from bonding under RCW 22.09.060 shall be seventy-five dollars.

Effective Date: 7/28/91

AN ACT Relating to reports of abuse of children or adult dependent or developmentally disabled persons; amending RCW 26.44.030; and repealing RCW 26.44.070.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 26.44.030 and 1989 c 22 s 1 are each amended to read as follows:

(1) When any practitioner, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, licensed or certified child care providers or their employees, employee of the department, or juvenile probation officer has reasonable cause to believe that a child or adult dependent or developmentally disabled person, has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040. The report shall be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. The report shall include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children, dependent adults, or developmentally disabled persons are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section shall apply.

(3) Any other person who has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

~~((3))~~ (4) The department, upon receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report shall also be made to the proper law enforcement agency within five days thereafter.

~~((4))~~ (5) Any law enforcement agency receiving a report of an incident of abuse or neglect pursuant to this chapter, involving a child or adult dependent or developmentally disabled person who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

~~((5))~~ (6) Any county prosecutor or city attorney receiving a report under subsection ~~((4))~~ (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

~~((6))~~ (7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services or department case services for the developmentally disabled. Upon request,

the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child or developmentally disabled person. Information considered privileged by statute and not directly related to reports required by this section shall not be divulged without a valid written waiver of the privilege.

~~((7))~~ (8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

~~((8))~~ (9) Persons or agencies exchanging information under subsection ~~((6))~~ (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

~~((9))~~ (10) Upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview shall occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

~~((10))~~ (11) Upon receiving a report of incidents, conditions, or circumstances of child abuse and neglect, the department shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

~~((11))~~ (12) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

~~((+2))~~ (13) The department of social and health services shall, within funds appropriated for this purpose, use a risk assessment tool when investigating child abuse and neglect referrals. The tool shall be used, on a pilot basis, in three local office service areas. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

The department shall report to the ways and means committees of the senate and house of representatives on the use of the tool by December 1, 1989. The report shall include recommendations on the continued use and possible expanded use of the tool.

~~((+3))~~ (14) Upon receipt of such report the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity. Implementing rules to be adopted by the state board of education pursuant to RCW 28A.150.220(6) shall provide that compliance with the direct contact hour requirement shall be based upon teachers' normally assigned weekly instructional schedules, as assigned by the district administration. Additional record-keeping by classroom teachers as a means of accounting for contact hours shall not be required. However, upon request from the board of directors of any school district, the provisions relating to direct classroom contact hours for individual teachers in that district may be waived by the state board of education if the waiver is necessary to implement a locally approved plan for educational excellence and the waiver is limited to those individual teachers approved in the local plan for educational excellence. CHAPTER 117

[House Bill 1339]

UNEMPLOYMENT COMPENSATION—REVISED PROVISIONS

Effective Date: 7/28/91 – Except Sections 1 & 4 which become effective on 7/1/91 and Section 3 which becomes effective on 7/7/91, for new claims filed on or after 7/7/91.

AN ACT Relating to unemployment compensation; amending RCW 50.04.030, 50.20-.085, and 50.20.190; adding a new section to chapter 50.24 RCW; creating a new section; providing effective dates; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 50.04.030 and 1990 c 245 s 1 are each amended to read as follows:

"Benefit year" with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week in which the individual next files an application for an initial determination after the expiration of the individual's last preceding benefit year: PROVIDED, HOWEVER, That the foregoing limitation shall not be deemed to preclude the establishment of a new benefit year under the laws of another state pursuant to any agreement providing for the interstate combining of employment and wages and the interstate payment of benefits

nor shall this limitation be deemed to preclude the commissioner from backdating an initial application at the request of the claimant either for the convenience of the department of employment security or for any other reason deemed by the commissioner to be good cause.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in "employment" in not less than six hundred eighty hours of the individual's base year: PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual worked and earned wages since the ~~((initial))~~ last separation from employment immediately before the application for initial determination in the previous benefit year if the applicant was an unemployed individual at the time of application, or since the initial separation in the previous benefit year if the applicant was not an unemployed individual at the time of filing an application for initial determination for the previous benefit year, of not less than six times the weekly benefit amount computed for the individual's new benefit year.

If an individual's prior benefit year was based on the last four completed calendar quarters, a new benefit year shall not be established until the new base year does not include any hours used in the establishment of the prior benefit year.

If the wages of an individual are not based upon a fixed duration of time or if the individual's wages are paid at irregular intervals or in such manner as not to extend regularly over the period of employment, the wages for any week shall be determined in such manner as the commissioner may by regulation prescribe. Such regulation shall, so far as possible, secure results reasonably similar to those which would prevail if the individual were paid his or her wages at regular intervals.

Sec. 2. RCW 50.20.085 and 1986 c 75 s 1 are each amended to read as follows:

An individual is disqualified from benefits with respect to any day or days ~~((in))~~ for which he or she is receiving, has received, or will receive compensation under RCW 51.32.060 or 51.32.090.

Sec. 3. RCW 50.20.190 and 1990 c 245 s 5 are each amended to read as follows:

(1) An individual who is paid any amount as benefits under this title to which he or she is not entitled shall, unless otherwise relieved pursuant to this section, be liable for repayment of the amount overpaid. The department shall issue an overpayment assessment setting forth the reasons for and the amount of the overpayment. The amount assessed, to the extent not

collected, may be deducted from any future benefits payable to the individual: **PROVIDED**, That in the absence of fraud, misrepresentation, or willful nondisclosure, every determination of liability shall be mailed or personally served not later than two years after the close of the individual's benefit year in which the purported overpayment was made unless the merits of the claim are subjected to administrative or judicial review in which event the period for serving the determination of liability shall be extended to allow service of the determination of liability during the six-month period following the final decision affecting the claim.

(2) The commissioner may waive an overpayment if the commissioner finds that said overpayment was not the result of fraud, misrepresentation, willful nondisclosure, or fault attributable to the individual and that the recovery thereof would be against equity and good conscience: **PROVIDED, HOWEVER**, That the overpayment so waived shall be charged against the individual's applicable entitlement for the eligibility period containing the weeks to which the overpayment was attributed as though such benefits had been properly paid.

(3) Any assessment herein provided shall constitute a determination of liability from which an appeal may be had in the same manner and to the same extent as provided for appeals relating to determinations in respect to claims for benefits: **PROVIDED**, That an appeal from any determination covering overpayment only shall be deemed to be an appeal from the determination which was the basis for establishing the overpayment unless the merits involved in the issue set forth in such determination have already been heard and passed upon by the appeal tribunal. If no such appeal is taken to the appeal tribunal by the individual within thirty days of the delivery of the notice of determination of liability, or within thirty days of the mailing of the notice of determination, whichever is the earlier, said determination of liability shall be deemed conclusive and final. Whenever any such notice of determination of liability becomes conclusive and final, the commissioner, upon giving at least twenty days notice by certified mail return receipt requested to the individual's last known address of the intended action, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee of five dollars. The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person(s) mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person(s) against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office

of such clerk. A warrant so docketed shall be sufficient to support the issuance of writs of execution and writs of garnishment in favor of the state in the manner provided by law for a civil judgment. A copy of the warrant shall be mailed to the person(s) mentioned in the warrant by certified mail to the person's last known address within five days of its filing with the clerk.

(4) On request of any agency which administers an employment security law of another state, the United States, or a foreign government and which has found in accordance with the provisions of such law that a claimant is liable to repay benefits received under such law, the commissioner may collect the amount of such benefits from the claimant to be refunded to the agency. In any case in which under this section a claimant is liable to repay any amount to the agency of another state, the United States, or a foreign government, such amounts may be collected without interest by civil action in the name of the commissioner acting as agent for such agency if the other state, the United States, or the foreign government extends such collection rights to the employment security department of the state of Washington, and provided that the court costs be paid by the governmental agency benefiting from such collection.

(5) ~~((When an individual has been awarded or receives back pay, the amount of the back pay shall constitute wages paid in the period for which it was awarded. No person is liable for the amount of benefits if the amount of the back pay award or settlement was reduced by the amount of benefits received. When the amount of the back pay award or settlement was reduced by the amount of benefits received, the employer shall pay to the unemployment compensation fund an amount equal to the amount of such reduction. An employer who is a party to any back pay award or settlement shall, within thirty days of the settlement, report to the department the amount of benefits by which the award or settlement was reduced, if any, and the name and social security number of the person who received the award or settlement))~~ Any employer who is a party to a back pay award or settlement due to loss of wages shall, within thirty days of the award or settlement, report to the department the amount of the award or settlement, the name and social security number of the recipient of the award or settlement, and the period for which it is awarded. When an individual has been awarded or receives back pay, for benefit purposes the amount of the back pay shall constitute wages paid in the period for which it was awarded. For contribution purposes, the back pay award or settlement shall constitute wages paid in the period in which it was actually paid. The following requirements shall also apply:

(a) The employer shall reduce the amount of the back pay award or settlement by an amount determined by the department based upon the amount of unemployment benefits received by the recipient of the award or

settlement during the period for which the back pay award or settlement was awarded;

(b) The employer shall pay to the unemployment compensation fund, in a manner specified by the commissioner, an amount equal to the amount of such reduction;

(c) The employer shall also pay to the department any taxes due for unemployment insurance purposes on the entire amount of the back pay award or settlement notwithstanding any reduction made pursuant to (a) of this subsection;

(d) If the employer fails to reduce the amount of the back pay award or settlement as required in (a) of this subsection, the department shall issue an overpayment assessment against the recipient of the award or settlement in the amount that the back pay award or settlement should have been reduced; and

(e) If the employer fails to pay to the department an amount equal to the reduction as required in (b) of this subsection, the department shall issue an assessment of liability against the employer which shall be collected pursuant to the procedures for collection of assessments provided herein and in RCW 50.24.110.

(6) When an individual fails to repay an overpayment assessment that is due and fails to arrange for satisfactory repayment terms, the commissioner shall impose an interest penalty of one percent of the outstanding balance for each month that payments are not made in a timely fashion. Interest shall accrue immediately on overpayments assessed pursuant to RCW 50.20.070. For any other overpayment, interest shall accrue when the individual has missed two or more of their monthly payments either partially or in full. The interest penalty shall be used to fund detection and recovery of overpayment and collection activities.

NEW SECTION. Sec. 4. A new section is added to chapter 50.24 RCW to read as follows:

Whenever any employer quits business, or sells out, exchanges, or otherwise disposes of the employer's business or stock of goods, any contributions payable under this title shall become immediately due and payable, and the employer shall, within ten days, make a return and pay the contributions due; and any person who becomes a successor to such business shall become liable for the full amount of the contributions and withhold from the purchase price a sum sufficient to pay any contributions due from the employer until such time as the employer produces a receipt from the employment security department showing payment in full of any contributions due or a certificate that no contribution is due and, if such contribution is not paid by the employer within ten days from the date of such sale, exchange, or disposal, the successor shall become liable for the payment of the full amount of contributions, and the payment thereof by such successor shall, to the extent thereof, be deemed a payment upon the purchase price,

and if such payment is greater in amount than the purchase price the amount of the difference shall become a debt due such successor from the employer.

No successor may be liable for any contributions due from the person from whom that person has acquired a business or stock of goods if that person gives written notice to the employment security department of such acquisition and no assessment is issued by the department within one hundred eighty days of receipt of such notice against the former operator of the business and a copy thereof mailed to such successor.

NEW SECTION. Sec. 5. If any part of this act is found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state or the eligibility of employers in this state for federal unemployment tax credits, the conflicting part of this act is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state or the granting of federal unemployment tax credits to employers in this state.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and sections 1 and 4 shall take effect July 1, 1991, and section 3 shall take effect July 7, 1991, for new claims filed on or after July 7, 1991.

For the purposes of this section, the department may not cut off any prescription medications, oxygen supplies, respiratory services, or other life-sustaining medical services or supplies.

"Medical assistance," notwithstanding any other provision of law, shall not include routine foot care, or dental services delivered by any health care provider, that are not mandated by Title XIX of the social security act unless there is a specific appropriation for these services. Services included in an individualized education program for a handicapped child under RCW 28A.155.010 through 28A.155.100 shall not qualify as medical assistance prior to the implementation of the funding process developed under RCW 74.09.524.

(2) The department shall amend the state plan for medical assistance under Title XIX of the federal social security act to include personal care

services, as defined in 42 C.F.R. 440.170(f), in the categorically needy program.

(3) The department shall adopt, amend, or rescind such administrative rules as are necessary to ensure that Title XIX personal care services are provided to eligible persons in conformance with federal regulations.

(a) These administrative rules shall include financial eligibility indexed according to the requirements of the social security act providing for medicaid eligibility.

(4) The department shall design and implement a means to assess the level of functional disability of persons eligible for personal care services under this section. The personal care services benefit shall be provided to the extent funding is available according to the assessed level of functional disability. Any reductions in services made necessary for funding reasons should be accomplished in a manner that assures that priority for maintaining services is given to persons with the greatest need as determined by the assessment of functional disability.

(5) The department shall report to the appropriate fiscal committees of the legislature on the utilization and associated costs of the personal care option under Title XIX of the federal social security act, as defined in 42 C.F.R. 440.170(f), in the categorically needy program. This report shall be submitted by January 1, 1990, and submitted on a yearly basis thereafter.

TELECOMMUNICATIONS DEVICES FOR THE DEAF TASK FORCE

Effective Date: 7/28/91

AN ACT Relating to establishing the telecommunications devices for the deaf task force; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that:

(1) Operation of the state-wide telecommunications devices for the deaf (TDD) relay service has become an integral and important part of the state's telecommunications network;

(2) The Washington state TDD relay service (WSTRS) has, since it began twenty-four-hour operation in November 1989, provided pioneering service to the deaf, hearing-impaired, and speech-impaired citizens of this state by utilizing the best available technology;

(3) In its report to the legislature in December 1990, the department of social and health services identified a number of major issues and alternative approaches for the continued operation of theWSTRS, including blockage rate, limitations on demand for system usage, funding, operational structure, toll call billing, regional systems with other states, and technological changes;

(4) The federal Americans with disabilities act (ADA), enacted in July 1990, requires that state-wide TDD relay services must be available in every state by July 1993, and must comply with the requirements of the federal legislation and with regulations to be adopted by the federal communications commission by July 1991; and

(5) It is in the best interests of the citizens of this state that the provision of state-wide TDD relay services in Washington be assessed in light of the new federal requirements, the ongoing problems and issues identified in the department of social and health services report, and potentially cost-effective technological improvements.

NEW SECTION. Sec. 2. (1) The telecommunications devices for the deaf (TDD) task force is created, consisting of the secretary of the department of social and health services and the director of the department of information services, or their designees, and the chair of the utilities and transportation commission, or his or her designee. The department of information services shall serve as the lead agency of the task force.

(2) The task force shall create a working group that includes representatives of a broad range of affected interests, including telecommunications companies engaged in both interstate and intrastate communications, the hearing-impaired communities and agencies, and the speech-impaired community and agencies. To the extent possible, the members of the working group should be persons that have been or are members of the TDD advisory committee established under RCW 43.20A.730. The working group shall provide information, advice, and technical assistance to the task force.

(3) The task force shall report to the energy and utilities committees of the house of representatives and the senate by December 15, 1991, on its findings and recommendations. The report shall, at a minimum, address the following:

(a) The requirements of the Americans with disabilities act, and the regulations promulgated by the federal communications commission to implement the act, including federal requirements as to funding mechanisms, blockage rate, and confidentiality;

(b) The issues identified in the December 1990 report of the department of social and health services with regard to the operation of the Washington state TDD relay service, and particularly alternative operation and management structures, the utility of new cost-effective technology, regional cooperation with other states, competition and access to a variety of local carriers, utilization of the state's SCAN lines, and line blockage;

(c) The advantages and disadvantages of allowing carriers to determine how they should meet the requirements of the Americans with disabilities act, or whether the state should take the lead in devising or maintaining a state-wide TDD relay system that would meet those requirements; and

(d) Whether the task force should continue its work on issues that are complex, where there appears to be no consensus on any proposed direction or solution, or where the requirements of federal law have not been made clear.

The report shall contain recommendations or alternatives for legislative action.

Passed the Senate April 22, 1991.

Passed the House April 17, 1991.

ELECTRIC UTILITIES—ENERGY CODE AND RATEMAKING—REVISED PROVISIONS

Effective Date: 7/28/91

AN ACT Relating to obtaining additional electricity supplies through conservation and generation; amending RCW 80.04.250; adding a new section to chapter 19.27A RCW; and creating a new section.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that the state is facing an energy shortage as growth occurs and that inadequate supplies of energy will cause harmful impacts on the entire range of state citizens. The legislature further finds that energy efficiency improvement is the single most effective near term measure to lessen the risk of energy shortage. In the area of electricity, the legislature additionally finds that the Northwest power planning council has made several recommendations, including an update of the commercial building energy code and granting flexible rate-making alternatives for utility commissions to encourage prudent acquisition of new electric resources.

Sec. 2. RCW 80.04.250 and 1961 c 14 s 80.04.250 are each amended to read as follows:

The commission shall have power upon complaint or upon its own motion to ascertain and determine the fair value for rate making purposes of the property of any public service company used and useful for service in this state and shall exercise such power whenever it shall deem such valuation or determination necessary or proper under any of the provisions of this title. In determining what property is used and useful for providing electric, gas, or water service, the commission may include the reasonable costs of construction work in progress to the extent that the commission finds that inclusion is in the public interest.

The commission shall have the power to make revaluations of the property of any public service company from time to time.

The commission shall, before any hearing is had, notify the complainants and the public service company concerned of the time and place of such hearing by giving at least thirty days' written notice thereof, specifying that at the time and place designated a hearing will be held for the purpose of ascertaining the value of the company's property, used and useful as aforesaid, which notice shall be sufficient to authorize the commission to inquire into and pass upon the matters designated in this section.

NEW SECTION. Sec. 3. A new section is added to chapter 19.27A RCW to read as follows:

(1) The minimum state energy code for new nonresidential buildings shall be the Washington state energy code, 1986 edition, as amended. The state building code council may, by rule adopted pursuant to chapter 34.05 RCW, amend that code's requirements for new nonresidential buildings provided that:

(a) Such amendments increase the energy efficiency of typical newly constructed nonresidential buildings; and

(b) Any new measures, standards, or requirements adopted must be technically feasible, commercially available, and cost-effective to building owners and tenants.

(2) In considering amendments to the state energy code for nonresidential buildings, the state building code council shall establish and consult with a technical advisory committee including representatives of appropriate state agencies, local governments, general contractors, building owners and managers, design professionals, utilities, and other interested and affected parties.

(3) Decisions to amend the Washington state energy code for new nonresidential buildings shall be made prior to December 15th of any year and shall not take effect before the end of the regular legislative session in the next year. Any disputed provisions within an amendment presented to the legislature shall be approved by the legislature before going into effect. A disputed provision is one which was adopted by the state building code council with less than a two-thirds majority vote. Substantial amendments to the code shall be adopted no more frequently than every three years.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 3. A new section is added to chapter 6.15 RCW to read as follows:

The boundaries of each authority shall be coextensive with the boundaries of the county within which it is located. An authority shall include all incorporated and unincorporated areas of the county within which it is located.

(2) Except as provided in section 2 of this act, all authorities which are presently or may hereafter be within counties of the first class, class A or class AA, are hereby designated as activated authorities and shall carry out the duties and exercise the powers provided in this chapter. Those authorities hereby activated which encompass contiguous counties located in one or the other of the two major areas determined in RCW 70.94.011 are declared to be and directed to function as a multicounty authority.

(3) Except as provided in RCW 70.94.232, all other air pollution control authorities are hereby designated as inactive authorities.

(4) The boards of those authorities designated as activated authorities by this chapter shall be comprised of such appointees and/or county commissioners or other officers as is provided in RCW 70.94.100. The first meeting of the boards of those authorities designated as activated authorities by this chapter shall be on or before sixty days after June 8, 1967.

(5) The department is directed to conduct the necessary evaluations and delineate appropriate air pollution regions throughout the state, taking into consideration:

(a) The natural climatic and topographic features affecting the potential for buildup of air contaminant concentrations.

(b) The degree of urbanization and industrialization and the existence of activities which are likely to cause air pollution.

(c) The county boundaries as related to the air pollution regions and the practicality of administering air pollution control programs.

NEW SECTION. Sec. 2. A new section is added to chapter 70.94 RCW to read as follows:

(1) Any county that is part of a multicounty authority, pursuant to RCW 70.94.053, may withdraw from the multicounty authority after January 1, 1992, if the county wishes to provide for air quality protection and regulation by an alternate air quality authority. A withdrawing county shall:

- (a) Create its own single county authority;
- (b) Join another existing multicounty authority with which its boundaries are contiguous;
- (c) Join with one or more contiguous inactive authorities to operate as a new multicounty authority; or
- (d) Become an inactive authority and subject to regulation by the department of ecology.

(2) In order to withdraw from an existing multicounty authority, a county shall make arrangements, by interlocal agreement, for division of assets and liabilities and the appropriate release of any and all interest in assets of the multicounty authority.

(3) In order to effectuate any of the alternate arrangements in subsection (1) of this section, the procedures of this chapter to create an air pollution control authority shall be met and the actions must be taken at least six months prior to the effective date of withdrawal. The rules of the original multicounty authority shall continue in force for the withdrawing county until such time as all conditions to create an air pollution control authority have been met.

(5) If a county elects to withdraw from an existing multicounty authority, the air pollution control regulations shall remain in effect for the withdrawing county until suspended by the adoption of rules, regulations, or ordinances adopted under one of the alternatives of subsection (1) of this section. A county shall initiate proceedings to adopt such rules, regulations, or ordinances on or before the effective date of the county's withdrawal.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 74.04.005 and 1990 c 285 s 2 are each amended to read as follows:

For the purposes of this title, unless the context indicates otherwise, the following definitions shall apply:

(1) "Public assistance" or "assistance"—Public aid to persons in need thereof for any cause, including services, medical care, assistance grants, disbursing orders, work relief, general assistance and federal-aid assistance.

(2) "Department"—The department of social and health services.

(3) "County or local office"—The administrative office for one or more counties or designated service areas.

(4) "Director" or "secretary" means the secretary of social and health services.

(5) "Federal-aid assistance"—The specific categories of assistance for which provision is made in any federal law existing or hereafter passed by which payments are made from the federal government to the state in aid or in respect to payment by the state for public assistance rendered to any category of needy persons for which provision for federal funds or aid may from time to time be made, or a federally administered needs-based program.

(6)(a) "General assistance"—Aid to persons in need who:

(i) Are not eligible to receive federal-aid assistance, other than food stamps and medical assistance; however, an individual who refuses or fails to cooperate in obtaining federal-aid assistance, without good cause, is not eligible for general assistance;

(ii) Are either:

(A) Pregnant: PROVIDED, That need is based on the current income and resource requirements of the federal aid to families with dependent children program: PROVIDED FURTHER, That during any period in which an aid for dependent children employable program is not in operation, only those pregnant women who are categorically eligible for medicaid are eligible for general assistance; or

(B) Incapacitated from gainful employment by reason of bodily or mental infirmity that will likely continue for a minimum of sixty days as determined by the department. Persons who are unemployable due to alcohol or drug addiction are not eligible for general assistance. Persons receiving general assistance on July 26, 1987, or becoming eligible for such assistance thereafter, due to an alcohol or drug-related incapacity, shall be referred to appropriate assessment, treatment, shelter, or supplemental security income referral services as authorized under chapter 74.50 RCW. Referrals shall be made at the time of application or at the time of eligibility review. Alcoholic and drug addicted clients who are receiving general assistance on July 26, 1987, may remain on general assistance if they otherwise retain their eligibility until they are assessed for services under chapter 74.50 RCW. This subsection (6)(a)(ii)(B) shall not be construed to prohibit the department from granting general assistance benefits to alcoholics and drug addicts who are incapacitated due to other physical or mental conditions that meet the eligibility criteria for the general assistance program;

(iii) Are citizens or aliens lawfully admitted for permanent residence or otherwise residing in the United States under color of law; and

(iv) Have furnished the department their social security account number. If the social security account number cannot be furnished because it has not been issued or is not known, an application for a number shall be made prior to authorization of assistance, and the social security number shall be provided to the department upon receipt.

(b) Notwithstanding the provisions of subsection (6)(a)(i), (ii), and (c) of this section, general assistance shall be provided to the following recipients of federal-aid assistance:

(i) Recipients of supplemental security income whose need, as defined in this section, is not met by such supplemental security income grant because of separation from a spouse; or

(ii) To the extent authorized by the legislature in the biennial appropriations act, to recipients of aid to families with dependent children whose needs are not being met because of a temporary reduction in monthly income below the entitled benefit payment level caused by loss or reduction of wages or unemployment compensation benefits or some other unforeseen circumstances. The amount of general assistance authorized shall not exceed the difference between the entitled benefit payment level and the amount of income actually received.

(c) General assistance shall be provided only to persons who are not members of assistance units receiving federal aid assistance, except as provided in subsection (6)(a)(ii)(A) and (b) of this section, and will accept available services which can reasonably be expected to enable the person to work or reduce the need for assistance unless there is good cause to refuse. Failure to accept such services shall result in termination until the person

agrees to cooperate in accepting such services and subject to the following maximum periods of ineligibility after reapplication:

- (i) First failure: One week;
- (ii) Second failure within six months: One month;
- (iii) Third and subsequent failure within one year: Two months.

(d) The department shall adopt by rule medical criteria for general assistance eligibility to ensure that eligibility decisions are consistent with statutory requirements and are based on clear, objective medical information.

(e) The process implementing the medical criteria shall involve consideration of opinions of the treating or consulting physicians or health care professionals regarding incapacity, and any eligibility decision which rejects uncontroverted medical opinion must set forth clear and convincing reasons for doing so.

(f) Recipients of general assistance based upon a finding of incapacity from gainful employment who remain otherwise eligible shall not have their benefits terminated absent a clear showing of material improvement in their medical or mental condition or specific error in the prior determination that found the recipient eligible by reason of incapacitation. Recipients of general assistance based upon pregnancy who relinquish their child for adoption, remain otherwise eligible, and ((who)) are not eligible to receive benefits under the federal aid to families with dependent children program shall not have their benefits terminated until the end of the month in which the period of six weeks following the birth of the recipient's child falls. Recipients of the federal aid to families with dependent children program who lose their eligibility solely because of the birth and relinquishment of the qualifying child may receive general assistance through the end of the month in which the period of six weeks following the birth of the child falls.

(7) "Applicant"—Any person who has made a request, or on behalf of whom a request has been made, to any county or local office for assistance.

(8) "Recipient"—Any person receiving assistance and in addition those dependents whose needs are included in the recipient's assistance.

(9) "Standards of assistance"—The level of income required by an applicant or recipient to maintain a level of living specified by the department.

(10) "Resource"—Any asset, tangible or intangible, owned by or available to the applicant at the time of application, which can be applied toward meeting the applicant's need, either directly or by conversion into money or its equivalent: PROVIDED, That an applicant may retain the following described resources and not be ineligible for public assistance because of such resources.

(a) A home, which is defined as real property owned and used by an applicant or recipient as a place of residence, together with a reasonable amount of property surrounding and contiguous thereto, which is used by and useful to the applicant. Whenever a recipient shall cease to use such

property for residential purposes, either for himself or his dependents, the property shall be considered as a resource which can be made available to meet need, and if the recipient or his dependents absent themselves from the home for a period of ninety consecutive days such absence, unless due to hospitalization or health reasons or a natural disaster, shall raise a rebuttable presumption of abandonment: PROVIDED, That if in the opinion of three physicians the recipient will be unable to return to the home during his lifetime, and the home is not occupied by a spouse or dependent children or disabled sons or daughters, such property shall be considered as a resource which can be made available to meet need.

(b) Household furnishings and personal effects and other personal property having great sentimental value to the applicant or recipient, as limited by the department consistent with limitations on resources and exemptions for federal aid assistance.

(c) A motor vehicle, other than a motor home, used and useful having an equity value not to exceed one thousand five hundred dollars.

(d) All other resources, including any excess of values exempted, not to exceed one thousand dollars or other limit as set by the department, to be consistent with limitations on resources and exemptions necessary for federal aid assistance.

(e) Applicants for or recipients of general assistance may retain the following described resources in addition to exemption for a motor vehicle or home and not be ineligible for public assistance because of such resources:

(i) Household furnishings, personal effects, and other personal property having great sentimental value to the applicant or recipient;

(ii) Term and burial insurance for use of the applicant or recipient;

(iii) Life insurance having a cash surrender value not exceeding one thousand five hundred dollars; and

(iv) Cash, marketable securities, and any excess of values above one thousand five hundred dollars equity in a vehicle and above one thousand five hundred dollars in cash surrender value of life insurance, not exceeding one thousand five hundred dollars for a single person or two thousand two hundred fifty dollars for a family unit of two or more. The one thousand dollar limit in subsection (10)(d) of this section does not apply to recipients of or applicants for general assistance.

(f) If an applicant for or recipient of public assistance possesses property and belongings in excess of the ceiling value, such value shall be used in determining the need of the applicant or recipient, except that: (i) The department may exempt resources or income when the income and resources are determined necessary to the applicant's or recipient's restoration to independence, to decrease the need for public assistance, or to aid in rehabilitating the applicant or recipient or a dependent of the applicant or recipient; and (ii) the department may provide grant assistance for a period

not to exceed nine months from the date the agreement is signed pursuant to this section to persons who are otherwise ineligible because of excess real property owned by such persons when they are making a good faith effort to dispose of that property~~(; but the recipient must sign an agreement to dispose of the property and repay assistance payments made to the date of disposition of the property which would not have been made had the disposal occurred at the beginning of the period for which the payments of such assistance were made. In no event shall such amount due the state exceed the net proceeds otherwise available to the recipient from the disposition, unless after nine months from the date of the agreement the property has not been sold, or if the recipient's eligibility for financial assistance ceases for any other reason. In these two instances the entire amount of assistance paid during this period will be treated as an overpayment and a debt due the state, and may be recovered pursuant to RCW 43.20B.630))~~; PROVIDED, That:

(A) The applicant or recipient signs an agreement to repay the lesser of the amount of aid received or the net proceeds of such sale;

(B) If the owner of the excess property ceases to make good faith efforts to sell the property, the entire amount of assistance may become an overpayment and a debt due the state and may be recovered pursuant to RCW 43.20B.630;

(C) Applicants and recipients are advised of their right to a fair hearing and afforded the opportunity to challenge a decision that good faith efforts to sell have ceased, prior to assessment of an overpayment under this section; and

(D) At the time assistance is authorized, the department files a lien without a sum certain on the specific property.

(11) "Income"—(a) All appreciable gains in real or personal property (cash or kind) or other assets, which are received by or become available for use and enjoyment by an applicant or recipient during the month of application or after applying for or receiving public assistance. The department may by rule and regulation exempt income received by an applicant for or recipient of public assistance which can be used by him to decrease his need for public assistance or to aid in rehabilitating him or his dependents, but such exemption shall not, unless otherwise provided in this title, exceed the exemptions of resources granted under this chapter to an applicant for public assistance. In determining the amount of assistance to which an applicant or recipient of aid to families with dependent children is entitled, the department is hereby authorized to disregard as a resource or income the earned income exemptions consistent with federal requirements. The department may permit the above exemption of earnings of a child to be retained by such child to cover the cost of special future identifiable needs

even though the total exceeds the exemptions and resources granted to applicants and recipients of public assistance, but consistent with federal requirements. In formulating rules and regulations pursuant to this chapter, the department shall define income and resources and the availability thereof, consistent with federal requirements. All resources and income not specifically exempted, and any income or other economic benefit derived from the use of, or appreciation in value of, exempt resources, shall be considered in determining the need of an applicant or recipient of public assistance.

(b) If, under applicable federal requirements, the state has the option of considering property in the form of lump sum compensatory awards or related settlements received by an applicant or recipient as income or as a resource, the department shall consider such property to be a resource.

(12) "Need"—The difference between the applicant's or recipient's standards of assistance for himself and the dependent members of his family, as measured by the standards of the department, and value of all nonexempt resources and nonexempt income received by or available to the applicant or recipient and the dependent members of his family.

(13) For purposes of determining eligibility for public assistance and participation levels in the cost of medical care, the department shall exempt restitution payments made to people of Japanese and Aleut ancestry pursuant to the Civil Liberties Act of 1988 and the Aleutian and Pribilof Island Restitution Act passed by congress, P.L. 100-383, including all income and resources derived therefrom.

(14) In the construction of words and phrases used in this title, the singular number shall include the plural, the masculine gender shall include both the feminine and neuter genders and the present tense shall include the past and future tenses, unless the context thereof shall clearly indicate to the contrary.

Sec. 2. RCW 74.04.055 and 1979 c 141 s 298 are each amended to read as follows:

In furtherance of the policy of this state to cooperate with the federal government in the programs included in this title the secretary shall issue such rules and regulations as may become necessary to entitle this state to participate in federal grants-in-aid, goods, commodities and services unless the same be expressly prohibited by this title. Any section or provision of this title which may be susceptible to more than one construction shall be interpreted in favor of the construction most likely to satisfy federal laws entitling this state to receive federal matching or other funds for the various programs of public assistance. If any part of this chapter is found to be in conflict with federal requirements which are a prescribed condition to the receipts of federal funds to the state, the conflicting part of this chapter is hereby inoperative solely to the extent of the conflict with respect to the

agencies directly affected, and such finding or determination shall not affect the operation of the remainder of this chapter.

Sec. 3. RCW 74.04.500 and 1979 c 141 s 322 are each amended to read as follows:

The department of social and health services is authorized to establish a food stamp program under the federal food stamp act of ~~((1964))~~ 1977, as amended.

Sec. 4. RCW 74.04.515 and 1969 ex.s. c 172 s 7 are each amended to read as follows:

In ~~((determining eligibility for purchase of))~~ administering the food stamp(s) program, there shall be no discrimination against any ~~((household))~~ applicant or recipient by reason of age, sex, handicap, religious creed, political beliefs, race, color, or national origin.

NEW SECTION. Sec. 5. The legislature establishes as state policy the goal of economic self-sufficiency for employable recipients of public assistance, through employment, training, and education. In furtherance of this policy, the legislature intends to comply with the requirements of the federal social security act, as amended, by creating a job opportunities and basic skills training program for applicants and recipients of aid to families with dependent children. The purpose of this program is to provide recipients of aid to families with dependent children the opportunity to obtain a full range of necessary education, training, skills, and supportive services, including child care, consistent with their needs, that will help them enter or reenter gainful employment, thereby avoiding long-term welfare dependence and achieving economic self-sufficiency. The program shall be operated by the department of social and health services in conformance with federal law and consistent with the following legislative findings:

(1) The legislature finds that the well-being of children depends not only on meeting their material needs, but also on the ability of parents to become economically self-sufficient. The job opportunities and basic skills training program is specifically directed at increasing the household earnings of aid to families with dependent children recipients, through the removal of barriers preventing them from achieving self-sufficiency. These barriers include, but are not limited to, the lack of supportive services such as affordable and reliable child care, adequate transportation, appropriate counseling, and necessary job-related tools, equipment, books, clothing, and supplies, the absence of basic literacy skills, the lack of educational attainment sufficient to meet labor market demands for career employees, and the nonavailability of useful labor market assessments.

(2) The legislature also recognizes that aid to families with dependent children recipients must be acknowledged as active participants in self-

sufficiency planning under the program. The legislature finds that the department of social and health services should communicate concepts of personal empowerment, self-motivation, and self-esteem to program participants. The legislature further recognizes that informed choice is consistent with individual responsibility, and that parents should be given a range of options for available child care while participating in the program.

(3) The legislature finds that education, including, but not limited to, literacy, high school equivalency, vocational, secondary, and postsecondary, is one of the most important tools an individual needs to achieve full independence, and that this should be an important component of the program.

(4) The legislature further finds that the objectives of this program are to assure that aid to families with dependent children recipients achieve financial stability and an adequate standard of living at wages that will meet family needs.

NEW SECTION. Sec. 6. (1) The department of social and health services is authorized to contract with public and private employment and training agencies and other public service entities to provide services prescribed or allowed under the federal social security act, as amended, to carry out the purposes of the jobs training program. The department of social and health services has sole authority and responsibility to carry out the job opportunities and basic skills training program. No contracting entity shall have the authority to review, change, or disapprove any administrative decision, or otherwise substitute its judgment for that of the department of social and health services as to the application of policies and rules adopted by the department of social and health services.

(2) To the extent feasible under federal law, the department of social and health services and all entities contracting with it shall give first priority of service to individuals volunteering for program participation.

(3) The department of social and health services shall adopt rules under chapter 34.05 RCW establishing criteria constituting circumstances of good cause for an individual failing or refusing to participate in an assigned program component, or failing or refusing to accept or retain employment. These criteria shall include, but not be limited to, the following circumstances: (a) If the individual is a parent or other relative personally providing care for a child under age six years, and the employment would require the individual to work more than twenty hours per week; (b) if child care, or day care for an incapacitated individual living in the same home as a dependent child, is necessary for an individual to participate or continue participation in the program or accept employment, and such care is not available, and the department of social and health services fails to provide such care; (c) the employment would result in the family of the participant experiencing a net loss of cash income; or (d) circumstances that are beyond the control of the individual's household, either on a short-term or on an ongoing basis.

(4) The department of social and health services shall adopt rules under chapter 34.05 RCW as necessary to effectuate the intent and purpose of this chapter.

NEW SECTION. Sec. 7. Any section or provision of law dealing with the job opportunities and basic skills training program that may be susceptible to more than one construction shall be interpreted in favor of the construction most likely to comply with federal laws entitling the state to receive federal funds.

NEW SECTION. Sec. 8. If any part of this chapter shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this chapter is hereby declared to be inoperative solely to the extent of such conflict and with respect to the agency directly affected, and such finding or determination shall not affect the operation of the remainder of this chapter and its application to the agency concerned.

NEW SECTION. Sec. 9. If any provision of this chapter or its application to any person or circumstance is held invalid, the remainder of the chapter or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 10. Sections 5 through 9 of this act shall constitute a new chapter in Title 74 RCW.

NEW SECTION. Sec. 11. The following acts or parts of acts are each repealed:

- (1) RCW 74.04.390 and 1979 c 141 s 315, 1963 c 228 s 6, & 1961 c 269 s 2;

****NEW SECTION. Sec. 12. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1991, in the omnibus appropriations act, this act shall be null and void.***

*Sec. 12 was vetoed, see message at end of chapter.

Passed the House March 20, 1991.

Passed the Senate April 19, 1991.

Approved by the Governor May 10, 1991 with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 10, 1991.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 12, Substitute House Bill No. 1052 entitled:

"AN ACT Relating to clarification of existing public assistance statutes."

This bill contains important state policy regarding implementation of new federal laws. It was amended by legislative committees after thoughtful review and receipt of public testimony.

The programs referenced are contained in the Essential Requirements Level of my proposed budget, as well as in the proposed budgets of the House and Senate.

I am vetoing section 12, the null and void clause, which would negate this bill if specific funding, referencing this bill by number, is not provided in the final budget. There is no need for a specific reference to this bill by number in the budget.

For this reason, I have vetoed section 12 of Substitute House Bill No. 1052.

With the exception of section 12, Substitute House Bill No. 1052 is approved.*

CHAPTER 127

[Second Substitute Senate Bill 5127]

(1) If a case involves an Indian child, as defined by 25 U.S.C. Sec. 1903 or by department rule or policy, the court may appoint the local Indian child welfare advisory committee to serve as the citizen review board for the case unless otherwise requested by the child's tribe or by the local Indian child welfare advisory committee.

(3) Within ten days following court appointment of a committee to serve as a citizen review board for a particular case, the committee shall notify the court whether the committee will accept the case for review. If the committee accepts a case for review, the committee shall conduct the review in accordance with the requirements of this chapter except as otherwise provided in this section. If the committee does not accept a case for review, the court shall immediately reassign the case to an available board.

(4) The requirements of this chapter do not affect tribal sovereignty and shall not apply to cases involving Indian children who are under tribal court jurisdiction or wardship.

Sec. 2. RCW 13.70.005 and 1989 1st ex.s. c 17 s 2 are each amended to read as follows:

Sec. 4. RCW 13.34.130 and 1990 c 284 s 32 and 1990 c 246 s 5 are each reenacted and amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2); after

consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a grandparent, brother, sister, stepbrother, stepsister, uncle, aunt, or first cousin with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that:

(i) There is no parent or guardian available to care for such child;

(ii) The parent, guardian, or legal custodian is not willing to take custody of the child;

(iii) A manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger; or

(iv) The extent of the child's disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home.

(2) If the court has ordered a child removed from his or her home pursuant to RCW 13.34.130(1)(b), the court may order that a petition seeking termination of the parent and child relationship be filed if the court finds it is recommended by the supervising agency, that it is in the best interests of the child and that it is not reasonable to provide further services to reunify the family because the existence of aggravated circumstances make it unlikely that services will effectuate the return of the child to the

child's parents in the near future. In determining whether aggravated circumstances exist, the court shall consider one or more of the following:

(a) Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.073, 9A.44.076, and 9A.44.079;

(b) Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030;

(c) Conviction of the parent of assault of the child in the first or second degree as defined in RCW 9A.36.011 and 9A.36.021;

(d) Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child;

(e) A finding by a court that a parent is a sexually violent predator as defined in RCW (~~9A.88.010~~) 71.09.020;

(f) Failure of the parent to complete available treatment ordered under this chapter or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim.

(3) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with:

(a) A permanent plan of care that may include one of the following: Return of the child to the home of the child's parent, adoption, guardianship, or long-term placement with a relative or in foster care with a written agreement.

(b) Unless the court has ordered, pursuant to RCW 13.34.130(2), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to resume custody, what requirements the parents must meet in order to resume custody, and a time limit for each service plan and parental requirement.

(ii) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and

health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(c) If the court has ordered, pursuant to RCW 13.34.130(2), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents.

(4) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

(5) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 5. RCW 13.70.110 and 1989 1st ex.s. c 17 s 13 are each amended to read as follows:

(1) This section shall apply to cases where a child has been placed in substitute care pursuant to a proceeding under chapter 13.34 RCW.

(2) Within forty-five days following commencement of the placement episode, the court shall assign the child's case to a board and forward to the board a copy of the dependency petition and any shelter care or dependency disposition orders which have been entered in the case by the court.

(3) The board shall review the case plan for each child whose case is assigned to the board by the court. The review shall take place at times set by the board. The first review shall occur within ninety days following commencement of the placement episode. The second review shall occur within six months following commencement of the placement episode. The next review shall occur within one year after commencement of the placement episode. Within eighteen months following commencement of the placement episode, a permanency planning hearing shall be held before the court in accordance with RCW 13.34.145. Thereafter, the court shall assign the child's case for a board review or a court review hearing pursuant to RCW 13.34.130((4)) (5). A board review or a court review hearing shall take place at least once every six months until the child is no longer within the jurisdiction of the court or no longer in substitute care or until a guardianship order or adoption decree is entered. After the permanency planning hearing, a court review hearing must occur at least once a year as provided in RCW 13.34.130. The board shall review any case where a petition to

terminate parental rights has been denied, and such review shall occur as soon as practical but no later than forty-five days after the denial.

(4) The board shall prepare written findings and recommendations with respect to:

(a) Whether reasonable efforts were made before the placement to prevent or eliminate the need for removal of the child from the home, including whether consideration was given to removing the alleged offender, rather than the child, from the home;

(b) Whether reasonable efforts have been made subsequent to the placement to make it possible for the child to be returned home;

(c) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration has been given to placement with the child's relatives;

(d) Whether there is a continuing need for placement and whether the placement is appropriate;

(e) Whether there has been compliance with the case plan;

(f) Whether progress has been made toward alleviating the need for placement;

(g) A likely date by which the child may be returned home or other permanent plan of care may be implemented; and

(h) Other problems, solutions, or alternatives the board determines should be explored.

(5) Within ten working days following the review, the board shall send a copy of its findings and recommendations to the parents and their attorneys, the child's custodians and their attorneys, mature children and their attorneys, other attorneys or guardians ad litem appointed by the court to represent children, the department and other child placement agencies directly responsible for supervising the child's placement, and any prosecuting attorney or attorney general actively involved in the case. If the child is an Indian as defined in the Indian child welfare act, 25 U.S.C. Sec. 1901 et seq., a copy of the board's findings and recommendations shall also be sent to the child's Indian tribe.

(6) If the department is unable or unwilling to implement the board recommendations, the department shall submit to the board, within ten working days after receipt of the findings and recommendations, an implementation report setting forth the reasons why the department is unable or unwilling to implement the board's recommendations. The report will also set forth the case plan which the department intends to implement.

(7) Within forty-five days following the review, the board shall either:

(a) Schedule the case for further review by the board; or

(b) ~~((File with the court a motion for a review hearing;~~

~~(c))~~ Submit to the court the board's findings and recommendations ~~((;))~~ and the department's implementation reports, if any ~~((; and a proposed amended court order agreed to by the parties to the action, if any))~~.

If the board's recommendations are different from the existing court-ordered case plan, the board shall also file with the court a motion for a review hearing.

(8) ~~((Upon))~~ Within ten days of receipt of the board's written findings and recommendations~~((:))~~ and the department's implementation report, if any, ~~((and the proposed amended court order, if any;))~~ the court shall ~~((either:~~

~~(a) Approve the recommendations; or~~

~~(b) Upon its own motion, schedule a review hearing))~~ review the findings and recommendations and implementation reports, if any. The court may on its own motion schedule a review hearing.

(9) Unless modified by subsequent court order, the court-ordered case plan and court orders that are in effect at the time that a board reviews a case shall remain in full force and effect. Board findings and recommendations are advisory only and do not in any way modify existing court orders or court-ordered case plans.

(10) The findings and recommendations of the board and the department's implementation report, if any, shall become part of the department's case file and the court social file pertaining to the child.

~~((+0))~~ (11) Nothing in this section shall limit or otherwise modify the rights of any party to a dependency proceeding to request and receive a court review hearing pursuant to the provisions of chapter 13.34 RCW or applicable court rules.

Sec. 6. RCW 13.34.210 and 1988 c 203 s 2 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department of social and health services or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption, or in the absence thereof in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within six months after the date of the order and a general guardian of the child has not been appointed by the court, the child shall be returned to the court for entry of further orders for his or her care, custody, and control, and, except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the court shall review the case every six months thereafter until a decree of adoption is entered.

NEW SECTION. Sec. 17. Sections 1 through 11 and 13 through 16 of this act shall take effect January 1, 1992.

Passed the House March 8, 1991.

Passed the Senate April 15, 1991.

Approved by the Governor May 10, 1991 with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 10, 1991.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 12, Substitute House Bill No. 1051 entitled:

"AN ACT Relating to international student exchange programs."

This bill takes a first step toward regulating organizations involved in international student exchange activities in Washington by requiring that these organizations register with the Office of the Secretary of State. In addition, the Superintendent of Public Instruction is required to notify school districts of the names of international student exchange organizations that have registered with the

state. I concur with the need to provide greater accountability by establishing standards and providing public access to certain basic information regarding such organizations.

Section 12 of the bill requires the Secretary of State to establish a task force on international student exchange and requires the task force to examine a list of specific issues related to international student exchange programs. No funding was provided for the task force in either the House or Senate proposed budgets. Both the Secretary of State and the Superintendent of Public Instruction have authority to establish ad-hoc committees to study issues under their respective jurisdictions. Should the task force actually receive funding in the coming biennium, either official has the capacity to respond by convening a group with the broad membership outlined in this section.

For the reasons stated above, I have vetoed section 12 of Substitute House Bill No. 1051.

With the exception of section 12, Substitute House Bill No. 1051 is approved.*

[Substitute House Bill 2069]

UNEMPLOYMENT COMPENSATION—EMPLOYER RELIEF FROM BENEFIT CHARGES

Effective Date: 7/28/91

AN ACT Relating to employer relief from unemployment insurance charges; and amending RCW 50.29.020.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 50.29.020 and 1988 c 27 s 1 are each amended to read as follows:

(1) An experience rating account shall be established and maintained for each employer, except employers as described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers as described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, based on existing records of the employment security department. Benefits paid to any eligible individuals shall be charged to the experience rating accounts of each of such individual's employers during the individual's base year in the same ratio that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during that base year, except as otherwise provided in this section.

(2) The legislature finds that certain benefit payments, in whole or in part, should not be charged to the experience rating accounts of employers except those employers described in RCW 50.44.010 and 50.44.030 who have properly elected to make payments in lieu of contributions, taxable local government employers described in RCW 50.44.035, and those employers who are required to make payments in lieu of contributions, as follows:

(a) Benefits paid to any individuals later determined to be ineligible shall not be charged to the experience rating account of any contribution paying employer.

(b) Benefits paid to an individual under the provisions of RCW 50.12-.050 shall not be charged to the account of any contribution paying employer if the wage credits earned in this state by the individual during his or her base year are less than the minimum amount necessary to qualify the individual for unemployment benefits.

(c) Benefits paid to an individual filing under the provisions of chapter 50.06 RCW shall not be charged to the experience rating account of any contribution paying employer.

(d) Benefits paid which represent the state's share of benefits payable under chapter 50.22 RCW shall not be charged to the experience rating account of any contribution paying employer.

(e) In the case of individuals who requalify for benefits under RCW 50.20.050 or 50.20.060, benefits based on wage credits earned prior to the disqualifying separation shall not be charged to the experience rating account of the contribution paying employer from whom that separation took place.

(f)(i) Benefits paid to an individual as the result of a determination by the commissioner that no stoppage of work exists, pursuant to RCW 50.20-.090, shall not be charged to the experience rating account of any contribution paying employer.

(ii) Benefits paid to an individual under RCW 50.20.090(1) for weeks of unemployment ending before February 20, 1987, shall not be charged to the experience rating account of any base year employer.

(g) In the case of individuals identified under RCW 50.20.015, benefits paid with respect to a calendar quarter, which exceed the total amount of wages earned in the state of Washington in the higher of two corresponding calendar quarters included within the individual's determination period, as defined in RCW 50.20.015, shall not be charged to the experience rating account of any contribution paying employer.

(h) Beginning July 1, 1985, a contribution-paying base year employer, not otherwise eligible for relief of charges for benefits under this section, may receive such relief if:

(i) The benefit charges result from payment to an individual who last left the employ of such employer voluntarily for reasons not attributable to the employer, or was discharged for misconduct connected with his or her work; and

(ii) The employer requests relief of charges in writing within thirty days following mailing to the last known address of the notification of the initial determination of such a claim, stating the date and reason for the last leaving; and

(iii) Upon investigation of the separation, the commissioner rules that the relief should be granted.

(i) An employer who employed a claimant during the claimant's base year, and who continues to employ the claimant, is eligible for relief of benefit charges if relief is requested in writing within thirty days of notification by the department of the claimant's application for initial determination of eligibility. Relief of benefit charges shall cease when the employment relationship with the claimant ends. This subsection shall not apply to shared work employers under chapter 50.60 RCW.

(j) Benefits paid to an individual who does not successfully complete an approved on-the-job training program under RCW 50.12.240 shall not be charged to the experience rating account of the contribution paying employer who provided the approved on-the-job training.

((j)) (k) Benefits paid resulting from a closure or severe curtailment of operations at the employer's plant, building, work site, or facility due to damage caused by fire, flood, or other natural disaster shall not be charged to the experience rating account of the employer if:

- (i) The employer petitions for relief of charges; and
- (ii) The commissioner approves granting relief of charges.

[Engrossed Substitute House Bill 1777]

PRISON CONSTRUCTION—ALTERNATIVE METHODS OF PUBLIC WORKS CONTRACTING AUTHORIZED

Effective Date: 5/10/91

AN ACT Relating to expedited prison construction; adding new sections to chapter 39.04 RCW; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature recognizes that fair and open competition is a basic tenet of public works procurement, that such competition reduces the appearance and opportunity for favoritism and inspires public confidence that contracts are awarded equitably and economically, and effective monitoring mechanisms are important means of curbing any improprieties and establishing public confidence in the process by which contractual services are procured. The legislature finds that there exists an urgent need for additional correctional facilities due to the inadequate capacity of existing correctional facilities to accommodate the present size and predicted growth of offender populations. The legislature further finds that

both the need and the urgency to construct additional state correctional facilities requires the temporary use of more expedient methods for awarding state construction contracts for correctional facilities.

NEW SECTION. Sec. 2. A new section is added to chapter 39.04 RCW to read as follows:

(1) In addition to currently authorized methods of public works contracting, and in lieu of the requirements of RCW 39.04.010 and 39.04.020 through 39.04.060, capital projects funded for over ten million dollars appropriated and authorized by the legislature for the department of corrections in the 1989-91 biennium at the McNeil Island corrections center, the Clallam Bay corrections center, the construction of new correctional facilities under the authority of the secretary of corrections including drug camps; work camps; a new medium security prison and such other correctional facilities as may be authorized by the legislature during the biennium ending June 30, 1993, may be accomplished under contract using the general contractor/construction manager method described in this section. For the purposes of this section, "general contractor/construction manager" means a firm with which the department of general administration has selected and negotiated a maximum allowable construction cost to be guaranteed by the firm, after competitive selection through a formal advertisement, and competitive bids to provide services that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work, and to act as the general contractor during the construction phase. The department of general administration shall establish an independent oversight advisory committee with representatives of interest groups with an interest in this subject area, the department of corrections, and the private sector, to review selection and contracting procedures. The general contractor/construction manager method is limited to contracts signed before July 1, 1996.

(2) Contracts for the services of a general contractor/construction manager awarded under the authority of this section shall be awarded through a competitive process requiring the public solicitation of proposals for general contractor/construction manager services. Minority and women enterprise total project goals shall be specified in the bid instructions to the general contractor/construction manager finalists. The director of general administration is authorized to include an incentive clause in any contract awarded under this section for savings of either time or cost or both from that originally negotiated. No incentives granted shall exceed five percent of the maximum allowable construction cost. The director of general administration or his or her designee shall establish a committee to evaluate the proposals considering such factors as ability of professional personnel; past performance in negotiated and complex projects; ability to meet time and budget requirements; location; recent, current, and projected work loads of

the firm; and the concept of their proposal. After the committee has selected the most qualified finalists, these finalists shall submit sealed bids for the percent fee, which is the percentage amount to be earned by the general contractor/construction manager as overhead and profit, on the estimated maximum allowable construction cost and the fixed amount for the detailed specified general conditions work. The maximum allowable construction cost may be negotiated between the department of general administration and the selected firm after the scope of the project is adequately determined to establish a guaranteed contract cost for which the general contractor/construction manager will provide a performance and payment bond. The guaranteed contract cost includes the fixed amount for the detailed specified general conditions work, the negotiated maximum allowable construction cost, the percent fee on the negotiated maximum allowable construction cost, and sales tax. If the department of general administration is unable to negotiate a satisfactory maximum allowable construction cost with the firm selected that the department of general administration determines to be fair, reasonable, and within the available funds, negotiations with that firm shall be formally terminated and the department of general administration shall negotiate with the next low bidder and continue until an agreement is reached or the process is terminated. If the maximum allowable construction cost varies more than fifteen percent from the bid estimated maximum allowable construction cost due to requested and approved changes in the scope by the state, the percent fee shall be renegotiated. All subcontract work shall be competitively bid with public bid openings. Specific goals for women and minority enterprises shall be specified in each subcontract bid package that responsive bidders will have to meet or exceed. All subcontractors who bid work over one hundred thousand dollars shall post a bid bond and the awarded subcontractor shall provide a performance and payment bond for their contract amount if required by the general contractor/construction manager. The bidding of subcontract work by the general contractor/construction manager or its subsidiaries is prohibited but it may negotiate with the low-responsive bidder in accordance with RCW 39.04-.015 or rebid if authorized by the director of general administration in the event no bids are received, the bids received are over the budget amount, or the subcontractor fails to perform.

(3) If the project is completed for less than the agreed upon maximum allowable construction cost, any savings not otherwise negotiated as part of an incentive clause shall accrue to the state. If the project is completed for more than the agreed upon maximum allowable construction cost, excepting increases due to any contract change orders approved by the state, the additional cost shall be the responsibility of the general contractor/construction manager.

(4) The powers and authority conferred by this section shall be construed as in addition and supplemental to powers or authority conferred by

any other law, and nothing contained herein shall be construed as limiting any other powers or authority of the department of general administration.

NEW SECTION. Sec. 3. A new section is added to chapter 39.04 RCW to read as follows:

Methods of public works contracting authorized by sections 1 and 2 of this act shall remain in full force and effect until completion of contracts signed on or before June 30, 1996.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House March 19, 1991.

Passed the Senate April 19, 1991.

Approved by the Governor May 10, 1991.

Filed in Office of Secretary of State May 10, 1991.

(3) Upon the filing of a complaint, the commission shall cause a copy thereof to be served upon the person or corporation complained of, which shall be accompanied by a notice fixing the time when and place where a hearing will be had upon such complaint. The time fixed for such hearing shall not be less than ten days after the date of the service of such notice and complaint, excepting as herein provided. The water system or company shall bear the expense for the testing. After the commission has received the complaint from the customer and during the pendency of the commission investigation, the water system or company shall not take any

(5) The person requesting the report shall designate to the agency, the department, the court approved individual, or the court in writing the county in which the preplacement report is to be filed. If the person requesting the report has not filed a petition for adoption, the report shall be indexed in the name of the person requesting the report and a cause number shall be assigned. (2) Where available, the information provided shall include:

[Substitute House Bill 1274]

STREET UTILITIES—REVISED PROVISIONS

Effective Date: 5/10/91

AN ACT Relating to street utilities; reenacting and amending RCW 82.80.040, 82.80.050, and 82.80.060; reenacting RCW 82.80.070; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 82.80.040 and 1990 c 42 s 209 are each reenacted and amended to read as follows:

A city or town may elect by action of its legislative authority to own, construct, maintain, operate, and preserve all or any described portion of its streets as a separate enterprise and facility, known as a street utility, and from time to time add other existing or new streets to that street utility, with full power to own, construct, maintain, operate, and preserve such streets. The legislative authority of the city or town may include as a part of the street utility, street lighting, traffic control devices, sidewalks, curbs, gutters, parking facilities, and drainage facilities. The legislative authority of the city or town is the governing body of the street utility.

Sec. 2. RCW 82.80.050 and 1990 c 42 s 210 are each reenacted and amended to read as follows:

A city or town electing to own, construct, maintain, operate, and preserve its streets as a separate street utility may levy periodic charges for the use or availability of the streets in ~~((order to meet))~~ a total annual amount of up to fifty percent of the actual costs for maintenance, operation, and preservation of facilities under the jurisdiction of the street utility. The rates charged for the use must be uniform for the same class of service and all ((classes of service)) business and residential properties must be subject to the utility charge. Charges imposed on businesses shall be measured solely by the number of employees and shall not exceed the equivalent of two dollars per full-time equivalent employee per month. Charges imposed against owners or occupants of residential property shall not exceed two dollars per month per housing unit as defined in RCW 35.95.040. ((Charges against owners of property that is exempt from property tax under chapter 84.36 RCW or leasehold tax under chapter 82.29A RCW shall be based solely on the number of employees of the tax exempt body associated with the property. Provided that in recognition of the benefits accruing to the city or town from the service provided by such tax exempt entities, the charges authorized herein shall be paid by the city or town.)) Charges authorized in this section shall not be imposed against owners of property: (1) Exempt under RCW 84.36.010; (2) exempt from the leasehold tax under chapter 82.29A RCW; or (3) used for nonprofit or sectarian purposes, which if said property were owned by such organization would qualify for exemption under chapter 84.36 RCW. The charges shall not be computed on the basis of an ad valorem charge on the underlying real property and improvements. This section shall not be used as a basis to directly or indirectly charge transportation impact fees or mitigation fees of any kind against new development. A city or town may contract with any other utility or local government to provide for billing and collection of the street utility charges.

In classifying service furnished within the general categories of business and residential, the city or town legislative authority may in its discretion consider any or all of the following factors: The difference in cost of service to the various users or traffic generators; location of the various users or traffic generators within the city or town; the difference in cost of maintenance, operation, construction, repair, and replacement of the various parts of the enterprise and facility; the different character of the service furnished to various users or traffic generators within the city or town; the size and quality of the street service furnished; the time of use or traffic generation; capital contributions made to the facility including but not limited to special assessments; and any other matters that present a reasonable difference as a ground for distinction, or the entire category of business or residential may be established as a single class. The city or town may reduce or exempt charges on residential properties to the extent of their occupancy by low-income senior citizens and low-income disabled citizens as provided in RCW 74.38.070(1), or to the extent of their occupancy by the needy or infirm.

The charges shall be charges against the property and the use thereof and shall become liens and be enforced in the same manner as rates and charges for the use of systems of sewerage under chapter 35.67 RCW.

Any city or town ordinance or resolution creating a street utility must contain a provision granting to any business a credit against any street utility charge the full amount of any commuter or employer tax paid for transportation purposes by that business.

Sec. 3. RCW 82.80.060 and 1990 c 42 s 211 are each reenacted and amended to read as follows:

The city or town electing to own, construct, maintain, operate, and preserve its streets and related facilities as a utility under this chapter may finance the construction, operation, maintenance, and preservation through local improvement districts, utility local improvement districts, or with proceeds from general obligation bonds and revenue bonds payable from the charges issued in accordance with chapter 35.41 ((σ)), 35.92, or 39.46 RCW, or any combination thereof. The city or town may use, in addition to the charges authorized by RCW 82.80.050, funds from general taxation, money received from the federal, state, or other local governments, and other funds made available to it. The proceeds of the charges authorized by RCW 82.80.050 shall be used strictly for transportation purposes in accordance with this chapter and RCW 82.80.070.

Sec. 4. RCW 82.80.070 and 1990 c 42 s 212 are each reenacted to read as follows:

(1) The proceeds collected pursuant to the exercise of the local option authority of RCW 82.80.010, 82.80.020, 82.80.030, and 82.80.050 (hereafter called "local option transportation revenues") shall be used for transportation purposes only, including but not limited to the following: The

operation and preservation of roads, streets, and other transportation improvements; new construction, reconstruction, and expansion of city streets, county roads, and state highways and other transportation improvements; development and implementation of public transportation and high-capacity transit improvements and programs; and planning, design, and acquisition of right of way and sites for such transportation purposes. The proceeds collected from excise taxes on the sale, distribution, or use of motor vehicle fuel and special fuel under RCW 82.80.010 shall be used exclusively for "highway purposes" as that term is construed in Article II, section 40 of the state Constitution.

(2) The local option transportation revenues shall be expended for transportation uses consistent with the adopted transportation and land use plans of the jurisdiction expending the funds and consistent with any applicable and adopted regional transportation plan for metropolitan planning areas.

(3) Each local government with a population greater than eight thousand that levies or expends local option transportation funds, is also required to develop and adopt a specific transportation program that contains the following elements:

(a) The program shall identify the geographic boundaries of the entire area or areas within which local option transportation revenues will be levied and expended.

(b) The program shall be based on an adopted transportation plan for the geographic areas covered and shall identify the proposed operation and construction of transportation improvements and services in the designated plan area intended to be funded in whole or in part by local option transportation revenues and shall identify the annual costs applicable to the program.

(c) The program shall indicate how the local transportation plan is coordinated with applicable transportation plans for the region and for adjacent jurisdictions.

(d) The program shall include at least a six-year funding plan, updated annually, identifying the specific public and private sources and amounts of revenue necessary to fund the program. The program shall include a proposed schedule for construction of projects and expenditure of revenues. The funding plan shall consider the additional local tax revenue estimated to be generated by new development within the plan area if all or a portion of the additional revenue is proposed to be earmarked as future appropriations for transportation improvements in the program.

(4) Local governments with a population greater than eight thousand exercising the authority for local option transportation funds shall periodically review and update their transportation program to ensure that it is consistent with applicable local and regional transportation and land use

plans and within the means of estimated public and private revenue available.

(5) In the case of expenditure for new or expanded transportation facilities, improvements, and services, priorities in the use of local option transportation revenues shall be identified in the transportation program and expenditures shall be made based upon the following criteria, which are stated in descending order of weight to be attributed:

(a) First, the project serves a multijurisdictional function;

(b) Second, it is necessitated by existing or reasonably foreseeable congestion;

(c) Third, it has the greatest person-carrying capacity;

(d) Fourth, it is partially funded by other government funds, such as from the state transportation improvement board, or by private sector contributions, such as those from the local transportation act, chapter 39.92 RCW; and

(e) Fifth, it meets such other criteria as the local government determines is appropriate.

(6) It is the intent of the legislature that as a condition of levying, receiving, and expending local option transportation revenues, no local government agency use the revenues to replace, divert, or loan any revenues currently being used for transportation purposes to nontransportation purposes. The association of Washington cities and the Washington state association of counties, in consultation with the legislative transportation committee, shall study the issue of nondiversion and make recommendations to the legislative transportation committee for language implementing the intent of this section by December 1, 1990.

(7) Local governments are encouraged to enter into interlocal agreements to jointly develop and adopt with other local governments the transportation programs required by this section for the purpose of accomplishing regional transportation planning and development.

(8) Local governments may use all or a part of the local option transportation revenues for the amortization of local government general obligation and revenue bonds issued for transportation purposes consistent with the requirements of this section.

CHAPTER 142

[Substitute House Bill 1401]

TAXPAYER RIGHTS AND RESPONSIBILITIES

Effective Date: 7/28/91 – Except Sections 9 through 11 which become effective on 1/1/92.

AN ACT Relating to taxpayer rights and responsibilities; amending RCW 82.32.050, 82.32.060, and 82.32.090; adding a new chapter to Title 82 RCW; and providing an effective date.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. This chapter shall be known and cited as "Washington taxpayers' rights and responsibilities."

NEW SECTION. Sec. 2. (1) The legislature finds that taxes are one of the most sensitive points of contact between citizens and their government, and that there is a delicate balance between revenue collection and taxpayers' rights and responsibilities. The rights, privacy, and property of Washington taxpayers should be protected adequately during the process of the assessment and collection of taxes.

(2) The legislature further finds that the Washington tax system is based largely on voluntary compliance and that taxpayers have a responsibility to inform themselves about applicable tax laws. The legislature also finds that the rights of the taxpayers and their attendant responsibilities are best implemented where the department of revenue provides accurate tax information, instructions, forms, administrative policies, and procedures to assist taxpayers to voluntarily comply with the provisions of the revenue act, Title 82 RCW, and where taxpayers cooperate in the administration of these provisions.

NEW SECTION. Sec. 3. The department of revenue shall administer this chapter. The department of revenue shall adopt or amend rules as may be necessary to fully implement this chapter and the rights established under this chapter.

NEW SECTION. Sec. 4. The taxpayers of the state of Washington have:

(1) The right to a written explanation of the basis for any tax deficiency assessment, interest, and penalties at the time the assessments are issued;

(2) The right to rely on specific, official written advice and written tax reporting instructions from the department of revenue to that taxpayer, and to have interest, penalties, and in some instances, tax deficiency assessments waived where the taxpayer has so relied to their proven detriment;

(3) The right to redress and relief where tax laws or rules are found to be unconstitutional by the final decision of a court of record and the right to prompt administrative remedies in such cases;

(4) The right to confidentiality and protection from public inquiry regarding financial and business information in the possession of the department of revenue in accordance with the requirements of RCW 82.32.330;

(5) The right to receive, upon request, clear and current tax instructions, rules, procedures, forms, and other tax information; and

(6) The right to a prompt and independent administrative review by the department of revenue of a decision to revoke a tax registration, and to a written determination that either sustains the revocation or reinstates the registration.

NEW SECTION. Sec. 5. To ensure consistent application of the revenue laws, taxpayers have certain responsibilities under chapter 82.32 RCW, including, but not limited to, the responsibility to:

- (1) Register with the department of revenue;
- (2) Know their tax reporting obligations, and when they are uncertain about their obligations, seek instructions from the department of revenue;
- (3) Keep accurate and complete business records;
- (4) File accurate returns and pay taxes in a timely manner;
- (5) Ensure the accuracy of the information entered on their tax returns;
- (6) Substantiate claims for refund;
- (7) Timely pay all taxes after closing a business and request cancellation of registration number; and
- (8) Timely respond to communications from the department of revenue.

NEW SECTION. Sec. 6. The director of revenue shall appoint a taxpayer rights advocate. The advocate shall be responsible for directly assisting taxpayers and their representatives to assure their understanding and utilization of the policies, processes, and procedures available to them in the resolution of problems.

NEW SECTION. Sec. 7. The department of revenue shall maintain a taxpayer services program consisting of, but not limited to:

- (1) Providing taxpayer assistance in the form of information, education, and instruction in person, by telephone, or by correspondence;
- (2) Conducting tax workshops at locations most conveniently accessible to the majority of taxpayers affected; and
- (3) Publishing written bulletins, instructions, current revenue laws, rules, court decisions, and interpretive rulings of the department of revenue.

NEW SECTION. Sec. 8. Sections 1 through 7 of this act shall constitute a new chapter in Title 82 RCW.

Sec. 9. RCW 82.32.050 and 1989 c 378 s 19 are each amended to read as follows:

(1) If upon examination of any returns or from other information obtained by the department it appears that a tax or penalty has been paid less than that properly due, the department shall assess against the taxpayer such additional amount found to be due and shall add thereto interest at the rate of nine percent per annum from the last day of the year in which the deficiency is incurred until date of payment for tax liabilities arising before January 1, 1992. For tax liabilities arising after December 31, 1991, until the date of payment, the rate of interest shall be variable and computed as provided in subsection (2) of this section. The rate so computed shall be adjusted on the first day of January of each year. The department shall notify the taxpayer by mail of the additional amount and the same shall become due and shall be paid within thirty days from the date of the notice, or within such further time as the department may provide. ~~((If payment is not received by the department by the due date specified in the notice, or any extension thereof, the department shall add a penalty of ten percent of the amount of the additional tax found due. If the department finds that all or any part of the deficiency resulted from an intent to evade the tax payable hereunder, a further penalty of fifty percent of the additional tax found to be due shall be added.))~~

(2) For the purposes of this section, the rate of interest to be charged to the taxpayer shall be an average of the federal short-term rate as defined in 26 U.S.C. Sec. 1274(d) plus two percentage points. The rate shall be computed by taking an arithmetical average to the nearest percentage point of the federal short-term rate, compounded annually, for the months of January, April, July, and October of the immediately preceding calendar year as published by the United States secretary of the treasury.

(3) No assessment or correction of an assessment for additional taxes due may be made by the department more than four years after the close of the tax year, except ~~((1))~~ (a) against a taxpayer who has not registered as required by this chapter, ~~((2))~~ (b) upon a showing of fraud or of misrepresentation of a material fact by the taxpayer, or ~~((3))~~ (c) where a taxpayer has executed a written waiver of such limitation.

Sec. 10. RCW 82.32.060 and 1990 c 69 s 1 are each amended to read as follows:

If, upon receipt of an application by a taxpayer for a refund or for an audit of the taxpayer's records, or upon an examination of the returns or records of any taxpayer, it is determined by the department that within the statutory period for assessment of taxes prescribed by RCW 82.32.050 a tax has been paid in excess of that properly due, the excess amount paid within such period shall be credited to the taxpayer's account or shall be refunded to the taxpayer, at the taxpayer's option. No refund or credit shall be made for taxes paid more than four years prior to the beginning of the calendar year in which the refund application is made or examination of records is completed.

Notwithstanding the foregoing limitations there shall be refunded or credited to taxpayers engaged in the performance of United States government contracts or subcontracts the amount of any tax paid, measured by that portion of the amounts received from the United States, which the taxpayer is required by contract or applicable federal statute to refund or credit to the United States, if claim for such refund is filed by the taxpayer with the department within one year of the date that the amount of the refund or credit due to the United States is finally determined and filed within four years of the date on which the tax was paid: PROVIDED, That no interest shall be allowed on such refund.

Any such refunds shall be made by means of vouchers approved by the department and by the issuance of state warrants drawn upon and payable from such funds as the legislature may provide. However, taxpayers who are required to pay taxes by electronic funds transfer under RCW 82.32.080 shall have any refunds paid by electronic funds transfer.

Any judgment for which a recovery is granted by any court of competent jurisdiction, not appealed from, for tax, penalties, and interest which were paid by the taxpayer, and costs, in a suit by any taxpayer shall be paid in like manner, upon the filing with the department of a certified copy of the order or judgment of the court. Except as to the credits in computing tax authorized by RCW 82.04.435, interest at the rate of three percent per annum shall be allowed by the department and by any court on the amount of any refund or recovery allowed to a taxpayer for taxes, penalties, or interest paid by the taxpayer before January 1, 1992. For refunds of amounts paid or other recovery allowed to a taxpayer after December 31, 1991, the rate of interest shall be the rate as computed for assessments under RCW 82.32.050(2), less one percentage point.

Sec. 11. RCW 82.32.090 and 1987 c 502 s 9 are each amended to read as follows:

(1) If payment of any tax due on a return to be filed by a taxpayer is not received by the department of revenue by the due date, there shall be assessed a penalty of five percent of the amount of the tax; and if the tax is not received within thirty days after the due date, there shall be assessed a total penalty of ten percent of the amount of the tax; and if the tax is not received within sixty days after the due date, there shall be assessed a total penalty of twenty percent of the amount of the tax. No penalty so added shall be less than ~~((two))~~ five dollars.

(2) If payment of any tax assessed by the department of revenue is not received by the department by the due date specified in the notice, or any extension thereof, the department shall add a penalty of ten percent of the amount of the additional tax found due. No penalty so added shall be less than five dollars.

(3) If a warrant be issued by the department of revenue for the collection of taxes, increases, and penalties, there shall be added thereto a penalty

of five percent of the amount of the tax, but not less than ~~((five))~~ ten dollars.

~~((Notwithstanding the foregoing,))~~ (4) If the department finds that all or any part of a deficiency resulted from the disregard of specific written instructions as to reporting or tax liabilities, the department shall add a penalty of ten percent of the amount of the additional tax found due because of the failure to follow the instructions. A taxpayer disregards specific written instructions when the department of revenue has informed the taxpayer in writing of the taxpayer's tax obligations and the taxpayer fails to act in accordance with those instructions unless the department has not issued final instructions because the matter is under appeal pursuant to this chapter or departmental regulations. The department shall not assess the penalty under this section upon any taxpayer who has made a good faith effort to comply with the specific written instructions provided by the department to that taxpayer. Specific written instructions may be given as a part of a tax assessment, audit, determination, or closing agreement, provided that such specific written instructions shall apply only to the taxpayer addressed or referenced on such documents. Any specific written instructions by the department of revenue shall be clearly identified as such and shall inform the taxpayer that failure to follow the instructions may subject the taxpayer to the penalties imposed by this subsection.

(5) If the department finds that all or any part of the deficiency resulted from an intent to evade the tax payable hereunder, a further penalty of fifty percent of the additional tax found to be due shall be added.

(6) The aggregate of penalties imposed under this ~~((chapter))~~ section for failure to ~~((five))~~ pay a tax due on a return, late payment of any tax, increase, or penalty, or issuance of a warrant shall not exceed ~~((twenty=~~ five)) thirty-five percent of the tax due, or ~~((seven))~~ twenty dollars, whichever is greater.

(7) The department of revenue may not impose both the evasion penalty and the penalty for disregarding specific written instructions on the same tax found to be due.

CHAPTER 144

[Substitute Senate Bill 5501]

COMMERCIAL SALMON FISHING LICENSES—EVALUATION OF NUMBER TO BE ISSUED

Effective Date: 7/28/91

AN ACT Relating to commercial salmon fishing licenses; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The fishing capacity of the non-treaty salmon industry in the state of Washington may exceed that required to harvest non-treaty salmon allocations. This overcapacity can negatively impact the economic stability of the salmon fishing industry and in some instances impedes orderly fisheries. The legislature finds that it is in the best interest of the long term economic stability of the salmon industry to determine the optimum number of commercial salmon licenses that should be available.

NEW SECTION. Sec. 2. The director of the department of fisheries shall, in close cooperation with the salmon fishing industry, investigate the requirements for issuance, retention, and transfer of commercial salmon licenses, shall determine the optimum number of such licenses for each existing gear type and licensing area, and shall determine the best means for attaining that optimum number. The director shall, in making this determination, consider the impacts of all non-treaty fisheries on weak stocks of salmon including those originating in Hood Canal. The director shall also consider possible environmental factors contributing to the declining fishery in Hood Canal. The director shall specifically evaluate the following issues in Hood Canal:

(1) Whether commercial salmon fisheries in Hood Canal should be restricted to certain areas;

(2) Whether guidelines pertaining to depth of nets and distance from the shoreline for vessels or skiffs are necessary; and

(3) Whether more effective methods of minimizing incidental catch in Hood Canal of blackmouth during commercial net fisheries and of coho salmon during the chum salmon fishery are needed.

Based on this evaluation, the director shall determine whether fishing regulations for Hood Canal commercial salmon fisheries should be modified, and how to minimize environmental damage to the bottom and aquatic plant life of Hood Canal.

NEW SECTION. Sec. 3. The director of the department of fisheries shall, in determining the number of licenses that should be issued, consider the impact of commercial incidental catch of fish on the recreational fishery. The director shall evaluate the need for a study for observing and documenting incidental catch of fish in non-treaty commercial fisheries. If a study is determined to be necessary, the director shall develop a study plan for observing and documenting incidental catch. The director shall initiate discussions with tribal representatives concerning evaluation of the incidental catch in tribal fisheries. The department shall present its findings and recommendations under sections 2 and 3 of this act to the legislature on or before December 1, 1991.

The director shall invite members of the house fisheries and wildlife committee and the senate committee on environment and natural resources to attend meetings in which these recommendations are being developed.

Passed the Senate April 22, 1991.

Passed the House April 11, 1991.

Approved by the Governor May 10, 1991.

Filed in Office of Secretary of State May 10, 1991.

GASOHOL USE ENCOURAGED

Effective Date: 7/28/91

AN ACT Relating to gasohol; amending RCW 19.112.010 and 82.36.225; and adding a new section to chapter 19.112 RCW.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 19.112.010 and 1990 c 102 s 2 are each amended to read as follows:

As used in this chapter:

(1) "Motor fuel" means any liquid product used for the generation of power in an internal combustion engine used for the propulsion of a motor vehicle upon the highways of this state. Motor fuels containing ethanol may be marketed (~~as long as~~) if either (a) the base motor fuel meets the applicable standards before the addition of the ethanol or (b) the resultant blend meets the applicable standards after the addition of the ethanol.

(2) "Director" means the director of agriculture.

Sec. 2. RCW 82.36.225 and 1985 c 371 s 4 are each amended to read as follows:

Alcohol of any proof that is sold in this state for use as fuel in motor vehicles, farm implements and machines, or implements of husbandry is exempt from the motor vehicle fuel tax under this chapter. In addition, a tax credit of sixty percent of the tax rate imposed by RCW 82.36.025 shall be given for every gallon of alcohol used in an alcohol-gasoline blend which contains at least nine and one-half percent or more by volume of alcohol: PROVIDED, That in no case may the tax credit claimed be greater than the tax due on the gasoline portion of the blended fuel.

This section shall expire on December 31, ((1992)) 1999.

***NEW SECTION. Sec. 3. A new section is added to chapter 19.112 RCW to read as follows:**

The director may, with the concurrence of the department of ecology, grant a variance from the ASTM standards if necessary to produce a lower emission motor fuel.

***Sec. 3 was vetoed, see message at end of chapter.**

Passed the House March 20, 1991.

Passed the Senate April 12, 1991.

Approved by the Governor May 10, 1991 with the exception of certain items which were vetoed.

Filed in Office of Secretary of State May 10, 1991.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 3, Engrossed House Bill No. 1883 entitled:

"AN ACT Relating to gasohol."

This bill extends the tax exemption for alcohol blended fuels. By so doing, this legislation serves to promote the use of gasohol. Its enactment will reduce dependency on imported oil, strengthen relevant agricultural markets, and reduce air pollution.

Section 3 of this bill, however, is duplicative of language referenced in the Clean Air Bill, Engrossed Substitute House Bill No. 1028, section 231. For this reason, I have vetoed section 3 of Engrossed House Bill No. 1883.

With the exception of section 3, Engrossed House Bill No. 1883 is approved."

(1) "Action" means a judicial proceeding or arbitration in which a payment in money may be awarded or enforced with respect to a foreign-money claim.

(2) "Bank-offered spot rate" means the spot rate of exchange at which a bank will sell foreign money at a spot rate.

(3) "Conversion date" means the banking day next preceding the date on which money, in accordance with this chapter, is:

(a) Paid to a claimant in an action or distribution proceeding;

(b) Paid to the official designated by law to enforce a judgment or award on behalf of a claimant; or

(c) Used to recoup, set off, or counterclaim in different moneys in an action or distribution proceeding.

(4) "Distribution proceeding" means a judicial or nonjudicial proceeding for the distribution of a fund in which one or more foreign-money claims is asserted and includes an accounting, an assignment for the benefit of creditors, a foreclosure, the liquidation or rehabilitation of a corporation or other entity, and the distribution of an estate, trust, or other fund.

(5) "Foreign money" means money other than money of the United States of America.

(6) "Foreign-money claim" means a claim upon an obligation to pay, or a claim for recovery of a loss, expressed in or measured by a foreign money.

(7) "Money" means a medium of exchange for the payment of obligations or a store of value authorized or adopted by a government or by intergovernmental agreement.

(8) "Money of the claim" means the money determined as proper pursuant to section 4 of this act.

(9) "Person" means an individual, corporation, government or governmental subdivision or agency, business trust, estate, trust, joint venture, partnership, association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(10) "Rate of exchange" means the rate at which money of one country may be converted into money of another country in a free financial

market convenient to or reasonably usable by a person obligated to pay or to state a rate of conversion. If separate rates of exchange apply to different kinds of transactions, the term means the rate applicable to the particular transaction giving rise to the foreign-money claim.

(11) "Spot-rate" means the rate of exchange at which foreign money is sold by a bank or other dealer in foreign exchange for immediate or next day availability or for settlement by immediate payment in cash or equivalent, by charge to an account, or by an agreed delayed settlement not exceeding two days.

(12) "State" means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, or a territory or insular possession subject to the jurisdiction of the United States.

NEW SECTION. Sec. 2. (1) This chapter applies only to a foreign-money claim in an action or distribution proceeding.

(2) This chapter applies to foreign-money issues even if other law under the conflict of laws rules of this state applies to other issues in the action or distribution proceeding.

NEW SECTION. Sec. 3. (1) The effect of this chapter may be varied by agreement of the parties made before or after commencement of an action or distribution proceeding or the entry of judgment.

(2) Parties to a transaction may agree upon the money to be used in a transaction giving rise to a foreign-money claim and may agree to use different moneys for different aspects of the transaction. Stating the price in a foreign money for one aspect of a transaction does not alone require the use of that money for other aspects of the transaction.

NEW SECTION. Sec. 4. (1) The money in which the parties to a transaction have agreed that payment is to be made is the proper money of the claim for payment.

(2) If the parties to a transaction have not otherwise agreed, the proper money of the claim, as in each case may be appropriate, is the money:

(a) Regularly used between the parties as a matter of usage or course of dealing;

(b) Used at the time of a transaction in international trade, by trade usage or common practice, for valuing or settling transactions in the particular commodity or service involved; or

(c) In which the loss was ultimately felt or will be incurred by the party claimant.

NEW SECTION. Sec. 5. (1) If an amount contracted to be paid in a foreign money is measured by a specified amount of a different money, the amount to be paid is determined on the conversion date.

(2) If an amount contracted to be paid in a foreign money is to be measured by a different money at the rate of exchange prevailing on a date before default, that rate of exchange applies only to payments made within

a reasonable time after default, not exceeding thirty days. Thereafter, conversion is made at the bank-offered spot rate on the conversion date.

(3) A monetary claim is neither usurious nor unconscionable because the agreement on which it is based provides that the amount of the debtor's obligation to be paid in the debtor's money, when received by the creditor, must equal a specified amount of the foreign money of the country of the creditor. If, because of unexcused delay in payment of a judgment or award, the amount received by the creditor does not equal the amount of the foreign money specified in the agreement, the court or arbitrator shall amend the judgment or award accordingly.

NEW SECTION. Sec. 6. (1) A person may assert a claim in a specified foreign money. If a foreign-money claim is not asserted, the claimant makes the claim in United States dollars.

(2) An opposing party may allege and prove that a claim, in whole or in part, is in a different money than that asserted by the claimant.

(3) A person may assert a defense, set-off, recoupment, or counterclaim in any money without regard to the money of other claims.

(4) The determination of the proper money of the claim is a question of law.

NEW SECTION. Sec. 7. (1) Except as provided in subsection (3) of this section, a judgment or award on a foreign-money claim must be stated in an amount of the money of the claim.

(2) A judgment or award on a foreign-money claim is payable in that foreign money or, at the option of the debtor, in the amount of United States dollars which will purchase that foreign money on the conversion date at a bank-offered spot rate.

(3) Assessed costs must be entered in United States dollars.

(4) Each payment in United States dollars must be accepted and credited on a judgment or award on a foreign-money claim in the amount of the foreign money that could be purchased by the dollars at a bank-offered spot rate of exchange at or near the close of business on the conversion date for that payment.

(5) A judgment or award made in an action or distribution proceeding on both (a) a defense, set-off, recoupment, or counterclaim, and (b) the adverse party's claim, must be netted by converting the money of the smaller into the money of the larger, and by subtracting the smaller from the larger, and specify the rates of exchange used.

(6) A judgment substantially in the following form complies with subsection (1) of this section:

IT IS ADJUDGED AND ORDERED, that defendant (insert name) pay to plaintiff (insert name) the sum of (insert amount in the foreign money) plus interest on that sum at the rate of (insert rate—see section 9 of this act) percent a year or, at the option of the judgment debtor, the number of United States dollars

which will purchase the (insert name of foreign money) with interest due, at a bank-offered spot rate at or near the close of business on the banking day next before the day of payment, together with assessed costs of (insert amount) United States dollars.

(7) If a contract claim is of the type covered by section 5 (a) or (b) [(1) or (2)] of this act, the judgment or award must be entered for the amount of money stated to measure the obligation to be paid in the money specified for payment or, at the option of the debtor, the number of United States dollars which will purchase the computed amount of the money of payment on the conversion date at a bank-offered spot rate.

(8) A judgment must be filed or docketed and indexed in foreign money in the same manner, and has the same effect as a lien, as other judgments. It may be discharged by payment.

NEW SECTION. Sec. 8. The rate of exchange prevailing at or near the close of business on the day the distribution proceeding is initiated governs all exchanges of foreign money in a distribution proceeding. A foreign-money claimant in a distribution proceeding shall assert its claim in the named foreign money and show the amount of United States dollars resulting from a conversion as of the date the proceeding was initiated.

NEW SECTION. Sec. 9. (1) With respect to a foreign-money claim, recovery of prejudgment or preaward interest and the rate of interest to be applied in the action or distribution proceeding, except as provided in subsection (2) of this section, are matters of the substantive law governing the right to recovery under the conflict-of-laws rules of this state.

(2) The court or arbitrator shall increase or decrease the amount of prejudgment or preaward interest otherwise payable in a judgment or award in foreign money to the extent required by the law of this state governing a failure to make or accept an offer of settlement or offer of judgment, or conduct by a party or its attorney causing undue delay or expense.

(3) A judgment or award on a foreign-money claim bears interest at the rate applicable to judgments of this state.

NEW SECTION. Sec. 10. (1) If an action is brought to enforce a judgment of another jurisdiction expressed in a foreign money and the judgment is recognized in this state as enforceable, the enforcing judgment must be entered as provided in section 7 of this act, whether or not the foreign judgment confers an option to pay in an equivalent amount of United States dollars.

(2) A foreign judgment may be filed or docketed in accordance with any rule or statute of this state providing a procedure for its recognition and enforcement.

(3) A satisfaction or partial payment made upon the foreign judgment, on proof thereof, must be credited against the amount of foreign money

specified in the judgment, notwithstanding the entry of judgment in this state.

(4) A judgment entered on a foreign-money claim only in United States dollars in another state must be enforced in this state in United States dollars only.

NEW SECTION. Sec. 11. (1) Computations under this section are for the limited purposes of this section and do not affect computation of the United States dollar equivalent of the money of the judgment for the purpose of payment.

(2) For the limited purpose of facilitating the enforcement of provisional remedies in an action, the value in United States dollars of assets to be seized or restrained pursuant to a writ of attachment, garnishment, execution, or other legal process, the amount of United States dollars at issue for assessing costs, or the amount of United States dollars involved for a surety bond or other court-required undertaking, must be ascertained as provided in subsections (3) and (4) of this section.

(3) A party seeking process, costs, bond, or other undertaking under subsection (2) of this section, shall compute in United States dollars the amount of the foreign money claimed from a bank-offered spot rate prevailing at or near the close of business on the banking day next preceding the filing of a request or application for the issuance of process or for the determination of costs, or an application for a bond or other court-required undertaking.

(4) A party seeking the process, costs, bond, or other undertaking under subsection (2) of this section shall file with each request or application an affidavit or certificate executed in good faith by its counsel or a bank officer, stating the market quotation used and how it was obtained, and setting forth the calculation. Affected court officials incur no liability, after a filing of the affidavit or certificate, for acting as if the judgment were in the amount of United States dollars stated in the affidavit or certificate.

NEW SECTION. Sec. 12. (1) If, after an obligation is expressed or a loss is incurred in a foreign money, the country issuing or adopting that money substitutes a new money in place of that money, the obligation or the loss is treated as if expressed or incurred in the new money at the rate of conversion the issuing country establishes for the payment of like obligations or losses denominated in the former money.

(2) If substitution under subsection (1) of this section occurs after a judgment or award is entered on a foreign-money claim, the court or arbitrator shall amend the judgment or award by a like conversion of the former money.

NEW SECTION. Sec. 13. Unless displaced by particular provisions of this chapter, the principles of law and equity, including the law merchant, and the law relative to capacity to contract, principal and agent, estoppel,

fraud, misrepresentation, duress, coercion, mistake, bankruptcy, or other validating or invalidating causes supplement its provisions.

NEW SECTION. Sec. 14. This chapter shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

NEW SECTION. Sec. 15. This chapter may be cited as the uniform foreign-money claims act.

NEW SECTION. Sec. 16. This act shall take effect January 1, 1992.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 18. This act applies prospectively only and not retroactively. It applies only to causes of action which are commenced on or after the effective date of this act.

NEW SECTION. Sec. 19. Sections 1 through 15 of this act shall constitute a new chapter in Title 6 RCW.

 - (b) As provided by the administrative procedure act, chapter 34.05 RCW, rules and regulations promulgated by the director of community development, through the director of fire protection.

(3) Installation of smoke detection devices shall be the responsibility of the owner. Maintenance of smoke detection devices, including the replacement of batteries where required for the proper operation of the smoke detection device, shall be the responsibility of the tenant, who shall maintain the device as specified by the manufacturer. At the time of a vacancy, the owner shall insure that the smoke detection device is operational prior to the reoccupancy of the dwelling unit.

(4) Any owner or tenant failing to comply with this section shall be punished by a fine of not more than ~~((fifty))~~ two hundred dollars.

(5) For the purposes of this section:

(a) "Dwelling unit" means a single unit providing complete, independent living facilities for one or more persons including permanent provisions for living, sleeping, eating, cooking, and sanitation; and

(b) "Smoke detection device" means an assembly incorporating in one unit a device which detects visible or invisible particles of combustion, the control equipment, and the alarm-sounding device, operated from a power supply either in the unit or obtained at the point of installation.

Sec. 2. RCW 59.18.060 and 1973 1st ex.s. c 207 s 6 are each amended to read as follows:

The landlord will at all times during the tenancy keep the premises fit for human habitation, and shall in particular:

(1) Maintain the premises to substantially comply with any applicable code, statute, ordinance, or regulation governing their maintenance or operation, which the legislative body enacting the applicable code, statute, ordinance or regulation could enforce as to the premises rented if such condition substantially endangers or impairs the health or safety of the tenant;

(2) Maintain the roofs, floors, walls, chimneys, fireplaces, foundations, and all other structural components in reasonably good repair so as to be usable and capable of resisting any and all normal forces and loads to which they may be subjected;

(3) Keep any shared or common areas reasonably clean, sanitary, and safe from defects increasing the hazards of fire or accident;

(4) Provide a reasonable program for the control of infestation by insects, rodents, and other pests at the initiation of the tenancy and, except in the case of a single family residence, control infestation during tenancy except where such infestation is caused by the tenant;

(5) Except where the condition is attributable to normal wear and tear, make repairs and arrangements necessary to put and keep the premises in as good condition as it by law or rental agreement should have been, at the commencement of the tenancy;

(11) Provide a written notice to the tenant that the dwelling unit is equipped with a smoke detection device as required in RCW 48.48.140. The notice shall inform the tenant of the tenant's responsibility to maintain the smoke detection device in proper operating condition and of penalties for failure to comply with the provisions of RCW 48.48.140(3). The notice must be signed by the landlord or the landlord's authorized agent and tenant with copies provided to both parties.

(12) Designate to the tenant the name and address of the person who is the landlord by a statement on the rental agreement or by a notice conspicuously posted on the premises. No duty shall devolve upon the landlord to repair a defective condition under this section, nor shall any defense or remedy be available to the tenant under this chapter, where the defective condition complained of was caused by the conduct of such tenant, his family, invitee, or other person acting under his control, or where a tenant unreasonably fails to allow the landlord access to the property for purposes of repair. When the duty imposed by subsection (1) of this section is incompatible with and greater than the duty imposed by any other provisions of this section, the landlord's duty shall be determined pursuant to subsection (1) of this section.

CHAPTER 156

[Substitute House Bill 1196]

WASHINGTON STATE CENTER FOR ENVIRONMENTAL AND MOLECULAR
SCIENCES

Effective Date: 7/28/91

AN ACT Relating to the Washington state center for environmental and molecular sciences; and creating new sections.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature finds that:

(1) The technology and associated sciences that are necessary to clean up hazardous waste are not sufficiently advanced to make many waste management and environmental restoration efforts efficient and cost-effective.

(2) A lack of personnel trained in waste management and environmental restoration technologies will significantly impede future clean-up efforts.

(3) Research and development in molecular science may result in scientific breakthroughs that will assist future waste management and environmental restoration efforts, and lead to the design and development of new materials and processes that will advance scientific knowledge and technology.

(4) Research and development in the environmental and molecular sciences will require expertise that cuts across traditional areas of research, research efforts that require highly interdisciplinary approaches in the biological and physical sciences, and interdisciplinary education and training programs. Accordingly, the research and education in this area will require a blending of molecular science and technology and interdisciplinary education and training.

(5) Hanford has been cited as a centerpiece in the federal government's research and development efforts in molecular science and waste management and environmental restoration.

(6) The state of Washington and its institutions of higher education could benefit greatly from the technical and scientific expertise available at Hanford.

(7) The Washington State University branch campus in the Tri-Cities has a unique opportunity to help the state capitalize on this opportunity due to its close physical proximity to the department of energy's center for environmental excellence and its molecular science center situated at the Pacific Northwest laboratory.

NEW SECTION. Sec. 2. By November 1, 1991, Washington State University shall submit to the higher education coordinating board for approval a proposal for the long-term development of a center for environmental and molecular sciences at Washington State University/Tri-Cities.

A number of purposes are envisioned for the center and are delineated in this section. It is to be understood that the accomplishment of these purposes will require the active support of Washington State University/Pullman and, where clearly appropriate, the cooperative involvement of other educational, governmental, and industrial partners, such as the Pacific Northwest laboratory.

The center shall be designed to accomplish the following purposes:

(1) Coordinate the relationship of Washington State University with the federal government's waste management and environmental restoration efforts at the Hanford site, the Pacific Northwest laboratory's molecular science center and center for environmental excellence, and other environmental and molecular science research and technology efforts at the Hanford site, to ensure that all available expertise is utilized in aiding these programs, as well as ensuring that Washington State University is able to participate in these efforts.

(2) Develop upper-division and graduate instructional programs in environmental assessment and remediation technology and molecular sciences, as approved by the higher education coordinating board.

(3) Enhance research capabilities at Washington State University/Tri-Cities and Washington State University/Pullman in molecular science and hazardous waste management and environmental restoration technology by blending forefront molecular science research and waste management and environmental restoration educational efforts.

(4) Ensure that the state of Washington and its institutions of higher education benefit from the technical and scientific expertise at Hanford and the Tri-Cities.

(5) Develop the expertise necessary to assist in technology transfer of molecular science and hazardous waste research and development efforts to private industry, institutions of higher education, and other governmental agencies.

(6) Foster strong cooperative relationships among the federal government, the state, and businesses and industries interested in hazardous waste and molecular science research and development.

(7) Initiate collaborative research programs with Hanford contractors, staff, facilities, and equipment in support of instructional programs.

(8) Ensure that the molecular science and hazardous waste expertise of all Washington universities and colleges is made available to aid the federal research efforts.

Funding for education and research programs offered through the center shall supplement and not supplant funding for other education and research programs offered at Washington State University/Tri-Cities and Washington State University/Pullman. Moreover, the activities and programs of the Washington state center for environmental and molecular sciences shall be integrated with related activities and programs at Washington State University/Pullman.

NEW SECTION. Sec. 3. The proposal provided for in section 2 of this act shall include:

(1) A review of existing relationships among federal entities and principal contractors at Hanford with Washington's institutions of higher education;

(2) A description of methods for coordinating with and utilizing the resources of the other institutions of higher education in the state with expertise in this area;

(3) A description of methods for coordinating relationships between Washington State University and the Pacific Northwest laboratory's molecular science center and center for environmental excellence, as well as other research efforts at the Hanford site;

(4) A description of the upper-division and graduate program curricula necessary at Washington State University to educate and train professionals needed to enhance Washington's efforts in molecular science and hazardous waste science and technology;

(5) An assessment of the research capabilities needed at Washington State University in molecular science and hazardous waste management and environmental restoration technology to improve the efficiency of clean-up efforts in the Tri-Cities and other areas in Washington;

(6) An estimate of the expertise and support necessary to assist in technology transfer of molecular science and hazardous waste research and development efforts;

(7) Recommendations on ways to provide maximum benefit to the citizens of Washington from the research at Hanford and the Tri-Cities;

(8) Estimated operating and facilities costs of the center; and

(9) Additional information as determined by the higher education coordinating board.

The higher education coordinating board shall review the proposal. In making its review, the higher education coordinating board shall evaluate both policy and fiscal aspects of the proposal and shall specifically review the center's proposed role and mission within the context of the development plan for branch campuses of Washington State University. The higher education coordinating board shall make recommendations to the governor and

the legislature by February 1, 1992, on: (a) Whether to establish a Washington state center for environmental and molecular sciences, and, if so, (b) the long-term development of the center.

Passed the House March 6, 1991.

Passed the Senate April 17, 1991.

Approved by the Governor May 10, 1991.

Filed in Office of Secretary of State May 10, 1991.

Effective Date: 7/28/91

AN ACT Relating to continuing care retirement communities; and amending RCW 70.38.025 and 70.38.111.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. RCW 70.38.025 and 1989 1st ex.s. c 9 s 602 are each amended to read as follows:

When used in this chapter, the terms defined in this section shall have the meanings indicated.

(1) "Board of health" means the state board of health created pursuant to chapter 43.20 RCW.

(2) "Capital expenditure" is an expenditure, including a force account expenditure (i.e., an expenditure for a construction project undertaken by a nursing home facility as its own contractor) which, under generally accepted accounting principles, is not properly chargeable as an expense of operation or maintenance. Where a person makes an acquisition under lease or comparable arrangement, or through donation, which would have required review if the acquisition had been made by purchase, such expenditure shall be deemed a capital expenditure. Capital expenditures include donations of equipment or facilities to a nursing home facility which if acquired directly by such facility would be subject to certificate of need review under the provisions of this chapter and transfer of equipment or facilities for less than fair market value if a transfer of the equipment or facilities at fair market value would be subject to such review. The cost of any studies, surveys, designs, plans, working drawings, specifications, and other activities essential to the acquisition, improvement, expansion, or replacement of any plant or equipment with respect to which such expenditure is made shall be included in determining the amount of the expenditure.

(3) "Continuing care retirement community" means an entity which provides shelter and services under continuing care contracts with its members and which sponsors or includes a health care facility or a health service. A "continuing care contract" means a contract to provide a person, for the duration of that person's life or for a term in excess of one year, shelter along with nursing, medical, health-related, or personal care services, which is conditioned upon the transfer of property, the payment of an entrance fee to the provider of such services, or the payment of periodic charges for the care and services involved. A continuing care contract is not excluded from this definition because the contract is mutually terminable or because shelter and services are not provided at the same location.

(4) "Department" means the department of health.

(5) "Expenditure minimum" means, for the purposes of the certificate of need program, one million dollars adjusted by the department by rule to reflect changes in the United States department of commerce composite construction cost index; or a lesser amount required by federal law and established by the department by rule.

(6) "Health care facility" means hospices, hospitals, psychiatric hospitals, nursing homes, kidney disease treatment centers, ambulatory surgical facilities, (~~continuing care retirement communities;~~) and home health agencies, and includes such facilities when owned and operated by a political subdivision or instrumentality of the state and such other facilities as required by federal law and implementing regulations, but does not include Christian Science sanatoriums operated, listed, or certified by the First Church of Christ Scientist, Boston, Massachusetts. In addition, the term
